

2018 Kansas Statutes

13-1380a. Same; maintenance and policing by city; charges. After any parking stations are acquired and improved by the city, the cost of maintaining, operating and policing the same shall be borne by the city. The use of such stations shall be free or for such charge or charges as shall be determined by the governing body to be collected either by parking meters or by attendants or otherwise.

History: L. 1949, ch. 142, § 6; June 30.
