Dear Senator Petersen:

**SUBJECT:** Fiscal Note for SB 316 by Senate Committee on Transportation

In accordance with KSA 75-3715a, the following fiscal note concerning SB 316 is respectfully submitted to your committee.

SB 316 would create the Together as One Foundation distinctive license plate. The bill would allow any Kansas resident who is the owner of a passenger vehicle or truck of a gross weight of 20,000 pounds to be issued one Together as One Foundation license plate for each vehicle on and after January 1, 2021. The distinctive plate would be issued upon proper registration and payment of the regular license fee as provided in KSA 8-143, and either (1) payment to the county treasurer of the logo use royalty payment established by the Together as One Foundation, or (2) presentation of the annual logo use authorization statement. The Together as One Foundation would be authorized to allow their logo to be affixed on license plates upon payment of a logo use royalty payment of at least \$25, but no more than \$100 for each license plate. The payment would be issued to the Together as One Foundation or the county treasurer. Annual royalty payments collected by county treasurers would be remitted to the State Treasurer and credited to the Together as One Foundation Royalty Fund.

In addition, the Department estimates the bill would increase revenues to the Distinctive License Plate Fund from a \$20,000 nonrefundable fee required from the sponsor of a new distinctive license plate, which is used to defray the cost to develop the new plate.
