The defendant shall be personally present and except for witnesses who are children less than 13 years of age, the witnesses shall be examined in the defendant's presence. Except for witnesses who are children less than 13 years of age, the defendant shall have the right to cross-examine witnesses against the defendant and introduce evidence in the defendant's own behalf. If from the evidence it appears that a felony has been committed and there is probable cause to believe that a felony has been committed by the defendant, the magistrate shall order the defendant bound over to the district judge having jurisdiction to try the case; otherwise, the magistrate shall discharge the defendant. When the victim of the felony is a child less than 13 years of age, the finding of probable cause as provided in this subsection may be based upon hearsay evidence in whole or in part presented at the preliminary examination by means of statements made by a child less than 13 years of age on a videotape recording or by other means.

~~(a)~~(1) Whenever it appears to the chief medical officer of the state security hospital or a licensed psychologist at the appropriate secure facility that a person committed under subsection ~~(1)~~ (d) ~~(a)~~ (4) is not likely to cause harm to other persons in a less restrictive hospital environment, the officer may transfer the person to any state hospital, subject to the provisions of subsection ~~(3)~~ (c). At any time subsequent thereto during which such person is still committed to a state hospital, if the chief medical officer of that hospital or the licensed psychologist at the appropriate secure facility finds that the person may be likely to cause harm or has caused harm, to others, such

officer may transfer the person back to the state security hospital.

~~(b)(2)~~ Any person committed under subsection ~~(1)(d)~~ (a)(4) may be granted conditional release or discharge as an involuntary patient.

~~(c)~~ Before transfer of a person from the state security hospital or appropriate secure facility pursuant to subsection ~~(2)(a)~~ (b)(1) or conditional release or discharge of a person pursuant to subsection ~~(2)(b)~~ (b)(2), the chief medical officer of the state security hospital or the state hospital where the patient is under commitment or the licensed psychologist at the appropriate secure facility shall give notice to the district court of the county from which the person was committed that transfer of the patient is proposed or that the patient is ready for proposed conditional release or discharge. Such notice shall include, but not be limited to: ~~(a)~~ (1) Identification of the patient; ~~(b)~~ (2) the course of treatment; ~~(c)~~ (3) a current assessment of the defendant's mental illness; ~~(d)~~ (4) recommendations for future treatment, if any; and ~~(e)~~ (5) recommendations regarding conditional release or discharge, if any. Upon receiving notice, the district court shall order that a hearing be held on the proposed transfer, conditional release or discharge. The court shall give notice of the hearing to the appropriate secure facility, state hospital or state security hospital where the patient is under commitment, to the ~~district or county~~ prosecuting attorney of the county from which the person was originally ordered committed. The ~~county or district~~ prosecuting attorney shall provide victim notification regarding the hearing. The court shall order the involuntary patient to undergo a mental evaluation by a person designated by the court. A copy of all orders of the court shall be sent to the involuntary patient and the patient's attorney. The report of the court ordered mental evaluation shall be given to the ~~district or county~~ prosecuting attorney, the involuntary patient and the patient's attorney at least seven days prior to the hearing. The hearing shall be held within 30 days after the receipt by the court of the chief medical officer's notice unless the court finds that exceptional circumstances warrant delay of the hearing. The involuntary patient shall remain in the appropriate secure facility, state hospital or state security hospital where the patient is under commitment until the hearing on the proposed transfer, conditional release or discharge is to be held. At the hearing, the court shall receive all relevant evidence, including the written findings and recommendations of the chief medical officer of the state security hospital or the state hospital or the licensed psychologist of the appropriate secure facility where the patient is under commitment, and shall determine whether the patient shall be transferred to a less restrictive hospital environment or whether the patient shall be conditionally released or discharged. The patient shall have the right to present evidence at such hearing and to cross-examine any witnesses called by the ~~district or county~~ prosecuting attorney. At the conclusion of the hearing, if the court finds by clear and convincing evidence that the patient will not be likely to cause harm to self or others if transferred to a less restrictive hospital environment, the court shall order the patient transferred. If the court finds by clear and convincing evidence that the patient is not currently a mentally ill person, the court shall order the patient discharged or conditionally released; otherwise, the court shall order the patient to remain in the state security hospital or state hospital where the patient is under commitment. If the court orders the conditional release of the patient in accordance with subsection ~~(4)~~ (d), the court may order as an additional condition to the release that the patient continue to take prescribed medication and report as directed to a person licensed to practice medicine and surgery to determine whether or not the patient is

taking the medication or that the patient continue to receive periodic psychiatric or psychological treatment. The ~~county or district~~ prosecuting attorney shall notify any victims of the outcome of the hearing.

~~(4)~~(d) In order to ensure the safety and welfare of a patient who is to be conditionally released and the citizenry of the state, the court may allow the patient to remain in custody at a facility under the supervision of the secretary for aging and disability services or the head of the appropriate secure facility for a period of time not to exceed 45 days in order to permit sufficient time for the secretary to prepare recommendations to the court for a suitable reentry program for the patient and allow adequate time for the ~~county or district~~ prosecuting attorney to provide victim notification. The reentry program shall be specifically designed to facilitate the return of the patient to the community as a functioning, self-supporting citizen, and may include appropriate supportive provisions for assistance in establishing residency, securing gainful employment, undergoing needed vocational rehabilitation, receiving marital and family counseling, and such other outpatient services that appear beneficial. If a patient who is to be conditionally released will be residing in a county other than the county where the district court that ordered the conditional release is located, the court shall transfer venue of the case to the district court of the other county and send a copy of all of the court's records of the proceedings to the other court. In all cases of conditional release the court shall:

~~(a)~~(1) Order that the patient be placed under the temporary supervision of district court probation and parole services, community treatment facility or any appropriate private agency; and

~~(b)~~(2) require as a condition precedent to the release that the patient agree in writing to waive extradition in the event a warrant is issued pursuant to K.S.A. 22-3428b, and amendments thereto.

~~(5)~~(c) At any time during the conditional release period, a conditionally released patient, through the patient's attorney, or the ~~county or district~~ prosecuting attorney of the county ~~in which~~ where the district court having venue is located may file a motion for modification of the conditions of release, and the court shall hold an evidentiary hearing on the motion within 14 days of its filing. The court shall give notice of the time for the hearing to the patient and the ~~county or district~~ prosecuting attorney. If the court finds from the evidence at the hearing that the conditional provisions of release should be modified or vacated, it shall so order. If at any time during the transitional period the designated medical officer or supervisory personnel or the treatment facility informs the court that the patient is not satisfactorily complying with the provisions of the conditional release, the court, after a hearing for which notice has been given to the ~~county or district~~ prosecuting attorney and the patient, may make orders: ~~(a)~~ (1) For additional conditions of release designed to effect the ends of the reentry program; ~~(b)~~ (2) requiring the ~~county or district~~ prosecuting attorney to file a petition to determine whether the patient is a mentally ill person as provided in K.S.A. 59-2957, and amendments thereto; or ~~(c)~~ (3) requiring that the patient be committed to the appropriate secure facility, state security hospital or any state hospital. In cases where a petition is ordered to be filed, the court shall proceed to hear and determine the petition pursuant to the care and treatment act for mentally ill persons and that act shall apply to all subsequent proceedings. If a patient is committed to any state hospital pursuant to this act the ~~county or district~~ prosecuting attorney shall provide victim notification. The

costs of all proceedings, the mental evaluation and the reentry program authorized by this section shall be paid by the county from which the person was committed.

~~(6)~~(f) In any case in which the defense that the defendant lacked the required mental state pursuant to K.S.A. 22-3220, and amendments thereto, is relied on, the court shall instruct the jury on the substance of this section.

~~(7)~~(g) As used in this section and K.S.A. 22-3428a, and amendments thereto:

~~(a)~~(1) "Likely to cause harm to self or others" means that the person is likely, in the reasonably foreseeable future, to cause substantial physical injury or physical abuse to self or others or substantial damage to another's property, or evidenced by behavior causing, attempting or threatening such injury, abuse or neglect.

~~(b)~~(2) "Mentally ill person" means any person who:

(A) Is suffering from a severe mental disorder to the extent that such person is in need of treatment; and

(B) is likely to cause harm to self or others.

~~(c)~~(3) "Treatment facility" means any mental health center or clinic, psychiatric unit of a medical care facility, psychologist, physician or other institution or individual authorized or licensed by law to provide either inpatient or outpatient treatment to any patient.

Sec. 11. K.S.A. 2021 Supp. 22-3429 is hereby amended to read as follows: 22-3429. After conviction and prior to sentence and as part of the presentence investigation authorized by K.S.A. 2021 Supp. 21-6703, and amendments thereto, or for crimes committed on or after July 1, 1993, a presentence investigation report as provided in K.S.A. 2021 Supp. 21-6813, and amendments thereto, the trial judge may order the defendant committed to the state security hospital for mental examination, evaluation and report. ~~If the defendant is convicted of a felony, the commitment shall be to the state security hospital or any suitable local mental health facility. If the defendant is convicted of a misdemeanor, the commitment shall be to a state hospital or any suitable local mental health facility. If adequate private facilities are available and if the defendant is willing to assume the expense thereof, commitment may be to a private hospital.~~ A report of the examination and evaluation shall be furnished by the chief medical officer to the judge and shall be made available to the prosecuting attorney and counsel for the defendant. A defendant may not be detained for more than 120 days under a commitment made under this section.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to **HB 2377** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed as Further Amended by Senate Committee, as follows:

On page 2, following line 1, by inserting:

"New Section 1. (a) Operating an aircraft under the influence is operating or attempting to operate any aircraft within this state while:

(1) The alcohol concentration in the person's blood or breath as shown by any competent evidence, including other competent evidence, is 0.04 or more;

(2) the alcohol concentration in the person's blood or breath, as measured within four hours of the time of operating or attempting to operate an aircraft, is 0.04 or more;

(3) under the influence of alcohol to a degree that renders the person incapable of safely operating an aircraft;

(4) under the influence of any drug or combination of drugs to a degree that renders the person incapable of safely operating an aircraft; or

(5) under the influence of a combination of alcohol and any drug or drugs to a degree that renders the person incapable of safely operating an aircraft.

(b) (1) Operating an aircraft under the influence is a class A nonperson misdemeanor, except as provided in subsection (b)(2).

(A) On a first conviction, the person convicted shall be sentenced to not less than 48 consecutive hours nor more than six months' imprisonment, or in the court's discretion 100 hours of public service, and fined not less than \$750.

(B) On second or subsequent conviction, the person convicted shall be sentenced to not less than 90 days nor more than one year's imprisonment and fined not less than \$1,250. The following conditions shall apply to such sentence:

(i) As a condition of any probation granted under this subsection, the person shall serve at least 120 hours of confinement. The hours of confinement shall include at least 48 hours of imprisonment and otherwise may be served by a combination of: Imprisonment; a work release program, if such work release program requires such person to return to the confinement at the end of each day in the work release program; or a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto; and

(ii) (a) if the person is placed into a work release program or placed under a house arrest program for any portion of the minimum of 120 hours of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program until the minimum sentence is met. If the person is placed into a work release program or placed under a house arrest program for more than the minimum of 120 hours of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program until the minimum of 120 hours of confinement is completed, and thereafter, the person shall receive day-for-day credit for time served in such program unless otherwise ordered by the court; and

(b) when in a work release program, the person shall only be given credit for the time served in confinement at the end of and continuing to the beginning of the person's work day. When under a house arrest program, the person shall be monitored by an electronic monitoring device that verifies the person's location and shall only be given credit for the time served within the boundaries of the person's residence.

(2) (A) Operating an aircraft under the influence is a severity level 6, nonperson felony if the offense occurred while the person convicted is prohibited from operating an aircraft:

(i) By a court order pursuant to this section; or

(ii) because such person's pilot license is revoked or suspended by an order of the federal aviation administration for a prior alcohol or drug-related conviction.

(B) The following conditions shall apply to such sentence:

(i) As a condition of any probation granted under this subsection, the person shall serve at least 30 days of confinement. After at least 48 consecutive hours of imprisonment, the remainder of the period of confinement may be served by a combination of: Imprisonment; a work release program, if such work release program requires such person to return to the confinement at the end of each day in the work release program; or a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto; and

(ii) (a) if the person is placed into a work release program or placed under a house arrest program for any portion of the minimum of 30 days of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program for the first 240 hours of confinement, and thereafter, the person shall receive day-for-day credit for time served in such program unless otherwise ordered by the court; and

(b) when in a work release program, the person shall only be given credit for the time served in confinement at the end of and continuing to the beginning of the person's work day. When under a house arrest program, the person shall be monitored by an electronic monitoring device that verifies the person's location and shall only be given credit for the time served within the boundaries of the person's residence.

(3) As part of the judgment of conviction, the court shall order the person convicted not to operate an aircraft for any purpose for a period of six months from the date of final discharge from the county jail, or the date of payment or satisfaction of such fine, whichever is later or one year from such date on a second conviction. If the court suspends the sentence and places the person on probation as provided by law, the court shall order as one of the conditions of probation that such person not operate an aircraft for any purpose for a period of 30 days from the date of the order on a first conviction or 60 days from the date of the order on a second conviction.

(4) For the purpose of determining whether an occurrence is a first, second or subsequent occurrence:

(A) "Conviction" includes entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging commission of a crime described in subsection (a); and

(B) it is irrelevant whether an offense occurred before or after conviction or diversion for a previous offense.

(c) If a person is charged with a violation of subsection (a)(4) or (a)(5), the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

New Sec. 2. (a) Any person who operates or attempts to operate an aircraft within this state may be requested, subject to the provisions of sections 1 through 4, and amendments thereto, to submit to one or more tests of the person's blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing shall include all quantitative and qualitative tests for alcohol and drugs. The test shall be administered at the direction of a law enforcement officer, and the law enforcement officer shall determine which type of test is to be conducted or requested.

(b) (1) One or more tests may be required of a person when, at the time of the request, a law enforcement officer has probable cause to believe the person has committed a violation of section (1)(a), and amendments thereto, while having alcohol or drugs in such person's system, and one of the following conditions exists:

(A) The person has been arrested or otherwise taken into custody for any offense violation of any state statute, county resolution or city ordinance; or

(B) the person has been involved in an aircraft accident or crash resulting in property damage, personal injury or death.

(2) The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the investigation or arrest.

(c) Nothing in this section shall be construed to limit the right of a law enforcement officer to conduct any search of a person's breath or other bodily substance, other than blood or urine, incident to a lawful arrest pursuant to the constitution of the United States, nor limit the admissibility at any trial or hearing of alcohol or drug concentration testing results obtained pursuant to such a search.

(d) Nothing in this section shall be construed to limit the right of a law enforcement officer to conduct or obtain a blood or urine test of a person pursuant to a warrant under K.S.A. 22-2502, and amendments thereto, the constitution of the United States or a judicially recognized exception to the search warrant requirement, nor limit the admissibility at any trial or hearing of alcohol or drug concentration testing results obtained pursuant to such a search.

(e) A law enforcement officer may direct a medical professional, as described in subsection (f), to draw one or more samples of blood from a person to determine the blood's alcohol or drug concentration if:

(1) The person has given consent and meets the requirements of subsection (b);

(2) law enforcement has obtained a search warrant authorizing the collection of blood from the person; or

(3) the person refuses or is unable to consent to, submit to and complete a test, and another judicially recognized exception to the warrant requirement applies.

(f) If a law enforcement officer is authorized to collect one or more tests of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by:

(1) A person licensed to practice medicine and surgery, licensed as a physician assistant or a person acting under the direction of any such licensed person;

(2) a registered nurse or a licensed practical nurse;

(3) any qualified medical technician, including, but not limited to, an advanced emergency medical technician or a paramedic, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol; or

(4) a phlebotomist.

(g) When so directed by a law enforcement officer through a written statement, the

medical professional shall withdraw the sample of blood as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person's life, cause serious injury to the person or seriously impede the person's medical assessment, care or treatment. The medical professional authorized in this section to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawal of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person that is the subject of the test or tests to provide any additional consent or sign any waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent. Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document if provided by law enforcement.

(h) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person's safety or that of the medical professional or attending medical or healthcare staff during the drawing of the sample and without interfering with medical treatment.

(i) (1) If a law enforcement officer is authorized to collect one or more tests of urine, the collection of the urine sample shall be supervised by:

(A) A person licensed to practice medicine and surgery, licensed as a physician assistant or a person acting under the direction of any such licensed person;

(B) a registered nurse or a licensed practical nurse; or

(C) a law enforcement officer of the same sex as the person being tested.

(2) The collection of the urine sample shall be conducted out of the view of any person other than the person supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer.

(3) The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence.

(4) If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (g) and (i) shall apply to the collection of a urine sample.

(j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

(k) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of an

aircraft while under the influence of alcohol or drugs, or a combination of alcohol and any drug or drugs.

(l) No test shall be suppressed because of irregularities not affecting the substantial rights of the accused in the consent or notice authorized pursuant to this section.

(m) Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant or other judicially recognized exception to the warrant requirement.

(n) Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person when available.

(o) The person tested shall have a reasonable opportunity to have an additional chemical test by a physician of such person's own choosing. If the law enforcement officer refuses to permit such additional chemical test to be taken, the original test shall not be competent evidence.

(p) (1) The testing and method of testing consented to under this section shall not be considered to have been conducted for any medical care or treatment purpose. The results of such test, the person's name whose bodily substance is drawn or tested, the location of the test or procedure, the names of all health care providers and personnel who participated in the procedure or test and the date and time of the test or procedure are required by law to be provided to the requesting law enforcement officer or the law enforcement officer's designee after the requesting law enforcement officer has complied with this section.

(2) All costs of conducting any procedure or test requested by a law enforcement agency and authorized by this section, including the costs of the evidence collection kits, shall be charged to and paid by the county where the alleged offense was committed. Such county may be reimbursed such costs upon the costs being paid by the defendant as court costs assessed pursuant to K.S.A. 28-172a, and amendments thereto.

(3) The cost assessed under this section shall be the then-current medicaid rate for any such procedure or test, or both.

(4) Notwithstanding any other law to the contrary, the collection and delivery of the sample and required information to the law enforcement officer pursuant to this section shall not be subject to the physician-patient privilege or any other law that prohibits the transfer, release or disclosure of the sample or of the required information.

(q) No medical care facility, clinical laboratory, medical clinic, other medical institution, person licensed to practice medicine or surgery, person acting under the direction of any such licensed person, licensed physician assistant, registered nurse, licensed practical nurse, medical technician, paramedic, advanced emergency medical technician, phlebotomist, healthcare provider or person who participates in good faith in the obtaining, withdrawal, collection or testing of blood, breath, urine or other bodily substance at the direction of a law enforcement officer pursuant to this section, or as otherwise authorized by law, shall incur any civil, administrative or criminal liability as a result of such participation, regardless of whether or not the patient resisted or objected to the administration of the procedure or test.

(r) Sections 1 through 4, and amendments thereto, are remedial law and shall be

liberally construed to promote public health, safety and welfare.

New Sec. 3. (a) A law enforcement officer may request a person who is operating or attempting to operate an aircraft within this state to submit to a preliminary screening test of the person's breath or oral fluid, or both, if the officer has reasonable suspicion to believe the person has been operating or attempting to operate an aircraft while under the influence of alcohol or drugs, or a combination of alcohol and any drug or drugs.

(b) If the person submits to the test, the results shall be used for the purpose of assisting law enforcement officers in determining whether an arrest should be made and whether to request the tests authorized by section 2, and amendments thereto. A law enforcement officer may arrest a person based in whole or in part upon the results of a preliminary screening test. Such results shall not be admissible in any civil or criminal action concerning the operation of or attempted operation of an aircraft except to aid the court in determining a challenge to the validity of the arrest or the validity of the request to submit to a test pursuant to section 2, and amendments thereto. Following the preliminary screening test, additional tests may be requested pursuant to section 2, and amendments thereto.

(c) Any preliminary screening of a person's breath shall be conducted with a device approved pursuant to K.S.A. 65-1,107, and amendments thereto. Any preliminary screening of a person's oral fluid shall be conducted in accordance with rules and regulations, if any, approved pursuant to K.S.A. 75-712h, and amendments thereto.

New Sec. 4. As used in sections 1 through 4, and amendments thereto:

(a) "Alcohol concentration" means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath.

(b) "Drug" includes toxic vapors as such term is defined in K.S.A. 2021 Supp. 21-5712, and amendments thereto.

(c) "Imprisonment" includes any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city.

(d) "Law enforcement officer" means the same as in K.S.A. 2021 Supp. 21-5111, and amendments thereto, and includes any person authorized by law to make an arrest on a military reservation for an act which would constitute a violation of section 1, and amendments thereto, if committed off a military reservation in this state.

(e) "Other competent evidence" includes:

(1) Alcohol concentration tests obtained from samples taken four hours or more after the operation or attempted operation of an aircraft; and

(2) readings obtained from a partial alcohol concentration test on a breath testing machine.

(f) "Test refusal" refers to a person's failure to submit to or complete any test of the person's blood, breath, urine or other bodily substance, other than a preliminary screening test, in accordance with section 2, and amendments thereto, and includes refusal of any such test on a military reservation.";

On page 25, in line 24, by striking "one" and inserting "two"; in line 25, by striking the first "violation" and inserting "violations";

On page 76, following line 10, by inserting:

"Sec. 20. K.S.A. 2021 Supp. 22-3437 is hereby amended to read as follows: 22-3437. (a) (1) In any hearing or trial, a report concerning forensic examinations and certificate of forensic examination executed pursuant to this section shall be admissible in evidence if the report and certificate are prepared and attested by a criminalist or other employee of the Kansas bureau of investigation, Kansas highway patrol, Johnson County sheriff's laboratory, Sedgwick County regional forensic science center, or any laboratory of the federal bureau of investigation, federal postal inspection service, federal bureau of alcohol, tobacco and firearms or federal drug enforcement administration. If the examination involves a breath test for alcohol content, the report must also be admissible pursuant to K.S.A. 8-1001, and amendments thereto, or section 2, and amendments thereto, and be conducted by a law enforcement officer or other person who is certified by the department of health and environment as a breath test operator as provided by K.S.A. 65-1,107 et seq., and amendments thereto.

(2) Upon the request of any law enforcement agency, such person as provided in paragraph (1) performing the analysis shall prepare a certificate. Such person shall sign the certificate under oath and shall include in the certificate an attestation as to the result of the analysis. The presentation of this certificate to a court by any party to a proceeding shall be evidence that all of the requirements and provisions of this section have been complied with. This certificate shall be supported by a written declaration pursuant to K.S.A. 53-601, and amendments thereto, or shall be sworn to before a notary public or other person empowered by law to take oaths and shall contain a statement establishing the following: The type of analysis performed; the result achieved; any conclusions reached based upon that result; that the subscriber is the person who performed the analysis and made the conclusions; the subscriber's training or experience to perform the analysis; the nature and condition of the equipment used; and the certification and foundation requirements for admissibility of breath test results, when appropriate. When properly executed, the certificate shall, subject to the provisions of paragraph (3) and notwithstanding any other provision of law, be admissible evidence of the results of the forensic examination of the samples or evidence submitted for analysis and the court shall take judicial notice of the signature of the person performing the analysis and of the fact that such person is that person who performed the analysis.

(f) No person has a privilege under this section if the judge finds that sufficient evidence, aside from the communication has been introduced to warrant a finding that the services of the physician were sought or obtained to enable or aid anyone to commit or to plan to commit a crime or a tort, or to escape detection or apprehension after the commission of a crime or a tort.

(g) A privilege under this section as to a communication is terminated if the judge finds that any person while a holder of the privilege has caused the physician or any agent or servant of the physician to testify in any action to any matter of which the physician or the physician's agent or servant gained knowledge through the communication.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes in the strongest support of **SB 58**. In House K-12 Committee, our amended language unequivocally declared throughout that parents have not “a” but **THE** definitive right “to direct the upbringing, education, care and mental health of the parent’s child.” To raise our children, it takes their responsible parents, (not provoking our) **children to wrath**, but bring them up in the training and admonition of the Lord.” The onus and responsibility of their upbringing fall squarely upon the shoulders of their parents to whom their care, training nurturing, provision, and very lives are entrusted. Our kids do not belong to the State, educrats, teachers’ unions, or the Village. Our kids belong to their parents. – PATRICK PENN, MICHAEL MURPHY

MR. SPEAKER, I vote NO on **CCR for SB 58**. If you look at the first page of the bill explainer, final bullet point, you will see that it reads: Challenge the material or educational benefit of any book, magazine, or other material available to students in the school library, the successful result of which would lead to the removal of the item from the school. That removes the material from all children, not just one. I vote NO. – STEPHANIE CLAYTON

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote “Yes” in strongest support of **SB 160**. As the grandson, son, and husband of a woman – and as the father of two young women – this man proudly stands to protect our women and our women athletes. As the father of two young girls, I want them to reach their fullest potential, compete on the fields of friendly strife with the utmost integrity, and achieve the victories for which they work hard and deserve. Let's neither erase biological girls/women by replacing them with biological boys/men, erase the opportunities they can achieve on any field or level, nor place them in unfair competition with biological boys/men. Let's create and safeguard Fairness in Women's Sports – PATRICK PENN

MR. SPEAKER: The State of Kansas should NEVER condone bullying of our most vulnerable, marginalized communities. **SB 160's** veiled purpose is to bully transgender girls back into the closet. Their mental health is considered collateral damage. The cowardice of leaving enforcement to Kansas State High School Athletics Association is appalling. KSHSAA will have no recourse other than creating policies involving intrusive, genital inspections. KSHSAA will become a legislative surrogate to impose our will on other people's children. It doesn't meet the three criteria typically used in Human Right's Legislation – It isn't reasonable necessary or proportional. Trans girls ARE girls. I vote NO! STEPHANIE BYERS, STEPHANIE CLAYTON, JO ELLA HOYE, SYDNEY CARLIN, BARBARA BALLARD, SYDNEY CARLIN, RUI XU, ANNIE KUETHER, JIM GARTNER, MIKE AMYX, CINDY NEIGHBOR, SUSAN RUIZ, MARI-LYNN POSKIN, TOM SAWYER, JERRY STOGSDILL,

HEATHER MEYER, VIRGIL WEIGEL, VIC MILLER, KC OHAEBOSIM, DAN OSMAN, JOHN CARMICHAEL, JOHN ALCALA, BRANDON WOODARD, PAM CURTIS, DENNIS "BOOG" HIGHBERGER, CHRISTINA HASWOOD, JARROD OUSLEY, TOM BURROUGHS, LINDSAY VAUGHN, KATHY WOLFE MOORE

MR. SPEAKER: I vote YES on **SB 160**-- in STRONG support of protecting womens' sports. In my earlier speech, I misspoke of my intended position. It's been a long day! The issue is personal to me and I refuse to be bullied into feeling ashamed of how God made me or my daughter. I'm not a mere pronoun or political talking point. I'm not a bleeder or an accident. History will show, now is the time to protect our daughters from the prostitution of our biology in the name of faster swim times or longer long jumps. – TATUM LEE

MR. SPEAKER: I vote yes on **SB 160**. Yesterday we heard from eight female legislators sharing Women's History Month facts, and I found it truly inspiring. Women have had to work hard for where we are today, and I don't want to move backwards and lose those accomplishments. I proudly stand up for those female athletes and ask that you do the same. – TORY MARIE ARNBERGER-BLEW

the rate approved by the electors. The sales tax shall be collected and distributed as provided by section 23, and amendments thereto. The sales tax shall be in effect as of the first day of the year following the election. Except as otherwise provided in this act, the sales tax authorized by this section shall be administered and collected pursuant to and subject to the provisions of K.S.A. 12-187 through 12-197, and amendments thereto.

(c) Upon receipt of a certified copy of a resolution authorizing the levy of a sales tax pursuant to this section, the director of taxation shall cause such tax to be collected in the county at the same time and in the same manner provided for the collection of the state retailers' sales tax. All taxes collected under the provisions of this act shall be remitted by the secretary of revenue to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount of all taxes collected under the provisions of this act in the state treasury to the credit of the Gage park improvement authority sales tax fund, which is hereby established in the state treasury. All moneys in the Gage park improvement authority sales tax fund shall be remitted at least quarterly by the state treasurer, as directed by the secretary of revenue, to the Gage park improvement authority. The Gage park improvement authority shall administer such moneys as provided by section 26, and amendments thereto.

New Sec. 24. (a) (1) If the initial Gage park improvement authority sales tax is imposed at a rate lower than 0.5%, then the board of county commissioners may adopt a resolution stating the board's intention to increase the Gage park improvement authority sales tax imposed pursuant to section 23, and amendments thereto, by one or more increments of 0.05%. Such tax shall be imposed for the sole purpose of financing the acquisition, construction, improvement, equipment, operation, support, maintenance and development of eligible recreational facilities within the county and shall be administered by the authority as provided by section 26, and amendments thereto. The sales tax may be increased as provided by this section one or more times, but the total aggregate sales tax authorized by this act shall not exceed 0.5%.

(1) $\frac{1}{2}$ of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and

(2) $\frac{1}{2}$ of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner:

(A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and

(B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows:

(i) $\frac{1}{4}$ shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year;

(ii) $\frac{1}{4}$ shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and

(iii) $\frac{1}{2}$ shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such

tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (3)(I), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27), (28), (29), (30), (31) ~~and (32)~~ and (33), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

Sec. 34. K.S.A. 79-1476 is hereby amended to read as follows: 79-1476. The director of property valuation is hereby directed and empowered to administer and supervise a statewide program of reappraisal of all real property located within the state. Except as otherwise authorized by K.S.A. 19-428, and amendments thereto, each county shall comprise a separate appraisal district under such program, and the county appraiser shall have the duty of reappraising all of the real property in the county pursuant to guidelines and timetables prescribed by the director of property valuation and of updating the same on an annual basis. In the case of multi-county appraisal districts, the district appraiser shall have the duty of reappraising all of the real property in each of the counties comprising the district pursuant to such guidelines and timetables and of updating the same on an annual basis. Commencing in 2000, every parcel of real property shall be actually viewed and inspected by the county or district appraiser once every six years.

Compilation of data for the initial preparation or updating of inventories for each parcel of real property and entry thereof into the state computer system as provided for in K.S.A. 79-1477, and amendments thereto, shall be completed not later than January 1, 1989. Whenever the director determines that reappraisal of all real property within a county is complete, notification thereof shall be given to the governor and to the state board of tax appeals.

Valuations shall be established for each parcel of real property at its fair market value in money in accordance with the provisions of K.S.A. 79-503a, and amendments thereto.

In addition thereto, valuations shall be established for each parcel of land devoted to agricultural use upon the basis of the agricultural income or productivity attributable to the inherent capabilities of such land in its current usage under a degree of management reflecting median production levels in the manner hereinafter provided. A classification system for all land devoted to agricultural use shall be adopted by the director of property valuation using criteria established by the United States department of agriculture—~~soñ~~ natural resources conservation service. For all taxable years commencing after December 31, 1989, all land devoted to agricultural use ~~which that~~ is subject to the federal conservation reserve program shall be classified as cultivated dry land for the purpose of valuation for property tax purposes pursuant to this section, except that for all taxable years commencing after December 31, 2022, all land devoted to agricultural use that is subject to the federal grassland conservation reserve program (CRP grasslands) shall be classified as grassland for the purpose of valuation for property tax purposes pursuant to this section. For all taxable years commencing after December 31, 1999, all land devoted to agricultural use ~~which that~~ is subject to the federal wetlands reserve program shall be classified as native grassland for the purpose of valuation for property tax purposes pursuant to this section. Productivity of land devoted to agricultural use shall be determined for all land classes within each county or

homogeneous region based on an average of the eight calendar years immediately preceding the calendar year ~~which that~~ immediately precedes the year of valuation, at a degree of management reflecting median production levels. The director of property valuation shall determine median production levels based on information available from state and federal crop and livestock reporting services, the ~~soil~~ natural resources conservation service, and any other sources of data that the director considers appropriate.

The share of net income from land in the various land classes within each county or homogeneous region ~~which that~~ is normally received by the landlord shall be used as the basis for determining agricultural income for all land devoted to agricultural use except pasture or rangeland. The net income normally received by the landlord from such land shall be determined by deducting expenses normally incurred by the landlord from the share of the gross income normally received by the landlord. The net rental income normally received by the landlord from pasture or rangeland within each county or homogeneous region shall be used as the basis for determining agricultural income from such land. The net rental income from pasture and rangeland ~~which that~~ is normally received by the landlord shall be determined by deducting expenses normally incurred from the gross income normally received by the landlord. Commodity prices, crop yields and pasture and rangeland rental rates and expenses shall be based on an average of the eight calendar years immediately preceding the calendar year ~~which that~~ immediately precedes the year of valuation. Net income for every land class within each county or homogeneous region shall be capitalized at a rate determined to be the sum of the contract rate of interest on new federal land bank loans in Kansas on July 1 of each year averaged over a five-year period ~~which that~~ includes the five years immediately preceding the calendar year which immediately precedes the year of valuation, plus a percentage not less than 0.75% nor more than 2.75%, as determined by the director of property valuation, except that the capitalization rate calculated for property tax year 2003, and all such years thereafter, shall not be less than 11% nor more than 12%.

Based on the foregoing procedures, the director of property valuation shall make an annual determination of the value of land within each of the various classes of land devoted to agricultural use within each county or homogeneous region and furnish the same to the several county appraisers who shall classify such land according to its current usage and apply the value applicable to such class of land according to the valuation schedules prepared and adopted by the director of property valuation under the provisions of this section.

It is the intent of the legislature that appraisal judgment and appraisal standards be followed and incorporated throughout the process of data collection and analysis and establishment of values pursuant to this section.

For the purpose of the foregoing provisions of this section, the phrase "land devoted to agricultural use" shall mean and include land, regardless of whether it is located in the unincorporated area of the county or within the corporate limits of a city, ~~which that~~ is devoted to the production of plants, animals or horticultural products, including, but not limited to: Forages; grains and feed crops; dairy animals and dairy products; poultry and poultry products; beef cattle, sheep, swine and horses; bees and apiary products; trees and forest products; fruits, nuts and berries; vegetables; and nursery, floral, ornamental and greenhouse products. "Land devoted to agricultural use" shall include land established as a controlled shooting area pursuant to K.S.A. 32-943, and

amendments thereto, which shall be deemed to be land devoted to agricultural use. "Land devoted to agricultural use" shall include land that is utilized by zoos that hold a valid class C exhibitor license issued by the United States department of agriculture. "Land devoted to agricultural use" shall include land otherwise devoted to the production of plants, animals or horticultural products that is incidentally used for agritourism activity. For purposes of this section, "agritourism activity" means any activity that allows members of the general public, for recreational, entertainment or educational purposes, to view or enjoy rural activities, including, but not limited to, farming activities, ranching activities or historic, cultural or natural attractions. An activity may be an "agritourism activity" whether or not the participant pays to participate in the activity. An activity is not an "agritourism activity" if the participant is paid to participate in the activity. If a parcel has land devoted to agricultural purposes and land used for suburban residential acreages, rural home sites or farm home sites, the county appraiser shall determine the amount of the parcel used for agricultural purposes and value and assess it accordingly as land devoted to agricultural purposes. The county appraiser shall then determine the amount of the remaining land used for such other purposes and value and assess that land according to its use.

The term "expenses" shall mean those expenses typically incurred in producing the plants, animals and horticultural products described above, including management fees, production costs, maintenance and depreciation of fences, irrigation wells, irrigation laterals and real estate taxes, but the term shall not include those expenses incurred in providing temporary or permanent buildings used in the production of such plants, animals and horticultural products.

The provisions of this act shall not be construed to conflict with any other provisions of law relating to the appraisal of tangible property for taxation purposes including the equalization processes of the county and state board of tax appeals.

If it is determined that an owner of such homestead or building or improvement is entitled to an abatement of all or any portion of the property taxes levied against such homestead or building or improvement or is entitled to a credit against property taxes payable by such owner in any or all of the next succeeding three years, the board may issue an order so providing.

(f) The provisions of this section shall be applicable to all taxable years commencing after December 31, ~~2014~~ 2018, ~~and all taxable years thereafter.~~

(g) Notwithstanding any provision of subsection (c) to the contrary, an application for relief as permitted by subsection (b) may be made for abatement of property taxes assessed but not yet paid, or for a grant of a credit for assessed property taxes paid, or for both, as the case may be, and may be made on or before December 20, 2022, for taxable years 2019 and 2020.

Sec. 36. K.S.A. 79-2930 is hereby amended to read as follows: 79-2930. (a) Two

copies of the budget certificate giving the amount of ad valorem tax to be levied and the total amount of the adopted budget of expenditures by fund, along with itemized budget forms for each and every fund and proof of publication of the notice of budget hearing containing the budget summary shall be presented to the county clerk within the time prescribed by K.S.A. 79-1801, and amendments thereto. ~~Beginning in 2009,~~ All such budget information shall be filed electronically with the county clerk. Where action has been taken under any statute to increase the amount of tax to be levied authorized by law, a statement showing the increased amount or tax levy rate voted, or a copy of the charter resolution or ordinance making the change, shall be attached to the budget each year the change is in effect.

(b) The county clerk shall make any reductions to the ad valorem tax to be levied, compute the tax levy rates based on the final equalized assessed valuation, and enter such on the budget certificate before attesting the budget, except that with regard to levies made under K.S.A. 75-2551, and amendments thereto, such levies shall be based upon the certified preliminary abstract of property values submitted to the director of property valuation pursuant to K.S.A. 79-1604, and amendments thereto. Beginning in 2022, on or before December 31 each year, a copy of all budgets for taxing subdivisions of the county, properly attested, shall be filed with the director of accounts and reports, along with a copy of the tax levy rate summary ~~required of the county treasurer by K.S.A. 79-2002, and amendments thereto.~~ ~~Beginning in 2009,~~ All such budget information shall be filed electronically with the director of accounts and reports.

(c) Each fund of the adopted budget certified to the county clerk in no event shall exceed the amount of ad valorem tax to be levied and the proposed expenditures of such fund in the proposed budget as originally published. The governing body of each taxing subdivision shall not certify an amount of ad valorem taxes to be levied that is in excess of any tax levy rate or amount limitations or any aggregate tax levy limitations. The governing bodies, in fixing the amount may take into consideration and make allowance for the taxes which may not be paid, such allowance, however, shall not exceed by more than 5% the percentage of delinquency for the preceding tax year.

Sec. 37. K.S.A. 2021 Supp. 79-2988 is hereby amended to read as follows: 79-2988. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) At least 10 days in advance of the public hearing, the governing body shall publish notice of its proposed intent to exceed the revenue neutral rate by publishing notice: (A) On the website of the governing body, if the governing body maintains a website; and

(B) in a weekly or daily newspaper of the county having a general circulation therein. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July 20, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and

location of the public hearing and its proposed tax rate. For all tax years commencing after December 31, 2021, the county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in writing to service by electronic means. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall be in a format prescribed by the director of accounts and reports. The notice shall include, but not be limited to:

(A) The revenue neutral rate of each taxing subdivision relevant to the taxpayer's property;

(B) the proposed property tax revenue needed to fund the proposed budget of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(D) the percentage by which the proposed tax rate exceeds the revenue neutral rate;

(E) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement;

~~(F)~~(F) the appraised value and assessed value of the taxpayer's property for the current year;

~~(G)~~(G) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates;

~~(H)~~(H) the difference between the estimates of tax based on the proposed tax rate and the revenue neutral rate on the taxpayer's property described in subparagraph ~~(F)~~(G) for any taxing subdivision that has a proposed tax rate that exceeds its revenue neutral rate; and

~~(I)~~(I) the date, time and location of the public hearing of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate.

Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include a statement of the statutory mill levies imposed by the state and the estimate of the tax for the current year on the taxpayer's property based on such levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c)(1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this subsection paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the 20 mills levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from the 20 mills is the only reason the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from only the 20 mills.

(e)(1) Notwithstanding any other provision of law to the contrary, if the governing

body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.

~~(e)~~(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

~~(f)~~(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2021 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

~~(g) The provisions of this section shall take effect and be in force from and after January 1, 2021.~~

(h) The department of administration or the director of accounts and reports shall make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

(1) A list of taxing subdivisions by county;

(2) whether each taxing subdivision conducted a hearing to consider exceeding its revenue neutral rate;

(3) the revenue neutral rate of each taxing subdivision;

(4) the tax rate resulting from the adopted budget of each taxing subdivision; and

(5) the percent change between the revenue neutral rate and the tax rate for each taxing subdivision.";

If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

(f) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's homestead in 1979 or any calendar year thereafter by the state of Kansas and the political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of claimant's household, "property taxes accrued" is

that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant's household. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant and household own their homestead part of a calendar year, "property taxes accrued" means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant's household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in the year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homestead during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

(g) "Disability" means:

(1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of the preceding sentence (with respect to any individual), "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a "physical or mental impairment" is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time.

(h) "Blindness" means central visual acuity of $20/200$ or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of $20/200$ or less.

(i) "Disabled veteran" means a person who is a resident of Kansas and has been honorably discharged from active service in any branch of the armed forces of the United States or Kansas national guard and who has been certified by the United States department of veterans affairs or its successor to have a 50% or greater permanent disability sustained through military action or accident or resulting from disease contracted while in such active service.

(a) Commencing in the tax year beginning after December 31, 2005, the amount of any claim pursuant to this act and under this section shall be computed by deducting the amount computed under column (2) from the amount of claimant's property tax accrued.

(b) The director of taxation shall prepare a table under which claims under this act and this section shall be determined. The amount of claim for each bracket shall be computed only to the nearest \$1.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on **Sub for SB 84**. I don't view this legislation as being ideal, because ideally I believe that we should simply have a free market on the issue of gambling. Ideally, I would support abolishing state-owned casinos and simply allowing companies and individuals to open up private casinos. However, I still believe that allowing people to gamble on sports within a state-run system is better for the cause of liberty than prohibiting gambling all together. Prohibiting people from engaging in activities that don't violate anyone else's rights is incompatible with the cause of liberty and limited government. – BRETT FAIRCHILD

MR. SPEAKER: I vote Nay on **SB 84**. Gambling encourages the sins of greed and covetousness and promotes mismanagement of possessions entrusted to us by God. Gambling undermines absolute reliance on God for his provision. Gambling is a potentially addictive behavior, threatens the welfare of our neighbor and militates against the common good. This bill will have negative impacts on families, communities, and our overall society. Instead of creating wealth, this bill will allow the extraction of wealth from Kansans. With the previously stated reasons, and with 61% of Americans living paycheck to paycheck, how can we justify even more gambling? – STEVEN K. HOWE, CHARLOTTE ESAU

On motion of Rep. Hawkins, the House recessed until 12:45 a.m.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Tim Johnson are spread upon the Journal:

In 1968 a squad of young men from around the nation came together under the leadership of Sgt. Larry Joe Powell from Kansas City, Kansas and found themselves embroiled in the Vietnam War. Dennis Battles, Eddie Billimeyer, Rhea Rakes, Dennis Summerfield and Dean Smith joined Powell in becoming known as the "Roadrunners" a recon/intelligence squad in the South Vietnam highlands near Pleiku.

Their exploits became legendary as they ventured out from Landing Zone St. George. Then on November 6, 1969 the squad along with some 70 other soldiers found themselves outnumbered 10 to 1 by Viet Cong and North Vietnam Regulars in a battle that lasted all night. Partially overrun, the Roadrunners engaged in hand-to-hand as they defended their post. The casualties on both sides were staggering, but the outnumbered U.S. troops prevailed. The Roadrunners were highly decorated for their actions.

After completing their tour in the Vietnam War, some members continued in the military. They stayed in touch through the years, and today four members: Sgt. Powell, Dean Smith, Rhea Rakes, and Dennis Summerfield are here celebrating their 52nd anniversary of the Roadrunners. Member Dennis Battles is unable to attend today due to medical issues, while Ed Billmyre is deceased. I would ask the distinguished military leaders from this body to present to these four heroes a certificate at this time

Today, the Kansas House of Representatives honors the Roadrunners and welcomes them home from Vietnam.

The Roadrunners in attendance were presented with framed House certificates in honor of their service.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Lynn are spread upon the Journal:

Today, I would like to recognize Ms. Genia Deets, the founder of the Mail-A-SMILE program and current Kindergarten teacher at Green Springs Elementary School in Olathe.

The Mail-A-SMILE program provides authentic writing opportunities for students in grades PreK-5th grade. Their goal is to spread kindness. Students identify someone they feel would benefit from a whole classroom package of letters. Recipients might include a grandparent, a child suffering from an illness, an elderly neighbor, or anyone who could use a smile. I believe political leaders are also on their recipient list! The goal is for the recipient to know that there is hope and there is a smile.

Over the last twenty years, most being at Green Springs Elementary, the Mail-A-SMILE writing program has grown from a few SMILE letters being mailed each year, to thousands of letters, from multiple schools to make the world a happier place!

Every SMILE package is different. Most have letters, toys, and heart-felt drawings, and they have been found to have a tremendous impact on the lives of the recipients.

One of first SMILE packages mailed by Ms. Deets' class 20 years ago was to California, a SMILE nomination coming from kindergartner Hailey Hohanadel. Seventeen years later, Hailey's own family became a SMILE recipient after she passed away in a tragic accident.

Another recipient of a SMILE package was a Soldier who had just started Basic Training. He was having a difficult time being away from his family, so the classroom decided to thank him for being brave, and to thank him for supporting our country.

This program is not only for the recipients, it is also an amazing lesson for the children who begin to see that sometimes it takes something very little to leave an impression that's very big. I know this personally as two of my own children took part in Ms. Deets' project when they had her as their own classroom teacher.

Most recently, my father who is battling cancer received a Mail-A-SMILE package all the way in Ohio. The heartfelt notes, beautiful drawings, handmade bracelets, and amusing questions of the Green Springs kinder-gators touched the hearts of both him, my mother, and my sisters. The personal impact of this program is felt beyond measure.

Ms. Deets current goal is mailing letters to all 50 states this school year. You can find more on her Facebook page and using the hashtags #KindnessIsContagious and #MilesOfSMILES.

Today, Ms. Deets is joined by Green Springs Elementary Principal, Dr. Todd Wheat.

Body, please join me to honor and celebrate the work of Genia Deets, Dr. Wheat, and the children of Green Springs Elementary School. And I'd like to officially say "There's nothing greater than a Gator."

Rep. Lynn presented Ms. Deets a framed House certificate in honor of her Mail-A-SMILE program.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Highland are spread upon the Journal:

Rep. Highland was joined by his wife, Linda, at the well.

I would like to announce that I will not be seeking reelection for a sixth term. I would like to fondly thank my wife, Linda, for her support for 53 years and also the Body for your friendship.

It is a humbling experience to be elected by the majority of voters. I appreciate the trust and support they have had in me. I will continue to represent my district to the best of my ability until June 23rd.

My first year in the Legislature, I sat on the back row with fellow new members. The pro tem was always telling us to settle down.

The best part of serving in the Legislature is meeting and becoming friends with people you might not have otherwise met and being paid to study topics that I never would have done on my own.

I would like to thank all from both sides of the aisle for their friendship and support. Until we meet again!

The following message with the Governor's objection to **S Sub for HB 2448**, AN ACT concerning public assistance; requiring able-bodied adults without dependents to complete an employment and training program in order to receive food assistance; amending K.S.A. 39-709 and repealing the existing section. was received and read.

**MESSAGE FROM THE GOVERNOR REGARDING VETO OF
S SUB FOR HOUSE BILL 2448**

Every Kansan feels the price of the pandemic-induced inflation at the pumps and at the grocery store. The cost of food alone is one of the most significant contributors to inflation overall.

With the rising costs of these necessities, we should be helping people afford the basics. This bill would unnecessarily burden nearly 30,000 hard-working Kansans, including people caring for their families and impacting those with children.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto S Sub for House Bill 2448.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Finch are spread upon the Journal:

It is my honor today to present the 2022 NCAA Division one men's basketball champion Kansas Jayhawks.

Under the leadership of Coach Bill Self, the team were Big 12 regular season co-champions and won the Big 12 tournament in Kansas City.

They entered the NCAA tournament as a #1 seed.

With a signature blend of unselfish play, high octane transitions and stifling defense the Jayhawks proceeded to march through one of the most competitive and upset laden tournament fields in recent memory.

With senior leadership, transfer talent, and young role players this team carried on the Kansas legacy of winning basketball and in Chicago became the winningest team in Division I college basketball history.

Whether you are a Wildcat, a Shocker, or a fan of any other Kansas team, when one of our teams leaves the state to take on the rest of nation, they carry the reputation of Kansas with them. They become ambassadors of our state and what great ambassadors these players are.

These young men showed the rest of the world and particularly North Carolina that Kansas plays hard, never quits, and though we may not be the biggest we will always strive to be the best.

Members of the Kansas House, please join me in honoring two-time national champion coach Bill Self and the 2022 National Champion Kansas Jayhawks. Rock Chalk Jayhawk, Go KU!

Prayer by Chaplain Brubaker:

Sovereign God,
Today I come before You
so thankful for the freedoms we have.
As citizens of this state
and nation,
We are thankful to have a voice in decisions made
through representation.
We are thankful for a system that allows a
variety of philosophies
that can discuss, debate, negotiate and collaborate
in making decisions that are to benefit the masses.
Although we may get frustrated and irritated
with the debates and disagreements,
at least we have the freedom for this to occur.
Most of all, We are thankful for the freedom
granted to each of us acknowledging
that You have created us all equally
and that we are endowed by You with certain unalienable rights,
including those of life, liberty and the pursuit of happiness.
Many people are not able to experience this
in their daily life.
Help us never to take this freedom for granted.
Lastly, but most importantly,
We are thankful for those who willingly
put their lives on the line so we may have these freedoms.
In an attitude of deep gratitude
I pray this prayer of thanksgiving in Your Name,
Amen.

The Pledge of Allegiance was led by Rep. Meyer.

(1) Issue a request for proposal for the administration and provision of benefits under the medical assistance program; or

(2) enter into any new contract with managed care organizations for the administration and provision of benefits under the medical assistance program.

(b) Except to the extent prohibited by 42 U.S.C. § 1396u-2(a)(2) or other federal law, the secretary of health and environment shall continue to administer medical assistance benefits using managed care entities as described in 42 U.S.C. § 1396u-2.

(c) This section shall expire on January 31, 2023.

Sec. 2. K.S.A. 2021 Supp. 48-925 is hereby amended to read as follows: 48-925.
 (a) During any state of disaster emergency declared under K.S.A. 48-924, and amendments thereto, the governor shall be commander-in-chief of the organized and unorganized militia and of all other forces available for emergency duty. To the greatest extent practicable, the governor shall delegate or assign command authority by prior arrangement, embodied in appropriate executive orders or in rules and regulations of the adjutant general, but nothing shall restrict the authority of the governor to do so by

executive orders issued at the time of a disaster.

(b) Under the provisions of this act and for the implementation of this act, the governor may issue executive orders to exercise the powers conferred by subsection (c) that have the force and effect of law during the period of a state of disaster emergency declared under K.S.A. 48-924(b), and amendments thereto, or as provided in K.S.A. 2021 Supp. 48-924b, and amendments thereto. The chairperson of the legislative coordinating council shall call a meeting of the council to occur within 24 hours of the issuance of an executive order issued pursuant to this section for the purposes of reviewing such order. Such executive orders shall be null and void after the period of a state of disaster emergency has ended. Such executive orders may be revoked at any time by concurrent resolution of the legislature or, when the legislature is not in session or is adjourned during session for three or more days, such orders may be revoked by the legislative coordinating council with the affirmative vote of five members thereof.

(c) Except as provided in K.S.A. 2021 Supp. 48-924b, and amendments thereto, during a state of disaster emergency declared under K.S.A. 48-924, and amendments thereto, in addition to any other powers conferred upon the governor by law and subject to the provisions of ~~subsections~~ subsection (d) ~~and (e)~~, the governor may:

(1) Suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business, or the orders or rules and regulations of any state agency which implements such statute, if strict compliance with the provisions of such statute, order or rule and regulation would prevent, hinder or delay in any way necessary action in coping with the disaster;

(2) utilize all available resources of the state government and of each political subdivision as reasonably necessary to cope with the disaster;

(3) transfer the supervision, personnel or functions of state departments and agencies or units thereof for the purpose of performing or facilitating emergency management activities;

(4) subject to any applicable requirements for compensation under K.S.A. 48-933, and amendments thereto, commandeer or utilize any private property if the governor finds such action necessary to cope with the disaster;

(5) direct and compel the evacuation of all or part of the population from any area of the state stricken or threatened by a disaster, if the governor deems this action necessary for the preservation of life or other disaster mitigation, response or recovery;

(6) prescribe routes, modes of transportation and destinations in connection with such evacuation;

(7) control ingress and egress of persons and animals to and from a disaster area, the movement of persons and animals within the area and the occupancy by persons and animals of premises therein;

(8) suspend or limit the sale, dispensing or transportation of alcoholic beverages, explosives and combustibles;

(9) make provision for the availability and use of temporary emergency housing;

(10) require and direct the cooperation and assistance of state and local governmental agencies and officials; and

(11) perform and exercise such other functions, powers and duties in conformity with the constitution and the bill of rights of the state of Kansas and with the statutes of the state of Kansas, except any regulatory statute specifically suspended under the authority of subsection (c)(1), as are necessary to promote and secure the safety and

protection of the civilian population.

(d) The governor shall not have the power or authority under the provisions of the Kansas emergency management act or any other law to:

(1) Limit or otherwise restrict the sale, purchase, transfer, ownership, storage, carrying or transporting of firearms or ammunition, or any component or combination thereof, including any components or combination thereof used in the manufacture of firearms or ammunition, or seize or authorize the seizure of any firearms or ammunition, or any component or combination thereto, except as otherwise permitted by state or federal law pursuant to subsection (c)(8) or any other executive authority;

~~(e) The governor shall not have the power under the provisions of the Kansas emergency management act or the provisions of any other law to:~~

(2) alter or modify any provisions of the election laws of the state including, but not limited to, the method by which elections are conducted or the timing of such elections;
or

(3) prohibit attending or conducting any religious service or worship service in a church, synagogue or place of worship.

~~(f)(e)~~ The governor shall exercise the powers conferred by subsection (c) by issuance of executive orders under subsection (b). Each executive order issued pursuant to the authority granted by subsection (b) shall specify the provision or provisions of subsection (c) by specific reference to each paragraph of subsection (c) that confers the power under which the executive order was issued. The adjutant general, subject to the direction of the governor, shall administer such executive orders.

~~(g)(f)~~ (1) Any party aggrieved by an executive order issued pursuant to this section that has the effect of substantially burdening or inhibiting the gathering or movement of individuals or the operation of any religious, civic, business or commercial activity, whether for-profit or not-for-profit, may file a civil action in the district court of the county in which such party resides or in the district court of Shawnee county, Kansas, within 30 days after the issuance of such executive order. Notwithstanding any order issued pursuant to K.S.A. 2021 Supp. 20-172(a), and amendments thereto, the court shall conduct a hearing within 72 hours after receipt of a petition in any such action. The court shall grant the request for relief unless the court finds such executive order is narrowly tailored to respond to the state of disaster emergency and uses the least restrictive means to achieve such purpose. The court shall issue an order on such petition within seven days after the hearing is conducted. If the court does not issue an order on such petition within seven days, the relief requested in the petition shall be granted.

(2) Relief under this section shall not include a stay or injunction concerning the contested executive order that applies beyond the county in which the petition was filed.

(3) The supreme court may adopt emergency rules of procedure to facilitate the efficient adjudication of any hearing requested under this subsection, including, but not limited to, rules for consolidation of similar hearings.

~~(h)(g)~~ (1) The board of county commissioners of any county may issue an order relating to public health that includes provisions that are less stringent than the provisions of an executive order effective statewide issued by the governor. Any board of county commissioners issuing such an order must make the following findings and include such findings in the order:

(A) The board has consulted with the local health officer or other local health

officials regarding the governor's executive order;

(B) following such consultation, implementation of the full scope of the provisions in the governor's executive order are not necessary to protect the public health and safety of the county; and

(C) all other relevant findings to support the board's decision.

(2) If the board of county commissioners of a county issues an order pursuant to paragraph (1), such order shall operate in the county in lieu of the governor's executive order.

Sec. 3. K.S.A. 2021 Supp. 48-925 is hereby repealed.";

EXPLANATION OF VOTE

MR. SPEAKER: I cannot support **HB 2387**. This extends the MCO contract to the tune \$4 billion, with a no-bid process, potentially violating law. It extends the existing managed care organization contracts by one year. There is no competition, no room for questions, no accountability. This is wholly irresponsible and I refuse to spend taxpayer dollars in such a reckless manner. — TOM SAWYER, STEPHANIE CLAYTON, VALDENIA WINN, JO ELLA HOYE, RUI XU, BARBARA BALLARD, SYDNEY CARLIN, CHRISTINA HASWOOD, DENNIS “BOOG” HIGHERBERGER, GAIL FINNEY, ANNIE KUETHER, CHUCK SCHMIDT, JOHN CARMICHAEL, KATHY WOLFE MOORE, TOM BURROUGHS, JERRY STOGSDILL, KC OHAEBOSIM, DAN OSMAN, BRODERICK HENDERSON, JOHN ALCALA, MIKE AMYX, CINDY NEIGHBOR, STEPHANIE BYERS, MARI-LYNN POSKIN, LINDA FEATHERSTON, HEATHER MEYER, LINDSAY VAUGHN, VIRGIL WEIGEL, JASON PROBST

On page 1, by striking all in lines 13 through 36;

By striking all on pages 2 through 16;

On page 17, by striking all in lines 1 through 22; following line 22, by inserting:

"New Section 1. (a) The secretary of state, in consultation with county election officers, shall develop an affidavit system to be utilized for the transfer of ballots. Each person who transfers ballots for a county election office shall be required to sign an affidavit listing, if applicable, the:

- (1) Number of blank ballots;
- (2) number of spoiled ballots;
- (3) number of provisional ballots;
- (4) number of counted ballots;
- (5) number of advanced ballots in envelopes;
- (6) name of the person to whom such ballots were delivered; and
- (7) location of where the ballots were delivered.

(b) The affidavit system developed under this section shall apply to all ballots delivered, collected and transferred by county election offices prior to, on and after the date of an election and shall operate in conjunction with the provisions of K.S.A. 25-2707, 25-2708 and 25-2709, and amendments thereto, regarding transporting, preserving and destroying ballots and election records.

(c) (1) It shall be a violation of this section to alter any information provided in an affidavit or provide false information in an affidavit with the intent to hinder, prevent or defeat a fair election.

- (2) A violation of this section is a severity level 9, nonperson felony.

New Sec. 2. (a) In the calendar year following the general election of an even-numbered year, the secretary of state shall conduct in four counties an audit of the procedures used for election administration and election records for the elections held during the previous two calendar years.

(b) The secretary of state shall select the counties to be audited at random, except that:

- (1) One of the counties selected shall have a voting age population of more than 90,000;
- (2) one of the counties selected shall have a voting age population of more than 20,000 but less than 90,000;
- (3) two of the counties selected shall have a voting age population of less than 20,000; and
- (4) voting age population shall be set by the most recent federal decennial census.

(c) The secretary of state shall adopt rules and regulations necessary to implement this section including enumerating the specific records and procedures to be examined.

New Sec. 3. (a) (1) (A) All voting systems used for elections in this state held on or after January 1, 2024, shall require the use of an individual, durable, voter-verified paper ballot with a distinctive watermark established by the secretary of state. The voter's ballot shall be:

(i) Marked by the voter, or by a person assisting the voter as otherwise permitted by law, either by hand or by use of a voting machine that is a non-tabulating paper ballot marking or printing device or system that may be electromechanical or electronic;

(ii) made available to the voter for inspection and verification by the voter after the voter has marked the ballot but before the voter's vote is cast and counted, that may be spoiled by the voter if it fails to reflect the voter's choices and that permits the voter to cast a new paper ballot; and

(iii) canvassed by hand or read and tabulated by vote-tabulating equipment consisting of optical scanning equipment or other counting equipment that counts and tabulates paper ballots.

(B) The voting system shall provide the voter with an opportunity to correct any error on the paper ballot before the paper ballot is secured and preserved.

(2) The voting system shall not preserve the paper ballots in any manner that makes it possible, at any time after the ballot has been cast, to associate a voter with the record of the voter's vote without the voter's consent.

(3) The paper ballot shall constitute the official ballot and shall be preserved and used as the official ballot suitable for purposes of any audit or recount conducted with respect to any election in which the voting system is used. Each paper ballot shall be counted by hand in any recount conducted with respect to any election, unless the requestor of a recount pursuant to K.S.A. 25-3107, and amendments thereto, elects not to have the ballots counted by hand.

(4) In the event of any inconsistencies or irregularities between any electronic vote tallies and the vote tallies determined by counting by hand the paper ballots cast, the paper ballots as counted by hand shall be the true and correct record of the votes cast.

(b) The use of poll books not requiring a hand-written signature shall be prohibited.

(c) On or before January 1, 2023, the secretary of state shall adopt rules and regulations to implement the provisions of this section.

Sec. 4. K.S.A. 25-1124 is hereby amended to read as follows: 25-1124. (a) Upon receipt of the advance voting ballot, the voter shall cast such voter's vote as follows: The voter shall make a cross or check mark in the square or parentheses opposite the name of each candidate or question for whom the voter desires to vote. The voter shall make no other mark, and shall allow no other person to make any mark, upon such ballot. If the advance voting ballot was transmitted by mail, the voter personally shall place the ballot in the ballot envelope bearing the same number as the ballot and seal the envelope. The voter shall complete the form on the ballot envelope and shall sign the same. Except as provided by K.S.A. 25-2908, and amendments thereto, the ballot envelope shall be mailed or otherwise transmitted to the county election officer. If the advance voting ballot was transmitted to the voter in person in the office of the county election officer or at a satellite advance voting site, the voter may deposit such ballot into a locked ballot box without an envelope.

(b) The county election officer shall attempt to contact each person who submits an advance voting ballot where there is no signature or where the signature does not match with the signature on file and allow such voter the opportunity to correct the deficiency

before the commencement of the final county canvass.

(c) Any voter who has an illness or physical disability or who is not proficient in reading the English language and is unable to apply for or mark or transmit an advance voting ballot, or any voter who has a disability preventing the voter from signing an application or the form on the ballot envelope, may request assistance by a person who has signed a statement required by subsection (e) in applying for or marking an advance voting ballot, or in signing an application or the form on the ballot envelope if the voter has a disability preventing the voter from signing.

(d) Any voted ballot may be transmitted to the county election officer by the voter. Subject to the provisions of K.S.A. 25-2437, and amendments thereto, a voted ballot may be transmitted by another person designated in writing by the voter as provided in K.S.A. 25-2437, and amendments thereto, except if the voter has a disability preventing the voter from writing and signing a statement, the written and signed statement required by subsection (e) shall be sufficient. Any such voted ballot shall be transmitted to the county election officer before the close of the polls on election day.

(e) The county election officer shall allow a person to assist a voter who has an illness or physical disability or who is not proficient in reading the English language in applying for or marking an application or advance voting ballot, or to sign for a voter who has a disability preventing the voter from signing an application or advance voting ballot form, provided a written statement is signed by the person who renders assistance to the voter who has an illness or physical disability or who is not proficient in reading the English language and such statement is submitted to the county election officer with the application or ballot. The statement shall be on a form prescribed by the secretary of state and shall contain a statement from the person providing assistance that the person has not exercised undue influence on the voting decision of the voter who has an illness or physical disability or who is not proficient in reading the English language and that the person providing assistance has completed the application, marked the ballot, or signed the application or ballot form as instructed by the voter.

(f) Any person assisting a voter who has an illness or physical disability or who is not proficient in reading the English language in applying for or marking an advance voting ballot, or in signing an application or advance voting ballot form for a voter who has a disability preventing the voter from signing the application or advance voting ballot form, who knowingly fails to sign and submit the statement required by this section or who exercises undue influence on the voting decision of such voter shall be guilty of a severity level 9, nonperson felony.

(g) (1) No person who is a candidate for office shall assist any voter in marking an advance voting ballot or in signing an advance voting ballot form pursuant to this section.

(2) It shall not be a violation of this subsection for:

(A) The secretary of state, any election official or ~~any~~ county election ~~office~~ officer to assist a voter while engaged in the performance of the duties of such office; or

(B) any candidate for office employed by a county election office to assist a voter while engaged in the performance of the duties of such employee, unless the employee appears as a candidate for office on the advance voting ballot for which such candidate is providing assistance.

(3) For purposes of this subsection, the term "candidate for office" means an individual who has declared such individual's candidacy pursuant to K.S.A. 25-205 et

seq., and amendments thereto, or has been nominated for elected office pursuant to K.S.A. 25-301 et seq., and amendments thereto, in the election for which the voter applied for an advance voting ballot.

(4) A violation of this subsection is a class C misdemeanor.

(h) Subject to the provisions of subsection (b), no county election officer shall accept an advance voting ballot transmitted by mail unless the county election officer verifies that the signature of the person on the advance voting ballot envelope matches the signature on file in the county voter registration records, except that verification of the voter's signature shall not be required if a voter has a disability preventing the voter from signing the ballot or preventing the voter from having a signature consistent with such voter's registration form. Signature verification may occur by electronic device or by human inspection. In the event that the signature of a person on the advance voting ballot envelope does not match the signature on file in the county voter registration records, the ballot shall not be counted.

Sec. 5. K.S.A. 25-2316c is hereby amended to read as follows: 25-2316c. (a) When a registered voter changes name by marriage, divorce or legal proceeding, if ~~such the~~ voter is otherwise qualified to vote at such voting place ~~such the~~ voter shall be allowed to vote a provisional ballot at any election, or apply for an advance voting ballot, on the condition that ~~such the~~ voter first completes the application for registration prescribed by K.S.A. 25-2309, and amendments thereto. Completion of the application shall authorize the county election officer to update the registration records, if appropriate, for voting in future elections. The county election officer shall send, by nonforwardable mail, a notice of disposition to any voter completing such application.

(b) When a registered voter changes residence, ~~such the~~ voter shall reregister in order to be eligible to vote, except that when a registrant has moved from an address on the registration book to another address within the county and has not reregistered, ~~such the~~ registrant shall be allowed to vote a provisional ballot at any election, or to apply for an advance voting ballot, on the condition that ~~such the~~ registrant first completes the application for registration prescribed by K.S.A. 25-2309, and amendments thereto. Completion of the application shall authorize the county election officer to update the registration record, if appropriate, for voting in future elections. The county election officer shall send, by nonforwardable mail, a notice of disposition to any such voter. Whenever the county election officer receives from any other election officer a notice of registration of a voter in a different place than that shown in the records of the county election officer, ~~such the~~ officer shall remove the name of ~~such the~~ voter from the registration book and party affiliation list.

(c) Every application for registration completed under this section shall be returned to the county election officer with the registration books.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **S Sub for HB 2138**. While there are provisions in this conference committee report that I support, the provisions relating to requiring ballot paper with a unique watermark is an unnecessary and unfunded mandate upon local government. There has been no evidence presented of a problem addressed by this provision and no evidence that this is a solution to anything—just one more expense cast upon our local property taxpayers. — VIC MILLER

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee of the Whole amendments, as follows:

(k) "qualified development" means a "qualified low-income housing project," as that term is defined in section 42 of the federal internal revenue code that is located in Kansas and is determined by the KHRC to be eligible for a federal tax credit whether or not a federal tax credit is allocated with respect to such qualified development; and

(l) "qualified taxpayer" means an individual, a person, firm, corporation, or other entity that owns an interest, direct or indirect, in a qualified development and is subject to the taxes imposed by the Kansas income tax act, the privilege taxes imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premium taxes imposed pursuant to K.S.A. 40-252, and amendments thereto.

New Sec. 3. (a) For all taxable years commencing after December 31, 2022, there shall be allowed a credit against the income tax liability imposed pursuant to the Kansas income tax act, the privilege tax liability imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premium tax liability imposed upon an insurance company pursuant to K.S.A. 40-252, and amendments thereto, for each qualified development for each year of the credit period, in an amount equal to the federal tax credit allocated or allowed by the KHRC to such qualified development, except that there shall be no reduction in the credit allowable in the first year of the credit period due to the calculation in section 42(f)(2) of the federal internal revenue code.

partner or member would be considered a partner or member under applicable state law governing such entity and has been admitted as a partner or member on or prior to the date for filing the qualified taxpayer's tax return, including any amendments to such tax return, with respect to the year of the credit. In the case of multiple tiers of pass-through entities, the credit may be so allocated through any number of pass-through entities in any manner agreed by the owners of such pass-through entities, none of which shall be considered a transfer. Any pass-through entity allocating a credit to its partners or members shall attach a pass-through certification to its tax return annually. (e) An owner of a qualified development to which a credit has been allocated and each qualified taxpayer to which such owner has allocated a portion of such credit, if any, shall file with their state income, privilege or premium tax return a copy of the allocation certificate issued by the KHRC with respect to such qualified development and a copy of any pass-through certification, as prescribed by the director.

(f) No credit shall be allocated pursuant to this act unless the qualified development is the subject of a recorded restrictive covenant requiring the development to be maintained and operated as a qualified development and is in accordance with the accessibility and adaptability requirements of the federal tax credits and title VIII of the civil rights act of 1968, as amended by the fair housing amendments act of 1988, for a period of 15 taxable years, or such longer period as may be agreed to between the KHRC and the owner of the qualified development, beginning with the first taxable year of the credit period.

(g) The allocated credit amount may be taken against the income, privilege or premium taxes imposed for each taxable year of the credit period. Any amount of credit that exceeds the income, privilege or premium tax liability of a qualified taxpayer for a taxable year may be carried forward as a credit against subsequent years' tax liability up to 11 tax years following the tax year in which the allocation was made and shall be applied first to the earliest years possible. Any amount of the credit that is not used shall not be refunded to the taxpayer.

(h) Unless otherwise provided in this act or the context or law requires otherwise, the KHRC shall determine eligibility for a credit and allocate credits in accordance with the standards and requirements set forth in section 42 of the federal internal revenue code. Any combination of federal tax credits and credits allowed pursuant to this act shall be the least amount necessary to ensure the financial feasibility of a qualified development.

The percentage of credits subject to recapture shall be equal to the percentage of federal tax credits subject to recapture or otherwise disallowed during such period. Any credits recaptured or disallowed shall increase the tax liability of the qualified taxpayer who claimed the credits and shall be included on the tax return of the qualified taxpayer submitted for the

residents and families and will support the development and expansion of businesses that are job and wealth creating enterprises.

(b) To achieve this purpose and to optimize the use of the limited resources of the state, the director is authorized to issue tax credits for qualified housing projects to qualified investors who make cash investments in such qualified housing projects and to project builders and developers. (k) The director shall adopt rules and regulations as necessary to implement the provisions of this act.

New Sec. 10. (a) (1) For tax year 2022 and all tax years thereafter, a credit against the income tax liability imposed pursuant to the Kansas income tax act, the privilege tax liability imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premium tax liability imposed upon an insurance company pursuant to K.S.A. 40-252, and amendments thereto, shall be allowed to:

(A) A qualified investor for a cash investment in a qualified housing project that has been approved and issued a tax credit by the director. The tax credit may be claimed in its entirety in the taxable year the cash investment is made; and

(B) a project builder or developer of a qualified housing project that has been approved and issued a tax credit by the director.

(2) To claim such tax credit, the qualified investor or project builder or developer shall provide all information or documentation in the form and manner required by the secretary of revenue. If the amount of the credit exceeds the taxpayer's tax liability in any one taxable year, the remaining portion of the credit may be carried forward in the succeeding taxable years until the total amount of the credit is used, except that no credit may be claimed after four taxable years next succeeding the taxable year that such credit was issued, and any remaining credit shall be forfeited.

(b) (1) Tax credits may be issued by the director for a qualified housing project as follows:

(A) For qualified housing projects located in a county with a population of not more than 8,000, in an amount not to exceed \$35,000 per residential unit;

(B) for qualified housing projects located in a county with a population of more than 8,000 but not more than 25,000, in an amount not to exceed \$32,000 per residential unit; and

(C) for all other qualified housing projects, in an amount not to exceed \$30,000.

(2) A qualified housing project shall be limited to a total of 40 such residential units

per year for both single-family and multi-family dwellings.

(3) Tax credits may be issued to a qualified investor in the amount of a cash investment of up to the total amount that may be issued by the director under this subsection for the qualified housing project, or as provided in the agreement required by section 9, and amendments thereto. Project builders or developers may apply to the director each year for tax credits for additional units or phases of a project. Qualified investors may be issued tax credits for cash investments in multiple qualified housing projects. Project builders or developers may apply and be approved for multiple qualified housing projects in the same tax year.

(4) The aggregate amount of tax credits that may be issued under this section shall not exceed \$13,000,000 each tax year, except that if the director issues an aggregate amount of tax credits in one tax year that is less than \$13,000,000, then the director may carry forward the difference and issue such amount of tax credits in the immediately succeeding tax year in addition to the statutory amount that may be issued under this section. Of the aggregate amount of tax credits issued in one tax year, the director shall allocate:

(A) Not less than \$2,500,000 in tax credits for qualified housing projects located in counties with a population of not more than 8,000;

(B) not less than \$2,500,000 in tax credits for qualified housing projects located in counties with a population of more than 8,000 but not more than 25,000; and

(C) up to \$8,000,000 in tax credits for qualified housing projects located in counties with a population of more than 25,000 but not more than 75,000.

(c) A cash investment in a qualified housing project shall be deemed to have been made on the date of acquisition of the qualified security, as such date is determined by the director.

(d) Any qualified investor without a current tax liability at the time of the investment in a qualified housing project that does not reasonably believe such investor will owe any such tax for the current taxable year and who receives a tax credit pursuant to this section shall be deemed to acquire an interest in the nature of a transferable credit limited to the amount of the credit issued to the qualified investor by the director. This interest may be transferred to any person whether or not such person is then a qualified investor and be claimed by the transferee as a credit against the transferee's Kansas tax liability in the same manner as the transferor beginning in the year the credit is transferred. The credit may be carried forward as permitted by subsection (a). No person shall be entitled to a refund for any interest on such tax credit that may be created under this section. Only the full amount of the tax credit for any one qualified housing project investment may be transferred and may only be transferred one time. A credit acquired by transfer shall be subject to the limitations prescribed in this section. Documentation of any credit acquired by transfer shall be provided by the taxpayer claiming such credit in the manner required by the secretary of revenue. The qualified investor transferring such credit shall provide the director and the secretary of revenue with the name, address and taxpayer identification number of each person to whom tax credits have been transferred and such other information as may be required by the director or the secretary of revenue.

(e) The secretary of revenue may adopt rules and regulations as necessary to implement and administer the provisions of this act.

New Sec. 11. (a) If the director determines that a project is not in substantial compliance with the requirements of this act or the agreement executed pursuant to section 9, and amendments thereto, the director shall inform the project builder or developer of the project in writing that the project will lose designation as a qualified housing project in 120 days from the date of mailing of the notice unless such builder or developer corrects the deficiencies and becomes compliant with the requirements for designation.

(b) At the end of such 120-day period, if the project is still not in substantial compliance, the director shall send a notice of loss of designation to the project builder or developer, the secretary of revenue and all known qualified investors in the project. Loss of designation of a qualified housing project shall preclude the issuance of any additional tax credits with respect to the project, and the director shall not approve any subsequent application for such project as a qualified housing project. Upon loss of the designation as a qualified housing project, the project builder or developer shall repay any tax credits such taxpayer has claimed.

(c) Qualified investors other than the project builder or developer who have lawfully made a cash investment in a qualified housing project approved by the director shall not have tax credits disallowed solely due to the project losing its designation as a qualified housing project under this act.

New Sec. 12. (a) On or before January 31, 2023, and on or before January 31 of each year thereafter, the director shall transmit a report annually to the governor, the standing committee on commerce of the senate and the standing committee on commerce, labor and economic development of the house of representatives. Such report shall be based upon information received from each qualified housing project for which tax credits have been issued during the preceding year and shall describe the following:

- (1) The manner in which the purpose, as described in this act, has been carried out;
- (2) the total cash investments made for qualified securities in qualified housing projects during the preceding year and cumulatively since the enactment of this act;
- (3) an estimate of jobs facilitated by housing developed through such investments; and
- (4) an estimate of the multiplier effect on the Kansas economy of the investments. The amount of tax credits claimed in the previous fiscal year; a general description of the investors that benefited from the tax credits; and any aggregate job creation or capital investment in Kansas that resulted from the tax credits for a period of five years beginning from the date on which the tax credits were issued.

(b) The director shall conduct an annual review of the activities undertaken pursuant to this act to ensure that tax credits issued pursuant to this act are issued in compliance with the provisions of this act and rules and regulations adopted by the director.

New Sec. 13. K.S.A. 79-32,211, and amendments thereto, and sections 13 and 14, and amendments thereto, shall be known as and may be cited as the historic Kansas act.

New Sec. 14. (a) For all taxable years commencing after December 31, 2021, there shall be allowed a tax credit against the income, privilege or premium tax liability imposed upon a taxpayer pursuant to the Kansas income tax act, the privilege tax imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premiums tax and privilege fees imposed upon an insurance company pursuant to K.S.A. 40-252, and amendments thereto, in an amount equal to 10% of costs and expenses incurred for the restoration and preservation of a commercial structure at least 50 years old that does not receive tax credits pursuant to K.S.A. 79-32,211, and amendments thereto. An additional tax credit of 10% of the costs and expenses may be allowed for the installation of fire suppression materials or equipment by a taxpayer. The total amount of such costs and expenses shall be at least \$25,000 but shall not exceed \$500,000. If the amount of such tax credit exceeds the taxpayer's income, privilege or premium tax liability for the year in which the rehabilitation was completed, such excess amount may be carried over for deduction from such taxpayer's income, privilege or premium tax liability in the next succeeding year or years until the total amount of the credit has been deducted from tax liability, except that no such credit shall be carried over for deduction after the 10th taxable year succeeding the taxable year in which the rehabilitation plan was placed in service.

(b) Any bank, savings and loan association or savings bank shall pay taxes on 50% of the interest earned on loans to taxpayers used for costs and expenses for the restoration and preservation of a commercial structure at least 50 years old or for the installation of fire suppression materials or equipment.

(c) If the taxpayer is a corporation having an election in effect under subchapter S of the federal internal revenue code, a partnership or a limited liability company, the credit provided by this section shall be claimed by the shareholders of such corporation, the partners of such partnership or the members of such limited liability company in the same manner as such shareholders, partners or members account for their proportionate shares of the income or loss of the corporation, partnership or limited liability company, or as the corporation, partnership or limited liability company mutually agree as provided in the bylaws or other executed agreement. In the appraisal report, the appraiser shall provide an explanation of the reasons for exclusion of the sales comparison approach and document efforts to obtain comparable sales or market data. A financial institution shall not decline to proceed with a mortgage finance transaction due to the exclusion of the sales comparison approach in accordance with this section unless the sales comparison approach is required in order for such mortgage finance transaction loan to be guaranteed or sold in the secondary market.

EXPLANATION OF VOTE

MR. SPEAKER: I reluctantly cast a No vote on **HB 2237**. I support many of the underlying aspects of this bill. I think housing issues, if addressed by the state at all, are better done via tax credits than setting up new agencies or regulations. Yet the bigger budget picture is that we just approved a record \$9.03 billion SGF budget which had special provisions already for housing needs. We need to focus more on smaller government and sending more tax dollars back to our state's taxpayers rather than picking winners and losers in the state's housing market. — PAUL WAGGONER

Prayer by Chaplain Brubaker:

Dear Lord, thank You for this beautiful day that

You have given us.

In the Psalms, You have promised us: "I will instruct you
and teach you in the way you should go; I will counsel you
and watch over you.

Do not be like the horse or the mule, which have no
understanding but must be controlled by the bit and bridle
or they will not come to you.

Many are the woes of the wicked, but my unfailing love
surrounds the man who trusts in Me."

Lord, help us to be teachable today
and to trust that Your love and wisdom is the foundation of
all our actions and decisions.

In Christ's Name I pray, Amen (Psalms 32:8-10)

The Pledge of Allegiance was led by Rep. Jacobs.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Humphries are spread upon the Journal:

Body, today I come before you to remember a dear and dedicated public servant. On Saturday we lost Jennie Chinn, the Executive Director of the Kansas State Historical Society. Many of you probably worked with Jennie longer and more closely than I did, but I found her to be passionate and creative in preserving and promoting our Kansas Heritage and history.

I'd like to read a few of Jennie's contributions:

Jennie Chinn grew up in California, where she taught middle school and began her career in folklore. She became the first Kansas State Folklorist, heading the Kansas Historical Society's statewide folk-life program to preserve and celebrate cultural traditions in 1982. As Kansas Historical Society Education and Outreach Division Director from 1991 to 2004, Jennie developed award-winning programs, until she became the Executive Director in 2004.

She co-chaired the 150th anniversary commemorations for Kansas Territory and Kansas Statehood. She chaired exhibit teams for the Kansas Museum of History and Kansas State Historic Sites, including Kaw Mission and Last Chance Store Museums State Historic Site in Council Grove, reopening later this year. In addition to leading the agency, she also served as State Historic Preservation Officer. She co-developed Read Kansas!, history, civics, and government classroom curriculum for primary to high school, beginning in 2006.

Jennie co-chaired the Capital Preservation Committee, among the recent projects were the *Brown v. Board of Education* mural and work to honor the state's women's suffrage movement.

Jennie's most recent project has been spearheading new exhibits for the Kansas Museum of History. She has overseen planning, input gathering, researching, writing, feedback, working with a design team, and inspiring the \$6 million dollar capital campaign, which is nearly complete. Her vision continues to propel the new exhibits project, with expected reopening in late 2023.

Jennie loved Kansas. She chose to live here, she believed Kansas was at the center of issues important to the development of the nation. She often quoted editor William Allen White, "When anything is going to happen in this country, it happens first in Kansas."

Please join me in a moment of silence to remember Jennie, her family, and her co-workers. Thank you.

Although many of you have know Jennie better, it is a privilege to remember Jennie and honor her. It is soon to be doing this point of privilege, but we are thankful for Jennie and her contributions. If her family is listening we offer our deepest condolences.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Moser are spread upon the Journal:

Hitting a very small white ball with a slender iron rod on a manicured version of a lush green pasture is something I have only done twice in my life. Because of the effort the young men standing before you today have put into the sport of golf during their high school years, they are well on their way to establishing a healthy lifestyle choice that will serve them well their entire lives, and they are winning state championships along the way.

These student athletes attend Frankfort High in Marshall County, a 1A school about eighty miles northwest of Topeka. The "Wildcats" won the state golf tournament in 2019. We all know what happened in March of 2020 - spring sports were cancelled because of Covid. The 2021 season saw this group working harder than ever, strengthening their mental game and adapting their play accordingly in adverse weather conditions that included rain, with the seniors helping the underclassmen every step of the way.

Emporia Municipal golf course was the site for the 2021 state golf championships. Seniors Aiden Gerstner scored a 79 and Gavin Cornelison an 85. Sebastian Thored, an exchange student from Germany, scored a 93. Juniors Joey Hardwick scored a 90 and Grady Fox 102. These scores combined for a total good enough to earn the state championship title again in 2021.

I have certificates for each of you acknowledging your team's 2021 state golf title.

Please join me in recognizing this hard-working group of young men, their head coach Brian Ebert and assistant coach Austin Hardwick for their winning efforts in a sport that they can continue to enjoy long after they leave the halls of Frankfort High School.

MESSAGE FROM THE GOVERNOR

April 26, 2022

Message to the Kansas House of Representatives:

Enclosed herewith is Executive Order No. 22-04 for your information.

EXECUTIVE ORDER NO. 22-04

Concerning Governor's Reward for Information Regarding the Murder of
Doris E. Branson

Laura Kelly
Governor

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **SB 160**, AN ACT concerning education; relating to student athletes; enacting the fairness in women's sports act; restricting participation on women's teams to female students; providing a cause of action for violations, which was received on April 15, 2022, and read on April 26, 2022.

MESSAGE FROM THE GOVERNOR REGARDING VETO OF SENATE BILL 160

Both Republican and Democratic Governors have joined me in vetoing similar divisive bills for the same reasons: it's harmful to students and their families and it's bad for business.

We all want a fair and safe place for our kids to play and compete. However, this bill didn't come from the experts at our schools, our athletes, or the Kansas State High School Activities Association. It came from politicians trying to score political points.

This bill would also undoubtedly harm our ability to attract and retain businesses. It would send a signal to prospective companies that Kansas is more focused on unnecessary and divisive legislation than strategic, pro-growth lawmaking.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 160.

BY THE GOVERNOR: Laura Kelly
DATED: April 15, 2022

A motion was made that **SB 160** be passed notwithstanding the Governor's veto. By vote of 28 Yeas and 10 Nays, the motion having received the required two-thirds

constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **SB 199**, AN ACT concerning insurance; relating to health insurance; providing for short-term, limited-duration health plans; amending K.S.A. 40-2,193 and repealing the existing section., which was received on April 11, 2022, and read on April 26, 2022.

**MESSAGE FROM THE GOVERNOR
REGARDING VETO OF SENATE BILL 199**

After reviewing this bill, I still have concerns about how it will hurt Kansas families. The plans provided under this bill do not cover pre-existing conditions and do not provide consumer protections. As a result, one medical emergency could cause a Kansas family to spiral into bankruptcy.

We already know that the solution to provide health care access for all Kansans, to bring thousands of jobs to our state, to save small businesses money, to protect our rural hospitals, and inject millions into our economy... is expanding Medicaid.

I encourage the Legislature to work with me to improve Kansans' access to affordable healthcare and join the 38 other states in expanding Medicaid.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 199.

BY THE GOVERNOR: Laura Kelly

DATED: April 11, 2022

A motion was made that **SB 199** be passed notwithstanding the Governor's veto. By vote of 28 Yeas and 9 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **SB 493**, AN ACT concerning cities and counties; prohibiting the regulation of plastic and other containers designed for the consumption, transportation or protection of merchandise, food or beverages., which was received on April 11, 2022 and read on April 26, 2022.

**MESSAGE FROM THE GOVERNOR
REGARDING VETO OF SENATE BILL 493**

The disposal and regulation of solid waste is traditionally a public policy issue that Kansans decide at the local level with input from local businesses, waste management providers, and private citizens. As this bill advanced through the process, no evidence was provided demonstrating why the Legislature had a compelling public interest to repeal city and county local control and home rule over these matters.

This issue is a local decision, and it should be left to local governments based on what's best for their constituents, stakeholders, and businesses in their community.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 493.

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **SB 58**, AN ACT concerning education; relating to schools and school districts; establishing the parents' bill of rights., which was received on April 15, 2022, and read on April 26, 2022.

MESSAGE FROM THE GOVERNOR REGARDING VETO OF SENATE BILL 58

Throughout the pandemic, parents had to step up and do the impossible. Go to work. Take care of their children. Teach, tutor and facilitate their children's learning. When it comes to their children's education, parents can and should play a vital role. We know that parental engagement in their child's education greatly impacts the outcome.

This bill, however, is about politics, not parents. Over one hundred Kansas parents testified against this bill. It would create more division in our schools and would be costly. Money that should be spent in the classroom would end up being spent in the courtroom.

That's unacceptable, especially after our efforts to bring Democrats and Republicans together to fully fund our schools for the last four years.

I look forward to working with the Legislature in a bipartisan fashion on a bill that gives parents a seat at the table without harming school funding or exacerbating the issues facing our teachers.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 58.

MESSAGE FROM THE SENATE

Announcing the Senate herewith transmits the veto message from the Governor on **H Sub for Sub SB 267**, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2022, June 30, 2023, June 30, 2024, June 30, 2025, June 30, 2026, and June 30, 2027, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental

**MESSAGE FROM THE GOVERNOR
REGARDING HOUSE SUBSTITUTE FOR
SUBSTITUTE FOR SENATE BILL 267**

I want to thank the Legislature for their work and bi-partisan collaboration to pass House Substitute for Substitute for Senate Bill 267 – a budget that allows us to continue to improve core services while investing in our future and setting the stage for additional economic growth.

This budget completes a promise I made to close the Bank of KDOT, it restores and renews the state’s commitment to higher education, it fully funds the state water plan, it provides historic funding for the most vulnerable and those who care for them, and it invests in our law enforcement and public safety officers.

Enhancements for workforce and economic development will allow Kansas to continue our record-breaking success in attracting and retaining businesses. The historic investment in moderate income housing will ensure that we have quality housing to recruit and retain families throughout the state.

Funding for state employee pay increases, updated equipment and resources, and facility upgrades will benefit the public and make a down payment toward appropriately rewarding Kansans who dedicate their lives to public service.

Finally, this budget preserves the funding necessary to eliminate the state food sales tax on groceries, benefiting all Kansans, while making a \$500 million deposit in the state’s Budget Stabilization Fund—by far the largest Rainy Day Fund investment in state history.

With all that this budget does accomplish, it could do more to ensure that all communities in the state have the access to healthcare that Kansans deserve and that prospective new residents expect. Given how new business growth requires a healthy workforce, I will continue to urge the Legislature to make the commonsense decision to expand Medicaid and return Kansas’ federal tax dollars to our communities.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Substitute for Substitute for Senate Bill 267 with my signature approving the bill, except for the items enumerated below.

Kansas Public Employees Retirement System—Exclusive Opportunity for Legislators

Section 43(d) has been vetoed in its entirety.

Legislators must make an irrevocable decision when they begin public service to either join or decline enrollment in the Kansas Public Employees Retirement System (KPERs). The policy in Section 43(d) would create an exclusive opportunity for legislators to reverse the irrevocable decision that they consciously made when they elected not to join (KPERs). Other public employees including teachers, public safety officers, and nurses are not allowed this special election under law. Further, this provision likely would not be approved by the Internal Revenue Service if reviewed.

State Board of Regents—Special Line Item for Single Program

The portion of Section 109(a) that reads as follows has been line-item vetoed:
Benedictine college engineering program.....\$200,000

Under the State Board of Regents budget, \$200,000 is appropriated for a college engineering program at Benedictine College. This budget includes many enhancements for higher education, including significant increases in funding for grant programs for public and private postsecondary institutions. One of these appropriations is a \$10,000,000 grant program in Section 29(f) that is reserved exclusively for the state’s private and independent colleges. Benedictine College should apply for public funding for the college engineering program through this specifically designated appropriation for similar programs.

There being no motion to reconsider the line item vetoes on **H Sub for Sub SB 267**, the line item vetoes were ruled sustained.

MESSAGE FROM THE SENATE

Announcing the Senate herewith transmits a veto message from the Governor on **SB 161**, AN ACT concerning personal package delivery devices; definitions; operating requirements and restrictions; exemption from motor vehicle requirements; limitation of local regulation; requiring entities to submit annual fees and certification forms to the division of vehicles; amending K.S.A. 2021 Supp. 8-126 and repealing the existing section., which was received on April 11, 2022, and was read before the Senate on April 26, 2022.

**MESSAGE FROM THE GOVERNOR
REGARDING VETO OF SENATE BILL 161**

I support advancements in technology to enhance our transportation network and delivery services. However, Senate Bill 161 allows delivery service businesses to operate large robotic delivery devices on sidewalks with few safety precautions. These precautions are particularly important in residential areas.

This bill does not clarify who is responsible for enforcing rules and regulations related to personal delivery devices other than requiring an annual fee and a certification form with minimal information. The provisions around minimum liability are also ambiguous and unclear in their application.

The Legislature must address these safety concerns before this bill becomes law. I’m ready to work with lawmakers on legislation that allows us to take advantage of technological advances while ensuring the safety of all Kansans.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 161.

MESSAGE FROM THE SENATE

Announcing the Senate herewith transmits a veto message from the Governor on **H Sub for Sub SB 286**, AN ACT concerning public health; relating to the governmental response to the COVID-19 pandemic in Kansas; crimes, punishment and criminal procedure; crimes against the public peace; creating the crime of interference with the

conduct of a hospital; increasing the criminal penalty for battery of a healthcare provider; extending the expanded use of telemedicine and expiring such provisions; extending the suspension of certain requirements related to medical care facilities and expiring such provisions; modifying the COVID-19 response and reopening for business liability protection act; extending immunity from civil liability for certain healthcare providers, certain persons conducting business in this state and covered facilities for COVID-19 claims until January 20, 2023; amending K.S.A. 2021 Supp. 21-5413, 48-963, 48-964, 60-5503, 60-5504, 60-5508 and 65-468 and repealing the existing sections., which was received on April 15, 2022, and was read before the Senate on April 26, 2022.

**MESSAGE FROM THE GOVERNOR
REGARDING VETO OF H SUB FOR SUB SENATE BILL 286**

This bill includes valuable provisions that I support, such as expanding telemedicine and criminal penalties for violence against health care workers in hospital settings.

During the pandemic, I worked with hospitals, frontline care workers, and stakeholders on a narrowly tailored compromise to protect our doctors and nurses responding to COVID-19 while ensuring Kansas patients still had appropriate protections. This was important for those working around the clock, caring for our loved ones during the height of the pandemic.

However, a last-minute provision was inserted into this bill which gutted our original carefully crafted compromise and indiscriminately broadened protections for health care providers, substantially reducing protections for Kansas patients.

I will work with the Legislature in a bipartisan fashion on a bill that returns the liability provisions to the original compromise language and include the provisions for telemedicine and enhanced criminal penalties for violence against health care workers in hospital settings so that both Kansas patients and our hard-working healthcare providers are protected.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto H Sub for Sub Senate Bill 286.

(g) "On-demand driverless-capable vehicle network" means a transportation network company as defined in K.S.A. 8-2702, and amendments thereto, that uses a software application or other digital means to dispatch driverless-capable vehicles for the purposes of transporting persons or goods, including, but not limited to, transportation for hire and public transportation.

- (A) Vehicle that is not designed, intended or marketed for human occupancy; or
- (B) dedicated driverless-capable vehicle that lacks manual controls for operation by a conventional human driver.

(b) Prior to operating a driverless-capable vehicle on the public roads of this state without a conventional human driver, the owner of such driverless-capable vehicle shall submit a law enforcement interaction plan to the Kansas highway patrol that describes:

(a) The vehicle owner, or a person acting on behalf of the vehicle owner, promptly contacts the applicable law enforcement agency to report the accident; or

(b) for a vehicle that has the capability of promptly alerting a law enforcement agency or emergency services, the vehicle alerts a law enforcement agency or emergency services to the accident.

New Sec. 5. A person may operate an on-demand driverless-capable vehicle network, with the exception that any provision of K.S.A. 8-2701 et seq., and amendments thereto, that only applies to a conventional human driver would not apply to the operation of a driverless-capable vehicle with the automated driving system engaged on an on-demand driverless-capable vehicle network. An on-demand driverless-capable vehicle network may be used to facilitate the transportation of persons or goods, including, but not limited to, transportation for hire and public transportation. An on-demand driverless-capable vehicle network may connect passengers to driverless-capable vehicles either exclusively or as part of a digital network that also connects passengers to conventional human drivers who provide transportation services, pursuant to K.S.A. 8-2701 et seq., and amendments thereto, or any other applicable laws, in vehicles that are not driverless-capable vehicles.

(2) Automated driving systems and ADS-equipped vehicles shall be regulated exclusively by the Kansas highway patrol. Violations of state and local traffic laws are enforceable as if the vehicle has a licensed human driver on board.

(3) The superintendent of the highway patrol may adopt such rules and regulations necessary to carry out the provisions of sections 1 through 10, and amendments thereto.

(b) A political subdivision of the state shall not impose requirements, including, but not limited to, performance standards specific to the operation of ADS-equipped vehicles, automated driving systems or on-demand driverless-capable vehicle networks that are in addition to the requirements set forth pursuant to sections 1 through 10, and amendments thereto. A political subdivision of the state shall not impose a tax on ADS-equipped vehicles, automated driving systems or on-demand driverless-capable vehicle

networks if such tax relates specifically to the operation of ADS-equipped vehicles, automated driving systems or on-demand driverless-capable vehicle networks.

New Sec. 7. (a) A driverless-capable vehicle shall be properly registered in accordance with K.S.A. 8-127, and amendments thereto. If a driverless-capable vehicle is registered in this state, the vehicle shall be identified on the registration as a fully autonomous vehicle.

(b) A driverless-capable vehicle shall be properly titled in accordance with K.S.A. 8-135, and amendments thereto. If a driverless-capable vehicle is titled in this state, the vehicle shall be identified on the title as a driverless-capable vehicle.

New Sec. 8. A driverless-capable vehicle that is also a commercial motor vehicle pursuant to K.S.A. 8-143m, and amendments thereto, may operate pursuant to state laws governing the operation of commercial motor vehicles, except that:

(a) Any provision that reasonably only applies to a conventional human driver does not apply to such a vehicle operating with the automated driving system engaged; and

(b) such a vehicle shall not carry hazardous materials as defined in K.S.A. 48-904, and amendments thereto. The provisions of this subsection do not apply to transporting articles and substances prepared in accordance with 49 C.F.R. § 172.315 or that otherwise do not require placarding pursuant to the federal hazardous materials regulations provided in 49 C.F.R. parts 100 through 110. The provision of this subsection shall expire on January 1, 2025.

New Sec. 9. The uniform act regulating traffic on highways, to the extent practicable, shall be interpreted and applied for the use of a driverless-capable vehicle. Such provisions shall not require any additional provisions, including, but not limited to, operation by a conventional human driver seated in the vehicle.

New Sec. 10. A driverless-capable vehicle that is designed to be operated exclusively by the automated driving system for all trips is not subject to motor vehicle equipment laws or regulations of this state that:

- (1) Support motor vehicle operation by a conventional human driver seated in the vehicle, including, but not limited to, mirrors, windshields and windshield wipers; and
- (2) are not relevant for an automated driving system.

New Sec. 11. (a) There is created the autonomous vehicle advisory committee that will include the following members:

- (1) Two members of the senate to be appointed by the president of the senate;

Dear Father,

You are a great and mighty God and we give you praise for all the blessings you have bestowed upon us.

Thank you for your gentle hand of mercy and understanding as you continually direct our steps.

Today, we pray for these whom you have given the responsibility of leadership. As they pursue fairness and justice, may each one present themselves as good stewards of the responsibilities placed upon them.

When they feel weak and incapable of carrying on, we pray for the biblical strength of Sampson; when they encounter confusion, may the wisdom of Solomon flow into them; when they encounter contention and possible division in their ranks, may the gentleness of Esther prevail. And, when there are strong differences of opinion, may they experience the intuitive insight of Daniel.

May the freshness of your Spirit rest upon each one who occupies this chamber of deliberation. And tonight when our day is done and we lay our heads upon our pillows, allow our spirits to rest in the knowledge that we have done our best.

In Jesus name we pray, Amen

The Pledge of Allegiance was led by Rep. Burroughs.

MR. SPEAKER: I have opposed this bill previously and still am not convinced it is right to pass this when we are not helping families with children get an education and a future by supporting them in a meaningful way when they are struggling. I fully intend to be back here next session to work on this shortcoming in current statute. I hope this bill accomplishes what the supporters state it will do. For those reasons, I am voting yes today on **S Sub for HB 2448**. — CHARLOTTE ESAU

MR. SPEAKER: I vote no on **S Sub for HB 2448**. I cannot support a bill that makes it more difficult for Kansans to feed themselves, particularly when prices at the grocery store are increasing. 30,000 hardworking Kansans will be affected by this, including families and those with children. I will not vote for a policy that makes it harder for children to grow and thrive in Kansas. EXPLANATIONS OF VOTE

MR. SPEAKER: I vote no on **SB 58**. This is not a “parental bill of rights.” Parents in Kansas didn’t ask for this, in fact over 100 testified against it. Access to classroom materials is already available and parents are enabled and encouraged to stay engaged with their child’s education from day one. This bill has nothing to do with parents and everything to do with politics. The parents who testified in opposition know this. I refuse to put teachers, parents, and students in the crossfire of political culture wars. I vote no. – TOM SAWYER, LUIS RUIZ, DENNIS “BOOG” HIGHBERGER, JERRY STOGSDILL, TOM BURROUGHS, CHRISTINA HASWOOD, SYDNEY CARLIN, PAM CURTIS, BRANDON WOODARD, VALDENIA WINN, BARBARA BALLARD, RUI XU, SUSAN RUIZ, STEPHANIE BYERS, JO ELLA HOYE, CINDY NEIGHBOR, MIKE AMYX, JIM GARTNER, ANNIE KUETHER, GAIL FINNEY, JOHN ALCALA, BRODERICK HENDERSON, JOHN CARMICHAEL, DAN OSMAN, KC OHAEBOSIM, VIRGIL WEIGEL, HEATHER MEYER, LINDA FEATHERSTON, MARI-LYNN POSKIN.

MR. SPEAKER: I vote no on **SB 58**. Parents have every right to be involved in their child's education. In fact no one wants this more than teachers because they know it is the best way for the student to be successful. This right already exists and this bill does nothing to enhance that right. It simply creates more work for teachers and schools. The fact that not a single parent testified in support of this bill and that the only proponents were organizations that are routinely critical of schools tells us all we need to know. – CHUCK SCHMIDT

CONSIDERATION OF VETO

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **SB 160**. This week, we confirmed what the intent of SB 160 really is. It's not about girls or fairness in women's sports. It's about a deep hate of 'others.' It's about endorsing state-sanctioned discrimination against a population already subject to higher rates of assault and suicide. Bills like this are so egregious that even Republican governors in other states have vetoed them, citing the intrinsic hate. Kansas must not be on the wrong side of history. I reject this bill and I vote no. – TOM SAWYER, RUI XU, KATHY WOLFE MOORE, LUIS RUIZ, PAM CURTIS, BRANDON WOODARD, SUSAN RUIZ, VALDENIA WINN, SYDNEY CARLIN, CHRISTINA HASWOOD, DAN OSMAN, BRODERICK HENDERSON, JOHN ALCALA, GAIL FINNEY, ANNIE KUIETHER, JIM GARTNER, MIKE AMYX, CINDY NEIGHBOR, STEPHANIE BYERS, MARI-LYNN POSKIN, HEATHER MEYER, VIRGIL WEIGEL, CHUCK SCHMIDT, STEPHANIE CLAYTON

EXPLANATION OF VOTE

MR. SPEAKER: I vote No on **HB 2510**. This Omnibus spending bill just kept getting bigger and bigger. It has many admirable parts, in paying off certain debts, in raising state employee wages, in supporting the State Fair and more. But our track record as a legislature is to avoid spending restraints. Inflation is up 15% in the last four years, but our SGF spending is up 31%. That is not sustainable. The House should have focused more on tax relief and less on spending growth. Kansas families deserve better. — PAUL WAGGONER

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on **HB 2106** because I guess crumbs are better than nothing. By passing this bill we are blowing a chance to keep hundreds of thousands of Kansans shopping in Kansas. We are blowing a chance to incentivize 1.2 million Missourians to come across State line and shop and spend their money in Kansas. We are also blowing an opportunity to keep hundreds of millions of dollars in the pockets of Kansans all across the state. Money which they could spend on other products and services. I will bite my cheek and vote yes on this bill but it is maddening and disappointing that this body is happy to settle for a bunt when we could have hit a home run! – JERRY STOGSDILL

MR. SPEAKER: I reluctantly yes on **HB 2106**. I wish this was an immediate cut to 0%. I wish we responsibly used the \$3.1 billion in excess revenue. And I wish we listened to our constituents, in every corner of the state, who asked for tax relief this year. Unfortunately this body has moved forward with a watered down version of what we could have – and should have – put forward: a 0% state sales tax on food, beginning July 1, 2022. We need to revisit this tax rate for a more aggressive decrease. With this expectation, I vote yes on **HB 2106**. – TOM SAWYER, PAM CURTIS, KATHY WOLFE MOORE, JO

ELLA HOYE, BARBARA BALLARD, STEPHANIE CLAYTON, VALDENIA WINN, LINDA FEATHERSTON, MARI-LYNN POSKIN, STEPHANIE BYERS, SUSAN RUIZ, MIKE AMYX, CINDY NEIGHBOR, GAIL FINNEY, BRODERICK HENDERSON, CHUCK SCHMIDT, VIRGIL WEIGEL, SYDNEY CARLIN, JOHN CARMICHAEL

MR. SPEAKER: I vote yes on **HB 2106**. This body wasted 108 days and spent nearly all \$ 3.1 billion in excess revenue. Instead of helping 2.9 million Kansans who would benefit from direct tax relief, this body played politics with Kansans' money. There has been so much opining this year about the stresses of inflation and gas prices, yet when push came to shove, partisan games won. This bill is nothing but a package of political junk to provide cover until a Republican Governor is in office. I vote Yes on **HB 2106**. We need a 0% tax on food now. — JASON PROBST, HEATHER MEYER, DAN OSMAN, RUI XU, CHRISTINA HASWOOD

MR. SPEAKER: I VOTE NO ON **HB 2106**. Kansas has record-breaking excess revenue We can afford an immediate elimination of the state sales tax on food. **HB 2106** is cumbersome to small businesses and will result in miniscule benefits to Kansas families during a time they need tax relief. While I support the principle of a food tax cut, this is a poor plan. We can do better. We owe it to our constituents, who have asked us all session for direct tax relief—not partial cuts stretched over three years. I cannot support **HB 2106**. — ANNIE KUETHER

MR. SPEAKER: I vote yes on **HB 2106**. I am proud to vote yes on this legislation today. It's past time for Kansas to lower and eliminate the sales tax on food. Kansas families are already being hit hard enough with rising inflation and a high cost of living. This move is important not only today, but is also essential for ensuring the future of our state.— LEO DELPERDANG, BARB WASINGER, SUSAN HUMPHRIES, TOM KESSLER, TIM JOHNSON, AVERY ANDERSON, PATRICK PENN

EXPLANATION OF VOTE

MR. SPEAKER: I ambivalently cast a Yes vote on **SB 34**. The bill does limit face mask mandates in public spaces and for that should be applauded. It does limit vaccine requirements to only be possible if a vaccine has full FDA approval. And it does properly limit vaccine “passports” from governmental usage. But this bill is a far cry from what Kansans really want and that is protection from big corporations or institutions that use their power to crush Personal choice and freedom. Kansas can do better than **SB 34**. — PAUL WAGGONER

HOUSE CONCURRENT RESOLUTION No. **HCR 5040**—

By Representative Sawyer

A PROPOSITION to amend the constitution of the state of Kansas by revising article 10; requiring the reapportionment of congressional, state legislative and state board of education member districts; establishing a redistricting commission.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 10 of the constitution of the state of Kansas is hereby revised to read as follows:

**"Article 10.—APPORTIONMENT OF UNITED STATES
CONGRESSIONAL, STATE LEGISLATIVE AND STATE BOARD OF
EDUCATION MEMBER DISTRICTS"**

"§ 1. Reapportionment of districts required. At its regular session in 2032, and at its regular session every 10th year thereafter, the legislature shall by law reapportion the United States congressional districts, the state senatorial districts, the state representative districts and the state board of education member districts as provided by this article. Reapportionment of such districts shall be on the basis of the population of the state as established by the most recent census of population taken and published by the United States bureau of the census.

"§ 2. Gerrymandering prohibited. The legislature shall not reapportion United States congressional districts, state senatorial districts or state representative districts with the intent to favor or disfavor a political party or with the intent or result of denying or abridging the equal opportunity of members of a particular race to participate in the political process or diminish such members' ability to elect a candidate of such members' choice.

"§ 3. Establishment of redistricting commission. (a) Not later than February 15 of each year ending in one, a redistricting commission shall be established to recommend to the legislature redistricting plans for United States congressional districts, state senatorial districts, state representative districts and state board of education member districts.

(b) The redistricting commission shall consist of the following members:

- (1) One shall be appointed by the majority leader of the senate;

- (3) one shall be appointed by the minority leader of the senate;
- (4) one shall be appointed by the minority leader of the house of representatives; and
- (5) within 30 days after the appointments described in paragraphs (1) through (4) have been made, but not later than March 15 of the year in which the commission is established, the four commission members so appointed shall select, by a vote of at least three members, the fifth commission member who shall be nonpartisan, who shall serve as chairperson.

(c) Any vacancy in the membership of the redistricting commission shall be filled in the same manner as the original appointment or selection.

(d) No person, while a member of the commission, shall:

- (1) Hold any federal, state or local office; or
- (2) be an employee of the Kansas legislature, state board of education or United States congress.

(e) No person who has been a member of the redistricting commission shall be eligible, within two years after being a member of the commission, to:

- (1) Be a member or employee of the Kansas legislature or state board of education; or
 - (2) hold any appointive state or federal office.
- (f) The legislature shall provide by law for payment of compensation

and expenses of members of the redistricting commission and for adequate staff, office space, equipment and materials for the commission.

(g) The terms of members of the redistricting commission shall expire on July 1 of each year ending in two, and the commission shall be inactive until reestablishment of the commission pursuant to this section.

"§ 4. Commission procedure and recommendations. (a) The redistricting commission shall establish rules and procedures as necessary to carry out the commission's functions. The rules and procedures shall include rules requiring formal submission to the commission of all communications with commission members. Ex parte communications with members of the commission in relation to the merits of matters before the commission shall be prohibited. Members of the commission shall report any violations of this prohibition to the attorney general and the legislature shall provide by law criminal penalties for such violations.

(b) The redistricting commission shall conduct public hearings throughout the state, including at least one public hearing in each of the 10 state board of education member districts.

(c) In recommending redistricting plans, the redistricting commission shall consider only the requirements of the constitution of the state of Kansas and the constitution of the United States, preservation of political subdivisions and preservation of communities of interest. The provisions of section 2 of this article shall apply to all plans drawn by the commission.

"§ 5. Legislative action; court review and action. (a) On or before the first day of the regular legislative session in each year ending in two, the redistricting commission shall introduce in the house of representatives a bill reapportioning the state representative districts and a bill reapportioning the United States congressional districts, and shall introduce in the senate a bill reapportioning the state senatorial districts and a bill reapportioning the state board of education member districts. The bills shall not be subject to amendment by either chamber of the legislature and each such bill shall be acted upon by each chamber within seven days after the bill is introduced in the chamber.

(b) If a bill introduced pursuant to subsection (a) is not enacted, the redistricting commission, within 10 days after rejection of the bill by either chamber of the legislature or veto of the bill by the governor, shall introduce another bill reapportioning such districts. If the supreme court enters a judgment that a bill introduced pursuant to subsection (a) is invalid, the redistricting commission, within 10 days after entry of the judgment, shall introduce another bill reapportioning such districts. Introduction of a bill pursuant to this section shall be in the same chamber as introduction of the original bill pursuant to subsection (a). The bill shall not be subject to amendment by either chamber and shall be acted upon by each chamber within seven days after the bill is introduced in the chamber.

(c) If a bill introduced pursuant to subsection (b) is not enacted, the redistricting commission, within 10 days after rejection of the bill by either chamber of the legislature or veto of the bill by the governor, shall

introduce another bill reapportioning such districts. If the supreme court enters a judgment that a bill introduced pursuant to subsection (b) is invalid, the redistricting commission, within 10 days after entry of the judgment, shall introduce another bill reapportioning such districts. Introduction of a bill pursuant to this section shall be in the same chamber as introduction of the original bill pursuant to subsection (a).

(d) If either chamber of the legislature rejects a bill introduced pursuant to this section, or the governor vetoes the bill, the chamber that rejects the bill, or the governor in the case of a veto, shall transmit to the commission a letter stating the reasons why the bill was not enacted, and the commission shall take such reasons into consideration in introducing a bill pursuant to this section, subject to the requirements of section 4(c). Any such letter shall be signed by both the speaker of the house of representatives and the minority leader of the house of representatives or both the president of the senate and the minority leader of the senate.

(e) Reapportionment bills shall be published in the Kansas register immediately upon final passage and approval by the governor. The districts enacted shall be effective for the next following regular election of legislators and thereafter until again the districts are reapportioned, except that the senatorial districts shall be effective for the next following regular election at which all senators are elected and the state board of education member districts shall be effective for the next following regular election at which each such respective member is elected.

(f) Within 15 days after publication of any reapportionment bills enacted pursuant to this article, the attorney general shall petition the supreme court to determine the validity of the bill. The supreme court, in accordance with its rules, shall permit interested persons to present their views. Within 30 days after the filing of the petition, the supreme court shall enter its judgment. A judgment of the supreme court determining the bill to be valid shall be final until reapportionment of the districts is again required by this article.

"§ 6. Implementing legislation. The legislature may enact legislation, not in conflict with the provisions of this article, as reasonably necessary to implement such provisions."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. This amendment would revise article 10 of the constitution of the state of Kansas regarding the drawing of new district boundaries for United States congressional, state legislative and state board of education member districts. The amendment would limit the legislature to only consider those reapportionment plans drawn by a five member redistricting commission. Plans drawn by the redistricting commission would be prohibited from using political or racial gerrymandering. All reapportionment plans enacted into law would be subject to a constitutional review by the Kansas supreme court.

"A vote for this proposition would change the reapportionment procedure to

limit the legislature to only consider those reapportionment plans drawn by a five-member redistricting commission. Plans drawn by the redistricting commission would be prohibited from using political or racial gerrymandering. All reapportionment plans enacted into law would be subject to a constitutional review by the Kansas supreme court.

"A vote against this proposition would continue the current procedures for reapportionment."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2022, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

MESSAGE FROM THE GOVERNOR REGARDING VETO OF HOUSE BILL 2252

Elected officials must be able to perform their job duties effectively and efficiently. By prohibiting executive branch officers, including the Governor, Secretary of State, and Attorney General, from entering into agreements regarding the enforcement of election law, this bill prevents the executive branch from fulfilling its constitutional duties. House Bill 2252 represents an overreach by the legislative branch that defies the separation of powers – a principle fundamental to a working democracy. If passed, it would also lead to costly litigation at the expense of Kansas taxpayers.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2252.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2387**, AN ACT concerning the executive branch; relating to actions by state agencies and the governor; prohibiting the issuance of a request for proposal or entering into a new contract for the administration and provision of benefits under the medical assistance program; relating to the Kansas emergency management act; removing the authority of the governor to prohibit attending or conducting certain religious services and worship services; amending K.S.A. 2021 Supp. 48-925 and repealing the existing section. was received and read.

**MESSAGE FROM THE GOVERNOR
REGARDING THE VETO OF HOUSE BILL 2387**

Having a transparent, competitive bidding process is key to ensuring that our state contracts provide the most value to Kansas taxpayers while using the latest technology and best practices. This is not only good for the State of Kansas, but also for our current MCOs and the people they serve.

The language included in HB 2387 regarding the current MCO contracts is a product of closed-door dealings to push legislation that did not have a single proponent. There is little question that this effort is fraught with legal issues and jeopardizes our Medicaid program. HB 2387 prohibits the state Medicaid agency from pursuing the state's independent procurement process and, by doing so, functionally provides the current MCOs with a no-bid, multi-billion-dollar contract.

We must favor transparency and fair competition over attempts to re-insert corruption into the state contracting process.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto HB 2387.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2510**, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2022, June 30, 2023, and June 30, 2024, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2021 Supp. 76-1959 and repealing the existing section., was received and read.

Section 36(b)

**MESSAGE FROM THE GOVERNOR
REGARDING HOUSE BILL 2510**

House Bill 2510 represents additional progress toward fulfilling many of the priorities that I set forth in January and that have been made possible only through our bipartisan work together over the past four years. Building on House Substitute for Substitute for Senate Bill 267, this bill provides additional investments in higher education, economic development, mental health, senior services, and veterans while leaving sufficient funding to provide over \$1 billion in tax relief to Kansans through the legislation that I have signed to cut property taxes and axe the state's sales tax on groceries.

Some of the key investments in this legislation include improved access to mental healthcare, increased funding for senior nutrition, expanded training opportunities to prevent child abuse, and measures that build on our successful work to reduce the number of children who enter the foster care system. This bill includes additional investments in our regional universities and community and technical colleges, which are critical to our efforts to expand our workforce in the state of Kansas. And this budget ensures that all state employees will receive a pay increase of at least 5% this year in recognition of their service to the state.

Finally, due to our strong economic growth and unprecedented ending balances, this budget will allow us to pay off over \$1 billion in debt over the next year.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Bill 2510 with my signature, except for the item enumerated below.

State Board of Regents—Proviso Allowing Universities to Raise Tuition

Section 36(b) has been vetoed in its entirety.

In my initial budget, I recommended \$45.7 million in operating grant funding to higher education with the understanding that universities would freeze tuition. In addition to that, I allocated \$23.9 million in funding for salaries. While the original operating grant funding has been reduced to an increase of \$37.5 million in the final passed budget, overall, higher education in the state of Kansas is set to receive \$1 billion this fiscal year. This is a historic investment that I am proud to support by approving the additional higher education funding included in HB 2510.

As a result of this significant infusion of new funding, I believe that the Regents institutions will be able to continue to hold tuition flat, making college more affordable for Kansans of all backgrounds. This is especially important if we, as a state, are going to provide the workforce needed to fully actualize the benefits and opportunities of our recent economic growth.

CONSIDERATION OF VETO

On motion of Rep. Rep. Bergquist the House proceeded to reconsider **HB 2252** AN ACT concerning elections; prohibiting the modification of election laws by agreement except as approved by the legislature; amending K.S.A. 25-125 and repealing the existing section..

The Governor's objection to **HB 2252** having been read, (HJ Page 3254) the question being, shall the bill be passed notwithstanding the Governor's veto?

A two-thirds majority of the members elected to the House having voted in favor of the bill over the Governor's veto, the motion did prevail, the bill did pass.

On roll call, the vote was: Yeas 84; Nays 37; Present but not voting: 0; Absent or not voting: 4.

CONSIDERATION OF VETO

On motion of Rep. Rep. Patton the House proceeded to reconsider **HB 2387** AN ACT concerning the executive branch; relating to actions by state agencies and the governor; prohibiting the issuance of a request for proposal or entering into a new contract for the administration and provision of benefits under the medical assistance program; relating to the Kansas emergency management act; removing the authority of the governor to prohibit attending or conducting certain religious services and worship services; amending K.S.A. 2021 Supp. 48-925 and repealing the existing section..

The Governor's objection to **HB 2387** having been read, (HJ Page 3255) the question being shall the bill be passed notwithstanding the Governor's veto?

A two-thirds majority of the members elected to the House having voted in favor of the bill over the Governor's veto, the motion did prevail, the bill did pass.

On roll call, the vote was: Yeas 84; Nays 38; Present but not voting: 0; Absent or not voting: 3.

MR. SPEAKER: The Republican Legislature of 1901 passed a public health law providing that if a disease becomes epidemic, “the public and private schools shall be closed, and in extreme cases, church services suspended and public assemblages of people at shows, circuses, theaters, fairs or other gatherings prohibited.” They did not care less about their freedom than you or I do, but they understood that a virus doesn't care if you are in a church or a bar. By passing this CCR we are turning the clock back over 120 years and in the future, if this law stays on the books, people will die unnecessarily because of it. I vote no on **HB 2387**. BOOG HIGHBERGER

CONSIDERATION OF VETO

The Governor's line item objection to **HB 2510** having been read (HJ page 3255), the time arrived for reconsideration of **HB 2510**, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2022, June 30, 2023, and June 30, 2024, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2021 Supp. 76-1959 and repealing the existing section..

There was no motion to reconsider the line item. The Chair ruled the line items had been reconsidered and the veto sustained.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Ballard are spread upon the Journal:

I would like to invite my colleagues from Lawrence to join me at the well please.

Almost a month ago, the House of Representatives celebrated the 2022 NCAA Men's Basketball National Champions. It was an exciting time, and we are so proud of our Jayhawks.

Today, we are proud to celebrate another Champion. It is an honor to recognize Kevin Willmott on the floor of the House of Representatives. He is an Academy Award Winning Film Director, Screenwriter and Professor of Film Studies at the University of Kansas. I would also like to recognize his daughter, Jody Willmott, and Dorthy Pennington, Professor of Communication Studies at the University of Kansas.

In 2019, Kevin won an Academy Award for the Best Adapted Screenplay for *BlackKkKlansman*, which he co-wrote with Spike Lee. Because of COVID precautions, it was difficult to schedule a visit to the Capitol.

Kevin grew up in Junction City, Kansas and received his Bachelor of Arts degree in Drama from Marymount College in Salina, Kansas. After graduation, he returned home and worked as a peace and civil rights activist, fighting for the rights of the poor, creating two Catholic Worker shelters for the homeless and forcing the integration of

several long-standing segregated institutions. He then went on to study film at New York University's Tisch School of the Arts, where he received several writing awards and his Master of Fine Arts in Dramatic Writing.

As a screenwriter Kevin co-wrote *Shields Green and the Gospel of John Brown* with Mitch Brian. The script was purchased by Chris Columbus' 1492 Productions for 20th Century Fox. He also co-wrote *Civilized Tribes* for Producer Robert Lawrence and 20th Century Fox. Producer and director Oliver Stone hired Kevin to co-write *Little Brown Brothers* about the Philippine Insurrection. He also adapted the book *Marching to Valhalla* by Michael Blake for Oliver Stone.

Released in 1999, *Ninth Street* is an independent feature film starring Martin Sheen and Isaac Hayes. It was written, produced, and co-directed by Kevin. He also played the role of "Huddie" - one of the film's main characters. *Ninth Street* is a comedy/drama based on Willmott's personal experiences growing up in the small town of Junction City, Kansas that sits adjacent to an army base. Set in 1968, the film reflects on the last days of one of the most notorious streets in the nation. It is distributed by Ideal on video and DVD.

Kevin won the Best Director award at the American Indian Film Festival for *The Only Good Indian* starring Wes Studi. It was selected for the 2009 Sundance Film Festival and has won numerous awards. It is currently playing on the Starz Network and is available on DVD.

The 2014's *Jayhawkers* followed the life of Wilt Chamberlain, Phog Allen and the 1956 Kansas Jayhawks basketball team.

Kevin lives in Lawrence, Kansas where he teaches film and media studies at the University of Kansas.

"The fact I grew up in Kansas is a big thing for me," Kevin said. "It's left its mark. People move away to live in New York, or LA or Chicago, but you still care about home."

Kevin said Kansas lets him relax and balance his crazy work schedule that jumps from teaching, to writing, to meeting with industry professionals.

"I love traveling, and I love visiting those places, and I love going there to do work," Kevin said, "But I like coming home where life's a lot easier."

The University helps with that too. It's always supported Kevin's film career, understanding his split work commitment, which has only reinforced his desire to stay in Kansas.

Though he has worked in Hollywood, mainly as a writer, he said he's an independent filmmaker when it comes to the movies he likes to make. His work incorporates the civil rights movement and exposes chapters of history that some people would prefer to sweep under the rug.

He said without the film community in Lawrence and Kansas City, he couldn't get his films done.

"We did these as a labor of love because people like the script and they wanted to make the film," he said.

"...The fun thing about making movies out here is I'm making them with my friends, and I'm expressing myself. I'm saying the things that I want to say about the world and

the things that are important to me.”

He said he “tells his students that if they’re not making films, producing things, and doing the writing, they can’t get better at it.” And he said, “it doesn’t matter how well your movie does or how many people see it.”

“It only matters that it exists. It matters that you shared it with the world,” he said. “It matters that you got to do the thing that you are trying to do. It gives meaning to your life, and it gives meaning to the lives of the people around you. And that, to me, is the beauty of making movies around here, and I hope to continue that.”

I have watched the Academy Awards for years and it was absolutely exciting to see a Kansas native on the stage and watch you and Spike Lee accept your Oscar.

I thank you very much for taking the time to come to the House of Representatives, so we could recognize you and the contributions you have made for the State of Kansas.

Congratulations, Kevin. I would like my colleagues to recognize your contributions.

Rep. Ballard presented Kevin Willmott a framed House certificate in honor of his awards.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Johnson are spread upon the Journal:

I would like to introduce you to Bernie and Robyn Johnson, my brother and sister-in-law who have been named the North American Limousin Foundation Commercial Producer of the year. Each year the Foundation recognizes one commercial producer for the U.S. and Canada. Bernie and Robyn are the first Kansas producer to earn the designation.

They received the award during the Cattleman’s Congress in Oklahoma City earlier this year.

They have been previously recognized with the Heartland Limousin Association Commercial Producer of the year in 2012 and again won the state title in 2021.

Bernie has spent his life working around cattle. They are the fifth generation on the ranch near Assaria and still operate two of the original homesteads acquired in the late 1860’s. Their cattle breeds have evolved over the decades, transitioning from Hereford to Simmental cross, Limousin and now Lim-Flex. Bernie built facilities to help keep the herd healthy and make it efficient to handle them.

They also happen to be my brother and sister-in-law.

Please join me in congratulating the Johnsons.

Rep. Johnson presented his guests with a framed House certificate in honor of their achievements.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Kelly are spread upon the Journal:

When I boarded the Kansas House Express in 2011, I recall staring into the blinding headlight and asking, “what did I get myself into?”

Thank you to my wife and the voters of the 11th district for allowing me to return to

Topeka these past five re-elections. I have been very fortunate these past 12 years to be surrounded by great leaders, inspiring committee chairs, outstanding legislators and staff, new lifelong friends, and wonderful mentors, like the representative from Parsons I have been so lucky to sit next to for 12 years and office with for the last six, to guide me.

I am also grateful to have had the opportunity to work on some very meaningful pieces of legislation that have been beneficial to my district and to Kansas.

God willing, I will have the opportunity to cherish these memories and friendships for a number of years into the future.

Now, as I get ready to exit the House Express, I look into the headlight and it no longer seems quite so blinding, which leads me to wonder, "is it because I payed attention and absorbed some of the information that came my way, or have I just developed cataracts?"

Thank you for being part of these memories and may you be blessed with great memories whenever you decide to exit the Kansas House Express.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Huebert are spread upon the Journal:

I would like to invite my wife, Marsha to stand with me (she has served as my campaign manager and treasurer) because I would not be here without her at my side. Also, my four legislative "interns," my grandchildren, Olivia, Sam, Marshall, and Logan are with us. I am glad they are here to experience this place.

It has been an amazing experience, one that was only possible with the help of my wife who told me to get off the couch, file and go knock on the doors. I won and two decades have gone by in a flash but it's important to know when to listen to that still, small voice and step back and let someone else serve in this great institution. I may continue to serve in some way, God has plans, Jeremiah 29:11 "He knows the plans he has for us, to prosper and give us a future" and I believe he has good works for me to walk in.

So much of what we do is partisan, and I know I have been partisan and sometimes I have said things I regret. I joked that politics like baseball is a simple game, sometimes you win, sometimes you lose, sometimes it rains. Getting the computer science bill passed this year was good. Not getting the civics bill signed by the Governor last year was tough but I just talked with Commissioner of Education Randy Watson who told me about a pilot project they are starting to implement.

We must be vigilant about keeping our constitution in place and educating our young people about civics is vital. We must teach our children and grandchildren about the importance of serving and being involved.

I believe that God has good works for us all to do and not much of it has to do with legislation. The relationships that we have in the legislature are what I will cherish and remember. I want to lift up Jim Morrison in particular. We need to remember those who have gone before because we are all a part of a chain of continuing to provide representation for our districts. This place can be very humbling and if you don't humble yourself God is very quick to humble you. I am amazed at those times when I

felt I wanted to give up, but God encouraged me and I tried to answer that call.

In closing, I feel so much gratitude. For my wonderful wife, my family, the many colleagues I have served with since 2001 in this house and thank you, Mr. Speaker, for your friendship.

Forgive one another, cut each other slack, because we serve together, ultimately our relationships are always more important than politics.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. French are spread upon the Journal:

Members of the Kansas House of Representatives. I come to you today to officially inform you that I will not be rejoining this elite group next year. There comes a time when a politician should know it is time to hang it up. That time for me is now. I had filed in April to run for one more term. However, we have had an outstanding candidate who wanted to run for my seat after finishing a very successful Navy career. And, after he stole my wife and treasurer to be his campaign treasurer, I can hardly run against him.

It truly has been an honor to represent the people of the 40th District for four years in this beautiful chamber. And, it has been an honor to serve with so many hard working and dedicated members of this body. I will not miss the work here, although I understand it's value. But, I will miss so many of the new friends that I made here. I wish you all the best in your future endeavors. God bless this Chamber and God Bless Kansas!

INTRODUCTION OF ORIGINAL MOTIONS

On motion of Rep. Hawkins, pursuant to subsection (k) of Joint Rule 4 of the Joint Rules of the Senate and House of Representatives, the rules were suspended for the purpose of considering **HB 2136**.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to **HB 2136** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

By striking all on pages 2 through 14;

On page 15, by striking all in lines 1 through 23; following line 23, by inserting:

"New Section 1. The provisions of sections 1 through 13, and amendments thereto, shall be known and may be cited as the COVID-19 retail storefront property tax relief

act. The purpose of this act shall be to provide refunds to certain businesses impacted by COVID-19 related shutdowns and restrictions during tax years 2020 and 2021 based on a portion of property taxes accrued on retail storefront property.

New Sec. 2. As used in this act:

- (a) "Act" means the COVID-19 retail storefront property tax relief act.
- (b) (1) "Claimant" means a for-profit business, regardless of legal structure, who has filed a claim under the provisions of this act and who:
 - (A) Conducts a majority of its retail sales through customers' physical, on-site presence at a retail storefront property;
 - (B) was in operation on or prior to July 1, 2019, and filed a 2019 tax return;
 - (C) had at least \$10,000 in annual revenues, including gross sales and receipts, in 2019;
 - (D) received less gross revenue in 2020 or 2021, as applicable, compared to 2019;
 - (E) was in active operations as of March 1, 2020; and
 - (F) has not received more than a total of \$150,000 in prior COVID-19-related local, state or federal funding or any combination thereof.
- (2) "Claimant" shall not include:
 - (A) Grocery stores and pharmacies;
 - (B) hardware stores and home improvement businesses;
 - (C) retail liquor stores;
 - (D) manufacturers and food processors;
 - (E) schools, such as pre-kindergarten, kindergarten through grade 12, post-secondary, higher education, technical education and training;
 - (F) hospitals and healthcare providers, including, but not limited to, physicians, surgeons, psychologists and psychoanalysts, but not including personal services providers such as massage therapists and chiropractors;
 - (G) property management and real estate services, including owners or operators of short-term rental properties;
 - (H) professional services, including, but not limited to, accounting, insurance, legal, financial services and firms, information technology, engineering and architecture;
 - (I) agriculture and aquaculture producers, including farms, ranches and fisheries, but not including their retail storefronts used to conduct retail sales to customers;
 - (J) hosts or operators of a vacation or short-term rental unit;
 - (K) passive businesses, investment companies and investors who file a schedule E on their individual tax returns;
 - (L) financial businesses primarily engaged in the business of lending, such as banks, finance companies and factoring companies;

(M) cable companies, telephone companies, utilities and other similar businesses; and

(N) energy production, generation and distribution companies.

(3) When a retail storefront is occupied by two or more businesses and more than one of the businesses is able to qualify as a claimant, the businesses may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

(c) "Gross rent" means the rental paid at arm's length solely for the right of occupancy of a retail storefront paid to a landlord, as expressly set out in the rental agreement, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arm's length and that the gross rent charge was excessive, the director may adjust the gross rent to a reasonable amount for the purpose of the claim.

(d) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's retail storefront in 2020 or 2021, as applicable, by the state of Kansas and the political and taxing subdivisions of the state. When a retail storefront is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a part of claimant's business, "property taxes accrued" is that part of property taxes levied on the retail storefront that reflects the ownership percentage of the claimant's business. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant owns its retail storefront part of a calendar year, "property taxes accrued" means only taxes levied on the retail storefront when both owned and occupied as a retail storefront by the claimant's business at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the business as its retail storefront in the year. When a business owns and occupies two or more different retail storefronts in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the business as its retail storefront during the year. Whenever a retail storefront is an integral part of a larger unit such as a multi-purpose or multi-retail storefront building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the retail storefront is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the retail storefront is a part.

(e) "Rent constituting property taxes accrued" means 15% of the gross rent actually paid in cash or its equivalent in 2020 or 2021, as applicable, by a claimant solely for the right of occupancy of a retail storefront on which ad valorem property taxes were levied in full for that year. When a claimant occupies two or more different retail storefronts in the same calendar year, rent constituting property taxes accrued shall be computed by adding the rent constituting property taxes accrued for each property rented by the claimant while occupied by the claimant as its retail storefront during the year.

(f) "Retail storefront" means the real property in this state, whether owned or rented, that is occupied by the claimant's business and where the claimant conducts retail sales through customers' physical, on-site presence. "Retail storefront" may consist of a part of a multi-purpose or multi-retail storefront building. "Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

New Sec. 3. (a) For tax years 2020 and 2021, a claimant shall be eligible for a claim for refund under this act if the claimant's eligible business operated at the retail storefront was operationally shut down or restricted by a COVID-19-related order or action imposed by the state, a local unit of government or a local health officer, including, but not limited to, by an executive order issued by the governor pursuant to K.S.A. 48-925, and amendments thereto, or any action taken by a local unit of government related to a state of disaster emergency declared pursuant to K.S.A. 48-924, and amendments thereto, or a state of local disaster emergency declared pursuant to K.S.A. 48-932, and amendments thereto.

(b) The amount of refund under this act shall be equal to 33% of the COVID-19 qualifying sum. The COVID-19 qualifying sum shall be the sum of the COVID-19 ordered shutdown days gross rebate amount calculated pursuant to subsection (c) and the COVID-19 ordered restricted operations days gross rebate amount calculated pursuant to subsection (d).

(c) The COVID-19 ordered shutdown days gross rebate amount shall be the amount of the claimant's property taxes accrued or rent constituting property taxes accrued for the tax year divided by the applicable factor set forth in the following schedule:

Number of ordered shutdown days	Divide property taxes accrued or rent constituting property taxes accrued by:
91 or more	3
61 to 90	4
31 to 60	6
1 to 30	12

(d) The COVID-19 ordered restricted operations days gross rebate amount shall be the amount of the claimant's property taxes accrued or rent constituting property taxes accrued for the tax year divided by the applicable factor set forth in the following schedule:

Number of ordered operations days	Divide property taxes accrued or rent constituting property restricted taxes accrued by:
-----------------------------------	--

211 or more	2
181 to 210	2.289
151 to 180	2.667
121 to 150	3.2
91 to 120	4
61 to 90	5.333
31 to 60	8
1 to 30	16

(e) For purposes of subsections (c) and (d), an eligible calendar day may be counted only once as either an ordered shutdown day or an ordered restricted operations day.

(f) A claimant with a qualifying business at a retail storefront that ceased operations after March 1, 2020, and before January 1, 2021, is eligible for a rebate only for tax year 2020.

(g) The maximum amount of a refund that may be claimed by a claimant in any single tax year pursuant to this act shall be \$5,000 per retail storefront.

New Sec. 4. A claimant may claim property tax relief under this act with respect to property taxes accrued or rent constituting property taxes accrued and, after audit by the director of taxation with respect to this act, the allowable amount of such claim shall be paid, except as otherwise provided in section 9, and amendments thereto, to the claimant from the American rescue plan-state fiscal relief-federal fund. Such payment shall be made upon warrants of the director of accounts and reports pursuant to vouchers approved by the director of taxation, but no warrant issued shall be drawn in an amount of less than \$5. No interest shall be allowed on any payment made to a claimant pursuant to this act.

New Sec. 5. Only one claimant per retail storefront per year shall be entitled to relief under this act.

New Sec. 6. For tax years 2020 and 2021, no claim shall be paid or allowed unless such claim is filed with and in the possession of the department of revenue on or before April 15, 2023, except that the director of taxation may extend the time for filing any claim or accept a claim filed after the filing deadline when good cause exists, if the claim has been filed within four years of the deadline.

New Sec. 7. (a) In administering this act, the director of taxation shall make available suitable forms with instructions for claimants.

(b) The secretary of revenue is hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of this act.

New Sec. 8. (a) Every claimant under this act shall provide to the director of taxation, in support of a claim, reasonable proof of eligibility for the refund.

(b) Every claimant who is a retail storefront owner, or whose claim is based wholly or partly upon retail storefront ownership at some time during the calendar year, shall supply to the director of taxation, in support of a claim, the amount of property taxes levied upon the property claimed as a retail storefront and a statement that the property taxes accrued used for purposes of this act have been or will be paid by the claimant. Upon request by the director, such claimant shall provide a copy of the statement of property taxes levied upon the property claimed as a retail storefront.

(c) Every claimant who is a retail storefront renter, or whose claim is based wholly or partly upon retail storefront rental at some time during the calendar year, shall supply to the division, in support of a claim, a statement prescribed by the director certifying the amount of gross rent paid and that ad valorem property taxes were levied in full for that year on the property, all or a part of which was rented by the claimant.

(d) The information required to be furnished under subsection (b) or (c) shall be in addition to that required under subsection (a).

New Sec. 9. (a) The amount of any claim otherwise payable under this act may be applied by the director of taxation against any liability outstanding on the books of the department of revenue against the claimant in the year that the claim relates.

(b) If there are delinquent property taxes for tax year 2020 or 2021 on a retail storefront owned by the claimant, the refund shall be paid to the county treasurer of the county in which such retail storefront is located and applied to such delinquent property taxes.

New Sec. 10. If there are delinquent property taxes for a tax year commencing prior to January 1, 2020, on a retail storefront owned by the claimant, the claimant shall not be eligible for the refund pursuant to this act for such retail storefront.

New Sec. 11. In any case in which it is determined that a claim is or was excessive and was filed with fraudulent intent, the claim shall be disallowed in full, and, if the claim has been paid, the amount paid may be recovered by assessment as income taxes are assessed, and such assessment shall bear interest from the date of payment or credit of the claim, until recovered, at the rate of 1% per month. The claimant in such case and any person who assisted in the preparation or filing of such excessive claim or supplied information upon which such excessive claim was prepared, with fraudulent intent, shall be guilty of a class B misdemeanor. In any case in which it is determined that a claim is or was excessive and was negligently prepared, 10% of the corrected claim shall be disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed, and such assessment shall bear interest at the rate of 1% per month from the date of payment until recovered. In any case in which it is determined that a claim is or was excessive due to the fact that the claimant neglected to include certain income received during the year, the claim shall be corrected and the excess disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment

as income taxes are assessed.

New Sec. 12. A claim shall be disallowed if the director of taxation finds that the claimant received title to such claimant's retail storefront primarily for the purpose of receiving benefits under this act.

New Sec. 13. To the extent applicable, the provisions of K.S.A. 79-3226, and amendments thereto, shall apply to claims for refunds allowable pursuant to this act that may become in dispute.

Sec. 14. K.S.A. 2021 Supp. 12-187, as amended by section 28 of 2021 House Bill No. 2239, is hereby amended to read as follows: 12-187. (a) No city shall impose a retailers' sales tax under the provisions of this act without the governing body of such city having first submitted such proposition to and having received the approval of a majority of the electors of the city voting thereon at an election called and held therefor. The governing body of any city may submit the question of imposing a retailers' sales tax and the governing body shall be required to submit the question upon submission of a petition signed by electors of such city equal in number to not less than 10% of the electors of such city.

(b) (1) The board of county commissioners of any county may submit the question of imposing a countywide retailers' sales tax to the electors at an election called and held thereon, and any such board shall be required to submit the question upon submission of a petition signed by electors of such county equal in number to not less than 10% of the electors of such county who voted at the last preceding general election for the office of secretary of state, or upon receiving resolutions requesting such an election passed by not less than $\frac{2}{3}$ of the membership of the governing body of each of one or more cities within such county that contains a population of not less than 25% of the entire population of the county, or upon receiving resolutions requesting such an election passed by $\frac{2}{3}$ of the membership of the governing body of each of one or more taxing subdivisions within such county that levy not less than 25% of the property taxes levied by all taxing subdivisions within the county.

(2) $\frac{1}{2}$ of all revenue received by the director of taxation from such countywide

retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(ii) $\frac{1}{4}$ shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and

(iii) $\frac{1}{2}$ shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. (2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (3)(I), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27), (28), (29), (30), (31), (32) ~~and~~, (33) ~~and~~ (34), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

INTRODUCTION OF ORIGINAL MOTION

On emergency motion of Rep. Hawkins, **HCR 5038**, as follows, was introduced and adopted:

HOUSE CONCURRENT RESOLUTION No. **HCR 5038**—
by Representatives Ryckman, Hawkins and Sawyer

HCR 5038—A CONCURRENT RESOLUTION relating to the adjournment sine die of the Senate and House of Representatives during the 2022 regular session of the legislature.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected to the House of Representatives and two-thirds of the members elected to the Senate concurring therein: That the legislature shall adjourn sine die at the close of business of the daily session convened on May 23, 2022.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Minority Leader Sawyer are spread upon the Journal:

Thank you Mr. Speaker. I'd like to thank everybody. We get to the end of the session every year and we give these thank you speeches. I'll start off by thanking the staff that work really hard all the time serving the whole house, our doormen, the people who help make things work around here.

I'd like to thank my own staff, Jan King who keeps me on time and keeps my schedule for me who knows where everything is, my Chief of Staff Joe Le, my Communications Director Alexis Simmons, Legislative Director Matt Mohan, and Agenda Clerk, Andrew Harrison.

I'd also like to thank the Speaker. We don't always agree, but we've agreed to disagree agreeably many times, being able to work together and do some good things for the people of Kansas. I'd like to thank the other Republican leadership, the Speaker Pro Tem, all three of us were in the same freshman class. I'd like to thank majority leader Dan. We've accomplished some good things.

We passed medical marijuana last year out of the House and unfortunately the Senate is sitting on it. We did work to pass a pretty good budget. We passed a bill that phases out the sales tax on food for the next three years. These are all big accomplishments we can be proud of. I will say I've enjoyed working with my colleagues on the Republican side. We can work together.

I definitely appreciate my Democratic colleagues, it's been mentioned before, our caucus, we are like a family. Unfortunately, we got a little smaller today. I'm going to miss Representative Kuether. I remember when she was brand new in 1996, when she first came to the legislature. Representative Burroughs was elected that same year. He

was a freshman and I was Minority Leader. Kathy Wolfe Moore, it has been wonderful working with you on Appropriations. Jim Gartner, it has been great working with you on Tax. Jim, you've done great for six years. I wouldn't mind if all four of you would reconsider and come back. We are going to miss you.

I know we've been winding down, but I think there is still work to do. There's no reason we can't start cutting the food sales tax this year, provide some other one time tax relief, the Senate should finish medical marijuana, and the Senate should pass fentanyl strips. This is not close to the 90th day of the session. I enjoyed working with all of you. We will see what this body looks like. I look forward to working with all of the new faces. Thank you all.

PERSONAL PRIVILEGE

Majority Leader Hawkins came forward and thanked his staff and the Body for a successful session.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Speaker pro tem Finch are spread upon the Journal:

And now friends and colleagues we come to the hardest part of today for me. This is the day I say farewell to you and to this House that I love. I will not be seeking reelection to this body as I am going home to take on the office with the greatest title in our state, citizen.

Three and half years ago I shared my wishes and hopes for you as legislators and for us as members of something greater than ourselves. I wished for you to have the courage to follow your own path, the strength to treat others with kindness and respect, and the vision to work not just for today but for the future of Kansas. I now turn those wishes into prayers for you and all who will sit in this chamber in the years to come. With the challenges we face, our state needs men and women of such courage, strength, and vision now more than ever.

Some of our colleagues who were here for that speech are gone now. They remind us in their leaving how short time can be and how little of it we really have. Ten years has flown by for me in what feels like the blink of an eye, though there were some days, some sessions and let's face it, some speeches, I thought would never end.

That loss of time is the one thing we cannot legislate. So, I remind you of what Dr. King called the "fierce urgency of now" and encourage you to be like that servant in the book of Matthew. That servant placed in a position of responsibility for others whom Jesus said would be blessed if the master returned to find him at work. In that same way I urge you to be about your work here. Let your focus always be on what is good for Kansas and your work always be about doing what is good for her people. After all this is their house.

In closing, I am reminded of the words of William Allen White, "When anything is going to happen in this country, it happens first in Kansas." I would add, if it is going to happen in Kansas, it will happen first here in this building and most likely in this beautiful chamber. All of the best qualities and character of the people of Kansas are here in this House, in each of you who have been chosen to serve. The simple honesty of hard work, the abiding love for family, the generous concern for a neighbor in need,

the unwavering belief that our children and their children should have a brighter future, and the steadfast desire to leave things better than we found them.

Those essential Kansas values have brought us this far, and if you will keep them in your hearts and let them guide your paths, they will continue to carry us forward, over all possible difficulties... to our destined place among the stars. May God bless each and every one of you, the people you serve, and may God bless the great state of Kansas now and forever. Thank you and farewell.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Speaker Ryckman are spread upon the Journal:

Friends ...

As you know, this is the last time I will have the privilege to stand before you in the People's House as your Speaker and as your colleague.

There are no words to adequately express what an honor it has been for me to serve alongside you ... and to have earned your confidence for three terms as your Speaker.

It is an honor I will cherish always.

I will equally cherish the work we have accomplished together on behalf of the people and the state that we love.

"To every thing there is a season a time for every purpose and for every work."

As my season in the Kansas House comes to a close, I want to leave you with the same advice I shared when we started this journey:

- Serve with a servant's heart.
- Focus less on temporary hardships and more on permanent good.
- Focus less on you alone and more on all of us together ... doing the work of the people.

With these principles as your guide, I know our state will be in good hands.

Thank you for this season we've had together. May God Bless you in your service, and may God bless the Great State of Kansas.

**MESSAGE FROM THE GOVERNOR
REGARDING VETO OF SENATE BILL 34**

I have consistently opposed vaccine passports and mandating any COVID-19 vaccination. However, this bill goes beyond COVID-19 and implements a one-size-fits-all approach for all infectious diseases. It significantly limits any government entity's response to any infectious disease outbreak.

As a result, this legislation creates significant safety concerns for workers, for employers, for the economy, and for all Kansans. Schools could not adequately respond to an outbreak of measles in a classroom, and manufacturing facilities could not respond to a tuberculosis outbreak.

Beyond that, our agricultural sector could not continue to fight the Highly Pathogenic Avian Influenza (HPAI). We have a responsibility to protect our critically important agricultural industry and the farmers and ranchers who feed the nation.

We need to be prepared for what's down the road to best protect Kansans. This bill puts the safety of all Kansans and our economy at risk.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Substitute for Senate Bill 34.

THE GOVERNOR'S OFFICE BY THE GOVERNOR LAURA KELLY
DATED: MAY 13, 2022

There being no motion to reconsider **Sub SB 34**, the President ruled the veto sustained.
