

2018 Kansas Statutes

65-129b. Infections or contagious diseases; authority of local health officer or secretary; evaluation or treatment orders, isolation or quarantine orders; enforcement. (a) Notwithstanding the provisions of K.S.A. 65-119, 65-122, 65-123, 65-126 and 65-128, and amendments thereto, and any rules or regulations adopted thereunder, in investigating actual or potential exposures to an infectious or contagious disease that is potentially life-threatening, the local health officer or the secretary:

(1) (A) May issue an order requiring an individual who the local health officer or the secretary has reason to believe has been exposed to an infectious or contagious disease to seek appropriate and necessary evaluation and treatment;

(B) when the local health officer or the secretary determines that it is medically necessary and reasonable to prevent or reduce the spread of the disease or outbreak believed to have been caused by the exposure to an infectious or contagious disease, may order an individual or group of individuals to go to and remain in places of isolation or quarantine until the local health officer or the secretary determines that the individual no longer poses a substantial risk of transmitting the disease or condition to the public;

(C) if a competent individual of 18 years of age or older or an emancipated minor refuses vaccination, medical examination, treatment or testing under this section, may require the individual to go to and remain in a place of isolation or quarantine until the local health officer or the secretary determines that the individual no longer poses a substantial risk of transmitting the disease or condition to the public; and

(D) if, on behalf of a minor child or ward, a parent or guardian refuses vaccination, medical examination, treatment or testing under this section, may require the minor child or ward to go to and remain in a place of isolation or quarantine and must allow the parent or guardian to accompany the minor child or ward until the local health officer or the secretary determines that the minor child or ward no longer poses a substantial risk of transmitting the disease or condition to the public; and

(2) may order any sheriff, deputy sheriff or other law enforcement officer of the state or any subdivision to assist in the execution or enforcement of any order issued under this section.
