

2018 Kansas Statutes

74-5070. Definitions. As used in this act:

(a) "Kansas export transaction" means a transaction for the export of products substantially manufactured or processed within Kansas or services which result in additional employment within Kansas from Kansas to a destination outside the 50 states of the United States of America;

(b) "preexport" means the period of time between the formation of a Kansas export transaction and the actual shipment of the products or performance of the services; and

(c) "postexport" means the period of time between a shipment of products or performance of services for a Kansas export transaction and the receipt of final payment therefor.

History: L. 1989, ch. 251, § 2; July 1.
