§ 7. This section was eliminated by the 1974 revision of this article.

§ 8. **Organization and sessions.**—The legislature shall meet in regular session annually commencing on the second Monday in January, and all sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over the house of representatives. A majority of the members then elected (or appointed) and qualified of the house of representatives or the senate shall constitute a quorum of that house. Neither house, without the consent of the other, shall adjourn for more than two days, Sunday excepted.

When a report or return of an executive reorganization is made, it and all resolutions for approval or disapproval thereof shall be made the special order of business in accordance with Rule 6 (special order of business) at a time not later than the last day the executive reorganization order may be disapproved under section 6 of article 1 of the Constitution of Kansas. In such event, the President shall appoint a select committee for consideration thereof composed of five Senators, no more than three of whom shall be members of the same political party, and none of whom shall have signed the complaint to be considered. The select committee may dismiss the complaint after inquiry or may set the matter for hearing. Reasonable notice and an opportunity to appear shall be afforded the Senator against whom a complaint has been filed. Select committees meeting under authority of this section shall be authorized to meet and exercise compulsory process without further authorization, subject only to the limitations and conditions prescribed in article 10 of chapter 46 of Kansas Statutes Annotated. Upon completing its hearing and deliberations thereon the select committee may dismiss the complaint or may submit a recommendation to the full Senate for censure or expulsion, and upon receiving such report the Senate may without further hearing or investigation censure or expel the member against whom the complaint was filed. JOINT RULES OF THE SENATE AND
HOUSE OF REPRESENTATIVES
2013-2014

Joint rule 1. Joint rules; application and date of expiration; adoption, amendment, suspension and revocation. (a) *Joint rules; expiration, adoption, amendment, suspension and revocation; vote required.* Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) *Amendment, suspension or revocation of joint rules; previous notice; vote required.* After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of $\frac{2}{3}$ of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) *Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions.* Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president, and (2) either (a) a copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint rule 2. Joint sessions. (a) *Joint session called by concurrent resolution; vote required; time, place and subject matter.* A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) *Presiding officer at joint sessions; record of joint session; rules applicable.* The speaker of the house of representatives shall preside at all joint sessions of the senate

and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) *Votes in joint session; taking; requirements.* All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

Joint rule 3. Conference committee procedure. (a) *Action by house of origin of bill or concurrent resolution amended by other house.* When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) *Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur.* The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) *Motion to nonconcur; when considered final action; effect of adoption of motion.* A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) *House of origin refusal to concur or nonconcur; request for conference; procedure.* When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and

voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) *Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee.* Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not less than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) *Conference committee reports; subject matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business.* Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative

vote of $\frac{2}{3}$ of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) *Signatures required on conference committee reports.* All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) *Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report.* The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) *Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee.* If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) *Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year.* Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

Joint rule 4. Deadlines for introduction and consideration of bills. The senate and house of representatives shall observe the following schedule of deadlines in making

requests for drafting and in the introduction and consideration of bills.

(a) *Bill request deadline for individual members.* Except for bills introduced pursuant to (i) of this rule, no request to draft bills, except those made by committees, through their respective chairpersons, shall be made to, or accepted by, the office of the revisor of statutes after the hour of 5:00 p.m. on February 4, 2013, during the 2013 regular session and on February 3, 2014, during the 2014 regular session.

(e) *House of origin bill consideration deadline.* No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered in the house in which such bill originated after the hour of adjournment on March 1, 2013, during the 2013 regular session and on February 28, 2014, during the 2014 regular session.

(f) *Second house bill consideration deadline.* No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered by either house, not the house of origin of such bill, after the hour of adjournment on March 27, 2013, during the 2013 regular session and March 26, 2014, during the 2014 regular session.

(g) *Exceptions to limitation of (d), (e) and (f); procedure.* Specific exceptions to the

limitations prescribed in subsections (d), (e) and (f) may be made in either house by resolution adopted by the affirmative vote of not less than a majority of the members of such house then elected (or appointed) and qualified.

(h) *Deadline which falls on day neither house in session; effect.* In the event that any deadline prescribed in this rule falls on a day that neither house of the legislature is in session, such deadline shall be observed on the next following day that either house is in session.

(i) *Bills introduced in odd-numbered years after deadlines; effect.* Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next succeeding regular session held in an even-numbered year.

(j) *Modification of schedule of deadlines for introduction and consideration of bills; procedure.* In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

(k) *Bill consideration deadline; exceptions.* No bills shall be considered by the Legislature after April 5, 2013, during the 2013 regular session and after April 4, 2014, during the 2014 regular session except bills vetoed by the Governor, the omnibus appropriation act and the omnibus reconciliation spending limit bill provided for under K.S.A. 75-6702, and amendments thereto. This subsection (k) may be suspended for the consideration of a specific bill or bills not otherwise exempt under this subsection by the affirmative vote of a majority of the members then elected (or appointed) and qualified in the house in which the bill is to be considered.

Unless by majority consent to correct an error in drafting, no amendment from the floor in either house of the legislature to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill. Notwithstanding any rule in either house of the legislature, those portions of a motion to amend a bill as described in this rule shall be indivisible.

POINT OF PERSONAL PRIVILEGE

Senator Haley rose on a Point of Personal Privilege to recognize the life and legacy of Dr. Martin Luther King:

Fellow Members of the Kansas Senate: You know, I just realized that this address today marks my twentieth to the Legislature; 6 in the House and 14 here on the Senate floor imploring you and many of our predecessors to make something meaningful of this weekend; something exemplary of this Holiday, and not just treat it as some “another day off,” post Christmas and New Year’s. Maybe to punctuate the sincerity and, as always, the urgency, maybe we should probably refer to this appeal as the first time since the completion of the beautifully remodeled Statehouse dome that’s just been finished prior to the start of this Session; and its reminder underneath of the precepts of “liberty and justice” for all.

So thank you for allowing today for me to try to not only salute but to implore a responsible implementation of the true meaning of the holiday weekend before us: the celebration of human equality and civil rights represented by the legacy of Dr. Martin Luther King Jr. Mr. Vice President, remembering the first such appeal (which was promoted during my very first week in the Kansas Legislature by former House Speaker Tim Shallenburger and House Minority Leader Tom Sawyer BOTH of whom I visited together with fondly about this “anniversary” last night after the State of the State address), I remember the “tag” team of the remembrance (which would continue those 6 years) with the gentle and committed Rep. Mike Farmer (whose memory is indelibly

engraved in my heart) who would recount the biographical events of Dr. King's life and I would follow with some remarks.

Michelle and my first (now of four!) born, Mariah (who is with us today on the Senate floor; still home on break from her first year at Wellesley), was half-way through gestation but not even near birth when I nervously stood before so many strangers in the big House Chamber, again during the very first week of elected service, and asked of you, to honor this hard fought for truly unique AMERICAN Holiday with joy and thanksgiving; to share among our constituencies as leaders that this is ALL of our Holiday...that it doesn't belong to your political party or to mine, or to your religion or to mine, or to any of the tenets that are often used to divide AMERICANS but the Martin Luther King Holiday belongs to us ALL. It belongs to us ALL. And, it is fitting to share that ownership, with pride, to those we are elected to speak for, and speak TO.

The Senate Chaplain just bade us pray for the marvel of our diversity. We are to address the Senate on this occasion as I do every year. While it is an annual affair, it is not one to be merely observed. We must use this holiday as an opportunity to remember the legacy of Dr. King while we move forward and follow the example he set.

As we begin this new year and this new legislative session, I implore you, my colleagues, to reflect upon Dr. King's values and leadership; to remember him as a passionate and empathetic leader; one who emphasized love above hate, and compassion above selfishness. He knew how to unite people through our similarities rather than further find ways to divide us by perceived differences.

When my truck broke down after midnight last night on a near freezing highway, the multi-hued collective: brown, white and black pulled together to help; as we can all, irrespective of color, as AMERICANS pull together to advance our collective well-being.

Late last year, the world lost another great leader who shared that message. Similar to Dr. King, Nelson Mandela grew up in a divided society during a time of deep racism and hatred that permeated through nearly every aspect of life. Mandela fought to end forced racial segregation in South Africa and for that advocacy, he'd serve 27 years as a political prisoner. But he did not hold animosity towards his captors; he forgave them and would go on to lead all South Africans in a peaceful and democratic nation; one no longer openly divided by apartheid: "For to be free is not merely to cast off one's chains, but to live in a way that respects and enhances the freedom of others."

The message of these great leaders is as relevant today as it ever was. We can move away, not towards, the often times polarization of our politics. This weekend is a celebration not of a man as much as a movement and also a celebration of every man and woman who holds the values of freedom and of equal respect for all. As Senators, we can continue to move forward with the dream of a world defined not by our differences, but by what brings us together. "Take the first step in faith. You don't have to see the whole staircase, just take the first step." Have a safe and reverent Martin Luther King Holiday.

SPECIAL REMARKS

Senator Faust-Goudeau recognized Joseph Elmore, Wichita, Pastor Tony Stanley, Topeka, and Shur'dell Drath'at, who were the Governor's escorts for the special ceremony in recognition of Martin Luther King's life and legacy. The Senators recognized them with a standing ovation.

Merciful God, your servant Martin Luther King Jr. told us that "Faith is taking the first step even when you don't see the whole staircase" and that "Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that." One of the more curious inventions of our time, oh Lord, is the cell phone. As the session continues the amount of paper used might bury a small home. Through an amazing process, paper comes from wood pulp that is squeezed and pressed into a given shape and size. "Sec. 3. K.S.A. 2013 Supp. 21-6617 is hereby amended to read as follows: 21-6617. (a) If a defendant is charged with capital murder, the county or district attorney

shall file written notice if such attorney intends, upon conviction of the defendant, to request a separate sentencing proceeding to determine whether the defendant should be sentenced to death. In cases where the county or district attorney or a court determines that a conflict exists, such notice may be filed by the attorney general. Such notice shall be filed with the court and served on the defendant or the defendant's attorney not later than seven days after the time of arraignment. If such notice is not filed and served as required by this subsection, the prosecuting attorney may not request such a sentencing proceeding and the defendant, if convicted of capital murder, shall be sentenced to life without the possibility of parole, and no sentence of death shall be imposed hereunder.

(b) Except as provided in K.S.A. 2013 Supp. 21-6618 and 21-6622, and amendments thereto, upon conviction of a defendant of capital murder, the court, upon motion of the prosecuting attorney, shall conduct a separate sentencing proceeding to determine whether the defendant shall be sentenced to death. The proceeding shall be conducted by the trial judge before the trial jury as soon as practicable. If any person who served on the trial jury is unable to serve on the jury for the sentencing proceeding, the court shall substitute an alternate juror who has been impaneled for the trial jury. If there are insufficient alternate jurors to replace trial jurors who are unable to serve at the sentencing proceeding, the trial judge may summon a special jury of 12 persons which shall determine the question of whether a sentence of death shall be imposed. Jury selection procedures, qualifications of jurors and grounds for exemption or challenge of prospective jurors in criminal trials shall be applicable to the selection of such special jury. The jury at the sentencing proceeding may be waived in the manner provided by K.S.A. 22-3403, and amendments thereto, for waiver of a trial jury. If the jury at the sentencing proceeding has been waived or the trial jury has been waived, the sentencing proceeding shall be conducted by the court.

(c) In the sentencing proceeding, evidence may be presented concerning any matter that the court deems relevant to the question of sentence and shall include matters relating to any of the aggravating circumstances enumerated in K.S.A. 2013 Supp. 21-6624, and amendments thereto, and any mitigating circumstances. Any such evidence which the court deems to have probative value may be received regardless of its admissibility under the rules of evidence, provided that the defendant is accorded a fair opportunity to rebut any hearsay statements. Only such evidence of aggravating circumstances as the state has made known to the defendant prior to the sentencing proceeding shall be admissible, and no evidence secured in violation of the constitution of the United States or of the state of Kansas shall be admissible. No testimony by the defendant at the sentencing proceeding shall be admissible against the defendant at any subsequent criminal proceeding. At the conclusion of the evidentiary presentation, the court shall allow the parties a reasonable period of time in which to present oral argument.

(d) At the conclusion of the evidentiary portion of the sentencing proceeding, the court shall provide oral and written instructions to the jury to guide its deliberations.

(e) If, by unanimous vote, the jury finds beyond a reasonable doubt that one or more of the aggravating circumstances enumerated in K.S.A. 2013 Supp. 21-6624, and amendments thereto, exist and, further, that the existence of such aggravating circumstances is not outweighed by any mitigating circumstances which are found to exist, the defendant shall be sentenced to death; otherwise, the defendant shall be sentenced to life without the possibility of parole. The jury, if its verdict is a unanimous

recommendation of a sentence of death, shall designate in writing, signed by the foreman of the jury, the statutory aggravating circumstances which it found beyond a reasonable doubt. If, after a reasonable time for deliberation, the jury is unable to reach a verdict, the judge shall dismiss the jury and impose a sentence of life without the possibility of parole and shall commit the defendant to the custody of the secretary of corrections. In nonjury cases, the court shall follow the requirements of this subsection in determining the sentence to be imposed.

(f) Notwithstanding the verdict of the jury, the trial court shall review any jury verdict imposing a sentence of death hereunder to ascertain whether the imposition of such sentence is supported by the evidence. If the court determines that the imposition of such a sentence is not supported by the evidence, the court shall modify the sentence and sentence the defendant to life without the possibility of parole, and no sentence of death shall be imposed hereunder. Whenever the court enters a judgment modifying the sentencing verdict of the jury, the court shall set forth its reasons for so doing in a written memorandum which shall become part of the record.

(g) A defendant who is sentenced to imprisonment for life without the possibility of parole shall spend the remainder of the defendant's natural life incarcerated and in the custody of the secretary of corrections. A defendant who is sentenced to imprisonment for life without the possibility of parole shall not be eligible for commutation of sentence, parole, probation, assignment to a community correctional services program, conditional release, postrelease supervision, functional incapacitation release pursuant to K.S.A. 22-3728, and amendments thereto, or suspension, modification or reduction of sentence. Upon sentencing a defendant to imprisonment for life without the possibility of parole, the court shall commit the defendant to the custody of the secretary of corrections and the court shall state in the sentencing order of the judgment form or journal entry, whichever is delivered with the defendant to the correctional institution, that the defendant has been sentenced to imprisonment for life without the possibility of parole.";

(E) The period of postrelease supervision provided in subparagraphs (A) and (B) may be reduced by up to 12 months and the period of postrelease supervision provided in subparagraph (C) may be reduced by up to six months based on the offender's compliance with conditions of supervision and overall performance while on postrelease supervision. The reduction in the supervision period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.

(F) In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

(G) Except as provided in subsection (u), persons convicted of a sexually violent crime committed on or after July 1, 2006, and who are released from prison, shall be released to a mandatory period of postrelease supervision for the duration of the person's natural life.

(G) aggravated indecent solicitation of a child, K.S.A. 21-3511, prior to its repeal, or subsection (b) of K.S.A. 2013 Supp. 21-5508, and amendments thereto;

(H) sexual exploitation of a child, K.S.A. 21-3516, prior to its repeal, or K.S.A.

2013 Supp. 21-5510, and amendments thereto;

(I) aggravated sexual battery, K.S.A. 21-3518, prior to its repeal, or subsection (b) of K.S.A. 2013 Supp. 21-5505, and amendments thereto;

(J) aggravated incest, K.S.A. 21-3603, prior to its repeal, or subsection (b) of K.S.A. 2013 Supp. 21-5604, and amendments thereto;

(K) aggravated human trafficking, as defined in K.S.A. 21-3447, prior to its repeal, or subsection (b) of K.S.A. 2013 Supp. 21-5426, and amendments thereto, if committed in whole or in part for the purpose of the sexual gratification of the defendant or another;

(L) commercial sexual exploitation of a child, as defined in K.S.A. 2013 Supp. 21-6422, and amendments thereto; or

(M) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 21-3301, 21-3302 or 21-3303, prior to their repeal, or K.S.A. 2013 Supp. 21-5301, 21-5302 or 21-5303, and amendments thereto, of a sexually violent crime as defined in this section.

(6) As used in this subsection, "sexually motivated" means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant's sexual gratification.

(e) If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the prisoner review board may postpone the inmate's parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate's parole or conditional release had been violated for reasons other than conviction of a crime.

(f) If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, prior to its repeal, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender's conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the prisoner review board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the prisoner review board.

(g) Subject to the provisions of this section, the prisoner review board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any

agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The prisoner review board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least one month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's family if the family's address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony, the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate's crime or the victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim's family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the board shall consider: (1) Whether the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim's family including in person comments, contemporaneous comments and prerecorded comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive under the Kansas sentencing guidelines for the conduct that resulted in the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the prisoner review board will review the inmate's proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-

5210a, and amendments thereto. The board may not advance or delay an inmate's release date. Every inmate while on postrelease supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) (1) Before ordering the parole of any inmate, the prisoner review board shall have the inmate appear either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate's physical or mental condition or absence from the institution. Every inmate while on parole shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary. Whenever the board formally considers placing an inmate on parole and no agreement has been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the board shall notify the inmate in writing of the reasons for not granting parole. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate has not satisfactorily completed the programs specified in the agreement, or any revision of such agreement, the board shall notify the inmate in writing of the specific programs the inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to 10 years, but any such deferral shall require the board to state the basis for its findings.

(2) Inmates sentenced for a class A or class B felony who have not had a board hearing in the five years prior to July 1, 2010, shall have such inmates' cases reviewed by the board on or before July 1, 2012. Such review shall begin with the inmates with the oldest deferral date and progress to the most recent. Such review shall be done utilizing existing resources unless the board determines that such resources are insufficient. If the board determines that such resources are insufficient, then the provisions of this paragraph are subject to appropriations therefor.

(k) (1) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(2) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to search or seizure by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment.

(3) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to search or seizure by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity. Any law enforcement officer who conducts such a search shall submit a written report to the appropriate parole officer no later than the close of the next business day after such search. The written report shall include the facts leading to such search, the scope of such search and any findings resulting from such search.

(l) The prisoner review board shall promulgate rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the prisoner review board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized not-for-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable;

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. Journal of the Senate

TWELFTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, January 29, 2014, 2:30 p.m.

The Senate was called to order by President Susan Wagle.

The roll was called with thirty-nine senators present.

The President introduced guest chaplain, Reverend Dr. Bruce L. Emmert, First United Methodist Church, Topeka, who delivered the invocation:

Lord, our God, whose love is showered upon all people with an abundance that exceeds our imagination, sovereign Lord, whose grace and mercy is the very air which our spirits need in order to survive. On this Kansas Day, pour out upon this Senate and upon all people of Kansas your redeeming love, your saving grace and your unmerited mercy.

And as you drench our souls with your love, grace and mercy remind us that we are all parched as dust without them. Remind us of our frailties, remind us of our shortcomings, remind us of our sinfulness for truly there are none who are righteous, no not one – not one preacher, not one politician, not one citizen, not one servant of the people. We admit Lord, that we are parched as dust without your love and grace and mercy. And so we rejoice in the abundance of your love, in the richness of your grace and in the lavishness of your mercy.

Teach us to be as generous toward one another in this chamber as you are toward us.

Remind us each day that the fellow senator sitting next to us in committee meetings wants the best for the people of Kansas, just as we do, and that the person sitting across the aisle has as bright a hope for each citizen, as we do.

Give us patience with each other as we seek solutions to problems that defy easy answers.

We pray for our Governor, Sam Brownback, that you give him wisdom and discernment as he seeks to be the leader of our beloved state.

We pray for our colleagues in the House, that you give them a statewide vision for their work.

We pray for our state employees, who live out the programs and policies enacted by our elected leaders.

We give thanks on this Kansas Day for our Forefathers and Foremothers who planted our roots deeply into Kansas soil.

And especially today we once more pray for the Kansas Senate. We give you thanks loving, gracious and merciful Lord, for one another in this chamber who have offered

themselves to the people of Kansas to act as both servant and leader. We give you thanks for one another, O God. We give you thanks.

In the name of the One upon whose love, grace and mercy we depend. Amen

The Pledge of Allegiance was led by President Susan Wagle.

THIRTEENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, January 30, 2014, 2:30 p.m.

The Senate was called to order by Vice President Jeff King.
The roll was called with thirty-nine senators present.
Invocation by Father Don Davidson:

Sometimes, history reminds us of things we would rather forget. On this date in 1968 the “Tet” Offensive began hostile attacks against US and other forces in South Vietnam. The loss of life from these attacks on both sides of the war was extensive, adding to death counts of a long and costly conflict. For those of us who learned of the death of fathers and big brothers away at war, the news was painful and life-altering, and now it seems so far away and long ago. Let us remember on this day the lives lost, the lives forever changed, and those that never came home because of war, and pray that in the days ahead we human beings can find a better way leading to peace on all of your earth. In your holy name we pray. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

FIFTEENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, February 3, 2014, 2:30 p.m.

The Senate was called to order by President Susan Wagle.
Invocation by Father Don Davidson:

Charles Bokowski said, "We are here to laugh at the odds and live our lives so well that Death will tremble to take us." Neither Denver nor Seattle had a clue which team might come out ahead at the beginning of the big game yesterday. The predictions made following the game were almost always correct. Each day affords us a new opportunity to listen a little more earnestly and open our minds and eyes to new revelation. Help us to see your hand at work O Lord, in all people. In your holy name we pray. Amen

The Pledge of Allegiance was led by President Susan Wagle.

COMMUNICATIONS FROM STATE OFFICERS

STATE OF KANSAS
SECRETARY OF STATE

To all to whom these presents shall come, Greetings:

I, KRIS W. KOBACH, Secretary of State of the State of Kansas, do hereby certify that Douglas Clark Shultz, McPherson, was appointed by the Governor effective February 3, 2014, for the unexpired term, Thirty Fifth Senatorial District, to fill the vacancy created by the resignation of Jay Scott Emler.

IN TESTIMONY WHEREOF, I have hereunto subscribed my name and caused to be affixed my official seal this 3rd day of February, A.D. 2014.

KRIS W. KOBACH
Secretary of State

President Wagle requested Senator Bruce escort Senator Clark Shultz and his wife to the front of the Senate. The President introduced the Honorable Lawton Nuss, Chief Justice, Supreme Court of Kansas, who administered the Oath of Office.

OATH OF OFFICE
STATE OF KANSAS, COUNTY OF SHAWNEE, ss:

I do solemnly swear, or affirm, that I will support the Constitution of the United States, and the Constitution of the State of Kansas, and will faithfully discharge the

duties of the office of the State Senator of the 35th District. So help me God.

Subscribed and Sworn to, or Affirmed, before me this 3rd day of February, 2014.

LAWTON NUSS

Chief Justice of the Supreme Court

Senator Shultz introduced his wife, Lori, daughters, Abby, Anna, Bethany, and son Alex. Also mentioned were two other children unable to attend.

SPECIAL REMARKS

Madam President: I would like to thank the Chief Justice of the Kansas Supreme Court for being here today. Many years ago I was able to be in this building with my father and was able to watch him argue cases on appeal in what is now the Old Supreme Court Room. My father passed away 32 years ago, and he never got to see me serve in the legislature. The presence of the Chief Justice, and his willingness to administer my oath of office, is both meaningful and appreciated.

Madam President, in 1990 a young woman knocked on my door when my family was living in East Wichita. She was running for the Kansas House of Representatives. My wife and I liked her cheerful attitude and her common sense, so we supported her, voted for her, and she was elected. A few years later when I was elected to the House of Representatives, I had the privilege of supporting the same young woman for a leadership position and she was elected as Speaker Pro-Tem. Who could have imagined that so many years after a simple conversation on a front porch that today I would again have a conversation with that same remarkable woman, only this time it would be between a newly elected senator, and the President of the Senate? Madam President, I am so honored to be here, and so very proud of what you have accomplished.

I would like to introduce my wife Lori, my son John, who is an attorney in Kansas City, and his wife Dana who are not able to be here; my daughter Abby who is a 5th grade teacher at Elyria Christian School. My daughter Sarah is in The Republic of Congo with Mercy Ships. She lives on a floating hospital called the Africa Mercy and is helping save and change lives. My son Alex is an 8th grader, my daughter Anna is a 7th grader, and my daughter Bethany is a 3rd grader. Madam President, I want to thank you, our Vice-President, Majority Leader, Minority Leader, and each member of this Chamber for their kindness. Thank you very much. – CLARK SHULTZ

The roll was called with thirty-nine senators present.
Senator Faust-Goudeau was excused.

POINT OF PERSONAL PRIVILEGE

Senator Lynn rose on a Point of Personal Privilege to share remarks on behalf of Representative Marvin Kleeb upon the death of his wife, Nancy.

“I want to thank everyone in the Senate for all of the support, condolences and expressions of sympathy during this difficult time. My family and I greatly appreciate the cards, emails, phone calls and your presence at the visitation and funeral.

As you know, my wonderful wife, Nancy, lost her battle with pancreatic cancer. And, I want to thank the members here who have contributed in memory of Nancy to the Pancreatic Cancer Action Network. We must continue our research for a cure and for

earlier and better detection so other victims and their loved ones will not experience this pain.

It's at a time like this we realize how important our friends are to us. The legislature is made up of kind, caring and decent people. I am most fortunate to have you as my colleagues and friends. God bless each and every one of you." – MARVIN KLEEB

A baby hippopotamus spent all day looking for his parents but could not find them and was getting more and more worried. The parents had no fear, as they stood on a ridge high above the swamp and could see their child, but the baby, like all hippopotami was unable to look up. Let us learn, O Lord, from this story that sometimes we can be so sure of ourselves that we fail to see the good around us. Help us, dear God, to look up and out and see you and hear you in all the hours that make up our days. In your holy name we pray. Amen

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator McGinn introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1779—

A RESOLUTION commemorating the 10th Anniversary
of National Wear Red Day.

WHEREAS, Heart disease is the number one killer of women, yet is often preventable; and

WHEREAS, Cardiovascular diseases cause one in three women's deaths each year, killing approximately one woman every minute; and

WHEREAS, An estimated 43 million women in the United States are affected by cardiovascular diseases; and

WHEREAS, Heart disease kills more women than all forms of cancer combined, but is often undiagnosed; and

WHEREAS, Ninety percent of women have one or more risk factors for developing heart disease, yet only one in five American women believes that heart disease is her greatest health threat; and

WHEREAS, Women comprise only 24% of participants in all heart-related studies; and

WHEREAS, Since 1984, more women than men have died each year from heart disease and the gap between men's and women's survival continues to widen; and

WHEREAS, Women are less likely to call 911 for themselves when experiencing symptoms of a heart attack than they are if someone else were having a heart attack; and

WHEREAS, The American Heart Association's Go Red For Women movement has been impacting the health of women for 10 years. More than 627,000 women's lives have been saved and 330 fewer women are dying every day; and

WHEREAS, In celebration of the 10th Anniversary of National Wear Red Day on February 7, 2014, Go Red For Women is asking all women across America to 'Go Red' by wearing red and speaking about awareness. Women can prevent heart disease by: Asking their doctors to check their blood pressure and cholesterol; stopping smoking, losing weight, exercising and eating healthy; realizing their risk, since heart disease is the cause of one in three female deaths each year; making healthy food choices for themselves and their families and teaching their children the importance of staying active; and by telling every woman they know that heart disease is their number one killer; and

WHEREAS, By increasing awareness, speaking up about cardiovascular disease and empowering women to reduce their risk, thousands of women's lives can be saved each year. Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we commemorate the 10th Anniversary of National Wear Red Day and urge all citizens to show their support for women and the fight against heart disease by wearing the color red; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to Senator McGinn.

Senators Apple, Donovan, Faust-Goudeau, Haley, Holmes, Longbine and Masterson were excused.

Invocation by Father Don Davidson:

Last Sunday was a less than religious event known as Ground Hog Day when the curious and questionable meteorological ability of a subterranean rodent is placed in the forefront. We are told that we have six more weeks of winter, which, with respect to the obvious, would be true no matter of the specifics of a critter's criteria. We may not appreciate it, but we really have no control over the weather and today may highlight that reality. Let us remember our utter dependence on you, Our God, for all things necessary for life and our role as caretaker of your creation, even scene stealing rodents. In your name we pray. Amen

The Pledge of Allegiance was led by President Susan Wagle.

EXPLANATION OF VOTE

Madam President: I vote NO on **SB 276**. I understand that there is concern regarding the possible listing of the Lesser Prairie Chicken as a threatened species under the federal Endangered Species Act by the US Fish and Wildlife Service. I am pleased that the Kansas Department of Wildlife, Parks and Tourism has responded appropriately by working on a voluntary range-wide mitigation plan with wildlife officials in four other states in an effort to develop a plan that could supplant the listing. The action that the Senate is taking on this bill could endanger those efforts. I also suggest, as I attempted to do with an amendment that failed, that if the Senate believes it necessary to block federal law, we could ask the Attorney General to address our concerns in court. I believe that would be a much more appropriate way to question the constitutionality of

the federal action. Most importantly, Kansans have expressed interest in maintaining quality habitat for wildlife and this action may indicate we are not listening to that concern. – MARCI FRANCISCO

Senator Hawk requests the record to show that he concurs with the "Explanation of Vote" offered by Senator Francisco on **SB 276**.

Madam President: I vote no on **SB 276** because it will lead to expensive litigation and cost our state money in trying to supersede the Federal Endangered Species Act. Wildlife officials have already worked on a five-state Lesser Prairie Chicken Rangeland Conservation Plan. The end result of the work will be to ensure the lesser prairie chicken is not listed on the threatened and endangered species list. I heard in the debate we should determine these issues individually as a state. If this is the case, why did we sue Colorado for water that belonged to us? Why are we suing Nebraska for not sending us the quality of water we deserve? We acknowledge that water is a shared resource that doesn't stop at state lines, but somehow this bill argues that the Lesser Prairie Chicken does. You would think the bird wouldn't be losing so many numbers if it was smart enough to read the state lines on a map. – CAROLYN MCGINN

Senators Kelly and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator McGinn on **SB 276**.

HB 2296, AN ACT concerning campaign finance; relating to uses of campaign funds; amending K.S.A. 25-4157 and K.S.A. 2012 Supp. 25-4157a and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

Yeas: Abrams, Apple, Arpke, Bowers, Bruce, Denning, Donovan, Faust-Goudeau, Fitzgerald, Francisco, Haley, Hawk, Hensley, Holland, Holmes, Kelly, Kerschen, King, Knox, LaTurner, Longbine, Love, Lynn, Masterson, McGinn, Melcher, O'Donnell, Olson, Ostmeyer, Petersen, Pettey, Pilcher-Cook, Powell, Pyle, V. Schmidt, Shultz, Smith, Tyson, Wagle, Wolf.

EXPLANATION OF VOTE

Madam President: I vote "No" on **S Sub HB 2389**. The death penalty is an immoral, barbaric custom which is slowly losing favor and support amongst every civilized state and nation on Earth; and, deservedly so. First, Government has no business in the execution business. With all appeals (none of which are constitutionally exhausted by this: **S Sub HB 2389**), it is ridiculously expensive. Life Without Parole ("LWOP") is less expensive by far. Secondly, the death penalty has been proven to not deter crime. In

fact, ironically, states WITH a death penalty statute statistically have a higher rate of violent crime. And, Madam President, we all know that the death penalty verdicts, and the harshest of all prison sentences actually, disproportionately affect the poor and minority groups. We all know that is true. But apparently, not all of us here care. That's not "equal justice under the law." Thirdly, Madam President, I vote "No" on **S Sub HB 2389** in that we shouldn't, as a civilized society, hasten, perhaps unconstitutionally, to the taking of any life; especially where an opportunity for a death-staying appeal exists or the opportunity exists for the accused to be proved innocent of the underlying crime. Fourth, yet imagining the horror of a falsely tried, convicted and sentenced man or woman being wrongfully convicted (due in part to the speediness of the process that this bill creates) being actually assassinated by the State of Kansas, this Senate should have adopted an amendment that compensated, at a base of \$5 million, the estate and the legal team that proved his or her innocence and exonerated the executed; posthumously. How inhumane is it, Madam President, to not guarantee some financial relief to those who continued to fight the horror that executed party must have felt for dying, at the hands of the government, for a crime they did not commit? Fifth, our Special Claims Against the State Committee is no relief. The Committee is hesitant to award large sums from the State's budget and, in its bias, traditionally does not. To even suggest that the victim of a speedy death penalty trial resulting in an execution of an innocent party's successors go to the Claims Against the State is inadequate; a hollow farce. Five million set into statute is the beginning of a responsible apology to the family and legal team that vindicated the victim. Sixth, we believe that by rejecting this or some similar commitment, the Senate underscores a barbaric reckless commitment to government-sponsored vengeance and retribution for a horrible crime, at any cost; quickly, and without necessarily an honest regard for the truth as to who actually committed it. – DAVID HALEY

Madam President: The average time it takes from sentencing to actual execution in the U.S. takes approximately fourteen years. Since 1976, 138 out of 1,365 people nationwide have been exonerated from a death sentencing. Since 1994, a quarter of Kansas death sentences have been overturned. Unfortunately, **S Sub HB 2389** will only hinder appellate review of death penalty cases as opposed to facilitating a more effective process. Indeed, this legislation is contrary to the U.S. Supreme Court mandate under *Ford v. Wainwright* (1986) and *Spaziano v. Florida* (1983) that "procedures in capital proceedings aspire to a heightened standard of reliability." As a supporter of Kansas' death penalty law, I believe that passage of **S Sub HB 2389** would severely weaken the very integrity of those statutes. I vote "No" on **S Sub HB 2389**. – TOM HOLLAND

Madam President: My vote is for the "forgotten voice." We talk of the injustice of the process, protecting the rights of the accused or the pace of the proceedings. We don't talk about the immoral, vicious slaughter of the victims. The voice of the victim goes unheard. I proudly cast my "aye" vote for **S Sub HB 2389** for the victims. – GREG SMITH

Senators Denning, Lynn, Melcher and Olson request the record to show they concur with the "Explanation of Vote" offered by Senator Smith on **S Sub HB 2389**.

Journal of the Senate

TWENTY-SECOND DAY

SENATE CHAMBER, TOPEKA, KANSAS
Friday, February 14, 2014, 8:00 a.m.

The Senate was called to order by Vice President Jeff King.
The roll was called with thirty-six senators present.
Senators Faust-Goudeau, Holmes, Lynn and McGinn were excused.
Invocation by Father Don Davidson:

God of love, whose name is love, today we celebrate the wonder and mystery of love. It may be kind of silly as love is around every day, but one day a year we are reminded that we humans need each other and are much better off in our lives when we love and are loved. Red hearts and candy, flowers and bows, might not warm every heart, but knowing that all love is a part of your gracious command to love one another gives us purpose and joy. On this day, dear Lord, on every day, help us to listen and follow that command. By your loving will we pray. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

Journal of the Senate

TWENTY-SIXTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, February 20, 2014, 2:30 p.m.

The Senate was called to order by Vice President Jeff King.
The roll was called with thirty-eight senators present.
Senators Hawk and Ostmeyer were excused.
Invocation by Father Don Davidson:

Dear Lord, on this date in 1962 one of your more colorful children orbited the earth, becoming the first human being ever to do so. People all over the world held their breath as John Glenn went around the world three times in a craft named Friendship 7. Four hours later the craft re-entered the atmosphere of the earth and Glenn was brought to an awaiting ship in the Atlantic Ocean. Seven years later astronauts would walk on the moon. Help us never to forget the need to explore and learn about your world, and that nothing is beyond our ability. Thank you for giving us the will to explore. In your name we pray. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

WHEREAS, On January 14, 1784, the United States ratified the treaty with England, known as the Treaty of Paris, ending the Revolutionary War. Negotiations for peace with England began in 1782, and the Treaty of Paris was signed on September 3, 1782. WHEREAS, The Kansas Daughters of the American Revolution began to preserve Kansas history in 1902 by placing markers along the part of the Santa Fe Trail that runs through Kansas. EXPLANATION OF VOTE

Mr. Vice President: I vote "No" on **S Sub HB 2070**. As recommended by the Kansas Supreme Court's Blue Ribbon Commission, more timely releases of decisions by the Court of Appeals and the Supreme Court is a laudable goal and should be implemented. In this bill though, that would time the release as being within 180 days after the matter is submitted to a Court. The Chair of that same Blue Ribbon Commission, Hon. Judge Patrick McAnany, testified in OPPOSITION to this bill on behalf of the Commission and on the Kansas Supreme Court stating the Judicial Branch is already undertaking internal efforts to provide more timely release of decisions. I vote "No", Mr. Vice President, that we, the Legislature, might respect the insights of implementation the Judiciary might soon set for themselves and the time constraints that reasonably work for them without here undoing their contemplations by putting this ball-park recommendation in **S Sub HB 2070** in statute. — DAVID HALEY

Senator Hensley requests the record to show that he concurs with the "Explanation of Vote" offered by Senator Haley on **S Sub HB 2070**.

"Section 1. K.S.A. 2013 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of

state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(vi) Any amount of designated employee contributions picked up by an employer pursuant to K.S.A. 12-5005, 20-2603, 74-4919 and 74-4965, and amendments thereto.

(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 2013 Supp. 79-32,204, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed

pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2013 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xv) of subsection (c) of K.S.A. 79-32,117, and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 2013 Supp. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 2013 Supp. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xiii) of subsection (c), or if such amounts are not already included in the federal adjusted gross income.

Journal of the Senate

THIRTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, February 27, 2014, 10:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with forty senators present.
Invocation by Father Don Davidson:

As our Olympic Athletes are welcomed home across the nation, let us consider what it took for them to achieve the status of “Olympian”, not alone earn a victory medal. Woven within the big picture are the ordinary human stories of people who gave of themselves for those to represent all of us; the families, the sacrifices and the whole communities. They are the ordinary human stories that weave their way inside every big picture and they are the stories that should influence how the big picture looks. Lord, please help our athletes know of the support of the proud people of our nation, and the hope for the future; pour out your blessing upon those who made their efforts possible. In your holy name we pray. Amen

The Pledge of Allegiance was led by President Susan Wagle.

EXPLANATION OF VOTE

Madam President: This bill was confusing from the beginning. Assigned to the Ethics and Elections Committee, misinformation and printed inaccuracies were disseminated by what should be natural, accurate and credible sources and conferees; resulting in

misleading and confusing many committee members on Ethics and Elections, including myself. Few knew exactly, or certainly ALL of, whom were targeted by **SB 274** based, in part, on printed charts which were only, (as we ALL know NOW) an “example” for part of what the bill purported to do. Sound confusing? It is...and was. Whatever the bill's nefarious intent, this bill should have been returned by the Committee of the Whole to the Ethics and Elections Committee to be worked for accuracy and clarity. Procedurally, it was sloppily presented, confusingly “worked” and unprofessionally presented. The Senate should return to our pride in producing well reviewed, unquestionable product. I cannot support less and nor should any of us. Madam President, I vote “No” on **SB 274**. – DAVID HALEY

Madam President: The Senate Democrats stand ready and willing to act on real campaign finance reform, and I already have a record of supporting such reform. But **SB 274** is not reform. It is punishment and it is nothing less than silencing the opposition. Proponents of the bill argue that it creates a “level playing field.” Yet, they receive limitless support from political action committees such as Secretary of State Kris Kobach’s Prairie Fire PAC, the Kansas Chamber PAC, Americans for Prosperity, Gov. Brownback’s Roadmap PAC, Kansas Club for Growth, and Kansans for a True Republican Majority. I find it amazing that they are worried about making things fair when they’re supported by dozens of PAC's who receive thousands of dollars in contributions and can be used to advocate for candidates. If they’re seeking a target for reform, it’s time that they look in the mirror. I vote "No" on **SB 274**. – ANTHONY HENSLEY

Senators Faust-Goudeau, Hawk, Kelly and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **SB 274**.

Madam President: I vote “Aye” on **SB 274**. Our form of representative government is supposed to be power arising from the bottom up, whereas a leadership PAC is counter to that principle. Leadership PAC's are used by leadership members to reward or punish other members of their caucus in primary elections, which results in power coming down from the top. Such PAC's serve only to prolong the power of leadership regimes in both parties. **SB 274** eliminates leadership PAC's that the Legislature intended to be abolished 14 years ago. This bill is long overdue. – MITCH HOLMES

Senator Abrams, Knox and Lynn request the record to show they concur with the "Explanation of Vote" offered by Senator Holmes on **SB 274**.

SB 309, AN ACT concerning insurance for qualified professional associations; amending K.S.A. 40-2222a and 40-2222b and K.S.A. 2013 Supp. 40-2222 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 39; Nays 0; Present and Passing 1; Absent or Not Voting 0.

Yeas: Abrams, Apple, Arpke, Bowers, Bruce, Denning, Donovan, Faust-Goudeau, Fitzgerald, Francisco, Haley, Hawk, Hensley, Holland, Holmes, Kerschen, King, Knox, LaTurner, Longbine, Love, Lynn, Masterson, McGinn, Melcher, O'Donnell, Olson, Ostmeyer, Petersen, Pettey, Pilcher-Cook, Powell, Pyle, V. Schmidt, Shultz, Smith, Tyson, Wagle, Wolf.

Present and Passing: Kelly.

The bill passed, as amended.

SB 311, AN ACT concerning civil procedure and civil actions; relating to noneconomic damages cap; expert or other testimony; collateral source benefits; amending K.S.A. 60-456, 60-457, 60-458, 60-19a02, 60-3801 and 60-3802 and repealing the existing sections; also repealing K.S.A. 60-3803, 60-3804, 60-3805, 60-3806 and 60-3807, was considered on final action.

On roll call, the vote was: Yeas 32; Nays 8; Present and Passing 0; Absent or Not Voting 0.

Yeas: Abrams, Apple, Arpke, Bowers, Bruce, Denning, Donovan, Fitzgerald, Holmes, Kerschen, King, Knox, LaTurner, Longbine, Love, Lynn, Masterson, McGinn, Melcher, O'Donnell, Olson, Ostmeyer, Petersen, Pilcher-Cook, Powell, Pyle, V. Schmidt, Shultz, Smith, Tyson, Wagle, Wolf.

Nays: Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Kelly, Pettey.

The bill passed, as amended.

EXPLANATION OF VOTE

Madam President: I vote "No" on **SB 311**. It is a misguided measure that changes a longstanding simple and fair premise: Those who cause harm to others must pay for the resulting damages. With this bill, victims get the short end of the stick. The cap only increases to \$100,000 over the next eight years. This does not keep pace with inflation. This cap increase isn't just miserly, it's pitiful. It needs to be at least \$500,000. Furthermore, eliminating the collateral source rule and the Frye standard are financial wins for wrongdoers and their insurance companies. Juries will be asked to focus on the victim's financial status while the wrongdoer's insurance remains secret. There is no doubt that this bill will force victims – responsible Kansans – to pay for injuries caused by someone else. This is wrong, and simply not a Kansas value. That is why I vote "No". – TOM HOLLAND

Senators Francisco, Haley, Hawk, Hensley and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Holland on **SB 311**.

SB 348, AN ACT concerning law enforcement officers; relating to the office of sheriff; qualifications for office; amending K.S.A. 2013 Supp. 19-801b and repealing the existing section, was considered on final action.

"Sec. 31. K.S.A. 2013 Supp. 75-5551 is hereby amended to read as follows: 75-5551.

(a) The compensation program (compensation and benefits opportunity and delivery) for state employees will be designed to support the mission of the various branches of government and the agencies and departments within those branches. The foundation of the compensation program is to attract and retain quality employees with competitive compensation based on relevant labor markets. The programs will be based upon principles of fairness and equity and will be administered with sound fiscal discipline.

(b) The compensation philosophy component statements are:

(1) The legislature will be accountable for the adoption of the compensation philosophy and framework. The executive branch through delegated authority from the governor to the department of administration will be accountable for the consistent administration of the program for classified employees. Agency heads will be accountable for proper administration of the program within their agencies. The chief justice, through delegated authority to the office of judicial administration will be accountable for the consistent administration of the program for judicial branch employees subject to section 2, and amendments thereto. The state board of regents, through delegated authority to the chief executive officer of each campus, will be accountable for the consistent administration of the program for higher education faculty and non-classified employees. The respective appointing authorities will have accountability for the consistent administration of compensation for non-classified employees.

(2) The compensation program will be based on consistent principles of fairness throughout the state, yet will be flexible to meet changing needs. This will allow for multiple pay plans to fit different needs and market variables for the different branches of government and within those branches.

(3) Establishing the value of compensation will be primarily based on establishing the appropriate market value of the job. For positions for which a market value cannot be readily identified, the value of compensation for those positions will be based on a fair, defensible and understandable method.

(4) While recognizing that service and tenure yields valued experience, pay delivery mechanisms will be based on a combination of achievement of performance objectives, recognition of differences in job content, acquisition and application of further skill and education and pay for the achievement of team/unit or department goals.

(5) All aspects of compensation (base salary, benefits, lump sum payments, allowances and other variable elements of compensation) will be considered as a total compensation package for state employees. The state's pay programs will utilize both fixed and variable compensation as well as non-cash reward and recognition programs.

(6) Total compensation, as defined above, will be targeted at a competitive level

when compared to the appropriate labor markets to allow the state to attract and retain the quality and quantity of employees needed to fulfill service commitments to its citizens.

(7) The state is committed to ensuring that its salary structures are up to date through the conduct of market surveys at regular intervals. There will be a planned approach to ensure that the classification structure and classification of employees is kept current.

(8) The compensation programs will reinforce a work culture and climate where employees are recognized and rewarded for their contribution. Any changes to compensation must be reasonable and take into consideration the needs of the state as an employer, the work culture afforded to the employees as public service providers and the citizens receiving services from the state.

(9) It is the intent of the legislature that longevity bonus payments shall not be considered as part of base pay.";

EXPLANATION OF VOTE

Mr Chairman: I vote "Aye" to remove individual provisions from **S Sub HB 2338**. These provisions include policy decisions which were each before the Senate Judiciary committee in individual bills. **S Sub HB 2338** is designated a budget bill and the Senate should take into account the stakeholders of these policy decisions before passing this underlying bill. Those stakeholders include the chief judges of every judicial district in the State of Kansas who, to a person, have rejected some of these policy decisions; including allocating to each chief judge the responsibilities to set each judicial district's budget. We should respect the judicial branch's opinions when it weighs in on policy decisions that affect or disrupt its administration. This legislature should not get accustomed to mixing policy decisions with budget bills in that it does not serve our time-honored procedures well at all. This amendment, if passed, maintains our proud tradition of a noble Senate; mindful and respectful of both custom and separate, co-equal branches, of state government. – DAVID HALEY

Senators Francisco, Hensley, Holland and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Haley on **S Sub HB 2338**.

EXPLANATION OF VOTE

Madam President: I believe parental input is very important in the education process, as well as in athletics. However, when you are planning league events involving scheduling, locations and participation in sports activities, it is important to consider what is best for all students and all schools. I feel the current system addressed that concern. Furthermore, having the Governor make the selections, regardless of how well chosen, will still be criticized as being political. I vote "No" on **S Sub HB 2197**. – DAN KERSCHEN

SENATE RESOLUTION No. 1795—

A RESOLUTION designating March 11, 2014, as Kansas TRIO Day.

WHEREAS, A college education is an important part of the American dream. Our nation's commitment to the dream of education for all Americans regardless of race, ethnic background or economic circumstances led to the funding of Special Programs for Students from Disadvantaged Backgrounds. This program is for students who are first-generation college students from low-income backgrounds or who are physically disabled; and

WHEREAS, Congress established a series of programs to help low-income Americans enter college, graduate and move on to participate more fully in America's economic and social life. These programs are funded under Title IV of the Higher Educational Act of 1965 and are referred to as the TRIO programs. There are now seven TRIO programs; and

WHEREAS, The TRIO programs are designed to help students address educational discrepancies. They provide educational information, counseling, academic instruction, tutoring, assistance in applying for financial aid and supportive encouragement to both students and their families. While student financial aid programs help students overcome financial barriers to higher education, TRIO programs help students overcome class, social and cultural barriers to higher education; and

WHEREAS, The purpose of the TRIO programs is to provide services that assist disadvantaged students to begin and complete a post-secondary education. More than 2,700 TRIO programs currently serve nearly 866,000 low-income Americans. Many programs service students in grades six through 12; and

WHEREAS, Students enrolled in today's TRIO programs mirror our nation's multicultural and multiethnic society. Thirty-seven percent of TRIO students are white, 35% are African-American, 19% are Hispanic, 4% are Native American, 4% are Asian-American, and 1% are listed as "other," including multiracial students; and

WHEREAS, Twenty-two thousand students with disabilities and more than 25,000 U.S. veterans are currently enrolled in the TRIO programs; and

WHEREAS, Over 1,200 colleges, universities, community colleges and agencies now offer TRIO programs in America. All TRIO program services are available to low-income, physically disabled and first-generation college students; and

WHEREAS, Kansas is proud to host 45 TRIO programs, serving 12,259 students, with a \$12,413,166 federal budget. Specifically, there are nine Upward Bound programs, two Upward Bound Math and Science Centers, two Veterans Upward Bound

programs, six Education Talent Search programs, nineteen Student Support Services programs, three McNair Scholars programs, three Educational Opportunity Centers and one Disability Support Services program: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we designate March 11, 2014, as Kansas TRIO Day and recognize the importance of TRIO programs in helping all Kansans achieve the American dream; and

Be it further resolved: That the Secretary of the Senate shall send one enrolled copy of this resolution to Senator Faust-Goudeau; Mike Conley, Coordinator of the University of Kansas Upward Bound Program and President-Elect for MO-KAN-Ne Board of Directors; Kaye Monk Morgan, President-Elect of Mid-American Association of Educational Opportunity Program Personnel; Deltha Colvin, Associate Vice-President for Campus Life and University Relations, Special Programs at Wichita State University and former President of The Mid-America Association of Educational Opportunity Program Personnel; Ngondi Kamatuka, Director of the Center for Educational Opportunity Program at the University of Kansas; and Dr. Mildred Edwards, Executive Director of Kansas African American Affairs Commission.

On emergency motion of Senator Faust-Goudeau **SR 1795** was adopted by voice vote.

Journal of the Senate

THIRTY-EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, March 12, 2014, 2:30 p.m.

The Senate was called to order by President Susan Wagle.
The roll was called with forty senators present.
The President introduced guest chaplain Pastor Mark Hoover, New Spring Church, Wichita:

This prayer was originally delivered by U.S. Senate Chaplain, Peter Marshall.

“Our Father, remove from us the sophistication of our age and the skepticism that has come, like frost, to blight our faith and to make it weak. Bring us back to a faith that makes men great and strong, a faith that enables us to love and to live, the faith by which we are triumphalist, the faith by which alone we can walk with Thee.

We pray for a return of that simple faith, that old-fashioned faith, that made strong and great the homes of our ancestors who built this good land and who in building left us our heritage. In the strong name of Jesus, our Lord, we make this prayer.” Amen

The Pledge of Allegiance was led by President Susan Wagle.

EXPLANATION OF VOTE

Madam President: I vote "No" on **SB 362**. Kansas had the prime opportunity to set up our own health care exchange when we were granted \$31.5 million from the Department of Health and Human Services under the careful tutelage of our own former Governor and now Secretary of the Department, Kathleen Sebelius. We, well at least the current Governor of Kansas, foolishly refused that appropriation and left Kansas in the lurch and at the mercy of a federally devised, to my mind "one-size-fits-all", health care exchange model. This model includes the description and definitions for the role of "navigators"; persons employed to connect the newly-insured to an appropriate health insurance plan as required by the federal Patient Protection and Affordable Care Act (PPACA). This federal law (also now known as Obamacare) was passed by a majority of both chambers in the US Congress and was affirmed by the US Supreme Court as constitutional. Despite the remaining resistance that an increasingly smaller number of Americans have to Obamacare (as more and more studies suggest that managing health

care costs and connecting people to coverage are good for both the general economy and the personal wealth of our citizenry), most people are moving forward to comply with this law; as any law-abiding person would, whether they “like” the law...or not. Recently, I started the annual task of completing my tax returns; in order to comply with the US Code laws found and administered by the Internal Revenue Service (IRS). I engaged a paid professional to assist me; one who understands the laws. She is, in a way, “navigating” me through a set of laws and procedures I don’t particularly like but, as a law-abiding citizen, am obliged to follow. **SB 362** sets into play many additional, onerous and, in my opinion, unnecessary and potentially unconstitutional requirements for Navigators employed in Kansas to recruit and to inform and to enroll our citizenry into full compliance with the federal law sometimes known as “Obamacare.” Attempts to restrict and to punish these but extensions of civil service are completely the wrong ways to express the waning displeasures with the PPACA. We should not take pot shots at the messenger. It’s time, Madam President, for our society and its leadership to grow up on this issue and move on. Again, I applaud and express sincere appreciation to the hard-working men and women whom I have met who serve as Navigators and who are only trying to help all of our communities comply with the law. I proudly, in their honor, vote “No” on this petty little unconstitutional bill you all call **SB 362**.—DAVID HALEY

Madam President: **SB 362** is yet another blatant political bill brought to the Legislature by Americans for Prosperity. I oppose this bill for three basic reasons: First, this unnecessary bill does not protect Kansas consumers. Individuals referred to as “navigators” have been routinely used to assist consumers in accessing medical programs such as Medicare Part D and KanCare. Yet, this bill places onerous requirements only on navigators under the health care exchange. Second, it is universally opposed by health care and small business entities such as the Kansas Association for the Medically Underserved, American Cancer Society, Salina Family Health Center and the Wichita Independent Business Association. This bill is also opposed by the Republican Insurance Commissioner who is a health care expert in her own right. Third, the Senate is, again, ignoring independent experts in the health care field in favor of Americans for Prosperity which provides limitless support to its allies. This is just another reactionary, misguided and misinformed bill that will do nothing but subject our state to more litigation. I vote “No” on **SB 362**.—ANTHONY HENSLEY

Senator Faust-Goudeau and Senator Holland request the record to show they concur with the “Explanation of Vote” offered by Senator Hensley on **SB 362**.

Madam President: **SB 362** sets up unnecessary and onerous requirements for people who have been trained and certified by the federal government to help our constituents navigate the federal marketplace in search of affordable health insurance. Many of these people have been providing similar services for our senior citizens enrolling in Medicare Part D and our Medicaid recipients in KanCare without these regulations and cost and without complaint. The state of Missouri passed a bill very much like **SB 362**. It ended up in court where a preliminary injunction was awarded preventing the state from enforcing the law. The court noted that “the plaintiff had already complied with federal licensure requirement. Additional state licensure requirements obstruct and frustrate the federal government operation of the federal exchange, and thus are

unconstitutional." Whether we like it or not, we cannot, and we know we cannot, preempt federal law. I vote "No" on **SB 362**.—LAURA KELLY

Senators Francisco, Haley, Hawk, Holland and Pettey request the record to show that they concur with the "Explanation of Vote" offered by Senator Kelly on **SB 362**.

Madam President: I vote "No" on **SB 362** because it was opposed by the Wichita Independent Business Association and many safety net clinics across the state of Kansas. Many small businesses and safety net clinics have limited financial resources to help their clients find insurance. The healthcare assistance provided is not much different than the assistance for Medicare Part D enrollment, and yet the legislature did not impose special new fees and requirements on the organizations that provided that service. I don't think we should say that we support safety net clinics like GraceMed Health Clinic in Wichita and then vote to impose steep fees and other requirements on them. I would support background checks for healthcare navigators, but this bill goes far beyond background check requirements for similar professions. A similar law in Missouri was ruled unconstitutional.—CAROLYN MCGINN

Sub SB 394, AN ACT concerning children and minors; enacting the Kansas foster parents' bill of rights act; relating to foster care; family foster homes; amending K.S.A. 2013 Supp. 38-2212, 38-2213 and 38-2258 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 34; Nays 3; Present and Passing 3; Absent or Not Voting 0.

Yeas: Abrams, Apple, Arpke, Bowers, Bruce, Denning, Donovan, Fitzgerald, Francisco, Holmes, Kerschen, King, Knox, LaTurner, Longbine, Love, Lynn, Masterson, McGinn, Melcher, O'Donnell, Olson, Ostmeyer, Petersen, Pettey, Pilcher-Cook, Powell, Pyle, V. Schmidt, Shultz, Smith, Tyson, Wagle, Wolf.

Nays: Faust-Goudeau, Hensley, Holland.

Present and Passing: Haley, Hawk, Kelly.

The bill passed as amended.

EXPLANATION OF VOTE

Madam President: I have served under three Governors in the Kansas Legislature and during that time "The Grandparents as Caregivers ACT" was passed into law giving grandparents \$200 per month, while giving foster parents \$600 per month. Another "Act" became law concerning Children relating to Grandparent Custody, Visitation and Residency Placement. There was also another Grandparents Bill that passed into law in 2012 to whereas a grandparent would receive strong consideration by the Courts regarding placement of grandchildren. Also, on July 1, 2012, our current governor signed into law a bill acknowledging grandparents as interested parties in a court room hearing pertaining to their grandchildren. And, even with these new laws, the feedback from members of the Kansas Silver-Haired Legislature have said that grandparents are still being denied full acknowledgement in the court rooms, they are being denied the rights for their grandchildren to be placed with them, after meeting all the eligibility requirements, and passing a KBI investigation for placement, they are still being told they are too old for their grandchildren to live with them. Madam President, I have the utmost respect and I commend foster families for their willingness to provide temporary

placement for children during a difficult time in their lives. I feel **Sub SB 394** gives foster parents an unfair advantage over grandparents. For these reasons I respectfully vote "No" on **Sub SB 394**.—OLETHA FAUST-GOUDEAU

Senators Hensley and Holland request the record to show they concur with the "Explanation of Vote" offered by Senator Faust-Goudeau on **Sub SB 394**.

EXPLANATION OF VOTE

Mr. Vice President: I am voting in support of **HB 2611** as I believe that this is a good first step to increasing access to dental care, especially in under-served areas such as my district in Southeast Kansas. Allowing dentists to work in multiple offices will allow more patients to be treated. However, I do believe that this is only the first step, and I hope that we will consider additional opportunities, such as approving the licensure of mid-level dental providers to practice in cooperation with dentists around the state. This will increase access even more and serve as an economic boost to our state, allowing dentists to grow their businesses. I am looking forward to hearing the mid-level dental practitioner bill in Health Committee next session, but this bill is a good first step, and we should support it. – JACOB LATURNER

Mr. Vice President: I support **HB 2611** because I think it is good, common-sense policy to allow dentists to see more patients. I hope that we don't stop here though, because while this is a good first step, we need to move another step forward and look at approving mid-level dental practitioners in Kansas. That's the only way to truly increase access to dental care, and it will help us to generate new economic activity. I know that Wichita State University is very excited about the opportunity to train mid-

level providers and equip them to serve the people of Kansas. This bill is a good first step and I support it, and I hope that we will be able to examine approval of mid-level practitioners to work with supervising dentists next session. – MICHAEL O'DONNELL

EXPLANATION OF VOTE

Mr. Vice President: I vote YES on **Sub SB 298**. This bill will cut the tax burden on hard-working Kansans that need to borrow money to buy a home, small business or farmland by nearly \$19 million each year. In doing so, the state will eliminate a tax policy that discriminates against Kansans that must borrow money to invest in property ownership and the American Dream in our state. **Sub SB 298** levels the playing field for all Kansans purchasing real estate. This legislation eliminates a hidden tax on mortgage borrowers and replaces it with a fair and credible fee that will be paid by all document filers in return for the actual services provided by counties. Accordingly, I vote YES on **Sub SB 298**. — TOM ARPKE

Senator Abrams, Holmes, LaTurner, Lynn, Olson and Pilcher-Cook request the record to show they concur with the "Explanation of Vote" offered by Senator Arpke on **Sub SB 298**.

Mr. Vice President: Mortgage registration fees have been collected in Kansas since 1925. The 26-cent fee is collected on each hundred dollars of the mortgage amount, making it a sliding scale. The bill as amended lowers and eliminates the registration fee over five years while increasing recording fees for mortgages and other documents. There is a \$125 cap on the fees for mortgages of \$75,000 or less, however the cost to record a fifteen-page mortgage of a hundred thousand dollars would be \$259 in 2019, the same as the cost to record a mortgage of a million dollars or more. The counties have the responsibility for processing foreclosures with no fees for those services. All taxes can be considered burdensome, however while some counties will make up the revenue reduction through the increase in filing fees, other counties including both Douglas and Jefferson may need to raise property taxes to cover the shortfall. Although there are arguments on both sides, we are left with just one proposal to vote on. Because of my concern that we are again shifting costs onto property taxes, some for those who have already paid these fees, and to those with lower incomes, I vote NO on **Sub SB 298**. — MARCI FRANCISCO

Senator Pettey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Francisco on **Sub SB 298**.

Mr. Vice President: The Kansas Supreme Court has firmly held that the mortgage registration fee is a tax because of its clear purpose to go beyond the costs of recording the mortgage to generate revenue. By repealing the mortgage registration fee in **Sub SB 298** and simultaneously increasing the document fees collected by local units of government well beyond the cost of recording those documents, it is clear that these increases are intended to generate revenue for those local units in place of the mortgage registration fee. This is not a fee increase, it's a tax increase. The shift of this tax from the mortgage registration tax to document fees is an attempt to subject FCS loans to a hidden tax disguised as a "fee." This action runs afoul of the federal tax exemption for these FCS loans which will likely trigger yet another lawsuit. Additionally, **Sub SB 298** leaves a hole in local budgets that will undoubtedly result in more property tax increases. I vote NO on **Sub SB 298**. — ANTHONY HENSLEY

Senators Holland, Kelly and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **Sub SB 298**.

Mr. Vice President: Should **Sub SB 298** be passed today, it will be a great day for Kansas taxpayers who must borrow money for the American Dream. Passage of **Sub SB 298** equates to a \$18 million tax cut to hard working families and small businesses. The \$18 million saved by taxpayers can be used to pursue their own version of the American Dream and shifts an unfair and hidden tax to its rightful place as a fee for services rendered. – JULIA LYNN

Senators Abrams, LaTurner, Olson and Pilcher-Cook request the record to show they concur with the "Explanation of Vote" offered by Senator Lynn on **Sub SB 298**.

SB 320, AN ACT concerning the emergency medical services board; imposition of fines; investigation authority; issuance of subpoenas; amending K.S.A. 65-6130 and K.S.A. 2013 Supp. 65-6111 and repealing the existing sections, was considered on final action.

Present and Passing: Wagle.

SB 335, AN ACT concerning school districts; relating to drug screening of employees; relating to background checks of teachers; relating to revocation of teaching licenses; amending K.S.A. 2013 Supp. 72-1397 and 72-1923 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 30; Nays 4; Present and Passing 6; Absent or Not Voting 0.

Yeas: Abrams, Apple, Arpke, Bowers, Bruce, Denning, Donovan, Faust-Goudeau, Fitzgerald, Hensley, Holmes, Kerschen, King, Knox, LaTurner, Longbine, Love, Lynn, Masterson, Melcher, O'Donnell, Olson, Ostmeyer, Petersen, Pilcher-Cook, Powell, Pyle, Smith, Wagle, Wolf.

Nays: Haley, Hawk, Shultz, Tyson.

Present and Passing: Francisco, Holland, Kelly, McGinn, Pettey, V. Schmidt.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: I vote "No" on **SB 335**. As the original author of the idea to add legislators to the original bill that randomly drug tests unemployment and welfare recipients, I appreciate the amendment added to this bill, which moves us toward equal treatment for SOME who receive taxpayer money. Still, not ALL recipients of taxpayer funds are tested or can have benefits withheld, for failing drug tests. (For example, if the theory were equitable, farmers would have the same requirement before they could receive drought assistance.) There is an undemocratic disconnect between elected officials' drug use and pay; or teachers or welfare recipients. (Crack smoking mayors

may be re-elected by their constituents, and if they do their job, they should be paid. When U.S. Presidents can admit to illicit drug use and still be elected and reelected; they should STILL be paid.) A public official, whatever their vices or problems might be, can be vindicated and even retained by the voters. Sunshine or exposure is the true “penalty” for a legislator and there is no need for pay denial. It’s all part of democracy. I ALSO disagree with the underlying legislation that requires testing and registration; as if our teachers are all criminals. Like swatting a fly with an elephant gun, **SB 335** does too much and goes too far to solve a rare issue; one that could be done less invasively, and by less expensive or burdensome means. – DAVID HALEY

"Sec. 2. K.S.A. 2013 Supp. 40-222 is hereby amended to read as follows: 40-222.

(a) Whenever the commissioner of insurance deems it necessary but at least once every five years, the commissioner may make, or direct to be made, a financial examination of any insurance company in the process of organization, or applying for admission or doing business in this state. In addition, at the commissioner's discretion the commissioner may make, or direct to be made, a market regulation examination of any insurance company doing business in this state.

(b) In scheduling and determining the nature, scope and frequency of examinations of financial condition, the commissioner shall consider such matters as the results of financial statement analyses and ratios, changes in management or ownership, actuarial opinions, reports of independent certified public accountants and other criteria as set forth in the examiner's handbook adopted by the national association of insurance commissioners and in effect when the commissioner exercises discretion under this subsection.

(c) For the purpose of such examination, the commissioner of insurance or the persons appointed by the commissioner, for the purpose of making such examination shall have free access to the books and papers of any such company that relate to its business and to the books and papers kept by any of its agents and may examine under oath, which the commissioner or the persons appointed by the commissioner are empowered to administer, the directors, officers, agents or employees of any such company in relation to its affairs, transactions and condition.

(d) The commissioner may also examine or investigate any person, or the business of any person, in so far as such examination or investigation is, in the sole discretion of the commissioner, necessary or material to the examination of the company, but such

examination or investigation shall not infringe upon or extend to any communications or information accorded privileged or confidential status under any other laws of this state.

(e) In lieu of examining the financial condition of a foreign or alien insurance company, the commissioner of insurance may accept the report of the examination made by or upon the authority of the company's state of domicile or port-of-entry state until January 1, 1994. Thereafter, such reports as they relate to financial condition may only be accepted if:

(1) The insurance department conducting the examination was at the time of the examination accredited under the national association of insurance commissioners' financial regulation standards and accreditation program; or

(2) the examination is performed under the supervision of an accredited insurance department, or with the participation of one or more examiners who are employed by such an accredited insurance department and who after a review of the examination work papers and report state under oath that the examination was performed in a manner consistent with the standards and procedures required by their insurance department.

(f) Upon determining that an examination should be conducted, the commissioner or the commissioner's designee shall appoint one or more examiners to perform the examination and instruct them as to the scope of the examination. In conducting an examination of financial condition, the examiner shall observe those guidelines and procedures set forth in the examiners' handbook adopted by the national association of insurance commissioners. The commissioner may also employ such other guidelines or procedures as the commissioner may deem appropriate.

(g) The refusal of any company, by its officers, directors, employees or agents, to submit to examination or to comply with any reasonable written request of the examiners shall be grounds for suspension or refusal of, or nonrenewal of any license or authority held by the company to engage in an insurance or other business subject to the commissioner's jurisdiction. Any such proceedings for suspension, revocation or refusal of any license or authority shall be conducted in accordance with the provisions of the Kansas administrative procedure act.

(h) When making an examination under this act, the commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the company which is the subject of the examination.

(i) Nothing contained in this act shall be construed to limit the commissioner's authority to terminate or suspend any examination in order to pursue other legal or regulatory action pursuant to the insurance laws of this state.

(j) Nothing contained in this act shall be construed to limit the commissioner's authority to use and, if appropriate, to make public any final or preliminary examination report in the furtherance of any legal or regulatory action which the commissioner may, in the commissioner's sole discretion, deem appropriate.

(k) (1) No later than 30 days following completion of the examination or at such earlier time as the commissioner shall prescribe, the examiner in charge shall file with the department a verified written report of examination under oath. No later than 30 days following receipt of the verified report, the department shall transmit the report to the company examined, together with a notice which shall afford such company

examined a reasonable opportunity of not more than 30 days to make a written submission or rebuttal with respect to any matters contained in the examination report.

(2) Within 30 days of the end of the period allowed for the receipt of written submissions or rebuttals, the commissioner shall fully consider and review the report, together with any written submissions or rebuttals and any relevant portions of the examiners workpapers and enter an order:

(A) Adopting the examination report as filed or with modification or corrections. If the examination report reveals that the company is operating in violation of any law, regulation or prior order of the commissioner, the commissioner may order the company to take any action the commissioner considers necessary and appropriate to cure such violations; or

(B) rejecting the examination report with directions to the examiners to reopen the examination for purposes of obtaining additional data, documentation or information, and refile pursuant to subsection (k); or

(C) call and conduct a fact-finding hearing in accordance with K.S.A. 40-281, and amendments thereto, for purposes of obtaining additional documentation, data, information and testimony.

(3) All orders entered as a result of revelations contained in the examination report shall be accompanied by findings and conclusions resulting from the commissioner's consideration and review of the examination report, relevant examiner workpapers and any written submissions or rebuttals. Within 30 days of the issuance of the adopted report, the company shall file affidavits executed by each of its directors stating under oath that they have received a copy of the adopted report and related orders.

(4) Upon the adoption of the examination report, the commissioner shall hold the content of the examination report as private and confidential information for a period of 30 days except to the extent provided in paragraph (5). Thereafter, the commissioner may open the report for public inspection so long as no court of competent jurisdiction has stayed its publication.

(5) (A) Except as provided in paragraph (B), nothing contained in this act shall prevent or be construed as prohibiting the commissioner from disclosing the content of an examination report, preliminary examination report or results, or any matter relating thereto, at any time to:

(i) The insurance department of this or any other state or country;

(ii) law enforcement officials of this or any other state or agency of the federal government or any other country; or

(iii) officials of any agency of another country.

(B) The commissioner shall not share any information listed in paragraph (A) unless the agency or office receiving the report or matters relating thereto agrees in writing to hold it confidential and in a manner consistent with this act.

(6) In the event the commissioner determines that regulatory action is appropriate as a result of any examination, the commissioner may initiate any proceedings or actions as provided by law.

(7) All working papers, recorded information, documents and copies thereof produced by, obtained by or disclosed to the commissioner or any other person in the course of an examination made under this act including analysis by the commissioner pertaining to either the financial condition or the market regulation of a company must be given confidential treatment and are not subject to subpoena and may not be made

public by the commissioner or any other person, except to the extent otherwise specifically provided in K.S.A. 45-215 et seq., and amendments thereto. Access may also be granted to the national association of insurance commissioners and its affiliates. Such parties must agree in writing prior to receiving the information to provide to it the same confidential treatment as required by this section, unless the prior written consent of the company to which it pertains has been obtained.

(8) Whenever it appears to the commissioner of insurance from such examination or other satisfactory evidence that the solvency of any such insurance company is impaired, or that it is doing business in violation of any of the laws of this state, or that its affairs are in an unsound condition so as to endanger its policyholders, the commissioner of insurance shall give the company a notice and an opportunity for a hearing in accordance with the provisions of the Kansas administrative procedure act. If the hearing confirms the report of the examination, the commissioner shall suspend the certificate of authority of such company until its solvency shall have been fully restored and the laws of the state fully complied with. The commissioner may, if there is an unreasonable delay in restoring the solvency of such company and in complying with the law, revoke the certificate of authority of such company to do business in this state. Upon revoking any such certificate the commissioner shall commence an action to dissolve such company or to enjoin the same from doing or transacting business in this state.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable

For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2013 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xv) of subsection (c) of K.S.A. 79-32,117, and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 2013 Supp. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 2013 Supp. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xiii) of subsection (c), or if such amounts are not already included in the federal adjusted gross income.

(b) The state fair board is hereby authorized to purchase event cancellation and rain insurance coverage in amounts deemed appropriate by such board for the period of the annual Kansas state fair and during the remainder of the year.

(c) Any insurance purchased pursuant to this section shall not be required to be acquired through the committee on surety bonds and insurance as required by K.S.A. 75-4101 et seq., and amendments thereto.

Sec. 12. K.S.A. 2013 Supp. 75-4105 is hereby amended to read as follows: 75-4105. Surety bonds or insurance contracts having a premium or rate in excess of \$500 purchased hereunder shall be purchased on sealed bids as provided by law for the purchase of other materials, equipment or contractual services. Such prorated charges shall constitute a lawful charge by the committee upon the funds available to any such state agency and shall be paid by each such state agency to the committee, or to the surety or insurance carrier if the committee requires it, in the manner provided by law for the payment of other obligations of such state agency.

Sec. 13. K.S.A. 2013 Supp. 75-4109 is hereby amended to read as follows: 75-4109. (a) Subject to the provisions of K.S.A. 2-224, and amendments thereto, the committee, at least once every three years, shall approve the property and casualty insurance coverages that shall be purchased by each state agency.

(b) Subject to the provisions of K.S.A. 2-224, and amendments thereto, the committee shall require that each state agency purchase the insurance coverages prescribed by K.S.A. 74-4703, 74-4705, 74-4707, 75-712e, 75-2728, 76-218, 76-391, 76-394, 76-747 and 76-491, and amendments to these sections thereto, and shall prescribe the terms, conditions and amounts of such coverage giving due regard to the operations and requirements of the agencies involved.

(c) Subject to the provisions of K.S.A. 2-224, and amendments thereto, the

committee shall, in addition to the coverages specified in subsection (b), designate the insurance coverages to be purchased by each state agency that are deemed by the committee to be necessary to protect the state for property of others that may be in the possession or control of such state agencies.

(d) Such coverages as are specified in subsections (b) and (c) may also include coverages on property of the state that are deemed by the committee to be incidental to the basic coverages herein required, and the committee shall prescribe the terms, conditions and amounts of all insurance coverages purchased pursuant to this section. Property of the state board of regents of any university or college which is referred to in subsection (b) may be self-insured as provided under this act.

(e) No property insurance coverage may be purchased by the committee, except as provided herein or by K.S.A. 2013 Supp. 75-4125, and amendments thereto, or specifically required by other Kansas statutes or appropriations.

Sec. 14. K.S.A. 2013 Supp. 40-3118 is hereby amended to read as follows: 40-3118. (a) No motor vehicle shall be registered or reregistered in this state unless the owner, at the time of registration, has in effect a policy of motor vehicle liability insurance covering such motor vehicle, as provided in this act, or is a self-insurer thereof, or the motor vehicle is used as a driver training motor vehicle, as defined in K.S.A. 72-5015, and amendments thereto, in an approved driver training course by a school district or an accredited nonpublic school under an agreement with a motor vehicle dealer, and such policy of motor vehicle liability insurance is provided by the school district or accredited nonpublic school. As used in this section, the term "financial security" means such policy or self-insurance. The director shall require that the owner certify and provide verification of financial security, in the manner prescribed by K.S.A. 8-173, and amendments thereto, that the owner has such financial security, and the owner of each motor vehicle registered in this state shall maintain financial security continuously throughout the period of registration. In addition, when an owner certifies that such financial security is a motor vehicle liability insurance policy meeting the requirements of this act, the director may require that the owner or owner's insurance company produce records to prove the fact that such insurance was in effect at the time the vehicle was registered and has been maintained continuously from that date. Such records may be produced by displaying such records on a cellular phone or any other type of portable electronic device. Any person to whom such records are displayed on such cellular phone or other type of portable electronic device shall be prohibited from viewing any other content or information stored on such cellular phone or other type of portable electronic device. Failure to produce such records shall be prima facie evidence that no financial security exists with regard to the vehicle concerned. It shall be the duty of insurance companies, upon the request of the director, to notify the director within 30 calendar days of the date of the receipt of such request by the director of any insurance that was not in effect on the date of registration and maintained continuously from that date.

(b) Except as otherwise provided in K.S.A. 40-276, 40-276a and 40-277, and amendments thereto, and except for termination of insurance resulting from nonpayment of premium or upon the request for cancellation by the insured, no motor vehicle liability insurance policy, or any renewal thereof, shall be terminated by cancellation or failure to renew by the insurer until at least 30 days after mailing a notice of termination, by certified or registered mail or United States post office

certificate of mailing, to the named insured at the latest address filed with the insurer by or on behalf of the insured. Time of the effective date and hour of termination stated in the notice shall become the end of the policy period. Every such notice of termination sent to the insured for any cause whatsoever shall include on the face of the notice a statement that financial security for every motor vehicle covered by the policy is required to be maintained continuously throughout the registration period, that the operation of any such motor vehicle without maintaining continuous financial security therefor is a class B misdemeanor and shall be subject to a fine of not less than \$300 and not more than \$1,000 and that the registration for any such motor vehicle for which continuous financial security is not provided is subject to suspension and the driver's license of the owner thereof is subject to suspension.

(c) The director of vehicles shall verify a sufficient number of insurance certifications each calendar year as the director deems necessary to insure compliance with the provisions of this act. The owner or owner's insurance company shall verify the accuracy of any owner's certification upon request, as provided in subsection (a).

(d) (1) In addition to any other requirements of this act, the director shall require a person to acquire insurance and for such person's insurance company to maintain on file with the division evidence of such insurance for a period of one year when a person has been convicted in this or another state of any of the violations enumerated in K.S.A. 8-285, and amendments thereto.

(2) The director shall also require any driver whose driving privileges have been suspended pursuant to this section to maintain such evidence of insurance as required above.

(3) The company of the insured shall immediately mail notice to the director whenever any policy required by this subsection to be on file with the division is terminated by the insured or the insurer for any reason. The receipt by the director of such termination shall be prima facie evidence that no financial security exists with regard to the person concerned.

(4) No cancellation notice shall be sent to the director if the insured adds or deletes a vehicle, adds or deletes a driver, renews a policy or is issued a new policy by the same company. No cancellation notice shall be sent to the director prior to the date the policy is terminated if the company allows a grace period for payment until such grace period has expired and the policy is actually terminated.

(5) For the purposes of this act, the term "conviction" includes pleading guilty or nolo contendere, being convicted or being found guilty of any violation enumerated in this subsection without regard to whether sentence was suspended or probation granted. A forfeiture of bail, bond or collateral deposited to secure a defendant's appearance in court, which forfeiture has not been vacated, shall be equivalent to a conviction.

(6) The requirements of this subsection shall apply whether or not such person owns a motor vehicle.

(e) Whenever the director shall receive prima facie evidence, as prescribed by this section, that continuous financial security covering any motor vehicle registered in this state is not in effect, the director shall notify the owner by registered or certified mail or United States post office certificate of mailing that, at the end of 30 days after the notice is mailed, the registration for such motor vehicle and the driving privileges of the owner of the vehicle shall be suspended or revoked, pursuant to such rules and regulations as the secretary of revenue shall adopt, unless within 10 days after the notice is mailed: (1)

Such owner shall demonstrate proof of continuous financial security covering such vehicle to the satisfaction of the director. Such proof of continuous financial security may be provided by the owner by displaying such proof on a cellular phone or other portable electronic device; or (2) such owner shall mail a written request which is postmarked within 10 days after the notice is mailed requesting a hearing with the director. Any person to whom such proof of continuous financial security is displayed on a cellular phone or other portable electronic device shall view only such evidence of continuous financial security. Such person shall be prohibited from viewing any other content or information stored on such cellular phone or other portable electronic device. Upon receipt of a timely request for a hearing, the director shall afford such person an opportunity for hearing within the time and in the manner provided in K.S.A. 8-255, and amendments thereto. If, within the ten-day period or at the hearing, such owner is unable to demonstrate proof of continuous financial security covering the motor vehicle in question, the director shall revoke the registration of such motor vehicle and suspend the driving privileges of the owner of the vehicle.

(f) Whenever the registration of a motor vehicle or the driving privileges of the owner of the vehicle are suspended or revoked for failure of the owner to maintain continuous financial security, such suspension or revocation shall remain in effect until satisfactory proof of insurance has been filed with the director as required by subsection (d) and a reinstatement fee in the amount herein prescribed is paid to the division of vehicles. Such reinstatement fee shall be in the amount of \$100 except that if the registration of a motor vehicle of any owner is revoked within one year following a prior revocation of the registration of a motor vehicle of such owner under the provisions of this act such fee shall be in the amount of \$300. The division of vehicles shall remit such fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state highway fund.

(g) In no case shall any motor vehicle, the registration of which has been revoked for failure to have continuous financial security, be reregistered in the name of the owner thereof, the owner's spouse, parent or child or any member of the same household, until the owner complies with subsection (f). In the event the registration plate has expired, no new plate shall be issued until the motor vehicle owner complies with the reinstatement requirements as required by this act.

(h) Evidence that an owner of a motor vehicle, registered or required to be registered in this state, has operated or permitted such motor vehicle to be operated in this state without having in force and effect the financial security required by this act for such vehicle, together with proof of records of the division of vehicles indicating that the owner did not have such financial security, shall be prima facie evidence that the owner did at the time and place alleged, operate or permit such motor vehicle to be operated without having in full force and effect financial security required by the provisions of this act.

(i) Any owner of a motor vehicle registered or required to be registered in this state who shall make a false certification concerning financial security for the operation of such motor vehicle as required by this act, shall be guilty of a class A misdemeanor. Any person, firm or corporation giving false information to the director concerning another's financial security for the operation of a motor vehicle registered or required to

be registered in this state, knowing or having reason to believe that such information is false, shall be guilty of a class A misdemeanor.

(j) The director shall administer and enforce the provisions of this act relating to the registration of motor vehicles, and the secretary of revenue shall adopt such rules and regulations as may be necessary for its administration.

(k) Whenever any person has made application for insurance coverage and such applicant has submitted payment or partial payment with such application, the insurance company, if payment accompanied the application and if insurance coverage is denied, shall refund the unearned portion of the payment to the applicant or agent ~~with the notice of denial of coverage. Such refund may:~~

(1) Accompany the notice of denial of coverage; or

(2) be separately returned in not more than 10 days from the date of such notice.

If payment did not accompany the application to the insurance company but was made to the agent, the agent shall refund the unearned portion of the payment to the applicant upon receipt of the company's notice of denial.

(l) For the purpose of this act, "declination of insurance coverage" means a final denial, in whole or in part, by an insurance company or agent of requested insurance coverage.";

Dear Lord, today help us to remember someone that was exceptionally important in our lives, someone who has finished their course on earth and has joined you in life eternal. In our private reflection, help us to consider if our actions and our words meet with their teaching, mentorship and the standards they gave to us. Help us to look at their faces present always in our memories, and see their affirmation of the person we have become. We thank you, Lord, for those who have helped us become who we are today. HB 2568, as amended by House Committee, be amended on page 5, following line 22, by inserting:

"Sec. 3. K.S.A. 2013 Supp. 23-2215 is hereby amended to read as follows: 23-2215. (a) The judgment or order of the court determining the existence or nonexistence of the parent and child relationship is determinative for all purposes, but if any person necessary to determine the existence of a father and child relationship for all purposes has not been joined as a party, a determination of the paternity of the child shall have only the force and effect of a finding of fact necessary to determine a party's duty of support.

(b) If the judgment or order of the court is at variance with the child's birth certificate, the court shall order that a new birth certificate be issued, but only if any man named as the father on the birth certificate is a party to the action.

(c) Upon adjudging that a party is the parent of a minor child, the court shall make provision for support and education of the child including under article 30 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto. The court may order the payment of all or a portion of the necessary medical expenses incident to the child's birth of the child. The court may order the support and education expenses to be paid by either or both parents for the minor child. ~~When the child reaches 18 years of age, the~~

support shall terminate unless: (1) The parent or parents agree, by written agreement approved by the court, to pay support beyond that time; (2) the child reaches 18 years of age before completing the child's high school education in which case the support shall not automatically terminate, unless otherwise ordered by the court, until June 30 of the school year during which the child became 18 years of age if the child is still attending high school; or (3) the child is still a bona fide high school student after June 30 of the school year during which the child became 18 years of age, in which case the court, on motion, may order support to continue through the school year during which the child becomes 19 years of age so long as the child is a bona fide high school student and the parents jointly participated or knowingly acquiesced in the decision which delayed the child's completion of high school. The court, in extending support pursuant to subsection (e)(3), may impose such conditions as are appropriate and shall set the child support utilizing the guideline table category for 16-year through 18-year old children. Provision for payment of support and educational expenses of a child after reaching 18 years of age if still attending high school shall apply to any child subject to the jurisdiction of the court, including those whose support was ordered prior to July 1, 1992. If an agreement approved by the court prior to July 1, 1988, provides for termination of support before the date provided by subsection (e)(2), the court may review and modify such agreement, and any order based on such agreement, to extend the date for termination of support to the date provided by subsection (e)(2). If an agreement approved by the court prior to July 1, 1992, provides for termination of support before the date provided by subsection (e)(3), the court may review and modify such agreement, and any order based on such agreement, to extend the date for termination of support to the date provided by subsection (e)(3). For purposes of this section, "bona fide high school student" means a student who is enrolled in full accordance with the policy of the accredited high school in which the student is pursuing a high school diploma or a graduate equivalency diploma (GED). The judgment may require the party to provide a bond with sureties to secure payment. The court may at any time during the minority of the child modify or change the order of support, including any order issued in a title IV-D case, within three years of the date of the original order or a modification order, as required by the best interest of the child. If more than three years has passed since the date of the original order or modification order, a requirement that such order is in the best interest of the child need not be shown. The court may make a modification of support retroactive to a date at least one month after the date that the motion to modify was filed with the court. Any increase in support ordered effective prior to the date the court's judgment is filed shall not become a lien on real property pursuant to K.S.A. 60-2202, and amendments thereto.

(d) If both parents are parties to the action, the court shall enter such orders regarding for legal custody, residency and parenting time as the court considers to be in the best interest of the child under article 32 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto.

If the parties have an agreed parenting plan it shall be presumed the agreed parenting plan is in the best interest of the child. This presumption may be overcome and the court may make a different order if the court makes specific findings of fact stating why the agreed parenting plan is not in the best interest of the child. If the parties are not in agreement on a parenting plan, each party shall submit a proposed parenting plan to the court for consideration at such time before the final hearing as may be directed by the

court.

~~(e) If during the proceedings the court determines that there is probable cause to believe that the child is a child in need of care, as defined by subsections (d)(1), (d)(2), (d)(3) or (d)(11) of K.S.A. 2013 Supp. 38-2202, and amendments thereto, or that neither parent is fit to have residency, the court may award temporary residency of the child to a grandparent, aunt, uncle or adult sibling, or another person or agency if the court finds by written order that: (1) (A) The child is likely to sustain harm if not immediately removed from the home; (B) allowing the child to remain in home is contrary to the welfare of the child; or (C) immediate placement of the child is in the best interest of the child; and (2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety of the child. In making such a residency order, the court shall give preference, to the extent that the court finds it is in the best interests of the child, first to awarding such residency to a relative of the child by blood, marriage or adoption and second to awarding such residency to another person with whom the child has close emotional ties. The court may make temporary orders for care, support, education and visitation that it considers appropriate. Temporary residency orders are to be entered in lieu of temporary orders provided for in K.S.A. 2013 Supp. 38-2243 and 38-2244, and amendments thereto, and shall remain in effect until there is a final determination under the revised Kansas code for care of children. An award of temporary residency under this paragraph shall not terminate parental rights nor give the court the authority to consent to the adoption of the child. When the court enters orders awarding temporary residency of the child to an agency or a person other than the parent, the court shall refer a transcript of the proceedings to the county or district attorney. The county or district attorney shall file a petition as provided in K.S.A. 2013 Supp. 38-2234, and amendments thereto, and may request termination of parental rights pursuant to K.S.A. 2013 Supp. 38-2266, and amendments thereto. The costs of the proceedings shall be paid from the general fund of the county. If a final determination is made that the child is not a child in need of care, the county or district attorney shall notify the court in writing and the court, after a hearing, shall enter appropriate custody orders pursuant to this section. If the same judge presides over both proceedings, the notice is not required. Any order pursuant to the revised Kansas code for care of children shall take precedence over any similar order under this section.~~

~~(f) (e) (1) In entering an original order for support of a child under this section, the court may award an additional judgment to reimburse the expenses of the mother or any other party who made expenditures for support and education of the child from the date of birth to the date the order is entered. If the determination of paternity is based upon a presumption arising under K.S.A. 2013 Supp. 23-2208, and amendments thereto, the court shall award an additional judgment to reimburse all or part of the expenses of support and education of the child from at least the date the presumption first arose to the date the order is entered, except that no additional judgment need be awarded for amounts accrued under a previous order for the child's support.~~

~~(2) The court may consider any affirmative defenses pled and proved in making an award under this subsection.~~

~~(3) The amount of any award made under this subsection shall be determined by application of the Kansas child support guidelines. For any period occurring five years or less before or after commencement of the action, there is a rebuttable presumption~~

that such child support guidelines amount reflects the actual expenditures made on the child's behalf during that period. For any period occurring more than five years before commencement of the action, the person seeking the award has the burden of proving that the total amount requested for that period does not exceed expenditures actually made on the child's behalf during that period.

~~(g) In determining the amount to be ordered in payment and duration of such payments, a court enforcing the obligation of support shall consider all relevant facts including, but not limited to, the following:~~

- ~~(1) The needs of the child.~~
- ~~(2) The standards of living and circumstances of the parents.~~
- ~~(3) The relative financial means of the parents.~~
- ~~(4) The earning ability of the parents.~~
- ~~(5) The need and capacity of the child for education.~~
- ~~(6) The age of the child.~~
- ~~(7) The financial resources and the earning ability of the child.~~
- ~~(8) The responsibility of the parents for the support of others.~~
- ~~(9) The value of services contributed by both parents.~~
- ~~(h) The provisions of K.S.A. 2013 Supp. 23-3103, and amendments thereto, shall apply to all orders of support issued under this section.~~

~~(i) An order granting parenting time pursuant to this section may be enforced in accordance with K.S.A. 2013 Supp. 23-3401, and amendments thereto, or under the uniform child custody jurisdiction and enforcement act.;~~

REPORTS OF STANDING COMMITTEES

Committee on **Federal and State Affairs** recommends **HCR 5031** be adopted.

Committee on **Financial Institutions and Insurance** recommends **HB 2744** be passed.

Also, **HB 2668**, as amended by House Committee, be amended on page 1, following line 4, by inserting the following:

"WHEREAS, The legislature hereby finds and declares that:

(1) Health plans have the ability today to provide a real-time explanation of benefits (EOB), enabling patients and their physicians to learn how a claim for services will be adjudicated at the point of care, including information on if the service is covered, the amount to be paid to the physician and the patient's financial responsibility for copayments, coinsurance and any remaining deductible obligation;

(2) real-time EOBs have the potential to significantly reduce health care costs by making the true cost of health care services transparent to patients and their physicians at the time treatment decisions are being made and by reducing the costs of collections which accrue when paper EOBs are not received until weeks or months after the services are provided; and

(3) real-time EOBs also have the potential to eliminate the financial uncertainty that currently plagues the health care system and would remove another layer of complexity and anxiety for patients at a time when they should be focused on their health. This is particularly important for patients for whom this financial exposure may be large, such as for the increasing number of patients with high-deductible health plans, or for those patients who purchase coverage on a health insurance exchange, for whom relatively modest changes to patient income can affect eligibility and enrollment status as they transition between medicaid, subsidized and unsubsidized qualified health plans; and

WHEREAS, The people of the state of Kansas would all benefit if health plans were required to provide real-time EOBs on request when a physician submits an electronic claim predetermination request:

Now, therefore,";

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, March 25, 2014, 10:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with forty senators present.
Invocation by Father Don Davidson:

Dear Lord, for some folks praying is difficult because we know not the words to use. Prayer begins in the heart, the real intent of prayer is heard by God long before the words are formed and proper grammar is used, no matter the language. Praying with our heart, allowing you to hear our heart sing, creates a wonderful bond. Help us, O Lord, to pray with our heart and to listen to yours. In your Holy Name we pray.

The Pledge of Allegiance was led by Vice President Jeff King.

EXPLANATION OF VOTE

Madam President: I agree that good changes were made to the bill proposed to modify the Net Metering and Easy Connection Act after it was sent back to committee. Previously current customer-generators were protected, but I believe both the increases in generation limits and the options for the utility to propose, within an appropriate rate proceeding, application of time-of-use rates, minimum bills, or other rate structures are improvements. Since my hope is to encourage more installation of distributed renewable energy generation, I do not want to set up any barriers. The utilities are currently protected with the 1% cap. I think we should protect future customer-generators with stable rates until we better understand the costs and benefits. I PASS on **S Sub HB 2101**. – MARCI FRANCISCO

SENATE RESOLUTION No. 1804—

A RESOLUTION designating March 25, 2014,
as American Diabetes Association Alert Day.

WHEREAS, The state of Kansas recognizes that healthy citizens are essential for strong communities to thrive; and

WHEREAS, Diabetes is a devastating disease that affects nearly 26 million Americans, including 9.5% of Kansas adults. More than 203,970 Kansans have been diagnosed with diabetes and over 90% of those Kansans have type 2 diabetes, which can be prevented or delayed. If current trends continue, one out of every three American adults will have diabetes by 2050; and

WHEREAS, Approximately 79 million, or one in three American adults have pre-diabetes, which means that their blood sugar is higher than normal, but not high enough to be classified as diabetes. Without intervention, individuals with pre-diabetes are at a much higher risk for developing type 2 diabetes. The American Diabetes Association estimates that the total cost of diagnosed diabetes in the United States is \$174 billion. Studies suggest that when additional costs for gestational diabetes, pre-diabetes and undiagnosed diabetes are included, the total diabetes-related costs in the United States could exceed \$218 billion; and

WHEREAS, Early detection and disease management can help prevent complications of diabetes, including cardiovascular disease, blindness, nervous system damage and kidney failure; and

WHEREAS, Reducing the burden associated with diabetes may be enhanced through the state Kansas Medicaid reform efforts; and

WHEREAS, Diabetes advocates and stakeholders from across the state, including representatives from disparate populations, have come together to form the Chronic Disease Alliance of Kansas to develop and implement the Kansas Diabetes Plan 2013-2017, which is a plan to support a coordinated and comprehensive approach to reduce the prevalence of chronic disease in Kansas and improve the quality of care for those living with chronic illness including diabetes, heart disease, stroke, cancer and arthritis; and

WHEREAS, The goals of the Kansas Diabetes Plan 2013-2017 are to increase awareness of prevention and to control diabetes, improve the capacity to address the prevention and control of diabetes, increase Kansas health care workforce competency in diabetes standards of care, and improve awareness of and access to public policy to support improving diabetes prevention, detection, and care throughout Kansas; and

WHEREAS, At the end of 2012, the American Diabetes Association surpassed their goal of inspiring one million Americans to be a part of the American Diabetes Association's movement to stop diabetes. To continue this momentum, the American Diabetes Association is asking the American public to "Take it. Share it." by rallying one million people to take the diabetes risk test beginning on Diabetes Alert Day on March 25, 2014: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we hereby endorse the Kansas Diabetes Plan 2013-2017 and designate March 25, 2014, as American Diabetes Association Alert Day in the state of Kansas. The 26th annual American Diabetes Alert Day is a way to educate individuals in communities across Kansas to recognize their risk for type 2 diabetes, manage their risk and take action to create a future free of disease; and

Be it further resolved: That the Secretary of the Senate shall send five enrolled copies of this resolution to Senator V. Schmidt and Senator Masterson.

On emergency motion of Senator V. Schmidt **SR 1804** was adopted by voice vote.

Guest Gwen Lehleitner was introduced.

(2) In addition, once every two years, separate written audit reports on the financial management practices of the office of the state treasurer and the pooled money investment board shall be prepared addressing the adequacy of financial management practices and compliance with applicable state laws. The separate audit of the pooled money investment board also shall include a comparative investment performance review and an analysis of the investment program, including an evaluation of investment policies and practices and of specific investments in the pooled money investment portfolio. The analysis of the specific investments in the pooled money investment portfolio shall review whether such investments meet the investment priorities of safety, liquidity and performance. (3) In addition, whenever an individual is first elected or appointed and qualified to the office of the state treasurer, the legislative division of post audit shall conduct a transition audit within two weeks after the date such individual enters upon the duties of the office of the state treasurer. The purpose of the transition audit shall be to review the assets in the custody of the office of the state treasurer for significant discrepancies at the time of the transition. A separate written report shall be prepared for each transition audit.

(4) Copies of the reports of audits conducted pursuant to this subsection (a) shall be furnished to the governor, director of accounts and reports, director of the budget, each state agency, the legislative post audit committee and other persons or agencies as may be required by law or by the specifications of the audit.

(d) The post auditor shall report immediately in writing to the legislative post audit committee, governor and attorney general whenever it appears in the opinion of the post auditor that there may have occurred any violation of penal statutes or any instances of misfeasance, malfeasance or nonfeasance by a public officer or employee disclosed by any audit or audit work conducted under the legislative post audit act. The post auditor shall furnish the attorney general all information in the possession of the post auditor relative to any report referred to the attorney general. The attorney general shall institute and prosecute civil proceedings against any such delinquent officer or employee, or upon such officer or employee's official bond, or both, as may be needed to recover for the state any funds or other assets misappropriated. The attorney general shall also prosecute such ouster and criminal proceedings as the evidence in the case warrants. Any person receiving tax information under the provisions of this subsection shall be subject to the same duty of confidentiality imposed by law upon the personnel of the department of revenue and shall be subject to any civil or criminal penalties imposed by law for violations of such duty of confidentiality.

(g) In the discharge of the duties imposed under the legislative post audit act, the post auditor or firm conducting a financial-compliance audit or conducting any other audit or audit work shall have access to all books, accounts, records, files, documents and correspondence, confidential or otherwise, of any person or state agency subject to the legislative post audit act or in the custody of any such person or state agency. Except as otherwise provided in this subsection, the post auditor or firm conducting a financial-compliance audit or other audit or audit work under the legislative post audit act and all employees and former employees of the division of post audit or firm performing a financial-compliance audit or other audit or audit work shall be subject to the same duty of confidentiality imposed by law on any such person or state agency with regard to any such books, accounts, records, files, documents and correspondence, and any information contained therein, and shall be subject to any civil or criminal penalties imposed by law for violations of such duty of confidentiality. The duty of confidentiality imposed on the post auditor and on firms conducting financial-compliance audits or any other audits or audit work under the legislative post audit act and all employees of the division of post audit and all employees of such firms shall be subject to the provisions of subsection (d), and the post auditor may furnish all such books, accounts, records, files, documents and correspondence, and any information contained therein to the attorney general pursuant to subsection (d). (i) (1) A financial-compliance audit shall be conducted annually on the accounts and transactions of the Kansas lottery and the Kansas lottery commission, of the Kansas public employees retirement system and of any other state agency as may be required by law. The auditor to conduct this audit work shall be specified in accordance with K.S.A. 46-1122, and amendments thereto. The audits required pursuant to this subsection shall be conducted in

accordance with generally accepted governmental auditing standards, and shall be conducted as soon after the close of the fiscal year as practicable, but shall be completed no later than six months after the close of the fiscal year.

(2) The financial-compliance audit of the Kansas public employees retirement system shall include, but not be limited to, a review of alternative investments of the system with any estimates of permanent impairments to the value of such alternative investments reported by the system pursuant to K.S.A. 74-4907, and amendments thereto. The financial-compliance audit may include one or more performance audit subjects as directed by the legislative post audit committee. In considering performance audit subjects to be included in any such financial-compliance audit, the legislative post audit committee shall consider recommendations and requests for performance audits, relating to the system or the management thereof, by the joint committee on pensions, investments and benefits or by any other committee or individual member of the legislature. The legislative post audit committee shall specify if one or more performance audit subjects shall be included in such financial-compliance audit, in addition to such other subjects as may be directed to be included in such financial-compliance audit by the legislative post audit committee. Except as otherwise determined by the legislative post audit committee, one or more performance audit subjects specified by the legislative post audit committee shall be included at least once every two fiscal years in such financial-compliance audit. Senator Shultz made a motion to amend **HB 2552**: on page 1, following line 31, by inserting:

"Sec. 2. K.S.A. 2013 Supp. 39-709 is hereby amended to read as follows: 39-709. (a) *General eligibility requirements for assistance for which federal moneys are expended.* Subject to the additional requirements below, assistance in accordance with plans under which federal moneys are expended may be granted to any needy person who:

(1) Has insufficient income or resources to provide a reasonable subsistence compatible with decency and health. Where a husband and wife are living together, the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary, in determining need of any applicant for or recipient of assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or minor stepchild if the stepchild is living with such individual. The secretary in determining need of an individual may provide such income and resource exemptions as may be permitted by federal law. For purposes of eligibility

for aid for families with dependent children, for food stamp assistance and for any other assistance provided through the Kansas department for children and families under which federal moneys are expended, the secretary for children and families shall consider one motor vehicle owned by the applicant for assistance, regardless of the value of such vehicle, as exempt personal property and shall consider any equity in any additional motor vehicle owned by the applicant for assistance to be a nonexempt resource of the applicant for assistance.

(2) Is a citizen of the United States or is an alien lawfully admitted to the United States and who is residing in the state of Kansas.

(b) *Assistance to families with dependent children.* Assistance may be granted under this act to any dependent child, or relative, subject to the general eligibility requirements as set out in subsection (a), who resides in the state of Kansas or whose parent or other relative with whom the child is living resides in the state of Kansas. Such assistance shall be known as aid to families with dependent children. Where husband and wife are living together both shall register for work under the program requirements for aid to families with dependent children in accordance with criteria and guidelines prescribed by rules and regulations of the secretary.

(c) *Aid to families with dependent children; assignment of support rights and limited power of attorney.* By applying for or receiving aid to families with dependent children such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving aid to families with dependent children, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(d) *Eligibility requirements for general assistance, the cost of which is not shared by the federal government.* (1) General assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d).

(A) To qualify for general assistance in any form a needy person must have insufficient income or resources to provide a reasonable subsistence compatible with decency and health and, except as provided for transitional assistance, be a member of a family in which a minor child or a pregnant woman resides or be unable to engage in employment. The secretary shall adopt rules and regulations prescribing criteria for establishing when a minor child may be considered to be living with a family and whether a person is able to engage in employment, including such factors as age or physical or mental condition. Eligibility for general assistance, other than transitional assistance, is limited to families in which a minor child or a pregnant woman resides or to an adult or family in which all legally responsible family members are unable to engage in employment. Where a husband and wife are living together the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary in determining need of any applicant for or recipient of general assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of general assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or a minor stepchild if the stepchild is living with such individual. In determining the need of an individual, the secretary may provide for income and resource exemptions.

(B) To qualify for general assistance in any form a needy person must be a citizen of the United States or an alien lawfully admitted to the United States and must be residing in the state of Kansas.

(2) General assistance in the form of transitional assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d), but who do not meet the criteria prescribed by rules and regulations of the secretary relating to inability to engage in employment or are not a member of a family in which a minor or a pregnant woman resides.

(3) In addition to the other requirements prescribed under this subsection (d), the secretary shall adopt rules and regulations which establish community work experience program requirements for eligibility for the receipt of general assistance in any form and which establish penalties to be imposed when a work assignment under a community work experience program requirement is not completed without good cause. The secretary may adopt rules and regulations establishing exemptions from any such community work experience program requirements. A first time failure to complete such a work assignment requirement shall result in ineligibility to receive general assistance for a period fixed by such rules and regulations of not more than three calendar months. A subsequent failure to complete such a work assignment requirement shall result in a period fixed by such rules and regulations of ineligibility of not more than six calendar months.

(4) If any person is found guilty of the crime of theft under the provisions of K.S.A. 39-720, and amendments thereto, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the provisions of K.S.A. 39-720, and amendments thereto, or the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 12 calendar

months from the date of conviction. First time offenders convicted of a felony under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction. If any person is found guilty by a court of competent jurisdiction of any state other than the state of Kansas of a crime involving welfare fraud, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction.

(e) *Requirements for medical assistance for which federal moneys or state moneys or both are expended.* (1) When the secretary has adopted a medical care plan under which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to subsection (c) of K.S.A. 16-303, and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient. Medical assistance eligibility for receipt of benefits under the title XIX of the social security act, commonly known as medicaid, shall not be expanded, as provided for in the patient protection and affordable care act, public law 111-148, 124 stat. 119, and the health care and education reconciliation act of 2010, public law 111-152, 124 stat. 1029, unless the legislature expressly consents to, and approves of, the expansion of medicaid services by an act of the legislature.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear

intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(f) *Eligibility for medical assistance of resident receiving medical care outside state.* A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) *Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients.* (1) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to subsection (d) of K.S.A. 39-756, and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is (A) a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both, and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 9-1216, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such

medical assistance under this subsection (g). The secretary is authorized to enforce each claim provided for under this subsection (g). The secretary shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary from claims under this subsection (g) shall be deposited in the social welfare fund. The secretary may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection (g).

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim is limited to the individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a

nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

(A) After the death of the surviving spouse of the recipient;

(B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;

(C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or

(D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary or the secretary's designee;

(B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or

(C) the value of the real property is consumed by the lien, at which time the secretary or the secretary's designee may force the sale for the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of health and environment, or both, or such secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families or the secretary's designee of the death of a recipient of medical assistance under this subsection, the secretary for children and families or the secretary's designee shall give notice of such recipient's death to the secretary of health and environment or the secretary's designee.

(h) *Placement under the revised Kansas code for care of children or revised Kansas*

juvenile justice code; assignment of support rights and limited power of attorney. In any case in which the secretary for children and families pays for the expenses of care and custody of a child pursuant to K.S.A. 2013 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of aid to families with dependent children is a mother of the dependent child, as a condition of the mother's eligibility for aid to families with dependent children the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of aid to families with dependent children who fails to cooperate with requirements relating to child support enforcement under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations which penalty shall progress to ineligibility for the family after three months of noncooperation.

(k) By applying for or receiving child care benefits or food stamps, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food stamps, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable

instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of aid to families with dependent children.

(1) A program of drug screening for applicants for cash assistance as a condition of eligibility for cash assistance and persons receiving cash assistance as a condition of continued receipt of cash assistance shall be established, subject to applicable federal law, by the secretary for children and families on or before January 1, 2014. Under such program of drug screening, the secretary for children and families shall order a drug screening of an applicant for or a recipient of cash assistance at any time when reasonable suspicion exists that such applicant for or recipient of cash assistance is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, an applicant's or recipient's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) Any applicant for or recipient of cash assistance whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any applicant for or recipient of cash assistance who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such applicant or recipient who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(3) Any applicant for or recipient of cash assistance who tests positive for unlawful use of a controlled substance or controlled substance analog shall be required to complete a substance abuse treatment program approved by the secretary for children and families, secretary of labor or secretary of commerce, and a job skills program approved by the secretary for children and families, secretary of labor or secretary of commerce. Subject to applicable federal laws, any applicant for or recipient of cash assistance who fails to complete or refuses to participate in the substance abuse treatment program or job skills program as required under this subsection shall be ineligible to receive cash assistance until completion of such substance abuse treatment and job skills programs. Upon completion of both substance abuse treatment and job skills programs, such applicant for or recipient of cash assistance may be subject to periodic drug screening, as determined by the secretary for children and families. Upon a second positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be ordered to complete again a substance abuse treatment program and job skills program, and shall be terminated from cash

assistance for a period of 12 months, or until such recipient of cash assistance completes both substance abuse treatment and job skills programs, whichever is later. Upon a third positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be terminated from cash assistance, subject to applicable federal law.

(4) If an applicant for or recipient of cash assistance is ineligible for or terminated from cash assistance as a result of a positive test for unlawful use of a controlled substance or controlled substance analog, and such applicant for or recipient of cash assistance is the parent or legal guardian of a minor child, an appropriate protective payee shall be designated to receive cash assistance on behalf of such child. Such parent or legal guardian of the minor child may choose to designate an individual to receive cash assistance for such parent's or legal guardian's minor child, as approved by the secretary for children and families. Prior to the designated individual receiving any cash assistance, the secretary for children and families shall review whether reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog.

(A) In addition, any individual designated to receive cash assistance on behalf of an eligible minor child shall be subject to drug screening at any time when reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, the designated individual's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the designated individual indicating unlawful use of a controlled substance or controlled substance analog.

(B) Any designated individual whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any designated individual who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such designated individual who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(C) Upon any positive test for unlawful use of a controlled substance or controlled substance analog, the designated individual shall not receive cash assistance on behalf of the parent's or legal guardian's minor child, and another designated individual shall be selected by the secretary for children and families to receive cash assistance on behalf of such parent's or legal guardian's minor child.

(5) If a person has been convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall thereby become forever ineligible to receive any cash assistance under this subsection unless such conviction is the person's first conviction. First-time offenders convicted under federal or state law of any offense which is

classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall become ineligible to receive cash assistance for five years from the date of conviction.

(6) Except for hearings before the Kansas department for children and families or, the results of any drug screening administered as part of the drug screening program authorized by this subsection shall be confidential and shall not be disclosed publicly.

(7) The secretary for children and families may adopt such rules and regulations as are necessary to carry out the provisions of this subsection.

"Sec. 2. K.S.A. 2013 Supp. 8-2110 is hereby amended to read as follows: 8-2110. (a) Failure to comply with a traffic citation means failure either to: (1) Appear before any district or municipal court in response to a traffic citation and pay in full any fine and court costs imposed; or (2) otherwise comply with a traffic citation as provided in K.S.A. 8-2118, and amendments thereto. Failure to comply with a traffic citation is a misdemeanor, regardless of the disposition of the charge for which such citation was originally issued.

(b) (1) In addition to penalties of law applicable under subsection (a), when a person fails to comply with a traffic citation, except for illegal parking, standing or stopping, the district or municipal court in which the person should have complied with the citation shall mail notice to the person that if the person does not appear in district or municipal court or pay all fines, court costs and any penalties within 30 days from the date of mailing notice, the division of vehicles will be notified to suspend the person's driving privileges. The district or municipal court may charge an additional fee of \$5 for mailing such notice. Upon the person's failure to comply within such 30 days of mailing notice, the district or municipal court shall electronically notify the division of vehicles. Upon receipt of a report of a failure to comply with a traffic citation under this subsection, pursuant to K.S.A. 8-255, and amendments thereto, the division of vehicles shall notify the violator and suspend the license of the violator until satisfactory evidence of compliance with the terms of the traffic citation has been furnished to the informing court. When the court determines the person has complied with the terms of the traffic citation, the court shall immediately electronically notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension or suspension action.

(2) (A) In lieu of suspension under paragraph (1), the driver may submit to the division of vehicles a written request for restricted driving privileges, with a non-refundable \$25 application fee, to be applied by the division of vehicles for additional administrative costs to implement restricted driving privileges. The division shall remit all restricted driving privilege application fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the division of vehicles operating fund.

(B) A person whose driver's license has expired during the period when such person's drivers license has been suspended for failure to pay fines for traffic citations, the driver may submit to the division of vehicles a written request for restricted driving privileges, with a non-refundable \$25 application fee, to be applied by the division of vehicles for additional administrative costs to implement restricted driving privileges. The division shall remit all restricted driving privilege application fees to the state

treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the division of vehicles operating fund. An individual shall not qualify for restricted driving privileges pursuant to this section unless the following conditions are met: (i) The suspended license that expired was issued by the division of vehicles; (ii) the suspended license resulted from the individual's failure to comply with a traffic citation pursuant to subsection (b)(1); (iii) the traffic citation that resulted in the failure to comply pursuant to subsection (b)(1) was issued in this state; and (iv) the individual has not previously received a stayed suspension as a result of a driving while suspended conviction.

~~(B)~~(C) Upon review and approval of the driver's eligibility, the driving privileges will be restricted by the division of vehicles for a period up to one year or until the terms of the traffic citation have been complied with and the court shall immediately electronically notify the division of vehicles of such compliance. If the driver fails to comply with the traffic citation within the one year restricted period, the driving privileges will be suspended by the division of vehicles until the court determines the person has complied with the terms of the traffic citation and the court shall immediately electronically notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension action. When restricted driving privileges are approved pursuant to this section, the person's driving privileges shall be restricted to driving only under the following circumstances: (i) In going to or returning from the person's place of employment or schooling; (ii) in the course of the person's employment; (iii) in going to or returning from an appointment with a health care provider or during a medical emergency; and (iv) in going to and returning from probation or parole meetings, drug or alcohol counseling or any place the person is required to go by a court.

(c) Except as provided in subsection (d), when the district or municipal court notifies the division of vehicles of a failure to comply with a traffic citation pursuant to subsection (b), the court shall assess a reinstatement fee of \$59 for each charge on which the person failed to make satisfaction regardless of the disposition of the charge for which such citation was originally issued and regardless of any application for restricted driving privileges. Such reinstatement fee shall be in addition to any fine, restricted driving privilege application fee, district or municipal court costs and other penalties. The court shall remit all reinstatement fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury and shall credit 42.37% of such moneys to the division of vehicles operating fund, 31.78% to the community alcoholism and intoxication programs fund created by K.S.A. 41-1126, and amendments thereto, 10.59% to the juvenile detention facilities fund created by K.S.A. 79-4803, and amendments thereto, and 15.26% to the judicial branch nonjudicial salary adjustment fund created by K.S.A. 2013 Supp. 20-1a15, and amendments thereto.

(d) The district court or municipal court shall waive the reinstatement fee provided for in subsection (c), if the failure to comply with a traffic citation was the result of such person enlisting in or being drafted into the armed services of the United States, being called into service as a member of a reserve component of the military service of the

United States, or volunteering for such active duty, or being called into service as a member of the state of Kansas national guard, or volunteering for such active duty, and being absent from Kansas because of such military service. In any case of a failure to comply with a traffic citation which occurred on or after August 1, 1990, and prior to the effective date of this act, in which a person was assessed and paid a reinstatement fee and the person failed to comply with a traffic citation because the person was absent from Kansas because of any such military service, the reinstatement fee shall be reimbursed to such person upon application therefor. The state treasurer and the director of accounts and reports shall prescribe procedures for all such reimbursement payments and shall create appropriate accounts, make appropriate accounting entries and issue such appropriate vouchers and warrants as may be required to make such reimbursement payments.

(e) Except as provided further, the reinstatement fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for such reinstatement. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after ~~the effective date of this act through June 30, 2013~~ July 1, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed \$22 per reinstatement fee, to fund the costs of non-judicial personnel.";

EXPLANATION OF VOTE

Madam President: We have seen great results from the perfect windstorm in Kansas. We have great wind resources in the state. The Federal Renewable Energy Production Tax Credit made early investments in wind technology attractive. Wind technology has improved. Very importantly, Kansas established a renewable portfolio standard with a goal of having investor-owned utilities have at least 20% of their peak demand come from renewable resources for 2020 onward. Here's what we've gained: greater stability in electric rates along with \$7 billion dollars in capital investment, 13,000 direct and indirect jobs, \$13 million dollars in annual landowner lease payments, and \$10 million dollars in annual donation payments to counties hosting wind energy. All with minimal cost to Kansas ratepayers: the Kansas Corporation Commission reports that energy from renewable resources counts for about .21 cents of the about 9.55 cents per kWh retail electricity cost across the state. The Southwest Power Pool's day-ahead market begun March 1st means that any utility that has wind to offer the market should be able to sell that wind. We have additional opportunities from investments in hydropower and solar. I want to keep the standards, enhance our environment and move our state forward. I vote "No" on **S Sub HB 2014**. – MARCI FRANCISCO

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator Ostmeyer introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1805—

A RESOLUTION designating March 30, 2014,
as Welcome Home Vietnam Veterans Day.

WHEREAS, Members of the United States Armed Forces began serving in an advisory role to the Government of the Republic of South Vietnam in 1961; and

WHEREAS, In 1965, United States Armed Forces ground combat units arrived in Vietnam; and

WHEREAS, By the end of 1965, there were 80,000 United States troops in Vietnam, and by 1969, a peak of approximately 543,000 troops was reached; and

WHEREAS, On January 27, 1973, the Treaty of Paris was signed, which required the

release of all United States prisoners of war held in North Vietnam and the withdrawal of all United States Armed Forces from South Vietnam; and

WHEREAS, On March 30, 1973, the United States Armed Forces completed the withdrawal of combat units and combat support units from South Vietnam; and

WHEREAS, More than 58,000 members of the United States Armed Forces lost their lives in Vietnam and more than 300,000 members of the Armed Forces were wounded; and

WHEREAS, The Vietnam War was an extremely divisive issue among the people of the United States and was also a conflict that caused a generation of veterans to wait too long for the United States public to acknowledge and honor the efforts and services of such veterans; and

WHEREAS, Members of the United States Armed Forces who served bravely and faithfully for the United States during the Vietnam War were often wrongly criticized for the policy decisions made by four presidential administrations in the United States; and

WHEREAS, The establishment of a Welcome Home Vietnam Veterans Day would be an appropriate way to honor those members of the United States Armed Forces who served in South Vietnam and throughout Southeast Asia during the Vietnam War: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That March 30, 2014, shall hereby be designated as Welcome Home Vietnam Veterans Day in the state of Kansas in order to honor and recognize the contributions of veterans who served in the United States Armed Forces in Vietnam during war and during peace; and

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator V. Schmidt introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1808—

A RESOLUTION designating March 31, 2014,
as Congenital Diaphragmatic Hernia Awareness Day.

WHEREAS, Congenital Diaphragmatic Hernia (CDH) is a birth defect for which there is no known cause. It affects people of all races and socioeconomic backgrounds. CDH occurs in about one in 2,000 to one in 5,000 live births. A baby born with CDH

either has a diaphragm that is missing or is partially formed. A missing or partially formed diaphragm causes abdominal organs to migrate into the chest cavity, which then causes undeveloped lungs; and

WHEREAS, Approximately 20 Kansas families are affected by CDH each year. Typically, medical costs are \$500,000 to \$1,000,000 for each baby. Most NICU stays are six to 12 weeks in length and require multiple surgeries; and

WHEREAS, About half of all babies born with CDH require time on an extracorporeal membrane oxygenation (ECMO) machine. Kansas does not have an ECMO machine, so parents choose to have these babies born in another state, or babies with CDH are life-flighted to a hospital that has an ECMO machine; and

WHEREAS, More awareness about CDH will lead to more research, which leads to better outcomes for those children diagnosed with CDH: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we designate March 31, 2014, as Congenital Diaphragmatic Hernia Awareness Day, and recognize the importance of awareness and research of CDH; and

Be it further resolved: That the Secretary of the Senate shall send five enrolled copies of this resolution to Senator V. Schmidt.

On emergency motion of Senator V. Schmidt **SR 1808** was adopted by voice vote.

Guests introduced were Tera Linenberger, David Linenberger, Megan Skaggs, William Skaggs III, David Seep, Deborah Seep, Richard Augustine, Deanna Augustine, Katherine Melcher, Kevin Melcher, Kinley Melcher, Kolton Melcher and Amber Gardner.

Senators honored the guests with a standing ovation.

Senator Apple introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1809—

A RESOLUTION congratulating the Paola Panther Robotics team on its success at the Crossroads Regional FIRST Robotics competition.

WHEREAS, The FIRST Robotics competition is an international high school robotics competition organized by For Inspiration and Recognition of Science and Technology (FIRST). Each year, teams of high school students compete to build robots weighing 120 pounds that can complete a task, which changes every year. Teams are given a standard set of parts and are required to set a budget when building their robot, and the team has six weeks to build a competitive robot that can operate autonomously as well as when guided by wireless controls to accomplish the game's tasks; and

WHEREAS, FIRST was founded in 1989 by inventor and entrepreneur Dean Kamen, with inspiration and assistance from physicist and MIT professor emeritus Woodie Flowers; and

WHEREAS, There are 44 FIRST district competitions, 54 regional competitions and one championship event held each year; and

WHEREAS, FIRST Team 1108 was founded in 2003 at Paola High School and made an immediate impact on the robotics scene. The team won the Rookie All-Star Award during its first season at the championship event; and

WHEREAS, This season, the team traveled to Terre Haute, Indiana, and participated in the Crossroads Regional where it received four major awards. The team received its record-tying eighth Regional Chairman's Award, mentor Gregg Rupp was named as a

Woodie Flowers Award Finalist and team president Kate Sample was named as a Dean's List Finalist. Topping the weekend off for Panther Robotics, FIRST Team 1108 was captain of the winning alliance, its first regional win since its inception in 2003; and

WHEREAS, The Chairman's Award is the most prestigious award a team can win at a regional competition or at the championship, more so than even winning the competition itself. The Woodie Flowers Award is awarded to a mentor within a team who the team believes has made a large contribution and deserves to be recognized, with criteria based on how well the mentor inspires the students toward better communication and engineering. The Dean's List Award recognizes individual students for their technical knowledge, leadership skills and their ability to inspire their team toward FIRST's mission; and

WHEREAS, Members of Panther Robotics will compete at the championship competition on April 23-26 in St. Louis, Missouri. They will compete against other regional tournament and Chairman Award winners from across the country: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we congratulate the Paola Panther Robotics team on its success at the Crossroads Regional FIRST Robotics competition. The FIRST Robotics competition is a way to boost the science, technology, engineering and math fields at all levels of education, and the Paola Panther Robotics team exemplifies this mission. We wish them tremendous success at the championship competition; and

Be it further resolved: That the Secretary of the Senate shall send 20 enrolled copies of this resolution to Senator Apple.

On emergency motion of Senator Apple **SR 1809** was adopted by voice vote.

Journal of the Senate

FIFTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, April 2, 2014, 10:00 a.m.

The Senate was called to order by President Susan Wagle.

The roll was called with forty senators present.

Invocation by Father Don Davidson:

Dear Lord, we come to you this day in grateful thanksgiving for the work of many in this chamber who most folks may see but never know. We thank you for the secretaries, clerks, readers, typists and those who have figured out how all of the paper gets in the right files. We thank you for the skill of the technicians who understand the technology and those able to translate one computer language to another. There are a bunch of folks that make it possible for the 40 members of this chamber to get the work, the work of the people, done. Today we thank those who may not be known, but truly are appreciated. In your holy name. Amen

The Pledge of Allegiance was led by President Susan Wagle.

POINT OF PERSONAL PRIVILEGE

The following remarks, by Senator Garrett Love, are offered on **SR 1814** which was adopted April 1, 2014:

Madam President. The U.S. Senate designated April as Parkinson's Awareness Month for the first time on March 26th, 2010 when **SB 474** was passed by unanimous consent. Today we join with our nation and other states in showing our support of those who suffer from Parkinson's Disease. Committed to a cure, we stand with patients, family members, friends, advocates and caregivers. As stated in the resolution, as many as 1 million Americans have the disease including thousands of Kansans. There is no cure for the disease and while research continues to advance, today's best Parkinson's drug was discovered in 1967. So as we recognize April as Parkinson's Awareness Month, we are mindful of those who struggle and pledge our support and encouragement to them in their fight against this terrible disease.

Joining me on the floor today are: Lisa Reser from Ellinwood, Kansas. Mrs. Reser is a fifth grade teacher suffering from Parkinson's Disease. Though she faces the daily challenges of living with the disease, Lisa has been committed to the well-being of Kansas children for more than 25 years. As a matter of fact, one of those children is an adult now and the next individual I have the pleasure of introducing: J. Basil Dannebohm is also from Ellinwood. After living in California, he chose to return to his home state and utilize his professional talents for the service of rural Kansas

communities. While he lives each day with Young Onset Parkinson's Disease, he remains committed to serving Kansas. These two are supported today on the floor by Gayle Christy, a supporter of the cause. In our gallery, they are supported by several colleagues and friends who recognize their hard work.

Sadly we don't hear enough about Parkinson's Disease and all too often associate this illness with the elderly. Ladies and gentlemen, these two are also the face of Parkinson's – it doesn't discriminate by age. It is my hope that we can take time this month to learn more about the disease, its devastating affects on the patients and their loved ones and commit ourselves to supporting their work and hoping for a cure.

The court of appeals may thereupon, in its discretion, permit an appeal to be taken from such order, if application is made to it within 14 days after the entry of the order under such terms and conditions as the supreme court fixes by rule. "Section 1. K.S.A. 2013 Supp. 40-5515 is hereby amended to read as follows: 40-5515. (a) A public adjuster shall maintain a complete record of each transaction as a public adjuster. The records required by this section shall include the following:

- (1) Name of the insured;
- (2) date, location and amount of the loss;
- (3) copy of the contract between the public adjuster and insured;
- (4) name of the insurer and the amount, expiration date and number of each policy carried by the insured with respect to the loss;
- (5) itemized statement of the insured's recoveries;

(6) itemized statement of all compensation received by the public adjuster, from any source whatsoever, in connection with the loss;

(7) a register of all moneys received, deposited, disbursed or withdrawn in connection with a transaction with an insured, including fees, transfers and disbursements from a trust account and all transactions concerning all interest-bearing accounts;

(8) name of public adjuster who executed the contract;

(9) name of the attorney representing the insured, if applicable, and the name of the claims representatives of the insurance company; and

(10) evidence of financial responsibility in the format prescribed by the commissioner.

(b) Records shall be maintained for at least five years after the termination of the transaction with an insured and shall be open to examination by the commissioner at all times.

(c) Records submitted to the commissioner in accordance with this section that contain information identified in writing as proprietary by the public adjuster shall be treated as confidential by the commissioner and shall not be open for inspection under the Kansas open records act.

~~(d) The provisions of subsection (c) shall expire on July 1, 2014, unless the legislature acts to reenact such provisions. The provisions of subsection (c) shall be reviewed by the legislature prior to July 1, 2014.~~

Sec. 2. K.S.A. 2013 Supp. 45-229 is hereby amended to read as follows: 45-229. (a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

(1) The public record is of a sensitive or personal nature concerning individuals;

(2) the public record is necessary for the effective and efficient administration of a governmental program; or

(3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception which will expire in the following year which meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law which creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law which creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

- (1) Is required by federal law;
- (2) applies solely to the legislature or to the state court system;
- (3) has been reviewed and continued in existence twice by the legislature; or
- (4) has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

- (A) What specific records are affected by the exception;
- (B) whom does the exception uniquely affect, as opposed to the general public;
- (C) what is the identifiable public purpose or goal of the exception;
- (D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) an exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program, which administration would be significantly impaired without the exception;

(B) protects information of a sensitive personal nature concerning individuals, the release of which information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or

(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information which is used to protect or further a business advantage over those who do not know or use it, the disclosure of which information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) of this subsection (h) would occur if the records were made public.

EXPLANATION OF VOTE

Madam President: I respect the intent of this bill which is to punish those who attempt to flee or elude the police. Although a basically non-violent activity (running away to avoid pursuit and/or apprehension), such offenders who engage in police chases are often more dangerous than drunk drivers and accordingly, I too believe, deserve to be punished. In that regard, this is really a good law. Still, I must PASS on **Sub HB 2442** as it is written out of concern over the bill's bed space impact. This Senate last

year adopted the “pay-go” rule – Joint Rule 6 – that requires any appropriations increase spending be accompanied by equal or greater reductions in spending. I recommend the same apply with bed space impacts (BSI). To be truly fiscally responsible (unless building and opening new state prisons to incarcerate basically non-violent offenders is your idea of fiscal responsibility), I recommend that whenever the legislature enacts a bill with a positive BSI, another bill reducing spaces must be simultaneously enacted; that the overall impact is neutral or negative. As a member of the Kansas Sentencing Commission, I know and respect that our State is now at capacity for bed space. Please understand that, Madame President and fellow Senators. Can we, simply, afford to build new prisons or house more inmates? I offered an amendment to this bill to make new admissions from it “bed space neutral” by reducing the number of new admissions for another category of non-violent offenders (drug possession) but it was ruled not germane. However, I still believe we need to rein in spending and preserve prison space for violent criminals. We need to find areas in our law where nonviolent offenders get some other help or are no longer incarcerated and reserve those spaces for genuinely violent crimes for genuine public safety. For that reason ALONE, I respectfully vote to “Pass” on **Sub HB 2442** which I yet find a modicum relief in knowing will pass this Chamber.—DAVID HALEY

HB 2490, AN ACT concerning crimes, punishment and criminal procedure; relating to DNA evidence; trials; conduct of jury after case is submitted; amending K.S.A. 22-3420 and K.S.A. 2013 Supp. 21-2511 and repealing the existing sections.

Sec. 3. K.S.A. 2013 Supp. 79-1613 is hereby amended to read as follows: 79-1613. (a) As used in this section:

(1) "Destroyed or substantially destroyed" means damage of any origin sustained by a homestead as the direct result of: (A) An earthquake, flood, tornado, fire, or storm; or ~~or other~~ (B) an event or occurrence which the governor of the state of Kansas has declared a disaster, whereby the cost of restoring the structure to its before-damaged condition would equal or exceed 50% of the market value of the structure before the damage occurred.

(2) "Homestead" means the dwelling, or any part thereof, whether owned or rented, which is occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. "Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

(3) "Public or private buyout" means any buyout from a local, state or federal governmental entity or any non-governmental entity, including, but not limited to, an individual, foundation, trust, association, corporation, limited liability company or partnership.

(b) The owner of any homestead listed and assessed for property taxation purposes which was destroyed or substantially destroyed due to an earthquake, flood, tornado, fire, storm, or other event or occurrence which the governor of the state of Kansas has declared a disaster may make application to the board of county commissioners of the county in which such property is located for the abatement of property taxes levied upon such homestead or for a credit against property taxes payable by such owner, as permitted by this section.

(1) If such homestead has been so destroyed or substantially destroyed after January 1 of a particular year but prior to August 15 of such year, the owner of such homestead may make application to such board of county commissioners for the abatement of property taxes levied upon such homestead, or if such property taxes have been paid or partially paid, may make application for the granting of a credit against property taxes payable by such owner during any or all of the next succeeding three taxable years.

If it is determined that an owner of such homestead is entitled to an abatement of all or any portion of the property taxes levied against such homestead or is entitled to a credit against property taxes payable by such owner in any or all of the next succeeding three years, the board may issue an order so providing.

(b) In the event a person, partnership or corporation has failed to pay any portion of the taxes assessed or levied against its property located within any county and such person, partnership or corporation is a debtor in an action filed pursuant to the United States bankruptcy code, the county commissioners of any such county may compromise, assign, transfer or otherwise settle such tax claim in such fashion as the commissioners deem to be in the best interest of the state and all taxing subdivisions affected thereby, subject to approval by the state court of tax appeals; except that, the state and each other taxing subdivision affected by any such settlement shall receive the same proportional share of its respective tax claim. The property so sold shall be liable in the hands of the purchaser for such tax, but in the event that a purchaser shall pay the tax or any part thereof or, if said property be seized and sold for such tax the seller thereof, shall be civilly liable to the purchaser for the amount of the~~

taxes the purchaser has paid or the amount of taxes due on the property so seized; but if the property be sold in the ordinary course of retail trade it shall not be so liable in the hands of the purchasers. (a) On and after January 1, 2015, if any owner of personal property sells or transfers such property to another after the date such property is assessed and before the tax thereon is paid, then the taxes on the personal property of such taxpayer which is being sold or transferred shall fall due immediately, and a lien shall attach to the property so sold or transferred. The lien shall be for an amount equal to the tax assessment for the year in which the sale or transfer is made and shall become due and payable immediately. The lien shall attach to the property and is not a personal debt of the purchaser or transferee. In no circumstance shall the purchaser or transferee be liable for any taxes owed by the seller or transferor prior to the year in which the sale or transfer occurred. Such lien shall be in preference to all other claims against such property. The county treasurer, after receiving knowledge of any such surrender or transfer, shall issue immediately a tax warrant for the collection thereof and the sheriff shall collect it as in other cases. The lien shall remain on the property and any person taking possession of the property does so subject to the lien. The one owing such tax shall be liable civilly to any person taking possession of such property for any taxes owing thereon, but the property shall be liable in the hands of the person taking possession thereof for such tax. If the property is sold in the ordinary course of retail trade it shall not be liable in the hands of the purchasers. No personal property which has been transferred in any manner after it has been assessed shall be liable for the tax in the hands of the transferee after the expiration of three years from the time such tax originally became due and payable.

The county treasurer of the county where such personal property taxes remain due and unpaid shall update the records of the county treasurer to show that the seller or transferor is delinquent and owes personal property taxes levied against the seller or transferor for such previous year or years for the purposes of vehicle registration under K.S.A. 8-173, and amendments thereto.

Sec. 6. K.S.A. 2013 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(c) If the property for which an expense deduction is taken pursuant to subsection (a) is subsequently sold during the applicable recovery period for such property as defined under section 168(c) of the internal revenue code, as amended, and in a manner that would cause recapture of any previously taken expense or depreciation deductions for federal income tax purposes, or if the situs of such property is otherwise changed such that the property is relocated outside the state of Kansas during such applicable recovery period, then the expense deduction determined pursuant to subsection (a) shall be subject to recapture and treated as Kansas taxable income allocated to this state. If such property is mobile, the situs shall be the physical location of the business operations from where such property is used or based. EXPLANATION OF VOTE

Madam President: I vote "No" on the conference committee report on **S Sub HB 2338**. These provisions include policy decisions which were each before the Senate Judiciary committee in individual bills. **S Sub HB 2338** is designated a budget bill and the Senate should take into account the stakeholders of these policy decisions before passing this underlying bill. Those stakeholders include the chief judges of every judicial district in the State of Kansas who, to a person, have rejected some of these policy decisions; including allocating to each chief judge the responsibilities to set each judicial district's budget. We should respect the judicial branch's opinions when it weighs in on policy decisions that affect or disrupt its administration. This legislature should not get accustomed to mixing policy decisions with budget bills in that it does not serve our time-honored procedures well at all. Maintaining our tradition as a noble

Senate is important; mindful and respectful of both custom and separate, co-equal branches, of state government.—DAVID HALEY

Senators Francisco, Hensley, Holland and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Haley on **S Sub HB 2338**.

(b) the hearing officer provided for by K.S.A. 72-5438, and amendments thereto, shall thereupon be selected and shall decide if there is substantial evidence to support the teacher's claim that the teacher's exercise of a constitutionally protected right was the reason for the nonrenewal;

(d) if the hearing officer determines that there is substantial evidence to support the teacher's claim, the board shall be required to submit to the hearing officer any reasons which may have been involved in the nonrenewal;

(e) if the board presents any substantial evidence to support its reasons, the board's decision not to renew the contract shall be upheld.";

DEPARTMENT OF EDUCATION

(a) There is appropriated for the above agency from the state general fund for the fiscal year ending June 30, 2015, the following:

Supplemental general state aid.....\$103,865,000

(b) On July 1, 2014, the expenditure limitation established for the fiscal year ending June 30, 2015, by section 144(b) of chapter 136 of the 2013 Session Laws of Kansas on the school district capital outlay state aid fund of the department of education is hereby increased from \$0 to no limit.

Sec. 2. K.S.A. 2013 Supp. 72-8814 is hereby amended to read as follows: 72-8814.

(a) There is hereby established in the state treasury the school district capital outlay state aid fund. Such fund shall consist of all amounts transferred thereto under the provisions of subsection (c).

(b) In each school year, each school district which levies a tax pursuant to K.S.A. 72-8801 et seq., and amendments thereto, shall be entitled to receive payment from the school district capital outlay state aid fund in an amount determined by the state board of education as provided in this subsection. The state board of education shall:

(1) Determine the amount of the assessed valuation per pupil (AVPP) of each

school district in the state and round such amount to the nearest \$1,000. The rounded amount is the AVPP of a school district for the purposes of this section;

(2) determine the median AVPP of all school districts;

(3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

(4) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each \$1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each \$1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 2013 Supp. 72-8814b, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district, except that the state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 25%;

(5) determine the amount levied by each school district pursuant to K.S.A. 72-8801 et seq., and amendments thereto;

(6) multiply the amount computed under (5), but not to exceed 8 mills, by the applicable state aid percentage factor. The product is the amount of payment the school district is entitled to receive from the school district capital outlay state aid fund in the school year.

(c) The state board shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital outlay state aid fund for distribution to school districts; ~~except that no transfers shall be made from the state general fund to the school district capital outlay state aid fund during the fiscal years ending June 30, 2013, June 30, 2014, June 30, 2015, or June 30, 2016.~~ All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund.

(d) Payments from the school district capital outlay state aid fund shall be distributed to school districts at times determined by the state board of education. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the capital outlay fund of the school district to be used for the purposes of such fund.

(e) Amounts transferred to the capital outlay fund of a school district as authorized by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation when determining the amount of state aid to which a district is entitled to receive under this section.

Sec. 3. K.S.A. 2013 Supp. 72-8814 is hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the statute book.";

EXPLANATION OF VOTE

Madam President: I vote "No" on **S Sub Sub HB 2231**. I vote no for the students – the future – of Kansas. This budget fails to restore the cuts made over the past three years to K-12 education or provide funding for any substantial increase in base state aid per pupil. Furthermore, it fails to restore last year's funding cuts, the largest in Kansas history, to Kansas Regents universities, despite the Governor's statewide tour and promises to do so. I vote no for the state employees of Kansas. Once again, we've failed to keep our promise to fund the under market pay adjustment for our lowest paid state employees. And, we've failed to pass the Governor's recommended 1.5% pay increase for our classified employees. Finally, I vote no for the arts in Kansas. This budget eliminates more than half a million dollars from the budget of the Kansas Creative Arts

Industries Commission. For these reasons and many more that would take me beyond the limitation of 200 words, I vote NO on this bill. – ANTHONY HENSLEY

Senators Hawk, Kelly and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **S Sub Sub HB 2231**.

The substitute bill passed as amended.

EXPLANATION OF VOTE

Madam President: I vote "No" on **S Sub HB 2506**. Less than one month ago the Kansas Supreme Court affirmed that the legislature has created an unconstitutional school finance system and then was the time to fix it. They told us to resolve inequities by fully funding capital outlay and local option budget equalization. Unfortunately, we have waited until the final two days of the legislative session to address this issue. When the equity issue should have been this legislature's first and foremost priority. It is absurd that we are discussing more cuts to important areas of education – at-risk, virtual schools, transportation – to fix this. More cuts are not the solution. This bill makes unnecessary and unvetted new education policy such as blocking the implementation of the Common Core standards, creating a corporate tax scholarship credit, eliminating due process for teachers, and establishing a property tax credit without a fiscal note for families using private schools. The school finance formula is not broken and should not be changed. The formula is underfunded. And, if we really want to put money into the classroom, we should be restoring the cuts and raising the base state aid per pupil. – ANTHONY HENSLEY

Senators Francisco, Hawk, Kelly and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **S Sub HB 2506**.

PROTEST***Senate Substitute for House Bill 2506 April 3, 2014***

Madam President: I hereby exercise my right under Article 2, Section 10 of the Kansas Constitution to protest **Senate Substitute for House Bill 2506**.

On March 7, 2014, the Kansas Supreme Court affirmed the district court's ruling in *Gannon v. State* holding that "the State established unconstitutional, wealth-based disparities by prorating and reducing supplemental state aid payments to which certain school districts were otherwise entitled for their local option budgets" and that "the State established unconstitutional, wealth-based disparities by withholding all capital outlay state aid payments to which certain school districts were otherwise entitled." This decision requires that the Kansas Legislature act by July 1, 2014, to expeditiously address these inequities by 1) fully funding the capital outlay and supplemental state aid equalization and therefore ending the litigation for the equity portion of the lawsuit; 2) less than fully funding the capital outlay and supplemental state aid equalization or amending the K-12 school finance formula and therefore requiring court review of the legislative action; or 3) taking no action which could create a constitutional crisis.

Senate Substitute for House Bill 2506 is the Senate's attempt to address the Kansas Supreme Court's ruling. The title of the bill is "An Act concerning education;" and continues on to list numerous substantial changes of policy including teacher licensure, a study commission on school finance, the Lexia Reading program and numerous amendments to the K-12 school finance formula. Intertwined with these education policy changes is a property tax provision relating to tax credits for home owning parents of children educated in private schools. Additionally, this bill includes provisions "making and concerning appropriations for fiscal years ending June 30, 2014-2016 for the Department of Education as well as Higher Education." Article 2, Section 16 of the Kansas Constitution provides that, "No bill shall contain more than one subject, except appropriations bills and bills for revision or codification of statutes."

It has been established that **Senate Substitute for House Bill 2506** is not an appropriations bill. While the subject of the bill is "education," it is a bill:

- making and concerning appropriations for K-12 and Higher education;
- revising existing statutes pertaining to the K-12 school finance formula;
- establishing substantial new education policy regarding teacher licensure and a study commission acting independent of the Kansas State School Board; and
- establishing property tax credits for families with children attending private schools.

The inclusion of the provisions establishing new education policy, amending the K-12 finance formula, establishing property tax credits, and making appropriations for K-12 and Higher Education co-mingles four different subjects into a single bill violative of Article 2, Section 16.

For these reasons I voted "No" on **Senate Substitute for House Bill 2506** and urge the Senate to set aside politics and address the Court ruling in a simple and responsible manner. — ANTHONY HENSLEY

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senators Haley, Faust-Goudeau and Hensley introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1820—

A RESOLUTION commemorating the 50th Anniversary
of the Civil Rights Act of 1964.

WHEREAS, The Civil Rights Act of 1964 is a landmark piece of civil rights legislation in the United States and was signed into law by President Lyndon B. Johnson on July 2, 1964; and

WHEREAS, The bill was called for by President John F. Kennedy in his civil rights speech of June 11, 1963, in which he asked for legislation "giving all Americans the right to be served in facilities which are open to the public," as well as "greater protection for the right to vote." President Kennedy delivered this speech following a series of peaceful protests from various communities of Americans from different racial and religious backgrounds; and

WHEREAS, Emulating the Civil Rights Act of 1875, the 1964 Act included many provisions: Title I bars unequal application of voter registration requirements; Title II outlaws discrimination based on race, color, religion or national origin in hotels, motels, restaurants, theaters and all other public accommodations engaged in interstate commerce; Title III prohibits state and municipal governments from denying access to public facilities on grounds of race, color, religion or national origin; Title IV encourages the desegregation of public schools and authorized the U.S. Attorney General to file suits to enforce the act; Title V expanded the Civil Rights Commission established by the earlier Civil Rights Act of 1957 with additional powers, rules and procedures; Title VI prevents discrimination by government agencies that receive federal funds; Title VII prohibits discrimination by certain employers on the basis of race, color, religion, sex or national origin; Title VIII requires compilation of voter registration and voting data in geographic areas specified by the Commission on Civil Rights and includes the Fair Housing Act, which bans discrimination in sale or rental of property; Title IX made it easier to move civil rights cases from state courts to federal courts in order to ensure that civil rights activists would receive fair trials; Title X established the Community Relations Service, tasked with assisting in community disputes involving claims of discrimination; and Title XI imposes criminal penalties for a violation of the other Titles of the Act and gives defendants the right to a jury trial; and

WHEREAS, Fifty years ago, President Johnson's vision for a more just and honorable America contributed to the passing of the Civil Rights Act, the most transformational civil rights legislation since Reconstruction and a crucial step in the realization of America's promise. His vision went far beyond ending racial discrimination, as education, economic opportunity, health care, clean air and water and access to the arts and humanities are inherent civil rights for all Americans; and

WHEREAS, Kansas is at the forefront of ending segregation and implementing civil rights for all people, beginning with Kansas entering the Union in 1861 as a free state, under the premise that all men and women are created equal and that every American has the same Constitutional rights. Kansas' history of promoting civil rights also includes the 1954 landmark Supreme Court case *Brown v. Board of Education of Topeka, Kansas*: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we commemorate the 50th Anniversary of the signing of the Civil Rights Act of 1964 and affirm all of the rights found in the Act, including the right to be free from discrimination in voter registration requirements, public accommodations, public facilities, public schools, employment opportunities and housing; and

Be it further resolved: That the Secretary of the Senate shall send three enrolled copies of this resolution to Senator Haley, two enrolled copies to Senator Faust-Goudeau and one enrolled copy to Senator Hensley.

On emergency motion of Senator Haley **SR 1820** was adopted by voice vote.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

On motion of Senator Bruce an emergency was declared by a 2/3 constitutional majority, and **SB 323**; **HB 2553**, **HB 2557** and **HB 2643** were advanced to Final Action and roll call.

SB 323, AN ACT concerning property; relating to conservation easements; amending K.S.A. 58-3811 and repealing the existing section.

On roll call, the vote was: Yeas 16; Nays 23; Present and Passing 1; Absent or Not Voting 0.

Present and Passing: Donovan.

A constitutional majority having failed to vote in favor of the bill, **SB 323** did not pass.

EXPLANATION OF VOTE

Madam President: As introduced, **SB 323** would limit the duration of conservation easements in Kansas to the life of the grantor or a specified term of years, whichever occurs first. Amendments allow for durations for up to 50 years, for the life of the project if the purpose is compensatory mitigation required under the Clean Water Act, and create an exception for conservation easements created to buffer military installations. Conservation easements are agreements between a willing landowner and a qualified conservation organization or government agency under which a landowner

agrees to maintain the land in a way that respects the land's existing conservation values. These easements allow for the provision of buffers for military training, mitigation for watershed development, continuation of the use of farm and grazing lands, and protection of wildlife habitat and scenic natural areas including our tallgrass prairie. Kansans have enjoyed this right for over 20 years since the legislature passed the Uniform Conservation Easement Act in 1992. Although the bill allows some exceptions, it would interfere with many opportunities for Kansans to exercise their private property rights and to provide for their vision of the future. I vote "No" on **SB 323**. – MARCI FRANCISCO

Senator Hawk requests the record to show that he concurs with the "Explanation of Vote" offered by Senator Francisco on **SB 323**.

Nays: Faust-Goudeau, Haley, Hawk, Hensley, Holland, Kelly, King, Petey.

Present and Passing: Donovan, Longbine, McGinn.
The bill passed, as amended.

EXPLANATION OF VOTE

Madam President: I vote no on **HB 2643**. Passing this bill reinforces the cynicism most of our fellow Kansans have about politics – those who contribute large sums of money to political campaigns get laws passed giving them special treatment. This bill does exactly that. The owner of Genesis Health Clubs gets an exemption on his business property taxes in return for contributing \$45,000 to Senate candidates in the last election. Where will this end? This bill sets a dangerous precedent. If it's Genesis Health Clubs today, how many other for-profit businesses will come to the Legislature and ask for a property tax exemption? I vote no on this bill. – ANTHONY HENSLEY

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2568** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 7, by striking all in lines 2 through 5;

On page 8, following line 8, by inserting:

"(d) If both parents are parties to the action, the court shall enter such orders regarding custody, residency and parenting time as the court considers to be in the best interest of the child.

If the parties have an agreed parenting plan, it shall be presumed the agreed parenting plan is in the best interest of the child. This presumption may be overcome and the court may make a different order if the court makes specific findings of fact stating why the agreed parenting plan is not in the best interest of the child. If the parties are not in agreement on a parenting plan, each party shall submit a proposed parenting plan to the court for consideration at such time before the final hearing as may be directed by the court.

(e) If during the proceedings the court determines that there is probable cause to believe that the child is a child in need of care, as defined by subsections (d)(1), (d)(2), (d)(3) or (d)(11) of K.S.A. 2013 Supp. 38-2202, and amendments thereto, or that neither parent is fit to have residency, the court may award temporary residency of the child to a grandparent, aunt, uncle or adult sibling, or another person or agency if the court finds by written order that: (1) (A) The child is likely to sustain harm if not immediately removed from the home; (B) allowing the child to remain in the home is contrary to the welfare of the child; or (C) immediate placement of the child is in the best interest of the child; and (2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety of the child. In making such a residency order, the court shall give preference, to the extent that the court finds it is in the best interests of the child, first to awarding such residency to a relative of the child by blood, marriage or adoption and second to awarding such residency to another person with whom the child has close emotional ties. The court may make temporary orders for care, support, education and visitation that it considers appropriate. Temporary residency orders are to be entered in lieu of temporary orders provided for in K.S.A. 2013 Supp. 38-2243 and 38-2244, and amendments thereto, and shall remain in effect until there is a final determination under the revised Kansas code for care of children. An award of temporary residency under this paragraph shall not terminate parental rights nor give the court the authority to consent to the adoption of the child. When the court enters orders awarding temporary residency of the child to an agency or a person other than the parent, the court shall refer a transcript of the proceedings to the county or district attorney. The county or district attorney shall file a petition as provided in

K.S.A. 2013 Supp. 38-2234, and amendments thereto, and may request termination of parental rights pursuant to K.S.A. 2013 Supp. 38-2266, and amendments thereto. The costs of the proceedings shall be paid from the general fund of the county. If a final determination is made that the child is not a child in need of care, the county or district attorney shall notify the court in writing and the court, after a hearing, shall enter appropriate custody orders pursuant to this section. If the same judge presides over both proceedings, the notice is not required. Any order pursuant to the revised Kansas code for care of children shall take precedence over any similar order under this section.";

(c) It shall be a violation of this section to carry an unconcealed firearm if the building is posted in accordance with rules and regulations adopted by the attorney general pursuant to subsection (d). Any person who violates this section shall not be subject to a criminal penalty but may be subject to denial to such premises or removal from such premises.

(b) Possession of a firearm under the influence is a class A nonperson misdemeanor.

(c) This section shall not apply to:

(1) A person who possesses or carries a firearm while in such person's own dwelling or place of business or on land owned or possessed by such person; or

(2) the transitory possession or use of a firearm during an act committed in self-defense or in defense of another person or any other act committed if legally justified or excused, provided such possession or use lasts no longer than is immediately necessary.

(d) If probable cause exists for a law enforcement officer to believe a person is in possession of a firearm under the influence of alcohol or drugs, or both, such law enforcement officer shall request such person submit to one or more tests of the person's blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The selection of the test or tests shall be made by the officer.

(e) (1) If a law enforcement officer requests a person to submit to a test of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by:

(C) any qualified medical technician, including, but not limited to, an emergency medical technician-intermediate, mobile intensive care technician, an emergency medical technician-intermediate/defibrillator, an advanced emergency medical technician or a paramedic, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol; or

(2) A law enforcement officer may direct a medical professional described in this subsection to draw a sample of blood from a person if the person has given consent or upon meeting the requirements of subsection (d).

(3) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person's life, cause serious injury to the person or seriously impede the person's medical assessment, care or treatment. The medical professional authorized herein to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawing of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person to sign any additional consent or waiver form. In such a case, the person authorized to

withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent.

(4) Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document provided by law enforcement.

(5) If a sample is to be taken under authority of a search warrant, and the person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person's safety or that of the medical professional or attending medical or health care staff during the drawing of the sample and without interfering with medical treatment.

(6) A law enforcement officer may request a urine sample upon meeting the requirements of subsection (d).

(7) If a law enforcement officer requests a person to submit to a test of urine under this section, the collection of the urine sample shall be supervised by:

(A) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the direction of any such licensed person;

(B) a registered nurse or a licensed practical nurse; or

(C) a law enforcement officer of the same sex as the person being tested.

The collection of the urine sample shall be conducted out of the view of any person other than the persons supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer. The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence. If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in paragraphs (2) and (3) shall apply to the collection of a urine sample.

(8) The person performing or assisting in the performance of any such test and the law enforcement officer requesting any such test who is acting in accordance with this section shall not be liable in any civil and criminal proceeding involving the action.

(f) (1) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of possession of a firearm under the influence of alcohol or drugs, or both.

(2) Failure of a person to provide an adequate breath sample or samples as directed shall constitute a refusal unless the person shows that the failure was due to physical inability caused by a medical condition unrelated to any ingested alcohol or drugs.

(3) In any criminal prosecution for a violation of this section, if the court finds that a person refused to submit to testing when requested pursuant to this section, the county or district attorney, upon petition to the court, may recover on behalf of the state, in addition to the criminal penalties provided in this section, a civil penalty not exceeding \$1,000 for each violation.

(g) If a person who holds a valid license to carry a concealed handgun issued pursuant to K.S.A. 2013 Supp. 75-7c01 et seq., and amendments thereto, is convicted of a violation of this section, such person's license to carry a concealed handgun shall be

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator Haley introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1821—

A RESOLUTION recognizing the misuse and abuse of prescription drug medications as a major threat to public health and safety in Kansas and nationwide and designating April 26, 2014, as Kansas Drug Take-Back Day.

WHEREAS, Drug abuse in the United States increasingly means the misuse and abuse of prescription drug medications. Drug overdose is now the second most common cause of accidental death in the nation, killing more than gunshot wounds and behind only traffic accidents; and

WHEREAS, Prescription drugs are a substantial factor in a growing number of American deaths considered to be drug induced. Emergency room visits and unintentional overdose deaths involving prescription drugs have increased sharply; and

WHEREAS, National data show that as many as 16 million Americans age 12 or older have abused controlled prescription medications, including pain relievers, tranquilizers, sedatives and stimulants; and

WHEREAS, Barry R. Grissom, United States Attorney, District of Kansas, has declared that "prescription drugs are being used, misused, and abused at an alarming rate" and that he is "seeing more cases of accidental poisoning, addiction and overdose deaths. It is not an overstatement to call this an epidemic in the truest sense of the word. It has become a major threat to public health and public safety."; and

WHEREAS, Unused prescription narcotics at home contribute to drug abuse and risks of accidental deaths of children and the elderly. The second leading source of abused prescription drugs is in the home medicine cabinet. The number one source is friends and relatives, who often get the prescription drugs from other people's medicine cabinets. This demonstrates the importance of disposing unused prescription medications rather than leaving them in a medicine cabinet at home; and

WHEREAS, Americans that participated in the U.S. Department of Justice Drug Enforcement Administration's third National Prescription Drug Take-Back Day in 2012 turned in more than 552,161 pounds, or 276 tons, of prescription drugs at over 5,600 sites operated by the DEA and nearly 4,300 state and local law enforcement partners. Last year, more than 5,300 pounds of unused prescription drugs were collected during Kansas' Drug Take-Back Day. On April 27, 2013, Kansans set a new record during the National Drug Take-Back Day event, collecting more than 10,000 pounds, or 5 tons, of unused medications from 101 locations across the State. Since 2010, the initiative has collected a combined total of 3.4 million pounds of unneeded medications. On April 26, 2014, the DEA expects record-breaking numbers at thousands of collection sites across the country; and

WHEREAS, It must be recognized that a drug cabinet full of old or unused prescription medicine is a health hazard, increasing the risk of poison and abuse among adults, teenagers and children across the State and across the nation: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize the misuse and abuse of prescription drug medications as a major threat to public health and safety in Kansas and nationwide; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to Senator Haley.

On emergency motion of Senator Haley **SR 1821** was adopted by voice vote.

Senator Hensley introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1822—

A RESOLUTION congratulating the Santa Fe Trail High School girls' basketball team for winning the 2014 Class 4A State Basketball Championship.

WHEREAS, The Santa Fe Trail High School girls' basketball team won the 2014 Kansas State High School Activities Association Class 4A State Basketball Championship with a 58-54 overtime victory against Frontenac High School, strengthening the team's rich tradition of excellence in girls' basketball; and

WHEREAS, The 2014 Santa Fe Trail girls' basketball team finished the season with a record of 22-3. This season, the Santa Fe Trail girls' basketball team defeated the Holton High School girls' basketball team, ending Holton's 114 consecutive league game winning streak. This year, the Santa Fe Trail girls' basketball team was named Big 7 league champion; and

WHEREAS, The members of the championship team are: Seniors Bri Beckman, Ashtyn Mentzer, Megan Zaldivar, Amber Moore, Jaeden Romine and Shelby Dahl; Juniors Devin Deshazer, Mandy Watson, Lauren Hobart and Danielle Phipps; Sophomores Skye Dunnaway, Keelie Johnson, Carley Stone and Peyton Workman; and Freshman Grace Herren, Amber Moore and Shelby Dahl were named all-league players. The head coach is Jayson Duncan and the assistant coaches are Keith Johnson and Dana Workman; and

WHEREAS, Shelby Dahl has been named to the Class 4A girls first team all-state and Bri Beckman and Amber Moore were named honorable mentions; and

WHEREAS, The accomplishments of the Santa Fe Trail High School girls' basketball team continue to inspire and amaze basketball fans across the state of Kansas: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That the Santa Fe Trail High School girls' basketball team and Coach Jayson Duncan be congratulated for winning the 2014 Kansas State High School Activities Association Class 4A State Basketball Championship. Their hard work and athletic ability are points of pride for their families, school and the communities of Carbondale, Overbrook and Scranton. We extend our best wishes for their continued success and happiness in the future; and

Be it further resolved: That the Secretary of the Senate shall send 20 enrolled copies of this resolution to Senator Hensley.

On emergency motion of Senator Hensley **SR 1822** was adopted by voice vote.

(m) Prior to conducting proceedings under this section, the court may require the minor to participate in an evaluation session with a psychiatrist, licensed psychologist or licensed clinical social worker. Such evaluation session shall be for the purpose of

developing trustworthy and reliable expert opinion concerning the minor's sufficiency of knowledge, insight, judgment and maturity with regard to her abortion decision in order to aid the court in its decision and to make the state's resources available to the court for this purpose. Persons conducting such sessions may employ the information and materials referred to in K.S.A. 65-6708 et seq., and amendments thereto, in examining how well the minor is informed about pregnancy, fetal development, abortion risks and consequences and abortion alternatives, and should also endeavor to verify that the minor is seeking an abortion of her own free will and is not acting under intimidation, threats, abuse, undue pressure or extortion by any other persons. The results of such evaluation shall be reported to the court by the most expeditious means, commensurate with security and confidentiality, to assure receipt by the court prior to or at the proceedings initiated pursuant to this section.

(n) In determining if a minor is mature and well-enough informed to make the abortion decision without parental consent, the court shall take into account the minor's experience level, perspective and judgment. In assessing the minor's experience level, the court shall consider, along with any other relevant factors, the minor's age, experience working outside the home, living away from home, traveling on her own, handling personal finances and making other significant decisions. In assessing the minor's perspective, the court shall consider, along with any other relevant factors, what steps the minor has taken to explore her options and the extent to which she considered and weighed the potential consequences of each option. In assessing the minor's judgment, the court shall consider, along with any other relevant factors, her conduct since learning of her pregnancy and her intellectual ability to understand her options and to make informed decisions.

(o) The judicial record of any court proceedings initiated pursuant to this section shall upon final determination by the court be compiled by the court. One copy of the judicial record shall be given to the minor or an adult chosen by the minor to bring the initial petition under this section. A second copy of the judicial record shall be sent by the court to the abortion provider who performed or will perform the abortion for inclusion in the minor's medical records and shall be maintained by the abortion provider for at least 10 years.

(p) The chief judge of each judicial district shall send annual reports to the department of health and environment disclosing in a nonidentifying manner:

(1) The number of minors seeking a bypass of the parental consent requirements through court proceedings under this section;

(2) the number of petitions granted;

(3) the reasons for granting such petitions;

Sec. 6. K.S.A. 2013 Supp. 65-6709 is hereby amended to read as follows: 65-6709. No abortion shall be performed or induced without the voluntary and informed consent of the woman upon whom the abortion is to be performed or induced. Except in the case of a medical emergency, consent to an abortion is voluntary and informed only if:

(a) At least 24 hours before the abortion the physician who is to perform the abortion or the referring physician has informed the woman in writing of:

(1) The name of the physician who will perform the abortion;

(2) a description of the proposed abortion method;

(3) a description of risks related to the proposed abortion method, including risk of premature birth in future pregnancies, risk of breast cancer and risks to the woman's reproductive health and alternatives to the abortion that a reasonable patient would consider material to the decision of whether or not to undergo the abortion;

(4) the probable gestational age of the unborn child at the time the abortion is to be performed and that Kansas law requires the following: "No person shall perform or induce an abortion when the unborn child is viable unless such person is a physician and has a documented referral from another physician not financially associated with the physician performing or inducing the abortion and both physicians determine that: (1) The abortion is necessary to preserve the life of the pregnant woman; or (2) a continuation of the pregnancy will cause a substantial and irreversible physical impairment of a major bodily function of the pregnant woman." If the child is born alive, the attending physician has the legal obligation to take all reasonable steps necessary to maintain the life and health of the child;

(5) the probable anatomical and physiological characteristics of the unborn child at the time the abortion is to be performed;

(6) the contact information for counseling assistance for medically challenging pregnancies, the contact information for perinatal hospice services and a listing of websites for national perinatal assistance, including information regarding which entities provide such services free of charge;

(7) the medical risks associated with carrying an unborn child to term; and

(8) any need for anti-Rh immune globulin therapy, if she is Rh negative, the likely consequences of refusing such therapy and the cost of the therapy.

(b) At least 24 hours before the abortion, the physician who is to perform the

abortion, the referring physician or a qualified person has informed the woman in writing that:

(2) the informational materials in K.S.A. 65-6710, and amendments thereto, are available in printed form and online, and describe the unborn child, list agencies which offer alternatives to abortion with a special section listing adoption services and list providers of free ultrasound services;

(3) the father of the unborn child is liable to assist in the support of her child, even in instances where he has offered to pay for the abortion except that in the case of rape this information may be omitted;

(4) the woman is free to withhold or withdraw her consent to the abortion at any time prior to invasion of the uterus without affecting her right to future care or treatment and without the loss of any state or federally-funded benefits to which she might otherwise be entitled;

(5) the abortion will terminate the life of a whole, separate, unique, living human being; and

(6) by no later than 20 weeks from fertilization, the unborn child has the physical structures necessary to experience pain. There is evidence that by 20 weeks from fertilization unborn children seek to evade certain stimuli in a manner that in an infant or an adult would be interpreted to be a response to pain. Anesthesia is routinely administered to unborn children who are 20 weeks from fertilization or older who undergo prenatal surgery.

(c) At least 30 minutes prior to the abortion procedure, prior to physical preparation for the abortion and prior to the administration of medication for the abortion, the woman shall meet privately with the physician who is to perform the abortion and such person's staff to ensure that she has an adequate opportunity to ask questions of and obtain information from the physician concerning the abortion.

All physicians who perform abortions shall report the total number of certifications received monthly to the department. The total number of certifications shall be reported by the physician as part of the written report made by the physician to the secretary of health and environment under K.S.A. 65-445, and amendments thereto. The department shall make the number of certifications received available on an annual basis.

(f) Prior to the performance of the abortion, the physician who is to perform the abortion or the physician's agent receives a copy of the written certification prescribed by subsection (e) of this section.

(g) The woman is not required to pay any amount for the abortion procedure until

the 24-hour waiting period has expired.

(h) A physician who will use ultrasound equipment preparatory to or in the performance of the abortion, at least 30 minutes prior to the performance of the abortion:

(5) obtains the woman's signed acceptance or rejection of the opportunity to view the ultrasound image and receive a physical picture of the ultrasound image.

If the woman accepts the offer and requests to view the ultrasound image, receive a physical picture of the ultrasound image or both, her request shall be granted by the physician at no additional expense to the woman. The physician's certification shall be time-stamped at the time the opportunity to view the ultrasound image and receive a physical picture of the ultrasound image was offered.

If the woman accepts the offer and requests to listen to the heartbeat of her unborn child, her request shall be granted by the physician at no additional expense to the woman. The physician's certification shall be time-stamped at the time the opportunity to listen to the heartbeat of her unborn child was offered.

(j) The physician's certification required by subsections (h) and (i) together with the pregnant woman's signed acceptance or rejection of such offer shall be placed in the woman's medical file in the physician's office and kept for 10 years. However, in the case of a minor, the physician shall keep a copy of the certification and the signed acceptance or rejection in the minor's medical file for five years past the minor's majority, but in no event less than 10 years.

(k) Any private office, freestanding surgical outpatient clinic or other facility or clinic in which abortions are performed shall conspicuously post a sign in a location so as to be clearly visible to patients.
