Sec. 60. K.S.A. 65-2001 is hereby amended to read as follows: 65-2001. As used in the podiatry act, unless the context otherwise requires:

Surgical treatment of the ankle by a podiatrist shall be performed only in a medical care facility, as defined in K.S.A. 65-425, and amendments thereto.

(e) Not later than 90 days after the effective date of this act, the board shall appoint a five-member committee to be known as the podiatry interdisciplinary advisory committee. Sec. 62. K.S.A. 65-2004 is hereby amended to read as follows: 65-2004. (a) Except as provided in subsection (b) of K.S.A. 65-2003, and amendments thereto, each applicant for a license to practice podiatry shall be examined by the board in the following subjects: Anatomy, bacteriology, chemistry, dermatology, histology, pathology, physiology, pharmacology and medicine, diagnosis, therapeutics, and clinical podiatry and surgery, limited in their scope to the treatment of the human foot, including the ankle and tendons which insert into the foot as well as the foot. (b) Each applicant before taking the examination shall pay to the board the examination fee established pursuant to K.S.A. 65-2012, and amendments thereto. Any applicant failing the examination may have a reexamination in accordance with criteria established by rules and regulations of the board, which criteria may limit the number of times an applicant may retake the examination.

Sec. 63. K.S.A. 2013 Supp. 65-2005 is hereby amended to read as follows: 65-2005. (a) A licensee shall be designated a licensed podiatrist and shall not use any title or abbreviations without the designation licensed podiatrist, practice limited to the human foot, including the ankle and tendons which insert into the foot as well as the foot, and shall not mislead the public as to such licensee's limited professional qualifications to treat human ailments. Whenever a registered podiatrist, or words of like effect, is referred to or designated by any statute, contract or other document, such reference or designation shall be deemed to refer to or designate a licensed podiatrist.

(b) The license of each licensed podiatrist shall expire on the date established by rules and regulations of the board which may provide renewal throughout the year on a continuing basis. In each case in which a license is renewed for a period of time of less than one year, the board may prorate the amount of the fee established under K.S.A. 65-2012, and amendments thereto. The request for renewal shall be on a form provided by the board and shall be accompanied by the renewal fee established under K.S.A. 65-2012, and amendments thereto, which shall be paid not later than the expiration date of the license. At least 30 days before the expiration of a licensee's license, the board shall notify the licensee of the expiration by mail addressed to the licensee's last mailing address as noted upon the office records. If a licensee fails to pay the renewal fee by the date of expiration, the licensee shall be given a second notice that the licensee's license has expired and the license may be renewed only if the renewal fee and the late renewal fee are received by the board within the thirty-day period following the date of expiration and that, if both fees are not received within the thirty-day period, such licensee's license shall be canceled by operation of law and without further proceedings for failure to renew and shall be reissued only after the licensee has been reinstated under subsection (c).

(c) Any licensee who allows the licensee's license to be canceled by failing to renew may be reinstated upon recommendation of the board and upon payment of the renewal fee and the reinstatement fee established pursuant to K.S.A. 65-2012, and amendments thereto, and upon submitting evidence of satisfactory completion of the applicable reeducation and continuing education requirements established by the board. The board shall adopt rules and regulations establishing appropriate reeducation and continuing education requirements for reinstatement of persons whose licenses have been canceled for failure to renew.

(d) The board, prior to renewal of a license, shall require the licensee, if in the active practice of podiatry within Kansas, to submit to the board evidence satisfactory to the board that the licensee is maintaining a policy of professional liability insurance as required by K.S.A. 40-3402, and amendments thereto, and has paid the annual premium surcharge as required by K.S.A. 40-3404, and amendments thereto.

(e) The board may issue a temporary permit to practice podiatry in this state to any person making application for a license to practice podiatry who meets the required qualifications for a license and who pays to the board the temporary permit fee established pursuant to K.S.A. 65-2012, and amendments thereto. A temporary permit shall authorize the permittee to practice within the limits of the permit until the license is issued or denied to the permittee by the board.

(f) The board may issue a postgraduate permit to practice podiatry to any person engaged in a full-time, approved postgraduate study program; has made application for such postgraduate permit upon a form provided by the board; meets all the qualifications for a license, except the examination required under K.S.A. 65-2004, and amendments thereto; and has paid the fee established pursuant to K.S.A. 65-2012, and amendments thereto. The postgraduate permit shall authorize the person receiving the permit to practice podiatry in the postgraduate study program, but shall not authorize practice outside of the postgraduate study program. The postgraduate permit shall be canceled if the permittee ceases to be engaged in the postgraduate study program.

(g) The board may issue, upon payment to the board of the temporary license fee established pursuant to K.S.A. 65-2012, and amendments thereto, a temporary license

to a practitioner of another state or country who is appearing as a clinician at meetings, seminars or training programs approved by the board, if the practitioner holds a current license, registration or certificate as a podiatrist from another state or country and the sole purpose of such appearance is for promoting professional education.

(h) There is hereby created a designation of exempt license. The board is authorized to issue an exempt license to any licensee who makes written application for such license on a form provided by the board and remits the fee for an exempt license established under K.S.A. 65-2012, and amendments thereto. The board may issue an exempt license only to a person who has previously been issued a license to practice podiatry within Kansas, who is no longer regularly engaged in such practice and who does not hold oneself out to the public as being professionally engaged in such practice. An exempt license shall entitle the holder to all privileges attendant to the practice of podiatry. Each exempt license may be renewed annually subject to the other provisions of this section and other sections of the podiatry act. Each exempt licensee shall be subject to all provisions of the podiatry act, except as otherwise provided. The holder of an exempt license shall not be required to submit evidence of satisfactory completion of a program of continuing education required under the podiatry act. Each exempt licensee may apply for a license to regularly engage in the practice of podiatry upon filing a written application with the board and submitting evidence of satisfactory completion of the applicable and continuing education requirements established by the board. The request shall be on a form provided by the board and shall be accompanied by the license fee established under K.S.A. 65-2012, and amendments thereto. The board shall adopt rules and regulations establishing appropriate and continuing education requirements for exempt licensees to become licensed to regularly practice podiatry within Kansas.

(i) There is hereby created a designation of inactive license. The board is authorized to issue an inactive license to any licensee who makes written application for such license on a form provided by the board and remits the fee for an inactive license established pursuant to K.S.A. 65-2012, and amendments thereto. The board may issue an inactive license only to a person who meets all the requirements for a license to practice podiatry in Kansas, who is not regularly engaged in the practice of podiatry in Kansas, who does not hold oneself out to the public as being professionally engaged in such practice and who meets the definition of inactive health care provider as defined in K.S.A. 40-3401, and amendments thereto. An inactive license shall not entitle the holder to practice podiatry in this state. Each inactive license may be renewed subject to the provisions of this section. Each inactive licensee shall be subject to all provisions of the podiatry act, except as otherwise provided in this subsection. The holder of an inactive license shall not be required to submit evidence of satisfactory completion of a program of continuing education required by K.S.A. 65-2010, and amendments thereto. Each inactive licensee may apply for a license to regularly engage in the practice of podiatry upon filing a written application with the board. The request shall be on a form provided by the board and shall be accompanied by the license fee established pursuant to K.S.A. 65-2012, and amendments thereto. For those licensees whose license has been inactive for less than two years, the board shall adopt rules and regulations establishing appropriate continuing education requirements for inactive licensees to become licensed to regularly practice podiatry within Kansas. Any licensee whose license has been inactive for more than two years and who has not been in the active practice of podiatry

or engaged in a formal education program since the licensee has been inactive may be required to complete such additional testing, training or education as the board may deem necessary to establish the licensee's present ability to practice with reasonable skill and safety.

(j) There is hereby created a designation of federally active license. The board is authorized to issue a federally active license to any licensee who makes written application for such license on a form provided by the board and remits the same fee required for a license established under K.S.A. 65-2012, and amendments thereto. The board may issue a federally active license only to a person who meets all the requirements for a license to practice podiatry in Kansas and who practices podiatry solely in the course of employment or active duty in the United States government or any of its departments, bureaus or agencies or who, in addition to such employment or assignment, provides professional services as a charitable health care provider as defined under K.S.A. 75-6102, and amendments thereto. The provisions of subsections (b) and (c) of this section relating to expiration, renewal and reinstatement of a license and K.S.A. 65-2010, and amendments thereto, relating to continuing education shall be applicable to a federally active license issued under this subsection. A person who practices under a federally active license shall not be deemed to be rendering professional service as a health care provider in this state for purposes of K.S.A. 40-3402, and amendments thereto.

(k) Each license or permit granted under this act shall be conspicuously displayed at the office or other place of practice of the licensee or permittee.

(l) A person whose license has been revoked may apply for reinstatement of the license after the expiration of three years from the effective date of the revocation. Application for reinstatement shall be on a form provided by the board and shall be accompanied by a reinstatement of a revoked license fee established by the board under K.S.A. 65-2012, and amendments thereto. The burden of proof by clear and convincing evidence shall be on the applicant to show sufficient rehabilitation to justify reinstatement of the license. If the board determines a license should not be reinstated, the person shall not be eligible to reapply for reinstatement for three years from the effective date of the denial. All proceedings conducted on an application for reinstatement shall be in accordance with the provisions of the Kansas administrative procedure act and shall be reviewable in accordance with the Kansas judicial review act. The board, on its own motion, may stay the effectiveness of an order of revocation of license.

Journal of the Senate

FIFTY-EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Friday, May 2, 2014, 10:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with forty senators present.
Invocation by Father Don Davidson:

Dear Lord, as summer approaches our minds turn naturally to the wonderful prospect of vacation. Sometimes called “holiday” or “holy day”, vacations give us a chance to renew relationships with family, see new things, and simply relax. Time can bring new perspectives and appreciation of viewpoints unknown, even a long drive can help us to sort out those concerns which seem so perplexing when confronted with inhibiting interruptions. Dear Lord, be with us all as we take needed and holy days for rest and regeneration and keep us safe. In the name of the one who took the Sabbath for rest we pray. Amen.

The Pledge of Allegiance was led by President Susan Wagle.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator Holland introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1834—

A RESOLUTION congratulating Dr. Patricia N. Long
on her retirement from Baker University.

WHEREAS, Dr. Patricia N. Long has served as the President of Baker University since July 1, 2006, and is now retiring. She was the first woman to serve as President of Baker University and she has also been the acting executive vice chancellor at the University of Missouri-Kansas City (UMKC); and

WHEREAS, Dr. Long was an administrator for 23 years at UMKC and Johnson County Community College and she taught in the Kansas City, Missouri, school district for seven years. Dr. Long began her career in higher education in 1983 at Johnson

County Community College, where she was promoted to assistant dean of student enrollment services and eventually to dean of student services from 1995 to 2000; and

WHEREAS, Dr. Long grew up in Wheatland, Missouri, and was the first member of her family to graduate from college; and

WHEREAS, Dr. Long holds a bachelor of arts degree in mathematics from Southwest Baptist University, a master's degree in adult education from Central Missouri State University and a Ph.D. in educational policy and leadership from the University of Kansas; and

WHEREAS, Baker University first opened its doors to students in November 1858 in Baldwin City, Kansas, after Kansas Territorial Governor James W. Denver signed the charter establishing the university. Baker was the first university in the state of Kansas, and is named after Osmon Cleander Baker, a distinguished scholar and bishop of what is now known as the United Methodist Church; and

WHEREAS, Baker University is ranked number 33 among regional universities in the Midwest in the most recent U.S. News and World Report rankings; and

WHEREAS, During Dr. Long's tenure at Baker University, she worked with the university advancement staff to raise more than \$11 million for the Ivan L. Boyd Center for Collaborative Science Education, the largest capital campaign project in the university's history. She also secured more than \$1.75 million for the current renovation and addition to the Student Union; and

WHEREAS, As President, Dr. Long oversaw the development of the QUEST program at the College of Arts and Sciences, Baker's new, innovative approach to general studies. She also launched Baker's Leadership Distinctive and Baker's Institute for Leadership and Positive Change by securing funding, developing curriculum and cultivating business relationships with partners; and

WHEREAS, Dr. Long was responsible for growing the MBA program at the School of Professional and Graduate Studies, ranked as the number one provider of MBAs in the Kansas City community by the Kansas City Business Journal; and

WHEREAS, Dr. Long led Baker to receive the Higher Learning Commission's top recommendation in 2011, which is a full ten years of re-accreditation, a rarity in the higher education landscape; and

WHEREAS, Dr. Long's many contributions to Baker University will serve the university well into the future: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we congratulate Dr. Long on her retirement from Baker University and we thank her for her years of dedication to higher education in Kansas. Educators like Dr. Long help make Kansas a great state for all its citizens, and we wish her well in her retirement; and

Be it further resolved: That the Secretary of the Senate shall send five enrolled copies of this resolution to Senator Holland.

On emergency motion of Senator Holland **SR 1834** was adopted by voice vote.

Senators Haley, Faust-Goudeau, Francisco, Hawk, Hensley, Holland, Kelly, Kerschen, Love, McGinn, Olson, Ostmeyer, Pettey and Shultz introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1835—

A RESOLUTION commemorating the 60th anniversary of the landmark U.S. Supreme Court case *Brown v. Board of Education of Topeka, Kansas*.

WHEREAS, From the earliest times in American history, the U.S. educational system mandated separate schools for children based solely on race. In many instances, the schools for African American children were substandard facilities with out-of-date textbooks and insufficient supplies; and

WHEREAS, In 1896, in the case of *Plessy v. Ferguson*, the U.S. Supreme Court declared it law that "separate" but "equal" facilities be provided for African Americans. This holding necessitated separate dining facilities, restrooms, transportation, accommodations, and, among other things, public education; and

WHEREAS, In the 1940s and 1950s the National Association for the Advancement of Colored People (NAACP) spearheaded plans to end the doctrine of "separate but equal" using public schools as a means to that end. Local leaders of the NAACP recruited African American parents in Topeka for a class action suit against the local school board; and

WHEREAS, In 1952, *Brown v. Board of Education of Topeka, Kansas* was brought before the U.S. Supreme Court as a combination of five cases from Delaware, Kansas, South Carolina, Virginia and the District of Columbia, representing nearly 200 plaintiffs. The Court combined the cases because each sought the same relief from segregated schools for African Americans; and

WHEREAS, In a unanimous decision, the U.S. Supreme Court struck down the decision in *Plessy*, finding that racial segregation was a violation of the Equal Protection Clause of the Fourteenth Amendment of the United States Constitution. The Court declared that, "in the field of public education, the doctrine of 'separate but equal' has no place. Separate educational facilities are inherently unequal,"; and

WHEREAS, The landmark ruling in *Brown* was a major victory for the civil rights movement and laid the foundation for shaping national and international policies on human rights; and

WHEREAS, In 2004, at the opening of the *Brown v. Board of Education National Historic Site* in Topeka, Kansas, on the 50th anniversary of the ruling, President George W. Bush recognized its historic significance stating that, "The decision in *Brown versus Board of Education* did not end all segregation, did not even end school segregation for many years. The civil rights movement was still waiting on other heroes and cases and laws. Yet, all sides of the question knew that on May 17th, 1954, a line had been crossed in American history. The system of racial oppression in our country had lost its claim to legitimacy, and the rising demand for justice would not be denied." Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we commemorate the 60th anniversary of the U.S. Supreme Court's ruling in *Brown v. Board of Education of Topeka, Kansas* and celebrate its role as a catalyst in launching the modern civil rights movement; and

Be it further resolved: That the Secretary of the Senate shall send five enrolled copies of this resolution to Senator Haley.

On emergency motion of Senator Haley **SR 1835** was adopted by voice vote.

Senators Hensley, Kelly and V. Schmidt introduced the following Senate resolution, which was read:

EXPLANATION OF VOTE

Madam President: While I was not a participant in the development of this budget, I respect and appreciate the efforts of those that worked so tirelessly on this process. I came to this Senate as a fiscal conservative. I cannot support a budget that includes a guesstimated 200 million dollar loss in revenues this year and unknown losses for next year. But I am not only concerned with the large numbers, I also cannot defend or vote in favor of expenditures in this budget as small as a 79 dollar reimbursement to a member of this governing body. I vote “No” on **S Sub Sub HB 2231**. – MOLLY BAUMGARDNER

Senator Haley requests the record to show that he concurs with the “Explanation of Vote” offered by Senator Baumgardner on **S Sub Sub HB 2231**.

Madam President: I appreciate the hard work of these folks who crafted this budget. And, I recognize that a good part of this budget is for corrections, something I fought for last year when we voted for that budget. However, I disagree with the assertions that we lack revenue, as some others have said. We are simply spending too much of the peoples' money, money they need and should be able to keep. I vote “No” on **S Sub Sub HB 2231**. – STEVE FITZGERALD

Madam President: I vote no on **S Sub Sub HB 2231** because we are denying the stark reality of the situation we face in the out years. By fiscal year 2019, our state general fund will be in the red by \$1.2 billion, which is the direct result of the irresponsible Brownback income tax cuts. All of this goes without saying that in the near future we also will be facing a court decision in the *Gannon v. Kansas* case on the “adequacy” of funding our school finance formula. We need to anticipate the further dire impact that could have on our general fund in the out years. Without regard to an honest and realistic understanding of our state’s general fund profile, I believe Governor Brownback’s administration is on a reckless course of fiscal mismanagement. We will be confronted with difficult decisions in the next two sessions – because we’ll still be here. The bottom line is we’ve gone too far on Governor Brownback’s self-admitted “glide path to zero.” That is why I vote “No”. – ANTHONY HENSLEY

Senators Francisco, Holland, Kelly and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **S Sub Sub HB 2231**.

Madam President: A vote for the CCR on **S Sub Sub HB 2231** is a vote of consent in support of further funding and implementation of common core standards, as the Senate had adopted the following language that is not contained in this report nor the earlier education budget report:

“Senate Journal APRIL 3, 2014: **S Sub Sub HB 2506** be amended by motion of Senator Knox on page 31, following line 4, by inserting: "New Sec. 44. (a) No state agency named in chapter 136 of the 2013 Session Laws of Kansas, this act or any other appropriation act of the 2014 regular session of the legislature or any school district shall expend moneys appropriated from the state general fund or from any special revenue fund or funds for fiscal years ending June 30, 2015, June 30, 2016, or June 30,

2017, to implement the common core standards or any portion of such standards, including any assessments affiliated with common core standards unless the legislature expressly consents to the use of the common core standards.

“(b) As used in this section, "common core standards" means the set of uniform educational curriculum standards for grades kindergarten through 12 established by the common core state standards initiative.”;

“And by renumbering sections accordingly.

“Upon the showing of five hands a roll call vote was requested. On roll call, the vote was: Yeas 27; Nays 12; Present and Passing 1; Absent or Not Voting 0.” – DENNIS PYLE

POINT OF PERSONAL PRIVILEGE

Senator Faust-Goudeau rose on a Point of Personal Privilege to share with the body that Wichita East High School has been recognized by *US News and World Report* as the top-ranked public high school in the State of Kansas. The rankings considered student performance on state assessments, how effectively schools educated minority students and economically disadvantaged students, and how well students are prepared for college level work based on advanced placement and International Baccalaureate (IB) tests.

Senator Faust-Goudeau proudly referenced her daughter, Paris Cunningham, who graduated with a 4.0 grade point average from Wichita East High School, and also recognized Principal Ken Thiessen for his work at the high school.

There are three graduates of Wichita East serving in the Kansas Senate: Senators Faust-Goudeau, Petersen, and Shultz. In addition, Senator O'Donnell has family that are graduates.

(2) the purpose of this section is to assist the families of fallen Kansas military service members during their time of need in the event of a future federal government shutdown.

Sec. 5. K.S.A. 2013 Supp. 22-3402 is hereby amended to read as follows: 22-3402.

(a) If any person charged with a crime and held in jail solely by reason thereof shall not be brought to trial within ~~90~~ 150 days after such person's arraignment on the charge, such person shall be entitled to be discharged from further liability to be tried for the crime charged, unless the delay shall happen as a result of the application or fault of the defendant or a continuance shall be ordered by the court under subsection (e).

(b) If any person charged with a crime and held to answer on an appearance bond shall not be brought to trial within 180 days after arraignment on the charge, such person shall be entitled to be discharged from further liability to be tried for the crime charged, unless the delay shall happen as a result of the application or fault of the defendant, or a continuance shall be ordered by the court under subsection (e).

(c) If any trial scheduled within the time limitation prescribed by subsection (a) or (b) is delayed by the application of or at the request of the defendant, the trial shall be rescheduled within 90 days of the original trial deadline.

(d) After any trial date has been set within the time limitation prescribed by subsection (a), (b) or (c), if the defendant fails to appear for the trial or any pretrial hearing, and a bench warrant is ordered, the trial shall be rescheduled within 90 days after the defendant has appeared in court after apprehension or surrender on such warrant. However, if the defendant was subject to the 180-day deadline prescribed by subsection (b) and more than 90 days of the original time limitation remain, then the original time limitation remains in effect.

(e) For those situations not otherwise covered by subsection (a), (b) or (c), the time for trial may be extended for any of the following reasons:

(1) The defendant is incompetent to stand trial. If the defendant is subsequently found to be competent to stand trial, the trial shall be scheduled as soon as practicable and in any event within 90 days of such finding;

(2) a proceeding to determine the defendant's competency to stand trial is pending. If the defendant is subsequently found to be competent to stand trial, the trial shall be scheduled as soon as practicable and in any event within 90 days of such finding. However, if the defendant was subject to the 180-day deadline prescribed by subsection (b) and more than 90 days of the original time limitation remain, then the original time

limitation remains in effect. The time that a decision is pending on competency shall never be counted against the state;

(3) there is material evidence which is unavailable; that reasonable efforts have been made to procure such evidence; and that there are reasonable grounds to believe that such evidence can be obtained and trial commenced within the next succeeding 90 days. Not more than one continuance may be granted the state on this ground, unless for good cause shown, where the original continuance was for less than 90 days, and the trial is commenced within 120 days from the original trial date; or

(4) because of other cases pending for trial, the court does not have sufficient time to commence the trial of the case within the time fixed for trial by this section. Not more than one continuance of not more than 30 days may be ordered upon this ground.

(f) In the event a mistrial is declared, a motion for new trial is granted or a conviction is reversed on appeal to the supreme court or court of appeals, the time limitations provided for herein shall commence to run from the date the mistrial is declared, the date a new trial is ordered or the date the mandate of the supreme court or court of appeals is filed in the district court.

(g) If a defendant, or defendant's attorney in consultation with the defendant, requests a delay and such delay is granted, the delay shall be charged to the defendant regardless of the reasons for making the request, unless there is prosecutorial misconduct related to such delay. If a delay is initially attributed to the defendant, but is subsequently charged to the state for any reason, such delay shall not be considered against the state under subsections (a), (b) or (c) and shall not be used as a ground for dismissing a case or for reversing a conviction unless not considering such delay would result in a violation of the constitutional right to a speedy trial or there is prosecutorial misconduct related to such delay.

(h) When a scheduled trial is scheduled within the period allowed by subsections (a), (b) or (c) and is delayed because a party has made or filed a motion, or because the court raises a concern on its own, the time elapsing from the date of the making or filing of the motion, or the court's raising a concern, until the matter is resolved by court order shall not be considered when determining if a violation under subsections (a), (b) or (c) has occurred. If the resolution of such motion or concern by court order occurs at a time when less than 30 days remains under the provisions of subsections (a), (b) or (c), the time in which the defendant shall be brought to trial is extended 30 days from the date of the court order.

(i) If the state requests and is granted a delay for any reason provided in this statute, the time elapsing because of the order granting the delay shall not be subsequently counted against the state if an appellate court later determines that the district court erred by granting the state's request unless not considering such delay would result in a violation of the constitutional right to a speedy trial or there is prosecutorial misconduct related to such delay.

Sec. 6. K.S.A. 22-3605 is hereby amended to read as follows: 22-3605. (a) Any appellate court may reverse, affirm or modify the judgment or order appealed from, or may order a new trial in the district court. In either case the cause must be remanded to the district court with proper instructions, together with the decision of the appellate court, within the time and in the manner to be prescribed by rule of the supreme court.

(b) (1) In appeals from criminal actions and in other post-conviction actions arising from criminal prosecutions, the issuance of the mandate from the appellate court shall

be automatically stayed when:

(A) A party files a notice with the appellate court that it intends to file a petition for writ of certiorari to the United States supreme court; and

(B) the time has not expired for filing such a petition under applicable United States supreme court rules.

(2) If the mandate from the appellate court has already been issued when a party files its notice, the mandate from the appellate court shall be withdrawn and stayed.

(3) The stay shall be lifted when:

(A) If a petition for writ of certiorari to the United States supreme court is filed, the court denies such petition or issues such court's final order following granting such petition; or

(B) if no petition for writ of certiorari to the United States supreme court is filed, the time expires for filing such petition under applicable United States supreme court rules.

(a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner: (1) One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and (2) one-half of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and (B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year ~~and~~; (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and (iii) one-half shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to paragraphs (2), (3)(C), (3)(F), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27)~~and~~, (28)~~and~~ (29) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers' sales tax imposed pursuant to paragraph (26) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged unless the question of imposing a countywide retailers' sales tax authorized by paragraph (26) of subsection (b) of K.S.A. 12-187, and amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers' sales tax shall not apply to any revenues received pursuant to a county or countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

(a) Any property owner requesting an exemption from the payment of ad valorem property taxes assessed, or to be assessed, against their property shall be required to file an initial request for exemption, on forms approved by the state court of tax appeals and provided by the county appraiser.

(b) The initial exemption request shall identify the property for which the exemption is requested and state, in detail, the legal and factual basis for the exemption claimed.

(c) The request for exemption shall be filed with the county appraiser of the county where such property is principally located.

(d) After a review of the exemption request, and after a preliminary examination of the facts as alleged, the county appraiser shall recommend that the exemption request either be granted or denied, and, if necessary, that a hearing be held. If a denial is recommended, a statement of the controlling facts and law relied upon shall be included on the form.

(e) The county appraiser, after making such written recommendation, shall file the request for exemption and the recommendations of the county appraiser with the state court of tax appeals. With regard to a request for exemption from property tax pursuant to the provisions of K.S.A. 79-201g and 82a-409, and amendments thereto, not filed with the court of tax appeals by the county appraiser on or before the effective date of this act, if the county appraiser recommends the exemption request be granted, the exemption shall be provided in the amount recommended by the county appraiser and the county appraiser shall not file the request for exemption and recommendations of the county appraiser with the state court of tax appeals. The county clerk or county assessor shall annually make such adjustment in the taxes levied against the real property as the owner may be entitled to receive under the provisions of K.S.A. 79-201g, and amendments thereto, as recommended by the county appraiser, beginning with the first period, following the date of issue of the certificate of completion on which taxes are regularly levied, and during the years which the landowner is entitled to such adjustment.

(f) Upon receipt of the request for exemption, the court shall docket the same and notify the applicant and the county appraiser of such fact.

(g) After examination of the request for exemption; and the county appraiser's recommendation related thereto, the court may fix a time and place for hearing, and shall notify the applicant and the county appraiser of the time and place so fixed. A request for exemption pursuant to: (1) Section 13 of article 11 of the ~~Kansas~~ constitution of the state of Kansas; or (2) K.S.A. 79-201a *Second*, and amendments thereto, for property constructed or purchased, in whole or in part, with the proceeds of revenue bonds under the authority of K.S.A. 12-1740 to 12-1749, inclusive, and amendments thereto, prepared in accordance with instructions and assistance which shall be provided by the department of commerce, shall be deemed approved unless scheduled for hearing within 30 days after the date of receipt of all required information and data relating to the request for exemption, and such hearing shall be conducted within 90 days after such date. Such time periods shall be determined without regard to any extension or continuance allowed to either party to such request. In any case where a party to such request for exemption requests a hearing thereon, the same shall be granted. Hearings shall be conducted in accordance with the provisions of the Kansas administrative procedure act. In all instances where the court sets a request for exemption for hearing, the county shall be represented by its county attorney or county counselor.

(h) Except as otherwise provided by subsection (g), in the event of a hearing, the same shall be originally set not later than 90 days after the filing of the request for

exemption with the court.

(i) During the pendency of a request for exemption, no person, firm, unincorporated association, company or corporation charged with real estate or personal property taxes pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, on the tax books in the hands of the county treasurer shall be required to pay the tax from the date the request is filed with the county appraiser until the expiration of 30 days after the court issued its order thereon and the same becomes a final order. In the event that taxes have been assessed against the subject property, no interest shall accrue on any unpaid tax for the year or years in question nor shall the unpaid tax be considered delinquent from the date the request is filed with the county appraiser until the expiration of 30 days after the court issued its order thereon. In the event the court determines an application for exemption is without merit and filed in bad faith to delay the due date of the tax, the tax shall be considered delinquent as of the date the tax would have been due pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, and interest shall accrue as prescribed therein.

(j) In the event the court grants the initial request for exemption, the same shall be effective beginning with the date of first exempt use except that, with respect to property the construction of which commenced not to exceed 24 months prior to the date of first exempt use, the same shall be effective beginning with the date of commencement of construction.

(k) In conjunction with its authority to grant exemptions, the court shall have the authority to abate all unpaid taxes that have accrued from and since the effective date of the exemption. In the event that taxes have been paid during the period where the subject property has been determined to be exempt, the court shall have the authority to order a refund of taxes for the year immediately preceding the year in which the exemption application is filed in accordance with subsection (a).

On page 1, by striking all in lines 6 and 7 and inserting:

"Section 1. K.S.A. 2013 Supp. 8-1911, as amended by section 1 of 2014 Senate Bill No. 344, is hereby amended to read as follows: 8-1911. (a) The secretary of transportation with respect to highways under the secretary's jurisdiction and local authorities with respect to highways under their jurisdiction, in their discretion, upon application, may issue a special permit, which term shall include an authorization number, to the owner or operator of an oversize or overweight vehicle. The special permit shall authorize the special permit holder to operate or move a vehicle or combination of vehicles which exceed the limitations of this act, on a route, or routes, designated in the special permit and in accordance with the terms and conditions of the special permit.

(b) The application for the permit shall describe the vehicle, or combination of vehicles and all loads or cargo for which the special permit is requested, the route or routes on which operation is sought and whether a single trip or annual operation is requested. One special permit may be issued for a vehicle or combination of vehicles, that are both oversize and overweight. A special permit under this section may be for a single trip or for annual operation. The special permit shall designate the route or routes that may be used and any other terms, conditions or restrictions deemed necessary. The secretary of transportation shall charge a fee for each permit or authorization number issued as provided for in subsection (f). No permit shall be required to authorize the moving or operating upon any highway, by an implement dealer, as defined in section 1 of 2014 House Bill No. 2715, and amendments thereto, or employee thereof who possesses an annual permit and following all conditions set forth in section 1 of 2014 House Bill No. 2715, and amendments thereto, of farm tractors, combines, fertilizer dispensing equipment or other farm machinery, or machinery being transported to be used for terracing or soil or water conservation work upon farms, ~~or~~. No permit shall be

required to authorize the moving or operating upon any highway of farm tractors, combines, fertilizer dispensing equipment or other farm machinery, or machinery being transported to be used for terracing or soil or water conservation work upon farms, or vehicles owned by counties, cities and other political subdivisions of the state, except that this sentence shall not: (1) Exempt trucks owned by counties, cities and other political subdivisions specifically designed and equipped and used exclusively for garbage, refuse or solid waste disposal operations from the maximum gross weight limitations contained in the table in K.S.A. 8-1909, and amendments thereto; or (2) authorize travel on interstate highways.

(c) A permit shall be valid only when the registration on the power unit is equal to or exceeds the total gross weight of the vehicle. When the gross weight of the vehicle exceeds the upper limit of the available registration, the maximum amount of registration must be purchased. The provisions of this subsection shall not apply to a wrecker or tow truck, as defined in K.S.A. 66-1329, and amendments thereto, and registered in accordance with the provisions of K.S.A. 8-143, and amendments thereto.

(d) The secretary or local authority may issue or withhold the permit at the secretary's or local authority's discretion or may limit the number of trips, or establish seasonal or other time limitations within which the vehicles described may be operated on the highways, or may otherwise limit or prescribe conditions of operations of such vehicle or combination of vehicles, when necessary to assure against undue damage to the road. The secretary or local authority may require such undertaking or other security as may be deemed necessary to compensate for any injury to any roadway or road structure.

(e) Every permit shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any police officer or authorized agent of any authority granting the permit. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state highway fund. The secretary may adopt rules and regulations for payment and collection of all fees. The secretary may adopt rules and regulations implementing the provisions of this section to prescribe standards for any permit program to enhance highway safety.

(g) If any local authority does not desire to exercise the powers conferred on it by this section to issue or deny permits then such a permit from the local authority shall not be required to operate any such vehicle or combination of vehicles on highways under the jurisdiction of such local authority, but in no event shall the jurisdiction of the local authority be construed as extending to any portion of any state highway, any city street designated by the secretary as a connecting link in the state highway system or any highway within the national system of interstate and defense highways, which highways and streets, for the purpose of this section, shall be under the jurisdiction of the secretary.

Sec. 5. K.S.A. 2013 Supp. 39-709, as amended by section 2 of 2014 Senate Bill No. 254, is hereby amended to read as follows: 39-709. (a) *General eligibility requirements for assistance for which federal moneys are expended.* Subject to the additional requirements below, assistance in accordance with plans under which federal moneys are expended may be granted to any needy person who:

(1) Has insufficient income or resources to provide a reasonable subsistence compatible with decency and health. Where a husband and wife are living together, the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary, in determining need of any applicant for or recipient of assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or minor stepchild if the stepchild is living with such individual. The secretary in determining need of an individual may provide such income and resource exemptions as may be permitted by federal law. For purposes of eligibility

for aid for families with dependent children, for food stamp assistance and for any other assistance provided through the Kansas department for children and families under which federal moneys are expended, the secretary for children and families shall consider one motor vehicle owned by the applicant for assistance, regardless of the value of such vehicle, as exempt personal property and shall consider any equity in any additional motor vehicle owned by the applicant for assistance to be a nonexempt resource of the applicant for assistance.

(2) Is a citizen of the United States or is an alien lawfully admitted to the United States and who is residing in the state of Kansas.

(b) *Assistance to families with dependent children.* Assistance may be granted under this act to any dependent child, or relative, subject to the general eligibility requirements as set out in subsection (a), who resides in the state of Kansas or whose parent or other relative with whom the child is living resides in the state of Kansas. Such assistance shall be known as aid to families with dependent children. Where husband and wife are living together both shall register for work under the program requirements for aid to families with dependent children in accordance with criteria and guidelines prescribed by rules and regulations of the secretary.

(c) *Aid to families with dependent children; assignment of support rights and limited power of attorney.* By applying for or receiving aid to families with dependent children such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving aid to families with dependent children, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(d) *Eligibility requirements for general assistance, the cost of which is not shared by the federal government.* (1) General assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d).

(A) To qualify for general assistance in any form a needy person must have insufficient income or resources to provide a reasonable subsistence compatible with decency and health and, except as provided for transitional assistance, be a member of a family in which a minor child or a pregnant woman resides or be unable to engage in employment. The secretary shall adopt rules and regulations prescribing criteria for establishing when a minor child may be considered to be living with a family and whether a person is able to engage in employment, including such factors as age or physical or mental condition. Eligibility for general assistance, other than transitional assistance, is limited to families in which a minor child or a pregnant woman resides or to an adult or family in which all legally responsible family members are unable to engage in employment. Where a husband and wife are living together the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary in determining need of any applicant for or recipient of general assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of general assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or a minor stepchild if the stepchild is living with such individual. In determining the need of an individual, the secretary may provide for income and resource exemptions.

(B) To qualify for general assistance in any form a needy person must be a citizen of the United States or an alien lawfully admitted to the United States and must be residing in the state of Kansas.

(2) General assistance in the form of transitional assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d), but who do not meet the criteria prescribed by rules and regulations of the secretary relating to inability to engage in employment or are not a member of a family in which a minor or a pregnant woman resides.

(3) In addition to the other requirements prescribed under this subsection (d), the secretary shall adopt rules and regulations which establish community work experience program requirements for eligibility for the receipt of general assistance in any form and which establish penalties to be imposed when a work assignment under a community work experience program requirement is not completed without good cause. The secretary may adopt rules and regulations establishing exemptions from any such community work experience program requirements. A first time failure to complete such a work assignment requirement shall result in ineligibility to receive general assistance for a period fixed by such rules and regulations of not more than three calendar months. A subsequent failure to complete such a work assignment requirement shall result in a period fixed by such rules and regulations of ineligibility of not more than six calendar months.

(4) If any person is found guilty of the crime of theft under the provisions of K.S.A. 39-720, and amendments thereto, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the provisions of K.S.A. 39-720, and amendments thereto, or the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 12 calendar

months from the date of conviction. First time offenders convicted of a felony under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction. If any person is found guilty by a court of competent jurisdiction of any state other than the state of Kansas of a crime involving welfare fraud, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction.

(e) *Requirements for medical assistance for which federal moneys or state moneys or both are expended.* (1) When the secretary has adopted a medical care plan under which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to subsection (c) of K.S.A. 16-303, and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient. Medical assistance eligibility for receipt of benefits under the title XIX of the social security act, commonly known as medicaid, shall not be expanded, as provided for in the patient protection and affordable care act, public law 111-148, 124 stat. 119, and the health care and education reconciliation act of 2010, public law 111-152, 124 stat. 1029, unless the legislature expressly consents to, and approves of, the expansion of medicaid services by an act of the legislature.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear

intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(f) *Eligibility for medical assistance of resident receiving medical care outside state.* A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) *Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients.* (1) (A) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to subsection (d) of K.S.A. 39-756, and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and environment, or the secretary's designee, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary's duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is (A) a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both, and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 9-1216, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a

surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection (g). The secretary of health and environment is authorized to enforce each claim provided for under this subsection (g). The secretary of health and environment shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary of health and environment from claims under this subsection (g) shall be deposited in the social welfare fund. The secretary of health and environment may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection (g).

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim is limited to the individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon

competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

- (A) After the death of the surviving spouse of the recipient;
- (B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
- (C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
- (D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

- (A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary of health and environment or the secretary's designee;
- (B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or
- (C) the value of the real property is consumed by the lien, at which time the secretary of health and environment or the secretary's designee may force the sale for the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of health and environment, or both, or such secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived

under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families or the secretary's designee of the death of a recipient of medical assistance under this subsection, the secretary for children and families or the secretary's designee shall give notice of such recipient's death to the secretary of health and environment or the secretary's designee.

(9) All rules and regulations adopted on and after July 1, 2013, and prior to July 1, 2014, to implement this subsection shall continue to be effective and shall be deemed to be duly adopted rules and regulations of the secretary of health and environment until revised, amended, revoked or nullified pursuant to law.

(h) *Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney.* In any case in which the secretary for children and families pays for the expenses of care and custody of a child pursuant to K.S.A. 2013 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of aid to families with dependent children is a mother of the dependent child, as a condition of the mother's eligibility for aid to families with dependent children the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of aid to families with dependent children who fails to cooperate with requirements relating to child support enforcement under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations which penalty shall progress to ineligibility for the family after three months of noncooperation.

(k) By applying for or receiving child care benefits or food stamps, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food stamps, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of aid to families with dependent children.

(l) (1) A program of drug screening for applicants for cash assistance as a condition of eligibility for cash assistance and persons receiving cash assistance as a condition of continued receipt of cash assistance shall be established, subject to applicable federal law, by the secretary for children and families on and before January 1, 2014. Under such program of drug screening, the secretary for children and families shall order a drug screening of an applicant for or a recipient of cash assistance at any time when reasonable suspicion exists that such applicant for or recipient of cash assistance is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, an applicant's or recipient's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

Sec. 18. K.S.A. 2013 Supp. 79-3228 is hereby amended to read as follows: 79-3228. (a) For all taxable years ending prior to January 1, 2002, if any taxpayer, without intent to evade the tax imposed by this act, shall fail to file a return or pay the tax, if one is due, at the time required by or under the provisions of this act, but shall voluntarily file a correct return of income or pay the tax due within six months thereafter, there shall be added to the tax an additional amount equal to 10% of the unpaid balance of tax due plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was due until paid.

(b) For all taxable years ending prior to January 1, 2002, if any taxpayer fails voluntarily to file a return or pay the tax, if one is due, within six months after the time required by or under the provisions of this act, there shall be added to the tax an additional amount equal to 25% of the unpaid balance of tax due plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was due until paid. Notwithstanding the foregoing, in the event an assessment is issued following a field audit for any period for which a return was filed by the taxpayer and all of the tax was paid pursuant to such return, a penalty shall be imposed for the period included in the assessment in the amount of 10% of the unpaid balance of tax due shown in the notice of assessment. If after review of a return for any period

included in the assessment, the secretary or secretary's designee determines that the underpayment of tax was due to the failure of the taxpayer to make a reasonable attempt to comply with the provisions of this act, such penalty shall be imposed for the period included in the assessment in the amount of 25% of the unpaid balance of tax due.

(c) For all taxable years ending after December 31, 2001, if any taxpayer fails to file a return or pay the tax if one is due, at the time required by or under the provisions of this act, there shall be added to the tax an additional amount equal to 1% of the unpaid balance of the tax due for each month or fraction thereof during which such failure continues, not exceeding 24% in the aggregate, plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was due until paid. Notwithstanding the foregoing, in the event an assessment is issued following a field audit for any period for which a return was filed by the taxpayer and all of the tax was paid pursuant to such return, a penalty shall be imposed for the period included in the assessment in an amount of 1% per month not exceeding 10% of the unpaid balance of tax due shown in the notice of assessment. If after review of a return for any period included in the assessment, the secretary or secretary's designee determines that the underpayment of tax was due to the failure of the taxpayer to make a reasonable attempt to comply with the provisions of this act, such penalty shall be imposed for the period included in the assessment in the amount of 25% of the unpaid balance of tax due.

(d) For all taxable years ending after December 31, 2013, if any taxpayer who has failed to file a return or has filed an incorrect or insufficient return, and after notice from the director refuses or neglects within 20 days to file a proper return, the director shall determine the income of such taxpayer according to the best available information and assess the tax together with a penalty of 50% of the unpaid balance of tax due plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was originally due to the date of payment. If, at any time, a taxpayer filed a return and paid in full the tax due as stated on the return, at the time required by or under the provisions of this act and subsequently is adjusted by the director, and a notice of liability is sent to the taxpayer, no penalty shall be assessed under the provisions of this subsection with respect to any underpayment of income tax liability due to the adjustment if any such tax is paid within 30 days of such notice of liability. If any such tax is not paid within 30 days of original notice, the penalty provided under the provisions of this subsection shall apply.

(e) Any person, who with fraudulent intent, fails to pay any tax or to make, render or sign any return, or to supply any information, within the time required by or under the provisions of this act, shall be assessed a penalty equal to the amount of the unpaid balance of tax due plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was originally due to the date of payment. Such person shall also be guilty of a misdemeanor and shall, upon conviction, be fined not more than \$1,000 or be imprisoned in the county jail not less than 30 days nor more than one year, or both such fine and imprisonment.

(f) Any person who willfully signs a fraudulent return shall be guilty of a felony, and upon conviction thereof shall be punished by imprisonment for a term not exceeding five years. The term "person" as used in this section includes any agent of the taxpayer, and officer or employee of a corporation or a member or employee of a partnership, who as such officer, employee or member is under a duty to perform the act

in respect of which the violation occurs.

(g) (1) Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (b), (c) and (d) of this section was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of the penalties and may reduce the interest rate to the underpayment rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

(2) No penalty shall be assessed hereunder with respect to any underpayment of income tax liability reported on any amended return filed by any taxpayer who at the time of filing pays such underpayment and whose return is not being examined at the time of filing.

(3) No penalty assessed hereunder shall be collected if the taxpayer has had the tax abated on appeal, and any penalty collected upon such tax shall be refunded.

“I appreciate the work of the Legislature and the Kansas Governmental Ethics Commission in reviewing and updating the laws applicable to the electoral and governmental processes. Nevertheless, I believe that retaining the lobbyist and candidate reporting and disclosure requirements in current law serves to promote transparency and openness.

I am supportive of the provisions of this bill that would permit unused campaign funds to be donated to charitable organizations. Therefore, I would invite the Legislature to send me a new piece of legislation that contains these provisions.

Accordingly, pursuant to Article 2, Section 14 (a) of the Constitution of the State of Kansas, I hereby veto House Bill 2296.”

A motion was made that **HB 2296** be passed notwithstanding the Governor's veto. By a vote of 95 Yeas and 5 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

VETO SUSTAINED

No motion having been offered to reconsider, President Wagle announced the Governor's veto of **HB 2296** was declared sustained.

SPECIAL REMARKS

Thank you Madam President, today this is my personal legislative Sine Die. This is likely to be the final comments that I will make from this Chamber. Later today I will announce and file as a candidate for the office of Commissioner of Insurance. It is my

hope to serve across the street in a role that is vitally important as an advocate on behalf of the citizens of Kansas.

A dozen years ago I had the bittersweet opportunity to spend a lot of time with my mother during her final days on earth. We talked about the farm in McPherson County where our family had settled in 1887, the county where I have had the honor of representing as a member of the school board, the Kansas House of Representatives, and the Kansas Senate.

My mother talked about growing up in the late 1930's where she remembered a wonderful childhood although they didn't have a lot of money. On Saturdays the family would drive into town to buy groceries and supplies. They would pass by a country club on the way, and she would think; "Only people with a lot of money get to go in there." She just knew she would never be invited inside.

But she reminded me during those final conversations that she did get to walk through those doors one time in her life. The occasion was a political event after I was elected to the legislature. She and her friends had driven up and I introduced them to Governor Bill Graves, and Congressman Jerry Moran. She was very proud that day.

I like to think that this is symbolic of what we do here in the legislature. We open doors for Kansans who want to receive an education, who want to start a business, who want to raise a family.

And so Madam President, I offer my deepest appreciation to all who serve in this chamber in any capacity, for opening the doors of the Senate for me. Although my time here has been much too brief, I leave many friends and have very fond memories.

Thank you Madam President. – CLARK SHULTZ

MESSAGE FROM THE HOUSE

Announcing the House herewith transmits the veto message from the Governor on **Senate Substitute for Substitute HB 2231**, AN ACT making and concerning appropriations for fiscal years ending June 30, 2014, June 30, 2015, June 30, 2016, June 30, 2017, and June 30, 2018, for state agencies; authorizing and directing payment of certain claims against the state; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the

foregoing; amending K.S.A. 2013 Supp. 2-223, 12-5256, 72-8814, as amended by section 47 of 2014 Senate Substitute for House Bill No. 2506, 74-99b34, 79-34,156 and 79-4804 and repealing the existing sections., received on May 16, 2014 and read on May 30, 2014:

“I want to thank every member of the Kansas Legislature for your hard work during the 2014 session. This two-year supplemental budget will continue to fund the core services of state government to July 1,2015. I am particularly pleased this bill includes a significantly improved budget for the Department of Corrections and demonstrates our commitment to these essential public safety programs.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return **S Sub for Sub HB 2231** with my signature approving the bill, except for the items enumerated below.

**Kansas Board of Barbering
Salary Cap**

Sections 14(c) and 15(c) are vetoed in their entirety.

If it is the case that there are restrictions on how agencies compensate their employees, those restrictions should be done in a consistent manner. The language in these sections impacts three state employees inconsistently from other agencies, so I therefore find it necessary to veto the limitation. The agency's budget is otherwise left as the Legislature approved it.

**Kansas Public Employees Retirement System
Sweep of Tobacco Settlement Funds**

Section 50(b) has been vetoed in its entirety.

The Kansas Endowment for Youth Fund was specifically established to hold and draw interest upon excess tobacco settlement revenues so that such funds could later be used for early childhood programs. The \$5 million in question in this section should remain available for such purposes in the future, so I therefore veto the transfer.

**Department of Administration
Lapse of State General Fund Budget Authority**

Section 52(f) has been vetoed in its entirety.

The Division of the Budget had excess funding in FY 2013 because a permanent Budget Director was not drawing a normal salary. The Interim Budget Director was dual-purposed between the Office of the Governor and the Division of the Budget. As I soon plan to appoint a permanent Budget Director, I veto the lapse of funding in the Division of the Budget to finance this position.

**Kansas Department for Aging and Disability Services
Lapse of State Hospital Funds**

Sections 71(g) and 71(h) have been vetoed in their entirety.

In an effort to consolidate oversight of the food service contract, my budget recommendations for the Kansas Department for Aging and Disability Services (KDADS) and the State Hospitals transferred money from the hospitals to

KDADS. The 2014 Legislature concurred with this recommendation; however, the appropriations bill as written did not technically achieve this goal. Therefore, it is necessary for me to veto this section.

State Fair Board

State Funds for Capital Improvements

Section 100(c) has been vetoed in its entirety.

As part of your deliberations on the budget, it was determined that \$400,000 from the State General Fund would be provided to the State Fair to make a variety of repairs and improvements to their facilities. When preparing the appropriations bill, two separate sections of the bill inadvertently each provided this funding. To eliminate this duplication, I veto the State General Fund appropriation contained in this particular section. A \$400,000 transfer will remain in the bill to implement the Legislature's recommendations.

There being no motion to reconsider the line item vetoes on **Senate Substitute for Substitute HB 2231**, the Speaker ruled the line item vetoes sustained.
