State of Kansas
KANSAS CONSTITUTIONAL PROVISIONS CONCERNING
LEGISLATIVE POWERS

Article 2.—LEGISLATIVE

§ 1. Legislative power.—The legislative power of this state shall be vested in a house of representatives and senate.

§ 2. Senators and representatives.—The number of representatives and senators shall be regulated by law, but shall not exceed one hundred twenty-five representatives and forty senators. Representatives and senators shall be elected from single-member districts prescribed by law. Representatives shall be elected for two year terms. Senators shall be elected for four year terms. The terms of representatives and senators shall commence on the second Monday of January of the year following election.

§ 3. Compensation of members of legislature.—The members of the legislature shall receive such compensation as may be provided by law or such compensation as is determined according to law.

§ 4. Qualifications of members.—During the time that any person is a candidate for nomination or election to the legislature and during the term of each legislator, such candidate or legislator shall be and remain a qualified elector who resides in his or her district.

§ 5. Eligibility and disqualification of members.—No member of congress and no civil officer or employee of the United States or of any department, agency, or instrumentality thereof shall be eligible to be a member of the legislature. Any member of the legislature who accepts any appointment or election contrary to the foregoing shall be disqualified as a member of the legislature.

§ 6. This section was eliminated by the 1974 revision of this article.

§ 7. This section was eliminated by the 1974 revision of this article.

§ 8. Organization and sessions.—The legislature shall meet in regular session annually commencing on the second Monday in January, and all sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over the house of representatives. A majority of the members than elected (or appointed) and qualified of the house of representatives or the senate shall constitute a quorum of that house. Neither house, without the consent of the other, shall adjourn for more than two days, Sunday excepted.
Each house shall elect its presiding officer and determine the rules of its proceedings, except that the two houses may adopt joint rules on certain matters and provide for the manner of change thereof. Each house shall provide for the expulsion or censure of members in appropriate cases.

Each house shall be the judge of elections, returns and qualifications of its own members.

§ 9. Vacancies in legislature.—All vacancies occurring in either house shall be filled as provided by law.

§ 10. Journals.—Each house shall publish a journal of its proceedings. The affirmative and negative votes upon the final passage of every bill and every concurrent resolution for amendment of this constitution or ratification of an amendment to the Constitution of the United States shall be entered in the journal. Any member of either house may make written protest against any act or resolution, and the same shall be entered in the journal without delay or alteration.

§ 11. This section was eliminated by the 1974 revision of this article.

§ 12. Origination by either house.—Bills and concurrent resolutions may originate in either house, but may be amended or rejected by the other.

§ 13. Majority for passage of bills.—A majority of the members then elected (or appointed) and qualified of each house, voting in the affirmative, shall be necessary to pass any bill. Two-thirds (2/3) of the members then elected (or appointed) and qualified in each house, voting in the affirmative, shall be necessary to ratify any amendment to the Constitution of the United States or to make any application for congress to call a convention for proposing amendments to the Constitution of the United States.

§ 14. Approval of bills; vetoes.—(a) Within ten days after passage, every bill shall be signed by the presiding officers and presented to the governor. If the governor approves a bill, he shall sign it. If the governor does not approve a bill, the governor shall veto it by returning the bill, with a veto message of the objections, to the house of origin of the bill. Whenever a veto message is so received, the message shall be entered in the journal and in not more than thirty calendar days (excluding the day received), the house of origin shall reconsider the bill. If two-thirds of the members then elected (or appointed) and qualified shall vote to pass the bill, it shall be sent, with the veto message, to the other house, which shall in not more than thirty calendar days (excluding the day received) also reconsider the bill, and if approved by two-thirds of the members then elected (or appointed) and qualified, it shall become a law, notwithstanding the governor’s veto.

If any bill shall not be returned within ten calendar days (excluding the day presented) after it shall have been presented to the governor, it shall become a law in like manner as if it had been signed by the governor.

(b) If any bill presented to the governor contains several items of appropriation of money, one or more of such items may be disapproved by the governor while the other portion of the bill is approved by the governor. In case the governor does so disapprove, a veto message of the governor stating the item or items disapproved, and the reasons therefor, shall be appended to the bill at the time it is signed, and the bill shall be
returned with the veto message to the house of origin of the bill. Whenever a veto message is so received, the message shall be entered in the journal and, in not more than thirty calendar days, the house of origin shall reconsider the items of the bill which have been disapproved. If two-thirds of the members then elected (or appointed) and qualified shall vote to approve any item disapproved by the governor, the bill, with the veto message, shall be sent to the other house, which shall in not more than thirty calendar days also reconsider each such item so approved by the house of origin, and if approved by two-thirds of all the members then elected (or appointed) and qualified, any such item shall take effect and become a part of the bill.

§ 15. Requirements before bill passed.—No bill shall be passed on the day that it is introduced, unless in case of emergency declared by two-thirds of the members present in the house where a bill is pending.

§ 16. Subject and title of bills; amendment or revival of statutes.—No bill shall contain more than one subject, except appropriation bills and bills for revision or codification of statutes. The subject of each bill shall be expressed in its title. No law shall be revived or amended, unless the new act contain the entire act revived or the section or sections amended, and the section or sections so amended shall be repealed. The provisions of this section shall be liberally construed to effectuate the acts of the legislature.

§ 17. Uniform operation of laws of a general nature.—All laws of a general nature shall have a uniform operation throughout the state: Provided, The legislature may designate areas in counties that have become urban in character as “urban areas” and enact special laws giving to any one or more of such counties or urban areas such powers of local government and consolidation of local government as the legislature may deem proper.

§ 18. Election or appointment of officers; filling vacancies.—The legislature may provide for the election or appointment of all officers and the filling of all vacancies not otherwise provided for in this constitution.

§ 19. Publication of acts.—No act shall take effect until the enacting bill is published as provided by law.

§ 20. Enacting clause of bills; laws enacted only by bill.—The enacting clause of all bills shall be “Be it enacted by the Legislature of the State of Kansas:”. No law shall be enacted except by bill.

§ 21. Delegation of powers’ of local legislation and administration.—The legislature may confer powers of local legislation and administration upon political subdivisions.

§ 22. Legislative immunity.—For any speech, written document or debate in either house, the members shall not be questioned elsewhere. No member of the legislature shall be subject to arrest—except for treason, felony or breach of the peace—in going to, or returning from, the place of meeting, or during the continuance of the session; neither shall he be subject to the service of any civil process during the session, nor for fifteen days previous to its commencement.

At the conclusion of each legislative session, copies of all committee minutes shall be filed with the Director of Legislative Administrative Services.

Rule 10. Vote in Senate Committee. At the time of taking any action upon any bill or resolution, any member of a committee may demand a division of the vote and the chairperson shall be required to record the number of votes for and against the action as a part of the minutes.

A motion to place an adversely reported bill (or resolution) under the order of business General Orders on the Calendar shall be made when the bill (or resolution) is upon the Calendar and shall be made when Introduction of Original Motions and Senate Resolutions is in order, and that motion shall then lie over until the next legislative day when the order of business Consideration of Motions and Senate Resolutions is reached, but if such motion is defeated once it shall not be renewed. If an adversely reported bill or resolution has been previously referred separately under Rule 32 (authorizing the reference of the same bill or resolution to two or more standing committees), then the motion shall be to return the adversely reported bill (or resolution) with the committee report attached to the next committee to which it was referred. If the motion to place the bill (or resolution) on the Calendar under the order of business General Orders or to return the bill (or resolution) shall prevail, then the words "Adversely Reported" shall be printed in a line underneath the title of the bill or resolution, and to prevail such motion shall require an affirmative vote of 24 members of the Senate.

The Senator, who is requesting to be excused from voting, shall state the reasons for the request, occupying not more than five minutes. Such statements shall be made either immediately before or immediately after the vote is called but before the result is announced. The question on excusing any Senator from voting shall be taken without debate and a majority of those voting shall be necessary to excuse the Senator. If a Senator refuses to vote, when not excused, such refusal shall constitute contempt and the President shall, in such case, order the offending Senator before the bar of the Senate and all privileges of membership shall be refused such Senator until the contempt is corrected as determined by vote of the Senate.

**Rule 20. When Not Permitted to Vote.** No Senator shall be allowed to vote unless the Senator is seated in the Senator's assigned seat within the Senate chamber when the vote is taken.

**Rule 21. Filling Certain Vacancies.** (a) When a vacancy occurs in the office of President and the Legislature is adjourned to a date more than 60 days after the occurrence of the vacancy, the Senate shall meet within 30 days and elect a member to fill the vacancy. The Vice President shall within 10 days of such occurrence issue a call for the meeting at a time not less than 10 days and not more than 20 days after the date of the call.
(b) When a vacancy occurs in the office of Vice President or Majority Leader of the Senate, and the Legislature is adjourned to a date more than 30 days after the occurrence of the vacancy, the President shall appoint an acting Vice President or acting Majority Leader to serve until the convening of the next session of the Legislature, at which time the vacancy shall be filled as though the acting interim appointment had not been made.

(c) When a vacancy occurs in the office of Minority Leader of the Senate and the Legislature is adjourned to a date more than 30 days after the occurrence of the vacancy, the assistant minority leader shall become the acting minority leader to serve until the convening of the next session of the Legislature, at which time the vacancy shall be filled as though the acting minority leader had not so served.

(d) It is the intention of this rule that any person elected, appointed or designated to serve in accordance herewith to fill a vacancy shall exercise all of the duties and powers of the office so filled.

Rule 22. Party Affiliation – Change. (b) The proportion of Senators from major political parties on each standing committee originally determined under Rule 7 (providing for proportional representation of members of political parties upon standing committees) shall not be altered. The Committee on Organization, Calendar and Rules shall fill each standing committee member position vacated by such Senator by appointing a Senator of the political party from which such Senator changed.

(b) A request for division of question shall be in writing specifying the manner in which the question is to be divided.

(c) The rejection of a motion to strike out and insert one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

Rule 28. Reconsideration of Pending Matters. When a question has been once put and decided it shall be in order for any Senator who voted with the prevailing side to move for a reconsideration thereof, but no motion for reconsideration of any vote shall be in order after the bill, resolution, message, report, amendment or motion, upon which the vote was taken, shall have gone out of the possession of the Senate, nor shall any motion for reconsideration be in order unless made on the same day on which the vote was taken or the next legislative day. No question shall be reconsidered more than once.

If such previous notice is not given, the affirmative vote of \(\frac{2}{3}\) of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president, and (2) either (a) a copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint rule 2. Joint sessions. (a) Joint session called by concurrent resolution; vote required; time, place and subject matter. A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint
Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) **Presiding officer at joint sessions; record of joint session; rules applicable.** The speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) **Votes in joint session; taking; requirements.** All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

**Joint rule 3. Conference committee procedure.** (a) **Action by house of origin of bill or concurrent resolution amended by other house.** When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) **Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur.** The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) **Motion to nonconcur; when considered final action; effect of adoption of motion.** A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and
the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of origin refusal to concur or nonconcur; request for conference; procedure. When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not fewer than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted
upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of \( \frac{2}{3} \) of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) **Signatures required on conference committee reports.** All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) **Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report.** The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) **Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee.** If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent res-
olution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year. Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

(i) Bills introduced in odd-numbered years after deadlines; effect. Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next succeeding regular session held in an even-numbered year.

(j) Modification of schedule of deadlines for introduction and consideration of bills; procedure. In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

In accordance with the provisions of the Constitution of the State of Kansas and by the virtue of her office as President of the Senate, President Susan Wagle declared the 2020 Senate to be in session.

President Wagle welcomed Reverend Cecil T. Washington, who will again serve as the Senate Chaplain. Reverend Washington delivered the invocation:

Gracious Father and God of all mercies, once again, we thank You for Your faithfulness. We thank You for the summer break, for safe travel and for a new opportunity to serve.

Lord, what we need as we begin this new session, in this new year and in this new decade, is a new fresh awareness of Your presence. You said in Lamentations 3:22-23, that Your love and mercies are new every day; as fresh as the morning and as sure as the sunrise. So Lord, let all that we do in this new season of serving be a reflection of Your precious renewed guidance. Now, having faith in Your unfailing support, I thank You in the Name of Jesus for how You’re going to bless this new session. Amen and Amen

The Pledge of Allegiance was led by President Wagle.

President Wagle introduced Heidi Farnsworth, who will serve as Reading Clerk for the 2020 Session.

The roll was called with 39 senators present.

Senator Suellentrop was excused.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, in the Book of Beginnings, the Book of Genesis, You reveal that in the beginning everything was dark; that darkness was pervasive. Yet all You needed to do was speak. And at Your command in Genesis 1:3, light became persistent and overcame the darkness. 
Today Lord, we’re in another beginning. We're beginning a new round of serving. 
Yet the problem we face, is that darkness will still try to invade some of our thoughts. As we look to our duties on the job, our commitments at home and the concerns over our loved ones, clouds of doubt try to darken our thoughts. We struggle with questions of uncertainty. 
So, Lord remind us that You haven’t changed, You still speak and the light comes on. When You speak, we’ll begin to see ways where there was no way. We’ll see doors where there was no door. We’ll see bridges over troubled waters. 
And all that it’s going to take is for You to speak. So Lord, as we enter this new season, we await Your command, that there be light in this place! 
I come to You in the precious light of Jesus’ Name. Amen

The Pledge of Allegiance was led by Vice President Longbine.

The Senate was called to order by Vice President Jeff Longbine.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, You blessed us with a world changer on January 15, 1929. Before
his life on this earth was ended at the age of 39, You inspired him with a selfless
determination to make our world a better place.

Lord, the wisdom that You gave Dr. Martin Luther King, Jr. is still needed today.
There is still significant room for improvement. They killed Your man but no one can
kill Your plan. Your Word says in Hebrews 13, 1 and 6, to love one another without
partiality and be hospitable. You said remember those in prison, as if we were in prison
with them and remember those who are mistreated, as if we were being mistreated.

Lord, You inspired Dr. King to be a man of the Scriptures and it appears that he put
verse 6 into practice where it says, “the Lord is my helper; I will not fear what man can
do to me.”

He was quoted as saying “Human progress is neither automatic nor inevitable. And
every step toward the goal of justice requires sacrifice, suffering and struggle. It calls
for the tireless, passionate concern of dedicated individuals.”

You gave Dr. King a dream; to have a more loving and compassionate society, with
less hate and prejudice. Inspire us Lord to chase that same dream.

And Lord, when the question comes to us about the proper time to push for change,
give us the same answer You gave Dr. King when he said “The time is always right to
do what is right.”

God, I thank You for his legacy of love and selfless sacrifice.
In the Name of Jesus, Who loved us to death. Amen and Amen

The Pledge of Allegiance was led by Vice President Longbine.

COMMUNICATIONS FROM STATE OFFICERS

The following report was submitted to the Senate and is on file with the Secretary of the Senate:

Kansas Board of EMS: Annual Report on Fines Imposed and Investigative Subpoenas Issued by the Board (January 14, 2020)

On motion of Senator Denning, the Senate adjourned until 2:30 p.m., Thursday, January 16, 2020.
The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, You’ve called us in spite of our differences to be in community, to
be in fellowship with one another. We’re fellows in the same ship.
Please bless us to be in each other’s thoughts. And even more so, to be in each other’s
hearts. But Lord, one of the most important, and one of the best places to be, is in each
other’s prayers.
For when we pray for one another, You enable us to receive and to experience a small
degree of the compassion You have for each one of us.
In 2 Corinthians 1:11, You inspired the Apostle Paul, to not only appreciate the help
coming directly from You, but also the help coming through the prayers of others.
Many people will be thankful for the service we render, grateful for the things we do.
But much of that gratitude will be due to the many prayers of others.
So Lord, thank You for the privilege we have in praying for each other. Now help us
to take a moment and do it daily.
And Lord, help us to not pray more for the issues…than we do for each other!
I offer this prayer in the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by President Wagle.

POINT OF PERSONAL PRIVILEGE

Senator Faust-Goudeau rose on a point of personal privilege to offer the following
remarks:
Madame President, today is the 55th Anniversary of the Piatt Street plane crash. Let
us remember those who parished.
On January 16, 1965, a U.S Air Force Boeing KC-135 Stratotanker crashed in the
central United States, in a neighborhood in Wichita, Kansas, near McConnell Air Force
Base. This resulted in the deaths of all seven crew members on board the aircraft and an
additional twenty-three people on the ground.
This accident is the deadliest aviation disaster to occur in Kansas. It is also the
second deadliest aircraft accident in the United States involving victims on the ground,
after the Green Ramp disaster in 1994 which killed 24 people on the ground.

Proclamation by the Governor.
TO THE PEOPLE OF KANSAS, GREETINGS:

WHEREAS, The Reverend Dr. Martin Luther King, Jr. was born on January 15, 1929, and lived his life promoting peace, freedom, equality and justice for all through non-violent means, becoming one of the outstanding civil rights leaders of our time; and

WHEREAS, On August 28, 1963, standing on the steps of the Lincoln Memorial in Washington D.C., Dr. King triumphantly declared, “I have a dream that one day this nation will rise up and live out the true meaning of its creed: ‘We hold these truths to be self-evident: that all men are created equal. I have a dream that my four children will one day live in a nation where they will not be judged by the color of their skin, but by the content of their character’;” and

WHEREAS, Dr. King’s dream of a world free from prejudice and injustice has remained fixed in the collective consciousness of all Americans well beyond his tragic death on April 4, 1968; and

WHEREAS, We recognize the lasting truth of his works and his legacy, and we renew our commitment to the principles of justice, equality, opportunity and optimism that Dr. King espoused and exemplified;

NOW, THEREFORE, I, Laura Kelly, GOVERNOR OF THE STATE OF KANSAS, do hereby proclaim January 20th, 2020 as

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: The bill of rights of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

"§ 22. Regulation of abortion. Because Kansans value both women and children, the constitution of the state of Kansas does not require government funding of abortion and does not create or secure a right to abortion. To the extent permitted by the constitution of the United States, the people, through their elected state representatives and state senators, may pass laws regarding abortion, including, but not limited to, in circumstances of pregnancy resulting from rape or incest, or when necessary to save the life of the mother."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The Value Them Both Amendment would reserve to the people of Kansas, through their elected state legislators, the right to pass laws to regulate abortion because there is no Kansas constitutional right to abortion or to require the government funding of abortion.

"A vote for the Value Them Both Amendment would reserve to the people of Kansas, through their elected state legislators, the right to pass laws to regulate abortion because there is no Kansas constitutional right to abortion or to require the government funding of abortion.

"A vote against the Value Them Both Amendment would make no
changes to the constitution of the state of Kansas and could prevent the people, through their elected state legislators, from regulating abortion in many circumstances. It would leave in place the newly discovered right to abortion first recognized in 2019."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate, and two-thirds of the members elected (or appointed) and qualified to the House of Representatives shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the primary election in August in the year 2020, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Chief Justice of the Supreme Court

The roll was called with 40 senators present.

President Wagle introduced guest Pastor, Dave DePue, Kansas Capitol Commission, to deliver the invocation:

Almighty God! This august body gathers today, bidding farewell to the distinguished Senator from Shawnee, Mary Pilcher-Cook, and welcoming our newest member, the Honorable Michael Thompson. We are reminded that our lives are caught up like a river rather than as groups of islands. We work together for a season, whether short or long! Time is irreversible, impressions are long lasting. Archived documents last for generations. The Book of Revelation, Chapters 2 and 3 reveal the letters Christ sent to
the leadership and members of 7 churches, all typical of cultures over the centuries. The message to those in leadership is especially profound today! Some of those were commended, others received condemnation! There were stark warnings, even threats! Each letter had exhortations and a promise! Two thousand years of history continues to reveal the startling accuracy of these prophecies. Lord, help us to be civil to the ones sharing our space and our time! Help us to establish a legacy of compassion, brotherly love and stewardship of the peoples’ trust. Give us a place of high honor in the history of this great state and this proud nation. Let us keep our focus on eternity rather than on the moment or the issue before us on any given day. Bless us Lord, especially with Your promise! This I pray in Jesus’ Name. Amen!

The Pledge of Allegiance was led by President Wagle.

COMMUNICATIONS FROM STATE OFFICERS

The following report was submitted to the Senate and is on file with the Secretary of the Senate:

Kansas Board of Regents: Annual Report on exceptions to the minimum admission standards at state universities. (January 16, 2020)

POINT OF PERSONAL PRIVILEGE

Senator Haley rose on a point on personal privilege on Thursday, January 16, 2020, and submitted the following comments:

Madame President, Gentle Colleagues of the Kansas Senate: Too often, so often, in our country the true meaning of a holiday is lost; the Spirit of a celebration succumbs to being just another day “off” from work or school or other daily routine. Indeed, with perhaps the exception of our Independence Day (July the 4th) many holidays have taken on a new, non-related meaning such as how many gifts are exchanged or how much one can eat or nothing to do with the original Spirit. Today, I join the Governor’s Resolution and echo passages of our Chaplain’s prayer from yesterday imploring us all to “have a more loving and compassionate society, with less hate and prejudice” and focus on what Dr. King said “Human progress is neither automatic nor inevitable. And every step towards the goal of justice requires sacrifice, suffering and struggle. It calls for the tireless, passionate concern of dedicated individuals.” So, Madame President; so elected member leaders … members of the Kansas Senate, all, today, once again I implore each of you as a pillar from within your individual district but united as our Kansas communities, to use the true meaning of this holiday as not just a day “off” but a day to live out the true meaning of an inspirational and decidedly unique American Holiday. As I have urged so often before from this seat of the MLK Holiday, often to unhearing ears or too hardened, non-receptive hearts, this concept, this ever-growing reality, this tapestry of a strong, diverse Country is not the sole province of my political party or of yours. This celebration, this Spirit doesn’t belong to my religion or to your religion, to my community or to yours. It isn’t creed, or racial or economically based. No, Madame President. The Martin Luther King, Jr. Holiday belongs to us ALL. To the beauty of the “stir-fry” blend when combined produces our unique (though yet still somewhat dysfunctional, like any, family), AMERICAN culture! Please have a safe, reverent and evocative, King Holiday.

On motion of Senator Denning, the Senate adjourned until 2:30 p.m., Wednesday, January 22, 2020.
The Senate was called to order by Vice President Jeff Longbine.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Lord, today has been designated “Sanctity of Life Day.” And we’re reminded today, that life is a gift You have amazingly given us. Help us to not take that lightly. Help us to treasure the lives we have, the lives You bring to us and the lives we invest in.

You are the Author of Life. You start us out on a wonderful drama as little children, and You’ve written the Script for how it’s to be lived. God, many of us have learned that being a grown-up adult is not as much defined by our years, according to the calendar, as by our maturity according to Your Script. In Proverbs 8:12-21, the wisdom for a successful life is personified and quoted as saying, “I am Lady Wisdom. I live next to Sanity; Knowledge and Discretion live down the street. I hate evil with a passion. Good counsel and common sense are my characteristics; I am both Insight and the Virtue to live it out. With my help, leaders rule, and lawmakers legislate fairly; with my help, governors govern, along with all in legitimate authority. I love those who love me; those who look for me find me. Wealth and Glory accompany me; also substantial Honor and a Good Name. My benefits are worth more than a big salary, even a very big salary; the returns on me exceed any imaginable bonus. You can find me on Righteous Road, that’s where I walk at the intersection of Justice Avenue, handing out life to those who love me, filling their arms with armloads of life!”

So Lord, as Your life-enhancing agents, may all the decisions we make be guided by You. To Your glory and to our good, I offer this prayer in the life-giving Name of Jesus. Amen

The Pledge of Allegiance was led by Vice President Longbine.

Invocation by Reverend Cecil T. Washington:

God Almighty, Ruler of Heaven and Earth, there are times when our strength is almost all gone; times when we seem to be hanging on by a thread. There are times when we call upon You for strength and though we know You’re there, it seems as though You’re not.

Then the words You gave to the Apostle Paul, in 2 Corinthians 12, give us hope and encouragement. Father, as You did with Paul, do with us. Keep us from the problem of pride. Don’t let us think more highly of ourselves than we ought.

Help us maintain the awareness of how weak and fragile we are and that Your strength is manifest in and through our weakness. As You did with Paul, let insurmountable problems keep us looking, leaning and depending on You. Let our weaknesses serve to magnify Your strengths.

In the Name of our Lord and Savior, Amen.

EXPLANATION OF VOTE

Madam President: It’s ironic that the FIRST bill rushed through the 2020 Session in the Senate has over a million dollar a year, tax-payer supported price tag on it by 2029. I guess the signal to the lobby core for effectiveness on government waste is: pick a sentimental sweet spot topic like supposed police or veteran’s benefit or widows and orphans’ relief; or puppies and kitten protections and run that bill early in Session and it’s a go. If I believed that this expensive sentencing enhancement, which is NOW being projected as well beyond the 46 necessary new beds originally projected when this bill was heard just last year (2019), would improve police protection OR public safety, I might support something we already can’t afford. With 120 of our inmates farmed out to Arizona already; more and more of state offenders being housed in our county jails to meet the federal prison overcrowding mandates now … whatever the number of this unnecessary enhancement is in SB 45 is enough to make any true fiscally conservative legislator pause, reflect and vote against it. Approximately $25,000 a year per inmate times 50 by 2029. You do the math. This is not a good way to begin our wayward spending in the new year. Please let the record reflect from Day One of the Session that I, Senator David Haley, as a genuine steward of our tax dollars, will consistently evaluate the cost of sentencing changes to our prison bed space impact and state general fund obligation before voting on the underlying crime enhancement. Actually proud to be the ONLY Senator to vote against this costly, unnecessary measure that will not improve public safety, I yet wish my colleagues would think about these “sentimental” topics but real implications before voting too. I do not mind at all standing alone for fiscal responsibility.—DAVID HALEY

NINTH DAY

The roll was called with 28 senators present.
Senators Baumgardner, Doll, Faust-Goudeau, Givens, Hawk, Holland, Longbine, Olson, Pyle, Rucker, Skubal and Sykes were excused.

Invocation by Cecil T. Washington:

Heavenly Father, we’re wrapping up the second week of the new session. The weekend is upon us when we’ll be turning toward other concerns. It’s good to know that You’ll be with us; omnipresent with each of us, wherever we go. It’s also good to know that Your presence will be accompanied by Your omnipotent power to help us at every turn. And it’s comforting to know Your compassionate love doesn’t fail; that Your grace and mercy continue to sustain us.

Help us to find things well at home. If and when things get out of sorts, remind us that You never break Your promise.

Your Word confirms, in Numbers 23:19, that You’re not like us humans. You don’t lie or change Your mind. The prophet Isaiah quoted You in 41:10, where You said, “Do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with My righteous right hand.”

So Lord, as we head into the weekend, keep our eyes open, that we may see evidences that You’re with us and confirmation of Your sustaining Hand.

Thank You for Your faithfulness. I thank You in Jesus’ Name, Amen.

The Pledge of Allegiance was led by President Wagle.

COMMUNICATIONS FROM STATE OFFICERS

The following report was submitted to the Senate and is on file with the Secretary of the Senate:

Legislative Task Force: Report of the Legislative Task Force on Dyslexia to the 2020 Kansas Legislature. (January 24, 2020)

On motion of Senator Denning, the Senate adjourned until 2:30 p.m., Tuesday, January 28, 2020.
The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.
President Wagle introduced Pastor Dave DePue, Kansas Capitol Commission, who delivered the invocation:

Almighty God! The Kansas Senate convenes this January day of the year 2020, the year of the Bible! The Holy Scriptures outline four types of law that govern a people!
The 1st is ceremonial: This august body operates with much formality and great civility...often with an air of pomp!
The 2nd is moral law: Issues of right and wrong, good and evil. Statutes address vertical relationships with authorities and horizontal relationships between the people.
The 3rd is judicial: Providing a means for the administration of justice. Our legislature sets to order the process of appointing judges and gives courts the rule of law.
The 4th is social compact: Setting in place statutes that secure our rights to life, liberty, and the pursuit of happiness. LORD, these, our Senators gathered here, are each burdened with the many challenges of work, family, health, and relationships with a large constituency of Kansans! Please crown them with knowledge, wisdom and understanding. Bless the work of their hands today and every day of this 2020 Session. This I pray in Jesus’ Name. Amen!

The Pledge of Allegiance was led by President Wagle.

On emergency motion of Senator Baumgardner SR 1752 was adopted by voice vote.

COMMITTEE OF THE WHOLE

On motion of Senator Denning, the Senate resolved itself into Committee of the Whole, for consideration of bills on the calendar under the heading of General Orders with Senator McGinn in the chair.

On motion of Senator McGinn the following report was adopted:

SCR 1613 be amended by motion of Senator Pyle; on page 2, in line 17, by striking all after “at”; by striking all in lines 18 and 19; in line 20 by striking all before the period and inserting “a special election which is hereby called on August 4, 2020, pursuant to section 1 of article 14 of the constitution of the state of Kansas, to be held in conjunction with the primary election held on such date”,
and **SCR 1613** be adopted as amended.

A motion by Senator Doll to amend **SCR 1613** failed and the following amendment was rejected: on page 2, in line 17, by striking “primary election in August” and inserting “general election in November”.

Upon the showing of five hands, a roll call vote was requested.

On roll call, the vote was: Yeas 13; Nays 27; Present and Passing 0; Absent or Not Voting 0.

Yeas: Bollier, Doll, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Miller, Pettey, Skubal, Sykes, Ware.

**EXPLANATION OF VOTE**

Madam Chair: I am voting “NO” on this amendment because I carried a separate constitutional amendment on the Senate floor last year. That amendment was passed by the voters of Kansas in the November 2019 General Election. No one questioned the validity of the constitutional amendment the voters passed in that election. The turnout in that 2019 General Election was lower than what is expected in the August 2020 Primary Election. Therefore there is no reasonable argument for applying a new voter turnout requirement for any new constitutional amendment. Therefore I vote “NO.”—**KEVIN BRAUN**

A motion by Senator Miller to amend **SCR 1613** failed and the following amendment was rejected: on page 1, in line 26, by striking “including, but not limited to,” and inserting “except”.

Upon the showing of five hands, a roll call vote was requested.

Yeas: Doll, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Miller, Pettey, Sykes, Ware.

**EXPLANATION OF VOTE**

Madam Chair: I stand strongly opposed to this amendment. The bill as written takes us back to the law as it existed prior to the Supreme Court decision which included exceptions for rape, incest and the life of the mother. I believe this amendment is a misguided attempt to exclude women who were raped, experienced incest and whose life is at risk from the protections they currently have under existing laws.—**KEVIN BRAUN**

Senator Petersen requests the record to show he concurs with the “Explanation of Vote” offered by Senator Braun on **SCR 1613**.
A motion by Senator Miller failed and the following amendment was rejected; on page 2, in line 2, by striking “is” and inserting “would be”.

Senator Miller requested the failed amendment be posted in the journal.

A motion by Senator Miller to amend SCR 1613 failed and the following amendment was rejected; on page 2, in line 7, by striking “could” and inserting “would”.

Upon the showing of five hands, a roll call vote was requested.

On roll call, the vote was: Yeas 11; Nays 29; Present and Passing 0; Absent or Not Voting 0.

Yeas: Bollier, Doll, Faust-Goudeau, Haley, Hawk, Hensley, Holland, Miller, Pettey, Sykes, Ware.

A motion by Senator Hensley to amend SCR 1613 failed and the following amendment was rejected; on page 1, in line 26, by striking “including, but not limited to,” and inserting “except no law shall prohibit abortion”.

Upon the showing of five hands, a roll call vote was requested.

On roll call, the vote was: Yeas 12; Nays 28; Present and Passing 0; Absent or Not Voting 0.

Yeas: Bollier, Doll, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Miller, Pettey, Skubal, Sykes, Ware.

A motion by Senator Sykes to amend SCR 1613 failed and the following amendment was rejected; on page 1, in line 33, after “abortion” by inserting “, including, but not limited to, in circumstances of pregnancy resulting from rape or incest, or when necessary to save the life of the mother,”; on page 2, in line 9, after “2019” by inserting “and the current state prohibitions on abortion”.

Yeas: Bollier, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Miller, Pettey, Skubal, Sykes, Taylor, Ware.

Absent or Not Voting: Doll.

A motion by Senator Francisco to amend SCR 1613 failed and the following amendment was rejected; on page 2, in line 8, by striking “in many circumstances” and inserting “; unless there is a compelling state interest, and such regulation is narrowly tailored to further that interest”; in line 9, by striking “discovered” and inserting “recognized”; in line 10, after “2019” by inserting “and the current state prohibitions on
government funding of abortion”.
Upon the showing of five hands, a roll call vote was requested.

EXPLANATION OF VOTE

Mr. Vice President: As a doctor, I know that when people are making private, complex medical decisions, the last thing they want is a politician in the middle of it. I believe it is absolutely wrong to permanently change the Kansas Constitution to potentially put politicians in between women and their doctors when difficult, personal medical decisions need to be made. My medical expertise has given me a unique appreciation for why that doctor-patient relationship is so important and must be preserved. Protecting autonomy – the right to make our own decisions – must be maintained in our constitution. —BARBARA BOLLIER

Mr. Vice President: I vote “AYE” and would like to explain my vote. Many of you have heard me say that I grew up with a handicapped brother who never walked, who never talked, and who never fed himself. His name was James Braun and we called him Jimmy. He died about fifteen years ago at the age of thirty-nine. In this Senate position it has been surprising to me how much Jimmy’s life had an impact on me, and I find myself protecting his rights over and over again. Jimmy never spoke a word, but his life certainly spoke volumes and even as I stand here today, I am just realizing what his life meant and why he was sent to my family. His life taught us compassion and it taught us
how to protect the weakest among us. Jimmy’s life had meaning, his life mattered and his life deserved protecting so today I vote life. I am also voting for this amendment because I listened to my constituents in my district and the message was clear. They want us to respect all three branches of government and they want the ability to vote. The vast majority I heard from were women who want the right to vote on this issue. I trust my constituents to vote their conscience, so my vote is yes.—KEVIN BRAUN

Mr. Vice President: I vote “NO” on Senate Concurrent Resolution No. 1613. Adding this Section 22 to the Bill of Rights in our Kansas Constitution would undermine the protections of natural rights recognized by the Kansas Supreme Court in Section 1 in that Bill of Rights. The Supreme Court was responding to a constitutional challenge to SB 95 passed in 2015; that legislation eliminated a standard procedure for abortions that was safer for women than the alternatives. The Court remanded the decision back to the lower court, not eliminating all opportunities for legislation regarding abortion but rather requiring that, to be constitutional, there be a compelling state interest and that the regulation be narrowly tailored to further that interest. I believe that we as a legislature failed to protect the rights of women and also failed to provide the voters accurate explanatory statements to help them understand the issue.—MARCI FRANCISCO

Senator Sykes requests the record to show she concurs with the “Explanation of Vote” offered by Senator Francisco on SCR 1613.

Mr. Vice President: It’s ironic that the SECOND bill rushed through the Senate Judiciary committee and through the 2020 Session in this Senate Chamber has a debate and, now, an “emergency final action” vote on the same day that 159 years ago Kansas was admitted into the Union of the United States of America. Today, “Kansas Day” is the annual day we celebrate, among other ideals, that our State, the Great State of Kansas, would be known as a “Free State” … enshrined to the prospect of life, liberty and the pursuit of happiness and that within our territorial borders no man or woman would be enslaved. Our forefathers (and “foremothers” if you will) adopted the “Wyandotte Constitution” after fighting to overturn the Lecompton Compact which slavery supporters had attempted to make our State’s governing law. The irony today to me, Mr. Vice President, is that today, Kansas Day, this Senate Concurrent Resolution which will attempt to put before the voters the ability to roll back a woman’s constitutional right, as affirmed by the Kansas Supreme Court in Hodes, to be “free” to make her own reproductive and other personal health decisions without governmental intrusion is passing the Senate. I was asked “Senator Haley, what’s so wrong with letting people vote; do you think you should use your powerful ‘super’ vote status to prevent standard democracy; similar to the Electoral College which you think doesn’t reflect the simple majority voters decision(s) ...?!” to which I pondered and replied: “If I had an opportunity to let voters by popular vote decide whether slavery should be the law of Kansas’ land back in the 1860’s, I probably would vote 'NO' on allowing that 'democratic' vote that restricts the liberty of humans, too.” As I have for the last two and a half decades consistently in the Kansas Legislature, Mr. Vice President, in support of the unfettered liberty for adults to make personal, safer decisions for themselves with as little governmental intrusion as possible, I proudly vote “NO” on SCR 1613 and pray that the Kansas House will spare us having this regressive measure on some future ballot.—DAVID HALEY
Mr. Vice President: I vote “NO” on SCR 1613. I consider myself to be both pro-life and pro-choice. I have always respected my friends, family and legislative colleagues who have different opinions on this issue. However, this Constitutional amendment addresses a difficult, highly moral decision which I believe the government should not make on behalf of women. This issue becomes even more important when we look at the wording of our Kansas Constitution and the Bill of Rights. Our Bill of Rights states, “All men are possessed of equal and inalienable natural rights, among which are life, liberty and the pursuit of happiness.” I believe our Supreme Court was correct in recognizing that the term “men” includes women, that those rights for everyone include personal autonomy, and that personal autonomy extends to decisions about pregnancy. I also believe that the Legislature still retains appropriate authority to regulate health care when there is a compelling state interest. However, I cannot support this amendment because of my deep belief in maintaining the basic rights guaranteed by the Kansas Constitution.—**TOM HAWK**

Senators Hensley, Pettey and Sykes request the record to show they concur with the “Explanation of Vote” offered by Senator Hawk on SCR 1613.

Mr. Vice President: “Dear Sir: So this morning I read a lovely article stating that our legislature is trying to pass an amendment to outlaw abortion. This amendment, if passed, would also give the legislature the right to pass other restrictions such as birth control. There are no provisions for the life of the mother, rape or incest in your amendment. Let me make this very clear your beliefs are just that. They are YOUR beliefs. Everyone has the right to body autonomy. That includes women. We have the right to choose what we do with our bodies. You do NOT have the right to take that away. Science does not hold with what some people believe concerning when life begins. A good portion of different religions do not hold with what some people believe concerning when life begins. Just as you don't have the right to force your religious beliefs on others, nor do you have the right to force what you believe about medical decisions on others. Unless you are willing to give up your rights, stay out of mine. So to be clear, unless I get to dictate when you are allowed to have a vasectomy, unless I get to charge you with a crime when you masturbate (cause you would be killing millions of potential babies), stay out of my uterus.” Dear Constituent: I hear you, loud and clear! I vote “NO” on SCR 1613.—**TOM HOLLAND**

Mr. Vice President: Kansans deserve the right to make their own personal, private medical decisions without government interference. A constitutional amendment would allow increased government overreach into our private lives. These measures are a violation of the core principles my Catholic faith teaches, namely the priority of conscience, the importance of social justice and the respect for religious freedom. The Kansas Supreme Court reached a thoughtful and well-reasoned conclusion that protects every Kansan’s right to personal autonomy. I vote “NO.”—**PAT PETTEY**

Senator Haley requests the record to show he concurs with the “Explanation of Vote” offered by Senator Pettey on SCR 1613.

Mr. Vice President: I am voting “NO” on this constitutional amendment. I want to focus on a specific problem I have with the language of the amendment and the lack of clarity in the explanatory statement. While supporters of this amendment point out that it does not change the regulations on what is legal in our state, it does empower the
legislature to change what is legal in the future. Specifically, the language would give
the legislature the power to craft legislation denying access to abortion or healthcare for
women even as a result of incest or rape. The amendment even explicitly claims that the
legislature has the right to craft legislation in the heartbreaking circumstances where a
woman and her family face the decision between the life of the mother or child. My
own religious tradition, which opposes abortion, clearly allows these decisions to rest
with the woman as she seeks medical and spiritual council. I cannot vote for this
amendment based on promises from well-meaning persons that future bills will never
use the power this amendment grants.—Dinah Sykes

MESSAGES FROM THE GOVERNOR

January 30, 2020

Message to the Kansas Senate

Executive Reorganization Order No. 44

Pursuant to Article 1, Section 6, of the Constitution of the State of Kansas, today I transmit Executive Reorganization Order No. 44 to the Kansas Legislature along with this message to the Senate.

Effective July 1, 2020, this reorganization creates the Kansas Department of Human Services (“KDHS”), which will be responsible for all current programs, responsibilities, functions, and duties of the Department for Children and Families (“DCF”), the Department for Aging and Disability Services (“KDADS”), and the juvenile services division of the Department of Corrections. DCF and KDADS will be dissolved, but no current responsibilities, duties, or functions will be abolished.
The creation of this new, combined agency reinforces our commitment to our children, families, and seniors in need and improves their access to critical services. The new KDHS will allow us to focus on prevention, so that we can identify and serve Kansans in need before their situation becomes a crisis that is more costly to both themselves and our communities. Through partnering with communities across the state, KDHS will establish a one-stop-shop for Kansans in need of such services and will ensure that our government delivers those services in the most efficient and effective manner.

I look forward to working with the Senate to improve our ability to serve Kansans in need and to build healthy communities across our State.

Respectfully,

Governor Laura Kelly

DONE AT the Capitol in Topeka

BY THE GOVERNOR:
LAURA KELLY

SCOTT SCHWAB
Secretary of State of Kansas

SANDY TOMPKINS
Assistant Secretary of State

January 30, 2020

Message to the Kansas Senate
Executive Reorganization Order No. 45

Pursuant to Article 1, Section 6, of the Constitution of the State of Kansas, today I transmit Executive Reorganization Order No. 45 to the Kansas Legislature along with this message to the Senate.

Effective July 1, 2020, this reorganization moves the State Employee Health Plan (“SEHP”) and the State Self Insurance Fund (“SSIF”) from the Department of Health and Environment to the Department of Administration. The new reporting structure will align the office with other employee-focused services and will improve administrative efficiencies and support. Current management at the SEHP and SSIF will continue to manage those programs under the leadership of the Secretary of Administration. None of the responsibilities, duties, or functions of the SEHP or SSIF will be abolished.

Through this reorganization we can better coordinate and support the missions of SEHP and SSIF, which will allow us to focus on delivering more affordable, higher quality health care for employees across the state and will also increase our ability to effectively manage and deliver workers compensation benefits for state employees.

I look forward to working with the Senate to continue to improve important benefits and support for our state employees.

Respectfully,
GOVERNOR LAURA KELLY

Sec. 11. All provisions of this order shall take effect and have force of general law on July 1, 2020, unless disapproved by either house of the Kansas legislature as provided by subsection (c) of section 6 of article I of the constitution of Kansas, and unless so disapproved, this order is to be published as and with the acts of the legislature and statutes of this state.
Pursuant to Article 1, Section 6, of the Constitution of the State of Kansas, today I transmit Executive Reorganization Order No. 46 to the Kansas Legislature along with this message to the Senate.

Effective July 1, 2020, this reorganization moves the Energy Office out of the Kansas Corporation Commission and establishes it as a separate, independent entity. This reorganization will preserve the Energy Office’s existing programs while expanding its scope to include energy planning, policy development, and stakeholder outreach. None of the Energy Office’s current responsibilities, duties, or functions will be abolished.

I am committed to unlocking the potential of Kansas’ diverse energy landscape. The first step toward a comprehensive energy plan is building an infrastructure for energy policy discussions. An independent Energy Office will provide that infrastructure and facilitate an inclusive, data-driven vision for the energy future of our state.

I look forward to working with the Senate to build on Kansas’ nation-leading successes in renewable energy and energy efficiency, and together we can chart a path to a sustainable and balanced energy future.

Respectfully,
Governor Laura Kelly

Heavenly Father, Lord God of Heaven and Earth, in the Book of Judges we see repeated cycles. We see phases where Your people fall into hardship due to their disobedience. And due to the pain of their distress, they regret their willful defiance of Your ways and ask Your forgiveness.

We then see, that in Your gracious love and mercy, You pardoned their defiant ways. You restored them, granting them your blessings and increasing their opportunities to serve.

But You had Your prophet make it clear to them and You’re making it clear to us as well, that YOU are God! YOU sustain us! You have made it clear that we are to have no other god before us.

But Your prophet went on to conclude by saying Your people would not listen. Therefore the insane cycle would just repeat itself. Lord, please deliver us from repetitive phases of foolishness; from repeated cycles of willful disregard for Your Word while at the same time wanting things to get better.

Winners in the game of football, as in other games, become Champions when they listen to their coach and they practice the right moves. Lord, help us to truly be Winners in the Game of Life! Help us to learn from and to follow Your Playbook.

I want to thank You for the provision of a fail-proof strategy. Now, help us stick to it!
In Jesus' Name, Amen!

The Pledge of Allegiance was led by President Wagle.

POINT OF PERSONAL PRIVILEGE

Senator Francisco rose on a Point of Personal Privilege to deliver the following remarks: In January of this year, Emma Milburn earned the Girl Scout Gold Award, the highest individual award in the Girl Scout Program. Emma is a member of Girl Scout Troop 7459; she is also a graduate of St. John School and a member of St. John the Evangelist Catholic Church, both in Lawrence, and a member of the Free State High School journalism staff. To complete her Gold Award, Emma focused on telling the story of St. John and the Sisters of Charity of Leavenworth. The Sisters founded the Catholic school in Lawrence during the early years of statehood and then returned to re-establish the school in 1956. Her curriculum guide serves as a brief history of Catholic
education in Kansas, the Sisters’ work in northeast Kansas and beyond and the history of St. John School. Emma’s project was presented to the school principal and is posted on the St. John School web page under the “history” tab. Emma will be recognized on March 29 along with other Gold Award recipients by the Girl Scout Council of Northeast Kansas and Northwest Missouri. Please join me thanking Emma for her contribution to understanding our state’s history, congratulating her on this honor and wishing her all the best for her future.

On roll call, the vote was: Yeas 39; Nays 1; Present and Passing 0; Absent or Not Voting 0.

Nays: Sykes.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: I am voting no on SB 157. First, I support the intention of this bill to allow for shared parenting; however, I believe this legislation unintentionally puts children at risk. When dealing with the complex decisions around the best interest of a child, this bill presupposes and defines that the best interest of the child is splitting time equally. In the tumultuous aftermath of divorce, children need stability and as little disruption in their lives as possible. The automatic presumption of shared parenting binds the hands of the judicial decision maker. My concern is that this bill shifts the focus from children to parents and will lead to children moving between homes frequently eroding stability when that stability is most important. Even in stable relationships with two parents, the work of parenting is rarely equally distributed. Each parent has their own strengths and weaknesses and depending on the needs of the child may need one or the other parent to a greater degree. Again, I support the intention of this bill to try to find a way for both parents to remain involved in children’s lives; however, I think this will make children’s lives more difficult.

—DINAH SYKES
CHANGE OF REFERENCE
Under the authority of the President, the Vice President withdrew SB 93 from the Committee on Public Health and Welfare, and referred the bill to the Committee on Financial Institutions and Insurance.

MESSAGE FROM THE HOUSE
Announcing adoption of HCR 5020.

INTRODUCTION OF HOUSE BILLS AND CONCURRENT RESOLUTIONS
HCR 5020 was thereupon introduced and read by title.

On motion of Senator Denning, the Senate adjourned until 2:30 p.m., Thursday, February 6, 2020.
The Senate was called to order by President Susan Wagle.
The roll was called with 39 senators present.
Senator Bollier was excused.
Invocation by Reverend Cecil T. Washington:

Lord, today we’re honored to have many who serve and represent You in our midst; both servant leaders in the realm of the spiritual and servant leaders in the realm of government.

And Lord, there are many who look up to us, praying that we get it right. Those that follow us want to see if we’ve found the right way to do this thing called life; this thing called liberty; this thing called love for one another. Yet, the judgment of those that look up to us is not the judgment that should really matter to us. The judgment that should really matter to us is Yours.

So Lord, when You look at us, show us us! Help us to see us as You see us. In James 1:19-25, You refer to Your Word as a mirror. Remind us to check it regularly, to make sure we’re presentable, representing You in a righteous way.

When all our efforts on this side are done and we face the final judgment, we want to hear You say, “Well done, good and faithful servant!”

I thank You for hearing this prayer. In the Name of Jesus. Amen and Amen

The Pledge of Allegiance was led by President Wagle.

Bless us with the wisdom, courage and boldness to make prudent decisions. As those who come after us, look at what we have accomplished and the lives we’ve lived. Let them see, that we stood for righteousness, because righteousness of character exalts.

Whenever the use of the population figures or the census of the Kansas department of agriculture is referred to or designated by a statute, such reference or designation shall be deemed to mean the population figures certified to the secretary of state pursuant to this section. The city and county population figures certified to the secretary of state pursuant to this section shall be distributed by the division of the budget to the cities and counties of the state and to such other governmental entities as the division deems appropriate and shall be made available by the division upon request of any other person.

(c) Population figures established by the enumeration authorized under K.S.A. 11-204 to 11-208, and amendments thereto, shall be used only as a basis for the reapportionment of any state legislative districts, reapportionment of which is authorized pursuant to section 1 of article 10 of the constitution of the state of Kansas, in the year 1989, and for such other purposes as shall be specifically authorized by K.S.A. 11-204, and amendments thereto.

Sec. 3. K.S.A. 11-210 is hereby amended to read as follows: 11-210. Notwithstanding the provisions of K.S.A. 11-304 and 11-321, and amendments thereto, and section 1, and amendments thereto, for the purpose of making applications for grants, the secretary of state and any political subdivision of the state may use any census data available.

(B) any employee of the credit union;

(C) any person who retired from any qualified employment group within the field of membership;

3. would be unlikely to be able to operate in a safe and sound manner.

The maximum population available for any credit union whose headquarters is located within a MSA shall be determined by multiplying the population of the largest MSA in the state of Kansas, or that portion of such MSA located within the state of Kansas if the boundaries of such MSA extend outside the state of Kansas, as determined by the most recent population data, by the fraction having a numerator of 1,000,000 and a denominator of 750,000 for the purposes of this section, the administrator shall use population data based upon the adjusted federal census information presented to the legislature by the secretary of state pursuant to K.S.A. 11-304, and amendments thereto as defined in subsection (g).

(2) Except as provided in subsections (i), (j), (k) and (l), from and after July 1, 2008, no geographic area shall consist of any congressional district or the entire state of Kansas.

(f) (1) Except as provided in subsections (i), (j), (k) and (l), from and after July 1, 2008, no credit union shall change or alter its field of membership except as provided in this section. Before a credit union can alter or change its field of membership, such credit union shall file, or cause to be filed, with the administrator, an application for amendment to its field of membership. The application shall include:

(h) No increase in the population reflected by the population data shall require a modification to a field of membership as in existence on June 30, 2008.

(i) Notwithstanding any other provisions of this section, any person, including any member of such person's immediate family or household, or organization that is a member of any credit union which was in existence on June 30, 2008, may continue to be a member of such credit union after such date. Sec. 5. K.S.A. 2019 Supp. 45-229 is hereby amended to read as follows: 45-229. (a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

1. The public record is of a sensitive or personal nature concerning individuals;
2. the public record is necessary for the effective and efficient administration of a governmental program; or
3. the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception that will expire in the following year that meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor
subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law that creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law that creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

(1) Is required by federal law;
(2) applies solely to the legislature or to the state court system;
(3) has been reviewed and continued in existence twice by the legislature; or
(4) has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

(A) What specific records are affected by the exception;
(B) whom does the exception uniquely affect, as opposed to the general public;
(C) what is the identifiable public purpose or goal of the exception;
(D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) an exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program that would be significantly impaired without the exception;
(B) protects information of a sensitive personal nature concerning individuals, the release of such information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or
(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information that is used to protect or further a business advantage over those who do not know or use it, if the disclosure of such information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) would occur if the records were made public.

(i) (1) Exceptions contained in the following statutes as continued in existence in section 2 of chapter 126 of the 2005 Session Laws of Kansas and that have been reviewed and continued in existence twice by the legislature as provided in subsection (g) are hereby continued in existence: 1-401, 2-1202, 5-512, 9-1137, 9-1712, 9-2217, 10-630, 11-306, 12-189, 12-1,108, 12-1694, 12-1698, 12-2819, 12-4516, 16-715, 16a-2-

Journal of the Senate
TWENTIETH DAY

The Senate was called to order by Vice President Jeff Longbine.
The roll was called with 39 senators present.
Senator Wagle was excused.
Invocation by Reverend Cecil T. Washington:

Lord, this month of February has been established as Black History Month. In building this country and in creating many of the inventions we enjoy today, You have used, and still use, many from the Black Community. Our society unknowingly enjoys many African American contributions. And Lord, we thank You for every one of them.

Like Lewis Latimore’s carbon filter for the light bulb and Otis Boykin’s pacemaker for the heart. We thank You for John Burr and the lawnmower; for Marie Brown and the home security system; for Garrett Morgan and the gas mask; for Benjamin Banneker and America’s first clock; for Thomas Elkins and the modern toilet. And Lord, You must have let George Crumm know that we wouldn’t be able to eat just one, when You inspired him to create the potato chips.

For many years Lord, the life improving contributions, coming from the Black Community were hidden from the history books. Let the credits and acknowledgments of Black History Month be a catalyst for us to strive for more racial harmony.

In Romans 12, we see that among Your people, no one is to think of themselves more highly than someone else. You bestow Your gifts upon each of us, that through each of us, You can bless all of us.

I thank You Lord, for the ways in which You unify us. In Jesus’ Name, Amen

The Pledge of Allegiance was led by Vice President Longbine.

Invocation by Reverend Cecil T. Washington:

Down But Not Out
2 Corinthians 4:8-9

Heavenly Father, we thank You that 12 failures, compared to 2 victories, did not discourage Abraham Lincoln. When we remember his February 12th birthday, let it be an encouragement to us to not let failures spell defeat.

Another example is the Apostle Paul. In view of the obstacles he faced, in spite of the rejection and efforts to kill him, You used him to give us most of the New Testament. In 2 Corinthians 4:8-9, he said, we have troubles on every side but we’re not defeated.

Even when we don’t know what to do we never give up. In times of suffering Your Word reminds us that You are with us. So, when we are knocked down, and those down times will come, we get back up again. So Lord, when we can see ourselves and our efforts being a benefit to people, keep us from being discouraged and dissuaded by setbacks. In spite of how many times we stumble or fall, remind us to get back up again. Someone has fittingly said that climbing a mountain is actually supported by the rough spots.

So Lord, thank You for growing us through our difficulties and using them to increase our faith in You. In the Name of our Lord and Savior, Amen and Amen.

The Pledge of Allegiance was led by President Wagle.

SPECIAL REMARKS

Senator David Haley submitted the following remarks:

LIFT every voice and sing until Earth and Heaven ring
Ring with the harmonies of liberty.
Let our rejoicing rise High as the listening skies
Let it resound; loud as the rolling sea.
Sing a song full of the faith that the dark past has brought us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

STONY the road we trod, bitter the chastening rod,
Felt in the days when hope unborn had died;
Yet with a steady beat, have not our weary feet,
Come to the place for which our father sighed?
We have come over a way that with tears have been watered.
We have come, treading our path through the blood of the slaughtered.
Out from the gloomy past, till now we stand at last
Where the white gleam of our bright star is cast.

GOD of our weary years, God of our silent tears,
Thou Who hast brought us thus far on the way;
Thou Who hast by Thy might, led us into the light,
Keep us forever in the path, we pray.
Lest our feet, stray from the places our God where we met Thee.
Lest our hearts, drunk with the wine of the world we forget Thee.
Shadowed beneath Thy hand, may we forever stand,
True to our God, true to our native land.

(LIFT EVERY VOICE AND SING "The Negro National Anthem")

James Weldon Johnson

On motion of Senator Denning, the Senate adjourned until 2:30 p.m., Thursday, February 13, 2020.
The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.
The President introduced guest chaplain Reverend Dr. Desmond C. Lamb, Forest Grove Baptist Church, Kansas City, to deliver the invocation:

Eternal God our Creator, we give thanks for this day and the blessings that emanate amid it.

We thank You that we, Your people of this assembly, can once again approach You for forgiveness of our sins, directions for our journey and decisions to be made on behalf of citizens across the great state of Kansas.

Dear Lord, we pause at this moment to ask that the hearts and ears of these delegated officials would be open to hear and feel the heartbeat of those whom they serve. As our great state is made up of cities and counties, we recognize that there are mundane and monumental challenges on every hand but with the undergirding of Your wisdom and direction, those challenges can be subjugated by these under the sound of my voice.

Dear Lord, please keep all who work as delegated authorities of Kansas safe, sound and in good health. Help us as a state to show love and forgiveness towards one another and help us as a state to recognize You as our Supreme Guide. And as always dear Lord, we will forever be careful to give you all the praise, glory and honor, in Jesus' Name we pray, Amen.

The Pledge of Allegiance was led by President Wagle.

Invocation by Reverend Cecil T. Washington:

Love Is The Greatest
1 Corinthians 13

Gracious Master, we’re facing the end of another week. A Valentine’s weekend, a weekend when love is to be in the air. Teach us to be more loving.

Your Word in 1 Corinthians 13 reveals how important the divine kind of love is, how true love behaves and how it does not behave. Your Word gives us the standards by which we are to measure genuine love. You teach us that sincere love does not fail, that our love for others is to look like Your love for us. You teach that the greatest virtue, the greatest God-like standard we can have, is God-like love.

Lord, Your most important desire in our relationships is that they be on-the-job training for learning how to love. Over this weekend, help us get in some practice.

In the Name of Him Who loved us to death, Amen

The Pledge of Allegiance was led by President Wagle.

The Privilege of Persistent Prayer
Luke 18:1-8

Dearest God, of Heaven and Earth, we thank you for safe travel and for a safe return to these halls of responsibility. Today, we pause to be reminded of President George Washington and the faithful devotion he displayed in the beginning of this country.

It has been established that the 3rd Monday in February will be set aside to remember him and the example of his devotion to You as he served. History says, he was a great man of faith and great for this country. It is recorded that his mother, Mary Washington, said to him, “remember that God is our only sure trust. To Him, I commend you, son, neglect not the duty of secret prayer.”

Maybe her counsel came from Your words in Luke 18:1-8, where the relentless plea of a widow caused an unrighteous judge to get tired of her persistence and respond to her. The story is told to show that as the True and Righteous Judge, You respond when Your people remember You and the privilege of secret prayer.

So Lord, help us to “neglect not the duty of secret prayer.” I thank You for the hearing and the answering of this prayer. In Jesus’ Name, Amen.

The Pledge of Allegiance was led by President Wagle.

Sec. 2. K.S.A. 79-2925c is hereby amended to read as follows: 79-2925c. (a) (1) On and after January 1, 2017, and prior to January 1, 2021, the governing body of any city or county shall not approve any appropriation or budget which provides for funding by property tax revenues in an amount exceeding that of the next preceding year as adjusted to reflect the average changes in the consumer price index for all urban consumers as published by the United States department of labor for the preceding five calendar years, which shall not be less than zero, unless the city or county approves the appropriation or budget with the adoption of a resolution and such resolution has been submitted to and approved by a majority of the qualified electors of the city or county voting at an election called and held thereon, except as otherwise provided.

(2) The election shall be called and held in the manner provided by K.S.A. 10-120, and amendments thereto, and may be:
(A) Held at the next regularly scheduled election to be held in August or November;
(B) may be a mail ballot election, conducted in accordance with K.S.A. 25-431 et seq., and amendments thereto; or

(b) A resolution by the governing body of a city or county otherwise required by the provisions of this section shall not be required to be approved by an election required by subsection (a) under the following circumstances:
(1) Increased property tax revenues that, in the current year, are produced and attributable to the taxation of:

(C) real property located within added jurisdictional territory;
(D) real property which has changed in use;
(E) expiration of any abatement of property from property tax; or
(F) expiration of a tax increment financing district, rural housing incentive district, neighborhood revitalization area or any other similar property tax rebate or redirection program.

(2) Increased property tax revenues that will be spent on:

(A) Bond, temporary notes, no fund warrants, state infrastructure loans and interest payments not exceeding the amount of ad valorem property taxes levied in support of such payments, and payments made to a public building commission and lease payments but only to the extent such payments were obligations that existed prior to July 1, 2016;

(E) expenses relating to a federal, state or local disaster or federal, state or local emergency, including, but not limited to, a financial emergency, declared by a federal or state official. The board of county commissioners may request the governor to declare such disaster or emergency; or

(F) increased costs above the consumer price index for law enforcement, fire protection or emergency medical services.

(3) Any increased property tax revenues generated for law enforcement, fire protection or emergency medical services shall be expended exclusively for these purposes but shall not be used for the construction or remodeling of buildings.

(4) The property tax revenues levied by the city or county have declined:

(A) In one or more of the next preceding three calendar years and the increase in the amount of funding for the budget or appropriation from revenue produced from property taxes does not exceed the average amount of funding from such revenue of the next preceding three calendar years, adjusted to reflect changes in the consumer price index for all urban consumers as published by the United States department of labor for the preceding calendar year; or

(B) the increase in the amount of ad valorem tax to be levied is less than the change in the consumer price index plus the loss of assessed property valuation that has occurred as the result of legislative action, judicial action or a ruling by the board of tax appeals.

(5) Whenever a city or county is required by law to levy taxes for the financing of the budget of any political or governmental subdivision of this state that is not authorized by law to levy taxes on its own behalf, and the governing body of such city
or county is not authorized or empowered to modify or reduce the amount of taxes levied therefore, the tax levies of the political or governmental subdivision shall not be included in or considered in computing the aggregate limitation upon the property tax levies of the city or county.

And by redesignating sections, subsections, paragraphs, subparagraphs and clauses accordingly;

Invocation by Reverend Cecil T. Washington:

Trusting The Promises Of God!
Genesis 1 and 2

Heavenly Father, when someone gives us a promise, the dictionary defines a “promise” as a declaration or assurance, that one will do something or that a particular thing will happen. In the beginning, in Genesis 1 and 2, You made nine declarations. You simply said “Let there be,” and by the power and might of Your voice, our world came into existence.

Lord, when You declare something it happens! So Lord, help us to lean on the trustworthiness of Your Word. As we face our significantly heavy responsibilities, we need the assurance that You have our backs. Help us to rely on Your promises so that we Trust in Your timing. You may not come when we want You to, yet You’re always right on time. Therefore, give us the patience to wait for Your answers. Also, help us to relax in the promise of Your presence. There are times when it seems You’re not there, yet we have the promise of Your ongoing presence in all that we encounter. And in knowing You’re there in all that we face, we can rejoice in Your goodness.

Because You are good all the time and all time You are good, thank You Lord for Your unfailing reliability. I come to You trusting in the precious Name of Jesus. Amen and Amen

The Pledge of Allegiance was led by Vice President Longbine.

Invocation by Reverend Cecil T. Washington:

An Unclogged Conduit and A Clean Mirror!
Romans 7:14-25, 1 John 1:9-10

To our Holy and Righteous God, thanks for another day, for another opportunity to be an instrument in Your Hands. Like the moon reflects the light of the sun and has no light of its own, like the light bulb has no ability to shine unless power is provided, we approach our responsibilities in dire need of Your light and Your power. For the only actual good we can achieve, requires that You do it through us. You led the Apostle to say, in Romans 7:14-25, that the good we would do we don’t do, and the not so good that we would not do we do.

Lord, the Holy standards of Your Word, by contrast, reveal our flaws and our need for the forgiveness You offer in 1 John 1:9-10. We’ll be facing a brand-new day and neglect to pray. We’ll make a mess when we’re really trying to bless. We’ll postpone until tomorrow what should be done today.

So, Lord, please forgive us, and remove anything that’s obstructing, blocking or clogging the conduit of our lives. Keep us clear-headed enough to remain focused on You and Your expectations, rather than the undue expectations of others. As a mirror reflects whatever is in front of it, help us to reflect that You’re the One in front.

Again, I thank You for the power of Your grace, mercy and forgiveness. And in Jesus’ Name, I say Amen!

The Pledge of Allegiance was led by President Wagle.

Invocation by Reverend Cecil T. Washington:

Help From God In Decision-Making!
Proverbs 3:5-7

Heavenly Father, we’re in the position here of decision-making. And, Lord, we want to make decisions that have the impact of improving how we live. And the quality of how we live needs to be given constant attention, for there is an unwholesome spirit pushing to infiltrate our decision-making. Lord, that is why we must, moment by moment, look to You, that guided by Your Holy Spirit we can make decisions that bring glory to You and good to us. For unless You provide the guidance, the problems we face are much too much for us. Your Word reminds us of just how much we need to look and pray to YOU in our decision-making.

Proverbs 3:5-7, calls us to not lean on or trust in our own feeble abilities to reason. You warned us against being wise in our own eyes, but to put our complete confidence in YOU and to trust YOU with all our hearts. And, by Your Holy Spirit, YOU will intuitively guide us in the way we should go.

So Lord, as we move forward in time, help us to move up in quality decisions. I thank You again Lord, that You didn’t just leave us on our own. Thanks for the blessed privilege of prayer! In the precious Name of Jesus, I declare it is so, Amen!

The Pledge of Allegiance was led by Vice President Longbine.

The maximum population available for any credit union whose headquarters is located within a MSA shall be determined by multiplying the population of the largest MSA in the state of Kansas, or that portion of such MSA located within the state of Kansas if the boundaries of such MSA extend outside the state of Kansas, as determined by the most recent population data, by the fraction having a numerator of 1,000,000 and a denominator of 750,000 for the purposes of this section, the administrator shall use population data based upon the adjusted federal census information presented to the legislature by the secretary of state pursuant to K.S.A. 11-304, and amendments thereto, 2,500,000, as determined by official state population figures for the state of Kansas, or any portion thereof, that are identical to the decennial census data from the actual enumeration conducted by the United States bureau of the census and used for the apportionment of the United States house of representatives in accordance with K.S.A. 11-304, and amendments thereto.

(2) Except as provided in subsections (i), (j), (k) and (l), from and after July 1, 2008, No geographic area shall consist of any congressional district or the entire state of Kansas.

Such notice shall be in the form prescribed by the administrator and shall at a minimum contain the name and address of the applicant credit union and a description of the proposed alteration of or change in the field of membership.

(B) The notice shall be published for two consecutive weeks in the Kansas register.
The required publications shall occur within 60 days of and prior to the effective date of the proposed change. The applicant shall provide proof of publication to the administrator.

Help For This Day and Every Day!
Lamentations 3:22-23

Heavenly Father, we thank You for the upcoming weekend break. We’re preparing to get out of here and we thank You in advance for safe travel to the various parts of our state. As we turn our attention toward concerns of home, please allow us times of rest, relaxation and refreshing. May we find things well upon our arrival and if there are things that are not well give us the wisdom and help to handle them.

In Lamentations 3:22-23, You share that Your love and mercies toward us are new every morning. So Lord, as we awaken, day after day, remind us afresh that we have what we need, for another 24 hours. And once the weekend is over, bring us back restored, renewed, and ready to face the challenges; ready to take on the responsibilities You’ve given us.

For the good of Your people and for the glory that’s due Your name, may the fullness of this prayer be answered. In Jesus name, Amen.

The Pledge of Allegiance was led by Senator Goddard.

Senator Bowers: congratulating Daniel Weigel on being named the 2019-20 Russell Teacher of the Year, congratulating Emily Fay Genereux on receiving the 2020 DAR Good Citizens Award, congratulating the Phillips County Arts Council on receiving the 2020 Community Service by an Organization Award;

Senator Kerschen: congratulating Shay Peters on winning 2020 Keep It Clean Kansas Calendar Contest-Kindergarten Division; and

Senator Taylor: congratulating Mind Sculpt Games, LLC on receiving the FHSU Emerging Business of the Year Award.

POINT OF PERSONAL PRIVILEGE

Senator Braun rose on a Point of Personal Privilege on Monday, February 17, and submitted the following comments: Today I would like recognize recipients of three Senate Tributes that were prepared and presented in between the 2019 and 2020 sessions. With the recipients visiting the Senate today I would like the full Senate to recognize them.

The first Tribute was for the Leavenworth JROTC Pioneer Battalion “Raiders” who won their first National Raider Challenge Championship Title in 2019. This is simply an amazing accomplishment when you think of all the teams from across the entire
United States that competed. We congratulate them and wish them continued success in future years.

In addition to winning the National Championship the team also had two additional awards. JROTC Cadet “Raider” Konya Halle won the female division of the National Ultimate Raider Competition and JROTC Cadet “Raider” Joseph Purvis won the male division of the National Ultimate Raider Competition at the JROTC National Event. We wish each team member congratulations and continued success in future years. Please give them all warm Senate recognition.

As I do not regularly take Senate time for points of personal privilege I ask my fellow Senators indulgence as I recognize two additional extraordinary individuals with Senate Tributes. Without the leadership and motivation of these two individuals, the National Championship would not have been possible. The first is for Mary Schwartz on coaching the Leavenworth JROTC at the National Championship competition and the second is for 1SG (Ret.) Wayne Cogdill on coaching the Leavenworth JROTC at the National Championship competition. We wish them both many more years of continued success with the Leavenworth JROTC. Please join me in a round of applause to recognize these two Leavenworth JROTC coaches.

On motion of Senator Denning, the Senate adjourned until 2:30 p.m., Monday, February 24, 2020.
The Senate was called to order by Vice President Longbine. The roll was called with 40 senators present. Invocation by Reverend Cecil T. Washington:

Remembering God’s Goodness!
Luke 17:15-18

Heavenly Father, too often, our prayers are asking You for things, questioning the problems we face and requesting Your overall blessings. Quite often, we come before You wanting You to meet various needs. But today, help us remember that You already know our needs.

You already know the problems we face, and as our loving, caring, all powerful, Lord and Savior we can know that You’ve got things under Your control. When we’re in the middle of it, You’ve already established the end of it.

So Lord, let us come before You today, with thanksgiving. You’ve already done for us more than we deserve. The alarm clock could not awaken us, it was You! The vitamins haven’t kept us going, You have! Our brains, our mental powers are not responsible for the gains we’ve made. Lord, the real credit goes to You!

Master, You are the answer to our every concern. So keep us from getting the “big head.” And teach us to always be looking to You, trusting in You and being thankful for You.

Ten is an all-encompassing number. In Luke 17:15-18, all were blessed but only one showed gratefulness. The question is then asked, where are the other nine? In a world of thanklessness, help us avoid attitudes of entitlement. Help us be like the one who was grateful. Owing to Your precious gift of Jesus with gratefulness, I close this prayer! Amen and Amen!

The Pledge of Allegiance was led by Vice President Longbine.

Such license plate shall have displayed on it the registration number assigned to the vehicle and to the owner thereof, the name of the state, which may be abbreviated, and the year or years for which it is issued. The same type of license plates shall be issued for passenger motor vehicles, rented without
a driver, as are issued for private passenger vehicles.

(2) Any license plate issued pursuant to subsections (a) or (b) may be a personalized license plate subject to the provisions of subsection (c), including the payment of the additional fee.

(b) During calendar year 1975 commencing on the effective date of this act, and during every fifth calendar year thereafter, the division of vehicles shall furnish one license plate for any type of vehicle an owner registers or has the registration thereof renewed, but during the succeeding four-year period following calendar year 1975 and during the succeeding four-year period following every fifth calendar year subsequent to 1975, the division of vehicles shall not furnish any license plate for the renewal of a vehicle's registration. During calendar year 1976 and during each calendar year thereafter in which a license plate is not issued for the renewal of registration of a vehicle, the division of vehicles shall furnish one decal for the license plate issued for a vehicle as provided in K.S.A. 8-134, and amendments thereto, for each registration and renewal of registration of such vehicle. Notwithstanding the foregoing provisions of this subsection, whenever, in the discretion of the director of vehicles, it is determined that the license plates currently being issued and displayed are not deteriorating to the extent that their replacement is warranted, the director may adopt rules and regulations to extend the five-year issuance cycle provided for in this subsection by one year at a time, and in the same manner the director may further extend such cycle by one year at a time, successively as the director determines appropriate. If the cycle is extended at the expiration of the extended term, new license plates shall again be issued in the manner and for the term provided in such rules and regulations, except that the owner of a motor vehicle currently registered may continue to display the license plate currently being issued and displayed for a period not to exceed three registration years from the date of the expiration of the extended term. Such application shall be on a form prescribed by the division and accompanied by a fee of $40, which shall be in addition to any other fee required to renew the registration of such passenger vehicle under the laws of this state. One such personalized license plate shall be displayed on the rear of the vehicle and, at the option of the owner or lessee, the other license plate may be displayed on the front of the vehicle, except that no registration decal shall be issued pursuant to K.S.A. 8-134, and amendments thereto, for any such license plate displayed on the front of such vehicle. One personalized license plate may be issued to any owner of a motorcycle upon proper application in the same manner provided in this subsection (c) for passenger vehicles and trucks. The $40 fee shall be paid only once during the registration period for which such license plates were issued, and any subsequent renewals during the registration period shall be subject only to the registration fee prescribed by K.S.A. 8-143, and amendments thereto. The division shall design distinctive, personalized license plates to be issued which shall contain not more than seven letters or numbers on truck or passenger vehicle license plates and not more than five letters or numbers on motorcycle license plates, or a combination thereof, to be designated by the applicant in lieu of the letters and numbers required by K.S.A. 8-
147, and amendments thereto, other than the letters required to designate the county in which such vehicle is registered. Unless the letters or numbers designated by the applicant have been assigned to another vehicle, or unless the letters or numbers designated by the applicant have a profane, vulgar, lewd or indecent meaning or connotation, as determined by the director of vehicles, the division shall assign such letters or numbers to the applicant's vehicle, and the letters or numbers, or combination thereof, so assigned shall be deemed the registration number of such vehicle. Subject to the foregoing provisions, all license plates issued under this section shall be manufactured in accordance with K.S.A. 8-147, and amendments thereto. Such license plates shall be issued for a registration period of five years commencing in 1985 and each five years thereafter.

The secretary of revenue shall adopt rules and regulations necessary to carry out the provisions of this act, including, without limitation, rules and regulations concerning:

1. The procedure for insuring that duplicate license plates are not issued throughout the state;
2. The procedure for reserving distinctive license plates for the purpose of obtaining the same on each annual renewal of registration;
3. The procedure for allowing the transfer of personalized license plates from one vehicle to another for which such license plates were originally issued, when the title to the original vehicle has not been transferred and the name or names of the owner or owners listed on the titles to both vehicles are identical;
4. Procedures necessary to coordinate this act with other laws of this state governing registration of vehicles. The director of vehicles shall remit all moneys received by the division of vehicles under this section to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state highway fund.

MESSAGES FROM THE GOVERNOR

MESSAGE FROM THE HOUSE
Announcing passage of HB 2500, HB 2515, HB 2521.

INTRODUCTION OF HOUSE BILLS AND CONCURRENT RESOLUTIONS
HB 2500, HB 2515, HB 2521 were thereupon introduced and read by title.

ORIGINAL MOTION
Senator Holland rose to submit the following:
Pursuant to Senate Rule 11, I move that Senate Bill 249, the Kristi L. Bennett Mental Health Parity Act, be withdrawn from the Senate Financial Institutions and Insurance Committee and the bill be placed on the calendar under the order of business General Orders.
This legislation is of utmost importance to my constituents who asked me to introduce this bill last year. It helps to provide critical relief for those Kansans dealing with mental health and substance abuse crises.

On motion of Senator Petersen, the Senate adjourned until 10:00 a.m., Tuesday, February 25, 2020.
The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

When Tuned In To God, Nothing’s Impossible!
Matthew 19:26 and Luke 1:37

Heavenly Father, keeping in mind that we’re still celebrating Black History Month, we can thank You for the contributions of a brother who spent many formative years here in Kansas: in Fort Scott, Paola, Minneapolis, Olathe and Spring Hill. Although George Washington Carver, was born the son of slaves, You blessed him to become, as President Roosevelt labeled him, one of the most productive scientists our world has known, and Lord, You did that! He said “I love to think of nature as an unlimited broadcasting station through which God speaks to us every hour if we will only tune in.” He was so in tune with You and this world You created that You led him to bless us with scores and scores of inventions: turning soybeans into plastic, sweet potatoes into cereal, wood shavings into synthetic marble, cotton into paving blocks, and creating from peanuts more than three hundred by-products such as milk, coffee and shaving cream.

Lord, it is amazing what You can do with a mind that’s been set free and submitted, in tune with You. You did say, in Matthew 19:26 and Luke 1:37, that with Your help, “Nothing is impossible!” You also led him to unselfishly share with farmers throughout this land, while not seeking any royalties, the benefits of all his extensive research. Then, on January 5, 1943, You brought him home to be with You from labor to reward.

So, we’re thanking You today for blessing Kansas and the world with George Washington Carver. I offer this prayer of thanksgiving in the cherished Name of Jesus, Amen!

The Pledge of Allegiance was led by President Wagle.

SENATE RESOLUTION No. 1762—

A RESOLUTION

honoring United States service members who were exposed and fell victim to Agent Orange during and after the Vietnam War.

WHEREAS, Our nation was built by individuals who were willing to sacrifice their personal safety and concerns to ensure our individual and collective freedom; and

WHEREAS, Kansas is proud to be the home of many men and women who have performed above and beyond the call of duty; and

WHEREAS, Throughout the years, citizens of the United States have been called to take up arms against the enemies of our great nation, risking their lives and leaving their loved ones behind, to honorably safeguard the freedoms and liberties guaranteed to all Americans; and

WHEREAS, When an estimated 20 million gallons of Agent Orange were sprayed across Vietnam from U.S. aircrafts, destroying vegetation and crops that provided the enemy's food supply and cover that concealed enemy forces, millions of American soldiers were exposed to the chemical; and

WHEREAS, Agent Orange is a blend of poisonous herbicides, including dioxin, that, through physical contact or ingestion, causes a number of serious illnesses, including leukemia, myeloma, Hodgkin's and non-Hodgkin's lymphoma, ischemic heart disease, soft tissue sarcomas, amyloidosis, diabetes, Parkinson's disease and cancers of the throat, prostate and lung; and

WHEREAS, Agent Orange also causes genetic damage and birth defects, as some children and grandchildren of veterans exposed to Agent Orange have been born with spina bifida and other defects; and

WHEREAS, The Wall at the Vietnam Veterans Memorial in Washington, D.C., memorializes those who died overseas, but it does not include those veterans who were exposed and fell victim to Agent Orange years after the war; and

WHEREAS, Agent Orange continues to affect American heroes who served on the ground, in the air and on the waterways in Vietnam and who have developed these serious illnesses or passed away years after leaving battle; and

WHEREAS, We should honor these veterans as they have made untold and innumerable sacrifices to preserve the liberties we enjoy today and that generations to come will continue to cherish: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we honor United States service members who were exposed and fell victim to Agent Orange during and after the Vietnam War; and

Be it further resolved: That the Secretary of the Senate shall send six enrolled copies of this resolution to Senator Kerschen.

On emergency motion of Senator Kerschen SR 1762 was adopted by voice vote.
Comments from Senator Kerschen:

Today we are recognizing and honoring those veterans who served in Vietnam and were exposed to Agent Orange. There are not enough words in the entire dictionary to adequately express our gratitude for those veterans. So today we will settle for two important words and say “thank you.” In the VIP section are Barbara Osborn and Amber Kerschen (my niece) from Wichita. Barbara's husband Edwin was a victim of Agent Orange.

ORIGINAL MOTION

President Wagle announced the time had arrived to consider the motion submitted February 24, 2020 in writing by Senator Tom Holland, citing Rule 11(b), to withdraw SB 249 from the Committee on Financial Institutions and Insurance, and be placed on the calendar under the heading of General Orders.

SB 249, AN ACT concerning insurance; relating to coverage of mental illness and substance use disorders; limiting utilization review under certain circumstances; enacting the Kristi L. Bennett mental health parity act; amending K.S.A. 2019 Supp. 40-2,105 and 40-2,105a and repealing the existing sections.

On roll call, the vote was: Yeas 11; Nays 29; Present and Passing 0; Absent or Not Voting 0.
Yeas: Bollier, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Miller, Pettey, Sykes, Ware.

Pursuant to Senate Rule 11(b) requiring a majority vote of 24, the motion failed and SB 249 remains in committee.

EXPLANATION OF VOTE

Madam President: As a co-sponsor of SB 249, I vote in opposition of pulling this bill out of committee. It would be a disservice to Kristi L. Bennett's memory and to her loving family and friends for us to attempt to cobble together a Mental Health Parity solution on the Senate floor. As many of you know, I have worked tirelessly to find new solutions to the mental health crisis in Kansas. Just last year, I carried the amendment that was passed into law to create the Youth Suicide Prevention Coordinator. This session I have worked with my colleagues, the Senator from Johnson County and the Representative from Miami County, on a weekly basis to assure the progress of this bill. The House has had hearings and sub-committee meetings. They are working diligently toward the formation of a Task Force to address the many complicated issues involved in addressing the mental health needs of Kansans. It is more important for this legislature to find a true solution for Mental Health Parity than to cast a "feel good" vote.—Molly Baumgardner

EXPLANATION OF VOTE

Mr. Vice President: I vote “NO” on **Senate Bill 266** because we are unnecessarily delegating to the Real Estate Appraisal Board a responsibility, by their own admission, they do not specifically license and do not currently have approved courses for this designation. As the fiscal note indicates, costs will now rise for both the Kansas Property Valuation Division and Kansas counties. The Real Estate Appraisal Board has no more reason to be delving into mass appraisal instruction than dentists should be performing appendectomies.—**VIC MILLER**

Invocation by Reverend Cecil T. Washington:

God’s Provision of Grace and Mercy!
Hebrews 4:16 and James 4:6

Heavenly Father, in humility, we come to Your throne today. The Hebrew writer hit it on the head when he said in 4:16, “Let us approach the throne of grace with confidence so that we may receive mercy and find grace to help us in our time of need.”

And then You inspired James, the half brother of Jesus, to write in 4:16, that You increase Your grace toward the humble while You resist the prideful. Lord, the provision of Your grace is when You give us blessings, benefits and advantages that we need but do not deserve.

And the provision of Your mercy is when You relieve us. You save us from the negatives, destructives and the adverse that we do deserve. Lord, You spare us from the bad while You also shower us with the good! And the reason we’re able to enjoy our successes is because You furnish us generously with a balance.

You’re charitable with both Your grace and Your mercy. So Lord, the work and the success we look to achieve will only be realized through Your grace and mercy. Embracing humility and rejecting pride, in Your precious Name, I pray. Amen

The Pledge of Allegiance was led by President Wagle.

(3) Official documentation of a petitioner's status as a victim of human trafficking, aggravated human trafficking or commercial sexual exploitation of a child at the time of the offense shall create a rebuttable presumption that the petitioner was a victim of human trafficking, aggravated human trafficking or commercial sexual exploitation of a child at the time of the offense. Official documentation shall not be required to obtain relief under this section. As used in this subsection, "official documentation" means:

(A) A copy of an official record, certification or eligibility letter from a federal, state, tribal or local proceeding, including an approval notice or an enforcement certification generated from a federal immigration proceeding, that shows that the petitioner was a victim of human trafficking, aggravated human trafficking or commercial sexual exploitation of a child; or

(4) In considering whether the petitioner is a victim of human trafficking, aggravated human trafficking or commercial sexual exploitation of a child, the court may consider any other evidence the court determines is of sufficient credibility and probative value, including an affidavit or sworn testimony. Such evidence may include, but is not limited to:

(A) Branding or other tattoos on the petitioner that identified the petitioner as having a trafficker;

(B) testimony, police interview notes, police reports or affidavits from those with firsthand knowledge of the petitioner's involvement in the trafficking or exploitation, such as solicitors of commercial sex, family members, hotel workers and other individuals trafficked or exploited by the same individual or group of individuals who trafficked or exploited the petitioner;

(e) Upon request of the petitioner, all hearings conducted pursuant to this section shall be conducted in camera, by two-way electronic audio-video communication between the petitioner and the judge in lieu of personal presence of the petitioner or the petitioner's attorney in the courtroom from any location, or both. In addition, upon the request of the petitioner, the court shall not disclose or open to public inspection any information identifying the petitioner as a victim or alleged victim of human trafficking, aggravated human trafficking or commercial sexual exploitation of a child. Nothing in this subsection shall prohibit the petitioner from voluntarily disclosing such petitioner's identity. The court shall enter the order regardless of whether the petitioner has been convicted of any other offense or entered into a diversion agreement for any other offense;

(2) the court shall direct the Kansas bureau of investigation to purge the arrest records, conviction and related arrest records, or diversion agreement and related arrest records from the criminal justice information system central repository and all applicable state and federal databases. The clerk of the court shall send a certified copy of the order to the Kansas bureau of investigation, which shall carry out the order and shall notify the federal bureau of investigation, the secretary of corrections and any other criminal justice agency that may have a record of the conviction or diversion and arrest. The Kansas bureau of investigation shall provide confirmation of such action to the court; and

EXPLANATION OF VOTE

Mr. Chairman: "Vacatur" is the expungement of criminal arrest and conviction records of those shown to have been victims of human trafficking or undue, usually significantly older adult, coercion which might have lead them to their own criminal activity. In short, many people, overwhelmingly women abducted or threatened into sexual acts and/or otherwise trafficked, are often tried and convicted of prostitution and an array of other crimes. I introduced a bill to clear such victims in our State of criminal records which prevent many from employment and other opportunities; unduly hampering their quality of life when their only true "crime" was only rooted in being a victim of trafficking or undue coercion. I offered this amendment because the stall and delay tactics in not hearing or working this bill continues to victimize these otherwise innocent victims year after year after year. Advocacy organizations (such as Veronica's Voice and others) have long supported Kansas' joining other States which have already provided common-sense legal relief to these painful examples of piling on and preying of the relatively defenseless. It's crazy ironic that within this same hour this same Senate would vote, appropriately, to protect teenagers from cellphone camera-toting "peeping Toms" but now DOESN'T, so INAPPROPRIATELY, vote to protect teenagers from predators who manipulate or coerce them into criminal activities which restrict their futures. This amendment should have been passed TODAY included to this measure to the House and starting the road to their justice-demanding relief.—DAVID HALEY

An amendment was offered by Senator Sykes on SB 373. A ruling of the chair was requested as to the germaneness to the bill. The Chair of the Rules Committee ruled the amendment not germane.

EXPLANATION OF VOTE

Madam President: I regret that the carrier of the bill did not find my Amendment friendly. I am optimistic that the additional public funds in the bill being funneled to Eureka Downs will result in its opening soon. I am disappointed we did not take this opportunity to address the disparity in the tax rates between casinos and horse tracks for the Woodlands. I am disappointed this body, in an agricultural state, has just rejected the entire horse industry. I will continue to work to find opportunities to open the Woodlands in line with the wishes of my Wyandotte and Leavenworth constituents. I hope this body will join me in that legislation. With that, I support the Hollywood Casino and trust that they will operate sports gaming in a responsible manner. —KEVIN BRAUN

Senator Haley requests the record to show that he concurs with the “Explanation of Vote” offered by Senator Braun on SB 283.

Madam President: I vote “NO” on Senate Bill 283. This bill is not the result of some well thought out negotiations. This bill was coercively driven by the casinos lock, stock and barrel. Our state’s regulatory agency, the Kansas Lottery, had very little, if any, involvement in the drafting of this bill. Despite the fact the casinos are accountable to the Lottery and accountable to us. The casinos have never understood that they are “state owned and operated.” Instead, they believe they own us. I strongly urge the Kansas House to give the Lottery greater oversight over the casino’s authority on sports wagering. And, I also urge the House to authorize and allow reasonable i Lottery provisions in the bill. Unless and until these changes are made to Senate Bill 283, I will continue to vote NO. —ANTHONY HENSLY

Senator Faust-Goudeau request the record to show she concurs with the "Explanation of Vote" offered by Senator Hensley on SB 283.
Madam President: I vote “NO” on Senate Bill 283. I very much support sports wagering and a robust iLottery, but I cannot support this bill. As it is currently written, this bill contains contractual language that would handcuff the state in pro-actively managing the rapidly evolving sports wagering business segment. We must keep our statutes clean and free of anything that would impede the operations of or negatively impact the profitability of state-sanctioned gaming. This bill should be enabling legislation that simply allows the state of Kansas to extend its brand into doing sports wagering and removing the prohibition of internet gaming. And, at the end of the day, if Kansas is going to extend its gaming products then that extension needs to be profitable for the State, and the State should be in full control of the revenue stream. Again, I fully support state-sanctioned sports wagering and iLottery, but only if it benefits all stakeholders – the citizens, the State of Kansas, and the operators. This bill does not do that. For these reasons, I vote no.

**EXPLANATION OF VOTE**

Madam President: I “PASS” on **SCR 1614**. The resolution seeks to support Kansas farmers and ranchers in the Rattlesnake Creek subbasin in their ongoing effort to protect their water rights and livelihood through a collaborative solution to the region’s water impairment. I believe that a resolution asking for collaboration should also address our interests in wildlife and tourism in this area. The U.S. Fish and Wildlife Service holds a senior water right for the Quivira National Wildlife Refuge; many of these farmers and ranchers have junior rights. I want to safeguard Kansas agriculture and the economic success of all Kansas farmers, ranchers, and agribusiness by defending our system of water rights overall. The U.S. Fish and Wildlife Service has given us time to find a solution by not making a request for water in fiscal year 2020. The Kansas Water Appropriation Act protects both the people’s right to use Kansas water and the state’s supplies of groundwater and surface water for the future. Rather than avoid government control, let’s use the Appropriation Act and those governmental opportunities such as water conservation areas and augmentation to help protect future water access for the farmers and ranchers in the Rattlesnake Creek subbasin. — **MARCI FRANCISCO**

**REPORTS OF STANDING COMMITTEES**

"Senate Substitute for HOUSE BILL No. 2063

By Committee on Assessment and Taxation

"AN ACT concerning property taxation; relating to tax levies; discontinuing the state tax levies for the Kansas educational building fund and the state institutions building fund; providing financing therefor; amending K.S.A. 76-6b01, 76-6b02, 76-6b04, 76-6b05 and 76-6b11 and repealing the existing sections."; and the substitute bill be passed.

Also, SB 174 be amended on page 1, following line 6, by inserting:

"Section 1. K.S.A. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction
claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(vi) Any amount of designated employee contributions picked up by an employer pursuant to K.S.A. 12-5005, 20-2603, 74-4919 and 74-4965, and amendments thereto.

(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,204, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to K.S.A. 79-32,117(c)(xv), and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

(xiii) The amount of any expenditures claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,217 through 79-32,220 or 79-32,222, and amendments thereto.

ad valorem or property taxes and assessments paid to a state other than Kansas or local
government located in a state other than Kansas by a taxpayer who resides in a state
other than Kansas, when the law of such state does not allow a resident of Kansas who
earns income in such other state to claim a deduction for ad valorem or property taxes
or assessments paid to a political subdivision of the state of Kansas in determining
taxable income for income tax purposes in such other state, to the extent that such taxes
and assessments are claimed as an itemized deduction for federal income tax purposes.

Journal of the Senate

THIRTY-SECOND DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, February 27, 2020, 10:00 a.m.

The Senate was called to order by Vice President Jeff Longbine.
The roll was called with 39 senators present.
Senator Bollier was excused.
Invocation by Reverend Cecil T. Washington:

The Necessity Of Wisdom And Understanding!
Psalm 111:10 and Ecclesiastes 12:13

Gracious Master, with the responsibilities we face and the decisions we must make, we have to have Your direction. For only with Your guidance can we know which way to go. You said in Psalm 111:10 that wisdom starts with a healthy reverential fear of You and all of us that follow Your commands will possess good understanding.

Wisdom is looking at issues from Your perspective when making a decision. Understanding is what we have after making wise decisions. The qualities of wisdom and understanding are necessary for us to be the servants You want us to be.

So Lord, as we fear disrespecting and dishonoring You, as we fear going against You, lead us by Your Holy Spirit to gain the much needed wisdom and understanding.

In Ecclesiastes 12:13 You say the conclusion of everything is to fear You and keep Your commandments, for this is the whole duty of what all of us need to do.

Wisdom and understanding are necessary for us to succeed. And Lord, our only hope for both rests in You. So Lord, we look to You, the Author and Finisher of our success. We’re relying on You and I’m thanking You, in the Name of Jesus, for a most blessed future. Amen and Amen

The Pledge of Allegiance was led by Vice President Longbine.

EXPLANATION OF VOTE

Mr. Vice President: SB 380 leaves me concerned over local control. It is my hope that we have additional legislation that encourages the two parties involved in this legislation to work together to resolve these issues in the future without additional unnecessary state level legislation.—Kevin Braun

Senators Baumgardner, Haley and Lynn request the record to show that they concur with the “Explanation of Vote” offered by Senator Braun on SB 380.

Mr. Vice President: I rise in opposition to SB 380. I do not support SB 380 because it encroaches on local control. Agreements negotiated with local units of government are more representative of needs of a local community than a state statute. I see this bill as a clear encroachment on the control of local units of government.—Ed Berger

Invocation by Reverend Cecil T. Washington:

The Heavenly Problem Solver, Solving Our Earthly Problems!
Isaiah 55:8-9

Heavenly Father, we're returning today from a time out, from a brief pause. We've come back to pursue our assignments and the challenges facing us in our endeavors. Now that we're back, we need Your Divine influence.

As questions arise, we look to You for solutions. When there's discord and we have trouble reaching agreement, we look to You to bring harmony. For wherever You are is where we need to be. And we can't get there apart from Your Divine intervention.

Because You made it clear through Isaiah the Prophet in 55:8-9 that our thoughts don't even begin to measure up to Yours. Your thoughts and Your ways are so much higher than ours that it's like the heavens being higher then the earth. So there's no way that these finite brains of ours can come up with Godly solutions for our earthly problems.

Therefore, as we tackle the concerns that stand before us, bless us with Your Heavenly perspectives. And Lord, keep us humble. Keep us from "Big Headedness," realizing that all our successes down here are inspired and motivated by You up there. I come afresh in the blessed Name of Jesus. Amen!

The Pledge of Allegiance was led by President Wagle.

Invocation by Reverend Cecil T. Washington:

Hearing God In The Closet Of Prayer!
Mathew 6:5-13

Gracious God; thank You for this moment that is set aside for prayer. In Matthew 6:6, Your Word speaks of going into a closet and shutting the door to pray. More than anything, more than whatever may be going on in the world around us, we need to personally and individually hear from You.

So, Lord, right now as we go into prayer, help us to shut the door. Help us to avoid the distractions that come when we try turning our thoughts to You. For sometimes, when we try to pray instead of connecting and talking with You, we find our minds wandering and we wind up talking to ourselves about what we’re going to do when we finish prayer time.

Lord, for our prayers to get past the ceiling and truly enter Your throne room of grace, we need You, by Your Powerful Holy Spirit, to connect with our frail human spirits.

So, Lord, for the next few moments, even as I’ve been leading us in prayer, I’m going to shut my mouth. For a few quiet moments, so that Your still, small, quiet voice might break through and be heard by each of us, we’ll shut the door to distractions.

Lord, I thank You for the privilege of prayer and for these few moments spent in the closet. In the precious Name of Jesus, Amen.

The Pledge of Allegiance was led by President Wagle.

Remembering and Acknowledging Our God Moments!
Psalm 29:1-11

Lord God of Heaven and Earth, Your compassionate, generous kindness has once again carried us through. You’ve maintained us. You’ve blessed us with a fair amount of health and You replenish daily a portion of our strength.

Lord, You’ve kept us, You’ve protected us from dangers; some seen and some unseen. When the waters of life have been troubling, You’ve been our bridge.

In times of struggle, You’ve been our champion. In times of gloom, You’ve been our delight. Even when time has been running out and we’re trying to meet a deadline, it seems like You apply brakes to the clock.

Yet, there’ve been times Lord, when we’ve failed to acknowledge Your goodness. Please forgive us for times of ungratefulness. Sometimes, we have received credit and even been commended for what Your unseen Hand has accomplished. Lord, You’re in the habit of overcoming our shortcomings and perfecting our imperfections.

You have miraculously helped us to complete tasks that we were unable to finish. Like the Psalmist in 29:1-11, help us to acknowledge with great gratitude Your loving care, guidance and protection. When we pause, as we do right now, to consider the depth and breadth of Your love, it is amazing and sometimes overwhelming.

It’s just plain good to know we’re in Your Hands. So Lord, to advance our good and the good of Your people, have Your way with us today. To Your glory and honor, I offer this prayer of praise and gratefulness in the Sacred name of Jesus. Amen and Amen!

The Pledge of Allegiance was led by President Wagle.

The Senate was called to order by Vice President Longbine.
The roll was called with 39 senators present.
Senator Denning was excused.
The Vice President introduced guest pastor, Rev. Canon Shay Craig, Christ Episcopal Cathedral in Salina, to deliver the invocation:

Ladies and gentlemen, this afternoon I call for God's blessing on you and your work with the prayer attributed to St. Francis Assisi. It is a common and widely used prayer. You may know it well enough to say it with me and I invite you to do that silently or aloud. However, as with all familiar prayers, we run the risk of saying the words by rote, without considering their meaning or application specifically in our lives. And so I charge you, as the prayer lifts up individual examples of sin and suffering, to hold in your hearts, cases in your communities and constituencies where these conditions exist. I humbly ask God to use you to heal what is broken in the world. Let us pray:

Lord, make us instruments of your peace.
Where there is hatred, let us sow love;
where there is injury, pardon;
where there is discord, union;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy.
O divine Master, grant that we may not
so much seek to be consoled as to console;
to be understood as to understand;
to be loved as to love.
For it is in giving that we receive;
it is in pardoning that we are pardoned;
and it is in dying that we are born to eternal life. Amen.

The Pledge of Allegiance was led by Vice President Longbine.

Invocation by Reverend Cecil T. Washington:

What We Need Now, Is A Word From The Lord!
Genesis 1-31

Heavenly Father, they say that the Corona Virus, aka COVID:19, is possibly here in Shawnee County. But what do You say? They say the virus is likely to have a 1 to 2 percent fatality rate. But what do You say? Some say the seriousness is drastically under-rated, while others are saying it’s severely over-rated. But still, what do You say? Some say we should stay home and avoid the public. Others are saying, “just don’t shake hands while we do business as usual.” But most importantly, what do You say?

One set of experts is telling us one thing, while another set is saying something different; when to wear masks, and what kind, or when not to wear them. Lord, You have the words of life. In Genesis 1, all You did was speak, and the entire world was formed. So Lord, all You have to do now, is speak. So, while others are saying whatever it is they have to say, the question is still what do You say?

The songwriter Thomas Whitfield had it right when he said… “We need a word from the Lord, a word from the Lord. Just one word from the Lord will move all the doubts and cause the sun to shine, and give peace of mind. Speak Lord. Speak.”

So Lord, while we listen to all the experts, and take all the earthly precautions, we’ll wait on that Word from You. And it is in Your Holy and Precious Name that I offer these words, Amen and Amen.

The Pledge of Allegiance was led by President Wagle.

POINT OF PERSONAL PRIVILEGE

Senator Lynn rose on a Point of Personal Privilege and submitted the following written comments:

I am so proud to introduce to the body today, seated in the VIP gallery, the Leadership Council and coaches of the 2019 State 5A Football Champions from Mill Valley High School, which the Senator from Johnson (Senator Thompson) and I share in representing from DeSoto and Shawnee. They bring with them an incredible story of adversity and victory, displaying a resilience and mettle that saw them go undefeated in nine straight contests after starting the season 1-3, ultimately taking home the winner’s trophy for the third time in the past five years.

In the process of prevailing in games at the District, Regional, Sectional, and Sub-state levels, they broke their own single season team rushing record. They also claimed two road playoff victories over previously unbeaten teams before repeating the feat in the State Title game. Most notably, their offense scored 40 points in that final challenge against a Wichita Northwest squad that had been giving up just over 10 points on average, while holding that opponent to 22 points under what it had been scoring.

Here to be recognized with and accept a Special Senate Tribute on behalf of the entire team are Carson Caldwell, Senior Linebacker; Grant Frost, Senior Defensive Back; Tyler Green, Senior Running Back; Kyle Kelly, Senior Offensive Lineman; Ethan Kremer, Junior Defensive Lineman; Cooper Marsh, Junior Quarterback; Jack McGuire, Senior Defensive Back; Joel Applebee, Head Coach; Drew Hudgins, Assistant Coach/Defensive Coordinator; Aaron Cox, Assistant Coach/Defensive Line; Ian Nichols, Assistant Coach/Corners; Kurt Bangle, Assistant Coach/Offensive Line; and Nick Foster, Assistant Coach/Quarterbacks.
Not able to be with us today, but certainly instrumental in the tremendous success of this amazing team are Seniors Kendal Christopher; Zach Mills; Martin Pallesen; Ben Mason; Tabari Johnson; Mason Scott; Duncan Haines Mills; Justin Sanders; Donald Kinsey; Adrien Blazer; Wyatt Hofstetter; and Nathan Janssen, along with Juniors Quin Wittenauer; Jacob Hartman; Taggart Baker; Dalton Harvey; Kolten Jegen; Chris Tennant; Hunter Johns; Trey Worcester; Pete Janssen; Ty Reishus; Cole Clauer; Kevin Jackson; Blake Martin; Hunter Gray; J.T. Grissom; Cole Knappen; Ashton Belt; Saxton Hall; Robbie Dervin; Prataap Bassi; David Cunningham; Tommy Penner; Timmy Penner; Sam Hecht; Lake Williams; and Tyler Hartwich.

Sophomore players for the Jaguars are Kendrick Jones; Javaun Neal; Blake Boatwright; Aidan Jacobs; Kris Twigg; Ben Fitterer; Jason Smith; Reece Porter; Jay Ybarra; John Anderson; Caleb Phipps; Payton Douglas; Aidan Shaffer; Owen Byerley; Ryan Fulcher; August Steinle; Cole Seyb; Teddy Brown; Cadynce Marlow; Dylan Jackson; Kellen Hobbs; and Jared Napoli. Finally, three Freshmen members are Hayden Jay; Preston Oliver; and Jesse Wood. Contributing as Managers are Kylee Dunn; Shelby Easum; Brady Gabbert; Megan Habib; Makayla Hilman; Jurgen Langegger; Ethan Males; Nick Pettigrew; Carlie Powers; Deema Rashid; Ben Stove; Austin Tomandl; and Kennedy Yeoman.

Complementing the coaching staff at Mill Valley are Josh Barnes; T.J. Finan; Terrale Johnson; Zach McFall; Greg Oder; Eric Thomas; Geoff White; Brad Scott; Matt Best; and Dustin Ester. The Athletic Trainers are Clint McAlister; Dr. Bryan Vopat; and Dr. Lucas Thompson, while the “Voice of the Jaguars” is Nick Pierce. Tobie Waldeck is School Principal; Jerald VanRheen, Marilyn Chrisler, and Jennifer Smith are Associate Principals; and Frank Harwood is USD 232 Superintendent. What an impressive “line-up” of personnel and support staff that all come together to make a championship organization; it is no wonder our beloved Jaguars have created a winning tradition that is here to stay!

Invocation by Reverend Cecil T. Washington:

Overcoming The Fear That The Virus Is Spreading!
Matthew 10:28, Romans 6:23, 2 Corinthians 5:1

Heavenly Father, everywhere we turn, the pressing concern of the day is to protect our bodies and avoid contamination. Lord, the prayer You’ve given me for today is for us to realize that our bodies are meant to be temporary temples for us to take care of and for You to dwell in.

You confirm in Matthew 10:28 that we’re not to fear what can happen to the body, but to be afraid of what can happen to the soul. You’ve shown the parallels between these two concerns and why it is the soul of man that needs to be protected, quarantined and isolated from the devastating pandemic of sin.

Lord, help us to get our priorities in line with Yours. You said we should have greater fear over the condition of our soul than the condition of our body. And the statistics reveal, without question, that all our bodies are going to die.

In Romans 6:23, You said the wages of sin is death. In 2 Corinthians 5:1, You describe our bodies as tents, temporary dwellings for the soul of a person. And when time comes to move out, You have a permanent dwelling place for us with You; a building and a new body for us to enjoy in Heaven.

So Lord, even though we’ll do all we can to keep these tent bodies in livable condition and look to You for guidance on how to preserve them, regularly remind us that keeping the soul healthy is a priority. Help us, with body and soul, to love You with all that we have and then to love others as we love ourselves. Knowing that by virtue of Your love for us, the problem of dwelling in a sick, sagging tent will one day be overcome.

I thank You for Your daily protection, and I thank You for the eternal promise we have in Jesus, Amen and Amen!

The Pledge of Allegiance was led by President Wagle.

POINT OF PERSONAL PRIVILEGE

Senator Faust-Goudeau rose on a Point of Personal Privilege on February 10 and has submitted the following comments: March is National Kidney Month and this Thursday is World Kidney Day. Today, a group of organizations are here holding their annual Kidney Advocacy Day at the Capitol. You may have seen them providing education about kidney disease on the 2nd floor rotunda and also providing free blood pressure checks. Did you know that 1 in 3 adults have chronic kidney disease and don’t know it? And diabetes and high blood pressure are the main causes of kidney failure, which then requires someone to be on dialysis or have a kidney transplant to maintain life. Today in our VIP area is Alonzo Jamison who has a living donor kidney transplant and his wife Colleen who volunteers for the National Kidney Foundation. Additional group members in the gallery today are from the following organizations, and we ask them to stand to be recognized: National Kidney Foundation Serving Western Missouri, Kansas and Oklahoma; Kansas Kidney Coalition; Saint-Luke’s Hospital-Kidney Transplant Program; Save-A-Life, Inc.; The University of Kansas Health System-Center for Transplantation; and Midwest Transplant Network.

Invocation by Reverend Cecil T. Washington:

The Sufficiency of God’s Grace In Risk Management!
2 Corinthians 12:9, Hebrews 13:5

God of Heaven and Earth, by virtue of Your grace and mercy, we’re back; back, ready and willing; willing to be used by You, employed by You to be in service to the needs of the people You’ve called us to serve and work for.

Meanwhile Lord, what’s dominating the news are the risks involved as we interact with others. Yet, taking risks is not news to us. Our exposure to hazards is a way of life, and we know that You are the Author and Sustainer of life. You have provided us with Your Words of encouragement. Words to suppress our fears that would weaken us, and Words to bolster our faith and strengthen us.

In 2 Corinthians 12:9, in view of the Apostle Paul’s vulnerability, You said Your grace was sufficient. And in Hebrews 13:5, You promise to never leave or forsake Your people. So as we go about our duties, give us wisdom and guidance for every task. And remind us of Your continuing grace and mercy.

I thank You for providing us with a protective hedge. In Jesus’ Name, Amen.

The Pledge of Allegiance was led by President Wagle.

EXPLANATION OF VOTE

Mr. Vice President: I vote "NO" on Senate Bill 322. Here again, this bill is a reduction in revenue to our state's general fund. And, unlike Senate Substitute for House Bill 2054, we do know what the fiscal note is on this bill. This bill would reduce revenues by $6 million by imposing two sales tax exemptions. We cannot afford to do this before we've debated the state's budget. For these reasons, I vote "NO". —ANTHONY HENSLEY

EXPLANATION OF VOTE

Mr. Vice President: I vote "NO" on Senate Substitute for House Bill 2054. We have never seen the fiscal note on this bill, even though we were told during debate that the fiscal note would be coming “momentarily.” The original loss of revenue to the general fund in this bill was $43 million. This amount has been reduced but we do not know by how much. I cannot in good conscience vote for a bill without knowing what it will cost the state. I cannot vote for this bill before the Senate even considers our overall budget. For these reasons, I vote “NO”.—Anthony Hensley

Invocation by Reverend Cecil T. Washington:

Relying On God Over Trusting Human Ingenuity!
Jeremiah 17:5-9

Heavenly Father, we come today, during a season of challenging times. In Jeremiah 17:5-9, You said we’re to put no trust in the flesh; in human ingenuity; not our own or anyone else. You declared that considerable misfortune would result from misplaced trust. Our confidence and trust is to be in You; listening to You; following Your lead.

And when we by faith submit and surrender to You, it’s phenomenal what You wind up doing. Oh! Good God Almighty, You turn these vessels of clay into vessels of blessings. You wind up doing in and through us, things that we don’t even realize You’re doing. Praise Your Holy Name! And then for confirmation, someone comes with words of appreciation stating how they were blessed by something we said or something we did. Maybe it was a loved one; or a coworker; sometimes it could be a perfect stranger. But it lets us know that we’re in Your hands being used by You to bless and encourage others.

So Lord, keep using us. Keep us usable! Keep us functioning. Keep us functional! In the midst of all the widespread chaos, keep reminding us to do Your will, not our own. And the only way to do Your will is when You lead us to do it Your way! I thank You again for Your reliability! In Jesus’ Name, Amen.

The Pledge of Allegiance was led by Vice President Longbine.

Mr. Vice President: These are extraordinary times. In our Capitol, in our state, in our nation. When faced with these extraordinary circumstances, we must remain watchful for any attempts to overreach authority. I have concerns about the overreach of authority granted the judicial branch in **H Sub SB 102**. Unfortunately, the proposed amendments offered by our Senate Judicial Committee leadership were blocked in a rush to concur. That is why I cannot vote to support this bill.—**MOLLY BAUMGARDNER**

EXPLANATION OF VOTE

Mr. Vice President: I thank the Ways and Means Committee Chair and the Committee Members for their hard work on this budget. This budget is not perfect and I don't think any budget has ever been perfect but I respect the work that went into it. If I were writing the budget by myself I would have some different priorities but that is not how our Constitutional process works. I respect that we followed the Constitution and the Senate Committee process on this bill. This process was challenging but I provided input and all other Senators had that opportunity as well. The process to this point did not include shortcuts. As a member of the Ways and Means Committee with 100% attendance I can assure all that there was no person who ever discussed or even implied that this bill would authorize Medicaid Expansion. In addition, although I would have preferred that the body had approved my proposed amendment I was once again reassured during the debate on my amendment that the Governor committed to Senate members that she would not use the limited one line, one year proviso language in this bill as a mandate by this body in regard to, or as a foundation for, Medicaid Expansion. In respect for both the hard work of the Ways and Means Committee and the assurances that this will not be used for Medicaid Expansion I am confident that my vote of yes is in line with my commitment to the Value Them Both Amendment passing both chambers before any discussions of changes to Medicaid.—KEVIN BRAUN

Invocation by Reverend Cecil T. Washington:

Some Qualities of God That Encourage Us!
Psalm 139:1-12, Jeremiah 32:17

Lord, You are the God of Heaven, Earth and all that is therein. When we consider Your attributes, the qualities You possess, we can recognize that You’re the only One capable of meeting all our needs. These attributes unquestionably establish You as God, and give us a reason for hope and optimism.

You prove to be Omniscient! According to Psalm 139:1-6, You know everything there is to know about everything. There’s nothing You need to learn. You know everything exhaustively and You know everything truly without any mixture of error. Therefore we can trust You to know each of us precisely and to know everything we need. You are our God!

You also prove to be Omnipresent! By Your Spirit, You’re everywhere simultaneously. The Psalmist declared in Psalm 139:7-12 that You fill the Heavens and earth. So, when we are here, there or anywhere, we can be confident You are with us. You are our God!

Thirdly Lord, In Jeremiah 32:17, You prove to be Omnipotent; You are all powerful! By Your great power You created the Heavens and the Earth. So no problem we face is too hard for You to handle. You are our God!

But Lord, with all that being said, remind us to be careful and use wisdom. Keep us from getting cocky and presumptuous. As You do Your part to supernaturally keep us safe, keep us mindful to do our part. And with Your help, we’ll continue to serve. I thank You for doing Your part. In Jesus’ Name, Amen.

The Pledge of Allegiance was led by Vice President Longbine.

EXPLANATION OF VOTE

Mr. Vice President: While I vote “AYE” on HCR 5025, I do not support the third amendment that was added. To pass “...the Governor shall not have the power or authority to...(5) perform and exercise such other functions, powers and duties as are necessary to promote and secure the safety and protection of the civilian population...” is beyond comprehension.—BARBARA BOLLIER

Mr. Vice President: I RELUCTANTLY VOTE “AYE” ON HCR 5025. For some to continue to deny the regrettable spread of the COVID-19 (aka “novel coronavirus”) across our land is foolish and, as a legislative body, to not act swiftly, and proactively, wholly irresponsible. Whatever the inevitable health, social and even economic outcome totals from this outbreak become, preventative measures, in consultation with emergency management and respected health care administrators, should be our united
response to swiftly provide and to enact reasonable protocols. **HCR 5025** as originally drafted and introduced was crafted correctly to address and avert further crisis. One would think that empowering any executive branch; be it local (mayor), state (governor) or federal (president), to implement most timely of responses should be the automatic chorus of any body politic. Amended, **HCR 5025** frustrates the concept of our Governor to utilize best practices with broad latitude. A now hollowed, anemic resolution is a juvenile offering to an epidemic requiring mature action. Recognizing that we need to provide direct legislative affirmation as found in the original resolution but not wanting to support near-meaningless which is, in my opinion, what this now amended resolution is, I voted to “PASS” on final action until now, compelled only by the Senate, to decide and vote AYE.—**DAVID HALEY**

Senator Pettey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Haley on **HCR 5025**.

**ORIGINAL MOTION**

Having voted “NO” on the previous day on **H Sub SB 27**, Senator Suellentrop requested to change his vote to “AYE.”

Having voted “Pass” the previous day on **H Sub SB 27**, Senator Billinger requested to change his vote to “AYE.”

God Bless America, land that I love.  
Stand beside her and guide her,  
Through the night with a light from above.  
From the mountains, to the prairies,  
To the oceans white with foam,  
God bless America, my home sweet home.  Amen

Upon completing such first twelve-month fiscal year, such hospital's assessment under this section shall be the amount equal to 1.83% of such hospital's net operating revenue for such first completed twelve-month fiscal year.

(3) The amendments made to subsections (a) and (b) by this act shall take effect on and after January 1 or July 1 immediately following such publication of such approval.
Sec. 3. K.S.A. 75-7435 is hereby amended to read as follows: 75-7435. (a) As used in this section unless the context requires otherwise:

(1) Words and phrases have the meanings respectively ascribed thereto mean the same as defined by K.S.A. 39-923, and amendments thereto.

(2) "Skilled nursing care facility" means a licensed nursing facility, nursing facility for mental health as defined in K.S.A. 39-923, and amendments thereto, or a hospital long-term care unit licensed by the department of health and environment, providing skilled nursing care, but shall not include the Kansas soldiers' home or the Kansas veterans' home.

(3) "Licensed bed" means those beds within a skilled nursing care facility which the facility is licensed to operate.

(4) "Agent" means the Kansas department for aging and disability services.

(5) "Continuing care retirement facility" means a facility holding a certificate of registration issued by the commissioner of insurance pursuant to K.S.A. 40-2235, and amendments thereto.

(b) (1) Except as otherwise provided in this section and in subsection (f), there is hereby imposed and the secretary of health and environment shall assess an annual assessment per licensed bed, hereinafter called a quality care assessment, on each skilled nursing care facility. The assessment on all facilities in the aggregate shall be an amount fixed by rules and regulations of the secretary of health and environment, shall not exceed $4,908 annually per licensed bed, shall be imposed as an amount per licensed bed and shall be imposed uniformly on all skilled nursing care facilities except that the assessment rate for skilled nursing care facilities that are part of a continuing care retirement facility, small skilled nursing care facilities and high medicaid volume skilled nursing care facilities shall not exceed $4,908 annually per licensed bed. No rules and regulations of the secretary of health and environment shall grant any exception to or exemption from the quality care assessment. The assessment shall be paid quarterly, with one fourth of the annual amount due by the 30th day after the end of the month of each calendar quarter. The secretary of health and environment is authorized to establish delayed payment schedules for skilled nursing care facilities which are unable to make quarterly payments when due under this section due to financial difficulties, as determined by the secretary of health and environment. As used in this paragraph, the terms "small skilled nursing care facilities" and "high medicaid volume skilled nursing care facilities" shall have the meanings ascribed thereto by the secretary of health and environment by rules and regulations, except that the definition of "small skilled nursing care facility" shall not be fewer than 40 beds.

(2) Beds licensed after July 1 each year shall pay a prorated amount of the applicable annual assessment so that the assessment applies only for the days such new beds are licensed. The proration shall be calculated by multiplying the applicable assessment by the percentage of days the beds are licensed during the year. Any change which reduces the number of licensed beds in a facility shall not result in a refund being issued to the skilled nursing care facility.

(3) If an entity conducts, operates or maintains more than one licensed skilled nursing care facility, the entity shall pay the nursing facility assessment for each facility separately. No skilled nursing care facility shall create a separate line-item charge for the purpose of passing through the quality care assessment to residents. No skilled
nursing care facility shall be guaranteed, expressly or otherwise, that any additional moneys paid to the facility under this section will equal or exceed the amount of its quality care assessment.

(4) The payment of the quality care assessment to the secretary of health and environment shall be an allowable cost for medicaid reimbursement purposes. A rate adjustment pursuant to subsection (d)(5) shall be made effective on the date of imposition of the assessment, to reimburse the portion of this cost imposed on medicaid days.

(5) The secretary of health and environment shall seek a waiver from the United States department of health and human services to allow the state to impose varying levels of assessments on skilled nursing care facilities based on specified criteria. It is the intent of the legislature that the waiver sought by the secretary of health and environment be structured to minimize the negative fiscal impact on certain classes of skilled nursing care facilities.

(c) Each skilled nursing care facility shall prepare and submit to the secretary of health and environment any additional information required and requested by the secretary of health and environment to implement or administer the provisions of this section. Each skilled nursing care facility shall prepare and submit quarterly to the secretary for aging and disability services the rate the facility charges to private pay residents, and the secretary shall cause this information to be posted on the web site of the department for aging and disability services.

(d) (1) There is hereby created in the state treasury the quality care fund, which shall to be administered by the secretary of health and environment. All moneys received for the assessments imposed pursuant to subsection (b), including any penalty assessments imposed thereon pursuant to subsection (e), shall be remitted to the state treasurer in accordance with K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the quality care fund. All expenditures from the quality care fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of health and environment or the secretary's agent.

(2) All moneys in the quality care fund shall be used to finance initiatives to maintain or improve the quantity and quality of skilled nursing care in skilled nursing care facilities in Kansas. No moneys credited to the quality care fund shall be transferred to or otherwise revert to the state general fund at any time. Notwithstanding the provisions of any other law to the contrary, if any moneys credited to the quality care fund are transferred or otherwise revert to the state general fund, 30 days following the transfer or reversion the quality care assessment shall terminate and the secretary of health and environment shall discontinue the imposition, assessment and collection of the assessment. Upon termination of the assessment, all collected assessment revenues, including the moneys inappropriately transferred or reverting to the state general fund, less any amounts expended by the secretary of health and environment, shall be returned on a pro rata basis to skilled nursing care facilities that paid the assessment.

(3) Any moneys received by the state of Kansas from the federal government as a result of federal financial participation in the state medicaid program that are derived from the quality care assessment shall be deposited in the quality care fund and used to finance actions to maintain or increase healthcare in skilled nursing care facilities.
(4) Moneys in the fund shall be used exclusively for the following purposes:

(A) To pay administrative expenses incurred by the secretary of health and environment or the agent in performing the activities authorized by this section, except that such expenses shall not exceed a total of 1% of the aggregate assessment funds collected pursuant to subsection (b) for the prior fiscal year;

(B) to increase nursing facility payments to fund covered services to medicaid beneficiaries within medicare upper payment limits, as may be negotiated;

(C) to reimburse the medicaid share of the quality care assessment as a pass-through medicaid allowable cost;

(D) to restore the medicaid rate reductions implemented January 1, 2010;

(E) to restore funding for fiscal year 2010, including rebasing and inflation to be applied to rates in fiscal year 2011; and

(F) the remaining amount, if any, shall be expended first to increase the direct health care costs center limitation up to 150% of the case mix adjusted median, and then, if there are remaining amounts, for other quality care enhancement of skilled nursing care facilities as approved by the quality care improvement panel but shall not be used directly or indirectly to replace existing state expenditures for payments to skilled nursing care facilities for providing services pursuant to the state medicaid program.

(5) Any moneys received by a skilled nursing care facility from the quality care fund shall not be expended by any skilled nursing care facility to provide for bonuses or profit-sharing for any officer, employee or parent corporation but may be used to pay to employees who are providing direct care to a resident of such facility.

(6) Adjustment payments may be paid quarterly or within the daily medicaid rate to reimburse covered medicaid expenditures in the aggregate within the upper payment limits.

(7) On or before the 10th day of each month, the director of accounts and reports shall transfer from the state general fund to the quality care fund interest earnings based on:

(A) The average daily balance of moneys in the quality care fund for the preceding month; and

(B) the net earnings rate of the pooled money investment portfolio for the preceding month.

(e) If a skilled nursing care facility fails to pay the full amount of the quality care assessment imposed pursuant to subsection (b), when due and payable, including any extensions of time granted under that subsection, the secretary of health and environment shall assess a penalty in the amount of the lesser of $500 per day or 2% of the quality care assessment owed for each day the assessment is delinquent. The secretary of health and environment is authorized to establish delayed payment schedules for skilled nursing care facilities that are unable to make installment payments when due under this section because of financial difficulties, as determined by the secretary of health and environment.

(f) (1) The secretary of health and environment shall assess and collect quality care assessments imposed pursuant to subsection (b), including any penalty assessments imposed thereon pursuant to subsection (e), from skilled nursing care facilities on and after July 1, 2010, except that no assessments or penalties shall be assessed under subsections (a) through (h) until:
(A) An amendment to the state plan for medicaid, which increases the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program and which is proposed for approval for purposes of subsections (a) through (h) is approved by the federal government, in which case the initial assessment is due no earlier than 60 days after state plan approval; and

(B) the skilled nursing care facilities have been compensated retroactively within 60 days after state plan approval at the increased rate for services provided pursuant to the federal medicaid program for the period commencing on and after July 1, 2010.

(2) The secretary of health and environment shall implement and administer the provisions of subsections (a) through (h) in a manner consistent with applicable federal medicaid laws and regulations. The secretary of health and environment shall seek any necessary approvals by the federal government that are required for the implementation of subsections (a) through (h).

(3) The provisions of subsections (a) through (h) shall be null and void and shall have no force and effect if one of the following occur:

(A) The medicaid plan amendment, which increases the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program and which is proposed for approval for purposes of subsections (a) through (h) is not approved by the United States centers for medicare and medicaid services;

(B) the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program are reduced below the rates calculated on December 31, 2009, increased by revenues in the quality care fund and matched by federal financial participation and rebasing as provided for in K.S.A. 75-5958, and amendments thereto;

(C) any funds are utilized to supplant funding for skilled nursing care facilities as required by subsection (g);

(D) any funds are diverted from those purposes set forth in subsection (d)(4); or

EXPLANATION OF VOTE

Mr. Vice President: I would like to thank our committee chairwoman from Sedgwick County for all her hard work and leadership in assembling this budget in these extremely difficult, stressful and extraordinary times. Also, thank you for your hard work and leadership over the past year and this session in assembling our new ten-year Eisenhower Legacy transportation program. Thank you to all the Ways and Means committee members for the long days and many hours involved in producing this budget and your work on the Eisenhower Legacy transportation program. I would especially like to thank all the legislative staff and our staff members for all their hard work and sacrifices and the many extra hours that you graciously give to produce our budget and other legislation. You are appreciated by all legislators and words alone can't express our gratitude.—RICK BILLINGER

Senators Berger, Bowers, Braun, Doll, Francisco, Goddard, Haley, Hawk, Miller and Pettay request the record to show they concur with the "Explanation of Vote" offered by Senator Billinger on SB 66.

Mr. Vice President: The budget that comes to us from the Conference Committee spends more money than the budget bill (SB 386) that we voted on earlier this week. This budget spends $527.6 million more over two years than what our current projected tax revenues will be over those same two years. This is after we discussed in our previous debate that how because of the current situation with the Coronavirus, that the
Consensus Revenue will not come close to what it is currently projected to be. With the passing of this budget, it isn’t a matter of if, but a matter of when the State of Kansas will be forced to either slash the budget, or raise taxes on Kansans. This budget is fiscally irresponsible, and for this reason I vote “NO” on SB 66.—RICHARD HILDERBRAND

Senators Olson, Rucker and Thompson request the record to show they concur with the "Explanation of Vote" offered by Senator Hilderbrand on SB 66.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, it is by Your grace that we're closing out the legislative season this year. In spite of the fears, frustration and emotional upheaval, You have kept us and You are keeping us.
We've tried social distancing to stay safe. We've looked at wearing masks. We've looked at washing our hands, not touching our faces and wearing gloves.
But two of the words You've given us are "Fear Not" and "Don't be afraid!" When David, the Psalmist's life was miraculously spared, You had him share with us from Psalm 24:1-10 these encouraging words:

1 I will bless the Lord at all times;
   His praise shall continually be in my mouth.
2 My soul will make its boast in the Lord;
   The humble shall hear it and be glad.
3 Oh, magnify the Lord with me,
   And let us exalt His name together.
4 I sought the Lord, and He heard me,
   And delivered me from all my fears.
5 They looked to Him and were radiant,
   And their faces were not ashamed.
6 This poor man cried, and the Lord heard him
   And saved him out of all his troubles.
7 The angel of the Lord encamps all around those who fear Him,
   And delivers them.
8 Oh, taste and see that the Lord is good;
   Blessed is the man who trusts in Him!
9 Oh, fear the Lord, you His saints;
   There is no want to those who fear him.
10 The young lions lack and suffer hunger;
   But those who seek the Lord shall not lack any good thing.
Lord, as we finish-up here, please continue to keep us safe. In Jesus' Name, Amen
The Pledge of Allegiance was led by President Wagle.

POINT OF PERSONAL PRIVILEGE

Senator Denning rose on a point of personal privilege to share the following remarks:
Friends and colleagues, I want to begin by thanking the citizens of Overland Park in Senate District 8 for allowing me to serve them in the Senate for the last 8 years after serving in them in the House. Now, after serving 10 years, the time has come for me to devote my personal resources to family and to my private sector employer.

I have enjoyed working with all the legislators over the years and it has been an honor to serve as your Senate Majority Leader for the last 4 years. I have always done my best to take the high road, lead from the front, and govern as the Majority Leader position requires. Good governance is not always easy and carries a serious responsibility. As a result I may have experienced “social distancing” long before the COVID-19 pandemic made it a household term.

I would also like to thank and recognize my staff: Toni Beck who ran the front office, Chief of Staff Ethan Patterson, and Communications and Policy Director Mary Sabatini. They represented the office of the Senate Majority Leader and this Chamber at a very high level.

I’d like everyone to know that while I may not be in the building, I will still have great cell phone service year-round.

And with that… as us politicians would say….it’s been an honor and a privilege, thank you.

I look forward to seeing you all again when we get called for a special session.

(b) "Base year" means the year in which an individual becomes an eligible claimant and who is also eligible for a claim for refund pursuant to section 23, and amendments thereto. For any individual who would otherwise be an eligible claimant prior to 2019, such base year shall be deemed to be 2019 for the purposes of this act. In the event an individual is no longer an eligible claimant under this act, the individual shall establish a new base year in the year that the individual becomes an eligible claimant.
(c) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in section 10, and amendments thereto, both domiciled in this state and was: (1) A person who is 65 years of age or older; or (2) a disabled veteran. (e) "Homestead" means the dwelling, or any part thereof, owned and occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. "Owned" includes one or more joint tenants or tenants in common.
When a homestead is occupied by two or more individuals and more than one of the individuals is able to qualify as a claimant, the individuals may determine between them as to who the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue, whose decision shall be final.
(f) "Household" means a claimant, a claimant and spouse who occupy the homestead or a claimant and one or more individuals not related as married individuals who together occupy a homestead.

Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes that is equal to the percentage of the value of the homestead compared to the total unit's value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

When a claimant dies after having filed a timely claim, the amount thereof shall be disbursed to another member of the household as determined by the director of taxation. If the claimant was the only member of such person's household, the claim may be paid to such person's executor or administrator, but if neither is appointed and qualified, the amount of the claim may be paid upon a claim duly made to any heir at law. In the absence of any such claim within two years of the filing of the claim, the amount of the claim shall escheat to the state. When a person who would otherwise be entitled to file a claim under the provisions of this act dies prior to filing such claim, another member of such person's household may file such claim in the name of such decedent, subject to the deadline prescribed by section 12, and amendments thereto, and the director shall
pay the amount to which the decedent would have been entitled to such person filing the claim. If the decedent was the only member of such person's household, the decedent's executor or administrator may file such claim in the name of the decedent, and the claim shall be paid to the executor or administrator. In the event that neither an executor or administrator is appointed and qualified, such claim may be made by any heir at law and the claim shall be payable to such heir at law. Any of the foregoing provisions shall be applicable in any case where the decedent dies in the calendar year preceding the year in which a claim may be made under the provisions of this act, if such decedent was a resident of or domiciled in this state during the entire part of such year that such decedent was living. Where the decedent's death occurs during the calendar year preceding the year in which a claim may be made, the amount of the claim that would have been allowable if the decedent had been a resident of or domiciled in this state the entire calendar year of such person's death shall be reduced in a proportionate amount equal to a fraction of the claim otherwise allowable, the numerator of which fraction is the number of months in such calendar year following the month of the decedent's death, and the denominator of which is 12.

New Sec. 11. A claimant may claim property tax relief under this act with respect to property taxes accrued and, after audit by the director of taxation with respect to this act, the allowable amount of such claim shall be paid, except as otherwise provided in sections 13, 22 and 24, and amendments thereto, to the claimant from the income tax refund fund upon warrants of the director of accounts and reports pursuant to vouchers approved by the director of taxation or by any person designated by the claimant, but no warrant issued shall be drawn in an amount of less than $5. No interest shall be allowed on any payment made to a claimant pursuant to this act.

New Sec. 12. Except as provided in section 21, and amendments thereto, no claim in respect of property taxes levied in any year shall be paid or allowed unless such claim is actually filed with and in the possession of the department of revenue on or before April 15 of the year next succeeding the year in which such taxes were levied.

New Sec. 13. The amount of any claim otherwise payable under this act may be applied by the director of taxation against any liability outstanding on the books of the department of revenue against the claimant, or against any other individual who was a member of such person's household in the year that the claim relates.

New Sec. 14. Only one claimant per household per year shall be entitled to relief under this act.

New Sec. 15. (a) Commencing in tax year 2020, and all tax years thereafter, the amount of any claim pursuant to this act shall be computed by deducting the homestead ad valorem tax amount in the tax year the refund is sought from the amount of a claimant's base year homestead ad valorem tax amount.

(b) The amount of claim shall be computed only to the nearest $1.

(c) A taxpayer shall not be eligible for a claim pursuant to this act if such taxpayer has received for such property for such tax year a homestead property tax refund pursuant to K.S.A. 79-4501 et seq., and amendments thereto.

(d) The maximum amount of a claim that may be claimed by a claimant in any one tax year pursuant to this act shall be $2,500.

New Sec. 16. In administering this act, the director of taxation shall make available suitable forms with instructions for claimants. Copies of such forms shall also be made available to all county clerks and county treasurers in sufficient numbers to supply
claimants residing in their respective counties. It shall be the duty of the county clerk to assist any claimant seeking assistance in the filing of a claim under the provisions of this act. The county treasurer of each county shall mail to each taxpayer, with the property tax statement of such taxpayer, information on eligibility for relief under this act to be provided by the secretary of revenue.

The secretary of revenue is hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of this act.

New Sec. 17. (a) Every claimant under this act shall supply to the director of taxation, in support of a claim, reasonable proof of age and changes of homestead, household membership, household income, household assets and size and nature of property claimed as the homestead.

(b) Every claimant who is a homestead owner, or whose claim is based wholly or partly upon homestead ownership at some time during the calendar year, shall supply to the director of taxation, in support of a claim, the amount of property taxes levied upon the property claimed as a homestead and a statement that the property taxes accrued used for purposes of this act have been or will be paid by the claimant. Upon request by the director, such claimant shall provide a copy of the statement of property taxes levied upon the property claimed as a homestead. The amount of personal property taxes levied on a manufactured home or mobile home shall be set out on the personal property tax statement showing the amount of such tax as a separate item.

(c) The information required to be furnished under subsection (b) shall be in addition to that required under subsection (a).

New Sec. 18. In any case in which it is determined that a claim is or was excessive and was filed with fraudulent intent, the claim shall be disallowed in full, and, if the claim has been paid, the amount paid may be recovered by assessment as income taxes are assessed, and such assessment shall bear interest from the date of payment or credit of the claim, until recovered, at the rate of 1% per month. The claimant in such case and any person who assisted in the preparation or filing of such excessive claim, or supplied information upon which such excessive claim was prepared, with fraudulent intent, shall be guilty of a class B misdemeanor. In any case in which it is determined that a claim is or was excessive and was negligently prepared, 10% of the corrected claim shall be disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed, and such assessment shall bear interest at the rate of 1% per month from the date of payment until recovered. In any case in which it is determined that a claim is or was excessive due to the fact that the claimant neglected to include certain income received during the year, the claim shall be corrected and the excess disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed.

New Sec. 19. No claim for relief under the provisions of this act shall be allowed to any claimant who is a recipient of public funds specifically designated for the payment of taxes during the period for which the claim is filed.

New Sec. 20. A claim shall be disallowed if the director of taxation finds that the claimant received title to such person's homestead primarily for the purpose of receiving benefits under this act.

New Sec. 21. For claims in respect to property taxes levied in any year, the director of taxation may extend the time for filing any claim or accept a claim filed after the
filing deadline when good cause exists, if the claim has been filed within four years of the deadline.

New Sec. 22. (a) The director of taxation shall issue to the county clerk by October 1 of each year an electronic record containing the name of each eligible claimant who received a refund of property taxes under this act for the prior year.

(b) When initially filing a claim under this act, the claimant shall be given an election to receive such refund directly from the director of taxation or have such refund applied to the claimant's ad valorem taxes in the county. The claimant shall make the election on a form supplied by the director of taxation. Such refund shall not be applied to any special assessment.

(c) After the electronic record under subsection (a) has been received from the director of taxation, the county clerk of the county in which the property is located shall make any corrections needed, if any, based upon information known by the county clerk concerning any change in eligibility of any claimant listed in such record. After any needed corrections have been made to the electronic record, the county clerk, on behalf of each claimant listed in such record, shall certify the information contained in such record to the county treasurer in lieu of paying that portion of the first half of taxes on the claimant's homestead in the current year, which equals the amount of the golden years homestead property tax freeze refund received by the claimant for taxes levied in the preceding year up to the amount of the first half of the property taxes due.

(d) The county treasurer shall certify and return the electronic record referred to in subsection (a), including any changes made by the county clerk pursuant to subsection (e), to the director of taxation by December 31 of each year. After receiving a claim of any claimant who is listed in the electronic record submitted by the county treasurer, the director shall examine the same, and, if the claim is valid, the director of accounts and reports shall draw a warrant in favor of the county in which the claimant's homestead is located upon a voucher approved by the director of taxation in the amount of the allowable claim for refund. Sufficient information to identify the claimant shall be directed to the county treasurer with each warrant. Any taxes levied in any year on the homestead of any claimant who has obtained the eligibility herein provided for in excess of the amount paid to the county by the state and by the claimant on or before December 20 of such year shall be paid by the claimant on or before May 10 of the succeeding year.

(e) For the purposes of this section, "electronic record" shall have the meaning ascribed to it in K.S.A. 16-1602, and amendments thereto.

New Sec. 23. A claimant shall only be eligible for a claim for refund under this act if: (a) The household income for the year in which the claim is filed is $50,000 or less; and (b) the appraised value of the homestead is $350,000 or less.

New Sec. 24. If there are delinquent property taxes on the claimant's homestead, the refund shall be paid to the county treasurer of the county in which such homestead is located and applied first to the oldest of such delinquent property taxes and applied forward to the most recent delinquent property taxes and then to any other property taxes due on the claimant's homestead.

Sec. 25. K.S.A. 79-32,263 is hereby amended to read as follows: 79-32,263. This act shall be known and may be cited as the selective assistance for effective senior relief (SAFESR). There shall be allowed as a credit against the tax liability of a taxpayer imposed under the Kansas income tax act, the following: (a) For tax years 2008, 2009
and 2010, an amount equal to 45% of the amount of property and ad valorem taxes actually and timely paid as described in this section; and (b) for tax year 2011 and all tax years thereafter through tax year 2019, an amount equal to 75% of the amount of property and ad valorem taxes actually and timely paid by a taxpayer who is 65 years of age or older and who has household income equal to or less than 120% of the federal poverty level for two persons if such taxes were paid upon real or personal property used for residential purposes of such taxpayer which is the taxpayer's principal place of residence for the tax year in which the tax credit is claimed. The amount of any such credit for any such taxpayer shall not exceed the amount of property and ad valorem taxes paid by such taxpayer as specified in this section. A taxpayer shall not take the credit pursuant to this section if such taxpayer has received a homestead property tax refund pursuant to K.S.A. 79-4501 et seq., and amendments thereto, for such property for such tax year. Subject to the provisions of this section, if the amount of such tax credit exceeds the taxpayer's income tax liability for the taxable year, the amount of such excess credit which exceeds such tax liability shall be refunded to the taxpayer. The secretary of revenue shall adopt rules and regulations regarding the filing of documents that support the amount of the credit claimed pursuant to this section. For purposes of this section, "household income" means all income as defined in K.S.A. 79-4502(a), and amendments thereto, including any payments received under the federal social security act, received by persons of a household in a calendar year while members of such household. The provisions of this act shall be part of and supplemental to the homestead property tax refund act."

EXPLANATION OF VOTE

Madame President: As a 32-year-veteran myself with two deployments in times of war, I have the utmost respect for veterans and especially disabled veterans. But I also stand in support of seniors currently receiving support from the current Safe Seniors Program. In these challenging financial times I cannot in good conscience pull the financial rug out from the elderly currently receiving relief under the current Safe
Senior Program. I very much look forward to looking at independent disabled veteran property tax legislation in the 2021 session.—KEVIN BRAUN

Senator Olson moved to amend S Sub HB 2118; as amended by House Committee of the Whole, as amended by the Senate Committee on Assessment and Taxation by substituting with a new bill designated as "Senate Substitute for House Bill No. 2118" by the committee report designated cr_2020_hb2118_s_3417, adopted by the Senate Committee of the Whole on May 21, 2020, following the written material in section 3 of the substitute bill, by inserting:
"Sec. 4. Notwithstanding any provisions of law to the contrary, for 2020 and 2021, the valuation of any parcel of real property shall not exceed the parcel's 2019 valuation as long as such parcel has had no new construction."

And by renumbering sections accordingly;

Yeas: Baumgardner, Hilderbrand, Lynn, Masterson, Olson, Petersen, Pyle, Rucker, Thompson.
Present and Passing: Billinger.
The amendment was rejected.

EXPLANATION OF VOTE

Madame President: I respect both the carrier of the amendment and the intent of this amendment but am deeply concerned that it will create second and third order effects on the counties ability to conduct their activities. I am concerned that we are just “kicking the can down the road” on the costs related to this amendment. In a time when I am working to return local control to our counties and county leadership, I cannot place a restriction on them that may further exacerbate an already challenging financial situation.—KEVIN BRAUN

Nays: Bollier, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Miller, Pettey, Sykes, Ware.

The substitute bill passed.

EXPLANATION OF VOTE

Mr. Vice President: I vote “NO” on Senate Substitute for HB 2619. I am concerned that although it has been argued that this would “level the playing field” between banks and credit unions, this bill creates an unlevel playing field between the banks and the Federal Farm Credit System. I also believe that this is not the time to take actions that will reduce the amount of money coming into the state treasury without knowing that those actions will help our Kansas individuals and businesses who are struggling. Currently, many banks are in an enviable position of profiting from service fees from federal loan programs so can pay income taxes. And although I support the new economic loan recovery program, banks and businesses already have access to funds at record low interest rates. It would have helped to have the amendment that was described to put oversight of the program into the Department of Commerce added to the bill. —MARCI FRANCISCO

S Sub HB 2585, AN ACT concerning utilities; relating to the state corporation commission; approval of certain contract and reduced electric rates; approval of cost recovery from rate classes; report to the legislature; income taxation; exemption from income taxation, certain public utilities; income tax expenses, exclusion from retail electric rates; amending K.S.A. 79-32,113 and repealing the existing section.

Nays: Bollier, Doll, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Miller, Pettey, Skubal, Sykes, Taylor, Ware.
The ruling of the chair was sustained.

EXPLANATION OF VOTE

Mr. Vice President: Thank you. This is my last day in this chamber and I will be discussing that later. But the moral imperative of this state to protect its citizens and allow them the opportunity to access healthcare has never been more urgent – as spoken so clearly by our president to the urgency we have in this body to do what is safe and best for people. We have been bridled and throttled this entire year when the votes exist in this chamber to pass Medicaid expansion. We have the votes. Kansas voters want us to pass this bill. So yes, this is an unprecedented time, and while I fully respect the committee and their decision, desperate times call for desperate measures. People in Kansas are desperate, and they need healthcare. So I vote “No.” —Barbara Bollier

Senators Francisco, Hawk and Sykes request the record to show they concur with the explanation of vote offered by Senator Bollier.

EXPLANATION OF VOTE

Mr. Vice President: The question was if the proposed Amendment was germane to the base bill. Anyone in this body who cannot tell that a healthcare amendment is not germane to a utilities bill needs to reread the word germane in the dictionary. This body is only as good as its rules and for me it would just be dishonest to vote that healthcare is germane to utilities. I support the rules committee in their finding and applaud them for their integrity. On the actual contents of the proposed amendment, I wish all of those who are currently advocating for indigent healthcare would have joined me this session
when I brought a bill to double the funding for Kansas Community Based Primary Care Clinics. But those expressing concern now were nowhere to be found on that bill. I also wish they were supportive when just a few weeks ago, on this Senate floor, I brought an amendment to move $16.5 million in uncommitted funds within the budget to the Kansas Community Based Primary Care Clinics that would have tripled their budget. But once again, they were nowhere to be found. Those funds would have been the perfect answer in this current crisis for direct care for the exact people they say they are interested in providing healthcare to. In regard to the reference to Medicaid Expansion I am committed to Protect the Promise that was made long ago to the Elderly, Handicapped, Pregnant Women and Impoverished Children. My promise is to place this most vulnerable group at the front of any line for government subsidized Medicaid healthcare services.—KEVIN BRAUN

S Sub Sub HB 2018, AN ACT concerning telecommunications; relating to the video competition act; video service providers; provision of communications service; definitions; restricting cities and counties from imposing certain regulations and fees; amending K.S.A. 2019 Supp. 12-2022 and 12-2023 and repealing the existing sections.

On roll call, the vote was: Yeas 33; Nays 5; Present and Passing 2; Absent or Not Voting 0.

Nays: Bollier, Haley, Pettey, Skubal, Sykes.

Present and Passing: Doll, Francisco.
The substitute bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice President: I “PASS” on the vote on the Senate Substitute for Substitute for HB 2018. I had heard the contents of this bill as a member of the Senate Utilities Committee in the hearing on SB 380. The Committee made several amendments, but I understood that there was not yet agreement between members of the Kansas Cable Telecommunications Association (KCTA) and the League of Kansas Municipalities (LKM) and several cities they represent. I understood that discussion would be continuing in the House. The House Committee on Energy, Utilities, and Communications heard from the proponents on March 12th, however the hearing for the opponents scheduled for March 17th was cancelled. Since an agreement was not reached, I am not comfortable voting for this bill without giving both sides the opportunity to testify in the House, and for the House Committee to make recommendations or meet in conference on this bill.—MARCI FRANCISCO

Senator Doll request the record to show he concurs with the "Explanation of Vote" offered by Senator Francisco on S Sub Sub HB 2018.

On motion of Senator Denning, the Senate recessed to the sound of the gavel.
The Senate met pursuant to recess with Vice President Longbine in the chair.

"New Section 1. The provisions of sections 1 through 6, and amendments thereto, shall be known and may be cited as the Kansas taxpayer protection act."

New Sec. 2. As used in this act:
(a) (1) "Paid tax return preparer" means any person who prepares or substantially prepares for compensation, or who employs one or more persons who prepare or substantially prepare for compensation, any income tax return or claim for refund, required to be filed pursuant to K.S.A. 79-3201 et seq., and amendments thereto.

(2) "Paid tax return preparer" does not include the following:
(A) An individual licensed as a certified public accountant in this state under K.S.A. 1-302b or 1-322, and amendments thereto;
(B) an individual licensed as a certified public accountant in another licensing jurisdiction and practicing in this state under K.S.A. 1-302b or 1-322, and amendments thereto; or
(C) an individual employed by a firm licensed in this state under K.S.A. 1-308, and amendments thereto, and preparing a return under the supervision of an individual described in subparagraph (A) or (B).

(b) "Secretary" means secretary of the Kansas department of revenue.

New Sec. 3. (a) On and after January 1, 2021, any income tax return or claim for refund prepared or substantially prepared by a paid tax return preparer shall be signed by the paid tax return preparer and shall bear the paid tax return preparer's federal internal revenue service preparer tax identification number. Any paid tax return preparer who fails to sign the income tax return or claim for refund or who fails to provide the preparer's federal internal revenue service preparer tax identification number shall pay a civil penalty of $50 for each such failure to the Kansas department of revenue, unless it can be shown that the failure was due to reasonable cause and not willful or reckless conduct. The penalty imposed on any paid tax return preparer with respect to returns or claims for refund filed during any calendar year shall not exceed $25,000 per paid tax return preparer.
(b) The penalty shall be imposed pursuant to this section upon the written order of the secretary or the secretary's designee to the paid tax return preparer who committed the violation. Such order shall state the violation, the penalty to be imposed and the right of the paid tax return preparer to appeal the order. Such order shall be subject to appeal and review in the manner provided by the Kansas administrative procedure act.

(c) Any penalty collected pursuant to this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state general fund.

New Sec. 4. (a) The secretary or the secretary's designee is hereby authorized to enjoin any person from engaging in conduct described in subsection (b) or from further action as a paid tax return preparer under the provisions of the Kansas taxpayer protection act who is found to be in violation of this act. The secretary or the secretary's designee shall be entitled in any proceeding brought for such purpose to have an order restraining such person from engaging in conduct in violation of the provisions of this act. No bond shall be required for any such restraining order or for any temporary or permanent injunction issued in such proceedings. The secretary may commence suit in a court of competent jurisdiction to enjoin any paid tax return preparer from further engaging in any conduct described in subsection (b) or from further action as a paid tax return preparer in this state. The secretary may request the assistance of the attorney general or the attorney general's duly authorized designee to enforce provisions of this section.

(b) In an action pursuant to subsection (a), the court may enjoin the paid tax return preparer from further engaging in any conduct described in this subsection, if the court finds that injunctive relief is appropriate to prevent the occurrence of such conduct. The court may issue an injunction when the paid tax return preparer has engaged in any of the following conduct:

1. Prepared any income tax return or claim for refund that includes an understatement of a taxpayer's liability due to an unreasonable position. As used in this subsection, "unreasonable position" means the same as defined by section 6694(a)(2) of the federal internal revenue code;

2. prepared any income tax return or claim for refund that includes an understatement of a taxpayer's liability due to the paid tax return preparer's willful or reckless conduct. As used in this subsection, "willful or reckless conduct" means the same as defined by section 6694(b)(2) of the federal internal revenue code;

3. where required, failed to do any of the following:
   (A) Furnish a copy of the income tax return or claim for refund;
   (B) sign the income tax return or claim for refund;
   (C) furnish an identifying number;
   (D) retain a copy of the income tax return or claim for refund; or
   (E) be diligent in determining eligibility for tax benefits;

4. negotiated a check issued to the taxpayer by the department of revenue without the permission of the taxpayer;

5. engaged in any conduct subject to any criminal penalty provided for in chapter 79 of the Kansas Statutes Annotated, and amendments thereto;

6. misrepresented the paid tax return preparer's eligibility to practice before the department of revenue or otherwise misrepresented the paid tax return preparer's
experience or education;

(7) guaranteed the payment of any income tax refund or the allowance of any income tax credit; or

(8) engaged in any other fraudulent or deceptive conduct that substantially interferes with the proper administration of the tax laws of the state of Kansas.

(c) If the court finds that a paid tax return preparer has continually or repeatedly engaged in any conduct described in subsection (b) and that an injunction prohibiting the conduct would not be sufficient to prevent the person's interference with the proper administration of the tax laws of the state of Kansas, the court may enjoin the person from acting as a paid tax return preparer in the state of Kansas. The fact that the person has been enjoined from preparing tax returns or claims for refund for the United States or any other state in the five years preceding the petition for an injunction shall establish a prima facie case for an injunction to be issued pursuant to this section. For purposes of this subsection, "state" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands or any territory or insular possession subject to the jurisdiction of the United States.

(d) The secretary or the secretary's designee shall annually report a summary of the secretary's enjoinder actions on the department of revenue's website.

New Sec. 5. (a) Preparation or substantial preparation of any income tax return or claim for refund filed pursuant to K.S.A. 79-3201 et seq., and amendments thereto, by a paid tax return preparer, whether or not a resident or citizen of this state, thereby submits the preparer to the jurisdiction of the courts of this state as to any cause of action arising from the provisions of this act.

(b) Every action pursuant to this act shall be brought in the district court of Shawnee county.

(c) In lieu of initiating or continuing an action or proceeding, the secretary or the secretary's designee may accept a consent judgment with respect to any act or practice declared to be a violation of this act. A consent judgment shall provide for the discontinuance by the paid tax return preparer entering the same of any act or practice declared to be a violation of this act. Any consent judgment entered into pursuant to this section shall not be deemed to admit the violation, unless it does so by its terms. Before any consent judgment entered into pursuant to this section shall be effective, it shall be approved by the district court and an entry made in the manner required for making an entry of judgment. Once such approval is received, any breach of the conditions of such consent judgment shall be treated as a violation of a court order and shall be subject to all the penalties provided by law.

New Sec. 6. The secretary may adopt rules and regulations necessary to carry out the provisions of the Kansas taxpayer protection act.

Sec. 7. K.S.A. 79-1110 is hereby amended to read as follows: 79-1110. (a) Every national banking association, bank, trust company, and savings and loan association subject to taxation under this act shall make its return and pay the tax imposed to the director of taxation on or before the 15th day of the fourth month following the close of its federal taxable year, in the same manner, except for computing the net income subject to tax, as corporations are required to make their returns and pay their taxes under the Kansas income tax act. Every such national banking association, bank, trust company and savings and loan association shall be subject to other provisions of the Kansas income tax act applicable to other corporations and shall be subject to the
penalties imposed on corporations by K.S.A. 79-3222, 79-3228 and 79-3234 insofar as the same can be made applicable.

(b) With respect to tax year 2019, the deadline for filing returns shall be extended to July 15, 2020, for returns with original due dates of April 15, 2020, through July 15, 2020. With respect to tax year 2019, no penalty or interest authorized pursuant to K.S.A. 79-3228, and amendments thereto, shall be imposed if such tax liability is paid on or before July 15, 2020.

Sec. 8. K.S.A. 79-3221 is hereby amended to read as follows: 79-3221. (a) All returns required by this act shall be made as nearly as practical in the same form as the corresponding form of income tax return by the United States. Unless another identifying number has been assigned to an individual by the internal revenue service for purposes of filing such individual's federal income tax return, the social security number issued to an individual, the individual's spouse, and all dependents of such individual for purposes of section 205 (c)(2)(A) of the social security act shall be used as the identifying number and included on the return when filing such return.

(b) All returns shall be filed in the office of the director of taxation on or before the 15th day of the fourth month following the close of the taxable year, except as provided in subsection (c) hereof. Tentative returns may be filed before the close of the taxable year and the estimated tax computed on such return, paid, but no interest will be paid on any overpayment of tax liability, computed on such tentative return.

(c)(1) The director of taxation may grant a reasonable extension of time for filing returns in accordance with rules and regulations of the secretary of revenue. Whenever any such extension of time to file is requested by a taxpayer and granted by the director with respect to any tax year commencing after December 31, 1992, no penalty authorized by K.S.A. 79-3228, and amendments thereto, shall be imposed if 90% of the liability is paid on or before the original due date.

(2) With respect to tax year 2019, the deadline for filing returns shall be extended to July 15, 2020, for returns with original due dates of April 15, 2020, through July 15, 2020. With respect to tax year 2019, no penalty or interest authorized pursuant to K.S.A. 79-3228, and amendments thereto, shall be imposed if such tax liability is paid on or before July 15, 2020.

(d) In the case of an individual serving in the armed forces of the United States, or serving in support of such armed forces, in an area designated by the president of the United States by executive order as a "combat zone" as defined under 26 U.S.C. § 112 at any time during the period designated by the president by executive order as the period of combatant activities in such zone for the purposes of such section, or hospitalized as a result of injury received or sickness incurred while serving in such an area during such time, the period of service in such area, plus the period of continuous qualified hospitalization attributable to such injury or sickness, and the next 180 days thereafter, shall be disregarded in determining, under article 32 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, in respect to any tax liability, including any interest, penalty, additional amount, or addition to the tax, of such individual:

(1) Whether any of the following acts was performed within the time prescribed therefor: (A) Filing any return of income tax; (B) payment of any income tax or installment thereof; (C) filing a notice of appeal with the director of taxation or the state board of tax appeals for redetermination of a deficiency or for a review of a decision
rendered by either the director or the state board of tax appeals; (D) allowance of a
credit or refund of any income tax; (E) filing a claim for credit or refund of any income
tax; (F) bringing suit upon any such claim for credit or refund; (G) assessment of any
income tax; (H) giving or making any notice or demand for the payment of any income
tax, or with respect to any liability to the state of Kansas in respect of any income tax;
(I) collection, by the director of taxation or the director's agent, by warrant, levy or
otherwise, of the amount of any liability in respect to any income tax; (J) bringing suit
by the state of Kansas, or any officer on its behalf, in respect to any liability in respect
of any income tax; and (K) any other act required or permitted under the Kansas income
tax act specified in rules and regulations adopted by the secretary of revenue under this
section;

(2) the amount of any credit or refund.

(e) (1) Subsection (d) shall not apply for purposes of determining the amount of
interest on any overpayment of tax.

(2) If an individual is entitled to the benefits of subsection (d) with respect to any
return and such return is timely filed, determined after the application of
subsection (d), subsections (e)(5) and (e)(7) of K.S.A. 79-32,105(d), (e)(5) and (e)(7), and amendments
thereto, shall not apply.

(f) The provisions of subsections (d) through (j) shall apply to the spouse of any
individual entitled to the benefits of subsection (d). Except in the case of the combat
zone designated for purposes of the Vietnam conflict, this subsection shall not cause
subsections (d) through (j) to apply for any spouse for any taxable year beginning more
than two years after the date designated under 26 U.S.C. § 112, and amendments
thereto, as the date of termination of combatant activities in a combat zone.

(g) The period of service in the area referred to in subsection (d) shall include the
period during which an individual entitled to benefits under subsection (d) is in a
missing status, within the meaning of 26 U.S.C. § 6013(f)(3).

(h) (1) Notwithstanding the provisions of subsection (d), any action or proceeding
authorized by K.S.A. 79-3229, and amendments thereto, as well as any other action or
proceeding authorized by law in connection therewith, may be taken, begun or
prosecuted. In any other case in which the secretary determines that collection of the
amount of any assessment would be jeopardized by delay, the provisions of subsection
(d) shall not operate to stay collection of such amount by levy or otherwise as
authorized by law. There shall be excluded from any amount assessed or collected
pursuant to this subsection the amount of interest, penalty, additional amount, and
addition to the tax, if any, in respect of the period disregarded under subsection (d). In
any case to which this subsection relates, if the secretary is required to give
any notice to or make any demand upon any person, such requirement shall be deemed
to be satisfied if the notice or demand is prepared and signed, in any case in which the
address of such person last known to the secretary is in an area for which United States
post offices under instructions of the postmaster general are not, by reason of the
combatant activities, accepting mail for delivery at the time the notice or demand is
signed. In such case the notice or demand shall be deemed to have been given or made
upon the date it is signed.

(2) The assessment or collection of any tax under the provisions of article 32 of
chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or any action or
proceeding by or on behalf of the state in connection therewith, may be made, taken,
begun or prosecuted in accordance with law, without regard to the provisions of subsection (d), unless prior to such assessment, collection, action or proceeding it is ascertained that the person concerned is entitled to the benefits of subsection (d).

(i) (1) Any individual who performed Desert Shield services, and the spouse of such individual, shall be entitled to the benefits of subsections (d) through (j) in the same manner as if such services were services referred to in subsection (d).

(2) For purposes of this subsection, the term "Desert Shield services" means any services in the armed forces of the United States or in support of such armed forces if:

(A) Such services are performed in the area designated by the president as the "Persian Gulf Desert Shield area"; and

(B) such services are performed during the period beginning on August 2, 1990, and ending on the date on which any portion of the area referred to in subsection (i)(2)(A) is designated by the president as a combat zone pursuant to 26 U.S.C. § 112.

(j) For purposes of subsection (d), the term "qualified hospitalization" means:

(1) Any hospitalization outside the United States; and

(2) any hospitalization inside the United States, except that not more than five years of hospitalization may be taken into account under this subsection. This subsection shall not apply for purposes of applying subsections (d) through (j) with respect to the spouse of an individual entitled to the benefits of subsection (d).

Sec. 9. K.S.A. 79-3225 is hereby amended to read as follows: 79-3225. (a) All taxes imposed under the provisions of the "Kansas income tax act" shall be paid on the 15th day of the fourth month following the close of the taxable year, except with respect to tax year 2019, such taxes shall be paid on or before July 15, 2020, if the return was due on or before July 15, 2020. When the tax as shown to be due on a return is less than $5, such tax shall be canceled and no payment need be remitted by the taxpayer.

(b) The director of taxation may extend the time for payment of the tax, or any installment thereof, for a reasonable period of time not to exceed six months from the date fixed for payment thereof. Such extension may exceed six months in the case of a taxpayer who is abroad. Interest shall be charged at the rate prescribed by K.S.A. 79-2968(a) and amendments thereto for the period of such extension.

New Sec. 10. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) The governing body shall publish notice of its proposed intent to exceed the revenue neutral rate on the website of the governing body, if the governing body maintains a website, at least 10 days in advance of the public hearing. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July 15, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate. The county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's
last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in writing to service by electronic means. Costs associated with the notice shall be borne by the taxing subdivision with payment due to the county clerk by December 31. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall include, but not be limited to:

(A) The revenue neutral rate;
(B) the proposed property tax revenue needed to fund the proposed budget;
(C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation;
(D) the tax rate and property tax of the taxing subdivision on the taxpayer's property from the previous year's tax statement;
(E) the proposed percent change in the tax rate between the previous year's tax rate and the proposed tax rate for the current year;
(F) the appraised value and assessed value of the taxpayer's property for the current year;
(G) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate and the proposed tax rate; and
(H) the date, time and location of the public hearing.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held on or before September 10. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comments. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers.

(c) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate. The provisions of this subsection shall not be construed as prohibiting any other remedies available under the law.

(d) The provisions of this section shall not apply to school districts organized and operating under the laws of this state.

(e) If the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before September 20, to the proper county clerk the amount of ad valorem tax to be levied.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.
(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) The provisions of this section shall take effect and be in force from and after January 1, 2021.

New Sec. 11. (a) Notwithstanding any provision of law to the contrary, no interest shall accrue on any unpaid property tax for tax year 2019 pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, from May 10, 2020, through August 10, 2020, nor shall the unpaid tax for tax year 2019 be considered delinquent during this period.

(b) With respect to any unpaid property tax for tax year 2019 due pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, the county shall waive any fees, expenses and costs relating to delinquent property tax collection procedures that the county charged to the taxpayer prior to August 11, 2020.

(c) The county may refund, credit or retain any interest, fees, expenses or costs collected prior to the effective date of this act if the total amount collected is equal to or less than $25 for each delinquent property.

Sec. 12. K.S.A. 79-1460 is hereby amended to read as follows: 79-1460. (a) The county appraiser shall notify each taxpayer in the county annually on or before March 1 for real property and May 1 for personal property, by mail directed to the taxpayer's last known address, of the classification and appraised valuation of the taxpayer's property, except that, the valuation for all real property shall not be increased unless the record of the latest physical inspection was reviewed by the county or district appraiser, and documentation exists to support such increase in valuation in compliance with the directives and specifications of the director of property valuation, and such record and documentation is available to the affected taxpayer. The valuation for all real property also shall not be increased solely as the result of normal repair, replacement or maintenance of existing structures, equipment or improvements on the property. For purposes of this section, "normal repair, replacement or maintenance" does not include new construction as defined in this section. For the next two taxable years following the taxable year that the valuation for commercial real property has been reduced due to a final determination made pursuant to the valuation appeals process, the county appraiser shall review the computer-assisted mass-appraisal of the property and if the valuation in either of those two years exceeds the value of the previous year by more than 5%, excluding new construction, change in use or change in classification, the county appraiser shall either: (1) Adjust the valuation of the property based on the information provided in the previous appeal; or (2) order an independent fee simple appraisal of the property to be performed by a Kansas certified real property appraiser. As used in this section, "new construction" means the construction of any new structure or improvements or the remodeling or renovation of any existing structures or improvements on real property. When the valuation for real property has been reduced due to a final determination made pursuant to the valuation appeals process for the prior year, and the county appraiser has already certified the appraisal rolls for the current year to the county clerk pursuant to K.S.A. 79-1466, and amendments thereto, the
county appraiser may amend the appraisal rolls and certify the changes to the county clerk to implement the provisions of this subsection and reduce the valuation of the real property to the prior year's final determination, except that such changes shall not be made after October 31 of the current year. For the purposes of this section and in the case of real property, the term "taxpayer" shall be deemed to be the person in ownership of the property as indicated on the records of the office of register of deeds or county clerk and, in the case where the real property or improvement thereon is the subject of a lease agreement, such term shall also be deemed to include the lessee of such property if the lease agreement has been recorded or filed in the office of the register of deeds. Such notice shall specify separately both the previous and current appraised and assessed values for each property class identified on the parcel. Such notice shall also contain the uniform parcel identification number prescribed by the director of property valuation. Such notice shall also contain a statement of the taxpayer's right to appeal, the procedure to be followed in making such appeal and the availability without charge of the guide devised pursuant to subsection (b). Such notice may, and if the board of county commissioners so require, shall provide the parcel identification number, address and the sale date and amount of any or all sales utilized in the determination of appraised value of residential real property. In any year in which no change in appraised valuation of any real property from its appraised valuation in the next preceding year is determined, an alternative form of notification which has been approved by the director of property valuation may be utilized by a county. Failure to timely mail or receive such notice shall in no way invalidate the classification or appraised valuation as changed. The secretary of revenue shall adopt rules and regulations necessary to implement the provisions of this section.

(b) For all taxable years commencing after December 31, 1999, there shall be provided to each taxpayer, upon request, a guide to the property tax appeals process. The director of the division of property valuation shall devise and publish such guide, and shall provide sufficient copies thereof to all county appraisers. Such guide shall include but not be limited to: (1) A restatement of the law which pertains to the process and practice of property appraisal methodology, including the contents of K.S.A. 79-503a and 79-1460, and amendments thereto; (2) the procedures of the appeals process, including the order and burden of proof of each party and time frames required by law; and (3) such other information deemed necessary to educate and enable a taxpayer to properly and competently pursue an appraisal appeal.

Sec. 13. K.S.A. 79-1801 is hereby amended to read as follows: 79-1801. (a) Except as provided by subsection (b), each year the governing body of any city, the trustees of any township, the board of education of any school district and the governing bodies of all other taxing subdivisions shall certify, on or before August 25, to the proper county clerk the amount of ad valorem tax to be levied. Thereupon, the county clerk shall place the tax upon the tax roll of the county, in the manner prescribed by law, and the tax shall be collected by the county treasurer. The county treasurer shall distribute the proceeds of the taxes levied by each taxing subdivision in the manner provided by K.S.A. 12-1678a, and amendments thereto.

(b) Prior to January 1, 2021, if the governing body of a city or county must conduct an election for an increase in property tax to fund any appropriation or budget under K.S.A. 2019 Supp. 25-433a, and amendments thereto, the governing body of the city or county shall certify, on or before October 1, to the proper county clerk the amount of ad
valorem tax to be levied. On and after January 1, 2021, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under section 10, and amendments thereto, the governing body of the taxing subdivision shall certify, on or before September 20, to the proper county clerk the amount of ad valorem tax to be levied.

Sec. 14. K.S.A. 79-2302 is hereby amended to read as follows: 79-2302. Sec. 24. K.S.A. 2019 Supp. 44-702 is hereby amended to read as follows: 44-702.
As a guide to the interpretation and application of this act, the public policy of this state is declared to be as follows: Economic insecurity, due to unemployment, is a serious menace to health, morals, and welfare of the people of this state. Involuntary unemployment is therefore a subject of general interest and concern which requires appropriate action by the legislature to prevent its spread and to lighten its burden which now so often falls with crushing force upon the unemployed worker and such worker's family. The achievement of social security requires protection against this greatest hazard of our economic life. This can be provided by encouraging employers to provide more stable employment and by the systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment, thus maintaining purchasing power and limiting the serious social consequences of poor-relief assistance. The legislature, therefore, declares that in its considered judgment the public good and the general welfare of the citizens of this state require the enactment of this measure, under the police powers of the state, for the compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed. The state of Kansas is committed to maintaining and strengthening access to the unemployment compensation system, including through initial and continuing claims. All persons and employers are entitled to a neutral interpretation of the employment security law.

Sec. 25. K.S.A. 2019 Supp. 44-705, as amended by section 2 of 2020 Senate Bill No. 27, is hereby amended to read as follows: 44-705. (a) The claimant has registered for work at and thereafter continued to report at an employment office in accordance with rules and regulations adopted by the secretary, except that, subject to the provisions of K.S.A. 44-704(a), and amendments thereto, the secretary may adopt rules and regulations that waive or alter either or both of the requirements of this subsection.

(b) The claimant has made a claim for benefits with respect to such week in accordance with rules and regulations adopted by the secretary.

(c) The claimant is able to perform the duties of such claimant's customary occupation or the duties of other occupations that the claimant is reasonably fitted by training or experience, and is available for work, as demonstrated by the claimant's pursuit of the full course of action most reasonably calculated to result in the claimant's reemployment except that, notwithstanding any other provisions of this section, an unemployed claimant otherwise eligible for benefits shall not become ineligible for benefits: (1) Because of the claimant's enrollment in and satisfactory pursuit of approved training, including training approved under section 236(a)(1) of the trade act of 1974; or (2) solely because such individual is seeking only part-time employment if the individual is available for a number of hours per week that are comparable to the individual's part-time work experience in the base period; or (3) because a claimant is not actively seeking work: (i) During a state of disaster emergency proclaimed by the governor pursuant to K.S.A. 48-924 and 48-925, and amendments thereto; (ii) in response to the spread of the public health emergency of COVID-19; and (iii) the state's temporary waiver of the work search requirement under the employment security law for such claimant is in compliance with the families first coronavirus response act, public law 116-127.

No week shall be counted as a week of unemployment for the purposes of this subsection:

(A) If benefits have been paid for such week;
(B) if the individual fails to meet with the other eligibility requirements of this section; or
(C) if an individual is seeking unemployment benefits under the unemployment compensation law of any other state or of the United States, except that if the appropriate agency of such state or of the United States finally determines that the claimant is not entitled to unemployment benefits under such other law, this subparagraph shall not apply.

(2) (A) The waiting week requirement of paragraph (1) shall not apply to:

(i) New claims by claimants who become unemployed as a result of an employer terminating business operations within this state, declaring bankruptcy or initiating a work force reduction pursuant to public law 100-379, the federal worker adjustment and retraining notification act, 29 U.S.C. §§ 2101 through 2109, as amended; or
(ii) new claims filed on or after April 5, 2020, through December 26, 2020, in accordance with the families first coronavirus response act, public law 116-127 and the federal CARES act, public law 116-136.

(B) The secretary shall adopt rules and regulations to administer the provisions of this paragraph.

This paragraph shall not apply to initial claims effective on and after April 1, 2021.

(e) For benefit years established on and after the effective date of this act, the claimant has been paid total wages for insured work in the claimant's base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's base period, except that the wage credits of an individual earned during the period commencing with the end of a prior base period and ending on the date that such individual filed a valid initial claim shall not be available for benefit purposes in a subsequent benefit year unless, in addition thereto, such individual has returned to work and subsequently earned wages for insured work in an amount equal to at least eight times the claimant's current weekly benefit amount.

(f) The claimant participates in reemployment services, such as job search assistance services, if the individual has been determined to be likely to exhaust regular benefits and needs reemployment services pursuant to a profiling system established by the secretary, unless the secretary determines that: (1) The individual has completed such services; or (2) there is justifiable cause for the claimant's failure to participate in
such services.

(g) The claimant is returning to work after a qualifying injury and has been paid total wages for insured work in the claimant's alternative base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's alternative base period if:

(1) The claimant has filed for benefits within four weeks of being released to return to work by a licensed and practicing health care provider;

(2) the claimant files for benefits within 24 months of the date the qualifying injury occurred; and

(3) the claimant attempted to return to work with the employer where the qualifying injury occurred, but the individual's regular work or comparable and suitable work was not available.

(1) Except as otherwise provided in this paragraph, a representative designated by the secretary, and hereinafter referred to as an examiner, shall promptly examine the claim and, on the basis of the facts found by the examiner, shall determine whether or not the claim is valid. If the examiner determines that the claim is valid, the examiner shall determine the first day of the benefit year, the weekly benefit amount and the total amount of benefits payable with respect to the benefit year. If the claim is determined to be valid, the examiner shall send a notice to the last employing unit who shall respond within 10 days by providing the examiner all requested information including all information required for a decision under K.S.A. 44-706, and amendments thereto. The information may be submitted by the employing unit in person at an employment office of the secretary or by mail, by telefacsimile machine or by electronic mail. If the required information is not submitted or postmarked within a response time limit of 10 days after the examiner's notice was sent, the employing unit shall be deemed to have waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the employment security board of review or any court, except that the employing unit's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. In any case in which the payment or denial of benefits will be determined by the provisions of K.S.A. 44-706(d), and amendments thereto, the examiner shall promptly transmit the claim to a special examiner designated by the secretary to make a determination on the claim after the investigation as the special examiner deems necessary. The parties shall be promptly notified of the special examiner's decision and any party aggrieved by the decision may appeal to the referee as provided in subsection (c). The claimant and the claimant's most recent employing unit shall be promptly notified of the examiner's or special examiner's decision.

(2) The examiner may for good cause reconsider the examiner's decision and shall
promptly notify the claimant and the most recent employing unit of the claimant, that the decision of the examiner is to be reconsidered, except that no reconsideration shall be made after the termination of the benefit year.

(3) Notwithstanding the provisions of any other statute, a decision of an examiner or special examiner shall be final unless the claimant or the most recent employing unit of the claimant files an appeal from the decision as provided in subsection (c), except that the time limit for appeal may be waived or extended by the referee or board of review if a timely response was impossible due to excusable neglect. The appeal must be filed within 16 calendar days after the mailing of notice to the last known addresses of the claimant and employing unit or, if notice is not by mail, within 16 calendar days after the delivery of the notice to the parties.

(e) Appeals. Unless the appeal is withdrawn, a referee, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the findings of fact and decision of the examiner or special examiner. The parties shall be duly notified of the referee's decision, together with the reasons for the decision. The decision shall be final, notwithstanding the provisions of any other statute, unless a further appeal to the employment security board of review is filed within 16 calendar days after the mailing of the decision to the parties' last known addresses or, if notice is not by mail, within 16 calendar days after the delivery of the decision, except that the time limit for appeal may be waived or extended by the referee or board of review if a timely response was impossible due to excusable neglect.

(d) Referees. The secretary shall appoint, in accordance with K.S.A. 44-714(c), and amendments thereto, one or more referees to hear and decide disputed claims.

(f) Board of review. (1) There is hereby created an employment security board of review, hereinafter referred to as the board, consisting of three members. Each member of the board shall be appointed for a term of four years as provided in this subsection. Not more than two members of the board shall belong to the same political party.

(2) When a vacancy on the employment security board of review occurs, the workers compensation and employment security boards nominating committee established under K.S.A. 44-551, and amendments thereto, shall convene and submit a nominee to the governor for appointment to each vacancy on the employment security board of review, subject to confirmation by the senate as provided by K.S.A. 75-4315b, and amendments thereto. The governor shall either: (A) Accept and submit to the senate for confirmation the person nominated by the nominating committee; or (B) reject the nomination and request the nominating committee to nominate another person for that position. Except as provided by K.S.A. 46-2601, and amendments thereto, no person appointed to the employment security board of review, whose appointment is subject to confirmation by the senate, shall exercise any power, duty or function as a member until confirmed by the senate.

(3) No member of the employment security board of review shall serve more than
two consecutive terms.

(4) Each member of the employment security board shall serve until a successor has been appointed and confirmed. Any vacancy in the membership of the board occurring prior to expiration of a term shall be filled by appointment for the unexpired term in the same manner as provided for original appointment of the member.

(5) Each member of the employment security board of review shall be entitled to receive as compensation for the member's services at the rate of $15,000 per year, together with the member's travel and other necessary expenses actually incurred in the performance of the member's official duties in accordance with rules and regulations adopted by the secretary. Members' compensation and expenses shall be paid from the employment security administration fund.

(6) The employment security board of review shall organize annually by the election of a chairperson from among its members. The chairperson shall serve in that capacity for a term of one year and until a successor is elected. The board shall meet on the first Monday of each month or on the call of the chairperson or any two members of the board at the place designated. The secretary of labor shall appoint an executive secretary of the board and the executive secretary shall attend the meetings of the board.

(7) The employment security board of review, on its own motion, may affirm, modify or set aside any decision of a referee on the basis of the evidence previously submitted in the case; may direct the taking of additional evidence; or may permit any of the parties to initiate further appeal before it. The board shall permit such further appeal by any of the parties interested in a decision of a referee which overrules or modifies the decision of an examiner. The board may remove to itself the proceedings on any claim pending before a referee. Any proceedings so removed to the board shall be heard in accordance with the requirements of subsection (c). The board shall promptly notify the interested parties of its findings and decision.

(8) Two members of the employment security board of review shall constitute a quorum and no action of the board shall be valid unless it has the concurrence of at least two members. A vacancy on the board shall not impair the right of a quorum to exercise all the rights and perform all the duties of the board.

(g) Procedure. The manner in which disputed claims are presented, the reports on claims required from the claimant and from employers and the conduct of hearings and appeals shall be in accordance with rules of procedure prescribed by the employment security board of review for determining the rights of the parties, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings and decisions in connection with a disputed claim. All testimony at any hearing upon a disputed claim shall be recorded, but need not be transcribed unless the disputed claim is further appealed. In the performance of its official duties, the board shall have access to all of the records which pertain to the disputed claim and are in the custody of the secretary of labor and shall receive the assistance of the secretary upon request.

(h) Witness fees. Witnesses subpoenaed pursuant to this section shall be allowed fees and necessary travel expenses at rates fixed by the board. Such fees and expenses shall be deemed a part of the expense of administering this act.

(i) Review of board action. Any action of the employment security board of review may not be reconsidered after the mailing of the decision. An action of the board shall become final unless a petition for review in accordance with the Kansas judicial review
act is filed within 16 calendar days after the date of the mailing of the decision. If an appeal has not been filed within 16 calendar days of the date of the mailing of the decision, the decision becomes final. No bond shall be required for commencing an action for such review. In addition to those persons having standing pursuant to K.S.A. 77-611, and amendments thereto, the examiner shall have standing to obtain judicial review of an action of such board. The review proceeding, and the questions of law certified, shall be heard in a summary manner and shall be given precedence over all other civil cases except cases arising under the workers compensation act.

(j) Any finding of fact or law, judgment, determination, conclusion or final order made by the employment security board of review or any examiner, special examiner, referee or other person with authority to make findings of fact or law pursuant to the employment security law is not admissible or binding in any separate or subsequent action or proceeding, between a person and a present or previous employer brought before an arbitrator, court or judge of the state or the United States, regardless of whether the prior action was between the same or related parties or involved the same facts.

(k) In any proceeding or hearing conducted under this section, a party to the proceeding or hearing may appear before a referee or the employment security board of review either personally or by means of a designated representative to present evidence and to state the position of the party. Hearings may be conducted in person, by telephone or other means of electronic communication. The hearing shall be conducted by telephone or other means of electronic communication if none of the parties requests an in-person hearing. If only one party requests an in-person hearing, the referee shall have the discretion of requiring all parties to appear in person or allow the party not requesting an in-person hearing to appear by telephone or other means of electronic communication. The notice of hearing shall include notice to the parties of their right to request an in-person hearing and instructions on how to make the request.

Sec. 27. K.S.A. 2019 Supp. 44-710 is hereby amended to read as follows: 44-710.

(a) Payment. Contributions shall accrue and become payable by each contributing employer for each calendar year in which the contributing employer is subject to the employment security law with respect to wages paid for employment. Such contributions shall become due and be paid by each contributing employer to the secretary for the employment security fund in accordance with such rules and regulations as the secretary may adopt and shall not be deducted, in whole or in part, from the wages of individuals in such employer's employ. In the payment of any contributions, a fractional part of $.01 shall be disregarded unless it amounts to $.005 or more, in which case it shall be increased to $.01. Should contributions for any calendar quarter be less than $5, no payment shall be required.

(b) Rates and base of contributions. (1) Except as provided in paragraph (2) of this subsection, each contributing employer shall pay contributions on wages paid by the contributing employer during each calendar year with respect to employment as provided in K.S.A. 44-710a, and amendments thereto. Except that, notwithstanding the federal law requiring the secretary of labor to annually recalculate the contribution rate, for calendar years 2010, 2011, 2012, 2013 and 2014, the secretary shall charge each contributing employer in rate groups 1 through 32 the contribution rate in the 2010 original tax rate computation table, with contributing employers in rate groups 33 through 51 being capped at a 5.4% contribution rate. For calendar year 2021,
unemployment tax rates for eligible employers shall be limited to the standard rate schedule in K.S.A. 44-710a, and amendments thereto. Therefore, no additional solvency adjustment shall be applied.

(2) (A) If the congress of the United States either amends or repeals the Wagner-Peyser act, the federal unemployment tax act, the federal social security act, or subtitle C of chapter 23 of the federal internal revenue code of 1986, or any act or acts supplemental to or in lieu thereof, or any part or parts of any such law, or if any such law, or any part or parts thereof, are held invalid with the effect that appropriations of funds by congress and grants thereof to the state of Kansas for the payment of costs of administration of the employment security law are no longer available for such purposes; or (B) if employers in Kansas subject to the payment of tax under the federal unemployment tax act are granted full credit against such tax for contributions or taxes paid to the secretary of labor, then, and in either such case, beginning with the year in which that the unavailability of federal appropriations and grants for such purpose occurs or in which that such change in liability for payment of such federal tax occurs and for each year thereafter, the rate of contributions of each contributing employer shall be equal to the total of 0.5% and the rate of contributions as determined for such contributing employer under K.S.A. 44-710a, and amendments thereto. The amount of contributions which that each contributing employer becomes liable to pay under this paragraph (2) over the amount of contributions which that such contributing employer would be otherwise liable to pay shall be credited to the employment security administration fund to be disbursed and paid out under the same conditions and for the same purposes as other moneys are authorized to be paid from the employment security administration fund, except that, if the secretary determines that as of the first day of January of any year there is an excess in the employment security administration fund over the amount required to be disbursed during such year, an amount equal to such excess as determined by the secretary shall be transferred to the employment security fund.

(c) Charging of benefit payments. (1) The secretary shall maintain a separate account for each contributing employer, and shall credit the contributing employer's account with all the contributions paid on the contributing employer's own behalf. Nothing in the employment security law shall be construed to grant any employer or individuals in such employer's service prior claims or rights to the amounts paid by such employer into the employment security fund either on such employer's own behalf or on behalf of such individuals. Benefits paid shall be charged against the accounts of each base period employer in the proportion that the base period wages paid to an eligible individual by each such employer bears to the total wages in the base period. Benefits shall be charged to contributing employers' accounts and rated governmental employers' accounts upon the basis of benefits paid during each twelve-month period ending on the computation date.

(2) (A) Benefits paid in benefit years established by valid new claims shall not be charged to the account of a contributing employer or rated governmental employer who is a base period employer if the examiner finds that claimant was separated from the claimant's most recent employment with such employer under any of the following conditions: (i) Discharged for misconduct or gross misconduct connected with the individual's work; or (ii) leaving work voluntarily without good cause attributable to the claimant's work or the employer; or (iii) discharged from an employer directly impacted
by COVID-19 in accordance with the families first coronavirus response act, public law 116-127.

(B) Where base period wage credits of a contributing employer or rated governmental employer represent part-time employment and the claimant continues in that part-time employment with that employer during the period for which benefits are paid, then that employer's account shall not be charged with any part of the benefits paid if the employer provides the secretary with information as required by rules and regulations. For the purposes of this subsection (c)(2)(B), "part-time employment" means any employment when an individual works less than full-time because the individual's services are not required for the customary, scheduled full-time hours prevailing at the work place or the individual does not customarily work the regularly scheduled full-time hours due to personal choice or circumstances.

(C) No contributing employer or rated governmental employer's account shall be charged with any extended benefits paid in accordance with the employment security law, except for weeks of unemployment beginning after December 31, 1978, all contributing governmental employers and governmental rated employers shall be charged an amount equal to all extended benefits paid.

(D) No contributing employer, rated governmental employer or reimbursing employer's account shall be charged for any additional benefits paid during the period July 1, 2003 through June 30, 2004.

(E) No contributing employer or rated governmental employer's account will be charged for benefits paid a claimant while pursuing an approved training course as defined in subsection (s) of K.S.A. 44-703(s), and amendments thereto.

(F) No contributing employer or rated governmental employer's account shall be charged with respect to the benefits paid to any individual whose base period wages include wages for services not covered by the employment security law prior to January 1, 1978, to the extent that the employment security fund is reimbursed for such benefits pursuant to section 121 of public law 94-566 (90 Stat. 2673).

(G) With respect to weeks of unemployment beginning after December 31, 1977, wages for insured work shall include wages paid for previously uncovered services. For the purposes of this subsection (c)(2)(G), the term "previously uncovered services" means services which were not covered employment, at any time during the one-year period ending December 31, 1975, except to the extent that assistance under title II of the federal emergency jobs and unemployment assistance act of 1974 was paid on the basis of such services, and which that:

(i) Are agricultural labor as defined in subsection (w) of K.S.A. 44-703(w), and amendments thereto, or domestic service as defined in subsection (aa) of K.S.A. 44-703(aa), and amendments thereto;

(ii) are services performed by an employee of this state or a political subdivision thereof, as provided in subsection (i)(3)(E) of K.S.A. 44-703(i)(3)(E), and amendments thereto; or

(iii) are services performed by an employee of a nonprofit educational institution which that is not an institution of higher education.

(H) No contributing employer or rated governmental employer's account shall be charged with respect to their pro rata share of benefit charges if such charges are of $100 or less.

(3) An employer's account shall not be relieved of charges relating to a payment
that was made erroneously if the secretary determines that:

(A) The erroneous payment was made because the employer, or the agent of the employer, was at fault for failing to respond timely or adequately to a written request from the secretary for information relating to the claim for unemployment compensation; and

(B) the employer or agent has established a pattern of failing to respond timely or adequately to requests for information.

(C) For purposes of this paragraph:

(i) "Erroneous payment" means a payment that but for the failure by the employer or the employer's agent with respect to the claim for unemployment compensation, would not have been made; and

(ii) "Pattern of failure" means repeated documented failure on the part of the employer or the agent of the employer to respond, taking into consideration the number of instances of failure in relation to the total volume of requests. An employer or employer's agent failing to respond as described in (C)(3)(A) shall not be determined to have engaged in a "pattern of failure" if the number of such failures during the year prior to such request is fewer than two, or less than 2%, of such requests, whichever is greater.

(D) Determinations of the secretary prohibiting the relief of charges pursuant to this section shall be subject to appeal or protest as other determinations of the agency with respect to the charging of employer accounts.

(E) This paragraph shall apply to erroneous payments established on and after the effective date of this act.

(4) The examiner shall notify any base period employer whose account will be charged with benefits paid following the filing of a valid new claim and a determination by the examiner based on all information relating to the claim contained in the records of the division of employment security. Such notice shall become final and benefits charged to the base period employer's account in accordance with the claim unless within 10 calendar days from the date the notice was sent, the base period employer requests in writing that the examiner reconsider the determination and furnishes any required information in accordance with the secretary's rules and regulations. In a similar manner, a notice of an additional claim followed by the first payment of benefits with respect to the benefit year, filed by an individual during a benefit year after a period in such year during which such individual was employed, shall be given to any base period employer of the individual who has requested such a notice within 10 calendar days from the date the notice of the valid new claim was sent to such base period employer. For purposes of this subsection (c)(3), if the required information is not submitted or postmarked within a response time limit of 10 days after the base period employer notice was sent, the base period employer shall be deemed to have waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the board of review or any court, except that the base period employer's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. The examiner shall notify the employer of the reconsidered determination, which shall be subject to appeal or further reconsideration, in accordance with the provisions of K.S.A. 44-709, and amendments thereto.
5) **Time, computation and extension.** In computing the period of time for a base period employer response or appeals under this section from the examiner's or the special examiner's determination or from the referee's decision, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday.

(d) **Pooled fund.** All contributions and payments in lieu of contributions and benefit cost payments to the employment security fund shall be pooled and available to pay benefits to any individual entitled thereto under the employment security law, regardless of the source of such contributions or payments in lieu of contributions or benefit cost payments.

(e) **Election to become reimbursing employer; payment in lieu of contributions.** (1) Any governmental entity, Indian tribes or tribal units, (subdivisions, subsidiaries or business enterprises wholly owned by such Indian tribes), for which services are performed as described in subsection (i)(3)(E) of K.S.A. 44-703(i)(3)(E), and amendments thereto, or any nonprofit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986 which is exempt from income tax under section 501(a) of such code, that becomes subject to the employment security law may elect to become a reimbursing employer under this subsection (e)(1) and agree to pay the secretary for the employment security fund an amount equal to the amount of regular benefits and ½ of the extended benefits paid that are attributable to service in the employ of such reimbursing employer, except that each reimbursing governmental employer, Indian tribes or tribal units shall pay an amount equal to the amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, for governmental employers and December 21, 2000, for Indian tribes or tribal units to individuals for weeks of unemployment which begin during the effective period of such election.

(A) Any employer identified in this subsection (e)(1) may elect to become a reimbursing employer for a period encompassing not less than four complete calendar years if such employer files with the secretary a written notice of such election within the 30-day period immediately following January 1 of any calendar year or within the 30-day period immediately following the date on which a determination of subjectivity to the employment security law is issued, whichever occurs later.

(B) Any employer which makes an election to become a reimbursing employer in accordance with subparagraph (A) of this subsection (e)(1) will continue to be liable for payments in lieu of contributions until such employer files with the secretary a written notice terminating its election not later than 30 days prior to the beginning of the calendar year for which such termination shall first be effective.

(C) Any employer identified in this subsection (e)(1) which has remained a contributing employer and has been paying contributions under the employment security law for a period subsequent to January 1, 1972, may change to a reimbursing employer by filing with the secretary not later than 30 days prior to the beginning of any calendar year a written notice of election to become a reimbursing employer. Such election shall not be terminable by the employer for four complete calendar years.

(D) The secretary may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be
1834  JOURNAL OF THE SENATE

retroactive but not any earlier than with respect to benefits paid after January 1 of the
year such election is received.

(E) The secretary, in accordance with such rules and regulations as the secretary
may adopt, shall notify each employer identified in subsection (e)(1) of any
determination which the secretary may make of its status as an employer and of the
effective date of any election which it makes to become a reimbursing employer
and of any termination of such election. Such determinations shall be subject to
reconsideration, appeal and review in accordance with the provisions of K.S.A. 44-
710b, and amendments thereto.

(2) Reimbursement reports and payments. Payments in lieu of contributions shall
be made in accordance with the provisions of paragraph subparagraph (A) of this
subsection (e)(2) by all reimbursing employers except the state of Kansas. Each
reimbursing employer shall report total wages paid during each calendar quarter by
filing quarterly wage reports with the secretary which shall be filed by the last day
of the month following the close of each calendar quarter. Wage reports are deemed
filed as of the date they are placed in the United States mail.

(A) At the end of each calendar quarter, or at the end of any other period as
determined by the secretary, the secretary shall bill each reimbursing employer, except
the state of Kansas: (i) An amount to be paid which is equal to the full amount of
regular benefits plus ½ of the amount of extended benefits paid during such quarter or
other prescribed period that is attributable to service in the employ of such reimbursing
employer; and (ii) for weeks of unemployment beginning after December 31, 1978,
each reimbursing governmental employer and December 21, 2000, for Indian tribes or
tribal units shall be certified an amount to be paid which is equal to the full amount
of regular benefits and extended benefits paid during such quarter or other prescribed
period that is attributable to service in the employ of such reimbursing governmental
employer.

(B) Payment of any bill rendered under paragraph subparagraph (A) of this
subsection (e)(2) shall be made not later than 30 days after such bill was mailed to the
last known address of the reimbursing employer, or otherwise was delivered to such
reimbursing employer, unless there has been an application for review and
redetermination in accordance with paragraph subparagraph (D) of this subsection (e)
(2).

(C) Payments made by any reimbursing employer under the provisions of this
subsection (e)(2) shall not be deducted or deductible, in whole or in part, from the
remuneration of individuals in the employ of such employer.

(D) The amount due specified in any bill from the secretary shall be conclusive on
the reimbursing employer, unless, not later than 15 days after the bill was mailed to the
last known address of such employer, or was otherwise delivered to such employer, the
reimbursing employer files an application for redetermination in accordance with
K.S.A. 44-710b, and amendments thereto.

(E) Past due payments of amounts certified by the secretary under this section shall
be subject to the same interest, penalties and actions required by K.S.A. 44-717, and
amendments thereto. (1) If any nonprofit organization or group of nonprofit
organizations described in section 501(c)(3) of the federal internal revenue code of 1986
or governmental reimbursing employer is delinquent in making payments of amounts
certified by the secretary under this section, the secretary may terminate such
employer's election to make payments in lieu of contributions as of the beginning of the next calendar year and such termination shall be effective for such next calendar year and the calendar year thereafter so that the termination is effective for two complete calendar years. (2) Failure of the Indian tribe or tribal unit to make required payments, including assessment of interest and penalty within 90 days of receipt of the bill will cause the Indian tribe to lose the option to make payments in lieu of contributions as described pursuant to paragraph (e)(1) for the following tax year unless payment in full is received before contribution rates for the next tax year are calculated. (3) Any Indian tribe that loses the option to make payments in lieu of contributions due to late payment or nonpayment, as described in paragraph (2), shall have such option reinstated, if after a period of one year, all contributions have been made on time and no contributions, payments in lieu of contributions for benefits paid, penalties or interest remain outstanding.

(F) Failure of the Indian tribe or any tribal unit thereof to make required payments, including assessments of interest and penalties, after all collection activities deemed necessary by the secretary have been exhausted, will cause services performed by such tribe to not be treated as employment for purposes of subsection (i)(3)(E) of K.S.A. 44-703, and amendments thereto. If an Indian tribe fails to make payments required under this section, including assessments of interest and penalties, within 90 days of a final notice of delinquency, the secretary shall immediately notify the United States internal revenue service and the United States department of labor. The secretary may determine that any Indian tribe that loses coverage pursuant to this paragraph may have services performed on behalf of such tribe again deemed "employment" if all contributions, payments in lieu of contributions, penalties and interest have been paid.

(G) In the discretion of the secretary, any employer who elects to become liable for payments in lieu of contributions and any nonprofit organization or group of nonprofit organizations described in section 501 (c)(3) of the federal internal revenue code of 1986 or governmental reimbursing employer or Indian tribe or tribal unit who is delinquent in filing reports or in making payments of amounts certified by the secretary under this section shall be required within 60 days after the effective date of such election, in the case of an eligible employer so electing, or after the date of notification to the delinquent employer under this subsection (e)(2)(G), in the case of a delinquent employer, to execute and file with the secretary a surety bond, except that the employer may elect, in lieu of a surety bond, to deposit with the secretary money or securities as approved by the secretary or to purchase and deliver to an escrow agent a certificate of deposit to guarantee payment. The amount of the bond, deposit or escrow agreement required by this subsection (e)(2)(G) shall not exceed 5.4% of the organization's taxable wages paid for employment by the eligible employer during the four calendar quarters immediately preceding the effective date of the election or the date of notification, in the case of a delinquent employer. If the employer did not pay wages in each of such four calendar quarters, the amount of the bond or deposit shall be as determined by the secretary. Upon the failure of an employer to comply with this subsection (e)(2)(G) within the time limits imposed or to maintain the required bond or deposit, the secretary may terminate the election of such eligible employer or delinquent employer, as the case may be, to make payments in lieu of contributions, and such termination shall be effective for the current and next calendar year.

(H) The state of Kansas shall make reimbursement payments quarterly at a fiscal year
rate which shall be based upon: (i) The available balance in the state's reimbursing account as of December 31 of each calendar year; (ii) the historical unemployment experience of all covered state agencies during prior years; (iii) the estimate of total covered wages to be paid during the ensuing calendar year; (iv) the applicable fiscal year rate of the claims processing and auditing fee under K.S.A. 75-3798, and amendments thereto; and (v) actuarial and other information furnished to the secretary by the secretary of administration. In accordance with K.S.A. 75-3798, and amendments thereto, the claims processing and auditing fees charged to state agencies shall be deducted from the amounts collected for the reimbursement payments under this paragraph (H) prior to making the quarterly reimbursement payments for the state of Kansas. The fiscal year rate shall be expressed as a percentage of covered total wages and shall be the same for all covered state agencies. The fiscal year rate for each fiscal year will be certified in writing by the secretary to the secretary of administration on July 15 of each year and such certified rate shall become effective on the July 1 immediately following the date of certification. A detailed listing of benefit charges applicable to the state's reimbursing account shall be furnished quarterly by the secretary to the secretary of administration and the total amount of charges deducted from previous reimbursing payments made by the state. On January 1 of each year, if it is determined that benefit charges exceed the amount of prior reimbursing payments, an upward adjustment shall be made therefor in the fiscal year rate which will to be certified on the ensuing July 15. If total payments exceed benefit charges, all or part of the excess may be refunded, at the discretion of the secretary, from the fund or retained in the fund as part of the payments which may be required for the next fiscal year.

(3) Allocation of benefit costs. The reimbursing account of each reimbursing employer shall be charged the full amount of regular benefits and ½ of the amount of extended benefits paid except that each reimbursing governmental employer's account shall be charged the full amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, to individuals whose entire base period wage credits are from such employer. When benefits received by an individual are based upon base period wage credits from more than one employer then the reimbursing employer's or reimbursing governmental employer's account shall be charged in the same ratio as base period wage credits from such employer bear to the individual's total base period wage credits. Notwithstanding any other provision of the employment security law, no reimbursing employer's or reimbursing governmental employer's account shall be charged for payments of extended benefits which are wholly reimbursed to the state by the federal government. Payments of unemployment compensation that are wholly reimbursed to the reimbursing employer by the federal government shall be charged for the purpose of such reimbursement under the federal CARES act, public law 116-136.

(A) Proportionate allocation (when fewer than all reimbursing base period employers are liable). If benefits paid to an individual are based on wages paid by one or more reimbursing employers and on wages paid by one or more contributing employers or rated governmental employers, the amount of benefits payable by each reimbursing employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bears to the total base period wages paid to the individual by all of such individual's base period employers.
(B) *Proportionate allocation (when all base period employers are reimbursing employers).* If benefits paid to an individual are based on wages paid by two or more reimbursing employers, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of such individual's base period employers.

(4) *Group accounts.* Two or more reimbursing employers may file a joint application to the secretary for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employment of such reimbursing employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this subsection (e)(4). Upon approval of the application, the secretary shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the secretary receives the application and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than four years and thereafter such account shall remain in effect until terminated at the discretion of the secretary or upon application by the group. Upon establishment of the account, each member of the group shall be liable for payments in lieu of contributions with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by such member in such quarter bear to the total wages paid during such quarter for service performed in the employ of all members of the group. The secretary shall adopt such rules and regulations as the secretary deems necessary with respect to applications for establishment, maintenance and termination of group accounts that are authorized by this subsection (e)(4), for addition of new members to, and withdrawal of active members from such accounts, and for the determination of the amounts that are payable under this subsection (e)(4) by members of the group and the time and manner of such payments.

Sec. 28. K.S.A. 2019 Supp. 44-757 is hereby amended to read as follows: 44-757. *Shared work unemployment compensation program.* (a) As used in this section:

1. "Affected unit" means a specified department, shift or other unit of two or more employees that is designated by an employer to participate in a shared work plan.

2. "Fringe benefit" means health insurance, a retirement benefit received under a pension plan, a paid vacation day, a paid holiday, sick leave, and any other analogous employee benefit that is provided by an employer.

6. "Participating employer" means an employer who has a shared work plan in effect.

7. "Secretary" means the secretary of labor or the secretary's designee.
"Shared work benefit" means an unemployment compensation benefit that is payable to an individual in an affected unit because the individual works reduced hours under an approved shared work plan.

"Shared work plan" means a program for reducing unemployment under which employees who are members of an affected unit share the work remaining after a reduction in their normal weekly hours of work.

"Shared work unemployment compensation program" means a program designed to reduce unemployment and stabilize the work force by allowing certain employees to collect unemployment compensation benefits if the employees share the work remaining after a reduction in the total number of hours of work and a corresponding reduction in wages.

(b) The secretary shall establish a voluntary shared work unemployment compensation program as provided by this section. The secretary may adopt rules and regulations and establish procedures necessary to administer the shared work unemployment compensation program.

c) An employer who wishes to participate in the shared work unemployment compensation program must submit a written shared work plan to the secretary for the secretary's approval. As a condition for approval, a participating employer must agree to furnish the secretary with reports relating to the operation of the shared work plan as requested by the secretary. The employer shall monitor and evaluate the operation of the established shared work plan as requested by the secretary and shall report the findings to the secretary.

d) The secretary may approve a shared work plan if:

(1) The shared work plan applies to and identifies a specific affected unit;

(2) the employees in the affected unit are identified by name and social security number;

(3) the shared work plan reduces the normal weekly hours of work for an employee, including regular part-time employees, in the affected unit by not less than 20% and not more than 40%;

(4) the shared work plan applies to at least 10% of the employees in the affected unit;

(5) the shared work plan describes the manner in which that the participating employer treats the fringe benefits of each employee in the affected unit and the employer certifies that if the employer provides health benefits and retirement benefits under a defined benefit plan, as defined in 26 U.S.C. § 414(j), or contributions under a defined contribution plan, as defined in 26 U.S.C. § 414(i), to any employee whose workweek is reduced under the program that such benefits will continue to be provided to employees participating in the shared work compensation program under the same terms and conditions as though the workweek of such employee had not been reduced or to the same extent as other employees not participating in the shared work program;

(6) the employer certifies that the implementation of a shared work plan and the resulting reduction in work hours is in lieu of layoffs that would affect at least 10% of the employees in the affected unit and that would result in an equivalent reduction in work hours;

(7) the employer has filed all reports required to be filed under the employment security law for all past and current periods and has paid all contributions, benefit cost payments, or if a reimbursing employer has made all payments in lieu of contributions
due for all past and current periods;

(8) (A) a contributing employer must be eligible for a rate computation under K.S.A. 44-710a(a)(2), and amendments thereto, and is not a negative account employer as defined by K.S.A. 44-710a(d), and amendments thereto, and the contributing employer, as determined by the secretary, does not adversely impact the state's eligibility under section 2108 of the federal CARES act, public law 116-136; (B) a rated governmental employer must be eligible for a rate computation under K.S.A. 44-710d(g), and amendments thereto;

(9) eligible employees may participate, as appropriate, in training, including without limitation, employer-sponsored training or worker training funded under the workforce investment act of 1998, to enhance job skills if such program has been approved by the state of Kansas;

(10) the employer includes a plan for giving advance notice, where feasible, to an employee whose workweek is to be reduced together with an estimate of the number of layoffs that would have occurred absent the ability to participate in shared work compensation and such other information as the secretary of labor determines is appropriate; and

(11) the terms of the employer's written plan and implementation are consistent with employer obligations under applicable federal and Kansas laws.

e) If any of the employees who participate in a shared work plan under this section are covered by a collective bargaining agreement, the shared work plan must be approved in writing by the collective bargaining agent.

f) A shared work plan may not be implemented to subsidize seasonal employers during the off-season.

(g) The secretary shall approve or deny a shared work plan no later than the 30th day after the day the shared work plan is received by the secretary. The secretary shall approve or deny a shared work plan in writing. If the secretary denies a shared work plan, the secretary shall notify the employer of the reasons for the denial.

(h) A shared work plan is effective on the date it is approved by the secretary, except for good cause a shared work plan may be effective at any time within a period of 14 days prior to the date such plan is approved by the secretary. The shared work plan expires on the last day of the 12th full calendar month after the effective date of the shared work plan.

(i) An employer may modify a shared work plan created under this section to meet changed conditions if the modification conforms to the basic provisions of the shared work plan as approved by the secretary. The employer must report the changes made to the shared work plan in writing to the secretary before implementing the changes. If the original shared work plan is substantially modified, the secretary shall reevaluate the shared work plan and may approve the modified shared work plan if it meets the requirements for approval under subsection (d). The approval of a modified shared work plan does not affect the expiration date originally set for that shared work plan. If substantial modifications cause the shared work plan to fail to meet the requirements for approval, the secretary shall deny approval to the modifications as provided by subsection (g).

(j) Notwithstanding any other provisions of the employment security law, an individual is unemployed and is eligible for shared work benefits in any week in which the individual, as an employee in an affected unit, works for less than the individual's
normal weekly hours of work in accordance with an approved shared work plan in effect for that week. The secretary may not deny shared work benefits for any week to an otherwise eligible individual by reason of the application of any provision of the employment security law that relates to availability for work, active search for work or refusal to apply for or accept work with an employer other than the participating employer.

(k) An individual is eligible to receive shared work benefits with respect to any week in which the secretary finds that:

(1) The individual is employed as a member of an affected unit subject to a shared work plan that was approved before the week in question and is in effect for that week;

(2) the individual is able to work and is available for additional hours of work or full-time work with the participating employer;

(3) the individual's normal weekly hours of work have been reduced by at least 20% but not more than 40%, with a corresponding reduction in wages; and

(4) the individual's normal weekly hours of work and wages have been reduced as described in subsection (k)(3) for a waiting period of one week which that occurs within the period the shared work plan is in effect, which period includes the week for which the individual is claiming shared work benefits.

(l) The secretary shall pay an individual who is eligible for shared work benefits under this section a weekly shared work benefit amount equal to the individual's regular weekly benefit amount for a period of total unemployment multiplied by the nearest full percentage of reduction of the individual's hours as set forth in the employer's shared work plan. If the shared benefit amount is not a multiple of $1, the secretary shall reduce the amount to the next lowest multiple of $1. All shared work benefits under this section shall be payable from the fund.

(m) An individual may not receive shared work benefits and regular unemployment compensation benefits in an amount that exceeds the maximum total amount of benefits payable to that individual in a benefit year as provided by K.S.A. 44-704(g), and amendments thereto.

(n) An individual who has received all of the shared work benefits and regular unemployment compensation benefits available in a benefit year is an exhaustee under K.S.A. 44-704a and 44-704b, and amendments thereto, and is entitled to receive extended benefits under such statutes if the individual is otherwise eligible under such statutes.

(o) The secretary may terminate a shared work plan for good cause if the secretary determines that the shared work plan is not being executed according to the terms and intent of the shared work unemployment compensation program.

(p) Notwithstanding any other provisions of this section, an individual shall not be eligible to receive shared work benefits for more than 26 calendar weeks during the 12-month period of the shared work plan, except that two weeks of additional benefits shall be payable to claimants who exhaust regular benefits and any benefits under any other federal or state extended benefits program during the period July 1, 2003 through June 30, 2004. No week shall be counted as a week for which an individual is eligible for shared work benefits for the purposes of this section unless the week occurs within the 12-month period of the shared work plan.

(q) No shared work benefit payment shall be made under any shared work plan or this section for any week which that commences before April 1, 1989.
(r) This section shall be construed as part of the employment security law.

Sec. 29. K.S.A. 48-924 is hereby amended to read as follows: 48-924. (a) The governor shall be responsible for meeting the dangers to the state and people presented by disasters.

(b) (1) Subject to the provisions of section 5, and amendments thereto, the governor, upon finding that a disaster has occurred or that occurrence or the threat thereof is imminent, shall issue a proclamation declaring a state of disaster emergency.

(2) In addition to or instead of the proclamation authorized by K.S.A. 47-611, and amendments thereto, the governor, upon a finding or when notified pursuant to K.S.A. 47-611, and amendments thereto, that a quarantine or other regulations are necessary to prevent the spread among domestic animals of any contagious or infectious disease, may issue a proclamation declaring a state of disaster emergency. (3) The state of disaster emergency so declared shall continue until the governor finds that the threat or danger of disaster has passed, or the disaster has been dealt with to the extent that emergency conditions no longer exist. Upon making such findings the governor shall terminate the state of disaster emergency by proclamation, but except as provided in paragraph (4), no state of disaster emergency may continue for longer than 15 days unless ratified by concurrent resolution of the legislature, with the single exception that upon specific application by the governor to the state finance council and an affirmative vote of a majority of the legislative members thereof, a state of disaster emergency may be extended once for a specified period not to exceed 30 days beyond such 15-day period.

(4) If the state of disaster emergency is proclaimed pursuant to paragraph (2), the governor shall terminate the state of disaster emergency by proclamation within 15 days, unless ratified by concurrent resolution of the legislature, except that when the legislature is not in session and upon specific application by the governor to the state finance council and an affirmative vote of a majority of the legislative members thereof, a state of disaster emergency may be extended for a specified period not to exceed 30 days. The state finance council may authorize additional extensions of the state of disaster emergency by a unanimous vote of the legislative members thereof for specified periods not to exceed 30 days each. Such state of disaster emergency shall be terminated on the 15th day of the next regular legislative session following the initial date of the state of disaster emergency unless ratified by concurrent resolution of the legislature.

(5) The state of disaster emergency described in section 5, and amendments thereto, shall terminate on May 31, 2020, as provided in section 5, and amendments thereto, except that when the legislature is not in session and upon specific application by the governor to the state finance council and an affirmative vote of at least six of the legislative members of the council, this state of disaster emergency may be extended for specified periods not to exceed 30 days each. No such extension granted by the state finance council shall continue past January 26, 2021.
At any time, the legislature by concurrent resolution may require the governor to terminate a state of disaster emergency. Upon such action by the legislature, the governor shall issue a proclamation terminating the state of disaster emergency.

Each such proclamation shall be disseminated promptly by means calculated to bring its contents to the attention of the general public and, unless the circumstances attendant upon the disaster prevent the same, each such proclamation shall be filed promptly with the division of emergency management, the office of the secretary of state and each city clerk or county clerk, as the case may be, in the area to which such proclamation applies.

In the event of the absence of the governor from the state or the existence of any constitutional disability of the governor, an officer specified in K.S.A. 48-1204, and amendments thereto, in the order of succession provided by that section, may issue a proclamation declaring a state of disaster emergency in the manner provided in and subject to the provisions of subsection (a). During a state of disaster emergency declared pursuant to this subsection, such officer may exercise the powers conferred upon the governor by K.S.A. 48-925, and amendments thereto. If a preceding officer in the order of succession becomes able and available, the authority of the officer exercising such powers shall terminate and such powers shall be conferred upon the preceding officer. Upon the return of the governor to the state or the removal of any constitutional disability of the governor, the authority of an officer to exercise the powers conferred by this section shall terminate immediately and the governor shall resume the full powers of the office. Any state of disaster emergency and any actions taken by an officer under this subsection shall continue and shall have full force and effect as authorized by law unless modified or terminated by the governor in the manner prescribed by law.

A proclamation declaring a state of disaster emergency shall activate the disaster response and recovery aspects of the state disaster emergency plan and of any local and interjurisdictional disaster plans applicable to the political subdivisions or areas affected by the proclamation. Such proclamation shall be authority for the deployment and use of any forces to which the plan or plans apply and for use or distribution of any supplies, equipment, materials or facilities assembled, stockpiled or arranged to be made available pursuant to this act during a disaster.

The governor, when advised pursuant to K.S.A. 74-2608, and amendments thereto, that conditions indicative of drought exist, shall be authorized to declare by proclamation that a state of drought exists. (b) Under the provisions of this act and for the implementation thereof of this act, the governor may issue orders and proclamations which shall to exercise the powers conferred by subsection (c) that have the force and effect of law during the period of a state of disaster emergency declared under subsection (b) of K.S.A. 48-924(b), and amendments thereto, and which, or as provided in section 5, and amendments thereto. Within 24 hours of the issuance of any such order, the governor shall call a meeting of the state finance council for the purposes of reviewing such order. Such orders and proclamations shall be null and void thereafter unless ratified by concurrent resolution of the legislature after the period of a state of disaster emergency has ended. Such orders and proclamations may be revoked at any time by concurrent resolution of the legislature.

(c) During a state of disaster emergency declared under K.S.A. 48-924, and amendments thereto, and in addition to any other powers conferred upon the governor by law and subject to the provisions of subsections (d) and (e), the governor may:

1. suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business, or the orders or rules and regulations of any state agency which implements such statute, if strict compliance with the provisions of such statute, order or rule and regulation would prevent, hinder or delay in any way necessary action in coping with the disaster;

(d) No interjurisdictional disaster agency or any official thereof may declare a local disaster emergency, unless expressly authorized by the agreement pursuant to which the agency functions. However, an interjurisdictional disaster agency shall provide aid and services in accordance with the agreement pursuant to which it functions in the case of a state of local disaster emergency declared under subsection (a).

(f) (1) "Critical access hospital" means a member of a rural health network which makes available twenty-four hour emergency care services; provides not more than twenty-five acute care inpatient beds or in the case of a facility with an approved swing-bed agreement a combined total of extended care and acute care beds that does not exceed twenty-five beds; provides acute inpatient care for a period that does not exceed, on an annual average basis, ninety-six hours per patient; and provides nursing services under the direction of a licensed professional nurse and continuous licensed professional nursing services for not less than twenty-four hours of every day when any bed is occupied or the facility is open to provide services for patients unless an exemption is granted by the licensing agency pursuant to rules and regulations. The critical access hospital may provide any services otherwise required to be provided by a full-time, on-site dietician, pharmacist, laboratory technician, medical technologist and radiological technologist on a part-time, off-site basis under written agreements or arrangements with one or more providers or suppliers recognized under medicare. The critical access hospital may provide inpatient services by a physician assistant, advanced practice registered nurse or a clinical nurse specialist subject to the oversight of a physician who need not be present in the facility. In addition to the facility's twenty-five acute beds or swing beds, or both, the critical access hospital may have a psychiatric unit or a rehabilitation unit, or both. Each unit shall not exceed ten beds and neither unit will count toward the twenty-five-bed limit, nor will these units be subject to the average ninety-six-hour length of stay restriction.
(2) Notwithstanding the provisions of paragraph (1), prior to June 30, 2021, to the extent that a critical access hospital determines it is necessary to treat COVID-19 patients or to separate COVID-19 patients and non-COVID-19 patients, such critical access hospital shall not be limited to 25 beds or, in the case of a facility with an approved swing bed agreement, to a combined total of 25 extended care and acute care beds, and shall not be limited to providing acute inpatient care for a period of time that does not exceed, on an annual average basis, 96 hours per patient.

(g) "Hospital" means a hospital other than a critical access hospital which has entered into a written agreement with at least one critical access hospital to form a rural health network and to provide medical or administrative supporting services within the limit of the hospital's capabilities.

Conferees on part of House

Senator Rucker moved the Senate adopt the Conference Committee Report on S Sub HB 2054.

Senator Denning called the question. Upon the showing of five hands, the motion passed by voice vote. On roll call, the vote was: Yeas 27; Nays 11; Present and Passing 1; Absent or Not Voting 1. Yeas: Alley, Baumgardner, Berger, Billinger, Bowers, Braun, Doll, Estes, Givens, Goddard, Hardy, Hilderbrand, Kerschen, Longbine, Lynn, Masterson, McGinn, Olson, Petersen, Pyle, Rucker, Suellentrop, Taylor, Thompson, Tyson, Wagle, Wilborn. Nays: Denning, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Miller, Petey, Sykes, Ware. Present and Passing: Skubal. Absent or Not Voting: Bollier. The Conference Committee Report was adopted.

EXPLANATION OF VOTE

Madam President: Lobbyists for big industry negotiated out a provision known as ‘premise protection’ in the liability section of this bill. Negotiating premise protection out favors large corporations over small businesses. The Senate position was to have premise protection in to help small businesses recover and survive the COVID-19 pandemic. For that reason, I vote No. – JIM DENNING

Madam President: Obviously, I proudly vote NO on the final conference committee report of the 2020 Session. I was the ONLY NO vote in this Chamber on the very FIRST bill of this Session (SB 45 which purported to enhance criminal penalties for assaults, intentional and unintentional, against public servant officers to the tune of a
projected $1.2 million in necessary prison bed space in the next ten years). Fortunately, the House appears to have concurred with my lone assessment and spared our Treasury needless waste that would not have increased public safety. Colleagues, some of you won’t be back after today (it’s 6:30 am on the morning of May 22 actually), so here’s one more thing to remember about David Haley. Sniffing out waste and special interest “protections” in bills would always compel me to vote No. Immunities and legal protections from lawsuits due to gross negligence leading to multiple deaths? Not on my watch…especially after personally attending funerals that were decidedly premature. Finally, remember (and I pray this potential prediction never materializes), we should have compelled the Governor to have all inmates at all of our prisons tested for the COVID-19 coronavirus and released to monitored “home detention” all non-violent offenders with fewer than 12 months left to serve. The federal system did no less; sending notorious, but well-heeled, criminals like Paul Manafort (with 5 years at least yet to serve) and Michael Cohen (with 2 years left) to their home detentions early due to COVID-19 fears. Anticipated that as many as 3,700 in the federal system will meet the criteria for release, we here in Kansas too should release from potential “death sentences” those who posed no harm and are near completion of sentencing. And the lawsuit(s) against our State by a loved one of a hapless healthy offender who, crammed into a cell, grew COVID sick and died. Madam President, for these and other reasons, I vote NO on the LAST bill of the 2020 Session, too. – DAVID HALEY

MESSAGE FROM THE GOVERNOR

House Bill 2054 is a sweeping piece of legislation that would have long-lasting consequences for the people of Kansas as we continue to mitigate the impact of COVID-19 in our state. I support provisions of House Bill 2054 that extend a crucial emergency declaration upon which Kansas’ entire COVID-19 response effort is based. With no emergency declaration in place, critical federal support through FEMA, in addition to all Executive Orders issued under the previous act, will expire. Months of sacrifice and work on the part of Kansas families, local officials, public health leaders, and emergency response teams to limit the harm inflicted by this global public health pandemic will be lost. Unfortunately, this legislation comes attached to policy provisions I cannot support.
1. **House Bill 2054** politicizes and hampers the ability of the Executive Branch to act swiftly on behalf of Kansans in the face of an emergency. I am willing to accept changes to Kansas Emergency Management Act (KEMA) that extend additional legislative oversight during times of emergency, within reason. Unfortunately, **House Bill 2054** goes beyond reasonable legislative oversight and fails to make appropriate amendments to the law. First, the legislation demands that a supermajority of legislative leaders on the State Finance Council approve emergency actions. The bill also needlessly and dangerously hamstrings the government’s ability to respond to future threats from COVID-19. Finally, **House Bill 2054** fails to provide a reasonable mechanism for the extension of emergency declarations during the many months each year that the Legislature is not in session.

2. **House Bill 2054** creates unnecessary, unprecedented bureaucracy that will impede on the timely distribution of federal coronavirus relief. I am willing to engage the Kansas Legislature in the proper, efficient distribution of federal Coronavirus Relief Funds. This is why I included both Republican legislative leaders and Republican budget committee chairs on the Strengthening People and Revitalizing Kansas (SPARK) Taskforce for the newly established Recovery Office. However, **House Bill 2054** goes beyond collaboration to add unwarranted, unprecedented bureaucracy to the process. It will inevitably delay and confuse efforts for providing relief to Kansas communities and businesses. Kansas accepts billions of dollars in aid each year from the federal government. Kansas law provides the Executive Branch authority to not only accept federal funds, but to expend such funds. This legislative overreach is not only unprecedented, it will delay the process to an extent that will endanger our ability to disperse funds by December 31, 2020, as required by federal law.

3. **House Bill 2054** undermines a thoughtful compromise originally reached on liability protections to protect both individuals and responsible business owners. My administration engaged key stakeholders in a thorough discussion to amend COVID-19-related civil liability protections in a responsible manner. After weeks of negotiation, a compromise was reached. **House Bill 2054** fails to honor this compromise and discards all of the progress made in prior negotiations.

**House Bill 2054** was debated, voted on, and written while most Kansans were asleep and was never intended to address reasonable concerns and bring KEMA in line with our present circumstances. Rather, it was designed to trigger a high-stakes game of political chicken, combining provisions that are essential to COVID-19 response with a wide ranging, special interest “wish-list” of unrelated and unnecessary provisions. I call on the Kansas Legislature to send a clean proposal to my desk that will provide clarity and legal certainty for all elements of our emergency response moving forward.

Therefore, under Article 2, Section 14(a) of the Kansas Constitution, I hereby veto **House Bill 2054**.

Announcing a veto message from the Governor on House Bill 2510, AN ACT concerning education; creating the Kansas promise scholarship act; requiring a Kansas foster care children annual academic report card; authorizing the state board of regents on behalf of Kansas state university to sell certain real property in Saline county; authorizing school districts to pay tuition and fees for concurrent and dual enrollment of students; requiring tuition waiver for dual or concurrently enrolled foster students; authorizing the practice of the healing arts by healing arts school clinics; providing ACT college entrance exams and workkeys assessments to nonpublic school students; amending K.S.A. 65-2877a, as amended by section 5 of chapter 52 of the 2019 Session Laws of Kansas, 72-3220, 72-3221, 72-3222, 72- 5-53,112 and K.S.A. 2019 Supp. 17-2707, 17-7668 and 72-5179 and repealing the existing sections.

House Bill 2510 includes valuable provisions—such as free ACT exams for high school students and a foster care report card—that I would sign into law if they were presented in a standalone bill. The Kansas Promise Scholarship is also a laudable effort to make higher education more accessible to vulnerable Kansans who come of age in the foster care system, and to incentivize Kansas graduates to establish their careers here. Although well-intentioned, House Bill 2510 as a whole would annually deplete millions from state funds at a time when Kansas faces a $1.3 billion budget shortfall. I cannot in good conscience sign a bill establishing a new discretionary spending program that is unrelated to Kansas COVID-19 response efforts when such severe financial strain looms in the months ahead. I have made Kansas children in foster care one of the top priorities of my administration. At this time of fiscal crisis we must focus on preserving the foster care programs and services already in place. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2510.

Announcing a veto message from the Governor on Senate Substitute for House Bill 2619, AN ACT concerning financial institutions; enacting the Kansas economic recovery loan deposit program; relating to credit unions, field of membership; banks, trust companies and savings and loan institutions, privilege tax, deduction of net interest received from certain agricultural real estate loans and single family residence loans; amending K.S.A. 75-4237 and 79-1109 and K.S.A. 2019 Supp. 17-2205 and repealing the existing sections.
MESSAGE FROM THE GOVERNOR

House Bill 2619 establishes a new Economic Recovery Linked Deposit Loan Program for businesses in response to the economic downturn caused by the COVID-19 pandemic. This 10-year program would make up to $60 million available for low-interest loans to businesses and agricultural producers through the Pooled Money Investment Board. I support efforts to provide economic relief to Kansas small businesses and agricultural producers who have been hard hit by the COVID-19 pandemic. However, federal funding made available to Kansas through the CARES Act is a more appropriate funding source for this effort. With a $1.3 billion budget shortfall looming, we must protect every state resource at our disposal to make ends meet in the months ahead, including earnings from the state’s investment portfolio. House Bill 2619 also grants authority to the Kansas State Treasurer to administer the loan program. These programs have historically been administered by the Kansas Department of Commerce, and that should continue in our COVID-19 response effort. Finally, this bill includes a problematic income tax exemption for for-profit banks. While the efforts of Kansas banks and credit unions to reach a compromise on this legislation are laudable, I cannot in good conscience agree to providing tax breaks for banks in light of the looming budget shortfall. Additionally, the CARES Act already provides relief for banks that will far exceed the benefits of this legislation. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2619.

MESSAGE FROM THE GOVERNOR

During the COVID-19 pandemic our local governments have risen to the challenge of providing services to citizens when COVID-19 threatens the normal operations of

businesses and government agencies alike. I am keenly aware of the challenges facing Kansas taxpayers, especially those facing unemployment or decreased income as a result of the COVID-19 pandemic. However, the COVID-19 pandemic has also required our local governments to do more with less. Local governments rely heavily on property taxes to fund essential programs and services, but by allowing property tax payments to be made as late as August 10, 2020, with no penalties or interest, House Bill 2702 would potentially deprive local governments of essential funding at a time it is needed the most. Local governments cannot meet increased demand for police, fire, emergency medical, and other services if a primary funding source for local governments is withdrawn. Additionally, HB 2702 places significant administrative burdens on local governments when local officials should be focused on addressing the threats and challenges of COVID-19 in their communities. I have long supported responsible property tax relief, but the provisions of HB 2702 cause more problems than they solve. Now is not the time to create more problems and burdens for local governments. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2702.

Pursuant to the Governor's notification of May 26, 2020, the Senate convened for a Special Session of the Kansas Legislature with President Susan Wagle in the chair.

PROCLAMATION CALLING THE LEGISLATURE INTO SPECIAL SESSION

TO THE PEOPLE OF KANSAS, GREETINGS:

WHEREAS, the COVID-19 pandemic presents unprecedented challenges to Kansans and to our state government; and

WHEREAS, this public health emergency has required the government to take emergency action to mitigate the spread of COVID-19, and through those actions and the individual conduct of Kansans, the daily numbers of new cases, hospitalizations, and deaths as a result of COVID-19 have been steadily decreasing, though new cases continue to arise and present new threats to the state; and

WHEREAS, the presence and threat of COVID-19 has wreaked economic destruction across Kansas' economy, with businesses closed, revenues plummeting, and unemployment rising at historic rates to historic levels; and

WHEREAS, a state of disaster emergency must be in place for the Division of Emergency Management and other state agencies to conduct emergency response activities such as providing medication, testing supplies, personal protective equipment, food assistance, and other essential emergency services across the state; and

WHEREAS, under the Emergency Management Act, a state of disaster emergency can extend for more than 15 days only with the consent of the State Finance Council or the Legislature; and

WHEREAS, the stability of our economy and the safety of Kansans depend on the Legislature extending of the state of disaster emergency.

NOW, THEREFORE, I, LAURA KELLY, GOVERNOR OF THE STATE OF KANSAS, by the authority vested in me by the Constitution of the State of Kansas, do hereby call the Legislature of the State of Kansas into Special Session at the Capitol in Topeka, Kansas, on the 3rd day of June, 2020, at the hour of 8:00 o’clock a.m., to extend the state of disaster emergency and to enact appropriate amendments to the Emergency Management Act so as to provide for emergency response to the effects of the COVID-19 pandemic.
DONE: At the Capitol in Topeka
under the Great Seal of the State
this 26th day of May, A.D. 2020

BY THE GOVERNOR: Laura Kelly
Governor
Scott Schwab
Secretary of State

In accordance with the provisions of the Constitution of the State of Kansas and the
Proclamation as read, President Wagle called the 2020 Special Session of the
Legislature to order:

Roll was called with 39 senators present.
Senator Suellentrop was excused.
Invocation by Reverend Cecil T. Washington:

Overcoming The Epidemic/Pandemic of Destruction!
1 Corinthians 15:36-48, 2 Chronicles 7:14

Lord, we come before You today with turmoil all around us. And sometimes it’s even
in us; jolting many of us, at our foundation. Lord, we turn on the news and sometimes it
looks like all hell is breaking loose. We see people displaying complete disregard for
life and for liberty. We find ourselves arguing and rallying against inhumane behaviors.
Yet we know that the rallies are not the real answer.

Like the Motown songwriter, people are asking the question, “What’s Going On?”
Whether it’s the physical virus of covid-19, or the spiritual and social virus of racism,
the answer is not in the World Health Organization (WHO), the Center for Disease
Control (CDC) or any other earthbound, human entity.

The principle found in 1Corinthians 15:36-49, shows that a seed must die to bring
forth life; that natural, physical concerns, come first. They then lead to supernatural,
spiritual concerns. First the natural and its problems, then the spiritual and its solutions.
Things that produce earth bound alarms prompt us to seek Heaven bound answers. So
Lord, help us to look Heavenward. For You’ve already provided the prescription for
overcoming covid and racism.

You did say, yes You did Lord, in 2Chronicles 7:14, that if Your people, those of us
that claim to belong to You, would do four things; 1) humble ourselves, 2) pray to You,
3) look to You/seek Your face…4) turn from ways/behaviors that You call wicked and
Then! THEN; Your ears would open, THEN You would hear our cries for Your help and
heal our land.

Show us how to be brothers, just coming from different mothers. I humble myself
and pray this prayer, turning from unpleasing ways. And in the Name of Jesus, I’m
seeking Your face to provide healing. Amen!

The Pledge of Allegiance was led by President Wagle.

MESSAGES FROM THE GOVERNOR

Over the last few months Kansans have faced unprecedented challenges because of COVID-19. Through it all, Kansans have shown resiliency and compassion that has served as strong reminder that we are all in this together.

I have called this special session of the Legislature for a simple and clear purpose. During the COVID-19 pandemic our state must be able to respond to this emergency to protect the health and safety of Kansans, and keep our economy open. Our state is in a precarious position. Although we have made it through the initial peak of COVID-19 cases, and although the numbers have been trending steadily downward over the last
several weeks, we must not be lulled into a sense of complacency.

We continue to learn more about this deadly virus every day, and the moment we let down our guard, we leave our state susceptible to a resurgence of the virus that could endanger the lives of Kansans and the working of our economy. As I have said before, the most important purpose of this special session is to ensure that our government can continue to respond as necessary to this evolving pandemic. That means extending the emergency declaration and making reasonable amendments to the Kansas Emergency Management Act. I believe we can accomplish these goals quickly and efficiently together.

I am heartened that in the days leading up to this special session legislators on both sides of the aisle have come together to work with my office to seek a bipartisan solution to the emergency management issues facing our state. Each side has given and taken in this process, and that is how government should work. The product will not be perfect in the eyes of either side, but it will work for Kansans – and that is our job.

Every state lawmaker should embrace the opportunity to work together in a bipartisan fashion to keep Kansans safe. Their efforts can be historic in not only helping today’s Kansans, but also future generations who also will face the tragic toll of unexpected disasters.

We will continue to face these challenges together as we work towards our economic recovery. I look forward to working with the Legislature to pass emergency legislation that is in the best interests of all Kansans. It is what Kansans expect of us as leaders – and it’s what Kansans deserve.

Respectfully,

Laura Kelly
Governor

Senator Denning moved the following appointment without recommendation by the Committee on Judiciary.

By the Governor

On the appointment to the:

Kansas Court of Appeals:
Carl Folsom

On roll call, the vote was: Yeas 18; Nays 17; Present and Passing 4; Absent or Not Voting 1.

Yeas: Bollier, Bowers, Denning, Doll, Faust-Goudeau, Francisco, Haley, Hardy, Hawk, Hensley, Holland, Longbine, McGinn, Miller, Petty, Skubal, Sykes, Ware.
Nays: Alley, Baumgardner, Billinger, Braun, Estes, Goddard, Hilderbrand, Kerschen, Lynn, Masterson, Olson, Petersen, Pyle, Thompson, Tyson, Wagle, Wilborn.

Absent or Not Voting: Suellentrop.

The appointment was not confirmed.

EXPLANATION OF VOTE

Madam President: No one in the Judiciary committee hearing on the nomination of Mr. Folsom was, in my opinion, attempting to characterize or equate him with the criminals he was tasked to defend as was suggested. Mr. Folsom was doing the job he was assigned and performed it to the best of his abilities. My concern is over his lack of breadth and depth of experience. He admittedly lacks the civil and prosecutorial experience that would be instructive to his decisions at the appellate level. This (the appellate court) is not the place for on the job training. Bad decisions can have long term consequences for persons coming before the court. In addition, I am concerned about his decision making process with regard to the "rule book"...the constitution, which, in my opinion should be the ultimate guide for all court decisions. Otherwise, the law becomes a moving target, subject to the whims of the jurist...rather than the text of the constitution.

For the above stated reasons, I vote no.

—Mike Thompson

Senator Braun requests the record to show he concurs with the "Explanation of Vote" offered by Senator Thompson.

Having voted on the prevailing side, Senator Pyle moved to reconsider the previous action. The motion failed.

INTRODUCTION OF HOUSE BILLS AND CONCURRENT RESOLUTIONS

HB 2016 was thereupon introduced and read by title.

REFERENCE OF BILLS AND CONCURRENT RESOLUTIONS

The President referred HB 2016 to the Committee on Judiciary.

On motion of Senator Denning, the Senate adjourned until 8:00 a.m., Thursday, June 4, 2020.
The Senate was called to order by President Susan Wagle.
The roll was called with 39 senators present.
Senator Suellentrop was excused.
President Wagle introduced Rev. Dave DePue, Kansas Capitol Commission, to deliver the invocation:

Almighty God, You described Your Sovereignty in Colossians 1:16 ... over all things created, visible and invisible, thrones or dominions of principalities or power ... even this pestilence that is a scourge in our land and even the spirit of hate which denies people their dignity!

Lord, You gave Moses reassuring words in Deuteronomy 31:6, to share with Your leader Joshua and the people as they entered the promised land: "To be strong and courageous."

Now Lord, bless these leaders, these legislators who the people have sent to these chambers as our senators. Please give each a double portion of wisdom and discernment. Strengthen them for the work of this day and the days ahead. Give each a glimpse of the legacy that they are leaving the next generation of Kansans.

Lord, their work will take perseverance, but our cause is just! Please embolden them, empower them, bless them, give them honor!

This I pray in the Name of Jesus, Amen!

The Pledge of Allegiance was led by President Wagle.

On motion of Senator Denning, the Senate recessed until the sound of the gavel.

The Senate met pursuant to recess with President Wagle in the chair.

EXPLANATION OF VOTE

Madam President: Throughout the five days of Judiciary Committee hearings, I’ve spoken about the Crisis of Confidence within our state. This Crisis of Confidence isn’t eased by this bill. In a debate over COVID liability, we assign immunity to some, an affirmative defense to others, and no protection for even more. The words from the KDHE Secretary, “Long-term care facilities are a critical component of Kansas’s healthcare system and are unique as both healthcare providers and full-time homes for some of our most vulnerable citizens,” ring hollow, knowing that the state is flush with supplies while these care facilities continue to have limited supply. Our Community Colleges and Technical Colleges are left to fend for themselves as they attempt to navigate COVID while serving students. The legislature has been backed in a corner by the governor. Her spokesman testified that she will veto this bill if amended to protect higher education, our care facilities, and testing for our first responders. The governor is calling on the legislature to join her in turning our backs on the colleges and care facilities that serve our communities and Kansans. While there are several positive aspects to this bill, I vote “NO.”—MOLLY BAUMGARDNER

Senator Estes requests the record to show he concurs with the "Explanation of Vote" offered by Senator Baumgardner on HB 2016.

Madam President: Although supportive of the underlying bill, I cannot understand the exclusion of certain segments of our state. It is inconceivable that hospitals are given immunity and nursing homes are not. It is inconceivable that regent universities are protected but community and technical colleges are not. Winners and losers are being chosen. This is not in the best interests of Kansas and Kansans. Therefore, I with great gravity, vote no.—ED BERGER
Madam President: I supported HB 2016 today and would like to explain my vote. We were called back to Topeka by Governor Kelly to rework our COVID-19 bill. Governor Kelly vetoed HB 2054, saying the bill was not properly debated and that our process was tainted. HB 2016, that was just passed, is very similar to the bill vetoed by Governor Kelly. Yes, the new bill has a few additional requirements and additional oversight. The main difference in the new bill and the vetoed bill are some of the protections in the original bill for our most vulnerable citizens. The new bill carves out the protections for the IDD (intellectual developmentally disabled) community workers. The bill also carves out protection for workers at the long-term care facilities. Our community colleges also lost their protections included in the original bill. There is no way to explain why the Governor has threatened to veto the new bill if protections for the nursing homes, the IDD community and community colleges are not left out. Governor: WHY –WHY –WHY do you refuse to protect our nursing home workers, the IDD community workers and our community colleges? I am especially concerned when KDADS mandate that long-term care facilities in Kansas cannot and should not turn away new residents or refuse to readmit previous residents for fear of COVID-19. It is unfathomable to me that you would allow infected COVID-19 patients into our long-term care facilities. WHY would you do this? WHY? —RICK BILLINGER

Senator Baumgardner request the record to show she concurs with the "Explanation of Vote" offered by Senator Billinger on HB 2016.

Madam President: While I fully understand the extreme circumstances necessitating the need for the Governor’s emergency orders and support those sections of the bill, that does not relieve us of careful evaluation and scrutiny of all parts of HB 2016. Subsection (h) of section 23 that allows any health care professional licensed in any state or territory to practice in Kansas without the need for a Kansas license or Kansas regulatory oversight has serious potential consequences. Under this subsection and absent criminal activity, no Kansas authority would have the jurisdiction to regulate the practice of these individuals. This creates a tremendous safety issue for the people of Kansas. I cannot support hastily crafted legislation that has been denied the opportunity to receive full debate and possible amendments. Additionally, those committing acts of negligence against others should be held accountable. The Covid-19 virus should not serve as an excuse to allow injury or harm without legal recourse. Thus, I vote NO on HB 2016.—BARBARA BOLLIER

Madam President: This bill as drafted does not have every provision I would have liked to see. It also includes several provisions I would like to be removed but as a member of a forty member Senate and a one hundred and sixty five member legislature I know that I will not always get every provision that I want. I have incredible respect for the eleven person Senate Judiciary Committee for their review of this bill. With that I am posed with a binary choice with the requirement to choose between yes and no. In my analysis of this bill I find that there are critical issues addressed in this bill that my constituents must have before the 2021 session to live their lives and run their businesses. For the sake of my constituents and all Kansans I am voting for business, I am voting for local control, I am voting to get Kansans back to work and back to their lives. I would like to note that I look forward to addressing my remaining concerns in this bill next session in the areas of: Long Term Care Center COVID specific immunity coverage, Community College COVID specific immunity coverage, Contract Tracing,
which thankfully expires May 1, 2021, adjustment to the Governors Emergency Declaration Powers and several other provisions. With the needs of my constituents and all Kansans ability to get their lives back to normal I vote yes.—KEVIN BRAUN

Senators Billinger, Goddard and Petersen request the record to show they concur with the "Explanation of Vote" offered by Senator Braun on HB 2016.

Madam President: There are many items in this bill that I can support. I cannot support the state picking the winners and the losers, like we are doing with liability immunity. I do not support leaving nursing homes, IDD homes, long-term care homes, adult care homes, or community colleges out of the liability protection part of this legislation. I do not support allowing the state the ability to shut down businesses by labeling them essential or nonessential. If we are truly doing this for safety of Kansans, we would label businesses safe and unsafe businesses. We would then give the businesses that the state deems to be unsafe the directions and guidelines to become safe, so that they can reopen, so that they can feed their families. I have concerns that it is the State Board of Education, and not the local school boards that get to make the decision on opening or closing their schools. I had concerns about contact tracing. I have concerns with why we are extending the emergency declaration out to September 15, 2020. Why is this date important and how did we choose this date? For these reasons I vote Nay on HB 2016.—RICHARD HILDERBRAND

Madam President: I vote "aye" on HB 2016 because this is the only bill we will get to vote for. There is a very good tax plan that has been left out. I am most distressed about how our people in adult care centers are being treated in this bill. I can state my frustrations best with the following statement: we've been handed the music; the band is ready to play; but grandma doesn't get to sing.—DAN KERSCHEN

Senator Tyson requests the record to show she concurs with the "Explanation of Vote" offered by Senator Kerschen on HB 2016.

Madam President: Today I must make an impossible choice. I want to thank our esteemed Chairman, Senator Wilborn for the over 60 hours of discussions and votes to make this bill possible. As Chair of Senate Commerce Committee, I have the privilege of leading business policy for this State. It is and will always be my main focus of legislative work. As the youngest of four siblings, I have had the privilege of being the caretaker for both of my deceased parents, and now, for my sister a resident in a long-term care facility. I understand the challenge of care-taking loved ones and the poignant and sacred moments in the cycle of life. Today I choose to protect and venerate our most vulnerable in the sunset of their lives.—JULIA LYNN

Madam President: I hold to the simple premise that those committing acts of negligence against others should be held accountable for the harm and injury they cause to those they harm. I have asked several times and have yet to receive an answer to the question why acts of negligence arising from the COVID 19 virus are any less harmful to those that suffer the harm and why it is any less important those injured should not be compensated for their injury. Consequently, I vote "NO."—VIC MILLER

Senators Haley and Holland request the record to show they concur with the “Explanation of Vote” offered by senator Miller on HB 2016.
Madam President: This bill does not include the growing medical needs of Kansans that Medicaid Expansion would address. This bill does not address the lockout for unemployment benefits that thousands of Kansans have been denied because of past actions of the legislature. This bill does help our governor and agencies continue to move forward due the unprecedented circumstances created by the COVID-19 pandemic. I vote YES.—**Pat Pettey**

Senators Haley, Hawk, Sykes and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Pettey on **HB 2016**.

Madam President: For the last three months, people across Kansas have faced uncertainty. From one-size-fits-all executive orders to shifting and confusing phases… to evolving definitions of what is essential and non-essential… people in every part of our state have been asking for us to make a decision that reopens Kansas and provides clarity about the road ahead. We have 300,000 out of work and businesses that are not reopening. We cannot allow the economic carnage to continue. To be sure, there are aspects of the bill that are problematic. The protections for long term care facilities and nursing homes should have been stronger. Community colleges should be protected and sunset provisions should be certain. My overarching concern is that we cannot let this Governor do any more damage. Like other colleagues here...I want to rework every aspect of the emergency declaration orders in the next session. This bill is not perfect, but it does provide local control to county commissioners. It provides important checks and balances on the powers of the governor, including the expenditure of funds as well as any decision to close schools. It provides important liability protection for some Kansas businesses. Most of all, the bill provides some certainty for Kansans. For these reasons I reluctantly vote Yes on **HB 2016**.—**Mike Thompson**
