AN ACT regulating traffic; concerning the use of photographic traffic
signal enforcement systems; prohibition of use by cities and counties.

Be it enacted by the Legislature of the State of Kansas:

Section 1. (a) As used in this section, "photographic traffic signal
enforcement system" means a system that:
  (1) Consists of a camera system and vehicle sensor installed to
      exclusively work in conjunction with an electrically operated traffic
      control signal;
  (2) is capable of producing one or more recorded photographic or
digital images that depict the license plate attached to the front or the rear
of a motor vehicle that is not operated in compliance with the instructions
of the traffic control signal; and
  (3) is designed to enforce compliance with the instructions of the
traffic control signal by issuance of a citation against the owner of the
motor vehicle.
  (b) On and after July 1, 2020, no city or county shall implement,
operate or contract for the operation of a photographic traffic signal
enforcement system with respect to a highway or street under the
jurisdiction of the city or county.
  (c) On and after July 1, 2020, no city or county shall issue a citation
for an offense or violation based on a recorded image produced by a
photographic traffic signal enforcement system.
  (d) The provisions of this section shall be a part of and supplemental
to the uniform act regulating traffic on highways.

Sec. 2. This act shall take effect and be in force from and after its
publication in the statute book.
