HOUSE BILL No. 2527

By Committee on Rural Revitalization

1-29

AN ACT concerning health; relating to the department of health and environment; division of public health; advisory committee on trauma; statewide trauma system regional council; removing the expiration of the authority to conduct closed session meetings and keep records privileged; amending K.S.A. 75-5664 and 75-5665 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 75-5664 is hereby amended to read as follows: 75-5664. (a) There is hereby established an advisory committee on trauma. The advisory committee on trauma shall be advisory to the secretary of health and environment and shall be within the division of public health of the department of health and environment as a part thereof.

(b) On July 1, 2001, the advisory committee on trauma in existence immediately prior to July 1, 2001, is hereby abolished and a new advisory committee on trauma is created in accordance with this section. The terms of all members of the advisory committee on trauma in existence prior to July 1, 2001, are hereby terminated. On and after July 1, 2001, the advisory committee on trauma shall be composed of 24 members representing both rural and urban areas of the state appointed as follows:

(1) Two members shall be persons licensed to practice medicine and surgery appointed by the governor. At least 30 days prior to the expiration of terms described in this section, for each member to be appointed under this section, the Kansas medical society shall submit to the governor a list of three names of persons of recognized ability and qualification. The governor shall consider such list of persons in making appointments to the board under this paragraph.

(2) One member shall be licensed to practice osteopathic medicine appointed by the governor. At least 30 days prior to the expiration of the term of the member appointed under this section, the Kansas association of osteopathic medicine shall submit to the governor a list of three persons of recognized ability and qualification. The governor shall consider such list of persons in making appointments to the board under this paragraph.

(3) Three members shall be representatives of hospitals appointed by the governor. At least 30 days before the expiration of terms described in this section, for each member to be appointed under this section, the
Kansas hospital association shall submit to the governor a list of three names of persons of recognized ability and qualification. The governor shall consider such list of persons in making appointments to the board under this paragraph.

(4) Two members shall be licensed professional nurses specializing in trauma care or emergency nursing appointed by the governor. At least 30 days before the expiration of terms described in this section, for each member to be appointed under this section, the Kansas state nurses association shall submit to the governor a list of three names of persons of recognized ability and qualification. The governor shall consider such list of persons in making appointments to the board under this paragraph.

(5) Two members shall be emergency medical service providers as defined in K.S.A. 65-6112, and amendments thereto, who are on the roster of an ambulance service permitted by the board of emergency medical services. At least 30 days prior to the expiration of one of these positions, the Kansas emergency medical services association shall submit to the governor a list of three persons of recognized ability and qualification. The governor shall consider such list of persons in making this appointment to the board. For the other member appointed under this section, at least 30 days prior to the expiration of the term of such member, the Kansas emergency medical technician association shall submit a list of three persons of recognized ability and qualification. The governor shall consider such list of persons in making appointments to the board under this paragraph.

(6) Two members shall be administrators of ambulance services, one rural and one urban, appointed by the governor. At least 30 days prior to the expiration of the terms of such members, the Kansas emergency medical services association and Kansas emergency medical technician association in consultation shall submit to the governor a list of four persons of recognized ability and qualification. The governor shall consider such list of persons in making this appointment to the board under this paragraph.

(7) Six members shall be representatives of regional trauma councils, one per council, appointed by the governor. At least 30 days prior to the expiration of one of these positions, the relevant regional trauma council shall submit to the governor a list of three persons of recognized ability and qualification. The governor shall consider such list of persons in making these appointments to the board.

(8) The secretary of health and environment or the secretary's designee of an appropriately qualified person shall be an ex officio representative of the department of health and environment.

(9) The chairperson of the emergency medical services board or the chairperson's designee shall be an ex officio member.
(10) Four legislators selected as follows shall be members: The chairperson and ranking minority member or their designees of the committee on health and human services of the house of representatives and the chairperson and ranking minority member or their designees from the committee on public health and welfare of the senate shall be members.

(c) All members shall be residents of the state of Kansas. Particular attention shall be given so that rural and urban interests and geography are balanced in representation. Organizations that submit lists of names to be considered for appointment by the governor under this section shall insure that names of people who reside in both rural and urban areas of the state are among those submitted. At least one person from each congressional district shall be among the members. Of the members appointed under subsection (b)(1) through (b)(7): Six shall be appointed to initial terms of two years; six shall be appointed to initial terms of three years; and six shall be appointed to initial terms of four years. Thereafter members shall serve terms of four years and until a successor is appointed and qualified. In the case of a vacancy in the membership of the advisory committee, the vacancy shall be filled for the unexpired term in like manner as that provided in subsection (b).

(d) The advisory committee shall meet quarterly and at the call of the chairperson or at the request of a majority of the members. At the first meeting of the advisory committee after July 1 each year, the members shall elect a chairperson and vice-chairperson who shall serve for terms of one year. The vice-chairperson shall exercise all of the powers of the chairperson in the absence of the chairperson.

(e) The advisory committee shall be advisory to the secretary of health and environment on all matters relating to the implementation and administration of this act.

(f) (1) Any meeting of the advisory committee or any part of a meeting of the advisory committee during which a review of incidents of trauma injury or trauma care takes place shall be conducted in closed session. The advisory committee and officers thereof when acting in their official capacity in considering incidents of trauma injury or trauma care shall constitute a peer review committee and peer review officers for all purposes of K.S.A. 65-4915, and amendments thereto.

(2) The advisory committee or an officer thereof may advise, report to and discuss activities, information and findings of the committee that relate to incidents of trauma injury or trauma care with the secretary of health and environment as provided in subsections (a) and (e) without waiver of the privilege provided by this subsection and K.S.A. 65-4915, and amendments thereto, and the records and findings of such committee or officer that are privileged under this subsection and K.S.A. 65-4915,
and amendments thereto, shall remain privileged as provided by this subsection and K.S.A. 65-4915, and amendments thereto, prior to July 1, 2024.

(3) The provisions of this subsection shall expire on July 1, 2021, unless the legislature reviews and reenacts this provision prior to July 1, 2024.

(g) Members of the advisory committee attending meetings of the advisory committee or attending a subcommittee of the advisory committee or other authorized meeting of the advisory committee shall not be paid compensation but shall be paid amounts provided in K.S.A. 75-3223(e), and amendments thereto.

Sec. 2. K.S.A. 75-5665 is hereby amended to read as follows: 75-5665. (a) The secretary of health and environment, after consultation with and consideration of recommendations from the advisory committee, shall:

(1) Develop rules and regulations necessary to carry out the provisions of this act, including fixing, charging and collecting fees from trauma facilities to recover all or part of the expenses incurred in the designation of trauma facilities pursuant to subsection (f) paragraph (6);

(2) develop a statewide trauma system plan including the establishment of regional trauma councils, using the 2001 Kansas EMS-Trauma Systems Plan study as a guide and not more restrictive than state law. The secretary shall ensure that each council consist of at least six members. Members of the councils shall consist of persons chosen for their expertise in and commitment to emergency medical and trauma services. Such members shall be chosen from the region and include prehospital personnel, physicians, nurses and hospital personnel involved with the emergency medical and trauma services and a representative of a county health department. The plan should:

(A) Maximize local and regional control over decisions relating to trauma care;

(B) minimize bureaucracy;

(C) adequately protect the confidentiality of proprietary and personal health information;

(D) promote cost effectiveness;

(E) encourage participation by groups affected by the system;

(F) emphasize medical direction and involvement at all levels of the system;

(G) rely on accurate data as the basis for system planning and development; and

(H) facilitate education of health care providers in trauma care;

(3) plan, develop and administer a trauma registry to collect and analyze data on incidence, severity and causes of trauma and other pertinent information which that may be used to support the secretary's
decision-making and identify needs for improved trauma care;

(4) provide all technical assistance to the regional councils as necessary to implement the provisions of this act;

(5) collect data elements for the trauma registry that are consistent with the recommendations of the American college of surgeons committee on trauma and centers for disease control;

(6) designate trauma facilities by level of trauma care capabilities after considering the American college of surgeons committee on trauma standards and other states' standards except that trauma level designations shall not be based on criteria that place practice limitations on registered nurse anesthetists which are not required by state law;

(7) develop a phased-in implementation schedule for each component of the trauma system, including the trauma registry, which considers the additional burden placed on the emergency medical and trauma providers;

(8) develop standard reports to be utilized by the regional trauma councils and those who report data to the registry in performing their functions;

(9) assess the fiscal impact on all components of the trauma system, and thereafter recommend other funding sources for the trauma system and trauma registry;

(10) prepare and submit an annual budget in accordance with the provisions of this act. Such budget shall include costs for the provision of technical assistance to the regional trauma councils and the cost of developing and maintaining the trauma registry and analyzing and reporting on the data collected; and

(11) enter into contracts as deemed necessary to carry out the duties and functions of the secretary under this act.

(b) (1) Any meeting of a regional trauma council or any part of a meeting of such a council during which a review of incidents of trauma injury or trauma care takes place shall be conducted in closed session. A regional trauma council and the officers thereof when acting in their official capacity in considering incidents of trauma injury or trauma care shall constitute a peer review committee and peer review officers for all purposes of K.S.A. 65-4915, and amendments thereto.

(2) A regional trauma council or an officer thereof may advise, report to and discuss activities, information and findings of the council—whether that relate to incidents of trauma injury or trauma care with the secretary of health and environment and make reports as provided in this section without waiver of the privilege provided by this subsection and K.S.A. 65-4915, and amendments thereto, and the records and findings of such council or officer—whether that are privileged under this subsection and K.S.A. 65-4915, and amendments thereto, shall remain privileged as
provided by this subsection and K.S.A. 65-4915, and amendments thereto.

(3) The provisions of this subsection shall expire on July 1, 2021, unless the legislature reviews and reenacts this provision prior to July 1, 2021.

Sec. 3. K.S.A. 75-5664 and 75-5665 are hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the statute book.
