

SENATE BILL No. 83

By Committee on Federal and State Affairs

1-25

1 AN ACT concerning the Kansas propane safety and licensing act;
2 amending K.S.A. 55-1807 and repealing the existing section.

3
4 *Be it enacted by the Legislature of the State of Kansas:*

5 Section 1. K.S.A. 55-1807 is hereby amended to read as follows: 55-
6 1807. (a) This act shall be referred to as the Kansas propane safety and
7 licensing act.

8 (b) The state fire marshal shall establish programs relating to the
9 regulation and licensing of the liquefied petroleum gas industry in Kansas.

10 (c) For the purpose of this act:

11 (1) "Liquefied petroleum gas marketer" or "marketer" means any
12 person, firm, corporation, association or other entity engaged directly in
13 the retail sale or retail transport delivery of liquefied petroleum gas;

14 (2) "retail distribution of liquefied petroleum gas" means the delivery,
15 sale or transportation of liquefied petroleum gas to an end retail user,
16 *except the term shall not include the resale of prefilled tanks less than five*
17 *gallons in size containing no more than 20 pounds of liquefied petroleum*
18 *gas;*

19 (3) "liquefied petroleum gas" means any material which is composed
20 predominantly of any of the following hydrocarbons or mixtures of the
21 same: propane, propylene, butanes, including, but not limited to, normal
22 butane and isobutane and butylenes;

23 (4) "end retail user" means any consumer, person, firm or corporation
24 who utilizes liquefied petroleum gas in Kansas;

25 (5) "liquefied petroleum gas system" or "system" means any
26 equipment utilizing liquefied petroleum gas including a storage container,
27 end point or points of combustion, appliances and all attachments utilizing
28 or transporting liquefied petroleum gas;

29 (6) "returned to service" means the time at which liquefied petroleum
30 gas is reintroduced into the liquefied petroleum gas system, any part of the
31 liquefied petroleum gas system is repressurized, or at the completion of
32 any installation, modification, repair or service of a system;

33 (7) "interruption of service" means: (A) An event which causes a
34 liquefied petroleum gas system to become, in total or in part, depressurized
35 due to any installation, modification, repair, service; or (B) a change in
36 occupancy or ownership of the location utilizing the liquefied petroleum

1 gas system;

2 (8) "state fire marshal" means the fire marshal of the state of Kansas;
3 and

4 (9) "liquefied petroleum gas facilities" means any liquefied petroleum
5 gas facility with an aggregate water capacity exceeding 2,000 gallons.

6 Sec. 2. K.S.A. 55-1807 is hereby repealed.

7 Sec. 3. This act shall take effect and be in force from and after its
8 publication in the statute book.
