The Honorable Dan Kerschen, Chairperson  
Senate Committee on Agriculture and Natural Resources  
Statehouse, Room 225-E  
Topeka, Kansas 66612

Dear Senator Kerschen:

**SUBJECT:** Fiscal Note for SB 285 by Senate Committee on Agriculture and Natural Resources

In accordance with KSA 75-3715a, the following fiscal note concerning SB 285 is respectfully submitted to your committee.

SB 285 would extend the sunset date of the Underground Storage Tank (UST) Redevelopment Fund Compensation Advisory Board and the UST Redevelopment Fund from July 1, 2024, to July 1, 2032.

The Kansas Department of Health and Environment (KDHE) indicates the bill would allow current UST Redevelopment Fund expenditures and revenues to continue to the new sunset date and, therefore, would have no fiscal effect. KDHE estimates ongoing expenditures will be consistent with prior years, but actual expenditures will depend on industry demand for redevelopment efforts.

Sincerely,

Larry L. Campbell  
Division of the Budget
