EXPLANATIONS OF VOTE

MR. SPEAKER – After being involved in daycare regulation as an attorney at KDHE for 20 years, I am sympathetic to the idea of reviewing childcare regulations and making them less restrictive. However, I cannot support the current bill because of the flawed process used to adopt it. I vote No on HB 2344 – DENNIS “BOOG” HIGHBERGER

MR. SPEAKER – Today, as a working mom with young kids, I am supporting the approval of the conference committee report for HB 2344. This bill will allow for more childcare opportunities throughout Kansas. From rural to urban areas, childcare issues look different but have become even more of a pressing problem. I believe this bill begins to provide help to Kansans by removing barriers for parents to find safe and affordable childcare solutions. – LAURA WILLIAMS

The state building advisory commission shall prepare a list of at least three and but not more than five firms which are, in the opinion of the state building advisory commission, qualified to serve as project architect, engineer or land surveyor for the project. Such list shall be submitted to the negotiating committee, without any recommendation of preference or other

Sec. 7. K.S.A. 2022 Supp. 74-4921 is hereby amended to read as follows: 74-4921.

(1) There is hereby created in the state treasury the Kansas public employees retirement fund. All employee and employer contributions shall be deposited in the state treasury to be credited to the Kansas public employees retirement fund. The fund is a trust fund and shall be used solely for the exclusive purpose of providing benefits to members and member beneficiaries and defraying reasonable expenses of administering the fund. Investment income of the fund shall be added or credited to the fund as provided by law. All benefits payable under the system, refund of contributions and overpayments, purchases or investments under the law and expenses in connection with the system unless otherwise provided by law shall be paid from the fund. The director of accounts and reports is authorized to draw warrants on the state treasurer and against such fund upon the filing in the director's office of proper vouchers executed by the chairperson or the executive director of the board. As an alternative, payments from the fund may be made by credits to the accounts of recipients of payments in banks, savings and loan associations and credit unions. A payment shall be so made only upon the written authorization and direction of the recipient of payment and upon receipt of such authorization such payments shall be made in accordance therewith. Orders for payment of such claims may be contained on:

(a) A letter, memorandum, telegram, computer printout or similar writing;

(b) any form of communication, other than voice, which is registered upon magnetic tape, disc or any other medium designed to capture and contain in durable form conventional signals used for the electronic communication of messages.

(2) The board shall have the responsibility for the management of the fund and shall discharge the board's duties with respect to the fund solely in the interests of the members and beneficiaries of the system for the exclusive purpose of providing benefits to members and such member's beneficiaries and defraying reasonable expenses of
administering the fund and shall invest and reinvest moneys in the fund and acquire, retain, manage, including the exercise of any voting rights and disposal of investments of the fund within the limitations and according to the powers, duties and purposes as prescribed by this section.

(3) Moneys in the fund shall be invested and reinvested to achieve the investment objective which is preservation of the fund to provide benefits to members and member beneficiaries, as provided by law and accordingly providing that the moneys are as productive as possible, subject to the standards set forth in this act. No moneys in the fund shall be invested or reinvested if the sole or primary any investment objective is for economic development or social purposes or objectives.

(4) In investing and reinvesting moneys in the fund and in acquiring, retaining, managing and disposing of investments of the fund, the board shall exercise the judgment, care, skill, prudence and diligence under the circumstances then prevailing, which persons of prudence, discretion and intelligence acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims by diversifying the investments of the fund so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so, and not in regard to speculation but in regard to the permanent disposition of similar funds, considering the probable income as well as the probable safety of their capital.

(5) Notwithstanding subsection (4):

(a) Total investments in common stock may be made in the amount of up to 60% of the total book value of the fund;

(b) the board may invest or reinvest moneys of the fund in alternative investments if the following conditions are satisfied:

(i) The total of the annual net commitment to alternative investments does not exceed 5% of the total market value of investment assets of the fund as measured from the end of the preceding calendar year;

(ii) if in addition to the system, there are at least two other qualified institutional buyers, as defined by section (a)(1)(i) of rule 144A, securities act of 1933;

(iii) the system's share in any individual alternative investment is limited to an investment representing not more than 20% of any such individual alternative investment;

(iv) the system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of alternative investment;

(v) the alternative investment is consistent with the system's investment policies and objectives as provided in subsection (6);

(vi) the individual alternative investment does not exceed more than 2.5% of the total alternative investments made under this subsection. If the alternative investment is made pursuant to participation by the system in a multi-investor pool, the 2.5% limitation contained in this subsection is applied to the underlying individual assets of such pool and not to investment in the pool itself. The total of such alternative investments made pursuant to participation by the system in any one individual multi-investor pool shall not exceed more than 20% of the total of alternative investments made by the system pursuant to this subsection. Nothing in this subsection requires the board to liquidate or sell the system's holdings in any alternative investments made pursuant to participation by the system in any one individual multi-investor pool held
by the system on the effective date of this act, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and be prudent under the standards contained in this section. The 20% limitation contained in this subsection shall not have been violated if the total of such investment in any one individual multi-investor pool exceeds 20% of the total alternative investments of the fund as a result of market forces acting to increase the value of such a multi-investor pool relative to the rest of the system's alternative investments; however, the board shall not invest or reinvest any moneys of the fund in any such individual multi-investor pool until the value of such individual multi-investor pool is less than 20% of the total alternative investments of the fund;

(vii) the board has received and considered the investment manager's due diligence findings submitted to the board as required by subsection (6)(c);

(viii) prior to the time the alternative investment is made, the system has in place procedures and systems to ensure that the investment is properly monitored and investment performance is accurately measured; and

(ix) the total of alternative investments does not exceed 15% of the total investment assets of the fund. The 15% limitation contained in this subsection shall not have been violated if the total of such alternative investments exceeds 15% of the total investment assets of the fund, based on the fund total market value, as a result of market forces acting to increase the value of such alternative investments relative to the rest of the system's investments. However, the board shall not invest or reinvest any moneys of the fund in alternative investments until the total value of such alternative investments is less than 15% of the total investment assets of the fund based on the market value. If the total value of the alternative investments exceeds 15% of the total investment assets of the fund, the board shall not be required to liquidate or sell the system's holdings in any alternative investment held by the system, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and is prudent under the standards contained in this section;

(c) for purposes of this act, "alternative investment" includes a broad group of investments that are not one of the traditional asset types of public equities, fixed income, cash or real estate. Alternative investments are generally made through limited partnership or similar structures, are not regularly traded on nationally recognized exchanges and thus are relatively illiquid, and exhibit lower correlations with more liquid asset types such as stocks and bonds. Alternative investments generally include, but are not limited to, private equity, private credit, hedge funds, infrastructure, commodities and other investments which have the characteristics described in this paragraph; and

(d) except as otherwise provided, the board may invest or reinvest moneys of the fund in real estate investments if the following conditions are satisfied:

(i) The system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of real estate investment;

(ii) the real estate investment is consistent with the system's investment policies and objectives as provided in subsection (6); and

(iii) the system has received and considered the investment manager's due diligence findings.

(6) Subject to the objective set forth in subsection (3) and the standards set forth
in subsections (4) and (5) the board shall formulate policies and objectives for the investment and reinvestment of moneys in the fund and the acquisition, retention, management and disposition of investments of the fund. Such policies and objectives shall include:

(a)(i) Specific asset allocation standards and objectives;
(b)(ii) establishment of criteria for evaluating the risk versus the potential return on a particular investment;
(c)(iii) a requirement that all investment managers submit such manager's due diligence findings on each investment to the board or investment advisory committee for approval or rejection prior to making any alternative investment;
(d)(iv) a requirement that all investment managers shall immediately report all instances of default on investments to the board and provide the board with recommendations and options, including, but not limited to, curing the default or withdrawal from the investment; and
(e)(v) establishment of criteria that would be used as a guideline for determining when no additional add-on investments or reinvestments would be made and when the investment would be liquidated.

(b) The board shall review such policies and objectives, make changes considered necessary or desirable and readopt such policies and objectives on an annual basis.

(7) The board may enter into contracts with one or more persons whom the board determines to be qualified, whereby the persons undertake to perform the functions specified in subsection (2) to the extent provided in the contract. Performance of functions under contract so entered into shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts and shall be based on specific contractual fee arrangements. The system shall not pay or reimburse any expenses of persons contracted with pursuant to this subsection, except that after approval of the board, the system may pay approved investment related expenses subject to provisions of appropriation acts. The board shall require that a person contracted with to obtain commercial insurance which provides for errors and omissions coverage for such person in an amount to be specified by the board, provided that such coverage shall be at least the greater of $500,000 or 1% of the funds entrusted to such person up to a maximum of $10,000,000. The board shall require a person contracted with to give a fidelity bond in a penal sum as may be fixed by law or, if not so fixed, as may be fixed by the board, with corporate surety authorized to do business in this state. Such persons contracted with the board pursuant to this subsection and any persons contracted with such persons to perform the functions specified in subsection (2) shall be deemed to be agents of the board and the system in the performance of contractual obligations.

(8) (a) In the acquisition or disposition of securities, the board may rely on the written legal opinion of a reputable bond attorney or attorneys, the written opinion of the attorney of the investment counselor or managers, or the written opinion of the attorney general certifying the legality of the securities.

(b) The board shall employ or retain qualified investment counsel or counselors or may negotiate with a trust company to assist and advise in the judicious investment of funds as herein provided.

(9) (a) Except as provided in subsection (7) and this subsection, the custody of money and securities of the fund shall remain in the custody of the state treasurer, except that the board may arrange for the custody of such money and securities as it
considers advisable with one or more member banks or trust companies of the federal reserve system or with one or more banks in the state of Kansas, or both, to be held in safekeeping by the banks or trust companies for the collection of the principal and interest or other income or of the proceeds of sale. The services provided by the banks or trust companies shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts.

(b) The state treasurer and the board shall collect the principal and interest or other income of investments or the proceeds of sale of securities in the custody of the state treasurer and pay same when so collected into the fund.

(c) The principal and interest or other income or the proceeds of sale of securities as provided in clause (a) of this subsection (9) shall be reported to the state treasurer and the board and credited to the fund.

(10) The board shall with the advice of the director of accounts and reports establish the requirements and procedure for reporting any and all activity relating to investment functions provided for in this act in order to prepare a record monthly of the investment income and changes made during the preceding month. The record will reflect a detailed summary of investment, reinvestment, purchase, sale and exchange transactions and such other information as the board may consider advisable to reflect a true accounting of the investment activity of the fund.

(11) The board shall provide for an examination of the investment program annually. The examination shall include an evaluation of current investment policies and practices and of specific investments of the fund in relation to the objective set forth in subsection (3), the standard set forth in subsection (4) and other criteria as may be appropriate, and recommendations relating to the fund investment policies and practices and to specific investments of the fund as are considered necessary or desirable. The board shall include in its annual report to the governor as provided in K.S.A. 74-4907, and amendments thereto, a report or a summary thereof covering the investments of the fund.

(12) Any internal assessment or examination of alternative investments of the system performed by any person or entity employed or retained by the board which evaluates or monitors the performance of alternative investments shall be reported to the legislative post auditor so that such report may be reviewed in accordance with the annual financial-compliance audits conducted pursuant to K.S.A. 74-49,136, and amendments thereto.

(b) The board shall prepare and submit an alternative investment report to the joint committee on pensions, investments and benefits prior to January 1, 2016. Such report shall include a review of alternative investments of the system with an emphasis on the effects of changes in law pursuant to this act and includes specific investment cost and market value information of each individual alternative investment.

EXPLANATIONS OF VOTE

MR. SPEAKER: I will be opposing this budget. We had a lot of discussions in the Democratic caucus about the last-minute additions to this budget and the process. I definitely smell a pork product of some kind, and I oppose pork in budgets, so I will oppose this bill. – STEPHANIE SAWYER CLAYTON

MR. SPEAKER: The Senate is looking at raising salaries for elected state-wide officers and judiciary, but not state employees. When you shop in the store it is an extra $100 on food vs 2022. Health care costs are going up. Lots of our folks are under the market pay (survey done in 2022.) That means employees are below public and private market rates. We need to fix it. Not to say, doing more due to under staffing. I vote No on HB 2184 – JOHN ALCALA

On and after such certification, the treasurer shall determine annually the total amount to be transferred to the Kansas education enrichment program fund by multiplying an amount equal to the BASE aid by the total number of qualified students participating in the program pursuant to section 8, and amendments thereto, and by multiplying $1,000 by the number of qualified students who will receive an award under the program for the succeeding school year pursuant to section 7, and amendments thereto. The treasurer
shall certify the resulting total amount to the director of accounts and reports on or before August 1 of each year. Upon receipt of such certification, the director of accounts and reports shall transfer such certified amount from the state general fund to the Kansas education enrichment program fund. Any nonpublic school, home school or tutor that accepts a payment from a parent of a qualified student participating in the program is not an agent of this state.

(b) The content or religious nature of a product or service may not be considered when determining whether payment for such product or service is an allowable expenditure.

(c) If the parent of a qualified student who is schooled at home makes application to enroll in the Kansas educational enrichment program, such application does not constitute registration pursuant to K.S.A. 72-4346, and amendments thereto. Nothing in the Kansas education enrichment program act shall be construed to require a parent to register with the state department of education pursuant to K.S.A. 72-4346, and amendments thereto.

"Sec. 5. K.S.A. 2022 Supp. 79-32,117, as amended by section 5 of 2023 House Bill No. 2197, is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been
deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(vi) Any amount of designated employee contributions picked up by an employer pursuant to K.S.A. 12-5005, 20-2603, 74-4919 and 74-4965, and amendments thereto.

(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,204, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xv) or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

(xiii) The amount of any expenditures claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,217 through 79-32,220 or 79-32,222, and amendments thereto.

(xiv) The amount of any amortization deduction claimed in determining federal adjusted gross income to the extent the same is claimed for deduction pursuant to K.S.A. 79-32,221, and amendments thereto.

(xv) The amount of any expenditures claimed for deduction in determining federal

(xviii) For taxable years commencing after December 31, 2006, the amount of any ad valorem or property taxes and assessments paid to a state other than Kansas or local government located in a state other than Kansas by a taxpayer who resides in a state other than Kansas, when the law of such state does not allow a resident of Kansas who earns income in such other state to claim a deduction for ad valorem or property taxes or assessments paid to a political subdivision of the state of Kansas in determining taxable income for income tax purposes in such other state, to the extent that such taxes and assessments are claimed as an itemized deduction for federal income tax purposes.

(a) "Eligible institution of higher education" means:
(1) (A) A state educational institution as defined in K.S.A. 76-711, and amendments thereto; or
(B) any private, independent college with its primary location in Kansas that is a member of the Kansas independent college association as of July 1, 2023; and
(2) that has an engineering program accredited by the accreditation board for engineering and technology.
(b) "Engineering program" or "accredited engineering program" means an engineering program accredited by the accreditation board for engineering and technology and includes, but is not limited to, a program in computer engineering or computer science.
(c) "Qualified eligible institution of higher education" means an eligible institution of higher education that has certified to the secretary that, in the immediately preceding academic year, at least the following number of students have graduated with baccalaureate degrees from an engineering program or programs with respect to each institution:
(1) Kansas state university, 586 graduates;
(2) university of Kansas, 419 graduates;
(3) Wichita state university, 360 graduates;
(4) any other state educational institution as defined in K.S.A. 76-711, and amendments thereto, with an accredited engineering program, one or more graduates; and
(5) private, independent colleges, one or more graduates.
(d) "Secretary" means the secretary of commerce.
Sec. 8. (a) There is hereby created in the state treasury the engineering graduate incentive fund. The secretary of commerce shall administer the fund. All expenditures from the fund shall be for the purpose of promoting the development of accredited postsecondary engineering programs in Kansas by providing grants that shall be matched on a $1-for-$1 basis with funds from nonstate sources to qualified eligible
institutions of higher education for:

(1) Awarding scholarships to undergraduate students enrolled at such institutions in an engineering program;
(2) recruiting undergraduate students for engineering programs offered by such institutions;
(3) expanding the number of potential engineering students through engineering-related activities in secondary schools in Kansas;
(4) funding internships for undergraduate students enrolled at such institutions in an engineering program;
(5) making necessary facility improvements or equipment purchases to expand engineering program course offerings; or
(6) hiring additional faculty or enhancing faculty salaries in such an institution's engineering program.

(b) Applications for matching grants shall be made by eligible institutions of higher education to the secretary in the form and manner required by the secretary. If the secretary determines the institution is a qualified eligible institution of higher education, finds the institution has sufficient nonstate funding to match the grant requested on a $1-for-$1 basis and approves the application, the qualified eligible institution of higher education shall receive a matching grant. If sufficient moneys are available in the engineering graduate incentive fund to fully fund all approved applications, the amount of the matching grant shall be at least $20,000 for each graduate of an engineering program of the institution during the immediately preceding academic year, as determined by the secretary, in excess of the threshold requirement for qualification as a qualified eligible institution of higher education pursuant to section 1, and amendments thereto. If sufficient moneys are not available in the engineering graduate incentive fund to fully fund all approved applications in an amount of at least $20,000 for each such graduate, the secretary shall award grants in a prorated amount so that all approved applicant qualified eligible educational institutions receive the same amount of grant money for a graduate in excess of such respective threshold. The secretary shall consult with and coordinate with eligible institutions of higher education, qualified eligible institutions of higher education, the state board of regents, or private industry in planning and developing uses for matching grant funding to achieve the purpose of this act.

(c) Qualified eligible institutions of higher education that receive a matching grant shall provide such information as requested by the secretary, excluding any information confidential under state or federal law, regarding the use of grant funds. On or before January 10, 2024, and on or before the first day of each regular session of the legislature thereafter, the secretary shall provide a written report to the house of representatives standing committee on commerce, labor and economic development, or its successor committee, and the senate standing committee on commerce, or its successor committee, on the amount and uses of grant funding by each qualified eligible educational institution of higher education that has received a matching grant and progress made toward the goal of this act.

(d) All expenditures from the engineering graduate fund shall be for the purposes described in subsection (a) and shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of commerce or the secretary's designee.
(e) No moneys appropriated to the engineering graduate incentive fund shall be expended for the acquisition or construction of any facilities.

(f) (1) On July 1, 2023, or as soon thereafter as moneys are available, the director of accounts and reports shall transfer $1,500,000 from the state general fund to the engineering graduate fund.

(2) On July 1, 2024, and on each July 1 thereafter, the secretary shall certify to the director of accounts and reports the amount of moneys expended for grants from the engineering graduate fund in the prior fiscal year. Upon receipt of such certification, or as soon thereafter as moneys are available, the director of accounts and reports shall transfer from the state general fund to the engineering graduate fund an amount equal to twice the amount certified by the secretary of commerce, except that if such transfer would result in an unencumbered balance in the engineering graduate fund of greater than $5,000,000, the director of accounts and reports shall transfer the amount of moneys that shall result in an unencumbered balance of $5,000,000 in the engineering graduate fund on such date.

Sec. 9. The provisions of sections 7 through 9, and amendments thereto, shall expire on July 1, 2033. On July 1, 2033, the director of accounts and reports shall transfer all unencumbered moneys in the engineering graduate fund to the state general fund. "Section 1. K.S.A. 2022 Supp. 39-709 is hereby amended to read as follows: 39-709. (a) General eligibility requirements for assistance for which federal moneys are expended. Subject to the additional requirements below, assistance in accordance with plans under which federal moneys are expended may be granted to any needy person who:

(1) Has insufficient income or resources to provide a reasonable subsistence compatible with decency and health. Where a husband and wife or cohabiting partners are living together, the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary, in determining need of any applicant for or recipient of assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of assistance unless such applicant or recipient is such individual's spouse, cohabiting partner or such individual's minor child or minor stepchild if the stepchild is living with such individual. The secretary in determining need of an individual may provide such income and resource exemptions as may be permitted by federal law. For purposes of eligibility for temporary assistance for needy families, for food assistance and for any other assistance provided through the Kansas department for children and families under which federal moneys are expended, the
secretary for children and families shall consider one motor vehicle owned by the applicant for assistance, regardless of the value of such vehicle, as exempt personal property and shall consider any equity in any boat, personal water craft, recreational vehicle, recreational off-highway vehicle or all-terrain vehicle, as defined by K.S.A. 8-126, and amendments thereto, or any additional motor vehicle owned by the applicant for assistance to be a nonexempt resource of the applicant for assistance except that any additional motor vehicle used by the applicant, the applicant's spouse or the applicant's cohabiting partner for the primary purpose of earning income may be considered as exempt personal property in the secretary's discretion; or

(2) is a citizen of the United States or is an alien lawfully admitted to the United States and who is residing in the state of Kansas.

(b) Temporary assistance for needy families. Assistance may be granted under this act to any dependent child, or relative, subject to the general eligibility requirements as set out in subsection (a), who resides in the state of Kansas or whose parent or other relative with whom the child is living resides in the state of Kansas. Such assistance shall be known as temporary assistance for needy families. Where the husband and wife or cohabiting partners are living together, both shall register for work under the program requirements for temporary assistance for needy families in accordance with criteria and guidelines prescribed by rules and regulations of the secretary.

(1) As used in this subsection, "family group" or "household" means the applicant or recipient for TANF, child care subsidy or employment services and all individuals living together in which there is a relationship of legal responsibility or a qualifying caretaker relationship. This will include a cohabiting boyfriend or girlfriend living with the person legally responsible for the child. The family group shall not be eligible for TANF if the family group contains at least one adult member who has received TANF, including the federal TANF assistance received in any other state, for 24 calendar months beginning on and after October 1, 1996, unless the secretary determines a hardship exists and grants an extension allowing receipt of TANF until the 36-month limit is reached. No extension beyond 36 months shall be granted. Hardship provisions for a recipient include:

(A) is a caretaker of a disabled family member living in the household;
(B) has a disability that precludes employment on a long-term basis or requires substantial rehabilitation;
(C) needs a time limit extension to overcome the effects of domestic violence/sexual violence or sexual assault;
(D) is involved with prevention and protection services and has an open social service plan; or
(E) is determined by the 24th month to have an extreme hardship other than what is designated in criteria listed in subparagraphs (A) through (D). This determination will be made by the executive review team.

(2) All adults applying for TANF shall be required to complete a work program assessment as specified by the Kansas department for children and families, including those who have been disqualified for or denied TANF due to non-cooperation, drug testing requirements or fraud. Adults who are not otherwise eligible for TANF, such as ineligible aliens, relative/non-relative caretakers and adults receiving supplemental security income are not required to complete the assessment process. During the application processing period, applicants must complete at least one module or its
equivalent of the work program assessment to be considered eligible for TANF benefits, unless good cause is found to be exempt from the requirements. Good cause exemptions shall only include that the applicant:

(A) Can document an existing certification verifying completion of the work program assessment;
(B) has a valid offer of employment or is employed a minimum of 20 hours a week;
(C) is a parenting teen without a GED or high school diploma;
(D) is enrolled in job corps;
(E) is working with a refugee social services agency; or
(F) has completed the work program assessment within the last 12 months.

(3) The Kansas department for children and families shall maintain a sufficient level of dedicated work program staff to enable the agency to conduct work program case management services to TANF recipients in a timely manner and in full accordance with state law and agency policy.

(4) TANF mandatory work program applicants and recipients shall participate in work components that lead to competitive, integrated employment. Components are defined by the federal government as being either primary or secondary.

(B) In order to meet federal work participation requirements, households shall meet at least 30 hours of participation per week, at least 20 hours of which shall be primary and at least 10 hours may be secondary components in one parent households where the youngest child is six years of age or older. Participation hours shall be 55 hours in two parent households, 35 hours per week if child care is not used. The maximum assignment is 40 hours per week per individual. For two parent families to meet the federal work participation rate, both parents shall participate in a combined total of 55 hours per week, 50 hours of which shall be in primary components, or one or both parents could be assigned a combined total of 35 hours per week, 30 hours of which must be primary components, if the Kansas department for children and families paid child care is not received by the family. Single parent families with a child under age six meet the federal participation requirement if the parent is engaged in work or work activities for at least 20 hours per week in a primary work component.

(C) The following components meet federal definitions of primary hours of participation: Full or part-time employment, apprenticeship, work study, self-employment, job corps, subsidized employment, work experience sites, on-the-job training, supervised community service, vocational education, job search and job readiness. Secondary components include: Job skills training, education directly related to employment such as adult basic education and English as a second language, and completion of a high school diploma or GED.

(5) A parent or other adult caretaker personally providing care for a child under the age of three months in their TANF household shall be exempt from work participation activities until the month the child attains three months of age. Such three-month limitation shall not apply to a parent or other adult caretaker who is personally providing care for a child born significantly premature, with serious medical conditions or with a disability as defined by the secretary, in consultation with the secretary of health and environment and adopted in the rules and regulations. (D) any person assigned to a work participation activity for substance use disorders.

(6) TANF work experience placements shall be reviewed after 90 days and are limited to six months per 24-month lifetime limit. A client's progress shall be reviewed prior to each new placement regardless of the length of time they are at the work experience site.

(7) TANF participants with disabilities shall engage in required employment activities to the maximum extent consistent with their abilities. A TANF participant shall provide current documentation by a qualified medical practitioner that details the ability to engage in employment and any limitation in work activities along with the expected duration of such limitations. Disability is defined as a physical or mental impairment constituting or resulting in a substantial impediment to employment for such individual.

(11) Individuals who have not cooperated without good cause with child support services shall be ineligible to participate in the food assistance program. The period of disqualification ends once it has been determined that such individual is cooperating with child support services.

(12) (A) Any individual who is found to have committed fraud or is found guilty of the crime of theft pursuant to K.S.A. 39-720, and amendments thereto, and K.S.A. 2022 Supp. 21-5801, and amendments thereto, in either the TANF or child care program shall render all adults in the family unit ineligible for TANF assistance. No adult in a household may have access to the TANF cash assistance benefit.

(B) Any individual who has failed to cooperate with a fraud investigation shall be ineligible to participate in the TANF cash assistance program and the child care subsidy program until the Kansas department for children and families determines that such individual is cooperating with the fraud investigation. (ii) An individual's failure to submit to testing or failure to successfully pass a drug test shall result in ineligibility for food assistance until a drug test is successfully passed. Failure to successfully complete a drug treatment program shall result in ineligibility for food assistance until a drug treatment plan approved by the secretary is successfully completed, the individual passes a drug test and agrees to submit to drug testing if requested by the department pursuant to a drug testing plan.

(C) The provisions of subparagraph (B) shall not apply to any individual who has been convicted for a second or subsequent felony offense as provided in subparagraph (A).

Child care for post-secondary education shall be allowed for a lifetime maximum of 24 months per adult. The 24 months may not have to be consecutive. Students shall be engaged in paid employment for a minimum of 15 hours per week. The Kansas department for children and families shall verify if individuals with such winnings are receiving TANF cash assistance, food assistance or assistance under the child care subsidy program and take appropriate action. The Kansas department for children and families shall use data received under this subsection solely, and for no other purpose, to determine if any recipient's eligibility for benefits has been affected by lottery prize winnings. The Kansas department for children and families shall not publicly disclose the identity of any lottery prize winner, including recipients who are determined to have illegally received benefits.

(d) Temporary assistance for needy families; assignment of support rights and limited power of attorney. By applying for or receiving temporary assistance for needy families such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving temporary assistance for needy families, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney-in-fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(e) Requirements for medical assistance for which federal moneys or state moneys or both are expended. (1) When the secretary has adopted a medical care plan under which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to K.S.A. 16-
303(c), and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient. Medical assistance eligibility for receipt of benefits under the title XIX of the social security act, commonly known as medicaid, shall not be expanded, as provided for in the patient protection and affordable care act, public law 111-148, 124 stat. 119, and the health care and education reconciliation act of 2010, public law 111-152, 124 stat. 1029, unless the legislature expressly consents to, and approves of, the expansion of medicaid services by an act of the legislature.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless:

(i) At the time of creation or amendment of the trust, the trust states a clear intent that the trust is supplemental to public assistance; and

(ii) the trust is funded:

(a) From resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or

(b) not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met:

(i) The contract, agreement or accord must be in writing and executed prior to any services being provided;

(ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals;

(iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards;

(iv) such individual providing the services shall report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies;
(v) any amounts due under such contract, agreement or accord shall be paid after
the services are rendered;
(vi) the applicant or recipient shall have the power to revoke the contract,
agreement or accord; and
(vii) upon the death of the applicant or recipient, the contract, agreement or accord
ceases.
(B) When an applicant or recipient of medical assistance is a party to a written
contract for personal services being provided by a licensed health professional or
facility and such contract involves health and welfare monitoring, pharmacy assistance,
and other related issues, any moneys paid in advance of receipt of services for such
contracts shall be considered to be an available resource.
(5) Any trust may be amended if such amendment is permitted by the Kansas
uniform trust code.
(f) Eligibility for medical assistance of resident receiving medical care outside
state. A person who is receiving medical care including long-term care outside of
Kansas whose health would be endangered by the postponement of medical care until
return to the state or by travel to return to Kansas, may be determined eligible for
medical assistance if such individual is a resident of Kansas and all other eligibility
factors are met. Persons who are receiving medical care on an ongoing basis in a long-
term medical care facility in a state other than Kansas and who do not return to a care
facility in Kansas when they are able to do so, shall no longer be eligible to receive
assistance in Kansas unless such medical care is not available in a comparable facility
or program providing such medical care in Kansas. For persons who are minors or who
are under guardianship, the actions of the parent or guardian shall be deemed to be the
actions of the child or ward in determining whether or not the person is remaining
outside the state voluntarily.
(g) Medical assistance; assignment of rights to medical support and limited power
of attorney; recovery from estates of deceased recipients. (1) (A) Except as otherwise
provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise
authorized on and after September 30, 1989, under section 303 of the federal medicare
catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving
medical assistance under a medical care plan in which federal funds are expended, any
accrued, present or future rights to support and any rights to payment for medical care
from a third party of an applicant or recipient and any other family member for whom
the applicant is applying shall be deemed to have been assigned to the secretary on
behalf of the state. The assignment shall automatically become effective upon the date
of approval for such assistance without the requirement that any document be signed by
the applicant or recipient. By applying for or receiving medical assistance the applicant
or recipient is also deemed to have appointed the secretary, or the secretary's designee,
as an attorney-in-fact to perform the specific act of negotiating and endorsing all drafts,
checks, money orders or other negotiable instruments, representing payments received
by the secretary in on behalf of any person applying for, receiving or having received
such assistance. This limited power of attorney shall be effective from the date the
secretary approves the application for assistance and shall remain in effect until the
assignment has been terminated in full. The assignment of any rights to payment for
medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to K.S.A. 39-756(d), and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and environment, or the secretary's designee, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary's duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both and a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 17-2263 or 17-2264, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection. The secretary of health and environment is authorized to enforce each claim provided for under this subsection. The secretary of health and environment is authorized to enforce each claim provided for under this subsection. The secretary of health and environment shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary of health and environment from claims under this subsection shall be deposited in the social welfare fund. The secretary of health and environment may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection.

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant
to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim is limited to the individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes without limitation, assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas
district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

(A) After the death of the surviving spouse of the recipient;
(B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
(C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
(D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary of health and environment or the secretary's designee;
(B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or
(C) the value of the real property is consumed by the lien, at which time the secretary of health and environment or the secretary's designee may force the sale for the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of health and environment, or both, or such secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families or the secretary's designee of the death of a recipient of medical assistance under this subsection, the secretary for children and families or the secretary's designee shall give notice of such recipient's death to the secretary of health and environment or the secretary's designee.

(9) All rules and regulations adopted on and after July 1, 2013, and prior to July 1, 2014, to implement this subsection shall continue to be effective and shall be deemed to be duly adopted rules and regulations of the secretary of health and environment until revised, amended, revoked or nullified pursuant to law.

(h) Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney. In any case in which the secretary for children and families pays for the expenses of care and custody of a child pursuant to K.S.A. 38-2201 et seq., or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that
any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge or violation of a condition of probation or parole imposed under federal or state law shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of temporary assistance for needy families is a mother of the dependent child, as a condition of the mother's eligibility for temporary assistance for needy families the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of temporary assistance for needy families who fails to cooperate with requirements relating to child support services under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary.

(k) By applying for or receiving child care benefits or food assistance, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food assistance, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of temporary assistance for needy families.

(l) A program of drug screening for applicants for cash assistance as a condition
of eligibility for cash assistance and persons receiving cash assistance as a condition of continued receipt of cash assistance shall be established, subject to applicable federal law, by the secretary for children and families on and before January 1, 2014. Under such program of drug screening, the secretary for children and families shall order a drug screening of an applicant for or a recipient of cash assistance at any time when reasonable suspicion exists that such applicant for or recipient of cash assistance is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, an applicant's or recipient's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) Any applicant for or recipient of cash assistance whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any applicant for or recipient of cash assistance who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such applicant or recipient who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(3) Any applicant for or recipient of cash assistance who tests positive for unlawful use of a controlled substance or controlled substance analog shall be required to complete a substance abuse treatment program approved by the secretary for children and families, secretary of labor or secretary of commerce, and a job skills program approved by the secretary for children and families, secretary of labor or secretary of commerce. Subject to applicable federal laws, any applicant for or recipient of cash assistance who fails to complete or refuses to participate in the substance abuse treatment program or job skills program as required under this subsection shall be ineligible to receive cash assistance until completion of such substance abuse treatment and job skills programs. Upon completion of both substance abuse treatment and job skills programs, such applicant for or recipient of cash assistance may be subject to periodic drug screening, as determined by the secretary for children and families. Upon a second positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be ordered to complete again a substance abuse treatment program and job skills program, and shall be terminated from cash assistance for a period of 12 months, or until such recipient of cash assistance completes both substance abuse treatment and job skills programs, whichever is later. Upon a third positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be terminated from cash assistance, subject to applicable federal law.

(4) If an applicant for or recipient of cash assistance is ineligible for or terminated from cash assistance as a result of a positive test for unlawful use of a controlled substance or controlled substance analog, and such applicant for or recipient of cash assistance is the parent or legal guardian of a minor child, an appropriate protective
payee shall be designated to receive cash assistance on behalf of such child. Such parent or legal guardian of the minor child may choose to designate an individual to receive cash assistance for such parent's or legal guardian's minor child, as approved by the secretary for children and families. Prior to the designated individual receiving any cash assistance, the secretary for children and families shall review whether reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog.

(A) In addition, any individual designated to receive cash assistance on behalf of an eligible minor child shall be subject to drug screening at any time when reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, the designated individual's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the designated individual indicating unlawful use of a controlled substance or controlled substance analog.

(B) Any designated individual whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any designated individual who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such designated individual who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(C) Upon any positive test for unlawful use of a controlled substance or controlled substance analog, the designated individual shall not receive cash assistance on behalf of the parent's or legal guardian's minor child, and another designated individual shall be selected by the secretary for children and families to receive cash assistance on behalf of such parent's or legal guardian's minor child.

(5) If a person has been convicted under federal or state law of any offense that is classified as a felony by the law of the jurisdiction and has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall thereby become forever ineligible to receive any cash assistance under this subsection unless such conviction is the person's first conviction. First-time offenders convicted under federal or state law of any offense that is classified as a felony by the law of the jurisdiction and has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall become ineligible to receive cash assistance for five years from the date of conviction.

(6) Except for hearings before the Kansas department for children and families, the results of any drug screening administered as part of the drug screening program authorized by this subsection shall be confidential and shall not be disclosed publicly.

(7) The secretary for children and families may adopt such rules and regulations as
are necessary to carry out the provisions of this subsection.

(8) Any authority granted to the secretary for children and families under this subsection shall be in addition to any other penalties prescribed by law.

For the next two taxable years following the taxable year that the valuation for commercial real property has been reduced due to a final determination made pursuant to the valuation appeals process, the county appraiser shall review the computer-assisted mass-appraisal of the property and if, the valuation in either of those two years exceeds the value of the previous year by more than 5%, excluding new construction, change in use or change in classification, the county appraiser shall either:

As used in this section, "new construction" means the construction of any new structure or improvements or the remodeling or renovation of any existing structures or improvements on real property.

For the purposes of this section and in the case of real property, the term "taxpayer" shall be deemed to be the person in ownership of the property as indicated on the records of the office of register of deeds or county clerk and, in the case where the real property or improvement thereon is the subject of a lease agreement, such term shall also be deemed to include the lessee of such property if the lease agreement has been recorded or filed in the office of the register of deeds. (B) the uniform parcel identification number prescribed by the director of property valuation. Such notice shall also contain:
(C) a statement of the taxpayer’s right to appeal, the procedure to be followed in making such appeal and the availability without charge of the guide devised pursuant to subsection (b) (e).
(2) Such notice may, and if the board of county commissioners so require, shall provide the parcel identification number, address and the sale date and amount of any or all sales utilized in the determination of appraised value of residential real property.
(c) In any year in which no change in appraised valuation of any real property from its appraised valuation in the next preceding year is determined, an alternative form of notification which has been approved by the director of property valuation may be utilized by a county.
(d) Failure to timely mail or receive such notice shall in no way invalidate the classification or appraised valuation as changed. The secretary of revenue shall adopt rules and regulations necessary to implement the provisions of this section.
(b) For all taxable years commencing after December 31, 1999,
(e) There shall be provided to each taxpayer, upon request, a guide to the property tax appeals process. The director of the division of property valuation shall devise and publish such guide, and shall provide sufficient copies thereof to all county appraisers. Such guide shall include, but not be limited to:
(1) A restatement of the law which pertains to the process and practice of property appraisal methodology, including the contents of K.S.A. 79-503a and 79-1460, and amendments thereto;
(2) the procedures of the appeals process, including the order and burden of proof of each party and time frames required by law; and
(3) such other information deemed necessary to educate and enable a taxpayer to properly and competently pursue an appraisal appeal.
(f) As used in this section:
(1) "New construction" means the construction of any new structure or improvements or the remodeling or renovation of any existing structures or improvements on real property.
(2) "Normal repair, replacement or maintenance" does not include new construction.

Except as otherwise authorized by K.S.A. 19-428, and amendments thereto, each county shall comprise a separate appraisal district under such program, and the county
appraiser shall have the duty of reappraising all of the real property in the county pursuant to guidelines and timetables prescribed by the director of property valuation and of updating the same on an annual basis. In the case of multi-county appraisal districts, the district appraiser shall have the duty of reappraising all of the real property in each of the counties comprising the district pursuant to such guidelines and timetables and of updating the same on an annual basis. Commencing in 2000, every parcel of real property shall be actually viewed and inspected by the county or district appraiser once every six years.

Compilation of data for the initial preparation or updating of inventories for each parcel of real property and entry thereof into the state computer system as provided for in K.S.A. 79-1477, and amendments thereto, shall be completed not later than January 1, 1989. Whenever the director determines that reappraisal of all real property within a county is complete, notification thereof shall be given to the governor and to the state board of tax appeals.

(b) Valuations shall be established for each parcel of real property at its fair market value in money in accordance with the provisions of K.S.A. 79-503a, and amendments thereto.

In addition thereto, (c) (1) Valuations shall be established for each parcel of land devoted to agricultural use upon the basis of the agricultural income or productivity attributable to the inherent capabilities of such land in its current usage under a degree of management reflecting median production levels in the manner hereinafter provided. A classification system for all land devoted to agricultural use shall be adopted by the director of property valuation using criteria established by the United States department of agriculture natural resources conservation service.

(A) For all taxable years commencing after December 31, 1989, all land devoted to agricultural use that is subject to the federal conservation reserve program shall be classified as cultivated dry land for the purpose of valuation for property tax purposes pursuant to this section, except that for all taxable years commencing after December 31, 2022, all land devoted to agricultural use that is subject to the federal grassland conservation reserve program (CRP grasslands) shall be classified as grassland for the purpose of valuation for property tax purposes pursuant to this section.

(2) Productivity of land devoted to agricultural use shall be determined for all land classes within each county or homogeneous region based on an average of the eight calendar years immediately preceding the calendar year that immediately precedes the year of valuation, at a degree of management reflecting median production levels. The director of property valuation shall determine median production levels based on information available from state and federal crop and livestock reporting services, the natural resources conservation service, and any other sources of data that the director considers appropriate.

(d) The share of net income from land in the various land classes within each county or homogeneous region that is normally received by the landlord shall be used as the basis for determining agricultural income for all land devoted to agricultural use except pasture or rangeland. The net income normally received by the landlord from
such land shall be determined by deducting expenses normally incurred by the landlord from the share of the gross income normally received by the landlord. The net rental income normally received by the landlord from pasture or rangeland within each county or homogeneous region shall be used as the basis for determining agricultural income from such land. The net rental income from pasture and rangeland that is normally received by the landlord shall be determined by deducting expenses normally incurred from the gross income normally received by the landlord. Commodity prices, crop yields and pasture and rangeland rental rates and expenses shall be based on an average of the eight calendar years immediately preceding the calendar year that immediately precedes the year of valuation. Net income for every land class within each county or homogeneous region shall be capitalized at a rate determined to be the sum of the contract rate of interest on new federal land bank loans in Kansas on July 1 of each year averaged over a five-year period that includes the five years immediately preceding the calendar year which immediately precedes the year of valuation, plus a percentage not less than 0.75% nor more than 2.75%, as determined by the director of property valuation, except that the capitalization rate calculated for property tax year 2003, and all such years thereafter, shall not be less than 11% nor more than 12%.

(e) Based on the foregoing procedures provided in this section, the director of property valuation shall make an annual determination of the value of land within each of the various classes of land devoted to agricultural use within each county or homogeneous region and furnish the same to the several county appraisers who shall classify such land according to its current usage and apply the value applicable to such class of land according to the valuation schedules prepared and adopted by the director of property valuation under the provisions of this section.

(f) It is the intent of the legislature that appraisal judgment and appraisal standards be followed and incorporated throughout the process of data collection and analysis and establishment of values pursuant to this section.

For the purpose of the foregoing provisions of (g) As used in this section, the phrase:

(1) (A) "Land devoted to agricultural use" shall mean includes land, regardless of whether it is located in the unincorporated area of the county or within the corporate limits of a city, that is devoted to the production of plants, animals or horticultural products, including, but not limited to: Forages; grains and feed crops; dairy animals and dairy products; poultry and poultry products; beef cattle, sheep, swine and horses; bees and apiary products; trees and forest products; fruits, nuts and berries; vegetables; and nursery, floral, ornamental and greenhouse products.

(iii) for all taxable years commencing after December 31, 2020, that is otherwise devoted to the production of plants, animals or horticultural products that is incidentally used for agritourism activity that is utilized as part of a registered agritourism activity at a registered agritourism location by a registered agritourism operator pursuant to K.S.A.
32-1432, and amendments thereto, including, but not limited to, all land and buildings, whether permanent or temporary, that are utilized for such agritourism activity. For purposes of this clause, the selling of any items, products, services or merchandise associated with the registered agritourism activity by a registered agritourism operator that includes, but is not limited to, point of sales from either land or buildings, shall not change the classification of the agricultural land or buildings as a result of such sales. For purposes of this section,

(2) "Agritourism activity" means any activity that allows members of the general public, for recreational, entertainment or educational purposes, to view or enjoy rural activities, including, but not limited to, farming activities, ranching activities or historic, cultural or natural attractions. An activity may be an "agritourism activity" whether or not the participant pays to participate in the activity. An activity is not an "agritourism activity" if the participant is paid to participate in the activity.

(h) If a parcel has land devoted to agricultural purposes and land used for suburban residential acreages, rural home sites or farm home sites, the county appraiser shall determine the amount of the parcel used for agricultural purposes and value and assess it accordingly as land devoted to agricultural purposes. The county appraiser shall then determine the amount of the remaining land used for such other purposes and value and assess that land according to its use.

(i) The term "expenses" means those expenses typically incurred in producing the plants, animals and horticultural products described above, including management fees, production costs, maintenance and depreciation of fences, irrigation wells, irrigation laterals and real estate taxes, but the term shall "Expenses" does not include those expenses incurred in providing temporary or permanent buildings used in the production of such plants, animals and horticultural products.

(j) The provisions of this act section shall not be construed to conflict with any other provisions of law relating to the appraisal of tangible property for taxation purposes including the equalization processes of the county and state board of tax appeals.

Sec. 10. K.S.A. 79-1496 is hereby amended to read as follows: 79-1496. Within 60 days after the date the notice of informal meeting results or final determination is mailed to the taxpayer pursuant to K.S.A. 79-1448, and amendments thereto, any taxpayer aggrieved by the final determination of the county appraiser, who has not filed an appeal with the board of tax appeals pursuant to K.S.A. 74-2433f, 79-1448, 79-1609 or 79-1611, and amendments thereto, may file with the county appraiser a third-party fee simple appraisal performed by a Kansas certified general real property appraiser that reflects the value of the property as of January 1 for the same tax year being appealed. For determinations and appeals relating to residential property pursuant to this section, a taxpayer may file with the county appraiser a third-party fee simple appraisal performed by either a Kansas certified residential real property appraiser or a Kansas certified general real property appraiser that reflects the value of the property as of January 1 for the same tax year being appealed. Within 15 days after receipt of the appraisal, the county appraiser shall review and consider such appraisal in the determination of valuation or classification of the taxpayer's property and mail a supplemental notice of final determination. If the final determination is not in favor of the taxpayer then the county appraiser shall notify the taxpayer that the county is required to perform its own, or commission a fee simple single property appraisal. The county appraiser shall then
have 90 days to furnish that appraisal along with a new supplemental notice of
determination and if not in favor of the taxpayer include an explanation of the reasons
the county appraiser did not rely upon the taxpayer's fee simple single property
appraisal. Whenever a taxpayer submits a fee simple single property appraisal the
burden of proof shall be on the county appraiser to dispute the value of that appraisal.
Any taxpayer aggrieved by the final determination of the county appraiser may appeal
to the state board of tax appeals as provided in K.S.A. 79-1609, and amendments
thereto, within 30 days subsequent to the date of mailing of the supplemental notice of
final determination.

Sec. 11. K.S.A. 2022 Supp. 79-2005 is hereby amended to read as follows: 79-
2005. (a) Any taxpayer, before protesting the payment of such taxpayer's taxes, shall be
required, either at the time of paying such taxes, or, if the whole or part of the taxes are
paid prior to December 20, no later than December 20, or, with respect to taxes paid in
whole or in part in an amount equal to at least 1/2 of such taxes on or before December
20 by an escrow or tax service agent, no later than January 31 of the next year, to file a
written statement with the county treasurer, on forms approved by the state board of tax
appeals and provided by the county treasurer, clearly stating the grounds on which the
whole or any part of such taxes are protested and citing any law, statute or facts on
which such taxpayer relies in protesting the whole or any part of such taxes. When the
grounds of such protest is an assessment of taxes made pursuant to K.S.A. 79-332a and
79-1427a, and amendments thereto, the county treasurer may not distribute the taxes
paid under protest until such time as the appeal is final. When the grounds of such
protest is that the valuation or assessment of the property upon which the taxes are
levied is illegal or void, the county treasurer shall forward a copy of the written
statement of protest to the county appraiser who shall within 15 days of the receipt
thereof, schedule an informal meeting with the taxpayer or such taxpayer's agent or
attorney with reference to the property in question. At the informal meeting, it shall be
the duty of the county appraiser or the county appraiser's designee to initiate production
of evidence to substantiate the valuation of such property, including a summary of the
reasons that the valuation of the property has been increased over the preceding year,
any assumptions used by the county appraiser to determine the value of the property
and a description of the individual property characteristics, property specific valuation
records and conclusions. The taxpayer shall be provided with the opportunity to review
the data sheets applicable to the valuation approach utilized for the subject property.
The county appraiser shall take into account any evidence provided by the taxpayer
which relates to the amount of deferred maintenance and depreciation of the property.
The county appraiser shall review the appraisal of the taxpayer's property with the
taxpayer or such taxpayer's agent or attorney and may change the valuation of the
taxpayer's property, if in the county appraiser's opinion a change in the valuation of the
taxpayer's property is required to assure that the taxpayer's property is valued according
to law, and shall, within 15 business days thereof, notify the taxpayer in the event the
valuation of the taxpayer's property is changed, in writing of the results of the meeting.
The county appraiser shall not increase the appraised valuation of the property as a
result of the informal meeting. In the event the valuation of the taxpayer's property is
changed and such change requires a refund of taxes and interest thereon, the county
treasurer shall process the refund in the manner provided by subsection (l).

(b) No protest appealing the valuation or assessment of property shall be filed.
pertaining to any year's valuation or assessment when an appeal of such valuation or assessment was commenced pursuant to K.S.A. 79-1448, and amendments thereto, nor shall—The second half payment of taxes shall not be protested when the first half payment of taxes has been protested. Notwithstanding the foregoing, this provision shall not prevent any subsequent owner from protesting taxes levied for the year in which such property was acquired, nor shall it prevent any taxpayer from protesting taxes when the valuation or assessment of such taxpayer's property has been changed pursuant to an order of the director of property valuation.

(c) A protest shall not be necessary to protect the right to a refund of taxes in the event a refund is required because the final resolution of an appeal commenced pursuant to K.S.A. 79-1448, and amendments thereto, occurs after the final date prescribed for the protest of taxes.

(d) If the grounds of such protest shall be that the valuation or assessment of the property upon which the taxes so protested are levied is illegal or void, such statement shall further state the exact amount of valuation or assessment which the taxpayer admits to be valid and the exact portion of such taxes which is being protested.

(e) If the grounds of such protest shall be that any tax levy, or any part thereof, is illegal, such statement shall further state the exact portion of such tax which is being protested.

(f) Upon the filing of a written statement of protest, the grounds of which shall be that any tax levied, or any part thereof, is illegal, the county treasurer shall mail a copy of such written statement of protest to the state board of tax appeals and the governing body of the taxing district making the levy being protested.

(g) Within 30 days after notification of the results of the informal meeting with the county appraiser pursuant to subsection (a), the protesting taxpayer may, if aggrieved by the results of the informal meeting with the county appraiser, appeal such results to the state board of tax appeals.

(h) After examination of the copy of the written statement of protest and a copy of the written notification of the results of the informal meeting with the county appraiser in cases where the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the board shall conduct a hearing in accordance with the provisions of the Kansas administrative procedure act, unless waived by the interested parties in writing. If the grounds of such protest is that
the valuation or assessment of the property is illegal or void the board shall notify the county appraiser thereof.

(i) In the event of a hearing, the same shall be originally set not later than 90 days after the filing of the copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the board. With regard to any matter properly submitted to the board relating to the determination of valuation of residential property or real property used for commercial and industrial purposes for taxation purposes, it shall be the duty of the county appraiser to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity and correctness of such determination except that no such duty shall accrue to the county or district appraiser with regard to leased commercial and industrial property unless the property owner has furnished to the county or district appraiser a complete income and expense statement for the property for the three years next preceding the year of appeal. No presumption shall exist in favor of the county appraiser with respect to the validity and correctness of such determination. In all instances where the board sets a request for hearing and requires the representation of the county by its attorney or counselor at such hearing, the county shall be represented by its county attorney or counselor. The board shall take into account any evidence provided by the taxpayer which relates to the amount of deferred maintenance and depreciation for the property. In any appeal from the reclassification of property that was classified as land devoted to agricultural use for the preceding year, the taxpayer's classification of the property as land devoted to agricultural use shall be presumed to be valid and correct if the taxpayer provides an executed lease agreement or other documentation demonstrating a commitment to use the property for agricultural use, if no other actual use is evident. With regard to any matter properly submitted to the board relating to the determination of valuation of property for taxation purposes, the board shall not increase the appraised valuation of the property to an amount greater than the appraised value reflected in the notification of the results of the informal meeting with the county appraiser from which the taxpayer appealed.

(j) When a determination is made as to the merits of the tax protest, the board shall render and serve its order thereon. The county treasurer shall notify all affected taxing districts of the amount by which tax revenues will be reduced as a result of a refund.

(k) If a protesting taxpayer fails to file a copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the board within the time limit prescribed, such protest shall become null and void and of no effect whatsoever.

(l) (1) In the event the board orders that a refund be made pursuant to this section or the provisions of K.S.A. 79-1609, and amendments thereto, or a court of competent jurisdiction orders that a refund be made, and no appeal is taken from such order, or in the event a change in valuation which results in a refund pursuant to subsection (a), the county treasurer shall, as soon thereafter as reasonably practicable, refund to the taxpayer such protested taxes and, with respect to protests or appeals commenced after the effective date of this act, interest computed at the rate prescribed by K.S.A. 79-2968, and amendments thereto, minus two percentage points, per annum from the date of payment of such taxes from tax moneys collected but not distributed. Upon making such refund, the county treasurer shall charge the fund or funds having received such protested taxes, except that, with respect to that portion of any such refund attributable
to interest the county treasurer shall charge the county general fund. In the event that the
state board of tax appeals or a court of competent jurisdiction finds that any time delay
in making its decision is unreasonable and is attributable to the taxpayer, it may order
that no interest or only a portion thereof be added to such refund of taxes.
(2) No interest shall be allowed pursuant to paragraph (1) in any case where the tax
paid under protest was inclusive of delinquent taxes.
(m) Whenever, by reason of the refund of taxes previously received or the
reduction of taxes levied but not received as a result of decreases in assessed valuation,
it will be impossible to pay for imperative functions for the current budget year, the
governing body of the taxing district affected may issue no-fund warrants in the amount
necessary. Such warrants shall conform to the requirements prescribed by K.S.A. 79-
2940, and amendments thereto, except they shall not bear the notation required by such
section and may be issued without the approval of the state board of tax appeals. The
governing body of such taxing district shall make a tax levy at the time fixed for the
certification of tax levies to the county clerk next following the issuance of such
warrants sufficient to pay such warrants and the interest thereon. All such tax levies
shall be in addition to all other levies authorized by law.
(n) Whenever a taxpayer appeals to the board of tax appeals pursuant to the
provisions of K.S.A. 79-1609, and amendments thereto, or pays taxes under protest
related to one property whereby the assessed valuation of such property exceeds 5% of
the total county assessed valuation of all property located within such county and the
taxpayer receives a refund of such taxes paid under protest or a refund made pursuant to
the provisions of K.S.A. 79-1609, and amendments thereto, the county treasurer or the
governing body of any taxing subdivision within a county may request the pooled
money investment board to make a loan to such county or taxing subdivision as
provided in this section. The pooled money investment board is authorized and directed
to loan to such county or taxing subdivision sufficient funds to enable the county or
taxing subdivision to refund such taxes to the taxpayer. The pooled money investment
board is authorized and directed to use any moneys in the operating accounts,

pooled money investment portfolio at the time of the making of such loan. The total

indebtedness or debt of the state of Kansas within the meaning of section 6 of article 11
of the constitution of the state of Kansas. Upon certification to the pooled money
investment board by the county treasurer or governing body of the amount of each loan
authorized pursuant to this subsection, the pooled money investment board shall

The county treasurer shall disburse to the proper funds all portions of taxes paid under protest and shall maintain a record of all portions of such taxes which are so protested and shall notify the governing body of the taxing district levying such taxes thereof and the director of accounts and reports if any tax protested was levied by the state.

This statute shall not apply to the valuation and assessment of property assessed by the director of property valuation and it shall not be necessary for any owner of state assessed property, who has an appeal pending before the state board of tax appeals, to protest the payment of taxes under this statute solely for the purpose of protecting the right to a refund of taxes paid under protest should that owner be successful in that appeal.

Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in writing to service by electronic means. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include a statement of the statutory mill levies imposed by the state the previous year's tax amount and the estimate of the tax for the current year on the taxpayer's property based on such the statutory mill levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c) (1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon
such governing body, the county clerk, the director of accounts and reports and the
complaining party. It shall be the duty of the governing body to initiate the production
of evidence to demonstrate, by a preponderance of the evidence, the validity of such
levy. If upon a summary proceeding or hearing, it shall be made to appear to the
satisfaction of the board that the governing body of the taxing subdivision did not
comply with subsection (b), the state board of tax appeals shall order such governing
body to refund to taxpayers the amount of property taxes over collected or reduce the
taxes levied, if uncollected. The provisions of this paragraph shall not be construed as
prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the 20 mills levied by a school
district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax
revenue generated for the purpose of calculating the revenue neutral rate from the
previous tax year and such amount of increase in revenue generated from the 20 mills is
the only reason the school district would exceed the total property tax revenue from the
prior year, the school district shall be deemed to not have exceeded the revenue neutral
rate in levying a tax rate in excess of the revenue neutral rate to take into account the
increase in revenue from only the 20 mills.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing
body of a taxing subdivision must conduct a public hearing to approve exceeding the
revenue neutral rate under this section, the governing body of the taxing subdivision
shall certify, on or before October 1, to the proper county clerk the amount of ad
valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions
of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be
levied that would result in a tax rate in excess of its revenue neutral rate, the county
clerk shall reduce the ad valorem tax to be levied to the amount resulting from such
taxing subdivision's revenue neutral rate.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an
ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would
generate the same property tax revenue as levied the previous tax year using the current
tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk
shall divide the property tax revenue for such taxing subdivision levied for the previous
tax year by the total of all taxable assessed valuation in such taxing subdivision for the
current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The
revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were
not reimbursed pursuant to K.S.A. 2022 Supp. 79-2989, and amendments thereto, such
county clerk may seek reimbursement from all taxing subdivisions required to send the
notice. Such costs shall be shared proportionately by all taxing subdivisions that were
included on the same notice based on the total property tax levied by each taxing
subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall
make copies of adopted budgets, budget certificates, other budget documents and
revenue neutral rate documents available to the public on the department of
administration's website on a permanently accessible web page that may be accessed via
a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

1. A list of taxing subdivisions by county;
2. Whether each taxing subdivision conducted a hearing to consider exceeding its revenue neutral rate;
3. The revenue neutral rate of each taxing subdivision;
4. The tax rate resulting from the adopted budget of each taxing subdivision; and
5. The percent change between the revenue neutral rate and the tax rate for each taxing subdivision.

Sec. 13. K.S.A. 2022 Supp. 79-2989 is hereby amended to read as follows: 79-2989. The secretary of revenue shall certify the amount of moneys attributable to such costs and shall transmit a copy of such certification to the director of accounts and reports. Upon such receipt of such certification, the director of accounts and reports shall transfer an amount of moneys equal to such certified amount from the state general fund to the taxpayer notification costs fund of the department of revenue. The secretary of revenue shall transmit a copy of each such certification to the director of legislative research and the director of the budget.

(b) There is hereby established in the state treasury the taxpayer notification costs fund that shall be administered by the secretary of revenue. All expenditures from the taxpayer notification costs fund shall be for the purpose of paying county printing and postage costs pursuant to K.S.A. 2022 Supp. 79-2988, and amendments thereto. All expenditures from such fund shall be made in accordance with appropriations acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of revenue or the secretary's designee.

On page 8, following line 21, by inserting:

(a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

Message to the Kansas House of Representatives:
Enclosed herewith is Executive Directive No. 23-569 for your information.

Executive Directive No. 23-569
Authorizing Expenditure of Federal Funds

LAURA KELLY
Governor

The above Executive Directive is on file and open for inspection in the office of the Chief Clerk.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to HB 2304, AN ACT concerning education; relating to firearms; standardizing firearm safety education training programs in school districts. was received and read.

REGARDING HOUSE BILL 2304

Kansas law makes it clear that it is the role of local school boards and the State Board of Education to establish curriculum and educational standards for our students.
This bill is yet again an act of legislative overreach, an attempt to override our locally elected leaders and insert partisan politics into our children's education.
Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2304.

Dated: April 14, 2023

LAURA KELLY
Governor of Kansas

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to HB 2313, AN ACT concerning health and healthcare; creating the born-alive infants protection act; providing legal protections for infants born alive; requiring certain standards of care by
healthcare providers for infants who are born alive; providing criminal penalties and civil liability for violations of the act; amending K.S.A. 65-445 and repealing the existing section. was received and read.

**REGARDING HOUSE BILL 2313**

This bill is misleading and unnecessary. Federal law already protects newborns, and the procedure being described in this bill does not exist in Kansas in the era of modern medicine.

The intent of this bill is to interfere in medical decisions that should remain between doctors and their patients.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2313.

Governor of Kansas

**MESSAGE FROM THE GOVERNOR**

The following message with the Governor's objection to **HB 2264**, AN ACT concerning health and healthcare; relating to abortion; requiring certain notifications that a medication abortion may be reversed; excluding certain procedures from the definition of abortion; amending K.S.A. 40-2,190, 65-4a01, 65-6701, 65-6708, 65-6723 and 65-6742 and repealing the existing sections. was received and read.

**REGARDING HOUSE BILL 2264**

In August, Kansans made clear that they believe personal healthcare decisions should be made between a woman and her doctor, not politicians in Topeka. This bill would interfere with that relationship and given the uncertain science behind it, could be harmful to Kansans' health.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2264.

**MESSAGE FROM THE GOVERNOR**

The following message with the Governor's objection to **H Sub HB 2344**, AN ACT concerning the department of health and environment; relating to licensure of child care facilities; day care homes and child care centers; establishing license capacity and staff-to-child ratios; lowering license fees and training requirements; creating a process for day care facility licensees to apply for a temporary waiver of certain statutory requirements; authorizing the secretary to develop and operate pilot programs to increase child care facility availability and capacity; amending K.S.A. 65-503, 65-505 and 65-508 and K.S.A. 2022 Supp. 48-3406 and repealing the existing sections. was received and read.
REGARDING HOUSE BILL SUB 2344

As I said in my State of the State address, my North Star as Governor is to make Kansas the best place to raise a family. Key to that is ensuring parents have access to safe, affordable, quality childcare.

This bill would reverse the progress we've made toward that goal, loosening safety requirements for childcare centers, and preventing the state from being responsive to individual communities' needs.

While I agree it's time to review our childcare policies, we must do it together- and in a way that improves, not harms, our state's ability to help families and keep kids safe.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2344.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to S Sub for HB 2138, AN ACT concerning education; relating to school districts; requiring separate overnight accommodations for students of each biological sex during school district sponsored travel; requiring contracts for exclusive broadcasts of state high school activities association activities to permit certain local broadcasts; providing for administrative review of resolutions to permanently close a school building; amending K.S.A. 72-1431 and repealing the existing section. was received and read.

REGARDING VETO OF SENATE BILL 26, SENATE BILL 180, SENATE BILL 228, AND S SUB FOR HOUSE BILL 2138

Companies have made it clear that they are not interested in doing business with states that discriminate against workers and their families. By stripping away rights from Kansans and opening the state up to expensive and unnecessary lawsuits, these bills would hurt our ability to continue breaking economic records and landing new business deals.

I'm focused on the economy. Anyone care to join me?

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 26, Senate Bill 180, Senate Bill 228, and S. Sub. For House Bill 2138.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to HB 2184, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2023, June 30, 2024, June 30, 2025, June 30, 2026, June 30, 2027, and June 30, 2028, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; authorizing and directing payment of
certain claims against the state; amending K.S.A. 2-223, 12-1775a and 12-5256 and K.S.A. 2022 Supp. 65-180, 74-50,107, 74-8711, 74-99b34, 75-2263, 75-6707, 76-775, 76-7,107, 79-2959, 79-2964, 79-3425i, 79-34,171 and 79-4804 and repealing the existing sections., was received and read.

REGARDING HOUSE BILL 2184

I appreciate the Legislature and the respective budget committees for their work over the first part of session to ensure that many essential services are funded. This budget also includes several measures that reflect a shared goal of continuing our recent success in passing balanced budgets and avoiding structural imbalance. Among the major items in this budget, we agree that it’s important to fully fund the state water plan, invest in our rainy day fund, set aside funds to pay off debt, and continue investing in infrastructure and public safety.

One of the most important parts of the state budget and the most significant portion of the budget is constitutional school funding and full funding for special education. Failing to fully fund our public schools leaves parents and students throughout the state unsure of whether they will be able to count on the Legislature to continue its recent success of avoiding expensive and unnecessary litigation. We have worked together for several years to ensure that we do not end up back in court, and I encourage the Legislature to continue to maintain constitutional school funding so that we can empower educators to continue to rebuild our education system back to one of the best in the country after a decade of inadequate funding.

While this budget includes many items that set aside funding for specific groups of Kansans who need essential health and human services, it fails to expand Medicaid. With now 40 states expanding Medicaid, Kansans will continue to pay for the healthcare of low-income citizens of other states while refusing that same basic coverage to citizens of our state. This refusal will continue to put a burden on our hospitals and other health providers, and as a result, it will continue to hurt main street businesses and rural and economically distressed communities throughout the state.

I do appreciate that for the most part, this budget maintains our commitment to keep the Bank of KDOT closed. As we continue to make progress on this front, we should do everything possible to work with local communities to draw down the maximum level of federal funding available. By doing so, it will ultimately relieve the costs on locals who would otherwise be forced to pay for these improvements entirely through local tax dollars, which are largely funded by property taxes.

In order to successfully complete many of the projects and activities that are funded in this budget, the Legislature should follow up with adequate funding for pay increases for state employees so that we can continue to work on filling vacancies that in some agencies make it difficult to deliver needed services. In addition to providing social services, consider that without being able to hire adequate state employees, vacancies lead to delays and increased costs for businesses and individuals seeking licenses and permits, grants, and improved infrastructure to deliver products and services.
I look forward to working with the Legislature to make sure these issues are considered when they return. Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Bill 2184 with my signature approving the bill, except for the items enumerated below.

**Behavioral Sciences Regulatory Board Proviso**

Sec. 15(b) has been vetoed in its entirety.

Mental health professionals and social workers provide critical care to communities across the state. We should be focused on strengthening our workforce and preparing them to serve Kansans from all backgrounds. This funding restriction limits the ability for these professionals to be trained in potentially lifesaving practices that address the individualized needs of every Kansan.

**Board of Pharmacy Proviso**

Sec. 25(b) and Sec. 26(d) have been vetoed in their entirety.

Legislators should address rules and regulations that they disagree with by passing legislation through the regular process. The funding restrictions outlined in Sec. 25(b) and Sec. 26(d) attempt to invalidate rules and regulations that have been promulgated by the State Board of Pharmacy. If the Legislature would like to delay the implementation of these rules and regulations, it can pass legislation through the regular process, allowing the regulated community, patients, and health care providers have an opportunity to weigh in on the necessity of revising these rules and regulations.

**Governmental Ethics Commission—Already Accomplished in Senate Bill 208**

Sec. 31(c) has been vetoed in its entirety.

I understand and support the action to redirect civil penalties collected by the Governmental Ethics Commission to the State General Fund. The language to accomplish this is found in SB 208 which was passed by the Legislature, and which I signed into law on April 14, 2023.

**Attorney General—Master Tobacco Settlement Funds**

Sec. 39(e) has been vetoed in its entirety.

Since its inception, funding from the Kansas Endowment for Youth has been intended to support programs and services for children between the ages of birth to five years. K.S.A 38-2101 and K.S.A 38-2102 directs funds intended to support programmatic efforts be transferred into the Children’s Initiative Fund. I continue to be committed to supporting youth suicide prevention efforts and enhancing funding for mental health services. The funding in this line item should be used for compliance with the tobacco master settlement agreement, as it has been since 1999.

**State Treasurer—Build Kansas Matching Grant Fund Provisos**

The portion of 42(b) that reads as follows has been line-item vetoed:
Provided, That during the fiscal year ending June 30, 2024, no expenditures shall be made from or obligation incurred against the build Kansas matching grant fund without approval from the joint committee on build Kansas subject to the provisions of these provisos: Provided further, That there is hereby established a joint committee on build Kansas within the legislative branch: And provided further, That such joint committee shall be composed of five members of the senate and five members of the house of representatives: And provided further, That all senate members shall be appointed by the president of the senate: And provided further, That all representative members shall be appointed by the speaker of the house of representatives: And provided further, That the two major political parties shall have proportional representation on such committee: And provided further, That the chairperson of such committee shall be a senate member appointed by the president and the vice chairperson shall be representative member appointed by the speaker of the house of representatives: And provided further, That any state agency named in this act that is knowledgeable concerning potential infrastructure projects that may be funded by the infrastructure investment and jobs act, public law 117-58, shall inform and educate local communities of the funding opportunities available in such act: And provided further, That such state agencies shall provide assistance as necessary to interested local communities: And provided further, That such state agencies shall form a steering committee to meet regularly in order to coordinate efforts and develop a process to ensure local communities are informed and connected with the coordinating state agency: And provided further, That the steering committee, following review and approval by the joint committee on build Kansas, shall establish a means test to determine whether the local community is an eligible entity pursuant to the infrastructure investment and jobs act and has demonstrated a need for such grant: And provided further, That a grant funding application, requesting matching funds for the purposes of the infrastructure investment and jobs act, shall be approved by the coordinating state agency, in consultation with the steering committee, prior to submission to the joint committee on build Kansas: And provided further, That as soon as practicable, the joint committee on build Kansas shall meet and review each request and, if approved by such committee, shall report such committee's recommendation and approval to the state treasurer, the eligible entity submitting the grant application and the coordinating state agency that is providing assistance to the eligible entity in the local community: And provided further, That such approval shall be taken by a majority of all members of the joint committee on build Kansas: Provided however, That other than operating expenditures, no expenditures shall be made from the build Kansas matching grant fund without written documentation to the state treasurer that such grant funding application has been approved by the federal government pursuant to the infrastructure investment and jobs act: And provided further, That, upon approval by the joint committee on build Kansas and notification of federal approval, the above agency shall expend matching grant funds to the eligible entity that has been awarded such grant subject to the provisions of the grant: And provided, however, That within 10 calendar days from such approval by
the joint committee on build Kansas the state finance council may approve a resolution rejecting such approval and stop the expenditure of such matching grant funds to the eligible entity: And provided further, That the state finance council is hereby authorized to stop such expenditures: And provided further, That the state finance council action on this matter is hereby characterized as a matter of legislative delegation and subject to the guidelines prescribed in K.S.A. 75-3711(c), and amendments thereto, except that such approval also may be given while the legislature is in session: And provided further, That such matching grant funds shall be used by eligible entities to support projects funded by the infrastructure investment and jobs act: And provided further, That such projects shall include, but not be limited to, water, transportation, energy, cyber security and broadband infrastructure: And provided however, That if during fiscal year 2024, the joint committee on build Kansas determines that the unencumbered balance in the build Kansas matching grant fund is insufficient to pay an amount that is necessary to finance grant applications approved by such committee pursuant to this proviso, such committee may request approval from the state finance council to transfer an amount equal to the insufficient amount from the state general fund to the build Kansas matching grant fund: And provided however, That no such transfer shall be made from the state general fund to the build Kansas matching grant fund without approval from the state finance council acting on this matter, which is hereby characterized as a matter of legislative delegation and subject to the guidelines prescribed in K.S.A. 75-3711(c), and amendments thereto, except that such approval also may be given while the legislature is in session: And provided further, That the state finance council is hereby authorized to approve such transfers: And provided further, That if approved, the director of accounts and reports shall make such transfer: And provided however, That the total of all amounts transferred from the state general fund to the build Kansas matching grant fund pursuant to this proviso shall not exceed $215,000,000: And provided further, That approved grant applications shall be distributed geographically based on the department of commerce's Kansas economic development districts and for the purposes of this proviso, the Mo-Kan district shall be combined with those counties that are not associated with any Kansas economic development district: And provided further, That the joint committee on build Kansas may meet and approve any such request while the legislature is in session and in person or through the use of telephone or any other medium for interactive communication.

Sec. 42(d), Sec. 43(b) and (c), Sec. 44(b) and (c), Sec. 45(b) and (c), and Sec. 46(b) and (c) have been line-item vetoed in their entirety.
delayed and bureaucratic that few communities will succeed. This is especially true for those smaller and rural communities who in many cases do not have any technical staff or lobbyists in Topeka to help them navigate the process as outlined in this bill.

I encourage the Legislature to work with me and those who have participated in the existing Infrastructure Hub during Omnibus to develop a process that will facilitate the most return on investment for the local communities that this program was designed to assist.

Making the Office of the Kansas State Treasurer a Pregnancy Crisis Center Pass-Through Entity

The portion of Sec. 42(a) that reads as follows has been line-item vetoed:

Alternatives to abortion program............................................$2,000,000

Provided, That expenditures shall be made from the alternatives to abortion program account to establish a statewide program to enhance and increase resources that promote childbirth instead of abortion to women facing unplanned pregnancies and to offer a full range of services, including pregnancy support centers, adoption assistance and maternity homes: Provided further, That the program shall include only the following services: Counseling and mentoring; care coordination for prenatal services, including connecting clients to health programs; providing educational materials and information about pregnancy and parenting; referrals to county and social service programs, including child care, transportation, housing and state and federal benefit programs; classes on life skills, budgeting, parenting, stress management, job training, job placement and obtaining a GED certificate; providing material items including, but not limited to, car seats, cribs, maternity clothes, infant diapers and formula; and support groups in maternity homes: And provided further, That program services shall be made available to any Kansas resident who is a pregnant woman, the biological father of an unborn child, the biological or adoptive parent or legal guardian of a child 24 months of age or younger, a program participant who has experienced the loss of a child or a parent or legal guardian of a pregnant child who is a program participant: And provided further, That the provision and delivery of services under the program shall be dependent on participant needs as assessed by the nonprofit organization providing the services and not otherwise prioritized by any state agency: And provided further, That program services shall be available to participants only during pregnancy and continuing for up to 24 months after birth of the child: And provided further, That the state treasurer shall contract with one nonprofit organization to provide services under the alternatives to abortion program, and such nonprofit organization shall subcontract with existing pregnancy centers, adoption agencies, maternity homes and social service organizations to provide program services to promote childbirth instead of abortion: And provided further, That such contract shall be for a term not longer than one year: And provided further, That the selected contractor and any subcontractors may provide services in addition to the enumerated program services, but such services shall not be funded through the alternatives to abortion program: And provided further, That the state treasurer shall include as a condition of the contract with the nonprofit organization selected to provide program services: (1) The assessment of an
I do not think that overseeing a state pregnancy crisis center and maternity home program is what the creators of the Office of the State Treasurer intended when that office was established, nor do I think that any State Treasurer in Kansas history would have thought this to be a part of the role of the State Treasurer. This proviso creates a sole source contract for an unknown entity to provide taxpayer funding for largely unregulated pregnancy resource centers. This is not an evidence-based approach or even an effective method for preventing unplanned pregnancies.
Kansas Department of Revenue—Business Closure Rebates

Sec. 72(b) has been vetoed in its entirety, and the portion of Sec. 73(b) that reads as follows has been line-item vetoed:

American rescue plan - state relief (565-00-3756-3536)..........................$0

I am vetoing the provisions of the legislation that impose a $0 expenditure limitation on the use of federal funds intended for the COVID business closure rebates. While I understand the desire to ensure that these funds are used effectively and efficiently, this limitation does not accomplish the intended goal of transferring these federal funds out of the COVID business closure rebates, and the $0 expenditure limitation effectively prevents the use of these funds for the license plate replacement fund, which was an objective of the legislation.

Kansas Department of Aging and Disability Services—Federal Funding Proviso

The portion of Sec. 89(b) that reads as follows has been line-item vetoed:

Provided, That expenditures shall be made by the above agency for fiscal year 2024 from the American rescue plan state relief fund to expand the PACE program to additional Kansas counties in an amount not to exceed $2,500,000.

The PACE program is a vital program for seniors in Kansas and I support expanding access to the program. However, I do not believe one-time federal funding should be used for a project that will create ongoing costs. This project should be covered through existing state resources. I will work with advocates to ensure any expansion of the PACE program is financially sustainable long-term.

Kansas Department for Children and Families—Sole Source Contract

Sec. 90(b) has been line-item vetoed in its entirety, and the portion of Sec. 91(a) that reads as follows has been line-item vetoed:

Foster care licensing and placement software.........................$2,500,000

Provided, That during the fiscal year ending June 30, 2024, the above agency shall make expenditures from the above account for the sole purpose of continuing the agency’s request for proposal process for a subscription to a software-as-a-service product to automate the licensing of foster families and the placement of foster children in approved homes and to commence and fund such subscription on or before December 31, 2023.

Having a transparent, competitive bidding process is key to ensuring our state remain a good steward of public dollars. This appropriation fails to do that and creates a sole source contract.

Kansas Board of Regents—Transportation Research Fund

The portion of Sec. 115(b) that reads as follows has been line-item vetoed:

Provided, That expenditures shall be made by the above agency from the transportation
research fund to make distributions to Kansas state university, the university of Kansas and Wichita state university for transportation research projects at such institutions.

Sec. 115(i) has been line-item vetoed in its entirety.

The Legislature should fund these research efforts through a different manner, rather than by returning to the practice of diverting state highway funding. My administration is willing to work with those who would like to ensure that innovative transportation research is supported in our higher education institutions, but not by reopening the Bank of KDOT.

Kansas Board of Regents—Comprehensive Grant

The portion of Sec. 115(a) that reads as follows has been line-item vetoed:

Provided, however, That all expenditures from such account shall be made to provide that all moneys shall be distributed in the same proportionate amount as such moneys were distributed in fiscal year 2022.

The portion of Sec. 116(a) that reads as follows has been line-item vetoed:

Provided, however, That all expenditures from such account shall be made to provide that all moneys shall be distributed in the same proportionate amount as such moneys were distributed in fiscal year 2022.

Increasing college affordability and limiting costs to students and families has been a high priority for my administration. To create the most skilled workforce, we need to support students who attend our higher education institutions through enhanced need-based financial aid. The appropriations in Sections 115 and 116 would cut funding for students who have already been awarded scholarships under the Comprehensive Grant program. This will take away scholarships already promised to students who have demonstrated a financial need and instead provide 50% of the allocated funds to only 6% of Kansas students.

Kansas Board of Regents—Diversity, Equity, and Inclusion Proviso

Sec. 115(h) has been vetoed in its entirety.

The hallmark of our higher education system is its commitment to facilitating open dialogue that allows students to learn, grow, and challenge their thinking. Supporting students from all backgrounds, regardless of socio-economic status or geographic location, is vital to creating a well-trained workforce and growing the Kansas economy. The funding restriction in Section 115(h) limits our universities’ efforts to find a skilled workforce that prepares our students for an ever-changing economy, and it limits their ability to support students from all backgrounds throughout their higher education experience. This restriction also threatens our universities’ ability to secure federal funding and competitive grants that fund innovative research, grow our workforce, and bring economic prosperity to Kansas.

Kansas Department of Corrections—Pathways to Purpose Pilot Program

The portion of Sec. 118(a) that reads as follows have been line-item vetoed:
Pathways to purpose pilot program.................................$1,400,000

Provided, That expenditures shall be made by the above agency from the pathways to purpose pilot program account during fiscal year 2024 to implement a pilot program on or before October 1, 2023, to gauge the effectiveness of prescription digital therapeutics authorized by the federal food and drug administration for the treatment of substance use disorder and opioid use disorder on incarcerated adult offenders in the custody of the secretary of corrections: Provided further, That for the purposes of such program, the above agency shall determine the following: (1) Number of sites at which the pilot program will be conducted including regions that are geographically diverse; (2) eligibility requirements for pilot program participants; and (3) specific types of prescription digital therapeutics that will be prescribed and evaluated under the pilot program as authorized by the federal food and drug administration for the treatment of substance use disorder and opioid use disorder: And provided further, That as used in this subsection, "prescription digital therapeutics authorized by the federal food and drug administration" or "prescription digital therapeutics" means a product, device, internet application or other technology that is intended to prevent, manage or treat a medical disease, condition or disorder, is approved, cleared or classified by the food and drug administration under 21 U.S.C. 360(k), 21 U.S.C. 360c(f) or 21 U.S.C. 360e for such intended use, utilizes both cognitive behavior therapy and contingency management to treat substance use disorder and opioid use disorder, and requires a prescription under 21 C.F.R. § 801.109

I have worked with the Legislature to support substance use treatment programs in our correctional facilities and have done so through funding that has been approved in a bipartisan, transparent process. An open, competitive bidding process is key to ensuring that our state contracts provide the most value to Kansas taxpayers. This appropriation fails to do that by creating strict requirements that would likely favor a single vendor.

Kansas Department of Wildlife and Parks—Lifetime Hunting and Fishing License

Sec. 138(f) has been line-item vetoed in its entirety.

Last year, I signed bipartisan House Bill 2456, which created a lifetime hunting and fishing license for youth between the ages of birth to 7 years. This legislation included pro-rated fees based on estimates for how much the agency would need to offset the corresponding loss of license revenue over the course of the child's life. If the Legislature would like to pass this type of funding allowance, it should work with the Department of Wildlife and Parks to ensure that a measure that seeks to increase healthy outdoor activities—like hunting and fishing—does not at the same time undermine the long-term financial viability of the agency responsible for encouraging and facilitating outdoor activities.

Federal Grant Funding Database

Sec. 143 has been line-item vetoed in its entirety.

Regarding discretionary grant awards, much of this information is already available. This also could have a detrimental effect on encouraging new and smaller communities
from applying and lead to cybersecurity risks. Initial applicants often have missing or insufficient information, yet they may be approved in future years after working with staff to improve their proposal. If applicants know that their unsuccessful attempts will be shared, it will discourage many from applying. This language is also ambiguous and could risk requiring the creation of a massive bureaucracy to track all state and federal funds that are awarded prior to a final award. I would encourage the Legislature to work with my administration to determine if there is additional information needed and how to provide that in a way that would not grow government unnecessarily.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to HB 2350, AN ACT concerning crimes, punishment and criminal procedure; relating to crimes against persons; creating the crimes of human smuggling and aggravated human smuggling; providing criminal penalties therefor. was received and read.

REGARDING HOUSE BILL 2350

House Bill 2350 is the product of a rushed process. I agree immigration issues need to be addressed, but this bill will have unintended consequences, from decimating our agriculture workforce to allowing the state to encroach into Kansans' personal lives.

You just have to look at basic examples: If a good Samaritan gives his or her fellow Kansan a ride to work and receives gas money in exchange - or if a paramedic, while on duty, transports someone to the emergency room - they could be subject to level-five felonies. That overcriminalization is unnecessary and shows that lawmakers haven't considered the full impact of this bill.

Kansans deserve considered, comprehensive legislation when it comes to immigration - not bills with sweeping language that would hurt law-abiding Kansas citizens and open
the state up to expensive lawsuits.
Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2350.

REGARDING HOUSE BILL 2094

Leaders from both parties should be looking for ways to help people afford the basics, not burdening our hardworking Kansans who are just trying to get by.
With inflation causing the prices of goods and services to skyrocket, Kansans need relief, not further barriers.
Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2094.

The following message with the Governor's objection to HB 2236, AN ACT concerning education; relating to school districts; establishing parents' right to direct the education and upbringing of their children including the right to object to educational materials and activities that are not included in approved curriculum or standards or impair a parent's beliefs, values or principles. was received and read.

REGARDING HOUSE BILL 2236

Parents and teachers across Kansas want the same thing - for our kids to get the best education possible.
This bill distracts from that goal, inserting partisan politics into the classroom at the expense of our students, parents, and teachers.
The best thing we can do for our students is work together to continue fully funding public education and ensure they have the resources and support to succeed. We can't do that if we are forced to spend millions of dollars on expensive lawsuits.
Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2236.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to HB 2325, AN ACT concerning insurance; relating to the healthcare provider insurance availability act; adding maternity center to the definition of "healthcare provider" contained therein; designating certain healthcare providers as being ineligible to purchase professional liability insurance from the healthcare stabilization fund; requiring such healthcare providers to maintain continuous professional liability coverage equivalent to that provided by the healthcare stabilization fund as a condition of licensure; amending K.S.A. 40-3401 and 40-3403a and repealing the existing sections. was received and read.

REGARDING HOUSE BILL 2325

In August, Kansans voted against politicians in Topeka placing extreme restrictions on a woman's freedom to make her own personal healthcare decisions. This bill goes against the will of the voters by depriving women of access to their constitutional right. It is also misleading. The truth is, no taxpayer dollars go to the Health Care Stabilization Fund. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2325.

COMMITTEE ASSIGNMENT CHANGE

On motion of Rep. Croft, the House adjourned until 9:00 a.m., Wednesday, April 26, 2023.
The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 124 members present.

Rep. Winn was excused on excused absence by the Speaker.

Prayer by guest chaplain, Pastor Everett Schultz, First Mennonite Church, Pretty Prairie and guest of Rep. Seiwert.

Our Father in Heaven,

We come before Thee this morning thanking you for the many blessings you have bestowed upon our great nation and upon this great state of Kansas. I want to thank you that this great state still opens each session of this House with prayer. Your Word tells us that where two or three are gathered together in Your name, there You are in the midst of them. So, I thank You that You are with us in this House right now.

I come before You today to ask for Your wisdom and guidance to be given to these people in this great hall. There are so many issues that must be addressed and probably at times these people feel that the problems are too big and too complex to be resolved. The decisions they make will affect our children and grandchildren. And yet, I know that You can provide the wisdom and guidance to solve the needs of this state and provide a better state for years to come. I pray that they will be able to make decisions that meet the needs of this great state not only for us today, but also for our children and grandchildren.

And so, Father, please bestow Your wisdom upon these people. Give them encouragement. Give them guidance. Help them to be able to discern the right decisions. Keep them from buckling to the pressures that are around them. Help them to represent the people who elected them, and to look out for the people’s interests, when there may be times when it is difficult to stay the course.

During the final days of this year’s session; I ask for Your encouragement, Your wisdom, and Your guidance to direct the decisions that are made. May their decisions be according to Your will. I ask it in Thy name. Amen.

The Pledge of Allegiance was led by Rep. Seiwert.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Moser are spread upon the Journal:

Axtell, Kansas. Population 399 as of the 2020 Census. Nestled in the northeast corner of Marshall County near the Nebraska border, this rural area is home to the Axtell Eagles. Three young farmers are Rule 10 coaches, and another assistant coach is still in college, but grew up a farm kid. Of the eighteen players on the team, ten are farm boys, and the other eight call the community of Axtell home. These rural kids enjoy GPAs from 2.7 to 4.0, with 25% of the team having perfect 4.0’s. Seniors average 3.9, Juniors average 3.5, Sophomores average 3.7 and Freshmen average 3.5. 75% of the team has a 3.5 or higher GPA. In the words of high school principal of Axtell Public Schools, Gay Frazee, “This is a pretty smart team!”

In addition to keeping up their grades, they have been smart about time management, developing as healthy individuals and accomplished athletes to achieve what they have in the past two years. In the summertime prior to the start of their farm workday, many were found four mornings a week in the school weight room pumping iron and doing agilities. Come August, once the school day would end and before they headed home for chores, football practice took front and center stage. Commitment, hard work, and trust in each others’ abilities as team members makes this group of young men what they are: State Champions in 8-Man, Division II Football for the 2021 and 2022 seasons.

In May of 2022, I celebrated their 2021 achievement at the Axtell School’s spring banquet. I challenged them to repeat their performance so I could invite them to the House chamber to share their accomplishment with all my colleagues. And here they are.

Team Members:

Managers:
Riley Hasenkamp, Wyatt Detweiler, Clayton Heinen and Logan Sandmann, and Kelton Kuckelman.

Coaches:
Head coach Eric Detweiler; assistant coaches Dale Buessing, Craig Wiebe and Quinn Buessing, who currently attends Washburn University.

One interesting sidenote: The Kansas Sports Hall of Fame confirmed in late January 2023 that Axtell senior quarterback Isaac Detweiler broke an eight-man career mark. Detweiler completed 69.55 percent of his passes during his three-year Eagle career. The previous record was 64.4 percent set in 2019 by none other than assistant coach Quinn Buessing of Axtell. I am sure Isaac would be the first to tell you that record happened because of the committed, hard-working, trusted teammates that surrounded him on the field who aided him in letting his talent shine.
Please join me in congratulating this fine group of young men who are learning important life skills under the instruction of three great farmers who also happen to be great coaches.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Chuck Smith are spread upon the Journal:

Rep. Chuck Smith introduced his guest Mr. Patrick Forbes, a respected teacher, coach, administrator and friend.

Mr. Forbes had a 42-year teaching career. He also coached boys and girls track, golf, basketball, football and softball. In addition, he was a grade school principal as well as 7th -12th grade principal at St. Mary's Colgan, in Pittsburg.

Mr. Fowler was joined on the floor by his daughter and son-in-law, Julie and Doug Story, and his son, P.J. Forbes.

Rep. Smith was joined at the well by Rep Eplee. They introduced Mrs. Kathy Hines, an educator, coach, sponsor and friend.

Mrs. Hines was a 52-year educator in Atchison. She also was coach of volleyball, track, basketball and a cheerleader sponsor. Her team won the State championship in volleyball in 1973.

Mrs. Hines was joined on the House floor by USD 409 Superintendent, Renee Nugent and Coach Jim Smith.

Rep. Chuck Smith presented both of his honorees with framed House certificates in recognition of their achievements.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Seiwert are spread upon the Journal:

Rep. Seiwert recognized his guest, Chaplain Everett Schultz, for his dedicated service to the Kansas House of Representatives. He presented him with a framed House certificate in honor of his sixteen sessions serving as a guest chaplain.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Rahjes are spread upon the Journal:

Mr. Speaker, I rise to honor a fellow Kansan for a lifetime of service and being recognized in her industry as a trailblazer by just doing her job. Kathy Patton Strunk raised on a Brown County farm, she began her career as an educator but through one of her many volunteer opportunities she was offered an opportunity to change careers and over 18 years she was a familiar voice and face on radio and television on WIBW in Topeka.

She also became the farm director for the Kansas Agriculture Network. Kathy reported from trade missions in Taiwan, Mexico, Germany, Southeast Asia, South America...even Bloomingdales in New York. In fact, the highlight of her career was traveling to Vietnam in 1994 where she says they hadn’t seen a blonde before and hadn’t seen an American since the end of the war.
Later that year, was one of those trailblazing moments when she was the first female to be named Farm Broadcaster of the Year by the National Association of Farm Broadcasting. In typical Kathy style, she was on the air when the award was presented and learned about it over the phone. While she was happy, there were still markets to report on, so she went about “just doing her job.” Last fall she was honored by NAFB as a member of their Hall of Fame and is enshrined as one of the best in telling the story of agriculture.

She always contributed back to agriculture and her community by being a founding member of the Kansas Agriculture and Rural Leadership Board and Silver Lake Education Foundation along with assisting in the first Beefest in Emporia. There are numerous other boards and events she had participated in just something that any trailblazer does.

Today is a special day for Kansas agriculture, a salute to one of the great storytellers in our history. Oh, by the way, when Kathy stepped away from broadcasting a farm kid from western Kansas was given a chance to continue telling that story, every day. Yes, it was me that followed her at WIBW.

After her time in broadcasting, she turned to service in the Kansas House of Representatives where she was Communications Director for Speaker Robin Jennison and Chief of Staff for Majority Leader Shari Weber. She also served fellow farmers as a member of the United Soybean Board.

Joining Kathy today is her husband Mike Strunk, as they continue in agriculture as they operate Strunk Harvesting near Silver Lake. Her former colleagues: current Farm Director at WIBW radio and Kansas Ag Network, Greg Akagi; former farm broadcaster, Gary Hinck; former assistant Shirley Jepson.

As you can see, much like her career, it as a team effort to celebrate as Kathy wanted these friends to be with her on the special recognition.

Today we salute Kathy Patton Strunk as a trailblazing Hall of Fame Farm Broadcaster and great Kansas citizen.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Mason, HR 6021, A RESOLUTION recognizing the 125th Anniversary of the 1898 Smoky Valley Roller Mills in Lindsborg, Kansas, was adopted.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Mason are spread upon the Journal:

Having spent the majority of my professional life in the milling and related industries, it's with considerable honor that I present House Resolution 6021 to this chamber today.

While 125 years is a monumental amount of time for a building to stand in one location, the Smoky Valley Roller Mills, of Lindsborg, Kansas, is in fact the third mill structure built on the site. The first iteration of the mill was a water-powered structure built in 1872 by Charlie Johnson. It stood for less than 10 years before flooding in 1881. After being rebuilt in 1882 and then expanded in 1886, the mill flooded again in 1891... and then burned down in 1897. Six months later, master of the mill Theodore Teichgraeber rebuilt the mill that still stands on the site today.

Before ceasing operations in 1955, the mill processed wheat, corn and rye, and also produced some grain-based baking mixes. After its closure, the mill sat unused for almost half a decade, nearly becoming derelict before steps toward restoration were made by the next series of owners, including McPherson County. In 2021 the county handed over ownership to the newly established Lindsborg Old Mill & Swedish Heritage Museum.

This is the oldest roller mill still standing in Kansas and the only one with all of its original equipment still in place. It has been not only preserved, but fully restored to operating condition and is capable of producing flour at any time. It represents the transition to modern milling in Kansas and the United States, that transition being the change from grinding with stone to grinding with corrugated steel rolls. Mills in Kansas have played a large role in securing Kansas' place as a leading producer of flour as well as wheat. Millers in central Kansas were among the earliest to endorse hard red winter wheat flour.

This mill reflects the craftsmanship and technologies of the late 19th century that continued into the 20th century. The steps for producing flour have not changed. Today's mills simply use an updated version of the machines in the Smoky Valley Roller Mill. At the time this mill was built, almost 500 mills were in operation across the state. Now there are about a dozen. Few historic mills have survived. The Smoky Valley Roller Mill is a rare exception.

The mill has a strong impact on tourism in the McPherson County area. Between 10 and 15 thousand visitors each year visit the site to see the historic mill and learn more about the agricultural heritage of the state and region. A large part of our Kansas heritage revolves around farmers working to produce quality wheat and millers working to produce quality flour. The Smoky Valley Roller Mill illustrates a very important part of that story.

With me today, are two representatives from the Lindsborg Old Mill & Swedish Heritage Museum; Marketing and Communications Director Adam Pracht, and Board President Kirsten Bruce.

This year's MillFest is May 6th, and I would personally extend an invitation to you and your families to visit this historic mill and to visit Lindsborg and McPherson County. You can learn more about the event at www.oldmillmuseum.org.

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Wasinger.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Wasinger are spread upon the Journal:

Many of us come into the Capitol and see the larger than life limestone sculptures in the Capitol Rotunda of US President Eisenhower, aviation pioneer Amelia Earhart, Topeka journalist and former U.S. Senator Arthur Capper and Emporia journalist William Allen White. Today you will learn about Hays Artist Pete Felten, who crafted these statues over a 3-year period and whose work has no plaque or mention of his part in this art.

Pete Felten celebrated his 90th birthday this month. Today, I have a resolution to honor his legendary and iconic life-long body of work and tell you that with the help of Melissa Dixon, Director of the Hays Convention and Visitors Bureau and the City of Hays, we will make sure all visitors will know the name of Pete Felten and his work in the Capitol will be clear. Before the end of 2023 there will be brass plaques on each of the statues to attribute them to Pete Felten. Hays is immensely proud of her son and today marks our commitment to acknowledge him by the State of Kansas.

EXPLANATION OF VOTE

MR. SPEAKER – Kansas needs the commitment to diversity of thought and teaching
provided by Section 115(h) of HB 2184.

All of our regents universities are now using DEI statements as a prerequisite to
hiring faculty. Requiring any free-thinking professor to pass a politically charged
litmus test is an affront to common sense. Already the phony “diversity, equity and
inclusion” standard is used to keep conservative or classic liberal professorial
candidates from being hired. Diversity means conformity, equity trumps equality, and
inclusion becomes exclusion and marginalization. I say Hell No to all that by voting
Yes to override the Governor. – PAUL WAGGONER

EXPLANATION OF VOTE

Mr. Speaker – I vote Yes to override the Governor’s misguided veto of SB 180. The Women’s Bill of Rights is simple and straightforward. It says that for state purposes
biological sex is normative and will be respected. Such clear messaging is welcome in an era where some claim they can change their sex by a simple act of the will. We can respect any person’s private sense of reality but for public spaces the common good must prevail. **SB 180** represents the common good. – **PAUL WAGGONER, SCOTT HILL, CLARKE SANDERS, BILL RHILEY, RANDY GARBER, BRET FAIRCHILD**

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Johnson and Underhill are spread upon the Journal:

Rep. Tim Johnson: Today I bring before the body of the House, Casandra Beattie, a former student athlete at Basehor-Linwood who I had the pleasure to coach in the sport of Women’s Powerlifting for four years. From a petite, quiet, shy young freshman, I watched Cassy develop into the state’s strongest woman’s high school powerlifter and win championship after championship and set and break record after record in various weight classes. Her power index was absolutely incredible. Her academics were equally impressive and she would deliver our graduation speech as the top student in the class her senior year. While her father Col. Mark Beattie (Army Special Forces retired) is unable to be here this day, I am sure that he would agree with me that this young lady is an amazing person.

Now I would ask one of Kansas’ leading competitors in strong man competition to pickup the second part of the story, Rep. Jeff Underhill.

Rep. Underhill: Picking up where she left off in high school, Cassy accepted scholarships to Kansas State University and continued her winning way in powerlifting competition at the collegiate level. Again, championships and records. Accepting a major in kinesiology, she completed a masters and now is finishing her PhD at K-State. Beattie was one of only 15 students nationwide awarded a major scholarship by the Phi Kappa Phi Dissertation Fellowship Committee.

What is becoming the icing on the cake is the nature of her dissertation, which is researching and designing strength and conditioning through a plan for inclusivity for women in athletics and for rehabilitation of special need athletes including disabled veterans. Her work in the Kansas City area is already paying off big dividends in this area without the final publication of her work. She has become one of top experts in her field.
