The Honorable Carolyn McGinn, Chairperson
Senate Committee on Ways and Means
Statehouse, Room 545-S
Topeka, Kansas 66612

Dear Senator McGinn:

SUBJECT: Fiscal Note for SB 492 by Senate Committee on Ways and Means

In accordance with KSA 75-3715a, the following fiscal note concerning SB 492 is respectfully submitted to your committee.

SB 492 would amend the Kansas Energy Efficiency Investments Act by adding definitions for "fuel switching," "interruptible or curtailable rate," "lost margin revenue," and "total resource cost test," as well as modifying the existing definition for "demand-side program." The bill would also modify the evaluation process currently used by the Kansas Corporation Commission to evaluate energy efficiency programs.

The Kansas Corporation Commission reports that enactment of SB 492 would have no fiscal effect on agency operations.

Sincerely,

A handwritten signature in blue ink that reads "L. L. Campbell".

Larry L. Campbell
Director of the Budget
