The Honorable Pat Proctor, Chairperson  
House Committee on Elections  
300 SW 10th Avenue, Room 218-N  
Topeka, Kansas 66612

Dear Representative Proctor:

SUBJECT: Fiscal Note for HB 2518 by House Committee on Elections

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2518 is respectfully submitted to your committee.

HB 2518 would require the Secretary of State to adopt, in consultation with county elections officers, rules and regulations for the use of remote ballot boxes for the return of advance voting ballots, on or before July 1, 2024,. The bill would define “remote ballot boxes” as any form of locked ballot box available for the use of depositing advance voting ballots that are not located in a county election office or satellite advance voting site.

The Secretary of State indicates, under HB 2518, the agency would use existing staff and budget resources to coordinate with county election officials to draft and adopt new rules and regulations as well as provide training and update manuals for county election officials; update the agency’s website; update public documents and information; and work with media, political parties, candidates, and the public to ensure knowledge of regulatory changes.

The Kansas Association of Counties indicates that the bill would not have a fiscal effect on counties.

Sincerely,

Adam C. Proffitt  
Director of the Budget
