

Healing Arts School Clinics; HB 2124

HB 2124 clarifies the authority of healing arts school clinics to provide healing arts services. The bill allows schools statutorily exempted from State Board of Regents (Board) approval requirements to be exempted from the prohibition on the corporate practice of medicine. Current law requires that for a school clinic to be exempted from the prohibition on the corporate practice of medicine, the school must be approved by the Board.

The bill allows off-site clinics owned or operated by a school in partnership with other providers to engage in the practice of healing arts.
