AN ACT concerning advance ballots; relating to limitations on persons returning such advance ballots; establishing criminal penalties related thereto; amending K.S.A. 25-1130 and K.S.A. 2019 Supp. 25-1124 and 25-1128 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1.  (a) No person may deliver an advance voting ballot to the county election officer or polling place on behalf of a voter unless such person delivering the ballot is a family member or caregiver of the voter or is otherwise authorized by law.

(b) No person may deliver more than six advance ballots for any election.

(c) Any person who knowingly violates this section shall be guilty of a severity level 9, nonperson felony.

Sec. 2. K.S.A. 2019 Supp. 25-1124 is hereby amended to read as follows: 25-1124. (a) Upon receipt of the advance voting ballot, the voter shall cast such voter's vote as follows: The voter shall make a cross or check mark in the square or parentheses opposite the name of each candidate or question for whom the voter desires to vote. The voter shall make no other mark, and shall allow no other person to make any mark, upon such ballot. If the advance voting ballot was transmitted by mail, the voter personally shall place the ballot in the ballot envelope bearing the same number as the ballot and seal the envelope. The voter shall complete the form on the ballot envelope and shall sign the same. Except as provided by K.S.A. 25-2908, and amendments thereto, the ballot envelope shall be mailed or otherwise transmitted to the county election officer. If the advance voting ballot was transmitted to the voter in person in the office of the county election officer or at a satellite advance voting site, the voter may deposit such ballot into a locked ballot box without an envelope.

(b) The county election officer shall attempt to contact each person who submits an advance voting ballot where there is no signature or where the signature does not match with the signature on file and allow such voter the opportunity to correct the deficiency before the commencement of the final county canvass.

(c) Any voter who has an illness or physical disability or who is not proficient in reading the English language and is unable to apply for or
mark or transmit an advance voting ballot, or any voter who has a
disability preventing the voter from signing an application or the form on
the ballot envelope, may request assistance by a person who has signed a
statement required by subsection (e) in applying for or marking an advance
voting ballot, or in signing an application or the form on the ballot
envelope if the voter has a disability preventing the voter from signing.

(d) Subject to the provisions of section 1, and amendments thereto,
any voted ballot may be transmitted to the county election officer by the
voter or by another person designated in writing by the voter, except if the
voter has a disability preventing the voter from writing and signing a
statement, the written and signed statement required by subsection (e) shall
be sufficient. Any such voted ballot shall be transmitted to the county
election officer before the close of the polls on election day.

(e) The county election officer shall allow a person to assist a voter
who has an illness or physical disability or who is not proficient in reading
the English language in applying for or marking an advance
voting ballot, or to sign for a voter who has a disability preventing the
voter from signing an application or advance voting ballot form, provided
a written statement is signed by the person who renders assistance to the
voter who has an illness or physical disability or who is not proficient in
reading the English language and such statement is submitted to the county
election officer with the application or ballot. The statement shall be on a
form prescribed by the secretary of state and shall contain a statement
from the person providing assistance that the person has not exercised
undue influence on the voting decision of the voter who has an illness or
physical disability or who is not proficient in reading the English language
and that the person providing assistance has completed the application,
marked the ballot, or signed the application or ballot form as instructed by
the voter.

(f) Any person assisting a voter who has an illness or physical
disability or who is not proficient in reading the English language in
applying for or marking an advance voting ballot, or in signing an
application or advance voting ballot form for a voter who has a disability
preventing the voter from signing the application or advance voting ballot
form, who knowingly fails to sign and submit the statement required by
this section or who exercises undue influence on the voting decision of
such voter shall be guilty of a severity level 9, nonperson felony.

Sec. 3. K.S.A. 2019 Supp. 25-1128 is hereby amended to read as
follows: 25-1128. (a) No voter shall knowingly mark or transmit to the
county election officer more than one advance voting ballot, or set of one
each kind of ballot, if the voter is entitled to vote more than one such
ballot at a particular election.

(b) Except as provided in K.S.A. 25-1124, and amendments thereto,
HB 2687—Am. by HC

no person shall knowingly interfere with or delay the transmission of any advance voting ballot application from a voter to the county election officer, nor shall any person mail, fax or otherwise cause the application to be sent to a place other than the county election office. Any person or group engaged in the distribution of advance voting ballot applications shall mail, fax or otherwise deliver any application signed by a voter to the county election office within two days after such application is signed by the applicant.

(c) Except as otherwise provided by law, no person other than the voter, shall knowingly mark, sign or transmit to the county election officer any advance voting ballot or advance voting ballot envelope.

(d) Except as otherwise provided by law, no person shall knowingly sign an application for an advance voting ballot for another person. This provision shall not apply if a voter has a disability preventing the voter from signing an application or if an immediate family member signs an application on behalf of another immediate family member with proper authorization being given.

(e) No person, unless authorized by K.S.A. 25-1122 or 25-1124, and amendments thereto, shall knowingly intercept, interfere with, or delay the transmission of advance voting ballots from the county election officer to the voter.

(f) No person shall knowingly and falsely affirm, declare or subscribe to any material fact in an affirmation form for an advance voting ballot or set of advance voting ballots.

(g) A voter may return such voter's advance voting ballot to the county election officer by personal delivery or by mail. Subject to the limitations contained in section 1, and amendments thereto, upon written designation by the voter, a person other than the voter may return the advance voting ballot by personal delivery or mail, except that a written designation shall not be required from a voter who has a disability preventing the voter from writing or signing a written designation. Any such person designated by the voter shall sign a statement that such person has not exercised undue influence on the voting decisions of the voter and agrees to deliver the ballot as directed by the voter.

(h) Violation of any provision of this section is a severity level 9, nonperson felony.

Sec. 4. K.S.A. 25-1130 is hereby amended to read as follows: 25-1130. Subject to the provisions of section 1, and amendments thereto, advance voting ballots for questions submitted in statewide county elections shall be prepared by election officers according to such form as is specified by the secretary of state. The secretary of state shall specify the form of advance voting ballots for questions submitted in such detail as the secretary deems appropriate. Political party designation of the voter shall
not appear on such ballots. Such ballots shall be prepared and transmitted at the same time as other advance voting ballots.

The secretary of state shall prescribe voting instructions to accompany every question submitted advance voting ballot, and when the question submitted election is also a primary or general election, such instructions may be combined with other instructions to voters. The secretary of state shall prescribe the form of advance voting ballot envelopes to be used when only a question submitted is to be voted upon. Advance voting ballots for questions submitted shall bear the same serial number as the advance voting ballot envelope used for transmission thereof.

Forms of advance voting ballot, ballot envelope and voter instructions in question submitted elections which are not statewide shall be prescribed by the county election officer in charge of such election, in conformity with any applicable provisions of law and, as nearly as practicable, in conformity with forms prescribed by the secretary of state for statewide elections.

Advance voting ballots for questions submitted shall be cast, counted, tabulated, canvassed and handled in the same manner as other advance voting ballots. Votes of advance voting voters may be challenged or objected to in question submitted elections in the same manner as in other elections.

Sec. 6. This act shall take effect and be in force from and after its publication in the statute book.
