EXPLANATION OF VOTE

MR SPEAKER: I vote no on **H Sub for Sub HB 2512**. We have a clear mandate from our constituents back home and the Kansas Supreme Court: Keep public schools fully funded. The state's budget reflects its values and I simply cannot support a budget that compromises our education system. Public education does not serve the public; it creates a public. Without fully-funded schools, we undermine the future of Kansas and the long-term prospects of everything else we do in this building. Playing political games to appease for-profit, faceless entities at the price of our kids is a gross misuse of legislative authority that I will not support. I cannot support this budget. – VALDENIA WINN, CINDY NEIGHBOR, MARI-LYNN POSKIN, JERRY STOGSDILL, JIM GARTNER, STEPHANIE CLAYTON, HEATHER MEYER, CHRISTINA HASWOOD, BRODERICK HENDERSON, TOM BURROUGHS, LINDSAY VAUGHN, STEPHANIE BYERS, MIKE AMYX, SYDNEY CARLIN, SUSAN RUIZ, LINDA FEATHERSTON, CHUCK SCHMIDT

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on **HB 2615**. I represent an outstanding school district. This bill will not alter that fact – but instead will give that school board local control over the details of how this bill is implemented. It might make a dent in our dismal proficiency numbers across the state, and it will be life-changing for a student who is allowed to attend a school that better meets their individual needs. – SUSAN HUMPHRIES, SUSAN OLIVER ESTES

MR. SPEAKER: I vote no on **Sub for HB 2615**. Unified school districts are the foundation of our state educational system. They are responsible for educating all students within their boundaries. This bill requires school districts to provide an education not only to their own students, but for other districts' students, as well. School districts should be able to determine their own processes for accepting nonresident transfer students. – JO ELLA HOYE

HB 2631, AN ACT concerning education; relating to college and career readiness; enacting the career technical education credential and transition incentive for employment success act; providing state aid to school districts for students obtaining a credential; exempting national assessment providers from the student online personal protection act; amending K.S.A. 72-6332 and repealing the existing section, was considered on final action.

EXPLANATIONS OF VOTE

MR SPEAKER: I vote no on **H Sub Sub 267**. We have a crisis in our corrections facilities and the failure of this budget to fully fund KDOC requests for salary increases for our corrections officers is irresponsible use of government spending. A crisis based on lack of staffing is only propagated by failure to reward our correction officers who are putting in more hours with higher risks. We are hemorrhaging senior officers every day and the cut of the requested funding will result in an even deeper crisis within our corrections facilities. The first responsibility of the State, public safety, is not being addressed. — DAVID FRENCH

MR SPEAKER: I vote no on **H Sub for Sub for SB 267**. I cannot support this budget. This budget extends the MCO contract to the tune of \$4 billion, with a no-bid process, potentially violating law. It extends the existing managed care organization contracts by one year. There is no competition, no room for questions, no accountability. This is wholly irresponsible and I refuse to spend taxpayer dollars in such a reckless manner. — MARI-LYNN POSKIN, DAN OSMAN, JERRY STOGSDILL, STEPHANIE S. CLAYTON, CHRISTINA HASWOOD, LINDSAY VAUGHN, STEPHANIE BYERS, SYDNEY CARLIN, KATHY WOLFE MOORE, DENNIS “BOOG” HIGHBERGER, ANNIE KUETHER, CINDY NEIGHBOR, JASON PROBST, BRANDON WOODARD, SUSAN RUIZ, TOM SAWYER

MR SPEAKER: I vote no on **H Sub for Sub for SB 267**. This week is the 12-year anniversary of the Affordable Care Act yet Kansans continue unnecessarily dying because of self-righteous legislative obstruction. The budget reflects our priorities. Preventing death is a worthy investment. Now more than ever, there is money available to expand Medicaid. That reality is not reflected in this budget. In fact, it will cost Kansas \$68 million not to expand. I cannot support a budget that does not include Medicaid expansion and does not seek to stop the profuse bleeding we have seen in rural hospital closures, thousands of unnecessary deaths, and lack of preventative care for hardworking Kansans. — HEATHER MEYER

MR. SPEAKER: I vote no on **H Sub for Sub for SB 267**. This week is the 12-year anniversary of the Affordable Care Act. Since January 1, 2014, Kansas has lost out on \$5,419,631,900. This year, Kansas will lose another \$1.3 billion. Expanding Medicaid would create 13,000 new jobs, and subsequently bring in more tax revenue. Over 7,400 military veterans and their spouses would gain access to affordable, accessible health care. The money is available to expand Medicaid. Not doing so is economically irresponsible and I cannot support a budget that doesn't include expansion. – VALDENIA C. WINN, BRODERICK HENDERSON, LINDA FEATHERSTON, JO ELLA HOYE

MR. SPEAKER: I reluctantly vote Yes on **H Sub Sub SB 267**. The SGF budget for FY 2023 is now over \$8.7 billion. The SGF budget has grown a shocking 24.9% in the last 4 years. Some of the spending increases were truly necessary, and some were forced by the courts, but the current budget threatens our ability to meaningfully cut taxes later in this session. Further, it belies our claim to be “small government” conservatives. As the federal budget in Washington DC is now totally out of control, we need Kansas to chart a better path. – PAUL WAGGONER

SB 367, AN ACT concerning crimes, punishment and criminal procedure; relating to property seized by law enforcement; requiring officers to file copies of receipts with the court when property is seized under a search warrant; providing requirements and procedures for destruction or disposition of dangerous drugs and return or disposition of weapons; amending K.S.A. 2021 Supp. 22-2512 and repealing the existing section, was considered on final action.

EXPLANATION OF VOTE

Mr. Speaker: I do not like lawyer advertising. I do not like drug company advertising. I don't like a lot of things I see courtesy of the advertising industry. But I respect the rights of others to advertise and say things which I believe are in poor taste, and things with which I vehemently disagree. When we restrict the right of free speech we do so at our constituents' financial peril. Today, we spent 2.375 million dollars of taxpayer money because the legislature violated the constitution. Someday a future legislature will be paying a similar bill because of this legislation. I therefore vote No on **SB 150** – JOHN CARMICHAEL, TREVOR JACOBS

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following concurrent resolution was introduced and read by title:

HOUSE CONCURRENT RESOLUTION No. **HCR 5034**—

By Representatives Murphy, Awerkamp, Bergquist, Blex, Collins, Ellis, Esau, French, Garber, Helmer, Hoffman, Howell, Jacobs, Lee-Hahn, Neelly, Newland, Penn, Proctor, Resman, Rhiley, Seiwert, Sutton, Tarwater, Thomas, Waggoner and K. Williams

A CONCURRENT RESOLUTION stating findings of the legislature and directing the joint committee on fiduciary financial institutions oversight to study and draft legislation relating to environmental, social and governance standards.

WHEREAS, The Kansas Legislature and the people of Kansas acknowledge the Constitution of the State of Kansas and the United States Constitution as the supreme law of the land that cannot be usurped in any form or by any outside forces, including those that may come from outside the United States; and

WHEREAS, The rights and freedoms of the people of Kansas are increasingly threatened by the alliance of large corporations, banks, investors and governmental entities in their efforts to impose environmental, social and governance (ESG) standards; and

WHEREAS, ESG standards are intended to alter how businesses and investments are evaluated so that instead of focusing on the quality of goods and services, profits and other traditional economic metrics, businesses and investments are instead evaluated based on various environmental, social justice or corporation governance causes and assigned scores so that they can be compared, rewarded or potentially punished according to such factors; and

WHEREAS, Central banks, governments and wealthy investors have invested trillions of dollars into ESG-related investments; and

WHEREAS, The Glasgow Financial Alliance for Net Zero (GFANZ), a group supported by the Biden administration, claims to have more than 450 banks, insurers and other asset managers in dozens of countries as members, as well as \$130 trillion in assets; and

WHEREAS, The widespread use of ESG standards by central banks, financial institutions, corporations and governments threatens to restrict individual and economic rights and to usurp legislative processes, the Constitution of the State of Kansas and the United States Constitution; and

WHEREAS, Klaus Schwab, founder and executive chairman of the World Economic Forum, has called for a fundamental change to Americanism when he said, "the world must act jointly and swiftly to revamp all aspects of our societies and economies, from education to social contracts and working conditions. Every country, from the United States to China, must participate, and every industry, from oil and gas to tech, must be transformed. In short, we need a 'Great Reset' of capitalism"; and

WHEREAS, Larry Fink, the CEO of Blackrock, the world's largest asset management company, and most powerful person on Wall Street, promises to use ESG scores as a way to alter society. Fink has said, "every company and every industry will be transformed by the transition to a net-zero world...the question is, will you lead, or will you be led?"; and

WHEREAS, The threat to our individual freedoms from the use of ESG standards will increase significantly if the Federal Reserve adopts a digital currency, which could help banks and governments track all spending across the entire United States economy; and

WHEREAS, According to a report by the accounting firm KMPG, thousands of companies located in more than 50 countries already use ESG standards, including 82% of large companies in the United States; and

WHEREAS, ESG standards are designed to create a "great reset" of capitalism and to revamp all aspects of our society and economy, from education to social contracts and working conditions; and

WHEREAS, Free market capitalism requires a level playing field and the ability to compete; and

WHEREAS, Various states have considered legislation to address the risks of ESG to their citizens; and

WHEREAS, Legislative efforts to curtail the use and impact of ESG standards have focused on divestment from financial institutions and other businesses that discriminate against vital state sectors and elimination of ESG, social credit or similar metrics that allow discrimination in providing goods and services to individuals and businesses; and

WHEREAS, States, local businesses and families should be able to control their rights, freedoms and choices; and

WHEREAS, Protecting those proper rights and freedoms is the fundamental role of our government: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That the Joint Committee on Fiduciary Financial Institutions Oversight, the sponsors of this resolution and the State Treasurer, where appropriate, at the direction of the Kansas Legislature, shall work with concerned parties to study the topic of ESG standards and shall draft legislation that protects the State of Kansas and its citizens from the use of ESG standards; and

Be it further resolved: That the Joint Committee on Fiduciary Financial Institutions Oversight shall report such committee's finding and recommendations, along with proposed legislation, to the Legislative Coordinating Council in November, 2022, and to the Kansas Legislature on or before January 9, 2023; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to the Chairperson of the Joint Committee on Fiduciary Financial Institutions Oversight and the State Treasurer.

Journal of the House

FORTY-EIGHTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Monday, March 28, 2022, 10:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 120 members present.

Reps. Finney, Schmidt and Victors-Cozad were excused on verified illness.

Reps. Burroughs and Poetter Parshall were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Dear Lord,
 thank You for a new day – a new week.
 As we begin this last week of the regular session,
 I pray a poem that helps us remember what is really important in life.
 “I asked God for strength that I might achieve,
 I was made weak, that I might learn humbly to obey.
 I asked for health, that I might do greater things,
 I was given infirmity, that I might do better things.
 I asked for riches that I might be happy,
 I was given poverty that I might be wise.
 I asked for power, that I might have the praise of men,
 I was given weakness, that I might feel the need of God.
 I asked for all things, that I might enjoy life,
 I was given life, that I might enjoy all things.
 I got nothing that I asked for – but everything I had hope for.
 Almost despite myself, my unspoken prayers were answered.
 I am among all people most richly blessed.”
 (Author Unknown)
 Lord – may we always remember how blessed we are.
 I pray this in the name of Christ, Amen.

The Pledge of Allegiance was led by Rep. Haswood.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Resman are spread upon the Journal:

Today, I am honored to recognize members of the 2021 St. James Academy football team. The team started the season 0-4 in the Eastern Kansas League. Behind the leadership of its 8 seniors and talented junior class the Thunder went on a 9-game winning streak, eventually defeating Andover Central in the state championship game in

Topeka, Kansas on a beautiful afternoon in front of a packed stadium. The team motto for the year is RISE. It was fitting because of all the off-season injuries and a slow start, the team did indeed RISE to meet all the challenges it faced all year. The St. James football team prides itself on sticking to its core values of FAITH, TOUGHNESS, BROTHERHOOD, and 212° always give that extra degree in life. Because of this, they were able to stick together in tough times and forge a way through the difficult times and RISE above the competition.

On the floor today are Coach Tom Radke, Tyler Claiborne, Joshua Bichelmeier, Tiave Watts, Jesse Deibler, Charlie Reece, Aidan Janatello, Holden Artzer and Tre Clark. Additional members are in the gallery.

Please join me in welcoming the Thunder to the House Chamber and recognize them and their achievement.

Rep. Resman presented Coach Radke a framed House certificate in recognition of their championship.

Prayer by Chaplain Brubaker:

Loving and gracious God,
thank You for this beautiful day You have given us.
As our leaders continue to conduct the business before them,
may they be inspired and encouraged by Your love
to avoid the inclination to serve themselves,
and to do what is good and honorable in Your eyes.
May their decisions align with Your design.
Guide their conversations and discussions
that they may reflect your goodness, love and justice.
And when all is said and done,
may the outcome be that which is good for Kansans
and pleasing to You.
I pray this in Your loving and powerful name,
Amen.

The Pledge of Allegiance was led by Rep. Thomas.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Gartner and Rep. Dodson are spread upon the Journal:

Rep. Gartner and Rep. Dodson asked that all Vietnam Veterans join them on the floor. They also recognized those veterans that were in the Gallery.

It is truly an honor to recognize the brave men and women who served our country with honor, pride, and courage during a difficult period in our Nation's history. Unfortunately, closure and resolution were not available to many of these Vietnam Veterans who are with us today. It's great to be here as we honor two of our Kansas Vietnam Veterans.

The Kansas Vietnam Era Medallion Program was signed into law in 2009 and provides for a Vietnam Era Medallion, Medal, and Certificate. The design for the medal and medallion was selected as the best representation of those Veterans who served during this period. Since the program started, the Kansas Commission Veterans Affairs Office has awarded almost 8,000 Medallions, Medals, and Certificates to Kansas Veterans. Rep. Gartner read the Certificate of Appreciation to be given to each Veteran.

Rep. Dodson introduced Vietnam Veteran Dan Rathbun, his wife, Pamela Rathbun and Roland Mayhew, President of the Vietnam Veterans of America Kansas State Council. Dan Rathbun served on active duty in the United States Marine Corps as a Rifleman/Military Policeman from August 18, 1966, until September 10, 1969 and then transferred to the Marine Corps reserve for several years. He served in Vietnam for 1 year and 25 days in 1966.

Representative Gartner introduced Vietnam Veteran, Glenn Fogo. He was joined by his wife, Carol Fogo. He served on active duty in the United States Air Force as a Communications Officer from March 9, 1967, until January 3, 1972. He served in Vietnam from 1969 to 1970.

Each Veteran was presented with a State of Kansas Certificate of Appreciation, a Vietnam Era Medallion and Medal in recognition and appreciation for their service.

For simulcast races the tax imposed on amounts wagered shall be as provided by K.S.A. 74-8823, and amendments thereto. Of the balance of the takeout remaining after deduction of taxes, an amount equal to a percentage, to be determined by the commission, of the gross sum wagered on simulcast races shall be used for purses, as follows:

(h) Except as provided by subsection (j):

(1) If a simulcasting licensee has a license to conduct live horse races and the licensee displays a simulcast horse race:

(A) All breakage proceeds shall be remitted by the licensee to the commission not later than the 15th day of the month following the race from which the breakage is derived and the commission shall remit any such proceeds received to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the Kansas horse breeding development fund created by K.S.A. 74-8829, and amendments thereto.

(2) ~~If a simulcasting licensee has a license to conduct live greyhound races and the licensee displays a simulcast greyhound race, breakage and unclaimed winning ticket proceeds shall be distributed in the manner provided by K.S.A. 74-8821 and 74-8822, and amendments thereto, for breakage and unclaimed winning ticket proceeds from live greyhound races.~~

~~(3) If a simulcasting licensee has a license to conduct live racing of only horses and the licensee displays a simulcast greyhound race, unclaimed winning ticket proceeds shall be distributed in the manner provided by K.S.A. 74-8822, and amendments thereto, for unclaimed winning ticket proceeds from live greyhound races. Breakage for such races shall be distributed for use to benefit greyhound racing as determined by the commission.~~

(4) If a simulcasting licensee has a license to conduct live racing of only greyhounds and the licensee displays a simulcast horse race:

(A) All breakage proceeds shall be remitted by the licensee to the commission not later than the 15th day of the month following the race from which the breakage is derived and the commission shall remit any such proceeds received to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the Kansas horse breeding development fund created by K.S.A. 74-8829, and amendments thereto; and

(B) all unclaimed ticket proceeds shall be remitted by the licensee to the commission on the 61st day after the end of the calendar year and the commission shall remit any such proceeds received to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the Kansas horse breeding development fund created by K.S.A. 74-8829, and amendments thereto.

(j) (1) The commission may authorize any simulcasting licensee to participate in an interstate combined wagering pool with one or more other racing jurisdictions.

(2) If a licensee participates in an interstate pool, the licensee may adopt the takeout of the host jurisdiction or facility. The amount and manner of paying purses from the takeout in an interstate pool shall be as provided by subsection (g).

(3) The tax imposed on amounts wagered in an interstate pool shall be as provided by K.S.A. 74-8823, and amendments thereto. Parimutuel taxes may not be imposed on any amounts wagered in an interstate combined wagering pool other than amounts wagered within this jurisdiction.

(4) Breakage for interstate combined wagering pools shall be calculated in accordance with the statutes and rules and regulations of the host jurisdiction and shall be allocated among the participating jurisdictions in a manner agreed to among the jurisdictions. Breakage allocated to this jurisdiction shall be distributed as provided by subsection (h).

parimutuel pools in the commission's jurisdiction for the purpose of establishing an interstate combined wagering pool.

(6) The participation by a simulcasting licensee in a combined interstate wagering pool does not cause that licensee to be considered to be doing business in any jurisdiction other than the jurisdiction in which the licensee is physically located.

(k) If the organization licensee, facility owner licensee, if any, and the recognized horsemen's group or recognized greyhound owners' group are unable to agree concerning a simulcasting application, the matter may be submitted to the commission for determination at the written request of any party in accordance with rules and regulations of the commission.

EXPLANATIONS OF VOTE

MR. SPEAKER: I think that the process – if you can call it that – regarding this bill over the last two days has been deeply flawed, but because sports gaming is something that many of my constituents want, I will hold my nose and vote YES on **H Substitute for S Substitute for SB 84**. – DENNIS “BOOG” HIGHBERGER

MR. SPEAKER: I vote no in **H Sub for S Sub SB 84** because every life matters. Addiction and suicide are a tragedy, no matter how they occur. That about covers it. – EMIL BERGQUIST

Mr. Speaker: I vote Nay on **H Sub for S Sub SB 84**. Gambling encourages the sins of greed and covetousness and promotes mismanagement of possessions entrusted to us by God. Gambling undermines absolute reliance on God for His provision. Gambling is a potentially addictive behavior, threatens the welfare of our neighbor and militates against the common good. This bill will have negative impacts on families, communities, and our overall society. Instead of creating wealth, this bill will allow the extraction of wealth from Kansans. With the previously stated reasons, and with 61% of Americans living paycheck to paycheck, how can we justify even more gambling? – STEVEN K. HOWE

MR. SPEAKER: I vote “NO” on **Sub SB 84**. As for the establishment party and its leadership for the last 6 years, the Republicans have voted for tax increases, consecutive higher state spending budgets, passed the legalization of drugs, more accessibility of alcohol, and more gambling. Which in return will cause more of the breakdown of our society. I don’t even recognize the Republican party and what they have become as they do not recognize the party platform to protect, value, and maintain a foundation of stability for the traditional family. With this history the Republican party has become a party of vice rather than a party of virtue. –TREVOR JACOBS, RANDY GARBER

MR. SPEAKER: I strongly vote No on **H Sub for S Sub SB 84**. The Kansas Lottery and Extended Lottery had \$700 million in tickets and gaming in FY2021, and the states take was \$180 million. With SB 84 we are expecting \$600+ million in sports betting and we barely net \$8 million in revenue to the state. This is an affront to the taxpayers! Gambling problems have jumped 50% since 2018 when sports wagering first got approval from the courts. And we are making it worse. Sub for SB 84 is an unholy

combination of bad fiscal and bad social policy for the families of Kansas. — PAUL WAGGONER

EXPLANATION OF VOTE

MR SPEAKER: I vote no on **Sub SB 563**. Overall, I support the House map and appreciate the bipartisan teamwork over the last few months. However, I cannot support the State Board of Education map. Procedurally, there was no opportunity for the public to comment and even legislators had minimal notice. This is not how legislation of significant consequence, such as redistricting maps, should be written or passed and I cannot support it. — TOM SAWYER, STEPHANIE CLAYTON, SUSAN RUIZ, STEPHANIE M. FIFTY-FIRST DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Thursday, March 31, 2022, 10:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 121 members present.

Reps. Estes, Poetter Parshall and Schmidt were excused on verified illness.

Rep. Baker was excused on legislative business.

Excused later: Reps. Burroughs, Coleman, Finney, Helmer, Neighbor, L. Ruiz, Samsel, Thompson, Victors and Winn.

Present later: Reps. Baker and Thompson.

Prayer by Rep. Humphries:

Dear God,
Thank You for this day You have given us.
In Proverbs You tell us that “where there is no vision,
the people will perish.”
Everyone here today has a vision of making things
better for Kansans.
However great and good our visions are,
they are limited by the fact that we can only see today.
Give us your vision as you know
what lies ahead for us.
Reveal to us your vision and may we work together
in accomplishing that. As we serve you,
as well as serve the people of Kansas.
I pray this in Your Son’s Name, Amen.

The Pledge of Allegiance was led by Rep. Samsel.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Ballard are spread upon the Journal:

Rep. Ballard was joined at the well by Reps. Megan Lynn, Annie Kuether, Mari-Lynn Poskin, Ponka-We Victors-Cozad, Brenda Landwehr, Sydney Carlin and Kristey Williams.

Good evening, On this final day of Women’s History month, we thought we would share a few of the “21 Fascinating Women’s History Month Facts” compiled by Jo Yurcaba and Elizabeth Berry:

As recent years have painfully indicated, inequality and sexism are still very much

alive and prevalent in the United States and across the world. A recent Pew Research Center survey, 42% of women said they'd experienced gender discrimination at work. They face the "motherhood penalty," in which women earn less money after they become mothers while men who become fathers actually earn more. These prevailing inequities are exactly why **Women's History Month**, which is recognized in March, matters so much.

Sharing Women's History Month facts and the stories of historic women isn't trivial — it helps celebrate those women who paved the way, and those who are fighting for and representing women now.

Representative Megan Lynn:

The first Women's History Day was held in 1909. February 28, 1909, marked the first Woman's History Day in New York City. It commemorated the one-year anniversary of the garment workers' strikes when 15,000 women marched through lower Manhattan. From 1909 to 1910, immigrant women who worked in garment factories held a strike to protest their working conditions. Most of them were teen girls who worked 12-hour days. In one factory, Triangle Shirtwaist Company, employees were paid only \$15 a week. *History.com* describes it as a "true sweatshop." Young women worked in tight conditions at sewing machines, and the factories' owners didn't keep the factory up to safety standards. In 1911, the factory burned down, and 145 workers were killed. It pushed lawmakers to finally pass legislation meant to protect factory workers.

Representative Annie Kuether:

Women's History: from a day, to a week, to a month. An education task force in Sonoma County, California kicked off Women's History Week in 1978 on March 8, International Women's Day, according to the National Women's History Alliance. They wanted to draw attention to the fact that women's history wasn't really included in K-12 school curriculums at the time.

Women's organizations, including the National Women's History Alliance, campaigned yearly to recognize Women's History Week. In 1980, President Jimmy Carter declared the week of March 8 Women's History Week across the country. By 1986, 14 states had declared the entire month of March Women's History Month, according to the Alliance. The following year, in March of 1987, activists were successful: They lobbied Congress to declare March Women's History Month.

Representative Mari-Lynn Poskin:

Every Women's History Month has a theme. "Generations of Courage, Compassion, and Conviction" was the theme of the first Women's History Month in 1987. The 2020 theme was "Valiant Women of the Vote" and honored women from the original suffrage movement, as well as women who continued the struggle in the 20th and 21st century, in recognition of the centennial of the 19th Amendment.

The 2003 theme of "Women Pioneering the Future" seems especially appropriate as women's history hit a milestone in the American West. It was the Wyoming Territorial Legislature that gave every woman the right to vote in 1869. They elected the country's first female governor, Nellie Tayloe Ross, in 1924.

Representative Ponka-We Victors-Cozad:

2016's theme was "Working to Form a More Perfect Union: Honoring Women in Public Service and Government." Today women make up 27 percent of Congress. One-

hundred and forty-five women serve in the United States Congress out of 535 total members. 50 women serve across the Kansas Legislature, 30% of the total. 34 women serve in the Kansas House, 27% of the total. The Kansas Senate counts 16 women members, 40% of that chamber. Though the number of women representatives continues to rise, it's important to keep in mind that the United States population is 50.8 percent female, according to Census data.

This month we lost the first female Secretary of State, Madeleine Albright. As the 64th Secretary of State, she became the highest-ranking woman in the U.S. government. Because of women public servants past and present, society continues to make strides.

Representative Brenda Landwehr:

2018's theme was "Nevertheless, She Persisted: Honoring Women Who Fight All Forms of Discrimination against Women" remains important as the gender pay gap persists. Despite the ever-growing number of women getting degrees, the gender pay gap has narrowed by less than half a cent per year since the Equal Pay Act was signed in 1963, according to *Forbes.com*. Women are paid 82 cents for every dollar that a man makes, with that gap widening even more for women of color, according to 2020 data by the National Women's Law Center.

1991's theme "Nurturing Tradition, Fostering Change" as Eleanor Roosevelt did when she held all-women press conferences. The First Lady held the first press conference for women reporters on March 6, 1933. She would cover issues "of special interest and value to the women of the country," according to the National Women's History Museum. Over the next 12 years she held 348 press conferences for women reporters.

Representative Sydney Carlin:

The 2017 theme was "Honoring Trailblazing Women in Labor and Business." Women make up 57.8 percent of the labor force. And nearly a million women returned to the workforce in 2021, almost double that of men. According to research, 3.3 million of all the jobs added to the economy went to women, while 3.1 million went to men. This, however, should not overlook the jobs women, in particular women of color, lost during the pandemic. Two million women left the workforce as responsibilities such as childcare often fell on their shoulders.

Until Congress passed the Equal Credit Opportunity Act of 1974, women couldn't get credit cards in their own name. They faced hurdles obtaining mortgages and apartment leases without male co-signers. In 2020, women lost a champion: Supreme Court Justice Ruth Bader Ginsburg, who laid the foundation for the Equal Credit Opportunity Act. She also protected many other basic rights women have today, including serving on juries.

Representative Kristey Williams:

"Celebrating Women of Courage and Vision" was the theme for 2001. Today, women make up 14 percent of active-duty military members. Women also make up 23% of officers in the Coast Guard. In January 2013, the U.S. government lifted its ban on women serving in combat positions.

2013's theme "Women Inspiring Innovation Through Imagination: Celebrating Women in Science, Technology, Engineering and Mathematics" was especially appropriate. Marie Skłodowska Curie shared a Nobel Prize in Physics in 1903 with her

husband Pierre for their work in radioactivity. In 1911 she became one of the few people, and only woman, to be awarded a second Nobel Prize, this time in chemistry for her discovery of two new elements, polonium and radium. Curie's research served as the foundation for scientific advancements related to atomic bombs and nuclear medicine. Her daughter and son-in-law also shared a Nobel Prize for Chemistry in 1935 for work in radioactive materials.

Representative Barbara Ballard:

"Providing Healing, Promoting Hope" this year's theme not only honors the tireless work of caregivers and frontline workers during the Covid-19 pandemic, but also women of all backgrounds who have provided compassionate healing and hope for the betterment of patients, friends, and family.

In closing, we should remember the first woman inducted into the Rock & Roll Hall of Fame. Known as the "Queen of Soul," Aretha Franklin was inducted into the Rock & Roll Hall of Fame in 1987 for songs of her own like "(You Make Me Feel Like) A Natural Woman." She was also involved in civil rights activism and performed at President Barack Obama's inauguration in 2009.

And what better way to close out Women's History Month than Aretha's popular song R - E - S - P - E - C - T for women everywhere!

Thank you to our assistant, Travis, for your help in preparing this tribute for Women's History Month.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **CCR for SB 446**. I support the House version of this bill that we passed and I voted FOR last week. I even considered cosponsoring it. However, I saw the possibilities for legal issues if religious “worship” was expanded to “activity,” which it was in the CCR. This creates a situation where 15 year olds will be allowed to drive to school sponsored extracurricular activities such as FCA (Fellowship of Christian Athletes), but not NHS (National Honor Society). They will be allowed to drive to play practice at their church, but not play practice at their school. It sets up more rights for religious activities than school activities. Therefore, I vote NO on **SB 446**. – MARI-LYNN POSKIN, LINDA FEATHERSTON, BRANDON WOODARD, JO ELLA HOYE, SYDNEY CARLIN, LINDSAY VAUGHN

(a) (1) Any individual, firm, partnership, corporation, association or other entity wishing to engage in the business of installing, altering, servicing, replacing or maintaining elevators shall make application for an elevator contractor's license in such form and manner as prescribed by the state fire marshal and shall pay the required initial application fee, which shall not exceed \$500. An applicant shall demonstrate that such applicant employs a licensed elevator mechanic or mechanics to perform the work described in section 6, and amendments thereto, and shall provide proof of compliance with the insurance requirements set forth in section 9, and amendments thereto.

(2) Any individual wishing to engage in installing, altering, repairing or servicing of elevators shall make application for an elevator mechanic's license in such form and manner as prescribed by the state fire marshal and shall pay the required initial application fee, which shall not exceed \$150.

An applicant shall provide proof of compliance with the insurance requirements set forth in section 9, and amendments thereto.

(b) No license shall be issued to any applicant that has not demonstrated the requisite qualifications and abilities required by this act and rules and regulations adopted pursuant thereto. Upon the state fire marshal's approval of an application as having met the requirements for licensure, the state fire marshal shall issue a license. Such license shall be valid for a period of two years and shall be renewable biennially

upon submission of a renewal application and payment of the required renewal application fee, which shall not exceed the initial application fee.

(c) An elevator mechanic license shall be issued, upon application, to an applicant that holds a certificate of completion from the national association of elevator contractors certified elevator technician certification program, national elevator industry education apprenticeship program or other equivalent nationally approved apprenticeship program; holds a valid license from a state having standards substantially equal to those of this act and the rules and regulations adopted pursuant thereto; or those persons who can demonstrate within the first year following enactment that such person has worked as an elevator mechanic without supervision for at least 8,000 hours within six years prior to the date of application.

(d) An elevator contractor's license may be issued, upon application, to an applicant that holds a valid license from a state having standards substantially equal to those of this act and rules and regulations adopted pursuant thereto.

(e) An elevator apprentice is not required to hold a license.

(f) Any city or county that has adopted requirements and standards that meet or exceed the requirements and standards of this act and any rules and regulations adopted pursuant thereto may issue an elevator contractor's license or elevator mechanic's license in accordance with such requirements and standards. Any such license shall specify that it is issued by such city or county. No such license shall be issued in lieu of any license issued by the state fire marshal or authorize the licensee to perform work as an elevator contractor or elevator mechanic outside the jurisdiction of the issuing city or county.

New Sec. 9. (a) Elevator contractors shall submit proof to the state fire marshal of a current insurance policy issued by an insurance company authorized to do business in this state that provides general liability coverage of at least \$1,000,000 for injury or death of any number of persons in any one occurrence, with coverage of at least \$500,000 for property damage in any one occurrence and proof of workers compensation insurance coverage as required by Kansas law.

(c) Proof of such policies shall be delivered to the state fire marshal with the application for the license. A licensee shall provide the state fire marshal of notice of any material alteration or cancellation of any policy at least 10 days prior to the effective date of such change in the policy.

New Sec. 10. (a) Whenever the state fire marshal determines an emergency exists in the state due to a disaster, an act of God or work stoppage and the number of persons in the state holding elevator mechanic's licenses is determined by the state fire marshal to be insufficient to cope with the emergency, the state fire marshal may issue emergency elevator mechanic's licenses as necessary to assure the safety of the public.

An elevator contractor or applicant for an emergency mechanic's license shall furnish such proof of competency as may be required by rules and regulations adopted pursuant to this act.

(b) An elevator contractor shall notify the state fire marshal when there are no licensed elevator mechanics available to perform work requiring such license. The elevator contractor may request that the state fire marshal issue temporary elevator mechanic's licenses to individuals certified by the licensed elevator contractor to have an acceptable combination of documented experience and education to perform such work without the direct and immediate supervision of a licensed elevator mechanic. Any individual who is certified as such by an elevator contractor may apply for a temporary elevator mechanic's license in such form and manner as prescribed by the state fire marshal. The applicant shall pay the required application fee with such application, which shall not exceed \$50. The state fire marshal may issue a temporary elevator mechanic's license if the state fire marshal finds that the requirements for such licenses have been met.

New Sec. 11. (a) An application for a license may be denied or a license may be suspended or revoked by the state fire marshal upon a finding that one or more of the following have been committed by the applicant or licensee:

(1) Any willfully false statement or willful omission as to a material matter made in the process of securing a license or renewal of a license. A material matter is a fact relevant to a question or line of inquiry in the applicable application form or in additional inquiry of the applicant by the state fire marshal that if made known to the state fire marshal could constitute a basis for a denial of the application under this act or rules and regulations adopted pursuant thereto;

(2) fraud, misrepresentation or bribery in securing a license;

(3) failure to notify the state fire marshal and the owner of an elevator or the owner's agent when:

(A) Any elevator is being operated in this state that is not in compliance with this act or rules and regulations adopted pursuant thereto; and

(B) that such noncompliance was known by the licensee or reasonably should have been known by the licensee;

(4) failure to maintain any requirement or to notify the state fire marshal of any material alteration or change relating to any requirement that is necessary to obtain or renew a license that is in nature a continuing requirement, including, but not limited to, insurance requirements; or

(5) any violation of this act or rules and regulations adopted pursuant thereto.

(b) A license may be suspended or revoked upon a finding by the state fire marshal that facts and circumstances exist that require suspension or revocation of the license to protect the safety of the public, including, but not limited to, facts and circumstances going to the competence, ability or fitness of the licensee to safely conduct the work or activities permitted by the license in a manner that does not risk the safety or well-being of co-workers, employees or the public.

(c) An elevator inspector license may be suspended or revoked upon a finding by the state fire marshal that the licensed elevator inspector has performed duties incompetently, demonstrated untrustworthiness, falsified any matter or statement contained in any application or report or failed to report findings of any inspection made by such licensee to the state fire marshal as required under section 16, and amendments thereto. Such a suspension or revocation shall be effective upon receipt of notice of the suspension or termination by the licensee or the licensee's employer.

(d) Except as otherwise provided by this act, no license shall be suspended or revoked until after a written order issued by the state fire marshal has been served to the licensee who committed the violation. Such order shall state the violation, the penalty to be imposed and the right of the person to request a hearing as provided in section 13, and amendments thereto. The state fire marshal may issue emergency orders, including, but not limited to, immediate suspensions or revocations of a license, as provided by the Kansas administrative procedure act.

New Sec. 12. (a) In addition to any other penalty provided by law, the state fire marshal, upon a finding that any owner, lessee or operator of an elevator, or owner or lessee of a building or structure in which an elevator is located, has violated, knowingly permitted a violation or negligently failed to detect, report or correct a violation of any provision of this act or rules and regulations adopted pursuant thereto with regard to the construction, installation, maintenance, inspection or operation of an elevator, is authorized to impose a civil penalty not to exceed \$1,000 per violation for each day of such unlawful operation or violation. Such civil penalty shall constitute an actual and substantial economic deterrent to the violation for which the penalty is assessed.

(b) In addition to any other penalty provided by law, the state fire marshal, upon a finding that any licensee has violated, knowingly permitted a violation or negligently failed to detect, report or correct a violation of any provision of this act or rules and regulations adopted pursuant thereto, is authorized to impose a civil penalty not to exceed \$1,000 per violation. Such civil penalty shall constitute an actual and substantial economic deterrent to the violation for which the penalty is assessed.

(c) No civil penalty shall be imposed except upon the written order of the state fire marshal to the person who committed the violation. Such order shall state the violation, the penalty to be imposed and the right of the person to request a hearing as provided in section 13, and amendments thereto.

(d) All fines assessed and collected under this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the elevator safety fee fund.

New Sec. 13. (a) Any individual, sole proprietor, firm, partnership, association or corporation aggrieved by an order issued by the state fire marshal pursuant to the provisions of this act may request a hearing on such order within 15 days from the date of the service of such order by filing such request in writing with the state fire marshal. Such hearing shall be conducted in accordance with the provisions of the Kansas administrative procedure act. The filing of a request for a hearing shall not abate or operate as a stay of the effect of an emergency order or an order to cease and desist or a

stop work order unless otherwise stated in such order.

(b) Except as otherwise provided, all administrative proceedings by the state fire marshal under this act shall be conducted in accordance with the provisions of the Kansas administrative procedure act.

(c) Judicial review and civil enforcement of agency actions under this act shall be in accordance with the Kansas judicial review act.

New Sec. 14. It shall be the responsibility of a licensee to ensure that the design, construction, installation, operation, inspection, testing, maintenance, alteration and repair of an elevator is performed in compliance with the provisions of the state safety and fire prevention act, K.S.A. 31-132 et seq., and amendments thereto.

New Sec. 15. (a) No elevator shall be erected, constructed, installed or altered within or adjacent to a building or structure unless a valid permit is obtained from the state fire marshal. Such permit shall be issued prior to the commencement of any work on such elevator. A permit shall only be issued to a licensed elevator contractor. A copy of such permit shall be kept at the construction site at all times while the work is in progress. Notwithstanding the issuance of a permit, no work shall be performed on any such elevator if the state fire marshal has issued a stop work order for such elevator.

(b) A licensed elevator contractor may apply for a permit in such form and manner as prescribed by the state fire marshal. The applicant shall pay the required permit fee with such application, which shall not exceed \$400.

(c) A permit may be revoked by the state fire marshal for any of the following reasons:

(1) Any false statement or misrepresentation exists as to the material facts in the application, or in the plans or specifications on which the permit was based;

(2) the permit was issued in error and should not have been issued in accordance with the provisions of this act;

(3) the work detailed under the permit is not being performed in accordance with the provisions of the application, or in the plans or specifications on which the permit was based, or is not in accordance with the code; or

(4) the licensed elevator contractor to whom the permit was issued fails or refuses to comply with a stop work order issued by the state fire marshal.

(d) (1) A permit shall expire:

(A) If the work authorized by such permit is not commenced within six months after the date of issuance, or within a shorter period of time specified by the state fire marshal, in the state fire marshal's discretion, at the time the permit is issued; or

(B) if, after the work has been commenced, the work is suspended or abandoned for a period of 60 days, or such shorter period of time as specified by the state fire marshal, in the state fire marshal's discretion, at the time the permit is issued.

(2) For good cause, the state fire marshal, in the state fire marshal's discretion, may allow an extension of any of the periods of time set forth in this subsection.

(e) This section shall not apply to any elevator to be erected, constructed, installed

or altered in any city or county that has adopted requirements or standards that meet or exceed the requirements or standards of this act and any rules and regulations adopted pursuant thereto.

New Sec. 16. (a) It shall be the responsibility of the owner of any new or existing elevator or the owner's agent to have such elevator inspected annually by a licensed elevator inspector. Upon such inspection, the licensed elevator inspector shall provide the owner of the elevator or the owner's agent, the owner or lessee of the property where such elevator is located and the state fire marshal with a written inspection report describing any and all code violations. The owner of the elevator or the owner's agent shall have 30 days from the date of the inspection report to be in full compliance by correcting such violations. The state fire marshal may grant additional 30-day extensions of time if the state fire marshal determines good cause has been shown and the safety of the public will not be endangered.

(b) It shall be the responsibility of the owner of any elevator or the owner's agent to have a licensed elevator contractor conduct all required tests at the intervals required by this act and rules and regulations adopted pursuant thereto. All tests shall be performed by a licensed elevator mechanic.

(c) This section shall not apply to any elevator located in a city or county that has adopted requirements or standards that meet or exceed the requirements or standards of this act and any rules and regulations adopted pursuant thereto.

New Sec. 17. (a) For any elevator installed prior to July 1, 2022, the owner of the elevator or the owner's agent shall apply for a certificate of operation on or before July 1, 2023. Such application shall be in such form and manner as prescribed by the state fire marshal and shall include a copy of the most recent inspection report required pursuant to section 16, and amendments thereto, and payment of the required application fee, which shall not exceed \$100.

(b) For any elevator installed on or after July 1, 2022, and prior to January 1, 2023, the owner of such elevator or the owner's agent shall apply for a certificate of operation within six months after such elevator is placed into operation. Such application shall be in such form and manner as prescribed by the state fire marshal and shall include a certification by the licensed elevator contractor that such installation was performed in compliance with the applicable provisions of this act and rules and regulations adopted pursuant thereto and payment of the required application fee, which shall not exceed \$100.

(c) On and after January 1, 2023, before a newly installed elevator may be placed into operation, the licensed elevator contractor that performed the new installation shall apply for a certificate of operation. Such application shall be in such form and manner as prescribed by the state fire marshal and shall include a certification by the licensed elevator contractor that such installation was performed in compliance with the applicable provisions of this act and rules and regulations adopted pursuant thereto and payment of the required application fee, which shall not exceed \$100.

(d) The state fire marshal shall grant applications and renewal applications for certificates of operation if the state fire marshal finds the applicant has demonstrated to the state fire marshal's satisfaction that all applicable provisions of this act and rules and

regulations adopted pursuant thereto have been met, the elevator will be operated in accordance with the rules and regulations adopted pursuant to this act and operation of the elevator will not present a danger to the public.

(e) A certificate of operation shall be valid for one year from the date of issuance and may be renewed upon application submitted to the state fire marshal and payment of the required renewal fee, which shall not exceed the initial application fee. An application for a renewal certificate shall be accompanied by an inspection report for an inspection performed within the immediately preceding 12 months.

(f) Certificates of operation shall be clearly displayed on or in each elevator or in the machine room for such elevator. Each certificate of operation shall state that the elevator has been inspected, tested and found to be in compliance with all applicable standards of operation.

(g) This section shall not apply to any elevator located in a city or county that has adopted requirements and standards that meet or exceed the requirements and standards of this act and any rules and regulations adopted pursuant thereto.

New Sec. 18. (a) The state fire marshal shall establish a registry of elevators that are in operation and for which a certificate of operation has been issued and shall maintain the information provided under subsection (b) as part of such registry.

(b) On or before July 1, 2023, each elevator that was in operation on or before July 1, 2022, for which a certificate of operation has been issued pursuant to section 17, and amendments thereto, shall be registered with the state fire marshal. Such registration shall include:

(1) The name of the owner of such elevator, the owner's agent, if any, and the operator of the elevator;

(2) the type;

(3) the rated load and speed;

(4) the name of the manufacturer;

(5) the location and purpose for which such elevator is used; and

(6) such additional information as may be required by rules and regulations adopted pursuant to this act.

(c) Any elevator that is placed into service and for which a certificate of operation is issued after July 1, 2022, shall be registered at such time as a certificate of operation is issued for such elevator. The registration for any such elevator shall include that information described in subsection (b).

(d) This section shall not apply to any elevator located in a city or county that has adopted requirements and standards that meet or exceed the requirements and standards of this act and any rules and regulations adopted pursuant thereto. Any such city or county shall establish and maintain a registry of elevators located in such city or county that are in operation. Such registry shall include that information described in subsection (b)(1) through (6).

New Sec. 19. (a) Any person may request an investigation into an alleged violation

of this act or rules and regulations adopted pursuant thereto, or the installation, servicing, maintenance or operation of an elevator that appears to place the public or persons using such elevator in danger by notifying the state fire marshal of such violation or danger. Such request shall be in writing, setting forth in reasonable particularity the grounds for the request and be signed by the person making the request.

(b) Such request, notice and any records relating to the request shall be confidential and shall not be disclosed by the state fire marshal unless ordered to be disclosed by a court of competent jurisdiction. The provisions of this subsection shall expire on July 1, 2027, unless the legislature reviews and reenacts such provisions in accordance with K.S.A. 45-229, and amendments thereto, prior to July 1, 2027.

(c) Upon receipt of such notification, the state fire marshal shall investigate the alleged violation as soon as practicable, and to the extent determined appropriate by the state fire marshal, determine if such violation or danger exists and may issue such orders as the state fire marshal deems necessary to avoid danger to the public during such investigation. If the state fire marshal determines that there are no reasonable grounds to believe that a violation or danger exists, the state fire marshal shall notify in writing the person who submitted the request for investigation and the owner of the elevator or the owner's agent of such determination. If the state fire marshal determines that a violation or danger exists, the state fire marshal shall revoke the certificate of operation for such elevator, issue such orders as the state fire marshal deems necessary to address the violation or danger or take such other actions as provided by this act to address the violation or danger.

New Sec. 20. (a) On or before January 1, 2023, the state fire marshal shall adopt rules and regulations necessary to implement and enforce the provisions of this act. Sec. 3. K.S.A. 2021 Supp. 21-6610 is hereby amended to read as follows: 21-6610.

(a) When a defendant is placed on parole by the district court, on probation, assigned to a community correctional services program by a district court or under suspended sentence and such defendant is permitted to go from the judicial district of that court, supervision over the defendant may be transferred from that judicial district to another with the concurrence of the receiving chief court services officer, or if in a community corrections services program, by the concurrence of the director of the receiving program.

~~(b) The district court from which the defendant is on parole, probation, community correctional services program or suspended sentence may retain jurisdiction of the defendant.~~

~~(c) When a defendant described in subsection (a) is sentenced pursuant to K.S.A. 2021 Supp. 21-6824, and amendments thereto, the district court from which the defendant is on parole, on probation, assigned to a community correctional services program or under suspended sentence may transfer jurisdiction of the defendant with the concurrence of the receiving district court and all parties.~~

(c) (1) When a defendant described in subsection (a) is being sentenced and is already being supervised on parole, probation, assignment to a community correctional services program or under suspended sentence, the district court by which the defendant is currently being supervised may use the guidelines provided in this subsection to determine whether it is appropriate to transfer jurisdiction of the defendant to a different district court.

(2) If the new sentence would place the defendant under the supervision of two supervision entities or agencies, the court may consider:

(A) Granting jurisdiction to the court with jurisdiction over the offense that has the longest underlying sentence of imprisonment; and

(B) whether the severity of the new offense requires a higher level of supervision. If a higher level of supervision is not required, there may be a preference for

maintaining supervision of the defendant by the current supervising entity or agency for the duration of supervision. If a higher level of supervision is required, there may be a preference for transferring supervision responsibility of the defendant to the appropriate supervision entity or agency for the duration of supervision.

(3) If two or more supervision entities or agencies are supervising the defendant for sentences that are equal, the court may consider:

(A) The residency of the defendant;

(B) the ability of the defendant to travel to the supervision office from the defendant's residence, place of employment and school;

(C) resources for residential and nonresidential sanctions or rehabilitative treatment available from each supervision entity or agency; and

(D) the level of supervision available to the defendant by each supervision entity or agency.

(d) The district court from which the defendant is on parole, probation, assignment to a community correctional services program or suspended sentence may retain jurisdiction of the defendant. If the court retains jurisdiction, the defendant shall be supervised by one supervision entity or agency. The department of corrections and the office of judicial administration shall enter into a memorandum of understanding providing that a defendant on parole, probation, assignment to a community correctional services program or suspended sentence shall be supervised by one supervision entity or agency. Such memorandum of understanding shall include, but not be limited to, provisions related to:

(1) The criteria for determining the most appropriate supervision entity or agency;

(2) how the financial obligations of supervision will be managed;

(4) sanctions for violation of supervision;

(5) standards for seeking revocation of parole, probation, assignment to a community correctional services program or suspended sentence;

(6) termination of supervision; and

(7) information sharing between supervision entities or agencies.

Sec. 4. K.S.A. 2021 Supp. 21-6814 is hereby amended to read as follows: 21-6814. (a) The offender's criminal history shall be admitted in open court by the offender or determined by a preponderance of the evidence at the sentencing hearing by the sentencing judge.

(b) Except to the extent disputed in accordance with subsection (c), the summary of the offender's criminal history prepared for the court by the state shall satisfy the state's burden of proof regarding an offender's criminal history.

(c) Upon receipt of the criminal history worksheet prepared for the court, the offender shall immediately notify the district attorney and the court with written notice of any error in the proposed criminal history worksheet. Such notice shall specify the exact nature of the alleged error. The state shall have the burden of proving the disputed portion of the offender's criminal history. The sentencing judge shall allow the state reasonable time to produce evidence to establish its burden of proof. If the offender later challenges such offender's criminal history, which has been previously established, the burden of proof shall shift to the offender to prove such offender's criminal history by a preponderance of the evidence.

(d) If an offender raises a challenge to the offender's criminal history for the first

time on appeal, the offender shall have the burden of designating a record that shows prejudicial error. If the offender fails to provide such record, the appellate court shall dismiss the claim. In designating a record that shows prejudicial error, the offender may provide the appellate court with journal entries of the challenged criminal history that were not originally attached to the criminal history worksheet, and the state may provide the appellate court with journal entries establishing a lack of prejudicial error. The court may take judicial notice of such journal entries, complaints, plea agreements, jury instructions and verdict forms for Kansas convictions when determining whether prejudicial error exists. The court may remand the case if there is a reasonable question as to whether prejudicial error exists.

Sec. 5. K.S.A. 2021 Supp. 21-6820 is hereby amended to read as follows: 21-6820. (a) A departure sentence or a ruling on a motion filed pursuant to K.S.A. 22-3504, and amendments thereto, is subject to appeal by the defendant or the state. The appeal shall be to the appellate courts in accordance with rules adopted by the supreme court.

(b) Pending review of the sentence, the sentencing court or the appellate court may order the defendant confined or placed on conditional release, including bond.

(c) On appeal from a judgment of conviction entered for a felony committed on or after July 1, 1993, the appellate court shall not review:

- (1) Any sentence that is within the presumptive sentence for the crime; or
- (2) any sentence resulting from an agreement between the state and the defendant which the sentencing court approves on the record.

(d) In any appeal from a judgment of conviction imposing a sentence that departs from the presumptive sentence prescribed by the sentencing grid for a crime, sentence review shall be limited to whether the sentencing court's findings of fact and reasons justifying a departure:

- (1) Are supported by the evidence in the record; and
 - (2) constitute substantial and compelling reasons for departure.
- (e) In any appeal from a judgment of conviction, the appellate court may review a claim that:

(1) A sentence that departs from the presumptive sentence resulted from partiality, prejudice, oppression or corrupt motive;

(2) the sentencing court erred in either including or excluding recognition of a prior conviction or juvenile adjudication for criminal history scoring purposes; or

(3) the sentencing court erred in ranking the crime severity level of the current crime or in determining the appropriate classification of a prior conviction or juvenile adjudication for criminal history purposes.

(f) The appellate court may reverse or affirm the sentence. If the appellate court concludes that the trial court's factual findings are not supported by evidence in the record or do not establish substantial and compelling reasons for a departure, it shall remand the case to the trial court for resentencing.

(g) The appellate court shall issue a written opinion whenever the judgment of the sentencing court is reversed. The court may issue a written opinion in any other case when it is believed that a written opinion will provide guidance to sentencing judges and others in implementing the sentencing guidelines adopted by the Kansas sentencing commission. The appellate courts may provide by rule for summary disposition of cases arising under this section when no substantial question is presented by the appeal.

(h) A review under summary disposition shall be made solely upon the record that

was before the sentencing court. Written briefs shall not be required unless ordered by the appellate court and the review and decision shall be made in an expedited manner according to rules adopted by the supreme court.

(i) The sentencing court shall retain authority irrespective of any ~~notice of appeal for 90 days after entry of judgment of conviction to modify its judgment and sentence to correct any arithmetic or clerical errors to correct an illegal sentence or clerical error pursuant to K.S.A. 22-3504, and amendments thereto.~~ Notwithstanding the provisions of K.S.A. 22-3504, and amendments thereto, if a motion to correct an illegal sentence is filed while a direct appeal is pending, any change in the law that occurs during the pending direct appeal shall apply.

(j) The amendments made to this section by ~~this act~~ section 14 of chapter 59 of the 2019 Session Laws of Kansas are procedural in nature and shall be construed and applied retroactively.

Sec. 6. K.S.A. 2021 Supp. 21-6824 is hereby amended to read as follows: 21-6824. (a) There is hereby established a nonprison sanction of certified drug abuse treatment programs for certain offenders who are sentenced on or after November 1, 2003. Placement of offenders in certified drug abuse treatment programs by the court shall be limited to placement of adult offenders, convicted of a felony violation of K.S.A. 2021 Supp. 21-5705 or 21-5706, and amendments thereto, whose offense is classified in grid blocks:

(2) 5-A, 5-B, 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes, such offender has no felony conviction of K.S.A. 65-4142, 65-4159, 65-4161, 65-4163 or 65-4164, prior to their repeal, K.S.A. 2010 Supp. 21-36a03, 21-36a05 or 21-36a16, prior to their transfer, or K.S.A. 2021 Supp. 21-5703, 21-5705 or 21-5716, and amendments thereto, or any substantially similar offense from another jurisdiction, if the person felonies in the offender's criminal history were severity level 8, 9 or 10 or nongrid offenses of the sentencing guidelines grid for nondrug crimes, and the court finds and sets forth with particularity the reasons for finding that the safety of the members of the public will not be jeopardized by such placement in a drug abuse treatment program.

(b) As a part of the presentence investigation pursuant to K.S.A. 2021 Supp. 21-6813, and amendments thereto, offenders who meet the requirements of subsection (a), unless otherwise specifically ordered by the court, shall be subject to:

(1) A drug abuse assessment which shall include a clinical interview with a mental health professional and a recommendation concerning drug abuse treatment for the offender; and

(2) a criminal risk-need assessment. The criminal risk-need assessment shall assign a risk status to the offender.

(b) An offender who is required to register pursuant to K.S.A. 22-4906(k), and amendments thereto, because of an out-of-state conviction or adjudication may not petition for relief from registration requirements in this state if the offender would be

required to register under the law of the state or jurisdiction where the conviction or adjudication occurred. If the offender would no longer be required to register under the law of the state or jurisdiction where the conviction or adjudication occurred, the offender may file a verified petition pursuant to subsection (a).

(c) Any period of time during which an offender is incarcerated in any jail or correctional facility or during which the offender does not substantially comply with the requirements of the Kansas offender registration act shall not count toward the duration of registration required in subsection (a).

(d) (1) A verified petition for relief from registration requirements shall be filed in the district court in the county where the offender was convicted or adjudicated of the offense requiring registration. If the offender was not convicted or adjudicated in this state of the offense requiring registration, such petition shall be filed in the district court of any county where the offender is currently required to register. The docket fee shall be as provided in K.S.A. 60-2001, and amendments thereto.

(H) the names of all treatment providers and agencies that have treated the offender for mental health, substance abuse and offense-related behavior since the date of the offense or offenses requiring registration.

(3) The judicial council shall develop a petition form for use under this section.

(4) When a petition is filed, the court shall set a date for a hearing on such petition and cause notice of the hearing to be given to the county or district attorney in the county where the petition is filed. Any person who may have relevant information about the offender may testify at the hearing.

(5) The county or district attorney shall notify any victim of the offense requiring registration who is alive and whose address is known or, if the victim is deceased, the victim's family if the family's address is known. The victim or victim's family shall not be compelled to testify or provide any discovery to the offender.

(6) The county or district attorney shall have access to all applicable records, including records that are otherwise confidential or privileged.

(e) (1) The court may require a drug offender who is petitioning for relief under this section to undergo a risk assessment.

(2) Any risk assessment ordered under this subsection shall be performed by a professional agreed upon by the parties or a professional approved by the court. Such risk assessment shall be performed at the offender's expense.

(f) The court shall order relief from registration requirements if the offender shows

by clear and convincing evidence that:

(1) The offender has not been convicted or adjudicated of a felony, other than a felony violation or aggravated felony violation of K.S.A. 22-4903, and amendments thereto, within the five years immediately preceding the filing of the petition, and no proceedings involving any such felony are presently pending or being instituted against the offender;

(2) the offender's circumstances, behavior and treatment history demonstrate that the offender is sufficiently rehabilitated to warrant relief; and

(3) registration of the offender is no longer necessary to promote public safety.

(g) If the court denies an offender's petition for relief, the offender shall not file another petition for relief until three years have elapsed, unless a shorter time period is ordered by the court.

(h) If the court grants relief from registration requirements, the court shall order that the offender be removed from the offender registry and that the offender is no longer required to comply with registration requirements. Within 14 days of any order, the court shall notify the Kansas bureau of investigation and any local law enforcement agency that registers the offender that the offender has been granted relief from registration requirements. The Kansas bureau of investigation shall remove such offender from any internet website maintained pursuant to K.S.A. 22-4909, and amendments thereto.

(i) An offender may combine a petition for relief under this section with a petition for expungement under K.S.A. 2021 Supp. 21-6614, and amendments thereto, if the offense requiring registration is otherwise eligible for expungement.

Sec. 5. K.S.A. 2021 Supp. 21-6614, 22-4902, 22-4906 and 22-4908 are hereby repealed.";

On page 1, following line 15, by inserting:

"New Section 1. The provisions of sections 1 through 6, and amendments thereto, shall be known and may be cited as the Kansas targeted employment act. The purpose of this act shall be to incentivize employers to employ persons with developmental disabilities in Kansas and decrease the reliance and associated costs to taxpayers to fund governmental programs.

New Sec. 2. As used in this act:

(a) "Competitive integrated employment" has the meaning as provided in the workforce innovation and opportunity act, 29 U.S.C. § 3101 et seq., as defined in 29 U.S.C. § 3102, 34 C.F.R. § 361.5 and 29 U.S.C. § 705.

(b) "Community service provider" means an association or organization licensed by the Kansas department for aging and disability services whose purpose is to provide support and services, relating to the ability to live and to work in the community, to persons who, without such support and services, would be unable or would have significant difficulty maintaining employment or living in the community. "Community service provider" also includes other governmental agencies that support or that elect to support eligible individuals with job placement and job preservation supports including, but not limited to, school districts, community mental health centers and vocational rehabilitation contractors.

(c) "Earned income" means compensation paid to a Kansas employee for competitive integrated employment that is equal or greater than the minimum wage and is performed in a competitive integrated setting.

(d) "Eligible individual" means an individual, including a high school student, who is a Kansas resident, is employed by an employer in a competitive integrated setting, has a developmental disability that has been documented as required by the secretary for aging and disability services and who has agreed to provide the secretary for aging

and disability services, or the secretary's designee, information required by the secretary pursuant to the Kansas targeted employment act, or to permit the secretary of revenue to provide such information to the secretary for aging and disability services.

Lord God,

“*You* bestow favor and honor;
no good thing do *You* withhold
from those whose walk is blameless.” (Psalm 84:11)
Today, I do ask that You show favor upon these leaders
as they conclude all the business before them.
Give them clarity and cohesiveness as they make final decisions.
One more thing I ask of You...
and You know how difficult this is for me to ask,
but, I want to be Christlike and take the high road.
So, I am asking that You be with the Jayhawks this weekend.
Help them to play hard and smart
and to represent Kansas well.
In Christ’s Name I pray,
Amen.

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 343** submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee of the Whole amendments, as follows:

On page 1, following line 8, by inserting:

"New Section 1. (a) The purpose of sections 1 through 3, and amendments thereto, is to protect the best interests of children parented by blind individuals or children who could be parented by blind individuals through the establishment of procedural safeguards that require adherence to the federal Americans with disabilities act of 1990, and respect for the due process and equal protection rights of parents and prospective parents who are blind in the context of child welfare, foster care, family law and adoption.

(b) The legislature hereby finds and declares that:

(1) Blind individuals continue to face unfair, preconceived and unnecessary societal biases as well as antiquated attitudes regarding such individuals' ability to successfully parent their children;

(2) blind individuals face these biases and preconceived attitudes in family and dependency law proceedings where legal custody, residency and parenting time are at stake and in public and private adoption, guardianship and foster care proceedings;

(3) because of these societal biases and antiquated attitudes, children of blind parents are unnecessarily being removed from their parents' care or being restricted from enjoying meaningful time with their parents; and

(4) children are being denied the opportunity to enjoy the experience of living in loving homes with blind parents or other blind caretakers.

New Sec. 2. As used in sections 1 through 3, and amendments thereto:

(a) "Blind" or "blindness" means a central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye that has a limitation in the field of vision so that the widest diameter of the visual field subtends an angle no greater than 20 degrees is considered to have a central visual acuity of 20/200 or less. The term "blind" or "blindness" includes any degenerative condition that reasonably can be expected to result in blindness.

(b) "Family foster home" means a child care facility that is a private residence, including any adjacent grounds, where a person provides care for 24 hours per day for one or more children in foster care and for which a license is required under K.S.A. 65-501 et seq., and amendments thereto.

(c) "Supportive parenting services" means services, including, but not limited to, services, aids and supports that may assist a parent or prospective parent who is blind in the effective use of non-visual techniques and other alternative methods to enable the

parent or prospective parent to discharge parental responsibilities as successfully as a parent who is not blind.

New Sec. 3. (a) In any action brought under article 22 or article 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto:

(1) A parent's blindness shall not serve as a basis for denial or restriction of legal custody, residency or parenting time when such legal custody, residency or parenting time is determined to be otherwise in the best interests of the child;

(2) (A) if a parent's blindness is alleged to not be in the best interests of a child, the party asserting such allegation shall have the burden of proving by clear and convincing evidence that the parent's blindness is not in the best interests of the child;

(B) if a party asserting an allegation described in subparagraph (A) has satisfied such party's burden of proof, the blind parent shall have the opportunity to present evidence that, with the implementation of supportive parenting services, placement with such parent is in the best interests of the child; and

(C) the court may issue an order requiring that supportive parenting services be implemented, and the parties may request that the court review the need for continuing such supportive parenting services after a reasonable period of time; and

(3) if a court denies or otherwise restricts a blind parent's request for legal custody, residency or parenting time, the court shall make specific findings of fact stating the basis for its decision, including reasons why the provision of supportive parenting services is not a reasonable accommodation that is required to prevent such denial or restriction.

(b) In any action brought under article 21 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, a prospective parent's blindness shall not serve as a basis for the denial of such prospective parent's participation in any adoption when such adoption is determined to be otherwise in the best interests of the child.

(c) In any action brought under article 30 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, an individual's blindness shall not serve as a basis for the denial of such individual's appointment as a guardian when such appointment is determined to be otherwise in the best interests of the child.

(d) An individual's blindness shall not serve as a basis for the denial or restriction of such individual's licensure as a family foster home.

(e) (1) In any action brought under article 22 of chapter 38 of the Kansas Statutes Annotated, and amendments thereto, an individual's blindness shall not serve as a basis for an order of temporary custody, adjudication, disposition, finding of unfitness or termination of parental rights.

(2) If a court issues an order of temporary custody, adjudication, disposition, finding of unfitness or termination of parental rights that is adverse to an individual who is a party to the proceeding and who is blind, the court shall make specific findings of fact stating the basis for its decision, including reasons why the provision of supportive parenting services is not a reasonable accommodation that is required to prevent such adverse order.";

On page 19, in line 5, by striking "statute book" and inserting "Kansas register";
And by renumbering sections accordingly;

On page 1, in the title, in line 1, by striking "hearing loss" and inserting "disabilities; preserving families that include a parent who is blind; providing for certain considerations relating to cases involving legal custody, residency, parenting time, children in need of care, adoption, foster care and guardianship";

And your committee on conference recommends the adoption of this report.

MR. SPEAKER: I vote NO on the **CCR for H Sub for Sub for SB 286**. I have great admiration for our healthcare workers who have done so much during the COVID 19 emergency, and I support the enhanced penalties for battery against a healthcare provider included in this legislation. However, the immunity for health care providers in this legislation while temporary, limited, and only applying in cases where treatment is related to COVID19, whether the patient is vaccinated or not, requires I vote No on this legislation. — JOHN CARMICHAEL

MR. SPEAKER: While I voted yes for this bill this decision was very difficult. The balance in protecting our health care workers versus patient's rights is extremely challenging and difficult. Sadly, I believe this is the best we can negotiate at this time. I hope we can do better in the future. I vote yes on **CCR for H Sub for Sub for SB 286** — LEAH HOWELL, CYNDI HOWERTON

MR. SPEAKER: I vote "no" on **Senate Bill 286**. In this bill, a hospital only forfeits immunity for the patient against which it discriminates, not all of its patients. I don't think this is an adequate deterrent to prevent a hospital from discriminating against patients based on their vaccine status. And more importantly, I will not participate in

perpetuating the lie that we are still in a “Covid-19 emergency.” This lie has been used to destroy lives. It has been used to destroy livelihoods. It needs to end. And it won’t end until we sunset ALL of the emergency measures, including this legal immunity. For that reason, only, I vote “no” on SB 286. – PAT PROCTOR, CLARKE SANDERS, DAVID FRENCH, MIKE HOUSER, PAUL WAGGONER

MR. SPEAKER: I vote in favor of **SB 286**. It is one of the most difficult votes I have ever taken. I feel strongly in favor and in opposition, given the opposing interest in the subject matters included in this one conference report. These matters should not have been included together. – ERIC SMITH, JIM MINNIX, STEVE HUEBERT, LES MASON, LISA MOSER

MR. SPEAKER: Under protest, I have changed my vote from present to yes. I am deeply disappointed that **HB 2260** became the victim of partisan and special interest politics. However, today I choose to stand with emergency department nurses and doctors who have been attacked and will continue to be attacked at work. Additionally, I encourage anyone of you that have been the victim of gross negligence to utilize the legal system to the fullest extent. I vote yes on **CCR SB 286**. – LINDA FEATHERSTON

MR. SPEAKER: I vote no on **CCR SB 286**. This was an excellent original bill. It's clear our health care workers face an inordinate amount of danger in the workplace and they should be insulated and protected from this sort of behavior. However, there's an obvious poison pill provision here and I will be voting no. While increased penalties on battery are appropriate, the immunity for health care providers regarding COVID-19 treatment is problematic and I must not support it. I cannot risk rendering all malpractice suits null over the next 10 months. – STEPHANIE CLAYTON, RUI XU, BARBARA BALLARD, SYDNEY CARLIN, CHRISTINA HASWOOD, JERRY STOGSDILL, KC OHAEBOSIM, DAN OSMAN, CINDY NEIGHBOR, SUSAN RUIZ, STEPHANIE BYERS, MARI-LYNN POSKIN, HEATHER MEYER, LINDSAY VAUGHN, VIRGIL WEIGEL, LOUIS RUIS, PAM CURTIS, TOM SAWYER

EXPLANATION OF VOTE

MR. SPEAKER: I cast a No vote on **Sub for SB 267**. The State General Fund (SGF) budget for Fiscal Year 2023 hit a record \$9.0 billion. In FY2019 our budget was then a staggering \$7.0 billion. Since then our population is barely up 1%. Inflation is only recently an issue. The Supreme Courts ruling on school finance makes a difference but only tangentially. What's the matter with spending in Kansas? It's both sides of the aisle and it's both sides of the chamber. Kansas taxpayers deserve better than a 104-12 vote on SB 267. — PAUL WAGGONER

(The House requested the Senate to return the bill, which was in conference).
