

Journal of the Senate

FIFTY-SIXTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, May 2, 2019, 10:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Lord, You said in 2 Chronicles 7:14, that if Your people, people called by Your Name and declaring Your Name, would humble themselves and pray and turn away from corrupt, sinful attitudes and actions, it would be the key, key to Your hearing our prayers, forgiving our sins and healing our nation.

So, Lord, we come before You on this "National Day of Prayer." A day that's been set aside, for everyone; to turn to You, in both prayer and meditation. And Lord, we thank You for the privilege of both. In our closet of prayer, as we temporarily shut the door on interferences, we find in Hebrews 4:15-16, that we can humbly yet boldly, come before Your throne sharing whatever is on our hearts.

And in meditation, we can find that still, quiet place on the inside where we can listen and wait on a Word from You, to get the help, the direction and the guidance we need for the present and for what lies ahead. Thank You Lord, for Your loving response to our Knee-Mail! I come to You in the precious Name of Jesus, Amen.

The Pledge of Allegiance was led by President Wagle.

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 16, following line 43, by inserting:

"Sec. 3. K.S.A. 2018 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been

deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2018 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to K.S.A. 79-32,117(c)(xv), and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

(a) On and after October 1, 2019, any marketplace facilitator that meets the criteria in subsection (b) or that has a physical presence in this state, must collect and remit retail sales or use tax on all taxable retail sales made or facilitated by the marketplace facilitator into this state pursuant to this act. Marketplace facilitators meeting the requirements of subsection (b) must begin collecting state and local retail sales or use taxes on taxable retail sales made or facilitated by the marketplace facilitator sourced to this state beginning on the first day of the next calendar month that is at least 30 days from the date that the marketplace facilitator met the threshold described in subsection (b).

(b) A marketplace facilitator is subject to subsection (a) if:

(1) (A) For calendar year 2018, the marketplace facilitator made or facilitated retail sales sourced to this state in excess of \$100,000 of cumulative gross receipts from retail sales sourced to this state;

(B) for the period beginning on January 1, 2019, through September 30, 2019, the marketplace facilitator made or facilitated retail sales sourced to this state in excess of \$100,000 of cumulative gross receipts from retail sales sourced to this state; or

(C) during the current or immediately preceding calendar year, the marketplace facilitator made or facilitated retail sales sourced to this state in excess of \$100,000 of cumulative gross receipts from retail sales sourced to this state.

(B) For any marketplace facilitator who satisfies the provisions of subsection (b)(1) (C) for sales in the current calendar year for the first time, such marketplace facilitator shall be required to collect and remit the tax on any sales made or facilitated in excess of the \$100,000 of cumulative gross receipts from sales in the current calendar year by the marketplace facilitator to customers in this state.

New Sec. 9. (a) In addition to other applicable recordkeeping requirements, the department may require a marketplace facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this act, the Kansas retailers' sales tax act and the Kansas compensating tax act. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace. The department may prescribe by rules and regulations the form and manner for providing this information.

(b) A marketplace facilitator is relieved of liability under this act for failure to collect the correct amount of tax to the extent that the marketplace facilitator can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator by the marketplace seller, unless the marketplace facilitator and marketplace seller are affiliated persons. When the marketplace facilitator is relieved of liability under this subsection, the marketplace seller is solely liable for the amount of uncollected tax due.

(c) Except as otherwise provided in this section, a marketplace seller otherwise obligated to collect the taxes imposed under this act is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator if the marketplace seller entered into an agreement with the marketplace facilitator

indicating that the marketplace facilitator is registered with the department and will collect all applicable taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act on all taxable retail sales made on behalf of the marketplace seller through the marketplace operated by the marketplace facilitator. This subsection does not relieve a marketplace seller from liability for uncollected taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act resulting from a marketplace facilitator's failure to collect the proper amount of tax due when the error was due to insufficient or incorrect information given to the marketplace facilitator by the marketplace seller.

(d) No class action may be brought against a marketplace facilitator in any court of this state on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator or referrer, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a purchaser's right to seek a refund from the department as provided by the Kansas retailers' sales tax act.

New Sec. 10. (a) Except as otherwise provided in this act, taxes imposed under the Kansas retailers' sales tax act or the Kansas compensating tax act and payable by a consumer directly to the department are due, on returns prescribed by the department, as prescribed by those acts.

(b) Nothing in this act affects the obligation of any purchaser from this state to remit retail sales or use tax as to any applicable taxable transaction in which the seller does not collect and remit retail sales or use tax.

New Sec. 11. (a) A marketplace facilitator that is subject to section 8, and amendments thereto, and is complying with the requirements of the Kansas retailers' sales tax act or the Kansas compensating tax act may only seek a recovery of retail sales and use taxes, penalties or interest from the department by following the recovery procedures established under the Kansas retailers' sales tax act. However, no claim may be granted on the basis that the taxpayer lacked a physical presence in this state and complied with the tax collection provisions of the Kansas retailers' sales tax act or the Kansas compensating tax act voluntarily.

(b) Neither the state nor any marketplace facilitator that collects and remits retail sales or use tax under section 8, and amendments thereto, is liable to a purchaser that claims that the retail sales or use tax has been over-collected because a provision of this act is later deemed unlawful.

New Sec. 12. A marketplace seller, or a marketplace facilitator that is obligated to collect the taxes imposed under this act, the Kansas retailers' sales tax act or Kansas compensating tax act must also collect all other applicable taxes and fees in effect as of the effective date of this section. For purposes of this section, "taxes and fees" means any monetary exaction, regardless of its label, imposed on a buyer and that the marketplace seller or marketplace facilitator is required to collect and pay over to the department.

Beginning on October 1, 2019, the collection and remittance obligation of a marketplace facilitator under this act also applies to any other taxes and fees, as defined under this section, that are imposed on a retail sale made or facilitated by the marketplace facilitator, whether in its own right or as an agent of a marketplace seller, regardless of whether the marketplace seller has a tax collection obligation.

New Sec. 13. Except as otherwise provided in this act, the provisions of K.S.A. 79-

3601 through 79-3696, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of the Kansas main street parity act.

New Sec. 14. The secretary of revenue shall adopt such rules and regulations as deemed necessary for the administration of this act.

New Sec. 15. If any provision of the Kansas main street parity act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

New Sec. 16. (a) There is hereby levied and there shall be collected and paid a tax upon the gross receipts from the sale of food and food ingredients. The rate of tax shall be 6.5%, except as otherwise provided pursuant to section 17, and amendments thereto.

(b) The provisions of this section shall not apply to prepared food, unless sold without eating utensils provided by the seller and described below:

(1) Food sold by a seller whose proper primary NAICS classification is manufacturing in sector 311, except subsector 3118 (bakeries);

(2) (A) food sold in an unheated state by weight or volume as a single item; or

(B) only meat or seafood sold in an unheated state by weight or volume as a single item;

(3) bakery items, including bread, rolls, buns, biscuits, bagels, croissants, pastries, donuts, danish, cakes, tortes, pies, tarts, muffins, bars, cookies and tortillas;

(4) food sold that ordinarily requires additional cooking, as opposed to just reheating, by the consumer prior to consumption; or

(5) bottled water that is not otherwise sold as prepared food.

(c) The provisions of this section shall be a part of and supplemental to the Kansas retailers' sales tax act.

New Sec. 17. (a) Commencing with fiscal year 2019, in any fiscal year in which an increase in revenue attributable to the Kansas compensating use tax provided in K.S.A. 79-3703, and amendments thereto, exceeds the revenue of the base year amount plus 3% annually, the director of legislative research shall certify such excess amount by September 1 to the secretary of revenue and the director of the budget. Upon receipt of such certified amount, the secretary shall compute as follows:

For calculating a reduction in the state rate for sales and compensating use taxes on food and food ingredients, the certified amount from subsection (a) in dollars shall be computed by the secretary for a reduction rounded down to the nearest 0.1% in the sales and compensating use tax rates on food and food ingredients, if any, to go into effect for the next calendar year that would reduce the revenue from sales and compensating use taxes on food and food ingredients in an amount approximately equal to the amount computed by the secretary. Such rate reductions shall remain in effect unless further reduced pursuant to this section. The rate reductions pursuant to this section shall be applied until the state rates for sales and compensating use taxes on food and food ingredients are reduced to 0%. The secretary shall publish the new sales and compensating use tax rates to take effect on July 1 for calendar year 2020; and on January 1 for all calendar years thereafter, by October 1 of the preceding year. In the event that the amount provided in subsection (a) does not exceed the base year amount, the reduction in the state rate for sales and compensating use tax on food and food ingredients is 0%. The state rate for sales and compensating use taxes shall not increase

when revenue pursuant to subsection (a) is less than the base year amount.

(b) As used in this section, "base year amount" means the revenue attributable to the Kansas compensating use tax provided in K.S.A. 79-3703, and amendments thereto, for fiscal year 2018.

Sec. 18. K.S.A. 2018 Supp. 79-3602 is hereby amended to read as follows: 79-3602. Except as otherwise provided, as used in the Kansas retailers' sales tax act:

(d) "Storage" means any keeping or retaining in this state for any purpose except sale in the regular course of business or subsequent use solely outside this state of tangible personal property purchased from a retailer.

(e) "Storage" and "use" do not include the keeping, retaining or exercising of any right or power over tangible personal property shipped or brought into this state for the purpose of subsequently transporting it outside the state for use thereafter solely outside the state, or for the purpose of being processed, fabricated, or manufactured into,

attached to or incorporated into, other tangible personal property to be transported outside the state and thereafter used solely outside the state.

(f) "Property used in processing" means: (1) Any tangible personal property which, when used in fabrication, compounding, manufacturing or germination, becomes an integral part of the new article resulting from such fabrication, compounding, manufacturing, or germination, and intended to be sold ultimately at retail; and (2) fuel which is consumed in creating power, heat, or steam for processing or for generating electric current.

(g) "Retailer" means every person engaged in the business of selling tangible personal property for use within the meaning of this act, except that, when in the opinion of the director it is necessary for the efficient administration of this act to regard any salesperson, representatives, truckers, peddlers or canvassers as the agents of the dealers, distributors, supervisors, employers or persons under whom they operate or from whom they obtain the tangible personal property sold by them, irrespective of whether they are making sales on their own behalf or on behalf of such dealers, distributors, supervisors, employers, or persons, the director may so regard them and may regard the dealers, distributors, supervisors, employers, or persons as retailers for the purposes of this act.

(E) any person regularly maintaining a stock of tangible personal property in this state for sale in the normal course of business; ~~and~~

(F) any retailer who has any other contact with this state that would allow this state to require the retailer to collect and remit tax under the provisions of the constitution and laws of the United States; and

(G) (i) for any retailer that does not satisfy any of the requirements contained in subparagraphs (A) through (F), such retailer shall be a retailer doing business in this state, if:

(a) For calendar year 2018, the retailer had in excess of \$100,000 of cumulative gross receipts from sales by the retailer to customers in this state;

(b) for the period beginning on January 1, 2019, through September 30, 2019, the retailer had in excess of \$100,000 of cumulative gross receipts from sales by the retailer to customers in this state; or

(c) during the current or immediately preceding calendar year, the retailer had in

excess of \$100,000 of cumulative gross receipts from sales by the retailer to customers in this state.

(ii) (a) For any retailer who satisfies the provisions of subparagraph (G)(i), such retailer shall not be required to collect and remit any taxes from sales occurring prior to October 1, 2019.

(b) For any retailer who satisfies the provisions of subparagraph (G)(i)(c) for sales in the current calendar year for the first time, such retailer shall be required to collect and remit the tax on any sales in excess of the \$100,000 of cumulative gross receipts from sales in the current calendar year by the retailer to customers in this state.

(2) A retailer shall be presumed to be doing business in this state if any of the following occur:

(A) Any person, other than a common carrier acting in its capacity as such, that has nexus with the state sufficient to require such person to collect and remit taxes under the provisions of the constitution and laws of the United States if such person were making taxable retail sales of tangible personal property or services in this state:

(ii) maintains a distribution house, sales house, warehouse or similar place of business in Kansas that delivers or facilitates the sale or delivery of property sold by the retailer to consumers;

(B) Any affiliated person conducting activities in this state described in subparagraph (A) or (C) has nexus with this state sufficient to require such person to collect and remit taxes under the provisions of the constitution and laws of the United States if such person were making taxable retail sales of tangible personal property or services in this state.

This presumption may be rebutted by submitting proof that the residents with whom the retailer has an agreement did not engage in any activity within the state that was significantly associated with the retailer's ability to establish or maintain the retailer's market in the state during the~~

preceding 12 months. Such proof may consist of sworn written statements from all of the residents with whom the retailer has an agreement stating that they did not engage in any solicitation in the state on behalf of the retailer during the preceding year, provided that such statements were provided and obtained in good faith. The term "preceding 12 months" as used in this subparagraph includes the 12 months commencing prior to the effective date of this subparagraph.

~~(D) The presumptions in subparagraphs (A) and (B) may be rebutted by demonstrating that the activities of the person or affiliated person in the state are not significantly associated with the retailer's ability to establish or maintain a market in this state for the retailer's sales. The retailer is subject to the provisions set forth in subsection (h)(1)(G) for a retailer doing business in this state and has in excess of \$100,000 of cumulative gross receipts from sales by the retailer to customers in this state. Such retailer shall have nexus with this state sufficient to require such retailer to collect and remit taxes under the provisions of the constitution and laws of the United States if such retailer were making taxable retail sales of tangible personal property in this state.~~

(b) The amount of the loss to be carried back or forward will be the federal net operating loss after: (1) All modifications required under this act applicable to the net loss in the year the loss was incurred; and (2) after apportionment as to source in the case of corporations, nonresident individuals for losses incurred in taxable years beginning prior to January 1, 1978, and nonresident estates and trusts in the same manner that income for such corporations, nonresident individuals, estates and trusts is required to be apportioned.

(c) If a net operating loss was incurred in a taxable year beginning prior to January 1, 1988, the amount of the net operating loss that may be carried back and carried forward and the period for which it may be carried back and carried forward shall be determined under the provisions of the Kansas income tax laws which were in effect during the year that such net operating loss was incurred.

(d) If any portion of a net operating loss described in subsections (a) and (b) is not utilized prior to the final year of the carryforward period provided in subsection (a), a refund shall be allowable in such final year in an amount equal to the refund which would have been allowable in the taxable year the loss was incurred by utilizing the three year carryback provided under K.S.A. 79-32,143, as in effect on December 31, 1987, multiplied by a fraction, the numerator of which is the unused portion of such net operating loss in the final year, and the denominator of which is the amount of such net operating loss which could have been carried back to the three years immediately preceding the year in which the loss was incurred. In no event may such fraction exceed 1.

(e) Notwithstanding any other provisions of the Kansas income tax act, the net operating loss as computed under subsections (a), (b) and (c) ~~of this section~~ shall be allowed in full in determining Kansas taxable income or at the option of the taxpayer allowed in full in determining Kansas adjusted gross income.

(f) No refund of income tax which results from a net operating farm loss carry back shall be allowed in an amount exceeding \$1,500 in any year. Any overpayment in excess of \$1,500 may be carried forward to any year or years after the year of the loss and may be claimed as a credit against the tax. The refundable portion of such credit shall not exceed \$1,500 in any year.

(g) For tax year 2013, and all tax years thereafter, a net operating loss allowed by this section shall only be available to taxpayers subject to the income tax on corporations imposed pursuant to ~~subsection (e)~~ of K.S.A. 79-32,110(c), and amendments thereto, and used only to determine such taxpayer's corporate income tax liability.

Sec. 25. K.S.A. 2018 Supp. 79-32,143a is hereby amended to read as follows: 79-32,143a. (a) For taxable years beginning after December 31, ~~2014~~ 2018, a taxpayer may elect to take an expense deduction from Kansas net income before expensing or recapture allocated or apportioned to this state for the cost of the following property

placed in service in this state during the taxable year: (1) Tangible property eligible for depreciation under the modified accelerated cost recovery system in section 168 of the internal revenue code, as amended, but not including residential rental property, nonresidential real property, any railroad grading or tunnel bore or any other property with an applicable recovery period in excess of 25 years as defined under section 168(c) or (g) of the internal revenue code, as amended; and (2) computer software as defined in section 197(e)(3)(B) of the internal revenue code, as amended, and as described in section 197(e)(3)(A)(i) of the internal revenue code, as amended, to which section 167 of the internal revenue code, as amended, applies. If such election is made, the amount of expense deduction for such cost shall equal the difference between the depreciable cost of such property for federal income tax purposes and the sum of the amount of bonus depreciation being claimed for such property pursuant to section 168(k) and the amount of expensing deduction being claimed for such property pursuant to section 179 of the internal revenue code, as amended, for federal income tax purposes in such tax year, ~~but without regard to any expense deduction being claimed for such property under section 179 of the internal revenue code, as amended,~~ multiplied by the applicable factor, determined by using, the table provided in subsection (f), based on the method of depreciation selected pursuant to section 168(b)(1), (2), or (3) or (g) of the internal revenue code, as amended, and the applicable recovery period for such property as defined under section 168(c) or (g) of the internal revenue code, as amended. This election shall be made by the due date of the original return, including any extensions, and may be made only for the taxable year in which the property is placed in service, and once made, shall be irrevocable. ~~If the section 179 expense deduction election has been made for federal income tax purposes for any asset, the applicable factor to be utilized is in the IRC § 168 (b)(1) column of the table provided in subsection (f) for the applicable recovery period of the respective assets.~~

(b) If the amount of expense deduction calculated pursuant to subsection (a) exceeds the taxpayer's Kansas net income before expensing or recapture allocated or apportioned to this state, such excess amount shall be treated as a Kansas net operating loss as provided in K.S.A. 79-32,143, and amendments thereto.

(c) If the property for which an expense deduction is taken pursuant to subsection (a) is subsequently sold during the applicable recovery period for such property as defined under section 168(c) of the internal revenue code, as amended, and in a manner that would cause recapture of any previously taken expense or depreciation deductions for federal income tax purposes, or if the situs of such property is otherwise changed such that the property is relocated outside the state of Kansas during such applicable recovery period, then the expense deduction determined pursuant to subsection (a) shall be subject to recapture and treated as Kansas taxable income allocated to this state. The amount of recapture shall be the Kansas expense deduction determined pursuant to subsection (a) multiplied by a fraction, the numerator of which is the number of years remaining in the applicable recovery period for such property as defined under section 168(c) or (g) of the internal revenue code, as amended, after such property is sold or removed from the state including the year of such disposition, and the denominator of which is the total number of years in such applicable recovery period.

(d) The situs of tangible property for purposes of claiming and recapture of the expense deduction shall be the physical location of such property. If such property is mobile, the situs shall be the physical location of the business operations from where

such property is used or based. The situs of computer software shall be apportioned to Kansas based on the fraction, the numerator of which is the number of the taxpayer's users located in Kansas of licenses for such computer software used in the active conduct of the taxpayer's business operations, and the denominator of which is the total number of the taxpayer's users of the licenses for such computer software used in the active conduct of the taxpayer's business operations everywhere.

(e) Any member of a unitary group filing a combined report may elect to take an expense deduction pursuant to subsection (a) for an investment in property made by any member of the combined group, provided that the amount calculated pursuant to subsection (a) may only be deducted from the Kansas net income before expensing or recapture allocated to or apportioned to this state by such member making the election.

(f) The following table shall be used in determining the expense deduction calculated pursuant to subsection (a):
