The Honorable Rick Billinger, Chairperson
Senate Committee on Ways and Means
Statehouse, Room 545-S
Topeka, Kansas 66612

Dear Senator Billinger:

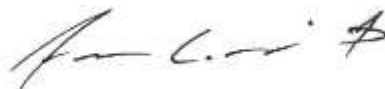

SUBJECT: Fiscal Note for SB 140 by Senator McGinn

In accordance with KSA 75-3715a, the following fiscal note concerning SB 140 is respectfully submitted to your committee.

SB 140 would change the membership and requirements of the Kansas State Employees Health Care Commission. Under current law, one of the members must be a current state employee in the classified service under the Kansas Civil Service Act and another member must be a person who retired from a position in the classified service under the Kansas Civil Service Act. The bill would remove the above requirements for membership. SB 140 would specify that one member must be a current state employee who is currently enrolled in the State Healthcare Benefits Program Group Health Insurance Medical Plan. The other member would be a person who retired from a position in state service and who is currently enrolled in the State Healthcare Benefits Program Group Health Insurance Medical Plan.

According to the Department of Administration, enactment of SB 140 would have no fiscal effect on agency operations.

Sincerely,

Adam Proffitt
Director of the Budget
