GOVERNOR JEFF COLYER, M.D.
LARRY L. CAMPBELL, CHIEF BUDGET OFFICER

February 19, 2018

The Honorable Keith Esau, Chairperson
House Committee on Elections
Statehouse, Room 151-S
Topeka, Kansas 66612

Dear Representative Esau:

SUBJECT: Fiscal Note for HB 2700 by Representative Esau

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2700 is respectfully submitted to your committee.

HB 2700 would amend existing law concerning public records and the disclosure of personal information to require that any document or record containing all or portions of a social security number must have any portions of the social security number redacted before the document or record is made available to the public.

The enactment of HB 2700 would require state agencies to ensure that any portion of an individual's social security number to be redacted from any documents that are made public, which would require additional staff time by agencies. However, any fiscal effect resulting from the additional staff time would be expected to be negligible.

Sincerely,

A handwritten signature in cursive script that reads "L. Campbell".

Larry L. Campbell
Chief Budget Officer
