(c) Subject to limitations prescribed by the board, the state agency employing any employee who has filed an election as provided under subsection (a) or (b) and who has entered into an employee participation agreement, as provided in K.S.A. 2013 Supp. 74-49b10, and amendments thereto, for deferred compensation pursuant to the Kansas public employees deferred compensation plan shall contribute to such plan on such employee's behalf an amount equal to 8% of the employee's salary, as such salary has been approved pursuant to K.S.A. 75-2935b, and amendments thereto, or as otherwise prescribed by law. With regard to a state officer who is a member of the legislature who has retired pursuant to the Kansas public employees retirement system and who files an election as provided in this section, employee's salary means per diem compensation as provided by law as a member of the legislature.

(e) The provisions of this section shall not apply to any state officer who has elected to remain eligible for assistance by the state board of regents as provided in subsection (a) of K.S.A. 74-4925, and amendments thereto.

Sec. 303. K.S.A. 2013 Supp. 74-4927 is hereby amended to read as follows: 74-4927. (1) The board may establish a plan of death and long-term disability benefits to be paid to the members of the retirement system as provided by this section. The long-term disability benefit shall be payable in accordance with the terms of such plan as established by the board, except that for any member who is disabled prior to the effective date of this act, the annual disability benefit amount shall be an amount equal to $66\frac{2}{3}\%$ of the member's annual rate of compensation on the date such disability commenced. Such plan shall provide that:

(A) For deaths occurring prior to January 1, 1987, the right to receive such death benefit shall cease upon the member's attainment of age 70 or date of retirement whichever first occurs. The right to receive such long-term disability benefit shall cease (i) for a member who becomes eligible for such benefit before attaining age 60, upon the date that such member attains age 65 or the date of such member's retirement, whichever first occurs, and (ii) for a member who becomes eligible for such benefit at or after attaining age 60, the date that such member has received such benefit for a period of five years, or upon the date of such member's retirement, whichever first occurs.

(B) Long-term disability benefit payments shall be in lieu of any accidental total disability benefit that a member may be eligible to receive under subsection (3) of K.S.A. 74-4916, and amendments thereto. The member must make an initial application for social security disability benefits and, if denied such benefits, the member must pursue and exhaust all administrative remedies of the social security administration which include, but are not limited to, reconsideration and hearings. Such plan may provide that any amount which a member receives as a social security benefit or a disability benefit or compensation from any source by reason of any employment including, but not limited to, workers compensation benefits may be deducted from the amount of long-term disability benefit payments under such plan. However, in no event shall the amount of long-term disability benefit payments under such plan be reduced by any amounts a member receives as a supplemental disability benefit or compensation from any source by reason of the member's employment, provided such supplemental disability benefit or compensation is based solely upon the portion of the member's monthly compensation that exceeds the maximum monthly compensation taken into account under such plan. As used in this paragraph, "maximum monthly compensation" means the dollar amount that results from dividing the maximum monthly disability benefit payable under such plan by the percentage of compensation that is used to

calculate disability benefit payments under such plan. During the period in which such member is pursuing such administrative remedies prior to a final decision of the social security administration, social security disability benefits may be estimated and may be deducted from the amount of long-term disability benefit payments under such plan. If the social security benefit, workers compensation benefit, other income or wages or other disability benefit by reason of employment other than a supplemental benefit based solely on compensation in excess of the maximum monthly compensation taken into account under such plan, or any part thereof, is paid in a lump-sum, the amount of the reduction shall be calculated on a monthly basis over the period of time for which the lump-sum is given. As used in this section, "workers compensation benefits" means the total award of disability benefit payments under the workers compensation act notwithstanding any payment of attorney fees from such benefits as provided in the workers compensation act.

(C) The plan may include other provisions relating to qualifications for benefits; schedules and graduation of benefits; limitations of eligibility for benefits by reason of termination of employment or membership; conversion privileges; limitations of eligibility for benefits by reason of leaves of absence, military service or other interruptions in service; limitations on the condition of long-term disability benefit payment by reason of improved health; requirements for medical examinations or reports; or any other reasonable provisions as established by rule and regulation of uniform application adopted by the board.

(D) Any visually impaired person who is in training at and employed by a sheltered workshop for the blind operated by the secretary ~~of social and rehabilitation services for children and families~~ and who would otherwise be eligible for the long-term disability benefit as described in this section shall not be eligible to receive such benefit due to visual impairment as such impairment shall be determined to be a preexisting condition.

(2) (A) In the event that a member becomes eligible for a long-term disability benefit under the plan authorized by this section such member shall be given participating service credit for the entire period of such disability. Such member's final average salary shall be computed in accordance with subsection (17) of K.S.A. 74-4902, and amendments thereto, except that the years of participating service used in such computation shall be the years of salaried participating service.

(B) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding retirement, such member's final average salary shall be adjusted upon retirement by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1993, such member's final average salary shall be adjusted upon retirement by 5% for each year of disability after July 1, 1993, but before July 1, 1998. Effective July 1, 1998, such member's final average salary shall be adjusted upon retirement by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers as published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent per annum, measured from the member's last day on the payroll to the month that is two months prior to the month of retirement, for each year of disability after July 1, 1998.

(C) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding death, such member's current annual rate shall be adjusted by

the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1993, such member's current annual rate shall be adjusted upon death by 5% for each year of disability after July 1, 1993, but before July 1, 1998. Effective July 1, 1998, such member's current annual rate shall be adjusted upon death by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent per annum, measured from the member's last day on the payroll to the month that is two months prior to the month of death, for each year of disability after July 1, 1998.

(3) (A) To carry out the legislative intent to provide, within the funds made available therefor, the broadest possible coverage for members who are in active employment or involuntarily absent from such active employment, the plan of death and long-term disability benefits shall be subject to adjustment from time to time by the board within the limitations of this section. The plan may include terms and provisions which are consistent with the terms and provisions of group life and long-term disability policies usually issued to those employers who employ a large number of employees. The board shall have the authority to establish and adjust from time to time the procedures for financing and administering the plan of death and long-term disability benefits authorized by this section. Either the insured death benefit or the insured disability benefit or both such benefits may be financed directly by the system or by one or more insurance companies authorized and licensed to transact group life and group accident and health insurance in this state.

(B) The board may contract with one or more insurance companies, which are authorized and licensed to transact group life and group accident and health insurance in Kansas, to underwrite or to administer or to both underwrite and administer either the insured death benefit or the long-term disability benefit or both such benefits. Each such contract with an insurance company under this subsection shall be entered into on the basis of competitive bids solicited and administered by the board. Such competitive bids shall be based on specifications prepared by the board.

(i) In the event the board purchases one or more policies of group insurance from such company or companies to provide either the insured death benefit or the long-term disability benefit or both such benefits, the board shall have the authority to subsequently cancel one or more of such policies and, notwithstanding any other provision of law, to release each company which issued any such canceled policy from any liability for future benefits under any such policy and to have the reserves established by such company under any such canceled policy returned to the system for deposit in the group insurance reserve of the fund.

(ii) In addition, the board shall have the authority to cancel any policy or policies of group life and long-term disability insurance in existence on the effective date of this act and, notwithstanding any other provision of law, to release each company which issued any such canceled policy from any liability for future benefits under any such policy and to have the reserves established by such company under any such canceled policy returned to the system for deposit in the group insurance reserve of the fund. Notwithstanding any other provision of law, no premium tax shall be due or payable by any such company or companies on any such policy or policies purchased by the board nor shall any brokerage fees or commissions be paid thereon.

(4) (A) There is hereby created in the state treasury the group insurance reserve

fund. Investment income of the fund shall be added or credited to the fund as provided by law. The cost of the plan of death and long-term disability benefits shall be paid from the group insurance reserve fund, which shall be administered by the board. For the period commencing July 1, 2013, and ending June 30, 2015, each participating employer shall appropriate and pay to the system in such manner as the board shall prescribe in addition to the employee and employer retirement contributions an amount equal to .85% of the amount of compensation on which the members' contributions to the Kansas public employees retirement system are based for deposit in the group insurance reserve fund. For the period commencing July 1, 2015, and all periods thereafter, each participating employer shall appropriate and pay to the system in such manner as the board shall prescribe in addition to the employee and employer retirement contributions an amount equal to 1.0% of the amount of compensation on which the members' contributions to the Kansas public employees retirement system are based for deposit in the group insurance reserve fund. Notwithstanding the provisions of this subsection, no participating employer shall appropriate and pay to the system any amount provided for by this subsection for deposit in the group insurance reserve fund for the period commencing on April 1, 2013, and ending on June 30, 2013.

(C) The provisions of subsection (4) of K.S.A. 74-4920, and amendments thereto, shall apply for the purpose of providing the funds to make the contributions to be deposited to the group insurance reserve fund.

(D) Any dividend or retrospective rate credit allowed by an insurance company or companies shall be credited to the group insurance reserve fund and the board may take such amounts into consideration in determining the amounts of the benefits under the plan authorized by this section.

(5) The death benefit provided under the plan of death and long-term disability benefits authorized by this section shall be known and referred to as insured death benefit. The long-term disability benefit provided under the plan of death and long-term disability benefits authorized by this section shall be known and referred to as long-term disability benefit.

The cost of the optional death benefit plan shall not be established on such a basis as to unreasonably discriminate against any particular age group. The board shall have full administrative responsibility, discretion and authority to establish and continue such optional death

benefit plan and the director of accounts and reports of the department of administration shall when requested by the board and from funds appropriated or available for such purpose establish a system to make periodic deductions from state payrolls to cover the cost of the optional death benefit plan coverage under the provisions of this subsection (6) and shall remit all deductions together with appropriate accounting reports to the system. There is hereby created in the state treasury the optional death benefit plan reserve fund. Investment income of the fund shall be added or credited to the fund as provided by law. All funds received by the board, whether in the form of direct payments, payroll deductions or otherwise, shall be accounted for separately from all other funds of the retirement system and shall be paid into the optional death benefit plan reserve fund, from which the board is authorized to make the appropriate payments and to pay the ongoing costs of administration of such optional death benefit plan as may be incurred in carrying out the provisions of this subsection (6).

(2) two persons licensed to practice medicine and surgery specializing in orthopedics, chosen by the board from four names submitted by the Kansas medical society; and

(3) two podiatrists, at least one of whom shall have completed an accredited residency in foot and ankle surgery, chosen by the board from four names submitted by the Kansas podiatric medical association.

Members appointed to such committee shall serve at the pleasure of the board without compensation. All expenses of the committee shall be paid by the board. The provisions of this subsection shall expire on July 1, 2018.

Sec. 62. K.S.A. 65-2004 is hereby amended to read as follows: 65-2004. (a) Except as provided in subsection (b) of K.S.A. 65-2003, and amendments thereto, each applicant for a license to practice podiatry shall be examined by the board in the following subjects: Anatomy, bacteriology, chemistry, dermatology, histology,

pathology, physiology, pharmacology and medicine, diagnosis, therapeutics, and clinical podiatry and surgery, limited in their scope to the treatment of the human foot, including the ankle and tendons which insert into the foot as well as the foot. If the applicant possesses the qualifications required by K.S.A. 65-2003, and amendments thereto, completes the examination prescribed with the passing grade as established by rules and regulations of the board and pays to the board the license fee established pursuant to K.S.A. 65-2012, and amendments thereto, such applicant shall be issued a license by the board to practice podiatry in this state.

(b) Each applicant before taking the examination shall pay to the board the examination fee established pursuant to K.S.A. 65-2012, and amendments thereto. Any applicant failing the examination may have a reexamination in accordance with criteria established by rules and regulations of the board, which criteria may limit the number of times an applicant may retake the examination.

Sec. 63. K.S.A. 2013 Supp. 65-2005 is hereby amended to read as follows: 65-2005. (a) A licensee shall be designated a licensed podiatrist and shall not use any title or abbreviations without the designation licensed podiatrist, practice limited to the human foot, including the ankle and tendons which insert into the foot as well as the foot, and shall not mislead the public as to such licensee's limited professional qualifications to treat human ailments. Whenever a registered podiatrist, or words of like effect, is referred to or designated by any statute, contract or other document, such reference or designation shall be deemed to refer to or designate a licensed podiatrist.

(b) The license of each licensed podiatrist shall expire on the date established by rules and regulations of the board which may provide renewal throughout the year on a continuing basis. In each case in which a license is renewed for a period of time of less than one year, the board may prorate the amount of the fee established under K.S.A. 65-2012, and amendments thereto. The request for renewal shall be on a form provided by the board and shall be accompanied by the renewal fee established under K.S.A. 65-2012, and amendments thereto, which shall be paid not later than the expiration date of the license. At least 30 days before the expiration of a licensee's license, the board shall notify the licensee of the expiration by mail addressed to the licensee's last mailing address as noted upon the office records. If a licensee fails to pay the renewal fee by the date of expiration, the licensee shall be given a second notice that the licensee's license has expired and the license may be renewed only if the renewal fee and the late renewal fee are received by the board within the thirty-day period following the date of expiration and that, if both fees are not received within the thirty-day period, such licensee's license shall be canceled by operation of law and without further proceedings for failure to renew and shall be reissued only after the licensee has been reinstated under subsection (c).

(c) Any licensee who allows the licensee's license to be canceled by failing to renew may be reinstated upon recommendation of the board and upon payment of the renewal fee and the reinstatement fee established pursuant to K.S.A. 65-2012, and amendments thereto, and upon submitting evidence of satisfactory completion of the applicable reeducation and continuing education requirements established by the board. The board shall adopt rules and regulations establishing appropriate reeducation and continuing education requirements for reinstatement of persons whose licenses have been canceled for failure to renew.

(d) The board, prior to renewal of a license, shall require the licensee, if in the

active practice of podiatry within Kansas, to submit to the board evidence satisfactory to the board that the licensee is maintaining a policy of professional liability insurance as required by K.S.A. 40-3402, and amendments thereto, and has paid the annual premium surcharge as required by K.S.A. 40-3404, and amendments thereto.

(e) The board may issue a temporary permit to practice podiatry in this state to any person making application for a license to practice podiatry who meets the required qualifications for a license and who pays to the board the temporary permit fee established pursuant to K.S.A. 65-2012, and amendments thereto. A temporary permit shall authorize the permittee to practice within the limits of the permit until the license is issued or denied to the permittee by the board.

(f) The board may issue a postgraduate permit to practice podiatry to any person engaged in a full-time, approved postgraduate study program; has made application for such postgraduate permit upon a form provided by the board; meets all the qualifications for a license, except the examination required under K.S.A. 65-2004, and amendments thereto; and has paid the fee established pursuant to K.S.A. 65-2012, and amendments thereto. The postgraduate permit shall authorize the person receiving the permit to practice podiatry in the postgraduate study program, but shall not authorize practice outside of the postgraduate study program. The postgraduate permit shall be canceled if the permittee ceases to be engaged in the postgraduate study program.

(g) The board may issue, upon payment to the board of the temporary license fee established pursuant to K.S.A. 65-2012, and amendments thereto, a temporary license to a practitioner of another state or country who is appearing as a clinician at meetings, seminars or training programs approved by the board, if the practitioner holds a current license, registration or certificate as a podiatrist from another state or country and the sole purpose of such appearance is for promoting professional education.

(h) There is hereby created a designation of exempt license. The board is authorized to issue an exempt license to any licensee who makes written application for such license on a form provided by the board and remits the fee for an exempt license established under K.S.A. 65-2012, and amendments thereto. The board may issue an exempt license only to a person who has previously been issued a license to practice podiatry within Kansas, who is no longer regularly engaged in such practice and who does not hold oneself out to the public as being professionally engaged in such practice. An exempt license shall entitle the holder to all privileges attendant to the practice of podiatry. Each exempt license may be renewed annually subject to the other provisions of this section and other sections of the podiatry act. Each exempt licensee shall be subject to all provisions of the podiatry act, except as otherwise provided. The holder of an exempt license shall not be required to submit evidence of satisfactory completion of a program of continuing education required under the podiatry act. Each exempt licensee may apply for a license to regularly engage in the practice of podiatry upon filing a written application with the board and submitting evidence of satisfactory completion of the applicable and continuing education requirements established by the board. The request shall be on a form provided by the board and shall be accompanied by the license fee established under K.S.A. 65-2012, and amendments thereto. The board shall adopt rules and regulations establishing appropriate and continuing education requirements for exempt licensees to become licensed to regularly practice podiatry within Kansas.

(i) There is hereby created a designation of inactive license. The board is

authorized to issue an inactive license to any licensee who makes written application for such license on a form provided by the board and remits the fee for an inactive license established pursuant to K.S.A. 65-2012, and amendments thereto. The board may issue an inactive license only to a person who meets all the requirements for a license to practice podiatry in Kansas, who is not regularly engaged in the practice of podiatry in Kansas, who does not hold oneself out to the public as being professionally engaged in such practice and who meets the definition of inactive health care provider as defined in K.S.A. 40-3401, and amendments thereto. An inactive license shall not entitle the holder to practice podiatry in this state. Each inactive license may be renewed subject to the provisions of this section. Each inactive licensee shall be subject to all provisions of the podiatry act, except as otherwise provided in this subsection. The holder of an inactive license shall not be required to submit evidence of satisfactory completion of a program of continuing education required by K.S.A. 65-2010, and amendments thereto. Each inactive licensee may apply for a license to regularly engage in the practice of podiatry upon filing a written application with the board. The request shall be on a form provided by the board and shall be accompanied by the license fee established pursuant to K.S.A. 65-2012, and amendments thereto. For those licensees whose license has been inactive for less than two years, the board shall adopt rules and regulations establishing appropriate continuing education requirements for inactive licensees to become licensed to regularly practice podiatry within Kansas. Any licensee whose license has been inactive for more than two years and who has not been in the active practice of podiatry or engaged in a formal education program since the licensee has been inactive may be required to complete such additional testing, training or education as the board may deem necessary to establish the licensee's present ability to practice with reasonable skill and safety.

(j) There is hereby created a designation of federally active license. The board is authorized to issue a federally active license to any licensee who makes written application for such license on a form provided by the board and remits the same fee required for a license established under K.S.A. 65-2012, and amendments thereto. The board may issue a federally active license only to a person who meets all the requirements for a license to practice podiatry in Kansas and who practices podiatry solely in the course of employment or active duty in the United States government or any of its departments, bureaus or agencies or who, in addition to such employment or assignment, provides professional services as a charitable health care provider as defined under K.S.A. 75-6102, and amendments thereto. The provisions of subsections (b) and (c) of this section relating to expiration, renewal and reinstatement of a license and K.S.A. 65-2010, and amendments thereto, relating to continuing education shall be applicable to a federally active license issued under this subsection. A person who practices under a federally active license shall not be deemed to be rendering professional service as a health care provider in this state for purposes of K.S.A. 40-3402, and amendments thereto.

(k) Each license or permit granted under this act shall be conspicuously displayed at the office or other place of practice of the licensee or permittee.

(l) A person whose license has been revoked may apply for reinstatement of the license after the expiration of three years from the effective date of the revocation. Application for reinstatement shall be on a form provided by the board and shall be accompanied by a reinstatement of a revoked license fee established by the board under

K.S.A. 65-2012, and amendments thereto. The burden of proof by clear and convincing evidence shall be on the applicant to show sufficient rehabilitation to justify reinstatement of the license. If the board determines a license should not be reinstated, the person shall not be eligible to reapply for reinstatement for three years from the effective date of the denial. All proceedings conducted on an application for reinstatement shall be in accordance with the provisions of the Kansas administrative procedure act and shall be reviewable in accordance with the Kansas judicial review act. The board, on its own motion, may stay the effectiveness of an order of revocation of license.

EARLY EVENING SESSION

The House met pursuant to recess with Speaker pro tem Mast in the chair.

PERSONAL PRIVILEGE

Minority Leader Davis rose on a point of personal privilege and addressed the following remarks to the members of the House:

It seems like just yesterday that I walked into this chamber to be first sworn in. But it was 11 ½ years ago. I remember my first day here pretty vividly. Having been elected in a precinct committee election, I was sworn in on my own instead of with a group of new legislators. I recall receiving a standing ovation from the members of the House and later that day telling some of my friends back in Lawrence "Hey, they gave me a standing ovation. Can you believe that." I thought I was pretty darn special at the time. Well, I soon figured that we give everyone here a standing ovation, even if you're just Uncle Larry visiting from Nebraska or wherever.

I have a number of people that been instrumental in my journey here at the Capitol that I want to thank: First, they are not here today, but I want to express my gratitude to the people of the 46th District for allowing me to serve as their voice in this Capitol.

My family is with me here today. My wife Stephanie. Our daughter Caroline. And my parents Ray and Kathy Davis. My wife has been 100% supportive of my service in the Legislature and I can't thank her enough for that. My parents spent their careers as teachers and boy did I learn a lot from them: one of the things I learned was that public

service is important and that government can help make people's lives better. Lessons I hope I will never forget.

For half of my time here in Topeka I have had the honor of serving as the Leader of the House Democrats. For this privilege, I am truly grateful. All of you here today and those who occupied these seats before you have become more than just colleagues. We have shared the joys of life together, new babies, graduations, along with comforting each other in times of sorrow. We are truly a family.

I especially want to thank those of you in leadership who have provided me with good counsel and helped to lead our caucus. My Assistant Leader Tom Burroughs has been a great partner and has become a good friend in the process.

I learned a great deal from my predecessors, Troy Findley, who held my seat before me, and Dennis McKinney, who served as Minority Leader during my first 6 years in the House.

I have been blessed with hard working, energetic staff that I have thoroughly enjoyed working with. I am grateful their work and the work of the dozens of highly skilled staff that we have here at the Capitol.

I want to pay a special thanks to Speaker Ray Merrick. I have truly enjoyed working with you. You have always been courteous, respectful and just a gentleman. Thank you Mr. Speaker.

We spend a great deal of time with our local delegations and I have had a really good delegation to work with. I've learned a lot from each of you. John Wilson reminds me that you can't ever let go of your idealism. Tom Sloan reminds me that good policy should always come before good politics. I've known Barbara Ballard since I was about 10 years old and she was my soccer coach. What I didn't know back then is that she would never stop teaching me things that I needed to learn. She's been not only a great friend, but a mentor. Tom Holland was my first officemate and reminds me that you must always stay close to your constituents and use the power of your office to help them.

A few of you may know that Marci Francisco and I were opponents in my first election. I have reminded her on more than one occasion that she got the better end of the deal after that: A 4 year term. But I can't tell you how much character Marci Francisco has. After that election, she became my friend and supporter and I became hers and we've maintained a wonderful friendship ever since.

There is one more person I want to say a big thank you to. I've enjoyed serving with all of you, but I must tell you that there is no person I've enjoyed serving with more than Senator Anthony Hensley. I wouldn't be standing here today if not for a legislative internship I had 20 years ago. I was so fortunate to be able to intern for Senator Hensley and it has been a distinct honor to be able to serve alongside the longest serving legislator in our state's history.

Well, next year I will either be officing on the 2nd floor of this Capitol or the 2nd floor of the Hobbs Taylor building in Lawrence where my law firm is located. But no matter what happens, there will be a few things that I won't miss when I leave here. The 4 a.m. mornings to start with. But without a doubt, I know I will miss the people and the privilege of being part of this process. Our country is the oldest democracy on the face of the earth. And here in our state only a few thousand of us out of millions of Kansans that have called this prairieland home since 1861 have been able to enjoy this rarest of privileges.

You have to spend a little time here to fully comprehend and cherish what a unique opportunity each of us is given to play a small part in our state's rich history. And consequently we learn that with this opportunity comes a great deal of responsibility. This legislative body is perhaps among the most civil of all the democratic institutions on this planet. And it isn't that way by accident. Think for just a few seconds about who taught us how we conduct ourselves in this chamber and how we treat our fellow colleagues. I've learned a lot from so many of you and those who have come and gone over the past twelve years.

We all learn from each other and we owe so much to those who have come before us. And when you fully comprehend this, you begin to feel a weight on your shoulders. The often quoted passage from Luke 12:48 says it all, "to whom much is given, much is required".

I hope I've done my small part to carry on this great Kansas tradition and secure this marketplace of ideas for our sons and daughters and grandchildren so that future generations of Kansans can continue to reach to the stars through difficulty. I know you will continue to do your part.

Thank you for the friendships I will cherish forever, for the memories that will never leave me and for the opportunity to simply serve.

God bless you.

Sec. 5. K.S.A. 2013 Supp. 22-3402 is hereby amended to read as follows: 22-3402.

(a) If any person charged with a crime and held in jail solely by reason thereof shall not be brought to trial within ~~90~~150 days after such person's arraignment on the charge, such person shall be entitled to be discharged from further liability to be tried for the crime charged, unless the delay shall happen as a result of the application or fault of the defendant or a continuance shall be ordered by the court under subsection (e).

(b) If any person charged with a crime and held to answer on an appearance bond shall not be brought to trial within 180 days after arraignment on the charge, such person shall be entitled to be discharged from further liability to be tried for the crime charged, unless the delay shall happen as a result of the application or fault of the defendant, or a continuance shall be ordered by the court under subsection (e).

(c) If any trial scheduled within the time limitation prescribed by subsection (a) or (b) is delayed by the application of or at the request of the defendant, the trial shall be

rescheduled within 90 days of the original trial deadline.

(d) After any trial date has been set within the time limitation prescribed by subsection (a), (b) or (c), if the defendant fails to appear for the trial or any pretrial hearing, and a bench warrant is ordered, the trial shall be rescheduled within 90 days after the defendant has appeared in court after apprehension or surrender on such warrant. However, if the defendant was subject to the 180-day deadline prescribed by subsection (b) and more than 90 days of the original time limitation remain, then the original time limitation remains in effect.

(e) For those situations not otherwise covered by subsection (a), (b) or (c), the time for trial may be extended for any of the following reasons:

(1) The defendant is incompetent to stand trial. If the defendant is subsequently found to be competent to stand trial, the trial shall be scheduled as soon as practicable and in any event within 90 days of such finding;

(2) a proceeding to determine the defendant's competency to stand trial is pending. If the defendant is subsequently found to be competent to stand trial, the trial shall be scheduled as soon as practicable and in any event within 90 days of such finding. However, if the defendant was subject to the 180-day deadline prescribed by subsection (b) and more than 90 days of the original time limitation remain, then the original time limitation remains in effect. The time that a decision is pending on competency shall never be counted against the state;

(3) there is material evidence which is unavailable; that reasonable efforts have been made to procure such evidence; and that there are reasonable grounds to believe that such evidence can be obtained and trial commenced within the next succeeding 90 days. Not more than one continuance may be granted the state on this ground, unless for good cause shown, where the original continuance was for less than 90 days, and the trial is commenced within 120 days from the original trial date; or

(4) because of other cases pending for trial, the court does not have sufficient time to commence the trial of the case within the time fixed for trial by this section. Not more than one continuance of not more than 30 days may be ordered upon this ground.

(f) In the event a mistrial is declared, a motion for new trial is granted or a conviction is reversed on appeal to the supreme court or court of appeals, the time limitations provided for herein shall commence to run from the date the mistrial is declared, the date a new trial is ordered or the date the mandate of the supreme court or court of appeals is filed in the district court.

(g) If a defendant, or defendant's attorney in consultation with the defendant, requests a delay and such delay is granted, the delay shall be charged to the defendant regardless of the reasons for making the request, unless there is prosecutorial misconduct related to such delay. If a delay is initially attributed to the defendant, but is subsequently charged to the state for any reason, such delay shall not be considered against the state under subsections (a), (b) or (c) and shall not be used as a ground for dismissing a case or for reversing a conviction unless not considering such delay would result in a violation of the constitutional right to a speedy trial or there is prosecutorial misconduct related to such delay.

(h) When a scheduled trial is scheduled within the period allowed by subsections (a), (b) or (c) and is delayed because a party has made or filed a motion, or because the court raises a concern on its own, the time elapsing from the date of the making or filing of the motion, or the court's raising a concern, until the matter is resolved by court order

shall not be considered when determining if a violation under subsections (a), (b) or (c) has occurred. If the resolution of such motion or concern by court order occurs at a time when less than 30 days remains under the provisions of subsections (a), (b) or (c), the time in which the defendant shall be brought to trial is extended 30 days from the date of the court order.

(i) If the state requests and is granted a delay for any reason provided in this statute, the time elapsing because of the order granting the delay shall not be subsequently counted against the state if an appellate court later determines that the district court erred by granting the state's request unless not considering such delay would result in a violation of the constitutional right to a speedy trial or there is prosecutorial misconduct related to such delay.

Sec. 6. K.S.A. 22-3605 is hereby amended to read as follows: 22-3605. (a) Any appellate court may reverse, affirm or modify the judgment or order appealed from, or may order a new trial in the district court. In either case the cause must be remanded to the district court with proper instructions, together with the decision of the appellate court, within the time and in the manner to be prescribed by rule of the supreme court.

(b) (1) In appeals from criminal actions and in other post-conviction actions arising from criminal prosecutions, the issuance of the mandate from the appellate court shall be automatically stayed when:

(A) A party files a notice with the appellate court that it intends to file a petition for writ of certiorari to the United States supreme court; and

(B) the time has not expired for filing such a petition under applicable United States supreme court rules.

(b) Article II, section 1 of the constitution of the state of Kansas authorizes the legislature of the state of Kansas to exercise the legislative power of the state, including the general police powers inherent in a sovereign state.

- (3) the habitats of such species;
- (4) farming practices that affect such species; or
- (5) other human activity that affects such species or habitats of such species.

(b) This act shall not be construed to infringe on the authority of the United States environmental protection agency, or the state of Kansas under delegated authority, to administer the federal water pollution prevention and control act, as in effect on the effective date of this act, or the clean air act, as in effect on the effective date of this act, to the extent it may apply to:

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote no on **S Sub for HB 2231** which represents a nearly 4.6% increase in spending over the current budget. Population plus inflation grew at 1.8% in this same period. While spending includes equalization for education funding, absent that increase, spending still increases 3.2% or more than \$192,000,000.00.

Years of compounded spending increases (as high as 9+%) have grown government faster than the rest of the economy, and had a substantial negative impact on current finances and reserves.

Sustained economic health demands consistently spending within growth and means, and focusing those resources on accountable essential core-functions of government. – KASHA KELLEY, JOHN J. RUBIN, KEVIN JONES, LANCE Y. KINZER, S. MIKE KIEGERL, ALLAN ROTH LISBERG

MR. SPEAKER: There are numerous items in this budget that I strongly support such as the additional dollars for those on the HCBS waiting lists, a badly needed pay increase for certain members of our Highway Patrol, public safety funding and funding for the Kansas Bioscience Authority. However, this budget fails in too many areas by raiding

money for early childhood programs and Medicaid fraud prosecutions. It also does not restore cuts made to higher education and fails to address the adequacy of funding for our public schools. For these reasons, I vote no on **S Sub for HB 2231**. – PAUL DAVIS

MR. SPEAKER: I vote no on **S Sub for HB 2231** because the legislature has abdicated it's responsibility to establish the state budget, instead entrusting the responsibility to only a few chosen members, followed by a 10 minute debate on the House floor. This is not what my constituents sent me here to do. Transfer of funds from the Tobacco Settlement to the Bio-Science authority and short changing state employees for the sixth year in a row are only examples of the many flaws in this budget and I therefore vote no. – JOHN CARMICHAEL

MR. SPEAKER: I strongly support the funding for critical social services and corrections in this budget, but I cannot support a budget that takes \$5 million from early childhood programs, fails to restore funding for our state universities and continues to take millions of dollars from our transportation program. This is why I vote no on **S Sub for HB 2231**. – JULIE MENGhini, JERRY HENRY, EMILY PERRY, KATHY WOLFE MOORE, ANNIE KUETHER, BARBARA W. BALLARD, GAIL FINNEY, PATRICIA M. SLOOP, VIRGIL WEIGEL, BRODERICK HENDERSON, BRANDON WHIPPLE, MELANIE MEIER, RODERICK A. HOUSTON, CAROLYN BRIDGES, SYDNEY CARLIN, JAN PAULS

MR. SPEAKER: Putting together a budget is the most important task this Legislature has. It is wrong for the House to be deprived of the opportunity to build and debate this budget and instead acquiesce to a conference committee report. Additionally, this budget raids early childhood programs, fails to restore higher education funding and does not provide state employees with a much deserved pay increase. For these reasons I vote no on **S Sub for HB 2231**. – NANCY LUSK, VALDENIA C. WINN, JOHN WILSON, PONKA-WE VICTORS, LOUIS RUIZ, JOHN ALCALA, HAROLD LANE, TOM SAWYER, ANNIE TIETZE, ED TRIMMER, TOM BURROUGHS, PAM CURTIS, CAROLYN L. BRIDGES, S. S. FROWNFEILER

MR. SPEAKER: I vote no on **S Sub for HB 2231**. The legislature has abdicated its responsibility to establish the state budget, instead allowing only a few chosen members to decide how our state revenues will be spent. This was not an acceptable process and certainly is not what my constituents expect for representative government. – BARBARA BOLLIER

The House stood at ease until the sound of the gavel.

Speaker pro tem Mast called the House to order.

On motion of Rep. Vickrey, the House recessed until 12:00 a.m.

All property leased, other than motor vehicles leased for a period of at least one year and property being acquired pursuant to a lease-purchase agreement, to the state or any municipality or political subdivision of the state by any private entity shall not be considered to be used exclusively by the state or any municipality or political subdivision of the state for the purposes of this section except that the provisions of this sentence shall not apply to any such property subject to lease on the effective date of this act until the term of such lease expires but property taxes levied upon any such property prior to tax year 1989, shall not be abated or refunded. (b) The application for the permit shall describe the vehicle, or combination of vehicles and all loads or cargo for which the special permit is requested, the route or routes on which operation is sought and whether a single trip or annual operation is requested. One special permit may be issued for a vehicle or combination of vehicles, that are both oversize and overweight. A special permit under this section may be for a single trip or for annual operation. The special permit shall designate the route or routes that may be used and any other terms, conditions or restrictions deemed necessary. (c) A permit shall be valid only when the registration on the power unit is equal to or exceeds the total gross weight of the vehicle. When the gross weight of the vehicle exceeds the upper limit of the available registration, the maximum amount of registration must be purchased. The provisions of this subsection shall not apply to a wrecker or tow truck, as defined in K.S.A. 66-1329, and amendments thereto, and registered in accordance with the provisions of K.S.A. 8-143, and amendments thereto.

The secretary or local authority may require such undertaking or other security as may be deemed necessary to compensate for any injury to any roadway or road structure.

(e) Every permit shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any police officer or authorized agent of any authority granting the permit. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state highway fund. Sec. 5. K.S.A. 2013 Supp. 39-709, as amended by section 2 of 2014 Senate Bill No. 254, is hereby amended to read as follows: 39-709. (a) *General eligibility requirements for assistance for which federal moneys are expended.* Subject to the additional requirements below, assistance in accordance with plans under which federal moneys are expended may be granted to any needy person who:

(1) Has insufficient income or resources to provide a reasonable subsistence compatible with decency and health. Where a husband and wife are living together, the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary, in determining need of any applicant for or recipient of assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or minor stepchild if the stepchild is living with such individual. The secretary in determining need of an individual may provide such income and resource exemptions as may be permitted by federal law. For purposes of eligibility for aid for families with dependent children, for food stamp assistance and for any other assistance provided through the Kansas department for children and families under which federal moneys are expended, the secretary for children and families shall consider one motor vehicle owned by the applicant for assistance, regardless of the value of such vehicle, as exempt personal property and shall consider any equity in any additional motor vehicle owned by the applicant for assistance to be a nonexempt resource of the applicant for assistance.

(2) Is a citizen of the United States or is an alien lawfully admitted to the United States and who is residing in the state of Kansas.

(b) *Assistance to families with dependent children.* Assistance may be granted under this act to any dependent child, or relative, subject to the general eligibility requirements as set out in subsection (a), who resides in the state of Kansas or whose parent or other relative with whom the child is living resides in the state of Kansas. Such assistance shall be known as aid to families with dependent children. Where husband and wife are living together both shall register for work under the program requirements for aid to families with dependent children in accordance with criteria and guidelines prescribed by rules and regulations of the secretary.

(c) *Aid to families with dependent children; assignment of support rights and limited power of attorney.* By applying for or receiving aid to families with dependent children such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving aid to families with dependent children, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(d) *Eligibility requirements for general assistance, the cost of which is not shared by the federal government.* (1) General assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d).

(A) To qualify for general assistance in any form a needy person must have insufficient income or resources to provide a reasonable subsistence compatible with decency and health and, except as provided for transitional assistance, be a member of a family in which a minor child or a pregnant woman resides or be unable to engage in employment. The secretary shall adopt rules and regulations prescribing criteria for establishing when a minor child may be considered to be living with a family and whether a person is able to engage in employment, including such factors as age or physical or mental condition. Eligibility for general assistance, other than transitional assistance, is limited to families in which a minor child or a pregnant woman resides or

to an adult or family in which all legally responsible family members are unable to engage in employment. Where a husband and wife are living together the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary in determining need of any applicant for or recipient of general assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of general assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or a minor stepchild if the stepchild is living with such individual. In determining the need of an individual, the secretary may provide for income and resource exemptions.

(B) To qualify for general assistance in any form a needy person must be a citizen of the United States or an alien lawfully admitted to the United States and must be residing in the state of Kansas.

(2) General assistance in the form of transitional assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d), but who do not meet the criteria prescribed by rules and regulations of the secretary relating to inability to engage in employment or are not a member of a family in which a minor or a pregnant woman resides.

(3) In addition to the other requirements prescribed under this subsection (d), the secretary shall adopt rules and regulations which establish community work experience program requirements for eligibility for the receipt of general assistance in any form and which establish penalties to be imposed when a work assignment under a community work experience program requirement is not completed without good cause. The secretary may adopt rules and regulations establishing exemptions from any such community work experience program requirements. A first time failure to complete such a work assignment requirement shall result in ineligibility to receive general assistance for a period fixed by such rules and regulations of not more than three calendar months. A subsequent failure to complete such a work assignment requirement shall result in a period fixed by such rules and regulations of ineligibility of not more than six calendar months.

(4) If any person is found guilty of the crime of theft under the provisions of K.S.A. 39-720, and amendments thereto, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the provisions of K.S.A. 39-720, and amendments thereto, or the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction. If any person is found guilty by a court of competent jurisdiction of any state other than the state of Kansas of a crime involving welfare fraud, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the law of any other state concerning welfare fraud shall become ineligible to

receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction.

(e) *Requirements for medical assistance for which federal moneys or state moneys or both are expended.* (1) When the secretary has adopted a medical care plan under which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to subsection (c) of K.S.A. 16-303, and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient. Medical assistance eligibility for receipt of benefits under the title XIX of the social security act, commonly known as medicaid, shall not be expanded, as provided for in the patient protection and affordable care act, public law 111-148, 124 stat. 119, and the health care and education reconciliation act of 2010, public law 111-152, 124 stat. 1029, unless the legislature expressly consents to, and approves of, the expansion of medicaid services by an act of the legislature.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or

provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(f) *Eligibility for medical assistance of resident receiving medical care outside state.* A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) *Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients.* (1) (A) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on

behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to subsection (d) of K.S.A. 39-756, and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and environment, or the secretary's designee, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary's duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is (A) a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both, and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 9-1216, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection (g). The secretary of health and environment is authorized to enforce each claim provided for under this subsection (g). The secretary of health and environment shall not be required to pursue every claim, but is granted

discretion to determine which claims to pursue. All moneys received by the secretary of health and environment from claims under this subsection (g) shall be deposited in the social welfare fund. The secretary of health and environment may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection (g).

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim is limited to the individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien

and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

(A) After the death of the surviving spouse of the recipient;

(B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;

(C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or

(D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary of health and environment or the secretary's designee;

(B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or

(C) the value of the real property is consumed by the lien, at which time the secretary of health and environment or the secretary's designee may force the sale for the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of health and environment, or both, or such secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families or the secretary's designee of the death of a recipient of medical assistance under this subsection, the secretary for children and families or the secretary's designee shall give notice of such recipient's death to the secretary of health and environment or the secretary's designee.

Any recipient of aid to families with dependent children who fails to cooperate with requirements relating to child support enforcement under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations which penalty shall progress to ineligibility for the family after three months of noncooperation.

The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food stamps, the applicant or recipient is also deemed to have appointed

the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of aid to families with dependent children.

Sec. 9. K.S.A. 2013 Supp. 79-32,117, as amended by section 3 of 2014 Senate Bill No. 265, is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 2013 Supp. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 2013 Supp. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xiii) of subsection (c), or if such amounts are not already included in the federal adjusted gross income.

Sec. 18. K.S.A. 2013 Supp. 79-3228 is hereby amended to read as follows: 79-3228. (a) For all taxable years ending prior to January 1, 2002, if any taxpayer, without intent to evade the tax imposed by this act, shall fail to file a return or pay the tax, if one is due, at the time required by or under the provisions of this act, but shall voluntarily file a correct return of income or pay the tax due within six months thereafter, there shall be added to the tax an additional amount equal to 10% of the unpaid balance of tax due plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was due until paid.

If after review of a return for any period included in the assessment, the secretary or secretary's designee determines that the underpayment of tax was due to the failure of the taxpayer to make a reasonable attempt to comply with the provisions of this act, such penalty shall be imposed for the period included in the assessment in the amount of 25% of the unpaid balance of tax due.

(c) For all taxable years ending after December 31, 2001, if any taxpayer fails to file a return or pay the tax if one is due, at the time required by or under the provisions of this act, there shall be added to the tax an additional amount equal to 1% of the unpaid balance of the tax due for each month or fraction thereof during which such failure continues, not exceeding 24% in the aggregate, plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was due until paid. If after review of a return for any period included in the assessment, the secretary or secretary's designee determines that the underpayment of tax was due to the failure of the taxpayer to make a reasonable attempt to comply with the provisions of this act, such penalty shall be imposed for the period included in the assessment in the amount of 25% of the unpaid balance of tax due.

(d) For all taxable years ending after December 31, 2013, if any taxpayer who has failed to file a return or has filed an incorrect or insufficient return, and after notice from the director refuses or neglects within 20 days to file a proper return, the director shall determine the income of such taxpayer according to the best available information and assess the tax together with a penalty of 50% of the unpaid balance of tax due plus interest at the rate prescribed by subsection (a) of K.S.A. 79-2968, and amendments thereto, from the date the tax was originally due to the date of payment. If any such tax is not paid within 30 days of original notice, the penalty provided under the provisions of this subsection shall apply.

The term "person" as used in this section includes any agent of the taxpayer, and officer or employee of a corporation or a member or employee of a partnership, who as such officer, employee or member is under a duty to perform the act in respect of which the violation occurs.

(g) (1) Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (b), (c) and (d) of this section was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of the penalties and may reduce the interest rate to the underpayment rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

EXPLANATION OF VOTE

MR. SPEAKER: I cannot in good conscience vote in favor of **HB 2643** as it is currently bundled. This bill reflects the worst of why bundling needs to be prohibited.

The elimination of the mortgage fee forces my county to pass on a loss of over 1 (one) million dollars to the voters of my county.

With the exception of the mortgage tax issue, I otherwise support the bill. I vote no on **HB 2643**. — JOHN BRADFORD, CONNIE O'BRIEN, MELANIE MEIER

Journal of the House

FIFTY-NINTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Friday, May 30, 2014, 10:00 a.m.

The House met pursuant to **HCR 5033** with Speaker Merrick in the chair.

Prayer by Chaplain Brubaker:

God in Heaven,
Today we stand before You and think of all the
reading, writing, and calculating,
debating, questioning and talking
that has taken place over the last five months.
All of it has brought us to this day.
We are thankful for all that has been accomplished,
and whether or not they agree with all the decisions,
may our leaders return home knowing
they were faithful and did their best.
Watch over them over the next few months,
especially those who will be on the road
meeting constituents and campaigning.
Keep them and their families safe and healthy.
As we finish this session, I pray as Christ taught us,
“Our Father, who are in heaven,
hallowed be Thy name.
Thy Kingdom come, They will be done
on earth, as it is in Heaven.
Give us this day our daily bread,
and forgive us our debts, as we forgive our debtors.
And, lead us not into temptation, but deliver us from evil.
For Thine is the Kingdom, and the power and the glory forever.
Amen.

The Pledge of Allegiance was led by Rep. Proehl.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Crum are spread upon the Journal:

I have made the difficult decision not to run for re-election. I want you to know that

it has been a tremendous honor to serve with you in the Kansas House these past eight years. It has been a great experience to get to know such a dedicated group of individuals. Many decisions have been difficult but the goal of all was to advance our state.

I wish you the best in future years.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Meigs are spread upon the Journal.

As Sine Die marks the official end to the 2014 session, this will also be my last official day in the House of Representatives. My family and I embarked on this adventure together four years ago and today we will bring it to closure. After many hours of conversations with them, we feel this decision is the best one for us. I do not know what the future holds for me, but I trust the One who does and know He will provide. As I look around this chamber, I see many faces that have become my closest friends. I will dearly miss you. However, I will not miss the late night sessions, the drives to and from Topeka, and time spent away from my family.

I am very grateful and honored to serve the people of Kansas especially District 17 and 23. Thank you for giving me the opportunity to represent you. I would also like to thank my family for their support and love during my service. Without you, this would not have been possible.

Thank you Mr. Speaker for allowing me this time to say good bye.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Howell are spread upon the Journal.

Colleagues and friends, sometimes it is bittersweet to make life's choices. It has been a difficult decision to leave the legislature. Many of my goals have been addressed and I am grateful to be one that helped define and deliver much of the policy for our state these last four years.

I am so glad to have had this incredible opportunity to be a Kansas State Representative. Being a servant of the people in my district and doing my best to be a problem solver is rewarding. However, I am truly sorry to walk away from something I have enjoyed so much these last four years. But, it is time to close this chapter of my life.

I want to thank my Beautiful Wife Leah for her sacrifice that not just allowed me to serve but she helped me in countless ways to get here and to make tough decisions. I could not have done this without her. I also want to thank my Family for putting up with so much that has competed for my time.

I have truly loved getting to know and work with each of you. I treasure your friendships and hope that we can continue them as time goes on. This has been one of my greatest life experiences. I do hope to be able to come back and serve here again at some point in my future.

I sincerely thank Rep. Steve Brunk and Rep. Pete DeGraaf in particular. The memories made and lessons I have learned will always stay with me. I came in with

lofty ideals and I have learned how to use them in a more real-world way. Showing respect of others and finding common goals is truly the way to an effective legislature.

Thank you all for sharing this highlight of my life!

Message to the House of Representatives of the State of Kansas:

Enclosed herewith is Executive Order No. 14-04 for your information.

EXECUTIVE ORDER NO. 14-04
Concerning Drought Conditions within the State

SAM BROWNBACK
Governor

The above Executive Order is on file and open for inspection in the office of the Chief Clerk.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2296**, An Act concerning candidates and lobbyists; relating to uses of campaign funds; concerning campaign finance disclosures; relating to certain lobbyist filings; amending K.S.A. 25-904, 25-4157, 25-4173 and 46-268 and K.S.A. 2013 Supp. 25-4157a and 25-4148a and repealing the existing sections, was received and read.

Message to the House of Representatives of the State of Kansas:

I appreciate the work of the Legislature and the Kansas Governmental Ethics Commission in reviewing and updating the laws applicable to the electoral and governmental processes. Nevertheless, I believe that retaining the lobbyist and candidate reporting and disclosure requirements in current law serves to promote transparency and openness.

I am supportive of the provisions of this bill that would permit unused campaign funds to be donated to charitable organizations. Therefore, I would invite the

Legislature to send me a new piece of legislation that contains these provisions.

Accordingly, pursuant to Article 2, Section 14 (a) of the Constitution of the State of Kansas, I hereby veto **HB 2296**.

SAM BROWNBACK
Governor

Dated: May 14, 2014

VETO MESSAGE FROM THE GOVERNOR

I want to thank every member of the Kansas Legislature for your hard work during the 2014 session. This two-year supplemental budget will continue to fund the core services of state government to July 1, 2015. I am particularly pleased this bill includes a significantly improved budget for the Department of Corrections and demonstrates our commitment to these essential public safety programs.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return **S Sub for Sub HB 2231** with my signature approving the bill, except for the items enumerated below.

Kansas Board of Barbering

Salary Cap

Sections 14(c) and 15(c) are vetoed in their entirety.

If it is the case that there are restrictions on how agencies compensate their employees, those restrictions should be done in a consistent manner. The language in these sections impacts three state employees inconsistently from other agencies, so I therefore find it necessary to veto the limitation. The agency's budget is otherwise left as the Legislature approved it.

Kansas Public Employees Retirement System

Sweep of Tobacco Settlement Funds

Section 50(b) has been vetoed in its entirety.

The Kansas Endowment for Youth Fund was specifically established to hold and draw interest upon excess tobacco settlement revenues so that such funds could later be used for early childhood programs. The \$5 million in question in this section should remain available for such purposes in the future, so I therefore veto the transfer.

Department of Administration

Lapse of State General Fund Budget Authority

Section 52(f) has been vetoed in its entirety.

The Division of the Budget had excess funding in FY 2013 because a permanent Budget Director was not drawing a normal salary. The Interim Budget Director was dual-purposed between the Office of the Governor and the Division of the Budget. As I soon plan to appoint a permanent Budget Director, I veto the lapse of funding in the Division of the Budget to finance this position.

Kansas Department for Aging and Disability Services

Lapse of State Hospital Funds

Sections 71(g) and 71(h) have been vetoed in their entirety.

In an effort to consolidate oversight of the food service contract, my budget recommendations for the Kansas Department for Aging and Disability Services (KDADS) and the State Hospitals transferred money from the hospitals to KDADS. The 2014 Legislature concurred with this recommendation; however, the appropriations bill as written did not technically achieve this goal. Therefore, it is necessary for me to veto this section.

State Fair Board

State Funds for Capital Improvements

Section 100(c) has been vetoed in its entirety.

As part of your deliberations on the budget, it was determined that \$400,000 from the State General Fund would be provided to the State Fair to make a variety of repairs and improvements to their facilities. When preparing the appropriations bill, two separate sections of the bill inadvertently each provided this funding. To eliminate this duplication, I veto the State General Fund appropriation contained in this particular section. A \$400,000 transfer will remain in the bill to implement the Legislature's recommendations.

SAM BROWNBACK
Governor

Dated: May 16, 2014

Schwab the House proceeded to reconsider **HB 2296**, An Act concerning candidates and lobbyists; relating to uses of campaign funds; concerning campaign finance disclosures; relating to certain lobbyist filings; amending K.S.A. 25-904, 25-4157, 25-4173 and 46-268 and K.S.A. 2013 Supp. 25-4157a and 25-4148a and repealing the existing sections..
