15 practices act; or
- 16 (N) person licensed, registered, certified or otherwise authorized by
17 the behavioral sciences regulatory board to practice a profession.
- 18 (5) "Utilization review entity" means an individual or entity that
19 performs prior authorization for:
- 20 (A) An employer with employees in Kansas who are covered under a
21 health benefit plan or health insurance policy;
- 22 (B) an insurer that writes health insurance policies;
- 23 (C) a preferred provider organization or health maintenance
24 organization; or
- 25 (D) any other individual or entity that provides, offers to provide or
26 administers hospital, outpatient, medical, prescription drug or other health
27 benefits to a person treated by a healthcare professional in Kansas under a
28 policy, plan or contract.
- 29 Sec. 2. (a) Not later than January 1, 2025, a utilization review entity
30 shall accept and respond to prior authorization requests under a pharmacy
31 benefit through a secure electronic transmission using the national council
32 for prescription drug programs script standard for electronic prior
33 authorization transactions. As used in this subsection, "secure electronic
34 transmission" does not include facsimile, proprietary payer portals,
35 electronic forms or any other technology that is not directly integrated with
36 a physician's electronic health record or electronic prescribing system.
- 37 (b) Not later than January 1, 2025, a utilization review entity shall
38 accept and respond to prior authorization requests for healthcare services
39 using a secure electronic portal at no cost to a healthcare provider. A
40 utilization review entity shall not require a healthcare provider to use a
41 specified secure electronic portal.
- 42 Sec. 3. (a) Not later than 24 hours after receiving all information
43 requested to complete a review of requested urgent healthcare services, a

1 utilization review entity shall:

2 (1) Render a prior authorization or adverse determination and notify
3 the enrollee and enrollee's healthcare provider of such prior authorization
4 or adverse determination; and

5 (2) if the utilization review entity determines that additional
6 information is needed to render a prior authorization or adverse
7 determination, notify the healthcare provider that additional information is
8 needed.

9 (b) (1) A utilization review entity shall not require prior authorization
10 for pre-hospital transportation or the provision of emergency healthcare
11 services.

12 (2) A utilization review entity shall allow an enrollee and the
13 enrollee's healthcare provider not less than 24 hours following an
14 emergency admission or the provision of emergency healthcare services to
15 notify the utilization review entity of such admission or provision of
16 services. If an emergency admission or the provision of emergency
17 healthcare services occurs on a weekend or public holiday, a utilization
18 review entity shall not require notification until the next business day after
19 such admission or provision of services.

20 (3) Not later than two hours after receiving all information requested
21 to complete a review of requested emergency healthcare services, a
22 utilization review entity shall:

23 (A) Render a prior authorization or adverse determination and notify
24 the enrollee and enrollee's healthcare provider of such prior authorization
25 or adverse determination; and

26 (B) if the utilization review entity determines that additional
27 information is needed to render a prior authorization or adverse
28 determination, notify the healthcare provider that additional information is
29 needed.

30 (4) If a patient receives emergency healthcare services that require an
31 immediate post-evaluation or post-stabilization, a utilization review entity
32 shall render a prior authorization or adverse determination not later than
33 two hours after receiving the request for such post-evaluation or post-
34 stabilization.

35 (c) After receiving all information requested to complete a review of
36 regular healthcare services, a utilization review entity shall:

37 (1) Not later than 14 calendar days after such receipt, render a prior
38 authorization or adverse determination and notify the enrollee and
39 enrollee's healthcare provider of such prior authorization or adverse
40 determination; and

41 (2) if the utilization review entity determines that additional
42 information is needed to render a prior authorization or adverse
43 determination, not later than 48 hours after such receipt, notify the

1 healthcare provider that additional information is needed.

2 (d) If a utilization review entity requires a prior authorization for a
3 healthcare service for the treatment of a chronic or long-term care
4 condition:

5 (1) Such prior authorization shall remain valid for the length of the
6 treatment; and

7 (2) the utilization review entity shall not require the enrollee to obtain
8 an additional prior authorization for such healthcare service.

9 Sec. 4. A utilization review entity shall not:

10 (a) Require prior authorization for birth by cesarean section or
11 vaginal delivery or neonatal intensive care services; or

12 (b) require notification of such services as a condition of payment for
13 such services.

14 Sec. 5. (a) A utilization review entity shall not retroactively deny
15 prior authorization for a covered healthcare service unless the prior
16 authorization was based on fraudulent information provided by an enrollee
17 or the enrollee's healthcare provider.

18 (b) A utilization review entity shall not revoke, limit, condition or
19 restrict a prior authorization if the healthcare service subject to the prior
20 authorization is:

21 (1) Initiated within 45 business days after the date the healthcare
22 provider received the prior authorization; and

23 (2) completed within the approved time period.

24 Sec. 6. (a) A healthcare provider may appeal any adverse
25 determination of a prior authorization request.

26 (b) Except as provided by subsection (c), a utilization review entity
27 shall complete adjudication of any requested appeal of an adverse
28 determination of a prior authorization request within 30 calendar days.

29 (c) If a healthcare provider indicates that a requested appeal is an
30 emergency, the utilization review entity shall provide for an expedited
31 phone appeal within 24 hours after the request. If the provider indicates
32 that the requested appeal is urgent, the utilization review entity shall
33 provide for such appeal within 72 hours after the request.

34 (d) A healthcare provider may prospectively request peer-to-peer
35 review in any appeal of an adverse determination of a prior authorization
36 request. If requested, such review shall be completed within 48 hours after
37 the request. For any appeal that includes a peer-to-peer review, the
38 utilization review committee shall provide a qualified peer who has
39 practiced in the same or similar specialty as the requesting healthcare
40 provider.

41 Sec. 7. (a) Each utilization review entity shall disclose all of the
42 utilization review entity's requirements and restrictions related to prior
43 authorization. Such requirements and restrictions shall be disclosed in a

1 publicly accessible manner on the utilization review entity's website.

2 (b) A utilization review entity shall provide notice of any change to
3 the utilization review entity's prior authorization requirements or
4 restrictions to each healthcare provider subject to such requirements or
5 restrictions.

6 (c) On or before January 1, 2025, and annually thereafter, each
7 utilization review entity shall submit a report to the commissioner of
8 insurance providing statistics about the utilization review entity's prior
9 authorization practices. Such statistics shall include, but not be limited to,
10 the:

11 (1) Percentage of initial approvals and initial adverse determinations;

12 (2) percentage of initial adverse determinations categorized by
13 healthcare specialty;

14 (3) largest percentage of medication and diagnostic test adverse
15 determinations;

16 (4) reasons most frequently cited for adverse determinations;

17 (5) number of appeals requested; and

18 (6) percentage of appeals approved and denied.

19 (d) On or before January 1, 2025, and annually thereafter, the
20 insurance commissioner shall publish on the insurance commissioner's
21 website all reports submitted pursuant to subsection (c).

22 Sec. 8. If any provision or clause of this act or application thereof to
23 any person or circumstance is held invalid, such invalidity shall not affect
24 other provisions or applications of this act that can be given effect without
25 the invalid provision or application, and to this end the provisions of this
26 act are declared to be severable.

27 Sec. 9. This act shall take effect and be in force from and after its
28 publication in the Kansas register.
