When the child is placed in the temporary custody of the secretary and the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto, the secretary shall have the discretionary authority to place the child in a staff secure facility, notwithstanding any other provision of law. When the child is presently alleged, but not yet adjudicated, to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2012 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility pursuant to an order of protective custody for a period of not to exceed

24 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible.

(d) The order of protective custody shall be served pursuant to subsection (a) of K.S.A. 2012 Supp. 38-2237, and amendments thereto, on the child's parents and any other person having legal custody of the child. The order shall prohibit the removal of the child from the court's jurisdiction without the court's permission.

(e) If the court issues an order of protective custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2012 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(f) (1) The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A)

(i) The child is likely to sustain harm if not immediately removed from the home;

(ii) allowing the child to remain in home is contrary to the welfare of the child; or

(iii) immediate placement of the child is in the best interest of the child; and

(B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, the court shall provide the secretary with a written copy of any orders entered upon making the order.

Sec. 35. On January 1, 2014, K.S.A. 2012 Supp. 38-2243 is hereby amended to read as follows: 38-2243. (a) Upon notice and hearing, the court may issue an order directing who shall have temporary custody and may modify the order during the pendency of the proceedings as will best serve the child's welfare.

(b) A hearing pursuant to this section shall be held within 72 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible, following a child having been taken into protective custody.

(c) Whenever it is determined that a temporary custody hearing is required, the court shall immediately set the time and place for the hearing. Notice of a temporary custody hearing shall be given to all parties and interested parties.

(d) Notice of the temporary custody hearing shall be given at least 24 hours prior to the hearing. The court may continue the hearing to afford the 24 hours prior notice or, with the consent of the party or interested party, proceed with the hearing at the designated time. If an order of temporary custody is entered and the parent or other person having custody of the child has not been notified of the hearing, did not appear or waive appearance and requests a rehearing, the court shall rehear the matter without unnecessary delay.

(e) Oral notice may be used for giving notice of a temporary custody hearing where there is insufficient time to give written notice. Oral notice is completed upon filing a certificate of oral notice.

(f) The court may enter an order of temporary custody after determining there is probable cause to believe that the: (1) Child is dangerous to self or to others; (2) child is

not likely to be available within the jurisdiction of the court for future proceedings; ~~or~~ (3) health or welfare of the child may be endangered without further care; (4) child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto; or (5) child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto.

(g) (1) Whenever the court determines the necessity for an order of temporary custody the court may place the child in the temporary custody of:

(A) A parent or other person having custody of the child and may enter a restraining order pursuant to subsection (h);

(B) a person, other than the parent or other person having custody, who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto;

(C) a youth residential facility;

(D) a shelter facility; ~~or~~

(E) a staff secure facility, notwithstanding any other provision of law, if the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto; or

~~(E)~~ (F) the secretary, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse.

(2) If the secretary presents the court with a plan to provide services to a child or family which the court finds will assure the safety of the child, the court may only place the child in the temporary custody of the secretary until the court finds the services are in place. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the temporary custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is placed in the temporary custody of the secretary and the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto, the secretary shall have the discretionary authority to place the child in a staff secure facility, notwithstanding any other provision of law. When the child is presently alleged, but not yet adjudicated to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2012 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility, but the total amount of time that the child may be held in such facility under this section and K.S.A. 2012 Supp. 38-2242, and amendments thereto, shall not exceed 24 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible. The order of temporary custody shall remain in effect until modified or rescinded by the court or an adjudication order is

entered but not exceeding 60 days, unless good cause is shown and stated on the record.

(h) If the court issues an order of temporary custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child; or attempting to visit, contact, harass or intimidate the child, other family members or witnesses. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2012 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(i) (1) The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A) (i) The child is likely to sustain harm if not immediately removed from the home;

(ii) allowing the child to remain in home is contrary to the welfare of the child; or

(iii) immediate placement of the child is in the best interest of the child; and

(B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, upon making the order the court shall provide the secretary with a written copy.

(j) If the court enters an order of temporary custody that provides for placement of the child with a person other than the parent, the court shall make a child support determination pursuant to K.S.A. 2012 Supp. 38-2277, and amendments thereto.

Sec. 36. On January 1, 2014, K.S.A. 2012 Supp. 38-2255 is hereby amended to read as follows: 38-2255. (a) *Considerations*. Prior to entering an order of disposition, the court shall give consideration to:

(1) The child's physical, mental and emotional condition;

(2) the child's need for assistance;

(3) the manner in which the parent participated in the abuse, neglect or abandonment of the child;

(4) any relevant information from the intake and assessment process; and

(5) the evidence received at the dispositional hearing.

(b) *Custody with a parent*. The court may place the child in the custody of either of the child's parents subject to terms and conditions which the court prescribes to assure the proper care and protection of the child, including, but not limited to:

(1) Supervision of the child and the parent by a court services officer;

(2) participation by the child and the parent in available programs operated by an appropriate individual or agency; and

(3) any special treatment or care which the child needs for the child's physical, mental or emotional health and safety.

(c) *Removal of a child from custody of a parent*. The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (1) (A) The child is likely to sustain harm if not immediately removed from the home;

(B) allowing the child to remain in home is contrary to the welfare of the child; or

(C) immediate placement of the child is in the best interest of the child; and

(2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists

which threatens the safety to the child.

The court shall not enter an order removing a child from the custody of a parent pursuant to this section based solely on the finding that the parent is homeless.

(d) *Custody of a child removed from the custody of a parent.* If the court has made the findings required by subsection (c), the court shall enter an order awarding custody to: A relative of the child or to a person with whom the child has close emotional ties who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto; ~~to~~; any other suitable person; ~~to~~; a shelter facility; ~~to~~; a youth residential facility; a staff secure facility, notwithstanding any other provision of law, if the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto; or, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse, to the secretary. Custody awarded under this subsection shall continue until further order of the court.

(1) When custody is awarded to the secretary, the secretary shall consider any placement recommendation by the court and notify the court of the placement or proposed placement of the child within 10 days of the order awarding custody. After providing the parties or interested parties notice and opportunity to be heard, the court may determine whether the secretary's placement or proposed placement is contrary to the welfare or in the best interests of the child. In making that determination the court shall consider the health and safety needs of the child and the resources available to meet the needs of children in the custody of the secretary. If the court determines that the placement or proposed placement is contrary to the welfare or not in the best interests of the child, the court shall notify the secretary, who shall then make an alternative placement.

(2) The custodian designated under this subsection shall notify the court in writing at least 10 days prior to any planned placement with a parent. The written notice shall state the basis for the custodian's belief that placement with a parent is no longer contrary to the welfare or best interest of the child. Upon reviewing the notice, the court may allow the custodian to proceed with the planned placement or may set the date for a hearing to determine if the child shall be allowed to return home. If the court sets a hearing on the matter, the custodian shall not return the child home without written consent of the court.

(3) The court may grant any person reasonable rights to visit the child upon motion of the person and a finding that the visitation rights would be in the best interests of the child.

(4) The court may enter an order restraining any alleged perpetrator of physical, mental or emotional abuse or sexual abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2012 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(5) The court shall provide a copy of any orders entered within 10 days of entering the order to the custodian designated under this subsection.

(e) *Further determinations regarding a child removed from the home.* If custody has been awarded under subsection (d) to a person other than a parent, a permanency plan shall be provided or prepared pursuant to K.S.A. 2012 Supp. 38-2264, and amendments thereto. If a permanency plan is provided at the dispositional hearing, the court may determine whether reintegration is a viable alternative or, if reintegration is not a viable alternative, whether the child should be placed for adoption or a permanent custodian appointed. In determining whether reintegration is a viable alternative, the court shall consider:

(1) Whether a parent has been found by a court to have committed one of the following crimes or to have violated the law of another state prohibiting such crimes or to have aided and abetted, attempted, conspired or solicited the commission of one of these crimes: (A) Murder in the first degree, K.S.A. 21-3401, prior to its repeal, or K.S.A. 2012 Supp. 21-5402, and amendments thereto; (B) murder in the second degree, K.S.A. 21-3402, prior to its repeal, or K.S.A. 2012 Supp. 21-5403, and amendments thereto; (C) capital murder, K.S.A. 21-3439, prior to its repeal, or K.S.A. 2012 Supp. 21-5401, and amendments thereto; (D) voluntary manslaughter, K.S.A. 21-3403, prior to its repeal, or K.S.A. 2012 Supp. 21-5404, and amendments thereto; or (E) a felony battery that resulted in bodily injury;

(2) whether a parent has subjected the child or another child to aggravated circumstances;

(3) whether a parent has previously been found to be an unfit parent in proceedings under this code or in comparable proceedings under the laws of another state or the federal government;

(4) whether the child has been in extended out of home placement;

(5) whether the parents have failed to work diligently toward reintegration;

(6) whether the secretary has provided the family with services necessary for the safe return of the child to the home; and

(7) whether it is reasonable to expect reintegration to occur within a time frame consistent with the child's developmental needs.

(f) *Proceedings if reintegration is not a viable alternative.* If the court determines that reintegration is not a viable alternative, proceedings to terminate parental rights and permit placement of the child for adoption or appointment of a permanent custodian shall be initiated unless the court finds that compelling reasons have been documented in the case plan why adoption or appointment of a permanent custodian would not be in the best interests of the child. If compelling reasons have not been documented, the county or district attorney shall file a motion within 30 days to terminate parental rights or a motion to appoint a permanent custodian within 30 days and the court shall hold a hearing on the motion within 90 days of its filing. No hearing is required when the parents voluntarily relinquish parental rights or consent to the appointment of a permanent custodian.

(g) *Additional Orders.* In addition to or in lieu of any other order authorized by this section:

(1) The court may order the child and the parents of any child who has been adjudicated a child in need of care to attend counseling sessions as the court directs. The expense of the counseling may be assessed as an expense in the case. No mental health

provider shall charge a greater fee for court-ordered counseling than the provider would have charged to the person receiving counseling if the person had requested counseling on the person's own initiative.

(2) If the court has reason to believe that a child is before the court due, in whole or in part, to the use or misuse of alcohol or a violation of K.S.A. 2012 Supp. 21-5701 through 21-5717, and amendments thereto, by the child, a parent of the child, or another person responsible for the care of the child, the court may order the child, parent of the child or other person responsible for the care of the child to submit to and complete an alcohol and drug evaluation by a qualified person or agency and comply with any recommendations. If the evaluation is performed by a community-based alcohol and drug safety program certified pursuant to K.S.A. 8-1008, and amendments thereto, the child, parent of the child or other person responsible for the care of the child shall pay a fee not to exceed the fee established by that statute. If the court finds that the child and those legally liable for the child's support are indigent, the fee may be waived. In no event shall the fee be assessed against the secretary.

(3) If child support has been requested and the parent or parents have a duty to support the child, the court may order one or both parents to pay child support and, when custody is awarded to the secretary, the court shall order one or both parents to pay child support. The court shall determine, for each parent separately, whether the parent is already subject to an order to pay support for the child. If the parent is not presently ordered to pay support for any child who is subject to the jurisdiction of the court and the court has personal jurisdiction over the parent, the court shall order the parent to pay child support in an amount determined under K.S.A. 2012 Supp. 38-2277, and amendments thereto. Except for good cause shown, the court shall issue an immediate income withholding order pursuant to K.S.A. 2012 Supp. 23-3101 et seq., and amendments thereto, for each parent ordered to pay support under this subsection, regardless of whether a payor has been identified for the parent. A parent ordered to pay child support under this subsection shall be notified, at the hearing or otherwise, that the child support order may be registered pursuant to K.S.A. 2012 Supp. 38-2279, and amendments thereto. The parent shall also be informed that, after registration, the income withholding order may be served on the parent's employer without further notice to the parent and the child support order may be enforced by any method allowed by law. Failure to provide this notice shall not affect the validity of the child support order.

Sec. 37. K.S.A. 2012 Supp. 38-2312 is hereby amended to read as follows: 38-2312. (a) Except as provided in subsection (b) and (c), any records or files specified in this code concerning a juvenile may be expunged upon application to a judge of the court of the county in which the records or files are maintained. (c) Notwithstanding any other law to the contrary, for any offender who is required to register as provided in the Kansas offender registration act, K.S.A. 22-4901 et seq., and amendments thereto, there shall be no expungement of any conviction or any part of the offender's criminal record while the offender is required to register as provided in the Kansas offender registration act.

(d) When a petition for expungement is filed, the court shall set a date for a hearing on the petition and shall give notice thereof to the county or district attorney. The petition shall state: (1) The juvenile's full name; (2) the full name of the juvenile as reflected in the court record, if different than (1); (3) the juvenile's sex and date of birth; (4) the offense for which the juvenile was adjudicated; (5) the date of the trial; and (6) the identity of the trial court. Except as otherwise provided by law, a petition for expungement shall be accompanied by a docket fee in the amount of \$100. On and after the effective date of this act through June 30, 2013, the supreme court may impose a charge, not to exceed \$19 per case, to fund the costs of non-judicial personnel. All petitions for expungement shall be docketed in the original action. Any person who may have relevant information about the petitioner may testify at the hearing. The court may inquire into the background of the petitioner.

(A) (i) The juvenile has reached 23 years of age or that two years have elapsed since the final discharge; or

(2) The court may require that all court costs, fees and restitution shall be paid.

(f) Upon entry of an order expunging records or files, the offense which the records or files concern shall be treated as if it never occurred, except that upon conviction of a crime or adjudication in a subsequent action under this code the offense may be considered in determining the sentence to be imposed. The petitioner, the court and all law enforcement officers and other public offices and agencies shall properly reply on inquiry that no record or file exists with respect to the juvenile. Inspection of the expunged files or records thereafter may be permitted by order of the court upon petition by the person who is the subject thereof. The inspection shall be limited to inspection by the person who is the subject of the files or records and the person's designees.

(g) A certified copy of any order made pursuant to subsection (a) or (d) shall be sent to the Kansas bureau of investigation, which shall notify every juvenile or criminal justice agency which may possess records or files ordered to be expunged. If the agency fails to comply with the order within a reasonable time after its receipt, such agency may be adjudged in contempt of court and punished accordingly.

(h) The court shall inform any juvenile who has been adjudicated a juvenile offender of the provisions of this section.

(i) Nothing in this section shall be construed to prohibit the maintenance of information relating to an offense after records or files concerning the offense have been expunged if the information is kept in a manner that does not enable identification of the juvenile.

(j) Nothing in this section shall be construed to permit or require expungement of files or records related to a child support order registered pursuant to the revised Kansas juvenile justice code.

(k) Whenever the records or files of any adjudication have been expunged under the provisions of this section, the custodian of the records or files of adjudication relating to that offense shall not disclose the existence of such records or files, except when requested by:

Sec. 38. K.S.A. 2012 Supp. 38-2361 is hereby amended to read as follows: 38-2361. (a) Upon adjudication as a juvenile offender pursuant to K.S.A. 2012 Supp. 38-2356, and amendments thereto, modification of sentence pursuant to K.S.A. 2012 Supp. 38-2367, and amendments thereto, or violation of a condition of sentence pursuant to K.S.A. 2012 Supp. 38-2368, and amendments thereto, and subject to subsection (a) of K.S.A. 2012 Supp. 38-2365, and amendments thereto, the court may impose one or more of the following sentencing alternatives. In the event that any sentencing alternative chosen constitutes an order authorizing or requiring removal of the juvenile from the juvenile's home and such findings either have not previously been made or the findings are not or may no longer be current, the court shall make determinations as required by K.S.A. 2012 Supp. 38-2334 and 38-2335, and amendments thereto.

(c) If the court orders suspension or restriction of a juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (a)(5), the following provisions apply:

(1) The duration of the suspension ordered by the court shall be for a definite time period to be determined by the court. Upon suspension of a license pursuant to this subsection, the court shall require the juvenile offender to surrender the license to the court. The court shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the juvenile offender may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the juvenile offender's privilege to operate a motor vehicle is in effect. As used in this subsection, "highway" and "street" have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto. Any juvenile offender who does not have a driver's license may have driving privileges revoked. No Kansas driver's license shall be issued to a juvenile offender whose driving privileges have been revoked pursuant to this section for a definite time period to be determined by the court; and

(2) in lieu of suspending a juvenile offender's driver's license or privilege to operate a motor vehicle on the highways of this state, the court may enter an order which places conditions on the juvenile offender's privilege of operating a motor vehicle on the streets and highways of this state, a certified copy of which the juvenile offender shall be required to carry any time the juvenile offender is operating a motor vehicle on the streets and highways of this state. The order shall prescribe a definite time period for the conditions imposed. Upon entering an order restricting a juvenile offender's license, the court shall require the juvenile offender to surrender such juvenile offender's license to the court. The court shall transmit the license to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on the juvenile offender's privilege of operating a motor vehicle and that a certified copy of the order imposing the conditions is required to be carried by the juvenile offender when operating a motor vehicle on the streets and highways of this state. If the juvenile offender is a nonresident, the court shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of the juvenile offender's state of issuance. The court shall furnish to any juvenile offender whose driver's license has had conditions imposed on it under this section a copy of the order, which shall be recognized as a valid Kansas driver's license until the division issues the restricted license provided for in this subsection. Upon expiration of the period of time for which conditions are imposed pursuant to this

subsection, the juvenile offender may apply to the division for the return of the license previously surrendered by the juvenile offender. In the event the license has expired, the juvenile offender may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law unless such juvenile offender's privilege to operate a motor vehicle on the streets and highways of this state has been suspended or revoked prior thereto. If any juvenile offender violates any of the conditions imposed under this subsection, the juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be revoked for a period as determined by the court in which the juvenile offender is convicted of violating such conditions.

(d) The following provisions apply to the court's determination of whether to order reparation or restitution pursuant to subsection (a)(7):

(1) The court shall order the juvenile to make reparation or restitution to the aggrieved party for the damage or loss caused by the juvenile offender's offense unless it finds compelling circumstances that would render a plan of reparation or restitution unworkable. If the court finds compelling circumstances that would render a plan of reparation or restitution unworkable, the court shall enter such findings with particularity on the record. In lieu of reparation or restitution, the court may order the juvenile to perform charitable or social service for organizations performing services for the community; and

(2) restitution may include, but shall not be limited to, the amount of damage or loss caused by the juvenile's offense. Restitution may be made by payment of an amount fixed by the court or by working for the parties sustaining loss in the manner ordered by the court. An order of monetary restitution shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile offender.

(e) If the court imposes a fine pursuant to subsection (a)(8), the following provisions apply:

(1) The amount of the fine may not exceed \$1,000 for each offense. The amount of the fine should be related to the seriousness of the offense and the juvenile's ability to pay. Payment of a fine may be required in a lump sum or installments;

(2) in determining whether to impose a fine and the amount to be imposed, the court shall consider that imposition of a fine is most appropriate in cases where the juvenile has derived pecuniary gain from the offense and that imposition of a restitution order is preferable to imposition of a fine; and

(3) any fine imposed by court shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile.

(f) If the court commits the juvenile to a sanctions house pursuant to subsection (a)(11), the following provisions shall apply:

(1) The court may order commitment for up to 28 days for the same offense or violation of sentencing condition. The court shall review the commitment every seven days and, may shorten the initial commitment or, if the initial term is less than 28 days, may extend the commitment;

(2) if, in the sentencing order, the court orders a sanctions house placement for a verifiable probation violation and such probation violation occurs, the juvenile may immediately be taken to a sanctions house and detained for no more than 48 hours, excluding Saturdays, Sundays, holidays, and days on which the office of the clerk of the court is not accessible, prior to court review of the placement. The court and all parties shall be notified of the sanctions house placement; and

(3) a juvenile over 18 years of age and less than 23 years of age at sentencing shall be committed to a county jail, in lieu of a sanctions house, under the same time restrictions imposed by paragraph (1), but shall not be committed to or confined in a juvenile detention facility.

(g) Any order issued by the judge pursuant to this section shall be in effect immediately upon entry into the court's minutes.

(h) In addition to the requirements of K.S.A. 2012 Supp. 38-2373, and amendments thereto, if a person is under 18 years of age and convicted of a felony or adjudicated as a juvenile offender for an offense if committed by an adult would constitute the commission of a felony, the court shall forward a signed copy of the journal entry to the commissioner within 30 days of final disposition.

(i) Except as further provided, if a juvenile has been adjudged to be a juvenile offender for an offense that if committed by an adult would constitute the commission of: (1) Aggravated human trafficking, as defined in subsection (b) of K.S.A. 2012 Supp. 21-5426, and amendments thereto, if the victim is less than 14 years of age; (2) rape, as defined in subsection (a)(3) of K.S.A. 2012 Supp. 21-5503, and amendments thereto; (3) aggravated indecent liberties with a child, as defined in subsection (b)(3) of K.S.A. 2012 Supp. 21-5506, and amendments thereto; (4) aggravated criminal sodomy, as defined in subsection (b)(1) or (b)(2) of K.S.A. 2012 Supp. 21-5504, and amendments thereto; (5) ~~promoting prostitution, as defined in K.S.A. 2012 Supp. 21-6420, and amendments thereto, if the prostitute~~ commercial sexual exploitation of a child, as defined in section 4, and amendments thereto, if the victim is less than 14 years of age; (6) sexual exploitation of a child, as defined in subsection (a)(1) or (a)(4) of K.S.A. 2012 Supp. 21-5510, and amendments thereto, if the victim is less than 14 years of age; or (7) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 2012 Supp. 21-5301, 21-5302 or 21-5303, and amendments thereto, of an offense defined in parts (1) through (6); the court shall issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends. If only one attendance center exists, for which the victim and juvenile are eligible to attend, in the school district where the victim and the juvenile reside, the court shall hear testimony and take evidence from the victim, the juvenile, their families and a representative of the school district as to why the juvenile should or should not be allowed to remain at the attendance center attended by the victim. After such hearing, the court may issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends.

(j) The sentencing hearing shall be open to the public as provided in K.S.A. 2012 Supp. 38-2353, and amendments thereto.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2081** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with Senate Committee amendments, as follows:

On page 1, following line 5, by inserting:

"Section 1. K.S.A. 60-903 is hereby amended to read as follows: 60-903. ~~(a) No notice or bond required. A restraining order may issue without notice or bond, except as provided in subsection (b) of K.S.A. 60-904, and amendments thereto, but if it appears to the judge that a restraining order may result in damage to the party restrained, a bond to secure payment of any damages sustained may be required. An application for a restraining order shall also be considered as an application for a temporary injunction and either party may give notice of hearing thereon. The order shall remain in force until the hearing on the application for a temporary injunction.~~

(a) Temporary restraining order; issuing without notice. Except as provided in subsection (b) of K.S.A. 60-904, and amendments thereto, the court may issue a temporary restraining order without notice or bond to the adverse party or its attorney only if:

(1) Specific facts in an affidavit or a verified complaint clearly show that

immediate and irreparable injury, loss or damage will result to the movant before the adverse party can be heard in opposition;

(2) the movant's attorney certifies in writing any efforts made to give notice and the reasons why it should not be required; and

(3) notice of the issuance of a temporary restraining order is provided to the attorney general of the state of Kansas if the adverse party is the state of Kansas or an agency, officer or employee thereof, or to the appropriate city clerk or county clerk if the adverse party is a city or county or an agency, officer or employee thereof.

(b) *Contents; expiration.* Every temporary restraining order issued without notice must state the date and hour it was issued, describe the injury and state why it is irreparable, state why the order was issued without notice and be promptly filed in the clerk's office and entered in the record. The order expires at the time after entry, not to exceed 14 days, that the court sets, unless before that time the court, for good cause, extends it for a like period or the adverse party consents to a longer extension. The reasons for an extension must be entered in the record.

(c) *Expediting the temporary injunction hearing.* If the temporary restraining order is issued without notice, the motion for a temporary injunction must be set for hearing at the earliest possible time, taking precedence over all other matters except hearings on older matters of the same character. At the hearing, the party who obtained the order must proceed with the motion, and if the party does not, the court must dissolve the order.

(d) *Service.* Where a temporary restraining order is issued without notice, it shall be served upon each party restrained in the manner prescribed for personal service of a summons.

(e) *Motion to Dissolve.* On two days' notice to the party who obtained the temporary restraining order without notice, or on shorter notice set by the court, the adverse party may appear and move to dissolve or modify the order. The court must then hear and decide the motion as promptly as justice requires.

(f) *Security.* Unless otherwise provided by statute or this section, the court may issue a temporary restraining order only if the movant gives security in an amount that the court considers proper to pay the costs and damages sustained by any party found to have been wrongfully restrained. The state of Kansas or an agency, officer or employee thereof, is not required to give security. For any city or county or an agency, officer or employee thereof, at the discretion of the judge, the security required by this subsection may be waived.

Sec. 2. K.S.A. 2012 Supp. 60-2001 is hereby amended to read as follows: 60-2001. (a) *Docket fee.* Except as otherwise provided by law, no case shall be filed or docketed in the district court, whether original or appealed, without payment of a docket fee in the amount of \$156 on and after July 1, 2009 through June 30, 2013, and \$154 on and after July 1, 2013, to the clerk of the district court. Except as provided further, the docket fee established in this subsection shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after the effective date of this act through June 30, 2013, the supreme court may impose an additional charge, not to exceed \$22 per docket fee, to fund the costs of non-judicial personnel.

(b) *Poverty affidavit in lieu of docket fee.* (1) *Effect.* In any case where a plaintiff by

reason of poverty is unable to pay a docket fee, and an affidavit so stating is filed, no fee will be required. An inmate in the custody of the secretary of corrections may file a poverty affidavit only if the inmate attaches a statement disclosing the average account balance, or the total deposits, whichever is less, in the inmate's trust fund for each month in: (A) The six-month period preceding the filing of the action; or (B) the current period of incarceration, whichever is shorter. Such statement shall be certified by the secretary. On receipt of the affidavit and attached statement, the court shall determine the initial fee to be assessed for filing the action and in no event shall the court require an inmate to pay less than \$3. The secretary of corrections is hereby authorized to disburse money from the inmate's account to pay the costs as determined by the court. If the inmate has a zero balance in such inmate's account, the secretary shall debit such account in the amount of \$3 per filing fee as established by the court until money is credited to the account to pay such docket fee. Any initial filing fees assessed pursuant to this subsection shall not prevent the court, pursuant to subsection (d), from taxing that individual for the remainder of the amount required under subsection (a) or this subsection.

(2) *Form of affidavit.* The affidavit provided for in this subsection shall ~~be in the following form and attached to the petition:~~

State of Kansas, _____ County:

~~In the district court of the county: I do solemnly swear that the claim set forth in the petition herein is just, and I do further swear that, by reason of my poverty, I am unable to pay a docket fee set forth a factual basis upon which the plaintiff alleges by reason of poverty an inability to pay a docket fee, including, but not limited to, the source and amount of the plaintiff's weekly income. Such affidavit shall be signed and sworn to by the plaintiff under oath, before one who has authority to administer the oath, under penalty of perjury, K.S.A. 2012 Supp. 21-5903, and amendments thereto. The form of the affidavit shall be deemed sufficient if in substantial compliance with the form set forth by the judicial council.~~

(3) *Court review; grounds for dismissal; service of process.* ~~The court shall review any petition authorized for filing under this subsection. Upon such review, if the court finds that the plaintiff's allegation of poverty is untrue, the court shall direct the plaintiff to pay the docket fee or dismiss the petition without prejudice. Notwithstanding K.S.A. 60-301, and amendments thereto, service of process shall not issue unless the court grants leave following its review.~~

(c) *Disposition of fees.* The docket fees and the fees for service of process shall be the only costs assessed in each case for services of the clerk of the district court and the sheriff. For every person to be served by the sheriff, the persons requesting service of process shall provide proper payment to the clerk and the clerk of the district court shall forward the service of process fee to the sheriff in accordance with K.S.A. 28-110, and amendments thereto. The service of process fee, if paid by check or money order, shall be made payable to the sheriff. Such service of process fee shall be submitted by the sheriff at least monthly to the county treasurer for deposit in the county treasury and credited to the county general fund. The docket fee shall be disbursed in accordance with K.S.A. 20-362, and amendments thereto.

(d) *Additional court costs.* Other fees and expenses to be assessed as additional court costs shall be approved by the court, unless specifically fixed by statute. Other fees shall include, but not be limited to, witness fees, appraiser fees, fees for service of

process, fees for depositions, alternative dispute resolution fees, transcripts and publication, attorney fees, court costs from other courts and any other fees and expenses required by statute. All additional court costs shall be taxed and billed against the parties as directed by the court. No sheriff in this state shall charge any mileage for serving any papers or process.

Sec. 3. K.S.A. 2012 Supp. 60-2414 is hereby amended to read as follows: 60-2414.

(a) *Right of redemption by defendant owner.* Except as stated in subsection (m) and as otherwise provided by law, the defendant owner may redeem any real property sold under execution, special execution or order of sale, at any time within 12 months from the day of sale, for the amount paid by the current holder of the certificate of purchase, including expenses incurred by the holder of the certificate of purchase in accordance with subsection (d), together with interest at the rate provided for in subsection (e)(1) of K.S.A. 16-204, and amendments thereto, costs and taxes to the date of redemption. The defendant owner in the meantime shall be entitled to the possession of the property. If the court finds after hearing, either before or after sale, upon not less than 21 days' notice to all parties, that the property has been abandoned, or is not occupied in good faith, the period of redemption for the defendant owner may be shortened or extinguished by the court. The right of redemption shall not apply to oil and gas leaseholds. Except for mortgages covering agricultural lands or for mortgages covering single or two-family dwellings owned by or held in trust for natural persons owning or holding such dwelling as their residence, the mortgagor may agree in the mortgage instrument to a shorter period of redemption than 12 months or may wholly waive the period of redemption.

(b) *Redemption by lien creditor.* Except as provided in subsection (m), for the first three months of the redemption period, if any, the right of the defendant owner or successors and assigns to redeem is exclusive. If no redemption is made by the defendant owner during the time in which the defendant owner has the exclusive right to redeem, any creditor referred to in subsection (c) may redeem the property during the balance of the redemption period remaining. If the defendant owner has waived the right of redemption, a creditor shall have a right to redeem the property for a period of three months from the date of the judicial sale. If the defendant owner has agreed to a period of redemption of three months or less, a creditor shall have a right to redeem for a period of three months from the date of expiration of the defendant owner's redemption period. If the court shortens or extinguishes the period of redemption because of abandonment or lack of good faith occupation as provided in subsection (a), the court shall specify in the order a time not to exceed three months during which a creditor may redeem. The first creditor redeeming must pay only the amount of the successful sale bid, the expenses incurred by the holder of the certificate in accordance with subsection (d), together with interest at the rate provided for in subsection (e)(1) of K.S.A. 16-204, and amendments thereto, costs and taxes to the date of redemption. After redemption by a creditor, no further redemption shall be allowed except by the defendant owner or such owner's successors and assigns. If a creditor redeems during the period of redemption for the defendant owner, the defendant owner shall have the balance of such period, but in no event less than 14 days from the filing of the affidavit required in subsection (f), to redeem from the creditor. When the defendant owner or such owner's successors and assigns redeem subsequent to redemption by a creditor, the defendant owner or such owner's successors and assigns shall pay an amount equal to

the redemption amount paid by such creditor, plus the amount required by subsection (f), and expenses incurred by the creditor in accordance with subsection (d), together with interest at the rate provided for in subsection (e)(1) of K.S.A. 16-204, and amendments thereto, costs and taxes to the date of redemption.

(c) *Creditors who may redeem.* Any creditor whose claim is or becomes a lien prior to the expiration of the time allowed by law for the redemption by creditors may redeem. A mortgagee may redeem upon the terms prescribed by this section before or after the debt secured by the mortgage falls due.

(d) *Terms of redemption; rights of parties.* During the period allowed for redemption, the holder of the certificate of purchase or the creditor who has redeemed may pay the taxes on the lands sold, insurance premiums on the improvements thereon, other sums necessary to prevent waste, and interest or sums due, upon any prior lien or encumbrance on the real property. Upon the redemption of the property, the holder of the certificate or the creditor who has redeemed shall be entitled to repayment of all sums thus paid, together with interest at the rate provided for in subsection (e)(1) of K.S.A. 16-204, and amendments thereto. All expenses incurred by the holder of the certificate or the creditor who has redeemed shall be as shown by receipts or vouchers filed in the office of the clerk of the district court.

(e) *Effect of failure of debtor to redeem; deficiency.* If the defendant owner or such owner's successors or assigns fail to redeem as provided in this section, the holder of the certificate of purchase or the creditor who has redeemed prior to the expiration of the redemption period will hold the property absolutely. If it is held by a redeeming creditor, the lien and the claim out of which it arose will be held to be extinguished, unless the redeeming creditor is unwilling to hold the property and credit the defendant owner with the full amount of the redeeming creditor's lien and, at the time of redemption, files with the clerk of the district court a statement of the amount that the redeeming creditor is willing to credit on the claim. If the redeeming creditor files such a statement and the defendant owner or such owner's successors and assigns fail to redeem, the creditor's claim shall be extinguished by the amount in the statement. The sheriff, at the end of the redemption period, shall execute a deed to the current owner of the certificate of purchase or the creditor who has redeemed prior to the expiration of the redemption period.

(f) *Mode of redemption.* The party redeeming shall pay the money into the office of the clerk of the district court for the use of the persons entitled to it. The clerk shall give a receipt for the money, stating the purpose for which it is paid. The clerk shall also enter the transaction on the appearance docket of the case, showing the amount paid. A redeeming creditor, or agent of the creditor, shall also file an affidavit stating as nearly as practicable the amount still unpaid due on the claim of that creditor and any lesser amount the creditor is willing to credit on the claim in accordance with subsection (e). The creditor's claim, or such lesser amount as the creditor is willing to credit on the claim in accordance with subsection (e), shall be added to the redemption amount to be paid by the defendant owner or such owner's successors and assigns.

(g) *Redemption of property sold in parcels, or undivided portions.* Whenever the property has been sold in parcels, any distinct portion of that property may be redeemed by itself. If a creditor has redeemed, the amount of the creditor's claim or such lesser amount as the creditor is willing to credit on the claim as stated in the affidavit under subsection (f) shall be added to each parcel sold pro rata in proportion to the amount for

which it was originally sold. When the interests of several tenants in common have been sold on execution the undivided portion of any or either of them may be redeemed separately.

(h) *Transfer of right of redemption.* The rights of the defendant owner in relation to redemption may be assigned or transferred, and the assignee or transferee shall have the same right of redemption as the defendant owner. The assigned or transferred right of redemption shall not be subject to levy or sale on execution.

(i) *Holder of legal title.* The holder of the legal title at the time of issuance of execution or order of sale shall have the same right of redemption upon the same terms and conditions as the defendant in execution and shall be entitled to the possession of the property the same as the defendant in execution.

(j) *Injury or waste after sale.* After the sheriff makes the deed to the purchaser or party entitled to a deed under sale as provided in this section, the purchaser or party may assert a claim for damages against any person committing or permitting any injury or waste upon the property purchased after the sale and before possession is delivered under the conveyance.

(k) *Second sale not permitted.* Real estate once sold upon order of sale, special execution or general execution shall not again be liable for sale for any balance due upon the judgment or decree under which it is sold, or any judgment or lien inferior thereto, including unadjudicated junior liens filed after the petition is filed in the district court to foreclose the senior lien against the real estate.

(l) *Injunction or receiver to protect property.* The holder of the certificate of purchase shall be entitled to prevent any waste or destruction of the premises purchased. For that purpose the court, on proper showing, may issue an injunction or, when required to protect the premises against waste, appoint a receiver who shall hold the premises until the purchaser is entitled to a deed. The receiver may rent, control and manage the premises but the income during that time, except the fees and expenses of the receiver and the amount that is necessary to keep up repairs, prevent waste and pay real estate taxes and insurance premiums, shall go to the person who otherwise would be entitled to possession during the period of redemption.

(m) *Owners reduced redemption period.* In the event a default occurs in the conditions of the mortgage or instrument of the most senior lien foreclosed before $\frac{1}{3}$ of the original indebtedness secured by the mortgage or lien has been paid, the court shall order a redemption period of three months. If, after proper showing, the court finds that the total outstanding amount of all mortgages or liens is less than $\frac{1}{3}$ of the market value of the property, the court shall order a redemption period of 12 months. If the court finds after a hearing with not less than 21 days' notice to all parties, that the defendant owner has involuntarily lost such owner's primary source of income after the date of the foreclosure sale and prior to expiration of a three-month period of redemption, the court may extend the three-month period of redemption an additional three months. If the court orders a redemption period of six months or less, the right of the defendant owner or successors and assigns to redeem is exclusive for the first two months of the redemption period. This subsection shall not apply in the event redemption rights have been shortened, waived or terminated pursuant to subsection (a).";

"Section 1. K.S.A. 21-2512 is hereby amended to read as follows: 21-2512. (a) Notwithstanding any other provision of law, a person in state custody, at any time after conviction for murder in the first degree as defined by K.S.A. 21-3401, prior to its repeal, or K.S.A. 2012 Supp. 21-5402, and amendments thereto, or for rape as defined by K.S.A. 21-3502, prior to its repeal, or K.S.A. 2012 Supp. 21-5503, and amendments thereto, may petition the court that entered the judgment for forensic DNA testing (deoxyribonucleic acid testing) of any biological material that:

(1) Is related to the investigation or prosecution that resulted in the conviction;
 (2) is in the actual or constructive possession of the state; and
 (3) was not previously subjected to DNA testing, or can be subjected to retesting with new DNA techniques that provide a reasonable likelihood of more accurate and probative results.

(b) (1) The court shall notify the prosecuting attorney of a petition made under subsection (a) and shall afford the prosecuting attorney an opportunity to respond.

(2) Upon receiving notice of a petition made under subsection (a), the prosecuting attorney shall take such steps as are necessary to ensure that any remaining biological material that was secured in connection with the case is preserved pending the completion of proceedings under this section.

(c) The court shall order DNA testing pursuant to a petition made under subsection (a) upon a determination that testing may produce noncumulative, exculpatory evidence relevant to the claim of the petitioner that the petitioner was wrongfully convicted or sentenced.

(d) The cost of DNA testing ordered under subsection (c) shall be borne by the state or the petitioner, as the court may order in the interests of justice, if it is shown that the petitioner is not indigent and possesses the means to pay.

(e) The court may at any time appoint counsel for an indigent applicant under this section.

(f) (1) Except as provided in subsection (f)(3), if the results of DNA testing conducted under this section are unfavorable to the petitioner, the court:

(A) Shall dismiss the petition; and
 (B) in the case of a petitioner who is not indigent, may assess the petitioner for the cost of such testing.

(2) If the results of DNA testing conducted under this section are favorable to the petitioner and are of such materiality that a reasonable probability exists that the new evidence would result in a different outcome at trial or sentencing, the court shall:

(A) Order a hearing, notwithstanding any provision of law that would bar such a hearing; and

(B) enter any order that serves the interests of justice, including, but not limited to, an order:

(i) Vacating and setting aside the judgment;
 (ii) discharging the petitioner if the petitioner is in custody;
 (iii) resentencing the petitioner; or
 (iv) granting a new trial.

(3) If the results of DNA testing conducted under this section are inconclusive, the court may order a hearing to determine whether there is a substantial question of innocence. If the petitioner proves by a preponderance of the evidence that there is a

substantial question of innocence, the court shall proceed as provided in subsection (f) (2).

(g) Nothing in this section shall be construed to limit the circumstances under which a person may obtain DNA testing or other postconviction relief under any other provision of law.

LEGEND
Presumptive Probation
Presumptive Imprisonment

(b) Sentences expressed in the sentencing guidelines grid for drug crimes in subsection (a) represent months of imprisonment.

(c) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure. The sentencing court shall not distinguish between the controlled substances cocaine base (9041L000) and cocaine hydrochloride (9041L005) when sentencing within the sentencing range of the grid block.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

- (A) Prison sentence;
- (B) maximum potential reduction to such sentence as a result of good time; and
- (C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(d) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 4-E, 4-F, 4-G, 4-H, 4-I, 5-C or 5-D, the court may impose an optional nonprison sentence as provided in subsection (q) of K.S.A. 2012 Supp. 21-6804, and amendments thereto.

(e) The sentence for a second or subsequent conviction of K.S.A. 65-4159, prior to its repeal, K.S.A. 2010 Supp. 21-36a03, prior to its transfer, or K.S.A. 2012 Supp. 21-5703, and amendments thereto, manufacture of any controlled substance or controlled substance analog, shall be a presumptive term of imprisonment of two times the maximum duration of the presumptive term of imprisonment. The court may impose an optional reduction in such sentence of not to exceed 50% of the mandatory increase provided by this subsection upon making a finding on the record that one or more of the mitigating factors as specified in K.S.A. 2012 Supp. 21-6815, and amendments thereto, justify such a reduction in sentence. Any decision made by the court regarding the reduction in such sentence shall not be considered a departure and shall not be subject to appeal.

(f) (1) The sentence for a third or subsequent felony conviction of K.S.A. 65-4160 or 65-4162, prior to their repeal, K.S.A. 2010 Supp. 21-36a06, prior to its transfer, or K.S.A. 2012 Supp. 21-5706, and amendments thereto, shall be a presumptive term of imprisonment and the defendant shall be sentenced to prison as provided by this section. The defendant's term of imprisonment shall be served in the custody of the secretary of corrections in a facility designated by the secretary. Subject to appropriations therefore, the defendant shall participate in an intensive substance abuse treatment program, of at least four months duration, selected by the secretary of corrections. If the secretary determines that substance abuse treatment resources are otherwise available, such term of imprisonment may be served in a facility designated

by the secretary of corrections in the custody of the secretary of corrections to participate in an intensive substance abuse treatment program. The secretary's determination regarding the availability of treatment resources shall not be subject to review. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

(2) Such defendant's term of imprisonment shall not be subject to modification under paragraph (1) if:

(A) The defendant has previously completed a certified drug abuse treatment program, as provided in K.S.A. 2012 Supp. 75-52,144, and amendments thereto;

(B) has been discharged or refused to participate in a certified drug abuse treatment program, as provided in K.S.A. 2012 Supp. 75-52,144, and amendments thereto;

(C) has completed an intensive substance abuse treatment program under paragraph (1); or

(D) has been discharged or refused to participate in an intensive substance abuse treatment program under paragraph (1).

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(g) (1) Except as provided further, if the trier of fact makes a finding that an offender carried possessed a firearm to commit a drug felony and such firearm was readily accessible during the commission of, or in furtherance of, a drug felony a felony violation of any provision of article 57 of chapter 21, and amendments thereto, possessed a firearm, or any attempt to commit such offense, in addition to the sentence imposed pursuant to K.S.A. 2012 Supp. 21-6801 through 21-6824, and amendments thereto, the offender shall be sentenced to:

(A) Except as provided in subsection (g)(1)(B), an additional 6 months' imprisonment; and

(B) if the trier of fact makes a finding that the firearm was discharged, an additional 18 months' imprisonment.

(2) The sentence imposed pursuant to subsection (g)(1) shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) The provisions of this subsection shall not apply to violations of K.S.A. 2012 Supp. 21-5706 or 21-5713, and amendments thereto.

Sec. 4. K.S.A. 2012 Supp. 21-5107, as amended by section 1 of 2013 House Bill No. 2252, is hereby amended to read as follows: 21-5107. (a) A prosecution for rape, aggravated criminal sodomy, murder, terrorism or illegal use of weapons of mass destruction may be commenced at any time.

(b) Except as provided in subsection (e), a prosecution for any crime shall be commenced within 10 years after its commission if the victim is the Kansas public employees retirement system.

(c) Except as provided in subsection (e), a prosecution for a sexually violent crime as defined in K.S.A. 22-3717, and amendments thereto:

(1) When the victim is 18 years of age or older shall be commenced within 10 years or one year from the date on which the identity of the suspect is conclusively

established by DNA testing, whichever is later; or

(2) when the victim is under 18 years of age shall be commenced within 10 years of the date the victim turns 18 years of age or one year from the date on which the identity of the suspect is conclusively established by DNA testing, whichever is later.

(d) Except as provided by subsection (e), a prosecution for any crime, as defined in K.S.A. 2012 Supp. 21-5102, and amendments thereto, not governed by subsection (a), (b) or (c) shall be commenced within five years after it is committed.

(e) The period within which a prosecution shall be commenced shall not include any period in which:

- (1) The accused is absent from the state;
- (2) the accused is concealed within the state so that process cannot be served upon the accused;
- (3) the fact of the crime is concealed;
- (4) a prosecution is pending against the defendant for the same conduct, even if the indictment or information which commences the prosecution is quashed or the proceedings thereon are set aside, or are reversed on appeal;

(5) an administrative agency is restrained by court order from investigating or otherwise proceeding on a matter before it as to any criminal conduct defined as a violation of any of the provisions of article 41 of chapter 25 and article 2 of chapter 46 of the Kansas Statutes Annotated, and amendments thereto, which may be discovered as a result thereof regardless of who obtains the order of restraint; or

(6) whether the fact of the crime is concealed by the active act or conduct of the accused, there is substantially competent evidence to believe two or more of the following factors are present:

- (A) The victim was a child under 15 years of age at the time of the crime;
- (B) the victim was of such age or intelligence that the victim was unable to determine that the acts constituted a crime;
- (C) the victim was prevented by a parent or other legal authority from making known to law enforcement authorities the fact of the crime whether or not the parent or other legal authority is the accused; and

(D) there is substantially competent expert testimony indicating the victim psychologically repressed such witness' memory of the fact of the crime, and in the expert's professional opinion the recall of such memory is accurate and free of undue manipulation, and substantial corroborating evidence can be produced in support of the allegations contained in the complaint or information but in no event may a prosecution be commenced as provided in subsection (e)(6) later than the date the victim turns 28 years of age. Corroborating evidence may include, but is not limited to, evidence the defendant committed similar acts against other persons or evidence of contemporaneous physical manifestations of the crime.

(f) An offense is committed either when every element occurs, or, if a legislative purpose to prohibit a continuing offense plainly appears, at the time when the course of conduct or the defendant's complicity therein is terminated. Time starts to run on the day after the offense is committed.

(g) A prosecution is commenced when a complaint or information is filed, or an indictment returned, and a warrant thereon is delivered to the sheriff or other officer for execution. No such prosecution shall be deemed to have been commenced if the warrant so issued is not executed without unreasonable delay.

(h) As used in this section, "parent or other legal authority" shall include, but not be limited to, natural and stepparents, grandparents, aunts, uncles or siblings.";

Presumptive Imprisonment

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;
(B) maximum potential reduction to such sentence as a result of good time; and
(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and
(B) duration of the nonprison sanction at the sentencing hearing.
(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of K.S.A. 2012 Supp. 21-5412, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (1) The sentence for the violation of the felony provision of K.S.A. 2012 Supp. 8-1025, K.S.A. 8-2,144, K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2012 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2012 Supp. 21-5823, K.S.A. 2012 Supp. 21-6412 and K.S.A. 2012 Supp. 21-6416, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 2012 Supp. 21-6807, and amendments

thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2012 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2012 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 2012 Supp. 8-1025, K.S.A. 8-2,144, K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2012 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2012 Supp. 21-5823, K.S.A. 2012 Supp. 21-6412 and K.S.A. 2012 Supp. 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 2012 Supp. 8-1025 or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2012 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2012 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may

impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities:

(A) The commission of one or more person felonies; or

(B) the commission of felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, prior to their transfer, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009; and

(C) its members have a common name or common identifying sign or symbol; and

(D) its members, individually or collectively, engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, prior to their transfer, any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, or any substantially similar offense from another jurisdiction.

(l) Except as provided in subsection (o), the sentence for a violation of subsection (a)(1) of K.S.A. 2012 Supp. 21-5807, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2012 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715, prior to its repeal, 21-3716, prior to its repeal, subsection (a)(1) or (a)(2) of K.S.A. 2012 Supp. 21-5807, or subsection (b) of K.S.A. 2012 Supp. 21-5807, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment.

(m) The sentence for a violation of K.S.A. 22-4903 or subsection (a)(2) of K.S.A. 2012 Supp. 21-5913, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence as provided in subsection (q).

(n) The sentence for a violation of criminal deprivation of property, as defined in K.S.A. 2012 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, and when such person being sentenced has any combination of two or more prior convictions of subsection (b) of K.S.A. 21-3705, prior to its repeal, or of criminal deprivation of property, as defined in K.S.A. 2012 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2012 Supp. 21-5807, and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, prior to their repeal, or theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2012 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary or aggravated

burglary as defined in K.S.A. 2012 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of burglary as defined in subsection (a) of K.S.A. 2012 Supp. 21-5807, and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2012 Supp. 21-5807, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

- (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 2012 Supp. 21-6824, and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2012 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in subsection (a) of K.S.A. 2012 Supp. 21-5807, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2012 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

- (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less

severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

- (1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and
- (2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or
- (3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of subsection (c)(2) of K.S.A. 2012 Supp. 21-5413, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2012 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

(u) The sentence for a violation of K.S.A. 2012 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2012 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-4018, prior to its repeal, or K.S.A. 2012 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

SENATE RESOLUTION No. 1743—

A RESOLUTION congratulating the Hoxie High School women's basketball team on its class 1A state championship.

WHEREAS, The Hoxie High School women's basketball team won the 2013 Kansas State High School Activities Association class 1A state championship with a victory over Olpe High School; and

WHEREAS, This is the Hoxie High School women's basketball team's second consecutive class 1A state championship title. Last year, Hoxie defeated the St. John High School women's basketball team. This season the Hoxie team had a remarkable 26-0 record; and

WHEREAS, The Olpe Eagles kept up with the Hoxie Indians until Hoxie went on a 22-10 point run in the third quarter. Hoxie scored all five of its three point shots in the third quarter. WHEREAS, Shelly Hoyt is the head basketball coach for the Hoxie High women's basketball team. When asked about her team she said, "As a team we really don't talk about winning streaks and state titles. We really focus on teaching the girls, helping them grow. But this is pretty amazing, to win another championship." Coach Hoyt is

The chief judge or the chief judge's designee in the district court of the county shall then consider the petition and, if it is found that the petition is in proper form, as set forth in this subsection, shall order a grand jury to be summoned within 15 days after receipt of such petition.

(c) (1) A grand jury shall be summoned in any county within 60 days after a petition praying therefor is presented to the district court, bearing the signatures of a number of electors equal to 100 plus 2% of the total number of votes cast for governor in the county in the last preceding election.

(2) The petition, upon its face, shall state the name, address and phone number of the person filing the petition, the subject matter of the prospective grand jury, a reasonably specific identification of areas to be inquired into and sufficient general allegations to warrant a finding that such inquiry may lead to information which, if true, would warrant a true bill of indictment.

(3) The petition shall be in substantially the following form:

The designated qualified electors of the county of _____ and state of Kansas hereby request that the district court of _____ county, Kansas, within 60 days after the filing of this petition, cause a grand jury to be summoned in the county to investigate alleged violations of law and to perform such other duties as may be authorized by law.

The signatures to the petition need not all be affixed to one paper, but each paper to which signatures are affixed shall have substantially the foregoing form written or printed at the top thereof. Each signer shall add to such signer's signature such signer's place of residence, giving the street and number or rural route number, if any. One of the signers of each paper shall verify upon oath that each signature appearing on the

paper is the genuine signature of the person whose name it purports to be and that such signer believes that the statements in the petition are true. The petition shall be filed in the office of the clerk of the district court who shall forthwith transmit it to the county election officer, who shall determine whether the persons whose signatures are affixed to the petition are qualified electors of the county. Thereupon, the county election officer shall return the petition to the clerk of the district court, together with such election officer's certificate stating the number of qualified electors of the county whose signatures appear on the petition and the aggregate number of votes cast for all candidates for governor in the county in the last preceding election. The judge or judges of the district court of the county shall then consider the petition and, if it is found that the petition is in proper form and bears the signatures of the required number of electors, a grand jury shall be ordered to be summoned.

(4) After a grand jury is summoned pursuant to this subsection, but before it begins deliberations, the judge or judges of the district court of the county in which the petition is presented shall provide instructions to the grand jury regarding its conduct and deliberations, which instructions shall include, but not be limited to, the following:

(A) You have been impaneled as a grand jury pursuant to a citizens' petition filed in this court, signed by (insert number) qualified electors of this county, stating (insert the subject matter described in the petition, including a reasonably specific identification of the areas to be inquired into and the allegations sufficient to warrant a finding that the grand jury's inquiry may lead to information which, if true, would warrant a true bill of indictment.) You are charged with making inquiry with regard to this subject matter and determining whether the facts support allegations warranting a true bill of indictment.

(B) The person filing the citizens' petition filed in this court must be the first witness you call for the purpose of presenting evidence and testimony as to the subject matter and allegations of the petition.

(C) You may, with the approval of this court, employ special counsel and investigators, and incur such other expense for services and supplies as you and this court deem necessary. Any special counsel or investigator you employ shall be selected by a majority vote of your grand jury. You may utilize the services of any special counsel or investigator you employ instead of, or in addition to, the services of the prosecuting attorney.

This court will determine and inform you of whether the witness is bound to answer or not. However, no witness appearing before you can be compelled to make any statement which will incriminate such witness.

EXPLANATION OF VOTE

Mr. Vice President: On the face of it, expanding alcohol consumption into the Capitol sounds like it may not be the best policy. However, with the understanding that it will only be used for official state functions, such as the sesquicentennial celebration and the official opening of the Capitol remodel, and that every instance must be approved in advance by the Legislative Coordinating Council, and that it will be used sparingly, I vote yes.—STEVE ABRAMS

Senators Donovan, Hawk and Olson request the record to show they concur with the "Explanation of Vote" offered by Senator Abrams on **HB 2199**.

EXPLANATION OF VOTE

Mr. Vice President: I vote no on **SB 124**. This bill will directly harm Kansas businesses that rely on the Kansas Restraint of Trade Act to ensure a level playing field in Kansas. It is hard for Kansas businesses, including family-owned and operated businesses, to compete with out-of-state and international companies. This bill will make it much, much harder. This bill radically changes the 100-year history of the KRTA and will put out a welcome mat for anticompetitive conduct in Kansas. It will make Kansas the only state in the entire country not to outlaw price fixing by competitors, which makes this anti-consumer. Kansas will be an outlier and the only state to invite anticompetitive conduct within its borders. The House limited full consideration damages to the very worst defendants: those who intentionally or willfully violate our antitrust statutes. SB 124, as amended by the Conference Committee, entirely eliminates full consideration of damages. This rewards the very worst offenders and eliminates a substantial deterrence against anticompetitive conduct in this State. These changes will substantially hurt the ability of the Kansas Attorney General to prosecute anticompetitive actions that harm Kansans or to recover for any anticompetitive actions in Kansas. For these reasons, I vote no.—ANTHONY HENSLEY

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on SB 124.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 129** submits the following report:

On page 1, by striking all in lines 7 through 34;

By striking all on pages 2 through 24 and inserting the following:

"Section 1. K.S.A. 16-207 is hereby amended to read as follows: 16-207. (a) Subject to the following provision, the parties to any bond, bill, promissory note or

other instrument of writing for the payment or forbearance of money may stipulate therein for interest receivable upon the amount of such bond, bill, note or other instrument of writing, at a rate not to exceed 15% per annum unless otherwise specifically authorized by law.

~~(b) The interest rate limitation set forth in this subsection applies to all first mortgage loans and contracts for deed to real estate, unless the parties agree in writing to make the transaction subject to the uniform consumer credit code, K.S.A. 16a-1-101 to 16a-9-102, and amendments thereto. The interest rate limitation set forth in this subsection does not apply to a second mortgage loan governed by the uniform consumer credit code, K.S.A. 16a-1-101 to 16a-9-102, and amendments thereto, unless the lender and the borrower agree in writing that the interest rate for the loan is to be governed by this subsection. The maximum rate of interest per annum for notes secured by real estate mortgages and contracts for deed to real estate governed by this subsection shall be at an amount equal to 1-1/2 percentage points above the yield of thirty-year fixed rate conventional home mortgages committed for delivery within 61 to 90 days accepted under the federal home loan mortgage corporation's daily offerings for sale on the last day on which commitments for such mortgages were received in the preceding month unless otherwise specifically authorized by law. Such interest rate shall be computed for each calendar month and be effective on the first day thereof. The secretary of state shall publish notice of such maximum interest rate not later than the second issue of the Kansas register published each month.~~

(e) No penalty shall be assessed against any party for prepayment of any home loan evidenced by a note secured by a real estate mortgage where such prepayment is made more than six months after execution of such note.

~~(d)~~ (c) The lender may collect from the borrower:

(1) The actual fees paid a public official or agency of the state, or federal government, for filing, recording or releasing any instrument relating to a loan subject to the provisions of this section; and

(2) reasonable expenses incurred by the lender in connection with the making, closing, disbursing, extending, readjusting or renewing of loans subject to the provisions of this section.

~~(e)~~ (d) Any person so contracting for a greater rate of interest than that authorized by this section shall forfeit all interest so contracted for in excess of the amount authorized under this section; and in addition thereto shall forfeit a sum of money, to be deducted from the amount due for principal and lawful interest, equal to the amount of interest contracted for in excess of the amount authorized by this section and such amounts may be set up as a defense or counterclaim in any action to enforce the collection of such obligation and the borrower shall also recover a reasonable attorney fee.

~~(f)~~ (e) The interest rates prescribed in ~~subsections (a) and (b) of this section~~ subsection (a) shall not apply to a business or agricultural loan. For the purpose of this section unless a loan is made primarily for personal, family or household purposes, the loan shall be considered a business or agricultural loan. For the purpose of this subsection, a business or agricultural loan shall include credit sales and notes secured by contracts for deed to real estate.

~~(g)~~ (f) Loans made by a qualified plan, as defined in section 401 of the internal revenue code, to an individual participant in such plan or to a member of the family of

such individual participant, are not subject to the interest rates prescribed in ~~subsections (a) and (b) of this section~~ subsection (a).

~~(h) (g)~~ The interest rates prescribed in ~~subsections (a) and (b) of this section~~ subsection (a) shall not apply to a note secured by a real estate mortgage or a contract for deed to real estate where the note or contract for deed permits adjustment of the interest rate, the term of the loan or the amortization schedule.

~~(i) (h)~~ A first mortgage loan incurred for personal, family or household purposes may be subject to certain provisions of the uniform consumer credit code, K.S.A. 16a-1-101 to 16a-9-102, and amendments thereto, as follows:

(1) Certain high loan-to-value first mortgage loans are subject to the provisions of the uniform consumer credit code, other than its usury provisions. Examples of provisions of the uniform consumer credit code applicable to high loan-to-value first mortgage loans include, but are not limited to: Limitations on prepaid finance charges; mandatory appraisals; required disclosures; restrictions on balloon payments and negative amortization; limitations on late fees and collection costs; and mandatory default notices and cure rights.

(2) Certain high interest rate first mortgage loans are subject to certain provisions of the uniform consumer credit code, including, without limitation, provisions which impose restrictions on balloon payments and negative amortization.

(3) If the parties to a first mortgage loan agree in writing to make the transaction subject to the uniform consumer credit code, then all applicable provisions of the uniform consumer credit code, including its usury provisions, apply to the loan.

This subsection is for informational purposes only and does not limit or expand the scope of the uniform consumer credit code.

~~(j) (i)~~ ~~Subsections (e), (d) and (c) of this section (b), (c) and (d)~~ do not apply to a first mortgage loan if:

(1) The parties agree in writing to make the transaction subject to the uniform consumer credit code, K.S.A. 16a-1-101 to 16a-9-102, and amendments thereto; or

(2) the loan is a high loan-to-value first mortgage loan subject to any provision of the uniform consumer credit code.

In the case of a loan described in ~~subparts paragraphs (1) or (2) of the preceding sentence~~, the applicable provisions of the uniform consumer credit code shall govern the loan in lieu of ~~subsections (e), (d) and (c) of this section (b), (c) and (d)~~.

(23) Loss of or loss of use of a scheduled member shall be based upon permanent impairment of function to the scheduled member as determined using the fourth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein, until January 1, 2015, but for injuries occurring on and after January 1, 2015, shall be determined by using the sixth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein.

(24) Where an injury results in the loss of or loss of use of more than one scheduled member within a single extremity, the functional impairment attributable to each

scheduled member shall be combined pursuant to the fourth edition of the American medical association guides for evaluation of permanent impairment until January 1, 2015, but for injuries occurring on and after January 1, 2015, shall be combined pursuant to the sixth edition of the American medical association guides to the evaluation of permanent impairment, and compensation awarded shall be calculated to the highest scheduled member actually impaired.

The return of the employee to the employee's usual occupation shall terminate the healing period.

(d) The amount of compensation for permanent partial disability under this section shall be determined by multiplying the payment rate by the weeks payable. As used in this section:

(1) Payment rate shall be the lesser of: (A) The amount determined by multiplying the average weekly wage of the worker prior to such injury by $66\frac{2}{3}\%$; or (B) the maximum provided in K.S.A. 44-510c, and amendments thereto;

(2) weeks payable shall be determined as follows: (A) Determine the weeks of benefits provided for the injury on schedule; (B) determine the weeks of temporary compensation paid by adding the amounts of temporary total and temporary partial disability compensation paid and dividing the sum by the payment rate above; (C) subtract the weeks of temporary compensation calculated in (d)(2)(B) from the weeks of benefits provided for the injury as determined in (d)(2)(A); and (D) multiply the weeks as determined in (d)(2)(C) by the percentage of permanent partial impairment of function as determined under subsection (b)(23).

The resulting award shall be paid for the number of weeks at the payment rate until fully paid or modified. Under no circumstances shall the period of permanent partial disability run concurrently with the period of temporary total or temporary partial disability.

Sec. 9. K.S.A. 2012 Supp. 44-510e is hereby amended to read as follows: 44-510e. (a) In case of whole body injury resulting in temporary or permanent partial general disability not covered by the schedule in K.S.A. 44-510d, and amendments thereto, the employee shall receive weekly compensation as determined in this subsection during the period of temporary or permanent partial general disability not exceeding a maximum of 415 weeks.

(1) Weekly compensation for temporary partial general disability shall be $66\frac{2}{3}\%$ of the difference between the average weekly wage that the employee was earning prior to the date of injury and the amount the employee is actually earning after such injury in any type of employment. In no case shall such weekly compensation exceed the maximum as provided for in K.S.A. 44-510c, and amendments thereto.

(2) (A) Permanent partial general disability exists when the employee is disabled in a manner which is partial in character and permanent in quality and which is not covered by the schedule in K.S.A. 44-510d, and amendments thereto. Compensation for

permanent partial general disability shall also be paid as provided in this section where an injury results in:

(i) The loss of or loss of use of a shoulder, arm, forearm or hand of one upper extremity, combined with the loss of or loss of use of a shoulder, arm, forearm or hand of the other upper extremity;

(ii) the loss of or loss of use of a leg, lower leg or foot of one lower extremity, combined with the loss of or loss of use of a leg, lower leg or foot of the other lower extremity; or

(iii) the loss of or loss of use of both eyes.

(B) The extent of permanent partial general disability shall be the percentage of functional impairment the employee sustained on account of the injury as established by competent medical evidence and based on the fourth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein, until January 1, 2015, but for injuries occurring on and after January 1, 2015, based on the sixth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein.

(C) An employee may be eligible to receive permanent partial general disability compensation in excess of the percentage of functional impairment ("work disability") if:

(i) The percentage of functional impairment determined to be caused solely by the injury exceeds 7½% to the body as a whole or the overall functional impairment is equal to or exceeds 10% to the body as a whole in cases where there is preexisting functional impairment; and

(ii) the employee sustained a post-injury wage loss, as defined in subsection (a)(2) (E) of K.S.A. 44-510e, and amendments thereto, of at least 10% which is directly attributable to the work injury and not to other causes or factors.

In such cases, the extent of work disability is determined by averaging together the percentage of post-injury task loss demonstrated by the employee to be caused by the injury and the percentage of post-injury wage loss demonstrated by the employee to be caused by the injury.

(D) "Task loss" shall mean the percentage to which the employee, in the opinion of a licensed physician, has lost the ability to perform the work tasks that the employee performed in any substantial gainful employment during the five-year period preceding the injury. The permanent restrictions imposed by a licensed physician as a result of the work injury shall be used to determine those work tasks which the employee has lost the ability to perform. If the employee has preexisting permanent restrictions, any work tasks which the employee would have been deemed to have lost the ability to perform, had a task loss analysis been completed prior to the injury at issue, shall be excluded for the purposes of calculating the task loss which is directly attributable to the current injury.

(E) "Wage loss" shall mean the difference between the average weekly wage the employee was earning at the time of the injury and the average weekly wage the employee is capable of earning after the injury. The capability of a worker to earn post-injury wages shall be established based upon a consideration of all factors, including, but not limited to, the injured worker's age, physical capabilities, education and training, prior experience, and availability of jobs in the open labor market. The administrative law judge shall impute an appropriate post-injury average weekly wage based on such

factors. Where the employee is engaged in post-injury employment for wages, there shall be a rebuttable presumption that the average weekly wage an injured worker is actually earning constitutes the post-injury average weekly wage that the employee is capable of earning. The presumption may be overcome by competent evidence.

(i) To establish post-injury wage loss, the employee must have the legal capacity to enter into a valid contract of employment. Wage loss caused by voluntary resignation or termination for cause shall in no way be construed to be caused by the injury.

(ii) The actual or projected weekly value of any employer-paid fringe benefits are to be included as part of the worker's post-injury average weekly wage and shall be added to the wage imputed by the administrative law judge pursuant to K.S.A. 44-510e(a)(2)(E), and amendments thereto.

(iii) The injured worker's refusal of accommodated employment within the worker's medical restrictions as established by the authorized treating physician and at a wage equal to 90% or more of the pre-injury average weekly wage shall result in a rebuttable presumption of no wage loss.

(F) The amount of compensation for whole body injury under this section shall be determined by multiplying the payment rate by the weeks payable. As used in this section: (1) The payment rate shall be the lesser of: (A) The amount determined by multiplying the average weekly wage of the worker prior to such injury by 66 $\frac{2}{3}$ %; or (B) the maximum provided in K.S.A. 44-510c, and amendments thereto; (2) weeks payable shall be determined as follows: (A) Determine the weeks of temporary compensation paid by adding the amounts of temporary total and temporary partial disability compensation paid and dividing the sum by the payment rate above; (B) subtract from 415 weeks the total number of weeks of temporary compensation paid as determined in (F)(2)(A), excluding the first 15 such weeks; and (3) multiply the number of weeks as determined in (F)(2)(B) by the percentage of functional impairment pursuant to subsection (a)(2)(B) or the percentage of work disability pursuant to subsection (a)(2)(C), whichever is applicable.

(3) When an injured worker is eligible to receive an award of work disability, compensation is limited to the value of the work disability as calculated above. In no case shall functional impairment and work disability be awarded together.

The resulting award shall be paid for the number of disability weeks at the payment rate until fully paid or modified. In any case of permanent partial disability under this section, the employee shall be paid compensation for not to exceed 415 weeks following the date of such injury. If there is an award of permanent disability as a result of the compensable injury, there shall be a presumption that disability existed immediately after such injury. Under no circumstances shall the period of permanent partial disability run concurrently with the period of temporary total or temporary partial disability.

(b) If an employee has sustained an injury for which compensation is being paid, and the employee's death is caused by other and independent causes, any payment of compensation already due the employee at the time of death and then unpaid shall be paid to the employee's dependents directly or to the employee's legal representatives if the employee left no dependent, but the liability of the employer for the payments of compensation not yet due at the time of the death of such employee shall cease and be abrogated by the employee's death.

(c) The total amount of compensation that may be allowed or awarded an injured

employee for all injuries received in any one accident shall in no event exceed the compensation which would be payable under the workers compensation act for 100% permanent total disability resulting from such accident.

(d) Where a minor employee or a minor employee's dependents are entitled to compensation under the workers compensation act, such compensation shall be exclusive of all other remedies or causes of action for such injury or death, and no claim or cause of action against the employer shall inure or accrue to or exist in favor of the parent or parents of such minor employee on account of any damage resulting to such parent or parents on account of the loss of earnings or loss of service of such minor employee.

(e) In any case of injury to or death of an employee, where the employee or the employee's dependents are entitled to compensation under the workers compensation act, such compensation shall be exclusive of all other remedies or causes of action for such injury or death, and no claim or action shall inure, accrue to or exist in favor of the surviving spouse or any relative or next of kin of such employee against such employer on account of any damage resulting to such surviving spouse or any relative or next of kin on account of the loss of earnings, services, or society of such employee or on any other account resulting from or growing out of the injury or death of such employee.

Sec. 10. K.S.A. 44-512 is hereby amended to read as follows: 44-512. Workers compensation payments shall be made at the same time, place and in the same manner as the wages of the worker were payable at the time of the accident, but upon the application of either party the administrative law judge may modify such requirements in a particular case as the administrative law judge deems just, except that: (a) Payments from the workers compensation fund established by K.S.A. 44-566a, and amendments thereto, shall be made in the manner approved by the commissioner of insurance; (b) payments from the state workers compensation self-insurance fund established by K.S.A. 44-575, and amendments thereto, shall be made in a manner approved by the secretary of ~~administration~~ health and environment; and (c) whenever temporary total disability compensation is to be paid under the workers compensation act, payments shall be made only in cash, by check or in the same manner that the employee is normally compensated for salary or wages and not by any other means, except that any such compensation may be paid by warrant of the director of accounts and reports issued for payment of such compensation from the workers compensation fund or the state workers compensation self-insurance fund under the workers compensation act.

Sec. 11. ***K.S.A. 2012 Supp. 44-520 is hereby amended to read as follows: 44-520.*** (a) (1) Proceedings for compensation under the workers compensation act shall not be maintainable unless notice of injury by accident or repetitive trauma is given to the employer by the earliest of the following dates:

(A) ~~30~~ 20 calendar days from the date of accident or the date of injury by repetitive trauma;

(B) if the employee is working for the employer against whom benefits are being sought and such employee seeks medical treatment for any injury by accident or repetitive trauma, 20 calendar days from the date such medical treatment is sought; or

(C) if the employee no longer works for the employer against whom benefits are being sought, ~~20~~ 10 calendar days after the employee's last day of actual work for the employer.

Notice may be given orally or in writing.

(2) Where notice is provided orally, if the employer has designated an individual or department to whom notice must be given and such designation has been communicated in writing to the employee, notice to any other individual or department shall be insufficient under this section. If the employer has not designated an individual or department to whom notice must be given, notice must be provided to a supervisor or manager.

(3) Where notice is provided in writing, notice must be sent to a supervisor or manager at the employee's principal location of employment. The burden shall be on the employee to prove that such notice was actually received by the employer.

(4) The notice, whether provided orally or in writing, shall include the time, date, place, person injured and particulars of such injury. It must be apparent from the content of the notice that the employee is claiming benefits under the workers compensation act or has suffered a work-related injury.

(b) The notice required by subsection (a) shall be waived if the employee proves that: (1) The employer or the employer's duly authorized agent had actual knowledge of the injury; (2) the employer or the employer's duly authorized agent was unavailable to receive such notice within the applicable period as provided in paragraph (1) of subsection (a); or (3) the employee was physically unable to give such notice.

(c) For the purposes of calculating the notice period proscribed in subsection (a), weekends shall be included.

Sec. 12. K.S.A. 2012 Supp. 44-523 is hereby amended to read as follows: 44-523.

(a) The director, administrative law judge or board shall not be bound by technical rules of procedure, but shall give the parties reasonable opportunity to be heard and to present evidence, ~~insure~~ ensure the employee and the employer an expeditious hearing and act reasonably without partiality.

(b) Whenever a party files an application for hearing pursuant to K.S.A. 44-534, and amendments thereto, the matter shall be assigned to an administrative law judge for hearing and the administrative law judge shall set a terminal date to require the claimant to submit all evidence in support of the claimant's claim no later than 30 days after the first full hearing before the administrative law judge and to require the respondent to submit all evidence in support of the respondent's position no later than 30 days thereafter. An extension of the foregoing time limits shall be granted if all parties agree. An extension of the foregoing time limits may also be granted:

(1) If the employee is being paid temporary or permanent total disability compensation;

(2) for medical examination of the claimant if the party requesting the extension explains in writing to the administrative law judge facts showing that the party made a diligent effort but was unable to have a medical examination conducted prior to the submission of the case by the claimant but then only if the examination appointment was set and notice of the appointment sent prior to submission by the claimant; or

(3) on application for good cause shown.

(c) When all parties have submitted the case to an administrative law judge for an award, the administrative law judge shall issue an award within 30 days. The administrative law judge shall not stay a decision due to the absence of a submission letter. When the award is not entered in 30 days, any party to the action may notify the director that an award is not entered and the director shall assign the matter to an assistant director or to a special administrative law judge who shall enter an award

forthwith based on the evidence in the record, or the director, on the director's own motion, may remove the case from the administrative law judge who has not entered an award within 30 days following submission by the party and assign it to an assistant director or to a special administrative law judge for immediate decision based on the evidence in the record.

(d) Not less than 10 days prior to the first full hearing before an administrative law judge, the administrative law judge shall conduct a prehearing settlement conference for the purpose of obtaining stipulations from the parties, determining the issues and exploring the possibility that the parties may resolve those issues and reach a settlement prior to the first full hearing.

(e) (1) If a party or a party's attorney believes that the administrative law judge to whom a case is assigned cannot afford that party a fair hearing in the case, the party or attorney may file a motion for change of administrative law judge. A party or a party's attorney shall not file more than one motion for change of administrative law judge in a case. The administrative law judge shall promptly hear the motion informally upon reasonable notice to all parties who have appeared in the case. Notwithstanding the provisions of K.S.A. 44-552, and amendments thereto, the administrative law judge shall decide, in the administrative law judge's discretion, whether or not the hearing of such motion shall be taken down by a certified shorthand reporter. If the administrative law judge disqualifies the administrative law judge's self, the case shall be assigned to another administrative law judge by the director. If the administrative law judge refuses to disqualify the administrative law judge's self, the party seeking a change of administrative law judge may, within 10 days of the refusal, file in the district court of the county in which the accident or injury occurred the affidavit provided in subsection (e)(2). If an affidavit is to be filed in the district court, it shall be filed within 10 days an appeal with the workers compensation board.

(2) ~~If a party or a party's attorney files an affidavit alleging any of the grounds specified in subsection (e)(3), the chief judge shall at once determine, or refer the affidavit to another district court judge for prompt determination of, the legal sufficiency of the affidavit. If the affidavit is filed in a district court in which there is no other judge who is qualified to hear the matter, the chief judge shall at once notify the departmental justice for the district and request the appointment of another district judge to determining the legal sufficiency of the affidavit. If the affidavit is found to be legally sufficient, the district court judge shall order the director to assign the case to another administrative law judge or to an assistant director. The party or a party's attorney shall file with the workers compensation board an affidavit alleging one or more of the grounds specified in subsection (e).~~

(3) If a majority of the workers compensation board finds legally sufficient grounds, it shall direct the director to assign the case to another administrative law judge.

~~(4)~~ (4) Grounds which may be alleged as provided in subsection (e)(2) for change of administrative law judge are that:

(A) The administrative law judge has been engaged as counsel in the case prior to the appointment as administrative law judge.

(B) The administrative law judge is otherwise interested in the case.

(C) The administrative law judge is related to either party in the case.

(D) The administrative law judge is a material witness in the case.

(E) The party or party's attorney filing the affidavit has cause to believe and does believe that on account of the personal bias, prejudice or interest of the administrative law judge such party cannot obtain a fair and impartial hearing. Such affidavit shall state the facts and the reasons for the belief that bias, prejudice or an interest exists.

~~(4)~~ (5) In any affidavit filed pursuant to subsection (e)(2), the recital of previous rulings or decisions by the administrative law judge on legal issues or concerning prior motions for change of administrative law judge filed by counsel or such counsel's law firm, pursuant to this subsection, shall not be deemed legally sufficient for any ~~believe~~ belief that bias or prejudice exists.

(6) Notwithstanding the provisions of K.S.A. 44-556, and amendments thereto, no interlocutory appeal to the court of appeals of the workers compensation appeals board's decision regarding recusal shall be allowed while the resolution of the claim for compensation is pending before an administrative law judge or the workers compensation appeals board.

(f) (1) In any claim that has not proceeded to a regular hearing, a settlement hearing, or an agreed award under the workers compensation act within three years from the date of filing an application for hearing pursuant to K.S.A. 44-534, and amendments thereto, the employer shall be permitted to file with the division an application for dismissal based on lack of prosecution. The matter shall be set for hearing with notice to the claimant's attorney, if the claimant is represented, or to the claimant's last known address. The administrative law judge may grant an extension for good cause shown, which shall be conclusively presumed in the event that the claimant has not reached maximum medical improvement, provided such motion to extend is filed prior to the three year limitation provided for herein. If the claimant cannot establish good cause, the claim shall be dismissed with prejudice by the administrative law judge for lack of prosecution. Such dismissal shall be considered a final disposition at a full hearing on the claim for purposes of employer reimbursement from the fund pursuant to subsection (b) of K.S.A. 44-534a, and amendments thereto.

(2) In any claim which has not proceeded to regular hearing within one year from the date of a preliminary award denying compensability of the claim, the employer shall be permitted to file with the division an application for dismissal based on lack of prosecution. The matter shall be set for hearing with notice to the claimant's attorney, if the claimant is represented, or to the claimant's last known address. Unless the claimant can prove a good faith reason for delay, the claim shall be dismissed with prejudice by the administrative law judge. Such dismissal shall be considered a final disposition at a full hearing on the claim for purposes of employer reimbursement from the fund pursuant to subsection (b) of K.S.A. 44-534a, and amendments thereto.

(3) This section shall not affect any future benefits which have been left open upon proper application by an award or settlement.

Sec. 13. K.S.A. 2012 Supp. 44-532a is hereby amended to read as follows: 44-532a. (a) If an employer has no insurance or has an insufficient self-insurance bond or letter of credit to secure the payment of compensation ~~or has insufficiently funded a self-insurance bond~~, as provided in subsection (b)(1) and (2) of K.S.A. 44-532, and amendments thereto, and such employer is financially unable to pay compensation to an injured worker as required by the workers compensation act, or such employer cannot be located and required to pay such compensation, the injured worker may apply to the director for an award of the compensation benefits, including medical compensation, to

which such injured worker is entitled, to be paid from the workers compensation fund. Whenever a worker files an application under this section, the matter shall be assigned to an administrative law judge for hearing. If the administrative law judge is satisfied as to the existence of the conditions prescribed by this section, the administrative law judge may make an award, or modify an existing award, and prescribe the payments to be made from the workers compensation fund as provided in K.S.A. 44-569, and amendments thereto. The award shall be certified to the commissioner of insurance, and upon receipt thereof, the commissioner of insurance shall cause payment to be made to the worker in accordance therewith.

(b) The commissioner of insurance, acting as administrator of the workers compensation fund, shall have a cause of action against the employer for recovery of any amounts paid from the workers compensation fund pursuant to this section. Such action shall be filed in the district court of the county in which the accident occurred or where the contract of employment was entered into.

Sec. 14. K.S.A. 44-557 is hereby amended to read as follows: 44-557. (a) It is hereby made the duty of every employer to make or cause to be made a report to the director of any accident, or claimed or alleged accident, to any employee which occurs in the course of the employee's employment and of which the employer or the employer's supervisor has knowledge, which report shall be made upon a form to be prepared by the director, within 28 days, after the receipt of such knowledge, if the personal injuries which are sustained by such accidents, are sufficient wholly or partially to incapacitate the person injured from labor or service for more than the remainder of the day, shift or turn on which such injuries were sustained.

(b) When such accident has been reported and subsequently such person has died, a supplemental report shall be filed with the director within 28 days after receipt of knowledge of such death, stating such fact and any other facts in connection with such death or as to the dependents of such deceased employee which the director may require. Such report or reports shall not be used nor considered as evidence before the director, any administrative law judge, the board or in any court in this state.

~~(c) No limitation of time in the workers compensation act shall begin to run unless a report of the accident as provided in this section has been filed at the office of the director if the injured employee has given notice of accident as provided by K.S.A. 44-520 and amendments thereto, except that any proceeding for compensation for any such injury or death, where report of the accident has not been filed, must be commenced by serving upon the employer a written claim pursuant to K.S.A. 44-520a and amendments thereto within one year from the date of the accident, suspension of payment of disability compensation, the date of the last medical treatment authorized by the employer, or the death of such employee referred to in K.S.A. 44-520a and amendments thereto.~~

~~(d)~~ (c) The repeated failure of any employer to file or cause to be filed any report required by this section shall be subject to a civil penalty for each violation of not to exceed \$250.

~~(e)~~ (d) Any civil penalty imposed by this section shall be recovered, by the assistant attorney general upon information received from the director, by issuing and serving upon such employer a summary order or statement of the charges with respect thereto and a hearing shall be conducted thereon in accordance with the provisions of the Kansas administrative procedure act, except that, at the discretion of the director, such

civil penalties may be assessed as costs in a workers compensation proceeding by an administrative law judge upon a showing by the assistant attorney general that a required report was not filed which pertains to a claim pending before the administrative law judge.

Sec. 15. K.S.A. 2012 Supp. 44-575 is hereby amended to read as follows: 44-575.

(a) As used in K.S.A. 44-575 through 44-580, and amendments thereto, "state agency" means the state, or any department or agency of the state, but not including the Kansas turnpike authority, the university of Kansas hospital authority, any political subdivision of the state or the district court with regard to district court officers or employees whose total salary is payable by counties.

(b) For the purposes of providing for the payment of compensation for claims arising on and after July 1, 1974, and all other amounts required to be paid by any state agency as a self-insured employer under the workers compensation act and any amendments or additions thereto, there is hereby established the state workers compensation self-insurance fund in the state treasury. The name of the state workmen's compensation self-insurance fund is hereby changed to the state workers compensation self-insurance fund. (c) The state workers compensation self-insurance fund shall be liable to pay: (1) All compensation for claims arising on and after July 1, 1974, and all other amounts required to be paid by any state agency as a self-insured employer under the workers compensation act and any amendments or additions thereto; (2) the amount that all state agencies are liable to pay of the "carrier's share of expense" of the administration of the office of the director of workers' compensation as provided in K.S.A. 74-712 through 74-719, and amendments thereto, for each fiscal year; (3) all compensation for claims remaining from the self-insurance program which existed prior to July 1, 1974, for institutional employees of the division of mental health and retardation services of the department of social and rehabilitation services; (4) the cost of administering the state workers compensation self-insurance fund including the defense of such fund and any costs assessed to such fund in any proceeding to which it is a party; and (5) the cost of establishing and operating the state workplace health and safety program under subsection (f). For the purposes of K.S.A. 44-575 through 44-580, and amendments thereto, all state agencies are hereby deemed to be a single employer whose liabilities specified in this section are hereby imposed solely upon the state workers compensation self-insurance fund and such employer is hereby declared to be a fully authorized and qualified self-insurer under K.S.A. 44-532, and amendments thereto, but such employer shall not be required to make any reports thereunder.

(d) The secretary of ~~administration~~ health and environment shall administer the state workers compensation self-insurance fund and all payments from such fund shall be upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of ~~administration~~ health and environment or a person or persons designated by the secretary. The director of accounts and reports may issue warrants pursuant to vouchers approved by the secretary for payments from the state workers compensation self-insurance fund notwithstanding the fact that claims for such payments were not submitted or processed for payment from money appropriated for

the fiscal year in which the state workers compensation self-insurance fund first became liable to make such payments.

(e) The secretary of ~~administration~~ health and environment shall remit all moneys received by or for the secretary in the capacity as administrator of the state workers compensation self-insurance fund, to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Such claims shall be served upon the secretary of ~~administration~~ health and environment in the secretary's capacity as administrator of the state workers compensation self-insurance fund in the manner provided for claims against other employers under the workers compensation act. The chief attorney for the department of ~~administration~~ health and environment, or another attorney of the department of ~~administration~~ health and environment designated by the chief attorney, shall represent and defend the state workers compensation self-insurance fund in all proceedings under the workers compensation act.

(b) The secretary of ~~administration~~ health and environment shall investigate, or cause to be investigated, each claim for compensation against the state workers compensation self-insurance fund. For the purposes of such investigations, the secretary of ~~administration~~ health and environment is authorized to obtain expert medical advice regarding the injuries, occupational diseases and disabilities involved in such claims. If, based upon such investigation and any other available information, the secretary of ~~administration~~ health and environment finds that there is no material dispute as to any issue involved in the claim, that the claim is valid and that the claim should be settled by agreement, the secretary of ~~administration~~ health and environment may proceed to enter into such an agreement with the claimant, for the state workers compensation self-

insurance fund. Any such agreement may provide for lump-sum settlements subject to approval by the director and all such agreements shall be filed in the office of the director for approval as provided in K.S.A. 44-527, and amendments thereto. On page 2, following line 10, by inserting:

"New Sec. 3. (a) On and after July 1, 2015, notwithstanding any other law to the contrary, for any order of support required to be paid through the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 2012 Supp. 39-7,135, and amendments thereto, regardless of when such order was entered or modified, amounts collected by such central unit shall be distributed in accordance with rules and regulations adopted by the secretary of the department for children and families. Such rules and regulations shall be based on child support distribution requirements as set forth in part D of title IV of the federal social security act, 42 U.S.C. § 651 et seq., as amended, and federal regulations promulgated pursuant thereto.

(b) Prior to July 1, 2015, the secretary of the department for children and families shall adopt rules and regulations to implement the provisions of this section. Such rules and regulations shall not become effective until July 1, 2015.

New Sec. 4. (a) Except as otherwise provided in this section, an income withholding order for attachment of a lump sum payment shall have the effect of attaching: (1) Any intangible property, funds, credits or other indebtedness of a non-recurring nature belonging or owing to the obligor which is due from the payor or in the possession or under the control of the payor at the time of service of the order; and (2) all such personal property becoming due to the obligor between the time the order is served on the payor and the 35th day after the date the order is served.

(b) The payor shall hold the attached funds, credits or indebtedness at least 14 days following the date the income withholding order for attachment of a lump sum payment was served. Thereafter, except as otherwise provided in this section, the payor shall remit the amount attached no later than the date the lump sum payment would have been paid to the obligor or 21 days after the date the order was served, whichever is later.

(c) The payor shall hold the attached funds, credits or indebtedness until further order of the court if, before remitting funds pursuant to subsection (b), the payor receives notice of a hearing on the obligor's claim of exemption concerning the income withholding order for attachment of a lump sum payment.

(d) This section shall be part of and supplemental to the income withholding act, K.S.A. 2012 Supp. 23-3101 et seq., and amendments thereto.

New Sec. 5. (a) Immediately following the date the income withholding order for attachment of a lump sum payment is served on the payor, the person or public office seeking the withholding shall send a notice to the obligor, notifying the obligor: (1) That

an income withholding order to attach a lump sum payment has been served on the payor and the effect of such order; (2) of the obligor's right to assert any claim of exemption allowed under the income withholding act; and (3) of the obligor's right to a hearing on such claim. The notice shall be substantially in compliance with the form developed pursuant to K.S.A. 2012 Supp. 23-3113, and amendments thereto, and shall contain a description of the exemptions that are applicable under the income withholding act and the procedure by which the obligor can assert any claim of exemption.

(b) If the obligor requests a hearing to assert any claim of exemption, the request shall be filed no later than 10 days following the date the notice is served on the obligor. If a hearing is requested, the hearing shall be held by the court no sooner than five days nor later than 10 days after the request is filed. At the time the request for hearing is filed, the obligor shall obtain from the clerk of the court the date and time for the hearing which shall be noted on the request form. Immediately after the request for hearing is filed, the obligor shall hand-deliver or mail, by first-class mail, a copy of the request for hearing to the payor and to the person or public office seeking the withholding or such person's attorney, if the person is represented by an attorney.

(c) If a hearing is held, the obligor shall have the burden of proof to show that some or all of the property subject to the withholding is exempt, and the court shall enter an order determining the exemption and such other order as is appropriate.

(d) This section shall be part of and supplemental to the income withholding act, K.S.A. 2012 Supp. 23-3101 et seq., and amendments thereto.

New Sec. 6. (a) (1) The secretary of the department for children and families may collect, pursuant to the income withholding act, K.S.A. 2012 Supp. 23-3101 et seq., and amendments thereto, support owed in a title IV-D case from unemployment insurance benefits payable to the obligor. Such collections may be remitted directly to the secretary. The secretary, and any other agency affected, shall use electronic processes to the greatest extent feasible.

(2) All provisions of the income withholding act shall apply to the withholding of support from unemployment insurance benefits from the state employment security agency, which shall be considered a payor for the purposes of the income withholding act, except that any cost recovery fee as a result of such withholding shall be paid by the department for children and families and shall not be paid by the obligor.

(b) If the secretary of the department for children and families receives an income withholding collection directly from another state agency for a debtor with more than one income withholding order and the payor agency does not identify the amount to be applied to each withholding order, the secretary may apply the collection in any manner allowed under title IV-D, provided that all current support due for the month under the withholding orders is satisfied first.

(c) This section shall be part of and supplemental to the income withholding act, K.S.A. 2012 Supp. 23-3101 et seq., and amendments thereto.

Sec. 8. K.S.A. 2012 Supp. 23-3103 is hereby amended to read as follows: 23-3103.

(a) Any new or modified order for support shall include a provision for the withholding of income to enforce the order for support.

(b) Except as otherwise provided in subsection (j), (k) or (+) (m), all new or modified orders for support shall provide for immediate issuance of an income withholding order. The income withholding order shall be issued regardless of whether a payor subject to the jurisdiction of this state can be identified at the time the order for support is entered. The income withholding order shall be issued without further notice to the obligor and shall specify ~~an amount sufficient to satisfy the order for support and to defray any arrearage. The income withholding order shall be issued regardless of whether a payor subject to the jurisdiction of this state can be identified at the time the order for support is entered.~~

(1) If the income withholding order is to attach to periodic payments, an amount sufficient to satisfy the order for support and to defray any arrearage; or

(2) if the income withholding order is to attach a lump sum payment, the amount the payor is required to withhold for support from the lump sum payment.

(c) Except as otherwise provided in this subsection or subsections (j) or (+) (m), if no income withholding order is in effect to enforce the support order, an income withholding order shall be issued by the court upon request of the obligee or public office, provided that the obligor accrued an arrearage equal to or greater than the amount of support payable for one month and the requirements of subsections (d) and

(h) have been met. The income withholding order shall be issued without further notice to the obligor and shall specify an amount sufficient to satisfy the order for support and to defray any arrearage. The income withholding order shall be issued regardless of whether a payor subject to the jurisdiction of this state can be identified at the time the income withholding order is issued.

(d) Not less than seven days after the obligee or public office has served a notice pursuant to subsection (h), the obligee or public office may initiate income withholding pursuant to paragraph (1) or (2).

(1) The obligee or public office may apply for an income withholding order by filing with the court an affidavit stating: (A) The date that the notice was served on the obligor and the manner of service; (B) that the obligor has not filed a motion to stay issuance of the income withholding order or, if a motion to stay has been filed, the reason an income withholding order must be issued immediately; (C) a specified amount to be withheld by the payor to satisfy the order of support and to defray any arrearage; (D) whether the income withholding order is to include a medical withholding order; and (E) that the amount of the arrearage as of the date the notice to the obligor was prepared was equal to or greater than the amount of support payable for one month. In addition to any other penalty provided by law, the filing of such an affidavit with knowledge of the falsity of a material declaration is punishable as a contempt.

Upon the filing of the affidavit, the income withholding order shall be issued without further notice to the obligor, hearing or amendments of the support order. Payment of all or part of the arrearage before issuance of the income withholding order shall not prevent issuance of the income withholding order, unless the arrearage is paid in full and the order for support does not include an amount for the current support of a person. No affidavit is required if the court, upon hearing a motion to stay issuance of the income withholding order or otherwise, issues an income withholding order.

(2) In a title IV-D case, the IV-D agency may issue an income withholding order as authorized by K.S.A. 39-7,147, and amendments thereto. Any such income withholding order shall be considered an income withholding order issued pursuant to this act.

(e) (1) An income withholding order shall be directed to any payor of the obligor. Notwithstanding any other requirement of this act as to form or content, ~~any only an~~ income withholding order prepared in a standard format prescribed by the secretary of ~~social and rehabilitation services~~ the department for children and families, or the standard federal notices and forms promulgated under 42 U.S.C. § 652 (a)(11) and 42 U.S.C. § 666 (b)(A)(ii), shall be deemed to be in compliance with this act.

(2) An income withholding order which does not include a medical withholding order shall require the payor to withhold from any income due, or to become due, to the obligor a specified amount sufficient to satisfy the order of support and to defray any arrearage and shall include notice of and direction to comply with the provisions of K.S.A. 2012 Supp. 23-3104 and 23-3105, and amendments thereto.

(3) An income withholding order which consists only of a medical withholding order shall include notice of the medical child support order and shall conform to the requirements of K.S.A. 2012 Supp. 23-3116, and amendments thereto. The medical withholding order shall include notice of and direction to comply with the requirements of K.S.A. 2012 Supp. 23-3104, 23-3105, 23-3114 and 23-3117, and amendments thereto.

(4) An income withholding order which includes both a medical withholding order and an income withholding order for cash support shall meet the requirements of paragraphs (2) and (3).

(f) (1) Upon written request and without the requirement of further notice to the obligor, the clerk of the district court shall cause a copy of the income withholding order to be served on the payor ~~only by personal service or registered mail, return receipt requested by first-class mail.~~

(2) Without the requirement of further notice to the obligor, the court trustee or IV-D agency may cause a copy of any income withholding order to be served on the payor ~~only by personal service or registered mail, return receipt requested by first-class mail~~ or by any alternate method acceptable to the payor, including, but not limited to: Facsimile transmission, electronic mail attachment or electronic interface allowing for the download of a document or transmission of the terms of the income withholding order. No payor shall be liable to any person solely because of the method of service accepted by the payor.

(3) As used in this section, "copy of the income withholding order" means a copy of any document or notice, regardless of copy format, that advises the payor of the same general duties, requires the same amount to be withheld from income and requires medical withholding to the same extent as the original income withholding order that complies with the requirements of subsection (e)(1).

(g) An income withholding order shall be binding on any existing or future payor on whom a copy of the order is served and shall require the continued withholding of income from each periodic payment of income until further order of the court or agency that issued the income withholding order. At any time following issuance of an income withholding order, a copy of the income withholding order may be served on any payor without the requirement of further notice to the obligor.

(h) Except as provided in subsection (k) or ~~(j)~~ (m), at any time following entry of an order for support the obligee or public office may serve upon the obligor a written notice of intent to initiate income withholding. If any notice in the court record indicates that title IV-D services are being provided in the case, whether or not the IV-D services include enforcement of current support, the person or public office requesting issuance of the income withholding order shall obtain the consent of the IV-D agency to the terms of the proposed income withholding order.

The notice of intent to initiate income withholding shall be served on the obligor ~~only~~ by personal service, first-class mail or registered mail, return receipt requested. The notice served on the obligor must state: (1) The terms of the order of support and the total arrearage as of the date the notice was prepared; (2) the amount of income that will be withheld, not including premiums to satisfy a medical withholding order; (3) whether a medical withholding order will be included; (4) that the provision for withholding applies to any current or subsequent payor; (5) the procedures available for contesting the withholding and that the only basis for contesting the withholding is a mistake of fact concerning the amount of the support order, the amount of the arrearage, the amount of income to be withheld or the proper identity of the obligor; (6) the period within which the obligor must act to stay issuance of the income withholding order and that failure to take such action within the specified time will result in payors' being ordered to begin withholding; and (7) the action which will be taken if the obligor contests the withholding.

The obligor may, at any time, waive in writing the notice required by this subsection.

(i) On request of an obligor, the court shall issue an income withholding order which shall be honored by a payor regardless of whether there is an arrearage. Nothing in this subsection shall limit the right of the obligee to request modification of the income withholding order.

(j) (1) In a nontitle IV-D case, upon presentation to the court of a written agreement between the parties providing for an alternative arrangement, no income withholding order shall be issued pursuant to subsection (b). In any case, before entry of a new or modified order for support, a party may request that no income withholding order be issued pursuant to subsection (b) if notice of the request has been served on all interested parties and: (A) The party demonstrates, and the court finds, that there is good cause not to require immediate income withholding; or (B) a written agreement among all interested parties provides for an alternative arrangement. If child support and maintenance payments are both made to an obligee by the same obligor, and if the court has determined that good cause has been shown that direct child support payments to the obligee may be made, then the court shall provide for direct maintenance payments to the obligee and no income withholding order shall be issued pursuant to subsection (b). In a title IV-D case, the determination that there is good cause not to require immediate income withholding must include a finding that immediate income withholding would not be in the child's best interests and, if an obligor's existing obligation is being modified, proof of timely payment of previously ordered support.

(2) Notwithstanding the provisions of subsection (j)(1), the court shall issue an income withholding order when an affidavit pursuant to subsection (d) is filed if an arrearage exists in an amount equal to or greater than the amount of support payable for one month.

(3) If a notice pursuant to subsection (h) has been served in a title IV-D case, there is no arrearage or the arrearage is less than the amount of support payable for one month, and the obligor files a motion to stay issuance of the income withholding order based upon the court's previous finding of good cause not to require immediate income withholding pursuant to subsection (j)(1), the obligor must demonstrate the continued existence of good cause. Unless the court again finds that good cause not to require immediate income withholding exists, the court shall issue the income withholding order.

(4) If a notice pursuant to subsection (h) has been served in a title IV-D case, there is no arrearage or the arrearage is less than the amount of support payable for one month, and the obligor files a motion to stay issuance of an income withholding order based upon a previous agreement of the interested parties for an alternative arrangement pursuant to subsection (j)(1), the court shall issue an income withholding order, notwithstanding any previous agreement, if the court finds that:

- (A) The agreement was not in writing;
- (B) the agreement was not approved by all interested parties;
- (C) the terms of the agreement or alternative arrangement are not being met;
- (D) the agreement or alternative arrangement is not in the best interests of the child;

or

(E) the agreement or alternative arrangement places an unnecessary burden upon the obligor, obligee or a public office.

(5) The procedures and requirements of K.S.A. 2012 Supp. 23-3106, and

amendments thereto, apply to any motion pursuant to paragraph (3) or (4) of this subsection.

(k) (1) An ex parte interlocutory order for support may be enforced pursuant to subsection (b) only if the obligor has consented to the income withholding in writing.

(2) An ex parte interlocutory order for support may be enforced pursuant to subsection (c) only if 14 or more days have elapsed since the order for support was served on the obligor.

(3) Any other interlocutory order for support may be enforced by income withholding pursuant to this act in the same manner as a final order for support.

(4) No bond shall be required for the issuance of an income withholding order to enforce an interlocutory order pursuant to this act.

(l) All remittances from any income withholding order, regardless of when such order was entered or modified, shall be required to be directed to the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 2012 Supp. 39-7,135, and amendments thereto.

~~(h)~~ (m) All new or modified orders for maintenance of a spouse or ex-spouse, except orders for a spouse or ex-spouse living with a child for whom an order of support is also being enforced, entered on or after July 1, 1992, shall include a provision for the withholding of income to enforce the order of support. Unless the parties consent in writing to earlier issuance of a withholding order, withholding shall take effect only after there is an arrearage in an amount equal to or greater than the amount of support payable for two months and after service of a notice as provided in subsection (h).

Sec. 9. K.S.A. 2012 Supp. 23-3104 is hereby amended to read as follows: 23-3104.

(a) It shall be the affirmative duty of any payor to respond within 10 days to written or electronic requests for information presented by the public office concerning: (1) The full name of the obligor; (2) the current address of the obligor; (3) the obligor's social security number; (4) the obligor's work location; (5) the number of the obligor's claimed dependents; (6) the obligor's gross income; (7) the obligor's net income; (8) an itemized statement of deductions from the obligor's income; (9) the obligor's pay schedule; (10) the obligor's health insurance coverage; and (11) whether or not income owed the obligor is being withheld pursuant to this act. This is an exclusive list of the information that the payor is required to provide under this section.

(b) It shall be the duty of any payor who has been served a copy of an income withholding order for payment of an order for cash support that meets the requirements of subsection ~~(h)~~ (i) to deduct and pay over income as provided in this section. The payor shall begin the required deductions no later than the next payment of income due the obligor after 14 days following service of the order on the payor.

(c) Within seven business days of the time the obligor is normally paid, the payor shall pay the amount withheld as directed by the income withholding agency pursuant to K.S.A. 2012 Supp. 23-3105, and amendments thereto, as directed by the income withholding order or by a rule of the Kansas supreme court. The payor shall identify each payment with the name of the obligor, the county and case number of the income withholding order, and the date the income was withheld from the obligor. The payor shall pay the amounts withheld and identify each payment in the same business day. A payor subject to more than one income withholding order payable to the same payee may combine the amounts withheld into a single payment, but only if the amount attributable to each income withholding order is clearly identified. Premiums required

for a child's coverage under a health benefit plan shall be remitted as provided in the health benefit plan and shall not be combined with any other support payment required by the income withholding order.

(d) The payor shall continue to withhold income as required by the income withholding order until further order of the court or agency.

(e) From income due the obligor, the payor may withhold and retain to defray the payor's costs a cost recovery fee of \$5 for each pay period for which ~~income support~~ is withheld ~~from a periodic payment~~ or \$10 for each month for which ~~income support~~ is withheld ~~from a periodic payment~~, whichever is less. For income withholding from a lump sum payment, a cost recovery fee of up to \$10 per withholding may be withheld by the payor and shall be in addition to any cost recovery fee charged for withholding from periodic payments. Any such cost recovery fee shall be in addition to the amount withheld as support.

(f) The entire sum withheld by the payor, including the cost recovery fee and premiums due from the obligor which are incurred solely because of a medical withholding order, shall not exceed ~~the limits provided for under section 303(b)~~ 50% of the obligor's disposable income as defined by section 302(b) of the consumer credit protection act (15 U.S.C. § 1673(b)) 1672(b). If amounts of earnings required to be withheld exceed the maximum amount of earnings which may be withheld ~~according to the consumer credit protection act under this section~~, priority shall be given to payment of current and past due support, and the payor shall promptly notify the holder of the limited power of attorney of any nonpayment of premium for a health benefit plan on the child's behalf. An income withholding order issued pursuant to this act shall not be considered a wage garnishment as defined in subsection (b) of K.S.A. 60-2310, and amendments thereto. If amounts of earnings required to be withheld in accordance with this act are less than the maximum amount of earnings which could be withheld according to section 303(b) of the consumer credit protection act, 15 U.S.C. § 1673(b), the payor shall honor garnishments filed by other creditors to the extent that the total amount taken from earnings does not exceed consumer credit protection act limitations.

(g) A payor who has been served an income withholding order by the IV-D agency which includes an amount to defray an arrearage shall contact the IV-D agency no less than 14 days prior to making payment of any lump sum amount to the obligor. The payor may make payment of the lump sum to the obligor once 14 days have passed after providing such contact unless additional process, or notice of intended process, has been received.

~~(g)~~ (h) The payor shall promptly notify the court or agency that issued the income withholding order of the termination of the obligor's employment or other source of income, or the layoff of the obligor from employment, and provide the obligor's last known address and the name and address of the individual's current employer, if known.

~~(h)~~ (i) A payor who complies with a copy of an income withholding order that is regular on its face shall not be subject to civil liability to any person or agency for conduct in compliance with the income withholding order. As used in this section, "regular on its face" means a completed document ~~in the standard format for any income withholding notice that has been adopted by the United States secretary of health and human services in a final rule or a certified copy of the income withholding order that is in compliance with subsection (e)(1) of K.S.A. 2012 Supp. 23-3103, and amendments thereto.~~

(j) Except as provided further, if any payor violates the provisions of this act, the court may enter a judgment against the payor for the total amount which should have been withheld and paid over. If the payor, without just cause or excuse, fails to pay over income within the time established in subsection (c) and the obligee files a motion to have such income paid over, the court shall enter a judgment against the payor and in favor of the obligee for three times the amount of the income owed and reasonable attorney fees. If the payor, without good cause, fails to pay over the income and identify each payment in the same business day, the court shall enter a judgment against the payor and in favor of the obligee for twice the amount of the cost recovery fee, as established in subsection (e), per obligor.

(k) In addition to any judgment authorized by subsection (i), a payor shall be subject to a civil penalty not exceeding \$500 and other equitable relief as the court considers proper if the payor: (1) Discharges, refuses to employ or takes disciplinary action against an obligor subject to an income withholding order because of such withholding and the obligations or additional obligations which it imposes upon the payor; or (2) fails to withhold support from income or to pay such amounts in the manner required by this act.

(l) The provisions of this section as amended by this act shall apply to all income withheld on or after July 1, 2013, regardless of when the applicable income withholding order was entered or modified.

Sec. 10. K.S.A. 2012 Supp. 23-3105 is hereby amended to read as follows: 23-3105. (a) An income withholding order shall have priority over any other legal process under state law against the same income. Withholding of income under this section shall be made without regard to any prior or subsequent garnishments, attachments, wage assignments or other claims of creditors.

(b) Except as provided by K.S.A. 60-2310, and amendments thereto, any state law which limits or exempts income from legal process or the amount or percentage of income that can be withheld shall not apply to withholding income under this act.

(c) Subject to the provisions of K.S.A. 2012 Supp. 23-36,503, and amendments thereto, if more than one income withholding order requires withholding from the same source of income of a single obligor, the payor shall withhold and disburse as ordered the total amount required by all income withholding orders if such amount does not exceed the limits of subsection (f) of K.S.A. 2012 Supp. 23-3104, and amendments thereto, ~~as shown in the withholding order which specifies the highest percentage of income allowed to be withheld.~~ If the total amount required by all income withholding orders, including premiums due from the obligor which are incurred solely because of a medical withholding order, exceeds such limits, the payor shall withhold the amount permitted to be withheld under such limits and from the amount withheld the payor shall retain any cost recovery fee charged by the payor. The remaining funds shall first be prorated by the payor among all income withholding orders for the obligor that require payment of current support. When all current support for the month has been satisfied, any remaining funds shall be prorated among all income withholding orders for the obligor that require payment of an amount for arrearages. With respect to a medical withholding order, the payor shall promptly notify the affected holder of the limited power of attorney of any nonpayment of premium. The payor may request assistance from the income withholding agency in determining the amount to be disbursed for each income withholding order, but such assistance shall not relieve the

In all other instances, entry of the proposed modification shall be stayed only for cause. The issues in the administrative hearing shall be limited to whether the amount of current support is as stated in the proposed modification and whether the total arrearages are less than the proposed installment to defray arrearages.

In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to subsection (c) of K.S.A. 16-303, and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(f) *Eligibility for medical assistance of resident receiving medical care outside state.* A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) *Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients.* (1) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303, ~~and amendments thereto,~~ of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application

for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to subsection (d) of K.S.A. 39-756, and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is (A) a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both, and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 9-1216, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection (g). The secretary is authorized to enforce each claim provided for under this subsection (g). The secretary shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary from claims under this subsection (g) shall be deposited in the social welfare fund. The secretary may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection (g).

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim is limited to the individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004,

The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien. A six-month period of compensated inpatient care at a nursing home, ~~nursing homes~~ or other medical institution shall constitute a determination by the ~~department of social and rehabilitation services~~ department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the ~~department of social and rehabilitation services~~ after the expiration of six months from the date the recipient became eligible for compensated inpatient care at a ~~nursing home, nursing homes or other medical institution~~ department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary's

designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

- (A) After the death of the surviving spouse of the recipient;
- (B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
- (C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
- (D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary or the secretary's designee;

(B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or

(C) the value of the real property is consumed by the lien, at which time the secretary or the secretary's designee may force the sale for the real property to satisfy the lien; or

~~(D) after a lien is filed against the real property, it will be dissolved if the recipient leaves the nursing or medical facility and resides in the property to which the lien is attached for a period of more than 90 days without being readmitted as an inpatient to a nursing or medical facility, even though there may have been no reasonable expectation that this would occur. If the recipient is readmitted to a nursing or medical facility during this period, and does return home after being released, another 90 days must be completed before the lien can be dissolved.~~

(7) ~~If the secretary of social and rehabilitation for aging and disability services or the secretary of health and environment, or both, or such~~ secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families or the secretary's designee of the death of a recipient of medical assistance under this subsection, the secretary for children and families or the secretary's designee shall give notice of such recipient's death to the secretary of health and environment or the secretary's designee.

(h) *Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney.* In any case in which the ~~secretary of social and rehabilitation services for children and families~~ pays for the expenses of care and custody of a child pursuant to

K.S.A. 2012 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of aid to families with dependent children is a mother of the dependent child, as a condition of the mother's eligibility for aid to families with dependent children the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of aid to families with dependent children who fails to cooperate with requirements relating to child support enforcement under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations which penalty shall progress to ineligibility for the family after three months of noncooperation.

(k) By applying for or receiving child care benefits or food stamps, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food stamps, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This

limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of aid to families with dependent children.

Sec. 24. K.S.A. 58-3957 is hereby amended to read as follows: 58-3957. (3) The administrator may hold a hearing on the claim in accordance with the provisions of the Kansas administrative procedure act. The decision resulting from any hearing shall be a public record.

(b) The administrator shall consider each claim within 90 days after it is filed and give written notice to the claimant if the claim is denied in whole or in part. The notice may be given by mailing it to the last address, if any, stated in the claim as the address to which notices are to be sent. If no address for notices is stated in the claim, the notice may be mailed to the last address, if any, of the claimant as stated in the claim. No notice of denial need be given if the claim fails to state either the last address to which notices are to be sent or the address of the claimant.

(c) If a claim is allowed, the administrator shall pay over or deliver to the claimant the property or the amount the administrator actually received or the net proceeds if it has been sold by the administrator, together with any additional amount required by K.S.A. 58-3954, and amendments thereto. Interest reported under the previous disposition of unclaimed property act shall not be computed, paid or delivered to the claimant after enactment of this act. If the claim is for property presumed abandoned under K.S.A. 58-3943, and amendments thereto, which was sold by the administrator within three years after the date of delivery, the amount payable for that claim is the value of the property at the time the claim was made or the net proceeds of sale, whichever is greater.

(d) Any holder who pays the owner for property that has been delivered to the state and which, if claimed from the administrator, would be subject to subsection (c) shall add any additional amount as provided in K.S.A. 58-3954, and amendments thereto. The additional amount shall be repaid to the holder by the administrator in the same manner as the principal.

The authority is hereby constituted a public instrumentality and the exercise by the authority of the powers conferred by this act in the construction, operation and maintenance of turnpike projects shall be deemed and held to be the performance of an essential governmental function.

(b) The Kansas turnpike authority shall consist of five members. Two members shall be appointed by the governor for terms of four years. The members appointed by the governor shall be residents of the state and shall each year be owners of revenue bonds issued by the Kansas turnpike authority. One member of the authority shall be the secretary of transportation. One member shall be the chairperson of the committee on transportation and tourism of the senate, and one member shall be a member of the committee on transportation of the house of representatives and shall be appointed by the speaker of the house of representatives. Any person appointed by the governor to fill a vacancy on the authority shall be appointed to serve only for the unexpired term, and a member of the authority shall be eligible for reappointment. Each member of the authority, before entering upon the member's duties, shall take and subscribe an oath or affirmation as required by law.

(c) The authority shall elect one member as chairperson of the authority and another as vice-chairperson. (b) The ninth amendment to the constitution of the United States guarantees to the people rights not granted in the constitution and reserves to the people of Kansas certain rights as they were understood at the time that Kansas was admitted to statehood in 1861. (d) Section 4 of the bill of rights of the constitution of the state of Kansas clearly secures to Kansas citizens, and prohibits government interference with, the right of individual Kansas citizens to keep and bear arms. This constitutional protection is unchanged from the constitution of the state of Kansas, which was approved by congress and the people of Kansas, and the right exists as it was understood at the time that the compact with the United States was agreed upon and adopted by Kansas in 1859 and the United States in 1861.

EXPLANATION OF VOTE

Mr. Vice President: Under the Tenth Amendment to the United States Constitution, **SB 102**, as amended, protects the right of individual Kansans to keep and bear Kansas-made firearms free of federal government interference, under the Second Amendment and Section 4 of the Kansas Bill of Rights. Kansas-made firearms and accessories remaining within the borders of Kansas are not in interstate commerce. Thus, as this bill affirms, any federal law, rule or order seeking to regulate or restrict them is unconstitutional. The bill by its terms only proscribes enforcement of federal laws regarding firearms, not the people who use them. Thus, if by virtue of the criminal history or the felonious actions of the person using the firearm, a crime has occurred,

this bill would not prevent prosecution of that crime. For instance, federal criminal statutes prohibiting the use of a firearm in (or the possession of a firearm during) the commission of a felony or the possession of firearms by felons are not affected or proscribed by this act. **SB 102** establishes that the Second and Tenth Amendments to the U.S. Constitution are alive and well in Kansas. I vote yes on the conference committee report on **SB 102**.—JEFF KING

Senators Abrams, Apple, Arpke, Donovan, Holmes, LaTurner, Love, Lynn, O'Donnell, Olson, Petersen, Pilcher-Cook, Powell, Pyle, Smith, and Wolf request the record to show they concur with the "Explanation of Vote" offered by Senator King on **SB 102**.

"Section 1. K.S.A. 2012 Supp. 8-2107 is hereby amended to read as follows: 8-2107. (a) (1) Notwithstanding any other provisions of the uniform act regulating traffic on highways, when a person is stopped by a police officer for any of the offenses described in subsection (d) and such person is not immediately taken before a judge of the district court, the police officer may require the person stopped, subject to the provisions of subsection (c), to deposit with the officer a valid Kansas driver's license in exchange for a receipt therefor issued by such police officer, the form of which shall be approved by the division of vehicles. Such receipt shall be recognized as a valid temporary Kansas driver's license authorizing the operation of a motor vehicle by the person stopped until the date of the hearing stated on the receipt. The driver's license and a written copy of the notice to appear shall be delivered by the police officer to the court having jurisdiction of the offense charged as soon as reasonably possible. If the hearing on such charge is continued for any reason, the judge may note on the receipt the date to which such hearing has been continued and such receipt shall be recognized as a valid temporary Kansas driver's license until such date, but in no event shall such receipt be recognized as a valid Kansas driver's license for a period longer than 30 days from the date set for the original hearing. Any person who has deposited a driver's license with a police officer under this subsection (a) shall have such license returned upon final determination of the charge against such person.

(2) In the event the person stopped deposits a valid Kansas driver's license with the police officer and fails to appear in the district court on the date set for appearance, or any continuance thereof, and in any event within 30 days from the date set for the original hearing, the court shall forward such person's driver's license to the division of vehicles with an appropriate explanation attached thereto. Upon receipt of such person's driver's license, the division shall suspend such person's privilege to operate a motor vehicle in this state until such person appears before the court having jurisdiction of the offense charged, the court makes a final disposition thereof and notice of such

disposition is given by the court to the division. No new or replacement license shall be issued to any such person until such notice of disposition has been received by the division. The provisions of K.S.A. 8-256, and amendments thereto, limiting the suspension of a license to one year, shall not apply to suspensions for failure to appear as provided in this subsection (a).

(b) No person shall apply for a replacement or new driver's license prior to the return of such person's original license which has been deposited in lieu of bond under this section. Violation of this subsection (b) is a class C misdemeanor. The division may suspend such person's driver's license for a period of not to exceed one year from the date the division receives notice of the disposition of the person's charge as provided in subsection (a).

(c) (1) In lieu of depositing a valid Kansas driver's license with the stopping police officer as provided in subsection (a), the person stopped may elect to give bond in the amount specified in subsection (d) for the offense for which the person was stopped. When such person does not have a valid Kansas driver's license, such person shall give such bond. Such bond shall be subject to forfeiture if the person stopped does not appear at the court and at the time specified in the written notice provided for in K.S.A. 8-2106, and amendments thereto.

(2) Such bond may be a cash bond, a bank card draft from any valid and unexpired credit card approved by the division of vehicles or superintendent of the Kansas highway patrol or a guaranteed arrest bond certificate issued by either a surety company authorized to transact such business in this state or an automobile club authorized to transact business in this state by the commissioner of insurance. If any of the approved bank card issuers redeem the bank card draft at a discounted rate, such discount shall be charged against the amount designated as the fine for the offense. If such bond is not forfeited, the amount of the bond less the discount rate shall be reimbursed to the person providing the bond by the use of a bank card draft. Any such guaranteed arrest bond certificate shall be signed by the person to whom it is issued and shall contain a printed statement that such surety company or automobile club guarantees the appearance of such person and will, in the event of failure of such person to appear in court at the time of trial, pay any fine or forfeiture imposed on such person not to exceed an amount to be stated on such certificate.

(3) Such cash bond shall be taken in the following manner: The police officer shall furnish the person stopped a stamped envelope addressed to the judge or clerk of the court named in the written notice to appear and the person shall place in such envelope the amount of the bond, and in the presence of the police officer shall deposit the same in the United States mail. After such cash payment, the person stopped need not sign the written notice to appear, but the police officer shall note the amount of the bond mailed on the notice to appear form and shall give a copy of such form to the person. If the person stopped furnishes the police officer with a guaranteed arrest bond certificate or bank card draft, the police officer shall give such person a receipt therefor and shall note the amount of the bond on the notice to appear form and give a copy of such form to the person stopped. Such person need not sign the written notice to appear, and the police officer shall present the notice to appear and the guaranteed arrest bond certificate or bank card draft to the court having jurisdiction of the offense charged as soon as reasonably possible.

(d) The offenses for which appearance bonds may be required as provided in

subsection (c) and the amounts thereof shall be as follows:

On and after July 1, 1996:

Reckless driving.....	\$82
Driving when privilege is canceled, suspended or revoked.....	82
Failure to comply with lawful order of officer.....	57
Registration violation (registered for 12,000 pounds or less).....	52

No driver's license for the class of vehicle operated or violation of restrictions.....	52
Spilling load on highway.....	52
Transporting open container of alcoholic liquor or cereal malt beverage accessible while vehicle in motion.....	223

(e) In the event of forfeiture of any bond under this section, \$75 of the amount forfeited shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

(f) None of the provisions of this section shall be construed to conflict with the provisions of the nonresident violator compact.

(g) When a person is stopped by a police officer for any traffic infraction and the person is a resident of a state which is not a member of the nonresident violator compact, K.S.A. 8-1219 et seq., and amendments thereto, or the person is licensed to drive under the laws of a foreign country, the police officer may require a bond as provided for under subsection (c). The bond shall be in the amount specified in the uniform fine schedule in subsection (c) of K.S.A. 8-2118, and amendments thereto, plus \$75 which shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

(h) When a person is stopped by a police officer for failure to provide proof of financial security pursuant to K.S.A. 40-3104, and amendments thereto, and the person is a resident of another state or the person is licensed to drive under the laws of a foreign country, the police officer may require a bond as provided for under subsection (c). The bond shall be in the amount of \$75, plus \$75 which shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

(i) Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after ~~the effective date of this act through June 30, 2013~~ July 1, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed \$22 per docket fee, to fund the costs of non-judicial personnel.

Sec. 2. K.S.A. 2012 Supp. 8-2110 is hereby amended to read as follows: 8-2110. (a) Failure to comply with a traffic citation means failure either to: (1) Appear before any district or municipal court in response to a traffic citation and pay in full any fine and court costs imposed; or (2) otherwise comply with a traffic citation as provided in K.S.A. 8-2118, and amendments thereto. Failure to comply with a traffic citation is a misdemeanor, regardless of the disposition of the charge for which such citation was originally issued.

(b) (4) In addition to penalties of law applicable under subsection (a), when a person fails to comply with a traffic citation, except for illegal parking, standing or stopping, the district or municipal court in which the person should have complied with the citation shall mail notice to the person that if the person does not appear in district or municipal court or pay all fines, court costs and any penalties within 30 days from the date of mailing notice, the division of vehicles will be notified to suspend the person's driving privileges. The district or municipal court may charge an additional fee of \$5 for mailing such notice. Upon the person's failure to comply within such 30 days of mailing notice, the district or municipal court shall electronically notify the division of vehicles. Upon receipt of a report of a failure to comply with a traffic citation under this subsection, pursuant to K.S.A. 8-255, and amendments thereto, the division of vehicles shall notify the violator and suspend the license of the violator until satisfactory evidence of compliance with the terms of the traffic citation has been furnished to the informing court. When the court determines the person has complied with the terms of the traffic citation, the court shall immediately electronically notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension or suspension action.

~~(2) (A) In lieu of suspension under paragraph (1), the driver may submit to the division of vehicles a written request for restricted driving privileges, with a non-refundable \$25 application fee, to be applied by the division of vehicles for additional administrative costs to implement restricted driving privileges. The division shall remit all restricted driving privilege application fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the division of vehicles operating fund.~~

~~(B) Upon review and approval of the driver's eligibility, the driving privileges will be restricted by the division of vehicles for a period up to one year or until the terms of the traffic citation have been complied with and the court shall immediately electronically notify the division of vehicles of such compliance. If the driver fails to comply with the traffic citation within the one year restricted period, the driving privileges will be suspended by the division of vehicles until the court determines the person has complied with the terms of the traffic citation and the court shall immediately electronically notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension action. When restricted driving privileges are approved pursuant to this section, the person's driving privileges shall be restricted to driving only under the following circumstances: (i) In going to or returning from the person's place of employment or schooling; (ii) in the course of the person's employment; (iii) during a medical emergency; and (iv) in going to and returning from probation or parole meetings, drug or alcohol counseling or any place the person is required to go by a court. The provisions of this paragraph shall expire on January 1, 2012.~~

(c) Except as provided in subsection (d), when the district or municipal court notifies the division of vehicles of a failure to comply with a traffic citation pursuant to subsection (b), the court shall assess a reinstatement fee of \$59 for each charge on which the person failed to make satisfaction regardless of the disposition of the charge

for which such citation was originally issued and regardless of any application for restricted driving privileges. Such reinstatement fee shall be in addition to any fine, restricted driving privilege application fee, district or municipal court costs and other penalties. The court shall remit all reinstatement fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury and shall credit 42.37% of such moneys to the division of vehicles operating fund, 31.78% to the community alcoholism and intoxication programs fund created by K.S.A. 41-1126, and amendments thereto, 10.59% to the juvenile detention facilities fund created by K.S.A. 79-4803, and amendments thereto, and 15.26% to the judicial branch nonjudicial salary adjustment fund created by K.S.A. 2012 Supp. 20-1a15, and amendments thereto.

(d) The district court or municipal court shall waive the reinstatement fee provided for in subsection (c), if the failure to comply with a traffic citation was the result of such person enlisting in or being drafted into the armed services of the United States, being called into service as a member of a reserve component of the military service of the United States, or volunteering for such active duty, or being called into service as a member of the state of Kansas national guard, or volunteering for such active duty, and being absent from Kansas because of such military service. In any case of a failure to comply with a traffic citation which occurred on or after August 1, 1990, and prior to the effective date of this act, in which a person was assessed and paid a reinstatement fee and the person failed to comply with a traffic citation because the person was absent from Kansas because of any such military service, the reinstatement fee shall be reimbursed to such person upon application therefor. The state treasurer and the director of accounts and reports shall prescribe procedures for all such reimbursement payments and shall create appropriate accounts, make appropriate accounting entries and issue such appropriate vouchers and warrants as may be required to make such reimbursement payments.

(e) Except as provided further, the reinstatement fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for such reinstatement. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after ~~the effective date of this act through June 30, 2013~~ July 1, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed \$22 per reinstatement fee, to fund the costs of non-judicial personnel.

The Senate was called to order by President Susan Wagle.
The roll was called with forty senators present.
Invocation by Father Don Davidson:

As we reconvene this morning for a short but intense session we pause in grateful thanksgiving for the escape of three kidnapped women in Cleveland, Ohio. Held over a decade, the end of this horrible time in their lives brings a sense of relief to the families involved, and a sense of great concern at the absurd indignity.

Dear God, thank you for the release of these three women and help us to be aware of the horrible things that happen in our world and give us, we pray, the determination to do all we can to stop them. In your holy name we pray. Amen

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator Haley introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1757—

A RESOLUTION recognizing the misuse and abuse of prescription drug medications as a major threat to public health and safety in Kansas and nationwide.

WHEREAS, Drug abuse in the United States increasingly means the misuse and abuse of prescription drug medications. Drug overdose is now the second most common

cause of accidental death in the nation, killing more than gunshot wounds and behind only traffic accidents; and

WHEREAS, Prescription drugs are a substantial factor in a growing number of American deaths considered to be drug induced. Emergency room visits and unintentional overdose deaths involving prescription drugs have increased sharply; and

WHEREAS, National data show that as many as 16 million Americans age 12 or older have abused controlled prescription medications, including pain relievers, tranquilizers, sedatives and stimulants; and

WHEREAS, Barry R. Grissom, United States Attorney, District of Kansas, has declared that "prescription drugs are being used, misused, and abused at an alarming rate" and that he is "seeing more cases of accidental poisoning, addiction and overdose deaths. It is not an overstatement to call this an epidemic in the truest sense of the word. It has become a major threat to public health and public safety."; and

WHEREAS, Unused prescription narcotics at home contribute to drug abuse and risks of accidental deaths of children and the elderly. The second leading source of abused prescription drugs is in the home medicine cabinet. The number one source is friends and relatives, who often get the prescription drugs from other people's medicine cabinets. This demonstrates the importance of disposing unused prescription medications rather than leaving them in a medicine cabinet at home; and

WHEREAS, Americans that participated in the U.S. Department of Justice Drug Enforcement Administration's third National Prescription Drug Take-Back Day in 2012 turned in more than 552,161 pounds, or 276 tons, of prescription drugs at over 5,600 sites operated by the DEA and nearly 4,300 state and local law enforcement partners. Last year, more than 5,300 pounds of unused prescription drugs were collected during Kansas' drug take-back day. On April 27, 2013, Kansans set a new record during the national drug take-back day event, collecting more than 10,000 pounds, or 5 tons, of unused medications from 101 locations across the state; and

WHEREAS, It must be recognized that a drug cabinet full of old or unused prescription medicine is a health hazard, increasing the risk of poison and abuse among adults, teenagers and children across the state and across the nation: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize the misuse and abuse of prescription drug medications as a major threat to public health and safety in Kansas and nationwide; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to Senator Haley.

On emergency motion of Senator Haley **SR 1757** was adopted unanimously.

MESSAGE FROM THE GOVERNOR

SB 37 provides an opportunity to determine if the Kansas Home Inspectors Registration Board should be made permanent. Central to this issue is whether or not the potential harm inflicted upon the citizens of Kansas by unscrupulous home inspectors warrants the expansion of government and increased regulation that was applied in 2008 to this segment of the private sector. Also, the sunset that was added to the statute in 2009 allows us to reconsider the efficiency, effectiveness, and necessity of the board. Sunset dates are an important tool of the limited government and should only be removed under very limited circumstances. Upon review of the materials provided by the proponents of this legislation, both in 2008 and 2013, I see little evidence of the large numbers of Kansas citizens being economically harmed by home inspectors. In fact, even the proponents believe the vast majority of Kansans who provide this service are honest people. Therefore, it appears the legislation passed in 2008 may simply add unnecessary fees and regulations to law abiding citizens. Secondly, it appears the board may lack the resources and expertise to effectively regulate this industry. The Office of the Attorney General of Kansas includes a Consumer Protection Division better equipped with a professional staff with the expertise to conduct a high quality investigation and assist Kansans seeking redress. However, clearly a majority of legislators believe the board should continue to operate. Therefore, I invite the legislature to send me legislation that extends the sunset for a period of two years after carefully considering the concerns I have outlined above. Pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto **SB 37**.

Signed April 11, 2013.

Journal of the Senate

SIXTIETH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, May 15, 2013, 10:30 a.m.

The Senate was called to order by Vice President Jeff King.
The roll was called with forty senators present.
Invocation by Father Don Davidson:

Gracious God, we give you thanks today for the people who are truly interested in their government. We may not agree with which side of what line they stand, we may or may not appreciate what they have to say, but Lord help us to see in them the glory of your creation; a creation which includes minds that think and voices that speak, eyes that see and hearts that love. If we do not understand their positions, may we respect their willingness to participate in the wonder of democracy at every level. The greatness of our nation is often best represented in the way in which we respect those with whom we disagree. In your great name we pray. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

MESSAGE FROM THE HOUSE

The House adopts the Conference Committee report on **HB 2115**.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

SB 245, AN ACT concerning financing for capital improvements; relating to the national bio and agro defense facility; amending K.S.A. 2012 Supp. 74-8963 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 32; Nays 8; Present and Passing 0; Absent or Not Voting 0.

Yeas: Apple, Arpke, Bowers, Bruce, Donovan, Emler, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Holmes, Kelly, Kerschen, King, Knox, LaTurner, Longbine, Love, Lynn, Masterson, McGinn, O'Donnell, Olson, Ostmeyer, Petersen, Pettey, Powell, V. Schmidt, Wagle, Wolf.

Nays: Abrams, Denning, Fitzgerald, Melcher, Pilcher-Cook, Pyle, Smith, Tyson.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: There have been questions regarding further funding of the NBAF facility which are justified; however, I believe not insurmountable. Kansas has taken great strides to grow the Bio Science industry and we are seeing results of those

investments in job creation and innovation. NBAF holds great promise for the businesses and research communities as well as academic progress for Kansas State University and its students. For these reasons, I vote Aye on **SB 245**. — JULIA LYNN

Mr. Vice President: Further indebtedness for economic development projects that depend on future federal employees and federal dollars as Washington spends out of control on its way to an inevitable halt, does not represent the same level of good stewardship as similar projects that depend on the private sector. This is not the best direction for Kansas. I vote no on **SB 245**. — DENNIS PYLE

Senators Abrams and Smith request the record to show that they concur with the "Explanation of Vote" offered by Senator Pyle on **SB 245**.

Mr. Vice President: Some votes are easy, many are not. The vote to triple the funding of the national bio and agro defense facility to \$307 billion without any financial analysis is very difficult. While I don't dispute the tremendous value of this federally owned facility to all US citizens, it seems unfair for Kansas taxpayers who represent <1% of the US population to bare 30% of the cost. Since we have not been presented with any ROI testimony, this may be a great deal or it may be financially irresponsible, we have no way to know. The fact that the job creation component amounts to nearly \$1,000,000 per job just adds additional concern. I would never invest my own money with such limited information and must treat taxpayer money with the same scrutiny.— JEFF MELCHER

Senators Abrams, Fitzgerald and Pilcher-Cook request that the record show that they concur with the "Explanation of Vote" offered by Senator Melcher on **SB 245**.

SB 246, AN ACT reconciling amendments to certain statutes; amending K.S.A. 2012 Supp. 8-1,161, 12-4106, as amended by section 1 of 2013 House Bill No. 2041, 21-5109, 21-5302, as amended by section 6 of 2013 Senate Bill No. 16, 21-5808, 21-5904, 21-5924, 21-6302, as amended by section 4 of 2013 Senate Substitute for House Bill No. 2052, 21-6614, as amended by section 19 of 2013 Senate Substitute for House Bill No. 2034, 22-2802, 22-2908, 22-3212, 22-3717, as amended by section 27 of 2013 Senate Substitute for House Bill No. 2034, 32-1438, 39-709, as amended by section 1 of 2013 Senate Bill No. 149, 44-706, as amended by section 5 of 2013 Substitute for House Bill No. 2105, 44-709, as amended by section 3 of 2013 Senate Bill No. 187, 45-221, as amended by section 2 of 2013 Senate Bill No. 81, 45-229, as amended by section 1 of 2013 House Bill No. 2012, 47-422, 47-1804, 60-3107, 60-4104, as amended by section 41 of 2013 Senate Substitute for House Bill No. 2034, 65-4101, 72-978, 74-7901, 75-7c05, as amended by section 7 of 2013 Senate Substitute for House Bill No. 2052, 75-3740, 75-37,121, 75-4362, as amended by section 5 of 2013 Senate Bill No. 149, 75-5133, 75-6102, 75-6609, 79-3234, 79-32,117, as amended by section 3 of 2013 House Substitute for Senate Bill No. 83 and 79-32,160a and repealing the existing sections; also repealing K.S.A. 2012 Supp. 2-1930a, 2-1931a, 8-1,161a, 12-4106, as amended by section 8 of 2013 Senate Substitute for House Bill No. 2034, 21-5109a, 21-5302, as amended by section 12 of 2013 Senate Substitute for House Bill No. 2034, 21-5808a, 21-5904a, 21-5924a, 21-6302, as amended by section 3 of 2013 House Bill No. 2033, 21-6614, as amended by section 3 of 2013 Senate Bill No. 21, 22-2802c, 22-2908a, 22-3212b, 22-3717, as amended by section 6 of 2013 House Bill No. 2170, 32-1438a, 39-709, as amended by section 23 of 2013 Substitute for House Bill No. 2183, 39-923a, 44-706, as amended by section 4 of 2013 Senate Bill No. 149, 44-709,

EXPLANATION OF VOTE

Mr. Vice President: While I agree that it is good to periodically reevaluate the legislative committee structure, especially during manufactured budget crises like the one we are currently facing, I vote no on **HB 2216** because I believe that it eliminates two crucial committees that are key to our economic success in Kansas. One committee is the Joint Committee on Energy and Environment. Our state is on the verge of becoming a major producer of energy through the combination of higher global energy prices and technological advancements in the process commonly known as fracking. As this technology continues to open up new geologic spaces for development, the state of Kansas needs to ensure that we are good stewards of the land. Our state is also coming

out of a major drought, and it may take years for our aquifers to return to pre-drought levels. It is critically important for the legislature to monitor this situation and recommend solutions that involve the cooperation of all interested parties. Joint Committees provide a unique opportunity to solicit input from a diverse group of House and Senate members representing the entire state, and water is perhaps the most critical natural resource to the future of Kansas's economy.—CAROLYN MCGINN

Mr. Vice President: I vote NO on **HB 2216**. I believe that the legislature should continually review the need for standing and joint committees, but in this case there were no proponents testifying in the Senate committee for the bill and no case for elimination was made. Joint committee meetings have the advantage of more time to vet issues along with giving legislators the opportunity to work with colleagues from the other House. I am pleased that the amendment was adopted to retain the joint committee on pensions, investments and benefits so that the Senate can continue to participate in those discussions. However the arts and culture committee should be retained to show support for the arts and cultural resources in the state and provide oversight for the creative arts industries commission and the committee on energy and environmental policy should address many state water and energy issues, especially in this time of drought and aging reservoirs. The amendment to repeal references to the legislative educational planning committee will limit the opportunities to discuss education, an important concern of the state. I hope that we find other ways to continue to work together on these issues.—MARCI FRANCISCO

Senators Faust-Goudeau and Hawk request the record to show that they concur with the "Explanation of Vote" offered by Senator Francisco on **HB 2216**.

On motion of Senator Bruce, the Senate recessed until 2:30 p.m.

The Senate met, pursuant to recess, with Senator King in the Chair.

Senator Smith moved the Senate not adopt the Conference Committee report, send **HB 2249** back to conference and appoint a new conference committee.

Senator Pyle offered a substitute motion that the Senate adopt the Conference Committee Report on **HB 2249**.

On roll call, the vote was: Yeas 29; Nays 10; Present and Passing 0; Absent or Not Voting 1.

Yeas: Abrams, Apple, Arpke, Bruce, Denning, Fitzgerald, Haley, Hensley, Holmes, Kerschen, King, Knox, LaTurner, Longbine, Love, Lynn, Masterson, Melcher, O'Donnell, Olson, Ostmeyer, Petersen, Pettey, Pilcher-Cook, Powell, Pyle, Smith, Tyson, Wagle.

Nays: Bowers, Donovan, Emler, Francisco, Hawk, Holland, Kelly, McGinn, V. Schmidt, Wolf.

Absent or Not Voting: Faust-Goudeau.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

Mr. Vice President: My intent today was to send the conference committee report back to conference committee to remove **HB 2118** from the report. That bill barely passed the senate committee and was never heard in the Senate Committee of the Whole. The debate that took place today over that portion of the CCR shows this issue was not examined closely enough. The underlying bills **HB 2249** and **HB 2074** directly impact the county I represent and I cannot vote against them. For that reason I vote Aye on **HB 2249**.— GREG SMITH

Mr. Vice President: I vote NO on the conference committee report on **HB 2249**. I supported the motion to send the report back to committee, and was hoping that a new conference committee would remove **HB 2118** from the report. That bill was narrowly advanced to the full Senate, but had been held below the line; many of us were hoping that a compromise could have been worked out between the Kansas Historical Society and other interested parties over the summer. Much of the environs review process has been working well to maintain a context for many of the state's historical resources and encourage investment in preservation.—MARCI FRANCISCO

The Senate was called to order by Vice President Jeff King.
The roll was called with thirty-eight senators present.
Senators Faust-Goudeau and Hawk were excused.
Invocation by Father Don Davidson:

Heavenly Creator we pause in these hectic days to say thanks for our families, especially the immediate family of our legislators, staff and support teams. Truth is, it is not always easy to live with the struggles of life as a member and staff member of a decision making body. Often the highs and lows can be translated into over optimistic enthusiasm or just downright grumpiness in the home, on the cell or even worse e-mail. Help us all, Lord, to have patience and love for our families with the attitude and kindness they deserve. Soon the session will be over, and we will need them even more. Bless us and them dear Lord. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

Sec. 5. K.S.A. 74-4965 is hereby amended to read as follows: 74-4965. (1) ~~Except as otherwise provided in this section Commencing with the first payroll period beginning on or after July 1, 2013, each participating employer shall, beginning with the first payroll period for services performed after the entry date, deduct from the compensation of each member 7% 7.15% of such member's compensation as employee contributions, except that in the case of a member whose employment is covered by social security and the member is a member of the class certified in the case of Brazelton v. Kansas public employees retirement system, 227 K. 443, 607 P.2d 510 (1980), the deduction from such member's compensation shall be reduced by the amount of such member's contributions to social security. For participating employers who join the system on or after July 1, 2013, such deduction shall commence beginning with the first payroll period for services performed after the entry date.~~

(2) For any member other than a member who is a member of the class certified in the case of Brazelton v. Kansas public employees retirement system, 227 K. 443, 607 P.2d 510 (1980), no employee contributions shall be reduced because of contributions to social security.

(3) All such deductions shall be remitted quarterly, or as the board may otherwise provide, to the executive director for credit to the Kansas public employees retirement fund and shall be credited to the members' individual accounts. Interest on each member's accumulated contributions at the rate determined under subsection (a) of K.S.A. 74-4922, and amendments thereto, shall be added annually to the member's individual account.

(4) ~~For all payroll periods commencing on or after the effective date of this act, each participating employer shall deduct from the compensation of each member who has received 32 years of credited service, 2% of such member's compensation as employee contributions. For each member that is having 2% of such member's compensation deducted as employee contributions on July 1, 2013, for all payroll periods commencing on or after July 1, 2013, the participating employer shall deduct~~

from the compensation of each such member 7.15% of such member's compensation as employee contributions. Such member may repay in a lump sum prior to or on such member's date of retirement, an amount equal to the difference between contributions actually made by the member and contributions which would have been made had such member always been contributing at the employee contribution rate prescribed by subsection (1) for all such service earned during the period of time the member made contributions at the 2% employee contribution rate, with interest. Such repayment, if made at retirement, may be deducted from the proceeds of the partial lump sum retirement options as prescribed in subsection (5)(G) of K.S.A. 74-4964, and amendments thereto, in the event the member elects such option. Such member shall pay the actual amount plus interest at a rate specified by the board. Any member who makes such a payment shall be entitled to service credit for purposes of calculation of retirement benefits pursuant to the provisions of K.S.A. 74-4958 and 74-4958a, and amendments thereto, for all years of service wherein such member contributed at the employee contribution rate prescribed by subsection (1), including all years of service such member previously paid at the 2% employee contribution rate but prior to or on such member's date of retirement repaid the difference pursuant to this subsection.

(5) (a) Subject to the provisions of K.S.A. 74-49,123, and amendments thereto, each participating employer, pursuant to the provisions of section 414(h)(2) of the federal internal revenue code, shall pick up and pay the contributions which would otherwise be payable by members as prescribed in subsection (1) ~~commencing with the third quarter of 1984~~. The contributions so picked up shall be treated as employer contributions for purposes of determining the amounts of federal income taxes to withhold from the member's compensation.

(b) Member contributions picked up by the employer shall be paid from the same source of funds used for the payment of compensation to a member. A deduction shall be made from each member's compensation equal to the amount of the member's contributions picked up by the employer, provided that such deduction shall not reduce the member's compensation for purposes of computing benefits under the system.

(c) Member contributions picked up by the employer shall be remitted quarterly, or as the board may otherwise provide, to the executive director for credit to the Kansas public employees retirement fund. Such contributions shall be credited to a separate account within the member's individual account so that amounts contributed by the member ~~commencing with the third quarter of 1984~~ may be distinguished from the member contributions picked up by the employer. Interest shall be added annually to members' individual accounts.

Sec. 6. K.S.A. 2012 Supp. 74-49,135 is hereby amended to read as follows: 74-49,135. The board may implement the remainder of this act prior to implementation of this section. To that end, this section and provisions related thereto are severable from the remainder of this act and shall be repealed if the federal internal revenue service refuses to grant such approval or issues an adverse decision.

elect to: (1) Contribute, commencing January 1, 2014, 5% of such member's compensation as employee contributions, and commencing January 1, 2015, and in each subsequent calendar year, 6% of such member's compensation as employee contributions, and to receive an amount for participating service equal to the total of 1.85% of such member's final average salary; or (2) continue to contribute 4% of such member's compensation as employee contributions, and to receive an amount for participating service equal to the total of 1.4% of such member's final average salary. Members shall make such election within a 90-day period established by the board.

(c) (1) Elections made pursuant to this section shall be made on a form and in a manner prescribed by the board.

(2) A member failing to make an election pursuant to subsection (b) shall contribute, commencing January 1, 2014, 5% of such member's compensation as employee contributions, and commencing January 1, 2015, and in each subsequent year, 6% of such member's compensation as employee contributions, and shall receive an amount for participating service equal to the total of 1.85% of the member's final average salary.

The Senate was called to order by President Susan Wagle.
The roll was called with thirty-eight senators present.
Senators Faust-Goudeau and Hawk were excused.
Invocation by Father Don Davidson:

This weekend thousands of young men and women will dawn caps and gowns and receive a diploma announcing to the entire world that they have reached the conclusion of a course of educational study; that they are indeed graduates. We will join with families as they celebrate their achievements, and we will think back upon our own graduation moments many years, possibly decades previous. These young women and men give our communities and state hope for the days ahead. They remind us of the enthusiasm and optimism of youth and that there is reason to be filled with hope for their future and ours; and we thank you Lord for their teachers who with them made their joy possible. We thank you God for those who teach and for those who learn, and for all those who begin a new adventure this weekend. In your name we pray, Amen

The Pledge of Allegiance was led by President Susan Wagle.

Conferees on part of House

Senator Smith moved the Senate adopt the Conference Committee Report on **HB 2162**.

On roll call, the vote was: Yeas 31; Nays 6; Present and Passing 0; Absent or Not Voting 3.

Yeas: Apple, Arpke, Bowers, Bruce, Denning, Donovan, Emler, Fitzgerald, Haley, Hensley, Holmes, Kelly, Kerschen, King, Knox, LaTurner, Longbine, Love, Lynn, Masterson, Melcher, O'Donnell, Olson, Ostmeyer, Petersen, Pilcher-Cook, Powell, Pyle, Smith, Tyson, Wagle.

Nays: Francisco, Holland, McGinn, Pettey, V. Schmidt, Wolf.

Absent or Not Voting: Abrams, Faust-Goudeau, Hawk.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

Madam President: I believe **HB 2162** unduly restricts the freedom of speech of Kansas's local units of government and that is why I vote no. **HB 2162** places state government in the role of big brother, regulating the speech of local elected officials and their representatives on gun related issues at the local, state, and Federal level. We are denying our local elected officials the opportunity to voice their opinion and represent their constituents. Proponents argue that the bill only limits the use of state-appropriated funds for lobbying, but in reality what does that mean? Many local elected officials are paid through funding streams that include both state and local revenues. Any lobbyist that they contract with to represent them at the local, state, and Federal level is paid through the same funding streams. Many state elected officials indicate they do not like the Federal government implementing mandates on state government but do not seem to have any remorse when stifling the voice of local elected officials and their representatives. When the voices of local governments are stifled, we are stifling the voices of the voters who elected them to represent their local interests. I vote "NO" on **HB 2162**.—CAROLYN MCGINN

Senators Holland and Pettey request the record to show that they concur with the "Explanation of Vote" offered by Senator McGinn.

Madam President: I vote "NO" on the conference committee report on **HB 2162**. Questions were asked as to whether this would stifle free speech and limit comments on legislation, appropriations, regulations, administrative action, executive orders, and tax increases. The response was that there is an exception for portions of any money appropriated by the state legislature for "normal and recognized executive and legislative relationships", however, that phrase is not included in the restrictions on paying for the salary or expenses of grant or contract recipients or their agents. I am assuming that the legislature wants to continue our ability to pass resolutions to share our views on all issues and believe we should accord others that same opportunity. —MARCI FRANCISCO

POINT OF PERSONAL PRIVILEGE

Senator Haley rose on a Point of Personal Privilege.

Madam President & Honorable Colleagues: Eighteen years ago today, May 23rd, 1995 at almost this very hour, in fact, my wife Michelle and I became parents for the first time. Our eldest child (now of FOUR children), a daughter we named Mariah Danielle was born, frowning up at me with eyes open into the glare of surgical lights as I had the pleasure of cutting the umbilical cord tethering her to her mother and to the

welcoming celebration of her independent Life.

As we were new parents, Madam President, we were just so ecstatic. Many of you whom are parents or aunts or uncles might recall those moments. And from then on, we just wanted to do everything “right”, you know?! The right temperature in the house and the food and the crib and the high chair and the stroller consumer reports, on and on ... EVERY thing! You might even recall, Madam President and maybe Senator Donovan and Senator Pettey, since the three of us, alone, in the Senate now were all members of the Kansas House back then; you might even recall that Michelle and I sent out a birth announcement along with a sepia colored photo of our two wedding banded hands clasped and pointing at Mariah’s angelic face staring up at the camera? We had just completed the 1995 Session a day or so before; and in my case, what was the very first year of service in the Kansas Legislature. Earlier this week, on Monday, Mariah Danielle Haley graduated from High School with a 4.0!

Like her mother and me, she is largely a product of public schools and strong parental support and encouragement. She is a National Academics Achiever and, after being accepted at many colleges, has decided to attend Wellesley College near Boston, Massachusetts this fall.

Madam President, I appreciate the Chamber’s indulgence but my connecting point is this; “I have spent ALL of Mariah’s life, to date, in the pursuit of public service.” Like many of you, I have commuted back and forth to day care and family gatherings and recitals and track meets and award presentations and you name it, in an effort to remain connected to our loved ones and to provide continuity to our family and community ties. Often misunderstood for what drives us to do whatever it is we do here in the Capitol, for very little pay, relationships at home can be strained. But today, as she reaches “adulthood,” my relationship and my love with Mariah is a bedrock foundation for my past and for my continuing legislative service.

My children see my commitment in my public service voice to the tenets of vibrant public schools and healthy nutrition and exercise options. They know that their father preaches equity for all people who work hard and play by the rules and that those rules shouldn’t favor a chosen few; but everyone. That respect and purpose for all God’s creatures shouldn’t be divisible in America by race or by culture or by gender or by orientation or by income or even education or status or ... even by specie! That she has the right to vote now and to arm to protect her self and hers and to make personal decisions about her own health and her own body and her own finances with a minimal of governmental interference or intrusion. I know her and trust her to live her life now as a responsible adult; soon ready to aid society; herself.

I pray that each of you in this Senate whether multiple terms or first term retains strong ties and relationships with those beloved back home. In the face of all aridity and importance here, love there is as perennial as the grass and deserves to the utmost of all to be nourished.

Of all recognitions over these last eighteen years, none is greater to me than those rare glimpses of love and respect that only staying and holding close to home seem to bring.

Happy Birthday, Mariah Danielle! And, be encouraged, my gentle colleagues. BOTH paths CAN be “successfully” done! If David Haley can, so far, do both...surely, you will, or have, too.

COMMITTEE OF THE WHOLE

Senator Bruce moved that subsection 4(k) of the Joint Rules of the Senate and House of Representatives be suspended for the purpose of considering the following bills: **HB 2084**.

Upon receipt of such certified amount, the secretary shall compute the excess percentage increase in selected actual state general fund receipts above 2%. Based on such excess percentage of calculated receipt growth, the secretary shall compute the income tax rate reductions to go into effect for the next tax year that would reduce by such certified amount the tax rates during the fiscal year after the next fiscal year according to the provisions of this section, as follows: (A) Rate reductions for individual income tax rates shall be applied to reduce the highest marginal income tax rate applicable to the current tax year, by such excess percentage minus 0.5%, and the lowest marginal income tax rate applicable to the current tax year by such excess percentage plus 0.5%, except that in no case shall such excess percentage plus 0.5% result in an income tax rate increase. In any such computation by the secretary pursuant to this subsection in which the income tax rate for any individual marginal income tax rate is below 0.4%, such rate shall be 0%. Based on all such determinations, the secretary shall reduce individual income tax rates prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section;

(B) upon all individual marginal income tax rates being reduced to 0% pursuant to the provisions of subsection (a)(1)(A), rate reduction next shall be applied for the surtax on corporations applicable to the current tax year by such excess percentage. In any such computation by the secretary pursuant to this subsection: (i) The resulting income tax rate shall be rounded down to the nearest 0.1%; and (ii) in any case in which the surtax is below 0.4%, such surtax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section; and

(C) upon the surtax on corporations being reduced to a rate which when combined with the normal tax rate on corporations is equal to or below the combined surtax and normal tax imposed on national banking associations and state banks or is equal to or below the combined surtax and normal tax imposed on trust companies and savings and loan associations, rate reductions shall be proportionately applied for the tax on corporations, the tax on national banking associations and state banks, and the tax on trust companies and savings and loan associations. Such rate reductions shall be first applied to the surtax until reduced to 0% and then applied to the normal tax for each such tax. In any such computation by the secretary pursuant to this subsection: (i) The resulting income tax rate shall be rounded down to the nearest 0.1%; and (ii) in any case in which any such tax is below 0.4%, such tax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax and the normal tax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, the surtax and normal tax on national banking associations and state banks prescribed by K.S.A. 79-1107, and amendments thereto, and the surtax and normal tax on trust companies and savings and loan associations prescribed by K.S.A. 79-1108, and amendments thereto, as required by this section.

(2) In any fiscal year in which the amount of selected actual state general fund receipts for such fiscal year are 102% or less than the selected actual state general fund

receipts from the immediately preceding fiscal year, the director of legislative research shall certify such amount and fact to the secretary of revenue and the director of the budget. Upon receipt of such amount and fact, the secretary of revenue shall not make any adjustment to the income tax rates for that tax year.

(b) The secretary of revenue shall report any reduction in income tax rates prescribed by this section to the chairperson of the assessment and taxation committee of the senate, the chairperson of the taxation committee of the house of representatives and the governor, and shall cause notice of any such reduction to be published in the Kansas register prior to September 15 of the calendar year immediately preceding the tax year in which such reduction takes effect.

(c) As used in this section, "selected actual state general fund receipts" means receipts from the following taxes and fees: Individual and corporation income taxes imposed under K.S.A. 79-32,110, and amendments thereto, financial institutions privilege taxes imposed under article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, retail sales taxes imposed under K.S.A. 79-3601 et seq., and amendments thereto, compensating use taxes imposed under K.S.A. 79-3701 et seq., and amendments thereto, cigarette and tobacco product taxes imposed under K.S.A. 79-3301 et seq., and amendments thereto, cereal malt beverage and liquor gallonage taxes imposed under K.S.A. 41-501 et seq., and amendments thereto, liquor enforcement taxes imposed under K.S.A. 79-4101 et seq., and amendments thereto, liquor drink taxes imposed under K.S.A. 79-41a01 et seq., and amendments thereto, corporation franchise taxes imposed under K.S.A. 79-5401, and amendments thereto, annual franchise fees charged pursuant to law and mineral severance taxes imposed under K.S.A. 79-4216 et seq., and amendments thereto.

2012 Supp. 79-32,195 and 79-3606 and repealing the existing sections.

On roll call, the vote was: Yeas 24; Nays 15; Present and Passing 0; Absent or Not Voting 1.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: **HB 2084** will cut income tax rates to 4.8% in 2013 which will put Kansas' income tax rate lower than Oklahoma's recently passed tax reform. In 2014, it will drop to 4.6% and our state will have the lowest tax rate compared to the surrounding states. I vote aye on **HB 2084** because not only will this allow the state to become competitive regionally, grow jobs, and create economic growth, it will bring much needed relief from food sales tax and income tax to all Kansas families.—TERRY BRUCE

Senators Abrams, Arpke, Holmes, Lynn and Petersen request the record to show that they concur with the "Explanation of Vote" offered by Senator Bruce.

Mr. Vice President: Three years ago I voted for a sales tax increase because I believed it was necessary. My commitment to my constituents was I would not vote to extend the tax. I am honoring that commitment tonight. I vote no.—JAY SCOTT EMLER

Senators Faust-Goudeau, Francisco, Haley, Hensley, Holland, Kelly, and Wolf request the record to show they concur with the "Explanation of Vote" offered by Senator Emler on **HB 2084**.

Mr. Vice President: I vote "No" on **HB 2084**. This bill is an \$824 million tax increase that continues Governor Brownback's irresponsible and unsustainable income tax policies by shifting the tax burden onto Kansas' struggling middle class families.—TOM HOLLAND

Senators Francisco and Hensley request the record to show they concur with the "Explanation of Vote" offered by Senator Holland on **HB 2084**.

Mr. Vice President: I vote no on **HB 2084**. Having opposed the sales tax increase three years ago, I cannot vote to continue this tax increase beyond the sunset nor can I vote in favor of policy to reverse the standard deduction increases (which I sponsored) passed in last year's tax cut. Both of these policy reversals are harmful to hardworking families' pocketbooks. I have stated many times that revenue is not the problem but rather spending. Last year's tax cut was a real cut and this is a reversal of that policy. While this legislation is arguably a shift towards consumption tax, it is not revenue neutral and therefore does not reduce the size of or the consumption by government—the real consumer who wins with this legislation. It is government consumption that should be taxed by limiting its size, improving efficiency, and eliminating waste— in order to make the tax cuts of last year work. —DENNIS PYLE

Mr. Vice President: MY NO VOTE IS TO HONOR THE COMMITMENT I MADE THREE YEARS AGO. —RALPH OSTMEYER

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

SENATE RESOLUTION No. 1769—

A RESOLUTION recognizing the success of the STARBASE program in Kansas.

WHEREAS, The STARBASE program started in 1989 in response to deficiencies and shortfalls in math and science education. Originally, Project STARS was a one-week summer program linking the military and local educational systems where 4th, 5th and 6th graders would learn math and science through hands-on activity; and

WHEREAS, The response to this pilot program was exceptionally positive, and in 1993 Department of Defense funds were made available to start a school-year program, formally launching the STARBASE program. Kansas was one of seven original states to receive funding for the STARBASE program; and

WHEREAS, The Kansas STARBASE program is the largest in the United States with five locations in Wichita, Topeka, Salina, Manhattan and Kansas City. The program has teamed up with western Kansas community colleges and universities to ensure all students have access to this exceptional and unique program; and

WHEREAS, STARBASE has worked with over 50,000 Kansas students to increase their knowledge and create an interest in the areas of math, science, engineering and

technology. Along with the academic focus, STARBASE also works to instill a sense of pride and personal accomplishment in the students who have attended the academy. When asked about their experience at STARBASE, 96% of students said STARBASE made learning fun, and 91% said they would like to go back to STARBASE; and

WHEREAS, The success of the STARBASE program is due to the great relationship between the military and local schools as the result of the Department of Defense's management of the program: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize the success the STARBASE program has seen in Kansas. The STARBASE program has had a significant impact on Kansas students, and we hope to see continued success of the program; and

EXPLANATION OF VOTE

Mr. Vice-President: I vote NO on the conference committee report on **HB 2216**. I repeat my previous arguments that joint committees provide opportunities for more thorough discussion of issues and for legislators from the House and Senate to work together. I want to add the argument that if the goal is to reduce expenditures, we might be able to have fewer full legislative days if proposals can be vetted in interim committees before the regular session begins. It was said that not all of the current committees are needed, yet this same afternoon that we are voting to eliminate the Legislative Educational Planning Committee, we are considering a bill that creates a new committee to review the common core standards. That issue is one that the Legislative Educational Planning Committee should have been asked to review. —

MARCI FRANCISCO

Senator Faust-Goudeau requests the record to show that she concurs with the "Explanation of Vote" offered by Senator Francisco on **S Sub for HB 2216**.

"New Sec. 6. (a) (1) Except as provided in subsection (a)(2), commencing with fiscal year 2018, in any fiscal year in which the amount of selected actual state general fund receipts from such fiscal year exceeds the selected actual state general fund receipts for the immediately preceding fiscal year by more than 2%, the director of legislative research shall certify such excess amount to the secretary of revenue and the director of the budget. Upon receipt of such certified amount, the secretary shall compute the excess percentage increase in selected actual state general fund receipts above 2%. Based on such excess percentage of calculated receipt growth, the secretary shall compute the income tax rate reductions to go into effect for the next tax year that would reduce by such certified amount the tax rates during the fiscal year after the next fiscal year according to the provisions of this section, as follows: (A) Rate reductions for individual income tax rates shall be applied to reduce the highest marginal income tax rate applicable to the current tax year, by such excess percentage minus 0.5%, and the lowest marginal income tax rate applicable to the current tax year by such excess percentage plus 0.5%, except that in no case shall such excess percentage plus 0.5% result in an income tax rate increase. In any such computation by the secretary pursuant to this subsection: (i) The resulting income tax rate shall be rounded down to the nearest 0.1%; and (ii) in any case in which the income tax rate for any individual marginal income tax rate is below 0.4%, such rate shall be 0%. Based on all such determinations, the secretary shall reduce individual income tax rates prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section;

(B) upon all individual marginal income tax rates being reduced to 0% pursuant to the provisions of subsection (a)(1)(A), rate reduction next shall be applied for the surtax on corporations applicable to the current tax year by such excess percentage. In any such computation by the secretary pursuant to this subsection in which the surtax is below 0.4%, such surtax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section; and

(C) upon the surtax on corporations being reduced to a rate which when combined with the normal tax rate on corporations is equal to or below the combined surtax and normal tax imposed on national banking associations and state banks or is equal to or below the combined surtax and normal tax imposed on trust companies and savings and loan associations, rate reductions shall be proportionately applied for the tax on corporations, the tax on national banking associations and state banks, and the tax on trust companies and savings and loan associations. Such rate reductions shall be first applied to the surtax until reduced to 0% and then applied to the normal tax for each such tax. In any such computation by the secretary pursuant to this subsection in which any such tax is below 0.4%, such tax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax and the normal tax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, the surtax and normal tax on national banking associations and state banks prescribed by K.S.A. 79-1107, and amendments thereto, and the surtax and normal tax on trust companies and savings and loan associations prescribed by K.S.A. 79-1108, and amendments thereto, as required by this section.

(2) In any fiscal year in which the amount of selected actual state general fund receipts for such fiscal year are 102% or less than the selected actual state general fund

receipts from the immediately preceding fiscal year, the director of legislative research shall certify such amount and fact to the secretary of revenue and the director of the budget. Upon receipt of such amount and fact, the secretary of revenue shall not make any adjustment to the income tax rates for that tax year.

(b) The secretary of revenue shall report any reduction in income tax rates prescribed by this section to the chairperson of the assessment and taxation committee of the senate, the chairperson of the taxation committee of the house of representatives and the governor, and shall cause notice of any such reduction to be published in the Kansas register prior to September 15 of the calendar year immediately preceding the tax year in which such reduction takes effect.

(c) As used in this section, "selected actual state general fund receipts" means receipts from the following taxes and fees: Individual and corporation income taxes imposed under K.S.A. 79-32,110, and amendments thereto, financial institutions privilege taxes imposed under article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, retail sales taxes imposed under K.S.A. 79-3601 et seq., and amendments thereto, compensating use taxes imposed under K.S.A. 79-3701 et seq., and amendments thereto, cigarette and tobacco product taxes imposed under K.S.A. 79-3301 et seq., and amendments thereto, cereal malt beverage and liquor gallonage taxes imposed under K.S.A. 41-501 et seq., and amendments thereto, liquor enforcement taxes imposed under K.S.A. 79-4101 et seq., and amendments thereto, liquor drink taxes imposed under K.S.A. 79-41a01 et seq., and amendments thereto, corporation franchise taxes imposed under K.S.A. 79-5401, and amendments thereto, annual franchise fees charged pursuant to law and mineral severance taxes imposed under K.S.A. 79-4216 et seq., and amendments thereto.

New Sec. 7. (a) For any taxable year commencing after December 31, 2012, a credit shall be allowed against the tax imposed by the Kansas income tax act on the Kansas taxable income of an individual income taxpayer who purchased food in this state, had federal adjusted gross income for the tax year that did not exceed \$30,615, and meets the qualifications in subsections (b) and (c).

(b) During the entire tax year a taxpayer filing single, head of household, or married filing separate, or the taxpayer and the taxpayer's spouse if married filing jointly, must be domiciled in this state. For purposes of this credit, "domicile" shall not include any correctional facility, or portion thereof, as defined in K.S.A. 75-5202, and amendments thereto, any juvenile correctional facility, or portion thereof, as defined in K.S.A. 38-2302, and amendments thereto, any correctional facility of the federal bureau of prisons located in the state of Kansas, or any city or county jail facility in the state of Kansas.

(c) During the entire tax year a taxpayer filing single, head of household, or married filing separate, or the taxpayer or the taxpayer's spouse if married filing jointly, must be either: (1) A person having a disability, regardless of age; (2) a person without a disability who is 55 years of age or older; or (3) a person without a disability who is younger than 55 years of age who claims an exemption for one or more dependent children under 18 years of age.

(d) The amount of the credit shall be \$125 for every exemption claimed on the taxpayer's federal income tax return, except that no exemption shall be counted for a dependent unless the dependent is a child under 18 years of age.

(e) The credit allowed under this provision shall be applied against the taxpayer's

income tax liability after all other credits allowed under the income tax act. It shall not be refundable and may not be carried forward.

(f) (1) Every taxpayer claiming the credit shall supply the division in support of a claim, reasonable proof of domicile, age and disability.

(2) A claim alleging disability shall be supported by a report of the examining physician of the claimant with a statement or certificate that the applicant has a disability as defined in subsection (g).

(g) "Disability" means: (1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of this paragraph, with respect to any individual, "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; and "physical or mental impairment" means an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time. For purposes of this paragraph "blindness" means central visual acuity of $\frac{20}{200}$ or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of $\frac{20}{200}$ or less.

(h) The secretary of revenue is hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of this section.

New Sec. 8. (a) As used in this section:

(1) "Destroyed or substantially destroyed" means damage of any origin sustained by a homestead as the direct result of an earthquake, flood, tornado, fire, storm or other event or occurrence which the governor of the state of Kansas has declared a disaster, whereby the cost of restoring the structure to its before-damaged condition would equal or exceed 50% of the market value of the structure before the damage occurred.

(2) "Homestead" means the dwelling, or any part thereof, whether owned or rented, which is occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. (1) If such homestead has been so destroyed or substantially destroyed after January 1 of a particular year but prior to August 15 of such year, the owner of such homestead may make application to such board of county commissioners for the abatement of property taxes levied upon such homestead, or if such property taxes have been paid or partially paid, may make application for the granting of a credit against property taxes payable by such owner during any or all of the next succeeding three taxable years.

(2) If such homestead has been so destroyed or substantially destroyed on or after August 15 of a particular year but prior to January 1 of the next succeeding year, the owner of such homestead may make application to such board of county commissioners for the granting of a credit against property taxes payable by such owner during any or all of the next succeeding three taxable years.

(c) An application for relief as permitted by subsection (b) may be made for abatement of property taxes assessed but not yet paid, or for a grant of a credit for assessed property taxes paid or for both, as the case may be, and may be made on or before December 20 of the year next succeeding the year for which such taxes have been assessed.

(d) Upon receipt of any such application, subject to budgetary restraints of the county or taxing subdivision arising from the event or occurrence declared a disaster by the governor, the board of county commissioners shall inquire into and make findings regarding, among other things, whether the property is a homestead, as defined in subsection (a), whether the homestead was destroyed or substantially destroyed, as defined in subsection (a) and the assessed valuation thereof. If it is determined that an owner of such homestead is entitled to an abatement of all or any portion of the property taxes levied against such homestead or is entitled to a credit against property taxes payable by such owner in any or all of the next succeeding three years, the board may issue an order so providing.

(e) The board shall not grant an application for relief by an owner who is a recipient of funds from either a public or private buyout or insurance proceeds, which, as the case may be, are of an amount equal to or greater than 50% of the entire pre-disaster value of the homestead which was destroyed or substantially destroyed.

(f) The county clerk and county treasurer shall in each case of abatement or credit correct their records in accordance therewith and the county clerk shall notify the governing body of any taxing district affected thereby.

(g) The provisions of this section shall be applicable to all taxable years commencing after December 31, 2011, and ending before January 1, 2014.
