AN ACT concerning public employees; relating to recertification of professional employees' organizations; creating the professional negotiations act; amending K.S.A. 72-2221, 72-2222, 72-2223 and 72-2237 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) No professional employees' organization that is designated or selected as the exclusive representative shall continue to represent professional employees without the concurrence of a majority of all professional employees in the represented unit.

(b) (1) From and after July 1, 2019, the secretary shall cause triennial elections to be held to certify majority support of professional employees' organizations. Such elections shall be held on or after January 1 and no later than April 1.

(2) For purposes of administering such elections on a staggered basis, the secretary shall organize all boards of education into three groups and assign the year 2019, 2020 or 2021 to each group. On or before August 1, 2019, the secretary shall advise all boards of education and professional employees' organizations of the group designation and the year of their first triennial elections.

(c) Upon the conclusion of a recertification election conducted pursuant to this section, if the professional employees' organization receives votes from a majority of all professional employees in the represented unit, the professional employees' organization shall continue to represent such unit. If the professional employees' organization fails to receive votes from a majority of all professional employees in the represented unit, the professional employees' organization shall no longer be recognized and the professional employees shall be unrepresented. If no election is held within the time period required under subsection (b), the secretary shall cause an election to be held pursuant to subsection (b) the following year.

(d) If a professional employees' organization is no longer recognized after an election held pursuant to this section, the terms of any agreement between the professional employees and the board of education shall continue and remain in effect for the remaining term of such agreement, except for any provisions involving, in any manner, the professional
employees' organization, including, but not limited to, organization
security, dues and fees and grievance and arbitration.

(e) A new professional employees' organization may be recognized in
accordance with K.S.A. 72-2221, and amendments thereto, provided the
professional employees' organization is not substantially similar to or
affiliated with any professional employees' organization that lost its
recognition as the exclusive representative within the immediately
preceding 36 months.

(f) In any election conducted pursuant to this section, in addition to
the name of any professional employees' organization entitled to be
contained on the ballot, the ballot also shall contain the choice of "no
representation." When an election in which the ballot contains three or
more choices results in no choice receiving a majority of the votes of all
professional employees in the unit, the secretary shall hold a run-off
election. Any run-off election shall be conducted in accordance with the
provisions of this section and shall only provide for a selection between
the two choices receiving the largest and second largest number of votes in
the initial election. The secretary shall certify the results of any election to
the parties involved therein.

(g) (1) The secretary shall adopt rules and regulations necessary to
implement the provisions of this section. Such rules and regulations, at a
minimum, shall:

(A) Ensure the purity of elections held pursuant to this section, and
preserve the secrecy of the ballot in any such elections;

(B) establish the manner in which such elections are conducted,
including whether elections are conducted in person, by mail, by
telephone, by internet-based systems or by any other means determined by
the secretary to be fair, confidential and reliable;

(C) prohibit the practice of voting by proxy in such elections; and

(D) allow professional employees to cast ballots for a period of 14
days from the start of any such election.

(2) The secretary may establish by rules and regulations a fee
schedule for the purpose of paying the expenses of conducting elections
held pursuant to this section. Such fees shall be collected from
professional employees' organizations participating in such elections.

(h) The provisions of this section shall be part of and supplemental to
the professional negotiations act.

New Sec. 2. The provisions of K.S.A. 72-2218 through 72-2239, and
amendments thereto, and section 1, and amendments thereto, shall be
known and may be cited as the professional negotiations act.

Sec. 3. K.S.A. 72-2221 is hereby amended to read as follows: 72-
2221. (a) If professional employees of a board of education are not
represented by a professional employees' organization for the purpose of
professional negotiation, any professional employees' organization may file a request with the board of education alleging that a majority of the professional employees in an appropriate negotiating unit wish to be represented for such purpose by such organization and asking the board of education to recognize it as the exclusive representative under K.S.A. 72-2220, and amendments thereto. Such request shall describe the grouping of jobs or positions which constitute the unit claimed to be appropriate and shall include a demonstration of majority support through verified membership lists. Notice of such request shall immediately be posted by the board of education on a bulletin board at each school or other facility in which members of the unit claimed to be appropriate are employed.

(b) A request for recognition under subsection (a) shall be granted by the board of education unless:

(2) another professional employees' organization files with the board of education within ten (10) 10 calendar days after the posting of notice of the original request a competing request alleging majority support and asking the board of education to recognize it as the exclusive representative; or

(4) the board of education, within the previous twelve (12) 36 months, has lawfully denied or withdrawn the recognition of a such professional employees' organization as the exclusive representative of the professional employees included in the unit claimed to be appropriate; or

(5) the secretary, within the previous twelve (12) 36 months, has conducted a secret ballot election under the provisions of this act, or the act of which this section is amendatory section 1, and amendments thereto, and the election resulted in a majority vote of all professional employees in the unit for no representation.

Sec. 4. K.S.A. 72-2222 is hereby amended to read as follows: 72-2222. (a) A petition may be filed with the secretary, asking the secretary to investigate and decide the question of whether (1) professional employees in an appropriate negotiating unit have designated a professional employees' organization for recognition as an exclusive representative for purposes of K.S.A. 72-2220; (2) a professional employees' organization which is the recognized exclusive representative should be replaced by another professional employees' organization; (3) recognition of a professional employees' organization as the exclusive representative—

(b) The secretary shall dismiss, without determining the questions raised therein, any petition filed under K.S.A. 72-2222, and amendments thereto, if:

(1) The petition is filed by a professional employees' organization and is not supported by credible evidence that at least thirty percent (30%) of the professional employees in the appropriate unit desire to be members of the professional employees' organization filing the petition; or

(2) the petition is filed by one or more professional employees, asks the secretary to determine the question of whether recognition of a professional employees' organization should be withdrawn, and is not supported by credible evidence that at least thirty percent (30%) of the professional employees in the appropriate unit support the request; or

(3) the board of education, within the previous twelve (12) months, has lawfully recognized a professional employees' organization other than the petitioner as the exclusive representative of any professional employees included in the unit described in the petition; or

In the event of refusal to obey a subpoena on the part of any person or persons, the secretary shall have the authority to bring an action to enforce the subpoena in a court of competent jurisdiction.
