SENATE BILL No. 13

By Senators Tyson, Alley, Baumgardner, Erickson, Fagg, Hilderbrand, Kerschen, Longbine, Peck, Steffen, Thompson and Warren

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) The governing body shall publish notice of its proposed intent to exceed the revenue neutral rate on the website of the governing body, if the governing body maintains a website, at least 10 days in advance of the public hearing. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July 15, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate. The county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in
writing to service by electronic means. Costs associated with *printing and postage for* the notice shall be borne by the taxing subdivisions proposing intent to exceed the revenue neutral rate with payment due to the county clerk by December 31. The cost borne by a taxing subdivision proposing intent to exceed its revenue neutral rate shall be based on the costs associated with *printing and postage for* the notices for property in such taxing subdivision, which shall be shared equally by all taxing subdivisions proposing intent to exceed the revenue neutral rate included on the same notices for such property, unless otherwise agreed. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall be in a format prescribed by the director of accounts and reports. The notice shall include, but not be limited to:

(A) The revenue neutral rate of each taxing subdivision relevant to the taxpayer's property;

(B) the proposed property tax revenue needed to fund the proposed budget of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(D) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement;

(E) the appraised value and assessed value of the taxpayer's property for the current year;

(F) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates;

(G) the difference between the estimates of tax based on the proposed tax rate and the revenue neutral rate on the taxpayer's property described in subparagraph (F) for any taxing subdivision that has a proposed tax rate that exceeds its revenue neutral rate; and

(H) the date, time and location of the public hearing of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate.

Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include a statement of the statutory mill levies imposed by the state and the estimate of the tax for the current year on the taxpayer's property based on such levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held on or before September 10. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral
testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section.

(c) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate. The provisions of this subsection shall not be construed as prohibiting any other remedies available under the law.

(d) The provisions of this section shall not apply to school districts organized and operating under the laws of this state. Notwithstanding the foregoing sentence, the county clerk shall provide school district information when complying with county clerk responsibilities pursuant to this section including, but not limited to, providing the revenue neutral rate of the school district on the notice prescribed in subsection (b)(2). Such notice shall also include an explanation that the provisions of this section do not apply to school districts organized and operating under the laws of this state.

(e) If the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before September 20, to the proper county clerk the amount of ad valorem tax to be levied.

(f) As used in this section:
   (1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.
   (2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax
revenue for such taxing subdivision levied for the previous tax year by the
total of all taxable assessed valuation in such taxing subdivision for the
current tax year, and then multiply the quotient by 1,000 to express the rate
in mills. The revenue neutral rate shall be expressed to the third decimal
place.

(g) The provisions of this section shall take effect and be in force
from and after January 1, 2021.

Sec. 2. On and after July 1, 2021, K.S.A. 79-1460 is hereby amended
to read as follows: 79-1460. (a) The county appraiser shall notify each
taxpayer in the county annually on or before March 1 for real property and
May 1 for personal property, by mail directed to the taxpayer's last known
address, of the classification and appraised valuation of the taxpayer's
property, except that, the valuation for all real property shall not be
increased unless the record of the latest physical inspection was reviewed
by the county or district appraiser, and documentation exists to support
such increase in valuation in compliance with the directives and
specifications of the director of property valuation, and such record and
documentation is available to the affected taxpayer. The valuation for all
real property also shall not be increased solely as the result of normal
repair, replacement or maintenance of existing structures, equipment or
improvements on the property. For purposes of this section, "normal
repair, replacement or maintenance" does not include new construction as
defined in this section. For the next two taxable years following the taxable
year that the valuation for commercial real property has been reduced due
to a final determination made pursuant to the valuation appeals process,
the county appraiser shall review the computer-assisted mass-appraisal of
the property and if the valuation in either of those two years exceeds the
value of the previous year by more than 5%, excluding new construction,
change in use or change in classification, the county appraiser shall either:
(1) Adjust the valuation of the property based on the information provided
in the previous appeal; or (2) order an independent fee simple appraisal of
the property to be performed by a Kansas certified real property appraiser.
As used in this section, "new construction" means the construction of any
new structure or improvements or the remodeling or renovation of any
existing structures or improvements on real property. When the valuation
for real property has been reduced due to a final determination made
pursuant to the valuation appeals process for the prior year, and the county
appraiser has already certified the appraisal rolls for the current year to the
county clerk pursuant to K.S.A. 79-1466, and amendments thereto, the
county appraiser may amend the appraisal rolls and certify the changes to
the county clerk to implement the provisions of this subsection and reduce
the valuation of the real property to the prior year's final determination,
except that such changes shall not be made after October 31 of the current
year. For the purposes of this section and in the case of real property, the
term "taxpayer" shall be deemed to be the person in ownership of the
property as indicated on the records of the office of register of deeds or
county clerk and, in the case where the real property or improvement
thereon is the subject of a lease agreement, such term shall also be deemed
to include the lessee of such property if the lease agreement has been
recorded or filed in the office of the register of deeds. Such notice shall
specify separately both the previous and current appraised and assessed
values for each property class identified on the parcel. Such notice shall
also contain the uniform parcel identification number prescribed by the
director of property valuation. Such notice shall also contain a statement of
the taxpayer's right to appeal, the procedure to be followed in making such
appeal and the availability without charge of the guide devised pursuant to
subsection (b). Such notice may, and if the board of county commissioners
so require, shall provide the parcel identification number, address and the
sale date and amount of any or all sales utilized in the determination of
appraised value of residential real property. In any year in which no
change in appraised valuation of any real property from its appraised
valuation in the next preceding year is determined, an alternative form of
notification which has been approved by the director of property valuation
may be utilized by a county. Failure to timely mail or receive such notice
shall in no way invalidate the classification or appraised valuation as
changed. The secretary of revenue shall adopt rules and regulations
necessary to implement the provisions of this section.

(b) For all taxable years commencing after December 31, 1999, there
shall be provided to each taxpayer, upon request, a guide to the property
tax appeals process. The director of the division of property valuation shall
devise and publish such guide, and shall provide sufficient copies thereof
to all county appraisers. Such guide shall include but not be limited to: (1)
A restatement of the law which pertains to the process and practice of
property appraisal methodology, including the contents of K.S.A. 79-503a
and 79-1460, and amendments thereto; (2) the procedures of the appeals
process, including the order and burden of proof of each party and time
frames required by law; and (3) such other information deemed necessary
to educate and enable a taxpayer to properly and competently pursue an
appraisal appeal.

Sec. 3. K.S.A. 79-1801 is hereby amended to read as follows: 79-
1801. (a) Except as provided by subsection (b), each year the governing
body of any city, the trustees of any township, the board of education of
any school district and the governing bodies of all other taxing
subdivisions shall certify, on or before August 25, to the proper county
clerk the amount of ad valorem tax to be levied. Thereupon, the county
clerk shall place the tax upon the tax roll of the county, in the manner
prescribed by law, and the tax shall be collected by the county treasurer. The county treasurer shall distribute the proceeds of the taxes levied by each taxing subdivision in the manner provided by K.S.A. 12-1678a, and amendments thereto.

(b) Prior to January 1, 2021, if the governing body of a city or county must conduct an election for an increase in property tax to fund any appropriation or budget under K.S.A. 2019 Supp. 25-433a, and amendments thereto, the governing body of the city or county shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied. On and after January 1, 2021, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under section 1, and amendments thereto, the governing body of the taxing subdivision shall certify, on or before September 20, to the proper county clerk the amount of ad valorem tax to be levied.

Sec. 4. K.S.A. 79-2024 is hereby amended to read as follows: 79-2024. Notwithstanding any other provision of law to the contrary, the county treasurer of every county may accept partial payment or establish a payment plan for delinquent or nondelinquent real property tax or personal property tax in accordance with payment guidelines established therefor by the county treasurer. Nothing in this section shall be construed to modify any consequences of untimely payment.

Sec. 5. K.S.A. 79-2925c is hereby amended to read as follows: 79-2925c. (a) (1) On and after January 1, 2017, and prior to January 1, 2021, the governing body of any city or county shall not approve any appropriation or budget which provides for funding by property tax revenues in an amount exceeding that of the next preceding year as adjusted to reflect the average changes in the consumer price index for all urban consumers as published by the United States department of labor for the preceding five calendar years, which shall not be less than zero, unless the city or county approves the appropriation or budget with the adoption of a resolution and such resolution has been submitted to and approved by a majority of the qualified electors of the city or county voting at an election called and held thereon, except as otherwise provided.

(2) The election shall be called and held in the manner provided by K.S.A. 10-120, and amendments thereto, and may be:

(A) Held at the next regularly scheduled election to be held in August or November;

(B) may be a mail ballot election, conducted in accordance with K.S.A. 25-431 et seq., and amendments thereto; or

(C) may be a special election called by the city or county. Nothing in this subsection shall prevent any city or county from holding more than one election in any year. The city or county requesting the election shall be

   (4) real property which has changed in use;

   (6) expiration of a tax increment financing district, rural housing incentive district, neighborhood revitalization area or any other similar property tax rebate or redirection program.

2. Increased property tax revenues that will be spent on:
   (A) Bond, temporary notes, no fund warrants, state infrastructure loans and interest payments not exceeding the amount of ad valorem property taxes levied in support of such payments, and payments made to a public building commission and lease payments but only to the extent such payments were obligations that existed prior to July 1, 2016;

(5) Whenever a city or county is required by law to levy taxes for the financing of the budget of any political or governmental subdivision of this state that is not authorized by law to levy taxes on its own behalf, and the governing body of such city or county is not authorized or empowered to modify or reduce the amount of taxes levied therefore, the tax levies of the political or governmental subdivision shall not be included in or considered in computing the aggregate limitation upon the property tax levies of the city or county.
