As provided by SCR 1615, the Sine Die Session of the 2020 Kansas Senate was called to order by President Susan Wagle.

The roll was called with 40 senators present.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, it is by Your grace that we're closing out the legislative season this year. In spite of the fears, frustration and emotional upheaval, You have kept us and You are keeping us.

We've tried social distancing to stay safe. We've looked at wearing masks. We've looked at washing our hands, not touching our faces and wearing gloves.

But two of the words You've given us are "Fear Not" and "Don't be afraid!" When David the Psalmist's life was miraculously spared, You had him share with us from Psalm 24:1-10 these encouraging words:

1 I will bless the Lord at all times;  
   His praise shall continually be in my mouth.
2 My soul will make its boast in the Lord;  
   The humble shall hear it and be glad.
3 Oh, magnify the Lord with me,  
   And let us exalt His name together.
4 I sought the Lord, and He heard me,  
   And delivered me from all my fears.
5 They looked to Him and were radiant,  
   And their faces were not ashamed.
6 This poor man cried, and the Lord heard him  
   And saved him out of all his troubles.
7 The angel of the Lord encamps all around those who fear Him,  
   And delivers them.
8 Oh, taste and see that the Lord is good;  
   Blessed is the man who trusts in Him!
9 Oh, fear the Lord, you His saints;  
   There is no want to those who fear him.
10 The young lions lack and suffer hunger;
But those who seek the Lord shall not lack any good thing.

Lord, as we finish-up here, please continue to keep us safe. In Jesus' Name, Amen.

The Pledge of Allegiance was led by President Wagle.

**POINT OF PERSONAL PRIVILEDGE**

Senator Denning rose on a point of personal privilege to share the following remarks:

Friends and colleagues, I want to begin by thanking the citizens of Overland Park in Senate District 8 for allowing me to serve them in the Senate for the last 8 years after serving in them in the House. Now, after serving 10 years, the time has come for me to devote my personal resources to family and to my private sector employer.

I have enjoyed working with all the legislators over the years and it has been an honor to serve as your Senate Majority Leader for the last 4 years. I have always done my best to take the high road, lead from the front, and govern as the Majority Leader position requires. Good governance is not always easy and carries a serious responsibility. As a result I may have experienced “social distancing” long before the COVID-19 pandemic made it a household term.

I would also like to thank and recognize my staff. Toni Beck who ran the front office, Chief of Staff Ethan Patterson, and Communications and Policy Director Mary Sabatini. They represented the office of the Senate Majority Leader and this Chamber at a very high level.

I’d like everyone to know that while I may not be in the building, I will still have great cell phone service year-round.

And with that… as us politicians would say….it’s been an honor and a privilege, thank you.

I look forward to seeing you all again when we get called for a special session.

When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of the claimant's household, "property taxes accrued" is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant's household. For purposes of this act, property taxes are levied when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant and household own their homestead for only a part of a calendar year, "property taxes accrued" means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant's household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in that year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homesteads during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes that is equal to the percentage of the value of the homestead compared to the total unit's value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

New Sec. 10. The right to file a claim under this act may be exercised on behalf of a claimant by such person's legal guardian, conservator or attorney-in-fact. When a claimant dies after having filed a timely claim, the amount thereof shall be disbursed to another member of the household as determined by the director of taxation. If the claimant was the only member of such person's household, the claim may be paid to such person's executor or administrator, but if neither is appointed and qualified, the amount of the claim may be paid upon a claim duly made to any heir at law. In the absence of any such claim within two years of the filing of the claim, the amount of the claim shall escheat to the state. When a person who would otherwise be entitled to file a claim under the provisions of this act dies prior to filing such claim, another member of such person's household may file such claim in the name of such decedent, subject to
the deadline prescribed by section 12, and amendments thereto, and the director shall pay the amount to which the decedent would have been entitled to such person filing the claim. If the decedent was the only member of such person's household, the decedent's executor or administrator may file such claim in the name of the decedent, and the claim shall be paid to the executor or administrator. In the event that neither an executor or administrator is appointed and qualified, such claim may be made by any heir at law and the claim shall be payable to such heir at law. Any of the foregoing provisions shall be applicable in any case where the decedent dies in the calendar year preceding the year in which a claim may be made under the provisions of this act, if such decedent was a resident of or domiciled in this state during the entire part of such year that such decedent was living. Where the decedent's death occurs during the calendar year preceding the year in which a claim may be made, the amount of the claim that would have been allowable if the decedent had been a resident of or domiciled in this state the entire calendar year of such person's death shall be reduced in a proportionate amount equal to a fraction of the claim otherwise allowable, the numerator of which fraction is the number of months in such calendar year following the month of the decedent's death, and the denominator of which is 12.

New Sec. 11. A claimant may claim property tax relief under this act with respect to property taxes accrued and, after audit by the director of taxation with respect to this act, the allowable amount of such claim shall be paid, except as otherwise provided in sections 13, 22 and 24, and amendments thereto, to the claimant from the income tax refund fund upon warrants of the director of accounts and reports pursuant to vouchers approved by the director of taxation or by any person designated by the claimant, but no warrant issued shall be drawn in an amount of less than $5. No interest shall be allowed on any payment made to a claimant pursuant to this act.

New Sec. 12. Except as provided in section 21, and amendments thereto, no claim in respect of property taxes levied in any year shall be paid or allowed unless such claim is actually filed with and in the possession of the department of revenue on or before April 15 of the year next succeeding the year in which such taxes were levied.

New Sec. 13. The amount of any claim otherwise payable under this act may be applied by the director of taxation against any liability outstanding on the books of the department of revenue against the claimant, or against any other individual who was a member of such person's household in the year that the claim relates.

New Sec. 14. Only one claimant per household per year shall be entitled to relief under this act.

New Sec. 15. (a) Commencing in tax year 2020, and all tax years thereafter, the amount of any claim pursuant to this act shall be computed by deducting the homestead ad valorem tax amount in the tax year the refund is sought from the amount of a claimant's base year homestead ad valorem tax amount.

(b) The amount of claim shall be computed only to the nearest $1.

(c) A taxpayer shall not be eligible for a claim pursuant to this act if such taxpayer has received for such property for such tax year a homestead property tax refund pursuant to K.S.A. 79-4501 et seq., and amendments thereto.

(d) The maximum amount of a claim that may be claimed by a claimant in any one tax year pursuant to this act shall be $2,500.

New Sec. 16. In administering this act, the director of taxation shall make available suitable forms with instructions for claimants. Copies of such forms shall also be made
available to all county clerks and county treasurers in sufficient numbers to supply claimants residing in their respective counties. It shall be the duty of the county clerk to assist any claimant seeking assistance in the filing of a claim under the provisions of this act. The county treasurer of each county shall mail to each taxpayer, with the property tax statement of such taxpayer, information on eligibility for relief under this act to be provided by the secretary of revenue.

The secretary of revenue is hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of this act.

New Sec. 17. (a) Every claimant under this act shall supply to the director of taxation, in support of a claim, reasonable proof of age and changes of homestead, household membership, household income, household assets and size and nature of property claimed as the homestead.

(b) Every claimant who is a homestead owner, or whose claim is based wholly or partly upon homestead ownership at some time during the calendar year, shall supply to the director of taxation, in support of a claim, the amount of property taxes levied upon the property claimed as a homestead and a statement that the property taxes accrued used for purposes of this act have been or will be paid by the claimant. Upon request by the director, such claimant shall provide a copy of the statement of property taxes levied upon the property claimed as a homestead. The amount of personal property taxes levied on a manufactured home or mobile home shall be set out on the personal property tax statement showing the amount of such tax as a separate item.

(c) The information required to be furnished under subsection (b) shall be in addition to that required under subsection (a).

New Sec. 18. In any case in which it is determined that a claim is or was excessive and was filed with fraudulent intent, the claim shall be disallowed in full, and, if the claim has been paid, the amount paid may be recovered by assessment as income taxes are assessed, and such assessment shall bear interest from the date of payment or credit of the claim, until recovered, at the rate of 1% per month. The claimant in such case and any person who assisted in the preparation or filing of such excessive claim, or supplied information upon which such excessive claim was prepared, with fraudulent intent, shall be guilty of a class B misdemeanor. In any case in which it is determined that a claim is or was excessive and was negligently prepared, 10% of the corrected claim shall be disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed, and such assessment shall bear interest at the rate of 1% per month from the date of payment until recovered. In any case in which it is determined that a claim is or was excessive due to the fact that the claimant neglected to include certain income received during the year, the claim shall be corrected and the excess disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed.

New Sec. 19. No claim for relief under the provisions of this act shall be allowed to any claimant who is a recipient of public funds specifically designated for the payment of taxes during the period for which the claim is filed.

New Sec. 20. A claim shall be disallowed if the director of taxation finds that the claimant received title to such person's homestead primarily for the purpose of receiving benefits under this act.

New Sec. 21. For claims in respect to property taxes levied in any year, the director
of taxation may extend the time for filing any claim or accept a claim filed after the filing deadline when good cause exists, if the claim has been filed within four years of the deadline.

New Sec. 22. (a) The director of taxation shall issue to the county clerk by October 1 of each year an electronic record containing the name of each eligible claimant who received a refund of property taxes under this act for the prior year.

(b) When initially filing a claim under this act, the claimant shall be given an election to receive such refund directly from the director of taxation or have such refund applied to the claimant's ad valorem taxes in the county. The claimant shall make the election on a form supplied by the director of taxation. Such refund shall not be applied to any special assessment.

(c) After the electronic record under subsection (a) has been received from the director of taxation, the county clerk of the county in which the property is located shall make any corrections needed, if any, based upon information known by the county clerk concerning any change in eligibility of any claimant listed in such record. After any needed corrections have been made to the electronic record, the county clerk, on behalf of each claimant listed in such record, shall certify the information contained in such record to the county treasurer in lieu of paying that portion of the first half of taxes on the claimant's homestead in the current year, which equals the amount of the golden years homestead property tax freeze refund received by the claimant for taxes levied in the preceding year up to the amount of the first half of the property taxes due.

(d) The county treasurer shall certify and return the electronic record referred to in subsection (a), including any changes made by the county clerk pursuant to subsection (c), to the director of taxation by December 31 of each year. After receiving a claim of any claimant who is listed in the electronic record submitted by the county treasurer, the director shall examine the same, and, if the claim is valid, the director of accounts and reports shall draw a warrant in favor of the county in which the claimant's homestead is located upon a voucher approved by the director of taxation in the amount of the allowable claim for refund. Sufficient information to identify the claimant shall be directed to the county treasurer with each warrant. Any taxes levied in any year on the homestead of any claimant who has obtained the eligibility herein provided for in excess of the amount paid to the county by the state and by the claimant on or before December 20 of such year shall be paid by the claimant on or before May 10 of the succeeding year.

(e) For the purposes of this section, "electronic record" shall have the meaning ascribed to it in K.S.A. 16-1602, and amendments thereto.

New Sec. 23. A claimant shall only be eligible for a claim for refund under this act if: (a) The household income for the year in which the claim is filed is $50,000 or less; and (b) the appraised value of the homestead is $350,000 or less.

New Sec. 24. If there are delinquent property taxes on the claimant's homestead, the refund shall be paid to the county treasurer of the county in which such homestead is located and applied first to the oldest of such delinquent property taxes and applied forward to the most recent delinquent property taxes and then to any other property taxes due on the claimant's homestead.

Sec. 25. K.S.A. 79-32,263 is hereby amended to read as follows: 79-32,263. This act shall be known and may be cited as the selective assistance for effective senior relief (SAFESR). There shall be allowed as a credit against the tax liability of a taxpayer
imposed under the Kansas income tax act, the following: (a) For tax years 2008, 2009 and 2010, an amount equal to 45% of the amount of property and ad valorem taxes actually and timely paid as described in this section; and (b) for tax year 2011 and all tax years thereafter through tax year 2019, an amount equal to 75% of the amount of property and ad valorem taxes actually and timely paid by a taxpayer who is 65 years of age or older and who has household income equal to or less than 120% of the federal poverty level for two persons if such taxes were paid upon real or personal property used for residential purposes of such taxpayer which is the taxpayer's principal place of residence for the tax year in which the tax credit is claimed. The amount of any such credit for any such taxpayer shall not exceed the amount of property and ad valorem taxes paid by such taxpayer as specified in this section. A taxpayer shall not take the credit pursuant to this section if such taxpayer has received a homestead property tax refund pursuant to K.S.A. 79-4501 et seq., and amendments thereto, for such property for such tax year. Subject to the provisions of this section, if the amount of such tax credit exceeds the taxpayer's income tax liability for the taxable year, the amount of such excess credit which exceeds such tax liability shall be refunded to the taxpayer. The secretary of revenue shall adopt rules and regulations regarding the filing of documents that support the amount of the credit claimed pursuant to this section. For purposes of this section, "household income" means all income as defined in K.S.A. 79-4502(a), and amendments thereto, including any payments received under the federal social security act, received by persons of a household in a calendar year while members of such household. The provisions of this act shall be part of and supplemental to the homestead property tax refund act.

EXPLANATION OF VOTE

Mr. Vice President: As a 32 year veteran myself with two deployments in times of war, I have the utmost respect for veterans and especially disabled veterans. But I also stand in support of seniors currently receiving support from the current Safe Seniors Program. In these challenging financial times I cannot in good conscience pull the
financial rug out from the elderly currently receiving relief under the current Safe
Senior Program. I very much look forward to looking at independent disabled veteran
property tax legislation in the 2021 session.—KEVIN BRAUN

Senator Olson moved to amend S Sub HB 2118; as amended by House Committee
of the Whole, as amended by the Senate Committee on Assessment and Taxation by
substituting with a new bill designated as "Senate Substitute for House Bill No. 2118"
by the committee report designated cr_2020_hb2118_s_3417, adopted by the Senate
Committee of the Whole on May 21, 2020, following the written material in section 3
of the substitute bill, by inserting:
"Sec. 4. Notwithstanding any provisions of law to the contrary, for 2020 and 2021,
the valuation of any parcel of real property shall not exceed the parcel's 2019 valuation
as long as such parcel has had no new construction.");

In the title of the substitute bill, after "maintenance," by inserting "valuation of real
property;"

Ware, Wilborn.
Present and Passing: Billinger.
The amendment was rejected.

EXPLANATION OF VOTE

Mr. Vice President: I respect both the carrier of the amendment and the intent of this
amendment but am deeply concerned that it will create second and third order effects on
the counties ability to conduct their activities. I am concerned that we are just “kicking
the can down the road” on the costs related to this amendment. In a time when I am
working to return local control to our counties and county leadership, I cannot place a
restriction on them that may further exacerbate an already challenging financial
situation.—KEVIN BRAUN

The substitute bill passed.

EXPLANATION OF VOTE

Mr. Vice-President – I vote “NO” on Senate Substitute for HB 2619. I am concerned that although it has been argued that this would “level the playing field” between banks and credit unions, this bill creates an unlevel playing field between the banks and the Federal Farm Credit System. I also believe that this is not the time to take actions that will reduce the amount of money coming into the state treasury without knowing that those actions will help our Kansas individuals and businesses who are struggling. Currently, many banks are in an enviable position of profiting from service fees from federal loan programs so can pay income taxes. And although I support the new economic loan recovery program, banks and businesses already have access to funds at record low interest rates. It would have helped to have the amendment that was described to put oversight of the program into the Department of Commerce added to the bill.—Marcia Francisco

Senator Masterson moved the adoption of the committee report on S Sub HB 2585. The motion passed.

S Sub HB 2585, AN ACT concerning utilities; relating to the state corporation commission; approval of certain contract and reduced electric rates; approval of cost recovery from rate classes; report to the legislature; income taxation; exemption from income taxation, certain public utilities; income tax expenses, exclusion from retail electric rates; amending K.S.A. 79-32,113 and repealing the existing section.

The motion failed.

A ruling of the chair was requested as to the germaneness to the bill. The Chair of the Rules Committee ruled the amendment not germane.
Senator Sykes challenged the ruling of the chair.
Upon the showing of five hands a roll call vote was requested.

Nays: Bollier, Doll, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Miller, Pettay, Skubal, Sykes, Taylor, Ware.

The ruling of the chair was sustained.

EXPLANATION OF VOTE

Mr. Vice President: Thank you. This is my last day in this chamber and I will be discussing that later. But the moral imperative of this state to protect its citizens and allow them the opportunity to access healthcare has never been more urgent – as spoken so clearly by our president to the urgency we have in this body to do what is safe and best for people. We have been bridled and throttled this entire year when the votes exist in this chamber to pass Medicaid expansion. We have the votes. Kansas voters want us to pass this this. So yes, this is an unprecedented time, and while I fully respect the committee and their decision, desperate times call for desperate measures. People in Kansas are desperate, and they need healthcare. So I vote “NO.” —BARBARA BOLLIER

Senators Francisco, Hawk and Sykes request the record to show they concur with the explanation of vote offered by Senator Bollier.

EXPLANATION OF VOTE

Mr. Vice President, The question was if the proposed Amendment was germane to the base bill. Anyone in this body who cannot tell that a healthcare amendment is not germane to a utilities bill needs to reread the word germane in the dictionary. This body is only as good as its rules and for me it would just be dishonest to vote that healthcare is germane to utilities. I support the rules committee in their finding and applaud them for their integrity. On the actual contents of the proposed amendment, I wish all of those who are currently advocating for indigent healthcare would have joined me this session
when I brought a bill to double the funding for Kansas Community Based Primary Care Clinics. But those expressing concern now were nowhere to be found on that bill. I also wish they were supportive when just a few weeks ago, on this Senate floor, I brought an amendment to move 16.5 million in uncommitted funds within the budget to the Kansas Community Based Primary Care Clinics that would have tripled their budget. But once again, they were nowhere to be found. Those funds would have been the perfect answer in this current crisis for direct care for the exact people they say they are interested in providing healthcare to. In regard to the reference to Medicaid Expansion I am committed to Protect the Promise that was made long ago to the Elderly, Handicapped, Pregnant Women and impoverished Children. My promise is to place this most vulnerable group at the front of any line for government subsidized Medicaid healthcare services.—KEVIN BRAUN

S Sub Sub HB 2018, AN ACT concerning telecommunications; relating to the video competition act; video service providers; provision of communications service; definitions; restricting cities and counties from imposing certain regulations and fees; amending K.S.A. 2019 Supp. 12-2022 and 12-2023 and repealing the existing sections.

On roll call, the vote was: Yeas 33; Nays 5; Present and Passing 2; Absent or Not Voting 0.

Nays: Bollier, Haley, Pettey, Skubal, Sykes.

Present and Passing: Doll, Francisco.

The substitute bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: I “PASS” on the vote on the Senate Substitute for Substitute for HB 2018. I had heard the contents of this bill as a member of the Senate Utilities Committee in the hearing on SB 380. The Committee made several amendments, but I understood that there was not yet agreement between members of the Kansas Cable Telecommunications Association (KCTA) and the League of Kansas Municipalities (LKM) and several cities they represent. I understood that discussion would be continuing in the House. The House Committee on Energy, Utilities, and Communications heard from the proponents on March 12th, however the hearing for the opponents scheduled for March 17th was cancelled. Since an agreement was not reached, I am not comfortable for voting for this bill without giving both sides the opportunity to testify in the House, and for the House Committee to make recommendations or meet in conference on this bill.—MARCI FRANCISCO

Senator Doll request the record to show he concurs with the "Explanation of Vote" offered by Senator Francisco on S Sub Sub HB 2018.

On motion of Senator Denning the Senate recess to the sound of the gavel.
The Senate met pursuant to recess with Vice President Longbine in the chair.

On page 1, by striking all in lines 7 through 36;
By striking all on pages 2 through 4;
On page 5, by striking all in lines 1 through 28; following line 28, by inserting:
"New Section 1. The provisions of sections 1 through 6, and amendments thereto, shall be known and may be cited as the Kansas taxpayer protection act.

New Sec. 2. As used in this act:

(a) "Paid tax return preparer" means any person who prepares or substantially prepares for compensation, or who employs one or more persons who prepare or substantially prepare for compensation, any income tax return or claim for refund, required to be filed pursuant to K.S.A. 79-3201 et seq., and amendments thereto.

(b) "Secretary" means secretary of the Kansas department of revenue.

New Sec. 3. (a) On and after January 1, 2021, any income tax return or claim for refund prepared or substantially prepared by a paid tax return preparer shall be signed by the paid tax return preparer and shall bear the paid tax return preparer's federal internal revenue service preparer tax identification number. Any paid tax return preparer who fails to sign the income tax return or claim for refund or who fails to provide the preparer's federal internal revenue service preparer tax identification number shall pay a civil penalty of $50 for each such failure to the Kansas department of revenue, unless it can be shown that the failure was due to reasonable cause and not willful or reckless conduct. The penalty imposed on any paid tax return preparer with respect to returns or claims for refund filed during any calendar year shall not exceed $25,000 per paid tax return preparer.

(b) The penalty shall be imposed pursuant to this section upon the written order of the secretary or the secretary's designee to the paid tax return preparer who committed
the violation. Such order shall state the violation, the penalty to be imposed and the right of the paid tax return preparer to appeal the order. Such order shall be subject to appeal and review in the manner provided by the Kansas administrative procedure act.

(c) Any penalty collected pursuant to this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state general fund.

New Sec. 4. (a) The secretary or the secretary's designee is hereby authorized to enjoin any person from engaging in conduct described in subsection (b) or from further action as a paid tax return preparer under the provisions of the Kansas taxpayer protection act who is found to be in violation of this act. The secretary or the secretary's designee shall be entitled in any proceeding brought for such purpose to have an order restraining such person from engaging in conduct in violation of the provisions of this act. No bond shall be required for any such restraining order or for any temporary or permanent injunction issued in such proceedings. The secretary may commence suit in a court of competent jurisdiction to enjoin any paid tax return preparer from further engaging in any conduct described in subsection (b) or from further action as a paid tax return preparer in this state. The secretary may request the assistance of the attorney general or the attorney general's duly authorized designee to enforce provisions of this section.

(b) In an action pursuant to subsection (a), the court may enjoin the paid tax return preparer from further engaging in any conduct described in this subsection, if the court finds that injunctive relief is appropriate to prevent the occurrence of such conduct. The court may issue an injunction when the paid tax return preparer has engaged in any of the following conduct:

1) Prepared any income tax return or claim for refund that includes an understatement of a taxpayer's liability due to an unreasonable position. As used in this subsection, "unreasonable position" means the same as defined by section 6694(a)(2) of the federal internal revenue code;

2) prepared any income tax return or claim for refund that includes an understatement of a taxpayer's liability due to the paid tax return preparer's willful or reckless conduct. As used in this subsection, "willful or reckless conduct" means the same as defined by section 6694(b)(2) of the federal internal revenue code;

3) where required, failed to do any of the following:
   A) Furnish a copy of the income tax return or claim for refund;
   B) sign the income tax return or claim for refund;
   C) furnish an identifying number;
   D) retain a copy of the income tax return or claim for refund; or
   E) be diligent in determining eligibility for tax benefits;

4) negotiated a check issued to the taxpayer by the department of revenue without the permission of the taxpayer;

5) engaged in any conduct subject to any criminal penalty provided for in chapter 79 of the Kansas Statutes Annotated, and amendments thereto;

6) misrepresented the paid tax return preparer's eligibility to practice before the department of revenue or otherwise misrepresented the paid tax return preparer's experience or education;

7) guaranteed the payment of any income tax refund or the allowance of any
income tax credit; or

(8) engaged in any other fraudulent or deceptive conduct that substantially interferes with the proper administration of the tax laws of the state of Kansas.

c) If the court finds that a paid tax return preparer has continually or repeatedly engaged in any conduct described in subsection (b) and that an injunction prohibiting the conduct would not be sufficient to prevent the person's interference with the proper administration of the tax laws of the state of Kansas, the court may enjoin the person from acting as a paid tax return preparer in the state of Kansas. The fact that the person has been enjoined from preparing tax returns or claims for refund for the United States or any other state in the five years preceding the petition for an injunction shall establish a prima facie case for an injunction to be issued pursuant to this section. For purposes of this subsection, "state" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands or any territory or insular possession subject to the jurisdiction of the United States.

d) The secretary or the secretary's designee shall annually report a summary of the secretary's enjoinder actions on the department of revenue's website.

New Sec. 5. (a) Preparation or substantial preparation of any income tax return or claim for refund filed pursuant to K.S.A. 79-3201 et seq., and amendments thereto, by a paid tax return preparer, whether or not a resident or citizen of this state, thereby submits the preparer to the jurisdiction of the courts of this state as to any cause of action arising from the provisions of this act.

(b) Every action pursuant to this act shall be brought in the district court of Shawnee county.

c) In lieu of initiating or continuing an action or proceeding, the secretary or the secretary's designee may accept a consent judgment with respect to any act or practice declared to be a violation of this act. A consent judgment shall provide for the discontinuance by the paid tax return preparer entering the same of any act or practice declared to be a violation of this act. Any consent judgment entered into pursuant to this section shall not be deemed to admit the violation, unless it does so by its terms. Before any consent judgment entered into pursuant to this section shall be effective, it shall be approved by the district court and an entry made in the manner required for making an entry of judgment. Once such approval is received, any breach of the conditions of such consent judgment shall be treated as a violation of a court order and shall be subject to all the penalties provided by law.

New Sec. 6. The secretary may adopt rules and regulations necessary to carry out the provisions of the Kansas taxpayer protection act.

Sec. 7. K.S.A. 79-1110 is hereby amended to read as follows: 79-1110. (a) Every national banking association, bank, trust company, and savings and loan association subject to taxation under this act shall make its return and pay the tax imposed to the director of taxation on or before the 15th day of the fourth month following the close of its federal taxable year, in the same manner, except for computing the net income subject to tax, as corporations are required to make their returns and pay their taxes under the Kansas income tax act. Every such national banking association, bank, trust company and savings and loan association shall be subject to other provisions of the Kansas income tax act applicable to other corporations and shall be subject to the penalties imposed on corporations by K.S.A. 79-3222, 79-3228 and 79-3234 insofar as the same can be made applicable.
(b) With respect to tax year 2019, the deadline for filing returns shall be extended to July 15, 2020, for returns with original due dates of April 15, 2020, through July 15, 2020. With respect to tax year 2019, no penalty or interest authorized pursuant to K.S.A. 79-3228, and amendments thereto, shall be imposed if such tax liability is paid on or before July 15, 2020.

Sec. 8. K.S.A. 79-3221 is hereby amended to read as follows: 79-3221. (a) All returns required by this act shall be made as nearly as practical in the same form as the corresponding form of income tax return by the United States. Unless another identifying number has been assigned to an individual by the internal revenue service for purposes of filing such individual's federal income tax return, the social security number issued to an individual, the individual's spouse, and all dependents of such individual for purposes of section 205 (c)(2)(A) of the social security act shall be used as the identifying number and included on the return when filing such return.

(b) All returns shall be filed in the office of the director of taxation on or before the 15th day of the fourth month following the close of the taxable year, except as provided in subsection (c) hereof. Tentative returns may be filed before the close of the taxable year and the estimated tax computed on such return, paid, but no interest will be paid on any overpayment of tax liability, computed on such tentative return.

(c)(1) The director of taxation may grant a reasonable extension of time for filing returns in accordance with rules and regulations of the secretary of revenue. Whenever any such extension of time to file is requested by a taxpayer and granted by the director with respect to any tax year commencing after December 31, 1992, no penalty authorized by K.S.A. 79-3228, and amendments thereto, shall be imposed if 90% of the liability is paid on or before the original due date.

(2) With respect to tax year 2019, the deadline for filing returns shall be extended to July 15, 2020, for returns with original due dates of April 15, 2020, through July 15, 2020. With respect to tax year 2019, no penalty or interest authorized pursuant to K.S.A. 79-3228, and amendments thereto, shall be imposed if such tax liability is paid on or before July 15, 2020.

(d) In the case of an individual serving in the armed forces of the United States, or serving in support of such armed forces, in an area designated by the president of the United States by executive order as a "combat zone" as defined under 26 U.S.C. § 112 at any time during the period designated by the president by executive order as the period of combatant activities in such zone for the purposes of such section, or hospitalized as a result of injury received or sickness incurred while serving in such an area during such time, the period of service in such area, plus the period of continuous qualified hospitalization attributable to such injury or sickness, and the next 180 days thereafter, shall be disregarded in determining, under article 32 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, in respect to any tax liability, including any interest, penalty, additional amount, or addition to the tax, of such individual:

(1) Whether any of the following acts was performed within the time prescribed therefor: (A) Filing any return of income tax; (B) payment of any income tax or installment thereof; (C) filing a notice of appeal with the director of taxation or the state board of tax appeals for redetermination of a deficiency or for a review of a decision rendered by either the director or the state board of tax appeals; (D) allowance of a credit or refund of any income tax; (E) filing a claim for credit or refund of any income
tax; (F) bringing suit upon any such claim for credit or refund; (G) assessment of any income tax; (H) giving or making any notice or demand for the payment of any income tax, or with respect to any liability to the state of Kansas in respect of any income tax; (I) collection, by the director of taxation or the director's agent, by warrant, levy or otherwise, of the amount of any liability in respect to any income tax; (J) bringing suit by the state of Kansas, or any officer on its behalf, in respect to any liability in respect of any income tax; and (K) any other act required or permitted under the Kansas income tax act specified in rules and regulations adopted by the secretary of revenue under this section;
(2) the amount of any credit or refund.
(e) (1) Subsection (d) shall not apply for purposes of determining the amount of interest on any overpayment of tax.
(2) If an individual is entitled to the benefits of subsection (d) with respect to any return and such return is timely filed, determined after the application of subsections (d), (e)(5) and (e)(7) of K.S.A. 79-32,105(d), (e)(5) and (e)(7), and amendments thereto, shall not apply.
(f) The provisions of subsections (d) through (j) shall apply to the spouse of any individual entitled to the benefits of subsection (d). Except in the case of the combat zone designated for purposes of the Vietnam conflict, this subsection shall not cause subsections (d) through (j) to apply for any spouse for any taxable year beginning more than two years after the date designated under 26 U.S.C. § 112, and amendments thereto, as the date of termination of combatant activities in a combat zone.
(g) The period of service in the area referred to in subsection (d) shall include the period during which an individual entitled to benefits under subsection (d) is in a missing status, within the meaning of 26 U.S.C. § 6013(f)(3).
(h) (1) Notwithstanding the provisions of subsection (d), any action or proceeding authorized by K.S.A. 79-3229, and amendments thereto, as well as any other action or proceeding authorized by law in connection therewith, may be taken, begun or prosecuted. In any other case in which the secretary determines that collection of the amount of any assessment would be jeopardized by delay, the provisions of subsection (d) shall not operate to stay collection of such amount by levy or otherwise as authorized by law. There shall be excluded from any amount assessed or collected pursuant to this subsection the amount of interest, penalty, additional amount, and addition to the tax, if any, in respect of the period disregarded under subsection (d). In any case to which this subsection relates, if the secretary is required to give any notice to or make any demand upon any person, such requirement shall be deemed to be satisfied if the notice or demand is prepared and signed, in any case in which the address of such person last known to the secretary is in an area for which United States post offices under instructions of the postmaster general are not, by reason of the combatant activities, accepting mail for delivery at the time the notice or demand is signed. In such case the notice or demand shall be deemed to have been given or made upon the date it is signed.
(2) The assessment or collection of any tax under the provisions of article 32 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or any action or proceeding by or on behalf of the state in connection therewith, may be made, taken, begun or prosecuted in accordance with law, without regard to the provisions of subsection (d), unless prior to such assessment, collection, action or proceeding it is
ascertained that the person concerned is entitled to the benefits of subsection (d).

(i) (1) Any individual who performed Desert Shield services, and the spouse of such individual, shall be entitled to the benefits of subsections (d) through (j) in the same manner as if such services were services referred to in subsection (d).

(2) For purposes of this subsection, the term "Desert Shield services" means any services in the armed forces of the United States or in support of such armed forces if:

(A) Such services are performed in the area designated by the president as the "Persian Gulf Desert Shield area"; and

(B) such services are performed during the period beginning on August 2, 1990, and ending on the date on which any portion of the area referred to in subsection (i)(2)(A) is designated by the president as a combat zone pursuant to 26 U.S.C. § 112.

(j) For purposes of subsection (d), the term "qualified hospitalization" means:

(1) Any hospitalization outside the United States; and

(2) any hospitalization inside the United States, except that not more than five years of hospitalization may be taken into account under this subsection. This subsection shall not apply for purposes of applying subsections (d) through (j) with respect to the spouse of an individual entitled to the benefits of subsection (d).

Sec. 9. K.S.A. 79-3225 is hereby amended to read as follows: 79-3225. (a) All taxes imposed under the provisions of the "Kansas income tax act" shall be paid on the 15th day of the fourth month following the close of the taxable year, except with respect to tax year 2019, such taxes shall be paid on or before July 15, 2020, if the return was due on or before July 15, 2020. When the tax as shown to be due on a return is less than $5, such tax shall be canceled and no payment need be remitted by the taxpayer.

(b) The director of taxation may extend the time for payment of the tax, or any installment thereof, for a reasonable period of time not to exceed six months from the date fixed for payment thereof. Such extension may exceed six months in the case of a taxpayer who is abroad. Interest shall be charged at the rate prescribed by K.S.A. 79-2968(a) and amendments thereto for the period of such extension.

New Sec. 10. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) The governing body shall publish notice of its proposed intent to exceed the revenue neutral rate on the website of the governing body, if the governing body maintains a website, at least 10 days in advance of the public hearing. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July 15, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate. The county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the
notice to the taxpayer by electronic means at least 10 days in advance of the public
hearing, if such taxpayer and county clerk have consented in writing to service by
electronic means. Costs associated with the notice shall be borne by the taxing
subdivision with payment due to the county clerk by December 31. The county clerk
shall consolidate the required information for all taxing subdivisions relevant to the
taxpayer's property on one notice. The notice shall include, but not be limited to:

(A) The revenue neutral rate;
(B) the proposed property tax revenue needed to fund the proposed budget;
(C) the proposed tax rate based upon the proposed budget and the current year's
total assessed valuation;
(D) the tax rate and property tax of the taxing subdivision on the taxpayer's
property from the previous year's tax statement;
(E) the proposed percent change in the tax rate between the previous year's tax rate
and the proposed tax rate for the current year;
(F) the appraised value and assessed value of the taxpayer's property for the current
year;
(G) the estimates of the tax for the current tax year on the taxpayer's property based
on the revenue neutral rate and the proposed tax rate; and
(H) the date, time and location of the public hearing.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held
on or before September 10. The governing body shall provide interested taxpayers
desiring to be heard an opportunity to present oral testimony within reasonable time
limits and without unreasonable restriction on the number of individuals allowed to
make public comment. The public hearing may be conducted in conjunction with the
proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the
governing body otherwise complies with all requirements of this section.

(4) A majority vote of the governing body, by the adoption of a resolution or
ordinance to approve exceeding the revenue neutral rate, shall be required prior to
adoption of a proposed budget that will result in a tax rate in excess of the revenue
neutral rate. Such vote of the governing body shall be conducted at the public hearing
after the governing body has heard from interested taxpayers.

(c) Any governing body subject to the provisions of this section that does not
comply with subsection (b) shall refund to taxpayers any property taxes over-collected
based on the amount of the levy that was in excess of the revenue neutral rate. The
provisions of this subsection shall not be construed as prohibiting any other remedies
available under the law.

(d) The provisions of this section shall not apply to school districts organized and
operating under the laws of this state.

(e) If the governing body of a taxing subdivision must conduct a public hearing to
approve exceeding the revenue neutral rate under this section, the governing body of the
taxing subdivision shall certify, on or before September 20, to the proper county clerk
the amount of ad valorem tax to be levied.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an
ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would
generate the same property tax revenue as levied the previous tax year using the current
MAY 21, 2020 1783

tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) The provisions of this section shall take effect and be in force from and after January 1, 2021.

New Sec. 11. (a) Notwithstanding any provision of law to the contrary, no interest shall accrue on any unpaid property tax for tax year 2019 pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, from May 10, 2020, through August 10, 2020, nor shall the unpaid tax for tax year 2019 be considered delinquent during this period.

(b) With respect to any unpaid property tax for tax year 2019 due pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, the county shall waive any fees, expenses and costs relating to delinquent property tax collection procedures that the county charged to the taxpayer prior to August 11, 2020.

(c) The county may refund, credit or retain any interest, fees, expenses or costs collected prior to the effective date of this act if the total amount collected is equal to or less than $25 for each delinquent property.

Sec. 12. K.S.A. 79-1460 is hereby amended to read as follows: 79-1460. (a) The county appraiser shall notify each taxpayer in the county annually on or before March 1 for real property and May 1 for personal property, by mail directed to the taxpayer's last known address, of the classification and appraised valuation of the taxpayer's property, except that, the valuation for all real property shall not be increased unless the record of the latest physical inspection was reviewed by the county or district appraiser, and documentation exists to support such increase in valuation in compliance with the directives and specifications of the director of property valuation, and such record and documentation is available to the affected taxpayer. The valuation for all real property also shall not be increased solely as the result of normal repair, replacement or maintenance of existing structures, equipment or improvements on the property. For purposes of this section, "normal repair, replacement or maintenance" does not include new construction as defined in this section. For the next two taxable years following the taxable year that the valuation for commercial real property has been reduced due to a final determination made pursuant to the valuation appeals process, the county appraiser shall review the computer-assisted mass-appraisal of the property and if the valuation in either of those two years exceeds the value of the previous year by more than 5%, excluding new construction, change in use or change in classification, the county appraiser shall either: (1) Adjust the valuation of the property based on the information provided in the previous appeal; or (2) order an independent fee simple appraisal of the property to be performed by a Kansas certified real property appraiser. As used in this section, "new construction" means the construction of any new structure or improvements or the remodeling or renovation of any existing structures or improvements on real property. When the valuation for real property has been reduced due to a final determination made pursuant to the valuation appeals process for the prior year, and the county appraiser has already certified the appraisal rolls for the current year to the county clerk pursuant to K.S.A. 79-1466, and amendments thereto, the county appraiser may amend the appraisal rolls and certify the changes to the county clerk to implement the provisions of this subsection and reduce the valuation of the real
property to the prior year's final determination, except that such changes shall not be made after October 31 of the current year. For the purposes of this section and in the case of real property, the term "taxpayer" shall be deemed to be the person in ownership of the property as indicated on the records of the office of register of deeds or county clerk and, in the case where the real property or improvement thereon is the subject of a lease agreement, such term shall also be deemed to include the lessee of such property if the lease agreement has been recorded or filed in the office of the register of deeds. Such notice shall specify separately both the previous and current appraised and assessed values for each property class identified on the parcel. Such notice shall also contain the uniform parcel identification number prescribed by the director of property valuation. Such notice shall also contain a statement of the taxpayer's right to appeal, the procedure to be followed in making such appeal and the availability without charge of the guide devised pursuant to subsection (b). Such notice may, and if the board of county commissioners so require, shall provide the parcel identification number, address and the sale date and amount of any or all sales utilized in the determination of appraised value of residential real property. In any year in which no change in appraised valuation of any real property from its appraised valuation in the next preceding year is determined, an alternative form of notification which has been approved by the director of property valuation may be utilized by a county. Failure to timely mail or receive such notice shall in no way invalidate the classification or appraised valuation as changed. The secretary of revenue shall adopt rules and regulations necessary to implement the provisions of this section.

Sec. 13. K.S.A. 79-1801 is hereby amended to read as follows: 79-1801. (a) Except as provided by subsection (b), each year the governing body of any city, the trustees of any township, the board of education of any school district and the governing bodies of all other taxing subdivisions shall certify, on or before August 25, to the proper county clerk the amount of ad valorem tax to be levied. Thereupon, the county clerk shall place the tax upon the tax roll of the county, in the manner prescribed by law, and the tax shall be collected by the county treasurer. The county treasurer shall distribute the proceeds of the taxes levied by each taxing subdivision in the manner provided by K.S.A. 12-1678a, and amendments thereto.

Sec. 24. K.S.A. 2019 Supp. 44-702 is hereby amended to read as follows: 44-702.
As a guide to the interpretation and application of this act, the public policy of this state is declared to be as follows: Economic insecurity, due to unemployment, is a serious menace to health, morals, and welfare of the people of this state. Involuntary unemployment is therefore a subject of general interest and concern which requires appropriate action by the legislature to prevent its spread and to lighten its burden which now so often falls with crushing force upon the unemployed worker and such worker's family. The achievement of social security requires protection against this greatest hazard of our economic life. This can be provided by encouraging employers to provide more stable employment and by the systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment, thus maintaining purchasing power and limiting the serious social consequences of poor-relief assistance. The legislature, therefore, declares that in its considered judgment the public good and the general welfare of the citizens of this state require the enactment of this measure, under the police powers of the state, for the compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed. The state of Kansas is committed to maintaining and strengthening access to the unemployment compensation system, including through initial and continuing claims. All persons and employers are entitled to a neutral interpretation of the employment security law.

Sec. 25. K.S.A. 2019 Supp. 44-705, as amended by section 2 of 2020 Senate Bill No. 27, is hereby amended to read as follows: 44-705. (b) The claimant has made a claim for benefits with respect to such week in accordance with rules and regulations adopted by the secretary.

(c) The claimant is able to perform the duties of such claimant's customary occupation or the duties of other occupations that the claimant is reasonably fitted by training or experience, and is available for work, as demonstrated by the claimant's pursuit of the full course of action most reasonably calculated to result in the claimant's reemployment except that, notwithstanding any other provisions of this section, an unemployed claimant otherwise eligible for benefits shall not become ineligible for benefits: (1) Because of the claimant's enrollment in and satisfactory pursuit of approved training, including training approved under section 236(a)(1) of the trade act of 1974; or (2) solely because such individual is seeking only part-time employment if the individual is available for a number of hours per week that are comparable to the individual's part-time work experience in the base period; or (3) because a claimant is not actively seeking work: (i) During a state of disaster emergency proclaimed by the governor pursuant to K.S.A. 48-924 and 48-925, and amendments thereto; (ii) in response to the spread of the public health emergency of COVID-19; and (iii) the state's temporary waiver of the work search requirement under the employment security law for such claimant is in compliance with the families first coronavirus response act, public law 116-127.
For the purposes of this subsection, an inmate of a custodial or correctional institution shall be deemed to be unavailable for work and not eligible to receive unemployment compensation while incarcerated.

No week shall be counted as a week of unemployment for the purposes of this subsection:

(A) If benefits have been paid for such week;

(B) if the individual fails to meet with the other eligibility requirements of this section; or

(C) if an individual is seeking unemployment benefits under the unemployment compensation law of any other state or of the United States, except that if the appropriate agency of such state or of the United States finally determines that the claimant is not entitled to unemployment benefits under such other law, this subparagraph shall not apply.

(2) (A) The waiting week requirement of paragraph (1) shall not apply to:

(i) New claims by claimants who become unemployed as a result of an employer terminating business operations within this state, declaring bankruptcy or initiating a work force reduction pursuant to public law 100-379, the federal worker adjustment and retraining notification act, 29 U.S.C. §§ 2101 through 2109, as amended; or

(ii) new claims filed on or after April 5, 2020, through December 26, 2020, in accordance with the families first coronavirus response act, public law 116-127 and the federal CARES act, public law 116-136.

(B) The secretary shall adopt rules and regulations to administer the provisions of this paragraph.

This paragraph shall not apply to initial claims effective on and after April 1, 2021.

(e) For benefit years established on and after the effective date of this act, the claimant has been paid total wages for insured work in the claimant's base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's base period, except that the wage credits of an individual earned during the period commencing with the end of a prior base period and ending on the date that such individual filed a valid initial claim shall not be available for benefit purposes in a subsequent benefit year unless, in addition thereto, such individual has returned to work and subsequently earned wages for insured work in an amount equal to at least eight times the claimant's current weekly benefit amount.

(f) The claimant participates in reemployment services, such as job search assistance services, if the individual has been determined to be likely to exhaust regular benefits and needs reemployment services pursuant to a profiling system established by the secretary, unless the secretary determines that: (1) The individual has completed such services; or (2) there is justifiable cause for the claimant's failure to participate in
such services.

(g) The claimant is returning to work after a qualifying injury and has been paid total wages for insured work in the claimant's alternative base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's alternative base period if:

(1) The claimant has filed for benefits within four weeks of being released to return to work by a licensed and practicing health care provider;

(2) the claimant files for benefits within 24 months of the date the qualifying injury occurred; and

(3) the claimant attempted to return to work with the employer where the qualifying injury occurred, but the individual's regular work or comparable and suitable work was not available.

If the claim is determined to be valid, the examiner shall send a notice to the last employing unit who shall respond within 10 days by providing the examiner all requested information including all information required for a decision under K.S.A. 44-706, and amendments thereto. The information may be submitted by the employing unit in person at an employment office of the secretary or by mail, by telefacsimile machine or by electronic mail. If the required information is not submitted or postmarked within a response time limit of 10 days after the examiner's notice was sent, the employing unit shall be deemed to have waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the employment security board of review or any court, except that the employing unit's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. In any case in which the payment or denial of benefits will be determined by the provisions of K.S.A. 44-706(d), and amendments thereto, the examiner shall promptly transmit the claim to a special examiner designated by the secretary to make a determination on the claim after the investigation as the special examiner deems necessary. The parties shall be promptly notified of the special examiner's decision and any party aggrieved by the decision may appeal to the referee as provided in subsection (c). The claimant and the claimant's most recent employing unit shall be promptly notified of the examiner's or special examiner's decision.

promptly notify the claimant and the most recent employing unit of the claimant, that the
decision of the examiner is to be reconsidered, except that no reconsideration shall be made after the termination of the benefit year.

(3) Notwithstanding the provisions of any other statute, a decision of an examiner or special examiner shall be final unless the claimant or the most recent employing unit of the claimant files an appeal from the decision as provided in subsection (c), except that the time limit for appeal may be waived or extended by the referee or board of review if a timely response was impossible due to excusable neglect. The appeal must be filed within 16 calendar days after the mailing of notice to the last known addresses of the claimant and employing unit or, if notice is not by mail, within 16 calendar days after the delivery of the notice to the parties.

(c) Appeals. Unless the appeal is withdrawn, a referee, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the findings of fact and decision of the examiner or special examiner. The parties shall be duly notified of the referee's decision, together with the reasons for the decision. The decision shall be final, notwithstanding the provisions of any other statute, unless a further appeal to the employment security board of review is filed within 16 calendar days after the mailing of the decision to the parties' last known addresses or, if notice is not by mail, within 16 calendar days after the delivery of the decision, except that the time limit for appeal may be waived or extended by the referee or board of review if a timely response was impossible due to excusable neglect.

(d) Referees. The secretary shall appoint, in accordance with K.S.A. 44-714(c), and amendments thereto, one or more referees to hear and decide disputed claims.

(e) Time, computation and extension. In computing the period of time for an employing unit response or for appeals under this section from the examiner's or the special examiner's determination or from the referee's decision, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday.

(f) Board of review. (1) There is hereby created an employment security board of review, hereinafter referred to as the board, consisting of three members. Each member of the board shall be appointed for a term of four years as provided in this subsection. Not more than two members of the board shall belong to the same political party.

(2) When a vacancy on the employment security board of review occurs, the workers compensation and employment security boards nominating committee established under K.S.A. 44-551, and amendments thereto, shall convene and submit a nominee to the governor for appointment to each vacancy on the employment security board of review, subject to confirmation by the senate as provided by K.S.A. 75-4315b, and amendments thereto. The governor shall either: (A) Accept and submit to the senate for confirmation the person nominated by the nominating committee; or (B) reject the nomination and request the nominating committee to nominate another person for that position. Except as provided by K.S.A. 46-2601, and amendments thereto, no person appointed to the employment security board of review, whose appointment is subject to confirmation by the senate, shall exercise any power, duty or function as a member until confirmed by the senate.

(3) No member of the employment security board of review shall serve more than
two consecutive terms.

(4) Each member of the employment security board shall serve until a successor has been appointed and confirmed. Any vacancy in the membership of the board occurring prior to expiration of a term shall be filled by appointment for the unexpired term in the same manner as provided for original appointment of the member.

(5) Each member of the employment security board of review shall be entitled to receive as compensation for the member's services at the rate of $15,000 per year, together with the member's travel and other necessary expenses actually incurred in the performance of the member's official duties in accordance with rules and regulations adopted by the secretary. Members' compensation and expenses shall be paid from the employment security administration fund.

(6) The employment security board of review shall organize annually by the election of a chairperson from among its members. The chairperson shall serve in that capacity for a term of one year and until a successor is elected. The board shall meet on the first Monday of each month or on the call of the chairperson or any two members of the board at the place designated. The secretary of labor shall appoint an executive secretary of the board and the executive secretary shall attend the meetings of the board.

(7) The employment security board of review, on its own motion, may affirm, modify or set aside any decision of a referee on the basis of the evidence previously submitted in the case; may direct the taking of additional evidence; or may permit any of the parties to initiate further appeal before it. The board shall permit such further appeal by any of the parties interested in a decision of a referee which overrules or modifies the decision of an examiner. The board may remove to itself the proceedings on any claim pending before a referee. Any proceedings so removed to the board shall be heard in accordance with the requirements of subsection (c). The board shall promptly notify the interested parties of its findings and decision.

(8) Two members of the employment security board of review shall constitute a quorum and no action of the board shall be valid unless it has the concurrence of at least two members. A vacancy on the board shall not impair the right of a quorum to exercise all the rights and perform all the duties of the board.

(g) Procedure. The manner in which disputed claims are presented, the reports on claims required from the claimant and from employers and the conduct of hearings and appeals shall be in accordance with rules of procedure prescribed by the employment security board of review for determining the rights of the parties, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings and decisions in connection with a disputed claim. All testimony at any hearing upon a disputed claim shall be recorded, but need not be transcribed unless the disputed claim is further appealed. In the performance of its official duties, the board shall have access to all of the records which pertain to the disputed claim and are in the custody of the secretary of labor and shall receive the assistance of the secretary upon request.

(h) Witness fees. Witnesses subpoenaed pursuant to this section shall be allowed fees and necessary travel expenses at rates fixed by the board. Such fees and expenses shall be deemed a part of the expense of administering this act.

(i) Review of board action. Any action of the employment security board of review may not be reconsidered after the mailing of the decision. An action of the board shall become final unless a petition for review in accordance with the Kansas judicial review
act is filed within 16 calendar days after the date of the mailing of the decision. If an appeal has not been filed within 16 calendar days of the date of the mailing of the decision, the decision becomes final. No bond shall be required for commencing an action for such review. In addition to those persons having standing pursuant to K.S.A. 77-611, and amendments thereto, the examiner shall have standing to obtain judicial review of an action of such board. The review proceeding, and the questions of law certified, shall be heard in a summary manner and shall be given precedence over all other civil cases except cases arising under the workers compensation act.

(j) Any finding of fact or law, judgment, determination, conclusion or final order made by the employment security board of review or any examiner, special examiner, referee or other person with authority to make findings of fact or law pursuant to the employment security law is not admissible or binding in any separate or subsequent action or proceeding, between a person and a present or previous employer brought before an arbitrator, court or judge of the state or the United States, regardless of whether the prior action was between the same or related parties or involved the same facts.

(k) In any proceeding or hearing conducted under this section, a party to the proceeding or hearing may appear before a referee or the employment security board of review either personally or by means of a designated representative to present evidence and to state the position of the party. Hearings may be conducted in person, by telephone or other means of electronic communication. The hearing shall be conducted by telephone or other means of electronic communication if none of the parties requests an in-person hearing. If only one party requests an in-person hearing, the referee shall have the discretion of requiring all parties to appear in person or allow the party not requesting an in-person hearing to appear by telephone or other means of electronic communication. The notice of hearing shall include notice to the parties of their right to request an in-person hearing and instructions on how to make the request.

Sec. 27. K.S.A. 2019 Supp. 44-710 is hereby amended to read as follows: 44-710.

(a) Payment. Contributions shall accrue and become payable by each contributing employer for each calendar year in which the contributing employer is subject to the employment security law with respect to wages paid for employment. Such contributions shall become due and be paid by each contributing employer to the secretary for the employment security fund in accordance with such rules and regulations as the secretary may adopt and shall not be deducted, in whole or in part, from the wages of individuals in such employer's employ. In the payment of any contributions, a fractional part of $.01 shall be disregarded unless it amounts to $.005 or more, in which case it shall be increased to $.01. Should contributions for any calendar quarter be less than $5, no payment shall be required.

(b) Rates and base of contributions. (1) Except as provided in paragraph (2) of this subsection, each contributing employer shall pay contributions on wages paid by the contributing employer during each calendar year with respect to employment as provided in K.S.A. 44-710a, and amendments thereto. Except that, notwithstanding the federal law requiring the secretary of labor to annually recalculate the contribution rate, for calendar years 2010, 2011, 2012, 2013 and 2014, the secretary shall charge each contributing employer in rate groups 1 through 32 the contribution rate in the 2010 original tax rate computation table, with contributing employers in rate groups 33 through 51 being capped at a 5.4% contribution rate. For calendar year 2021,
unemployment tax rates for eligible employers shall be limited to the standard rate schedule in K.S.A. 44-710a, and amendments thereto. Therefore, no additional solvency adjustment shall be applied.

(2) (A) If the congress of the United States either amends or repeals the Wagner-Peyser act, the federal unemployment tax act, the federal social security act, or subtitle C of chapter 23 of the federal internal revenue code of 1986, or any act or acts supplemental to or in lieu thereof, or any part or parts of any such law, or if any such law, or any part or parts thereof, are held invalid with the effect that appropriations of funds by congress and grants thereof to the state of Kansas for the payment of costs of administration of the employment security law are no longer available for such purposes; or (B) if employers in Kansas subject to the payment of tax under the federal unemployment tax act are granted full credit against such tax for contributions or taxes paid to the secretary of labor, then, and in either such case, beginning with the year in which that the unavailability of federal appropriations and grants for such purpose occurs or in which that such change in liability for payment of such federal tax occurs and for each year thereafter, the rate of contributions of each contributing employer shall be equal to the total of 0.5% and the rate of contributions as determined for such contributing employer under K.S.A. 44-710a, and amendments thereto. The amount of contributions which that each contributing employer becomes liable to pay under this paragraph (2) over the amount of contributions which that such contributing employer would be otherwise liable to pay shall be credited to the employment security administration fund to be disbursed and paid out under the same conditions and for the same purposes as other moneys are authorized to be paid from the employment security administration fund, except that, if the secretary determines that as of the first day of January of any year there is an excess in the employment security administration fund over the amount required to be disbursed during such year, an amount equal to such excess as determined by the secretary shall be transferred to the employment security fund.

(c) Charging of benefit payments. (1) The secretary shall maintain a separate account for each contributing employer, and shall credit the contributing employer's account with all the contributions paid on the contributing employer's own behalf. Nothing in the employment security law shall be construed to grant any employer or individuals in such employer's service prior claims or rights to the amounts paid by such employer into the employment security fund either on such employer's own behalf or on behalf of such individuals. Benefits paid shall be charged against the accounts of each base period employer in the proportion that the base period wages paid to an eligible individual by each such employer bears to the total wages in the base period. Benefits shall be charged to contributing employers' accounts and rated governmental employers' accounts upon the basis of benefits paid during each twelve-month period ending on the computation date.

(2) (A) Benefits paid in benefit years established by valid new claims shall not be charged to the account of a contributing employer or rated governmental employer who is a base period employer if the examiner finds that claimant was separated from the claimant's most recent employment with such employer under any of the following conditions: (i) Discharged for misconduct or gross misconduct connected with the individual's work; or (ii) leaving work voluntarily without good cause attributable to the claimant's work or the employer; or (iii) discharged from an employer directly impacted
by COVID-19 in accordance with the families first coronavirus response act, public law 116-127.

(B) Where base period wage credits of a contributing employer or rated governmental employer represent part-time employment and the claimant continues in that part-time employment with that employer during the period for which benefits are paid, then that employer's account shall not be charged with any part of the benefits paid if the employer provides the secretary with information as required by rules and regulations. For the purposes of this subsection (c)(2)(B), "part-time employment" means any employment when an individual works less than full-time because the individual's services are not required for the customary, scheduled full-time hours prevailing at the work place or the individual does not customarily work the regularly scheduled full-time hours due to personal choice or circumstances.

(C) No contributing employer or rated governmental employer's account shall be charged with any extended benefits paid in accordance with the employment security law, except for weeks of unemployment beginning after December 31, 1978, all contributing governmental employers and governmental rated employers shall be charged an amount equal to all extended benefits paid.

(D) No contributing employer, rated governmental employer or reimbursing employer's account shall be charged for any additional benefits paid during the period July 1, 2003 through June 30, 2004.

(E) No contributing employer or rated governmental employer's account will be charged for benefits paid a claimant while pursuing an approved training course as defined in subsection (s) of K.S.A. 44-703(s), and amendments thereto.

(F) No contributing employer or rated governmental employer's account shall be charged with respect to the benefits paid to any individual whose base period wages include wages for services not covered by the employment security law prior to January 1, 1978, to the extent that the employment security fund is reimbursed for such benefits pursuant to section 121 of public law 94-566 (90 Stat. 2673).

(G) With respect to weeks of unemployment beginning after December 31, 1977, wages for insured work shall include wages paid for previously uncovered services. For the purposes of this subsection (c)(2)(G), the term "previously uncovered services" means services which were not covered employment, at any time during the one-year period ending December 31, 1975, except to the extent that assistance under title II of the federal emergency jobs and unemployment assistance act of 1974 was paid on the basis of such services, and which that:

   (i) Are agricultural labor as defined in subsection (w) of K.S.A. 44-703(w), and amendments thereto, or domestic service as defined in subsection (aa) of K.S.A. 44-703(aa), and amendments thereto;

   (ii) are services performed by an employee of this state or a political subdivision thereof, as provided in subsection (i)(3)(E) of K.S.A. 44-703(i)(3)(E), and amendments thereto; or

   (iii) are services performed by an employee of a nonprofit educational institution which that is not an institution of higher education.

(H) No contributing employer or rated governmental employer's account shall be charged with respect to their pro rata share of benefit charges if such charges are of $100 or less.

(3) An employer's account shall not be relieved of charges relating to a payment
that was made erroneously if the secretary determines that:

(A) The erroneous payment was made because the employer, or the agent of the employer, was at fault for failing to respond timely or adequately to a written request from the secretary for information relating to the claim for unemployment compensation; and

(B) the employer or agent has established a pattern of failing to respond timely or adequately to requests for information.

(C) For purposes of this paragraph:

(i) "Erroneous payment" means a payment that but for the failure by the employer or the employer's agent with respect to the claim for unemployment compensation, would not have been made; and

(ii) "Pattern of failure" means repeated documented failure on the part of the employer or the agent of the employer to respond, taking into consideration the number of instances of failure in relation to the total volume of requests. An employer or employer's agent failing to respond as described in (c)(3)(A) shall not be determined to have engaged in a "pattern of failure" if the number of such failures during the year prior to such request is fewer than two, or less than 2%, of such requests, whichever is greater.

(D) Determinations of the secretary prohibiting the relief of charges pursuant to this section shall be subject to appeal or protest as other determinations of the agency with respect to the charging of employer accounts.

(E) This paragraph shall apply to erroneous payments established on and after the effective date of this act.

(4) The examiner shall notify any base period employer whose account will be charged with benefits paid following the filing of a valid new claim and a determination by the examiner based on all information relating to the claim contained in the records of the division of employment security. Such notice shall become final and benefits charged to the base period employer's account in accordance with the claim unless within 10 calendar days from the date the notice was sent, the base period employer requests in writing that the examiner reconsider the determination and furnishes any required information in accordance with the secretary's rules and regulations. In a similar manner, a notice of an additional claim followed by the first payment of benefits with respect to the benefit year, filed by an individual during a benefit year after a period in such year during which such individual was employed, shall be given to any base period employer of the individual who has requested such a notice within 10 calendar days from the date the notice of the valid new claim was sent to such base period employer. For purposes of this subsection (c)(3), if the required information is not submitted or postmarked within a response time limit of 10 days after the base period employer notice was sent, the base period employer shall be deemed to have waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the board of review or any court, except that the base period employer's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. The examiner shall notify the employer of the reconsidered determination, which shall be subject to appeal; or further reconsideration, in accordance with the provisions of K.S.A. 44-709, and amendments thereto.
(5) Time, computation and extension. In computing the period of time for a base period employer response or appeals under this section from the examiner's or the special examiner's determination or from the referee's decision, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday.

(d) Pooled fund. All contributions and payments in lieu of contributions and benefit cost payments to the employment security fund shall be pooled and available to pay benefits to any individual entitled thereto under the employment security law, regardless of the source of such contributions or payments in lieu of contributions or benefit cost payments.

(e) Election to become reimbursing employer; payment in lieu of contributions. (1) Any governmental entity, Indian tribes or tribal units, (subdivisions, subsidiaries or business enterprises wholly owned by such Indian tribes), for which services are performed as described in subsection (i)(3)(E) of K.S.A. 44-703(i)(3)(E), and amendments thereto, or any nonprofit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986 which is exempt from income tax under section 501(a) of such code, that becomes subject to the employment security law may elect to become a reimbursing employer under this subsection (e)(1) and agree to pay the secretary for the employment security fund an amount equal to the amount of regular benefits and ½ of the extended benefits paid that are attributable to service in the employ of such reimbursing employer, except that each reimbursing governmental employer, Indian tribes or tribal units shall pay an amount equal to the amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, for governmental employers and December 21, 2000, for Indian tribes or tribal units to individuals for weeks of unemployment which begin during the effective period of such election.

(A) Any employer identified in this subsection (e)(1) may elect to become a reimbursing employer for a period encompassing not less than four complete calendar years if such employer files with the secretary a written notice of such election within the 30-day period immediately following January 1 of any calendar year or within the 30-day period immediately following the date on which a determination of subjectivity to the employment security law is issued, whichever occurs later.

(B) Any employer which makes an election to become a reimbursing employer in accordance with subparagraph (A) of this subsection (e)(1) will continue to be liable for payments in lieu of contributions until such employer files with the secretary a written notice terminating its election not later than 30 days prior to the beginning of the calendar year for which such termination shall first be effective.

(C) Any employer identified in this subsection (e)(1) which has remained a contributing employer and has been paying contributions under the employment security law for a period subsequent to January 1, 1972, may change to a reimbursing employer by filing with the secretary not later than 30 days prior to the beginning of any calendar year a written notice of election to become a reimbursing employer. Such election shall not be terminable by the employer for four complete calendar years.

(D) The secretary may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be
retroactive but not any earlier than with respect to benefits paid after January 1 of the year such election is received.  

(E) The secretary, in accordance with such rules and regulations as the secretary may adopt, shall notify each employer identified in subsection (e)(1) of any determination which the secretary may make of its status as an employer and of the effective date of any election which it makes to become a reimbursing employer and of any termination of such election. Such determinations shall be subject to reconsideration, appeal and review in accordance with the provisions of K.S.A. 44-710b, and amendments thereto.  

(2) Reimbursement reports and payments. Payments in lieu of contributions shall be made in accordance with the provisions of paragraph subparagraph (A) of this subsection (e)(2) by all reimbursing employers except the state of Kansas. Each reimbursing employer shall report total wages paid during each calendar quarter by filing quarterly wage reports with the secretary which shall be filed by the last day of the month following the close of each calendar quarter. Wage reports are deemed filed as of the date they are placed in the United States mail.  

(A) At the end of each calendar quarter, or at the end of any other period as determined by the secretary, the secretary shall bill each reimbursing employer, except the state of Kansas: (i) An amount to be paid which is equal to the full amount of regular benefits plus ½ of the amount of extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such reimbursing employer; and (ii) for weeks of unemployment beginning after December 31, 1978, each reimbursing governmental employer and December 21, 2000, for Indian tribes or tribal units shall be certified an amount to be paid which is equal to the full amount of regular benefits and extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such reimbursing governmental employer.  

(B) Payment of any bill rendered under paragraph subparagraph (A) of this subsection (e)(2) shall be made not later than 30 days after such bill was mailed to the last known address of the reimbursing employer, or otherwise was delivered to such reimbursing employer, unless there has been an application for review and redetermination in accordance with paragraph subparagraph (D) of this subsection (e) (2).  

(C) Payments made by any reimbursing employer under the provisions of this subsection (e)(2) shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of such employer.  

(D) The amount due specified in any bill from the secretary shall be conclusive on the reimbursing employer, unless, not later than 15 days after the bill was mailed to the last known address of such employer, or was otherwise delivered to such employer, the reimbursing employer files an application for redetermination in accordance with K.S.A. 44-710b, and amendments thereto.  

(E) Past due payments of amounts certified by the secretary under this section shall be subject to the same interest, penalties and actions required by K.S.A. 44-717, and amendments thereto. (1) If any nonprofit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986 or governmental reimbursing employer is delinquent in making payments of amounts certified by the secretary under this section, the secretary may terminate such
employer's election to make payments in lieu of contributions as of the beginning of the next calendar year and such termination shall be effective for such next calendar year and the calendar year thereafter so that the termination is effective for two complete calendar years. (2) Failure of the Indian tribe or tribal unit to make required payments, including assessment of interest and penalty within 90 days of receipt of the bill will cause the Indian tribe to lose the option to make payments in lieu of contributions as described pursuant to paragraph (e)(1) for the following tax year unless payment in full is received before contribution rates for the next tax year are calculated. (3) Any Indian tribe that loses the option to make payments in lieu of contributions due to late payment or nonpayment, as described in paragraph (2), shall have such option reinstated, if after a period of one year, all contributions have been made on time and no contributions, payments in lieu of contributions for benefits paid, penalties or interest remain outstanding.

(F) Failure of the Indian tribe or any tribal unit thereof to make required payments, including assessments of interest and penalties, after all collection activities deemed necessary by the secretary have been exhausted, will cause services performed by such tribe to not be treated as employment for purposes of subsection (i)(3)(E) of K.S.A. 44-703(j)(3)(E), and amendments thereto. If an Indian tribe fails to make payments required under this section, including assessments of interest and penalties, within 90 days of a final notice of delinquency, the secretary shall immediately notify the United States internal revenue service and the United States department of labor. The secretary may determine that any Indian tribe that loses coverage pursuant to this paragraph may have services performed on behalf of such tribe again deemed "employment" if all contributions, payments in lieu of contributions, penalties and interest have been paid.

(G) In the discretion of the secretary, any employer who elects to become liable for payments in lieu of contributions and any nonprofit organization or group of nonprofit organizations described in section 501 (c)(3) of the federal internal revenue code of 1986 or governmental reimbursing employer or Indian tribe or tribal unit who is delinquent in filing reports or in making payments of amounts certified by the secretary under this section shall be required within 60 days after the effective date of such election, in the case of an eligible employer so electing, or after the date of notification to the delinquent employer under this subsection (e)(2)(G), in the case of a delinquent employer, to execute and file with the secretary a surety bond, except that the employer may elect, in lieu of a surety bond, to deposit with the secretary money or securities as approved by the secretary or to purchase and deliver to an escrow agent a certificate of deposit to guarantee payment. The amount of the bond, deposit or escrow agreement required by this subsection (e)(2)(G) shall not exceed 5.4% of the organization's taxable wages paid for employment by the eligible employer during the four calendar quarters immediately preceding the effective date of the election or the date of notification, in the case of a delinquent employer. If the employer did not pay wages in each of such four calendar quarters, the amount of the bond or deposit shall be as determined by the secretary. Upon the failure of an employer to comply with this subsection (e)(2)(G) within the time limits imposed or to maintain the required bond or deposit, the secretary may terminate the election of such eligible employer or delinquent employer, as the case may be, to make payments in lieu of contributions, and such termination shall be effective for the current and next calendar year.

(H) The state of Kansas shall make reimbursement payments quarterly at a fiscal
year rate—which that shall be based upon: (i) The available balance in the state's reimbursing account as of December 31 of each calendar year; (ii) the historical unemployment experience of all covered state agencies during prior years; (iii) the estimate of total covered wages to be paid during the ensuing calendar year; (iv) the applicable fiscal year rate of the claims processing and auditing fee under K.S.A. 75-3798, and amendments thereto; and (v) actuarial and other information furnished to the secretary by the secretary of administration. In accordance with K.S.A. 75-3798, and amendments thereto, the claims processing and auditing fees charged to state agencies shall be deducted from the amounts collected for the reimbursement payments under this paragraph (H) prior to making the quarterly reimbursement payments for the state of Kansas. The fiscal year rate shall be expressed as a percentage of covered total wages and shall be the same for all covered state agencies. The fiscal year rate for each fiscal year will be certified in writing by the secretary to the secretary of administration on July 15 of each year and such certified rate shall become effective on the July 1 immediately following the date of certification. A detailed listing of benefit charges applicable to the state's reimbursing account shall be furnished quarterly by the secretary to the secretary of administration and the total amount of charges deducted from previous reimbursing payments made by the state. On January 1 of each year, if it is determined that benefit charges exceed the amount of prior reimbursing payments, an upward adjustment shall be made therefor in the fiscal year rate which will to be certified on the ensuing July 15. If total payments exceed benefit charges, all or part of the excess may be refunded, at the discretion of the secretary, from the fund or retained in the fund as part of the payments which that may be required for the next fiscal year.

(3) Allocation of benefit costs. The reimbursing account of each reimbursing employer shall be charged the full amount of regular benefits and ½ of the amount of extended benefits paid except that each reimbursing governmental employer's account shall be charged the full amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, to individuals whose entire base period wage credits are from such employer. When benefits received by an individual are based upon base period wage credits from more than one employer then the reimbursing employer's or reimbursing governmental employer's account shall be charged in the same ratio as base period wages credits from such employer bear to the individual's total base period wage credits. Notwithstanding any other provision of the employment security law, no reimbursing employer's or reimbursing governmental employer's account shall be charged for payments of extended benefits which that are wholly reimbursed to the state by the federal government. Payments of unemployment compensation that are wholly reimbursed to the reimbursing employer by the federal government shall be charged for the purpose of such reimbursement under the federal CARES act, public law 116-136.

(A) Proportionate allocation (when fewer than all reimbursing base period employers are liable). If benefits paid to an individual are based on wages paid by one or more reimbursing employers and on wages paid by one or more contributing employers or rated governmental employers, the amount of benefits payable by each reimbursing employer shall be an amount—which that bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bears to the total base period wages paid to the individual by all of such individual's base period employers.
(B) Proportionate allocation (when all base period employers are reimbursing employers). If benefits paid to an individual are based on wages paid by two or more reimbursing employers, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of such individual's base period employers.

(4) Group accounts. Two or more reimbursing employers may file a joint application to the secretary for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employment of such reimbursing employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this subsection (e)(4). Upon approval of the application, the secretary shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the secretary receives the application and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than four years and thereafter such account shall remain in effect until terminated at the discretion of the secretary or upon application by the group. Upon establishment of the account, each member of the group shall be liable for payments in lieu of contributions with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by such member in such quarter bear to the total wages paid during such quarter for service performed in the employ of all members of the group. The secretary shall adopt such rules and regulations as the secretary deems necessary with respect to applications for establishment, maintenance and termination of group accounts that are authorized by this subsection (e)(4), for addition of new members to, and withdrawal of active members from such accounts, and for the determination of the amounts that are payable under this subsection (e)(4) by members of the group and the time and manner of such payments.

Sec. 28. K.S.A. 2019 Supp. 44-757 is hereby amended to read as follows: 44-757. Shared work unemployment compensation program. (a) As used in this section:

(1) "Affected unit" means a specified department, shift or other unit of two or more employees that is designated by an employer to participate in a shared work plan.

(2) "Fringe benefit" means health insurance, a retirement benefit received under a pension plan, a paid vacation day, a paid holiday, sick leave, and any other analogous employee benefit that is provided by an employer.

(3) "Fund" has the meaning ascribed thereto by K.S.A. 44-703(k), and amendments thereto.

(4) "Normal weekly hours of work" means the lesser of 40 hours or the average obtained by dividing the total number of hours worked per week during the preceding twelve-week period by the number 12.

(5) "Participating employee" means an employee who works a reduced number of hours under a shared work plan.

(6) "Participating employer" means an employer who has a shared work plan in effect.

(7) "Secretary" means the secretary of labor or the secretary's designee.
"Shared work benefit" means an unemployment compensation benefit that is payable to an individual in an affected unit because the individual works reduced hours under an approved shared work plan.

"Shared work plan" means a program for reducing unemployment under which employees who are members of an affected unit share the work remaining after a reduction in their normal weekly hours of work.

"Shared work unemployment compensation program" means a program designed to reduce unemployment and stabilize the work force by allowing certain employees to collect unemployment compensation benefits if the employees share the work remaining after a reduction in the total number of hours of work and a corresponding reduction in wages.

(b) The secretary shall establish a voluntary shared work unemployment compensation program as provided by this section. The secretary may adopt rules and regulations and establish procedures necessary to administer the shared work unemployment compensation program.

c) An employer who wishes to participate in the shared work unemployment compensation program must submit a written shared work plan to the secretary for the secretary's approval. As a condition for approval, a participating employer must agree to furnish the secretary with reports relating to the operation of the shared work plan as requested by the secretary. The employer shall monitor and evaluate the operation of the established shared work plan as requested by the secretary and shall report the findings to the secretary.

d) The secretary may approve a shared work plan if:

1) The shared work plan applies to and identifies a specific affected unit;

2) the employees in the affected unit are identified by name and social security number;

3) the shared work plan reduces the normal weekly hours of work for an employee, including regular part-time employees, in the affected unit by not less than 20% and not more than 40%;

4) the shared work plan applies to at least 10% of the employees in the affected unit;

5) the shared work plan describes the manner in which that the participating employer treats the fringe benefits of each employee in the affected unit and the employer certifies that if the employer provides health benefits and retirement benefits under a defined benefit plan, as defined in 26 U.S.C. § 414(j), or contributions under a defined contribution plan, as defined in 26 U.S.C. § 414(i), to any employee whose workweek is reduced under the program that such benefits will continue to be provided to employees participating in the shared work compensation program under the same terms and conditions as though the workweek of such employee had not been reduced or to the same extent as other employees not participating in the shared work program;

6) the employer certifies that the implementation of a shared work plan and the resulting reduction in work hours is in lieu of layoffs that would affect at least 10% of the employees in the affected unit and that would result in an equivalent reduction in work hours;

7) the employer has filed all reports required to be filed under the employment security law for all past and current periods and has paid all contributions, benefit cost payments, or if a reimbursing employer has made all payments in lieu of contributions
due for all past and current periods;

(8) (A) a contributing employer must be eligible for a rate computation under K.S.A. 44-710(a)(2), and amendments thereto, and is not a negative account employer as defined by K.S.A. 44-710(a), and amendments thereto, and the contributing employer, as determined by the secretary, does not adversely impact the state's eligibility under section 2108 of the federal CARES act, public law 116-136; (B) a rated governmental employer must be eligible for a rate computation under K.S.A. 44-710d(g), and amendments thereto;

(9) eligible employees may participate, as appropriate, in training, including without limitation, employer-sponsored training or worker training funded under the workforce investment act of 1998, to enhance job skills if such program has been approved by the state of Kansas;

(10) the employer includes a plan for giving advance notice, where feasible, to an employee whose workweek is to be reduced together with an estimate of the number of layoffs that would have occurred absent the ability to participate in shared work compensation and such other information as the secretary of labor determines is appropriate; and

(11) the terms of the employer's written plan and implementation are consistent with employer obligations under applicable federal and Kansas laws.

(e) If any of the employees who participate in a shared work plan under this section are covered by a collective bargaining agreement, the shared work plan must be approved in writing by the collective bargaining agent.

(f) A shared work plan may not be implemented to subsidize seasonal employers during the off-season.

(g) The secretary shall approve or deny a shared work plan no later than the 30th day after the day the shared work plan is received by the secretary. The secretary shall approve or deny a shared work plan in writing. If the secretary denies a shared work plan, the secretary shall notify the employer of the reasons for the denial.

(h) A shared work plan is effective on the date it is approved by the secretary, except for good cause a shared work plan may be effective at any time within a period of 14 days prior to the date such plan is approved by the secretary. The shared work plan expires on the last day of the 12th full calendar month after the effective date of the shared work plan.

(i) An employer may modify a shared work plan created under this section to meet changed conditions if the modification conforms to the basic provisions of the shared work plan as approved by the secretary. The employer must report the changes made to the shared work plan in writing to the secretary before implementing the changes. If the original shared work plan is substantially modified, the secretary shall reevaluate the shared work plan and may approve the modified shared work plan if it meets the requirements for approval under subsection (d). The approval of a modified shared work plan does not affect the expiration date originally set for that shared work plan. If substantial modifications cause the shared work plan to fail to meet the requirements for approval, the secretary shall deny approval to the modifications as provided by subsection (g).

(j) Notwithstanding any other provisions of the employment security law, an individual is unemployed and is eligible for shared work benefits in any week in which the individual, as an employee in an affected unit, works for less than the individual's
normal weekly hours of work in accordance with an approved shared work plan in
effect for that week. The secretary may not deny shared work benefits for any week to
an otherwise eligible individual by reason of the application of any provision of the
employment security law that relates to availability for work, active search for work or
refusal to apply for or accept work with an employer other than the participating
employer.

(k) An individual is eligible to receive shared work benefits with respect to any
week in which the secretary finds that:

1. The individual is employed as a member of an affected unit subject to a shared
   work plan that was approved before the week in question and is in effect for that week;

2. the individual is able to work and is available for additional hours of work or
   full-time work with the participating employer;

3. the individual's normal weekly hours of work have been reduced by at least
   20% but not more than 40%, with a corresponding reduction in wages; and

4. the individual's normal weekly hours of work and wages have been reduced as
   described in subsection (k)(3) for a waiting period of one week which occurs within
   the period the shared work plan is in effect, which period includes the week for which
   the individual is claiming shared work benefits.

(l) The secretary shall pay an individual who is eligible for shared work benefits
under this section a weekly shared work benefit amount equal to the individual's regular
weekly benefit amount for a period of total unemployment multiplied by the nearest full
percentage of reduction of the individual's hours as set forth in the employer's shared
work plan. If the shared benefit amount is not a multiple of $1, the secretary shall
reduce the amount to the next lowest multiple of $1. All shared work benefits under this
section shall be payable from the fund.

(m) An individual may not receive shared work benefits and regular unemployment
compensation benefits in an amount that exceeds the maximum total amount of benefits
payable to that individual in a benefit year as provided by K.S.A. 44-704(g), and
amendments thereto.

(n) An individual who has received all of the shared work benefits and regular
unemployment compensation benefits available in a benefit year is an exhaustee under
K.S.A. 44-704a and 44-704b, and amendments thereto, and is entitled to receive
extended benefits under such statutes if the individual is otherwise eligible under such
statutes.

(o) The secretary may terminate a shared work plan for good cause if the secretary
determines that the shared work plan is not being executed according to the terms and
intent of the shared work unemployment compensation program.

(p) Notwithstanding any other provisions of this section, an individual shall not be
eligible to receive shared work benefits for more than 26 calendar weeks during the 12-
month period of the shared work plan, except that two weeks of additional benefits shall
be payable to claimants who exhaust regular benefits and any benefits under any other
federal or state extended benefits program during the period July 1, 2003 through June
30, 2004. No week shall be counted as a week for which an individual is eligible for
shared work benefits for the purposes of this section unless the week occurs within the
12-month period of the shared work plan.

(q) No shared work benefit payment shall be made under any shared work plan or
this section for any week which commences before April 1, 1989.
(r) This section shall be construed as part of the employment security law.

(c) In the event of the absence of the governor from the state or the existence of any constitutional disability of the governor, an officer specified in K.S.A. 48-1204, and amendments thereto, in the order of succession provided by that section, may issue a proclamation declaring a state of disaster emergency in the manner provided in and subject to the provisions of subsection (a). During a state of disaster emergency declared pursuant to this subsection, such officer may exercise the powers conferred upon the governor by K.S.A. 48-925, and amendments thereto. If a preceding officer in the order of succession becomes able and available, the authority of the officer exercising such powers shall terminate and such powers shall be conferred upon the preceding officer. Upon the return of the governor to the state or the removal of any constitutional disability of the governor, the authority of an officer to exercise the powers conferred by this section shall terminate immediately and the governor shall resume the full powers of the office. Any state of disaster emergency and any actions taken by an officer under this subsection shall continue and shall have full force and effect as authorized by law unless modified or terminated by the governor in the manner prescribed by law.

Within 24 hours of the issuance of any such order, the governor shall call a meeting of the state finance council for the purposes of reviewing such order. Such orders and proclamations shall be null and void thereafter unless ratified by concurrent resolution of the legislature after the period of a state of disaster emergency has ended. (d) No interjurisdictional disaster agency or any official thereof may declare a local disaster emergency, unless expressly authorized by the agreement pursuant to which the agency functions. However, an interjurisdictional disaster agency shall provide aid and services in accordance with the agreement pursuant to which it functions in the case of a state of local disaster emergency declared under subsection (a).

EXPLANATION OF VOTE

Madam President: Lobbyists for big industry negotiated out a provision known as
‘premise protection’ in the liability section of this bill. Negotiating premise protection
out favors large corporations over small businesses. The Senate position was to have
premise protection in to help small businesses recover and survive the COVID-19
pandemic. For that reason, I vote no. – Jim Denning
