Dear Senator Schmidt:

**SUBJECT:** Fiscal Note for SB 32 by Senate Committee on Public Health and Welfare

In accordance with KSA 75-3715a, the following fiscal note concerning SB 32 is respectfully submitted to your committee.

SB 32 would amend the Medical Student Loan Act by adding general psychiatry and child psychiatry to the list of residency training programs eligible for the Medical Student Loan Program.

The University of Kansas indicates SB 32 would have no fiscal effect on its operations.

Sincerely,

Shawn Sullivan,  
Director of the Budget
