EXPLANATION OF VOTE

MR. PRESIDENT: When I first arrived in Topeka, I found there were a few things that just didn't make sense. One of these things involved certain welfare-type programs where individuals receive money depending on the number of children they have. The problem is there is nothing stopping them from stating they have 7, 8 or 9 children....even if they don't. There is no way to verify that they are telling the truth. That's why I introduced a bill along with Rep. Terry Calloway that will fix that by requiring verification in these programs and will end several million dollars of wasteful spending. This bill unanimously passed our body a couple months ago. It will verify that the right amount of money goes to the people who really need it. This is a bill that will increase government accountability and is one of the many creative solutions that will help get our state going in the right direction.

Once the bill arrived in conference committee, many other bills became a part of this bill, **SB 193**. I support these added provisions which will help grow our state and create a more business friendly environment in Kansas, including the HPIP and PEAK provisions. Due to a conflict of interest in regards to a hunting business I will soon be opening in Western Kansas and the game bird exemption added in conference committee, I will be abstaining from voting on **SB 193**. — GARRETT LOVE

EXPLANATION OF VOTE

MR. PRESIDENT: As I considered my vote on **S Sub for HB 2194**, I considered four primary groups and the impact of **S Sub for HB 2194** on each. I asked the committee for clarification of how **S Sub for HB 2194** affected each group. The answers that I received convinced me that voting for **S Sub for HB 2194** to shore up KPERS with projected solvency by 2019 was a responsible way to protect all four groups and provide a way to share in the solution among employers, employees and the Legislature. I also would like to acknowledge that employees have always kept their part of the contract and will continue to do so. The Legislature and State of Kansas should do no less once this crisis of underfunding is mitigated through the effort of all involved.—ALLEN C. SCHMIDT

Senator Donovan was excused.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Reports are coming in
From the districts in the West:
Rain is badly needed;
We have an urgent request.

Dear Lord, we are aware
That prayer changes things,
So we are praying that our prayers
A lot of rain will bring.

The dry soil is discouraging,
So if it be your will,
Send us steady downpours
So our prayers will be fulfilled.

Along with the rain we need a solution
To all the barriers that we face.
And hopefully we can wrap it up,
And depart this place.

I pray in the Name of Jesus Christ, AMEN

The Pledge of Allegiance was led by President Stephen Morris.

(e) A person who acts in good faith and in a reasonable manner to comply with an order of the court or a request of a law enforcement officer is not liable to any person on account of acts done in reasonable compliance with the order or request. No liability may attach from the fact that a person declines a law enforcement officer's request to deliver property.

(f) A possessory lien of a person from whose possession property is seized is not affected by the seizure.

(g) When property is seized for forfeiture under this act, the seizing agency shall, within 45 days of such seizure, forward to the county or district attorney in whose jurisdiction the seizure occurred, a written request for forfeiture which shall include a statement of facts and circumstances of the seizure, the estimated value of the property, the owner and lienholder of the property, the amount of any lien, and a summary of the facts relied on for forfeiture.

(h) Upon receipt of a written request for forfeiture from a local law enforcement agency, the county or district attorney shall have 14 days to accept the request. Should such county or district attorney decline such request, or fail to answer, the seizing agency may:

(1) Request a state law enforcement agency which enforces this act to adopt the forfeiture; or

(2) engage an attorney, approved by the county or district attorney, to represent the agency in the forfeiture proceeding.

(i) Upon receipt of a written request for forfeiture from a state law enforcement agency, the county or district attorney shall have 14 days to accept the request. Should such county or district attorney decline such request, or fail to answer, the seizing agency may engage an assistant attorney general or other attorney approved by the attorney general's office to represent the agency in the forfeiture proceeding.

(j) Nothing in this act shall prevent the attorney general, an employee of the attorney general or an authorized representative of the attorney general from conducting forfeiture proceedings under this act.

(k) Nothing in this act shall prevent a seizing agency from requesting federal adoption of a seizure. It shall not be necessary to obtain any order pursuant to K.S.A. 22-2512, and amendments thereto, to release any seized property to a federal agency should the county or district attorney approve of such transfer.

(l) Nothing in this act shall prevent a seizing agency, or the plaintiff's attorney on behalf of the seizing agency, from settling any alleged forfeiture claim against property before or during forfeiture proceedings. Such settlement shall be in writing and shall be approved, if a local agency, by the county or district attorney or, if a state agency, by the attorney general's office and a district court judge. No hearing or other proceeding shall be necessary. The records of settlements occurring prior to commencement of judicial forfeiture proceedings in the district court shall be retained by the county or district attorney for not less than five years.

(m) Settlements under this act shall not be conditioned upon any disposition of criminal charges.

Sec. 7. K.S.A. 2010 Supp. 60-4109 is hereby amended to read as follows: 60-4109. (a) Forfeiture proceedings shall be commenced by filing a notice of pending forfeiture or a judicial forfeiture action:

(1) If the plaintiff's attorney fails to initiate forfeiture proceedings by notice of pending forfeiture within 90 days against property seized for forfeiture or if the seizing agency fails to pursue forfeiture of the property upon which a proper claim has been timely filed by filing a judicial forfeiture proceeding within 90 days after notice of pending forfeiture, the property shall be released on the request of an owner or interest holder to such owner's or interest holder's custody, as custodian for the court, pending further proceedings pursuant to this act. Such custodianship shall not exceed 90 days following the release to the owner or interest holder unless an extension is authorized by the court for good cause shown.

(2) If, after notice of pending forfeiture, a claimant files a petition for recognition of exemption pursuant to K.S.A. 60-4110, and amendments thereto, the plaintiff's attorney may delay filing the judicial forfeiture proceeding for a total of 180 days after the notice of pending forfeiture except that if an interest holder timely files a proper petition documenting the complete nature and extent of such holder's interest, including all of the contractual terms and current status, the plaintiff's attorney may delay filing a judicial forfeiture proceeding only if such attorney provides each such petitioner with a written recognition of exemption within 60 days after the effective date of the notice of pending forfeiture, recognizing the interest of such petitioner to the extent of documented outstanding principal plus interest at the contract rate until paid and any attorney fees ordered by a court pursuant to such contract.

(3) Whenever notice of pending forfeiture or service of an in rem complaint or notice of a recognition of exemption and statement of nonexempt interests is required under this act, notice or service shall be given in accordance with one of the following:

(A) If the owner's or interest holder's name and current address are known, by either personal service by any person qualified to serve process or by any law enforcement officer or by mailing a copy of the notice by certified mail, return receipt requested, to the known address;

(B) if the owner's or interest holder's name and address are required by law to be on record with a municipal, county, state or federal agency to perfect an interest in the property, and the owner's or interest holder's current address is not known, by mailing a

copy of the notice by certified mail, return receipt requested, to any address of record with any of the described agencies; or

(C) if the owner's or interest holder's address is not known and is not on record as provided in paragraph (B), or the owner's or interest holder's interest is not known, by publication in one issue of the official county newspaper, as defined by K.S.A. 64-101, and amendments thereto, in the county in which the seizure occurred.

(4) Notice is effective upon personal service, publication or the mailing of a written notice, whichever is earlier, except that notice of pending forfeiture of real property is not effective until it is recorded. Notice of pending forfeiture shall include a description of the property, the date and place of seizure, the conduct giving rise to forfeiture or the violation of law alleged and a summary of procedures and procedural rights applicable to the forfeiture action.

(b) The plaintiff's attorney, without a filing fee, may file a lien for the forfeiture of property upon the initiation of any civil or criminal proceeding relating to conduct giving rise to forfeiture under this act or upon seizure for forfeiture. *Court costs may be assessed and, if assessed, shall include the amount of the docket fee prescribed by K.S.A. 60-2001, and amendments thereto, and any additional court costs accrued in the action.* A plaintiff's attorney may also file a forfeiture lien in this state in connection with a proceeding or seizure for forfeiture in any other state under a state or federal statute substantially similar to the relevant provisions of this act. The filing constitutes notice to any person claiming an interest in the seized property or in property owned by the named person.

(1) The lien notice shall set forth the following:

(A) The name of the person and, in the discretion of the lienor, any alias, or the name of any corporation, partnership, trust or other entity, including nominees, that are owned entirely or in part or controlled by the person; and

(B) the description of the seized property, the criminal or civil proceeding that has been brought relating to conduct giving rise to forfeiture under this act, the amount claimed by the lienor, the name of the district court where the proceeding or action has been brought, and the case number of the proceeding or action if known at the time of filing.

(2) A lien filed pursuant to this subsection applies to the described seized property or to one named person, any aliases, fictitious names, or other names, including the names of any corporation, partnership, trust, or other entity, owned entirely or in part, or controlled by the named person, and any interest in real property owned or controlled by the named person. A separate forfeiture lien shall be filed for each named person.

(3) The notice of lien creates, upon filing, a lien in favor of the lienor as it relates to the seized property or the named person or related entities. The lien secures the amount of potential liability for civil judgment, and if applicable, the fair market value of seized property relating to all proceedings under this act enforcing the lien. The notice of forfeiture lien referred to in this subsection shall be filed in accordance with the provisions of the laws of this state relating to the type of property that is subject to the lien. The validity and priority of the forfeiture lien shall be determined in accordance with applicable law pertaining to liens. The lienor may amend or release, in whole or in part, a lien filed under this subsection at any time by filing, without a filing fee, an amended lien in accordance with this subsection which identifies the lien amended. The lienor, as soon as practical after filing the lien, shall furnish to any person named in the

lien a notice of the filing of the lien. Failure to furnish notice under this subsection shall not invalidate or otherwise affect the lien.

(4) Upon entry of judgment in the seizing agency's favor, the seizing agency may proceed to execute on the lien as provided by law.

(5) A trustee, constructive or otherwise, who has notice that a notice of forfeiture lien, or a notice of pending forfeiture, or a civil forfeiture proceeding has been filed against the property or against any person or entity for whom the person holds title or appears as record owner, shall furnish within 14 days, to the seizing agency or the plaintiff's attorney all of the following information, unless all of the information is of record in the public records giving notice of liens on that type of property:

- (A) The name and address of each person or entity for whom the property is held;
- (B) the description of all other property whose legal title is held for the benefit of the named person; and
- (C) a copy of the applicable trust agreement or other instrument, if any, under which the trustee or other person holds legal title or appears as record owner of the property.

(6) A trustee with notice who knowingly fails to comply with the provisions of this subsection shall be guilty of a class B nonperson misdemeanor.

(7) A trustee with notice who fails to comply with paragraph (5) is subject to a civil penalty of \$100 for each day of noncompliance. The court shall enter judgment ordering payment of \$100 for each day of noncompliance from the effective date of the notice until the required information is furnished or the seizing agency executes the seizing agency's judgment lien under this section.

(8) To the extent permitted by the constitutions of the United States and the state of Kansas, the duty to comply with paragraph (5) shall not be excused by any privilege or provision of law of this state or any other state or country which authorizes or directs that testimony or records required to be furnished pursuant to paragraph (5) are privileged, confidential and otherwise may not be disclosed.

(9) A trustee who furnishes information pursuant to paragraph (5) is immune from civil liability for the release of the information.

(10) An employee of the seizing agency or the plaintiff's attorney who releases the information obtained pursuant to paragraph (5), except in the proper discharge of official duties, is guilty of a class B nonperson misdemeanor.

(11) If any information furnished pursuant to paragraph (5) is offered in evidence, the court may seal that portion of the record or may order that the information be disclosed in a designated way.

(12) A judgment or an order of payment entered pursuant to this section becomes a judgment lien against the property alleged to be subject to forfeiture.

Sec. 8. K.S.A. 60-426, 60-2601 and 60-2601a and K.S.A. 2010 Supp. 60-3003, 60-4107 and 60-4109 are hereby repealed.";

The board shall make an annual report in the manner prescribed by the state board of regents. Members of the board of trustees shall be paid subsistence allowances, mileage and other actual and necessary expenses incurred in the performance of their official duties.

(b) For effectuation of the purposes of this act, the board of trustees in addition to such other powers expressly granted to it by law and subject to the rules and regulations of the state board of regents is hereby granted the following powers:

(1) To select its own chairperson and such other officers as it may deem desirable, from among its own membership. The secretary may be chief administrative officer of the college.

curriculum.

(4) To appoint and fix the compensation and term of office of a president or chief administrative officer of the college.

(5) To appoint upon nomination of the president or the chief administrative officer members of the administrative and teaching staffs, to fix and determine within state adopted standards their specifications, define their duties; and to fix their compensation and terms of employment. No community college teacher shall be required to meet licensure requirements greater than those required in the state educational institutions.

(6) Upon recommendation of the chief administrative officer, to appoint or employ such other officers of the college, agents and employees as may be required to carry out the provisions of law and to fix and determine within state adopted standards their qualifications, duties, compensation, terms of office or employment and all other items and conditions of employment.

(7) To enter into contracts.

(8) To accept from any government or governmental agency, or from any other public or private body, or from any other source, grants or contributions of money or property which the board may use for or in aid of any of its purposes.

(9) To acquire by gift, purchase, lease-purchase, condemnation or otherwise, and to own, lease, use and operate property, whether real, personal, or mixed, or any interest therein, which is necessary or desirable for community college purposes. Any lease-purchase agreement entered into under authority of this subsection shall be subject to the conditions set forth in K.S.A. 10-1116c, and amendments thereto. The term of any lease entered into under authority of this subsection may be for not to exceed 10 years. Such lease may provide for annual or other payment of rent or rental fees and may obligate the community college to payment of maintenance or other expenses. Any lease or lease-purchase agreement entered into under authority of this subsection shall be subject to change or termination at any time by the legislature. Any assignment of rights in any lease or lease-purchase made under this subsection shall contain a citation of this section and a recitation that the lease or lease-purchase agreement and assignment thereof are subject to change or termination by the legislature. To the extent that the provisions of the cash-basis and budget laws conflict with this subsection in such a manner as to prevent the intention of this subsection from being made effective, the provisions of this subsection shall control. This provision is subject to the provisions of subsection (d).

(10) To enter into lease agreements as lessor of any property, whether real, personal, or mixed, which is owned or controlled by the community college. Any such agreement may specify the purposes for which the property may be used, require that the property be maintained and operated by the lessee, and may contain such restrictions or limitations on the use of the property, be entered into for such period of time, and include such other terms and conditions as the board of trustees determines to be necessary and proper. Every such agreement shall be subject to change or termination at any time by the legislature. Any assignment of rights under any such agreement shall be subject to approval by the board of trustees and shall contain a citation of this section and a recitation that the lease agreement and assignment of rights thereunder are subject to change or termination by the legislature.

(11) To determine that any property owned by the college is no longer necessary for college purposes and to dispose of the same in such manner and upon such terms and

conditions as provided by law.

(12) To exercise the right of eminent domain, pursuant to chapter 26 of Kansas Statutes Annotated.

(13) To make and promulgate such rules and regulations, not inconsistent with the provisions of law or with rules and regulations of the state board of regents, that are necessary and proper for the administration and operation of the community college, and for the conduct of the business of the board of trustees.

(14) To exercise all other powers not inconsistent with the provisions of law or with the rules and regulations of the state board of regents which may be reasonably necessary or incidental to the establishment, maintenance and operation of a community college.

(15) To appoint a member to fill any vacancy on the board of trustees for the balance of the unexpired term. When a vacancy occurs, the board shall publish a notice one time in a newspaper having general circulation in the community college district stating that the vacancy has occurred and that it will be filled by appointment by the board not sooner than 15 days after such publication.

(16) To contract with one or more agencies, either public or private, whether located within or outside the community college district or whether located within or outside the state of Kansas for the conduct by any such agencies of ~~academic or vocational~~ education for students of the community college, and to provide for the payment to any such agencies for their contracted educational services from any funds or moneys of the community college, including funds or moneys received from student tuition and fees, funds received from the state of Kansas or the United States for ~~academic or vocational~~ education, or taxes collected under K.S.A. 71-204, and amendments thereto. (17) To authorize by resolution the establishment of a petty cash fund in an amount not to exceed \$1,000, and to designate in such resolution an employee to maintain such petty cash fund. The employee designated in any resolution provided for in this subsection receiving such funds shall keep a record of all receipts and expenditures from the fund, and shall from time to time, and at the end of the fiscal year, prepare a statement for the board showing all receipts, expenditures, and the balance in the petty cash fund. The board of trustees may authorize the employee designated to maintain any petty cash fund to make a claim for replenishment of the fund to its original amount in advance of approval by the board of trustees if, at any time during the period between regular monthly meetings of the board of trustees, the balance remaining in the fund is insufficient to make needed expenditures for any purpose for which the petty cash fund is maintained. No petty cash fund may be replenished more than one time during each period between regular monthly meetings of the board of trustees. If a petty cash fund is replenished prior to the end of the fiscal year in accordance with the foregoing authorization, the employee authorized to maintain the petty cash fund shall keep an accurate record of all expenditures made therefrom, and the purpose therefor, and shall submit the record to the board of trustees at the next regular monthly meeting thereof. The petty cash fund shall be replenished by payment from the appropriate funds of the community college to the petty cash fund upon proper claim. The fund shall be kept separate from all other funds and shall be used only for authorized expenditures and

itemized receipts shall be taken for each expenditure. No part of such fund may be loaned or advanced against the salary of an employee. All employees entrusted with such funds under this subsection shall be bonded by the community college district.

If any increase in the valuation of a community college district results in an outstanding bonded indebtedness in excess of that provided in this subsection, such increase shall not constitute a violation of this subsection. No such bonds shall be issued until the question of their issuance shall have been submitted to a vote of the electors of the community college district at a regular election or at a special election called for that purpose and the majority of the electors voting on the proposition in such community college district shall have voted in favor of the issuance of the bonds. Such election shall be called, noticed and held and the bonds issued, sold, delivered and retired in accordance with the provisions of the general bond law except as herein otherwise expressly provided.

(d) The board of trustees of a community college may purchase or otherwise acquire land or land and improvements within: (1) The community college district; or (2) the service area of the community college. Journal of the Senate

SIXTY-FOURTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, May 11, 2011, 10:00 a.m.

The Senate was called to order by President Stephen Morris.
The roll was called with thirty-nine Senators present.
Senator Donovan was excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Nine years ago on May 9, I prayed this prayer when we were dealing with a quarter billion dollar shortfall. I mentioned that we spent some time wondering who to blame. After bringing the prayer up to date, I thought it was appropriate to pray it again.

We could try to blame the Governor
Or the Democrats.
We could try to blame Republicans
Or some bureaucrats.

We might try to blame the weather
Or the president of Iran,
Or perhaps global warming
Or tornadoes throughout the land

We could try to blame Obama
Or one of the dictators,
Maybe global warming
Or the rash of tornadoes.

There are many people
Who place the blame on God,
While for many others
The devil gets the nod.

What about the majority
And the minority leaders?
Or maybe it's the Chaplain,
Or could it be the Reader!

It's a fruitless effort
 To try to place the blame,
 To find a good solution
 Is really why we came.

I have deliberately omitted
 President Morris' name.
 I may not be too smart
 But I'm certainly not insane!

I pray in the name of Christ, AMEN

The Pledge of Alliance was led by President Stephen Morris.

(b) A petitioner shall submit such petition to a court of competent jurisdiction within this state.

(c) The court may only consider petitions for relief due to mental health adjudications or commitments that occurred within the state.

(d) The court shall consider the petition for relief, in accordance with the principles of due process. Such petitioner shall submit, and such court shall receive and consider:

- (2) granting such relief would not be contrary to the public interest.

(f) If the court denies the petition for relief, the petitioner may petition a court of proper jurisdiction for a de novo judicial review of the court's decision to deny such petition.

(g) Documentation of a granted petition shall be submitted to the Kansas bureau of investigation. The Kansas bureau of investigation shall immediately cause such order to be entered into the appropriate state and federal databases.

(C) a record of the proceedings shall be created and maintained for review.

Sec. 2. K.S.A. 2010 Supp. 12-4509 is hereby amended to read as follows: 12-4509. (a) Whenever a person is found guilty of the violation of an ordinance, the municipal judge may:

- (1) Release the person without imposition of sentence;

(2) release the person on probation after the imposition of sentence, without imprisonment or the payment of a fine or a portion thereof, subject to conditions imposed by the court as provided in subsection (e); ~~or~~

(3) impose such sentence of fine or imprisonment, or both, as authorized for the ordinance violation; *or*

(4) *impose a sentence of house arrest as provided in section 249 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.*

(b) In addition to or in lieu of any other sentence authorized by law, whenever a person is found guilty of the violation of an ordinance and there is evidence that the act constituting the violation of the ordinance was substantially related to the possession, use or ingestion of cereal malt beverage or alcoholic liquor by such person, the judge may order such person to attend and satisfactorily complete an alcohol or drug education or training program certified by the chief judge of the judicial district or licensed by the secretary of social and rehabilitation services.

(c) Except as provided in subsection (d), in addition to or in lieu of any other sentence authorized by law, whenever a person is convicted of having violated, while under 21 years of age, an ordinance prohibiting an act prohibited by K.S.A. 2010 Supp. 21-36a01 through 21-36a17, and amendments thereto, or K.S.A. 8-1599, 41-719 or 41-727, and amendments thereto, the municipal judge shall order such person to submit to and complete an alcohol and drug evaluation by a community-based alcohol and drug safety action program certified pursuant to K.S.A. 8-1008, and amendments thereto, and to pay a fee not to exceed the fee established by that statute for such evaluation. If the judge finds that the person is indigent, the fee may be waived.

(d) If the person is 18 or more years of age but less than 21 years of age and is convicted of a violation of K.S.A. 41-727, and amendments thereto, involving cereal malt beverage, the provisions of subsection (c) are permissive and not mandatory.

(3) report to the probation officer as directed;

(4) permit the probation officer to visit the defendant at home or elsewhere;

(5) work faithfully at suitable employment insofar as possible;

(6) remain within the state unless the court grants permission to leave;

In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or of any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

Sec. 3. K.S.A. 2010 Supp. 12-4516a, as amended by section 103 of 2011 House Bill No. 2339, is hereby amended to read as follows: 12-4516a. (a) Any person who has been arrested on a violation of a city ordinance of this state may petition the court for the expungement of such arrest record.

Any person who may have relevant information about the petitioner may testify at the hearing. The court may inquire into the background of the petitioner.

(c) At the hearing on a petition for expungement, the court shall order the arrest record and subsequent court proceedings, if any, expunged upon finding: (1) The arrest occurred because of mistaken identity;

- (2) a court has found that there was no probable cause for the arrest;
- (3) the petitioner was found not guilty in court proceedings; or
- (4) the expungement would be in the best interests of justice and (A) charges have been dismissed; or (B) no charges have been or are likely to be filed.

(7) to aid in determining the petitioner's qualifications to be an employee of a tribal gaming commission or to hold a license issued pursuant to a tribal-state gaming compact; or

(8) in any other circumstances which the court deems appropriate.

(f) The court shall make all expunged records and related information in such court's possession, created prior to, on and after July 1, 2011, available to the Kansas bureau of investigation for the purposes of:

(1) Any person charged with a crime shall, at the person's first appearance before a magistrate, be ordered released pending preliminary examination or trial upon the execution of an appearance bond in an amount specified by the magistrate and sufficient to assure the appearance of such person before the magistrate when ordered and to assure the public safety. Unless the magistrate makes a specific finding otherwise, if the person is being bonded out for a person felony or a person misdemeanor, the bond shall be conditioned on the person being prohibited from having any contact with the alleged victim of such offense for a period of at least 72 hours. The magistrate may impose such of the following additional conditions of release as will reasonably assure the appearance of the person for preliminary examination or trial:

(b) place restrictions on the travel, association or place of abode of the person during the period of release;

(c) impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody during specified hours;

The magistrate may also order the person to pay for all other costs associated with the supervision and conditions for compliance in addition to the \$15 per week.*

(2) In addition to any conditions of release provided in subsection (1), for any person charged with a felony, the magistrate may order such person to submit to a drug and alcohol abuse examination and evaluation in a public or private treatment facility or state institution and, if determined by the head of such facility or institution that such person is a drug or alcohol abuser or is incapacitated by drugs or alcohol, to submit to treatment for such drug or alcohol abuse, as a condition of release.

(3) The appearance bond shall be executed with sufficient solvent sureties who are residents of the state of Kansas, unless the magistrate determines, in the exercise of such magistrate's discretion, that requiring sureties is not necessary to assure the

(4) A deposit of cash in the amount of the bond may be made in lieu of the execution of the bond pursuant to ~~paragraph~~ subsection (3). Except as provided in ~~paragraph~~ subsection (5), such deposit shall be in the full amount of the bond and in no event shall a deposit of cash in less than the full amount of bond be permitted. Any person charged with a crime who is released on a cash bond shall be entitled to a refund of all moneys paid for the cash bond, after deduction of any outstanding restitution, costs, fines and fees, after the final disposition of the criminal case if the person complies with all requirements to appear in court. (6) In the discretion of the court, a person charged with a crime may be released upon the person's own recognizance by guaranteeing payment of the amount of the bond for the person's failure to comply with all requirements to appear in court. The release of a person charged with a crime upon the person's own recognizance shall not require the deposit of any cash by the person.

(7) The court shall not impose any administrative fee.

(8) In determining which conditions of release will reasonably assure appearance and the public safety, the magistrate shall, on the basis of available information, take into account the nature and circumstances of the crime charged; the weight of the evidence against the defendant; *whether the defendant is lawfully present in the United States*; the defendant's family ties, employment, financial resources, character, mental condition, length of residence in the community, record of convictions, record of appearance or failure to appear at court proceedings or of flight to avoid prosecution; the likelihood or propensity of the defendant to commit crimes while on release, including whether the defendant will be likely to threaten, harass or cause injury to the victim of the crime or any witnesses thereto; and whether the defendant is on probation or parole from a previous offense at the time of the alleged commission of the subsequent offense.

(9) The appearance bond shall set forth all of the conditions of release.

(10) A person for whom conditions of release are imposed and who continues to be detained as a result of the person's inability to meet the conditions of release shall be entitled, upon application, to have the conditions reviewed without unnecessary delay

(11) A magistrate ordering the release of a person on any conditions specified in this section may at any time amend the order to impose additional or different conditions of release. If the imposition of additional or different conditions results in the detention of the person, the provisions of subsection (10) shall apply.

(12) Statements or information offered in determining the conditions of release need not conform to the rules of evidence. No statement or admission of the defendant made at such a proceeding shall be received as evidence in any subsequent proceeding against the defendant.

(13) The appearance bond and any security required as a condition of the defendant's release shall be deposited in the office of the magistrate or the clerk of the court where the release is ordered. If the defendant is bound to appear before a magistrate or court other than the one ordering the release, the order of release, together with the bond and security shall be transmitted to the magistrate or clerk of the court before whom the defendant is bound to appear.

(14) Proceedings before a magistrate as provided in this section to determine the release conditions of a person charged with a crime including release upon execution of an appearance bond may be conducted by two-way electronic audio-video communication between the defendant and the judge in lieu of personal presence of the defendant or defendant's counsel in the courtroom in the discretion of the court. The defendant may be accompanied by the defendant's counsel. The defendant shall be informed of the defendant's right to be personally present in the courtroom during such proceeding if the defendant so requests. Exercising the right to be present shall in no way prejudice the defendant.

(15) The magistrate may order the person to pay for any costs associated with the supervision of the conditions of release of the appearance bond in an amount not to exceed \$15 per week of such supervision. *As a condition of sentencing under section 244 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, the court may impose the full amount of any such costs in addition to the \$15 per week, including, but not limited to, costs for treatment and evaluation under subsection (2).*

In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

~~(e) In imposing a fine the court may authorize the payment thereof in installments.~~ In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of section 246 of chapter 136 of the 2010 Session Laws of

Kansas, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2010 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of section 246 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto, or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by section 248 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of section 286 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2010 Supp. 21-36a06, and amendments thereto, the court shall require the defendant who meets the requirements established in section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2010 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in section 286 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto. For those offenders who are convicted on or after July 1, 2003, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2010 Supp. 21-36a06, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such

person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" means the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to section 1 of chapter 101 of the 2010 Session Laws of Kansas, and amendments thereto, the court shall require the defendant to undergo a domestic violence offender assessment and follow all recommendations unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence assessment and any other evaluation to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) *In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by*

an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

LEGEND
Presumptive Probation
Presumptive Imprisonment

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;
(B) maximum potential reduction to such sentence as a result of good time; and
(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and
(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of section 47 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (1) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of section 49 of chapter 136 of the 2010 Session Laws of Kansas, subsections (b)(3) and (b)(4) of section 109 of chapter 136 of the 2010 Session Laws of Kansas, section 223 of chapter 136 of the 2010 Session Laws of Kansas and section 227 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or section 288 of chapter 136 of the 2010

Session Laws of Kansas, and amendments thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and section 288 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in section 109 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of section 49 of chapter 136 of the 2010 Session Laws of Kansas, subsections (b)(3) and (b)(4) of section 109 of chapter 136 of the 2010 Session Laws of Kansas, section 223 and section 227 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. *Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to section 249 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.*

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or section 67 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street

gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities:

- (A) The commission of one or more person felonies; or
- (B) the commission of felony violations of K.S.A. 2010 Supp. 21-36a01 through 21-36a17, and amendments thereto, *or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009*; and
- (C) its members have a common name or common identifying sign or symbol; and
- (D) its members, individually or collectively, engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of K.S.A. 2010 Supp. 21-36a01 through 21-36a17, and amendments thereto, *any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009*, or any substantially similar offense from another jurisdiction.

(m) The sentence for a violation of K.S.A 22-4903 or subsection (a)(2) of section 138 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence as provided in subsection (q).

(n) The sentence for a violation of criminal deprivation of property, as defined in section 89 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, when such property is a motor vehicle, and when such person being sentenced has any combination of two or more prior convictions of subsection (b) of K.S.A. 21-3705, prior to its repeal, or of criminal deprivation of property, as defined in section 89 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, when such property is a motor vehicle, shall be presumptive imprisonment. - (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in section 87 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in section 87 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, or burglary or aggravated burglary as defined in section 93 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto; or the sentence for a violation of burglary as defined in subsection (a) of section 93 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in section 87 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, or burglary or aggravated burglary as defined in section 93 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

- (1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of subsection (c)(2) of section 48 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of section 76 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote "NO" on the Conference Committee Report on **SB 55**; a committee report that I, as a Senate conferee, actually signed. Voting "NO" on ALL measures on this roll call for the first time, I believe, in my eleven sessions now as a Kansas Senator, **SB 55** is a good bill with the exception of repealing K.S.A. 22-2501 which currently codifies exceptions to warrant requirements for searches made by law enforcement officers.

The ambiguity of no statutory language for counsel and courts to consistently interpret is actually far worse, in my opinion, than the current statute which, unconstitutionally, "allows" searches for any crime and not just for the specific crime which is the foundation for the probable cause to effectuate the search in the first place.

I intend to push again for the "Gold Standard" The Equal-Protection-Under-the-Law standard next year to rid Kansas of the ongoing prospect of "fishing expeditions" by law enforcement. —DAVID HALEY

The board of county commissioners shall schedule the matter for public hearing and shall give notice of the date, hour and place of the hearing to: (1) The city; and (2) any landowner in the area subject to the service extension plan.

(b) At the hearing, the board shall hear testimony as to the city's extension of municipal services, or lack thereof, from the city and the landowner. After the hearing, the board shall make a finding as to whether or not the city has provided services in accordance with its service extension plan. If the board finds that the city has not provided services as provided in its service extension plan, the board shall notify the city and the landowner that such property may be deannexed, as provided in K.S.A. 12-532, *and amendments thereto*, if the services are not provided within $2\frac{1}{2}$ 1 $\frac{1}{2}$ years of the date of the board's findings.

(c) If the board of county commissioners refuses to hold the hearing as required, any owner of land living in such area annexed may bring an action under provisions of K.S.A. 60-1201 et seq., and amendments thereto, to compel the board to hold the hearing. Within 10 days after receipt of the petition, the board shall schedule the matter for public hearing and shall give notice of the date, hour and place of the hearing to: (1) The owner; (2) the city; (3) the township into which the property, if deannexed, would be placed; and (4) the governing body of any fire district, sewer district, water district or other special district governments which have jurisdiction over territory adjacent to the area sought to be deannexed. The notice shall be sent by certified mail no less than 21 days before the date of the hearing.

(b) At the hearing, the board shall hear testimony as to the city's extension of municipal services, or lack thereof, from both the owner and representatives of the city. Except as provided by subsection (e), if the board finds after the hearing that the city has failed to provide the municipal services in accordance with the plan and consistent with the timetable therein, the board may enter an order excluding the land from the boundaries of the city. (e) The board shall not order exclusion of any land if:

(1) The service extension plan conditions the extension of certain improvements or services on the filing of a legally sufficient petition by the owners of the land for the creation of an improvement district and to levy special assessments therein to pay a portion of the costs of such improvements, and a sufficient petition has not been filed;

(2) since the annexation, the governing body of the city initiated the creation of an improvement or benefit district affecting such land to levy special assessments thereon to pay a portion of the costs of certain municipal improvements, and the formation of

the district was blocked by the filing of a sufficient protest petition by some or all of the owners of any land in the proposed district;

(3) the exclusion would result in the land being completely surrounded by other tracts of land located within the city's boundaries; or

(4) the board finds the exclusion of the land would have an adverse impact on the health, safety and welfare of the residents of the city or such land.

(f) Any owner or the city aggrieved by the decision of the board may appeal the decision to the district court in the manner provided in K.S.A. 19-223, and amendments thereto. Any city so appealing shall not be required to execute the bond prescribed therein.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senators Haley, Morris, Emler, Hensley, Apple, Abrams, Bruce, Brungardt, Faust-Goudeau, Francisco, Holland, Huntington, Kelly, Kelsey, King, Kultala, Longbine, Love, Lynn, Marshall, McGinn, Merrick, Olson, Ostmeyer, Owens, Petersen, Pilcher-Cook, Reitz, A. Schmidt, V. Schmidt, Schodorf, Taddiken, Teichman, Umbarger, Vratil and Wagle introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1866—

A RESOLUTION commemorating the 10th anniversary of September 11th, 2001.

WHEREAS, The people of Kansas were deeply moved and affected by the terroristic tragedy of September 11, 2001, and on their behalf the Kansas Senate wishes to commemorate a decade of remorse, remembrance, resilience and resounding spirit; and

WHEREAS, September 11, 2001 was a catastrophe that few Kansans will ever forget. There remains a deep sense of mourning throughout the Nation when, on that date, commercial aircrafts were hijacked and intentionally crashed into the Twin Towers of the World Trade Center in New York, the Pentagon in northern Virginia and prematurely into the Pennsylvania countryside. We all remember our Nation collectively pausing while firefighters and police officers valiantly attempted to save the victims of the attack; and

WHEREAS, Nearly 3,000 Americans died as a result of the September 11, 2001 attack. Their faces, their images and their stories are woven into our national conscience and seared upon our national resolve. This number includes firefighter Joe

Spor, Jr., who was killed in the collapse of the Twin Towers. His widow and children were adopted by the City of Anthony, Kansas. The city's residents gave them support and comfort; and

WHEREAS, Even amid suffering and death, Kansans stood in solidarity after this dramatic attack on American soil and erected a memorial. The official Kansas 9/11 Memorial, built of Kansas limestone and brick, is located in Anthony, Kansas. This monument to our state and national resolve serves as a place of connection between the survivors of the September 11th tragedy and all of us who support them; and

WHEREAS, Kansans responded as well to the human tragedy even as grief reverberated throughout the Nation. The Kansas National Guard served in the national disaster efforts and in the airports; and

WHEREAS, Kansas has remained committed to America's war against terrorism and intends to stop terrorism on our shores and abroad. Specifically, we have supported our family and friends who serve in the Kansas National Guard as well as our active duty troops who call Kansas home. We submit honor to and we genuinely thank our Guard members who have served in over 10,000 deployments overseas, especially since September 11, 2001. Moreover, we will always remember the sacrifices made by more than 10 Kansas soldiers who have died and dozens of Kansans who have been wounded in Afghanistan and in Iraq; and

WHEREAS, Following September 11, 2001, Kansas rejuvenated its national spirit and has worked harder to build even stronger connectional bonds with the rest of the Nation. A decade after this tragedy, Kansas continues to send our men and women to fight against acts of terrorism that imperil not only our people, but our very way of life as other people in other countries yearn for the freedom borne of democracy: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we remember those who lost their lives on September 11, 2001, and we express our strong desire for a unified and harmonious Nation; and

Be it further resolved: That Kansas recommitts on this solemn anniversary to never forget this day of all American patriots, and to insure that the remembrances and that the lessons of September 11, 2001 are imparted to succeeding generations of Kansans as integral to our national security and to our national spirit; and

Be it further resolved: That despite the capture and eradication of top al-Qaeda masterminds and operatives, Kansans remain committed and resolved in successfully ending the war against terror; and

Be it finally resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to the President of the United States of America, the Governor of the State of New York, the President of the New York Senate and Senators Haley, Morris, Emler and Hensley. Copies shall also be distributed to each member of the Kansas Congressional Delegation for solemn and appropriate dissemination to survivors.

On emergency motion of Senator Haley **SR 1866** was adopted unanimously.

SPECIAL REMARKS

Exactly four months from this day, September 11, 2011...across the Land, bells toll and our Nation pauses to remember and to give solemn recognition of an exact decade of our forced awakening to a national change. In February of this Session, we started the research and drafting of this Resolution, well before any of the events relating to the

eradication of top operatives ensued.

Thank each of you for joining me in this Tribute to that solemn future anniversary. The Kansas Legislature has yet to mark this date in any Resolution, Tribute or Legislation.

Every Kansan, every American, of a certain age remembers where they were while the events of that day, “9-11” as it has become commonly, almost casually, to be known as today, unfolded. Still in my first year as a Senator, I commuted cautiously from my home in Kansas City to a Juvenile Justice conference at the Capital Plaza Hotel and clearly remembering the prophetic words of our then colleague, Senator David Adkins who said to those in attendance: “We don't know who's behind all of this but one thing's for sure; America, as we know it today, will never be the same again...” And then he offered a prayer, certainly not his usual custom.

Senator Adkins observation would be codified, echoed more succinctly by President George W. Bush, who would say time and time again, simply: “September 11th changed everything.” Indeed, it did.

The assault on the Twin Towers in New York, the Pentagon in Virginia, and a Pennsylvania countryside by hijacked commercial airlines that were intentionally crashed was an assault on our American culture by anti-American foreign assailants. In the last decade we have proven the adage that what did not kill us, only made us stronger.

The attack came not at what divides as Americans, too often, but an attack on our collective culture as Americans. Our collective American psyche reawakened grew stronger and grows stronger still today...a decade later.

Though I am a native Kansan, and a proud statesman of Kansas, I am not always content with Kansas law. Nor am I always proud of our laws. But, the laws of the Land can balance and ameliorate and temper the best and the worst laws of all States. Federal law is the hallmark of our culture in that it is representative of ALL America. This then is OUR Country; right or wrong.

September 11th, 2001 changed everything. Today, we pause to remember and commemorate the lives lost and the valor of the men and women who fought to restore order and to save lives. Today, we, who cherish liberty and justice for all, declare that the United States of America is still the hallmark of nations on the face of the planet today and even with blemishes, our democracy makes us yet proud to be Americans “where at least we know we're free.”

America's cultural spirit, rekindled by a day of foreign terror, burns brighter after this decade. – DAVID HALEY

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

There is one short verse in the book of Luke in the Bible that summarizes the way we should treat each other. They are the words of Jesus: "Do to others as you would have them do to you." (Luke 6:31)

These few words that Jesus spoke
Show us how to treat each other.
These instructions apply to all:
Whether your enemy or your brother.

In the session's final days
We could be getting tense.
Those we normally treat all right,
May find us in turbulence.

We find ourselves saying things
That we normally never say,
And soon we will discover
We're driving folks away.

Help us to remember, Lord,
To avoid a lot of sorrow:
Never say the words today
That we'll regret tomorrow!

I pray in the Name of Jesus Christ, AMEN

The Pledge of Allegiance was led by President Stephen Morris.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote "NO" on **S Sub for HB 2080**: Although I can support many measures in this Omnibus Elections Bill, regrettably, as the nominee twice for Kansas Secretary of State, I promised all voting Kansans that I would support our democracy and vote to fund our presidential preference primary. Every four years, this Legislature suggests the ability to hold a free and open statewide election to select a nominee for U.S. President costs too much! Give me a break. Tell that to the Egyptians. Tell that to the Libyans. Tell that to the millions of people around the world who too (eerily similar to voting Kansans every four years) are being denied the opportunity to vote in a public secure election for the candidate of their choice.

I again declare that our Legislature's priorities in this regard are misguided. We all got here by a vote of a majority. As a Democrat, I already know who I intend to see renominated and reelected President in 2012. Most Democrats do not see a need to fund the 2012 Primary. But with all the choices Republicans might have, (Gingrich declared just yesterday, Paul might, Romney might, Sarah Palin might, Rubio might....the list is endless) whether good or bad, one wonders why democracy-loving electd Kansas Republicans wouldn't want to give their constituents the right to choose in 2012? – DAVID HALEY

EXPLANATION OF VOTE

MR. PRESIDENT: As a salute to the DUI Commission on which I too was honored to serve and which whose members labored tirelessly to find workable solutions to the problem of chronic drunk driving in Kansas...

I change my "Pass" on the Conference committee on **H Sub for SB 6** (the original bill number under which I was author this session) to "AYE".

Even though I continue to have strong misgivings on no discretion by a reviewing authority for a six month mandatory use of ignition interlock on any "First time" offender (especially in our state where racial, and other biased, policing remains rampant and unpunished); and even though the funding for community corrections for the increase in caseload this bill produces is shaky despite a \$1.5 million infusion from the Budget...

I signed the Conference Committee Report reconciling **H Sub for SB 6** with **SB 7** confident that the best of minds and most committed of stakeholders that Kansas can produce on this issue of making our roads safer by catching, punishing and treating those who drink too much alcohol and drive had all convened, compromised and agreed.

I believe my vote today makes all of their hard work a now unanimous affirmation by the entire Kansas Legislature. Which is, indeed most appropriate.—DAVID HALEY

(a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract or otherwise. (d) The amount of insurance on the life of any debtor shall at no time exceed the amount owed by that debtor which is repayable in installments to the creditor.

(e) The insurance shall be payable to the policyholder. Such payment shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of such payment.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote "NO" on the conference committee report for **HB 2075**. When it passed the Senate, **SB 65** amended provisions dealing with the rules for group health plans relating to internal claims and appeals, added the definition of an emergency medical condition and reduced the time for an expedited external review from within seven business days to not more than 72 hours after the date of the receipt of the request. The Committee on Insurance in the House added the provisions of **HB 2292** to exclude insurance coverage for "elective abortions" to the bill and recommended on March 16th that the bill be passed. **SB 65** was not debated on the House floor, and the reported status of the bill is that it was stricken from the calendar Monday, March 28th by Rule 1507. It would have been appropriate to add the contents of **SB 65** as it passed the Senate to this conference committee report. I object to adding the additional wording from **HB 2292** in violation of our joint rule to include in the report only subject matters which have been passed or adopted in either one or both houses during the current biennium of the legislature. — MARCI FRANCISCO

Senator Hensley requests the record to show he concurs with the "Explanation of Vote" offered by Senator Francisco on **HB 2075**.

MR. PRESIDENT: I vote "NO" on the conference committee report to **HB 2075**, time-honored rules of the Kansas Legislature; specifically Joint Rule 3, Section F, of the Joint Rules of the House and Senate to, in this instance, insert new language (on abortion based insurance policy riders) which has never passed either chamber is foul.....and cheats our honor. Sure, twenty-one of us can make a new rule here as we go along. But the eyes and ears of all law-abiding Kansans are watching and listening. Perverting the rules of the Senate to subsidize any political agenda or issue cheapens the respect that each of us should demand of this body and this process. A "YES" vote on this measure dims the light in the chamber; tarnishes the gild. —DAVID HALEY

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2139** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee of the Whole amendments, as follows:

On page 2, by striking all in lines 17 through 43;

By striking all on pages 3 through 5;

On page 6, by striking all in lines 1 through 9, and inserting:

"Sec. 2. K.S.A. 2010 Supp. 40-955, as amended by section 1 of 2011 House Bill No. 2074, is hereby amended to read as follows: 40-955. (a) Every insurer shall file with the commissioner, except as to inland marine risks where general custom of the industry is not to use manual rates or rating plans, every manual of classifications, rules and rates, every rating plan, policy form and every modification of any of the foregoing which it proposes to use. Every such filing shall indicate the proposed effective date and the character and extent of the coverage contemplated and shall be accompanied by the information upon which the insurer supports the filings. A filing and any supporting

information shall be open to public inspection after it is filed with the commissioner, except that disclosure shall not be required for any information contained in a filing or in any supporting documentation for the filing when such information is either a trade secret or copyrighted. For the purposes of this section, the term "trade secret" shall have the meaning ascribed to it in K.S.A. 60-3320, and amendments thereto. An insurer may satisfy its obligations to make such filings by authorizing the commissioner to accept on its behalf the filings made by a licensed rating organization or another insurer. Nothing contained in this act shall be construed to require any insurer to become a member or subscriber of any rating organization.

(b) Certificate of insurance forms must be filed with the commissioner of insurance and approved prior to use. Notwithstanding the "large risk" filing exemption in subsection (j), a certificate of insurance cannot be used to modify, alter or amend the insurance policy it describes. The certificate of insurance shall contain the following or similar language: The certificate of insurance neither affirmatively nor negatively amends, extends or alters the coverage afforded by the policies listed thereon. An industry standard setting organization may be authorized by the commissioner of insurance to file certificate of insurance forms on behalf of authorized insurers.

(c) Any rate filing for the basic coverage required by K.S.A. 40-3401 et seq. and amendments thereto, loss costs filings for workers compensation, and rates for assigned risk plans established by article 21 of chapter 40 of the Kansas Statutes Annotated or rules and regulations established by the commissioner shall require approval by the commissioner before its use by the insurer in this state. As soon as reasonably possible after such filing has been made, the commissioner shall in writing approve or disapprove the same, except that any filing shall be deemed approved unless disapproved within 30 days of receipt of the filing.

(d) Any other rate filing, except personal lines filings, shall become effective on filing or any prospective date selected by the insurer, subject to the commissioner disapproving the same if the rates are determined to be inadequate, excessive, unfairly discriminatory or otherwise fails to meet the requirements of this act. Personal lines rate filings shall be on file for a waiting period of 30 days before becoming effective, subject to the commissioner disapproving the same if the rates are determined to be inadequate, excessive, unfairly discriminatory or otherwise fail to meet requirements of this act. The term "personal lines" shall mean insurance for noncommercial automobile, homeowners, dwelling fire-and-renters insurance policies, as defined by the commissioner by rules and regulations. A filing complies with this act unless it is disapproved by the commissioner within the waiting period or pursuant to subsection (f).

(e) In reviewing any rate filing the commissioner may require the insurer or rating organization to provide, at the insurer's or rating organization's expense, all information necessary to evaluate the reasonableness of the filing, to include payment of the cost of an actuary selected by the commissioner to review any rate filing, if the department of insurance does not have a staff actuary in its employ.

(f) (1) (A) If a filing is not accompanied by the information required by this act, the commissioner shall promptly inform the company or organization making the filing. The filing shall be deemed to be complete when the required information is received by the commissioner or the company or organization certifies to the commissioner the information requested is not maintained by the company or organization and cannot be

obtained.

(B) If the commissioner finds a filing does not meet the requirements of this act, the commissioner shall send to the insurer or rating organization that made the filing, written notice of disapproval of the filing, specifying in what respects the filing fails to comply and stating the filing shall not become effective.

(C) If at any time after a filing becomes effective, the commissioner finds a filing does not comply with this act, the commissioner shall after a hearing held on not less than 10 days' written notice to every insurer and rating organization that made the filing issue an order specifying in what respects the filing failed to comply with the act, and stating when, within a reasonable period thereafter, the filing shall be no longer effective. Copies of the order shall be sent to such insurer or rating organization. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

(2) (A) In the event an insurer or organization has no legally effective rate because of an order disapproving rates, the commissioner shall specify an interim rate at the time the order is issued. The interim rate may be modified by the commissioner on the commissioner's own motion or upon motion of an insurer or organization.

(B) The interim rate or any modification thereof shall take effect prospectively in contracts of insurance written or renewed 15 days after the commissioner's decision setting interim rates.

(C) When the rates are finally determined, the commissioner shall order any overcharge in the interim rates to be distributed appropriately, except refunds to policyholders the commissioner determines are de minimis may not be required.

(3) (A) Any person or organization aggrieved with respect to any filing that is in effect may make written application to the commissioner for a hearing thereon, except that the insurer or rating organization that made the filing may not proceed under this subsection. The application shall specify the grounds to be relied on by the applicant.

(B) If the commissioner finds the application is made in good faith, that the applicant would be so aggrieved if the applicant's grounds are established, and that such grounds otherwise justify holding such a hearing, the commissioner shall, within 30 days after receipt of the application, hold a hearing on not less than 10 days' written notice to the applicant and every insurer and rating organization that made such filing.

(C) Every rating organization receiving a notice of hearing or copy of an order under this section, shall promptly notify all its members or subscribers affected by the hearing or order. Notice to a rating organization of a hearing or order shall be deemed notice to its members or subscribers.

(g) No insurer shall make or issue a contract or policy except in accordance with filings which have been filed or approved for such insurer as provided in this act.

(1) On an application for personal motor vehicle insurance where the applicant has applied for collision or comprehensive coverage, the applicant shall be allowed to identify a lienholder listed on the certificate of title for the motor vehicle described in the application.

(2) On an application for property insurance on real property, the applicant shall be allowed to identify a mortgagee listed on a mortgage for the real property described in the application.

(h) The commissioner may adopt rules and regulations to allow suspension or modification of the requirement of filing and approval of rates as to any kind of

insurance, subdivision or combination thereof, or as to classes of risks, the rates for which cannot practicably be filed before they are used.

(i) Except for workers compensation and employer's liability line, the following categories of commercial lines risks are considered special risks which are exempt from the filing requirements in this section: (1) Risks that are written on an excess or umbrella basis; (2) commercial risks, or portions thereof, that are not rated according to manuals, rating plans, or schedules including "a" rates; (3) large risks; and (4) special risks designated by the commissioner, including but not limited to risks insured under highly protected risks rating plans, commercial aviation, credit insurance, boiler and machinery, inland marine, fidelity, surety and guarantee bond insurance risks.

(j) For the purposes of this subsection, "large risk" means: (1) An insured that has total insured property values of \$5,000,000 or more; (2) an insured that has total annual gross revenues of \$10,000,000 or more; or (3) an insured that has in the preceding calendar year a total paid premium of \$50,000 or more for property insurance, \$50,000 or more for general liability insurance, or \$100,000 or more for multiple lines policies.

(k) The exemption for any large risk contained in subsection (h) shall not apply to workers compensation and employer's liability insurance, insurance purchasing groups, and the basic coverage required by K.S.A. 40-3401 et seq., and amendments thereto.

(l) Underwriting files, premium, loss and expense statistics, financial and other records pertaining to special risks written by any insurer shall be maintained by the insurer and shall be subject to examination by the commissioner.

(m) (1) Any entity that purchases a workers compensation policy for the covered employees of more than one employer pursuant to a shared employment relationship with each employer must purchase the workers compensation policy on a separate multiple coordinate policy basis. Such workers compensation policies must be issued pursuant to K.S.A. 44-501 et seq., and amendments thereto, from an insurer holding a certificate of authority to do business in this state and providing workers compensation coverage.

(2) The commissioner of insurance may allow an insurer to issue coverage through a master policy if the commissioner is satisfied that the insurer is able to track and report individual client experience to the advisory organization in an acceptable fashion. All such master policies must be filed with the commissioner for prior approval.

(3) The commissioner of insurance shall be authorized to adopt such rules and regulations as are reasonable and necessary to carry out the purpose and the provisions of this subsection."

On page 1, in the title, in line 4 following "40-955" by inserting: ", as amended by section 1 of 2011 House Bill No. 2074";

EXPLANATION OF VOTE

MR. PRESIDENT: Governor Brownback describes the budget compromise in this bill as “a victory for Kansans.” Nothing could be further from the truth. Average Kansans are the true losers in this budget.

Even though April revenues were up and May revenues are expected much higher than previous estimates, we are needlessly balancing the budget on the backs of our hardworking state employees and at the expense of our school children.

This budget will cut funding for Kansas public schools by \$232 per student next year, resulting in teacher layoffs, school closures and increased class sizes.

This budget breaks the promise to our lower paid state employees by eliminating the fourth and fifth year of the under-market pay plan. By renegeing on this promise, thousands of state employees who maintain our highways, provide our public safety and care for the disabled will continue earning far below their private sector counterparts.

As the economy recovers, there's no reason to force these sweeping cuts. The House insisted on an ending balance far beyond the governor's original \$7.5 million recommendation. To them, a \$72 million ending balance is more important than the well-being of school children, disabled and elderly Kansans, and our state workforce.

I vote no.—SENATOR ANTHONY HENSLEY

Senators Francisco, Kultula and Reitz request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **S Sub for HB 2014**.

MR. PRESIDENT: I regretfully vote NO on **S Sub for HB 2014**. This budget unnecessarily and unfairly targets the lowest paid of our state employees. Four years ago, the state made a promise to these employees that their salaries would be adjusted to fair market. For three years, we kept that promise. This year and next, we renege on

our promise. We don't need to do this. There is more than enough money in the state bank.

When the Governor presented his budget in January, he asked us to leave \$7.5m in the bank when we were finished with the budget. Instead, we leave \$71.8m, \$64.3m more than the Governor requested. Additionally, receipts in April were \$25m more than anticipated and May revenues are predicted to be significantly over estimates.

Certainly, we needed to reduce expenditures and we did. For FY12, we authorized \$881,564,000 less in spending than we did authorize in FY11. Had we authorized just \$873,064,000 less we could have kept our promise to our employees and still left our state in good financial shape. —LAURA KELLY

Senators Hensley, Franciso and Kultala request the record to show they concur with the "Explanation of Vote" offered by Senator Kelly on **S Sub for HB 2014**.

MR. PRESIDENT: While it is not a perfect budget, I am pleased to support the FY 2012 budget this evening. I want to commend the work of our conferees from the Senate, the conferees from the House and also our Governor for his work in helping guide the conference committee through the process the last few days. I know it was not easy.

This budget goes to great efforts to help our government to be responsible in the midst of the worst recession since the Great Depression. It goes to great efforts to help our government to live within its means, just like our families do. It also goes to great steps in beginning the process of restructuring and making state government more efficient to ensure that essential services such as education, public safety and care for the truly needy in our society are maintained.

In living within our means and not spending more than we bring in, this budget also will be the first budget that includes an overall cut in state spending in close to half a century.—GARRETT LOVE

Senators Lynn, Petersen and Pilcher-Cook request the record to show they concur with the "Explanation of Vote" offered by Senator Love on **S Sub for HB 2014**.

MR. PRESIDENT: Let me say that we are all stewards of the peoples' money and the peoples' programs. As such we *must*, at times, voice our agreement and our disagreement. That provides for the checks and balances that make for better decisions, and even changes in the course mid-stream, when it is not producing the outcome expected.

Mr. Chairman, I am hopeful that if this budget passes, and we experience the negative impact on our schools, students, and teachers, resulting from cuts and closures, that we as a state take immediate action to change course, fund our schools for success—for all districts, all students, all teachers whether urban or rural. As I stated when we debated the 1st budget bill, the risk to our future is too great, especially when our school children are put into the risk formula.

Mr. Chairman, I am not questioning motives. I support a balanced budget. I acknowledge cuts need to be made. I simply want to bring attention to a problem being manifested in many school districts already as they cut staff and programs, even in this current school year. I cannot support these cuts.—ALLEN C. SCHMIDT

Senator Hensley requests the record to show he concurs with the "Explanation of Vote" offered by Senator A. Schmidt on **HB 2014**.

MR. PRESIDENT: I commend the committee members for all of the hard work and long hours they've spent on this budget. I am especially pleased that this budget retains funding for Washburn University, minimizes cuts to our early childhood programs, and keeps KNI open.

Although I appreciate what is in this budget, I remain concerned about what is not in this budget. Among them: Fair and honest pay for our state workforce.

Every day, thousands of Kansans go to work fixing our roads, caring for our children, and making sure our communities are safe. These men and women deserve an honest day's pay for an honest day's work. If we expect to recruit and retain the best and brightest in Kansas, then we must provide a competitive and honest wage. Failure to do so jeopardizes the strength of Kansas families and the Kansas economy.

We should not balance the budget at the expense of working Kansans. For that reason, I cannot vote for this budget. Thank you.—VICKI SCHMIDT

Senators Francisco, Hensley, Kelly and Kultula request the record to show they concur with the "Explanation of Vote" offered by Senator V. Schmidt on **S Sub for HB 2014**.

MESSAGE FROM THE GOVERNOR

Senate Bill **93** has been signed into law.

Senate Bill **93** establishes that it shall be unlawful in Kansas for any law enforcement officer to unreasonably rely on race, ethnicity, national origin, gender or religion to make a decision to arrest a person; a decision to stop or detain a person; or a decision to search a person or vehicle. **SB 93** also establishes that all law enforcement agencies in Kansas will put in place a detailed written policy prohibiting biased policing and explaining the requirements of the law. In addition, those agencies will be required to provide annual training on the subject of biased policing and to subject that training curricula to the review of an advisory panel. Finally, **SB 93** sets forth a variety of mechanisms whereby the intent of the law to eliminate and prevent biased policing can be practically carried out, including: provisions for a community review board; provisions for receiving complaints of biased policing; and reporting requirements from local law enforcement agencies to the office of the Kansas Attorney General.

Many in the minority communities of Kansas have told me that **SB 93** does not go far enough in addressing issues of fundamental justice for their communities. I have listened to their suggestions carefully and I have heard their heartfelt concern. I am firmly committed to continuing to work closely with all Kansans, and especially minority Kansans, to improve and expand full equality under the law.

Approved on May 20, 2011.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator Apple introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1868—

A RESOLUTION congratulating and commending the Louisburg High School football team for winning the 2010 Class 4A state championship.

WHEREAS, The Louisburg High School football team won the 2010 Class 4A state championship with a 24-16 victory over Holton High School on November 27, 2010, at Salina; and

WHEREAS, The Louisburg Wildcats scored 14 points in the fourth quarter to break a 10-10 tie and racked up 24 consecutive points in their comeback over Holton; and

WHEREAS, The victory in the state championship game capped off a perfect 14-0 season for Louisburg. The Wildcats never trailed during the season until the first half of the state championship game. The team set a goal of a perfect season at the beginning of the year and achieved it through countless hours of training and practice; and

WHEREAS, The Wildcats reached the state championship game with a dominating 28-7 Sub-State victory over their cross-county rival Paola; and

WHEREAS, The state title was the biggest win in the program's storied history. Louisburg football has not had a losing season since 1989, but the program had never before been able to bring home the state crown. The 2010 Wildcats were finally able to silence all the critics who said that Louisburg couldn't win the big game; and

WHEREAS, Head Coach Gary Griffin was named the 2010 Kansas Football Coach of the Year by the Kansas Football Coaches Association; and

WHEREAS, Defensive lineman Tyler Ewy was named the 2010 Bobby Bell Award

Winner, which is given to the top small-school lineman/linebacker in the Kansas City metro area. He was also named to the Topeka Capital-Journal and Wichita Eagle Top 11 in 2010 and was named to the Class 4A All-State team. Tyler will represent the East Team in the 2011 Kansas Shrine Bowl and will continue his football career at Washburn University; and

WHEREAS, Four Louisburg seniors were selected to play in the Metro All Star Game: Tyler Ewy, along with fullback Alex Gentges, guard Ross Dvorak and quarterback/defensive back Kody Cook. Ross Dvorak and Kody Cook were also named to the Class 4A All-State team. Ross will play college football at Northeastern State University and Kody and Alex both signed to play for Hutchinson Community College. All four were leaders of a senior class that compiled a record of 45-7 during their four seasons; and

WHEREAS, The team could not have achieved its goals without the enthusiastic support of the school's administrators, faculty and students, the players' parents and members of the Louisburg community: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we congratulate and commend the Louisburg Wildcats and Head Coach Gary Griffin for winning the 2010 Class 4A state football championship. The Wildcats exemplify what dedication, determination and team work can accomplish. We wish all the team members and coaches continued success and happiness in the future; and

Be it further resolved: That the Secretary of the Senate shall send 30 enrolled copies of this resolution to Senator Apple.

On emergency motion of Senator Apple **SR 1868** was adopted unanimously.

Senator Apple congratulated and commended the Louisburg High School football team for winning the 2010 Class 4A state championship. Head Coach Gary Griffin was recognized for being named the 2010 Kansas Football Coach of the Year. Four seniors were introduced for playing in the Metro All Star Game: Tyler Ewy, Alex Gentges, Ross Dvorak and Kody Cook. Also introduced were the remaining football team members. The Senate acknowledged their achievement with a standing ovation.

Senator Lynn introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1869—

A RESOLUTION recognizing Farmers Insurance Group and its support of Be a Hero for Babies Day, benefiting the March of Dimes.

WHEREAS, The state of Kansas takes great pride in recognizing those who provide the highest standards of service and contribute in a meaningful way to the creation of a better and more productive society; and

WHEREAS, Farmers Insurance Group will participate in Be a Hero for Babies Day, benefiting the March of Dimes, on June 29, 2011; and

WHEREAS, Farmers Insurance Group is the largest insurance company sponsor of the March of Dimes and is also the exclusive national sponsor of March for Babies; and

WHEREAS, Farmers Insurance Group has worked with the March of Dimes for 23 years to raise awareness and millions of dollars in support of the mission for healthy babies and mothers; and

WHEREAS, Through Be a Hero for Babies Day, the network of Farmers Insurance agencies and district offices throughout the United States will work to raise \$2,000,000

in support of this worthy cause: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize and pay tribute to Farmers Insurance Group for its dedicated efforts to support the March of Dimes and extend our warmest wishes for a future replete with increasing success and service to the community; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to Farmers Insurance Group, 11880 College Boulevard, Overland Park, Kansas 66210.

On emergency motion of Senator Lynn **SR 1869** was adopted unanimously.

As provided by **SCR 1609**, Senator Emler moved the Senate adjourn Sine Die. The motion prevailed.

President Morris thereupon announced: "By virtue of the authority vested in me as president of the Senate, I now declare the 2011 Session of the Kansas Senate adjourned Sine Die."

MESSAGE FROM THE HOUSE

Announcing a veto message from the Governor **Senate Substitute for HB 2014**, AN ACT making and concerning appropriations for fiscal years ending June 30, 2011, June 30, 2012, June 30, 2013, June 30, 2014, June 30, 2015, and June 30, 2016, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, reducing compensation for state officers, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2010 Supp. 2-223, 12-5256, 49-514, 55-193, 72-8814, 74-99b34, 75-2319, 75-6702, 76-775, 76-783, 76-7,107, 79-2959, 79-2964, 79-3425i, 79-34,156, 79-34,171 and 82a-953a and repealing the existing sections; also repealing section 138 of chapter 165 of the 2010 Session Laws of Kansas, was received on May 28, 2011 and read on June 1, 2011.

Message to the Legislature of the State of Kansas:

I want to congratulate the 2011 Legislature on putting together a fair budget in the midst of a down economy. Filling a \$500 million budget hole without raising taxes is a difficult task, but the Committees on Appropriations and Ways and Means and the entire House and Senate took on the challenge and produced a budget that funds state priorities while maintaining a responsible \$50 million real ending balance. And this balance will grow throughout FY 2012. In fact, in the time period between passage of this bill and today, it is estimated that KPERS will show \$4 million in additional savings in FY 2011 and \$11 million in FY 2012. I am proud of everyone's hard work. I will sign this bill.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return Senate Substitute for House Bill No. 2014 with my signature approving the bill, except for the items enumerated below. The net effect of these line item vetoes will be an increase in the ending balance of \$498,000.

Kansas Technology Enterprise Corporation Pipeline

Section 26 has been line-item vetoed in its entirety.

As part of my agency reorganizations, I recommended elimination of KTEC. This is an unnecessary appropriation from a fund (the EDIF) that is short of cash for an agency that will not exist on July 1. Other sources are now available to keep the entrepreneurial program running.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

Department of Health & Environment—Division of Health Care Finance Preferred Mental Health Drug List

Section 108(e) has been line-item vetoed in its entirety.

The Preferred Drug List for the Medicaid Program has been in use for several years and has helped in controlling pharmacy expenditures which had been growing exponentially. Expanding the Preferred Drug List to include mental health drugs and using the Mental Health Preferred Drug List (PDL) Advisory Committee to recommend appropriate medically-indicated management of mental health drugs dispensed under the MediKan program will reduce expenditures. My veto of this provision will not require implementation of a PDL, but would allow for improved patient safety; timely access to medications, support of systematic, best-practice guidance for providers, and lower overall costs. The use of a PDL is standard practice in most private health insurance plans.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

State Employee Health Benefits Program Surcharge

Section 108(f) has been line-item vetoed in its entirety.

After further review of this provision, it appears that the revenues that might be generated from a surcharge on state employee health premiums are far less than originally anticipated. After a thorough review, the actual revenues that can reasonably be anticipated from this surcharge are \$790,000. Given the legal concerns the provision may create as it relates to the Kansas Wage Payment Act coupled with the smaller revenues produced, I am compelled to veto the surcharge. I have further directed the Secretary of the Kansas Department of Health and Environment that upon the effective date of the state reorganization of the Kansas Health Policy Authority, the state employee gift card program shall be phased out. This administrative action is reasonably anticipated to generate savings to the Health Plan of \$600,000, which amount shall essentially offset the lost revenue as a result of this specific line-item veto.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

**Department of Social and Rehabilitation Services
Quarterly Reporting**

That portion of Section 111(a) that reads as follows has been line-item vetoed:

“And provided further, That in addition to the other purposes for which expenditures may be made by the above agency from the state operations account for fiscal year 2012, expenditures shall be made by the above agency from the state operations account for fiscal year 2012 to report, at least quarterly during such fiscal year, to the legislative budget committee concerning the budget and financial status of the department of social and rehabilitation services and any other matter the committee may request.”

I have directed my administration to maintain open lines of communication with the Legislature, instructing them to operate transparently and provide timely information on our policies, ongoing progress, and the challenges we must meet. The language contained in this provision would place an unfair and unnecessary administrative burden on one state agency, so I have vetoed it.

Members were given the opportunity to reconsider the line item veto.. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

**Kansas Arts Commission
Agency Operations**

Section 115(a) has been line-item vetoed in its entirety. That portion of Section 143(a) that reads as follows has been line-item vetoed:
“Kansas Arts Commission.....6.00”

This veto strikes State General Fund appropriations made to the Commission and removes the Commission’s FTE position limitation. My FY 2012 Budget Report recommended no funding for the Commission and outlined a transition plan in order to fund the arts in Kansas with private donations while maintaining the state’s federal match. In difficult fiscal times such as these, the state must prioritize how to spend its limited resources and focus its attention on providing core services. The arts will continue to thrive in Kansas when funded by private donations, and I intend to personally involve myself in efforts to make this happen.

A motion was made that, notwithstanding the Governor’s objections, the line item be reconsidered. By a vote of 50 Yeas and 44 Nays, the motion failed to receive the necessary two-thirds constitutional majority vote of the elected members of the House of Representatives, and the line item veto was sustained.

Across the Board Reduction

That portion of Section 175 that reads as follows has been line-item vetoed:

“Provided further, That the aggregate amount lapsed in each account of the state general fund of the state agency under this section shall be the amount in the account budgeted for state operations which bears the same relation to \$5,900,000 as the aggregate amount budgeted for state operations from the state general fund for the state agency in the Governor’s Budget Report for FY 2012 bears to the aggregate amount budgeted for state operations from the state general fund for all state agencies in the Governor’s Budget Report for FY 2012.”

My administration remains committed to right-sizing the state budget and reducing the likelihood of allotments by maintaining a responsible ending balance. While I fully intend to make these reductions, I must have the flexibility to impose them where I believe they can be made without harming key services. The \$5.9 million reduction is left intact with this veto and the certification of reductions will be made as provided for in the bill. These reductions, however, should not be made on a pro-rata basis, so I have vetoed this proviso.

Members were given the opportunity to reconsider the line item veto.. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

Moving Forward

As we look toward more challenges ahead, I encourage the Legislature to join me in thoroughly reviewing areas where we can reduce the reach of state government. One of these areas is state subsidization of public broadcasting. I intend again to include no funding for public broadcasting operations grants in my FY 2013 budget, so I encourage recipients of these grants to make appropriate preparations.

Again, I commend the Legislature for its work during the 2011 session, and I look forward to working with all of you in the coming months and years as we get our state’s budget and economy back on track.

Approved with line item vetoes: May 27, 2011
Signed, Sam Brownback

HISTORY OF SENATE PETITIONS

- SP 1** by Senator Terrie Huntington at the request of her constituents: The Supreme Court ruling in January of 2010 on Citizens United v. the Federal Elections Commission, a 5-4 decision that overturned prior campaign law, has extended First Amendment Rights to corporations.
