The Honorable Adam Smith, Chairperson
House Committee on Taxation
300 SW 10th Avenue, Room 346-S
Topeka, Kansas 66612

Dear Representative Smith:

SUBJECT: Fiscal Note for HB 2219 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2219 is respectfully submitted to your committee.

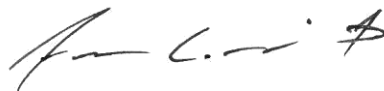

Under current law, taxpayers are required to pay state income taxes on certain gambling winnings but are not allowed to deduct any losses from gambling. HB 2219 would allow 100.0 percent of gambling losses claimed on federal income tax returns to be claimed as an itemized deduction on state income tax returns beginning in tax year 2023 and in each future tax year. The bill would also remove outdated statutory references.

Estimated State Fiscal Effect				
	FY 2023 SGF	FY 2023 All Funds	FY 2024 SGF	FY 2024 All Funds
Revenue	--	--	(\$8,600,000)	(\$8,600,000)
Expenditure	--	--	\$63,176	\$63,176
FTE Pos.	--	--	--	--

The Department of Revenue estimates that HB 2219 would decrease State General Fund revenues by \$8.6 million in FY 2024 and in each future fiscal year. To formulate this estimate, the Department reviewed Internal Revenue Service data on gambling losses claimed on federal tax returns. The Department of Revenue estimates that Kansas taxpayers would claim approximately \$171.0 million in gambling losses in tax year 2023 under the provisions of the bill, which would reduce state income tax collections by approximately \$8.6 million in tax year 2023 or FY 2024.

The Department of Revenue indicates that it would require a total of \$63,176 from the State General Fund in FY 2024 to implement the bill and to modify the automated tax system. The required programming for this bill by itself would be performed by existing staff of the Department of Revenue. In addition, if the combined effect of implementing this bill and other enacted legislation exceeds the Department's programming resources, or if the time for implementing the changes is too short, additional expenditures for outside contract programmer services beyond the Department's current budget may be required. Any fiscal effect associated with HB 2219 is not reflected in *The FY 2024 Governor's Budget Report*.

Sincerely,
