The House met pursuant to adjournment with Speaker Ryckman in the chair.
The roll was called with 122 members present.
Reps. Coleman and Poetter Parshall were excused on verified illness.
Rep. E. Smith was excused on excused absence by the Speaker.

Prayer by guest chaplain, Rev. Sundermeyer, Family Church of the Nazarene, Topeka.

Let us pray. Father, as we near the end of this legislative session, we acknowledge our deep need for Your wisdom and understanding!
You have created us with minds that enable us to reason, to think, to contemplate, to process facts, to entertain other points of view, to debate differing perspectives, to come to compromise, to seek agreement where none seems possible, to stand our ground when the issues require us to do so...and so much more.

Today, we recognize that all that You have equipped us with requires so much more than mere humans can accomplish on their own as we seek to fulfill this high calling to represent the interests of the citizens of the great state of Kansas.

While the viewpoints and values of so many are so vastly varied, we call on You for divine wisdom. Wisdom that will enable us to only establish Your truth, true justice and righteousness since these are the only things with eternal value and importance.

You said in Your Word that if we lack wisdom to ask You for it: “If you are in need of wisdom, ask our generous God, and he will give it to you. He will not rebuke you for asking.” James 1:5 (NLT)

We therefore ask you, God...
• To cause us to see the deeper truths in each matter before us
• To reveal the depths of justice that need to be established
• To produce the desire, passion and quest for righteousness above all, so that the innocent, the vulnerable and the outcast are protected, and so that all human life is valued and defended at all times.

It is in the name of Jesus the Christ that I pray these things... AMEN.

The Pledge of Allegiance was led by Rep. Thompson.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Croft are spread upon the Journal:

Today I am proud to recognize an organization that serves students and creates leaders in Kansas City. The Greater Kansas City Hispanic Collaborative is a nonprofit that is focused on education and leadership. The Hispanic Collaborative provides comprehensive assistance for the growth, evolution, and professional advancement of Hispanics in the Greater Kansas City area.

One of the many programs that the Hispanic Collaborative puts on is KC BizFest. This is a 4-day business boot camp and scholarship competition. During the 4 days, high school juniors and seniors learn how to prepare a business plan, how to develop their presentation skills, and channel their passions to then pitch their idea and compete for a scholarship. This program brings students from all over the KC metro area and partners with business leaders, universities, and community colleges to provide an invaluable opportunity for these students. It was my pleasure to attend the last day and listen to the students as they finalized their business plans and got ready to present their ideas to the judges. I was truly impressed by the presentations and the passion behind their ideas. Out of the 130 students that compete, 6 finalists are chosen to receive cash scholarships to the college or program of their choice. The students here today have a booth on the 1st floor to showcase their hard work for the scholarships they received.

It is my honor to recognize this year’s winners:
1st place – Danny Talavera from Mill Valley High School
2nd place – David Morones from Olathe West High School
3rd place – Victor Mejia from Guadalupe Centers High School
4th place – Judith Diaz Zaragoza from Wyandotte High School
5th place – Fabiola Sanchez from Olathe North High School
6th place – Adalmer Omar Gonzalez Anavisca from Shawnee Mission Northwest

I’d also like to recognize the Co-Chairs of KC BizFest who worked tirelessly to ensure that this program was a possibility this year. Elva Medina from Olathe Northwest High School and Dr. Melisa Jimenez from Johnson County Community College. Also, here is the Director of Small Business Development, Alad Aguirre and the Executive Director of the Hispanic Collaborative and President/CEO of the Hispanic Chamber of Commerce Carlos Gomez.

It was an honor to see this program which is now in its 18th year! Please join me in once again honoring these individuals and the work that this organization has done. And help me work to make sure that it can continue to serve our community for many years to come!

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Moser are spread upon the Journal:

Winning a state title in high school sports is a remarkable accomplishment. Imagine one school celebrating five state titles in twelve months.

The Hanover High School girls walked into the 2021 volleyball season with the goal of being State Champions for the second year in a row. Yes, you heard that right, they
were state champions in 2020. On the road to winning the 2021 state tournament, the girls won the title of Twin Valley League Volleyball Champions for the first time in school history. Hard work and determination set these girls on a winning path, and they made it happen, claiming the 2021 Class 1A Division II State Volleyball title. For these girls, the season was full of success and so much fun.

With me on the floor today are Head Coach Melissa Holle, and seniors Avery Behrends, Cora Coufal, Madison Bruna, and Allison Jueneman. Having received permission to recognize other team members in the gallery, I would please ask that you stand when I call your name: Coach Becky Bruna, team members Anna Juenemen, Tessa Lohse, Leanna Gugenhan, Emma Kruse, Kaydence Schotte, Reanna Rencin, Taeban Stallbaumer, Angelina Anaya, Ceegan Atkins, Massey Holle, Kyana Ulloa, Karly Rupprecht, Katelynn Klipp and Aliyah Sinn.

I have certificates for coaches and each team member with all names on each certificate, so when you look back on these in the years ahead, you’ll have the names of everyone who shared this great accomplishment with you!

The Hanover High boys track team from 2021 was a very determined bunch of young men. These athletes were also on the championship football and basketball teams throughout the 2020-2021 school year. After winning the basketball championship, Coach Lohse said, “It really wasn’t that difficult to get these boys to set a goal of winning a state title in track as well.” This group became only the second high school in Kansas to ever win football, basketball, and track championships in the same school year. Hanover finished 2nd in their 2021 Regional Track Meet and won the State Track Meet without winning a single event. This previous statement epitomizes “teamwork” when considering that track is usually regarded as an individual sport. In the spring of 2021, I made a trip to Hanover High School to recognize the football and basketball teams for their state championship accomplishments.

On a side note, the Hanover boys’ basketball team made it to the championship game on March 12, 2022, in Great Bend, playing Greeley County. Their attempt to repeat as state champions for 2022 was out of their reach by only 1 point at the final buzzer.

With me on the floor today are Head Coach Kim Lohse, and track team members Colin Jueneman, Braelan Stallbaumer, Jacob Jueneman, Emmitt Jueneman, and Philip Doebele. Other team members in the gallery please stand when I call your names: Keegan Dimler and Josh Zarybnicky. Team member Jacob Klipp is on the football team at Fort Hays. He has spring drills that he couldn’t miss, so he is not with us today.

Hanover High School claims a long-standing tradition of athletic excellence. Please join me in welcoming these hard-working student athletes to the House chamber and extend congratulations to them and their coaches.

Rep. Moser gave each of the team members a House certificate in recognition of their accomplishments.

His time working in law enforcement distinguished him as a highly respected member of his community; and

WHEREAS, After serving as Deputy Sheriff and Undersheriff for a combined six years, Russ was appointed as Kearny County Magistrate Judge for the 25th Judicial District and remained in that position for 13 years. WHEREAS, Upon retiring from his career as a judge, Russ began working in the field of juvenile justice, which would prove to be his lifelong passion. He was appointed by the Board of Finney County Commissioners as the Director of the Southwest Kansas Juvenile Detention Center, which was under construction at the time; and

While serving in these roles, he developed a passion for the betterment of the state juvenile justice system; and

WHEREAS, Russ served on the Lakin City Council for eight years, from 1997 to 2005, before running in 2012 for Kansas State Representative for District 122. He won the seat and was retained concurrently as a contract consultant for Performance Based Standards of Braintree, Massachusetts. He also traveled the country to visit his assigned juvenile detention centers to ensure that operations of the facilities were correctly implementing performance-based standards. His work in overseeing detention centers across the United States earned him several national awards; and

WHEREAS, While serving as Representative for Kansas' 122nd District, Russ worked as the Chair of the Corrections and Juvenile Justice Committee for five sessions prior to his passing; and

WHEREAS, Representative J. Russell Jennings passed away on October 27, 2021, while serving in his fifth term as a Kansas State Representative. He is survived by his family, whom he cherished and valued above all else: Now, therefore,
Be it resolved by the House of Representatives of the State of Kansas: That we recognize, honor and commemorate the life and career of Representative J. Russell Jennings, and we celebrate his dedication to family, community, public service and the improvement of the juvenile justice system in Kansas; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send enrolled copies of this resolution to the family of Russ Jennings, namely: His wife, Judy Jennings; his sons, Jim Jennings and Joseph Jennings; his daughters, Julie Jennings and Jodi Werth; his son-in-law, Leighton Werth; and his grandsons, Carter Werth and Wyatt Werth; and to Representative Wheeler.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Wheeler are spread upon the Journal:

I am honored to rise here today to offer a Resolution in recognition of our deceased colleague, Representative J. Russell Jennings, known to us as Russ Jennings. Joining me this morning is Russ’s wife, Judy; his son, Joseph Jennings; his other son, Jim Jennings; his daughter, Julie Jennings; his other daughter, Jodi Werth; Jodi’s husband Leighton and their sons Wyatt Werth; and Carter Werth. Also joining us this morning are three very dear friends to Russ: Senator John Doll; Representative Bill Clifford who is the successor to Russ’s District 122 seat; and former Representative, Melissa Rooker. I want to thank Melissa for supplying the flag that flew over the Capitol in honor of Representative Jennings, and I want to thank her husband for building the beautiful shadow box that will be presented to Mrs. Jennings this morning.

Russ had a long and distinguished career serving in many varied positions. Russ grew up and graduated High School in Buffalo, NY. After graduation, he moved to Tulsa, OK to attend aircraft mechanics’ school. After graduating from the Tulsa school, he took a job in Johnson City, KS as an aircraft mechanic and pilot. In Johnson City, he also volunteered with the Johnson City Police and Fire Departments. He then attended the Kansas Law Enforcement Training Academy in Hutchinson, Kansas. Following graduation from the Academy, the Kearny County Sheriff hired him as a Kearny County Deputy Sheriff, a position in which he served for three years. He was then appointed Undersheriff of Kearny County and served in that position for four years. Needless to say, Russ had a very distinguished career in law enforcement and was highly respected by the community he served.

Russ was so highly respected within his community that he ended his law enforcement career by being nominated and appointed as Kearny County District Magistrate Judge and served as such for thirteen years. Again, Russ distinguished himself as a judge, not only within the 25th Judicial District but also across the State. Russ was frequently assigned by the Supreme Court into the various metropolitan district courts to assist them in cleaning up their dockets and handling overload cases. Russ earned his reputation of being a very fair, efficient and knowledgeable Judge.

Placing his judicial career behind him, Russ shifted gears and entered a field that would hold his passion to the end: Juvenile Justice. Russ was hired by the Board of Finney County Commissioners to become the new Director of the Southwest Kansas Juvenile Detention Center, a facility that had not yet been built. Russ was dutiful in overseeing the construction of the very complex building, essentially a large jail for juveniles. It was his baby. Speaking of babies, I drove down to visit with Russ at the
detention center under construction one Saturday afternoon. We visited in the front yard which was essentially dirt and mud at that time. Julie and Jodi were with him, playing in the yard. When I went to leave, I reached in the pocket of my jeans and, how can I say this discreetly, something wiggled in my pocket! It both shocked me and scared me. Then I turned to hear Julie laughing. She had slipped a frog into my pocket. Like father like daughter!

After serving as Director of the Southwest Kansas Juvenile Detention Center for thirteen years and expanding his interests in Juvenile Justice, Russ was called to Topeka to serve as Commissioner of Juvenile Justice by Governor Kathleen Sebelius and appointed to her Cabinet. He served four years under two Governors. As Commissioner, Russ oversaw all of the Juvenile Justice Systems as well as all of the State Juvenile Corrections facilities.

Having served in many positions involving juveniles in trouble, Russ developed a passion for improvement of the juvenile justice system, and Russ gained a lot of inside experience in his jobs over the years which put him in a position to render improvements to the juvenile justice system. In 2012, he ran for and won the office of State Representative for District 122. He was in his fifth term when he passed away on October 27, 2021. He had become well known for his work on corrections and juvenile justice issues. He had been the Chair of the Corrections and Juvenile Justice Committee for five sessions before he passed.

While he served as a State Representative, Russ was retained as a contract consultant for Performance Based Standards of Braintree, Massachusetts. When not in session, he traveled throughout the country to meet with his assigned juvenile detention centers to assure that they were implementing and correctly using performance-based standards in the operation of their detention centers. Not long before he died, several of his detention centers won national awards. He hoped that his health would last long enough for him to attend the award ceremony.

I could go on to name all the committees, boards and associations upon which he has served over the years but that would take another half hour to read. I do want to mention that he served on the Lakin City Council from 1997 to 2005.

Over his adult life, Representative Russ Jennings was a very busy man, deeply invested in public service. In every job he held, he was either enforcing the law, overseeing children involved with the law, or making the laws. However, I can tell you one thing about which he was most passionate: the love of his family. As a close personal friend, I can tell you that his wife, Judy, was the light of his life. She put happiness in his heart and a smile on his face. He loved each of his children to the stars and back, even the one who put a frog in my pocket.

Also, regarding his children, I cannot say to you with adequate words how proud of each of you he was. He was so proud of each of you for what you have become. Joe, a successful Investment Executive for Core 1st Bank and with whom he lived when he was in Topeka; Jim, a successful cattle producer and an agricultural entrepreneur; Julie, a successful Nurse Practitioner for Cardiothoracic Surgery and Vascular Surgery; and Jody, a successful Dentist as is her husband, Leighton. And then there are those two grandsons, Wyatt and Carter Werth; young fellas, your grandfather loved you with all his heart. He could not stop bragging about you and he never missed an opportunity to come to Hays to see you, to have you visit in Lakin or to have you come to visit him and Judy at their house on Lake Kanopolis.
My Colleagues, I can tell you for certain that Representative Jennings respected you without regard to which side of the aisle you sit or whatever your political persuasion. He may not have agreed with you, but he respected you and showed you respect. To the few on this floor that never met him, he would have respected you too. His respect for you grew out of respect for this institution. Representative Jennings was a Man for All Ages. I hope you will remember him that way.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following bill and concurrent resolution were introduced and read by title:

HB 2744, AN ACT enacting the Kansas sunset act; establishing the Kansas sunset advisory commission; requiring the review and evaluation of state agencies and offices, by Committee on Appropriations.

HOUSE CONCURRENT RESOLUTION No. HCR 5033—
By Committee on Federal and State Affairs

A PROPOSITION to amend section 2 of article 2 of the constitution of the state of Kansas; providing for consecutive term limits for senators and representatives.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 2 of article 2 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 2. Senators and representatives. (a) The number of representatives and senators shall be regulated by law, but shall not exceed one hundred twenty-five representatives and forty senators. Representatives and senators shall be elected from single-member districts prescribed by law. Representatives shall be elected for two-year terms. Senators shall be elected for four-year terms. The terms of representatives and senators shall commence on the
second Monday of January of the year following election.

(b) (1) From and after January 9, 2023, no individual shall be elected as a representative for more than four consecutive two-year terms.

(2) From and after January 9, 2023, no individual shall be elected as a senator for more than two consecutive four-year terms.

(3) For the purpose of computing the time period under either paragraph (1) or (2), no time spent serving as either a representative or senator prior to January 9, 2023, shall be counted.

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. This amendment would limit an individual's service as a state representative to four consecutive two-year terms and an individual's service as a state senator to two consecutive four-year terms starting on January 9, 2023. Any terms of service occurring prior to January 9, 2023, and any nonconsecutive terms would not be subject to this limitation."

"A vote for this proposition would limit the service of an individual as a state representative to four consecutive two-year terms and the service of an individual as a state senator to two consecutive four-year terms starting on January 9, 2023."

"A vote against this proposition would retain the current constitutional provisions that impose no limitations on the number of terms an individual may serve as a representative or as a senator."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2022, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

EXPLANATION OF VOTE

MR. SPEAKER: I vote “Yes” on House Sub for SB 261. It is said “Imitation is the sincerest form of flattery.” Although those organizations trying to imitate the meat industry’s delicious and protein-packed products, fake meat will never pass the taste test nor the nutritional test. With agriculture being the lifeblood of the Kansas economy, the transparent truth needs to be told about those meat analog products that try to emulate ours. Meat protein producers across our state, and all who play a role in the livestock production chain deserve to have honesty, truth, and transparency in the labeling of meat analog products. This bill is good for agriculture and consumers. – LISA MOSER

EXPLANATION OF VOTE

Mr Speaker: I vote “Yes” on HB 2644. In the procedural process of naming the sandhill plum as the state fruit of Kansas, it has been gratifying to observe the growth and development of grade school children across Kansas as they became acquainted with the political process concerning voting, bill development and the subsequent legislative process of introduction, committee, and chamber work and more. The sandhill plum can be found across the state and has the most beautiful fragrance when it blooms. The jams, jellies and wine produced from Kansas’ native fruit are delicious. A delectable representative, the sandhill plum is the perfect choice for Kansas’ state fruit.

EXPLANATION OF VOTE

MR. SPEAKER: I vote “Yes” on SB 346. Truth in labeling is of utmost importance. Placing the words “Raw and Unpasteurized” on milk bottles and in advertising for raw milk sold off the farm makes sense to keep the consumer informed. Authorizing the animal health commissioner to take legal action against the introduction of livestock and animals into the state without proper medical records reflecting proper visual inspections and any required testing and vaccinations aids in monitoring and tracking disease and is important for the health, safety and economic well-being of the Kansas livestock industry, the largest component of Kansas agriculture. – LISA MOSER
