MESSAGES FROM THE GOVERNOR

January 25, 2021

Message to the Kansas Senate

Executive Reorganization Order No. 47

Pursuant to Article 1, Section 6, of the Constitution of the State of Kansas, today I
transmit Executive Reorganization Order No. 47 to the Kansas Legislature along with this message to the Senate.

Effective July 1, 2021, this reorganization creates the Kansas Department of Human Services ("KDHS"), which will be responsible for all current programs, responsibilities, functions, and duties of the Department for Children and Families ("DCF") and the Department for Aging and Disability Services ("KDADS"). Unlike Executive Reorganization Order 44, which was submitted last year, this order does not affect the juvenile services division of the Department of Corrections. DCF and KDADS will be dissolved, but no current responsibilities, duties, or functions will be abolished.

Creating the Department of Human Services ensures Kansas families and individuals have easier access to critical services and improves engagement among our service centers, clients, and local stakeholders by creating a single point of entry for those accessing a variety of critical services. The new KDHS will allow us to focus on prevention, so that we can identify and serve Kansans in need before their situation becomes a crisis that is more costly to both themselves and our communities. Through partnering with communities across the state, KDHS will establish a one-stop-shop for Kansans in need of such services and will ensure that our government delivers those services in the most efficient and effective manner.

I look forward to working with the Senate to improve our ability to serve Kansans in need and to build healthy communities across our State.

Respectfully,
Governor Laura Kelly

Message to the Kansas Senate

Executive Reorganization Order No. 48

Pursuant to Article 1, Section 6, of the Constitution of the State of Kansas, today I transmit Executive Reorganization Order No. 48 to the Kansas Legislature along with this message to the Senate.

Effective July 1, 2021, this reorganization moves the Division of Tourism out of the Kansas Department of Wildlife, Parks, and Tourism and relocates the Division of Tourism in the Kansas Department of Commerce. This move will more closely align
our state’s efforts to increase tourism with the economic development efforts of the Department of Commerce. None of the Division of Tourism’s current responsibilities, duties, or functions will be abolished.

This reorganization is the product of consultation and discussion with businesses, destination marketing organizations, and other key industry partners, including the Travel Industry Association of Kansas, the Kansas Restaurant & Hospitality Association, and the Kansas Economic Development Alliance. The move will send a clear message to our industry partners and prospective companies that Kansas will use every tool at its disposal to spur new economic development.

Kansas is not just a great place to live and work, it’s a great place to visit. I look forward to working with the Senate to build on our efforts to support and increase tourism as we help our economy recover.

Respectfully,
Governor Laura Kelly
