The Honorable Brenda Landwehr, Chairperson
House Committee on Health and Human Services
Statehouse, Room 352C-S
Topeka, Kansas 66612

Dear Representative Landwehr:

SUBJECT: Fiscal Note for HB 2161 by House Committee on Health and Human Services

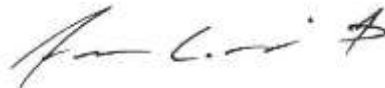

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2161 is respectfully submitted to your committee.

HB 2161 would amend existing law concerning the Kansas Board of Cosmetology. The bill would:

1. Change the agency name to the Kansas Board of Cosmetology, Body Art and Tanning in order to include all professions licensed by the Board;
2. Allow the Board to provide reciprocity to manicurists and ease reciprocity requirements for the cosmetology professions;
3. Establish charitable event and demonstration permits;
4. Clarify the wording for the reinstatement fee;
5. Set the time limit for temporary permit expiration;
6. Establish temporary permit expiration and apprentice licensing requirements;
7. Provide the Board disciplinary authority for unlicensed body art practice and for employing or allowing unlicensed practice;
8. Establish Kansas Administrative Procedure Act authority for the body art and tanning professions and allow for hearing reimbursements; and
9. Increase the limitations on a number of agency fees.

According to the Board of Cosmetology, enactment of HB 2161 could result in additional revenues of \$5,280 per fiscal year beginning in FY 2022. This estimate is based on issuance of two demonstration permits per month and two charitable event permits per month at a maximum cost of \$150 per demonstration permit and \$70 per charitable event permit ($\$150 \times 24 = \$3,600 + \$70 \times 24 = \$1,680$). The agency indicates that office staff and field staff would each spend about 30 minutes processing these permits for a total of 48 hours of processing per fiscal year. The cost for the staff time to process the permits would be expected to be no more than \$1,000 and the cost to administer other changes contained in the bill could be handled within existing resources. Any fiscal effect associated with HB 2161 is not reflected in *The FY 2022 Governor's Budget Report*.

Sincerely,
