

STATE OF KANSAS

---

SENATE CHAMBER

MR. PRESIDENT:

I move to amend **Substitute for SB 84**, on page 7, following line 8, by inserting:

"New Sec. 11. (a) There is hereby established the combating white collar crimes and information technology scholarship fund to be administered by the state board of regents. The executive officer shall remit all moneys received that are paid due to failure of a scholarship recipient to satisfy the obligations under any agreement entered into pursuant to this section to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the combating white collar crimes and information technology scholarship fund. All expenditures from the combating white collar crimes and information technology scholarship fund shall be for scholarships awarded under this section and shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the executive officer or such officer's designee.

(b) Within the limits of appropriations therefor, a scholarship may be awarded to any qualified student. The amount of each scholarship shall be established annually by the state board of regents. Applications for scholarships from the fund shall be in a form and manner as determined by the state board of regents. The determination of the individuals qualified for scholarships shall be made by the state board of regents and shall be awarded on a priority basis to qualified applicants that are attending a designated educational institution. Any scholarship awarded by the state board of regents shall be subject to the applicant entering into an agreement with the state board of regents and subject to repayment for failure to complete the requirements

of such agreement.

(c) As a condition of the awarding of a scholarship, an eligible student shall enter into a scholarship agreement with the state board of regents. Such scholarship agreement shall require the qualified student to:

(1) Enroll as a full-time or part-time student at a designated educational institution and complete their program of study;

(2) maintain satisfactory academic progress toward the completion of their program of study; and

(3) within six months of the completion of their program of study, work in that field on a full-time or part-time basis for a period of not less than the length of the course of instruction for which the scholarship was awarded or on a part-time basis in Kansas for a period of time that is equivalent to full-time, as determined by the state board of regents.

(d) Upon the failure of any person to satisfy the obligations under any agreement entered into pursuant to this section, such person shall pay to the state board of regents an amount equal to the total amount of money received by such person pursuant to such agreement plus accrued interest at a rate that is equivalent to the interest rate applicable to loans made under the federal PLUS program at the time such person first entered into an agreement plus five percentage points. Installment payments of such amounts may be made in accordance with rules and regulations of the state board of regents, except that such installment payments shall commence six months after the date of the action or circumstances that cause the failure of the person to satisfy the obligations of such agreements, as determined by the state board of regents based upon the circumstances of each individual case. Amounts paid to the state board of regents shall be deposited in the combating white collar crimes and information technology scholarship fund.

(e) The state board of regents may adopt rules and regulations necessary to effectuate the provisions of this section.

(f) As used in this section:

(1) "Qualified student" means a person who is:

(A) A resident of Kansas;

(B) enrolled at least half-time at a designated educational institution in an educational and training program determined by the state board of regents as combating white collar crimes or information technology and that addresses electronic security; and
