

2018 Kansas Statutes

12-803c. Same; bonds for extension of street-railway or bus system; election. If the governing body of any such city deems it necessary to acquire, enlarge, improve or extend any street-railway system or bus system, said governing body is hereby empowered to issue for said purpose bonds in such an amount as may be fixed by ordinance and authorized by a majority of the duly qualified electors voting in favor thereof at an election or elections hereafter called therefor, and said bonds shall be issued, sold, delivered and retired in conformance with the provisions of the general bond law.

History: L. 1953, ch. 73, § 3; June 30.
