Dear Representative Patton:

SUBJECT: Fiscal Note for HB 2674 by House Committee on Judiciary

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2674 is respectfully submitted to your committee.

HB 2674 would require a coroner to complete a nonsuspicious child death form if the cause of the child's death is known and no suspicious circumstances are present. The bill would also allow a parent of a deceased child to opt out of receiving autopsy results.

HB 2674 would have no fiscal effect.

Sincerely,

A handwritten signature in black ink that reads "L. L. Campbell". The signature is written in a cursive style with a large, sweeping "L" and "C".
