

SESSION OF 2018

**SUPPLEMENTAL NOTE ON SENATE SUBSTITUTE FOR
HOUSE BILL NO. 2028**

As Recommended by Senate Committee on
Public Health and Welfare

Brief*

Senate Sub. for HB 2028 would update statutory references related to the Kansas Department for Aging and Disability Services (KDADS) and the Kansas Department for Children and Families (DCF) in accordance with 2012 Executive Reorganization Order No. 41. The bill would make conforming and technical amendments to law.

Background

The Senate Committee on Public Health and Welfare removed the contents of HB 2028 (during the 2017 Session, the contents were inserted into HB 2025 and subsequently enacted), inserted the contents of SB 451, as introduced, and adopted a substitute bill.

SB 451 was introduced in the Senate Committee on Ways and Means at the request of Senator Schmidt. In the Senate Committee on Public Health and Welfare hearing, a Committee Revisor provided an overview of the bill and stated the bill is technical in nature. No other testimony was provided.

According to the fiscal note prepared by the Division of the Budget on SB 451, DCF and KDADS indicate enactment of the bill would have no fiscal effect on agency operations.
