(e) Who has previously been adjudged to be afflicted with or suffering from any mental disability or disease and who, at the time of making application for a driver's license, has not been restored to capacity in the manner provided by law. Application of this limitation to any person known to have suffered any seizure disorder is subject to the provisions of K.S.A. 8-247, and amendments thereto.

(f) Who is required by the motor vehicle drivers' license act to take an examination, unless the person has successfully passed the examination.

No person described by this subsection shall be eligible to receive a driver's license which is not restricted until the person has reached the age of 17 years.

Sec. 3. K.S.A. 2018 Supp. 8-240 is hereby amended to read as follows: 8-240. (a) (1) Every application for an instruction permit shall be made upon a form furnished by the division of vehicles and accompanied by a fee of $2 for class A, B, C or M and $5 for all commercial classes. Every other application shall be made upon a form furnished by the division and accompanied by an examination fee of $3, unless a different fee is required by K.S.A. 8-241, and amendments thereto, and by the proper fee for the license for which the application is made. All commercial class applicants shall be charged a $15 driving test fee for the drive test portion of the commercial driver's license application. If the applicant is not required to take an examination or the commercial license drive test, the examination or commercial drive test fee shall not be required. The examination shall consist of three tests, as follows: (A) Vision; (B) written; and (C) driving. For a commercial driver's license, the drive test shall consist of three components, as follows: (A) Pre-trip; (B) skills test; and (C) road test. If the applicant fails the vision test, the applicant may have correction of vision made and take the vision test again without any additional fee. If an applicant fails the written test, the applicant may take such test again upon the payment of an additional examination fee of $1.50. If an applicant fails the driving test, the applicant may take such test again upon the payment of an additional examination fee of $1.50. If an applicant for a commercial driver's license fails any portion of the commercial drive test, the applicant may take such test again upon the payment of an additional drive test fee of $10. If an applicant fails to pass all three of the tests within a period of six months from the date of original application and desires to take additional tests,

Upon the filing of such application and the payment of such reexamination fee, the applicant shall be entitled to reexamination in like manner and subject to the additional fees and time limitation as provided for examination on an original application. If the applicant passes the reexamination, the applicant shall be issued the classified driver's license for which the applicant originally applied, which license shall be issued to expire as if the applicant had passed the original examination.

(2) Applicants for class M licenses who have completed prior motorcycle safety training in accordance with department of defense instruction 6055.04 (DoDI 6055.04) or the motorcycle safety foundation are not required to complete further written and driving testing pursuant to paragraph (1). An applicant seeking exemption from the written and driving tests pursuant to this paragraph shall provide a copy of the motorcycle safety foundation completion form to the division prior to receiving a class M license.

(3) On and after January 1, 2017, an applicant for a class M license who passes a driving examination on a three-wheeled motorcycle which is not an autocycle shall have a restriction placed on such applicant's license limiting the applicant to the operation of a registered three-wheeled motorcycle. An applicant for a class M license who passes a driving examination on a two-wheeled motorcycle may operate any registered two-wheeled or three-wheeled motorcycle. The driving examination required by this paragraph shall be administered by the division, by the department of defense or as part of a curriculum recognized by the motorcycle safety foundation.

(b) (1) For the purposes of obtaining any driver's license or instruction permit, an applicant shall submit, with the application, proof of age and proof of identity as the division may require. The applicant also shall provide a photo identity document, except that a non-photo identity document is acceptable if it includes both the applicant's full legal name and date of birth, and documentation showing the applicant's name, the applicant's address of principal residence and the applicant's social security number. The applicant's social security number shall remain confidential and shall not be disclosed, except as provided pursuant to K.S.A. 74-2012, and amendments thereto. If the applicant does not have a social security number the applicant shall provide proof of lawful presence and Kansas residency, unless such person is applying for a limited driver's license,
limited and restricted license or limited instruction permit pursuant to section 1, and amendments thereto. The division shall assign a distinguishing number to the license or permit.

(2) (A) Except as provided in subsection (B), the division shall not issue any driver's license or instruction permit to any person who fails to provide proof that the person is lawfully present in the United States. Before issuing a driver's license or instruction permit to a person, the division shall require valid documentary evidence that the applicant: (A) (i) is a citizen or national of the United States; (B) (ii) is an alien lawfully admitted for permanent or temporary residence in the United States; (C) (iii) has conditional permanent resident status in the United States; (D) (iv) has an approved application for asylum in the United States or has entered into the United States in refugee status; (E) (v) has a valid, unexpired nonimmigrant visa or nonimmigrant visa status for entry into the United States; (F) (vi) has a pending application for asylum in the United States; (G) (vii) has a pending or approved application for temporary protected status in the United States; (H) (viii) has approved deferred action status; or (I) (ix) has a pending application for adjustment of status to that of an alien lawfully admitted for permanent residence in the United States or conditional permanent resident status in the United States.

(5) The division shall not issue a driver's license to a person holding a
driver's license issued by another state without making reasonable efforts
to confirm that the person is terminating or has terminated the driver's
license in the other state.

(6) The parent or guardian of an applicant under 16 years of age shall
sign the application for any driver's license submitted by such applicant.

(c) Every application shall state the full legal name, date of birth,
gender and address of principal residence of the applicant, and briefly

[thereto]. The gift would become effective upon the death of the donor.

(d) When an application is received from a person previously licensed
in another jurisdiction, the division shall request a copy of the driver's
record from the other jurisdiction. When received, the driver's record shall
become a part of the driver's record in this state with the same force and

(e) When the division receives a request for a driver's record from
another licensing jurisdiction the record shall be forwarded without charge.
