(2) Notwithstanding the provisions of subsection (e) of K.S.A. 75-5802, and amendments thereto, or the provisions of any other statute to the contrary, as used in K.S.A. 75-5801 through 75-5807, and amendments thereto, with respect to the procurement of engineering services or land surveying services for a project authorized by the board of regents under this act, "negotiating committee" shall mean the board of directors of the subsidiary corporation formed under K.S.A. 2013 Supp. 76-781, and amendments thereto, and such board of directors shall negotiate a contract with a firm to provide any required engineering services or land surveying services for the project in accordance with the provisions of K.S.A. 75-5801 through 75-5807, and amendments thereto.

(3) In any case of a conflict between the provisions of this section and the provisions of K.S.A. 75-1250 through 75-1270, or 75-5801 through 75-5807, and amendments thereto, with respect to a project authorized by the board of regents under this act, the provisions of this section shall govern.

(f) (1) For the procurement of construction management at-risk services for projects under this act, the secretary of administration shall encourage firms engaged in the performance of construction management at-risk services to submit annually to the secretary of administration and to the state building advisory commission a statement of qualifications and performance data. Each statement shall include data relating to: (A) The firm's capacity and experience, including experience on similar or related projects; (B) the capabilities and other qualifications of the firm's personnel; and (C) performance data of all consultants the firm proposes to use.

(3) The negotiating committee shall conduct discussions with each of the firms so

listed regarding the project. The negotiating committee shall determine which construction management at-risk services are desired and then shall proceed to negotiate with and attempt to enter into a contract with the firm considered to be most qualified to serve as construction manager at risk for the project. The negotiating committee shall proceed in accordance with the same process with which negotiations are undertaken to contract with a firm to be a project architect under K.S.A. 75-1257, and amendments thereto, to the extent that such provisions can be made to apply. Should the negotiating committee be unable to negotiate a satisfactory contract with the firm considered to be most qualified, negotiations with that firm shall be terminated and shall undertake negotiations with the second most qualified firm, and so forth, in accordance with that statute.

(4) The contract to perform construction management at-risk services for a project shall be prepared by the division of facilities management and entered into by the board of regents with the firm contracting to perform such construction management at-risk services.

Each construction services bid notice shall include the request for bids and other bidding information prepared by the construction manager at risk and the state board of regents with the assistance of the division of facilities management. The current statements of qualifications of and performance data on the firms submitting bid proposals shall be made available to the construction manager at risk and the board of regents by the state building advisory commission along with all information and evaluations developed regarding such firms by the secretary of administration under K.S.A. 75-3783, and amendments thereto. Each firm submitting a bid proposal shall be bonded in accordance with K.S.A. 60-1111, and amendments thereto, and shall present evidence of such bond to the construction manager at risk prior to submitting a bid proposal. If a firm submitting a bid proposal fails to present such evidence, such firm shall be deemed unqualified for selection under this subsection. At the time for opening the bids, the construction manager at risk shall evaluate the bids and shall determine the lowest responsible bidder. The construction manager at risk shall enter into contracts with each firm performing the construction services for the project and make a public announcement of each firm selected in accordance with this subsection.

(h) The division of facilities management shall provide such information and assistance as may be requested by the board of regents or the negotiating committee for a project, including all or part of any project services as requested by the board of regents, and: (1) Shall prepare the request for proposals and publication information for

(i) Notwithstanding the provisions of any other statute, the board of regents shall enter into one or more contracts with the division of facilities management for each project for the services performed by the division of facilities management for the project as required by this section or at the request of the board of regents. The division of facilities management shall receive fees from the board of regents to recover the costs incurred to provide such services pursuant to such contracts.

(j) Design development reviews and construction document reviews conducted by the division of facilities management shall be limited to ensuring only that the construction documents do not change the project description and that the construction documents comply with the standards established under K.S.A. 75-3783, and amendments thereto, by the secretary of administration for the planning, design and construction of buildings and major repairs and improvements to buildings for state agencies, including applicable building and life safety codes and appropriate and practical energy conservation and efficiency standards.

(k) Each project for a state educational institution shall receive a final joint inspection by the division of facilities management and the board of regents. Each such project shall be officially accepted by the board of regents before such project is occupied or utilized by the state educational institution, unless otherwise agreed to in writing by the contractor and the board of regents as to the satisfactory completion of the work on part of the project that is to be occupied and utilized, including any corrections of the work thereon.

(l) (1) The board of regents shall issue monthly reports of progress on each project and shall advise and consult with the joint committee on state building construction regarding each project. Change orders and changes of plans for a project shall be authorized or approved by the board of regents.

(2) No change order or change of plans for a project involving either cost increases of \$75,000 or more or involving a change in the proposed use of a project shall be authorized or approved by the board of regents without having first advised and consulted with the joint committee on state building construction.

(3) Change orders or changes in plans for a project involving a cost increase of less than \$75,000 and any change order involving a cost reduction, other than a change in the proposed use of the project, may be authorized or approved by the board of regents without prior consultation with the joint committee on state building construction. The board of regents shall report to the joint committee on state building construction all action relating to such change orders or changes in plans.

(4) If the board of regents determines that it is in the best interest of the state to authorize or approve a change order, a change in plans or a change in the proposed use of any project that the board of regents is required to first advise and consult with the joint committee on state building construction prior to issuing such approval and if no

meeting of the joint committee is scheduled to take place within the next 10 business days, then the board of regents may use the procedure authorized by subsection (d) of K.S.A. 75-1264, and amendments thereto, in lieu of advising and consulting with the joint committee at a meeting. In any such case, the board of regents shall mail a summary description of the proposed change order, change in plans or change in the proposed use of any project to each member of the joint committee on state building construction and to the director of the legislative research department. If the board of regents provides notice and information to the members of the joint committee and to such director in the manner required and subject to the same provisions and conditions that apply to the secretary of administration under such statute, and if less than two members of the joint committee contact the director of the legislative research department within seven business days of the date the summary description was mailed and request a presentation and review of any such proposed change order, change in plans or change in use at a meeting of the joint committee, then the board of regents shall be deemed to have advised and consulted with the joint committee about such proposed change order, change in plans or change in proposed use and may authorize or approve such proposed change order, change in plans or change in proposed use.

(m) The provisions of this section shall apply to each project authorized by the board of regents under this act and shall not apply to any other capital improvement project of the board of regents or of any state educational institution that is specifically authorized by any other statute.

EXPLANATION OF VOTE

Madam President: I VOTE "No" the Conference Committee Report on **S Sub HB 2446**. As recommended by the Kansas Supreme Court's Blue Ribbon Commission, more timely releases of decisions by the Court of Appeals and the Supreme Court is a laudable goal and should be implemented. In this bill though, that would time the release as being within 180 days after the matter is submitted to a Court. (Formerly, HB 2070) The Chair of that same Blue Ribbon Commission, Hon. Judge Patrick McAnany, testified in OPPOSITION to this bill on behalf of the Commission and on the Kansas Supreme Court stating the Judicial Branch is already undertaking internal efforts to provide more timely release of decisions. I vote "No", Madame President, that we, the Legislature, might respect the insights of implementation the Judiciary might soon set for themselves and the time constraints that reasonably work for them without here undoing their contemplations by putting this ball-park recommendation in **S Sub HB 2446** in statute. – DAVID HALEY

(d) The provisions of subsection (c) of K.S.A. 2013 Supp. 21-5301, and amendments thereto, shall not apply to a violation of attempting to commit the crime of capital murder pursuant to this section.

Sec. 3. K.S.A. 2013 Supp. 21-6617 is hereby amended to read as follows: 21-6617.

(a) If a defendant is charged with capital murder, the county or district attorney shall file written notice if such attorney intends, upon conviction of the defendant, to request a separate sentencing proceeding to determine whether the defendant should be sentenced to death. In cases where the county or district attorney or a court determines that a conflict exists, such notice may be filed by the attorney general. Such notice shall be filed with the court and served on the defendant or the defendant's attorney not later than seven days after the time of arraignment. If such notice is not filed and served as required by this subsection, the prosecuting attorney may not request such a sentencing proceeding and the defendant, if convicted of capital murder, shall be sentenced to life

without the possibility of parole, and no sentence of death shall be imposed hereunder.

(b) Except as provided in K.S.A. 2013 Supp. 21-6618 and 21-6622, and amendments thereto, upon conviction of a defendant of capital murder, the court, upon motion of the prosecuting attorney, shall conduct a separate sentencing proceeding to determine whether the defendant shall be sentenced to death. The proceeding shall be conducted by the trial judge before the trial jury as soon as practicable. If any person who served on the trial jury is unable to serve on the jury for the sentencing proceeding, the court shall substitute an alternate juror who has been impaneled for the trial jury. If there are insufficient alternate jurors to replace trial jurors who are unable to serve at the sentencing proceeding, the trial judge may summon a special jury of 12 persons which shall determine the question of whether a sentence of death shall be imposed. Jury selection procedures, qualifications of jurors and grounds for exemption or challenge of prospective jurors in criminal trials shall be applicable to the selection of such special jury. The jury at the sentencing proceeding may be waived in the manner provided by K.S.A. 22-3403, and amendments thereto, for waiver of a trial jury. If the jury at the sentencing proceeding has been waived or the trial jury has been waived, the sentencing proceeding shall be conducted by the court.

(c) In the sentencing proceeding, evidence may be presented concerning any matter that the court deems relevant to the question of sentence and shall include matters relating to any of the aggravating circumstances enumerated in K.S.A. 2013 Supp. 21-6624, and amendments thereto, and any mitigating circumstances. Any such evidence which the court deems to have probative value may be received regardless of its admissibility under the rules of evidence, provided that the defendant is accorded a fair opportunity to rebut any hearsay statements. Only such evidence of aggravating circumstances as the state has made known to the defendant prior to the sentencing proceeding shall be admissible, and no evidence secured in violation of the constitution of the United States or of the state of Kansas shall be admissible. No testimony by the defendant at the sentencing proceeding shall be admissible against the defendant at any subsequent criminal proceeding. At the conclusion of the evidentiary presentation, the court shall allow the parties a reasonable period of time in which to present oral argument.

(d) At the conclusion of the evidentiary portion of the sentencing proceeding, the court shall provide oral and written instructions to the jury to guide its deliberations.

(e) If, by unanimous vote, the jury finds beyond a reasonable doubt that one or more of the aggravating circumstances enumerated in K.S.A. 2013 Supp. 21-6624, and amendments thereto, exist and, further, that the existence of such aggravating circumstances is not outweighed by any mitigating circumstances which are found to exist, the defendant shall be sentenced to death; otherwise, the defendant shall be sentenced to life without the possibility of parole. The jury, if its verdict is a unanimous recommendation of a sentence of death, shall designate in writing, signed by the foreman of the jury, the statutory aggravating circumstances which it found beyond a reasonable doubt. If, after a reasonable time for deliberation, the jury is unable to reach a verdict, the judge shall dismiss the jury and impose a sentence of life without the possibility of parole and shall commit the defendant to the custody of the secretary of corrections. In nonjury cases, the court shall follow the requirements of this subsection in determining the sentence to be imposed.

(f) Notwithstanding the verdict of the jury, the trial court shall review any jury

verdict imposing a sentence of death hereunder to ascertain whether the imposition of such sentence is supported by the evidence. If the court determines that the imposition of such a sentence is not supported by the evidence, the court shall modify the sentence and sentence the defendant to life without the possibility of parole, and no sentence of death shall be imposed hereunder. Whenever the court enters a judgment modifying the sentencing verdict of the jury, the court shall set forth its reasons for so doing in a written memorandum which shall become part of the record.

(g) A defendant who is sentenced to imprisonment for life without the possibility of parole shall spend the remainder of the defendant's natural life incarcerated and in the custody of the secretary of corrections. A defendant who is sentenced to imprisonment for life without the possibility of parole shall not be eligible for commutation of sentence, parole, probation, assignment to a community correctional services program, conditional release, postrelease supervision, functional incapacitation release pursuant to K.S.A. 22-3728, and amendments thereto, or suspension, modification or reduction of sentence. Upon sentencing a defendant to imprisonment for life without the possibility of parole, the court shall commit the defendant to the custody of the secretary of corrections and the court shall state in the sentencing order of the judgment form or journal entry, whichever is delivered with the defendant to the correctional institution, that the defendant has been sentenced to imprisonment for life without the possibility of parole.

Sec. 4. K.S.A. 2013 Supp. 21-6620 is hereby amended to read as follows: 21-6620. (a) (1) Except as provided in subsection (a)(2) and K.S.A. 2013 Supp. 21-6618 and 21-6622, and amendments thereto, if a defendant is convicted of the crime of capital murder and a sentence of death is not imposed pursuant to subsection (e) of K.S.A. 2013 Supp. 21-6617, and amendments thereto, or requested pursuant to subsection (a) or (b) of K.S.A. 2013 Supp. 21-6617, and amendments thereto, the defendant shall be sentenced to life without the possibility of parole.

(2) (A) Except as provided in subsection (a)(2)(B), a defendant convicted of attempt to commit the crime of capital murder shall be sentenced to imprisonment for life and shall not be eligible for probation or suspension, modification or reduction of sentence. In addition, the defendant shall not be eligible for parole prior to serving 25 years' imprisonment, and such 25 years' imprisonment shall not be reduced by the application of good time credits. No other sentence shall be permitted.

(B) The provisions of subsection (a)(2)(A) requiring the court to impose a mandatory minimum term of imprisonment of 25 years shall not apply if the court finds the defendant, because of the defendant's criminal history classification, is subject to presumptive imprisonment pursuant to the sentencing guidelines grid for nondrug crimes and the sentencing range exceeds 300 months. In such case, the defendant is required to serve a mandatory minimum term equal to the sentence established pursuant to the sentencing range.

(b) The provisions of this subsection shall apply only to the crime of murder in the first degree as described in subsection (a)(2) of K.S.A. 2013 Supp. 21-5402, and amendments thereto, committed on or after July 1, 2014.

(1) Except as provided in subsection (b)(2), a defendant convicted of murder in the first degree as described in subsection (a)(2) of K.S.A. 2013 Supp. 21-5402, and amendments thereto, shall be sentenced to imprisonment for life and shall not be eligible for probation or suspension, modification or reduction of sentence. In addition,

the defendant shall not be eligible for parole prior to serving 25 years' imprisonment, and such 25 years' imprisonment shall not be reduced by the application of good time credits. No other sentence shall be permitted.

(2) The provisions of subsection (b)(1) requiring the court to impose a mandatory minimum term of imprisonment of 25 years shall not apply if the court finds the defendant, because of the defendant's criminal history classification, is subject to presumptive imprisonment pursuant to the sentencing guidelines grid for nondrug crimes and the sentencing range exceeds 300 months. In such case, the defendant is required to serve a mandatory minimum term equal to the sentence established pursuant to the sentencing range.

(c) The provisions of this subsection shall apply only to the crime of murder in the first degree based upon the finding of premeditated murder committed on or after July 1, 2014.

(1) (A) Except as provided in subsection (c)(1)(B), a defendant convicted of murder in the first degree based upon the finding of premeditated murder shall be sentenced pursuant to K.S.A. 2013 Supp. 21-6623, and amendments thereto, unless the sentencing judge finds substantial and compelling reasons, following a review of mitigating circumstances, to impose the sentence specified in subsection (c)(2).

(B) The provisions of subsection (c)(1)(A) requiring the court to impose the mandatory minimum term of imprisonment required by K.S.A. 2013 Supp. 21-6623, and amendments thereto, shall not apply if the court finds the defendant, because of the defendant's criminal history classification, is subject to presumptive imprisonment pursuant to the sentencing guidelines grid for nondrug crimes and the sentencing range exceeds 600 months. In such case, the defendant is required to serve a mandatory minimum term equal to the sentence established pursuant to the sentencing range.

(2) (A) If the sentencing judge does not impose the mandatory minimum term of imprisonment required by K.S.A. 2013 Supp. 21-6623, and amendments thereto, the judge shall state on the record at the time of sentencing the substantial and compelling reasons therefor, and, except as provided in subsection (c)(2)(B), the defendant shall be sentenced to imprisonment for life and shall not be eligible for probation or suspension, modification or reduction of sentence. In addition, the defendant shall not be eligible for parole prior to serving 25 years' imprisonment, and such 25 years' imprisonment shall not be reduced by the application of good time credits. No other sentence shall be permitted.

(B) The provisions of subsection (c)(2)(A) requiring the court to impose a mandatory minimum term of imprisonment of 25 years shall not apply if the court finds the defendant, because of the defendant's criminal history classification, is subject to presumptive imprisonment pursuant to the sentencing guidelines grid for nondrug crimes and the sentencing range exceeds 300 months. In such case, the defendant is required to serve a mandatory minimum term equal to the sentence established pursuant to the sentencing range.

(b)(d) The provisions of this subsection shall apply only to the crime of murder in the first degree based upon the finding of premeditated murder committed on or after the effective date of this act-September 6, 2013.

(1) If a defendant is convicted of murder in the first degree based upon the finding of premeditated murder, upon reasonable notice by the prosecuting attorney, the court shall determine, in accordance with this subsection, whether the defendant shall be

required to serve a mandatory minimum term of imprisonment of 50 years or sentenced as otherwise provided by law.

(2) The court shall conduct a separate proceeding following the determination of the defendant's guilt for the jury to determine whether one or more aggravating circumstances exist. Such proceeding shall be conducted by the court before a jury as soon as practicable. If any person who served on the trial jury is unable to serve on the jury for the proceeding, the court shall substitute an alternate juror who has been impaneled for the trial jury. If there are insufficient alternate jurors to replace trial jurors who are unable to serve at the proceeding, the court may conduct such proceeding before a jury which may have 12 or less jurors, but at no time less than six jurors. If the jury has been discharged prior to the proceeding, a new jury shall be impaneled. Any decision of the jury regarding the existence of an aggravating circumstance shall be beyond a reasonable doubt. Jury selection procedures, qualifications of jurors and grounds for exemption or challenge of prospective jurors in criminal trials shall be applicable to the selection of such jury. The jury at the proceeding may be waived in the manner provided by K.S.A. 22-3403, and amendments thereto, for waiver of a trial jury. If the jury at the proceeding has been waived, such proceeding shall be conducted by the court.

(3) In the proceeding, evidence may be presented concerning any matter relating to any of the aggravating circumstances enumerated in K.S.A. 2013 Supp. 21-6624, and amendments thereto. Only such evidence of aggravating circumstances as the prosecuting attorney has made known to the defendant prior to the proceeding shall be admissible and no evidence secured in violation of the constitution of the United States or of the state of Kansas shall be admissible. No testimony by the defendant at the time of the proceeding shall be admissible against the defendant at any subsequent criminal proceeding. At the conclusion of the evidentiary presentation, the court shall allow the parties a reasonable period of time in which to present oral argument.

(4) At the conclusion of the evidentiary portion of the proceeding, the court shall provide oral and written instructions to the jury to guide its deliberations. If the prosecuting attorney relies on subsection (a) of K.S.A. 2013 Supp. 21-6624, and amendments thereto, as an aggravating circumstance, and the court finds that one or more of the defendant's prior convictions satisfy such subsection, the jury shall be instructed that a certified journal entry of a prior conviction is presumed to prove the existence of such prior conviction or convictions beyond a reasonable doubt.

(5) If, by unanimous vote, the jury finds beyond a reasonable doubt that one or more of the aggravating circumstances enumerated in K.S.A. 2013 Supp. 21-6624, and amendments thereto, exist, the jury shall designate, in writing, signed by the foreman of the jury, the statutory aggravating circumstances which it found. If, after a reasonable time for deliberation, the jury is unable to reach a unanimous sentencing decision, the court shall dismiss the jury and the defendant shall be sentenced as provided by law. In nonjury cases, the court shall designate, in writing, the specific circumstance or circumstances which the court found beyond a reasonable doubt.

(6) If one or more of the aggravating circumstances enumerated in K.S.A. 2013 Supp. 21-6624, and amendments thereto, are found to exist beyond a reasonable doubt pursuant to this subsection, the defendant shall be sentenced pursuant to K.S.A. 2013 Supp. 21-6623, and amendments thereto, unless the sentencing judge finds substantial and compelling reasons, following a review of mitigating circumstances, to impose the

sentence specified in this paragraph. If the sentencing judge does not impose the mandatory minimum term of imprisonment required by K.S.A. 2013 Supp. 21-6623, and amendments thereto, the judge shall state on the record at the time of sentencing the substantial and compelling reasons therefor, and the defendant shall be sentenced to imprisonment for life and shall not be eligible for probation or suspension, modification or reduction of sentence. In addition, the defendant shall not be eligible for parole prior to serving 25 years' imprisonment, and such 25 years' imprisonment shall not be reduced by the application of good time credits. No other sentence shall be permitted.

~~(e)~~ (e) The provisions of this subsection shall apply only to the crime of murder in the first degree based upon the finding of premeditated murder committed prior to ~~the effective date of this act~~ September 6, 2013.

(1) If a defendant is convicted of murder in the first degree based upon the finding of premeditated murder, upon reasonable notice by the prosecuting attorney, the court shall conduct a separate sentencing proceeding in accordance with this subsection to determine whether the defendant shall be required to serve a mandatory minimum term of imprisonment of 40 years or for crimes committed on and after July 1, 1999, a mandatory minimum term of imprisonment of 50 years or sentenced as otherwise provided by law.

(2) The sentencing proceeding shall be conducted by the court before a jury as soon as practicable. If the trial jury has been discharged prior to sentencing, a new jury shall be impaneled. Any decision to impose a mandatory minimum term of imprisonment of 40 or 50 years shall be by a unanimous jury. Jury selection procedures, qualifications of jurors and grounds for exemption or challenge of prospective jurors in criminal trials shall be applicable to the selection of such jury. The jury at the sentencing proceeding may be waived in the manner provided by K.S.A. 22-3403, and amendments thereto, for waiver of a trial jury. If the jury at the sentencing proceeding has been waived, such proceeding shall be conducted by the court.

(3) In the sentencing proceeding, evidence may be presented concerning any matter that the court deems relevant to the question of sentence and shall include matters relating to any of the aggravating circumstances enumerated in K.S.A. 2013 Supp. 21-6624, and amendments thereto, or for crimes committed prior to July 1, 2011, K.S.A. 21-4636, prior to its repeal, and any mitigating circumstances. Any such evidence which the court deems to have probative value may be received regardless of its admissibility under the rules of evidence, provided that the defendant is accorded a fair opportunity to rebut any hearsay statements. Only such evidence of aggravating circumstances as the prosecuting attorney has made known to the defendant prior to the sentencing proceeding shall be admissible and no evidence secured in violation of the constitution of the United States or of the state of Kansas shall be admissible. Only such evidence of mitigating circumstances subject to discovery pursuant to K.S.A. 22-3212, and amendments thereto, that the defendant has made known to the prosecuting attorney prior to the sentencing proceeding shall be admissible. No testimony by the defendant at the time of sentencing shall be admissible against the defendant at any subsequent criminal proceeding. At the conclusion of the evidentiary presentation, the court shall allow the parties a reasonable period of time in which to present oral argument.

(4) At the conclusion of the evidentiary portion of the sentencing proceeding, the court shall provide oral and written instructions to the jury to guide its deliberations. If the prosecuting attorney relies on subsection (a) of K.S.A. 2013 Supp. 21-6624, and

amendments thereto, or for crimes committed prior to July 1, 2011, subsection (a) of K.S.A. 21-4636, prior to its repeal, as an aggravating circumstance, and the court finds that one or more of the defendant's prior convictions satisfy such subsection, the jury shall be instructed that a certified journal entry of a prior conviction is presumed to prove the existence of such prior conviction or convictions beyond a reasonable doubt.

(5) If, by unanimous vote, the jury finds beyond a reasonable doubt that one or more of the aggravating circumstances enumerated in K.S.A. 2013 Supp. 21-6624, and amendments thereto, or for crimes committed prior to July 1, 2011, K.S.A. 21-4636, prior to its repeal, exist and, further, that the existence of such aggravating circumstances is not outweighed by any mitigating circumstances which are found to exist, the defendant shall be sentenced pursuant to K.S.A. 2013 Supp. 21-6623, and amendments thereto; otherwise, the defendant shall be sentenced as provided by law. The sentencing jury shall designate, in writing, signed by the foreman of the jury, the statutory aggravating circumstances which it found. The trier of fact may make the findings required by this subsection for the purpose of determining whether to sentence a defendant pursuant to K.S.A. 2013 Supp. 21-6623, and amendments thereto, notwithstanding contrary findings made by the jury or court pursuant to subsection (e) of K.S.A. 2013 Supp. 21-6617, and amendments thereto, for the purpose of determining whether to sentence such defendant to death. If, after a reasonable time for deliberation, the jury is unable to reach a unanimous sentencing decision, the court shall dismiss the jury and the defendant shall be sentenced as provided by law. In nonjury cases, the court shall designate in writing the specific circumstance or circumstances which the court found beyond a reasonable doubt.

~~(e)~~ (g) Notwithstanding the provisions of subsection ~~(f)~~ (h), for all cases on appeal on or after ~~the effective date of this act September 6, 2013~~, if a sentence imposed under this section, prior to amendment by this act chapter 1 of the 2013 Session Laws of Kansas (Special Session), or under K.S.A. 21-4635, prior to its repeal, is vacated for any reason other than sufficiency of the evidence as to all aggravating circumstances, resentencing shall be required under this section, as amended by this act chapter 1 of the 2013 Session Laws of Kansas (Special Session), unless the prosecuting attorney chooses not to pursue such a sentence.

~~(f)~~ (h) In the event any sentence imposed under this section is held to be unconstitutional, the court having jurisdiction over a person previously sentenced shall cause such person to be brought before the court and shall sentence such person to the maximum term of imprisonment otherwise provided by law.

~~(g)~~ (i) If any provision or provisions of this section or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or

provisions or application, and to this end the provisions of this section are severable.

(E) The period of postrelease supervision provided in subparagraphs (A) and (B) may be reduced by up to 12 months and the period of postrelease supervision provided in subparagraph (C) may be reduced by up to six months based on the offender's compliance with conditions of supervision and overall performance while on postrelease supervision. The reduction in the supervision period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.

(F) In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

(G) Except as provided in subsection (u), persons convicted of a sexually violent crime committed on or after July 1, 2006, and who are released from prison, shall be released to a mandatory period of postrelease supervision for the duration of the person's natural life.

(6) As used in this subsection, "sexually motivated" means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant's sexual gratification.

(e) If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the prisoner review board may postpone the inmate's parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate's parole or conditional release had been violated for reasons other than conviction of a crime.

(f) If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, prior to its repeal, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender's conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the prisoner review board or reaches the maximum sentence expiration date on the old sentence, whichever

is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the prisoner review board.

(g) Subject to the provisions of this section, the prisoner review board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The prisoner review board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least one month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's family if the family's address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony, the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate's crime or the victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim's family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the board shall consider: (1) Whether the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the

conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim's family including in person comments, contemporaneous comments and prerecorded comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive under the Kansas sentencing guidelines for the conduct that resulted in the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the prisoner review board will review the inmate's proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate's release date. Every inmate while on postrelease supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) (1) Before ordering the parole of any inmate, the prisoner review board shall have the inmate appear either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate's physical or mental condition or absence from the institution. Every inmate while on parole shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary. Whenever the board formally considers placing an inmate on parole and no agreement has been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the board shall notify the inmate in writing of the reasons for not granting parole. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate has not satisfactorily completed the programs specified in the agreement, or any revision of such agreement, the board shall notify the inmate in writing of the specific programs the inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless

the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to 10 years, but any such deferral shall require the board to state the basis for its findings.

(2) Inmates sentenced for a class A or class B felony who have not had a board hearing in the five years prior to July 1, 2010, shall have such inmates' cases reviewed by the board on or before July 1, 2012. Such review shall begin with the inmates with the oldest deferral date and progress to the most recent. Such review shall be done utilizing existing resources unless the board determines that such resources are insufficient. If the board determines that such resources are insufficient, then the provisions of this paragraph are subject to appropriations therefor.

(k) (1) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(2) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to search or seizure by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment.

(3) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to search or seizure by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity. Any law enforcement officer who conducts such a search shall submit a written report to the appropriate parole officer no later than the close of the next business day after such search. The written report shall include the facts leading to such search, the scope of such search and any findings resulting from such search.

(l) The prisoner review board shall promulgate rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the prisoner review board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate

has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized not-for-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable;

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the prisoner review board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services;

(6) shall order that the parolee or person on postrelease supervision agree in writing to be subject to search or seizure by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment; and

(7) shall order that the parolee or person on postrelease supervision agree in writing to be subject to search or seizure by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity.

(n) If the court which sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the prisoner review board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances which would render a plan of restitution unworkable.

(o) Whenever the prisoner review board grants the parole of an inmate, the board, within 14 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary, within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest.

(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the

secretary of corrections when an inmate has acted in a heroic or outstanding manner in coming to the assistance of another person in a life threatening situation, preventing injury or death to a person, preventing the destruction of property or taking actions which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to July 1, 2013, who are eligible for modification of their postrelease supervision obligation, the department of corrections shall modify the period of postrelease supervision as provided for by this section:

(1) On or before September 1, 2013, for offenders convicted of:

(A) Severity levels 9 and 10 crimes on the sentencing guidelines grid for nondrug crimes;

(B) severity level 4 crimes on the sentencing guidelines grid for drug crimes committed prior to July 1, 2012; and

(C) severity level 5 crimes on the sentencing guidelines grid for drug crimes committed on and after July 1, 2012;

(2) on or before November 1, 2013, for offenders convicted of:

(A) Severity levels 6, 7 and 8 crimes on the sentencing guidelines grid for nondrug crimes;

(B) level 3 crimes on the sentencing guidelines grid for drug crimes committed prior to July 1, 2012; and

(C) level 4 crimes on the sentencing guidelines grid for drug crimes committed on or after July 1, 2012; and

(3) on or before January 1, 2014, for offenders convicted of:

(A) Severity levels 1, 2, 3, 4 and 5 crimes on the sentencing guidelines grid for nondrug crimes;

(a) (1) Upon application of the secretary of corrections, the prisoner review board may grant release to any person deemed to be functionally incapacitated, upon such terms and conditions as prescribed in the order granting such release.

(2) The secretary of corrections shall adopt rules and regulations governing the prisoner review board's procedure for initiating, processing, reviewing and establishing criteria for review of applications filed on behalf of persons deemed to be functionally incapacitated. Such rules and regulations shall include criteria and guidelines for determining whether the functional incapacitation precludes the person from posing a threat to the public.

(3) Subject to the provisions of subsections (a)(4) and (a)(5), a functional incapacitation release shall not be granted until at least 30 days after written notice of the application has been given to: (A) The prosecuting attorney and the judge of the court in which the person was convicted; and (B) any victim of the person's crime or the victim's family. Notice of such application shall be given by the secretary of corrections to the victim who is alive and whose address is known to the secretary, or if the victim is deceased, to the victim's family if the family's address is known to the secretary. An application for release shall not be approved unless the board determines that the person is functionally incapacitated and does not represent a future risk to public safety. The board shall determine whether a hearing is necessary on the application. The board may request additional information or evidence it deems necessary from a medical or mental health practitioner.

(5) The board shall establish any conditions related to the release of the person. The release shall be conditional, and be subject to revocation pursuant to K.S.A. 75-5217, and amendments thereto, if the person's functional incapacity significantly diminishes, if the person fails to comply with any condition of release, or if the board otherwise concludes that the person presents a threat or risk to public safety. The person shall remain on release supervision until the release is revoked, expiration of the maximum sentence, or discharged by the board. Subject to the provisions of subsection (f) of K.S.A. 75-5217, and amendments thereto, the person shall receive credit for the time

during which the person is on functional incapacitation release supervision towards service of the prison and postrelease supervision obligations of determinate sentences or indeterminate sentences.

(6) The secretary of corrections shall cause the person to be supervised upon release, and shall have the authority to initiate revocation of the person at any time for the reasons indicated in subsection (a)(5).

(7) The decision of the board on the application or any revocation shall be final and not subject to review by any administrative agency or court.

(d) This section does not apply to any person sentenced to imprisonment for an off-grid offense.

(e) This section does not apply to any person under sentence of death or life without the possibility of parole.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **S Sub HB 2588** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed as Senate Substitute for House Bill No. 2588, as follows:

On page 9, following line 9, by inserting:

"Sec. 6. K.S.A. 2013 Supp. 38-2347 is hereby amended to read as follows: 38-2347. (a) (1) Except as otherwise provided in this section, at any time after commencement of proceedings under this code against a juvenile and prior to the beginning of an evidentiary hearing at which the court may enter a sentence as provided in K.S.A. 2013 Supp. 38-2356, and amendments thereto, the county or district attorney or the county or district attorney's designee may file a motion requesting that the court authorize prosecution of the juvenile as an adult under the applicable criminal statute. The juvenile shall be presumed to be a juvenile unless good cause is shown to prosecute the juvenile as an adult. No juvenile less than 12 years of age shall be prosecuted as an adult.

(2) The alleged juvenile offender shall be presumed to be an adult if the alleged juvenile offender was: (A) 14, 15, 16 or 17 years of age at the time of the offense or offenses alleged in the complaint, if any such offense: (i) If committed by an adult, would constitute an off-grid crime, a person felony or a nondrug severity level 1 through 6 felony; (ii) committed prior to July 1, 2012, if committed by an adult prior to July 1, 2012, would constitute a drug severity level 1, 2 or 3 felony; (iii) committed on or after July 1, 2012, if committed by an adult on or after July 1, 2012, would constitute a drug severity level 1, 2, 3 or 4 felony; or (iv) was committed while in possession of a firearm; or (B) charged with a felony or with more than one offense, one or more of which constitutes a felony, after having been adjudicated or convicted in a separate juvenile proceeding as having committed an offense which would constitute a felony if committed by an adult and the adjudications or convictions occurred prior to the date of the commission of the new act charged and prior to the beginning of an evidentiary hearing at which the court may enter a sentence as provided in K.S.A. 2013 Supp. 38-2356, and amendments thereto. If the juvenile is presumed to be an adult, the burden is on the juvenile to rebut the presumption by a preponderance of the evidence.

(3) At any time after commencement of proceedings under this code against a juvenile offender and prior to the beginning of an evidentiary hearing at which the court may enter a sentence as provided in K.S.A. 2013 Supp. 38-2356, and amendments thereto, the county or district attorney or the county or district attorney's designee may file a motion requesting that the court designate the proceedings as an extended jurisdiction juvenile prosecution.

(4) If the county or district attorney or the county or district attorney's designee files a motion to designate the proceedings as an extended jurisdiction juvenile prosecution and the juvenile was 14, 15, 16 or 17 years of age at the time of the offense or offenses alleged in the complaint and: (A) Charged with an offense: (i) If committed by an adult, would constitute an off-grid crime, a person felony or a nondrug severity level 1 through 6 felony; (ii) committed prior to July 1, 2012, if committed by an adult prior to July 1, 2012, would constitute a drug severity level 1, 2 or 3 felony; (iii) committed on or after July 1, 2012, if committed by an adult on or after July 1, 2012, would constitute a drug severity level 1, 2, 3 or 4 felony; or (iv) was committed while in possession of a firearm; or (B) charged with a felony or with more than, one offense, one or more of which constitutes a felony, after having been adjudicated or convicted in a separate juvenile proceeding as having committed an act which would constitute a felony if committed by an adult and the adjudications or convictions occurred prior to the date of the commission of the new offense charged, the burden is on the juvenile to rebut the designation of an extended jurisdiction juvenile prosecution by a preponderance of the evidence. In all other motions requesting that the court designate the proceedings as an extended jurisdiction juvenile prosecution, the juvenile is presumed to be a juvenile. The burden of proof is on the prosecutor to prove the juvenile should be designated as an extended jurisdiction juvenile.

(b) The motion also may contain a statement that the prosecuting attorney will introduce evidence of the offenses alleged in the complaint and request that, on hearing the motion and authorizing prosecution as an adult or designating the proceedings as an extended jurisdiction juvenile prosecution under this code, the court may make the findings required in a preliminary examination provided for in K.S.A. 22-2902, and amendments thereto, and the finding that there is no necessity for further preliminary examination.

(c) (1) Upon receiving the motion, the court shall set a time and place for hearing. The court shall give notice of the hearing to the juvenile, each parent, if service is possible, and the attorney representing the juvenile. The motion shall be heard and determined prior to any further proceedings on the complaint.

(2) At the hearing, the court shall inform the juvenile of the following:

- (A) The nature of the charges in the complaint;
- (B) the right of the juvenile to be presumed innocent of each charge;
- (C) the right to trial without unnecessary delay and to confront and cross-examine witnesses appearing in support of the allegations of the complaint;
- (D) the right to subpoena witnesses;
- (E) the right of the juvenile to testify or to decline to testify; and
- (F) the sentencing alternatives the court may select as the result of the juvenile being prosecuted under an extended jurisdiction juvenile prosecution.

(d) If the juvenile fails to appear for hearing on the motion after having been served with notice of the hearing, the court may hear and determine the motion in the absence of the juvenile. If the court is unable to obtain service of process and give notice of the hearing, the court may hear and determine the motion in the absence of the alleged juvenile offender after having given notice of the hearing at least once a week for two consecutive weeks in the official county newspaper of the county where the hearing will be held.

(e) In determining whether or not prosecution as an adult should be authorized or designating the proceeding as an extended jurisdiction juvenile prosecution, the court shall consider each of the following factors:

(1) The seriousness of the alleged offense and whether the protection of the community requires prosecution as an adult or designating the proceeding as an extended jurisdiction juvenile prosecution;

(2) whether the alleged offense was committed in an aggressive, violent, premeditated or willful manner;

(3) whether the offense was against a person or against property. Greater weight shall be given to offenses against persons, especially if personal injury resulted;

(4) the number of alleged offenses unadjudicated and pending against the juvenile;

(5) the previous history of the juvenile, including whether the juvenile had been adjudicated a juvenile offender under this code or the Kansas juvenile justice code and, if so, whether the offenses were against persons or property, and any other previous history of antisocial behavior or patterns of physical violence;

(6) the sophistication or maturity of the juvenile as determined by consideration of the juvenile's home, environment, emotional attitude, pattern of living or desire to be treated as an adult;

(7) whether there are facilities or programs available to the court which are likely to rehabilitate the juvenile prior to the expiration of the court's jurisdiction under this code; and

(8) whether the interests of the juvenile or of the community would be better served by criminal prosecution or extended jurisdiction juvenile prosecution.

The insufficiency of evidence pertaining to any one or more of the factors listed in this subsection, in and of itself, shall not be determinative of the issue. Subject to the provisions of K.S.A. 2013 Supp. 38-2354, and amendments thereto, written reports and other materials relating to the juvenile's mental, physical, educational and social history may be considered by the court.

(f) (1) The court may authorize prosecution as an adult upon completion of the hearing if the court finds from a preponderance of the evidence that the alleged juvenile offender should be prosecuted as an adult for the offense charged. In that case, the court shall direct the alleged juvenile offender be prosecuted under the applicable criminal statute and that the proceedings filed under this code be dismissed.

(2) The court may designate the proceeding as an extended jurisdiction juvenile prosecution upon completion of the hearing if the juvenile has failed to rebut the presumption or the court finds from a preponderance of the evidence that the juvenile should be prosecuted under an extended jurisdiction juvenile prosecution.

(3) After a proceeding in which prosecution as an adult is requested pursuant to subsection (a)(2), and prosecution as an adult is not authorized, the court may designate the proceedings to be an extended jurisdiction juvenile prosecution.

(4) A juvenile who is the subject of an extended jurisdiction juvenile prosecution shall have the right to a trial by jury, to the effective assistance of counsel and to all other rights of a defendant pursuant to the Kansas code of criminal procedure. Each court shall adopt local rules to establish the basic procedures for extended jurisdiction juvenile prosecution in such court's jurisdiction.

(g) If the juvenile is present in court and the court also finds from the evidence that it appears a felony has been committed and that there is probable cause to believe the

felony has been committed by the juvenile, the court may direct that there is no necessity for further preliminary examination on the charges as provided for in K.S.A. 22-2902, and amendments thereto. In that case, the court shall order the juvenile bound over to the district judge having jurisdiction to try the case.

(h) If the juvenile is convicted, the authorization for prosecution as an adult shall attach and apply to any future prosecutions of the juvenile which are or would be cognizable under this code. If the juvenile is not convicted, the authorization for prosecution as an adult shall not attach and shall not apply to future prosecutions of the juvenile which are or would be cognizable under this code.

(i) If the juvenile is prosecuted as an adult under subsection (a)(2) and is not convicted in adult court of an offense listed in subsection (a)(2) but is convicted or adjudicated of a lesser included offense, the juvenile shall be a juvenile offender and receive a sentence pursuant to K.S.A. 2013 Supp. 38-2361, and amendments thereto.";

On page 15, in line 29, after "38-2268," by inserting "38-2347,";

And by renumbering sections accordingly;

On page 1, in the title, in line 5, after "services;" by inserting "prosecution as an adult;" in line 6, after "38-2268," by inserting "38-2347,";

EXPLANATION OF VOTE

Madam President: I VOTE "No" the Conference Committee Report on **S Sub HB 2588**: Kansas should not have in any our law books, the ability for any prosecutor to prosecute a 12 year old child as an adult. As the father of a 12 year old and three teens, I am appalled that this Senate does not clearly recognize that most children are incapable of appreciating the gravity of many acts they do. I believe that's why society has a Juvenile Code versus an Adult Code. It's why we have two sets of rules (from being able to purchase and/or to possess "adult" materials or deciding whether or not to attend

school or movie admission or sexual relations or a host of MANY youth versus adult examples); not just in American society but in ANY civilized society on Earth. So... why does this sound theory break down when a kid is accused of committing a real bad crime? Children make mistakes that an adult, due to life experience, would not make. It is morally repugnant to me that this conference committee report creates the schizophrenic hypocrisy in many Senators who vote for it by saying children are protected and, thereby, differentiated from adults...except when they make a mistake and commit a crime. There are dozens of former children; now adults who have served twice the years in prison time than the age at which they committed the crime. If the members of the Senate would have thought rationally, the majority of them too would have joined me in, rightfully, voting No on the conference committee vote on **S Sub HB 2588**. – DAVID HALEY

On motion of Senator Bruce, the Senate recessed until the sound of the gavel.

The Senate met pursuant to recess with Vice President King in the chair.

Invocation by Senator Pat Apple:

The following prayer was delivered in this chamber 50 years ago during a session of the Kansas Senate. Let us pray:

Almighty God, your presence is as a lamp unto our feet, and a light unto our path. It is in this warmth that we seek wisdom and guidance, and courage to face the many challenging tasks of today. Heavy are the burdens of this assembly as they face important issues in the interests of your people, who make up the populace of our state and country. PROTEST

Senator Hensley against Conference Committee Report for HB 2506

Mr. Vice President: I hereby exercise my right under Article 2, Section 10 of the Kansas Constitution to protest Conference Committee Report for **S Sub HB 2506**.

On the morning of April 6, 2014, after the House voted down the conference committee report on **H Sub SB 218**, a conference committee was appropriately called on **H Sub SB 84** by both chambers of the legislature. After conferring, the conference committee reached an agreement and placed the contents of that agreement in **S Sub HB 2506**. Shortly thereafter, at approximately 2:47 a.m., Senator Bruce made a motion for the Senate to adjourn until 10:30 a.m., Sunday, April 6, 2014. That motion passed on a voice vote. Interested members of the community, media and the legislature, including

myself as a member of the conference committee, had left the building to go home under the belief no further action would be taken until 10:30 a.m. However, the House continued to stand at ease while House Republican leadership discussed their plan going forward. At approximately 2:57 a.m., Representative Vickrey made a motion for the House to adjourn until 12:00 p.m., Sunday, April 6, 2014. Representative Suellentrop, just before the motion to adjourn, announced an immediate meeting of the conference committee on **S Sub HB 2506**. No such announcement was made on the Senate floor as the Senate had already adjourned. The conference committee on **S Sub HB 2506** then met, took action on the previously mentioned agreement to remove a portion of that content and reaffirmed their agreement for the remaining parts of their previous agreement. The conference committee then concluded its business at approximately 3:30 a.m. on April 6, 2014. The conference committee report containing the changes made during the final conference committee meeting of the night on **S Sub HB 2506** was signed by the majority party members of the committee later that day after an agree-to-disagree on the conference committee report was approved.

At the beginning of the debate on the Conference Committee Report on **S Sub HB 2506**, I outlined the events discussed above. The question was raised as to whether I was bringing a Rule 23 challenge under the Senate Rules. At the time I declined to bring such challenge. However, Senator Apple made a challenge under Rule 23 and the Senate Rules Committee was convened to discuss whether a violation of Senate Rule 23 had occurred. Senate Rule 23 concerned the provisions of the Kansas Open Meetings Act as contained in K.S.A. 75-4317 et seq., and amendments thereto. The discussion of the Senate Rules Committee, led by Senator King, was that the initial inquiry of the challenge was whether or not Rule 23 applied to conference committees. If, and only if, it was ruled by the Rules Committee that Rule 23 applied, then the Rules Committee would consider a second inquiry as to the factual contentions I brought forward regarding the potential violation of the Open Meetings provisions of Rule 23. The Senate Rules Committee ruled that Senate Rule 23 did not apply to conference committees as they are governed by Joint Rule 3 of the House and Senate. There was no discussion as to the factual contentions or if those contentions constituted a violation of Rule 23. However, when Senator King explained the ruling on Senator Apple's challenge, his explanation went beyond the scope of the discussion and the decision of the Rules Committee when he characterized the factual contentions as not a violation of Rule 23. That question remains unanswered and unscrutinized by the Rules Committee.

I object to the Conference Committee Report for **S Sub HB 2506** because its contents were invalidly amended during a meeting which violated the Kansas Open Meetings Act. While I respect the decision of the Senate Rules Committee, the explanation of the Rules Committee's decision went beyond the scope of the discussion. In the event of an investigation of the actions of the conference committee by the District Attorney for Shawnee County, I want the record to clearly reflect what has occurred here today. For these reasons I submit this constitutional protest against the Conference Committee Report for **S Sub HB 2506**. — ANTHONY HENSLEY

EXPLANATION OF VOTE

Mr. Vice President: I hoped that this conference committee report would address appropriations and the equity concern raised by the courts. However many changes to education policy remain in the report, several of them ones that were not debated in the education committees in the legislature and certainly not fully vetted. I am very

concerned about changing the due process system. We are keeping the requirements in 72-5438 for technical and community college teachers. However eliminating this process for K-12 teachers leaves them with the only alternative to sue in district court. This is dramatically less efficient in time and money, working against our efforts to get education dollars into the classroom. The change sends the message that we do not value our relationships with teachers. I am very concerned with other policy changes in the report. Creating alternative teacher licensure ignores the education teachers should have in classroom management and lesson design to reach all types of learners. Increasing the maximum number of districts that can operate as Public Innovative Districts from 10 to 20% questions undermines our state education statutes. Details on the definition of an “eligible student” for the Tax Credit for Low Income Students Scholarship Program Act need more review. I vote “No” on the Conference Committee Report on **S Sub HB 2506**. – MARCI FRANCISCO

Senators Haley, Hawk and Pettey request the record to show they concur with the “Explanation of Vote” offered by Senator Francisco on **S Sub HB 2506**.

Mr. Vice President: I thank my colleagues for voting for my motion to allow me to speak on this bill for a third time. Unfortunately, the request to move the previous question was approved to cut off any further debate and I was denied the opportunity to speak again. To cut off debate in this manner is undemocratic, unfair and unbelievable. My leave of absence from my teaching job to serve in the Legislature will end tomorrow. My fellow Kansans who are seated in the gallery and in the hallways of this building and I will return to our classrooms tomorrow. To cut off debate is a disservice to these people who have been here the last couple of days, staying into the wee hours of the morning. To cut off debate on this bill is shameful. Shameful. And, I am ashamed that this body would deny its own members the opportunity to exercise their free speech rights. I vote “No” on **S Sub HB 2506**. – ANTHONY HENSLEY

On motion of Senator Bruce, the Senate recessed until 10:00 p.m.

The Senate met pursuant to recess with President Wagle in the chair.

The Senate was called to order by President Susan Wagle.
Invocation by Father Don Davidson:

Good and Gracious God, be with those who take counsel for the well being of the people of our State. Give them patience as they listen to each other, and confidence in the decisions ahead. On this day we also pray for all the people in Kansas and other states whose lives have been disrupted by the recent severe storms. Bless them and those who are responding to them, and bring to them a sense of community, wholeness and peace. All this we ask in your holy and life giving name. Amen

MESSAGE FROM THE GOVERNOR

SB 99 – Veto Message from the Governor

While I understand the purpose and intent behind **SB 99**, I believe that retaining the lobbyist registration provisions in current law promotes transparency and openness. Although the amounts involved may seem small, there is no harm in continuing to require lobbyist registration at the lower level of reportable lobbying expenditures contained in the existing statute. Accordingly, pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto **Senate Bill 99**.

Date: April 11, 2014

COMMUNICATIONS FROM STATE OFFICERS

STATE OF KANSAS
SECRETARY OF STATE

To all to whom these presents shall come, Greetings:

I, KRIS W. KOBACH, Secretary of State of the State of Kansas, do hereby certify that Martha J. "Molly" Baumgardner, Louisburg, was appointed by the Governor effective April 22, 2014, for the unexpired term, Thirty Seventh Senatorial District, to fill the vacancy created by the resignation of Pat Apple.

IN TESTIMONY WHEREOF: I have hereunto subscribed my name and caused to be affixed my official seal, this 30th day of April, A.D. 2014.

KRIS W. KOBACH
Secretary of State

President Wagle requested Senator Bruce escort Senator Molly Baumgardner to the front of the Senate, where she was joined by her husband and daughters. The President introduced the Honorable Thomas L. Malone, Chief Judge, Kansas Court of Appeals, who administered the Oath of Office to the newly appointed Senator Molly Baumgardner.

OATH OF OFFICE
STATE OF KANSAS, COUNTY OF SHAWNEE, ss:

I do solemnly swear, or affirm, that I will support the Constitution of the United States, and the Constitution of the State of Kansas, and will faithfully discharge the duties of the office of the State Senator of the 37th District. So help me God.

Subscribed and Sworn to, or Affirmed, before me this 30th day of April, 2014.

THOMAS L. MALONE
Chief Judge, Kansas Court of Appeals

SPECIAL REMARKS

Madam President, Senate Majority Leader, Senate Minority Leader, fellow Senators and guests of this Chamber, thank you for the warm welcome you have extended me on this day.

Quite honestly, I am humbled by the statesmanship of my honorable 37th District predecessors: Kansas Corporation Commissioner Pat Apple, Speaker of the House Ray Merrick, Lieutenant Governor Jeff Colyer and former Director of the Lottery Dennis Wilson. I am indebted to 85 precinct committee men and women that participated in the democratic process to select me to serve the people of our great State. I appreciate the gracious conversations and messages I have already received from many of you, my fellow Senators.

In 1921, Charlie and Stella Baumgardner established their roots, quite literally, in the State of Kansas. Charlie found a way to serve others at the State Hospital for Epileptics in Parsons while fulfilling his passion for farming. Though farming Kansas land ended with his generation, the commitment to public service has continued with each subsequent generation of Baumgardners. Their youngest son, Gerald, is here today. He served the State with distinction as a teacher, coach, principal and professor. It is truly an honor that my opportunities for servant leadership will now extend well beyond my classroom to the residents of Kansas.

Personal, heartfelt thanks to my dear husband, Brian; my supportive children: Katie Jo, Paul, Gwendolyn, and Amelia and to my extended family members, friends and colleagues. This new journey would not be possible without you.

I look forward to collaboration, discussion and even disagreement with my fellow Senators during this wrap-up session and in the subsequent sessions of our terms.

I pray God grants me the wisdom, the patience and the discernment necessary to uphold my duties. God bless the great State of Kansas and God bless America! Thank you.— MOLLY BAUMGARDNER

The roll was called with thirty-eight senators present.

Senators Lynn and Melcher were excused.

SENATE RESOLUTION No. 1823—

A RESOLUTION commending J.C. Harmon High School juniors and seniors for their participation in the 20/20 Leadership Program.

WHEREAS, The 20/20 Leadership Program began in 1993 with 36 students. In 2002, the Ewing Marion Kauffman Foundation and the Garth Brooks Teammates for Kids program provided grants to expand the program into 10 other school districts; and

WHEREAS, The 20/20 Leadership Program was created in order for students to learn about their communities and the Greater Kansas City Metropolitan area and helps break down social, racial, economic, academic and geographic barriers. The students receive 180 educational hours over the course of the 18-month program and the program has over 6,000 alumni; and

WHEREAS, Two \$500 scholarships are provided to graduating seniors by 20/20 Leadership alumni, and participants have contributed more than 9,000 volunteer hours to their communities. In addition, five seniors are selected annually to each receive a \$10,000 scholarship from the Kansas City Royals and Major League Baseball; and

WHEREAS, Juniors and seniors at J.C. Harmon High School led the project for the 20/20 Leadership Program, which is known as the Harmon Hub. The Harmon Hub will consist of a half mile trail, an outdoor classroom, a spirit walk, berms, seating and markers, exercise stations and student gardens. The purpose of the Harmon Hub is to focus on health, school attendance, improvement of test scores and reduction of school suspensions; and

WHEREAS, A core group of students has been meeting with architects, engineers and construction contractors along with school district and other government leaders and health experts to get the Harmon Hub project underway. The students have already

raised about one-tenth of their \$900,000 budget in order to get the first phase of the project underway; and

WHEREAS, Juniors and seniors who participate in the 20/20 Leadership Program at J.C. Harmon High School are leaders as they address significant challenges in their school and community. The values they learn in the program will allow them to be successful after graduation: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we commend J.C. Harmon High School juniors and seniors for their participation in the 20/20 Leadership Program and we wish them success in their completion of the Harmon Hub fitness trail project; and

Be it further resolved: That the Secretary of the Senate shall send three enrolled copies of this resolution to Senator Pettey.

SENATE RESOLUTION No. 1824—

A RESOLUTION congratulating Erie High School on being selected
for the final round in a competition to build and test designs
for radiation shields for NASA's new Orion spacecraft.

WHEREAS, NASA, the NIA and Lockheed Martin, the prime contractor for the Orion program, unveiled the Exploration Design Challenge on March 11, 2013, to give students from kindergarten through 12th grade the opportunity to play a unique role in the future of human spaceflight. The challenge encourages students in the U.S. and abroad to think and act like scientists and engineers to overcome one of the major hurdles for deep space long-duration exploration: Protecting astronauts and hardware from the dangers of space radiation; and

WHEREAS, Five high school teams from the United States and foreign countries, including Erie High School, were selected to compete in the final round in NASA's competition to build and test designs for radiation shields for the new Orion spacecraft. The competition is part of the Exploration Design Challenge (EDC), developed by NASA and Lockheed Martin, with support from the National Institute of Aerospace (NIA); and

WHEREAS, Forty-six teams from around the world submitted engineering notebooks with proposed radiation shield designs. After review by Orion engineers, as well as NASA and NIA educators, five teams were selected to move on to the next phase of the competition, including Team Erion of Erie High School; and

WHEREAS, Members of Team Orion include: Ashlyn Taylor, Madison Steenrod, Sabrina Graham and Lorena South. Their expert mentor was Virginia Wolken; and

WHEREAS, The high school teams were asked to design shielding to protect a radiation detector on Orion as it flies through the Van Allen Belt, a dense radiation field that surrounds the Earth. Because the belt begins 600 miles above Earth, no spacecraft built for humans has flown through it in more than 40 years. Orion, which will travel to

an altitude of about 3,600 miles on its first flight test, will spend a significant portion of its four-hour mission exposed to the effects of the Van Allen Belt; and

WHEREAS, For the next phase of the competition, the final five teams will build prototypes of their designs, which will be tested by engineers at NASA's Langley Research Center in Hampton, Virginia, before the winning design is chosen; and

WHEREAS, The winning team will be announced in April, and their design will be launched into space on Orion later this year. This uncrewed mission, designated Exploration Flight Test-1 (EFT-1), will be the first spaceflight test of the capsule that will one day carry astronauts to an asteroid and Mars: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we congratulate Team Erion on being selected for the final round in the NASA competition and we wish them tremendous success in the finals; and

Be it further resolved: That the Secretary of the Senate shall send five enrolled copies of this resolution to Senator Abrams.

On emergency motion of Senator Abrams **SR 1824** was adopted by voice vote.

WHEREAS, Members of the National Guard and Reserve are Citizen Warriors who lead dual lives as valued workers, managers, professionals and students throughout our communities, and who as members of our nation's Armed Forces, train and maintain their military skills and have fought America's wars, and provide humanitarian aid at home and abroad; and

WHEREAS, President Richard M. Nixon, on June 22, 1972, authorized the Secretary of Defense to create the National Committee for Employer Support of the Guard and Reserve (ESGR). The Department of Defense established the Kansas Committee for Employer Support of the Guard and Reserve; and

WHEREAS, For over 40 years, dedicated ESGR volunteers in Kansas have spent thousands of hours promoting a cooperative culture of employer support for National Guard and Reserve service by developing and advocating mutually beneficial initiatives, recognizing outstanding employer support; increasing awareness of applicable laws and policies; resolving potential conflicts between employers and their service members; and acting as the employers' principal advocate within the Department of Defense: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize the dedicated service of Employer Support of the Guard and Reserve and especially the Kansas

Committee of Employer Support of the Guard and Reserve, and we thank the many ESGR volunteers for their outstanding and dedicated service to Kansas' employers and their employee members of the National Guard and Reserve; and

SENATE RESOLUTION No. 1833—

A RESOLUTION recognizing that Lyme disease is significantly under-diagnosed in the United States and supporting further Lyme disease research.

WHEREAS, Lyme disease is the most commonly reported tick-transmitted disease in the United States, yet the Centers for Disease Control and Prevention acknowledge that the number of cases reported annually represents only about one-tenth of the true number of cases. Approximately 30,000 cases of Lyme disease are reported to the CDC by state health departments each year. However, other studies of the disease suggest that the number of people actually diagnosed with Lyme disease each year is around 300,000, leaving approximately 270,000 cases unreported; and

WHEREAS, Lyme disease is most common among boys aged five to 19, with this age group being affected at three times the average rate of all other age groups. Around 25% of all reported cases of Lyme disease are children; and

WHEREAS, Lyme disease is undiagnosed in many Americans due to the lack of an accurate screening test, no standard presentation, a lack of reliable tick and tick-borne disease studies and many other reasons; and

WHEREAS, The screening test recommended by the CDC fails to detect 50% or more of Lyme disease cases, and strain variations complicate the testing; and

WHEREAS, Lyme disease can present in a variety of ways. One common sign of Lyme disease is the presentation of a red bull's-eye rash on the skin near the tick bite mark. However, only approximately 30% of Lyme disease patients present with this symptom. Lyme disease is known as "The New Great Imitator," because it can be misdiagnosed as fibromyalgia, multiple sclerosis, Parkinson's disease, chronic fatigue syndrome, Lou Gehrig's disease, cardiac problems, Alzheimer's disease, attention deficit disorder, vision and hearing problems and other conditions, including psychiatric disorders; and

WHEREAS, Lyme disease can affect almost any part of the body and produces a wide range of symptoms, including skin lesions, meningitis, progressive muscular and joint pain, mood changes and behavioral problems. If left untreated, Lyme disease can become an incurable and lifelong debilitating illness characterized by neurological disorders, emotional and mental disorders, serious pain syndromes in the bone and muscles, fatal heart disease and respiratory failure; and

WHEREAS, May is Lyme Disease Awareness Month. The ticks that transmit Lyme disease to humans are most active during May through July: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize that Lyme disease is significantly under-diagnosed in the United States and we support further research of the disease, its symptoms and its treatment; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to each member of the Kansas Congressional Delegation; the Chair and Ranking Member of the United States Senate Committee on Health, Education, Labor and Pensions; the Chair, Vice Chair and Ranking Member of the United States House Energy Subcommittee on Health; the Chair, Vice Chair and Ranking Member of the United States House Appropriations Subcommittee on Labor, Health and Human Services, Education and Related Agencies; and the Chair, Vice Chair and Ranking Member of the United States House Ways and Means Subcommittee on Health.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2568** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, by striking all in lines 27 through 33;

On page 7, by striking all in lines 2 through 5;

On page 8, following line 8, by inserting:

"(d) If both parents are parties to the action, the court shall enter such orders regarding custody, residency and parenting time as the court considers to be in the best interest of the child.

If the parties have an agreed parenting plan, it shall be presumed the agreed parenting plan is in the best interest of the child. This presumption may be overcome and the court may make a different order if the court makes specific findings of fact stating why the agreed parenting plan is not in the best interest of the child. If the parties are not in agreement on a parenting plan, each party shall submit a proposed parenting plan to the court for consideration at such time before the final hearing as may be directed by the court.

(e) If during the proceedings the court determines that there is probable cause to believe that the child is a child in need of care, as defined by subsections (d)(1), (d)(2),

(d)(3) or (d)(11) of K.S.A. 2013 Supp. 38-2202, and amendments thereto, or that neither parent is fit to have residency, the court may award temporary residency of the child to a grandparent, aunt, uncle or adult sibling, or another person or agency if the court finds by written order that: (1) (A) The child is likely to sustain harm if not immediately removed from the home; (B) allowing the child to remain in the home is contrary to the welfare of the child; or (C) immediate placement of the child is in the best interest of the child; and (2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety of the child. In making such a residency order, the court shall give preference, to the extent that the court finds it is in the best interests of the child, first to awarding such residency to a relative of the child by blood, marriage or adoption and second to awarding such residency to another person with whom the child has close emotional ties. The court may make temporary orders for care, support, education and visitation that it considers appropriate. Temporary residency orders are to be entered in lieu of temporary orders provided for in K.S.A. 2013 Supp. 38-2243 and 38-2244, and amendments thereto, and shall remain in effect until there is a final determination under the revised Kansas code for care of children. An award of temporary residency under this subsection shall not terminate parental rights nor give the court the authority to consent to the adoption of the child. When the court enters orders awarding temporary residency of the child to an agency or a person other than the parent, the court shall refer a transcript of the proceedings to the county or district attorney. The county or district attorney shall file a petition as provided in K.S.A. 2013 Supp. 38-2234, and amendments thereto, and may request termination of parental rights pursuant to K.S.A. 2013 Supp. 38-2266, and amendments thereto. The costs of the proceedings shall be paid from the general fund of the county. If a final determination is made that the child is not a child in need of care, the county or district attorney shall notify the court in writing and the court, after a hearing, shall enter appropriate custody orders pursuant to this section. If the same judge presides over both proceedings, the notice is not required. Any order pursuant to the revised Kansas code for care of children shall take precedence over any similar order under this section.";

On page 4, by striking line 43;

On page 5, by striking all in lines 1 through 23 and inserting the following:

"Section 1. K.S.A. 2013 Supp. 8-255 is hereby amended to read as follows: 8-255.

(a) The division is authorized to restrict, suspend or revoke a person's driving privileges upon a showing by its records or other sufficient evidence the person:

(1) Has been convicted with such frequency of serious offenses against traffic regulations governing the movement of vehicles as to indicate a disrespect for traffic laws and a disregard for the safety of other persons on the highways;

(2) has been convicted of three or more moving traffic violations committed on separate occasions within a 12-month period;

(3) is incompetent to drive a motor vehicle;

(4) has been convicted of a moving traffic violation, committed at a time when the person's driving privileges were restricted, suspended or revoked; or

(5) is a member of the armed forces of the United States stationed at a military installation located in the state of Kansas, and the authorities of the military establishment certify that such person's on-base driving privileges have been suspended, by action of the proper military authorities, for violating the rules and regulations of the military installation governing the movement of vehicular traffic or for any other reason relating to the person's inability to exercise ordinary and reasonable control in the operation of a motor vehicle.

(b) (1) The division shall:

(A) Suspend a person's driving privileges:

(i) When required by K.S.A. 8-262, 8-1014 or 41-727, and amendments thereto;

(ii) upon a person's second conviction of theft, as defined in subsection (a)(5) of K.S.A. 2013 Supp. 21-5801, and amendments thereto, for six months; and

(iii) upon a person's third or subsequent conviction of theft, as defined in subsection (a)(5) of K.S.A. 2013 Supp. 21-5801, and amendments thereto, for one year;

(B) disqualify a person's privilege to drive commercial motor vehicles when required by K.S.A. 8-2,142, and amendments thereto; and

(C) restrict a person's driving privileges when required by K.S.A. 2013 Supp. 39-7,155, and amendments thereto.

(2) As used in this subsection, "conviction" means a final conviction without regard to whether the sentence was suspended or probation granted after such conviction. Forfeiture of bail, bond or collateral deposited to secure a defendant's appearance in court, which forfeiture has not been vacated, shall be equivalent to a conviction. "Conviction" includes being convicted of a violation of K.S.A. 21-3765, prior to its repeal, or subsection (a)(5) of K.S.A. 2013 Supp. 21-5801, and amendments thereto.

(c) When the action by the division restricting, suspending, revoking or disqualifying a person's driving privileges is based upon a report of a conviction or convictions from a convicting court, the person may not request a hearing but, within 30 days after notice of restriction, suspension, revocation or disqualification is mailed, may submit a written request for administrative review and provide evidence to the division to show the person whose driving privileges have been restricted, suspended, revoked or disqualified by the division was not convicted of the offense upon which the restriction, suspension, revocation or disqualification is based. Within 30 days of its receipt of the request for administrative review, the division shall notify the person whether the restriction, suspension, revocation or disqualification has been affirmed or

set aside. The request for administrative review shall not stay any action taken by the division.

(d) Upon restricting, suspending, revoking or disqualifying the driving privileges of any person as authorized by this act, the division shall immediately notify the person in writing. Except as provided by K.S.A. 8-1002 and 8-2,145, and amendments thereto, and subsections (c) and (g), if the person makes a written request for hearing within 30 days after such notice of restriction, suspension or revocation is mailed, the division shall afford the person an opportunity for a hearing as early as practical not sooner than five days nor more than 30 days after such request is mailed. If the division has not revoked or suspended the person's driving privileges or vehicle registration prior to the hearing, the hearing may be held within not to exceed 45 days. Except as provided by K.S.A. 8-1002 and 8-2,145, and amendments thereto, the hearing shall be held in the person's county of residence or a county adjacent thereto, unless the division and the person agree that the hearing may be held in some other county. Upon the hearing, the director or the director's duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require an examination or reexamination of the person. When the action proposed or taken by the division is authorized but not required, the division, upon the hearing, shall either rescind or affirm its order of restriction, suspension or revocation or, good cause appearing therefor, extend the restriction or suspension of the person's driving privileges, modify the terms of the restriction or suspension or revoke the person's driving privileges. When the action proposed or taken by the division is required, the division, upon the hearing, shall either affirm its order of restriction, suspension, revocation or disqualification, or, good cause appearing therefor, dismiss the administrative action. If the person fails to request a hearing within the time prescribed or if, after a hearing, the order of restriction, suspension, revocation or disqualification is upheld, the person shall surrender to the division, upon proper demand, any driver's license in the person's possession.

(e) In case of failure on the part of any person to comply with any subpoena issued on behalf of the division or the refusal of any witness to testify to any matters regarding which the witness may be lawfully interrogated, the district court of any county, on application of the division, may compel obedience by proceedings for contempt, as in the case of disobedience of the requirements of a subpoena issued from the court or a refusal to testify in the court. Each witness who appears before the director or the director's duly authorized agent by order or subpoena, other than an officer or employee of the state or of a political subdivision of the state, shall receive for the witness' attendance the fees and mileage provided for witnesses in civil cases in courts of record, which shall be audited and paid upon the presentation of proper vouchers sworn to by the witness.

(f) The division, in the interest of traffic and safety, may establish or contract with a private individual, corporation, partnership or association for the services of driver improvement clinics throughout the state and, upon reviewing the driving record of a person whose driving privileges are subject to suspension under subsection (a)(2), may permit the person to retain such person's driving privileges by attending a driver improvement clinic. Any person other than a person issued a commercial driver's license under K.S.A. 8-2,125 et seq., and amendments thereto, desiring to attend a driver improvement clinic shall make application to the division and such application

shall be accompanied by the required fee. The secretary of revenue shall adopt rules and regulations prescribing a driver's improvement clinic fee which shall not exceed \$500 and such rules and regulations deemed necessary for carrying out the provisions of this section, including the development of standards and criteria to be utilized by such driver improvement clinics. Amounts received under this subsection shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the same in the state treasury as prescribed by subsection (f) of K.S.A. 8-267, and amendments thereto.

(g) When the action by the division restricting a person's driving privileges is based upon certification by the secretary of social and rehabilitation services for children and families pursuant to K.S.A. 2013 Supp. 39-7,155, and amendments thereto, the person may not request a hearing but, within 30 days after notice of restriction is mailed, may submit a written request for administrative review and provide evidence to the division to show the person whose driving privileges have been restricted by the division is not the person certified by the secretary of social and rehabilitation services for children and families, did not receive timely notice of the proposed restriction from the secretary of social and rehabilitation services for children and families or has been decertified by the secretary of social and rehabilitation services for children and families. Within 30 days of its receipt of the request for administrative review, the division shall notify the person whether the restriction has been affirmed or set aside. The request for administrative review shall not stay any action taken by the division.

(h) Any person whose driving privileges have been suspended under subsection (b) (1)(A)(ii) or (b)(1)(A)(iii), shall pay a reinstatement fee in the amount of \$100 to the division. (4) unclassified misdemeanors, which shall include all crimes declared to be misdemeanors without specification as to class, the sentence for which shall be in accordance with the sentence specified in the statute that defines the crime; if no penalty is provided in such law, the sentence shall be the same penalty as provided herein for a class C misdemeanor.

(b) Upon conviction of a misdemeanor, a person may be punished by a fine, as provided in K.S.A. 2013 Supp. 21-6611, and amendments thereto, instead of or in addition to confinement, as provided in this section.

(c) In addition to or in lieu of any other sentence authorized by law, whenever there is evidence that the act constituting the misdemeanor was substantially related to the possession, use or ingestion of cereal malt beverage or alcoholic liquor by such person, the court may order such person to attend and satisfactorily complete an alcohol or drug education or training program certified by the chief judge of the judicial district or licensed by the secretary of social and rehabilitation for aging and disability services.

(d) Except as provided in subsection (e), in addition to or in lieu of any other sentence authorized by law, whenever a person is convicted of having committed, while under 21 years of age, a misdemeanor under K.S.A. 8-1599, 41-719 or 41-727 or K.S.A. 2013 Supp. 21-5701 through 21-5717, and amendments thereto, the court shall order such person to submit to and complete an alcohol and drug evaluation by a community-based alcohol and drug safety action program certified pursuant to K.S.A. 8-1008, and amendments thereto, and to pay a fee not to exceed the fee established by

that statute for such evaluation. If the court finds that the person is indigent, the fee may be waived.

(e) If the person is 18 or more years of age but less than 21 years of age and is convicted of a violation of K.S.A. 41-727, and amendments thereto, involving cereal malt beverage, the provisions of subsection (d) are permissive and not mandatory.

Sec. 24. K.S.A. 2013 Supp. 21-6702 is hereby amended to read as follows: 21-6702. (a) Whenever any person has been found guilty of a crime and the court finds that an adequate presentence investigation cannot be conducted by resources available within the judicial district, including mental health centers and mental health clinics, the court may require that a presentence investigation be conducted by the Topeka correctional facility or by the state security hospital. If the offender is sent to the Topeka correctional facility or the state security hospital for a presentence investigation under this section, the correctional facility or hospital may keep the offender confined for a maximum of 60 days, except that an inmate may be held for a longer period of time on order of the secretary, or until the court calls for the return of the offender. While held at the Topeka correctional facility or the state security hospital the defendant may be treated the same as any person committed to the secretary of corrections or secretary of social and rehabilitation for aging and disability services for purposes of maintaining security and control, discipline, and emergency medical or psychiatric treatment, and general population management except that no such person shall be transferred out of the state or to a federal institution or to any other location unless the transfer is between the correctional facility and the state security hospital. The correctional facility or the state security hospital shall compile a complete mental and physical evaluation of such offender and shall make its findings and recommendations known to the court in the presentence report.

(b) Except as provided in subsection (c), whenever any person has been found guilty of a crime, the court may adjudge any of the following:

(1) Commit the defendant to the custody of the secretary of corrections or, if confinement is for a term less than one year, to jail for the term provided by law;

(2) impose the fine applicable to the offense;

(3) release the defendant on probation subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution. In felony cases, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence and up to 60 days in a county jail upon each revocation of the probation sentence;

(4) suspend the imposition of the sentence subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution. In felony cases, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of suspension of sentence;

(5) assign the defendant to a community correctional services program subject to the provisions of K.S.A. 75-5291, and amendments thereto, and such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(6) assign the defendant to a conservation camp for a period not to exceed six months;

(7) assign the defendant to a house arrest program pursuant to K.S.A. 2013 Supp. 21-6609, and amendments thereto;

(8) order the defendant to attend and satisfactorily complete an alcohol or drug

education or training program as provided by subsection (c) of K.S.A. 2013 Supp. 21-6602, and amendments thereto;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court; or

(10) impose any appropriate combination of subsections (b)(1) through (b)(9).

In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (d) of K.S.A. 2013 Supp. 21-6602, and amendments thereto.

In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

In imposing a fine the court may authorize the payment thereof in installments. In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole or conditional release.

The court in committing a defendant to the custody of the secretary of corrections shall fix a maximum term of confinement within the limits provided by law. In those cases where the law does not fix a maximum term of confinement for the crime for which the defendant was convicted, the court shall fix the maximum term of such confinement. In all cases where the defendant is committed to the custody of the secretary of corrections, the court shall fix the minimum term within the limits provided by law.

(c) Whenever any juvenile felon, as defined in K.S.A. 38-16,112, prior to its repeal, has been found guilty of a class A or B felony, the court shall commit the defendant to the custody of the secretary of corrections and may impose the fine applicable to the offense.

(d) (1) Except when an appeal is taken and determined adversely to the defendant as provided in subsection (d)(2), at any time within 120 days after a sentence is imposed, after probation or assignment to a community correctional services program has been revoked, the court may modify such sentence, revocation of probation or assignment to a community correctional services program by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits and shall

modify such sentence if recommended by the Topeka correctional facility unless the court finds and sets forth with particularity the reasons for finding that the safety of members of the public will be jeopardized or that the welfare of the inmate will not be served by such modification.

(2) If an appeal is taken and determined adversely to the defendant, such sentence may be modified within 120 days after the receipt by the clerk of the district court of the mandate from the supreme court or court of appeals.

(e) The court shall modify the sentence at any time before the expiration thereof when such modification is recommended by the secretary of corrections unless the court finds and sets forth with particularity the reasons for finding that the safety of members of the public will be jeopardized or that the welfare of the inmate will not be served by such modification. The court shall have the power to impose a less severe penalty upon the inmate, including the power to reduce the minimum below the statutory limit on the minimum term prescribed for the crime of which the inmate has been convicted. The recommendation of the secretary of corrections, the hearing on the recommendation and the order of modification shall be made in open court. Notice of the recommendation of modification of sentence and the time and place of the hearing thereon shall be given by the inmate, or by the inmate's legal counsel, at least 21 days prior to the hearing to the county or district attorney of the county where the inmate was convicted. After receipt of such notice and at least 14 days prior to the hearing, the county or district attorney shall give notice of the recommendation of modification of sentence and the time and place of the hearing thereon to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's next of kin if the next of kin's address is known to the county or district attorney. Proof of service of each notice required to be given by this subsection shall be filed with the court.

(f) After such defendant has been assigned to a conservation camp but prior to the end of 180 days, the chief administrator of such camp shall file a performance report and recommendations with the court. The court shall enter an order based on such report and recommendations modifying the sentence, if appropriate, by sentencing the defendant to any of the authorized dispositions provided in subsection (b), except to reassign such person to a conservation camp as provided in subsection (b)(6).

(g) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty as a result of conviction of crime.

(h) An application for or acceptance of probation, suspended sentence or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(i) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(j) The provisions of this section shall apply to crimes committed before July 1, 1993.

Sec. 25. K.S.A. 2013 Supp. 21-6708 is hereby amended to read as follows: 21-6708. The presumptive sentence for a person who has never before been convicted of

a felony, but has now been convicted of a class D or E felony or convicted of an attempt to commit a class D felony shall be probation, unless the conviction is of a crime or of an attempt to commit a crime specified in article 34, 35 or 36 of chapter 21 of Kansas Statutes Annotated, prior to their repeal, or in the uniform controlled substances act or the person convicted is a juvenile offender in the custody of the department of social and rehabilitation services Kansas department for children and families. In determining whether to impose the presumptive sentence, the court shall consider any prior record of the person's having been convicted or having been adjudicated to have committed, while a juvenile, an offense which would constitute a felony if committed by an adult. If the presumptive sentence provided by this section is not imposed, the provisions of section 278, and amendments thereto, shall apply. The provisions of this section shall not apply to crimes committed on or after July 1, 1993.

(b) When a petition for expungement is filed, the court shall set a date for hearing on such petition and shall cause notice of such hearing to be given to the prosecuting attorney and the arresting law enforcement agency. When a petition for expungement is filed, the official court file shall be separated from the other records of the court, and shall be disclosed only to a judge of the court and members of the staff of the court designated by a judge of the district court, the prosecuting attorney, the arresting law enforcement agency, or any other person when authorized by a court order, subject to any conditions imposed by the order. Except as otherwise provided by law, a petition for expungement shall be accompanied by a docket fee in the amount of \$176. Any person who may have relevant information about the petitioner may testify at the hearing. The court may inquire into the background of the petitioner.

- (c) At the hearing on a petition for expungement, the court shall order the arrest

record and subsequent court proceedings, if any, expunged upon finding: (1) The arrest occurred because of mistaken identity;

(2) a court has found that there was no probable cause for the arrest;

(3) the petitioner was found not guilty in court proceedings; or

(4) the expungement would be in the best interests of justice and: (A) Charges have been dismissed; or (B) no charges have been or are likely to be filed.

(d) When the court has ordered expungement of an arrest record and subsequent court proceedings, if any, the order shall state the information required to be stated in the petition and shall state the grounds for expungement under subsection (c). (7) to aid in determining the petitioner's qualifications to be an employee of a tribal gaming commission or to hold a license issued pursuant to a tribal-state gaming compact; or

(8) in any other circumstances which the court deems appropriate.

(f) The court shall make all expunged records and related information in such court's possession, created prior to, on and after July 1, 2011, available to the Kansas bureau of investigation for the purposes of:

The acknowledgment of paternity forms shall include or have attached a written description pursuant to subsection (b) of the rights and responsibilities of acknowledging paternity.

(b) A written description of the rights and responsibilities of acknowledging paternity shall state the following:

(1) An acknowledgment of paternity creates a permanent father and child relationship which can only be ended by court order. A person who wants to revoke the acknowledgment of paternity must file the request with the court before the child is one year old, unless the person was under age 18 when the acknowledgment of paternity was signed. A person under age 18 when the acknowledgment was signed has until one year after his or her 18th birthday to file a request, but if the child is more than one year old then, the judge will first consider the child's best interests.

The person will have to show that the acknowledgment was based on fraud, duress (threat) or an important mistake of fact, unless the request is filed within 60 days of signing the acknowledgment or before any court hearing about the child, whichever is earlier;

(2) both the father and the mother are responsible for the care and support of the child. If necessary, this duty may be enforced through legal action such as a child support order, an order to pay birth or other medical expenses of the child or an order to repay government assistance payments for the child's care. A parent's willful failure to support the parent's child is a crime;

(3) both the father and the mother have rights of custody and parenting time with the child unless a court order changes their rights. Custody, residency and parenting time may be spelled out in a court order and enforced;

(4) both the father and the mother have the right to consent to medical treatment for the child unless a court order changes those rights;

(5) the child may inherit from the father and the father's family or from the mother and the mother's family. The child may receive public benefits, including, but not limited to, social security or private benefits, including, but not limited to, insurance or

workers compensation because of the father-child or mother-child relationship;

(6) the father or the mother may be entitled to claim the child as a dependent for tax or other purposes. The father or the mother may inherit from the child or the child's descendants; and

(7) each parent has the right to sign or not sign an acknowledgment of paternity. Each parent has the right to talk with an attorney before signing an acknowledgment of paternity. Each parent has the right to be represented by an attorney in any legal action involving paternity or their rights or duties as a parent. Usually each person is responsible for hiring the person's own attorney.

(c) Any duty to disclose rights or responsibilities related to signing an acknowledgment of paternity shall have been met by furnishing the written disclosures of subsection (b). Any duty to disclose orally the rights or responsibilities related to signing an acknowledgment of paternity may be met by means of an audio recording of the disclosures of subsection (b).

(d) An acknowledgment of paternity completed without the written disclosures of subsection (b) is not invalid solely for that reason and may create a presumption of paternity pursuant to K.S.A. 2013 Supp. 23-2208, and amendments thereto. Nothing in K.S.A. 2013 Supp. 23-2202 through 23-2204, and amendments thereto, shall decrease the validity, force or effect of an acknowledgment of paternity executed in this state prior to the effective date of this act.

(e) Upon request, the state registrar of vital statistics shall provide a certified copy of the acknowledgment of paternity to an office providing IV-D program services.

Sec. 34. K.S.A. 2013 Supp. 23-2209 is hereby amended to read as follows: 23-2209. (a) A child or any person on behalf of such a child, may bring an action:

(1) At any time to determine the existence of a father and child relationship presumed under K.S.A. 2013 Supp. 23-2208, and amendments thereto; or

(2) at any time until three years after the child reaches the age of majority to determine the existence of a father and child relationship which is not presumed under K.S.A. 2013 Supp. 23-2208, and amendments thereto.

(b) When authorized under K.S.A. 39-755 or 39-756, and amendments thereto, the secretary of social and rehabilitation services for children and families may bring an action at any time during a child's minority to determine the existence of the father and child relationship.

(c) This section does not extend the time within which a right of inheritance or a right to a succession may be asserted beyond the time provided by law relating to the probate of estates or determination of heirship.

(d) Any agreement between an alleged or presumed father and the mother or child does not bar an action under this section.

(e) Except as otherwise provided in this subsection, if an acknowledgment of paternity pursuant to K.S.A. 2013 Supp. 23-2204, and amendments thereto, has been completed the man named as the father, the mother or the child may bring an action to revoke the acknowledgment of paternity at any time until one year after the child's date of birth. The legal responsibilities, including any child support obligation, of any signatory arising from the acknowledgment of paternity shall not be suspended during the action, except for good cause shown. If the person bringing the action was a minor at the time the acknowledgment of paternity was completed, the action to revoke the acknowledgment of paternity may be brought at any time until one year after that

person attains age 18, unless the court finds that the child is more than one year of age and that revocation of the acknowledgment of paternity is not in the child's best interest.

The person requesting revocation must show, and shall have the burden of proving, that the acknowledgment of paternity was based upon fraud, duress or material mistake of fact unless the action to revoke the acknowledgment of paternity is filed before the earlier of 60 days after completion of the acknowledgment of paternity or the date of a proceeding relating to the child in which the signatory is a party, including, but not limited to, a proceeding to establish a support order.

If a court of this state has assumed jurisdiction over the matter of the child's paternity or the duty of a man to support the child, that court shall have exclusive jurisdiction to determine whether an acknowledgment of paternity may be revoked under this subsection.

If an acknowledgment of paternity has been revoked under this subsection, it shall not give rise to a presumption of paternity pursuant to K.S.A. 2013 Supp. 23-2208, and amendments thereto. Nothing in this subsection shall prevent a court from admitting a revoked acknowledgment of paternity into evidence for any other purpose.

If there has been an assignment of the child's support rights pursuant to K.S.A. 39-709, and amendments thereto, the secretary of social and rehabilitation services for children and families shall be a necessary party to any action under this subsection.

Sec. 35. K.S.A. 2013 Supp. 23-2212 is hereby amended to read as follows: 23-2212. (a) Whenever the paternity of a child is in issue in any action or judicial proceeding in which the child, mother and alleged father are parties, the court, upon its own motion or upon motion of any party to the action or proceeding, shall order the mother, child and alleged father to submit to genetic tests. If an action is filed by the secretary of social and rehabilitation services for children and families under K.S.A. 39-755 or 39-756, and amendments thereto, the court shall order genetic tests on the motion of the secretary of social and rehabilitation services for children and families or any party to the action if paternity of the child is in issue. If any party refuses to submit to the tests, the court may resolve the question of paternity against the party or enforce its order if the rights of others and the interests of justice so require. The tests shall be made by experts qualified as genetic examiners who shall be appointed by the court.

(b) Parties to an action may agree to conduct genetic tests prior to or during the pendency of an action for support of a child. The verified written report of the experts shall be admitted into evidence as provided in subsection (c) unless the court finds that paternity of the child is not in issue.

(c) The verified written report of the experts shall be considered to be stipulated to by all parties unless written notice of intent to challenge the validity of the report is given to all parties not more than 20 days after receipt of a copy of the report but in no event less than 10 days before any hearing at which the genetic test results may be introduced into evidence. If such notice is given, the experts shall be called by the court as witnesses to testify as to their findings and shall be subject to cross-examination by the parties. Any party may demand that other experts, qualified as genetic examiners, perform independent tests under order of the court, the results of which may be offered in evidence. The number and qualification of the other experts shall be determined by the court. If no challenge is made, the genetic test results shall be admissible as evidence of paternity without the need for foundation testimony or other proof of authenticity or accuracy.

Sec. 36. K.S.A. 2013 Supp. 23-2213 is hereby amended to read as follows: 23-2213.

(a) Evidence relating to paternity may include any of the following:

(1) Evidence of sexual intercourse between the mother and alleged father at any possible time of conception.

(2) An expert's opinion concerning the statistical probability of the alleged father's paternity based upon the duration of the mother's pregnancy.

(3) Genetic test results of the statistical probability of the alleged father's paternity.

(4) Medical or anthropological evidence relating to the alleged father's paternity of the child based on tests performed by experts. The court may, and upon request of a party shall, require the child, the mother and the alleged father to submit to appropriate tests.

(5) Testimony, records and notes of a physician concerning the medical circumstances of the pregnancy and the condition and characteristics of the child upon birth. Such testimony, records and notes are not privileged.

(6) Any other evidence relevant to the issue of paternity of the child, including but not limited to voluntary acknowledgment of paternity made in accordance with K.S.A. 2013 Supp. 23-2204, and amendments thereto.

(b) Testimony relating to sexual access to the mother by a man at a time other than the probable time of the conception of the child is inadmissible in evidence.

(c) For any child whose weight at birth is equal to or greater than five pounds 12 ounces, or 2,608.2 grams, it shall be presumed that the child was conceived between 300 and 230 days prior to the date of the child's birth. A presumption under this section may be rebutted by clear and convincing evidence.

(d) Evidence consisting of the results of any genetic test that is of a type generally acknowledged as reliable by accreditation bodies designated by the secretary of social and rehabilitation services for children and families shall not be inadmissible solely on the basis of being performed by a laboratory approved by such an accreditation body.

(e) Evidence of expenses incurred for pregnancy, childbirth and genetic tests may be admitted as evidence without requiring third-party foundation testimony and shall constitute prima facie evidence of amounts incurred for such goods and services.

Sec. 37. K.S.A. 2013 Supp. 23-2219 is hereby amended to read as follows: 23-

2219. (a) If the petitioner is not represented by counsel, the petitioner in an action to determine paternity may apply for services from: (1) The court trustee of the judicial district in which the action is brought, if the office of court trustee has been established in the county; or (2) the department of social and rehabilitation services Kansas department for children and families or its contractor, if the action is brought pursuant to part D of title IV of the federal social security act (42 U.S.C. § 651 et seq.), as amended. At the request of a petitioner in an action to determine paternity, the county or district attorney of the county in which the action is brought shall proceed on the petitioner's behalf if the petitioner is not represented by counsel, the action is not brought pursuant to part D of title IV of the federal social security act (42 U.S.C. § 651 et seq.), as amended, and there is no court trustee in the county.

(b) The court shall appoint a guardian ad litem to represent the minor child if the court finds that the interests of the child and the interests of the petitioner differ. In any other case, the court may appoint such a guardian ad litem.

(c) The court shall appoint counsel for any other party to the action who is financially unable to obtain counsel.

(d) If a party is financially unable to pay the costs of a transcript, the court shall furnish on request a transcript for purposes of appeal.

Sec. 41. K.S.A. 2013 Supp. 23-3114 is hereby amended to read as follows: 23-3114. (a) Whether or not a medical child support order has previously been entered, the court shall address the medical needs of the child, and if necessary, enter a medical child support order. Subject to any requirements in child support guidelines adopted by the supreme court pursuant to K.S.A. 20-165, and amendments thereto, the medical child support order may require either parent or both parents to furnish coverage under any health benefit plan as provided in this section, allocate between the parents responsibility for deductibles and copayments, allocate between the parents responsibility for medical costs not covered by any health benefit plan, include costs of coverage under a health benefit plan in the calculation of a current child support order, require cash medical support as an adjustment to a current support order, and make any other provision that justice may require. Before requiring either parent to provide coverage under any health benefit plan, the court shall consider whether the benefits of

the plan are accessible to the child and the cost of coverage, including deductibles and copayments, in relation to the overall financial circumstances. In no event shall the court consider as a factor the availability of medical assistance to any person. Nothing in this section shall prevent the court from prospectively ordering a parent to provide coverage under any health benefit plan which may become available to the parent.

(b) Except for good cause shown, if more than one health benefit plan is available for and accessible to a child, the court shall give preference to the plan: (1) Designated by court order or agreement of the parties, or, if none, then (2) in which the child already has benefits, or, if none, then (3) with terms closest to those designated by court order or agreement of the parties, or, if none, then (4) in which the parent or members of the parent's household have benefits, or, if none, then (5) in which the child will receive the greatest benefits.

(c) When a medical child support order has been entered, the obligor shall be deemed to have granted by operation of law a limited power of attorney to submit claims to a health benefit plan on the child's behalf and to endorse and negotiate any check or other negotiable instrument issued in full or partial payment of the child's claim. Except as otherwise provided in this subsection, the limited power of attorney shall be held by the obligee. If the child is receiving medical assistance from the secretary of social and rehabilitation for aging and disability services or the department of health and environment, the secretary of social and rehabilitation services for children and families shall be deemed the sole holder of the limited power of attorney with respect to payments subject to the secretary's claim for reimbursement. Upon termination of medical assistance in this state for the child, the secretary of social and rehabilitation services for children and families shall retain the limited power of attorney with respect to medical assistance already provided until the claim of the secretary for reimbursement is satisfied. If the child is receiving medical assistance under Title XIX of the federal social security act in another state or jurisdiction, the agency or official responsible for administering the Title XIX program in that state or jurisdiction shall be deemed the sole holder of the limited power of attorney with respect to payments subject to the claim of that agency or official for reimbursement. Upon termination of medical assistance in that state or jurisdiction for the child the agency or official administering the Title XIX program shall retain the limited power of attorney with respect to medical assistance already provided until the claim of that agency or official for reimbursement is satisfied.

(d) In any case in which a participating parent is required by a court or administrative order to provide health coverage for a child, the participating parent is eligible for family health coverage, and the child is otherwise eligible for family health coverage, without regard to any enrollment season restrictions the employer, sponsor or other administrator of a health benefit plan: (1) Shall permit the participating parent to enroll the child for coverage; or (2) if the participating parent is enrolled but has not applied for coverage for the child, shall permit the holder of a limited power of attorney pursuant to subsection (c) to enroll the child. A child enrolled under this subsection shall be treated, with regard to any preexisting condition, as though enrollment occurred during the normal open enrollment period.

(e) When a child has been enrolled for coverage pursuant to subsection (d), the employer, sponsor or other administrator of a health benefit plan shall not disenroll or eliminate coverage of the child unless the employer, sponsor or administrator is

provided: (1) Satisfactory written evidence that the court or administrative order requiring the parent to provide health coverage is no longer in effect for the child and either the participating parent has requested a change or discontinuance of the child's coverage, or the child is otherwise ineligible for continued coverage; or (2) satisfactory written evidence, signed by all holders of a limited power of attorney pursuant to subsection (c), that the child is or will be enrolled in comparable health coverage through another insurer or health benefit plan which will take effect no later than the effective date of the disenrollment. An employer may also disenroll or eliminate coverage for the child if the employer has eliminated family health coverage for all of its employees.

(f) The provisions of this section and the income withholding act and amendments thereto shall apply to all orders for support, including all medical child support orders, entered in this state regardless of the date the order was entered.

Sec. 42. K.S.A. 2013 Supp. 23-3121 is hereby amended to read as follows: 23-3121. (b) The secretary of social and rehabilitation services for children and families shall develop procedures for making information concerning support arrearages owed or assigned to the secretary or owed to any person who has applied for services pursuant to K.S.A. 39-756, and amendments thereto, available to consumer reporting agencies upon their request. The procedures shall provide for the information to be made available to such agencies in any case in which the support arrearage is \$1,000 or more unless the secretary determines that providing the information is not appropriate in a particular case. The procedures may additionally provide for the information to be available to such agencies if the amount of the support arrearage is less than \$1,000.

(c) The secretary may charge a consumer reporting agency requesting support arrearage information a fee not to exceed the actual cost to the secretary in providing such information.

(d) Prior to providing any information concerning an obligor's arrearage to a consumer reporting agency, the secretary shall provide advance notice to the obligor who owes support by first-class mail to the obligor's last known address, concerning the proposed release of information to a consumer reporting agency and of the methods available for contesting the accuracy of the information as provided for in K.S.A. 50-710, and amendments thereto.

Sec. 43. K.S.A. 2013 Supp. 23-3210 is hereby amended to read as follows: 23-3210. (a) *Investigation and report.* In any proceeding in which legal custody, residency, visitation rights or parenting time are contested, the court may order an investigation and report concerning the appropriate legal custody, residency, visitation rights and parenting time to be granted to the parties. The investigation and report may be made by court services officers or any consenting person or agency employed by the court for that purpose. The court may use the department of social and rehabilitation services Kansas department for children and families to make the investigation and report if no other source is available for that purpose. The costs for making the investigation and

report may be assessed as court costs in the case as provided in article 20 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto.

(b) *Consultation.* In preparing the report concerning a child, the investigator may consult any person who may have information about the child and the potential legal custodial arrangements. Upon order of the court, the investigator may refer the child to other professionals for diagnosis. The investigator may consult with and obtain information from medical, psychiatric or other expert persons who have served the child in the past. If the requirements of subsection (c) are fulfilled, the investigator's report may be received in evidence at the hearing.

(c) *Use of report and investigator's testimony.* The court shall make the investigator's report available prior to the hearing to counsel or to any party not represented by counsel. Upon motion of either party, the report may be made available to a party represented by counsel, unless the court finds that such distribution would be harmful to either party, the child or other witnesses. Any party to the proceeding may call the investigator and any person whom the investigator has consulted for cross-examination. In consideration of the mental health or best interests of the child, the court may approve a stipulation that the interview records not be divulged to the parties.

(a) In order to properly advise the three branches of government on the operation of the juvenile justice system, there is hereby established within and as a part of the central repository, a juvenile offender information system. The system shall serve as a repository of juvenile offender information which is collected by juvenile justice agencies and reported to the system.

(b) Except as otherwise provided by this subsection, every juvenile justice agency shall report juvenile offender information, whether collected manually or by means of an automated system, to the central repository, in accordance with rules and regulations adopted pursuant to this section. A juvenile justice agency shall report to the central repository those reportable events involving a violation of a county resolution or city ordinance only when required by rules and regulations adopted by the director.

(c) Reporting methods may include:

(1) Submission of juvenile offender information by a juvenile justice agency directly to the central repository;

(2) if the information can readily be collected and reported through the court system, submission to the central repository by the office of judicial administrator; or

(3) if the information can readily be collected and reported through juvenile justice agencies that are part of a geographically based information system, submission to the central repository by the agencies.

(d) The director may determine, by rules and regulations, the statutorily required reportable events to be reported by each juvenile justice agency, in order to avoid duplication in reporting.

(e) Juvenile offender information maintained in the juvenile offender information system is confidential and shall not be disseminated or publicly disclosed in a manner which enables identification of any individual who is a subject of the information, except that the information shall be open to inspection by law enforcement agencies of this state, by the department of social and rehabilitation services Kansas department for children and families if related to an individual in the secretary's custody or control, by the juvenile justice authority if related to an individual in the commissioner's custody or control, by the department of corrections if related to an individual in the custody and

control of the secretary of corrections, by educational institutions to the extent necessary to provide the safest possible environment for pupils and employees, by any educator to the extent necessary for the protection of the educator and pupils, by the officers of any public institution to which the individual is committed, by county and district attorneys, by attorneys for the parties to a proceeding under this code, by an intake and assessment worker or upon order of a judge of the district court or an appellate court. Such information shall reflect the offense level and whether such offense is a person or nonperson offense.

(f) Any journal entry of a trial of adjudication shall state the number of the statute under which the juvenile is adjudicated to be a juvenile offender and specify whether each offense, if done by an adult, would constitute a felony or misdemeanor, as defined in K.S.A. 2013 Supp. 21-5102, and amendments thereto.

(g) Any law enforcement agency that willfully fails to make any report required by this section shall be liable to the state for the payment of a civil penalty, recoverable in an action brought by the attorney general, in an amount not exceeding \$500 for each report not made. Any civil penalty recovered under this subsection shall be paid into the state general fund.

(h) The director shall adopt any rules and regulations necessary to implement, administer and enforce the provisions of this section.

(i) The director shall develop incentives to encourage the timely entry of juvenile offender information into the central repository.

Sec. 71. K.S.A. 2013 Supp. 38-2335 is hereby amended to read as follows: 38-

2335. (a) The court shall not issue the first warrant or enter an order removing a juvenile from the custody of a parent pursuant to this section unless the court first finds probable cause that: (1) (A) The juvenile is likely to sustain harm if not immediately removed from the home;

(B) allowing the juvenile to remain in home is contrary to the welfare of the juvenile; or

(C) immediate placement of the juvenile is in the juvenile's best interest; and

(2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the juvenile from the juvenile's home or that an emergency exists which threatens the safety of the juvenile. The court shall enter its determination in the warrant or order.

(3) If the juvenile is in the custody of the commissioner, the commissioner shall prepare a report for the court documenting such reasonable efforts.

(4) If the juvenile is in the custody of the secretary of social and rehabilitation services for children and families under the Kansas code for the care of children, the secretary shall prepare a report for the court documenting such reasonable efforts.

(5) In all other cases, the person preparing the predisposition report shall include documentation of such reasonable efforts in the report.

(b) If the court determines that reasonable efforts to maintain the family unit and prevent unnecessary removal of a juvenile were not made, the court shall determine whether such reasonable efforts were unnecessary because:

(1) A court of competent jurisdiction has determined that the parent has subjected the juvenile to aggravated circumstances;

(2) a court of competent jurisdiction has determined that the parent has been convicted of a murder of another child of the parent; voluntary manslaughter of another

child of the parent; aiding or abetting, attempting, conspiring or soliciting to commit such a murder or such a voluntary manslaughter; or a felony assault that results in serious bodily injury to the juvenile or another child of the parent;

(3) the parental rights of the parent with respect to a sibling have been terminated involuntarily; or

(4) an emergency exists requiring protection of the juvenile and efforts to maintain the family unit and prevent unnecessary removal of the juvenile from the home were not possible.

(c) Nothing in this section shall be construed to prohibit the court from issuing a warrant or entering an order authorizing or requiring removal of the juvenile from the home if the juvenile presents a risk to public safety.

(d) When the juvenile has been in foster care and has been placed at home or allowed a trial home visit for a period of six months or more and is again removed from the home, the court shall again make a determination pursuant to subsections (a) and (b).

Sec. 72. K.S.A. 2013 Supp. 38-2350 is hereby amended to read as follows: 38-2350. (a) If, after proceedings as required by K.S.A. 2013 Supp. 38-2349, and amendments thereto, it is determined that a juvenile who has been found incompetent is not a mentally ill person subject to involuntary commitment for care and treatment as defined in subsection (f) of K.S.A. 59-2946, and amendments thereto, the juvenile shall remain in the institution where committed pursuant to K.S.A. 2013 Supp. 38-2348, and amendments thereto. The secretary of social and rehabilitation services for children and families shall promptly notify the court in which the proceedings are pending and the commissioner of the result of the proceedings. The court shall then proceed pursuant to subsection (c).

(b) If a juvenile has been found to be a mentally ill person and committed to a state psychiatric hospital for evaluation and treatment pursuant to K.S.A. 2013 Supp. 38-2349, and amendments thereto, but thereafter is to be discharged because such juvenile is not a mentally ill person subject to involuntary commitment for care and treatment as defined in subsection (f) of K.S.A. 59-2946, and amendments thereto, the treatment facility shall promptly notify the court in which the proceedings are pending that the juvenile is to be discharged. The court shall then proceed pursuant to subsection (c).

(c) Unless the court finds pursuant to subsection (c) of K.S.A. 2013 Supp. 38-2348, and amendments thereto, that the proceedings shall be resumed, within seven days after receiving notice pursuant to subsection (a) or (b), the court shall order the juvenile to be discharged from commitment and shall dismiss the charges without prejudice. The period of limitation for the prosecution for the crime charged shall not continue to run until the juvenile has been determined to have attained competency pursuant to subsection (e) of K.S.A. 2013 Supp. 38-2348, and amendments thereto.

Sec. 73. K.S.A. 2013 Supp. 38-2356 is hereby amended to read as follows: 38-2356. (a) If the court finds that the evidence fails to prove an offense charged or a lesser included offense as defined in subsection (b) of K.S.A. 2013 Supp. 21-5109, and amendments thereto, the court shall enter an order dismissing the charge.

(b) If the court finds that the juvenile committed the offense charged or a lesser included offense as defined in subsection (b) of K.S.A. 2013 Supp. 21-5109, and amendments thereto, the court shall adjudicate the juvenile to be a juvenile offender and may issue a sentence as authorized by this code.

(c) If the court finds that the juvenile committed the acts constituting the offense charged or a lesser included offense as defined in subsection (b) of K.S.A. 2013 Supp. 21-5109, and amendments thereto, but is not responsible because of mental disease or defect, the juvenile shall not be adjudicated as a juvenile offender and shall be committed to the custody of the secretary of social and rehabilitation for aging and disability services and placed in a state hospital. The juvenile's continued commitment shall be subject to annual review in the manner provided by K.S.A. 22-3428a, and amendments thereto, for review of commitment of a defendant suffering from mental disease or defect, and the juvenile may be discharged or conditionally released pursuant to that section. The juvenile also may be discharged or conditionally released in the same manner and subject to the same procedures as provided by K.S.A. 22-3428, and amendments thereto, for discharge of or granting conditional release to a defendant found suffering from mental disease or defect. If the juvenile violates any conditions of an order of conditional release, the juvenile shall be subject to contempt proceedings and returned to custody as provided by K.S.A. 22-3428b, and amendments thereto.

(d) A copy of the court's order shall be sent to the school district in which the juvenile offender is enrolled or will be enrolled.

Sec. 74. K.S.A. 2013 Supp. 38-2361 is hereby amended to read as follows: 38-2361. (a) Upon adjudication as a juvenile offender pursuant to K.S.A. 2013 Supp. 38-2356, and amendments thereto, modification of sentence pursuant to K.S.A. 2013 Supp. 38-2367, and amendments thereto, or violation of a condition of sentence pursuant to K.S.A. 2013 Supp. 38-2368, and amendments thereto, and subject to subsection (a) of K.S.A. 2013 Supp. 38-2365, and amendments thereto, the court may impose one or more of the following sentencing alternatives. In the event that any sentencing alternative chosen constitutes an order authorizing or requiring removal of the juvenile from the juvenile's home and such findings either have not previously been made or the findings are not or may no longer be current, the court shall make determinations as required by K.S.A. 2013 Supp. 38-2334 and 38-2335, and amendments thereto.

(1) Place the juvenile on probation through court services or community corrections for a fixed period, subject to terms and conditions the court deems appropriate consistent with juvenile justice programs in the community.

(2) Order the juvenile to participate in a community based program available in such judicial district subject to the terms and conditions the court deems appropriate. This alternative shall not be ordered with the alternative in paragraph (12) and when ordered with the alternative in paragraph (10) shall constitute a recommendation. Requirements pertaining to child support may apply if custody is vested with other than a parent.

(3) Place the juvenile in the custody of a parent or other suitable person, subject to terms and conditions consistent with juvenile justice programs in the community. This alternative shall not be ordered with the alternative in paragraph (10) or (12). Requirements pertaining to child support may apply if custody is vested with other than a parent.

(4) Order the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug evaluation pursuant to subsection (b).

(5) Suspend or restrict the juvenile's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (c).

(6) Order the juvenile to perform charitable or community service work.

(7) Order the juvenile to make appropriate reparation or restitution pursuant to subsection (d).

(8) Order the juvenile to pay a fine not exceeding \$1,000 pursuant to subsection (e).

(9) Place the juvenile under a house arrest program administered by the court pursuant to K.S.A. 2013 Supp. 21-6609, and amendments thereto.

(10) Place the juvenile in the custody of the commissioner as provided in K.S.A. 2013 Supp. 38-2365, and amendments thereto. This alternative shall not be ordered with the alternative in paragraph (3) or (12). Except for a mandatory drug and alcohol evaluation, when this alternative is ordered with alternatives in paragraphs (2), (4) and (9), such orders shall constitute a recommendation by the court. Requirements pertaining to child support shall apply under this alternative.

(11) Commit the juvenile to a sanctions house for a period no longer than 28 days subject to the provisions of subsection (f).

(12) Commit the juvenile directly to the custody of the commissioner for a period of confinement in a juvenile correctional facility and a period of aftercare pursuant to K.S.A. 2013 Supp. 38-2369, and amendments thereto. The provisions of K.S.A. 2013 Supp. 38-2365, and amendments thereto, shall not apply to juveniles committed pursuant to this provision, provided however, that 21 days prior to the juvenile's release from a juvenile correctional facility, the commissioner or designee shall notify the court of the juvenile's anticipated release date. The court shall set and hold a permanency hearing pursuant to K.S.A. 2013 Supp. 38-2365, and amendments thereto, within seven days after the juvenile's release. This alternative may be ordered with the alternative in paragraph (7). Requirements pertaining to child support shall apply under this alternative.

(b) If the court orders the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug and alcohol evaluation pursuant to subsection (a) (4), the following provisions apply:

(1) The court may order the juvenile offender to participate in counseling or mediation sessions or a program of education, including placement in an alternative educational program approved by a local school board. The costs of any counseling or mediation may be assessed as expenses in the case. No mental health center shall charge a fee for court-ordered counseling greater than what the center would have charged the person receiving the counseling if the person had requested counseling on the person's own initiative. No mediator shall charge a fee for court-ordered mediation greater than what the mediator would have charged the person participating in the mediation if the person had requested mediation on the person's own initiative. Mediation may include the victim but shall not be mandatory for the victim; and

(2) if the juvenile has been adjudicated to be a juvenile by reason of a violation of a statute that makes such a requirement, the court shall order and, if adjudicated for any other offense, the court may order the juvenile to submit to and complete a drug and alcohol evaluation by a community-based drug and alcohol safety action program certified pursuant to K.S.A. 8-1008, and amendments thereto, and to pay a fee not to exceed the fee established by that statute for such evaluation. The court may waive the mandatory evaluation if the court finds that the juvenile completed a drug and alcohol evaluation, approved by the community-based alcohol and drug safety action program, within 12 months before sentencing. If the evaluation occurred more than 12 months before sentencing, the court shall order the juvenile to resubmit to and complete the

evaluation and program as provided herein. If the court finds that the juvenile and those legally liable for the juvenile's support are indigent, the court may waive the fee. In no event shall the fee be assessed against the commissioner or the juvenile justice authority nor shall the fee be assessed against the secretary of the department for children and families or the Kansas department for children and families if the juvenile is in the secretary's care, custody and control.

(c) If the court orders suspension or restriction of a juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (a)(5), the following provisions apply:

(1) The duration of the suspension ordered by the court shall be for a definite time period to be determined by the court. Upon suspension of a license pursuant to this subsection, the court shall require the juvenile offender to surrender the license to the court. The court shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the juvenile offender may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the juvenile offender's privilege to operate a motor vehicle is in effect. As used in this subsection, "highway" and "street" have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto. Any juvenile offender who does not have a driver's license may have driving privileges revoked. No Kansas driver's license shall be issued to a juvenile offender whose driving privileges have been revoked pursuant to this section for a definite time period to be determined by the court; and

(2) in lieu of suspending a juvenile offender's driver's license or privilege to operate a motor vehicle on the highways of this state, the court may enter an order which places conditions on the juvenile offender's privilege of operating a motor vehicle on the streets and highways of this state, a certified copy of which the juvenile offender shall be required to carry any time the juvenile offender is operating a motor vehicle on the streets and highways of this state. The order shall prescribe a definite time period for the conditions imposed. Upon entering an order restricting a juvenile offender's license, the court shall require the juvenile offender to surrender such juvenile offender's license to the court. The court shall transmit the license to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on the juvenile offender's privilege of operating a motor vehicle and that a certified copy of the order imposing the conditions is required to be carried by the juvenile offender when operating a motor vehicle on the streets and highways of this state. If the juvenile offender is a nonresident, the court shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of the juvenile offender's state of issuance. The court shall furnish to any juvenile offender whose driver's license has had conditions imposed on it under this section a copy of the order, which shall be recognized as a valid Kansas driver's license until the division issues the restricted license provided for in this subsection. Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the juvenile offender may apply to the division for the return of the license previously surrendered by the juvenile offender. In the event the license has expired, the

juvenile offender may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law unless such juvenile offender's privilege to operate a motor vehicle on the streets and highways of this state has been suspended or revoked prior thereto. If any juvenile offender violates any of the conditions imposed under this subsection, the juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be revoked for a period as determined by the court in which the juvenile offender is convicted of violating such conditions.

(d) The following provisions apply to the court's determination of whether to order reparation or restitution pursuant to subsection (a)(7):

(1) The court shall order the juvenile to make reparation or restitution to the aggrieved party for the damage or loss caused by the juvenile offender's offense unless it finds compelling circumstances that would render a plan of reparation or restitution unworkable. If the court finds compelling circumstances that would render a plan of reparation or restitution unworkable, the court shall enter such findings with particularity on the record. In lieu of reparation or restitution, the court may order the juvenile to perform charitable or social service for organizations performing services for the community; and

(2) restitution may include, but shall not be limited to, the amount of damage or loss caused by the juvenile's offense. Restitution may be made by payment of an amount fixed by the court or by working for the parties sustaining loss in the manner ordered by the court. An order of monetary restitution shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile offender.

(e) If the court imposes a fine pursuant to subsection (a)(8), the following provisions apply:

(1) The amount of the fine may not exceed \$1,000 for each offense. The amount of the fine should be related to the seriousness of the offense and the juvenile's ability to pay. Payment of a fine may be required in a lump sum or installments;

(2) in determining whether to impose a fine and the amount to be imposed, the court shall consider that imposition of a fine is most appropriate in cases where the juvenile has derived pecuniary gain from the offense and that imposition of a restitution order is preferable to imposition of a fine; and

(3) any fine imposed by court shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile.

(f) If the court commits the juvenile to a sanctions house pursuant to subsection (a)(11), the following provisions shall apply:

(1) The court may order commitment for up to 28 days for the same offense or violation of sentencing condition. The court shall review the commitment every seven days and, may shorten the initial commitment or, if the initial term is less than 28 days, may extend the commitment;

(2) if, in the sentencing order, the court orders a sanctions house placement for a verifiable probation violation and such probation violation occurs, the juvenile may

immediately be taken to a sanctions house and detained for no more than 48 hours, excluding Saturdays, Sundays, holidays, and days on which the office of the clerk of the court is not accessible, prior to court review of the placement. The court and all parties shall be notified of the sanctions house placement; and

(3) a juvenile over 18 years of age and less than 23 years of age at sentencing shall be committed to a county jail, in lieu of a sanctions house, under the same time restrictions imposed by paragraph (1), but shall not be committed to or confined in a juvenile detention facility.

(g) Any order issued by the judge pursuant to this section shall be in effect immediately upon entry into the court's minutes.

(h) In addition to the requirements of K.S.A. 2013 Supp. 38-2373, and amendments thereto, if a person is under 18 years of age and convicted of a felony or adjudicated as a juvenile offender for an offense if committed by an adult would constitute the commission of a felony, the court shall forward a signed copy of the journal entry to the commissioner within 30 days of final disposition.

(i) Except as further provided, if a juvenile has been adjudged to be a juvenile offender for an offense that if committed by an adult would constitute the commission of: (1) Aggravated human trafficking, as defined in subsection (b) of K.S.A. 2013 Supp. 21-5426, and amendments thereto, if the victim is less than 14 years of age; (2) rape, as defined in subsection (a)(3) of K.S.A. 2013 Supp. 21-5503, and amendments thereto; (3) aggravated indecent liberties with a child, as defined in subsection (b)(3) of K.S.A. 2013 Supp. 21-5506, and amendments thereto; (4) aggravated criminal sodomy, as defined in subsection (b)(1) or (b)(2) of K.S.A. 2013 Supp. 21-5504, and amendments thereto; (5) commercial sexual exploitation of a child, as defined in K.S.A. 2013 Supp. 21-6422, and amendments thereto, if the victim is less than 14 years of age; (6) sexual exploitation of a child, as defined in subsection (a)(1) or (a)(4) of K.S.A. 2013 Supp. 21-5510, and amendments thereto, if the victim is less than 14 years of age; or (7) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 2013 Supp. 21-5301, 21-5302 or 21-5303, and amendments thereto, of an offense defined in parts (1) through (6); the court shall issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends. If only one attendance center exists, for which the victim and juvenile are eligible to attend, in the school district where the victim and the juvenile reside, the court shall hear testimony and take evidence from the victim, the juvenile, their families and a representative of the school district as to why the juvenile should or should not be allowed to remain at the attendance center attended by the victim. After such hearing, the court may issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends.

(j) The sentencing hearing shall be open to the public as provided in K.S.A. 2013 Supp. 38-2353, and amendments thereto.

Sec. 75. K.S.A. 39-110 is hereby amended to read as follows: 39-110. No such person shall be so returned unless arrangements to receive such person have been made in the state to which he such person is to be

returned. The cost of the return to the person's place of residence shall be paid: First, by the person if funds are available; second, by his such person's responsible relatives if funds are available; and third, by the state institution concerned if no other funds are available: Provided further, that. The residence of a minor child shall follow and be the same as his the child's parents: Provided, however,. The secretary of social and rehabilitation services for children and families or the secretary for aging and disability services, as applies, may waive the residence requirement in cases where the residence cannot be ascertained, or where the particular circumstances of the case constitute a medical emergency so that in his the secretary's judgment a sufficient reason exists for the temporary suspension of the residence requirement.

(a) The secretary of social and rehabilitation services for children and families shall develop state plans, as provided under the federal social security act, whereby the state cooperates with the federal government in its program of assisting the states financially in furnishing assistance and services to eligible individuals. Other costs and fees shall be allowed and paid as are allowed by law for similar services in other cases. The costs shall be taxed to the estate of the patient, to those bound by law to support such patient or to the county of the residence of the patient as the court having jurisdiction shall direct, except that if a proposed patient is found not to be a mentally ill person subject to involuntary commitment under this act, the costs shall not be assessed against such patient's estate but may at the discretion of the court be assessed against the petitioner or may be paid from the general fund of the county of the residence of the proposed patient. Any district court receiving a statement of costs from another district court shall forthwith

approve the same for payment out of the general fund of its county except that it may refuse to approve the same for payment only on the ground that the patient is not a resident of that county. In such case it shall transmit the statement of costs to the secretary of social and rehabilitation for aging and disability services who shall determine the question of residence and certify the secretary's findings to each district court. Whenever a district court has sent a statement of costs to the district court of another county and such costs have not been paid within 90 days after the statement was sent, the district court that sent the statement may transmit such statement of costs to the secretary for determination and certification as provided above. If the claim for costs is not paid within 30 days after such certification, an action may be maintained thereon by the claimant county in the district court of the claimant county against the debtor county. The findings made by the secretary of social and rehabilitation for aging and disability services as to the residence of the patient shall be applicable only to the assessment of costs. Any county of residence which pays from its general fund court costs to the district court of another county may recover the same in any court of competent jurisdiction from the estate of the patient or from those bound by law to support such patient, unless the court shall find that the proceedings in which such costs were incurred were instituted without probable cause and not in good faith.

services pursuant to K.S.A. 59-29a01 et seq., and amendments thereto, shall be kept in a secure facility and such persons shall be segregated at all times from any other patient under the supervision of the secretary of social and rehabilitation for aging and disability services and commencing June 1, 1995, such persons committed pursuant to K.S.A. 59-29a01 et seq., and amendments thereto, shall be kept in a facility or building separate from any other patient under the supervision of the secretary. The provisions of this subsection shall apply to any facility or building utilized in any transitional release program or conditional release program.

(c) The department of social and rehabilitation Kansas department for aging and disability services is authorized to enter into an interagency agreement with the department of corrections for the confinement of such persons. Such persons who are in the confinement of the secretary of corrections pursuant to an interagency agreement shall be housed and managed separately from offenders in the custody of the secretary of corrections, and except for occasional instances of supervised incidental contact, shall be segregated from such offenders.

(d) If any person while committed to the custody of the secretary pursuant to K.S.A. 59-29a01 et seq., and amendments thereto, shall be taken into custody by any law enforcement officer as defined in K.S.A. 2013 Supp. 21-5111, and amendments thereto, pursuant to any parole revocation proceeding or any arrest or conviction for a criminal offense of any nature, upon the person's release from the custody of any law enforcement officer, the person shall be returned to the custody of the secretary for further treatment pursuant to K.S.A. 59-29a01 et seq., and amendments thereto. During any such period of time a person is not in the actual custody or supervision of the secretary, the secretary shall be excused from the provisions of K.S.A. 59-29a08, and amendments thereto, with regard to providing that person an annual examination, annual notice and annual report to the court, except that the secretary shall give notice to the court as soon as reasonably possible after the taking of the person into custody that the person is no longer in treatment pursuant to K.S.A. 59-29a01 et seq., and amendments thereto, and notice to the court when the person is returned to the custody of the secretary for further treatment.

(e) If the court or jury is not satisfied beyond a reasonable doubt that the person is a sexually violent predator, the court shall direct the person's release.

(f) Upon a mistrial, the court shall direct that the person be held at an appropriate secure facility, including, but not limited to, a county jail, until another trial is conducted. Any subsequent trial following a mistrial shall be held within 90 days of the previous trial, unless such subsequent trial is continued as provided in K.S.A. 59-29a06, and amendments thereto.

(g) If the person charged with a sexually violent offense has been found incompetent to stand trial, and is about to be released pursuant to K.S.A. 22-3305, and amendments thereto, and such person's commitment is sought pursuant to subsection (a), the court shall first hear evidence and determine whether the person did commit the act or acts charged. The hearing on this issue must comply with all the procedures specified in this section. In addition, the rules of evidence applicable in criminal cases shall apply, and all constitutional rights available to defendants at criminal trials, other than the right not to be tried while incompetent, shall apply. After hearing evidence on this issue, the court shall make specific findings on whether the person did commit the act or acts charged, the extent to which the person's incompetence or developmental

disability affected the outcome of the hearing, including its effect on the person's ability to consult with and assist counsel and to testify on such person's own behalf, the extent to which the evidence could be reconstructed without the assistance of the person and the strength of the prosecution's case. If after the conclusion of the hearing on this issue, the court finds, beyond a reasonable doubt, that the person did commit the act or acts charged, the court shall enter a final order, appealable by the person, on that issue, and may proceed to consider whether the person should be committed pursuant to this section.

Sec. 216. K.S.A. 2013 Supp. 59-29a11 is hereby amended to read as follows: 59-29a11. (a) Nothing in this act shall prohibit a person from filing a petition for transitional release, conditional release or final discharge pursuant to this act. However, if a person has previously filed a petition for transitional release, conditional release or final discharge without the secretary of the department of social and rehabilitation for aging and disability services approval and the court determined either upon review of the petition or following a hearing, that the petitioner's petition was frivolous or that the petitioner's condition had not so changed that the person was safe to be at large, then the court shall deny the subsequent petition unless the petition contains facts upon which a court could find the condition of the petitioner had so changed that a hearing was warranted. Upon receipt of a first or subsequent petition from committed persons without the secretary's approval, the court shall endeavor whenever possible to review the petition and determine if the petition is based upon frivolous grounds and if so shall deny the petition without a hearing.

(b) No transitional release or conditional release facility or building shall be located within 2,000 feet of a licensed child care facility, an established place of worship, any residence in which a child under 18 years of age resides, or the real property of any school upon which is located a structure used by a unified school district or an accredited nonpublic school for student instruction or attendance or extracurricular activities of pupils enrolled in kindergarten or any grades one through 12. This subsection shall not apply to any state institution or facility.

(c) Transitional release or conditional release facilities or buildings shall be subject to all regulations applicable to other property and buildings located in the zone or area that are imposed by any municipality through zoning ordinance, resolution or regulation, such municipality's building regulatory codes, subdivision regulations or other nondiscriminatory regulations.

(d) On and after January 1, 2009, the secretary of social and rehabilitation for aging and disability services shall place no more than eight sexually violent predators in any one county on transitional release or conditional release.

(e) The secretary of social and rehabilitation for aging and disability services shall submit an annual report to the governor and the legislature during the first week of the regular legislative session detailing activities related to the transitional release and conditional release of sexually violent predators. The report shall include the status of such predators who have been placed in transitional release or conditional release including the number of any such predators and their locations; information regarding the number of predators who have been returned to the sexually violent predator treatment program at Larned state hospital along with the reasons for such return; and any plans for the development of additional transitional release or conditional release facilities.

(1) "Patient" means any individual:

(A) Who is receiving services for mental illness and who is admitted, detained, committed, transferred or placed in the custody of the secretary of social and rehabilitation for aging and disability services under the authority of K.S.A. 22-3219, 22-3302, 22-3303, 22-3428a, 22-3429, 22-3430, 59-29a05, 75-5209 and 76-1306, and amendments thereto.

(2) "Restraints" means the application of any devices, other than human force alone, to any part of the body of the patient for the purpose of preventing the patient from causing injury to self or others.

(3) "Seclusion" means the placement of a patient, alone, in a room, where the patient's freedom to leave is restricted and where the patient is not under continuous observation.

(b) Each patient shall have the following rights:

(1) Upon admission or commitment, be informed orally and in writing of the patient's rights under this section. Copies of this section shall be posted conspicuously in each patient area, and shall be available to the patient's guardian and immediate family.

(2) The right to refuse to perform labor which is of financial benefit to the facility in which the patient is receiving treatment or service. Privileges or release from the facility may not be conditioned upon the performance of any labor which is regulated by this subsection. Tasks of a personal housekeeping nature are not considered compensable labor. Patients may voluntarily engage in therapeutic labor which is of financial benefit to the facility if such labor is compensated in accordance with a plan approved by the department and if:

(A) The specific labor is an integrated part of the patient's treatment plan approved as a therapeutic activity by the professional staff member responsible for supervising the patient's treatment;

(B) the labor is supervised by a staff member who is qualified to oversee the therapeutic aspects of the activity;

(C) the patient has given written informed consent to engage in such labor and has been informed that such consent may be withdrawn at any time; and

(D) the labor involved is evaluated for its appropriateness by the staff of the facility at least once every 120 days.

(3) A right to receive prompt and adequate treatment, rehabilitation and educational services appropriate for such patient's condition, within the limits of available state and federal funds.

(4) Have the right to be informed of such patient's treatment and care and to participate in the planning of such treatment and care.

(5) Have the following rights, under the following procedures, to refuse medication and treatment:

(A) Have the right to refuse all medication and treatment except as ordered by a

court or in a situation in which the medication or treatment is necessary to prevent serious physical harm to the patient or to others. Except when medication or medical treatment has been ordered by the court or is necessary to prevent serious physical harm to others as evidenced by a recent overt act, attempt or threat to do such harm, a patient may refuse medications and medical treatment if the patient is a member of a recognized religious organization and the religious tenets of such organization prohibit such medications and treatment.

(B) Medication may not be used as punishment, for the convenience of staff, as a substitute for a treatment program, or in quantities that interfere with a patient's treatment program.

(C) Patients will have the right to have explained the nature of all medications prescribed, the reason for the prescription and the most common side effects and, if requested, the nature of any other treatments ordered.

(6) Except as provided in paragraph (2), have a right to be free from physical restraint and seclusion.

(A) Restraints or seclusion shall not be applied to a patient unless it is determined by the superintendent of the treatment facility or a physician or licensed psychologist to be necessary to prevent immediate substantial bodily injury to the patient or others and that other alternative methods to prevent such injury are not sufficient to accomplish this purpose. Restraint or seclusion shall never be used as a punishment or for the convenience of staff. The extent of the restraint or seclusion applied to the patient shall be the least restrictive measure necessary to prevent such injury to the patient or others, and the use of restraint or seclusion in a treatment facility shall not exceed three hours without medical reevaluation. When restraints or seclusion are applied, there shall be monitoring of the patient's condition at a frequency determined by the treating physician or licensed psychologist, which shall be no less than once per each 15 minutes. The superintendent of the treatment facility or a physician or licensed psychologist shall sign a statement explaining the treatment necessity for the use of any restraint or seclusion and shall make such statement a part of the permanent treatment record of the patient.

(B) The provisions of clause (A) shall not prevent:

(i) The use of seclusion as part of a treatment methodology that calls for time out when the patient is refusing to participate in a treatment or has become disruptive of a treatment process.

(ii) Patients may be restrained for security reasons during transport to or from the patient's building, including transport to another treatment facility. Any patient committed or transferred to a hospital or other health care facility for medical care may be isolated for security reasons within locked facilities in the hospital.

(iii) Patients may be locked or restricted in such patient's room during the night shift, if such patient resides in a unit in which each room is equipped with a toilet and sink or if the patients who do not have toilets in the rooms shall be given an opportunity to use a toilet at least once every hour, or more frequently if medically indicated.

(iv) Patients may be locked in such patient's room for a period of time no longer than one hour during each change of shift by staff to permit staff review of patient needs.

(v) Patients may also be locked in such patient's room on a unit-wide or facility-wide basis as an emergency measure as needed for security purposes to deal with an

escape or attempted escape, the discovery of a dangerous weapon in the unit or facility or the receipt of reliable information that a dangerous weapon is in the unit or facility, or to prevent or control a riot or the taking of a hostage. A unit-wide or facility-wide emergency isolation order may only be authorized by the superintendent of the facility where the order is applicable or the superintendent's designee. A unit-wide or facility-wide emergency isolation order shall be approved within one hour after it is authorized by the superintendent or the superintendent's designee. An emergency order for unit-wide or facility-wide isolation may only be in effect for the period of time needed to preserve order while dealing with the situation and may not be used as a substitute for adequate staffing. During a period of unit-wide or facility-wide isolation, the status of each patient shall be reviewed every 30 minutes to ensure the safety and comfort of the patient, and each patient who is locked in a room without a toilet shall be given an opportunity to use a toilet at least once every hour, or more frequently if medically indicated. The facility shall have a written policy covering the use of isolation that ensures that the dignity of the individual is protected, that the safety of the individual is secured, and that there is regular, frequent monitoring by trained staff to care for bodily needs as may be required.

(vi) Individual patients who are referred by the court or correctional facilities for criminal evaluations may be placed in administrative confinement for security reasons and to maintain proper institutional management when treatment cannot be addressed through routine psychiatric methods. Administrative confinement of individuals shall be limited to only patients that demonstrate or threaten substantial injury to other patients or staff and when there are no clinical interventions available that will be effective to maintain a safe and therapeutic environment for both patients and staff. Administrative confinement shall not be used for any patient who is actively psychotic or likely to be psychologically harmed. The status of each patient shall be reviewed every 15 minutes to ensure the safety and comfort of the patient. The patient shall be afforded all patient rights including being offered a minimum of one hour of supervised opportunity for personal hygiene, exercise and to meet other personal needs.

(7) The right not to be subject to such procedures as psychosurgery, electroshock therapy, experimental medication, aversion therapy or hazardous treatment procedures without the written consent of the patient or the written consent of a parent or legal guardian, if such patient is a minor or has a legal guardian provided that the guardian has obtained authority to consent to such from the court which has venue over the guardianship following a hearing held for that purpose.

(8) The right to individual religious worship within the facility if the patient desires such an opportunity. The provisions for worship shall be available to all patients on a nondiscriminatory basis. No individual may be coerced into engaging in any religious activities.

(9) A right to a humane psychological and physical environment within the hospital facilities. All facilities shall be designed to afford patients with comfort and safety, to promote dignity and ensure privacy. Facilities shall also be designed to make a positive contribution to the effective attainment of the treatment goals of the hospital.

(10) The right to confidentiality of all treatment records, and as permitted by other applicable state or federal laws, have the right to inspect and to receive a copy of such records.

(11) Except as otherwise provided, have a right to not be filmed or taped, unless the

patient signs an informed and voluntary consent that specifically authorizes a named individual or group to film or tape the patient for a particular purpose or project during a specified time period. The patient may specify in such consent periods during which, or situations in which, the patient may not be filmed or taped. If a patient is legally incompetent, such consent shall be granted on behalf of the patient by the patient's guardian. A patient may be filmed or taped for security purposes without the patient's consent.

(12) The right to be informed in writing upon or at a reasonable time after admission, of any liability that the patient or any of the patient's relatives may have for the cost of the patient's care and treatment and of the right to receive information about charges for care and treatment services.

(13) The right to be treated with respect and recognition of the patient's dignity and individuality by all employees of the treatment facility.

(14) Patients have an unrestricted right to send sealed mail and receive sealed mail to or from legal counsel, the courts, the secretary of social and rehabilitation for aging and disability services, the superintendent of the treatment facility, the agency designated as the developmental disabilities protection and advocacy agency pursuant to P.L. 94-103, as amended, private physicians and licensed psychologists, and have reasonable access to letter-writing materials.

(15) The right as specified under clause (A) to send and receive sealed mail, subject to the limitations specified under clause (B):

(A) A patient shall also have a right to send sealed mail and receive sealed mail to or from other persons, subject to physical examination in the patient's presence if there is reason to believe that such communication contains contraband materials or objects that threaten the security of patients or staff. The officers and staff of a facility may not read any mail covered by this clause.

(B) The above rights to send and receive sealed and confidential mail are subject to the following limitations:

(i) An officer or employee of the facility at which the patient is placed may delay delivery of the mail to the patient for a reasonable period of time to verify whether the person named as the sender actually sent the mail; may open the mail and inspect it for contraband outside the presence of the patient; or may, if the officer or staff member cannot determine whether the mail contains contraband, return the mail to the sender along with notice of the facility mail policy.

(ii) The superintendent of the facility or the superintendent's designee may, in accordance with the standards and the procedure under subsection (c) for denying a right for cause, authorize a member of the facility treatment staff to read the mail, if the superintendent or the superintendent's designee has reason to believe that the mail could pose a threat to security at the facility or seriously interfere with the treatment, rights, or safety of the patient or others.

(iii) Residents may be restricted in receiving in the mail items deemed to be pornographic, offensive or which is deemed to jeopardize their individual treatment or that of others.

(16) Reasonable access to a telephone to make and receive telephone calls within reasonable limits.

(17) Be permitted to use and wear such patient's own clothing and personal possessions, including toilet articles, or be furnished with an adequate allowance of

clothes if none are available. Provision shall be made to launder the patient's clothing.

(18) Be provided a reasonable amount of individual secure storage space for private use.

(19) Reasonable protection of privacy in such matters as toileting and bathing.

(20) Be permitted to see a reasonable number of visitors who do not pose a threat to the security or therapeutic climate of other patients or the facility.

(21) The right to present grievances under the procedures established by each facility on the patient's own behalf or that of others to the staff or superintendent of the treatment facility without justifiable fear of reprisal and to communicate, subject to paragraph (14), with public officials or with any other person without justifiable fear of reprisal.

(22) The right to spend such patient's money as such patient chooses, except to the extent that authority over the money is held by another, including the parent of a minor, a court-appointed guardian of the patient's estate or a representative payee. A treatment facility may, as a part of its security procedures, use a patient trust account in lieu of currency that is held by a patient and may establish reasonable policies governing patient account transactions.

(c) A patient's rights guaranteed under subsections (b)(15) to (b)(21) may be denied for cause after review by the superintendent of the facility or the superintendent's designee, and may be denied when medically or therapeutically contraindicated as documented by the patient's physician or licensed psychologist in the patient's treatment record. The individual shall be informed in writing of the grounds for withdrawal of the right and shall have the opportunity for a review of the withdrawal of the right in an informal hearing before the superintendent of the facility or the superintendent's designee. There shall be documentation of the grounds for withdrawal of rights in the patient's treatment record. After an informal hearing is held, a patient or such patient's representative may petition for review of the denial of any right under this subsection through the use of the grievance procedure provided in subsection (d).

(d) The department of social and rehabilitation secretary for aging and disability services shall establish procedures to assure protection of patients' rights guaranteed under this section.

(e) No person may intentionally retaliate or discriminate against any patient or employee for contacting or providing information to any state official or to an employee of any state protection and advocacy agency, or for initiating, participating in, or testifying in a grievance procedure or in an action for any remedy authorized under this section.

(3) An order appointing an attorney to represent the proposed patient at all stages of the proceedings and until all orders resulting from such proceedings are terminated. The court shall give preference, in the appointment of this attorney, to any attorney who has represented the proposed patient in other matters if the court has knowledge of that prior representation. The proposed patient shall have the right to engage an attorney of the proposed patient's own choice and, in such event, the attorney appointed by the court shall be relieved of all duties by the court.

(4) An order that the proposed patient shall appear at a time and place that is in the best interests of the patient where the proposed patient will have the opportunity to consult with the proposed patient's court-appointed attorney, which time shall be at least five days prior to the date set for the trial under K.S.A. 59-29b65, and amendments thereto.

(5) An order for an evaluation as provided for in K.S.A. 59-29b61, and amendments thereto.

(6) A notice as provided for in K.S.A. 59-29b63, and amendments thereto.

(7) If the petition also contains allegations as provided for in K.S.A. 59-3058, 59-3059, 59-3060, 59-3061 or 59-3062, and amendments thereto, those orders necessary to make a determination of the need for a legal guardian or conservator, or both, to act on behalf of the proposed patient. For these purposes, the trials required by K.S.A. 59-29b65 and K.S.A. 59-3067, and amendments thereto, may be consolidated.

(8) If the petitioner shall not have named a proposed treatment facility to which the proposed patient may be sent as provided for subsection (b)(8) of K.S.A. 59-29b57, and amendments thereto, but instead stated that the secretary of social and rehabilitation for aging and disability services has been notified and requested to determine which treatment facility the proposed patient should be sent to, then the court shall issue an order requiring the secretary, or the secretary's designee, to make that determination and to notify the court of the name and address of that treatment facility by such time as the court shall specify in the court's order.

(b) Nothing in this section shall prevent the court from granting an order of continuance, for good cause shown, to any party for no longer than seven days, except that such limitation does not apply to a request for an order of continuance made by the proposed patient or to a request made by any party if the proposed patient is absent such that further proceedings can not be held until the proposed patient has been located. The court also, upon the request of any party, may advance the date of the hearing if necessary and in the best interests of all concerned.

Sec. 221. K.S.A. 59-29b63 is hereby amended to read as follows: 59-29b63. (a) Notice as required by subsection (a)(6) of K.S.A. 59-29b60, and amendments thereto, shall be given to the proposed patient named in the petition, the proposed patient's legal guardian if there is one, the attorney appointed to represent the proposed patient, the proposed patient's spouse or nearest relative and to such other persons as the court directs.

(b) The notice shall state:

(1) That a petition has been filed, alleging that the proposed patient is a person with an alcohol or substance abuse problem subject to involuntary commitment for care and treatment under this act and requesting that the court order treatment;

(2) the date, time and place of the trial;

(3) the name of the attorney appointed to represent the proposed patient and the time and place where the proposed patient shall have the opportunity to consult with this attorney;

(4) that the proposed patient has a right to a jury trial if a written demand for such is filed with the court at least four days prior to the time set for trial; and

(5) that if the proposed patient demands a jury trial, the trial date may have to be continued by the court for a reasonable time in order to empanel a jury, but that this continuance shall not exceed 30 days from the date of the filing of the demand.

(c) The court may order any of the following persons to serve the notice upon the proposed patient:

(1) The physician or psychologist currently administering to the proposed patient, if the physician or psychologist consents to doing so;

(2) the head of the treatment facility where the proposed patient is being detained or the designee thereof;

(3) the local health officer or such officer's designee;

(4) the secretary of social and rehabilitation for aging and disability services or the secretary's designee if the proposed patient is being treated at a state psychiatric hospital pursuant to any provision of K.S.A. 59-2945 et seq., and amendments thereto;

(5) any law enforcement officer; or

(6) the attorney of the proposed patient.

(d) The notice shall be served personally on the proposed patient as soon as possible, but not less than six days prior to the date of the trial, and immediate return thereof shall be made to the court by the person serving notice. Unless otherwise ordered by the court, notice shall be served on the proposed patient by a nonuniformed person.

(e) Notice to all other persons may be made by mail or in such other manner as directed by the court.

Sec. 222. K.S.A. 2013 Supp. 59-29b66 is hereby amended to read as follows: 59-29b66. (a) Upon the completion of the trial, if the court or jury finds by clear and convincing evidence that the proposed patient is a person with an alcohol or substance abuse problem subject to involuntary commitment for care and treatment under this act, the court shall order treatment for such person for a specified period of time not to exceed three months from the date of the trial at a treatment facility. Whenever an involuntary patient is ordered to receive treatment, the clerk of the district court shall send a copy of the order to the Kansas bureau of investigation within five days after receipt of the order. The Kansas bureau of investigation shall immediately enter the order into the national criminal information center and other appropriate databases. An order for treatment in a treatment facility shall be conditioned upon the consent of the head of that treatment facility to accepting the patient. In the event no appropriate treatment facility has agreed to provide treatment for the patient, then the secretary of social and rehabilitation for aging and disability services shall be given responsibility for providing or securing treatment for the patient.

(b) A copy of the order for treatment shall be provided to the head of the treatment facility.

(c) When the court orders treatment, it shall retain jurisdiction to modify, change or terminate such order, unless venue has been changed pursuant to K.S.A. 59-29b71, and amendments thereto, and then the receiving court shall have continuing jurisdiction.

(d) If the court finds from the evidence that the proposed patient has not been shown to be a person with an alcohol or substance abuse problem subject to involuntary commitment for care and treatment under this act, the court shall release the person and terminate the proceedings.

Sec. 223. K.S.A. 59-29b78 is hereby amended to read as follows: 59-29b78. (a) Every patient being treated in any treatment facility, in addition to all other rights preserved by the provisions of this act, shall have the following rights:

(1) To wear the patient's own clothes, keep and use the patient's own personal possessions including toilet articles and keep and be allowed to spend the patient's own money;

(2) to communicate by all reasonable means with a reasonable number of persons at reasonable hours of the day and night, including both to make and receive confidential telephone calls, and by letter, both to mail and receive unopened correspondence, except that if the head of the treatment facility should deny a patient's right to mail or to receive unopened correspondence under the provisions of subsection (b), such

correspondence shall be opened and examined in the presence of the patient;

(3) to conjugal visits if facilities are available for such visits;

(4) to receive visitors in reasonable numbers and at reasonable times each day;

(5) to refuse involuntary labor other than the housekeeping of the patient's own bedroom and bathroom, provided that nothing herein shall be construed so as to prohibit a patient from performing labor as a part of a therapeutic program to which the patient has given their written consent and for which the patient receives reasonable compensation;

(6) not to be subject to such procedures as psychosurgery, electroshock therapy, experimental medication, aversion therapy or hazardous treatment procedures without the written consent of the patient or the written consent of a parent or legal guardian, if such patient is a minor or has a legal guardian provided that the guardian has obtained authority to consent to such from the court which has venue over the guardianship following a hearing held for that purpose;

(7) to have explained, the nature of all medications prescribed, the reason for the prescription and the most common side effects and, if requested, the nature of any other treatments ordered;

(8) to communicate by letter with the secretary of social and rehabilitation for aging and disability services, the head of the treatment facility and any court, attorney, physician, psychologist or minister of religion, including a Christian Science practitioner. All such communications shall be forwarded at once to the addressee without examination and communications from such persons shall be delivered to the patient without examination;

(9) to contact or consult privately with the patient's physician or psychologist, minister of religion, including a Christian Science practitioner, legal guardian or attorney at any time and if the patient is a minor, their parent;

(10) to be visited by the patient's physician, psychologist, minister of religion, including a Christian Science practitioner, legal guardian or attorney at any time and if the patient is a minor, their parent;

(11) to be informed orally and in writing of their rights under this section upon admission to a treatment facility; and

(12) to be treated humanely consistent with generally accepted ethics and practices.

(b) The head of the treatment facility may, for good cause only, restrict a patient's rights under this section, except that the rights enumerated in subsections (a)(5) through (a)(12), and the right to mail any correspondence which does not violate postal regulations, shall not be restricted by the head of the treatment facility under any circumstances. Each treatment facility shall adopt regulations governing the conduct of all patients being treated in such treatment facility, which regulations shall be consistent with the provisions of this section. A statement explaining the reasons for any restriction of a patient's rights shall be immediately entered on such patient's medical record and copies of such statement shall be made available to the patient or to the parent, or legal guardian if such patient is a minor or has a legal guardian, and to the patient's attorney. In addition, notice of any restriction of a patient's rights shall be communicated to the patient in a timely fashion.

(c) Any person willfully depriving any patient of the rights protected by this section, except for the restriction of such rights in accordance with the provisions of subsection (b) or in accordance with a properly obtained court order, shall be guilty of a

class C misdemeanor.

Sec. 224. K.S.A. 59-29b81 is hereby amended to read as follows: 59-29b81. In each proceeding the court shall allow and order paid to any individual or treatment facility as part of the costs thereof a reasonable fee and expenses for any professional services ordered performed by the court pursuant to this act, and including the fee of counsel for the patient when counsel is appointed by the court and the costs of the county or district attorney incurred in cases involving change of venue. Other costs and fees shall be allowed and paid as are allowed by law for similar services in other cases. The costs shall be taxed to the estate of the patient, to those bound by law to support such patient or to the county of the residence of the patient as the court having jurisdiction shall direct, except that if a proposed patient is found not to be a person with an alcohol or substance abuse problem subject to involuntary commitment under this act, the costs shall not be assessed against such patient's estate but may at the discretion of the court be assessed against the petitioner or may be paid from the general fund of the county of the residence of the proposed patient. Any district court receiving a statement of costs from another district court shall forthwith approve the same for payment out of the general fund of its county except that it may refuse to approve the same for payment only on the ground that the patient is not a resident of that county. In such case it shall transmit the statement of costs to the secretary of social and rehabilitation for aging and disability services who shall determine the question of residence and certify the secretary's findings to each district court. Whenever a district court has sent a statement of costs to the district court of another county and such costs have not been paid within 90 days after the statement was sent, the district court that sent the statement may transmit such statement of costs to the secretary for determination and certification as provided in this section. If the claim for costs is not paid within 30 days after such certification, an action may be maintained thereon by the claimant county in the district court of the claimant county against the debtor county. The findings made by the secretary of social and rehabilitation for aging and disability services as to the residence of the patient shall be applicable only to the assessment of costs. Any county of residence which pays from its general fund court costs to the district court of another county may recover the same in any court of competent jurisdiction from the estate of the patient or from those bound by law to support such patient, unless the court shall find that the proceedings in which such costs were incurred were instituted without probable cause and not in good faith.

Sec. 225. K.S.A. 59-3065 is hereby amended to read as follows: 59-3065. (a) Upon the filing of a petition as provided for in K.S.A. 59-3058, 59-3059, 59-3060, 59-3061 or 59-3062, and amendments thereto, or at any time thereafter until the trial provided for in K.S.A. 59-3067, and amendments thereto, the court may enter any of the following:

If requested to do so by the court, the secretary of social and rehabilitation services for children and families shall conduct this investigation. Otherwise, the court may appoint any other person who is qualified to conduct this investigation, and the costs of this investigation shall be assessed as provided for in K.S.A. 59-3094, and amendments thereto.

(2) Any orders requested or authorized pursuant to K.S.A. 59-3073, and amendments thereto.

(3) For good cause shown, an order of continuance of the trial set pursuant to K.S.A. 59-3063, and amendments thereto.

(6) A notice in the manner provided for in K.S.A. 59-3066, and amendments thereto.

(b) Upon the filing of a petition as provided for in K.S.A. 59-3059, and amendments thereto, alleging that the proposed ward or proposed conservatee is a minor in need of a guardian or conservator, or both, the court may issue any of the following:

(1) An order of temporary custody of the minor.

(2) An order requiring that the minor appear at the time and place of the trial set pursuant to subsection (b) of K.S.A. 59-3063, and amendments thereto. (3) An order appointing an attorney to represent the minor. The court shall give preference, in the appointment of the attorney, to any attorney who has represented the minor in other matters if the court has knowledge of that prior representation, or to an attorney whom the minor, if 14 years of age or older, has requested. Any appointment made by the court shall terminate upon a final determination of the petition and any appeal therefrom, unless the court continues the appointment by further order. Thereafter, an attorney may be appointed by the court if requested, in writing, by the guardian, conservator or minor, if 14 years of age or older, or upon the court's own motion.

(4) A notice in the manner provided for in K.S.A. 59-3066, and amendments thereto.

The court may order the minor to submit to such an examination and evaluation to be conducted through a general hospital, psychiatric hospital, community mental health center, community developmental disability organization, or by a private physician, psychiatrist, psychologist or other person appointed by the court who is qualified to examine and evaluate the minor. The costs of this examination and evaluation shall be assessed as provided for in K.S.A. 59-3094, and amendments thereto.

(c) Upon the filing of a petition as provided for in K.S.A. 59-3060, and amendments thereto, alleging that the proposed ward or proposed conservatee is a minor with an impairment in need of a guardian or conservator, or both, the court may issue an order of temporary custody of the minor.

(d) Upon the filing of a petition as provided for in K.S.A. 59-3061, and amendments thereto, alleging that the proposed ward or proposed conservatee is a person who has been previously adjudged as impaired in another state, the court may issue any of the following:

(1) An order appointing an attorney to represent the proposed ward or proposed conservatee. In making this appointment, the court shall consider the appointment of any attorney who has represented the proposed ward or proposed conservatee in other matters if the court has knowledge of that prior representation. Any appointment made by the court shall terminate upon a final determination of the petition and any appeal therefrom, unless the court continues the appointment by further order. Thereafter, an attorney may be appointed at any time if requested, in writing, by the ward, conservatee, guardian or conservator, or upon the court's own motion.

(2) An order requiring that the proposed ward or proposed conservatee appear at the time and place of the trial set pursuant to subsection (d) of K.S.A. 59-3063, and amendments thereto. If an order to appear is entered, but later rescinded, the court shall enter in the record of the proceedings the facts upon which the court found subsequent to the issuance of the order that the presence of the proposed ward or proposed conservatee should be excused.

(3) An order for an examination and evaluation of the proposed ward or proposed conservatee as may be specified by the court. (e) Upon the filing of a petition as provided for in K.S.A. 59-3062, and amendments thereto, alleging that the proposed conservatee is a person in need of an ancillary conservator and requesting the appointment of an ancillary conservator in Kansas, the court may issue any of the following:

(1) An order appointing an attorney to represent the proposed conservatee. In making this appointment, the court shall consider the appointment of any attorney who has represented the proposed conservatee in other matters if the court has knowledge of that prior representation. Any appointment made by the court shall terminate upon a final determination of the petition and any appeal therefrom, unless the court continues the appointment by further order. Thereafter, an attorney may be appointed at any time if requested, in writing, by the conservatee or conservator, or upon the court's own motion.

(2) A notice in the manner provided for in K.S.A. 59-3066, and amendments thereto.

Sec. 226. K.S.A. 59-3067 is hereby amended to read as follows: 59-3067. (a) The trial upon a petition filed pursuant to K.S.A. 59-3058, 59-3059, 59-3060, 59-3061 or 59-3062, and amendments thereto, shall be held at the time and place specified in the court's order entered pursuant to K.S.A. 59-3063, and amendments thereto, unless an order of advancement, continuance or change of place has been issued pursuant to K.S.A. 59-3065, and amendments thereto, and may be consolidated with the trial provided for in the care and treatment act for mentally ill persons, K.S.A. 59-2945 et seq., and amendments thereto, or the care and treatment act for persons with an alcohol

or substance abuse problem, K.S.A. 59-29b45, and amendments thereto, if the petition also incorporates the allegations required by, and is filed in compliance with, the provisions of either of those acts.

(b) If the petition alleges that the proposed ward or proposed conservatee is an adult with an impairment in need of a guardian or conservator, or both, the trial may be held to a jury if, at least four days prior to the date of the trial, a written demand for jury trial is filed with the court by the proposed ward or proposed conservatee. In all other cases, the trial shall be held to the court.

(c) The jury, if one is demanded, shall consist of six persons and shall be selected as provided by law. Notwithstanding any provision of K.S.A. 43-166, and amendments thereto, to the contrary, a panel of prospective jurors may be assembled by the clerk upon less than 20 days notice in this circumstance. From this panel, 12 qualified jurors who have been passed for cause shall be empaneled. Prior service as a juror in any other court shall not exempt, for that reason alone, any person from jury service hereunder. From the panel so obtained, the proposed ward or proposed conservatee, or the attorney for the proposed ward or proposed conservatee, shall strike one name; then the petitioner, or the petitioner's attorney, shall strike one name; and so on alternatively until each has stricken three names so as to reach the jury of six persons. During this process, if either party neglects or refuses to aid in striking the names, the court shall strike a name on behalf of such party.

(d) The petitioner and the proposed ward or proposed conservatee shall each be afforded an opportunity to appear at the trial, to testify and to present and cross-examine witnesses. If the trial has been consolidated with a trial being held pursuant to either the care and treatment act for mentally ill persons or the care and treatment act for persons with an alcohol or substance abuse problem persons not necessary for the conduct of the proceedings may be excluded as provided for in those acts. The trial shall be conducted in as informal a manner as may be consistent with orderly procedure. The court shall have the authority to receive all relevant and material evidence which may be offered, including the testimony or written report, findings or recommendations of any professional or other person who has examined or evaluated the proposed ward or proposed conservatee and the testimony and written findings and recommendations of the secretary of social and rehabilitation services for children and families or any other person appointed by the court to conduct an investigation pursuant to K.S.A. 59-3065, and amendments thereto. Such evidence shall not be privileged for the purpose of this trial.

(e) Upon completion of the trial:

(1) If the court finds by clear and convincing evidence that the proposed ward or proposed conservatee is an adult with an impairment in need of a guardian or a conservator, or both, or a minor in need of a guardian or a conservator, or both, or a minor with an impairment in need of a guardian or a conservator, or both, or a person who has been previously adjudged as impaired in another state, the court, pursuant to K.S.A. 59-3068, and amendments thereto, shall appoint a qualified and suitable individual or corporation as the guardian or conservator, or both, and shall specify what duties, responsibilities, powers and authorities as provided for in K.S.A. 59-3075, 59-3076, 59-3077, 59-3078 or 59-3079, and amendments thereto, the guardian or conservator shall have. If the court appoints co-guardians or co-conservators, or both, the court shall specify whether such co-guardians or co-conservators, or both, shall have

the authority to act independently, to act only in concert, or under what circumstances or with regard to what matter they may act independently and when they may act only in concert.

(2) If a jury has been demanded in the case of an adult and the jury finds by clear and convincing evidence that the proposed ward or proposed conservatee is unable to meet essential needs for physical health, safety or welfare, or is unable to manage such person's estate, then the court shall determine if the proposed ward or proposed conservatee is in need of a guardian or a conservator, or both, and if so, the court, pursuant to K.S.A. 59-3068, and amendments thereto, shall appoint a qualified and suitable individual or corporation as the guardian or conservator, or both, and shall specify what duties, responsibilities, powers and authorities as provided for in K.S.A. 59-3075, 59-3076, 59-3077, 59-3078 or 59-3079, and amendments thereto, the guardian or conservator shall have. If the court appoints co-guardians or co-conservators, or both, the court shall specify whether such co-guardians or co-conservators, or both, shall have the authority to act independently or whether they shall be required to act only in concert.

(3) If the court finds by clear and convincing evidence that the proposed conservatee is a person in need of an ancillary conservator, the court, pursuant to K.S.A. 59-3068, and amendments thereto, shall appoint a qualified and suitable individual or corporation as the ancillary conservator, and shall specify what duties, responsibilities, powers and authorities as provided for in K.S.A. 59-3078 or 59-3079, and amendments thereto, the ancillary conservator shall have. If the court appoints co-ancillary conservators, the court shall specify whether such co-ancillary conservators shall have the authority to act independently or whether they shall be required to act only in concert.

(f) If the court does not find by clear and convincing evidence that the proposed ward or proposed conservatee is an adult with an impairment in need of a guardian or a conservator, or both, or a minor in need of a guardian or a conservator, or both, or a person who has been previously adjudged as impaired in another state, or a person in need of an ancillary conservator, or does not find that the proposed ward or proposed conservatee is in need of a guardian or a conservator, even though the jury has determined that the proposed ward or proposed conservatee is unable to meet essential needs for physical health, safety or welfare, or is unable to manage such person's estate, because other appropriate alternatives exist and are sufficient to meet those needs of the proposed ward or proposed conservatee, then the court shall deny the requested appointments.

Sec. 227. K.S.A. 2013 Supp. 59-3069 is hereby amended to read as follows: 59-3069. (a) When the court appoints an individual or a corporation as a guardian, the court shall require that the individual or a representative on behalf of the corporation file with the court an oath or affirmation as required by K.S.A. 59-1702, and amendments thereto.

(b) When the court appoints an individual or a corporation as a conservator, except as provided for in subsections (c), (d) or (e), or in K.S.A. 59-3055, and amendments thereto, the court shall require that the individual or a representative on behalf of the corporation file with the court a bond in the amount of 125% of the combined value of the tangible and intangible personal property in the conservatee's estate and the total of

any annual income from any source which the conservator may be expected to receive on behalf of the conservatee, minus any reasonably expected expenses, conditioned upon the faithful discharge of all the duties of the conservator's trust according to law, and with sufficient sureties as the court may determine necessary or appropriate.

(c) When the court appoints an individual or a corporation as a conservator pursuant to a request for a voluntary conservatorship as provided for in K.S.A. 59-3056, and amendments thereto, and the person for whom the voluntary conservatorship is established has requested that the individual or corporation appointed not be required to file a bond, the court may waive the filing of a bond; provided that the court may later require the filing of a bond if circumstances so require.

(d) If, at the time of the appointment of a conservator, there is no property in the possession of the conservatee requiring a conservatorship, but the court finds that there is likely to be such at some point in time, the court may waive the filing of a bond and order that the conservator shall immediately file a report with the court upon either the conservator coming into possession of any property of the conservatee, or if the conservatee becomes entitled to receive any property which the conservator believes should be placed within the conservatorship. Upon the filing of such a report, the court, following any hearing the court may determine appropriate, may require the conservator to file a bond as provided for herein.

(e) If the conservator appointed is the individual or corporation suggested by a testator or settlor as provided for in K.S.A. 59-3054, and amendments thereto, and the testator or settlor has provided by will or trust that no bond should be required of such conservator, the court may waive the filing of a bond; provided that the court may later require the filing of a bond if circumstances so require.

(f) If the conservator is a bank having trust authority or a trust company organized and having its principal place of business within the state of Kansas, the court may waive the filing of a bond.

(g) If the conservator appointed is under contract with the Kansas guardianship program, the department of social and rehabilitation services Kansas department for children and families shall act as surety on the bond. The court shall order that a certified copy of the order appointing a conservator who is under contract with the Kansas guardianship program be sent to the director of the Kansas guardianship program.

(h) If the individual appointed as guardian or conservator, or both, resides outside of Kansas, the court shall require that person, and in the case of a corporation being appointed as guardian or conservator, or both, the court shall require a representative of the corporation, to appoint, in writing, a resident agent pursuant to K.S.A. 59-1706, and amendments thereto.

(i) Upon the filing of the required oath or bond, and appointment and consent of a resident agent, the court shall issue letters of guardianship to the guardian or letters of conservatorship to the conservator, or both. The court may order that a certified copy of these letters be sent to such persons or agencies as the court specifies.

(j) Every individual appointed as guardian or conservator on or after January 1, 2009, shall file with the court evidence of completion of a basic instructional program concerning the duties and responsibilities of a guardian or conservator prior to the issuance of letters of guardianship or conservatorship. The court shall have the authority to require any guardian or conservator appointed prior to January 1, 2009, to complete

the basic instructional program and provide evidence thereof to the court. The materials comprising the basic instructional program shall be prepared by the judicial council.

Sec. 228. K.S.A. 59-3070 is hereby amended to read as follows: 59-3070. (a) Any corporation organized under the Kansas general corporation code may act as guardian for an individual found to be in need of a guardian under the act for obtaining a guardian or conservator, or both, if the corporation has been certified by the secretary of social and rehabilitation services for children and families as a suitable agency to perform the duties of a guardian.

(b) The secretary of social and rehabilitation services for children and families shall establish criteria for determining whether a corporation should be certified as a suitable agency to perform the duties of a guardian. The criteria shall be designed for the protection of the ward and shall include, but not be limited to, the following:

- (1) Whether the corporation is capable of performing the duties of a guardian;
- (2) whether the staff of the corporation is accessible and available to wards and to other persons concerned about their well-being and is adequate in number to properly perform the duties and responsibilities of a guardian;
- (3) whether the corporation is a stable organization which is likely to continue in existence for some time; and
- (4) whether the corporation will agree to submit such reports and answer such questions as the secretary may require in monitoring corporate guardianships.

(c) Application for certification under this section shall be made to the secretary of social and rehabilitation services for children and families in such manner as the secretary may direct. The secretary of social and rehabilitation services for children and families may suspend or revoke certification of a corporation under this section, after notice and hearing, upon a finding that such corporation has failed to comply with the criteria established by rules and regulations under subsection (b). Such corporation shall not be appointed as a guardian during the period of time the certificate is suspended or revoked.

(d) No corporation shall be eligible for appointment as provided for in K.S.A. 59-3068, and amendments thereto, as the guardian of any person if such corporation provides care, treatment or housing to that person or is the owner, part owner or operator of any adult care home, lodging establishment or institution utilized for the care, treatment or housing of that person.

(e) The secretary of social and rehabilitation services for children and families may adopt rules and regulations necessary to administer the provisions of this section.

Sec. 229. K.S.A. 59-3080 is hereby amended to read as follows: 59-3080. (a) At any time the conservator, or the guardian if the guardian has been granted the authority to exercise control or authority over the ward's estate pursuant to subsection (e)(8) of K.S.A. 59-3075, and amendments thereto, may file a verified petition requesting that the court grant authority to the conservator or guardian to establish an irrevocable trust which will enable the conservatee or ward to qualify for benefits from any federal, state or local government program, or which will accelerate the conservatee's or ward's qualification for such benefits.

(b) The petition shall include:

- (1) The conservator's or guardian's name and address, and if the conservator is the petitioner and is both the conservator and the guardian, a statement of that fact, or if the guardian is the petitioner, a statement that the court has previously granted to the

guardian the authority to exercise control or authority over the ward's estate;

(2) the conservatee's or ward's name, age, date of birth, address of permanent residence, and present address or whereabouts, if different from the conservatee's or ward's permanent residence;

(3) the name and address of the conservatee's court appointed guardian, if a guardian has been appointed by the court and is different from the conservator;

(4) the names and addresses of any spouse, adult children and adult grandchildren of the conservatee or ward, and those of any parents and adult siblings of the conservatee or ward, or if no such names or addresses are known to the petitioner, the name and address of at least one adult who is nearest in kinship to the conservatee, or if none, that fact. If no such names and addresses are known to the petitioner, but the petitioner has reason to believe such persons exist, then the petition shall state that fact and that the petitioner has made diligent inquiry to learn those names and addresses;

(5) a statement of whether the secretary of social and rehabilitation services for children and families has an interest in the matter by virtue of the purpose of the trust being to enable the conservatee or ward to qualify for benefits from any program administered by the secretary;

(6) the names and addresses of other persons, if any, whom the petitioner knows to have an interest in the matter, or a statement that the petitioner knows of no other persons having an interest in the matter;

(7) a description of the funds or assets of the conservatee or ward which the petitioner proposes to transfer to a trust;

(8) the factual basis upon which the petitioner alleges the need for such a trust;

(9) the names and addresses of witnesses by whom the truth of this petition may be proved; and

(c) The petition shall be accompanied by a draft of the instrument by which the trust is proposed to be established.

(d) Upon the filing of such a petition, the court shall issue an order fixing the date, time and place of a hearing upon the petition, which hearing may be held forthwith and without further notice if those persons named within the petition pursuant to the requirements of subsections (b)(4), (b)(5) and (b)(6), as applicable, have entered their appearances, waived notice and agreed to the court's granting to the conservator or guardian the authority to establish the proposed trust. Otherwise, the court shall require the petitioner to give notice of this hearing to such persons and in such manner as the court may direct, including therewith a copy of the proposed trust instrument. This notice shall advise such persons that if they have any objections to this authority being granted to the conservator or guardian, that they must file their written objections with the court prior to the scheduled hearing or that they must appear at the hearing to present those objections. The court may appoint an attorney to represent the conservatee or ward in this matter similarly as provided for in subsection (a)(3) of K.S.A. 59-3063, and amendments thereto, and in such event, the court shall require the petitioner to also give this notice to that attorney.

(e) At the conclusion of the hearing, if the court finds by a preponderance of the evidence that:

(1) The establishment of such a trust will enable the conservatee or ward to qualify for benefits from any federal, state or local government program, or will accelerate the qualification of the conservatee or ward for such benefits;

(2) the conservatee or ward will be the sole beneficiary of such trust;

(3) the term of the trust will not extend beyond the lifetime of the conservatee or ward;

(4) the provisions of the trust will provide for the distribution of the trust estate for the benefit of the conservatee or ward for special needs not satisfied from governmental benefits and that such distributions made for special needs not satisfied from governmental benefits will only be made in similar manner and under similar circumstances as the conservatee's or ward's estate would otherwise have been distributed by the conservator or guardian for the benefit of the conservatee or ward had the trust not been established;

(5) if the provisions of the trust will grant discretion to the trustee to terminate the trust during the lifetime of the conservatee or ward, that such provisions shall preclude the exercise thereof if such termination of the trust will disqualify the conservatee or ward from being eligible for any governmental benefits; and

(6) the provisions of the trust will provide that, upon termination of the trust, the remaining trust estate will first be expended to reimburse the governmental entities for the benefits which have been provided to the conservatee or ward, if such reimbursement was ever required as a condition for the conservatee's or ward's qualification for such benefits, and then any remaining balance shall be paid over and assigned as follows:

(A) To the conservator, if the termination occurs during the lifetime of the conservatee and the conservatorship remains open, or to the guardian, if the termination occurs during the lifetime of the ward and the guardianship remains open, or to the conservatee or ward, in the event the conservatorship or guardianship has been terminated and the conservatee or ward has been restored to capacity; or

(B) if the termination of the trust occurs by virtue of the conservatee's or ward's death, as follows: (i) If a testamentary power of appointment was granted to the conservatee or ward in the trust instrument, pursuant to the conservatee's or ward's valid exercise of such testamentary power of appointment which specifically references such power of appointment; or (ii) in the absence of any such power of appointment or to the extent such power was not validly exercised by the conservatee or ward over the entirety of the trust assets, to: (a) The devisees and legatees the trustee determines would have otherwise received such trust assets, and in the manner they would have received it, under the provisions of the conservatee's or ward's last will and testament had such last will and testament been admitted to probate and the trust assets constituted a portion of the conservatee's or ward's estate; (b) in the absence of a valid duly probated last will and testament of the conservatee or ward, the persons who would have received such trust assets, and in the manner they would receive it, under the intestacy laws of the state of residence of the conservatee or ward at the time of the death of the conservatee or ward had such trust assets constituted a portion of the estate of the conservatee or ward; or (c) the personal representative of the estate of the conservatee or ward, then the court may grant to the conservator or guardian the authority to establish such a trust and to transfer specified property or assets from the conservatee's or ward's estate to the trust. The court shall order the conservator or

guardian to report any such transfer within the conservator's or guardian's next accounting as required by K.S.A. 59-3083, and amendments thereto.

(f) The court may require as a condition of the court's granting to the conservator or guardian the authority to establish such a trust that the sole trustee of the trust be the court appointed conservator or guardian, and that the conservator or guardian, acting as the trustee, shall be subject to the same requirements and limitations as provided for in this act concerning conservatorships and shall report and account to the court concerning the trust estate the same as if the trust estate remained within the conservatee's or ward's estate.

Sec. 230. K.S.A. 59-3094 is hereby amended to read as follows: 59-3094. (a) In each proceeding the court shall allow and order paid to any individual or institution as a part of the costs thereof a reasonable fee and expenses for any professional services ordered performed by the court pursuant to this act other than those performed by any individual or institution under the jurisdiction of the department of social and rehabilitation services Kansas department for children and families, but including the fee of counsel for the proposed ward or proposed conservatee or ward or conservatee when counsel is appointed by the court. The court may allow and order paid the fee of counsel for the petitioner and any respondent. Other costs and fees may be allowed and paid as are allowed by law for similar services in other cases. The costs shall be taxed to the estate of the proposed ward or proposed conservatee or ward or conservatee, to those bound by law to support the proposed ward or proposed conservatee or ward or conservatee, to other parties whenever it would be just and equitable to do so, or to the county of residence of the proposed ward or proposed conservatee or ward or conservatee as the court having venue shall direct.

(b) In any contested proceeding or matter the court, in its discretion, may require one or more parties to give security for the costs thereof, or in lieu thereof to file a poverty affidavit as provided for in the code of civil procedure.

(c) Any district court receiving a statement of costs from another district court shall approve the same for payment out of the general fund of its county except that it may refuse to approve the same for payment only on the grounds that the proposed ward or proposed conservatee or ward or conservatee is not a resident of that county. In such case it shall transmit the statement of costs to the secretary of social and rehabilitation services for children and families who shall determine the question of residence and certify those findings to each district court. If the claim for costs is not paid within 30 days after such certification, an action may be maintained thereon by the claimant county in the district court of the claimant county against the debtor county. The findings made by the secretary of social and rehabilitation services for children and families as to the residence of the proposed ward or proposed conservatee or ward or conservatee shall be applicable only to the assessment of costs. Any county of residence which pays from its general fund court costs to the district court of another county may recover the same in any court of competent jurisdiction from the estate of the proposed ward or proposed conservatee or ward or conservatee or from those bound by law to support the proposed ward or proposed conservatee or ward or conservatee, unless the court finds that the proceedings in which such costs were incurred were instituted without good cause and not in good faith.

(e) The provisions of this section shall not apply to any state officer who has elected to remain eligible for assistance by the state board of regents as provided in subsection (a) of K.S.A. 74-4925, and amendments thereto.

Sec. 303. K.S.A. 2013 Supp. 74-4927 is hereby amended to read as follows: 74-4927. (1) The board may establish a plan of death and long-term disability benefits to be paid to the members of the retirement system as provided by this section. The long-term disability benefit shall be payable in accordance with the terms of such plan as established by the board, except that for any member who is disabled prior to the

effective date of this act, the annual disability benefit amount shall be an amount equal to $66\frac{2}{3}\%$ of the member's annual rate of compensation on the date such disability commenced. Such plan shall provide that:

(A) For deaths occurring prior to January 1, 1987, the right to receive such death benefit shall cease upon the member's attainment of age 70 or date of retirement whichever first occurs. The right to receive such long-term disability benefit shall cease (i) for a member who becomes eligible for such benefit before attaining age 60, upon the date that such member attains age 65 or the date of such member's retirement, whichever first occurs, and (ii) for a member who becomes eligible for such benefit at or after attaining age 60, the date that such member has received such benefit for a period of five years, or upon the date of such member's retirement, whichever first occurs.

(B) Long-term disability benefit payments shall be in lieu of any accidental total disability benefit that a member may be eligible to receive under subsection (3) of K.S.A. 74-4916, and amendments thereto. The member must make an initial application for social security disability benefits and, if denied such benefits, the member must pursue and exhaust all administrative remedies of the social security administration which include, but are not limited to, reconsideration and hearings. Such plan may provide that any amount which a member receives as a social security benefit or a disability benefit or compensation from any source by reason of any employment including, but not limited to, workers compensation benefits may be deducted from the amount of long-term disability benefit payments under such plan. However, in no event shall the amount of long-term disability benefit payments under such plan be reduced by any amounts a member receives as a supplemental disability benefit or compensation from any source by reason of the member's employment, provided such supplemental disability benefit or compensation is based solely upon the portion of the member's monthly compensation that exceeds the maximum monthly compensation taken into account under such plan. As used in this paragraph, "maximum monthly compensation" means the dollar amount that results from dividing the maximum monthly disability benefit payable under such plan by the percentage of compensation that is used to calculate disability benefit payments under such plan. During the period in which such member is pursuing such administrative remedies prior to a final decision of the social security administration, social security disability benefits may be estimated and may be deducted from the amount of long-term disability benefit payments under such plan. If the social security benefit, workers compensation benefit, other income or wages or other disability benefit by reason of employment other than a supplemental benefit based solely on compensation in excess of the maximum monthly compensation taken into account under such plan, or any part thereof, is paid in a lump-sum, the amount of the reduction shall be calculated on a monthly basis over the period of time for which the lump-sum is given. As used in this section, "workers compensation benefits" means the total award of disability benefit payments under the workers compensation act notwithstanding any payment of attorney fees from such benefits as provided in the workers compensation act.

(C) The plan may include other provisions relating to qualifications for benefits; schedules and graduation of benefits; limitations of eligibility for benefits by reason of termination of employment or membership; conversion privileges; limitations of eligibility for benefits by reason of leaves of absence, military service or other

interruptions in service; limitations on the condition of long-term disability benefit payment by reason of improved health; requirements for medical examinations or reports; or any other reasonable provisions as established by rule and regulation of uniform application adopted by the board.

(D) Any visually impaired person who is in training at and employed by a sheltered workshop for the blind operated by the secretary of social and rehabilitation services for children and families and who would otherwise be eligible for the long-term disability benefit as described in this section shall not be eligible to receive such benefit due to visual impairment as such impairment shall be determined to be a preexisting condition.
