(a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner:

(1) $\frac{1}{2}$ of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and

(2) $\frac{1}{2}$ of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the
total population of the county, and second to the cities in the proportion that the
population of each city bears to the total population of the county, except that no
persons residing within the Fort Riley military reservation shall be included in the
determination of the population of any city located within Riley county.

All revenue apportioned to a county shall be paid to its county treasurer and shall be
credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue
received by the director of taxation from a countywide retailers' sales tax imposed
within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be
apportioned among the county and each city located in such county in the following
manner:

(A) The revenue received from the first 0.5% rate of tax shall be apportioned in the
manner prescribed by subsection (a); and

(B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned
as follows:

(i) 1/4 shall be apportioned among the county and each city located in such county
in the proportion that the total tangible property tax levies made in such county in the
preceding year for all funds of each such governmental unit bear to the total of all such
levies made in the preceding year;

(ii) 1/4 shall be apportioned among the county and each city located in such county,
first to the county that portion of the revenue equal to the proportion that the population
of the county residing in the unincorporated area of the county bears to the total
population of the county, and second to the cities in the proportion that the population
of each city bears to the total population of the county; and

(iii) 1/2 shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money
received by the director of taxation from a countywide sales tax imposed within
Montgomery county pursuant to the election held on November 8, 1994, shall be
remitted to and shall be retained by the county and expended only for the purpose for
which the revenue received from the tax was pledged. All revenue apportioned and paid
from the imposition of such tax to the treasurer of any city prior to the effective date of
this act shall be remitted to the county treasurer and expended only for the purpose for
which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the
effective date of this act, all moneys received by the director of taxation from a
countywide retailers' sales tax imposed within Phillips county pursuant to the election
held on September 20, 2005, shall be remitted to and shall be retained by the county and
expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for
purposes of subsections (a) and (b), the term "total tangible property tax levies" means
the aggregate dollar amount of tax revenue derived from ad valorem tax levies
applicable to all tangible property located within each such city or county. The ad
valorem property tax levy of any county or city district entity or subdivision shall be
included within this term if the levy of any such district entity or subdivision is
applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied
on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (3)(I), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27), (28), (29), (30), (31), (32), (33), (34), and (35), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in K.S.A. 12-187(b)(5), and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(5), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(26), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged unless the question of imposing a countywide retailers' sales tax authorized by K.S.A. 12-187(b)(26), and amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers' sales tax shall not apply to any revenues received pursuant to a county or countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.
Sec. 5. K.S.A. 2022 Supp. 19-430 is hereby amended to read as follows: 19-430.
(a)(1) On July 1, 1993, and on July 1 of each fourth year thereafter, the board of county commissioners or governing body of any unified government of each county shall by resolution appoint a county appraiser for such county who shall serve for a term of four years expiring on June 30 of the fourth year thereafter. No person shall be appointed or reappointed to or serve as county appraiser in any county under the provisions of this act unless such person shall have at least three years of mass appraisal experience and be qualified by the director of property valuation as an eligible Kansas appraiser under the provisions of this act.

(2) Whenever a vacancy shall occur in the office of county appraiser the board of county commissioners or governing body of any unified government shall appoint an eligible Kansas appraiser to fill such vacancy for the unexpired term. The person holding the office of county or district appraiser or performing the duties thereof on the effective date of this act shall continue to hold such office and perform such duties until a county appraiser is appointed under the provisions of this act. No person shall be appointed to the office of county or district appraiser or to fill a vacancy therein unless such person is currently:

(1) a certified general real property appraiser pursuant to article 41 of chapter 58 of the Kansas Statutes Annotated, and amendments thereto; or

(2) a registered mass appraiser pursuant to rules and regulations adopted by the secretary of revenue.

(3) Notwithstanding the foregoing provisions of this subsection, the board of county commissioners or governing body of any unified government may appoint an interim county appraiser, subject to the approval of the director of property valuation, for a period not to exceed six months to fill a vacancy in the office of county appraiser pending the appointment of an eligible county appraiser under the provisions of this act.

(b) The secretary of revenue shall adopt rules and regulations necessary to establish qualifications for the designation of a registered mass appraiser.

c) On and after July 1, 2022, all appraisal courses necessary to qualify for the designation of a registered mass appraiser and all continuing education appraisal courses necessary to retain such designation shall be courses:

(1) Developed by the director of property valuation specifically related to the administration of the assessment and tax laws of the state; or

(2) approved by the Kansas real estate appraisal board pursuant to K.S.A. 58-4105, and amendments thereto.

Sec. 6. K.S.A. 2022 Supp. 79-1460 is hereby amended to read as follows: 79-1460.
(a) The county appraiser shall notify each taxpayer in the county annually on or before March 1 for real property and May 1 for personal property, by mail directed to the taxpayer's last known address, of the classification and appraised valuation of the taxpayer's property, except that, the valuation for all real property shall not be increased unless the record of the latest physical inspection was reviewed by the county or district appraiser, and documentation exists to support such increase in valuation in compliance with the directives and specifications of the director of property valuation, and such record and documentation is available to the affected taxpayer. Alternatively, the county appraiser may transmit the classification and appraised valuation to the taxpayer by electronic means if such taxpayer consented to service by electronic means.
(b) The valuation for all real property also shall not be increased solely as the result of normal repair, replacement or maintenance of existing structures, equipment or improvements on the property. For purposes of this section, "normal repair, replacement or maintenance" does not include new construction as defined in this section. For the next two taxable years following the taxable year that the valuation for commercial real property has been reduced due to a final determination made pursuant to the valuation appeals process, the county appraiser shall review the computer-assisted mass-appraisal of the property and if the valuation in either of those two years exceeds the value of the previous year by more than 5%, excluding new construction, change in use or change in classification, the county appraiser shall either:

(1) Adjust the valuation of the property based on the information provided in the previous appeal; or

(2) order an independent fee simple appraisal of the property to be performed by a Kansas certified real property appraiser. As used in this section, "new construction" means the construction of any new structure or improvements or the remodeling or renovation of any existing structures or improvements on real property.

c) When the valuation for real property has been reduced due to a final determination made pursuant to the valuation appeals process for the prior year, and the county appraiser has already certified the appraisal rolls for the current year to the county clerk pursuant to K.S.A. 79-1466, and amendments thereto, the county appraiser may amend the appraisal rolls and certify the changes to the county clerk to implement the provisions of this subsection and reduce the valuation of the real property to the prior year's final determination, except that such changes shall not be made after October 31 of the current year. For the purposes of this section and in the case of real property, the term "taxpayer" shall be deemed to be the person in ownership of the property as indicated on the records of the office of register of deeds or county clerk and, in the case where the real property or improvement thereon is the subject of a lease agreement, such term shall also be deemed to include the lessee of such property if the lease agreement has been recorded or filed in the office of the register of deeds. Such notice

d) (1) The notice provided under subsection (a) shall specify:

(A) Separately both for the previous and current tax year and the current tax year, the appraised and assessed values for each property class identified on the parcel. Such notice shall also contain:

(B) the uniform parcel identification number prescribed by the director of property valuation. Such notice shall also contain:

(C) a statement of the taxpayer's right to appeal, the procedure to be followed in making such appeal and the availability without charge of the guide devised pursuant to subsection (b)(g).

(2) Such notice may, and if the board of county commissioners so require, shall provide the parcel identification number, address and the sale date and amount of any or all sales utilized in the determination of appraised value of residential real property.

e) In any year in which no change in appraised valuation of any real property from its appraised valuation in the next preceding year is determined, an alternative form of notification which has been approved by the director of property valuation may be utilized by a county.

(f) Failure to timely mail or receive such notice shall in no way invalidate the
classification or appraised valuation as changed. The secretary of revenue shall adopt rules and regulations necessary to implement the provisions of this section.

(b) For all taxable years commencing after December 31, 1999, (g) There shall be provided to each taxpayer, upon request, a guide to the property tax appeals process. The director of the division of property valuation shall devise and publish such guide and shall provide sufficient copies thereof to all county appraisers. Such guide shall include, but not be limited to:

(1) A restatement of the law which pertains to the process and practice of property appraisal methodology, including the contents of K.S.A. 79-503a and 79-1460, and amendments thereto;
(2) the procedures of the appeals process, including the order and burden of proof of each party and time frames required by law; and
(3) such other information deemed necessary to educate and enable a taxpayer to properly and competently pursue an appraisal appeal.

(h) As used in this section:
(1) "New construction" means the construction of any new structure or improvements or the remodeling or renovation of any existing structures or improvements on real property.
(2) "Normal repair, replacement or maintenance" does not include new construction.
(3) "Taxpayer" means the person in ownership of the property as indicated on the records of the office of register of deeds or county clerk and includes the lessee of such property if the lease agreement has been recorded or filed in the office of the register of deeds and the real property or improvement thereon is subject of a lease agreement.

Sec. 7. K.S.A. 79-2001 is hereby amended to read as follows: 79-2001. (a) As soon as the county treasurer receives the tax roll of the county, the treasurer shall enter in a column opposite the description of each tract or parcel of land the amount of unpaid taxes and the date of unredeemed sales, if any, for previous years on such land. The treasurer shall cause a notice to be published in the official county paper once each week for three consecutive weeks, stating in the notice the amount of taxes charged for state, county, township, school, city or other purposes for that year, on each $1,000 of valuation.

(b) Each year after receipt of the tax roll from the county clerk and before December 15, the treasurer shall mail to each taxpayer, as shown by the rolls, a tax statement which includes the amount of taxes charged for state, county, township, school, city or other purposes for that year, on each $1,000 of valuation.

The tax statement also may include the intangible tax due the county. All items may be on one statement or may be shown on separate statements and may be on a form prescribed by the county treasurer. The statement shall be mailed to the last known address of the taxpayer or to a designee authorized by the taxpayer to accept the tax statement, if the designee has an interest in receiving the statement. When any statement is returned to the county treasurer for failure to find the addressee, the treasurer shall make a diligent effort to find a forwarding address of the taxpayer and mail the...
statement to the new address. All tax statements mailed pursuant to this section shall be mailed by first-class mail. The requirement for mailing a tax statement shall extend only to the initial statement required to be mailed in each year and to any follow-up required by this section. Alternatively, the county treasurer may transmit the tax statement to the taxpayer by electronic means if such taxpayer consented to service by electronic means.

(c) For tax year 1998, and all tax years thereafter. After receipt of the tax roll from the county clerk and before December 15, the treasurer shall mail to each taxpayer, as shown by the tax rolls, a tax information form which indicates the taxing unit, assessed value of real property for the current and next preceding taxable year, the mill levy for the current and next preceding taxable year and, in the case of unified school districts, the mill levy required by K.S.A. 72-5142, and amendments thereto, shall be separately indicated, the tax due and an itemization of each taxing unit's mill levy for the current and next preceding taxable year and the percentage change in the amount of revenue produced therefrom, if any. In addition, with respect to land devoted to agricultural use, such form shall indicate the acreage and description of each parcel of such land. The tax information form shall also indicate separately each parcel of real property which is separately classified for property tax purposes. The county appraiser shall provide the information necessary for the county treasurer to comply with the provisions of this section. The tax information form may be separate from the tax statement or a part of the tax statement. The tax information form shall be in a format prescribed by the director of property valuation. The tax information form shall be mailed to the last known address of the taxpayer. When a tax information form is returned to the county treasurer for failure to find the addressee, the treasurer shall make a diligent effort to find a forwarding address of the taxpayer and mail the tax information form to the new address. All tax information forms mailed pursuant to this section shall be mailed by first class mail. Alternatively, the county treasurer may transmit the tax information forms to the taxpayer by electronic means if such taxpayer consented to service by electronic means.

Sec. 8. K.S.A. 79-2017 is hereby amended to read as follows: 79-2017. In Douglas, Sedgwick, Johnson and Shawnee counties, all taxes on personal property that remain due and unpaid on February 16 or June 1 shall be collected in the following manner:

The county treasurer on or before March 25 shall send a notice by mail to the person, firm, unincorporated association, company or corporation to whom such taxes were assessed, and which remain unpaid on February 16 of any year, to its post office address as shown by the current tax roll. Alternatively, the county treasurer may transmit the notice to the taxpayer by electronic means if such taxpayer consented to service by electronic means.

The county treasurer on or before June 27 shall send a notice by mail to the person, firm, unincorporated association, company or corporation to whom such taxes were assessed, and which remain unpaid on June 1 of any year, to its post office address as shown by the current tax roll. Alternatively, the county treasurer may transmit the notice to the taxpayer by electronic means if such taxpayer consented to service by electronic means.

Failure to receive any such tax notice shall not relieve such person, firm, unincorporated association, company or corporation defaulting in payment of personal taxes from any interest and costs attached thereto. Such notice shall state the amount of personal tax charged against the party, and notify the party that the tax may be paid by
paying the amount of the tax as assessed and interest the amount of which shall be computed in accordance with the provisions of K.S.A. 79-2004a, and amendments thereto, on the delinquent tax.

The county treasurer is hereby authorized to accept payment of delinquent taxes in full without payment of the interest due upon such delinquent taxes if the amount of the interest due is less than $5 and is further authorized to accept as payment in full, any interest payment in an amount not less than $5 less than the full amount of the interest due.

Should such taxes, due and unpaid on February 16 remain unpaid for a period of 25 days after the mailing of such notice, or taxes due and unpaid on June 1 remain unpaid for a period of 14 days after the mailing of such notice, the county treasurer shall issue a warrant signed by the treasurer directed to the sheriff of the county, commanding the sheriff to levy the amount of such unpaid taxes and the amount of the interest thereon, together with the sheriff's fees for collecting the taxes, upon any personal property, tangible or intangible, of the person, firm, unincorporated association, company or corporation to whom such taxes were assessed.

To allow the time necessary for preparation of such warrants, the county treasurer shall not receive any payment of delinquent personal property taxes or interest thereon, due and unpaid on February 16, during a period beginning the 26th day after mailing of notices and extending through the last regular business day of April in any year or taxes or interest due and unpaid on June 1, during a period beginning the 15th day after mailing of such notices and extending through the regular business day of July 15 in any year. Such warrant shall be delivered to the sheriff by the county treasurer before the first regular business day in May and the 15th regular business day in July in each year. Upon receipt of such tax warrant, the sheriff shall proceed to collect such taxes the same as upon execution, except that where such taxes were levied and assessed pursuant to K.S.A. 79-329 through 79-334, and amendments thereto, they shall be collected as follows:

The sheriff shall cause notice to be given by registered mail to the purchaser of the oil and gas from such lease of the amount of such delinquent taxes and the name of the person against whom they were assessed and from and after the receipt of such notice such purchaser shall not pay to the person owing the taxes any of the proceeds of the sale of any oil or gas from such lease, but shall pay them to the sheriff until the full amount of such taxes and costs are paid after which the purchaser may resume the payments for such oil or gas to such person, but this exception shall not prevent the levy of an execution and sale of the leasehold interest or the physical personal property on any such lease for the payment of delinquent taxes owed by the owner thereof.

The sheriff, as soon as the sheriff collects the tax warrant, shall make a return thereof and shall make a return of all tax warrants delivered to the sheriff on or before October 1 of the year following the year in which the tax was levied. If the warrant so returned shows that the tax has been collected, the sheriff shall pay the tax to the county treasurer. If such return shows that such tax has not been collected, then the county treasurer shall file with the clerk of the district court of the treasurer's county an abstract of the total amount of unpaid taxes and interest due plus penalties and costs. The clerk shall enter the total amount of the unpaid taxes in the appearance docket and note the entry in the general index. No fee shall be charged for either such entry. The total amount shall become a judgment in the same manner and to the same extent as any
other judgment under the code of civil procedure and shall become a lien on real estate
from and after the time of the filing thereof. A transcript of the judgment may be filed
with the clerk of the district court in any other county and when the judgment is entered
in the manner provided above, the judgment shall become a lien upon real estate located
in such county in the same manner as is provided in case of other judgments. No fee
shall be made for making the entry. Execution, garnishment or other proceedings in aid
of execution may issue within the county or to any other county on the judgment in the
same manner as on judgments under the code of civil procedure except that any real
estate taken upon execution for the collection of such taxes shall be sold without
appraisal. None of the exemptions provided for in the code of civil procedure shall
apply to any such judgment but no such judgment secured for taxes on personal
property shall be levied against a homestead.

At the time of filing the abstract of the taxes, interest, penalties and costs with the
clerk of the district court, the county treasurer shall serve notice, in writing, on the
county counselor of such filing. It shall be the duty of the county counselor to
commence such proceedings as are necessary for the collection of such judgment. If
execution is not issued within five years from the date of the entry of any such
judgment, or if five years shall have intervened between the date of the last execution
issued on such judgment and the time of issuing another writ of execution thereon, such
judgment shall become dormant, and shall cease to operate as a lien on the real estate of
the delinquent taxpayer. Such dormant judgment may be revived in like manner as
dormant judgments under the code of civil procedure. Any such judgment remaining
uncollected after seven years may be allowed to become dormant if the county
commissioners determine, after consideration of all relevant facts, that it is not
reasonable to expect that such judgment will be collected. The board of county
commissioners may allow such judgments to become dormant at any time if the original
amount of the judgment was less than $50.

Sec. 9. K.S.A. 2022 Supp. 79-3606 is hereby amended to read as follows: 79-3606.

Nothing in this subsection or in the provisions of K.S.A. 12-3418, and amendments
thereto, shall be deemed to exempt the purchase of any construction machinery,
equipment or tools used in the constructing, equipping, reconstructing, maintaining,
repairing, enlarging, furnishing or remodeling facilities for any political subdivision of

All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. If any materials purchased under such a certificate are found not to have been incorporated in the building or other project or not to have been returned for credit or the sales or compensating tax otherwise imposed upon such materials that will not be so incorporated in the building or other project reported and paid by such contractor to the director of taxation not later than the 20th day of the month following the close of the month in which it shall be determined that such materials will not be used for the purpose for which such certificate was issued, the political subdivision, district described in subsection (s), hospital or public hospital authority, school, educational institution or the contractor contracting with the department of corrections for a correctional institution concerned shall be liable for tax on all materials purchased for the project, and upon payment thereof it may recover the same from the contractor together with reasonable attorney fees. The contractor shall furnish the number of such certificates to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to the government of the United States, its agencies or instrumentalities concerned a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. As an alternative to the foregoing procedure, any such

1. Unless the context requires otherwise, capitalized terms used but not defined in this Amendment shall have the respective meanings given for such terms in the Compact.

2. Throughout the Compact, all references to "Prairie Band Potawatomi Nation in Kansas" are deleted and replaced with "Prairie Band Potawatomi Nation."

3. Section 3 (Authorized Class III Gaming) is amended as follows:
   a. In subsection (A):
      i. the word "and" at the end of clause (10) is deleted;

Prayer by Chaplain Brubaker:

Gracious and Loving God,
thank You for this week and the way You have
been present with each of us.
As we come to the end of this session,
we are reminded of Your faithfulness in guiding our leaders.
There were decisions made that were not the preference of some.
There were decisions made that some really were pleased about.
What is important is that all the members did their best,
worked with one another,
and kept the needs of our citizens as their priority.
When all is said and done, we are assured of Your Word that tells us
“Commit your works to the Lord,
and your plans will be established.”
(Proverbs 16:3)
Our leaders have done their work,
and we now ask that You use that to bring about Your desire.
This I pray in Your Name, Amen.

The Pledge of Allegiance was led by Rep. Houglund.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Eric Smith are spread upon the Journal:

My fellow members of the Kansas House, I stand before you today for the purpose of recognizing the sacrifice of Kansans who serve in law enforcement and the families of those service members.
Sedgwick County Deputy Sidnee Carter graduated from the Kansas Law Enforcement Training Center in July of 2022 after serving for a year and a half as a detention officer for the Sedgwick County Sheriff’s Office. Just three months later, Sidnee Carter was on patrol when a driver failed to stop at a stop sign and, at 87 mph, crashed into the driver’s side of her patrol car, killing her. End of Watch October 7th, 2022.

We mark these losses by the ultimate sacrifice; however, I want to bring special attention to the fact that every year there are an untold number of losses by officers who are wounded beyond the ability to continue in this career. Through physical injury, but also mental anguish and the difficulty of post-traumatic stress, everyday officers face an end to their careers.

It is important that we recognize that law enforcement officers are expected to deal with the circumstances our friends and neighbors deal with on the worst days of their lives. In fact, a good portion of the calls we go on involve experiences many of the victims and officers will never be able to forget. The visible injuries, the deaths, the graphic and the tragic.

While we tend to focus only on the number of line-of-duty deaths, there are severe injuries that our officers and their families will endure for the rest of their lives and those numbers will never be collected for our acknowledgment.

We should recognize today that no one enters into law enforcement with the plan to be killed in the line of duty, or takes an oath to protect others with the knowledge that they would be bed-ridden from a young age as the result of a line-of-duty injury. We realize there is a risk, but no one believes they will be the statistic. Despite the constant media reminders of those who do wrong while wearing a badge, it is important to remember that of the nearly 800,000 sworn law enforcement officers in this country, including nearly 7,500 Kansas cops, the vast and overwhelming number of them are doing the right thing for the right reasons and are still willing to run toward the gun fire and toward the danger in your defense.

May 18th and 19th are the official dates for our candlelight vigil and ceremony at our statehouse memorial, recognizing the ultimate sacrifice of our Kansas fallen officers. Today, I present an opportunity for this body to remember their sacrifice, so I ask for a moment of silence, while I pray over our officers and their families.

I want to thank you all for the respect you have extended toward me over the years, for my fellow blue brothers and sisters, and for our families who so often worry and struggle with the stresses.

MESSAGE FROM THE GOVERNOR

REGARDING VETO OF HOUSE SUBSTITUTE FOR SENATE BILL 169

Kansans know all too well where irresponsible, costly tax experiments lead: to
underfunded schools, to deteriorating roads and bridges, and to essential services being cut.

This bill would upend our tax system and throw our state’s budget out of balance long-term. There is no question: Just like under my predecessor, this tax plan would be paid for by cutting funds from our public schools. Already, those same legislators have proposed cutting millions of dollars from public schools, and particularly rural schools. I won’t stand for cuts to our public schools, period.

To be very clear, I want to cut taxes for everyday Kansans. That’s why I’ve proposed targeted, responsible tax cuts on groceries and Social Security, and it’s why I’m proposing a tax rebate, this year, of $450 for individual taxpayers and $900 for married couples filing jointly.

Legislators should put this one-time surplus back in the hands of taxpayers – without risking our ability to continue fully funding schools and investing in roads, bridges, and essential services.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Substitute for Senate Bill 169.

MESSAGE FROM THE GOVERNOR

REGARDING VETO OF SENATE BILL 26, SENATE BILL 180, SENATE BILL 228, AND S. SUB FOR HOUSE BILL 2138

Companies have made it clear that they are not interested in doing business with states that discriminate against workers and their families. By stripping away rights from Kansans and opening the state up to expensive and unnecessary lawsuits, these bills would hurt our ability to continue breaking economic records and landing new business deals.

I’m focused on the economy. Anyone care to join me?

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate
Bill 26, Senate Bill 180, Senate bill 228, and S. Sub. for House Bill 2138

MESSAGE FROM THE GOVERNOR

REGARDING VETO OF SENATE BILL 209

As the daughter of a career Army officer, I cannot support measures that would disenfranchise members of our armed services – who fight for our freedoms, including the right to vote – from casting their own ballot.

This bill eliminates the three-day grace period for mail-in ballots often used by those in the military serving across the country or overseas.

It would also likely result in too many rural Kansans not having their votes counted in important elections. That is unacceptable. We should be doing everything we can to make it easier – not harder – for Kansans to make their voices heard at the ballot box.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 209.

Within 14 days after admission, the head of the juvenile crisis intervention center shall develop a plan of treatment for the juvenile in collaboration with the managed care organization.

(2) Nothing in this subsection shall prohibit the department of health and environment from administering or reimbursing state medicaid services to any juvenile admitted to a juvenile crisis intervention center pursuant to a waiver granted under section 1915(c) of the federal social security act, provided that such services are not administered through a managed care delivery system.

(3) Nothing in this subsection shall prohibit the department of health and environment from reimbursing any state medicaid services that qualify for reimbursement and that are provided to a juvenile admitted to a juvenile crisis intervention center.

(4) Nothing in this subsection shall impair or otherwise affect the validity of any contract in existence on July 1, 2018, between a managed care organization and the department of health and environment to provide state medicaid services.

(5) On or before January 1, 2019, the secretary of health and environment shall submit to the United States centers for medicare and medicaid services any approval request necessary to implement this subsection.

M R  S P E A K E R – I vote NO on SB 113. “For where your treasure is, there lies your heart.” (Matthew 6:21) This bill ratchets up the Tax Credit Scholarship to 75%, the most generous credit for charitable giving in the Kansas tax code. I do not believe diverting tax liability dollars from our SGF to private, now including unaccredited, schools
should be our state’s number one priority. My heart lies with our children’s community schools, their dedicated teachers and support staff, who were unconstitutionally underfunded for a decade. Thank you, educators and advocates, I see you, hear you, and hold you in my heart. – MARI-LYNN POSKIN

(a) (1) Whenever any person providing wrecker or towing service, as defined by K.S.A. 66-1329, and amendments thereto, while lawfully in possession of a vehicle, at the direction of a law enforcement officer, the owner or, if a city ordinance or county resolution authorizes the towing of vehicles by a wrecker or towing service, a self-service storage facility operator as provided by K.S.A. 58-817, and amendments thereto, or as otherwise provided by a city ordinance or county resolution, renders any service to the owner thereof by the recovery, transportation, protection, storage or safekeeping thereof, a first and prior lien on the vehicle is hereby created in favor of such person rendering such service and the lien shall amount to the full amount and value of the service rendered. The lien may be foreclosed in the manner provided in this act.

(2) If the name of the owner of the vehicle is known to the person in possession of such vehicle, then within 15 days, notice shall be given to the owner that the vehicle is being held subject to satisfaction of the lien. Any vehicle remaining in the possession of a person providing wrecker or towing service for a period of 30 days after such wrecker or towing service was provided may be sold to pay the reasonable or agreed charges for such recovery, transportation, protection, storage or safekeeping of such vehicle and personal property therein, the costs of such sale, the costs of notice to the owner of the vehicle and publication after giving the notices required by this act, unless a court order has been issued to hold such vehicle for the purpose of a criminal investigation or for use as evidence at a trial.

(3) If a court orders any vehicle to be held for the purpose of a criminal investigation or for use as evidence at a trial, then such order shall be in writing, and the
court shall assess as costs the reasonable or agreed charges for the protection, storage or safekeeping accrued while the vehicle was held pursuant to such written order.

(4) Any personal property within the vehicle need not be released to the owner thereof until the reasonable or agreed charges for such recovery, transportation or safekeeping have been paid, or satisfactory arrangements for payment have been made, except as provided under subsection (c) or for personal medical supplies which shall be released to the owner thereof upon request. The person in possession of such vehicle and personal property shall be responsible only for the reasonable care of such property. Any personal property within the vehicle not returned to the owner shall be sold at the auction authorized by this act.

(5) A person providing wrecker or towing service shall provide a certification of compliance to a purchaser pursuant to section 1 of 2023 House Bill No. 2147, and amendments thereto, upon the sale and transfer of a vehicle authorized by this section.

(b) At the time of providing wrecker or towing service, any person providing such wrecker or towing service shall give written notice to the driver, if available, of the vehicle being towed that a fee will be charged for storage of such vehicle. Failure to give such written notice shall invalidate any lien established for such storage fee.

c) A city ordinance or county resolution authorizing the towing of vehicles from private property shall specify in such ordinance or resolution:

(a) Subject to the provisions of subsection (j), the board of trustees is responsible for the management and investment of that portion of state moneys available for investment by the pooled money investment board that is certified by the state treasurer to the board of trustees as being equivalent to the aggregate net amount received for
unclaimed property and shall discharge the board's duties with respect to such moneys solely in the interests of the state general fund and shall invest and reinvest such moneys and acquire, retain, manage, including the exercise of any voting rights and disposal of investments of such moneys within the limitations and according to the powers, duties and purposes as prescribed by this section.

(b) Moneys specified in subsection (a) shall be invested and reinvested to achieve the investment objective, which is preservation of such moneys and accordingly providing that the moneys are as productive as possible, subject to the standards set forth in this section. (d) In the discharge of such management and investment responsibilities the board of trustees may contract for the services of one or more professional investment advisors or other consultants in the management and investment of such moneys and otherwise in the performance of the duties of the board of trustees under this section.

The board of trustees shall require a person contracted with under subsection (d) to provide services to give a fidelity bond in a penal sum as may be fixed by law or, if not so fixed, as may be fixed by the board of trustees, with corporate surety authorized to do business in this state. Such persons contracted with the board of trustees pursuant to subsection (d) and any persons contracted with such persons to perform the functions specified in subsection (b) shall be deemed to be fiduciary agents of the board of trustees in the performance of contractual obligations.

Such policies and objectives shall be in writing and shall include:

(B) establishment of criteria for evaluating the risk versus the potential return on a particular investment; and
(C) a requirement that all investment advisors, and any managers or others with similar duties and responsibilities as investment advisors, shall immediately report all
instances of default on investments to the board of trustees and provide such board of trustees with recommendations and options, including, but not limited to, curing the default or withdrawal from the investment.

(2) The board of trustees shall review such policies and objectives, make changes considered necessary or desirable and readopt such policies and objectives on an annual basis.

(g) Except as provided in subsection (d) and this subsection, the custody of such moneys shall remain in the custody of the state treasurer, except that the board of trustees may arrange for the custody of such moneys as it considers advisable with one or more member banks or trust companies of the federal reserve system or with one or more banks in the state of Kansas, or both, to be held in safekeeping by the banks or trust companies for the collection of the principal and interest or other income or of the proceeds of sale. All such moneys shall be considered moneys in the state treasury for purposes of K.S.A. 75-6704, and amendments thereto.

REGARDING VETO OF HOUSE BILL 2285

The field of public health was pioneered here in Kansas, yet lawmakers continue trying to undermine the advancements that have saved lives in every corner of our state.

That’s most recently evidenced by this bill, an effort by politicians in Topeka to win political points in the short-term while threatening the long-term health and safety of all Kansans and of our economy. There’s no question: Preventing Kansas’ local and state health officials from providing even basic testing for contagious human and zoonotic diseases – including measles, meningitis, Ebola, and polio – will hurt our ability to stop unnecessary outbreaks in the future.
Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2285.

THE GOVERNOR’S OFFICE
BY THE GOVERNOR Laura Kelly

DATED May 12, 2023

CONSIDERATION OF VETO

The Legislature having adjourned sine die on April 28, 2023, there was no opportunity to reconsider HB 2285 and the veto is sustained.
