The Honorable Beverly Gossage, Chairperson
Senate Committee on Public Health and Welfare
300 SW 10th Avenue, Room 142-S
Topeka, Kansas 66612

Dear Senator Gossage:

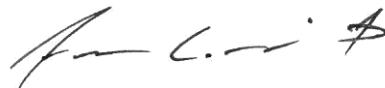

SUBJECT: Fiscal Note for SB 314 by Senate Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning SB 314 is respectfully submitted to your committee.

SB 314 would prohibit the Secretary of Health and Environment from requiring a COVID-19 vaccine for any child in a child care facility, or for any student, as defined in KSA 72-6262. COVID-19 vaccine would be defined as an immunization, vaccination, or injection against disease caused by the novel coronavirus, defined as SARS-CoV-2 or disease caused by a variant of the virus.

According to both the Kansas Department of Health and Environment and the Kansas Department of Education, enactment of the bill would not have any fiscal effect on the operations of either agency.

Sincerely,

Adam Proffitt
Director of the Budget
