

Here is my estimate for the onsite treatment: \$8,500.00 - \$11,500.00. That includes PREPARATION/ADMINISTRATIVE TIME, TRAVEL TIME, ACTUAL ON SITE TIME, AND REPORT TIME (\$7,100.00 - \$9,600.00) plus TRAVEL AND ON SITE EXPENSES (airfare/baggage, meals, hotel, rental car \$1,400.00 - \$1,900.00). Treatment includes written and photographic documentation; local adhesive consolidation of cracked, loose, lifted paint; filling and painting of losses; and overall dusting of each mural (but no aqueous cleaning to remove grime--there appears to be only minimal accumulation of grime).

The estimate is based on 4.5 to 6 days of actual onsite time for one conservator although we can halve that time by having two of us on site. We can figure that out when scheduling the project.

If you did want us to do an overall aqueous removal of grime that would add 2 days and some additional expenses for an additional cost of approximately \$4,500.00.
