

STATE OF KANSAS

SENATE CHAMBER

MR. PRESIDENT:

I move to amend **SB 124**, on page 1, following line 9, by inserting:

"New Section 1. (a) Not more than three STAR bond projects may be undertaken within or partially within the boundaries of a single county at the same time. For the purposes of this subsection, a project shall be considered undertaken until all STAR bonds issued for the project have been paid.

(b) This section shall be a part of and supplemental to the STAR bonds financing act.";

Also on page 1, in the title, in line 1, after the semicolon by inserting; "restricting the number of STAR bond projects that maybe undertaken within or partially within the boundaries of a county at the same time;"

Also on page 1, in the title, in line 2, after the first semicolon, by inserting "restricting the number of STAR bond projects that may be undertaken within or partially within the boundaries of a county at the same time;"
