

SESSION OF 2016

SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2441

As Recommended by House Committee on
Education

Brief*

HB 2441 would extend the sunset of a statute requiring the Legislative Division of Post Audit (LPA) to conduct three school district efficiency audits each fiscal year from June 30, 2017, to June 30, 2020.

The bill also would allow a school district to decline participation in an efficiency audit if the district has participated in a similar audit in the past ten years. Current law allows a school district to decline participation if it has participated in a similar audit in the past five years.

Background

The bill was introduced by the Legislative Post Audit Committee. At the House Committee on Education hearing on the bill, a representative of the Kansas Association of School Boards testified in favor of the bill and a representative of LPA offered neutral testimony. There was no opponent testimony.

The fiscal note prepared by the Division of the Budget indicated the bill would have no fiscal effect.

The House Committee recommended the bill be placed on the Consent Calendar.
