§ 6. This section was eliminated by the 1974 revision of this article.

§ 7. This section was eliminated by the 1974 revision of this article.

§ 8. Organization and sessions.—The legislature shall meet in regular session annually commencing on the second Monday in January, and all sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over the house of representatives. A majority of the members than elected (or appointed) and qualified of the house of representatives or the senate shall constitute a quorum of that house. Neither house, without the consent of the other, shall adjourn for more than two days, Sundays excepted.

JOINT RULES OF THE SENATE AND HOUSE OF REPRESENTATIVES
2023-2024

Joint Rule 1. Joint rules; application and date of expiration; adoption, amendment, suspension and revocation.

(a) Joint rules; expiration, adoption, amendment, suspension and revocation; vote required. Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) Amendment, suspension or revocation of joint rules; previous notice; vote required. After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of 2/3 of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president; and (2) either: (a) A copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence; or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day. (xli)
Joint Rule 2. Joint sessions.

(a) Joint session called by concurrent resolution; vote required; time, place and subject matter. A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) Presiding officer at joint sessions; record of joint session; rules applicable. The speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) Votes in joint session; taking; requirements. All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

(a) Action by house of origin of bill or concurrent resolution amended by other house. When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur: The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to
concur in amendments to such bill or concurrent resolution by the other house
shall be considered action on the final passage of the bill or concurrent
resolution and the affirmative and negative votes thereon shall be entered in
the journal. If the motion to concur is upon amendments to a bill or concurrent
resolution for which a conference committee has been appointed
and action has not been taken upon the report of such committee by the other
house and such motion fails, the bill or concurrent resolution shall not be
deemed to have been killed thereby and the motion to concur may be renewed
but not on the same legislative day. If the motion to concur is upon
amendments to a bill or concurrent resolution for which a conference
committee has not been appointed and such motion fails, the bill or
concurrent resolution shall be deemed to be killed.

(c) Motion to nonconcur; when considered final action; effect of
adoption of motion. A vote in the house of origin of any bill or concurrent
resolution on a motion to nonconcur or to refuse to concur in amendments to
such bill or concurrent resolution by the other house which is not coupled
with a request for the appointment of a conference committee shall be
considered action on final passage of the bill or concurrent resolution and the
affirmative and negative votes thereon shall be entered in the journal, and the
bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of origin refusal to concur or nonconcur; request for
conference; procedure. When a bill or concurrent resolution is returned
by either house to the house of origin with amendments, and the house of origin
refuses to concur or to nonconcur therein, a conference may be requested by a
majority vote of the members present and voting. Such request shall be
transmitted to the other house by message which shall include the names of
the conferees on the part of the requesting house. Upon receipt of any such
message, the receiving house may, in like manner, approve such conference,
and shall thereupon notify the requesting house by message stating the names
of its conferees.

(e) Membership; appointment; chairperson; house of origin of substitute
or materially changed bill or concurrent resolution; meetings of conference
committee. Each conference committee shall consist of three members of the
senate and three members of the house of representatives, unless otherwise
fixed by agreement of the president of the senate and speaker of the house.
Senate members shall be appointed by the president of the senate and house
members shall be appointed by the speaker of the house of representatives.
The president or the speaker may replace any conferee previously appointed
by such person. Not fewer than one member appointed from each house shall
be a member of the minority political party of such house except when such
representation for such house is waived by the minority leader of such house.
In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation.

Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision.

A conference committee report shall not be subject to amendment.

The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size
of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of 2/3 of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) **Signatures required on conference committee reports.** All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) **Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report.** The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) **Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee.** If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either
house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year. Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

Joint Rule 4. Deadlines for introduction and consideration of bills.

The senate and house of representatives shall observe the following schedule of deadlines in making requests for drafting and in the introduction and consideration of bills.

(a) Bill request deadline for individual members. Except for bills introduced pursuant to (i) of this rule, no request to draft bills, except those made by committees, through their respective chairpersons, shall be made to, or accepted by, the office of the revisor of statutes after the hour of 5:00 p.m. on January 30, 2023, during the 2023 regular session and on January 29, 2024, during the 2024 regular session.

(b) Bill introduction deadline for individual members. Except as provided in (i) of this rule, no bill sponsored by a member or members shall be introduced in either house of the legislature after the hour of adjournment on February 8, 2023, during the 2023 regular session and on February 7, 2024, during the 2024 regular session. Such deadline for the introduction of bills by individual members may be changed to an earlier date in either house at any time by resolution duly adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in such house.

(c) Bill request deadline for certain committees. Except for bills to be introduced pursuant to (i) of this rule, no committee except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall make a request to the office of the revisor of statutes for any bill to be drafted for sponsorship by such committee after the hour of 5:00 p.m. on February 6, 2023, during the 2023 regular session and on February 5, 2024, during the 2024 regular session.
(d) **Bill introduction deadline for certain committees.** Except as provided in (i) of this rule, no bill sponsored by any committee of either house of the legislature, except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be introduced in either house after the hour of adjournment on February 10, 2023, during the 2023 regular session and on February 9, 2024, during the 2024 regular session.

(e) **House of origin bill consideration deadline.** No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered in the house in which such bill originated after the hour of adjournment on February 24, 2023, during the 2023 regular session and on February 23, 2024, during the 2024 regular session.

(f) **Second house bill consideration deadline.** No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered by either house, not the house of origin of such bill, after the hour of adjournment on March 29, 2023, during the 2023 regular session and on March 28, 2024, during the 2024 regular session.

(g) **Exceptions to limitation of (d), (e) and (f); procedure.** Specific exceptions to the limitations prescribed in subsections (d), (e) and (f) may be made in either house by resolution adopted by the affirmative vote of not less than a majority of the members of such house then elected (or appointed) and qualified.

(h) **Deadline which falls on day neither house in session; effect.** In the event that any deadline prescribed in this rule falls on a day that neither house of the legislature is in session, such deadline shall be observed on the next following day that either house is in session.

(i) **Bills introduced in odd-numbered years after deadlines; effect.** Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next
succeeding regular session held in an even-numbered year.

(j) Modification of schedule of deadlines for introduction and consideration of bills; procedure. In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

(k) Bill consideration deadline; exceptions. No bills shall be considered by the Legislature after April 6, 2023, during the 2023 regular session and after April 5, 2024, during the 2024 regular session except bills vetoed by the governor, the omnibus appropriation act and the omnibus reconciliation spending limit bill provided for under K.S.A. 75-6702, and amendments thereto. This subsection (k) may be suspended for the consideration of a specific bill or bills not otherwise exempt under this subsection by the affirmative vote of a majority of the members then elected (or appointed) and qualified in the house in which the bill is to be considered.

Joint Rule 5. Closure of meetings to consider matters relating to security.

Any standing committee of the house of representatives, any standing committee of the senate, the legislative coordinating council, any joint committee of both houses of the legislature, any special or select committee of the house of representatives or the senate, the house of representatives in session, the senate in session or a joint session of the house of representatives and the senate may meet in closed, executive session for the purpose of receiving information and considering matters relating to the security of state officers or employees, or both, or the security of buildings and property under the ownership or control of the state of Kansas.

ARTICLE 21. AMENDMENT OF BILLS AND RESOLUTIONS

Rule 2101. Germaneness.
Amendments to bills and resolutions shall be germane to the subject of the bill or resolution. The principal test of whether an amendment is germane shall be its relationship to the subject of the bill or resolution, rather than to wording of the title thereof. The amendment, including any amendment from the floor to strike all of the substantive provisions of a bill or resolution and insert other provisions, must
be relevant, appropriate, and have some relation to or involve the same subject as the bill or resolution to be amended. For the purposes of this rule the subject matter of any appropriation bill is the spending and appropriating of money and any amendment which changes the amount of money spent in any state agency or program is germane to any appropriation bill.

**Rule 2102. Form of Amendment Motions.**

Motions to amend bills and resolutions shall specify the page and line number, as shown on the printed bill or resolution, and shall be in writing on a form provided by the House or a form substantially similar. A motion shall be out of order unless the written motion is first delivered to the chief clerk. In the case of amendment by substitute bill, motion shall be made to substitute a written bill for the bill under consideration.

**Rule 2103. Reading Amendments; General Rule.**

Motions to amend bills and resolutions shall not require readings as for bills introduced, except as otherwise provided in Rule 2107, but shall be subject to Rule 2306.

**Rule 2104. Motions to Amend Motions.**

A motion to amend a motion to amend a bill or resolution shall not be in order.

**Rule 2105. Dividing Amendments.**

(a) When any motion to amend a bill or resolution contains distinct propositions, it shall be divided by the presiding officer at the request of any member. The division by the presiding officer shall be made in accordance with the following:

1. A motion to strike out and insert words of less than a sentence shall be indivisible;
2. the distinct propositions shall be only in the form submitted in the motion to amend;
3. each proposition must be so distinct that, one being removed, the remainder may stand entirely on their own; and
4. those portions of a motion to amend a bill as described in Rule 2110 shall be indivisible.

(b) Upon a request to divide a motion to amend a bill or resolution, the presiding officer shall inquire as to whether there is a request for a ruling on germaneness of the motion to amend. If such a request is made, the issue of germaneness shall be determined prior to dividing the motion.

If no request for a ruling on germaneness of the motion to amend is made, the presiding officer shall proceed to divide the motion to amend in accordance with this rule, and no subsequent request for a ruling on germaneness of any distinct proposition of the motion so divided shall be in order.

(c) The presiding officer, or any member, may request that the member requesting the division make the request in writing specifying the manner in which the motion to amend should be divided.

(d) The division of the motion to amend shall be in accordance with the rules of the House and with items (1) to (4), inclusive, of subsection (a). The ruling of the chairperson of the Committee on Rules and Journal, or in the chairperson's absence the vice chairperson of the Committee, on how to divide the motion to amend shall not be subject to appeal except that any member may appeal the ruling of the chairperson, or vice chairperson, on the grounds that the division is not in accordance
with a rule of the House including the provisions of items (1), (2), (3) or (4) of subsection (a), or any combination thereof.

**Rule 2106. Substitute Motions.**
No substitute motion to amend a bill or resolution shall be in order.

**Rule 2107. Subject Change by Senate.**
(a) When the Senate adopts amendments to a House bill which materially changes its subject, upon return of such bill to the House, it shall be read as provided for the introduction of bills and be referred as provided in Rule 901.
(b) The Speaker may determine when a bill is subject to subsection (a). An affirmative vote of 70 members shall be required to sustain a challenge to the Speaker’s determination hereunder.

**Rule 2108. Motions to Strike Out and Insert.**
The rejection of a motion to amend a bill or resolution by striking out and inserting one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

**Rule 2109. Identical Motions.**
Except upon the unanimous consent of the House, an identical motion to amend a bill or resolution shall not be made a second time on the same legislative day.

*Rule 2110. Floor Amendments to Bills Making Appropriations.*
(a) Unless by majority consent to correct an error in drafting, no floor amendment to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill.

**ARTICLE 23. PROCEDURAL MOTIONS**

**Rule 2301. Order of Motions.**
When a question is under consideration, no motion shall be received except as specified under the Rules of the House, which motions shall have precedence in the following order:
(a) For adjournment of the House.
(b) For call of the House.
(c) To lay on the table.
(d) For the previous question.
(e) To postpone to a certain time.
(f) To commit to a standing committee.

(h) To reject the adoption of reports of conference committees coupled with the request for appointment of a new conference committee.
(i) To adopt the report of conference committees.
(j) To amend.
(k) To postpone indefinitely.
Rule 2302. Motion to Adjourn.

The motion to adjourn shall always be in order, except while a vote is being taken and until announced, or when a member has the floor, or when the previous question is pending; but a motion to recess is not equivalent to a motion to adjourn.

Rule 2303. Motion to Reconsider.

A motion to reconsider shall take precedence of all other questions except the motion to adjourn.

No motion for reconsideration of any vote shall be in order, unless made on the same day or the legislative day following that on which the decision to be reconsidered took place, nor unless a member voting with the prevailing side shall move such reconsideration.

A motion for reconsideration, being put and lost, shall not be renewed, nor shall any subject or vote be a second time reconsidered without unanimous consent, but this provision shall not be construed as preventing the introduction of a bill on the same subject.

The member moving for reconsideration shall be allowed not more than two minutes for stating the reasons in support of the motion. Such motion shall be subject to debate by any member, stating reasons in support or opposition to the motion. Each of such members shall be allowed not more than one minute for the purpose of such debate.

Such motion shall require the affirmative vote of members equal in number to that required to take the action proposed to be reconsidered.

A motion to reconsider any final action of the House shall be in order at any time prior to the time at which the message of the House thereon is read into the record of the Senate. A motion to reconsider any final action of the House may be made after the time at which the message of the House thereon is read into the report of the Senate but any action taken pursuant thereto will be contingent upon the return of the measure to the House by the Senate.

Rule 2304. Previous Question.

The “previous question” shall be: “Shall the main question be now put?” and until it is decided shall preclude all amendments or debate. When voting on the previous question, the House decides that the main question shall not now be put, the main question shall be considered as still remaining under debate. The main question shall be on the passage of the bill, resolution or other matter under consideration. When amendments are pending, a vote shall first be taken upon such amendments in their order without further debate or amendment. A majority vote of the members present shall order the previous question.

Rule 2305. Motions Not Subject to Debate.

All questions relating to priority of business shall be decided without debate. The motion to adjourn, to change the order of consideration of a bill, for a call of the House, and to lay on the table shall be decided without amendment or debate. The several motions to postpone or commit shall preclude all debate on the main question.

Rule 2306. Motion to Refer Bills or Resolutions to Committee When Not in Committee of the Whole.

When not in the Committee of the Whole, a motion to refer a bill or resolution from the Calendar to a standing committee shall be in order only when the body is
meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

**Rule 2307. Motion to Strike Bills and Resolutions from Calendar When Not in Committee of the Whole.**

When not in the Committee of the Whole, a motion to strike a bill or resolution from the Calendar shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

**Rule 2308. Stating Question.**

Every motion shall be first stated by the presiding officer or read by the chief clerk, before debate, and again immediately before putting the question.

**Rule 2309. Dividing Motion.**

If any motion, other than a motion under Rule 2105, contains distinct propositions, it shall be divided by the chairperson at the request of any member. Motions under Rule 2105 shall be divided in accordance with that rule.

**Rule 2310. When Motions to be in Writing.**

Every motion, except those specified in Rules 2301 and 2303, shall be in writing if the Speaker or any member desires it. All motions to amend a bill or resolution and all resolutions shall be in writing.

**Rule 2311. Suspension of Rules of the House.**

(a) No rule of the House shall be suspended except by unanimous consent or by an affirmative vote of a majority of the members then elected (or appointed) and qualified to the House, subject to the following exceptions:

(1) A motion to suspend the rules, and to declare an emergency and to advance a bill to the order of business Final Action, as contemplated in article 2, section 15 of the Constitution shall require an affirmative vote of 2/3 of the members present in the House.

(2) A motion to suspend the rules and to permit amendment and debate of a bill under the order of business Final Action shall require an affirmative vote of 2/3 of the members present in the House.

(b) When under the rules of the House a motion, question or action requires a vote of a majority greater than a majority of the members present, the majority specified for such motion, question or action shall be required to suspend the rules for the purpose of such motion, question or action. When under the rules of the House notice of a motion reduces the required majority for adoption of the motion, the required majority shall not be reduced if the notice is disposed of by suspension of the rules.

(c) Suspension of the rules or unanimous consent shall not reduce the majority required under subpart (1) of subsection (a) of this rule.

**Rule 2312. Mason’s Manual; When Applicable.**

(a) In any case where rules of the House or the joint rules of the Senate and House
do not apply, Mason’s Manual of Legislative Procedure (2020 edition), with the exception of section 4, paragraph 2, shall govern.

(b) Rules of legislative procedure are derived from several sources and take precedence in the order listed below. For the Kansas House of Representatives, the principal sources are as follows: (a) Constitutional provisions; (b) statutory provisions; (c) adopted rules; (d) adopted parliamentary authority; (e) custom, usage and precedents.

ARTICLE 25. VOTING

Rule 2501. Control and Use of Voting System.
The electronic voting system shall be under the control of the Speaker or other presiding officer and shall be operated by the chief clerk. The electronic voting system shall be used to record the vote whenever a roll call vote is taken on any question and may be used for ascertaining the vote upon any measure upon which a division of the assembly has been called. In the event that the system is not operating properly, roll call votes may be taken by calling the roll.

Rule 2502. Procedure for Taking a Roll Call Vote.
When a roll call vote is taken, the presiding officer shall state the question and instruct the members to proceed to vote. When sufficient time has been allowed the members to vote, the presiding officer shall inquire: “Has every member had an opportunity to vote?” After a short pause the presiding officer shall direct the chief clerk to close the roll. After the roll has been closed, when Rule 2505 applies, the presiding officer shall inquire: “Does any member desire to explain his or her vote?” and any member so desiring may give such explanation when recognized by the presiding officer. The presiding officer shall inquire: “Does any member desire to change his or her vote?” If any member does desire to change his or her vote, such member when recognized by the presiding officer, shall advise how they desire to change such vote and the presiding officer shall then instruct the chief clerk to make the appropriate change. A member who has not previously voted may vote at this time when permitted by the presiding officer. Such member shall advise how they wish to vote and the presiding officer shall then instruct the chief clerk to record such vote. After all members who desire to vote or to change their votes have had reasonable opportunity to do so, the presiding officer shall announce the vote and, when the vote has been announced, shall direct the chief clerk to record the vote.

Rule 2503. Display of Recurring Totals.
Under Rule 2502, recurring totals shall be displayed only after the roll is closed. No recurring totals shall be displayed for a determination of the vote upon a division of the assembly.

Rule 2504. Voting by Members.
(a) A member may vote only when at their desk or at any place within the chamber of the House when authorized by the presiding officer, who shall direct the chief clerk to so vote for such member.
(b) No member shall vote for another member. No person not a member shall cast a vote for a member, except as otherwise provided in the rules. In addition to such penalties as may be prescribed by law, any member who votes or attempts to vote
for another member shall be subject to Article 49 of these rules. If a person not a member votes or attempts to vote for any member, such person shall be barred from the floor of the House for the remainder of the session, and, in addition to penalties prescribed by law, may be punished further as the House determines.

(c) The Speaker shall not be compelled to vote except in case of a tie.

*Rule 2505. Explaining Vote.*

Any member may, when a roll call vote is being taken on the passage or adoption of any bill or resolution, explain their vote. Such member shall be allowed not more than one minute for such explanation. Such explanation, if furnished in writing and signed, with printed name and district number, by such member by 3:00 p.m. upon the day the vote is taken, or if the vote is taken subsequent to 2:30 p.m., within one-half hour after the adjournment of the House on that day, shall be entered in the Journal, provided it does not contain more than 100 words. Such submission should also be submitted in electronic format to the chief clerk under the same time deadline.

**Rule 2506. Copies of Voting Records.**

(a) Unless otherwise ordered, the chief clerk shall record each roll call vote and make copies available for the use of the news media. No record shall be made of the vote of any member voting upon any measure upon which a division of the assembly has been called.

(b) When a roll call vote is taken, it shall be recorded in the Journal by a statement of the names and total number voting in the affirmative, the names and total number voting in the negative, names and total number indicating presence but not voting and the names and total number absent or not voting, except that the provisions of this section shall not permit a member to fail to vote in violation of Rule 2508.

**Rule 2507. When Roll Call Vote to be Taken.**

(a) A roll call vote shall be taken for the passage of any bill.

(b) A roll call vote shall be taken for the adoption of any concurrent resolution to amend the Constitution of the state of Kansas, to call a Kansas constitutional convention, to extend a session of the Legislature in even-numbered years, to ratify any amendment of the Constitution of the United States, to make any application for Congress to call a convention for proposing amendments to the Constitution of the United States and when required by the joint rules of the House and Senate. A roll call vote is not required for adoption of concurrent resolutions pertaining to commendations or acknowledgments, unless required under subsection (e) of Rule 2507.

(c) A roll call vote shall be taken for the adoption of any House resolution to adopt, amend or revoke any rule of the House or to reject any executive reorganization order.

(d) A roll call vote shall be taken to concur in Senate amendments to any bill or concurrent resolution or to adopt any conference committee report other than a report agreeing to disagree.

(e) A roll call vote shall be taken on any question on demand of 15 members, unless a roll call vote is already pending.

**Rule 2508. Call of the House.**

(a) A call of the House shall be ordered on the demand of any 10 members at any stage of the voting previous to the announcing of the vote or, if the voting system is

Also, this Rule 2508 shall apply to the taking of a vote on a motion to strike the enacting clause of a bill and the resolving clause of a resolution and on a motion to strike all after the enacting clause or resolving clause, except when the House is in the Committee of the Whole.

When the call of the House is invoked, the doors to the House chamber shall be secured and all members shall be required to be in their seats unless excused by the Speaker.

All members present during the call shall be required to vote before the call is raised.

The call of the House shall not be raised (so long as 10 members continue the demand) until a reasonable effort, as determined by the Speaker, has been exerted to secure absentees.

(b) Any member, who is directly interested in a question, may be excused from voting, when there is a call of the House. The member, who is requesting to be excused from voting, shall state the reasons therefor, occupying not more than five minutes. The question on excusing such member from voting shall be taken without debate and a 2/3 majority of members present shall be necessary to excuse such member. If a member refuses to vote, when not excused, such refusal shall constitute grounds for reprimand, censure or expulsion under Article 49 of the Rules of the House.

**Rule 2509. Voice Vote; Division of the Assembly.**

Except when a roll call vote is required, a voice vote shall be taken on all questions. Any member may call for a division of the assembly to determine the vote by the voting system.

Secretary of State Scott Schwab requested Rep. Hawkins to approach the bar for the oath of office.

Speaker-elect Hawkins subscribed to the following oath of office, which was administered by Chief Justice Luckert.

State of Kansas, County of Shawnee, ss:

I do solemnly swear that I will support the constitution of the United States and the constitution of the State of Kansas, and faithfully discharge the duties of the office of Speaker of the House of Representatives, so help me God. Subscribed and sworn to before me this 9th day of January, 2023.

MARLA LUCKERT
Chief Justice of the Supreme Court

Speaker Hawkins addressed the following remarks to the members of the House:

The biggest thing I can say today is Thank You.

First off to my family. My wife Diane. My daughters Hannah and Hayley. There is no greater honor than being Diane’s husband and Hannah and Hayley’s dad. Just like everyone in this body, I have to spend a lot of time away from home. It wouldn’t be possible without the support of our families.

I also need to say thank you to every one of you for the honor of serving as House Speaker. The trust you’ve placed in me is truly overwhelming.

Another Thank You to the people of the 100th House District. While being in leadership brings a number of other commitments, I also remain firmly committed to my friends and constituents back home.

I’d like to give a special thanks to these gentlemen sitting above and behind me. We’re honored to be joined today by six former House Speakers. Ron Ryckman, Ray Merrick, Mike O’Neal, Doug Mays, Kent Glasscock, and Tim Shallenburger. Gentlemen, thank you for being here today and for your service to our state. Every day that I walk into the House chambers and see the photos of previous Speakers hanging on the wall it is a reminder of the great responsibility that comes with this position.

Finally, I want to thank the staff that makes the legislature run. The people’s business does not get done without the work of the staff in this building. Without the clerks, the revisors, research, legislative services, capital police, the door men, and the men and women who keep this building clean we would not have a functioning legislature. I
want to thank them as well as my own staff for all of the work they do.

Today is not the day for political speeches. There will be plenty of time for disagreements and debate in the coming months. Today, I want to focus on what we do agree on. Kansas faces serious issues. The economy. The cost of living. The future of water in our state. Issues with our foster care system.

The people of Kansas expect their legislature to take a serious approach to these serious problems. Over the next two years my pledge is to create an environment in the House where we can work together to find those solutions.

We will work across the aisle when we can. We will disagree strongly but respectfully when we must. But in the end our focus will be on serious, long term solutions for our constituents.

There was a time when Kansas was a trendsetter. I think by working together we can be that way again. There is a better way to do things. A way focused on solutions. Let’s call it the Kansas way.

God Bless you all and now let’s get to work.

Speaker Hawkins was presented the gavel by Secretary of State, Scott Schwab, and assumed the chair.

Speaker Hawkins announced the appointment of Susan Kannarr as Chief Clerk; Foster Chisolm as Sergeant-at-Arms and Eunice Brubaker as House Chaplain of the House of Representatives.

Nominations being in order for speaker pro tem, Rep. K. Williams nominated Rep. Blake Carpenter for Speaker pro tem of the House of Representatives. There being no further nominations, Rep. Winn moved that the nominations be closed, and that the clerk be instructed to cast a unanimous ballot for Rep. Carpenter as speaker pro tem of the House of Representatives. The motion prevailed.

Speaker Hawkins requested Rep. Carpenter to approach the bar for the oath of office. Speaker pro tem-elect Carpenter scribed to the following oath of office, which was administered by Chief Justice Luckert.

State of Kansas, County of Shawnee, ss:

I do solemnly swear that I will support the constitution of the United States and the constitution of the State of Kansas, and faithfully discharge the duties of the office of Speaker pro tem of the House of Representatives, so help me God. Subscribed and sworn to before me this 9th day of January, 2023.

MARLA LUCKERT

Chief Justice of the Supreme Court

Speaker pro tem Carpenter addressed the following remarks to the members of the House:

Thank you, Mr. Speaker. Thank you, Chief Justice Luckert, for your participation today; thank you to all of the family members who made the trip to the capitol today to support your loved ones as they are about to embark on this journey, and thank you, Body, for allowing me to be your Speaker Pro Tempore.
And finally, thank you to my family and my wife, Cziara, for all the support and grace she has given me while serving in public office. I could not do this without her support and understanding, which is the story for many of us regarding our spouses.

In our Body, two Constitutional positions exist the Speaker and the Speaker Pro Tempore. While the majority party initially elected me, we just held another vote that both parties cast so that I could serve in this position. This means working with this side of the chamber and this side of the chamber to achieve the best policies for Kansans. Over the next two years, we will agree on many issues and passionately disagree on others. We cannot let our disagreements tear down our bonds as Kansans and neighbors. After we lay down our spears and the day's battle is concluded, find a legislator you disagree with and grab a coffee or exchange a friendly word, even when it is hard. Because although you may have been against each other today, you may be with each other tomorrow.

To the new legislators, there will be times in which you feel like a ship being tossed about on an ocean with all the unique intricacies this job has and that you must learn quickly. Find a safe harbor in your friends, mentors, and constituents. Allow them to be your lighthouse and guide you. Without these individuals, this task becomes far greater, and as time passes, the waves will get higher and higher, and this is when you will need those safe harbors to help you through the storms. Don't weather it alone. Things lurk in the depths that will try and throw you off track. Remember, your constituents placed you in these seats, and it is those individuals you serve, not those with special interests.

There is a quote from Ralph Waldo Emerson that I want to share with you: “To leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know that even one life has breathed easier because you have lived — that is to have succeeded.” I challenge each of us to leave Kansas better than we found it by the end of this term so that future generations can continue to achieve the American Dream, the Kansas Dream.

We are One Nation Under God, and in God We Trust. And I will continue to trust in Him, for all glory and power is His now and forever. Thank you all so very much. May God bless you and the great state of Kansas.

Speaker Hawkins asked for announcements from party caucuses.

Rep. K. Williams stated that the majority (Republican) party had met and elected the following officers:

- Majority Leader, Chris Croft
- Assistant Majority Leader, Les Mason
- Majority Whip, Susan Estes
- Caucus Chair, Kristey Williams

Rep. Croft addressed the following remarks to members of the House:

To begin my comments, I would like to thank my wife, Connie. Connie has been by my side for nearly 40 years and I would not be in this position today without her love, support, and encouragement along the way. Thank you, you are the best. I love you.

Four years ago, following 30 years of service in the Army, I began my journey in the Kansas House. In this chamber, I am surrounded by some extraordinary people who
seek to positively impact the lives of others. I am incredibly honored to be selected by my colleagues to serve as the Kansas House Majority Leader. This is a responsibility that I will never take lightly.

Together, we will work tirelessly to build an agenda to elevate all Kansans who rely on us to deliver concrete solutions that impact their lives. We will strive for an education plan that satisfies both parents and teachers while producing better outcomes for our kids and grandkids. We will check rising inflation, get Kansans back to work, and empower taxpayers by ensuring they get to keep more of their hard-earned money. We will support those that provide for our basic health and safety. Kansas is a great place to live, it’s a great place to raise a family, and it’s a great place for the fundamental rights of life, liberty, and the pursuit of happiness to thrive.

We are one team focused on securing our way of life now and in the future. We are ready to get to work for you.

One Team!

Thank you, Mr. Speaker.

Rep. Ballard stated that the minority (Democrat) party had caucused and elected the following officers:

- Minority Leader, Vic Miller
- Assistant Minority Leader, Valdenia Winn
- Minority Whip, Stephanie Sawyer Clayton
- Agenda Chairperson, Jerry Stogsdill
- Caucus Chairperson, Barbara W. Ballard
- Policy Chairperson, Christina Haswood

Rep. Vic Miller addressed the following remarks to members of the House:

To my colleagues on my left, let me say that I treasure the trust you have placed in me (or at least the half of you that did so). I will repeat what I told you previously. Of the many titles I have been blessed with over the course of my life, I value this latest one the most.

I vow to do all that I can to prove myself worthy.

There will be times in this building that the numbers we are up against seem overwhelming. Don’t let that deter you. Keep reminding yourself of the struggles so many of our neighbors live with in their everyday lives. Remember that they are counting on us to persevere, to carry their message and do all we can with the power they have given us to lighten their load.

Now, to all of you.

A few years back as a group of people I knew were relaxing from a hard day at work, I made reference to one of the gentlemen among us as a friend. I was a bit taken aback when he stopped me and told me we weren’t friends—we were acquaintances. After recovering from the initial shock of such a statement and upon quiet reflection, I had to agree with him.

His point was a good one. Obtaining the status of friend is no small achievement and we should not use such a word loosely. His simple point, however, reached way beyond
the moment. Those of us in this chamber need to constantly remind each other and ourselves that words have meaning and consequence and we must choose them wisely, carefully and diplomatically.

We all bring to this body matters we are passionate about. However, we need to make sure our passions are tempered by reason and a degree of calm. And, just as importantly, we need to be quick to apologize when our emotions get the better of our words and argument.

That being said, Mr. Speaker, I look forward to the many times in the months ahead that I’m sure we will disagree on matters of policy and procedure. But among my many goals in this new position that I enjoy, is that after two years of being your worthy adversary we can look each other in the eye and say that we have become friends.

God bless every member of this chamber, God bless the Kansas Senate, God bless our beloved Governor and God bless the State of Kansas and all of her people.

The roll was called with 124 members present.
Representative-elect Wasinger was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Dear Almighty God,

thank You for this day and its blessings
You have given us.

Your Word begins with these words:
“In the beginning, God.”

This tells us that You are eternal—
always have been, always is, and always will be.

And it tells us that You are ever present.

As we start with the beginning of this new session,
help our leaders to understand that You are present
each and every day.

Help us to put aside our egos, personal agendas and ambitions,
even out political parties
and turn to You for Your wisdom, direction and will
in all the decisions to be made.

This I pray in Your magnificent Name, Amen.

The Pledge of Allegiance was led by Rep. Blex.

ARTICLE 21. AMENDMENT OF BILLS AND RESOLUTIONS

Rule 2101. Germaneness. Amendments to bills and resolutions shall be germane to the subject of the bill or resolution. The principal test of whether an amendment is
germane shall be its relationship to the subject of the bill or resolution, rather than to wording of the title thereof. The amendment, including any amendment from the floor to strike all of the substantive provisions of a bill or resolution and insert other provisions, must be relevant, appropriate, and have some relation to or involve the same subject as the bill or resolution to be amended. For the purposes of this rule the subject matter of any appropriation bill is the spending and appropriating of money and any amendment which changes the amount of money spent in any state agency or program is germane to any appropriation bill.

**Rule 2102. Form of Amendment Motions.** Motions to amend bills and resolutions shall specify the page and line number, as shown on the printed bill or resolution, and shall be in writing on a form provided by the House or a form substantially similar. A motion shall be out of order unless the written motion is first delivered to the chief clerk. In the case of amendment by substitute bill, motion shall be made to substitute a written bill for the bill under consideration.

**Rule 2103. Reading Amendments; General Rule.** Motions to amend bills and resolutions shall not require readings as for bills introduced, except as otherwise provided in Rule 2107, but shall be subject to Rule 2306.

**Rule 2104. Motions to Amend Motions.** A motion to amend a motion to amend a bill or resolution shall not be in order.

**Rule 2105. Dividing Amendments.** (a) When any motion to amend a bill or resolution contains distinct propositions, it shall be divided by the presiding officer at the request of any member. The division by the presiding officer shall be made in accordance with the following:

1. A motion to strike out and insert words of less than a sentence shall be indivisible;
2. the distinct propositions shall be only in the form submitted in the motion to amend;
3. each proposition must be so distinct that, one being removed, the remainder may stand entirely on their own; and
4. those portions of a motion to amend a bill as described in Rule 2110 shall be indivisible.

(b) Upon a request to divide a motion to amend a bill or resolution, the presiding officer shall inquire as to whether there is a request for a ruling on germaneness of the motion to amend. If such a request is made, the issue of germaneness shall be determined prior to dividing the motion.

If no request for a ruling on germaneness of the motion to amend is made, the presiding officer shall proceed to divide the motion to amend in accordance with this rule, and no subsequent request for a ruling on germaneness of any distinct proposition of the motion so divided shall be in order.

(c) The presiding officer, or any member, may request that the member requesting the division make the request in writing specifying the manner in which the motion to amend should be divided.

(d) The division of the motion to amend shall be in accordance with the rules of the House and with items (1) to (4), inclusive, of subsection (a). The ruling of the chairperson of the Committee on Rules and Journal, or in the chairperson's absence the vice chairperson of the Committee, on how to divide the motion to amend shall not be subject to appeal except that any member may appeal the ruling of the chairperson, or vice chairperson, on the grounds that the division is not in accordance with a rule of the
House including the provisions of items (1), (2), (3) or (4) of subsection (a), or any combination thereof.

Rule 2106. Substitute Motions. No substitute motion to amend a bill or resolution shall be in order.

(b) The Speaker may determine when a bill is subject to subsection (a). An affirmative vote of 70 members shall be required to sustain a challenge to the Speaker's determination hereunder.

Rule 2108. Motions to Strike Out and Insert. The rejection of a motion to amend a bill or resolution by striking out and inserting one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

Rule 2109. Identical Motions. Except upon the unanimous consent of the House, an identical motion to amend a bill or resolution shall not be made a second time on the same legislative day.

Rule 2110. Floor Amendments to Bills Making Appropriations. (a) Unless by majority consent to correct an error in drafting, no floor amendment to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill.

(b) The provisions of subsection (a) shall not apply if the ending balance in the state general fund for the ensuing fiscal year is equal to 7.5% or more of the total amount authorized to be expended or transferred by demand transfer from the state general fund in such fiscal year based on the most recent budget profile of the Kansas legislative research department.

except while a vote is being taken and until announced, or when a member has the floor, or when the previous question is pending; but a motion to recess is not equivalent to a motion to adjourn.

**Rule 2303. Motion to Reconsider.** A motion to reconsider shall take precedence of all other questions except the motion to adjourn. No motion for reconsideration of any vote shall be in order, unless made on the same day or the legislative day following that on which the decision to be reconsidered took place, nor unless a member voting with the prevailing side shall move such reconsideration. A motion for reconsideration, being put and lost, shall not be renewed, nor shall any subject or vote be a second time reconsidered without unanimous consent, but this provision shall not be construed as preventing the introduction of a bill on the same subject. The member moving for reconsideration shall be allowed not more than two minutes for stating the reasons in support of the motion. Such motion shall be subject to debate by any member, stating reasons in support or opposition to the motion. Each of such members shall be allowed not more than one minute for the purpose of such debate. Such motion shall require the affirmative vote of members equal in number to that required to take the action proposed to be reconsidered. A motion to reconsider any final action of the House shall be in order at any time prior to the time at which the message of the House thereon is read into the record of the Senate. A motion to reconsider any final action of the House may be made after the time at which the message of the House thereon is read into the report of the Senate but any action taken pursuant thereto will be contingent upon the return of the measure to the House by the Senate.

**Rule 2304. Previous Question.** The "previous question" shall be: "Shall the main question be now put?" and until it is decided shall preclude all amendments or debate. When voting on the previous question, the House decides that the main question shall not now be put, the main question shall be considered as still remaining under debate. The main question shall be on the passage of the bill, resolution or other matter under consideration. When amendments are pending, a vote shall first be taken upon such amendments in their order without further debate or amendment. A majority vote of the members present shall order the previous question.

**Rule 2305. Motions Not Subject to Debate.** All questions relating to priority of business shall be decided without debate. The motion to adjourn, to change the order of consideration of a bill, for a call of the House, and to lay on the table shall be decided without amendment or debate. The several motions to postpone or commit shall preclude all debate on the main question.

**Rule 2306. Motion to Refer Bills or Resolutions to Committee When Not in Committee of the Whole.** When not in the Committee of the Whole, a motion to refer a bill or resolution from the Calendar to a standing committee shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

**Rule 2307. Motion to Strike Bills and Resolutions from Calendar When Not in Committee of the Whole.** When not in the Committee of the Whole, a motion to strike a bill or resolution from the Calendar shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such

Rule 2310. When Motions to be in Writing. Every motion, except those specified in Rules 2301 and 2303, shall be in writing if the Speaker or any member desires it. All motions to amend a bill or resolution and all resolutions shall be in writing.

Rule 2311. Suspension of Rules of the House. (a) No rule of the House shall be suspended except by unanimous consent or by an affirmative vote of a majority of the members then elected (or appointed) and qualified to the House, subject to the following exceptions:

1. A motion to suspend the rules, and to declare an emergency and to advance a bill to the order of business Final Action, as contemplated in article 2, section 15 of the Constitution shall require an affirmative vote of 2/3 of the members present in the House.

2. A motion to suspend the rules and to permit amendment and debate of a bill under the order of business Final Action shall require an affirmative vote of 2/3 of the members present in the House.

(b) When under the rules of the House a motion, question or action requires a vote of a majority greater than a majority of the members present, the majority specified for such motion, question or action shall be required to suspend the rules for the purpose of such motion, question or action. When under the rules of the House notice of a motion reduces the required majority for adoption of the motion, the required majority shall not be reduced if the notice is disposed of by suspension of the rules.

(c) Suspension of the rules or unanimous consent shall not reduce the majority required under subpart (1) of subsection (a) of this rule.

Rule 2312. Mason's Manual; When Applicable. (a) In any case where rules of the House or the joint rules of the Senate and House do not apply, Mason's Manual of Legislative Procedure (2020 edition), with the exception of section 4, paragraph 2, shall govern.

For the Kansas House of Representatives, the principal sources are as follows: (a) Constitutional provisions; (b) statutory provisions; (c) adopted rules; (d) adopted parliamentary authority; (e) custom, usage and precedents.

Rule 2501. Control and Use of Voting System. The electronic voting system shall be under the control of the Speaker or other presiding officer and shall be operated by the chief clerk. The electronic voting system shall be used to record the vote whenever a roll call vote is taken on any question and may be used for ascertaining the vote upon any measure upon which a division of the assembly has been called. In the event that the system is not operating properly, roll call votes may be taken by calling the roll.

Rule 2502. Procedure for Taking a Roll Call Vote. When a roll call vote is taken, the presiding officer shall state the question and instruct the members to proceed to
vote. When sufficient time has been allowed the members to vote, the presiding officer shall inquire: "Has every member had an opportunity to vote?" After a short pause the presiding officer shall direct the chief clerk to close the roll. After the roll has been closed, when Rule 2505 applies, the presiding officer shall inquire: "Does any member desire to explain his or her vote?" and any member so desiring may give such explanation when recognized by the presiding officer. The presiding officer shall inquire: "Does any member desire to change his or her vote?" In addition to such penalties as may be prescribed by law, any member who votes or attempts to vote for another member shall be subject to Article 49 of these rules. If a person not a member votes or attempts to vote for any member, such person shall be barred from the floor of the House for the remainder of the session, and, in addition to penalties prescribed by law, may be punished further as the House determines.

(c) The Speaker shall not be compelled to vote except in case of a tie.

Rule 2505. Explaining Vote. Any member may, when a roll call vote is being taken on the passage or adoption of any bill or resolution, explain their vote. Such member shall be allowed not more than one minute for such explanation. Such explanation, if furnished in writing and signed, with printed name and district number, by such member upon the day the vote is taken within one-half hour after the adjournment of the House on that day, shall be entered in the Journal, provided it does not contain more than 100 words. Such submission should also be submitted in electronic format to the chief clerk under the same time deadline.

Rule 2506. Copies of Voting Records. (a) Unless otherwise ordered, the chief clerk shall record each roll call vote and make copies available for the use of the news media. No record shall be made of the vote of any member voting upon any measure upon which a division of the assembly has been called.

Rule 2507. When Roll Call Vote to be Taken. (a) A roll call vote shall be taken for the passage of any bill.

(b) A roll call vote shall be taken for the adoption of any concurrent resolution to amend the Constitution of the state of Kansas, to call a Kansas constitutional convention, to extend a session of the Legislature in even-numbered years, to ratify any amendment of the Constitution of the United States, to make any application for Congress to call a convention for proposing amendments to the Constitution of the United States and when required by the joint rules of the House and Senate. A roll call vote is not required for adoption of concurrent resolutions pertaining to commendations or acknowledgments, unless required under subsection (e) of Rule 2507.

(c) A roll call vote shall be taken for the adoption of any House resolution to adopt, amend or revoke any rule of the House or to reject any executive reorganization order.

Also, this Rule 2508 shall apply to the taking of a vote on a motion to strike the enacting clause of a bill and the resolving clause of a resolution and on a motion to strike all after the enacting clause or resolving clause, except when the House is in the Committee of the Whole. When the call of the House is invoked, the doors to the House chamber shall be secured and all members shall be required to be in their seats unless excused by the Speaker. All members present during the call shall be required to vote before the call is raised. The call of the House shall not be raised (so long as 10 members continue the demand) until a reasonable effort, as determined by the Speaker, has been exerted to secure absentees.

(b) Any member, who is directly interested in a question, may be excused from voting, when there is a call of the House. The member, who is requesting to be excused from voting, shall state the reasons therefor, occupying not more than five minutes. The question on excusing such member from voting shall be taken without debate and a 2/3 majority of members present shall be necessary to excuse such member. If a member refuses to vote, when not excused, such refusal shall constitute grounds for reprimand, censure or expulsion under Article 49 of the Rules of the House.

Rule 2509. Voice Vote; Division of the Assembly. Except when a roll call vote is required, a voice vote shall be taken on all questions. Any member may call for a division of the assembly to determine the vote by the voting system.

Journal of the House of Representatives. The rules of the House of Representatives and the joint rules of the two houses, insofar as the same may be applicable, shall be the rules for joint sessions of the two houses.

(c) Votes in joint session; taking; requirements. All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the Senate first to call the names of the members of the Senate, and after which the clerk of the House of Representatives shall in like manner call the names of the members of the House. Each member of the Senate and the House of Representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

Joint Rule 3. Conference Committee Procedure. (a) Action by House of Origin of Bill or Concurrent Resolution Amended by Other House. When a bill or concurrent resolution is returned to the House of Origin with amendments by the other House, the House of Origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) Concurrence by House of Origin; Concurrence Prior to Taking Action on Conference Committee Report by Other House; Final Action; Effect of Failure of Motion to Concur. The House of Origin of any bill or concurrent resolution may concur in any amendments made by the other House, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other House. A vote in the House of Origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other House shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other House and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) Motion to Nonconcur; When Considered Final Action; Effect of Adoption of Motion. A vote in the House of Origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other House which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of Origin Refusal to Concur or Nonconcur; Request for Conference; Procedure. When a bill or concurrent resolution is returned by either House to the House of Origin with amendments, and the House of Origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other House by message which shall include the names of the conferees on the part of the requesting House. Upon receipt of
any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(c) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not fewer than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10
paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of 2/3 of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) Signatures required on conference committee reports. All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report. The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee. If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year. Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of
adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

(f) *Second house bill consideration deadline.* No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be

(g) **Exceptions to limitation of (d), (e) and (f); procedure.** Specific exceptions to the limitations prescribed in subsections (d), (e) and (f) may be made in either house by resolution adopted by the affirmative vote of not less than a majority of the members of such house then elected (or appointed) and qualified.

(h) **Deadline which falls on day neither house in session; effect.** In the event that any deadline prescribed in this rule falls on a day that neither house of the legislature is in session, such deadline shall be observed on the next following day that either house is in session.

(i) **Bills introduced in odd-numbered years after deadlines; effect.** Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next succeeding regular session held in an even-numbered year.

(j) **Modification of schedule of deadlines for introduction and consideration of bills; procedure.** In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

(k) **Bill consideration deadline; exceptions.** No bills shall be considered by the Legislature after April 6, 2023, during the 2023 regular session and after April 5, 2024, during the 2024 regular session except bills vetoed by the governor, the omnibus appropriation act and the omnibus reconciliation spending limit bill provided for under K.S.A. 75-6702, and amendments thereto. This subsection (k) may be suspended for the consideration of a specific bill or bills not otherwise exempt under this subsection by the affirmative vote of a majority of the members then elected (or appointed) and qualified in the house in which the bill is to be considered.

STATE OF THE JUDICIARY
January 11, 2022
Chief Justice Marla Luckert

Mr. Speaker, Mr. President, Attorney General Kobach, Commissioner Schmidt, other executive branch officials, Legislators, honored guests, my judicial branch colleagues, and my fellow Kansans—Good afternoon. I also send greetings to Governor Kelly and wish her a speedy recovery.

Monday signaled the beginning of a new legislative biennium and a new gubernatorial term. On behalf of the Supreme Court, the Court of Appeals, and the district courts across our state, congratulations. We look forward to serving with you.

I would like to introduce two of my special guests who are in the East gallery: my spouse Ken Morse and our oldest daughter Sarah. My other daughters, our sons-in-law, and our grandchildren joined me Monday as I took my oath of office. While they could not be here today, they join me, Ken, and Sarah in expressing our family's congratulations and appreciation for your service. I would not be here serving the people of Kansas without my family's love and support. I appreciate all they do to help me and the immense joy they bring to my life.

Thank you, Speaker Hawkins for generously offering me this chance to update this special joint session of the Legislature on the state of the Kansas judiciary. And thank you President Masterson for agreeing to the scheduling. I am honored to have this opportunity.

In past addresses, I emphasized the resiliency and perseverance shown by judicial branch employees and judges during a period of significant challenge. Conditions required courts to retool most court procedures and business processes. This retooling required hard work, creativity, and the bravery necessary to blaze new trails.

These characteristics are not rare in Kansans. One example was memorialized last summer with the unveiling of the Amelia Earhart statue inside the United States Capitol. Each state is allowed two statues. I am pleased to be represented by such a courageous, daring woman.

Personally, I was blessed with the example of my maternal grandmother, who was of Earhart's generation. Grandma found herself widowed at an incredibly early age, pregnant, and with two young children. Our country was in the depths of a devastating economic depression. And northwest Kansas, where my grandparents farmed, was suffering the dry and windy weather conditions of the dirty 1930s.

With a trailblazing spirit, bravery, and lots of hard work, Grandma, joined by several of her sisters, opened "Mom's Café" on Main Street of Goodland. While she may not have gained the fame of Amelia Earhart, she was famous among locals and travelers for her cinnamon rolls, her pies, and wholesome meals.

I am proud to be a part of the legacy of that strong woman who helped shape my life and showed me the value of resiliency, a strong work ethic, and perseverance. And I am equally proud to be part of the judicial branch team of judges and court employees who displayed these same characteristics as they dealt with difficult conditions. Their
innovation, perseverance, and hard work brought the Kansas judicial branch national recognition in 2022.

In July, a national news organization highlighted our Sedgwick County court as an example of a court that kept processing cases despite the pandemic and that started conducting jury trials much sooner than courts in most other states. The article quoted Chief Judge Jeff Goering's declaration that it took "thinking outside the box." Sedgwick County and other Kansas courts did just that, with Sedgwick County even using tents outside the courthouse to conduct court. Unusual, but it kept cases moving, even if at a reduced volume. While Chief Judge Goering could not be here today, Joni Wilson, the Court Administrator of Sedgwick County, is here. Please stand and be recognized. She, other district court administrators, chief court service officers, and some Office of Judicial Administration staff are here representing the court employees statewide who implemented our outside-the-box ideas. We express our gratitude to these employees. Would you all please stand and be recognized?

Recognition also came to a project designed to make citizens more comfortable with jury service during the pandemic. This effort, led by former Johnson County Chief Judge Kelly Ryan, garnered multiple awards, including two national ones—one from the American Judges Association and the other from the National Center for State Courts. Judge Ryan is also in the gallery today.

Finally, I am proud to report that the national board of the Legal Services Corporation recently recognized our efforts to improve access to justice in civil cases through several innovative programs, including our online portal for obtaining protection from abuse orders. This system guides someone seeking a protection order through the process of filling out and filing necessary forms without coming to the courthouse. Most applications are now filed through this process.

The Kansas judicial system did not rest on those achievements. Throughout 2022, our judges and employees worked with Kansas attorneys to move cases and process jury trials. We also worked to regain momentum on projects slowed by the pandemic, such as the rollout of our statewide case management system. The system now functions in 100 counties, and the rollout remains a priority of our Office of Judicial Administration. Kansans are already benefitting from the efficiencies gained through these efforts. Plus, we continued or started initiatives, several in collaboration with you. These initiatives address some of the most compelling issues facing our state.

One of the most urgent needs is to address the behavioral health issues that underlie many criminal, juvenile, and other cases.

In April, Governor Laura Kelly, President Ty Masterson, and then-Speaker Ron Ryckman Jr., accepted my invitation to join me in opening the first Kansas Mental Health Summit. Leaders of other state courts have commented about how remarkable it was to have the leaders of all three branches of government participate in such a summit. Certainly, it was a historic event for Kansas, and the presence of the Governor and our legislative leaders sent a strong message that this initiative was critical and one on which we would work together. I was honored to present with them and am deeply grateful for their commitment.

The summit brought local and national speakers together to educate more than 600 participants from all 31 Kansas judicial districts. Attendees included behavioral health professionals, law enforcement, prosecutors, first responders, and many others.
I want to recognize the judge who spearheaded organizing the summit and who has maintained the momentum post-summit. Judge Robert Wonnell, from Johnson County, joins us in the gallery today.

His exceptional work created a catalyst to determine how stakeholders can help the court system address behavioral health issues. Following the summit, he formed a statewide mental health community of practice. This group will continue to bring together legislative, executive, and judicial branch representatives to discuss ways to improve our response to justice-involved individuals with behavioral health issues.

Judge Wonnell also collaborated with local judges and others to establish local communities of practice. These groups have continued discussions started at the Summit about how to improve local responses.

These efforts have already changed lives, strengthened families, and made our communities safer. Thank you, Judge Wonnell. And thank you Representatives Brenda Landwehr and Susan Ruiz and Senators Pat Pettey and Carolyn McGinn for their involvement in these efforts.

Another focus in 2022 was strengthening and growing our network of specialty courts. These courts use problem-solving procedures like intensive supervision, treatment, and mentoring to address underlying factors that contribute to a person's involvement in the court system. Often that is a behavioral health or addiction issue.

Each defendant must complete an individualized plan to graduate from the treatment court program. These plans are much harder than typical probation conditions. But the rewards for Kansas and the graduates are worth it.

Graduates speak of how the program transformed their lives.

For Kansas, specialty courts reduce incarceration costs for the state and counties and lighten the burden on the home-based services provided by executive branch agencies. In addition, most graduates from criminal specialty courts do not reoffend, leading to safer Kansas communities.

Currently, twelve districts operate drug or alcohol specialty courts. Two operate criminal behavioral health courts, and a third will soon do so. Juvenile drug courts, outpatient treatment courts, and truancy courts are also active in Kansas.

Our judges also see defendants whose military service has caused behavioral health wounds that need attention. Five counties have a veterans treatment court, including one that started last month and two that are starting this month. Plans are underway to start a veterans treatment court in Saline County later this year. Each of these new courts is in a district where you added judges that gave us the bandwidth to conduct these time-intensive dockets that help veterans and others in specialty courts.

My written report, which has been delivered to your legislative mailboxes, includes a map showing the location of our specialty courts. Several judges involved with specialty court dockets are here today. I would ask them to please stand and be recognized.

The biggest barrier for expansion and creation of specialty courts is funding. Current funding for specialty courts is piecemeal with reliance on federal grants, local nonprofits, county funding, and private donations. Through Senator Jerry Moran's help, Kansas received federal grants to create and operate the veteran treatment courts in Leavenworth, Saline, Sedgwick, and Shawnee Counties and to expand and better
resource the Wyandotte County court.

I am grateful for Senator Moran's support and for your support of specialty courts. Last year, you enacted House Bill 2361, which established the Specialty Court Funding Advisory Committee. The Committee will identify and evaluate funding sources and make allocation recommendations to Judicial Administrator Stephanie Smith. Functionally, the legislation created an account to which funds secured by the advisory committee can be deposited. I thank Minority Leader Vic Miller, Representative Stephen Owens, and Senator Kellie Warren for their willingness to serve on this committee.

We also asked for members of your body to join with us to address another major issue: The shortage of attorneys in Kansas' rural areas. This shortage undermines access to justice and jeopardizes many Kansans' ability to obtain legal representation.

Based on the 2020 census and a 2021 study of attorney demand in the United States, we estimate rural Kansas collectively has only 25 percent of the attorneys needed to meet demand. In some areas, the shortage is even more dire. Judges across the state report they cannot find attorneys to appoint when the law requires them to do so. And your neighbors struggle to find an attorney to help with legal issues.

In response to this shortage, Justice K.J. Wall, who grew up in Scott City, will lead a Rural Justice Initiative. A diverse committee representing legal, business, and governmental interests join him in this effort. We are grateful that Senator Elaine Bowers and Representative Tory Blew agreed to help. Each member champions the communities they represent and the value that comes from living in our rural areas. Growing up in Goodland, I can attest to that value.

The Supreme Court has asked the committee to identify unmet legal needs across Kansas, study programs designed to recruit professionals to rural areas, and examine strategies to provide attorney services in underserved areas. I look forward to the ideas this committee will propose.

I told you of another initiative in last year's address soon after we had formed an Ad Hoc Committee on Best Practices for Eviction Proceedings. That group, chaired by Court of Appeals Judge Sarah Warner, has now presented its initial report. Building on that foundation, we received a grant to develop a voluntary eviction resolution program in Wichita. The program connects property owners and tenants to resources that help resolve cases earlier, leading to less litigation and cost. Lessons learned will help other courts develop similar programs and best practices to improve housing stability—a benefit to landlords, tenants, and our communities.

The last initiative I would like to highlight started with Johnson County District Court Judge Keven O'Grady. Judge O'Grady created the first self-help center in Kansas to provide a place for individuals without an attorney to come to the courthouse and meet basic legal needs—like accessing legal forms, diversion applications, and plain language explanations of procedures. The Johnson County center estimates it has met more than 31,000 requests for help since its inception in 2014.

Judge O'Grady's passion for self-help centers and other measures that improve access to justice serves as a catalyst for courts across Kansas and the nation. He was also instrumental in creating our Kansas protection order portal. Last August, Judge O'Grady received one of the highest recognitions in our profession, the National Center for State Courts' Mary C. McQueen Award for "extraordinary contributions to
improving the administration of justice." I congratulate Judge O'Grady and thank him. He joins us today in the gallery.

The effect of his efforts continues to grow in Kansas. In 2022, Kansas Legal Services began offering legal aid days at self-help centers in eight counties—Wyandotte, Johnson, Harvey, Thomas, Miami, Sedgwick, Franklin, and Ellis. And Bourbon County has now opened our latest center.

I have shared just a few of many examples of judges and employees tirelessly serving Kansas and working to improve access to justice. My written report includes additional examples and more information about the operation of Kansas courts. I urge you to read about the extraordinary efforts covered there.

As these examples suggest, the Kansas judicial branch is only as strong as its judges and employees. I want to take this public opportunity to thank Kansas judges and court employees for their creativity, hard work, persistence, and dedication to service.

While expressing gratitude, I would be remiss if I failed to thank the Legislature and Governor Kelly for the efforts to strengthen the judiciary over the last two sessions.

First, you enacted a significant shift in how the court system is funded. For decades, the judicial branch budget depended on unstable court user fees. This led to hiring freezes, and it risked court closures. Through your efforts last session, core judicial branch operations no longer face the unpredictability of fee funding. Those fees are still assessed, but last year's legislation shifted the deposits of those fees from accounts directly funding the judicial branch to the state general fund. Now, the judicial branch receives an amount from the general fund equal to that projected deposit. We can now plan accordingly. This funding stability is critical to strengthening the Kansas judicial system.

Next, you brought judicial employee salaries to 2021 market rates and provided a cost-of-living increase. You also increased the salaries for judicial positions.

Finally, based on a weighted caseload study conducted by the National Center for State Courts, you funded 23 new judge positions to relieve strained district court capacity. These very needed positions are the first since 2008. Citizens in communities with new judge positions are already benefitting from improved access to timely justice.

Thank you for this support. As we begin 2023, I ask for your help again. Market forces and inflation are already eroding your effort to bring employee salaries to market rate. Because of this, our budget asks for a cost-of-living increase for employee positions so we can continue to offer market rate pay to attract and retain the employees we need.

While we have started to address uncompetitive judicial pay, I ask you to please continue that effort. Our budget proposal requests a raise in judicial pay to a rate that allows us to better compete with the salaries well-qualified attorneys can command in Kansas' public and private legal markets.

To highlight the pay gap, some brand-new attorneys in the Kansas City area begin their careers making more than the district judges they appear before. Under the criteria you have set, those new attorneys could not apply to be a judge for at least another five years. Over those five years or more, their pay increases and the gap between what they make and what we can offer judge candidates grows wider.
Kansans, acting through you as their representatives, have given judges profound responsibilities. Judges impose criminal sentences that deprive life and liberty, resolve child custody disputes that affect fundamental parental rights, decide contract disputes impacting our business community, and conduct other criminal and civil proceedings that result in life-altering judgments.

Amelia Earhart said, "The most difficult thing is the decision to act. The rest is merely tenacity." Kansas courts have acted to strengthen our court system and we pledge continued tenacity in that effort. This body has collectively recognized the value of bringing the judicial branch to market pay so we can attract and retain well-qualified individuals. As the leader of the judicial branch, I ask you to be tenacious in accomplishing that goal. Your tenacity will reap benefits for your constituents.

Thank you for your time and attention today. I hope I have given you a better understanding of the Kansas judicial branch's efforts toward what I am confident is our shared goal—a goal of ensuring Kansans have a fair and impartial judicial system that functions in a timely and efficient fashion and provides our neighbors with good service.

I look forward to collaborating with you throughout the session and in the years to come to ensure we meet that goal.

May all of you and our great state continue to be blessed.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Oropeza, Bryce, Clifford and Eplee are spread upon the Journal:

Rep. Oropeza began with these remarks. It’s time for the 2023 Legislative Session and as you well know, your lifestyle will take on some major changes. Whether it’s high-stress debates, long nights of research and review, dinners out with fewer healthier choices, an increase in alcohol consumption, less time for physical activity or all the other situations you endure while working on policy to positively impact Kansas, the bottom line is – it’s likely a less-healthy time of year for you. We want to make sure you make it back to your family safely and healthy, so please take a moment to review the signs and symptoms of a heart attack and stroke. Minutes matter when it comes to these emergency situations, so if you are feeling off or notice any of these symptoms in yourself or others, call 911! Rep. Oropeza also pointed out the locations of defibulaters in the Capitol building.
Rep. Bryce contined and informed the body of the signs of a stroke using the acronym FACE. FACE DROOPING - Does one side of the face droop or is it numb? Ask the person to smile; ARM WEAKNESS - Is one arm weak or numb? Ask the person to raise both arms. Does one arm drift downward?; SPEECH DIFFICULTY - Is speech slurred, are they unable to speak, or are they hard to understand? Ask the person to repeat a simple sentence, like "the sky is blue." Is the sentence repeated correctly?; TIME TO CALL 911 - If the person shows any of these symptoms, even if the symptoms go away, call 911 and get them to the hospital immediately.

Reps. Clifford and Eplee read the following words:

WHEREAS, cardiovascular diseases (CVD) is the leading cause of death in Kansas and worldwide and stroke is Kansas’ 5th leading cause;

WHEREAS, hypertension, or high blood pressure is a leading risk factor of CVD and stroke;

WHEREAS, men, adults over 65, Blacks, and adults with lower income are more likely to be affected; and

WHEREAS, despite its prevalence, only one in five people has their High Blood Pressure under control, and less than half (46%) even know they have high blood pressure; and

WHEREAS, blood pressure is written as two numbers, such as 112/78 mm Hg. The top, systolic, number is the pressure when the heart beats. The bottom, diastolic, number is the pressure when the heart rests between beats. Normal blood pressure is below 120/80 mm Hg; and

WHEREAS, if you’re an adult and your systolic pressure is 120 to 129, and your diastolic pressure is less than 80, you have elevated blood pressure. High blood pressure is a pressure of 130 systolic or higher, or 80 diastolic or higher, that stays high over time; and

WHEREAS, high blood pressure usually has no signs or symptoms, which is why it is so dangerous. But it can be managed. Make sure you get your blood pressure checked regularly and treat it the way your doctor advises; and

WHEREAS, as American Heart Association is a trusted, passionate and relevant force for change to eradicate heart disease and stroke and be a relentless force for a world of longer, healthier lives; and

WHEREAS, Kansas Emergency Medical Service Association urges all Kansans to get regular medical screenings and know the risks, preventions, and care of cardiovascular disease; and

NOW, THEREFORE, the Kansas House of Representatives in recognition of the importance of hypertension awareness and the ongoing fight against heart disease and stroke, do hereby proclaim Wednesday, January 18, 2022 to be Blood Pressure Check Day at the Kansas Capitol.

Rep. Eplee thanked his fellow presenters and reminded everyone to get their blood pressure checked. He also introduced guests; Nancy Holland, Advocacy Director of the American Heart Association, Kansas and Arlen Broxterman, Riley County EMS as well as other Emergency Medical Professionals in the Gallery.

**HOUSE CONCURRENT RESOLUTION No. HCR 5004—**

By Representatives K. Williams, Thomas, Boyd, Donohoe, Estes, Featherston, Goddard, Haskins, Hill, Johnson, Landwehr, S. Miller, Murphy, Ousley, Poskin, Rhiley, L. Ruiz, Sanders, Schmoe, Schreiber, Stogsdill, Winn and Younger

A CONCURRENT RESOLUTION urging the U.S. Congress to fully fund the federal government's original funding promise under the individuals with disabilities education act.

WHEREAS, The federal education for all handicapped children act of 1975 was enacted by the congress of the United States and signed into law by the president of the
United States to address the failure of states to meet the educational needs of children with disabilities; and

WHEREAS, This act, known as the federal individuals with disabilities education act (IDEA) since 1990, remains the cornerstone of federal statutory mandates governing special education; and

WHEREAS, The purpose of the act was to ensure that all children with disabilities have available to them within specified time periods "a free appropriate public education which emphasizes special education and related services designed to meet their unique needs, to assure that the rights of children with disabilities and their parents or guardians are protected, to assist states and localities to provide for the education of all children with disabilities, and to assess and assure the effectiveness of efforts to educate children with disabilities"; and

WHEREAS, The federal government committed to pay 40% of the average per-student expenditures for the provision of special education services in public elementary and secondary schools in the United States; and

WHEREAS, Since 1975, including in the most recent amendments to IDEA in 2004, the congress of the United States has maintained the federal funding authorization at 40% of the average per-student expenditures for the provision of special education services; and

WHEREAS, The federal government has never paid its promised 40% share of the IDEA mandate, which forces states and local educational agencies to cover the remaining costs of the provision of special education services; and

WHEREAS, State legislatures, schools, disability groups and parent groups have been fighting for years to obtain full IDEA funding by urging the congress of the United States to bring federal IDEA appropriations up to the federal government's commitment to fund 40% of average per-student expenditures; and

WHEREAS, Because the promised federal funding level continues to not be met, the funding burden falls on states and local school districts, which leads to cuts in other state and educational programs and necessitates state and local tax increases: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That the Kansas legislature urges the congress of the United States to enact legislation to fulfill its original promise to pay 40% of the average per-student expenditures in public elementary and secondary schools in the United States to fully fund the federal IDEA mandate; and

Be it further resolved: That the secretary of state shall send an enrolled copy of this resolution to the presiding officers of each house of Congress and each member of Congress from Kansas.

HOUSE CONCURRENT RESOLUTION No. HCR 5005—

A CONCURRENT RESOLUTION making application to the Congress of the United States for a limited national convention for the exclusive purpose of proposing an amendment to the Constitution of the United States establishing term limits for members of Congress.

WHEREAS, The framers of the Constitution of the United States of America intended that the U.S. House of Representatives and the U.S. Senate of the United States of America should be "dependent on the people alone" (James Madison, Federalist 52); and

WHEREAS, Throughout American history, this dependency has evolved from a dependency on the American people alone to a dependency on powerful special interests, through spending by third-party groups, campaigns or out-of-state donors, which have created a fundamental imbalance in our representative democracy and eroded the people's trust in government; and

WHEREAS, Americans across the political spectrum agree that elections in the United States of America should be free from the disproportional influence of special interests and fair enough that any citizen can be elected into office; and

WHEREAS, The Constitution of the State of Kansas states that "all political power is inherent in the people, and all free governments are founded on their authority, and are instituted for their equal protection and benefit" (Bill of Rights, Section 2); and

WHEREAS, Article V of the Constitution of the United States requires the Congress of the United States to call a convention for proposing amendments to the Constitution of the United States upon the application of two-thirds of the legislatures of the several states; and

WHEREAS, The Kansas Legislature perceives the need for a convention in order to ensure balance and integrity in our elections by proposing an amendment to the Constitution of the United States that will establish term limits for members of Congress to prevent the accumulation of inordinate power in members with longevity who are able to amass high amounts of funds for reelection; and

WHEREAS, A national convention would give the American people an opportunity to come together as a nation, by discussing solutions on how to ensure the integrity of our elections and renew the American people's trust in government; and

WHEREAS, Article V of the Constitution of the United States clearly states that any amendment, whether proposed by the Congress of the United States or by a convention, must be ratified by 75% of the states, presently 38 states, ensuring that only the most
reasonable proposals with widespread support shall become part of the Constitution of
the United States; and

WHEREAS, Notwithstanding any federal or Kansas law to the contrary, the State of
Kansas desires its delegates to such a national convention to be composed equally of
individuals currently elected to state and local offices or to be selected by election in
each congressional district in Kansas, except that all individuals elected or appointed to
federal office, now or in the past, shall be prohibited from serving as Kansas delegates.
The State of Kansas intends to retain the ability to enforce the responsibility and
conduct of its delegation within the limits herein expressed: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate
concurring therein: That the people of the State of Kansas, speaking through its
legislature and pursuant to Article V of the Constitution of the United States, hereby
apply to the Congress of the United States to call a convention for the exclusive purpose
of proposing an amendment to the Constitution of the United States to set a limit on the
number of terms that a person may be elected as a member of the U.S. House of
Representatives and the U.S. Senate; and

Be it further resolved: That the Secretary of State shall send enrolled copies of this
resolution to the President of the United States, the Vice President of the United States
in the Vice President's capacity as presiding officer of the United States Senate, the
Speaker of the United States House of Representatives, the Minority Leader of the
United States House of Representatives, the President Pro Tempore of the United States
Senate, each Senator and Representative from Kansas in the Congress of the United
States, with the respectful request that the full and complete text of this resolution be
printed in the Congressional Record, the presiding officers of each legislative body of
each of the several states, requesting the cooperation of the states in issuing an
application compelling the Congress of the United States to call a convention for
proposing amendments pursuant to Article V of the Constitution of the United States.

**Governor Laura Kelly's Complete Text**

**of the State of the State**

Mr. Speaker… Mr. President… Madam Chief Justice and the entire Kansas Supreme Court… members of my Cabinet …leaders of the Kansas tribes… and all the constitutional officers and legislators assembled here tonight.

It is my honor to welcome Lieutenant Governor David Toland, his wife Beth Toland, and their children Caroline and William. As we all know, Lieutenant Governor Toland holds not one, but two jobs, and I think it’s fair to say that he has just wrapped up what has been the most successful year in history for any Kansas Secretary of Commerce. Thank you, David, for a job well done.

Joining us tonight via livestream are my husband, Dr. Ted Daughety, my daughters, Molly Daughety and Kathleen Daughety, my son-in-law Mathias Weiden, along with the newest addition to my family, my granddaughter, Laura “Rory” Weiden.

I know you have all been on pins and needles waiting for me to finally show up, and I appreciate your patience. Many of you, particularly House members, might be thinking that my late appearance is par for the course given my 14 years of operating on Senate time. That is not the case, however.

The delay was simply to ensure that I had a crowd to celebrate my birthday with.

Two weeks ago, I had the honor of being sworn in as governor of the State of Kansas for the second time.

I spoke about the importance of leaders choosing civility and unity, despite the hostility and division we often see in our national politics. I set a North Star for my second term:

Making Kansas the best place in America to raise a family… and I said that we can only get there if we work together.

Because, over the past four years, we’ve seen what can happen when we truly act as One Kansas:

Four straight years of balanced budgets …
Four straight years of fully funded schools …
Once and for all, we closed the Bank of KDOT …
And we landed the largest economic development project in the history of our state, Panasonic….

We created the largest budget surplus Kansas has ever seen…
And we did it all while cutting taxes for families, for veterans, for homeowners, for farmers and ranchers.

Long gone are the days of Kansas making headlines for failure and mismanagement.
Now – because we worked together – Kansas is back on track. Kansas is on the road to prosperity. And the state of our state is strong. Very strong. All of this happened because we came together, Democrats and Republicans. Not a single bill would have been signed into law if people had just dug in their heels and refused to budge.

Our friends in Washington could learn a thing or two from how we operate here in Kansas.

But we can’t get complacent.

So my message to you tonight is this: Continue to meet me in the middle.

That’s how Kansans solve differences in their everyday lives, and it’s the only way we’ll solve the big challenges ahead of us:

Like how to cut taxes for Kansans without jeopardizing our schools…how to attract businesses in a way that preserves the essence of our communities. How to ensure every Kansan can access the mental and physical healthcare they need to live happy, full lives.

I already released my budget, so tonight, let’s focus on those larger challenges – the ones I’ll need your help in addressing, the ones that will determine our state’s future.

Let’s start with taxes. As prices continue to rise, it’s clear that Kansans need relief, and they need it now.

In December, I released my comprehensive plan to cut taxes for working families and seniors, the “Axing Your Taxes” plan.

We began, last year, by finally axing the sales tax on food…

…but it doesn’t zero-out until 2025…so the very first thing we must do this session is fully eliminate it, effective immediately.

There is no reason that Kansans should ever look down at their grocery receipts and see this tax. Folks can’t afford it. Folks don’t deserve it. And there’s no need to wait for 2025. Let’s end it now.

But let’s not stop at food, let’s also axe the state sales tax on diapers and feminine hygiene products.

These are two other basic necessities that should be much more affordable for Kansas families – which is something I know both Republicans and Democrats agree upon.

That’s part one of the plan.

The second proposal is to create a four-day window every August in which Kansas families can purchase school supplies free from the state sales tax.

Let’s make sure “back to school” doesn’t break the backs of our parents.

This tax break will make preparing for back to school more affordable – and a lot less stressful. And the tax holiday will also reduce the burden on teachers – who all too often foot the bill for pencils, art supplies, and classroom decorations. Let’s make this happen.

The third proposal provides relief for our retirees – something I know is of the utmost importance to all of us here. Right now, Kansas retirees earning $75,000 per year or less don’t pay state income tax on social security.
But if they make one dollar more – whether that’s through investments or lower medical costs – the entirety of their social security income becomes subject to state income tax.

Many of my Republican colleagues here have long said this is bad policy and hurts our seniors. And I agree.

Our seniors have worked hard for their entire lives – and their next chapter in life shouldn’t be spent figuring out the Kansas tax code. Let’s axe that tax cliff and raise the threshold to $100,000 so more of our seniors can enjoy their retirement.

In total, the ‘Axing Your Taxes’ plan saves Kansans $500 million over the next three years – and that’s on top of the billion dollars in savings from the tax cuts we passed last year.

These are all ideas that Republicans and Democrats have proposed and supported in the past. Discussions are happening now. I’m ready to sign three, clean bills, to make sure that Kansans save on food, on diapers, on school supplies, and on retirement, right away.

We are in this position to responsibly provide tax relief because we have been laser-focused on creating a solid fiscal foundation for our state.

But let me make myself clear: I will stand against any irresponsible tax proposals that erode that foundation. We have been there before. We know where it leads. And we can’t go back.

Not to debt. Crumbling roads. An overwhelmed foster care system.

And perhaps most devastating of all, underfunded schools. We cannot go back to the days where financial irresponsibility here in Topeka robbed our Kansas students of opportunity.

Instead, let’s pass fiscally sound tax cuts that we can afford, that help working families and seniors – and that allow us to continue the progress we’ve made on education.

Earlier this month, I introduced a budget that fully funds our schools for the fifth year in a row.

And in case you’re wondering, my budget next year will also fully fund our schools, as will my budget every year I’m Governor.

And to further my commitment to students and families, my budget puts us on the path to fully funding Special Education.

This is a big investment, and make no mistake, I fully recognize that our partners in Washington haven’t done their part to deliver the federal funding they promised for Special Education services. I’ll continue to work with our federal delegation to push Congress to hold up its end of the bargain.

But in the meantime, Kansas families and Kansas schools need solutions. So let’s fix this.

Let’s fix it for kids like Danny Robeson, a fifth grader in the Shawnee Mission School District, who is here tonight with his mother, Laura.

Danny has cerebral palsy, epilepsy, and impaired vision, which means that he
requires extra support to learn alongside his peers.

Laura stepped away from being a teacher herself to take care of Danny. But, as a frequent volunteer at his school, Laura has seen first-hand what the funding gap means:

Special Education support staff earning well below a living wage…which in turn leaves the school understaffed and under pressure. Laura sometimes has to keep Danny home from school because there aren’t enough staff to ensure that he can learn safely.

The Special Education funding gap doesn’t just impact students with special needs. It impacts every student, because schools end up diverting funds away from other areas to provide these services.

But adequate funding isn’t the only issue our schools face.

I believe – and I think we can all agree – that the classroom is a very special place. It is where young minds are shaped and inspired. It’s where professional teachers devote every fiber of their being to ensuring that our students – our children – are cared for, are nurtured, are supported, and are educated.

What the classroom is not, however, is a place for politics.

Know this: I will oppose any efforts that are designed to turn parents against teachers… to turn communities against their schools… to turn young people away from the teaching profession. I will resist politicians who want to score political points at the expense of our students and our families. Our students should not be used as political pawns. Not ever.

We all agree our kids do better when parents and teachers are involved in their education…so rather than distracting ourselves with wedge issues, let's focus on giving them both the resources and the support they need.

If we do that, we will achieve our shared aspiration: To make Kansas public schools the very best in the nation.

It is the right thing to do, but it is also the smart thing to do.

And here’s why: Kansas is in a new era of growth. Thanks to the hard work of the Lieutenant Governor and his team at the Department of Commerce, we’ve brought Panasonic to De Soto, Hilmar Cheese to Dodge City, Amber Wave to Phillipsburg, and Bartlett Grain to Cherryvale…

Since the start of my administration, Kansas has brought in over $15 billion dollars of new capital investment… and we’ve created and retained over 54,000 jobs. It’s been quite remarkable.

But as our economic trajectory reaches higher and higher, there’s one thing in our way: There are not enough skilled workers for all the jobs we’re creating. It’s the hard truth, and we’re all aware of it: our labor shortages are driving up prices and stunting our economic growth.

This is another one of those big, existential challenges ahead of us. If we fail to train up a larger, more skilled workforce, businesses will stop knocking at our door. And the trend of our children and grandchildren moving to Missouri, to Colorado, to Texas in search of work, will accelerate.

We must stop this trend in its tracks. And we can do that by creating a strong pipeline of talent that has abundant educational and economic opportunities right here at
Fully funding education was an important place to start, but we must also look outside the traditional classroom. This past fall, I created the Office of Registered Apprenticeship in the Department of Commerce.

Right now, 3,500 Kansans are gaining the skills, the mentorship, and the credentials they need to succeed in the industries driving the future of our state, from energy to healthcare to advanced manufacturing.

Those are 3,500 Kansans who won’t just have jobs – they’ll have careers.

Those are 3,500 Kansans who will be able to support a family and save for retirement.

Those are 3,500 Kansans putting down roots and contributing fully to their communities.

My budget increases funding for the Office of Registered Apprenticeship, giving more Kansans the tools they need to join the modern workforce. We must continue building on the Office’s good work.

Another challenge demanding all hands on deck: Making sure that opportunity and economic prosperity extend to rural Kansas.

This past fall, Secretary of Agriculture Mike Beam and I traveled throughout Western Kansas. We met with leaders from Goodland, to Liberal, and no matter with whom we spoke – Republican or Democrat – we heard one thing over and over:

The single most important issue facing Western Kansas – and perhaps all of Kansas – is water. Our water supply is diminishing.

Parts of western Kansas have an estimated 10 years left. That’s 10 short years until the water that has powered our booming farming economy dries up.

For decades, politicians have kicked the can down the road when it comes to water. Waiting for some miracle to happen is not an option. We have to do something. All that we’ve achieved in the past four years is put at risk by inaction. That’s true in every part of our state, in Johnson County and Sedgwick County, in Sherman County and Seward County. We are one state, and if any part of our state suffers, we all suffer.

In recognition of this problem, last year, we updated the State Water Plan for the first time since 2009, and we fully funded it for the first time in 15 years. We also paid off state debt on two major water storage projects, freeing up $30 million for additional water preservation efforts.

In this year’s budget, we fully fund the State Water Plan for the second year in a row. We’ll divert more money to water projects by paying off other debt early…and we’ll make additional investments to work with our producers and irrigators to ensure our water quality and quantity.

That includes Ron and Marsha Schilling, respectively fourth- and fifth-generation family farmers, whom I met on my trip to Edson, a town near Goodland – along with their granddaughter, Kaelyn.

In the early 2000s, water tables indicated that there were very few years left to continue irrigated agriculture in the Goodland area. Instead of throwing up their hands,
Ron and Marsha literally threw down their plows, implementing water conservation practices like strip-till and water-saving irrigation technology.

Now, 20 years later, it turns out that their work has more than paid off. The Schillings are growing more bushel with less water, increasing the life of the Ogallala Aquifer in their region. In short, they’re making it possible for Kaelyn to become the seventh generation to work their family farm.

The Schillings are here with us tonight, representing the family farmers and ranchers across Kansas, who keep our state’s economy humming and our rural communities thriving. Ron, Marsha, and Kaelyn, please stand to be recognized.

Farmers like Ron and Marsha are showing us a path forward. To replicate their success statewide, we will bring even more producers to the table – along with other stakeholders – to ensure a clean, abundant water supply for generations to come.

But we cannot talk about rural Kansas without talking about Medicaid Expansion.

Now I know, I sound like a broken record, but it’s only because we have a broken healthcare system.

Already, too many rural hospitals have shut their doors. When that happens, the communities have been devastated.

These Kansans have to drive hours to receive their basic care.

Our doctors, nurses, and hospital staff leave for higher pay in neighboring states, worsening our healthcare workforce shortage.

To date, we have left $6 billion dollars in Washington, D.C. – squandering our own taxpayer dollars. And we have forfeited 23,000 jobs for Kansans.

There is an obvious way to stop the bleeding: Expand Medicaid.

The argument for expansion is simple – and should be one on which we all agree. Regardless of political party, we all want our rural communities to be hubs of commerce and economic activity.

That’s one of the reasons we created the Office of Rural Prosperity – to get more resources to our smaller towns. We’ve welcomed new businesses and jobs to Western and Southeast Kansas. We’ve invested in rural housing. We’ve expanded high-speed internet. All of that work has been essential, and we’ll continue to do it.

But, by far the most impactful thing we could do for our small towns would be to draw down the billions of dollars – once again, our own hard-earned tax dollars – that are just sitting there.

By far, the fastest way to a healthier workforce would be to enable 150,000 Kansans to have access to affordable healthcare.

Every single other state surrounding us has expanded Medicaid – including Republican-led states like Iowa, Oklahoma, Missouri, Nebraska, and South Dakota. In many cases, it was because the issue was taken directly to the people – who, not surprisingly, voted in favor of jobs and healthcare.

The data show Kansans are aligned with our neighbors. The Docking Institute at Fort Hays State University has long tracked this issue, and now finds that more than 7 in 10 – over 70% of – Kansans support expanding Medicaid.
It’s clear that blocking Medicaid Expansion means working directly against the interests and preferences of the people of Kansas.

And if you’re sick of hearing me talk about this, and you don’t want to hear about it again in next year’s speech, let’s expand Medicaid this session.

There’s another common-sense way to improve health care here in Kansas – and that’s to finally legalize medical marijuana.

In 39 other states, Americans with chronic pain, seizure disorders, and PTSD can access medical marijuana to relieve their suffering. But, despite the fact that a very clear majority of physicians believe medical marijuana should be part of a comprehensive pain management and palliative care plan, it’s still illegal here in Kansas.

In fact, just a few weeks ago, right before Christmas, police raided the hospital room of a terminally-ill man in Hays. Greg Bretz was using marijuana to ease his pain. He was then ordered to appear in court – despite not being able to get out of bed. We all know that was ridiculous.

This is not to blame the police – the police were just enforcing the law. That means the law itself is ridiculous.

Greg died two weeks ago, the first week of session. His passing reminded me of an op-ed that appeared in the Wichita Eagle last May. It was written by David Auble, a self-described conservative, a U.S. Army veteran from Paradise, Kansas, who was battling his second bout with cancer.

His missive was addressed to the Kansas Senate. In it, Dave wrote, and I quote: “I’m running out of time…I can barely lift my head; my legs are tingly and I have a trachea breathing tube. You have no idea how terrifying it is when you can’t move air in or out.” End quote.

Despite friends urging him to get medical marijuana on the black market, Dave refused. He said, “I don’t intend to break the law even though my situation is growing more severe. That’s not who I am.”

Dave passed away just a few weeks after the op-ed was published, never having received the relief he needed and so fiercely advocated for. He is survived by his friend Chris Howell, who advocated alongside him at the Statehouse and who has since taken care of his beloved dog. Chris is here with us tonight – Chris, thank you for taking care of your friend and for being here on his behalf. Could you please stand to be recognized?

Every day, thousands of Kansans are forced to choose between breaking the law and living without pain. It is an unbearable choice – and an absolutely unnecessary one.

Let’s do better in Dave’s honor. In honor of the kids experiencing multiple seizures per day…In honor of veterans suffering with PTSD. Let’s make Kansans’ lives better, and let’s do it right now.

That’s not to say that legalizing medical marijuana won’t be complex. Of course it will.

We’ll need to put in place effective safeguards to ensure that it’s used appropriately and that it’s not abused. But I believe, like with everything else, if you and I work together, we can find a fair and common-sense solution. 39 other states have figured
this out. Surely, Kansas can too.

Another area where we should be able to find common ground is our state’s mental health system.

Much like the nation as a whole, we are at a crisis point here in Kansas when it comes to mental health. Recently, a study by Mental Health America ranked Kansas last in the country on rates of mental illness and access to mental health services.

In the past, we have taken action on this. We’ve launched 9-8-8, the new three-digit code for the National Suicide Prevention Lifeline.

We have expanded mental health programming in our schools so that more than double the number of students are now being served. We’re opening up new youth psychiatric beds so more kids can get the intensive treatment they need.

But there’s more to do. And we need to do it together. My budget expands Mental Health Intervention Teams in our schools to have an even greater reach. It also provides funding for adult psychiatric services in the Wichita area, and funding to address the shortage of mental health workers across the state.

We also need to pass legislation to guarantee mental health care for our first responders. Right now, our police officers, our firefighters, our EMTs and paramedics are not eligible for workers compensation for PTSD – even if they experienced the traumatic event on the job. That is unacceptable. We say we value our first responders. Let’s put our money where our mouth is and protect them just like they protect us.

Also related to the mental health crisis is the rise in opioid overdoses we’re seeing across the Midwest. This crisis is hitting our state particularly hard.

In 2021, Kansas saw the nation’s second-highest increase in drug overdose deaths, a spike driven by fentanyl.

Opioids like fentanyl have rightly caused a lot of concern across the state. I’ve heard from local officials who are seeing the toll of this epidemic right in their own backyards.

I have made historic investments to give law enforcement the resources to crack down on the criminals who are pushing illegal drugs on our children, and I will continue to do so.

But as we work to stop the supply of drugs, we should also be focused on decreasing demand.

Drug addiction is a disease, not a moral failing. Which means we need to change the way we treat it.

My budget gives schools the funding they need to have naloxone on hand – so that should a student overdose, first responders will have enough time to get to the scene to save a life on the spot.

But we also need to decriminalize fentanyl test strips. We’ve debated this before. The reality is test strips save lives and money. Let’s get a bill passed this session that decriminalizes these strips and prevents exposure to fentanyl in the first place – long before it kills more Kansans.

Much of tonight has been about the next four months.
And to be clear, as evidenced in my budget, there’s much more I am focused on: Expanding high-speed internet...building and rehabbing middle-income and affordable housing...keeping higher education accessible...and shoring up our state’s technology and cybersecurity.

But now, I want to talk about the next four years, and the decades after that.

During my swearing in, I said our North Star is making Kansas the best place in America to raise a family. That means a state where parents are supported, where childcare is abundant and affordable, and where our kids get the strongest start to life.

If we’re serious about reaching that North Star, we need to put more focus, more energy, and more resources into finding solutions.

Immediately after my inauguration, I issued the first executive order of my second term:

It established a task force that will explore the creation of a Cabinet-level agency dedicated to early childhood. The agency will be completely focused on improving services for our kids during the most critical time of their development.

This should be a place where we can find bipartisan agreement. We all – Republicans and Democrats – want a state where our children, our grandchildren, and our great grandchildren have more and better opportunities than we had.

In the past four years, we’ve turned our state around. Now, by working together, we can achieve a Kansas families will want to call home for generations.

I’ve talked a lot this evening about how doing the right thing is far more important than adhering to any party line.

That may be unique in the country, but it’s not unique in Kansas. Throughout the history of our great state, Kansans have repeatedly worked across the aisle for a better future.

Think of Kansas becoming one of the first states to ratify the 19th Amendment. Just over one hundred years ago, legislators came together and unanimously said ‘yes’ to giving women the right to vote.

Think also of Dwight Eisenhower, who, during World War II, led this country – and the world – through the toughest battle it had ever known, without an eye to politics or partisanship. He was so revered, in fact, that both parties thought he should be their candidate for president in 1952.

And think of one of the brave men General Eisenhower led during that war: our own Bob Dole, who went on to become a U.S. Senator and teamed up with a Democrat from Iowa to expand civil rights by passing the Americans with Disabilities Act.

So, by seeking your continued partnership, I’m not asking for the impossible, or something that’s never been done before. Kansans have long worked together to take on the challenges facing them.

And don’t forget, you and I have, too – 286 times over these past four years. Every time I signed a bill into law, it had bipartisan support. We haven’t always seen eye-to-eye, but the truth is, only when we’ve banded together, have we made real progress.

That’s why I’m asking you tonight to, again, meet me in the middle. On so many issues facing our state – from tax relief to water to health care – the best solutions aren’t
Republican or Democrat. They’ll come from compromise and collaboration…finding common-sense, and middle-of-the-road solutions.

Over the next four years, we must see each other as partners, not as foes, to build on all we’ve accomplished in the last four years. Together, we will make Kansas the very best place in America to raise a family.

God bless Kansas and all of its people. Thank you and goodnight.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Buehler are spread upon the Journal:

In commemoration of the 100th Anniversary of University of Saint Mary in Leavenworth, Kansas, we are presenting this Certificate.

The University of Saint Mary traces its roots to the Sisters of Charity of Leavenworth’s arrival in Kansas’ first city—prior to Kansas' statehood. In 1858, Mother Xavier Ross and a small contingent of Sisters of Charity arrived in the Kansas Territory at the behest of Bishop Miege to teach and care for the needs of the area’s children and tend to the sick. Within days of their arrival, the Sisters opened an academy for girls. Growth at the academy prompted the Sisters to open a much larger boarding school and orphanage in 1870 at the site of the current University of Saint Mary.
This thriving academy led to the birth of Saint Mary College, a junior college for women, in 1923. The academy itself continued on until 1950 when it expanded to a four-year institution in 1932; began offering master’s degrees in education in 1950; and, after years of offering educational opportunities to both men and women, became residentially co-educational in 1988; and became the University of Saint Mary in 2003.

Throughout its history, Saint Mary has focused on meeting the specific needs of students—particularly Kansas students. Saint Mary has offered classes in multiple locations, including past sites in Kansas City, Kansas and Shawnee, Kansas, and currently in Overland Park, Kansas.

To meet the needs of its students and our larger society, Saint Mary has developed a focus on health care education, educating among others, hundreds of nurses and physical therapists that continue to work in Kansas.

Saint Mary has made a historical effort—recently re-established—of also providing educational opportunities to the incarcerated at Lansing to help reduce recidivism; and particularly serves First-Generation students, helping break the cycle of poverty in dozens of Kansas families.

Saint Mary today serves more than 1,100 students from over 35 states and a dozen countries in the classroom and online. The University of Saint Mary employs more than 200 Kansans as faculty and staff who are committed to the Saint Mary mission of helping students excel through personal attention with a commitment to affordability and access.

There are thousands of Saint Mary graduates benefitting the people of Kansas as teachers and law enforcement officers; nurses, doctors, and executives; technology professionals, accountants, and artists.

The University of Saint Mary is a significant economic engine in the state of Kansas, contributing $63.4 million in economic impact per year and $4.2 million in state and local tax revenue.

The University of Saint Mary lives its mission, in part, by preparing Kansans to serve the people in this great state. We would like to commend and celebrate the 100th Anniversary of The University of Saint Mary in Leavenworth, Kansas which has been Educating with a Deeper Purpose for a century, inspiring generations of students to realize their God-given potential in value-centered lives and careers.

The HOUSE of Kansas presents this certificate to the University of St. Mary in commemoration of their 100-year Anniversary.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Minnix and Vaughn are spread upon the Journal:

Thank you Mr. Speaker. Good morning body. We want to take time this morning to honor two Groundwater Management Districts from western Kansas and their District Managers who are here with us today. GMD 1 is based out of Scott City and is led by Katie Durham. She is also joined by her board president and local producer Mark Callendar. GMD 4 is based out of Colby and is led by Shannon Kenyon. She is joined by her board member and local producer Shane Mann, as well as staff member Colter
Stoll. I live in GMD 1 where I farm and ranch and have had the pleasure of working with GMD 1 over the years.

Groundwater Management Districts, or GMD’s, were created in the 1970’s when producers first started to see the direct impact of large-scale irrigation and the associated groundwater declines on their farms. These farmers wanted the ability to create locally designed management plans to conserve their groundwater resources. Thus, five GMD districts were created representing various geographic and hydrologic areas across the state. However, while the creation of these districts was a good step forward, concerns over significant groundwater depletion have persisted. The aquifer has declined as much as 60% in some parts, leaving large swaths of the Ogallala with less than 50 years of usable life remaining. That means if something doesn't change, most of our groundwater could be gone in our lifetimes. As many of you can imagine, this would be devastating to rural communities across Kansas, and for our state's agricultural economy.

In 2012 a law was passed creating a new conservation tool for GMD’s to use called Local Enhanced Management Areas. LEMAs are innovative management plans, where producers from across the district come together and agree to use less water in exchange for greater flexibility of that usage. GMD 1 and 4 have championed water conservation practices in their communities and have helped implement the very first LEMA’s in Kansas.

In 2012, GMD 4 helped enact the "Sheridan-6" (SD-6) LEMA covering 100+ square miles and almost 200 wells in Sheridan County. Their original goal was a 20% reduction in water use. They have since surpassed that with a nearly 35% reduction in historic use. Research also shows that these producers have become even more profitable, due to the decreased cost of their inputs. The SD-6 LEMA has now been extended twice and is entering its third 5-year period. Furthermore, the success of SD-6 led to the creation of a GMD4 district wide LEMA in 2017, which is now undergoing re-approval for another five years.

GMD 1 first tried to implement a LEMA in 2013-14. After a significant community hearing process, though, that LEMA unfortunately failed. However, the GMD didn’t give up. In 2016 and 2017, GMD1, led by Wichita County water users, developed and adopted a Wichita County Water Conservation Area (WCA), another water conservation tool. Due to their positive experience with the WCA, producers led the charge to create a Wichita County LEMA in 2021. Their original conservation goal was a 25% reduction in water use, but results from the first two years show a reduction closer to 28%. Now, GMD 1 is pursuing a district wide LEMA of their own called the "Four County LEMA." This LEMA is nearing completion with the second public hearing on Feb 2 and could become effective later in 2023.

Shannon and Katie, as well as their boards and predecessors have taken on the difficult task of not only changing their groundwater management practices, but of changing the hearts and minds of producers who rely upon this crucial resource. They have persevered through countless public hearings, opposition, and setbacks, and have come out the other side with a community of producers that support and rely on them. GMD 1 and 4 are committed to producer engagement, community education, and to advocating for local solutions to groundwater decline. As our Chief Engineer recently stated regarding the declining aquifer, “The hour is late, but all is not lost.” Shannon, Katie and their boards are the leaders in our state who are blazing a new path forward.
Please join us in commending them for their outstanding work bringing their communities together and extending the life of the Ogallala and High Plains aquifers for the benefit of our entire state and for future generations of Kansas.

Rep. Minnix and Vaughn presented their guests with framed House certificates in honor of their contributions to the state of Kansas.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Thomas are spread upon the Journal:

Thank you Mr. Speaker.

Colleagues, today we gather to celebrate some very special people, who have joined me on the floor this morning. These folks represent the leaders, mentors, and role models for our children on a daily basis. People who answered the call to serve families, and assist in molding the next generation. Their impact on the lives of our children will remain in memory for a lifetime. They are teachers, they are warriors, and today, we honor them.

The people who have joined me today, represent the Regional Kansas Teachers of the Year as well as our coveted Kansas Teacher of the Year. It is an honor to have them here today, and I hope you will join me in honoring them.

I remember, in my own childhood, several teachers who went above and beyond for a little guy who had no attention span, got off task often, and needed some time on the wall during recess. I remember Mrs. Janice Hiel (now Craven), taking time to help me through kindergarten, and always letting my parents know when I did something good. I remember Mrs. Genie Hocott in first grade, who went above and beyond to make sure even a hyper little 7-year-old like me got the knowledge and understanding to keep going. Mrs. Stoker, Mrs. Boyce (now Nellis), Mrs. Robertson, Mrs. Roskop, Mrs. Degroot, Mrs. Sexton, Mr. Ferguson, every one of them touched my life in a way I will never forget. And yes, I am sure I caused them increased blood pressure, anxiety, and stress that few others would have handled. And yet, they always believed in me. And I truly love them for that.
Today, it is an honor to recognize those who will have these same stories told of them one day, perhaps in the very chamber we stand in right now. Please raise your hand as I call your name. Colleagues, once all the names are called, please join me in congratulating, thanking, and encouraging the fine folks that give up so much for the sake of our children.

From one of the best districts in the state I happen to represent –

Spring Hill, USD 230, Jessica Gazzano, who teaches 6-8th grade Art and Publications;
Emporia, USD 253, Erica Huggard, who teaches 10-12th grade Biology, Anatomy, and Physiology;
Cheney, USD 268, Mallory Keefe, who teaches Preschool;
Topeka, USD 501, Pamela Munoz, a Kindergarten teacher;
Louisburg, USD 416, Kendal Norberg, a 4th grade teacher;
Ottawa, USD 290, Jaimie Swindler, Special Ed teacher for grades 9-12;
Hutchinson, USD 308, Carly Torres, a 5th grade teacher.

Finally, our Kansas Teacher of the Year, from – Newton, USD 373, an Interrelated Special Ed and English teacher, Mr. Brian Skinner. Please join me in honoring them.

Colleagues, I ask you join me in a unanimous Aye! Vote, passing this resolution, to honor our Kansas Teachers of the Year.

Prayer by Chaplain Brubaker:

God in Heaven,
thank You for the gift of this day.
I come to You today asking for wisdom and guidance.
For these leaders I pray the prayer of King David:
“Show us your ways, Lord,
teach us your paths.
Guide us in your truth and teach us,
for you are God our Savior,
and our hope is in you all day long…
He guides the humble in what is right
and teaches them his way.
All the ways of the Lord are loving and faithful
toward those who keep the demands of his covenant.”
Nothing we face today comes as a surprise to You.
So, I ask that You give our leaders your matchless wisdom
and may they listen and respond.
I pray in Christ’s Name, Amen.
(Psalm 25:4-5; 9-10)

On roll call, the vote was: Yeas 80; Nays 39; Present but not voting: 0; Absent or not voting: 6.

Present but not voting: None.

Absent or not voting: Bloom, Donohoe, Helgerson, Neighbor, Osman, Waggoner.

The resolution was adopted.

EXPLANATION OF VOTE

Mr. Speaker: Last year we saw extreme examples of the abuse of the conference committee process, with content that had never been seen by any committee in either house inserted in education and sports gambling bills that were considered in the middle of the night, and a tax bill with TWENTY-NINE different bills bundled together. We had an opportunity to make sure that these abuses don’t happen again, but we squandered it. I vote NO on HCR 5002. – DENNIS “BOOG” HIGHBERGER, TREvor JACkBS

HR 6004, A RESOLUTION adopting the permanent rules of the House of Representatives for the 2023-2024 biennium, was considered on final action.

On roll call, the vote was: Yeas 79; Nays 41; Present but not voting: 0; Absent or not voting: 5.

Present but not voting: None.

Absent or not voting: Donohoe, Helgerson, Neighbor, Osman, Waggoner.

The resolution was adopted, as amended.

EXPLANATIONS OF VOTE

Mr. Speaker: I have gotten used to an unwillingness on the part of the majority party to make our rules more fair and transparent, but this year takes the cake. In addition to rejecting simple changes, like recording committee votes and limiting our ability to work in the middle of the night when our constituents can’t watch, this body voted to shut the majority of our members of both parties out of any meaningful participation in
budget discussions and refused to adopt basic principles of fairness, like proportional representation on committees. Today is a sad day in the history of this body. I vote NO on HR 6004. – DENNIS “BOOG” HIGHERBERGER

Mr. Speaker: The majority party talks a big game about doing things in “a better way.” However, yesterday’s actions and the final version of HR 6004 reveals that most of their members support the same old worn out processes our constituents revile. Unrecorded votes reflect a lack of transparency and working past midnight reflects a poor way of crafting new laws. There is a better way to do business in this chamber. This is not it. I vote NO on HR 6004. – VIC MILLER

COMMITTEE ASSIGNMENT CHANGE

On motion of Rep. Croft, the House adjourned until 11:00 a.m., Tuesday, February 7, 2023.
The House met pursuant to adjournment with Speaker Hawkins in the chair.
The roll was called with 124 members present.
Rep. Howe was excused on excused absence by the Speaker.
Prayer by Chaplain Brubaker:

Gracious and Loving God,
We thank You for life and for Your mercy.
Ecclesiastes 4:9-12 tells us that
“Two are better than one,
because they have a good return for their labor:
If either of them falls down,
one can help the other up.
But pity anyone who falls
and has no one to help them up.
Also, if two lie down together, they will keep warm.
But how can one keep warm alone?
Though one may be overpowered,
two can defend themselves.
A cord of three strands is not quickly broken.”
Help us to follow your example to work in unity.
Whenever we feel we are working alone,
help us to remember how the Trinity works together
and to follow that path.
This I pray in Your Name, Amen.

The Pledge of Allegiance was led by Rep. Sutton.

Prayer by Chaplain Brubaker:

Heavenly Father,
thank You for our leaders today.
Help them to realize that in leading,
they really are serving.
So, help them in being servant leaders,
working in humility and in a spirit of cooperation.
I pray for leadership guidance for each one.
Enable them to look out for the interest of others.
Give them divine wisdom and understanding
as they seek to identify the needs of people.
And may the outcome of their decisions
be that which produces effective positive impact
on those whom they serve.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Ballard.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Eplee, Clifford, Bryce and Oropeza are spread upon the Journal:

Today, we wanted to take a moment to recognize the work of the Immunize Kansas Coalition, a broad statewide coalition that works to protect all Kansans from vaccine-preventable diseases, by improving vaccination rates, increasing access to vaccines, and strengthening vaccine confidence through education, awareness, and partnerships with trusted community sources.

We wanted to take a moment to remind everyone that vaccines are one of the greatest public health achievements, saving millions of lives and preventing countless cases of disease and disability.
We know that these vaccines have eradicated smallpox, eliminated wild poliovirus in
the United States, and significantly reduced the number of cases of diphtheria; haemophilus influenzae type B; hepatitis A; hepatitis B; measles (rubeola); meningitis; mumps; pertussis (whooping cough); pneumococcal disease; poliomyelitis; rubella (German measles); tetanus; and varicella (chicken pox).

The CDC estimates that the vaccination of children born between 1994 and 2018 in
the U.S. will prevent 472 million illnesses, help avoid 1,052,000 deaths and save nearly
$2.22 trillion in total societal costs, including $479 billion in direct costs.

A 2022 poll by Nurture KC and the Mid America Immunization Coalition found that
more than 9 in 10 Kansas voters believe taking vaccines for diseases like measles, mumps, and polio is extremely or very important to maintain good health.

And the same poll found that more than 9 in 10 Kansas voters support wellness
vaccine requirements for all children to attend K-12 schools or child care facilities.

Even so, national and global reports indicate many children have missed routine
immunizations over the past few years, leaving them and their communities vulnerable
to vaccine-preventable diseases.

It is imperative that we raise awareness of the need for timely vaccinations at the
local, state, and national level to increase vaccination rates for these children.

To the members and representatives of the Immunize Kansas Coalition, thank you for
your important work to keep Kansans safe from vaccine-preventable diseases. Joining
me at the Well today is Dr. Gretchen Homan, current President of the Kansas Chapter of
the American Academy of Pediatrics. She and her physician members are the best
advocates of childhood health and wellness, including vaccinations in Kansas. She also
is a past president of the Immunize Kansas Coalition. It is such a privilege to recognize
her advocacy through I.K.C. and the KS Chapter of A.A.P. Also in the gallery are many
members of our pediatric community and I.K.C. Let us recognize both. Also join me
tonight at 5 PM at the K.M.S. offices to thank them in person at our I.K.C. Reception.

Rep. Eplee presented Dr. Homan with a framed House certificate in honor of her
work with the children of Kansas.

Further appropriation and other provision for finance of institutions of higher education may be made by the legislature.

(b) The legislature shall make suitable provision for finance of the educational interests of the state. No tuition shall be charged for attendance at any public school to pupils required by law to attend such school, except such fees or supplemental charges as may be authorized by law. The legislature may authorize the state board of regents to establish tuition, fees and charges at institutions under its supervision.

(c) No religious sect or sects shall control any part of the public educational funds. No public moneys shall be appropriated or paid nor any public credit shall be utilized by the legislature or any other political subdivision of the state, directly or indirectly, to aid or maintain any private nonpublic school that provides elementary or secondary education."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to prohibit public funds from being used for private nonpublic schools.

(C) restrict a person's driving privileges when required by K.S.A. 39-7,155, and amendments thereto.

(2) As used in this subsection, "conviction" means a final conviction without regard to whether the sentence was suspended or probation granted after such conviction. Forfeiture of bail, bond or collateral deposited to secure a defendant's appearance in court, which forfeiture has not been vacated, shall be equivalent to a conviction. "Conviction" includes being convicted of a violation of K.S.A. 21-3765, prior to its repeal, or subsection (a)(5) of K.S.A. 2022 Supp. 21-5801(a)(5), and amendments thereto.

(c) When the action by the division restricting, suspending, revoking or disqualifying a person's driving privileges is based upon a report of a conviction or convictions from a convicting court, the person may not request a hearing but, within 30 days after notice of restriction, suspension, revocation or disqualification is mailed, may submit a written request for administrative review and provide evidence to the division to show the person whose driving privileges have been restricted, suspended, revoked or disqualified by the division was not convicted of the offense upon which the restriction, suspension, revocation or disqualification is based. Within 30 days of its receipt of the request for administrative review, the division shall notify the person whether the restriction, suspension, revocation or disqualification has been affirmed or set aside. The request for administrative review shall not stay any action taken by the division.
(d) Upon restricting, suspending, revoking or disqualifying the driving privileges of any person as authorized by this act, the division shall immediately notify the person in writing. Except as provided by K.S.A. 8-1002 and 8-2,145, and amendments thereto, and subsections (c) and (g), if the person makes a written request for hearing within 30 days after such notice of restriction, suspension or revocation is mailed, the division shall afford the person an opportunity for a hearing as early as practical not sooner than five days nor more than 30 days after such request is mailed. If the division has not revoked or suspended the person's driving privileges or vehicle registration prior to the hearing, the hearing may be held within not to exceed 45 days. Except as provided by K.S.A. 8-1002 and 8-2,145, and amendments thereto, the hearing shall be held in the person's county of residence or a county adjacent thereto, unless the division and the person agree that the hearing may be held in some other county. Upon the hearing, the director or the director's duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require an examination or reexamination of the person. When the action proposed or taken by the division is authorized but not required, the division, upon the hearing, shall either rescind or affirm its order of restriction, suspension or revocation or, good cause appearing therefor, extend the restriction or suspension of the person's driving privileges, modify the terms of the restriction or suspension or revoke the person's driving privileges. When the action proposed or taken by the division is required, the division, upon the hearing, shall either affirm its order of restriction, suspension, revocation or disqualification, or, good cause appearing therefor, dismiss the administrative action. If the person fails to request a hearing within the time prescribed or if, after a hearing, the order of restriction, suspension, revocation or disqualification is upheld, the person shall surrender to the division, upon proper demand, any driver's license in the person's possession.

(e) In case of failure on the part of any person to comply with any subpoena issued on behalf of the division or the refusal of any witness to testify to any matters regarding which the witness may be lawfully interrogated, the district court of any county, on application of the division, may compel obedience by proceedings for contempt, as in the case of disobedience of the requirements of a subpoena issued from the court or a refusal to testify in the court. Each witness who appears before the director or the director's duly authorized agent by order or subpoena, other than an officer or employee of the state or of a political subdivision of the state, shall receive for the witness' attendance the fees and mileage provided for witnesses in civil cases in courts of record, which shall be audited and paid upon the presentation of proper vouchers sworn to by the witness.

(f) The division, in the interest of traffic and safety, may establish or contract with a private individual, corporation, partnership or association for the services of driver improvement clinics throughout the state and, upon reviewing the driving record of a person whose driving privileges are subject to suspension under subsection (a)(2), may permit the person to retain such person's driving privileges by attending a driver improvement clinic. Any person other than a person issued a commercial driver's license under K.S.A. 8-2,125 et seq., and amendments thereto, desiring to attend a driver improvement clinic shall make application to the division and such application shall be accompanied by the required fee. The secretary of revenue shall adopt rules and regulations prescribing a driver's improvement clinic fee which shall not exceed $500

Amounts received under this subsection shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the same in the state treasury as prescribed by subsection (f) of K.S.A. 8-267(f), and amendments thereto.

(g) When the action by the division restricting a person's driving privileges is based upon certification by the secretary for children and families pursuant to K.S.A. 39-7,155, and amendments thereto, the person may not request a hearing but, within 30 days after notice of restriction is mailed, may submit a written request for administrative review and provide evidence to the division to show the person whose driving privileges have been restricted by the division is not the person certified by the secretary for children and families, did not receive timely notice of the proposed restriction from the secretary for children and families or has been decertified by the secretary for children and families. Within 30 days of its receipt of the request for administrative review, the division shall notify the person whether the restriction has been affirmed or set aside. The division shall remit all revenues received from such fees, at least monthly, to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto, for deposit in the state treasury and credit to the state highway fund;.

Let us bow our heads in humble prayer for our leaders, their staff, constituents and families who support them.

We give thanks, Lord, for all who have followed their calling into leadership. May your Spirit be the voice of wisdom as our leaders work toward one common goal... representing those who placed their vote of confidence in them.

We thank you for the support staff. May they know the importance of their contributions to their leaders and people they serve. Give them the strength and energy to fulfill their responsibilities.

Dear Father in Heaven, we thank you for family support; their patience; understanding; and most importantly, their gracious love for their husbands and wives who serve the people.

We're blessed to live in a democracy where we can work respectfully across party lines. As it is written in Galatians 5:22-23, may our leaders share the Spirit of love, patience, kindness & forbearance; with the ultimate goal of peace upon completing the legislative work that benefits our people and the economy.

We thank you, Almighty Creator, that our leaders bravely and boldly represent, with the discerning Spirit of the Lord, the people, be they rich or poor, so all may have a blessed quality of life. Amen

Whenever under any statute, county resolution or city ordinance retirement, or termination on the basis of age, of any employee is required at a certain age, or is optional with the employer at a certain age, such provisions of such statute, resolution or ordinance shall be controlling and shall not be limited by this section.

(e) All notices of job openings, if any, and all applications for employment, if any, by the state and any city or county in this state shall state that the job is subject to a veteran's preference, how the preference works and how veterans may take advantage of the preference and post a written statement of: (1) The qualifications for such position; (2) any preferred qualifications of such position; (3) performance standards for the position; and (4) the process that will be used for selection. A veteran, or a spouse who qualifies for the veteran's preference, desiring to use a veteran's preference shall provide the hiring authority with a copy of the veteran's DD214 form or the DD214 form of the veteran under which the spouse qualifies for the preference.

(f) Every employment center of the state and any city or county human resources department, if any, shall openly display documents that indicate that veterans are eligible for a preference in their initial employment and any first promotion within the employment of the governmental entity.

(g) Any veteran who alleges that a state agency, city or county has not provided the veterans preference as required by this act, after exhausting any available administrative remedy, may bring an action in the district court.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Woodward, Blew, Ballard, K. Williams and Howe are spread upon the Journal:

**Rep. Woodard**: Today we are recognizing 7 exceptional young leaders from our six state universities and Washburn University. Each of these leaders was elected by their student bodies to serve as Student Body President for the Spring 2022 through Spring 2023 school year. Along with the role of serving as Student Body President, these leaders also serve on the Students’ Advisory Committee, established by the Legislature in 1975, to represent students before the Kansas Board of Regents (KBOR). To serve on the advisory committee, Statue requires the person to be the highest student executive officer elected by the student body.

**Rep. Blew**: These student leaders have worked closely with our Board of Regents to identify common goals and issues that impact students at our universities. A few of those issues include funding the emergency food pantries for students on each campus, working to reduce the cost of textbooks through the widespread adoption of Open Educational Resources, and providing input and support of the Board’s adoption of a free speech rights for our university students.

**Rep. Ballard**: Today we honor the hard work, the bold leadership, and the persistent commitment to serve, exemplified by our Kansas Student Body Presidents: it is now our honor to recognize our student body presidents who also serve on the the Kansas Board of Regent’s Advisory Committee:

On emergency motion of Rep. Waymaster, **HR 6011**, as follows, was introduced and adopted:

**HOUSE RESOLUTION NO. HR 6011**—A RESOLUTION commemorating the 150th anniversary of the Ellsworth Route.

By Representative Waymaster

A RESOLUTION commemorating the 150th anniversary of the beginning of the Ellsworth Route of the historic Chisholm Trail.

WHEREAS, The Ellsworth Route of the Chisholm Trail is celebrating its 150th anniversary after a long and storied history that includes the birth of the American folk-type cowboy, cowtowns, cowboy hats and the beginning of the Old West era in Kansas; and

WHEREAS, The Chisholm Trail was initially developed in 1867 by Joseph McCoy, an Abilene stockyard owner, and was named after Jesse Chisholm, a Kansan who owned a trading post in Wichita and frequently traded with Native Americans throughout the region; and

WHEREAS, During the heyday of the Chisholm Trail, from the late 1860s through the 1880s, the trail stretched roughly from Kingsville, Texas, to Abilene, Kansas; and

WHEREAS, The trail served as a cattle pipeline, leading herds from the Texas ranches to the Kansas stockyards and railroad hubs in Abilene, Caldwell, Dodge City, Ellsworth, Newton and Wichita; and

WHEREAS, Founded in 1873, the Ellsworth Route of the Chisholm Trail, sometimes called the Cox's Trail, passed through seven Kansas counties, including Harper, Kingman, Reno, Stafford, Barton, Rice and Ellsworth, where the trail ended; and

WHEREAS, The trail was an economic lifeline for Kansas, since it promoted the railroad and made ranching profitable by shipping millions of heads of cattle to the eastern parts of the country and using newly formed rail hubs situated near the Chisholm Trail in Kansas; and

WHEREAS, The economic activity created by the Chisholm Trail boosted the economies of many surrounding towns near the trail and helped build the reputation of Kansas as a leader in the beef industry; and

WHEREAS, The Chisholm Trail is considered as one of the great byways of America, and along with the Oregon Trail and the Santa Fe Trail, it has helped popularize many iconic images of the Old West and enhanced the Kansas economy; and

WHEREAS, The Ellsworth Route of the Chisholm Trail is a treasured landmark in Kansas history: Now, therefore,
Be it resolved by the House of Representatives of the State of Kansas: That we commemorate the 150th anniversary of the beginning of the Ellsworth Route of the Chisholm Trail; and

Be it further resolved: That we praise the countless economic benefits that resulted from the Ellsworth Route of the Chisholm Trail's impact on Kansas; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Waymaster.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Waymaster are spread upon the Journal:

The Chisholm Trail was not the longest cattle trail but probably became the most famous because of the song The Old Chisholm Trail, “Come along boys and listen to my tale, I'll tell you of my troubles on the old Chisholm Trail.”

As the longhorns slowly moved from pasture lands near Kingsville, Texas to the railhead in Abilene cowhands passed time by singing songs such as “The Old Chisholm Trail.” The drive was slow, allowing the steers to graze along the way. With plenty of time to sing, each cowboy must have added to the song because experts today have found as many as 1,000 verses.

Cattle drives from Texas started as early as 1836 with some ranchers using this method to get their cattle to railheads so they could sell them. During the Civil War, the demand for beef did not lessen and there was no way to get the cattle to the east coast. Throughout most of the Civil War, the Union troops had blocked shipping along the Gulf of Mexico and Mississippi River. Therefore people in the eastern portion of the United States couldn’t get the needed beef. During the war, the unattended longhorns had multiplied on the Texas plains. After the war, cattle which sold for $2 a head in Texas could bring as much as $40 each in Chicago.

In 1861 Kansas prohibited the driving of cattle from Texas, however, by 1867 the legislature repealed portions of that law to allow cattle to be driven into the state. This allowed cattle to be driven as far north as near the area of present day McPherson and west to Colorado.

An entrepreneur, Joseph McCoy, took advantage of the change in the Kansas law to start campaigning for cattle drives to the small town of Abilene. First McCoy had to convince the Kansas Pacific Railway to build a spur to Abilene to accommodate the shipping of Texas cattle. He then built a hotel, stockyard, office, and bank in the small town. McCoy advertised the availability of the Abilene shipping point throughout Texas. The first cattle drive reached Abilene in August 1867. On September 5, 1867, the first load of cattle were shipped by rail from Kansas.

The trail would eventually be called the Chisholm Trail. Named for Jesse Chisholm. The Chisholm Trail was so named because a portion of it followed Chisholm's trade routes. Chisholm built a number of trading posts in Oklahoma Territory and became known as a trader, guide, and interpreter, but not a cattle drover.

A cattle drive had between 2000-3000 head of cattle with approximately ten cowboys, a chuck wagon cook, and horse wrangler. They would leave Texas in the spring and arrive at the railhead about two months later. Averaging 8-10 miles a day allowed for grazing along the way which could mean an average gain of 80-100 pounds per head by the time the longhorns reached Abilene.
Life of a cowboy was not easy, many problems could occur during the long drive. Cattle had to be driven across rivers and flooded streams, through prairie storms, and even encounters with thieves. Still the profit at the end of the drive was worth more than the problems along the way. In the five years that Abilene was the main Kansas cowtown (1867-1871) more than 3,000,000 head of cattle were shipped East from McCoy’s pens.

This did not mark the end of cattle drives to Kansas. Throughout this time the railroad had continued to move west. Ellsworth, which was not on the Chisholm Trail, became the next important shipping point. Ellsworth, like later cowtowns, developed the reputation of a very rough place due to the actions of some of the cowboys after they arrived in the town. Upon receiving their pay for the drive, many would spend their money in the saloons, but just as beneficial to the town was the clothing, boots, and other items they purchased. Due to speculation on imminent railroad construction, the population of Ellsworth boomed to over two thousand by the time it was incorporated in 1867. It has since been said, "Abilene, the first, Dodge City, the last, but Ellsworth the wickedest."

Today, we commemorate the 150" Anniversary of the Ellsworth route of the historic Chisolm Trail. Standing with me are Ron Wilson, Chris Wilson, Dennis Katzenmeier and Dustin Stambaugh.

EXPLANATIONS OF VOTE

Mr. Speaker: I vote no on HB 2060. I always vote against creating new task forces, because I view it as being an expansion of government. There’s always some expense involved with creating a new task force, and I believe that the issues that are studied in
the task force could be studied during the regular session. However, I certainly appreciate all the hard work that the representative from Augusta has done on the special education issue. She’s worked very hard at providing us with valuable information on the special education issue, and I certainly appreciate that. – RETT FAIRCHILD, BILL RHILEY, TREVOR JACOBS

MR. SPEAKER: I VOTE NO ON HB 2060. The Kansas SPED funding distribution system has been in statute since 1974. Since 1983 there have been 13 LPA reports, at least two independent studies, reviewed in Kansas Supreme Court cases, and the distribution system has never been deemed inadequate, only the level of funding. We do not need another report. We need to fully fund SPED. – JARROD OUSLEY, LINDA FEATHERSTON, MARI-LYNN POSKIN, HEATHER MEYER, LINDSAY VAUGHN, DENNIS “BOOG” HIGHBERGER, ALLISON HOUGLAND, MELISSA OROPEZA, TOBIAS SCHLINGENSIEPEN, VIC MILLER

HB 2234, AN ACT relating to state construction or building improvement projects; increasing the cost threshold for the mandatory convening of a negotiating committee by the secretary of administration or agency head and the selection of architectural, engineering or land surveying services from a list of qualified firms; providing such cost threshold be increased annually based on the percentage increase in the consumer price index; changing the measure of the cost threshold from "total project cost" to "construction cost"; amending K.S.A. 75-1253 and 75-5804 and repealing the existing sections, was considered on final action.

REPORTS OF STANDING COMMITTEES

Committee on Agriculture and Natural Resources recommends HB 2159, HB 2332 be passed.

Committee on Agriculture and Natural Resources recommends HB 2047 be amended on page 1, following line 6, by inserting:

"Section 1. K.S.A. 65-163 is hereby amended to read as follows: 65-163. (a) (1) No person shall operate a public water supply system within the state without a public water supply system permit from the secretary. An application for a public water supply system permit shall be submitted for review and approval prior to construction and shall include:

(A) A copy of the plans and specifications for the construction of the public water supply system or the extension thereof;
(B) a description of the source from which the water supply is to be derived;
(C) the proposed manner of storage, purification or treatment for the supply; and
(D) such other data and information as required by the secretary of health and environment. No source of water supply in substitution for or in addition to the source described in the application or in any subsequent application for which a public water supply system permit is issued shall be used by a public water supply system, nor shall any change be made in the manner of storage, purification or treatment of the water supply without an additional public water supply system permit obtained in a manner similar to that prescribed by this section from the secretary.

(2) Whenever application is made to the secretary for a public water supply system
permit under the provisions of this section, it shall be the duty of the secretary to examine the application without delay and, as soon as possible thereafter, to grant or deny the public water supply system permit subject to any conditions which may be imposed by the secretary to protect the public health and welfare.

(3) The secretary may adopt rules and regulations establishing a program of annual certification by public water supply systems that have staff qualified to approve the extension of distribution systems or the replacement of segments of distribution systems without the necessity of securing an additional permit for the extension or replacement provided the plans for the extension or replacement are prepared by a professional engineer as defined by K.S.A. 74-7003, and amendments thereto.

(b) (1) Whenever a complaint is made to the secretary by any city of the state, by a local health officer, or by a county or joint board of health concerning the sanitary quality of any water supplied to the public within the county in which the city, local health officer or county or joint board of health is located, the secretary shall investigate the public water supply system about which the complaint is made. Whenever the secretary has reason to believe that a public water supply system within the state is being operated in violation of an applicable state law or an applicable rule and regulation of the secretary, the secretary may investigate the public water supply system.

(2) Whenever an investigation of any public water supply system is undertaken by the secretary, it shall be the duty of the supplier of water under investigation to furnish to the secretary information to determine the sanitary quality of the water supplied to the public and to determine compliance with applicable state laws and rules and regulations. The secretary may issue an order requiring changes in the source or sources of the public water supply system or in the manner of storage, purification or treatment utilized by the public water supply system before delivery to consumers, or distribution facilities, collectively or individually, as may in the secretary's judgment be necessary to safeguard the sanitary quality of the water and bring about compliance with applicable state law and rules and regulations. The supplier of water shall comply with the order of the secretary.

(c) (1) As used in this subsection (c), "municipal water treatment residues" means any solid, semisolid or liquid residue generated during the treatment of water in a public water supply system treatment works.

(2) A public water supply system may place or store municipal water treatment residues resulting from sedimentation, coagulation or softening treatment processes in basins on land under the ownership and control of the public water supply system operator provided that such storage or placement is approved and permitted by the secretary under this section as part of the public water supply system.

(3) The secretary shall adopt uniform and comprehensive rules and regulations for the location, design and operation of such basins. Such rules and regulations shall require permit applications by the public water suppliers for such basins to include a copy of the plans and specifications for the location and construction of each basin, the means of conveyance of the treatment residues to such basins, the content of treatment residues, the proposed method of basin operation and closure, the method of any anticipated expansion and any other data and information required by the secretary.

(4) Whenever complaint is made to the secretary by the mayor of any city of the state, by a local health officer or by a county or joint board of health, or whenever an
investigation is undertaken at the initiative of the secretary, relating to any alleged violation of the provisions of the permit for placement or storage of municipal water treatment residues in such basins, the public water supply system operator shall furnish all information the secretary requires. If the secretary finds that there is any violation of the terms of the permit, that the means of placement and storage exceed the terms of the permit or that any other condition exists by reason of the means of placement and storage that may be detrimental to the health of any inhabitants of the state or to the environment, the secretary shall have the authority to issue an order amending the permit or otherwise requiring the operator to perform remedial measures to curtail or prevent such detrimental conditions.

(d) Orders of the secretary under this section, and hearings thereon, shall be subject to the provisions of the Kansas administrative procedure act. Any action of the secretary pursuant to this section is subject to review in accordance with the Kansas judicial review act. The court on review shall hear the case without delay.

(e) The secretary shall establish by rule and regulation a system of fees for the inspection and regulation of public water supplies. No such fee shall exceed $.002 per 1,000 gallons of water sold at retail by a public water supply system. All such fees shall be paid quarterly in the manner provided for fees imposed on retail sales by public water supply systems pursuant to K.S.A. 82a-954, and amendments thereto. The secretary shall remit all moneys collected for such fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Prayer by guest chaplain, Representative Schlingensiepen:

In the Gospel of Matthew, in chapter 5, verses 13-16, Jesus says:

“You are the salt of the earth; but if salt has lost its taste,
how can its saltiness be restored? It is no longer good for anything,
but is thrown out and trampled underfoot.

“You are the light of the world. A city built on a hill cannot be hid. No one after
lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives
light to all in the house. In the same way, let your light shine before others, so that
they may see your good works and give glory to your Father in heaven.”

Pray with me, please…

Through Jesus, O God, you tell us we ARE - NOT that we should be - “the salt of
the earth” and “the light of the world.” You tell us we ARE, present tense.
We tend to take salt and light for granted, and yet both play a valuable role in our
lives. Doesn’t salt bring out the flavor of food, and light help us to see more clearly?
If we ARE salt and light, then surely You mean for us to bring flavor to the places
of dullness and light to the lairs of despair.

And you don’t ask us to be salt and light for ourselves alone but for the world in
its entirety, for others who need to taste and see, as much as we do, the many gifts
of grace we receive daily from your hand.

Too often, however, we prefer to forego our saltiness and our luminescence in
favor of being agents of the dull and the dark. In doing so, we rob others of the
flavor and illumination of the blessing you have bestowed upon all creatures great
and small by the mere fact of your having called us all into being.

In this place and in this moment, remove any bushel baskets of self-indulgent
dullness and darkness from among us, so that we may think and act favorably and
illuminatingly on behalf of those who desperately need both to live

true and happily. May we thus be agents of your glory.

O Creator, Redeemer, and Sustainer of us all, for the sake of our neighbors and for
ourselves, and for your sake, too, make us salty and lit. Amen.

The Pledge of Allegiance was led by Rep. Proctor.

Journal of the House

THIRTY-SECOND DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, WEDNESDAY, FEBRUARY 22, 2023, 9:30 A.M.

The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 124 members present.

Rep. Kessler was excused on excused absence by the Speaker.

Prayer by guest chaplain, Representative Thompson:

Holy God, we come before your throne of grace boldly, but humbly, and ask for your presence and blessing as we make decisions that affect the citizens of our great state.

As we carry out our responsibilities here today, I pray we depend upon your wisdom to guide our decisions.

Also, your word instructs us to to treat others as we would want to be treated. As we carry out our responsibilities, may we treat each other with dignity and respect. May our words encourage, lift up and empower.

Again, Almighty God Bless us today.

The Pledge of Allegiance was led by Rep. Schlingensiepen.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Ballard are spread upon the Journal:

As Black History Month comes to a close for 2023, it is an occasion to honor black citizens who have made lasting and positive contributions to American society. All three of my honorees also have Kansas ties.

Dr. Martin Luther King, Jr. brings Message of Solidarity to K-State

The Reverend Martin Luther King, Jr. delivered a speech on January 19, 1968 at the “All-University Convocation in Ahearn Field House.”

The following is taken from the speech at K-State:

“There seems to be a desperate, poignant question on the lips of thousands and millions of people all over our nation and all over the world. They are asking whether we have made any real progress in the area of race relations. In seeking to answer this question I always seek to avoid, on the one hand, a
superficial optimism and, on the other hand, a deadening pessimism. I always try to answer it by giving what I consider a realistic position. It seems to me that the realistic position is that we have made significant strides in the struggle for racial justice, but that we have a long, long way to go before the problem is solved.” (Kansas State University Archives, Rev. Martin Luther King, Jr., All-University Convocation, Jan. 19, 1968).

This would be his last collegiate address, he would be assassinated less than three months later in Memphis, Tennessee on April 4, 1968. I found this quote from Dr. King: “You can kill the dreamer, but you can’t kill the dream.” ---Dr. Martin Luther King, Jr.

A Woman on a Mission

Sojourner Truth (1797-1883), a heroic black woman who worked against slavery from Maine to Kansas helping blacks escape to freedom on the Underground Railroad. Her life is a study in how black and white Americans worked together for a more free and just society.

Born a slave in New York, Sojourner Truth actually grew up with a different name, Isabella. In her youth, she had several masters, one of whom beat her and scarred her for life. She grew tall, almost six feet in height, and strong; she was allowed to marry and had four children. In 1826, when her master reneged on a promise to free her, Isabella ran away and began to work for the Van Wagenens, a nearby Quaker family. When the angry Dumont found her, the Van Wagenens paid him $20 and secured her freedom. The friendliness of the Van Wagenens helped Isabella learn that white people, like blacks, could be either friends or foes.

Isabella became fascinated by the notion that black and white could work together to fulfill the goals of the Declaration of Independence – the right to life, liberty, and the pursuit of happiness for all Americans. In 1843, Isabella changed her name to Sojourner Truth and worked with whites and blacks all over the country to abolish slavery. She never learned to read or write, but a white friend helped her tell her life story in the Narrative of Sojourner Truth.

Congressman Lewis presented with Dole Leadership Prize at the University of Kansas

Congressman John Lewis (D-GA) was presented with the Dole Institute of Politics’ Dole Leadership Prize on October 21, 2007, in front of a packed audience in the Lied Center at KU.

“Lewis played an integral role in the country’s civil rights struggle and is remembered for leading 600 peaceful protesters attempting to cross a bridge in Selma, Alabama, in order to register to vote. They were attacked by Alabama state troopers and Lewis suffered a fractured skull. A contemporary of Rev. Martin Luther King, Jr., Lewis exhibited the qualities inherent in Dole Leadership Prize recipients.

Here’s someone who could have given up on the system, but chose to work as an elected official to effect change in the United States. Lewis’ fight to broaden freedom and voting rights fit the Institute’s motto, ‘Politics is an honorable profession.’” Lewis called for young people to seek ways to be engaged in the community.

He recounted his childhood in rural Alabama, a time fraught with poverty and racism. Later, he became inspired to join King’s civil rights movement after hearing him preach on the radio. Lewis said his mother always warned him to stay out of trouble, but ‘I was inspired to get in trouble. It was good trouble, necessary trouble.’
Lewis said he was humbled by the recognition. ‘I am more than moved to be receiving this honor,’ He said that for the rest of his life, ‘I will continue to do what I can to be worthy of the Dole Leadership Prize.”

Congressman Lewis passed away on July 17, 2020, succumbing to pancreatic cancer at the age of 80.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Penn are spread upon the Journal:

Mr. Chairman and Honorable Colleagues of the House:

I would like to invite the members of the Kansas Black Legislative Caucus to please come up and assist me. Both from the House and Senate Chambers. And, if we could please have Mr. Foster Chisholm, his daughter, Ms. Monice Crawford and his other daughter, Ms. Antoinette Spalding, come up as well. And if we could have any members of the Directorate of the Sergeant-At-Arms, the Gentlemen At the Doors, if you could come up as well, please. As they approach, Mr. Speaker, I won’t belabor the point. I just wanted to have the opportunity today…and thank you all for indulging us this Point of Personal Privilege.

This IS Black History Month. And we have a living legend amongst us that we walk by every day. And we wanted to have the opportunity on behalf of the Speaker to celebrate Black History Month and celebrate the achievements of this fine gentleman standing next to me, Mr. Foster Chisholm.

Now, I’ll give a few quick remarks, and we’ll get on with this show.

Mr. Chisholm, as I stated before, is joined up here by his daughters, Ms. Monice Crawford and Ms. Antoinette Spalding, as well as members of the Kansas Black Legislative Delegation / Caucus, as well as the members of the Sergeant-At-Arms team.

Now, everybody probably knows Mr. Chisholm because of his awesome debonairness! The man is what we call “Cleaner Than the Health Board.” He stays dressed, from the top to the tail; you’ve seen him with his vests, you’ve seen him with that nice fedora hat that he wears, as well. And while you might know him for that attention-to-detail, you also know him because of the kindness, gentleness, and respect he shows to everyone, be it the Members or the visitors to this chamber.

Mr. Foster was born here, in Topeka, Kansas, on August 13th, 1939. And at the young age of 83 years old he is now the first, longest-serving, and only Black man to hold that post as Sergeant-At-Arms in the Kansas House.

His mother worked for the government here, as well as the Stormont Vail hospital system. His father worked for the gas company. He has 1 brother and 2 sisters. He is second in line, so he is used, very much used, to being a leader, both inside the team and for the team!

He’s joined up here by his brethren that also come from the Sergeant-At-Arms fold. His Assistant Sergeant-At-Arms (he has 2 of them), he has Mr. Jerry Wilson, Mr. Allen Morgan, Mr. Rodger Prather, Mr. George Burnheimer (whom you know as the other debonair gentleman at the rear), Mr. Paul Pearson, Mr. Rich St. Gelais, Mr. Ben Scott (who is our favorite over here on this side), Mr. Ron Stewart, Mr. Ed Aldrin, and of
course, the man himself, Mr. Foster Chisholm.

He started as a Doorman, at the lowest level, so he’s worked his way up. Outside and inside security was his responsibility, to include the credentialing of visitors who attend in our Gallery, as well. Mr. Chisholm has served under 4 different Speakers of the House (O’Neal, Merrick, Ryckman, and Hawkins). He was promoted to Assistant Sergeant-At-Arms in January 2014, and then he was finally promoted to his current post, Sergeant-At-Arms, in January 2015.

I would also that from his team — in the military we say that leaders are known by what their troops say about them and that our Soldiers are our Credentials — Mr. Wilson says that in his 10 years serving as an Assistant Sergeant-At-Arms with Mr. Chisholm, he says the best part of the job is the camaraderie, that the guys are all great to work with and it is a very great team because of the interaction they have with each other. And that is only because they have a “superior boss.” His words, not mine!

Allen Morgan, the other Assistant Sergeant-At-Arms, says that “Mr. Chisholm treats everyone with the same level of respect and dignity, from the Speaker of the House to the Janitorial Staff. That is the stuff leaders that are made of!

And he said, “Get involved! Get involved in ALL aspects of government, at ALL levels of government, and be appraised of what’s going on and don’t sit on the sidelines! Because what happens affects you, and it affects others and everyone that’s around you. And everyone has something to offer in life from their experiences, no matter how small. And finally, Mr. Chisholm relayed to me that is important for him to serve in this position because people need to see a person of color in this position. Young people need to see that so they can see what is possible and they can have aspirations and also know what they can attain.

So, with that, I present to Mr. Foster Chisholm, on behalf of everyone assembled, a framed House certificate. Rep. Penn read the certificate to the Body congratulating Mr. Chisholm.

EXPLANATION OF VOTE

MR. SPEAKER: I voted NO today on HB 2019. Federal IRS has guidelines for determining this relationship between a business and an independent contractor. Facts that provide evidence of the degree of control and independence fall into three categories: Behavioral: Does the company control or have the right to control what the worker does and how the worker does his or her job? Financial: how worker is paid. Type of Relationship: Are there written contracts or employee type benefits? Kansas should not be involved in this relationship. – BILL RHILEY

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote no on HB 2056. This bill sends the absolute wrong message and will not improve voter confidence. Elections are a process. The system is not broken. We should always err on the side of the voter and do everything we can to accommodate and count legal ballots to protect our most sacred right of voting. The current 3-day grace period is reasonable. Today, I join our county election officials and most importantly our voters in opposing HB 2056. I vote no. – JESSE BORJON

MR. SPEAKER: We vote No on HB 2056. The original 3-day grace period bill passed with massive bipartisan support. Every elected official in this room has heard from our constituents about delayed mail service, and it is counter intuitive to throw a perfectly valid ballots away due to late arrival because poorly funded and badly run federal service. We believe the best way to maintain trust in our election system is by working under the current constructs, as opposed to undermining democracy itself through inflammatory rhetoric. – STEPHANIE SAWYER CLAYTON, JERRY STOOGSDILL, PAM CURTIS, LINDSAY VAUGHN, LOUIS RUIZ, DENNIS “BOOG” HIGBERGER, ALLISON HOUGLAND, CHRISTINA HASWOOD, SYDNEY CARLIN, BARBARA BALLARD, RUI XU, JO ELLA HOYE, MIKE AMYX, SUSAN RUIZ, BRAD BOYD, DAN OSMAN, JOHN ALCALA, MELISSA OROPEZA, CINDY NEIGHBOR, BRANDON WOODARD, SILAS MILLER, JASON PROBST, LYNN MELTON, ANGELA MARTINEZ, DENNIS MILLER, HEATHER MEYER, LINDA FEATHERSTON, MARI-LYNN POSKIN, KIRK HASKINS, TOBIAS

EXPLANATIONS OF VOTE

Mr Speaker: I vote no on HB 2133. All forms of payment cost a business money. Checks can be difficult to collect, cash has to be counted, coins rolled, kept secure, safely transported to the bank, checked that it is not counterfeited, and internal controls have to be added to prevent theft. For many businesses, credit cards are the least costly...
way to collect payment. Collecting payment is a cost of doing business. Adding a surcharge to use a credit card only increases the cost to consumers. – Tom Sawyer, Rui Xu

Mr. Speaker – I vote yes on HB 2133. This statute is unenforceable due to a U.S. Supreme Court decision and we are seeking to clean up Kansas Statute. It doesn't raise prices on consumers but allows a private business the ability to decide how they wish to recoup the cost of a credit card transaction. Current law affords government entities this option and HB 2133 would give private business that same right. – Nick Hoheisel, Bill Rhiley

EXPLANATION OF VOTE

Mr. Speaker: I vote no on HB 2236. Parents are significant and have rights to determine the components of their child's education. However, this bill is so broadly written that it would allow disgruntled and misguided parents to disrupt a child's education and interfere with school operations. Schools have policies and procedures for parental dissent.

We cannot accept bigotry and ignorance to disrupt school operations. It is mid-education of a child if parents can ban well-documented literature, oppose diverse concepts, and make decisions about a child's education just because “it makes people feel bad.” Knowledge must not be segregated. Facts must be taught. – Valdenia C. Winn

HB 2238, AN ACT concerning education; relating to student athletes; creating the fairness in women's sports act; restricting participation on women's teams to female students; providing a cause of action for violations of the act, was considered on final action.

EXPLANATIONS OF VOTE

Mr. Speaker: The people who drafted this bill for introduction in legislatures all across the country were very clever about framing. Most people will say no if you ask them if men should compete against women in sports. But if you ask them if all children should have an opportunity to play school sports, you will get a different answer. This bill is not about women’s rights or Title IX – it is a not-so-well camouflaged attack on the transgender community. I vote no on HB 2238. – DENNIS “BOOG” HIGHBERGER

Mr. Speaker: In Governor Laura Kelly’s re-election campaign ads, she said the following: “So let me just say it: Of course, men should not play girls’ sports. OK. We all agree on that.” I take the governor at her word. This simple statement of common sense is something I believe we can and should all agree on. We must protect that which so many have worked so hard to achieve. I vote YES on HB 2238. – LES MASON, SUSAN OLIVER ESTES, KRISTEY WILLIAMS, SEAN TARWATER, BILL SUTTON, BARB WASINGER, JOE SEIWERT, DUANE DROGE, WEBSTER ROTH, KYLE HOFFMAN, CARRIE BARTH, WILLIAM CLIFFORD, ERIC SMITH, SANDY PICKERT, LEAH HOWELL, REBECCA SCHMOE, LISA M. MOSER, BLAKE CARPENTER, BILL RHILEY, PATRICK PENN, JEFF UNDERHILL, MICHAEL MURPHY, DAVID BUEHLER

Mr Speaker: I vote yes on HB 2238. According to an article in Forbes last year, only 3 in 10 Americans believe that biological males should compete in female sporting events. So 70% of Americans agree with this bill. That would include Kansans.

Protecting girls and women – in competition, in private places, and on the podium is common sense. Not extreme. It is fair, it is prudent, and it is wise for Kansas to protect the rights of our girls and women. – SUSAN HUMPHRIES, CYNDI HOWERTON, PAUL WAGGONER, TIMOTHY JOHNSON, SCOTT HILL, CHUCK SMITH, LISA MOSER

Mr Speaker: I vote NO on HB 2238. As a former Republican of 35 years, I cling to many tenets of the GOP, including local control. The KS GOP platform states: “Local control should be preferred and considered when enacting laws and regulations, Larger government units should not interfere with local more efficient and responsive solutions.” KSHSAA already has a local, more efficient and responsive solution to the treatment of transgender athletes that includes consideration of: “c. Gender Identity related advantages to the student if participation would be approved.” HB 2238 is unnecessary, interfering with a perfectly responsive local solution. – MARI-LYNN POSKIN

EXPLANATIONS OF VOTE

Mr. Speaker: I vote “yea” for HB 2264. Most of America has known, or known of someone who has died in a hospital, health care facility or nursing home with no family around. No one wants to die alone. And the heartache of letting someone go this way likely cannot be described. This law will go a long way toward advocating for family and loved ones. To Lisa King and Family, Eddie King will not be forgotten. – Emil M. Bergquist, Lisa Moser

Mr. Speaker: I vote no on HB 2264. This bill started out as NO patient should be left alone; it ended up being a patient may be left alone. – Brian Bergkamp

EXPLANATION OF VOTE

MR. SPEAKER: I vote No on HB 2387. This bill negatively effects SGF revenue by 15 million a year. This bill is the highest fiscal note of any measure that we considered today. This bill is not a fix regarding food sales tax but actually a notable expansion of a failed program. Our own 2021 Legislative Post Audit said of 1.1 billion in Star Bond invested only 3 out of 16 star bond projects met their Commerce Department Goals. High costs to taxpayers, low results for Kansas. I say No. – PAUL WAGGONER, JOHN CARMICHAEL, SCOTT HILL, BILL RHILEY

Prayer by Chaplain Brubaker:

Gracious and Loving God,
thank You for this day that You have blessed us with.
I pray for these leaders who have been
given the privilege and responsibility of
conducting business on behalf of Kansans.
They have tremendous tasks before them.
No one person is equal to such tasks.
But with Your guidance and them working together,
the goals can be achieved.
Be with them as they serve today.
Give them the wisdom of Solomon,
the patience of Job,
and the compassion of the Good Samaritan
so they can say they have served their people well.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Carlin.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Proctor are spread upon the Journal:

Thank you, Mr. Speaker. Today I have with me here at the well and in the balcony--the Leavenworth High School JROTC Raider team. Here with me at the well are: Coaches 1st Sgt. Wayne Cogdill & Ms. Mary Schwartz as well as Cadets:

• Sophia Rebeschini
• Garrett Matcheck
• Caleb Denney
• Esa Lozoya
A couple of months ago, in Molena, Georgia, the Leavenworth High School JROTC Raiders won the Raider National Championship for the third time in four years. This is a grueling, three-day competition, which includes a physical training test, a 5K run, and the one-rope bridge. They beat 94 other teams from across the country to win this Championship.

You might be asking yourself how a small city Leavenworth could so consistently defeat so many teams from bigger cities from across the nation. It is definitely a testament to these kids, their hard work and determination to excel. But it is also about these coaches who sacrifice so much to inspire these kids to go a little bit faster, a little bit longer. And it is a testament to the parents of each one of these kids, who sacrifice so much of their time and money to make this team work day in and day out. And, finally, it is about the entire community of Leavenworth, Fort Leavenworth, and Lansing, that give so much of their time and treasure to support this team and give them the resources they need to achieve and win these Championships year after year.

And so, on behalf of the Kansas House of Representatives, I am honored to present this tribute to the Leavenworth High School JROTC Raiders. INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Haskins are spread upon the Journal:

Rep. Haskins was joined on the floor by Reps. Schlingensiepen, Sawyer Clayton and Curtis.

Thank you, Mr. Speaker, and Colleagues. Having earned a minor in theatre myself, it is an honor as we celebrate Theatre in Our Schools Day at the Capitol to take my first point of personal privilege, to recognize on the House floor the Kansas Thespians, a chapter of the Educational Theatre Association, and the International Theatre Society.

The Kansas Thespians chapter joined The International Thespian Society in 1933, making them the oldest troupe in the western half of the USA. Every January, the Kansas Thespians hold its Thespian Festival. This past festival in Wichita, KS was the organization’s 50th anniversary, and over 2300 students, teachers, and college representatives were in attendance.

Their mission is “shaping lives through theatre education.” The chapter provides support to almost 100 active Thespian troupes and over 2900 active high school or junior high Thespian members.

In the gallery is a large representation of Kansas Thespian members. I’m joined on the floor today by my House colleagues and the following Kansas Thespian members:

- Alexis Benson - Valley Center High School
- Elijah Smith - Valley Center High School
- Harper Johnston, Salina Central High School
- Ella Rhuems, Pittsburg High School
- Sarah Sutherland - Mulvane High School
- Emma Culbertson - Topeka High School
- Charlie White - Topeka West High School
- Keigan Gonzales - Topeka West High School
- Jayden Monson - Topeka West High School
- Ms. Katie Murphy – Assistant Director of Theatre and Troupe Director at Topeka West High School – Troupe

These Kansas Thespians have been successful in our schools and across the nation. The Chapter has been recognized as a Gold Honor Chapter in 2017, 2018, 2021, and 2022. Kansas schools have also achieved national excellence in theatre. In fact, this past year, my district’s Topeka West High School won both the Outstanding Theatre School and first place in the nation for the Theatre in Our Schools Impact Award.

While demand grows for more graduates with industry-recognized credentials, and as Kansas universities sacrifice majors in the performance arts over more profitable credentials, it is timely to remember that a Kansan’s quality of life should not be measured by a balance sheet or income statement. We should recall that our great state was built on the backs of hard-working individuals who had to find creative ways to survive and settle an unforgiving environment. Theatre in our schools develops both our students’ creativity and ability to communicate their thoughts and feelings to others, improving the world around us.

A theatre is more than a place to entertain an audience. It’s a catalyst for strengthening society, teaching life lessons, and reflecting on humanity. A theatrical
Performance transplants us away from our daily lives and delivers us into a world of exploration where it is safe to learn, laugh, fight, cry, sing, and dance. In the words of Dr. Kevin Brown, an associate professor of theatre at the University of Missouri, “The performance of theatre is a universal cultural phenomenon that exists in every society around the world. Human beings are the only animal species that create theatre. Understanding theatre helps us understand what it means to be human.” Therefore, on this Theatre in Our Schools Day, I ask Kansas Thespian members sitting in the gallery please stand, and that my House colleagues join me in welcoming the Kansas Thespians, and all the teachers, students, and families they represent.

Mr Speaker: I agree that tobacco use, especially among children, is a serious plague on our society and well-being. Prayer by Rep. Schlingensiepen:

In the Gospel of John, in chapter 3, verses 19 thru 21, Jesus says:

... the light has come into the world, and people loved darkness rather than light because their deeds were evil.

19 For all who do evil hate the light and do not come to the light, so that their deeds may not be exposed.

20 But those who do what is true come to the light, so that it may be clearly seen that their deeds have been done in God.

Pray with me, please.

O Source and Goal of all creation,

How often we human beings seek ends under the cover of darkness!

When we do, it is because we know that the ends we pursue cannot and will not stand up when seen by the light of day.

This morning, I pray for us, for those of us gathered in this place because we were elected to represent those who sent us here, because we were elected to work on behalf of those who sent us here, and for their and our well-being. Some of us may think we work for those who contribute the most to our campaign coffers and further our political or other ambitions, just certain that we have sufficient means to spin and communicate our dark intentions in ways our constituents will fail to see.

But your light, O God, shines in the darkness and the darkness does not comprehend it, which is to say that the darkness neither “gets it,” nor, when it does, has the ability to snuff it out.
Where our hearts are lost in darkness,  
O God, turn us toward your light, that we may be  
honest, transparent, and concerned for the well-being of all your people,  
indeed of all your creatures everywhere. Amen.

The Pledge of Allegiance was led by Rep. Oropeza.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Robinson, HR 6014, as follows, was introduced and adopted:

HOUSE RESOLUTION NO. HR 6014—A RESOLUTION commending the United States African-American Burial Grounds Preservation Program and urging the State of Kansas to adopt a similar program.

By Representative Robinson

WHEREAS, On December 29, 2022, the United States African-American Burial Grounds Preservation Act was signed into law as part of the Consolidated Appropriations Act of 2023; and

WHEREAS, The program authorizes grants and technical assistance for the identification, preservation and restoration of African-American burial grounds; and

WHEREAS, African-American burial grounds are sacred spaces, which are often located in unknown, unmarked, abandoned or unmaintained locations; and

WHEREAS, African-American civil war soldiers are laid to rest at many African-American burial grounds, where their headstones have tragically been stolen or vandalized; and

WHEREAS, African-American burial grounds are representative of the historic unequal treatment that African-Americans endured from life through death; and

WHEREAS, African-American burial grounds are often discovered before infrastructure developments, leading to halted construction projects and severe emotional distress within local communities; and

WHEREAS, The program provides African-American burial grounds with increased public awareness and crucial grant funding for preservation, especially before development projects catastrophically and irreparably damage these sacred sites; and

WHEREAS, African-American burial grounds serve to honor the Nation's ancestors; and

WHEREAS, Descendants of those buried in African-American burial grounds deserve the right to visit these sites to their pay respects; and

WHEREAS, African-American burial grounds pass the Nation's history from generation to generation; and

WHEREAS, Kansas is home to Old Quindaro Cemetery and other historic African-American burial grounds; and

WHEREAS, Mrs. Loretta Elsenia Norman, Mr. Michael Summers, Mr. Anthony Hope and Mr. Luther Smith are descendants of individuals who utilized the Underground Railroad and are buried at the Quindaro Cemetery: Now, therefore,
Be it resolved by the House of Representatives of the State of Kansas: That we commend the United States African-American Burial Grounds Preservation Program; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Robinson.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Robinson are spread upon the Journal:

I rise today in support of House Resolution 6014. This resolution recognizes the United States African American Burial Grounds Preservation Act that was enacted in December of 2022.

This act allows Historic Heritage African American Burial Grounds the opportunity for locations like the Old Quindaro Cemetery to get on the list of the US Department of Interior’s National Park Service to provide professional protections to have African American Civil War Veterans’ grave markers returned and hopefully properly re-installed at their historical locations and the one that remains to be repaired.

This morning on March 8, 2023, I ask each of you to support this resolution and bring much needed attention and recognition to those working to preserve the Old Quindaro Cemetery and their work in getting new federal funding to preserve and appreciate cherished ancestors from the Great State of Kansas through National Park Service, Department of Interior, and National Trust for Historic Preservation programs.

Today, with the affirmation of approval, these agencies will have the opportunity to prioritize restoration efforts of one of the early sacred spaces of Burial Grounds of African American military veterans, fugitive runaway enslaved Africans who turned their trauma and tragedies into a proud heritage of service in the Civil War as Union Army soldiers.

To try and discuss or detail the historic heritage of the Old Quindaro Ruins and Underground Railroad Abolitionists, the Pompeii of Kansas, at the bend of the Missouri River would exceed the five minutes allotted by the Rules of the House of Representatives. However, you can do an internet search at your leisure, you will discover the history of Kansas’ contribution to freedom for all Americans, much of it on display in our own capitol with the John Brown Mural and the soon to be done mural honoring the 1st Colored Infantry.

Your decisions and THIS MOMENT were prayed for in advance and beyond: Your decisions are already embedded in our beautiful Statehouse Capitol’s chambers, ceilings, and walls.

Honoring our ANCESTORS with simple preservation of African American Burial Grounds scattered throughout the Great Plains of North America among the rolling hills of Kansas that helped cradle and give birth to both: LIBERTY and the Blessed Honored cherished memory to help solidify American Freedom and Civility.

Thank you to the Honorable Speaker of the Kansas House of Representatives, his thoughtful and kind staff, and each and everyone of you who votes for consideration and adoption of this resolution to bring attention to the preservation and restoration of Historic African American burial grounds across the state, and Old Quindaro Cemetery in my district specifically.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on HB 2083, I believe local control is the best way to deal with this issue and a state wide ban doesn’t solve the problem. Let the local city councils and county commissions deal with this issue and let’s practice what we preach when it comes to local control. This bill hurts economic development in some communities and my no vote is a vote to support my district and their economic development. – TORY MARIE BLEW

On roll call, the vote was: Yeas 69; Nays 54; Present but not voting: 0; Absent or not voting: 2.

Present but not voting: None.

Absent or not voting: Poetter Parshall, Wasinger.

A two-thirds majority of the members elected to the House not having voted in the affirmative, the resolution was not adopted.
EXPLANATIONS OF VOTE

Mr. Speaker: “The Congress, whenever two thirds of both Houses shall deem it necessary, shall propose Amendments to this Constitution, or, on the Application of the Legislatures of two thirds of the several States, shall call a Convention for proposing Amendments.”

We voted against HCR 5005 because we are not confident that it will do what some people claim and roll in Congress. If the required number of states pass an Article V resolution it will be Congress who calls the convention and makes the rules. There are too many unanswered questions now about how it will work and we do not want to bet our Constitution to find out. We vote No on HCR 5005. – Mari-Lynn Poskin, Ken Collins

Mr. Speaker: I vote in favor of HCR 5005. If you are basing your vote on a fear that there are “no rules” or that we can’t afford to open the Constitution, you aren’t paying attention to the “new” Constitution you receive every biennium. It’s opened and changed every year. I vote in favor of HCR 5005. – Eric Smith

Mr. Speaker: I understand the desire for Congressional term limits. However, while Article V provides for Congress to call a convention for proposing amendments it contains no mechanism to limit the convention’s scope, the appointment of delegates, nor the rules of the convention.

We do not know when a convention would occur, who will control congress, nor the issues they will face. HCR 5005 would place our Constitution in the hands of unknown individuals with unknown motivation at some unknown time in the future.
I vote no on HCR 5005. – Carl Maughan

Mr. Speaker, I vote “NO” on HCR 5005. President Ronald Reagan said, “Government is not a solution to our problem, government is the problem.” We do not need to AMEND the Constitution of the United States of America, we need to DEFEND the Constitution of the United States of America. The powers and authority need to be placed back into the hands of “We the People,” not into the clutches of a few greedy debased tyrants. We need less government, not more of it. We need to stand for Life, Liberty, and the Pursuit of Happiness and most importantly, we as a Nation need God in America again! – Trevor Jacobs, Mike Houser, Jeff Underhill, Ken Corbet, Charles E. Smith

Mr. Speaker: I vote no on HCR 5005, I prefer to vote for an alternate resolution – Susan Estes

Gracious and Almighty God,
we are thankful for each and every day You give to us.
Our lives are in Your hands.
In You do we find wisdom and strength.
From You are we provided counsel and understanding.
Therefore, we will not fear,
though the earth should change,
though the mountains shake in the heart of the sea;
though its waters roar and foam.
God, be in the midst of us,
in this Chamber, in this city, in this state.
In the dawning of this morning, God help us all.
This I pray in Your Name, Amen.

EXPLANATIONS OF VOTE

Mr. Speaker: This bill does nothing to increase the number of Kansas public school children who receive gun safety training and it infringes on the constitutional authority of the state Board of Education. With regard to this bill, I think we should all take Eddie Eagle’s advice: Stop! Don’t touch! Run away! And Tell a grownup. I vote NO on HB 2304. – Dennis “Boog” Highberger

Mr Speaker: Colleagues, I vote aye on HB 2304. It has been argued the legislature cannot do this, because of the Constitution, and Supreme Court cases. In the case of Miller v the Board of Education, it was the opinion of the court, the state legislature can enact these types of legislation we are well within our right as a legislature to do so. We have heard, in multiple committees cases confirming this. The bill also uses the term “or any successor program,” so this notion this will be the only allowable curriculum, is false. Let’s give our schools another good tool. Thank you Mr. Speaker. – ADAM THOMAS

Committee on **Energy, Utilities and Telecommunications** recommends **HB 2225** as recommended to be passed by the Committee on Energy, Utilities and Telecommunications as reported in the Journal of the House on February 21, 2023, be amended on page 1, following line 8, by inserting:

"Section 1. K.S.A. 66-117 is hereby amended to read as follows: 66-117. (a) Unless the state corporation commission otherwise orders, no common carrier or public utility over which the commission has control shall make effective any changed rate, joint rate, toll, charge or classification or schedule of charges, or any rule or regulation or practice pertaining to the service or rates of such public utility or common carrier except by filing the same with the commission at least 30 days prior to the proposed effective date. The commission, for good cause, may allow such changed rate, joint rate, toll, charge or classification or schedule of charges, or rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier to become effective on less than 30 days' notice. If the commission allows a change to become effective on less than 30 days' notice, the effective date of the allowed change shall be the date established in the commission order approving such change, or the date of the order if no effective date is otherwise established. Any such proposed change shall be shown by filing with the state corporation commission a schedule showing the changes, and such changes shall be plainly indicated by proper reference marks in amendments or supplements to existing tariffs, schedules or classifications, or in new issues thereof.

(b) Whenever any common carrier or public utility governed by the provisions of this act files with the state corporation commission a schedule showing the changes desired to be made and put in force by such public utility or common carrier, the commission either upon complaint or upon its own motion, may give notice and hold a hearing upon such proposed changes. Pending such hearing, the commission may
suspend the operation of such schedule and defer the effective date of such change in rate, joint rate, toll, charge or classification or schedule of charges, or any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier by delivering to such public utility or common carrier a statement in writing of its reasons for such suspension.

(c) The commission shall not delay the effective date of the proposed change in rate, joint rate, toll, charge or classification or schedule of charges, or in any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, more than 240 days beyond the date the public utility or common carrier filed its application requesting the proposed change. If the commission does not suspend the proposed schedule within 30 days of the date the same is filed by the public utility or common carrier, such proposed schedule shall be deemed approved by the commission and shall take effect on the proposed effective date. If the commission has not issued a final order on the proposed change in any rate, joint rate, toll, charge or classification or schedule of charges, or any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, within 240 days after the carrier or utility files its application requesting the proposed change, then the schedule shall be deemed approved by the commission and the proposed change shall be effective immediately, except that:

(1) For purposes of the foregoing provisions regarding the period of time within which the commission shall act on an application, any amendment to an application for a proposed change in any rate, which increases the amount sought by the public utility or common carrier or substantially alters the facts used as a basis for such requested change of rate, shall, at the option of the commission, be deemed a new application and the 240-day period shall begin again from the date of the filing of the amendment;

(2) if hearings are in process before the commission on a proposed change requested by the public utility or common carrier on the last day of such 240-day period, such period shall be extended to the end of such hearings plus 20 days to allow the commission to prepare and issue its final order; and

(3) nothing in this subsection shall preclude the public utility or common carrier and the commission from agreeing to a waiver or an extension of the 240-day period.

(d) Except as provided in subsection (c), no change shall be made in any rate, toll, charge, classification or schedule of charges or joint rates, or in any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, without the consent of the commission. Within 30 days after such changes have been authorized by the state corporation commission or become effective as provided in subsection (c), copies of all tariffs, schedules and classifications, and all rules and regulations, except those determined to be confidential under rules and regulations adopted by the commission, shall be filed in every station, office or depot of every such public utility and every common carrier in this state, for public inspection.

(e) Upon a showing by a public utility before the state corporation commission at a public hearing and a finding by the commission that such utility has invested in projects or systems that can be reasonably expected to produce energy from a renewable resource other than nuclear for the use of its customers, to cause the conservation of energy used by its customers; or to bring about the more efficient use of energy by its customers, the commission may allow a return on such investment equal to an increment of from 0.5% to 2% plus an amount equal to the rate of return fixed for
the utility's other investment in property found by the commission to be used or required to be used in its services to the public. The commission may also allow such higher rate of return on investments by a public utility in experimental projects, such as load management devices, which it determines after public hearing to be reasonably designed to cause more efficient utilization of energy and in energy conservation programs or measures which it determines after public hearing provides a reduction in energy usage by its customers in a cost-effective manner.

(f) Whenever, after the effective date of this act, an electric public utility, a natural gas public utility or a combination thereof, files tariffs reflecting a surcharge on the utility's bills for utility service designed to collect the annual increase in expense charged on its books and records for ad valorem taxes, such utility shall report annually to the state corporation commission the changes in expense charged for ad valorem taxes. For purposes of this section, such amounts charged to expense on the books and records of the utility may be estimated once the total property tax payment is known. If found necessary by the commission or the utility, the utility shall file tariffs which reflect the change as a revision to the surcharge. Upon a showing that the surcharge is applied to bills in a reasonable manner and is calculated to substantially collect the increase in ad valorem tax expense charged on the books and records of the utility, or reduce any existing surcharge based upon a decrease in ad valorem tax expense incurred on the books and records of the utility, the commission shall approve such tariffs within 30 days of the filing. Any over or under collection of the actual ad valorem tax increase charged to expense on the books of the utility shall be either credited or collected through the surcharge in subsequent periods. The establishment of a surcharge under this section shall not be deemed to be a rate increase for purposes of this act. The net effect of any surcharges established under this section shall be included by the commission in the establishment of base rates in any subsequent rate case filed by the utility.

(g) Except as to the time limits prescribed in subsection (c), proceedings under this section shall be conducted in accordance with the provisions of the Kansas administrative procedure act.

(h) In any general rate proceeding of an electric public utility serving more than 20,000 customers conducted pursuant to this section, the electric public utility shall evaluate and include in its application for a rate change the following:

1. The regional rate competitiveness of the electric public utility's current and proposed rates; and
2. The impact of the electric public utility's current and proposed rates upon economic development within the state.

A compliance filing shall include all the compliance filing details required by this subsection. Such utility shall continue to make annual compliance filings to the commission. Each compliance filing shall provide the following:

(1) For each non-blanket work order transmission project over $15,000,000, or a different amount deemed necessary by the commission staff in consultation with the filing utility, an itemization of projected transmission spending for the succeeding calendar year and the second succeeding calendar year. The commission may expect a utility to provide more extensive details for transmission projects in the succeeding calendar year than for the second succeeding calendar year, but the utility shall provide as many details as reasonably possible for transmission projects in the second succeeding calendar year;

(2) for each transmission project:
   (A) A project identifier or name;
   (B) the anticipated in-service date;
   (C) the projected cost;
   (D) the specific location within the utility's system;

   (A) Representatives of the public utility to conduct a technical conference for the purpose of discussing the details of the compliance filing with commission staff, the citizens utility ratepayer board and other commission-authorized intervenors. Such technical conference shall be held not later than 90 days after the utility filed the compliance filing; and
   (B) the commission to hold a public workshop in which representatives of the public utility shall present the details associated with the transmission projects that are anticipated in the succeeding calendar year. The public workshop shall allow for questions and comments from the commission, commission staff and other commission-authorized intervenors. The public workshop shall be held not later than 120 days after the utility filed the compliance filing.

(f) Beginning January 1, 2024, and prior to April 1, 2024, for any utility electing to recover the costs described in subsection (d)(2), the commission shall adjust the return on equity used to determine the revenue requirement of such costs from the federal
energy regulatory commission's jurisdictional return on equity to the state corporation commission's authorized return on equity last used to set the utility's base rates in effect at the time of filing the transmission delivery charge update. If a return on equity was not explicitly established during the utility's last general rate case, the commission shall determine an appropriate return on equity from the record of the last general rate case to establish the revenue requirement for such costs. The use of the state corporation commission's authorized return on equity shall not impact any project that was constructed as a result of a notification to construct or similar directive from a regional transmission organization or independent system operator that is regulated by the federal energy regulatory commission, or any successor agency. In any transmission delivery charge update filing, a utility electing to recover the costs described in subsection (d)(2) shall utilize the state corporation commission's authorized return on equity that was used to set the utility's base rates in effect at the time of the update filing or that was stipulated and approved by the commission for use in the transmission delivery charge if a return on equity was not explicitly set during the last general rate case, to determine the utility's transmission delivery charge update;";

(a) The county appraiser shall notify each taxpayer in the county annually on or before March 1 for real property and May 1 for personal property, by mail directed to the taxpayer's last known address, of the classification and appraised valuation of the taxpayer's property, except that, the valuation for all real property shall not be increased unless the record of the latest physical inspection was reviewed by the county or district appraiser, and documentation exists to support such increase in valuation in compliance with the directives and specifications of the director of property valuation, and such record and documentation is available to the affected taxpayer. INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Osman are spread upon the Journal:
Mr. Speaker and members of the Kansas House; I’m joined at the podium by members of the Kansas Miss Amazing.
Miss Amazing provides opportunities for girls and women with disabilities across Kansas to build self-esteem. The options available to girls with disabilities should reflect their boundless potential.
But because of widely-held myths about their capabilities, girls with disabilities are often held back from taking risks that could enrich their personal development. They are deprived of opportunities to make friends and granted less access to resources. As a result, girls with disabilities are more likely to experience low self-esteem than girls without disabilities. Women with disabilities are less likely to be employed. They’re more likely to live in poverty and the sexual assault rate for disabled women is 12 times higher than those without disabilities.
Miss Amazing Inc. was established in 2007 to help combat that. In 2018, Kansas created its own state organization to work on local issues that girls and women with disabilities face in our state.
Kansas Miss Amazing’s mission is to provide unique leadership, self-esteem and self-advocacy opportunities to assist in the building of those skills.
These skills are important to girls and women with disabilities because currently the need for female leaders with disabilities is great. How else can the changes needed be created without the voice of those who have been there and know?
The options for girls and women with disabilities should reflect their limitless potential.
And so I’m joined today by some, frankly, amazing women and girls. They are:
• Michelle Roberts, State Director, Kansas Miss Amazing
• Isabella Culross, 2023 Kansas Miss Amazing Pre-Teen
• Harper Adams, 2023 Kansas Miss Amazing Jr. Teen
• Rebekah Jones, 2023 Kansas Miss Amazing Teen
• Nora Stoy, 2023 Kansas Miss Amazing Jr. Miss
• Crystal Wood, 2023 Kansas Miss Amazing Miss
• Rebecca Shepherd, 2023 Kansas Miss Amazing Sr. Miss

Thank you all for coming to the Capitol today and good luck representing Kansas in the national conference in July.

Rep. Osman presented each of his guests with a House certificate in recognition of their achievements.

  Gracious and Loving God,  
  to You we owe a great debt of gratitude  
  for all You have done for us and for who You are to us.  
  Today we may hear the quote,  
  “Beware of the Ides of March.”  
  When we think about the true meaning of an ide of the month,  
  we are reminded that it was a time in the Roman period  
  where debts were to be paid.  
  Many of us have many debts to be paid—  
  the debt of gratitude for those who have helped us in some way;  
  the debt of appreciation for all that has been given to us;  
  the debt of love that we owe those who have loved us;  
  the debt of serving those who have sent us to represent them.  
  Help us this day to be mindful of those to whom we are indebted  
  and to express our gratitude to them.  
  This I pray, Amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Clifford and Lewis and are spread upon the Journal:

Joining Representative Lewis and me today are the mentors and graduates of the Finney County Real Men Real Leaders Program. Their Mission Statement is:

   CULTIVATING YOUNG MEN INTO LEADERS BY INFLUENCING POSITIVE DECISION MAKING.

Mentors include:

Former State Representative Reynaldo Mesa
Mr. Jonas Cruz
Mr. Tim Sperry
REAL MEN REAL LEADERS was founded in Garden City, Finney County Kansas in 2009 as an after-school program for 5th and 6th grade male students.

Through weekly programs, students are exposed to community leaders, role models, and educational and career opportunities. 5th graders complete lessons in 5 Core Values: LEADERSHIP, PERSONAL MANAGEMENT, FAMILY, COMMUNICATION AND CITIZENSHIP. The 6th grade students are challenged to complete lessons in four areas of community service: GOVERNMENT, PRIVATE, PUBLIC and SOCIAL SECTORS.

REAL MEN REAL LEADERS emphasizes SERVANT LEADERSHIP...to be a true leader you must first serve others. While learning servant leadership, students volunteer for over 1000 hours in our Community each year. After students complete their programs, their graduation is recognized at an annual banquet where they receive a challenge coin.

Graduates of the program joining us today include:

The program is being expanded to upper grade levels to reinforce the program’s values throughout their educational careers. This program is unique in Kansas, and should be expanded throughout the State. Please join us in recognizing REAL MEN REAL LEADERS.

Rep. Clifford presented a framed House certificate to his guests in recognition of their successes.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Butler are spread upon the Journal:

This morning, I have asked to recognize an individual who has worked hard to make Junction City/Geary County a great place to live and raise a family. I have asked the Representative from the 65th District, the Senator from Manhattan and many of Phyllis' supporters to join me in recognizing Phyllis Fitzgerald.

I have known Phyllis for several years and have observed how much she cares for Junction City. Phyllis retired from the United State Army after a long, distinguished career, that included deployment to Desert Shield/Desert Storm with the 1st Infantry Division. Since retirement, Phyllis has dedicated her time to working tirelessly to make Junction City a better place to live, work and play.

Keeping our city clean: Several years ago, Phyllis established weekly, monthly, and on request volunteer clean up events, with an overarching mission to connect Fort Riley soldiers and community members working together to clean up our community, making it more inviting and the best for first impressions.

Author: 2016, with time on her hands, Phyllis gathered information from 1st Infantry Division soldiers and wrote “What is Your Big Red One Story.” This book told
the stories of 100 men and women who had served with units of the 1st Infantry Division. The endeavor was completed in time for the 100th birthday of the 1st Infantry Division.

Home Away From Home: Knowing soldiers want a place to connect, Phyllis established the local Adopt a Soldier program in 2017. To date she has matched over 200 Single Soldiers with over 75 + local host families.

Community Service: Phyllis refuses to let grass grow under her feet. In 2015 she was elected to serve on the Junction City Commission. She served from 2015-2020. In 2017 Phyllis was selected to serve as the Mayor for Junction City, Kansas.

Currently, Phyllis works as the Executive Director for the Society of the First Infantry Division. She actively engages leadership from both Junction City and Fort Riley, building relationships that will endure time.

Phyllis is a “Shining Star” in our community and is recognized by many as the unofficial Ambassador for Junction City, Kansas. Thank you from the residents of our community and from the House of Representatives. Would you join me in celebrating Phyllis’ hard work.

Rep. Butler presented Phyllis Fitzgerald with a framed House certificate in honor of her contributions to Junction City and Geary County.

HOUSE RESOLUTION NO. HR 6015—A RESOLUTION commemorating the celebration of St. Patrick's Day.

WHEREAS, On March 17th, during the annual celebration of the Feast of Saint Patrick, the patron saint of Ireland, Irish Americans join with people of all other ethnic origins in celebrating Saint Patrick and demonstrating a mutual love for Ireland; and

WHEREAS, On Saint Patrick's Day, all who celebrate live in the spirit of Saint Patrick, Saint Bridget and Saint Colmcille, the latter of whose 1500th birthday was celebrated in 2020; and

WHEREAS, Irish immigrants in the United States helped form the cultural foundation of the nation, and those of Irish lineage today proudly sing support for Ireland; and

WHEREAS, We celebrate the establishment of the American Irish State Legislators
Caucus, which has leadership in all 50 states, and we applaud its aim of fostering and strengthening the longstanding relationship between the United States and Ireland for the mutual benefit of both countries; and

WHEREAS, The Senate of Ireland celebrates its 101st anniversary this year; and

WHEREAS, The songs of Ireland are the tragic songs of love, the joyous songs of battle, the nostalgic reveries of the sorrows and glories that are the Emerald Isle, the lamentations of life’s myriad travails and the odes to joy in the life eternal: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we commemorate the celebration of the Feast of Saint Patrick, the patron saint of Ireland; and

Be it further resolved: That we honor the Good Friday Agreement, on the 25th anniversary of its ratification, as the framework for lasting peace in Northern Ireland; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send each an enrolled copy of this resolution to the Chair of the American Irish State Legislature Caucus, Senator Mark Daly, the 24th Chair of the Senate of Ireland, Representative Tarwater and 3 copies to Representative Rhiley.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Rhiley and Tarwater are spread upon the Journal:

Reps. Rhiley and Tarwater were joined on the floor by other sponsors of HR 6015. Rep. Rhiley read parts of the resolution and shared information about our relationship with Ireland.

Rep. Tarwater shared a story about his grandparents: For my Grandparents, Tom and Mary Shine, “Love at first sight” was a real thing. Tom met 16 year old Mary at a party, the first time she was allowed out for an evening. He courted for two years in rural County Kerry, Ireland.

He said that he “Danced her into loving him” and danced they did. They were always a hit at parties, and a dance always broke out.

Tom moved to America and worked for 2 years in order to save money to bring his sweetheart over. Work was hard and he was often met with a sign that read “Irish need not apply” and their accent made them hard to understand. They were married in St. Louis in 1928

They made it through the lean years because of their solid love for each other and compromise when difficult things came up.

Tom and Mary overcame these obstacles and Tom eventually became a vice president and a board member of Manor Baking Co. They had 8 children and their house was always full of love and laughter.

Tom was very proud of his Irish heritage. He was a founding member of the Ancient Order of Hibernians in Kansas City, and helped stage the first St. Patrick's Day parade there. One year he was the grand marshal. Growing up, we always had a float, and St. Patrick’s Day was always my favorite holiday. The parade is now one of the largest parades in the country, and that is where you will find me this Friday.

Rep. Rhiley and Tarwater passed out pins that were sent from the Senate of Ireland.

EXPLANATIONS OF VOTE

MR. SPEAKER: House Substitute for SB 83 affords parents, whose financial situation hinders them, the freedom to choose a different education path for their children. The statistics clearly show that public schools are not working for many of our Kansas students. This bill seeks to give less affluent families, if they choose to do so, a chance to decide what is best for them. While this bill is not perfect, we should not let perfect be the enemy of good. This is a good bill. Mr. Speaker, I vote yes. – RANDY GARBER, BILL RHILEY, BRETT FAIRCHILD.

MR. SPEAKER: As a teacher I promised other teachers I would support fair raises for teachers and full funding of SPED. This bill fulfills both of these promises and benefits education. I vote yes on Sub SB 83. – TIM JOHNSON, CHUCK SMITH
Mr. Speaker: We vote NO on Senate Bill 83. There simply is not enough accountability of taxpayer dollars for participating parents/guardians in this program. Furthermore, there are no metrics to evaluate student performance as this new method unfolds. Constituent feedback, in our districts was a sound rejection of this bill. Rather than a new voucher system, this body should double down on our efforts for Early Childhood Development and Education to effectively improve young Kansans' learning in reading, math, and the student as a whole. – John Eplee, Jesse Borjon, Mike Dodson, James Minnix, Susan Concannon, Mark Schreiber, David Younger, Lisa Moser

Mr. Speaker: I vote “NO” on SB 83. John Adams said, “Always stand on principle even if you stand alone.”

I do not trust a government that destroys an institution and creates havoc, then looks for more victims, under the guise of fixing the problem that they caused. In this bill government holds the purse strings not the parents. This bill does not fix our government schools. This bill is a governmental plan to further institute an educational welfare system. The solution to this problem is not more government, but individual morality, responsibility, and for parents to get involved in their childrens’ education and demand accountability. – Trevor Jacobs

Mr. Speaker: I vote NO on SB 83. Those of us from rural areas know well the persistent resentment caused by school consolidation. A generation from now, when rural schools are again shuttered, Kansans will look back to this moment, and this bill, as the beginning of the end. Not just for rural schools, but rural Kansas. Our great state is littered with once-hopeful towns that lost their local schools and suffered a slow death. SB 83 will force school closures in rural Kansas, leading to further depopulation, and continued concentration of political and economic power in the urban areas of Kansas. – Jason Probst

Mr. Speaker: I vote NO on SB 83. It's exceedingly frustrating to have SPED funding and teacher pay raises tied to vouchers. That it’s necessary at all tells us enough about this bill: It's unpopular and it’s bad policy. (I support fully funded public schools for all Kansas kids, first and foremost, and vouchers are a direct attack on classroom funding. I side with the hundreds of Kansans, teachers, students, parents, and more who submitted opposition testimony to SB 83 and I vote NO. – Lynn Melton, Virgil Wegel, Kirk Haskins, Tobias Schlingensiepen, Dan Osman, Melissa Oropeza, Silas Miller, Linda Featherston, Lindsay Vaughn

Mr Speaker: – I vote no on SB 83. My constituents elected me to defend public education, not defund it. A vote for this bill betrays our most fundamental institutions and undermines public education's role as 'the great equalizer.' A child’s ZIP code, religion, sexual orientation, access to a vehicle, or requirement for special attention should not condemn them to a second-class education and less opportunity for success. I refuse to pick winners and losers and that’s what this bill will do. – Susan Ruiz, Allison Hougland, Heather Meyer, Ford Carr, KC Ohaebosim

Mr Speaker: I vote NO on SB 83. Public dollars belong in public schools. Period. – Vic Miller, Dennis Miller, Jo Ella Hoye, Christina Haswood, Stephanie Sawyer Clayton, Jerry Stogsdill, Brad Boyd, Brandon Woodard, Angela Martinez, Mike Amyx, Sydney Carlin, John Alcala
MR. SPEAKER: I vote no on SB 83. I cannot authorize writing a blank check without any requirement for accountability or oversight. Particularly when the money comes straight from our classrooms. We've been unable to study an accurate fiscal note, and that alone is reason to vote no on this bill. I simply cannot think of a more irresponsible way to craft policy. I highly doubt that the members of this body would be so reckless with their own money, so why do it with taxpayers? – CINDY NEIGHBOR, VALDENIA WINN, TOM SAWYER

MR SPEAKER: We love our kids. We want the best for our kids. Wanting the best for our kids means rejecting staus quo by allowing parental choice and healthy competition to improve outcomes and opportunities for all kids. With a growing number of students graduating without being career or college ready – it's past time for meaningful change. Helping disadvantaged kids performing below grade level, funding increases for special education, and requiring teacher pay raises work together to bring meaningful benefits and opportunities to our kids. My Speaker, I vote yes on SB 83 — kids first always. KRISTEY WILLIAMS, BRENDA LANDWEHR

MR SPEAKER: I vote Yes on H Sub for SB 83. Education Savings Accounts (ESA) are sensible and mainstream. Every state uses ESA’s for 529 college savings plans. To extend this benefit to a larger pool of Kansas K-12 students and parents is a public good. Taxpayer money should follow the student and not be tied to any one system. Yet SB 83 is a compromise. We both fully fund public K-12 schools per the Gannon decision and provide meaningful school choice. Kansas needs to think “both/and” and not “either/or” when it comes to our schools. – PAUL WAGGONER, SCOTT HILL

(A) Does not involve any significant risk of harm to the physical or mental health of the ward, or the use of aversive stimulants, and is intended to preserve the life or health of the ward or to assist the ward to develop or regain skills or abilities; or

(B) involves a significant risk of harm to the physical or mental health of the ward, or the use of an aversive stimulant, but that the conducting of the proposed procedure or experiment is intended either to preserve the life of the ward, or to significantly improve the quality of life of the ward, or to assist the ward to develop or regain significant skills or abilities, and that the guardian has been fully informed concerning the potential risks and benefits of the proposed procedure or experiment or of any aversive stimulant

Such written certification shall be approved by an order issued by the court;

(8) to exercise any control or authority over the ward's estate, except if the court shall specifically authorize such. The court may assign such authority to the guardian, including the authority to establish certain trusts as provided in K.S.A. 59-3080, and amendments thereto, and may waive the requirement of the posting of a bond, only if:

(A) Initially, the combined value of any funds and property in the possession of the ward or in the possession of any other person or entity, but which the ward is otherwise entitled to possess, equals $10,000 or less; and

(B) either the court requires the guardian to report to the court the commencement of the exercising of such authority, or requires the guardian to specifically request of the court the authority to commence the exercise of such authority, as the court shall specify; and

(C) the court also requires the guardian, whenever the combined value of such funds and property exceeds $10,000, to:

(i) File a guardianship plan as provided for in K.S.A. 59-3076, and amendments thereto, which contains elements similar to those which would be contained in a conservatorship plan as provided for in K.S.A. 59-3078, and amendments thereto;

(9) to place the ward in a treatment facility as defined in K.S.A. 59-3077, and amendments thereto, except if authorized by the court as provided for in that section; or

(10) to access digital assets of the ward except if authorized by the court pursuant to K.S.A. 2022 Supp. 58-4814, and amendments thereto.

(f) The guardian shall file with the court reports concerning the status of the ward and the actions of the guardian as the court shall direct pursuant to K.S.A. 59-3083, and amendments thereto.

Sec. 7. K.S.A. 74-49,127 is hereby amended to read as follows: 74-49,127. (3) Any lump-sum benefits payable to a beneficiary or beneficiaries who are minor children and which amount totals $10,000 to $25,000 or more shall be made in the name of the beneficiary or beneficiaries and delivered to the lawfully appointed conservator of such beneficiaries who was nominated by will or as otherwise provided by law except that in those cases where the benefit involves an amount not to exceed $500, the board is hereby authorized in its discretion without the appointment of a conservator or the giving of a bond to pay such amount as is due to the minor or minors themselves. If no conservator is lawfully appointed, the system will credit interest at 4% on all benefits due and payable and shall pay all benefits plus interest to the beneficiary or beneficiaries who are minor children when they attain age 18 years. Any benefits payable to a beneficiary or beneficiaries who are minor children and which amount which totals more than $500 but less than $10,000 to $25,000, may be made in the name of the beneficiary or beneficiaries and paid under the uniform transfers to minors act as provided in K.S.A. 38-1701 et seq., and amendments thereto.

(4) Any monthly benefits payable to a beneficiary or beneficiaries who are minor children shall be made in the name of the beneficiary or beneficiaries and delivered to the lawfully appointed conservator of such beneficiaries who was nominated by will or as otherwise provided by law. If no conservator is lawfully appointed, the system will credit interest at 4% on all benefits due and payable and shall pay all benefits plus interest to the beneficiary or beneficiaries who are minor children when they attain age
18 years.

(5) As used in this section, "system" means the Kansas public employees retirement system, the Kansas police and firemen's retirement system and the retirement system for judges.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Patton and Schreiber are spread upon the Journal:

Thank you, Mr. Speaker. In 1963, the United States Supreme Court ruled unanimously in favor of Clarence Earl Gideon in his case which claimed his Sixth Amendment right to legal counsel was violated when a judge refused to appoint him an attorney and he had to represent himself in court. This decision by the Supreme Court guarantees the right to legal counsel for criminal defendants in federal and state courts.

House Resolution HR 6016 recognizes the 60th anniversary of the Gideon case and declares March 18, 2023 to be Kansas Public Defender Day. Not only do we call attention to this important court decision, but we also acknowledge the service of our hardworking public defenders and public defense employees who play a vital role in our criminal justice system as they provide this constitutional right.

Today, we are honored to be able to recognize some of those who work in public defense. With us today are:

- **Michelle Ewert**, Board Member, Board of Indigents' Defense Services
- **Heather Cessna**, Executive Director, Board of Indigents' Defense Services
- **Jessica Glendening**, Chief Public Defender of the Third Judicial District (Shawnee County)
- **Jonathon Noble**, Chief Public Defender of the Northeast Kansas Conflicts Public Defender Office
- **Kim Mason**, Assistant Director Chief Fiscal Officer, Board of Indigents' Defense Services
- **Brandon Barrett**, Assistant Director General Counsel, Board of Indigents' Defense Services
- **Ann Sagan**, Director of Special Projects, Board of Indigents' Defense Services

Please join us in thanking them for their service to our state!

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Mason, **HR 6013, A RESOLUTION strengthening the sister-state ties between the State of Kansas and Taiwan, was adopted.**
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Mason and Hawkins are spread upon the Journal:

Colleagues, this morning we will vote on the adoption of HR 6013, “Strengthening the sister-state ties between the State of Kansas and Taiwan.” This year marks the 34th anniversary of Kansas' close relationship with Taiwan.

Taiwan ranks as Kansas' 10th largest export customer in the global market, and at the same time, Taiwan ranks as Kansas’ 3rd largest import country. The goods Kansas exports to Taiwan include processed food products, agricultural products, computer & electronic products, leather and allied products, and many more.

According to 2022 data, Taiwan contributes over 26,000 jobs in Kansas. Taiwan-affiliated companies located in Kansas include GARMIN, Hyper Tech Computers, and Sun Marble Company. Taiwan shares our values of a robust democracy, individual liberty, the rule of law, and human rights.

And, Taiwan is a trusted friend. Early in the 2020 pandemic, Taiwan donated 100,000 surgical masks and 10,000 N95 masks to the State of Kansas for frontline workers.

Joining us at the well, from the Taipei Economic and Cultural Office in Denver, are Director General Bill Huang; Deputy Division Director Leanne Kao; Consular Officer Natalia Wang.

Immediately following the adoption of this resolution, there is a reception in their honor, on the 2nd floor rotunda. You are all invited. Don’t all leave at once…but, please, join us in welcoming our friends to the Capitol.

MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to HB 2238, AN ACT concerning education; relating to student athletes; creating the fairness in women's sports act; restricting participation on women's teams to female students; providing a cause of action for violations of the act, was received and read.

MESSAGE FROM THE GOVERNOR REGARDING VETO OF HOUSE BILL 2238

As I've said before, we all want a fair and safe place for our kids to play and compete. That's why I support the Kansas State High School Activities Association, which was set up to ensure nobody has an unfair advantage on the playing field. The Legislature should let the Association do its job.
LET'S BE CLEAR ABOUT WHAT THIS BILL IS ALL ABOUT-POLITICS. IT WON'T INCREASE ANY TEST SCORES. IT WON'T HELP ANY KIDS READ OR WRITE. IT WON'T HELP ANY TEACHERS PREPARE OUR KIDS FOR THE REAL WORLD. HERE'S WHAT THIS BILL WOULD ACTUALLY DO: HARM THE MENTAL HEALTH OF OUR STUDENTS. THAT'S EXACTLY WHY REPUBLICAN GOVERNORS HAVE JOINED ME IN VETOING SIMILAR BILLS.

This bill would also reverse the progress we've made in recruiting businesses and creating jobs. It would send a signal to prospective companies that Kansas is more focused on unnecessary and divisive legislation than becoming a place where young people want to work and raise a family.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2238.

BY THE GOVERNOR
LAURA KELLY

   (C) an explanation of what constitutes suitable work under the employment security law; and

(5) The secretary shall include notices to all active employers regarding work search noncompliance reporting options provided in paragraph (3) in the department of labor's annual summary of benefit charges pursuant to K.S.A. 44-710b(d), and amendments thereto, and in the rate notices to employers pursuant to K.S.A. 44-710b(a), and amendments thereto. The secretary shall not be required to implement such notice requirements prior to the completion of the new unemployment insurance information technology system, as provided by K.S.A. 44-772, and amendments thereto.

(6) For the purposes of this subsection, an inmate of a custodial or correctional institution shall be deemed to be unavailable for work and not eligible to receive unemployment compensation while incarcerated.

(d) (1) Except as provided further, the claimant has been unemployed for a waiting period of one week or the claimant is unemployed and has satisfied the requirement for a waiting period of one week under the shared work unemployment compensation program as provided in K.S.A. 44-757(k)(4), and amendments thereto, and that period of one week, in either case, occurs within the benefit year that includes the week for which the claimant is claiming benefits. No week shall be counted as a week of unemployment for the purposes of this subsection:
   (A) If benefits have been paid for such week;
   (B) if the individual fails to meet with the other eligibility requirements of this section; or
   (C) if an individual is seeking unemployment benefits under the unemployment compensation law of any other state or of the United States, except that if the appropriate agency of such state or of the United States finally determines that the claimant is not entitled to unemployment benefits under such other law, this subparagraph shall not apply.

(2) (A) The waiting week requirement of paragraph (1) shall not apply to:
   (i) New claims by claimants who become unemployed as a result of an employer terminating business operations within this state, declaring bankruptcy or initiating a work force reduction pursuant to public law 100-379, the federal worker adjustment and retraining notification act, 29 U.S.C. §§ 2101 through 2109, as amended; or

   (B) The secretary shall adopt rules and regulations to administer the provisions of this paragraph.

(3) If the waiting week requirement of paragraph (1) applies, a claimant shall
become eligible to receive compensation for the waiting period of one week, pursuant to paragraph (1), upon completion of three weeks of unemployment consecutive to such waiting period. This paragraph shall not apply to initial claims effective on and after April 1, 2021.

(e) For benefit years established on and after the effective date of this act, the claimant has been paid total wages for insured work in the claimant's base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's base period, except that the wage credits of an individual earned during the period commencing with the end of a prior base period and ending on the date that such individual filed a valid initial claim shall not be available for benefit purposes in a subsequent benefit year unless, in addition thereto, such individual has returned to work and subsequently earned wages for insured work in an amount equal to at least eight times the claimant's current weekly benefit amount.

(f) The claimant participates in reemployment services, such as job search assistance services, if the individual has been determined to be likely to exhaust regular benefits and needs reemployment services pursuant to a profiling system established by the secretary, unless the secretary determines that: (1) The individual has completed such services; or (2) there is justifiable cause for the claimant's failure to participate in such services.

(g) The claimant is returning to work after a qualifying injury and has been paid total wages for insured work in the claimant's alternative base period of not less than 30 times the claimant's weekly benefit amount and has been paid wages in more than one quarter of the claimant's alternative base period if:

1. The claimant has filed for benefits within four weeks of being released to return to work by a licensed and practicing health care provider;
2. the claimant files for benefits within 24 months of the date the qualifying injury occurred; and
3. the claimant attempted to return to work with the employer where the qualifying injury occurred, but the individual's regular work or comparable and suitable work was not available.

The purpose of this section is to ensure the state's unemployment insurance program is utilizing current technology and features to protect the sensitive data required in the unemployment insurance benefit and tax systems relating to program integrity, system efficiency and customer service experience.

(b) The legislature finds that, as a result of the vulnerabilities exposed in the legacy unemployment insurance system by the COVID-19 pandemic unemployment insurance crisis, a new system shall be fully designed, implemented and administered by the department of labor not later than December 31, 2022. The legislative coordinating council, upon consultation with the unemployment compensation modernization and improvement council established by K.S.A. 44-771, and amendments thereto, may extend the deadline to a date certain and may further extend the deadline to another date.
certain at any time as often as the legislative coordinating council deems appropriate. The secretary of labor shall provide written notice to the legislative coordinating council and the unemployment compensation modernization and improvement council at least 30 days prior to the expiration of a deadline advising whether the secretary seeks an extension of the deadline and, if so, the basis therefor. The failure of the secretary to provide such notice shall not affect the authority of the legislative coordinating council to act as provided by this subsection. For purposes of this subsection, "consultation" means an appearance before, or written statement provided to, the legislative coordinating council by the chairman of the unemployment compensation modernization and improvement council or the chairman's designee. Any member of the unemployment compensation modernization and improvement council may also provide a written statement. A report to the legislative coordinating council by the unemployment compensation modernization and improvement council may be provided but shall not be required. If any deadline expires before the legislative coordinating council extends that deadline, the council may subsequently meet as soon as reasonably possible and may retroactively extend any deadline as otherwise provided by this subsection.

(e) The secretary shall implement and utilize all program integrity elements, as specified and defined by the unemployment compensation modernization and improvement council established by K.S.A. 44-771, and amendments thereto, in consultation with the secretary, including, but not limited to:

1. Social security administration cross-matching for the purpose of validating social security numbers supplied by a claimant;
2. Checking of new hire records against the national directorate of new hires to verify eligibility;
3. Verification of immigration status or citizenship and confirmation of benefit applicant information through the systematic alien verification for entitlement program;
4. Comparison of applicant information to local, state and federal prison databases through incarceration cross-matches;
5. Detection of duplicate claims by applicants filed in other states or other unemployment insurance programs through utilization of the interstate connection network, interstate benefits cross-match, the state identification inquiry state claims and overpayment file and the interstate benefits 8606 application for overpayment recoveries for Kansas claims filed from a state other than Kansas;
6. Identification of internet protocol addresses linked to multiple claims or to claims filed outside of the United States; and
7. Use of data mining and data analytics to detect and prevent fraud when a claim is filed, and on an ongoing basis throughout the lifecycle of a claim, by using current and future functionalities to include suspicious actor repository, suspicious email
domains, foreign internet protocol addresses, multi-state cross-match, identity verification, fraud alert systems and other assets provided by the unemployment insurance integrity center.

(f) If the unemployment compensation modernization and improvement council becomes inactive or is dissolved and the new information technology system modernization project has been completed, the secretary shall implement and utilize all new program integrity elements and guidance issued by the United States department of labor and the national association of state workforce agencies, including the integrity data hub, within 60 days of the issuance of any such guidance.

(g) The secretary, on a scheduled basis, shall cross check new and active unemployment insurance claims against the cross-check programs described in subsection (e). If the secretary receives information concerning an individual approved for benefits that indicates a change in circumstances that may affect eligibility, the secretary shall review the individual's case and act in accordance with the law.

(h) The department of labor shall have the authority to execute a memorandum of understanding with any department, agency or agency division for information required to be shared between agencies pursuant to the provisions of this section.

(i) The secretary of labor shall adopt rules and regulations necessary for the purposes of carrying out this section. Such rules and regulations shall be adopted within 12 months of the effective date of this act.

(j) The secretary of labor shall provide an annual status update and progress report regarding the requirements of this section to the unemployment compensation modernization and improvement council and the legislative coordinating council.

(k) This section shall be a part of and supplemental to the employment security law.

Sec. 7. K.S.A. 2022 Supp. 44-775 is hereby amended to read as follows:

(a) (1) The secretary of labor and the secretary of commerce shall jointly establish and implement the my reemployment plan as provided in this section. For purposes of this section, "my reemployment plan" means a program jointly established and implemented by the Kansas department of labor and the Kansas department of commerce that provides enhanced reemployment services, including workforce services provided by the department of commerce, to Kansans receiving unemployment insurance benefits. The program shall be required for all claimants except claimants in the shared work program, trade adjustment assistance and trade readjustment assistance program, claimants on temporary layoff with a return-to-work date but such claimants shall only be excepted during any first 8 consecutive weeks of benefits, claimants that are currently employed, claimants that are current reemployment services and eligibility assessment participants, claimants that are active members in good standing of a placement union or claimants that are engaged in a training program. The program shall be implemented on or before June 1, 2021 or claimants that are on temporary unemployment as defined in K.S.A. 44-703(ii), and amendments thereto.

(2) Rated employers seeking an extension of temporary unemployment with respect to an individual shall submit a written request to the secretary. The total maximum of temporary unemployment for an individual in a benefit year, including any extensions as provided by this paragraph, shall be 12 weeks. As a condition of approval by the secretary, a rated employer shall agree to furnish the secretary with reports relating to the temporary unemployment extension request as the secretary may require. The secretary may approve one or more extensions of up to a total of four weeks of
additional temporary unemployment for an individual, if the secretary determines the requesting employer is a contributing employer eligible for a rate computation under K.S.A. 44-710a(a)(2), and amendments thereto, and is a:

(A) Rated employer that has filed all reports required to be filed under the employment security law for all past and current periods and has paid all contributions; and

(B) (i) positive account employer as defined by K.S.A. 44-710a(d), and amendments thereto; or

(ii) negative account employer as defined by K.S.A. 44-710a(d), and amendments thereto, and the negative account employer's most recent calculated reserve ratio has improved from the reserve ratio of such employer for the previous reporting year.

(2) The secretary of labor shall provide the secretary of commerce with the names and contact information of claimants that have claimed a third week of benefits in the current benefit year. The secretary of labor shall request the claimant to upload or create a complete resume in the Kansasworks workforce system, and complete a job search plan that includes a skills assessment component. The secretary of commerce shall offer and provide, when requested, assistance to the claimants in developing the documents or plan through collaboration by the secretary with the Kansasworks workforce system. The secretary of commerce may require claimants to participate in reemployment services. The claimant shall have 14 calendar days to respond to the secretary of commerce. The secretary of commerce shall report any failure to respond by the claimant to the secretary of labor.

(3) The secretary of labor shall share labor market information and current available job positions with the secretary of commerce. The secretary of labor may collaborate with Kansasworks or other state or federal agencies with job availability information in obtaining or sharing such information.

(4) The secretary of commerce shall match open job positions with claimants based on skills, work history and job location that is a reasonable commute from the claimant's residence and communicate the match information to the claimant and to the employer. The secretary of labor and the secretary of commerce shall consider whether the claimant or a Kansas employer would benefit from the claimant's participation in a work skills training or retraining program as provided by subsection (b) and, if so, provide such information to the employer, if applicable, and the claimant. Claimants who fail to respond within 14 calendar days after contact by Kansasworks or the department of commerce shall be reported by the secretary of commerce to the secretary of labor.

(b) The secretary of commerce shall refer claimants to a work skills training or retraining program as appropriate. The secretary of commerce shall seek to obtain or utilize any available federal funds for the program, and to the extent feasible, may make
current work skills training and retraining programs available to claimants. The
secretary of labor may allow claimants to participate in such a program offered by the
secretary of commerce or by another state or federal agency in lieu of requiring the
claimant to meet job search requirements and the requirements of the my reemployment
plan until the number of allowed benefit weeks has expired. A claimant shall participate
in such a program for not less than 25 hours per week. The secretary of commerce shall
monitor those my reemployment plan claimants participating in training managed by
the workforce centers to ensure compliance.

(c) Claimants who participate in the my reemployment plan or the work skills
training or retraining program shall meet attendance or progress requirements
established by the secretary of commerce to continue eligibility for unemployment
insurance benefits. Non-compliant claimants shall be reported by the secretary of
commerce to the secretary of labor. The secretary of labor shall disqualify such
claimants from further benefits within five business days of receiving the report, unless
or until the claimant demonstrates compliance to the secretary of commerce, and shall
communicate the disqualification and the reason for the disqualification to the claimant.
The secretary of commerce shall report to the secretary of labor when the claimant has
reestablished compliance. The secretary of labor may continue benefits or reinstate a
claimant's eligibility for benefits upon a showing of good cause by the claimant for the
failure to meet attendance or progress requirements or my reemployment plan
participation requirements.

(d) The secretary of labor and the secretary of commerce shall provide an annual
status update and progress report for the my reemployment plan to the standing
committee on commerce, labor and economic development of the house of
representatives and the standing committee on commerce of the senate during the first
month of the 2022 regular legislative session and the first month of each regular

Prayer by Chaplain Brubaker:

Creator God,
thank You for this beautiful first full
day of springtime.
With the new season, comes an excitement
of new beginnings and new life.
Remind us what new beginnings really mean.
Spring is a metaphor for change –
some changes we like, others we don’t.
To all these changes we ask the gift of Your perspective
beckoning us to expectation, hope and rebirth.
Just as the sunlight and rain are reminders
that You are at work renewing the earth,
help us to realize that You are also at work
at renewing our lives.
This I pray in Your Name, Amen.

The Pledge of Allegiance was led by Rep. Louis Ruiz.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Goetz are spread upon the Journal:

World Down Syndrome Day (WDSD), 21 March, is a global awareness day which has been officially observed by the United Nations since 2012. In March of 2019 the Kansas House of Representatives recognized WDSD in statute. The date for WDSD being the 21st day of the 3rd month, was selected to signify the uniqueness of the triplication (trisomy) of the 21st chromosome which causes Down syndrome.
Why mark WDSD?
On this one day we have a chance to make a change.
All around the world, people with Down syndrome are treated badly…

• They are denied a quality education.
• They are denied good health care.
• They are denied the chance to work and earn their own money.
• They are not allowed to make decisions about their own lives.
• Their voices are not heard!
• So, every year on March 21st we created a single global voice advocating for the rights and well-being of people with Down Syndrome.

Each year for World Down Syndrome Day (WDSD) we work with the global Down syndrome community to choose a global campaign message.
For World Down Syndrome Day 2023, we are calling for people and organizations around the world to be With Us Not For Us.

What does this mean?
• We want to be treated fairly and to have the same opportunities as others.
• We want the freedom, and the support, to make our own choices.
• We want to be involved in the work of organizations.
• We want the organizations that represent us to be included in decision-making.

About Down Syndrome Innovations:
Down Syndrome Innovations, an organization I wanted to highlight today, is a non-profit 501 (c)(3) organization located in Mission, KS, which serves and champions people with Down syndrome across the Midwest region, and all across our great state.
Their mission is to provide life-changing support and services that enable people with Down syndrome to live to their fullest potential.
They support people with Down syndrome – and their families – throughout the lifespan, from prenatal diagnosis all the way through late adulthood. Down Syndrome Innovations was founded in 1984 and serves as the expert resource and lead community mobilizer, sharing knowledge and creating solutions for people with Down syndrome.

About KCDD:
The Kansas Council on Developmental Disabilities, also represented here today, has a mission to empower individuals with intellectual and developmental disabilities (I/DD) and their families to lead systems change, build capacity, and advocate for inclusive, integrated, accessible communities where everyone belongs and thrives. KCDD believes that all people with intellectual and developmental disabilities live, learn, work, play, belong, and thrive in the community they choose.
Solving the unemployment crisis for our disability community is a key and critical priority of the disability community.
Kansas has been a recognized leader in crafting legislation with the intention to create more competitive integrated employment (CIE) for people with disabilities.
Kansas was the first state in the nation to adopt Employment First legislation through the Employment First Initiative Act in 2011. (40 other states have followed our lead since 2011.) This law established Employment First as the official policy of the great State of Kansas with the intent to increase the number of Kansas residents with disabilities who are employed in competitive and integrated settings.
Yet, people with disabilities, especially those with I/DD, still remain the largest unemployed population in Kansas and around the country. Despite policies like Employment First, even in Kansas, employment rates and outcomes for individuals with I/DD, in Kansas, still need more work:

- There are only 13,847 Kansans with I/DD known to state agencies (there are many other individuals and families across the state)
- Of those, only 6.7% (933) are competitively employed, and only 2.0% (271) of all Kansans with I/DD receive Supported Employment Services.
- What we have been doing, is not working and we need innovative and new solutions to advance disability hiring in Kansas.

CALL TO ACTION

We need more investments in disability hiring in the private sector - from Main Street to Wall Street, companies need to prioritize disability inclusion, and more focus on local, private sector solutions to help many more Kansans with I/DD obtain competitive integrated employment and ensure the right incentives are in place statewide. This is why we need organizations like Down Syndrome Innovation (DSI) driving innovative programs, which focus on getting individuals with Down syndrome career ready.

And we need statewide organizations, like KCDD, to ensure best practices and innovation is happening not just in our big cities but localized solutions and programs that lift every Kansan with I/DD up and ensure they have the ability to work, thrive and contribute to society.

Rep. Goetz introduced his following guests:
- Amanda Myers, representing the team at Down Syndrome Innovations
- Sara Weir, Executive Director of KS Developmental Disabilities Council
- Jarrod Sanderson, Chief Operating Office of Nautical Fulfillment & Logistics, an employment partner of Down Syndrome Innovations

Our special guests, and the reason we are celebrating today:
- Caleb Welch (21 yrs old)
- Lola Kernell (18 yrs old)
- Genesis Ortiz (21 yrs old)
- Greta Foye (42 yrs old)
- John Roberts (54 yrs old)
- Heather Hoback (25 yrs old)
- Crosby Orlando (6 yrs old) and his mother, Sarah Jahnke

In the gallery are more individuals with Down syndrome who we are celebrating today, parents, Down Syndrome Innovations executive leadership and staff, and more employment partners.

House of Representative Colleagues, I invite you to help me congratulate these amazing individuals, families and organizations on this WDSD 2023!

Be it further resolved: That we wish the NWTF the best for the future as they continue to deliver their mission by working across land ownership boundaries to increase clean and abundant water, healthy forests, wildlife habitat, resilient communities and robust recreational opportunities; and
Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Carpenter.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Will Carpenter are spread upon the Journal:

Rep. Carpenter was joined on the floor by fellow sponsors of HR 6017.

This resolution recognizes and celebrates the 50th anniversary of the National Wild Turkey Federation and salutes the organization, its chapters, and members from across Kansas and the United States for their tremendous efforts to further scientific, state-led wildlife management and the conservation of America’s wild turkey and its habitat.

Over the course of the past 50 years, the National Wild Turkey Federation and millions of members and chapters across the nation have worked with state, federal, and nongovernmental partners to promote wild turkey conservation and the preservation of our hunting heritage.

Since 1985, the National Wild Turkey Federation, its members, and chapters have invested more than half a billion dollars to conserve or enhance more than 22 million acres of critical wildlife habitat, forests, and grasslands across public and private lands.

In addition to being the largest and longest-serving nongovernmental stewardship partner of the USDA Forest Service, the National Wild Turkey Federation state chapters have successfully partnered with the Kansas Department of Wildlife & Parks in its restoration efforts.

The return of the of the wild turkey from the brink of extinction is one of the greatest conservation success stories in American history. Wild turkeys were virtually gone from the state by the early 1900s, but through a series of turkey releases in the 1960's and 70's, there now exists a stable, robust turkey population.

We recognize and celebrate the 50th anniversary of the National Wild Turkey Federation and salute their tremendous efforts to further scientific, state-led wildlife management and the conservation of America’s wild turkey and its habitat. We wish the National Wild Turkey Federation, its members, and chapters the best for the future as they continue to work across land-ownership boundaries to increase healthy forests and wildlife habitat, clean and abundant water, and robust outdoor recreational opportunities across the country.

Prayer by guest chaplain, Dr. David Manner, State Executive Director, Kansas-Nebraska Convention of Southern Baptists, Topeka and guest of Rep. Butler.

Lord, I pray for these members of the Kansas House of Representatives that you will encourage and enrich them today. Guide them in the unique ways their hearts and minds are willing to hear and surround them with others to hold them accountable.

Lord, in a nation that is often divided, give them the resolve to reach across the aisle when possible, and to strive for unity even in their diversity without compromising their convictions. Help these representatives model for the rest of our nation how it is indeed possible to work together for the good of all.

Lord, help these trusted leaders to honor you, their families, and their constituents by acting justly even when other colleagues might not; by loving mercy not as a sign of weakness but instead divine strength; and by walking in the humility of waking up every morning feeling unqualified to do alone what you have called them to do.

Finally, Lord, may these leaders hear your voice above the multitude of other voices screaming for them or at them. And give them divine wisdom to get it right and grace when they don’t. These things we pray in your name, Amen.

The Pledge of Allegiance was led by Rep. Schmoe.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Dodson and Carlin are spread upon the Journal:

We are here today to recognize the Kansas State University football team as the 2022 Big XII Conference Football Champions and their selection to the Sugar Bowl. This achievement was the result of great coaches and dedicated players committed to hard work, execution, and teamwork. In the tradition of Kansas State University, these coaches and players formed a true family where each cared about the welfare of each other both on and off the field.

These players come from all across the US and come at staggard times in the year. This makes the formation of the closeness of these teammates all the more remarkable.

These great coaches have led them through rigorous training, have made sure their academics kept pace, and have provided emotional strength. This is how a great team is built and what it takes to achieve victory over other very high-quality teams.

This team has represented the values of Kansas State University and the Athletic Department and gained the respect of the other teams and fans across the Conference and the nation.

The people of Kansas are very proud of your accomplishments and of your sportsmanship. The state of Kansas is proud to be represented by our Wildcats.

You have added to the legacy of the great teams of Kansas. The entire membership of the Kansas House extends its pride in your significant achievement. Go Cats.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hoye are spread upon the Journal:

Thank you, Mr. Speaker. Good morning. It is an honor to present a special recognition to some exemplary Kansas journalists who strive to report objectively and fairly while sharing their talents on behalf of their schools. Each year, the National Scholastic Press Association (NSPA) awards The Pacemaker to the best student publications in the nation. It is the most prestigious award in scholastic journalism and is often referred to as the Pulitzer Prize for high school journalism.

Recently, NSPA celebrated its 100th anniversary and chose to recognize the most awarded publications since the organization was founded. The Pacemaker 100 represents a one-time snapshot of the top 100 publications recognized in this competition over the last 100 years.

Six student publications from the Shawnee Mission School District were recognized in the Pacemaker 100. Three of these publications placed in the top 10 for their yearbooks. NSPA Executive Director Laura Widmer said she believes that the “Shawnee Mission district is the powerhouse of scholastic journalism,” as quoted in the Shawnee Mission Post. Shawnee Mission is the only district in the country to have 3
schools in the top 10. They are the best of the best.

This is exciting. So, let’s get right to it. From the Top 10 of The Pacemaker 100:

With a #9 spot, we have the Shawnee Mission East Yearbook, The Hauberk. Adviser Dow Tate and student editors Katherine Heitmann, Catherine Gould, and Lyda Cosgrove are here representing East journalism.

#4, Shawnee Mission North Yearbook, The Brickhouse, is represented by Adviser Becky Tate and former student and current Shawnee Mission South Journalism Adviser Tucker Love.

And coming in at #1 is the Shawnee Mission Northwest Yearbook, The Lair. Adviser Susan Massy and student editors Katie Burke and Grace Logan are here with us today, and I would like to make special mention that Susan is retiring this year after 44 years of teaching-42 of those years at Shawnee Mission Northwest. Thank you, Susan, for your dedication to our students. You had a hand in this award-winning reputation, and we are proud of this legacy. We wish you the best in your retirement.

I would also like to welcome Dr. Ryan Flurry, Principal of Career Education Campuses.

Seated in the gallery are Shawnee Mission Northwest Principal Lisa Gruman; Shawnee Mission North Principal David Ewers; Shawnee Mission East Principal Jason Peres; and approximately 30 student journalists from Shawnee Mission Northwest.

Shawnee Mission East and Shawnee Mission Northwest newspapers and other Kansas student-led publications are among those in the Pacemaker 100. I encourage you to check out that esteemed list.

These accomplishments deserve our sincere commendations. Please join me in congratulating these students and educators on their hard work and tremendous achievements.

Rep. Hoye presented her guests with framed House certificates in honor of their successes.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Lewis and Underhill are spread upon the Journal:

Reps. Lewis and Underhill were also joined on the floor by Rep. Schreiber.

Today we are recognizing Terin Humphrey, a decorated Olympic athlete. Terin was a member of the 2004 Olympic silver medalist gymnastics team, a member of the 2003 World Championship team, and is an inductee of the Gymnastics Hall of Fame.

Additionally, Terin is a survivor of childhood sexual abuse. In 2020, she came forward, revealing she had been sexually assaulted by Dr. Larry Nasser, the national gymnastics team doctor. During his long tenure as team doctor, Dr. Nasser preyed on hundreds of other young gymnasts, and he is now serving a long prison sentence.

In bravely sharing her story, Terin along with other survivors of child sexual abuse, have brought the topic of childhood sexual abuse to public attention, helping people better understand the scope and seriousness of the issue.

Child sex abuse ruins lives and often leads to suicide.

When explaining the problem, Terin challenges people to “Imagine the most terrible, embarrassing thing that has ever happened to you. Would you want to share it? Now
imagine being a child and being expected to come forward when you don’t even yet have the capacity to understand what happened and may lack the finances or support base to navigate a confusing justice system.”

Terin is joined today on the House floor by other courageous survivors who have spoken out and found their voice. We honor them as well -- Katie Pratt, Kim Bergman, Lesa Patterson-Kinsey, Joe Charey, Tess Ramirez, Becky Weismann, and Earl McIntosh.

Child sex abuse robs the victims of their childhood, of their agency, of their very humanity. We must do a better job of protecting our children from sexual predators.

Join me in honoring this Olympic athlete and her courage in speaking out. Rep. Lewis presented Terin Humphrey with a framed House certificate in honor of her courage.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Titus are spread upon the Journal:

Members of the House: Today, I would like to recognize the achievements of the student athletes and coaches at Wamego High School. This past fall, Wamego won state championships in girls golf and boys cross-country and finished as the runner up in football. With me today are the state champion golf and cross-country teams.

First, I would like to recognize the Wamego girls golf team who won their second straight 4-A title by 88 strokes, which set the new state record for margin of victory in class 4-A, just one stroke shy of the state record of 89 strokes. With me today are the following state champions: Kirby McKee, Ashten Pierson, Trista Hoobler, Sara Springer, Addison Douglass, Keauna Meyer, and Coach Kristie Miller.

Also, with me today is the Wamego boys cross country team which earned the school’s ninth cross-county state championship this past fall. Wamego defeated the four-time defending champion Buhler by eight points. I would also like to recognize Head Coach Rick Patton, who was named, for the seventh time, coach of the year and has led Wamego to 35 state races over his career. With me today are the following state champions: Brady Stegman, Harrison Cutting, Emery Wolfe, Peyron Parker, Alec Hupe, Jonny Cutting, and Joey Shea.

Please join me in recognizing the outstanding student athletes and coaches of Wamego High School.

Rep. Titus presented each team with a framed House certificate in honor of their accomplishments.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

HB 2313, AN ACT concerning health and healthcare; creating the born-alive infants protection act; providing legal protections for infants born alive; requiring certain standards of care by healthcare providers for infants who are born alive; providing criminal penalties and civil liability for violations of the act; amending K.S.A. 65-445 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 88; Nays 34; Present but not voting: 0; Absent or not voting: 3.

Yeas: Anderson, Awerkamp, Barth, Bergkamp, Bergquist, Blew, Blex, Bloom,
EXPLANATIONS OF VOTE

Mr. Speaker: The Born-Alive Infants Protection Act of 2002 already requires that care be given to babies born alive at any stage of development for any reason. This bill places significant liabilities on abortion providers and hospitals and creates grey area where none existed before. Proponents claim the bill allows mothers to hold their babies as they die, but the bill says babies must be “immediately transported.” This bill takes away a mother’s right to make her own private medical decisions in the most complicated and heartbreaking of cases—a right the overwhelming majority of Kansans voted to protect on August 2. Therefore, I vote NO on HB 2313. – Lindsay Vaughn, Louis Ruiz, Jerry Stogsdill, Pam Curtis, Stephanie Sawyer Clayton, Tom Sawyer, Vic Miller, Valdenia Winn, Allison Hougland, Christina Haswood, Jarrod Ousley, Dennis “Boog” Highberger, Silas Miller, Melissa Oropesa, Sydney Carlin, Susan Ruiz, Brad Boyd, Mike Amyx, Cindy Neighbor, Kirk Haskins, Dan Osman, Ford Carr, Brandon Woodward

Mr. Speaker: I do not come to my no vote on HB 2313 lightly. However, after extensive consultation with friends who have dedicated their professional lives to saving babies in high risk pregnancies, I realize that several scenarios presented in this chamber yesterday are not tightly tied to today’s truth. To suggest that medical professionals are failing to aid newly delivered babies is another insult to a profession that has been vilified throughout the pandemic for trying to save lives. I also have serious concerns that physicians delivering any baby early by non-natural means could be charged under this bill. – Linda Featherston, John Carmichael

Mr. Speaker: I vote Yes on HB 2313 to save babies’ lives and not make decisions about the value of life based on how the bill’s paid or who is close enough to a hospital – Eric Smith

Mr. Speaker: I vote “Yes” on HB 2313, Thomas Jefferson said, “The care of human life and happiness, and not their destruction, is the first and only object of good government.” I simply hate the fact that in the state of Kansas we would allow the barbaric murder and dismemberment of an innocent child in the mother’s womb. It
saddens my heart and burdens my spirit that we allow a baby to be extracted from its mother’s womb and die from a botched, brutal abortion. I pray for the day where we would stop killing our own children and ask God for forgiveness and mercy. – Trevor Jacobs, Randy Garber, Ron Ellis, Bill Riely, Jeff Underhill, Brett Fairchild, Scott Hill, Owen Donohoe, William Clifford

Mr. Speaker: I can only vote Yes on HB 2313. To treat an unborn child that survives an abortion with the same care that any child of the same gestational age would receive is common sense. When the U.S. House and Senate passed it’s own version of the Born Alive Infant Protections Act in 2002 it initially passed on a bi-partisan 380-15 vote in the House and by a UNANIMOUS voice vote in the Senate. What has happened to our conscience? It saddens me deeply that partisans from one party now actively fight against even the slightest recognition of the humanity of the unborn. – Paul Waggoner

HCR 5008, A CONCURRENT RESOLUTION applying to the Congress of the United States to call a convention of the states for the purpose of proposing amendments to the Constitution of the United States that impose limits on the federal government, was considered on final action.

On roll call, the vote was: Yeas 74; Nays 48; Present but not voting: 0; Absent or not voting: 3.

Present but not voting: None.

Absent or not voting: Concannon, Meyer, Poetter Parshall.

A two-thirds majority of the members elected to the House having not voted in the affirmative, the resolution was not adopted.

EXPLANATIONS OF VOTE

Mr. Speaker: We vote NO on HCR 5008. It is the 2nd call for a Convention of States this session. While we can change the stated purpose, whether to set federal term limits or to impose fiscal restraints on the federal government, we can’t change the fact that there is no guarantee that we limit the scope and keep a Convention of States from going off the rails. We are not willing to endanger our constitution in this way. – Ken Collins, Mari-Lynn Poskin, Trevor Jacobs
MR. SPEAKER: Under the theory of interposition, a state assumes the right to “interpose” itself between the federal government and the people of the state by taking action to prevent the federal government from enforcing laws that the state considers unconstitutional. Without the interposition of individual states to convene a Convention of States to resolve the degradation of Constitutional Law, our nation will continue to become a bureaucratically controlled government that erodes the freedoms of the individual. I vote yes on HCR 5008 to support the Convention of States—TIM JOHNSON

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

HOUSE RESOLUTION No. HR 6018—
By Representatives Howe, Barth, Bergkamp, Bergquist, Blex, Bloom, Bryce, Clifford, Delperdang, Dodson, M., Droge, Ellis, Garber, Goddard, Goetz, Hill, Hoffman, Hoheisel, Howell, Howerton, Humphries, Jacobs, T. Johnson, Mason, Moser, Murphy, Pickert, Proctor, Rahjes, Rhiley, Sanders, Schmoe, Seiwert, Smith, A., Smith, C., Smith, E., Sutton, Tarwater, Underhill and Waggoner

A RESOLUTION reaffirming the State of Kansas' commitment to internal combustion engine vehicles.

WHEREAS, On September 23, 2022, the Governor of California issued an executive
order banning the sale of internal combustion engine-powered vehicles by 2035; and

WHEREAS, When a state government forcibly transitions the state's automotive fleet from internal combustion engine-powered vehicles to zero-emission vehicles, the government infringes on free market economics; and

WHEREAS, A state ban on internal combustion engine-powered vehicles does not allow citizens the opportunity to sensibly choose the vehicles they wish to purchase; and

WHEREAS, In November 2022, the CEO of Ford Motor Company stated that manufacturing electric vehicles requires approximately 40% less labor than internal combustion engine-powered vehicles; and

WHEREAS, The automotive sector employs 59,000 Kansans, which contributes over $3.6 billion in labor income to Kansas' economy; and

WHEREAS, If Kansas adopts a zero-emission vehicle mandate — like California's — tens of thousands of hardworking Kansans would lose their jobs; and

WHEREAS, An overwhelming majority of automobiles sold in Kansas are equipped with internal combustion engines; and

WHEREAS, As of 2022, less than 1% of Kansas' 2.8 million cars and trucks on the road are zero-emission vehicles; and

WHEREAS, Zero-emission vehicles are unaffordable for most of Kansas residents; and

WHEREAS, The average cost of a new electric vehicle is over $66,000, but the median household income in Kansas was only $61,091 in 2020; and

WHEREAS, Kansas lacks the critical infrastructure necessary to accommodate electric vehicles, because Kansas gas stations outnumber electric vehicle charging stations by a 10 to 1 ratio; and

Be it resolved by the House of Representatives of the State of Kansas: That we reaffirm the State of Kansas' commitment to internal combustion engine vehicles; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Howe.

HCR 5008 reported correctly engrossed March 21, 2023.

On motion of Rep. Croft, the House adjourned until 11:00 a.m., Thursday, March 23, 2023.
The House met pursuant to adjournment with Speaker pro tem Carpenter in the chair.

The roll was called with 123 members present.
Rep. Poetter Parshall was excused on verified illness.
Rep. Vaughn was excused on excused absence by the Speaker.

Prayer by Dr. L.D. Holmes, Pastor, Wanamaker Woods Church of the Nazarene, Topeka:

Dear Father, We come before you today with a spirit of purpose and steadfastness. We thank you for these leaders you have placed in positions of authority and responsibility. Their task is difficult at times. We ask that You grant them the wisdom and strength to navigate through these times of debate and decision making.

We pray for their ability to work together, to find common ground, and to put the needs of the people they serve above their personal interests. Help them to listen to one another with open hearts and minds, and to approach each issue with respect and understanding.

Grant then the courage to make difficult decisions, even when those decisions may be unpopular. Help them to remain steadfast in their commitment to justice, fairness and the common good.

We also pray for their health and well being. For those separated from their families and loved ones because of their assignment, we would ask You to come alongside them and reminded them they are loved and appreciated for their sacrifice.

The burdens these representatives carry can at times be heavy, and we ask that You give them the strength to carry on, as well as to find moments of rest and rejuvenation.

We would be remiss in not lifting our Chaplain Eunice Brubaker to You and ask for Your presence to be very near
her as she fights this cancer which is attacking her body. May Your strength and healing power pour into her body and spirit.

Finally we ask that You remind these gathered here of the importance of their work and the impact they have on the lives of so many. May they be inspired by their sense of duty and service, and may their efforts be blessed with success.

We offer these prayers in the mighty name of the One who loves and cares and gave His life for each of us. Amen

The Pledge of Allegiance was led by Rep. Vic Miller.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Dodson and Carlin are spread upon the Journal:

We are here today to recognize the Manhattan Football team's championship season, culminating in being crowned Kansas State Champions for Division 6A. The team had 13 wins and no losses, with 8 regular season wins and a challenging 5 game playoff run.

One of the most important lessons we learn is the value to teamwork. This is usually well recognized in sports but is equally true in most competitive environments in life. I know teamwork is critical in the military. Each team member must rely on the actions of another and the really great teams have developed an innate sense of how each team member will react.

These teammates that have come together to form this team have known each other for a long time, have competed together and have been together both on and off the field.

These coaches have led them through rigorous training and have provided emotional strengths. Their parents and supporters have given them strength. This is how a great team is built and what it takes to achieve victory over other very high-quality teams.

The people of Kansas are very proud of your accomplishments and of your sportsmanship. You have established a lasting legacy for yourselves, your school and your community. The entire membership of the Kansas House extends its pride in your significant achievement.

The players and coaches who joined Reps. Carlin and Dodson on the floor were recognized and presented with a framed House certificate in honor of their great accomplishments.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Essex are spread upon the Journal:

Rep. Essex was joined on the floor by fellow Representatives from the Olathe delegation.

Today we are joined by 4 remarkable leaders in our Olathe Chamber of Commerce.
We are excited to celebrate with you today. The Olathe Chamber was incorporated on March 23, 1923 with just 132 members that year. Olathe and the Chamber have grown a lot since then. Now we're a town of more than 151,000 people with the Chamber now at more than 1,200 members. Today we celebrate their 100th anniversary!

The Olathe Chamber of Commerce has a 5 star accreditation from the U.S. Chamber. They are the largest Chamber in Johnson County and the 2nd largest in the KC area. Smart Asset ranked Olathe as one of the safest and most livable mid-sized cities in the U.S. Military Times ranked Olathe among the top places for veterans to live. USA Today ranked Olathe as one of the 50 best cities to live in. The Olathe Chamber of Commerce is the connector, the advocate, and the voice that makes Olathe an award winning city. It is evident as you see businesses booming, the housing market soaring and the skyline of our downtown rapidly changing.

Over the last 4 years, The Olathe Chamber's Economic Development Council has:

• Helped bring in and retain nearly 6000 jobs,
• Created more than 3.7 million square feet of new or existing space,
• Brought in a total investment of more than $630 million dollars

Olathe is setting economic development records and the best is yet to come.

This is one of the many reasons why we are #Olatheproud. Thank you to the Olathe Chamber for leading the way.

Please join the Olathe delegation in congratulating the Olathe Chamber of Commerce on their 100th Anniversary.

Rep. Essex presented her guests with a framed House certificate in honor of their anniversary celebration.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Thomas are spread upon the Journal:

Colleagues: As we close out “Music in our Schools” month, it is an honor to have the group behind me here, as they hold a special place in my heart, and the hearts of many others all over Kansas, and all over the country.

Since 1993, the Olathe Youth Symphony has bloomed into what few could even imagine. What started as a few brilliant minds and a wild idea while sitting around in dear Mrs. Peter’s living room, has now turned into an amazing program, allowing hundreds of students, from all walks of life, all over the Olathe School District, to have a chance to do something more with their talents.

Hard work and dedication of the directors with us here today, and the willingness to give up their own time to ensure every kid has a chance to play music in all capacities,
is more than just admirable. I would use the terms heroic, and inspirational. 
I cherished every rehearsal, every concert, every moment of my time in the Symphony, just as many others did, and currently do.

Today, along with many of the past and current OYSA members, who are watching this live, or sitting in the gallery with us, you deserve to be honored for your service to our schools and to our students. You have changed lives, you have made lasting impacts on so many and the state of Kansas honors you and congratulates you, as we celebrate this, the 30th anniversary of the Olathe Youth Symphony Association. Directors, please raise your hand or wave as I call your name.

Rachele Jones   Danny Kaul    Randy Detrick

Today also the marks another 30 year milestone…the first time I picked up a Viola at Heritage Elementary, and began playing music under the direction of Mr. Ferguson.

Starting in a tiny little room in the lower level of the school, with about 7 of us, we watched as the program grew year after year because of his dedication. Not long after that year, a bigger room was needed to house the number of students getting involved in the Orchestra.

He was more than just an orchestra director to students like myself, and many others. We did not see it back then, however, we have grown to realize it now.

In 8th grade, I was auditioning for a National Junior High Honor Choir, and practiced after school to get ready. Mr. Ferguson came into the room, listened, offered his take, and at the time, I wasn’t sure why. Now I know. That was him showing his care as he did for many years, for thousands of other students. He cared for us to be successful, not only in Orchestra, in life, whatever direction we decided to go.

He took us to state competitions, on a trip to Dallas, always selflessly working to make sure we kept music alive in our hearts. I could tell so many more stories about this man if we had the time.

This year, as he heads towards retirement, realizing his amazing contributions to our schools, and more importantly to the lives of so many students, we wanted to simply say thank you. As we stand here, there are hundreds watching the live stream as we celebrate your life and how you have touched so many with your gifts. There are also folks who made the trip today to come honor you in person, and celebrate your achievements. At this time, I would invite anyone sitting in the gallery, who played music under the direction of Mr. Ferguson, to stand.

Mr. Ferguson, take in this moment, and realize while yes, students like me will take credit for some of the grey hairs, the stress, the increased blood pressure, after all you did put up with me for 8 long years. No one deserves more credit than you for providing many of us a lifetime of loving music, and the desire to make you proud.

We love you, and wish you the best in retirement. Thank you.

Rep. Thomas presented framed House certificates to the directors of the OYO and Mr. Ferguson in honor of their contribution to Olathe and the Olathe Youth Symphony.

**EXPLANATION OF VOTE**

**MR. SPEAKER:** I vote no on **H Sub for SB 113**. This bill increases spending by
somewhere around 600 million over a two-year period, and it increases spending beyond what’s required by the Gannon decision by somewhere around 30 million dollars. I don’t believe this level of spending is going to be sustainable over the long run. Additionally, I disagree with the provision in the bill that authorizes school districts to pay school board members, and I don’t believe that it’s necessary to require school districts to post curriculum online. – BRETT FAIRCHILD, TREVOR JACOBS

EXPLANATION OF VOTE

MR. SPEAKER: I vote Yes on Senate Bill 106. This bill is an example of bundling of two ideas into one bill. I vote Yes solely because it is important we ban counterfeit airbags, lives are at stake. I fear, however, the second idea is one subject to discriminatory law enforcement. Whether under vehicle lights are red or pink or orange is a subjective decision which may be based more on the color of the driver’s skin than the color of the lights themselves. I therefore vote Yes on Senate Bill 106 – JOHN CARMICHAEL

(B) for qualified housing projects located in a county with a population of more than 8,000 but not more than 25,000, in an amount not to exceed $32,000 per residential unit; and

(C) for all other qualified housing projects, in an amount not to exceed $30,000.

(2) A qualified housing project shall be limited to a total of 40 such residential units per year for both single-family and multi-family dwellings.

(3) Tax credits may be issued to a qualified investor in the amount of a cash investment of up to the total amount that may be issued by the director under this subsection for the qualified housing project, or as provided in the agreement required by K.S.A. 2022 Supp. 79-32,312, and amendments thereto. Project builders or developers
may apply to the director each year for tax credits for additional units or phases of a project. Qualified investors may be issued tax credits for cash investments in multiple qualified housing projects. Project builders or developers may apply and be approved for multiple qualified housing projects in the same tax year.

(4) The aggregate amount of tax credits that may be issued under this section shall not exceed $13,000,000 each tax year, except that if the director issues an aggregate amount of tax credits in one tax year that is less than $13,000,000, then the director may carry forward the difference and issue such amount of tax credits in the immediately succeeding tax year in addition to the statutory amount that may be issued under this section. Of the aggregate amount of tax credits issued in one tax year, the director shall allocate:

(A) Not less than $2,500,000 in tax credits for qualified housing projects located in counties with a population of not more than 8,000;

(B) not less than $2,500,000 in tax credits for qualified housing projects located in counties with a population of more than 8,000 but not more than 25,000; and

c) A cash investment in a qualified housing project shall be deemed to have been made on the date of acquisition of the qualified security, as such date is determined by the director.

d) Any qualified investor without a current tax liability at the time of the investment in a qualified housing project that does not reasonably believe such investor will owe any such tax for the current taxable year and who receives a tax credit pursuant to this section shall be deemed to acquire an interest in the nature of a transferable credit limited to the amount of the credit issued to the qualified investor by the director. This interest may or a portion of such credit may be transferred by the qualified investor or any subsequent transferee to any person, one or more persons, whether or not such person is then a qualified investor and be claimed by the transferee as a credit against the transferee's Kansas tax liability in the same manner as the transferor beginning in the year the credit is transferred. The credit may be carried forward as permitted by subsection (a). There shall be no limit on the number of times a credit or any portion thereof can be transferred. No person shall be entitled to a refund for any interest on such tax credit that may be created under this section. Only the full amount of the tax credit for any one qualified housing project investment may be transferred and may only be transferred one time. A credit acquired by transfer shall be subject to the limitations prescribed in this section. Any such transferee succeeds to all remaining rights and restrictions of the transferor with respect to the credit being transferred on the date of such transfer. Documentation of any credit acquired by transfer shall be provided by the taxpayer claiming such credit in the manner required by the secretary of revenue. The qualified investor or subsequent transferee transferring such credit shall provide the director and the secretary of revenue with the name, address and taxpayer identification number of each person to whom such tax credits have been transferred and such other information as may be required by the director or the secretary of revenue. The provisions of this subsection shall apply to credits issued for tax year 2022 and all tax years thereafter.

"Sec. 5. K.S.A. 79-32,107 is hereby amended to read as follows: 79-32,107. (a) All penalties and interest prescribed by K.S.A. 79-3228, and amendments thereto, for noncompliance with the income tax laws of Kansas shall be applicable for noncompliance with the provisions of the Kansas withholding and declaration of estimated tax act relating to withholding tax which shall be enforced in the same manner as the Kansas income tax act. A penalty at the same rate per annum prescribed by subsection (b) of K.S.A. 79-2968(b), and amendments thereto, for interest upon delinquent or unpaid taxes shall be applied and added to a taxpayer's amount of underpayment of estimated tax due from the date the estimated tax payment was due until the same is paid or until the 15th day of the fourth month following the close of the taxable year for which such estimated tax is a credit, whichever date is earlier, but such penalty shall not be added if the total amount thereof does not exceed $1. For purposes of this subsection, the amount of underpayment of estimated tax shall be the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to 90% of the tax shown on the return for the taxable year or, if no return was filed, 90% of the tax for such year, over the amount, if any, of the installment paid on or before the last date prescribed for payment. Amounts due from any employer on account of withholding or from any taxpayer for estimated tax may be collected by the director in the manner provided for the collection of state income tax in K.S.A. 79-3235, and amendments thereto. For purposes of this subsection, "underpayment of tax" means the difference between the amount of tax actually paid and the amount of tax which would have been required to be paid to avoid penalty pursuant to subsection (b) or (c).

(b) No penalty or interest shall be imposed upon any individual with respect to any
underpayment of any installment if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

1. The tax shown on the return of the individual for the preceding taxable year, if a return showing a liability for tax was filed by the individual for the preceding taxable year;

2. zero if no return was required to be filed or if the tax liability on the individual's return was less than $200 for the preceding taxable year;

3. an amount equal to 66 2/3%, in the case of individuals referred to in subsection (b) of K.S.A. 79-32,102(b), and amendments thereto, and 90%, in the case of all other individuals, of the tax for the taxable year computed by placing on an annualized basis, pursuant to rules and regulations adopted by the secretary of revenue, the taxable income for the months in the taxable year ending before the month in which the installment is required to be made.

(c) No penalty or interest shall be imposed upon any corporation with respect to any underpayment of any installment of estimated tax if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

1. The tax shown on the return of the corporation for the preceding taxable year, if a return showing a liability for tax was filed by the corporation for the preceding taxable year, or zero if no return was required to be filed, or if the tax liability on the corporation's return was less than $500 for the preceding taxable year; or

2. an amount equal to 90% of the tax for the taxable year computed by placing on an annualized basis the taxable income:
   (A) For the first three months of the taxable year, in the case of the installment required to be paid in the fourth month;
   (B) for the first three months or for the first five months of the taxable year, in the case of the installment required to be paid in the sixth month;
   (C) for the first six months or for the first eight months of the taxable year in the case of the installment required to be paid in the ninth month; and
   (D) for the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.

   (B) For purposes of this subsection paragraph (2), the taxable income shall be placed on an annualized basis by:
   (i) Multiplying by 12 the taxable income referred to in subsection (2)(A), subparagraph (A); and
   (ii) dividing the resulting amount by the number of months in the taxable year (three, five, six, eight, nine, or 11, as the case may be) referred to in subsection (2)(A), subparagraph (A).

(d) If the employer, in violation of the provisions of this act, fails to deduct and withhold under this chapter, and thereafter the tax against which such withholding may be credited is paid, the amount otherwise required to be deducted and withheld shall not be collected from the employer. This subsection shall in no case relieve the employer from liability for any penalties or additions to the tax otherwise applicable in respect of
such failure to deduct and withhold.

(e) Any person required to collect, truthfully account for, and pay over any tax imposed by this act, who willfully fails to collect such tax, or truthfully account for and pay over such tax, or willfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall in addition to the other penalties of this section be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. § 6672.

(f)(1) In case of failure by any employer required by subsection (b) of K.S.A. 79-3298(b), and amendments thereto, to remit any amount of withheld taxes by the date prescribed therefor, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be imposed upon such person a penalty of 15% of the amount of the underpayment:

(A) 2% of the amount of the underpayment if remitted within one to five days;
(B) 5% of the amount of the underpayment if remitted within six to 15 days;
(C) 10% of the amount of the underpayment if remitted after 15 days; and
(D) 15% of the amount of the underpayment if remitted after 15 days and the department has issued a notice to the person regarding the underpayment but the amount of the underpayment was not remitted within 10 days of issuance of the notice.

(2) For purposes of this subsection, the term "underpayment" means the excess of the amount of the tax required to be withheld and remitted over the amount, if any, remitted on or before the date prescribed therefor. The failure to remit for any withholding period shall be deemed not to continue beyond the last date prescribed for filing the annual return as required by subsection (d) of K.S.A. 79-3298(d), and amendments thereto. Penalty and interest as prescribed by K.S.A. 79-3228, and amendments thereto, shall not begin to accrue under subsection (a) of this section on the amount of any such underpayment until the due date of the annual return for the calendar year in which such failure to remit occurs.

(g) Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (e), or (f) of this section was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of such penalties and may reduce the interest rate to the underpayment rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

Almighty God,
We thank You for Your faithfulness,
guidance and direction.
I pray a portion of Psalm 25 for our leaders today:
“In You, Lord my God,
I put my trust in you.
No one who hopes in you
will ever be put to shame.
Show me your ways, Lord,
teach me your paths.
Guide me in your truth and teach me,
for you are God my Savior,
and my hope is in you all day long.
He guides the humble in what is right
and teaches them his way.
All the ways of the Lord are loving and faithful
toward those who keep the demands of his covenant.
May integrity and uprightness protect me,
because my hope, Lord, is in you.”
This I pray in Christ’s Name, Amen.

### Legend
- Presumptive Probation
- Probation
- Presumptive Imprisonment
(b) Sentences expressed in the sentencing guidelines grid for drug crimes in subsection (a) represent months of imprisonment.

(c) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure. The sentencing court shall not distinguish between the controlled substances cocaine base (9041L000) and cocaine hydrochloride (9041L005) when sentencing within the sentencing range of the grid block.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:
   (A) Prison sentence;
   (B) maximum potential reduction to such sentence as a result of good time; and
   (C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(d) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 4-E, 4-F, 4-G, 4-H, 4-I, 5-C or 5-D, the court may impose an optional nonprison sentence as provided in subsection (q) of K.S.A. 2022 Supp. 21-6804(q), and amendments thereto.

(e) The sentence for a second or subsequent conviction for unlawful manufacturing of a controlled substance, K.S.A. 65-4159, prior to its repeal, K.S.A. 2010 Supp. 21-36a03, prior to its transfer, K.S.A. 2022 Supp. 21-5703, and amendments thereto, or a substantially similar offense from another jurisdiction, if the controlled substance in any prior conviction was methamphetamine, as defined by subsection (d)(3) or (f)(1) of K.S.A. 65-4107(d)(3) or (f)(1), and amendments thereto, or an analog thereof, shall be a presumptive term of imprisonment of two times the maximum duration of the presumptive term of imprisonment. The court may impose an optional reduction in such sentence of not to exceed 50% of the mandatory increase provided by this subsection upon making a finding on the record that one or more of the mitigating factors as specified in K.S.A. 2022 Supp. 21-6815, and amendments thereto, justify such a reduction in sentence. Any decision made by the court regarding the reduction in such sentence shall not be considered a departure and shall not be subject to appeal.

(f) (1) The sentence for a third or subsequent felony conviction of K.S.A. 65-4160 or 65-4162, prior to their repeal, K.S.A. 2010 Supp. 21-36a06, prior to its transfer, or K.S.A. 2022 Supp. 21-5706, and amendments thereto, shall be a presumptive term of imprisonment and the defendant shall be sentenced to prison as provided by this section. The defendant's term of imprisonment shall be served in the custody of the secretary of corrections in a facility designated by the secretary. Subject to appropriations therefore, the defendant shall participate in an intensive substance abuse treatment program, of at least four months duration, selected by the secretary of
corrections. If the secretary determines that substance abuse treatment resources are otherwise available, such term of imprisonment may be served in a facility designated by the secretary of corrections in the custody of the secretary of corrections to participate in an intensive substance abuse treatment program. The secretary's determination regarding the availability of treatment resources shall not be subject to review. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

(2) Such defendant's term of imprisonment shall not be subject to modification under paragraph (1) if:

(A) The defendant has previously completed a certified drug abuse treatment program, as provided in K.S.A. 75-52,144, and amendments thereto;

(B) has been discharged or refused to participate in a certified drug abuse treatment program, as provided in K.S.A. 75-52,144, and amendments thereto;

(C) has completed an intensive substance abuse treatment program under paragraph (1); or

(D) has been discharged or refused to participate in an intensive substance abuse treatment program under paragraph (1).

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(g) (1) Except as provided further, if the trier of fact makes a finding that an offender carried a firearm to commit a drug felony, or in furtherance of a drug felony, possessed a firearm, in addition to the sentence imposed pursuant to K.S.A. 2022 Supp. 21-6801 through 21-6824, and amendments thereto, the offender shall be sentenced to:

(A) Except as provided in subsection (g)(1)(B), an additional 6 months' imprisonment; and

(B) if the trier of fact makes a finding that the firearm was discharged, an additional 18 months' imprisonment.

(2) The sentence imposed pursuant to subsection (g)(1) shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) The provisions of this subsection shall not apply to violations of K.S.A. 2022 Supp. 21-5706 or 21-5713, and amendments thereto.

(h) The sentence for a violation of K.S.A. 2022 Supp. 21-5703, and amendments thereto, with respect to material containing any quantity of a fentanyl-related controlled substance shall be presumed imprisonment and shall be two times the maximum duration of the presumptive term of imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

Sec. 8. K.S.A. 75-702 is hereby amended to read as follows: 75-702. (a) The attorney general shall appear for the state, and prosecute and defend any and all actions and proceedings, civil or criminal, in the Kansas supreme court, the Kansas court of appeals and in all federal courts, in which the state shall be interested or a party, and shall, when so appearing, control the state's prosecution or defense.

(b) The attorney general shall also, when required by the governor or either branch of the legislature, appear for the state and prosecute or defend, in any other court or

(c) (1) The attorney general shall have authority to prosecute any matter related to a violation of K.S.A. 12-189 or 75-5133, and amendment thereto, related to unlawful acts when the offender is an officer or employee of a city or county.

(2) Notwithstanding any provision of law to the contrary, the attorney general shall have concurrent authority with any county or district attorney to prosecute any crime or an attempt, conspiracy or criminal solicitation as defined in K.S.A. 2022 Supp. 21-5301, 21-5302 or 21-5303, and amendments thereto, of any crime that is part of an alleged course of criminal conduct that occurred in two or more counties;"

Today, as we honor the memory of Representative Finney,
we are thankful for her life and service to this great state.

friends and colleagues here in the House.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Ohaebosim are spread upon
the Journal:

Rep. Ohaebosim was joined on the floor by members of the African American
Caucus and members of Rep. Finney's family.

Representative Gail Finney was an American businesswoman. She was a public
servant who happened to be a member of the Democratic Party as well as a member of
the Kansas House of Representatives, who proudly represented the 84th house district
located in Wichita.

Outside of politics, she held a degree in business administration from Wichita State
University and an MBA from Friends University.
She was a business owner and a mentor to many. Representative Finney always stood strong by continuously advocating for her community and being a phenomenal leader. When it came to pushing issues, she made her priorities based on her firmly held beliefs and her ability to easily love people and humanity. Her goals were to ensure education for all Kansas children. She understood the importance of affordable health care and the ability to purchase prescription drugs. She was one of the first advocates for the legalization of medical marijuana here in our state house. One of her most important issues, hand-picked by her, was advocating for foster children and families. Representative Finney didn't just speak about action. She put herself front and center in order to understand so she could better serve her constituents. She did so by becoming a foster parent, speaking directly to those who were affected by the inability to afford good Healthcare that is much needed, and diving headfirst into a problem in order for find the resolution. Now that you've heard just a very small amount of what Representative Finney did, want you to see past all of that because she was so much more... she was a great friend who would answer a call at any time, offer a resolution when needed, a hug when necessary, and a strong tone when she stated "I WILL STAND AND FIGHT FOR YOU!" Representative Finney will forever be remembered by her love and respect she had for her family, friends, constitituents and finally her colleagues here in the legislature. If I could say something to Representative Finney today I would say ..."Representative Finney, I thank you for being the strength for those that were weak, for offering your motherly hug & a soft smile to those that needed it most. Your constituents and friends knew that you understood and heard them and that their fight was a fight that was needed. You were there to stand your ground 10 toes down. You will NEVER be forgotten for the person you were and the friendships you provided to many of us. We will continue to carry on your fight and allow your legacy to stand just as strong as if you were right here with us today. Representative Finney, may the light on your torch shine forever. AMEN! INTRODUCTION OF GUESTS There being no objection, the following remarks of Reps. Blex and Dodson are spread upon the Journal: In recognition of National Vietnam Veterans Day, we recognize two Vietnam veterans who served. It is Truly an honor to recognize the brave men and women who served our country with honor, pride, and courage during a difficult period in our Nation’s history. Unfortunately, closure and resolution were not available to many of these Vietnam Veterans who are with us today. It’s great to be here as we honor two of our Kansas Vietnam Veterans. We recognize the service of Charles Hayes, Sergeant, US Army and Wayne Simmons, Specialist 5, US Army, both represent all of those who have served with honor. We recognize them today with a Vietnam Era Medallion, Medal and Certificate.
The Certificate from the state of Kansas reads:

For Your Service in the Armed Forces of the United States

On behalf of the citizens of Kansas and a grateful Nation I would like to extend to you our personal thanks and sincere appreciation for your contribution of honorable service to your country. Your service during the Vietnam War Era helped maintain the security of the Nation during this critical time in its History. The devotion to duty and spirit of self-sacrifice of our Vietnam Veterans was in proud keeping of the traditions of all who choose military service.

It is with great pride that the State of Kansas recognizes your service during the Vietnam War and awards you the Kansas Vietnam medal, medallion and certificate.

EXPLANATIONS OF VOTE

Mr. Speaker: I proudly vote Yes on HB 2439. This bill has received strong support from doctors, nurses, the pro-life community, and most importantly the 4,000 mothers who have saved the life of their child through the use of this medical protocol. This bill does not require anything more than a simple notification at abortion clinics statewide. Medication abortions are a 2-step process and this bill gives women, who are interested, a possible way out. When human life is in the balance this is the least we can do. – Paul Waggoner

Mr. Speaker: August 2, 2022, the state of Kansas spoke loud and clear on how Kansans would like to keep healthcare decisions with the patient and their healthcare provider. This is why I vote No on House Bill 2439. – Melissa Oropeza

SB 49, AN ACT concerning wind energy conversion systems; relating to aviation obstruction lighting; requiring new wind energy conversion systems to be constructed with light-mitigating technology systems prior to the commencement of operations; requiring existing wind energy conversion systems to install light-mitigating technology systems upon execution of a long-term power offtake agreement; authorizing any county to issue revenue bonds to finance some or all of the costs of the installation of a light-mitigating technology system; making all such installations subject to the approval of the federal aviation administration, was considered on final action.

On roll call, the vote was: Yeas 118; Nays 6; Present but not voting: 0; Absent or not voting: 1.

The bill passed.

EXPLANATION OF VOTE

Mr. Speaker: I vote “Yes” on SB 49. I firmly believe that installing ADLS technology on wind turbines would aid in the restoration of natural twilight and nocturnal beauty to all who currently experience the distraction of red, blinking lights in the evening and night sky. To restore the night sky, with the moon and the stars undisturbed in their beauty, would be a momentous gesture of good will by the wind companies and would benefit thousands of Kansans who live inside the footprint of and under the noticeable umbrella of all existing Kansas wind systems. – Lisa Moser

The substitute bill passed.

Present but not voting: None.
Absent or not voting: Poetter Parshall.
The substitute bill passed, as amended.

EXPLANATIONS OF VOTE

MR. SPEAKER: I VOTE YES on H Sub for SB 169. This is a balanced bill that cuts the food sales tax to 0% on July 1, 2023, gives property tax relief to homeowners by increasing the homestead exemption from $40,000 to $80,000, gets rid of the Social Security tax cliff and gives a tax cut to seniors making less than $100K. It increases the standard deduction each year tied to inflation which is good for all taxpayers. While I would prefer a more progressive income tax even that piece has been greatly improved from the original bill increasing relief for those with lower incomes. --TOM SAWYER, JASON PROBST, VIC MILLER, CHUCK SMITH, JOHN CARMICHAEL

MR. SPEAKER: By adopting a “flat tax,” the House is saying that it will only give hardworking Kansans a tax cut if wealthy Kansans receive their tax cut first. Tossing
out Kansas's decades-old progressive income tax is structurally imbalanced and fails to offset the higher effective tax rate middle and working-class Kansans pay in sales and property taxes. The House could have prioritized cutting the food sales tax and delivering real property tax relief, but instead this bill includes an unnecessary corporate income tax cut and an expensive flat. For those reasons, we vote no on H Sub for SB 169. – Stephanie Sawyer Clayton, Jerry Stogdill, Rui Xu, Lindsay Vaughn, Louis Ruiz, Allicon Houglund, Christina Haswood, Sydney Carlin, Barbara Ballard, Jo Ella Hoye, Cindy Neighbor, Mike Amyx, Bradly Boyd, Susan Ruiz, Ford Carr, Melissa Orpeza, Dennis Miller, Heather Meyer Virgil Weigel, Tobias Schlingensiepen, Linda Featherston, Angela Martinex, Lynn Melton

Mr. Speaker: We vote YES on H Sub for SB 169. We have a rare opportunity to provide tax relief to Kansans in every major category of taxation. Every homeowner will see a reduction in their property tax burden. Every consumer will see a break at the cash register when buying groceries. Ever income tax payer, individual and businesses, will benefit from changes in our income tax code as this bill adjusts rates, exposes less income to taxation, and initiates future growth of the standard deduction with inflation. All of this while keeping the fiscal impact to the state within a sustainable range. --Adam Smith, Brenda K. Landwehr, Lisa M. Moser, Susan Humphries

Mr. Speaker: I am voting no on SB 169, because the fiscal note of approximately $500 million dollars a year provides 45% of that $500 million to the top 3% of earners. This includes $40 million in annual income tax breaks to corporations alone, only providing the average family with $80 in property tax relief. This is a huge give away to wealthy corporations and banks, and will destabilize our state’s ability to pay for needed services. – Jarrod Ousley

Mr. Speaker: I vote NO on H Sub for SB 169 in protest of the irresponsible and regressive flat tax which provides minimal tax relief for our middle-income Kansas families. I did so after making sure the bill had enough votes to pass without mine, for the good components that will benefit Kansans: accelerated elimination of the state food sales tax to zero in 2023 and eliminating the social security tax “cliff.” Combined with my YES vote on SB42, which appropriates statutorily required funding to the LAVTRF, guaranteeing property tax relief to Kansans for the first time in decades, this is my “compromise” tax vote. – Mari-Lynn Poskin

SB 174, AN ACT concerning crimes, punishment and criminal procedure; relating to crimes against the public peace; creating the crime of interference with the conduct of a healthcare facility; increasing the criminal penalty for battery of a healthcare provider; relating to crimes involving controlled substances; adding the placing of controlled substances into pills into the definition of manufacture; excluding materials used to detect the presence of fentanyl, ketamine or gamma hydroxybutyric acid from the definition of drug paraphernalia; increasing the criminal penalties for manufacturing fentanyl-related controlled substances; creating a special sentencing rule for manufacturing fentanyl-related controlled substances; relating to crimes involving property; adding domestic battery and violation of a protection order to the list of crimes a person has intent to commit for the crimes of burglary and aggravated burglary; relating to interference with law enforcement; increasing criminal penalties when the violation involves fleeing from a law enforcement officer; authorizing the
attorney general to prosecute any crime that is part of an alleged course of criminal conduct that occurred in two or more counties; amending K.S.A. 75-702 and K.S.A. 2022 Supp. 21-5413, 21-5701, 21-5703, 21-5807, 21-5904 and 21-6805 and repealing the existing sections; also repealing K.S.A. 2022 Supp. 21-5701b, was considered on final action.

On roll call, the vote was: Yeas 84; Nays 40; Present but not voting: 0; Absent or not voting: 1.

Present but not voting: None.
Absent or not voting: Poetter Parshall.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Speaker: This bundle of bills may well be “just the way we do things around here,” but it shouldn’t be. The vast and unprecedented expansion of the Attorney General’s criminal prosecution authority contained in this package goes far beyond what is needed to address the problem it is purportedly intended to address, and I think it will have negative consequences in the future. Despite the good policy contained elsewhere in this bill, I vote NO on SB 174. – DENNIS “BOOG” HIGHTOWER

Mr. Speaker: I vote No on Senate Bill 174. While there are many good ideas contained in this bundled bill, I cannot countenance the dramatic expansion of the Attorney General’s power to commence criminal prosecutions in any county of the State without the request or consent of local prosecutors. I therefore vote No on Senate Bill 174 – JOHN CARMICHAEL

SB 180, AN ACT establishing the women's bill of rights; providing a meaning of biological sex for purposes of statutory construction, was considered on final action.

On roll call, the vote was: Yeas 83; Nays 41; Present but not voting: 0; Absent or not voting: 1.

Present but not voting: None.

Absent or not voting: Poetter Parshall.

The bill passed, as amended.

EXPLANATIONS OF VOTE

Mr. Speaker: Women’s bill of rights provides a scientific definition based upon biological sex at birth. This bill protects women’s spaces currently designated for women and spaces currently designated for men wherever there is a statutory designation. This bill doesn’t change current law, nor does it require every private/public space to be sex-segregated. It establishes a biological definition standard for spaces or institutions already labeled for men or women. Biological women can trust that only biological women will be in a labeled restricted area for women, such as women’s prisons and rape crisis shelters. Mr. Speaker I vote yes on SB 180 – Brenda Landwehr, John Eplee, William Clifford, Chuck Smith

Mr. Speaker: I vote no on SB 180. Trans women are women. Trans men are men. But more than anything, they are all humans. We should start treating them like it. – Brandon Woodard

Mr. Speaker: I am proud to vote Yes on SB 180. This bill makes eminent sense and reflects the will of the people of Kansas. It is somewhat sad that a bill like this is even necessary. But gender identity ideologues have tried to distort and destroy the plain meaning of human sexual differences with tragic public policy results. Biology is not bigotry and we must strongly reject those organizations and policies that pretend it is. – Paul Waggoner

Mr. Speaker: I voted “PRESENT” today but was forced by a call of the House to vote reluctantly on SB 180, the women’s bill of rights meant to provide a meaning of a woman. The simple definition of Female should be based on genetic sex not biological sex. Genetic sex means a male is any individual with at least one “Y” chromosome at the 23rd loci and all other individuals shall be considered female. I supported the attempt to clarify this difference for statute, but using biological sex is too broad and can be misinterpreted. – Bill Rhiley

SB 209, AN ACT concerning elections; relating to advance voting ballots; requiring the return of such ballots by 7 p.m. on the day of the election; amending K.S.A. 25-1132 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 76; Nays 48; Present but not voting: 0; Absent or not voting: 1.

Present but not voting: None.
Absent or not voting: Poetter Parshall.
The bill passed, as amended.

SB 221, AN ACT concerning elections; relating to write-in candidates; requiring affidavits of write-in candidacy for certain locally elected offices; providing requirements for counting write-in votes on ballots; amending K.S.A. 25-305, 25-2903 and 25-3002 and repealing the existing sections; also repealing K.S.A. 25-305b, was considered on final action.

On roll call, the vote was: Yeas 119; Nays 5; Present but not voting: 0; Absent or not voting: 1.

Nays: Alcala, Carlin, Miller, V., Ruiz, L., Sawyer.
Present but not voting: None.
Absent or not voting: Poetter Parshall.
The bill passed, as amended.

Committee report to HB 2132 be adopted; and the bill be passed as amended.

On motion of Rep. Tarwater, HB 2275 be amended on page 1, following line 8, by inserting:

"New Section 1. As used in sections 1 through 3, and amendments thereto:

(a) "Kansas sheltered workshop employer" or "workshop employer" means a private nonprofit, state or local government institution that provides employment opportunities for individuals with intellectual, developmental or physical disabilities and provides such employment opportunities for all or a portion of such individuals under a certificate issued by the United States secretary of labor under 29 U.S.C. § 214(c).

(b) "Secretary" means the secretary of labor.

New Sec. 2. (a) There is hereby created in the state treasury the Kansas sheltered workshop transition fund. The secretary of labor shall administer the fund. All expenditures from the fund shall be for the purpose of facilitating transitions by Kansas sheltered workshop employers away from employing individuals with disabilities under a certificate issued by the United States secretary of labor under 29 U.S.C. § 214(c) and toward paying all such employees at least the minimum wage. Such purpose shall be achieved by providing matching grants from fund moneys to Kansas sheltered workshop employers that commit to paying at least the minimum wage to all employees. A grant shall be matched on a $1-to-$1 basis by the Kansas sheltered workshop employer from nonstate sources.

(b) Applications for matching grants shall be made by Kansas sheltered workshop employers to the secretary in the form and manner required by the secretary. In determining whether applicants should be approved and receive a grant, the secretary shall seek the assistance of the secretary for children and families, the secretary for aging and disability services or any other appropriate state agency. The secretary for children and families, secretary for aging and disability services or other state agency shall provide such assistance to the secretary as requested by the secretary. The applicant shall provide a transition plan to the secretary demonstrating how the applicant will use the grant and other funding to transition away from use of a certificate issued by the United States secretary of labor under 29 U.S.C. § 214(c). The Kansas sheltered workshop shall commit to completing the plan to receive a grant. If the secretary approves the transition plan, finds that the Kansas sheltered workshop has sufficient nonstate funding to match the grant with nonstate funds on a $1-to-$1 basis and approves the application, the secretary shall award the Kansas sheltered workshop a matching grant in the amount determined by the secretary. The secretary may award..."
subsequent additional grants to the same Kansas sheltered workshop employer upon satisfactory progress shown by such workshop employer pursuant to the workshop employer's transition plan.

(c) Kansas sheltered workshop employers that receive a matching grant shall provide such information to the secretary as requested, excluding any information prohibited from disclosure under state or federal law, regarding the use of grant funds, use of associated nonstate funds and progress made toward achievement of the transition plan as developed pursuant to subsection (b). Such information shall be utilized by the secretary to analyze and monitor the use of grant funds and compliance with and progress toward completion of the transition plan by workshop employers and to develop best uses of grant funds and transition methods to attain the goal of sections 1 through 3, and amendments thereto.

(d) On or before January 31, 2024, and annually on or before January 31 thereafter, the secretary shall report to the house of representatives standing committee on commerce, labor and economic development or its successor committee and the senate standing committee on commerce or its successor committee on the amount and uses of grant funding by each Kansas sheltered workshop employer that has received a matching grant and the progress made by each Kansas sheltered workshop employer toward the goal of sections 1 through 3, and amendments thereto.

(e) All expenditures from the Kansas sheltered workshop transition fund shall be for the purpose described in subsection (a) and shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of labor or the secretary's designee.

(f) On July 1, 2023, and each July 1 thereafter, or as soon thereafter as moneys may be available, the director of accounts and reports shall transfer $1,000,000 from the state economic development initiatives fund established by K.S.A. 79-4804, and amendments thereto, to the Kansas sheltered workshop transition fund.

New Sec. 3. The provisions of sections 1 through 3, and amendments thereto, shall expire on July 1, 2033. On July 1, 2033, the director of accounts and reports shall transfer all unencumbered moneys in the Kansas sheltered workshop transition fund to the state general fund. INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following House Concurrent Resolution was introduced and read by title:

HOUSE CONCURRENT RESOLUTION No. HCR 5014—

A CONCURRENT RESOLUTION stating findings of the legislature and directing the joint committee on fiduciary financial institutions oversight to study and draft legislation relating to environmental, social and governance standards.

WHEREAS, The Kansas Legislature and the people of Kansas acknowledge the Constitution of the State of Kansas and the Constitution of the United States as the supreme law of the land, which cannot be usurped in any form or by any outside forces, including those that may come from outside the United States; and

WHEREAS, The rights and freedoms of the people of Kansas are increasingly threatened by the alliance of large corporations, banks, investors and governmental entities in their efforts to impose environmental, social and governance (ESG) standards; and

WHEREAS, ESG standards are intended to alter how businesses and investments are evaluated, so that instead of focusing on the quality of goods and services, profits and other traditional economic metrics, businesses and investments are instead evaluated based on various environmental, social justice or corporation governance causes and assigned scores, upon which they can be compared, rewarded or potentially punished; and

WHEREAS, Central banks, governments and wealthy investors have invested trillions of dollars into ESG-related investments; and

WHEREAS, The Glasgow Financial Alliance for Net Zero (GFANZ), a group supported by the Biden administration, claims to have more than 450 banks, insurers and other asset managers in dozens of countries as members, as well as $130 trillion in assets; and

WHEREAS, The widespread use of ESG standards by central banks, financial institutions, corporations and governments threatens to restrict individual and economic rights and to usurp legislative processes, the Constitution of the State of Kansas and the Constitution of the United States; and

WHEREAS, Klaus Schwab, founder and executive chairman of the World Economic Forum, has called for a fundamental change to Americanism when he said, "The world must act jointly and swiftly to revamp all aspects of our societies and economies, from education to social contracts and working conditions. Every country, from the United
States to China, must participate, and every industry, from oil and gas to tech, must be transformed. In short, we need a 'Great Reset' of capitalism.; and

WHEREAS, Larry Fink, the CEO of Blackrock, the world's largest asset management company, and most powerful person on Wall Street, promises to use ESG scores as a way to alter society. Fink has said, "Every company and every industry will be transformed by the transition to a net-zero world ... the question is, will you lead, or will you be led?"; and

WHEREAS, The threat to our individual freedoms from the use of ESG standards will increase significantly if the Federal Reserve adopts a digital currency, which could help banks and governments track all spending across the entire United States economy; and

WHEREAS, According to a report by the accounting firm KPMG, thousands of companies located in more than 50 countries already use ESG standards, including 82% of large companies in the United States; and

WHEREAS, ESG standards are designed to create a "great reset" of capitalism and to revamp all aspects of our society and economy, from education to social contracts and working conditions; and

WHEREAS, Free market capitalism requires a level playing field and the ability for businesses to compete; and

WHEREAS, Various states have considered legislation to address the risks of ESG to their citizens; and

WHEREAS, Legislative efforts to curtail the use and impact of ESG standards have focused on divestment from financial institutions and other businesses that discriminate against vital state sectors and the elimination of ESG, social credit or similar metrics that allow discrimination in the provision of goods and services to individuals and businesses; and

WHEREAS, States, local businesses and families should be able to control their rights, freedoms and choices; and

WHEREAS, Protecting those vital rights and freedoms is the fundamental role of our government: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That the Joint Committee on Fiduciary Financial Institutions Oversight, the sponsors of this resolution and the State Treasurer, where appropriate, at the direction of the Kansas Legislature, shall work with concerned parties to study the topic of ESG standards and shall draft legislation that protects the State of Kansas and its citizens from the use of ESG standards; and

Be it further resolved: That the Joint Committee on Fiduciary Financial Institutions Oversight shall report such committee's findings and recommendations, along with proposed legislation, to the Legislative Coordinating Council in November 2023 and to the Kansas Legislature on or before January 8, 2024; and

Be it further resolved: That the Secretary of State shall send an enrolled copy of this resolution to the Chairperson of the Joint Committee on Fiduciary Financial Institutions Oversight and the State Treasurer.

Our Father and Creator,
As we approach a season of renewal and rebirth, we are reminded even by the changing of seasons and the greening in nature of your grace, your goodness and wisdom. We are thankful for your loving involvement in the affairs of men and women and ask for your guidance in this chamber today.

In a world that is often chaotic, we pray for order and peacefulness.
In a world that is often dangerous, we pray for the safety and protection of all who are on these grounds today.
In a world that is often contentious and divisive, we pray for a spirit of unity and the ability to work together. Though there may be disagreement and even division, we pray that these issues would be handled in good faith and with grace toward one another.

Lord, we ask for your wisdom that comes from above and is pure, peaceable, open to reason, impartial and sincere.
We pray for the humility to see your purpose in and the privilege of serving the people of this state. Give us a heart to put others before ourselves.
Let us be steadfast in what is true and good. May we hear your voice above all the other voices trying to get our attention.

God, we pray your blessing upon this body and the state of Kansas.
In your loving and powerful name, Amen.

Our Heavenly Father,
We thank you for this day and this time
We thank you for all that you’ve done and all that you’re doing for our Families, our communities, and our Nation.
Father, today I ask that we never take for granted the land in which you’ve made just for us Father,
let us never forget the beauty of this land,
the diversity of this land,
and the freedom of this land.

Today, our leaders come together for another day of session and as this session continues there will be many essential topics being introduced into their discussions.
Many of these topics may seek to pull us apart but with your grace, the very opposite action is possible.
Today, is a great day for us to not only speak but listen
Today, is a joyous day not only for pushing forth our own agendas but be willing to see how we can help others push forth their own.
Today, is a prodigious day not only for respectful acknowledgment of differences but for looking out the window of similarity and seeing recognizable opportunities for hope.

The word says “Now we ask you, brothers and sisters, to acknowledge those who work hard among you, who care for you in the Lord and who admonish you.
Hold them in the highest regard in love because of their work. Live in peace with each other. And we urge you, brothers and sisters, warn those who are idle and disruptive,
encourage the disheartened, help the weak,
be patient with everyone.
Make sure that nobody pays back wrong for wrong, but
always strive to do what is good for each other and for
everyone else. Rejoice always, pray continually, give thanks
in all circumstances; for this is God’s will
for you in Christ Jesus.
Do not quench the Spirit. Do not treat prophecies with
contempt but test them all; hold on to what is good,
reject every kind of evil.
May God himself, the God of peace, sanctify you through
and through. May your whole spirit, soul and body be kept
blameless at the coming of our Lord Jesus Christ. The one
who calls you is faithful, and he will do it. Brothers and
sisters, pray for us. Greet all God’s people with a holy kiss.
I charge you before the Lord to have this letter read to all
the brothers and sisters.
The grace of our Lord Jesus Christ be with you.”
Today, we need your grace dear Lord.
In Jesus’s Name I pray, Amen.
( 1 Thessalonians 5:12-28 NIV)

The Pledge of Allegiance was led by Rep. Turner.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Osman are spread upon the Journal:

Basketball has been the pride and joy of Kansas for well over a century now. From its humble creation origins by James Naismith 132 years ago in a YMCA, it has grown and blossomed into what you see behind me.

No, these gentlemen aren’t from the University of Kansas. We won’t discuss up here what happened in the NCAA bracket. They aren’t even from Kansas State. No, we’re talking the true Kansas champions. Blue Valley Northwest.

This year, they went 21-4 for the regular season. They were 5-0 in their district. Coming into the state tournament, they were ranked #3. They beat the #2 and the #1 seeded teams and on March 11 they were crowned the 2023 6A Kansas Basketball Champions. This is their sixth state title since 2013 and the first (so far) under head coach Aaron Ihm.

So we want to honor these coaches and players for their hard work, dedication, and perseverance. They are up here on the podium with me and in the gallery above.

Rep. Osman introduced the following coaches and players:

- Aaron Ihm, head coach
- Ryan Freivogel, coach

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Roth are spread upon the Journal:

We are here today to congratulate and celebrate the Kansas Department of Wildlife and Parks, Kansas Hunter’s Education program for 50 years of serving the need for Kansans to receive high quality education regarding hunting in Kansas. I am joined by Rep. W. Carpenter, Rep. Corbet, and Rep Blex.

With us today from the Kansas Department of Wildlife and Parks, Kansas Hunters Education program are Mr. Brad Loveless, Secretary Kansas Dept of Wildlife & Parks; Mr. Kent Barrett, Director; Lyndzee Rhine, Assistant Coordinator; Aaron Austin Education Section Chief; Tanna Wagner KDWP Outdoor Skills & Recruitment Coordinator; Stuart Schrag, KDWP Interim Assistant Secretary of Operations; Stacy Hageman, Sr. Administrative Specialist who makes Hunters Education a smooth operation; and Rose Corby, KHEIA Secretary.

A little History: On July 31, 1972, a letter was drafted by Richard D. Wettersten, Director of the Kansas Forestry, Fish and Game Commission to certified National Rifle Association (NRA) Hunter Safety Instructors inviting them to join forces with the state to provide hunter safety training to the citizens of Kansas. There were approximately 300 certified NRA instructors in Kansas and it became obvious that there would need to be an expansion of volunteers to meet the needs of certifying the approximately 25,000 students expected to be trained in 1973 alone.

On March 1, 1973, another letter was drafted by Director Wettersten, to all “sportsmen, affiliated clubs and instructors in Kansas” announcing that Kansas would be joining with the NRA in administering a statewide firearm’s training program and asking for volunteers to be involved in the program and provide valuable service to the youth of Kansas and the sport of hunting. This mandatory program was established by the 1972 Kansas Legislature and was officially designated the Kansas Hunter Safety Program. One stated long-range objective of this new program was to reduce hunting accidents across the state and nation. I received my Hunters Education Certificate August 24, 1973.

Over this fifty-year span of time, volunteer Kansas Hunter Education instructors have certified over 595,000 students. The number of instructors who have been a part of this organization has now exceeded 20,000 in 2023. The number of hunting incidents has gone from the 1969 totals of fifty (50) total incidents with seven (7) fatalities prior to the start of the Kansas Hunter Education Program to our lowest totals in 2018 of four (4) total incidents and zero (0) fatalities. The number of incidents has consistently gone down, as the results of hunter education instruction have been demonstrated to be effective. The Kansas Hunters Education Administration team, and the volunteer Kansas Hunters Education instructors have saved the lives of countless Kansans!

So please join me today in Congratulating and celebrating Mr. Brad Loveless and Mr. Kent Barrett and their staff, on a job well done, saving lives, and to encourage the Kansas Hunter Education program to continue on educating Kansas Sportspersons!

Rep. Roth presented his guests with a framed House certificate in recognition of their 50th anniversary.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Ellis are spread upon the Journal:

Good morning. Today I have the great honor to recognize two young adults from the Oskaloosa High School wrestling team. They are with us today to receive awards for achievement in the State Wrestling Tournament: Senior, Allison King and Sophomore, Holly Thacher and their coach, Chris King.

Both athletes participated in the 2022 State Wrestling Tournament, and both brought home first place wins in their respective weight classes.

This year, they returned to the State Tournament and, again, won first place in their weight classes. I want to emphasize, Allison and Holly achieved back-to-back state wrestling titles in Salina in both 2022 and 2023 along with their coach, Chris King, who is the father of Allison King.

I taught at Oskaloosa for 37 years and could not remember the last state champion. These young ladies are the first state champions in many years.

These athletes are great examples of dedication, commitment, and hard work. They have made their parents, their school and the county proud.

At this time, I present Allison King and Holly Thacher their Outstanding Achievement in State Wrestling Competition awards together with their coach, Chris King.

Rep. Ellis presented his guests with a framed House certificate in recognition of their achievements.

EXPLANATION OF VOTE

MR. SPEAKER: I vote No on Senate Substitute for House Bill 2053.

We are told the Secretary of State intends to reduce the number of polling places in Sedgwick County to reduce the cost of a presidential preference primary. Changing
polling place locations between elections sows the seeds of voter confusion and suppresses voter turnout at future elections. This is too high a price to pay for a primary which only benefits the major political parties.

I therefore vote No on Senate Substitute for House Bill 2053. – JOHN CARMICHAEL

Prayer by guest chaplain, Pastor Justin Panzer, District President, Kansas District Lutheran Church Missouri Synod, Topeka and guest of Rep. Howe.

In the Name of the Father and of the Son and of the Holy Spirit! Amen.

Almighty God, Your Word commands us to pray for our leaders that “we may lead a peaceful and quiet life, godly and dignified in every way” (1 Timothy 2:2).

It is from You that comes all rule and authority over the nations of the world for the punishment of evildoers and for the praise of those who do well.

To that end, guard, preserve, and direct Kansas Legislators, our Governor, and all Your servants, who make, administer, and judge the laws of this state and nation.

Lead them to seek Your will. In all that they do, enable them, by Your Spirit, to pray, “Thy will be done.”

Grant them Your wisdom from above.

Equip them to use the positions entrusted to them to bring Your honor and glory.

Guide them to make decisions that will benefit all citizens of this nation.

In all matters of deliberation, give them open ears and discerning and understanding hearts.

Merciful God, on this Wednesday of Holy Week, You did not spare Your only Son but delivered Him up for us all that He might bear our sins on the Cross.

Grant that our hearts may be so fixed with steadfast faith in our Savior that we may not fear the power of any adversaries.

We commend ourselves to You, imploring You in the Name of Jesus Christ, our Lord and Savior, whom You have sent to shed His precious blood on the Cross and be bodily raised again from the grave for all people.

In Christ’s Name, we pray. Amen

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Thompsom are spread upon the Journal:

Today, it is my distinct privilege to introduce the Bonner Springs High School Women's Basketball Team. Under top notch coaching and leadership, combined with their talent and commitment to teamwork, these ladies developed into an outstanding basketball team. This season, they became champions! They improved their win record over last season by 9 games, enabling them to win 1st place in the Tonganoxie Invitational tournament and 2nd place in the Frontier League with a record of 6 - 1. They played as a team and won as a team. Congratulations!!

Rep. Thompson introduced the following players from Bonner Springs Women's basketball team as follows:

- Addyson Thompson
- McKenzie Campbell
- Chasitee Sambol
- Merideth Billings
- Emily Morton
- Nya Anderson
- Kamryn Love
- Pirsten Leslie
- Lillian Kimlin
- Valyssa McElwee
- Mariyah Noel
- Wren Vaneleave
- Manager Allison Campbell
- Manager Alyssa King
- Coach Cody Scott
- Coach Jacob Markovich
- Coach Jesse Nez
- Coach Peyton Leslie

One young lady, Mariyah Noel, broke many of the school's Women's Basketball records this season. Some of Mariyah's accomplishments and awards are as follows:

- She was Prep Girls Hoops National Player of the Week for Jan 23rd-Jan 29th
- Mariyah hit the 1000-point mark mid-season of this year
- During the 2023 Tonganoxie Invitational, Mariyah was awarded the Most Valuable Player Award
- She made the highest number of field goals in single game -17
- Mariyah made the most free throws in a single game
- She tied with the most points in single game - 40
- Mariyah averaged 11 rebounds per game
- She broke the school record for most average points scored in a season - 27.5

Mariyah was relatively an unknown because she didn't start playing basketball until 7th grade. She is now a Senior. In a very short time, Mariyah is now known for her athletic ability and talent. The University of Mississippi has offered Mariyah a basketball scholarship. Ole Miss is lucky to have an individual with such a strong work ethic, dedication, and commitment. I do believe KU and K-State missed a golden opportunity here!!

Mariyah, congratulations. We are excited for you and your continued success.

Please join me in recognizing this great team! Rep. Thompson presented his guests with a framed House certificate in honor of their accomplishments.

EXPLANATIONS OF VOTE

Mr. Speaker – I received emails claiming I hate LGBTQ and I’m dehumanizing children. That’s not my mindset nor my intent. What we’re missing today is TRUTH. After suffering postpartum depression, I learned that emotions, while very real and persuasive, are not reality. Self-truth is a freedom granted to us in the amazing country, but regardless of who we choose to be, that fact is biological women should not have to compete with biological men in any sport – the make up between a female and male is too different to make it fair. I’m voting FOR WOMEN and GIRLS who deserve fair competition.– Cyndi Howerton

Mr Speaker – I vote NO on the Veto override of HB 2238. This is a sad day for the state of Kansas and the chamber. Today we have put targets on the backs of some of our most vulnerable children, sullied the reputation of our state and potentially caused devastating economic damage to Kansas. Today, I am embarrassed for our state and this chamber. I am very proud to have voted NO. – Jerry Stogsdill

Mr Speaker – I vote NO on the Veto override of HB 2238. Trans Kansas, you are welcome here. I’m sorry were putting you through this. This discriminatory law may pass, but ultimately hate won't win. Please don’t give up hope. Keep fighting to change hearts and minds. You don't deserve to sit on the sidelines. Mr. Speaker. I vote No– Jo Ella Hoye

Mr. Speaker – I vote NO on the Veto override of HB 2238, for the third year in a row, which is unnecessary and interferes with KHSAA’s responsive, local solution, as preferred in the GOP platform. That policy references consideration in two places for “unfair gender advantage.” I am the mother of a 6 ft tall daughter and a 5 ft 3” tall son and hope they would be treated individually instead of in terms of averages. I vote in favor of local control, not sweeping government overreach. – Mari-Lynn Poskin

Mr Speaker: – It was verified in committee that no members of the Kansas Legislature work for KSHSAA, the NCAA, USA Swimming or any other sports governing body. It is the purview of those organizations, not the Legislature, to set sports policies. These groups have policies regarding trans athletes and continue to assess their policies. HB 2238 is legislative overreach, which is why I am voting no. We need to let sports governing bodies continue to work to set policies that are fair to all athletes and not be part of inspiring children to kill themselves. – Linda Featherston

Mr Speaker: For every child and adult of the LGBTQ community listening, I see you, I hear you, I stand with you. That is why I vote NO on HB 2238. – Melissa Orpozea

Mr. Speaker: As a proud native Kansan I vote Yes for HB 2238. Gender ideology should never be allowed to get the better of common sense and human biology. Sports competitions have for good reason been divided by sex. Female competitors excel if given the chance, and if given a fair playing field. To allow male athletes, who merely have to proclaim they “identify” as women, to compete in the women’s division destroys that fairness. Dozens of sports titles and championships have been lost nationally by biological women due to this madness. HB 2238 means the end of such inequity. – Paul Waggoner

(b) If any person fails to file any report or other information with the commissioner as required by statute or fails to respond to any proper inquiry of the commissioner, the commissioner, after notice and opportunity for hearing, may impose a civil penalty of up to $1,000, for each violation or act, along with an additional penalty of up to $500 for each week thereafter that such report or other information is not provided to the commissioner.

(c) If the commissioner makes written findings of fact that there is a situation involving an immediate danger to the public health, safety or welfare or the public interest will be irreparably harmed by delay in issuing an order under subsection (a)(3), the commissioner may issue an emergency temporary cease and desist order. Such order, even when not an order within the meaning of K.S.A. 77-502, and amendments thereto, shall be subject to the same procedures as an emergency order issued under K.S.A. 77-536, and amendments thereto. "Section 1. K.S.A. 2022 Supp. 75-7c05 is hereby amended to read as follows: 75-7c05. (a) The application for a license pursuant to this act shall be completed, under oath, on a form prescribed by the attorney general and shall only include:

(1) (A) Subject to the provisions of subsection (a)(1)(B), the name, address, social security number, Kansas driver's license number or Kansas nondriver's license identification number, place and date of birth, a photocopy of the applicant's driver's license or nondriver's identification card and a photocopy of the applicant's certificate of training course completion; (B) in the case of an applicant who presents proof that such person is on active duty with any branch of the armed forces of the United States, or is the dependent of such a person, and who does not possess a Kansas driver's license or Kansas nondriver's license identification, the number of such license or identification shall not be required;

(2) a statement that the applicant is in compliance with criteria contained within K.S.A. 75-7c04, and amendments thereto;

(3) a statement that the applicant has been furnished a copy of this act and is knowledgeable of its provisions;

(4) a conspicuous warning that the application is executed under oath and that a false answer to any question, or the submission of any false document by the applicant, subjects the applicant to criminal prosecution under K.S.A. 2022 Supp. 21-5903, and amendments thereto; and

(5) a statement that the applicant desires a concealed handgun license as a means of lawful self-defense.

(b) Except as otherwise provided in subsection (i), the applicant shall submit to the sheriff of the county where the applicant resides, during any normal business hours:

(1) A completed application described in subsection (a);

(2) a nonrefundable license fee of $132.50, if the applicant has not previously been issued a statewide license or if the applicant's license has permanently expired, which fee shall be in the form of two cashier's checks, personal checks or money orders of an amount of $32.50 payable to the sheriff of the county where the applicant resides and $100 payable to the attorney general for the purpose of covering the cost of taking fingerprints pursuant to subsection (c);

(3) if applicable, a photocopy of the proof of training required by K.S.A. 75-7c04(b)(1), and amendments thereto; and

(4) a full frontal view photograph of the applicant taken within the preceding 30 days.

(c) (1) Except as otherwise provided in subsection (i), the sheriff, upon receipt of
the items listed in subsection (b), shall provide for the full set of fingerprints of the applicant to be taken and forwarded to the attorney general for purposes of a criminal history records check as provided by subsection (d). In addition, the sheriff shall forward the application to the attorney general and the portion of the original license fee which is payable to the attorney general. The cost of taking such fingerprints shall be included in the portion of the fee retained by the sheriff. Notwithstanding anything any provision in this section to the contrary, an applicant shall not be required to submit fingerprints for a renewal application under K.S.A. 75-7c08, and amendments thereto.

(2) The sheriff of the applicant's county of residence or the chief law enforcement officer of any law enforcement agency, at the sheriff's or chief law enforcement officer's discretion, may participate in the process by submitting a voluntary report to the attorney general containing readily discoverable information, corroborated through public records, which, when combined with another enumerated factor, establishes that the applicant poses a significantly greater threat to law enforcement or the public at large than the average citizen. Any such voluntary reporting shall be made within 45 days after the date the sheriff receives the application. Any sheriff or chief law enforcement officer submitting a voluntary report shall not incur any civil or criminal liability as the result of the good faith submission of such report.

(3) All funds retained by the sheriff pursuant to the provisions of this section shall be credited to a special fund of the sheriff's office which shall be used solely for the purpose of administering this act.

(d) Each applicant shall be subject to a state and national criminal history records check which conforms to applicable federal standards, including an inquiry of the national instant criminal background check system for the purpose of verifying the identity of the applicant and whether the applicant has been convicted of any crime or has been the subject of any restraining order or any mental health related finding that would disqualify the applicant from holding a license under this act. The attorney general is authorized to use the information obtained from the state or national criminal history record check to determine the applicant's eligibility for such license.

(e) Within 90 days after the date of receipt of the items listed in subsection (b), the attorney general shall:

(1) (A) Issue the license and certify the issuance to the department of revenue; and

(B) if it is impractical for the division of vehicles of the department of revenue to issue physical cards consistent with the requirements of this act and the attorney general has determined that the conditions for such impracticality have existed for at least 30 days, the attorney general shall issue an authorization document in accordance with K.S.A. 75-7c03(d), and amendments thereto; or

(2) deny the application based solely on: (A) The report submitted by the sheriff or other chief law enforcement officer under subsection (c)(2) for good cause shown therein; or (B) the ground that the applicant is disqualified under the criteria listed in K.S.A. 75-7c04, and amendments thereto. If the attorney general denies the application, the attorney general shall notify the applicant in writing, stating the ground for denial and informing the applicant the opportunity for a hearing pursuant to the Kansas administrative procedure act.

(f) Each person who is issued a license or has such license renewed shall be required to pay to the department of revenue a fee for the cost of the license which shall
be in amounts equal to the fee required pursuant to K.S.A. 8-243 and 8-246, and amendments thereto, for replacement of a driver’s license or renewal except as otherwise provided in subsection (b) for the purpose of covering the cost of taking fingerprints.

(g) (1) A person who is a retired law enforcement officer, as defined in K.S.A. 2022 Supp. 21-5111, and amendments thereto, shall be: (A) Required to pay an original license fee as provided in subsection (b)(2), to be forwarded by the sheriff to the attorney general; (B) Exempt from the required completion of a handgun safety and training course if such person was certified by the Kansas commission on peace officer's standards and training, or similar body from another jurisdiction, not more than eight years prior to submission of the application; (C) required to pay the license renewal fee; (D) required to pay to the department of revenue the fees required by subsection (f); and (E) required to comply with the criminal history records check requirement of this section.

(2) Proof of retirement as a law enforcement officer shall be required and provided to the attorney general in the form of a letter from the agency head, or their designee, of the officer's retiring agency that attests to the officer having retired in good standing from that agency as a law enforcement officer for reasons other than mental instability and that the officer has a nonforfeitable right to benefits under a retirement plan of the agency.

(h) A person who is a corrections officer, a parole officer or a corrections officer employed by the federal bureau of prisons, as defined by K.S.A. 75-5202, and amendments thereto, shall be: (1) Required to pay an original license fee as provided in subsection (b)(2); (2) Exempt from the required completion of a handgun safety and training course if such person was issued a certificate of firearms training by the department of corrections or the federal bureau of prisons or similar body not more than one year prior to submission of the application; (3) required to pay the license renewal fee; (4) required to pay to the department of revenue the fees required by subsection (f); and (5) required to comply with the criminal history records check requirement of this section.

(i) A person who presents proof that such person is on active duty with any branch of the armed forces of the United States and is stationed at a United States military installation located outside this state, may submit by mail an application described in subsection (a) and the other materials required by subsection (b) to the sheriff of the county where the applicant resides. Provided the applicant is fingerprinted at a United States military installation, the applicant may submit a full set of fingerprints of such applicant along with the application. Upon receipt of such items, the sheriff shall forward to the attorney general the application and the portion of the original license fee which is payable to the attorney general.

Sec. 2. K.S.A. 2022 Supp. 75-7c08 is hereby amended to read as follows: 75-7c08.

(a) Not less than 90 days prior to the expiration date of the license, the attorney general shall mail to the licensee a written notice of the expiration and a renewal form prescribed by the attorney general. The licensee shall renew the license on or before the expiration date by filing with the attorney general the renewal form, a notarized affidavit, either in person or by certified mail, stating that the licensee remains qualified pursuant to the criteria specified in K.S.A. 75-7c04, and amendments thereto, and a full frontal view photograph of the applicant taken within the preceding 30 days and a
nonrefundable license renewal fee of $25 payable to the attorney general. The attorney general shall complete a name-based background check, including a search of the national instant criminal background check system database. A licensee who fails to file a renewal application on or before the expiration date of the license must pay an additional late fee of $15. A renewal application is considered filed on the date the renewal form, and affidavit, and required fees are delivered in person to the attorney general's office or on the date a certified mailing to the attorney general's office containing these items is postmarked.

(b) Upon receipt of a renewal application as specified in subsection (a), a background check in accordance with K.S.A. 75-7c05(d), and amendments thereto, shall be completed. Fingerprints shall not be required for renewal applications. If the licensee is not disqualified as provided by this act, the license shall be renewed upon receipt by the attorney general of the items listed in subsection (a) and the completion of the background check. If the licensee holds a valid provisional license at the time the renewal application is submitted, then the attorney general shall issue a standard license to the licensee if the licensee is not disqualified as provided by this act.

(c) No license shall be renewed if the renewal application is filed six months or more after the expiration date of the license, and such license shall be deemed to be permanently expired. A person whose license has been permanently expired may reapply for licensure but an application for licensure and fees pursuant to K.S.A. 75-7c05, and amendments thereto, shall be submitted, and a background investigation including the submission of fingerprints, shall be conducted pursuant to the provisions of that section.

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 1, in line 6, before "Section" by inserting "New";

On page 14, following line 25, by inserting:

"Sec. 2. K.S.A. 2022 Supp. 48-3406 is hereby amended to read as follows: 48-3406. (a) For the purposes of this section:

(1) "Applicant" means an individual who is a military spouse, military
servicemember or an individual who has established or intends to establish residency in this state. "Applicant" with respect to law enforcement certification by the Kansas commission on peace officers' standards and training means an applicant who has met the employment requirement pursuant to K.S.A. 74-5605(a), and amendments thereto.

(2) "Complete application" means the licensing body has received all forms, fees, documentation, a signed affidavit stating that the application information, including necessary prior employment history, is true and accurate and any other information required or requested by the licensing body for the purpose of evaluating the application, consistent with this section and the rules and regulations adopted by the licensing body pursuant to this section. If the licensing body has received all such forms, fees, documentation and any other information required or requested by the licensing body, an application shall be deemed to be a complete application even if the licensing body has not yet received a criminal background report from the Kansas bureau of investigation.

(3) "Electronic credential" or "electronic certification, license or registration" means an electronic method by which a person may display or transmit to another person information that verifies the status of a person's certification, licensure, registration or permit as authorized by a licensing body and is equivalent to a paper-based certification, license, registration or permit.

(4) "Licensing body" means an official, agency, board or other entity of the state which authorizes individuals to practice a profession in this state and issues a license, registration, certificate, permit or other authorization to an individual so authorized.

(4)(5) "Military servicemember" means a current member of any branch of the United States armed services, United States military reserves or national guard of any state or a former member with an honorable discharge.

(5)(6) "Military spouse" means the spouse of a military servicemember.

(6)(7) "Person" means a natural person.

(8) "Private certification" means a voluntary program in which a private organization grants nontransferable recognition to an individual who meets personal qualifications and standards relevant to performing the occupation as determined by the private organization.

(7)(9) "Scope of practice" means the procedures, actions, processes and work that a person may perform under a government issued license, registration or certification.

(10) "Verification system" means an electronic method by which the authenticity and validity of electronic credentials are verified.

(b) Notwithstanding any other provision of law, any licensing body shall, upon submission of a complete application, issue a paper-based and verified electronic license, registration or certification to an applicant as provided by this section, so that the applicant may lawfully practice the person's occupation. Any licensing body may satisfy any requirement under this section to provide a paper-based license, registration, certification or permit in addition to an electronic license, registration, certification or permit by issuing such electronic credential to the applicant in a format that permits the applicant to print a paper copy of such electronic credential. Such paper copy shall be considered a valid license, registration, certification or permit for all purposes.

(c) An applicant who holds a valid current license, registration or certification in another state, district or territory of the United States shall receive a paper-based and
verified electronic license, registration or certification:

(1) If the applicant qualifies under the applicable Kansas licensure, registration or certification by endorsement, reinstatement or reciprocity statutes, then pursuant to applicable licensure, registration or certification by endorsement, reinstatement or reciprocity statutes of the licensing body of this state for the license, registration or certification within 15 days from the date a complete application was submitted if the applicant is a military servicemember or military spouse or within 45 days from the date a complete application was submitted for all other applicants; or

(2) if the applicant does not qualify under the applicable licensure, registration or certification by endorsement, reinstatement or reciprocity statutes of the licensing body of this state, or if the Kansas professional practice act does not have licensure, registration or certification by endorsement, reinstatement or reciprocity statutes, then the applicant shall receive a license, registration or certification as provided herein if, at the time of application, the applicant:

(A) Holds a valid current license, registration or certification in another state, district or territory of the United States with licensure, registration or certification requirements that the licensing body determines authorize a similar scope of practice as those established by the licensing body of this state, or holds a certification issued by another state for practicing the occupation but this state requires an occupational license, and the licensing body of this state determines that the certification requirements certify a similar scope of practice as the licensing requirements established by the licensing body of this state;

(B) has worked for at least one year in the occupation for which the license, certification or registration is sought;

(C) has not committed an act in any jurisdiction that would have constituted grounds for the limitation, suspension or revocation of the license, certificate or registration, or that the applicant has never been censured or had other disciplinary action taken or had an application for licensure, registration or certification denied or refused to practice an occupation for which the applicant seeks licensure, registration or certification;

(D) has not been disciplined by a licensing, registering, certifying or other credentialing entity in another jurisdiction and is not the subject of an unresolved complaint, review procedure or disciplinary proceeding conducted by a licensing, registering, certifying or other credentialing entity in another jurisdiction nor has surrendered their membership on any professional staff in any professional association or society or faculty for another state or jurisdiction while under investigation or to avoid adverse action for acts or conduct similar to acts or conduct that would constitute grounds for disciplinary action in a Kansas practice act;

(E) does not have a disqualifying criminal record as determined by the licensing body of this state under Kansas law;

(F) provides proof of solvency, financial standing, bonding or insurance if required by the licensing body of this state, but only to the same extent as required of any applicant with similar credentials or experience;

(G) pays any fees required by the licensing body of this state; and

(H) submits with the application a signed affidavit stating that the application information, including necessary prior employment history, is true and accurate.

Upon receiving a complete application and the provisions of subsection (c)(2) apply
and have been met by the applicant, the licensing body shall issue the license, registration or certification within 15 days from the date a complete application was submitted by a military servicemember or military spouse, or within 45 days from the date a complete application was submitted by an applicant who is not a military servicemember or military spouse, to the applicant on a probationary basis, but may revoke the license, registration or certification at any time if the information provided in the application is found to be false. The probationary period shall not exceed six months. Upon completion of the probationary period, the license, certification or registration shall become a non-probationary license, certification or registration.

(d) Any applicant who has not been in the active practice of the occupation during the two years preceding the application for which the applicant seeks a license, registration or certification under subsection (c)(2) may be required to complete such additional testing, training, monitoring or continuing education as the Kansas licensing body may deem necessary to establish the applicant's present ability to practice in a manner that protects the health and safety of the public, as provided by subsection (j).

(e) Upon submission of a complete application, an applicant may receive an occupational license, registration or certification based on the applicant's work experience in another state, if the applicant:

(1) Worked in a state that does not use an occupational license, registration, certification or private certification to regulate an occupation, but this state uses an occupational license, registration or certification to regulate the occupation;
(2) worked for at least three years in the occupation during the four years immediately preceding the application; and
(3) satisfies the requirements of subsection (c)(2)(C) through (H).

(f) Upon submission of a complete application, an applicant may receive an occupational license, registration or certification under subsection (b) based on the applicant's holding of a private certification and work experience in another state, if the applicant:

(1) Holds a private certification and worked in a state that does not use an occupational license or government certification to regulate an occupation, but this state uses an occupational license or government certification to regulate the occupation;
(2) worked for at least two years in the occupation;
(3) holds a current and valid private certification in the occupation;
(4) is held in good standing by the organization that issued the private certification; and
(5) satisfies the requirements of subsection (c)(2)(C) through (H).

(g) An applicant licensed, registered or certified under this section shall be entitled to the same rights and subject to the same obligations as are provided by the licensing body for Kansas residents, except that revocation or suspension of an applicant's license, registration or certificate in the applicant's state of residence or any jurisdiction in which the applicant held a license, registration or certificate shall automatically cause the same revocation or suspension of such applicant's license, registration or certificate in Kansas. No hearing shall be granted to an applicant where such applicant's license, registration or certificate is subject to such automatic revocation or suspension, except for the purpose of establishing the fact of revocation or suspension of the applicant's license, registration or certificate by the applicant's state of residence or jurisdiction in which the applicant held a license, registration or certificate.
(h) In the event the licensing body determines that the license, registration or certificate currently held by an applicant under subsection (c)(2) or the work experience or private credential held by an applicant under subsections (e) or (f), who is a military spouse or military servicemember does not authorize a similar scope of practice as the license, registration or certification issued by the licensing body of this state, the licensing body shall issue a temporary permit for a limited period of time to allow the applicant to lawfully practice the applicant's occupation while completing any specific requirements that are required in this state for licensure, registration or certification that were not required in the state, district or territory of the United States in which the applicant was licensed, registered, certified or otherwise credentialed, unless the licensing body finds, based on specific grounds, that issuing a temporary permit would jeopardize the health and safety of the public.

(i) In the event the licensing body determines that the license, registration or certification currently held by an applicant under subsection (c)(2) or the work experience or private credential held by an applicant under subsections (e) or (f), who is not a military spouse or military servicemember, does not authorize a similar scope of practice as the license, registration or certification issued by the licensing body of this state, the licensing body may issue a temporary permit for a limited period of time to allow the applicant to lawfully practice the applicant's occupation while completing any specific requirements that are required in this state for licensure, registration or certification that was not required in the state, district or territory of the United States in which the applicant was licensed, registered, certified or otherwise credentialed, unless the licensing body finds, based on specific grounds, that issuing a temporary permit would jeopardize the health and safety of the public.

(j) Any testing, continuing education or training requirements administered under subsection (d), (h) or (i) shall be limited to Kansas law that regulates the occupation and that are materially different from or additional to the law of another state, or shall be limited to any materially different or additional body of knowledge or skill required for the occupational license, registration or certification in Kansas.

(k) A licensing body may grant licensure, registration, certification or a temporary permit to any person who meets the requirements under this section but was separated from such military service under less than honorable conditions or with a general discharge under honorable conditions.

(l) Nothing in this section shall be construed to apply in conflict with or in a manner inconsistent with federal law or a multistate compact, or a rule or regulation or a reciprocal or other applicable statutory provision that would allow an applicant to receive a license. Nothing in this section shall be construed as prohibiting a licensing body from denying any application for licensure, registration or certification, or declining to grant a temporary or probationary license, if the licensing body determines that granting the application may jeopardize the health and safety of the public.

(m) Nothing in this section shall be construed to be in conflict with any applicable Kansas statute defining the scope of practice of an occupation. The scope of practice as provided by Kansas law shall apply to applicants under this section.

(n) Notwithstanding any other provision of law, during a state of emergency declared by the legislature, a licensing body may grant a temporary emergency license to practice any profession licensed, certified, registered or regulated by the licensing body to an applicant whose qualifications the licensing body determines to be sufficient
to protect health and safety of the public and may prohibit any unlicensed person from practicing any profession licensed, certified, registered or regulated by the licensing body.

(o) Not later than January 1, 2025, licensing bodies shall provide paper-based and verified electronic credentials to persons regulated by the licensing body. For purposes of this subsection, "electronic credential" means an electronic method by which a person may display or transmit to another person information that verifies a person’s certification, licensure, registration or permit. A licensing body may prescribe the format or requirements of the electronic credential to be used by the licensing body. Any statutory or regulatory requirement to display, post or produce a credential issued by a licensing body may be satisfied by the proffer of an electronic credential authorized by the licensing body. A licensing body may use a third-party electronic credential system that is not maintained by the licensing body.

(p) On or before January 1, 2025, and subject to appropriations therefore, the secretary of administration shall develop and implement a uniform or singular license verification portal for the purpose of verifying or reporting license statuses such as credentials issued, renewed, revoked or suspended by licensing bodies or that have expired or otherwise changed in status. The secretary of administration may utilize the services or facilities of a third party for the central electronic record system. The central electronic record system shall comply with the requirements adopted by the information technology executive council pursuant to K.S.A. 75-7203, and amendments thereto. Beginning January 1, 2025, each licensing body shall be able to integrate with the uniform or singular license verification portal in the manner and format required by the secretary of administration indicating any issuance, renewal, revocation, suspension, expiration or other change in status of an electronic credential that has occurred. No charge for the establishment or maintenance of the uniform or singular license verification portal shall be imposed on any licensing body or any person with a license, registration, certification or permit issued by a licensing body. Such electronic credential system shall include an instantaneous verification system that is operated by the licensing body or its licensing body's respective secretary, or the secretary's designee, or the secretary's third-party agent on behalf of the licensing body for the purpose of instantly verifying the authenticity and validity of electronic credentials issued by the licensing body. Centralized electronic credential data management systems shall maintain an auditable record of credentials issued by each licensing body.

(q) Nothing in this section shall be construed as prohibiting or preventing a licensing body from developing, operating, maintaining or using a separate electronic credential system of the licensing body or of a third party in addition to making the reports to the central electronic record system required by subsection (p) or participating in a multistate compact or a reciprocal licensure, registration or certification process as long as the separate electronic credential system of the licensing body integrates with the uniform or singular license verification portal.

(r) Each licensing body shall adopt rules and regulations necessary to implement and carry out the provisions of this section.

(s) This section shall not apply to the practice of law or the regulation of attorneys pursuant to K.S.A. 7-103, and amendments thereto, or to the certification of law enforcement officers pursuant to the Kansas law enforcement training act, K.S.A.
The state board of healing arts and the state board of technical professions, with respect to an applicant who is seeking a license to practice professional engineering or engage in the practice of engineering, as defined in K.S.A. 74-7003, and amendments thereto, may deny an application for licensure, registration or certification, or decline to grant a temporary or probationary license, if the board determines the applicant's qualifications are not substantially equivalent to those established by the board. Such boards shall not otherwise be exempt from the provisions of this act.

This section shall apply to all licensing bodies not excluded under subsection (r), including, but not limited to:

1. The abstracters' board of examiners;
2. The board of accountancy;
3. The board of adult care home administrators;
4. The secretary for aging and disability services, with respect to K.S.A. 65-5901 et seq. and K.S.A. 65-6503 et seq., and amendments thereto;

6. The behavioral sciences regulatory board;
7. The Kansas state board of cosmetology;
8. The Kansas dental board;

INTRODUCTION OF GUESTS
There being no objection, the following remarks of Rep. Weigel are spread upon the Journal:

The Topeka Stars Special Olympics Team competed in the 2022 Special Olympics USA Games in Orlando, Florida in June of 2022 where they went undefeated in the top division of competition on their way to earn the Gold Medal in the top division. In September of 2022, the Stars traveled to Lynchburg, Virginia to compete in the Special Olympics North America Softball Championships. Although the team is composed solely of athletes with intellectual differences, the team dominated other traditional teams to the point that the team was moved up to the highest level of competition composed of Unified teams consisting of 50% Special Olympics athletes and 50% intellectually typical partners. Even playing in the highest level of competition, the Stars earned a Silver Medal after defeating two Unified teams in the medal rounds.

The Stars' elevation from Traditional competition to Unified Competition is the first time in the history of Special Olympics Softball that a Traditional team has been moved up to compete at the highest possible level. The team is also the first Traditional Team to defeat a Unified Team in competition, and the first Traditional Team to ever medal in
a Unified bracket. The head of USA Softball stated that the Stars are undoubtedly the best Traditional Softball team that he has ever seen in over 25 years of competition. Special Olympics officials at the USA Games and at the SONA Softball Championships were equally awed by the team’s excellence, sportsmanship, and demeanor, on and off the field.

The Stars concluded their season with their sixth consecutive gold medal in state competition.

The Stars are coached by Head Coach Allan Henderson, Monty King, and Ed Lee of Topeka, Brandon Hatfield of Lawrence, and Craig Venters of Osage City. David Schumann of Topeka served as Athlete Coach.

Rep. Weigel presented a framed House certificate to the team and coaches for their accomplishments.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Blake Carpenter and Adam Turk are spread upon the Journal:

Today we are celebrating the 20th anniversary of the State Partnership Program relationship between the State of Kansas and the country Armenia. Armenia has a population of roughly 2.7 million people which is about the same size as Kansas. Armenia is a country that is located to the East of Turkey, South of Georgia, North of Iran, and West of Azerbaijan.

The State Partnership Program has been successfully building relations for 30 years and now includes 88 Partnerships with 100 nations around the globe.

The State Partnership Program evolved from a 1991 U.S. European Command decision to set up the Joint Contact Team Program in the Baltic Region with Reserve component Soldiers and Airmen. A subsequent National Guard Bureau proposal paired U.S. states with three nations emerging from the former Soviet Bloc and the State Partnership Program was born, becoming a key U.S. security cooperation tool, facilitating cooperation across all aspects of international civil-military affairs and encouraging people-to-people ties at the state level.

This cost-effective program is administered by the National Guard Bureau, guided by State Department foreign policy goals, and executed by the state Adjutants General in support of combatant commander and U.S. Chief of Mission security cooperation objectives and department of Defense policy goals.

Through the State Partnership Program, the National Guard conducts military-to-military engagements in support of defense security goals but also leverages whole-of-society relationships and capabilities to facilitate broader inter-agency and corollary engagements spanning military, government, economic and social spheres.
This 20 year state partnership between Kansas and Armenia is more valuable and relevant than it has ever been due to the current environment that exists around the world today. We greatly appreciate the people of Armenia and their ties to our state. We wish for many more years of a prosperous relationship.

Today we have joining us:
General Venerdi — Kansas TAG
Major Eloyan - Armenia

Let’s welcome them to the House of Representatives!

Sec. 2. K.S.A. 80-2506 is hereby amended to read as follows: 80-2506. (a) Every hospital shall be governed by a board composed of members who are qualified electors of the county where the hospital is located or of any county adjacent to such county and, if such member is a qualified elector of an adjacent county, such member shall own real property located in the territory included in the taxing district of the hospital. The board shall be composed of three, five, seven or nine members. A majority of the members of the board shall be residents of the county where the hospital is located.   (c) Subject to the provisions of subsection (b) of K.S.A. 80-2508(b), and amendments thereto, members of the board of every existing hospital shall serve as members of such board for the terms for which they were selected and until their successors are selected and qualified. The words national and state or the words county and township shall appear on the line preceding the part of the form shown above.

The form shown shall be followed by the names of the persons for whom nomination petitions or declarations have been filed according to law for political parties having primary elections, and for the national and state offices in the following order: United States senator, United States representative from _____ district, governor and lieutenant governor, secretary of state, attorney general, state treasurer, commissioner of insurance, senator _____ district, representative _____ district, district judge _____ district, district magistrate judge _____ district, district attorney _____ judicial district, and member state board of education _____ district. For county and township offices the form shall be followed by the names of persons for whom nomination petitions or declarations have been filed according to law for political parties having primary elections in the following order: Commissioner _____ district, county clerk, treasurer, register of deeds, county attorney, sheriff, township trustee, township treasurer, township clerk. When any office is not to be elected, it shall be omitted from the ballot. Other offices to be elected but not listed shall be inserted in the proper places. For each office there shall be a statement of the number to vote for.

To the left of each name there shall be printed a square. Official primary election ballots may be printed in one or more columns. The names certified by the secretary of state or county election officer shall be printed on official primary election ballots and no others. In case there are no nomination petitions or declarations on file for any particular office, the title to the office shall be printed on the ballot followed by a blank line with a square, and such title, followed by a blank line, may be printed in the list of candidates published in the official paper. No blank line shall be printed following any office where there are nomination petitions or declarations on file for the office except following the offices of precinct committeeman and precinct committeewoman.
(c) Except as otherwise provided in this section, no person's name shall be printed more than once on either the official primary election ballot for national and state offices or the official primary election ballot for county and township offices. No name that is printed on the official primary election ballot as a candidate of a political party shall be printed or written in as a candidate for any office on the official primary election ballot of any other political party. If a person is a candidate for the unexpired term for an office, the person's name may be printed on the same ballot as a candidate for the next regular term for such office. The name of any candidate on the ballot may be printed on the same ballot as such candidate and also as a candidate for precinct committeeman or committeewoman. No name that is printed on the official primary election ballot for national and state offices shall be printed or written in elsewhere on the ballot or on the official primary election ballot for county and township offices except for precinct committeeman or committeewoman. No name that is printed on the official primary election ballot for county and township offices shall be printed or written in on the official primary election ballot for national and state offices or elsewhere on the county and township ballot except for precinct committeeman or committeewoman.

(d) No person shall be elected to the office of precinct committeeman or precinct committeewoman where no nomination petitions or declarations have been filed, unless the person receives at least five write-in votes, resides in such precinct, is a qualified elector and is a member of such party as shown by the party affiliation list maintained in the county election office. As a result of a primary election, no person shall receive the nomination and no person's name shall be printed on the official general election ballot when no nomination petitions or declarations were filed, unless the person receives votes equal in number to not less than 5% of the total of the current voter registration designated in the state, county or district in which the office is sought, as compiled by the office of the secretary of state, except that a candidate for township office may receive the nomination and have such person's name printed on the ballot where no nomination petitions or declarations have been filed if such candidate receives three or more write-in votes. No such person shall be required to obtain more than 5,000 votes.

(e) The secretary of state by rules and regulations shall develop the official ballot for municipal elections in odd-numbered year elections.

(f) A person who won the primary election as a result of the person's name being written in on the primary ballot shall have such person's name printed on the official general election ballot for national, state, county, township or municipal office, unless the person notifies, in writing, the secretary of state for national or state office or the county election office for all other offices within 10 days following the canvass of the primary election that the person does not want such person's name on the official general election ballot.

Sec. 20. K.S.A. 25-303 is hereby amended to read as follows: 25-303. (a) This section shall not apply to city and school elections, nor to election of other officers provided by law to be elected in April odd-numbered years.

(b) All nominations other than party nominations shall be independent nominations. No person who has declared and retains a party affiliation in accordance with K.S.A. 25-3301, and amendments thereto, shall be eligible to accept an independent nomination for any office.

(c) Independent nominations of candidates for any office to be filled by the voters
of the state at large may be made by nomination petitions signed by not less than 5,000 qualified voters for each candidate and in the case of governor and lieutenant governor for each pair of such candidates.

(c) Independent nominations of candidates for offices to be filled by the voters of a county, district or other division less than a state may be made by nomination petitions signed by voters equal in number to not less than 4% of the current total of qualified voters of such county, district or other division as compiled by the office of the secretary of state in the case of state offices and as compiled in the office of the county election officer and certified to the secretary of state in accordance with K.S.A. 25-2311, and amendments thereto, in the case of local offices, and in no case to be signed by less than 25 nor more than 5,000 qualified voters of such county, district or division, for each candidate.

(d) Independent nominations of candidates for offices to be filled by the voters of a township may be made by nomination papers signed by not less than 5% of the current total of qualified voters of such township, computed as above provided, for each candidate, and in no case to be signed by less than 10 such voters of such township for each candidate.

The signatures to such nomination petitions need not all be appended to one paper, but each registered voter signing an independent certificate of nomination shall add to the signature such petitioner's place of residence and post office address. All signers of each separate nomination petition shall reside in the same county and election district of the office sought. The affidavit of the candidate or a petition circulator shall be appended to each petition and shall contain, at the end of each set of documents carried by each circulator or candidate, a verification, signed by the circulator or candidate, to the effect that such circulator or candidate personally witnessed the signing of the petition by each person whose name appears thereon.

No such nomination paper petition shall contain the name of a candidate for governor without in the same such paper petition containing the name of a candidate for lieutenant governor, and if it does it shall be void.

No person shall join in nominating more than one person for the same office, and if this is done, the name of such petitioner shall not be counted on any certificate.

Within 20 days after receipt of an independent nominating petition, but not later than the date of the meeting of the state board of canvassers in accordance with K.S.A. 25-3205, and amendments thereto, the secretary of state shall determine the validity of such independent nominating petition. If any independent nomination petitions are found to be invalid, the secretary of state shall notify the candidate on whose behalf the independent nomination petitions were filed that such nomination petitions have been found to be invalid and the reason for such finding of invalidity. Such candidate may make objection to the finding of invalidity by the secretary of state in accordance with K.S.A. 25-308, and amendments thereto.

Sec. 21. K.S.A. 25-308 is hereby amended to read as follows: 25-308. (a) Any certificate of nomination, nomination petitions or declaration of intention to become a candidate, filed or issued in apparent conformity with law, shall be deemed to be valid unless:

1. An objection thereto is made in writing within three days from the date the certificate, petitions or declaration is filed with or issued by the proper officers; or
2. in the case of certificates of nomination, nomination petitions and declarations
of intention to become a candidate, the secretary of state or the county election officer finds them to be invalid pursuant to K.S.A. 25-208a, and amendments thereto.

(b) If the secretary of state or the county election officer finds any certificates of nomination, nomination petitions or declaration of intention to become a candidate to be invalid pursuant to K.S.A. 25-208a, and amendments thereto, the candidate on whose behalf the certificates, petitions or declaration was filed may make objection to such finding in writing within three days of receipt by the candidate of notice of such finding.

(c) In the case of nominations of national and state officers, objections shall be filed with the secretary of state and shall be considered by the lieutenant governor, secretary of state, and attorney general, or such officer's designee, and a decision of a majority of these officers, or such officers' designees, shall be final. In the case of nominations for county, township, city and school officers, objections shall be filed with the county election officer and shall be considered by the county election officer, county attorney or district attorney and an elected official of the county whose position is not involved in the controversy, who shall be designated by the county election officer. The decision of a majority of these officers shall be final.

(d) In any case where objection is made, notice shall be given immediately, by the officer with whom the objections are filed, to the other officers required to determine the matter and to the candidates affected by such objection, addressed in the case of candidates to their places of residence as given in the nomination petitions, declaration of intention to become a candidate or certificate of nomination. The notice shall state the time when the objection will be considered. Such time shall not be more than five days following the giving of such notice in the case of nomination of a national or state officer and not be more than three days following the giving of such notice in the case of nomination of a county, township, city or school officer, and the place where such objections will be considered.

(e) The causes for objection under this section as to any office may be any of those causes listed in K.S.A. 25-1436, and amendments thereto. The officers determining any objections under this section may assess any costs arising from such determination to either the objector or objectee in accordance with the determination made. Such costs shall be paid to the secretary of state or the county election officer, as the case may be, and deposited in the treasury of the state or county to the credit of its general fund. If such costs are not paid within 10 days after being fixed, the secretary of state or county election officer shall make a certificate of the facts and file it with the clerk of the district court in the county where the person resides who must pay such costs. Such clerk of the district court shall collect such costs as in cases of collection of court costs, and when collected such costs shall be disposed of as are court costs in such district court.

(f) All mandamus proceedings to compel an officer to certify and place upon the ballot any name or names, and all injunction proceedings to restrain an officer from certifying and placing upon the ballot any name or names, must be commenced not less than 45 days before the election.

Sec. 22. K.S.A. 25-321 is hereby amended to read as follows: 25-321. A person appointed to the office of state representative under the provisions of this act may hold the office for the remainder of the term. Any person appointed to the office of senator under the provisions of this act may hold the office: (a) If the vacancy occurs prior to
May 1 of the second year of the term, until the next general election, when a senator shall be elected to fill the term; or (b) if such vacancy occurs on or after May 1 of the second year of the term, for the remainder of the term. In cases where the appointment of a senator is until the next general election, nomination and election of such successor shall be in the same manner as nomination and election of a senator for a regular term.

Sec. 23. K.S.A. 25-432 is hereby amended to read as follows: 25-432. An election shall not be conducted under this act unless:

(a) Conducted on a date, mutually agreed upon by the governing body of the political or taxing subdivision and the county election officer, not later than 120 days following the date the request is submitted by the political or taxing subdivision;

(c) the election is nonpartisan;

(d) the election is not one at which any candidate is elected, retained or recalled;

(e) the election is not held on the same date as another election in which the qualified electors of that subdivision of government are eligible to cast ballots, except this restriction shall not apply to mail ballot elections held under K.S.A. 79-2925c, and amendments thereto; and

(f) the election is a question submitted election at which all of the qualified electors of one of the following subdivisions of government are the only electors eligible to vote:

Sec. 24. K.S.A. 25-433 is hereby amended to read as follows: 25-433. (a) The county election officer shall mail all official ballots with a return identification envelope and instructions sufficient to describe the voting process to each elector entitled to vote in the election on one date not sooner than the 20th day before the date of the election and not later than the 10th day before the date of the election. Ballots mailed by the county election officer shall be addressed to the address of each elector appearing in the registration records, and placed in an envelope which is prominently marked "Do Not Forward." Ballots shall not be mailed to any inactive voter who, based on information provided by the postal service, appears to have moved to a residence address outside the county in which the voter is currently registered and who has been mailed a confirmation notice as described in subparagraph (4) of subsection (e) of K.S.A. 25-2316c(e)(4), and amendments thereto, or because a "Forwarding Order Expired" or "Moved — No Forwarding Address" notice was received from the postal service. Any inactive voter who believes such voter is entitled to vote in the election may request a replacement ballot as provided for in subsection (d) of this section.

(b) Upon receipt of the ballot the elector shall mark it, sign the return identification envelope supplied with the ballot and comply with the instructions provided with the ballot. The elector may return the marked ballot to the county election officer by United States mail, if it is received by the county election officer by the date of the election, or personally deliver the ballot to the office of the county election officer before noon on the date of the election. The ballot shall be returned in the return identification envelope. The county election officer shall provide for the payment of postage for the return of ballot envelopes.

(c) The return identification envelope shall contain the following form:

I also understand that failure to complete the information below will invalidate my ballot.

___ Signature

___ Residence Address

(d) If the ballot is destroyed, spoiled, lost or not received by the elector, the elector may obtain a replacement ballot from the county election officer as provided in this subsection. An elector seeking a replacement ballot shall sign a statement verified on oath or affirmation, on a form prescribed by the secretary of state, that the ballot was destroyed, spoiled, lost or not received. The applicant shall deliver the statement to the county election officer before noon on the date of the election. The applicant may mail the statement to the county election officer, except a county election officer shall not transmit a ballot by mail under this subsection unless the application is received prior to the close of business on the second day prior to the election. When an application is
timely received under this subsection, the county election officer shall deliver the ballot to the voter if the voter is present in the office of the county election officer, or promptly transmit the ballot by mail to the voter at the address contained in the application, except when prohibited in this subsection. The county election officer shall keep a record of each replacement ballot provided under this subsection.

(e) A ballot shall be counted only if: (1) It is returned in the return identification envelope; (2) the envelope is signed by the elector to whom the ballot is issued; and (3) the signature has been verified as provided in this subsection. The county election officer shall verify the signature of each elector on the return identification envelope with the signature on the elector's registration records and may commence verification at any time prior to the canvass of the election. The county election office shall attempt to contact each person who submits a mail ballot if there is no signature or the signature does not match with the signature on file and allow such elector the opportunity to correct the deficiency before the commencement of the county canvass. Verification of the voter's signature shall not be required if the voter has a disability preventing the voter from signing the ballot or preventing the voter from having a signature consistent with such voter's registration form. Signature verification may occur by electronic device or human inspection. If the county election officer determines that an elector to whom a replacement ballot has been issued under subsection (d) has voted more than once, the county election officer shall not count any ballot cast by that elector.

(f) The county election officer shall supervise the procedures for the handling and canvassing of ballots to insure the safety and confidentiality of all ballots properly cast.

(g) The names of voters whose mail ballot envelopes are returned to the county election officer as "undeliverable" shall be subject to removal from the voter registration book and party affiliation list in the manner provided in subsection (d) of K.S.A. 25-2316c(d), and amendments thereto.

Sec. 25. K.S.A. 25-604 is hereby amended to read as follows: 25-604. (a) Except as otherwise provided in subsection (b), the county election officers shall have charge of the printing of the ballots for all elections, primary, special and general.

(b) The secretary of state may provide for the printing of all or any portion of the ballots for a presidential preference primary election. The secretary of state shall determine, with the advice of the director of printing, the most efficient manner in which to print ballots for a presidential preference primary election for any county in the state of Kansas.

(c) Nothing in this subsection shall apply to the printing of ballot labels for use on voting machines.

(d) The ballots shall be printed on paper of sufficient strength as not to be punctured by ordinary pencil marking. Ballots shall be put in the possession of the county election officer at least five days before the election, accompanied by sufficient number, not to exceed 50 for each precinct or area, of exact copies of such ballots, printed on paper of any color, except white, as authorized by rules and regulations adopted by the secretary of state, for the inspection of candidates and their agents of the candidates and for distribution through each of the party organizations. If any mistakes are discovered they shall be corrected without delay. County election officers may also obtain and distribute ballots or lists of candidates and other questions to be voted upon on paper of any color authorized by rules and regulations adopted by the secretary of state stamped "SAMPLE BALLOT" in large letters, and these ballots, lists of
candidates and other questions to be voted upon shall be used for educational purposes and the distribution shall be for such purpose. The county election officers shall cause to be delivered to the supervising judges, not less than 12 hours before the time fixed by law for the opening of the polls, a number of properly printed ballots fully sufficient to meet the demands and needs of all the voters. Such ballots shall be put in separate sealed packages of 25, 50 or 100 ballots each, with marks on the outside clearly designating the voting place for which they are intended and the number of ballots enclosed. The county election officer shall retain at the county election office an additional supply of ballots to meet any emergency need for such ballots that might arise from loss or destruction of ballots, enlarged vote or any other legitimate cause. The county election officer may make a charge for all sample ballots, lists and materials distributed in an amount not to exceed the actual cost of the materials, printing and the distribution thereof.

Sec. 26. K.S.A. 25-901 is hereby amended to read as follows: 25-901. (a) Every committee, club, organization, municipality or association designed to promote or engaged in promoting the success or defeat of any party or the election or defeat of any candidate or candidates for any city of the second and third class, unified school district, except unified school districts having 35,000 or more pupils regularly enrolled in the preceding school year, any community college or township office; or the adoption or defeat of any question submitted at any city, unified school district, community college, township or county election, shall have a treasurer, and shall cause to be kept a detailed account of all moneys or property or other thing of value received by it, and of the manner in which the same shall be expended; and, Such committee, club, organization, municipality or association shall file annually with the county election officer of the county in which such committee, club, organization, municipality or association has its headquarters a statement of all its receipts and expenditures, showing in detail from whom such moneys or property or other thing of value were received, to whom such moneys or property or other thing of value were paid, for what specific purposes each payment was made, and the exact nature of the service rendered in consideration thereof.

(b) The annual statement herein required shall be filed on or before December 31, such statement and shall cover the period ending on December 1 immediately preceding. The accounts of the state committee of each political party shall be audited annually by a certified public accountant and a copy of the audit filed with the secretary of state.

(c) This section and K.S.A. 25-905, and amendments thereto, shall not be construed to require any committee, club, organization, municipality or association which is subject to the campaign finance act (42, K.S.A. 25-4101 et seq.), and amendments thereto, to file reports required by this act.

Sec. 27. K.S.A. 25-1115 is hereby amended to read as follows: 25-1115. (a) "General election" means the elections held on the Tuesday following the first Monday in November of both even-numbered and odd-numbered years, and in the case of special elections an election of any officers to fill vacancies held on a date other than the Tuesday following the first Monday in November, the election at which any such officer is finally elected.

(b) "Primary election" means the elections held on the first Tuesday in August of both even-numbered and odd-numbered years, and any other preliminary election held
on a date other than the first Tuesday in August at which part of the candidates for
special election to any national, state, county, city, school or other municipal office are
eliminated by the process of the election but at which no officer is finally elected.

(c) "Special election" means any election that is not a general or primary election,
including, but not limited to, any mail ballot election conducted pursuant to K.S.A. 25-
431 et seq., and amendments thereto. A special election shall not be held within 45 days
of a general or primary election but may be held on the same day as a general or
primary election.

Sec. 28. K.S.A. 25-1122 is hereby amended to read as follows: 25-1122. (a) Any
registered voter may file with the county election officer where the person is a
resident, or where the person is authorized by law to vote as a former precinct
resident, an application for an advance voting ballot. The signed application shall be
transmitted only to the county election officer by personal delivery, mail, facsimile or as
otherwise provided by law.

(b) If the registered voter is applying for an advance voting ballot to be transmitted
in person, the voter shall provide identification pursuant to K.S.A. 25-2908, and
amendments thereto.

(c) If the registered voter is applying for an advance voting ballot to be transmitted
by mail, the voter shall provide with the application for an advance voting ballot the
voter's current and valid Kansas driver's license number, nondriver's identification card
number or a photocopy of any other identification provided by K.S.A. 25-2908, and
amendments thereto.

(d) A voter may vote a provisional ballot according to K.S.A. 25-409, and
amendments thereto, if:

1. The voter is unable or refuses to provide current and valid identification; or
2. the name and address of the voter provided on the application for an advance
voting ballot do not match the voter's name and address on the registration book. The
voter shall provide a valid form of identification as defined in K.S.A. 25-2908, and
amendments thereto, to the county election officer in person or provide a copy by mail
or electronic means before the meeting of the county board of canvassers. At the
meeting of the county board of canvassers the county election officer shall present
copies of identification received from provisional voters and the corresponding
provisional ballots. If the county board of canvassers determines that a voter's
identification is valid and the provisional ballot was properly cast, the ballot shall be
counted.

(e) No county election officer shall provide an advance voting ballot to a person
who is requesting an advance voting ballot to be transmitted by mail unless:

1. The county election official verifies that the signature of the person matches
that on file in the county voter registration records, except that verification of the voter's
signature shall not be required if a voter has a disability preventing the voter from
signing. Signature verification may occur by electronic device or by human inspection.
In the event that the signature of a person who is requesting an advance voting ballot
does not match that on file, the county election officer shall attempt to contact the
person and shall offer the person another opportunity to provide the person's signature
for the purposes of verifying the person's identity. If the county election officer is
unable to reach the person, the county election officer may transmit a provisional ballot,
however, such provisional ballot may not be counted unless a signature is included
therewith that can be verified; and

(2) the person provides such person's full Kansas driver's license number, Kansas nondriver's identification card number issued by the division of vehicles, or submits such person's application for an advance voting ballot and a copy of identification provided by K.S.A. 25-2908, and amendments thereto, to the county election officer for verification. If a person applies for an advance voting ballot to be transmitted by mail but fails to provide identification pursuant to this subsection or the identification of the person cannot be verified by the county election officer, the county election officer shall provide information to the person regarding the voter rights provisions of subsection (d) and shall provide the person an opportunity to provide identification pursuant to this subsection. For the purposes of this act, Kansas state offices and offices of any subdivision of the state will allow any person seeking to vote by an advance voting ballot the use of a photocopying device to make one photocopy of an identification document at no cost.

(f) Applications for advance voting ballots to be transmitted to the voter by mail shall be filed only at the following times:

(1) For the primary election occurring on the first Tuesday in August in both even-numbered and odd-numbered years, between April 1 of such year and the Tuesday of the week preceding such primary election.

(2) For the general election occurring on the Tuesday following the first Monday in November in both even-numbered and odd-numbered years, between 90 days prior to such election and the Tuesday of the week preceding such general election.

(3) For question submitted elections occurring on the date of a primary or general election, the same as is provided for ballots for election of officers at such election.

(4) For question submitted elections not occurring on the date of a primary or general election, between the time of the first published notice thereof and the Tuesday of the week preceding such question submitted election, except that if the question submitted election is held on a day other than a Tuesday, the final date for mailing of advance voting ballots shall be one week before such election.

(5) For any special election of officers, at such time as is specified by the secretary of state.

The county election officer of any county may receive applications prior to the time specified in this subsection and hold such applications until the beginning of the prescribed application period. Such applications shall be treated as filed on that date.

(g) Unless an earlier date is designated by the county election office, applications for advance voting ballots transmitted to the voter in person in the office of the county election officer shall be filed on the Tuesday next preceding the election and on each subsequent business day until no later than 12 noon on the day preceding such election. If the county election officer so provides, applications for advance voting ballots transmitted to the voter in person in the office of the county election officer also may be filed on the Saturday preceding the election. Upon receipt of any such properly executed application, the county election officer shall deliver to the voter such ballots and instructions as are provided for in this act.

An application for an advance voting ballot filed by a voter who has a temporary illness or disability or who is not proficient in reading the English language or by a person rendering assistance to such voter may be filed during the regular advance ballot application periods until the close of the polls on election day.
The county election officer may designate places other than the central county election office as satellite advance voting sites. At any satellite advance voting site, a registered voter may obtain an application for advance voting ballots. Ballots and instructions shall be delivered to the voter in the same manner and subject to the same limitations as otherwise provided by this subsection.

(h) Any person having a permanent disability or an illness that has been diagnosed as a permanent illness is hereby authorized to make an application for permanent advance voting status. Applications for permanent advance voting status shall be in the form and contain such information as is required for application for advance voting ballots and also shall contain information that establishes the voter's right to permanent advance voting status.

(i) On receipt of any application filed under the provisions of this section, the county election officer shall prepare and maintain in such officer's office a list of the names of all persons who have filed such applications, together with their correct post office address and the precinct, ward, township or voting area in which the persons claim to be registered voters or to be authorized by law to vote as former precinct residents and the present resident address of each applicant. Names and addresses shall remain so listed until the day of such election. The county election officer shall maintain a separate listing of the names and addresses of persons qualifying for permanent advance voting status. All such lists shall be available for inspection upon request in compliance with this subsection by any registered voter during regular business hours. The county election officer upon receipt of the applications shall enter upon a record kept by such officer the name and address of each applicant, which record shall conform to the list above required. Before inspection of any advance voting ballot application list, the person desiring to make the inspection shall provide to the county election officer identification in the form of driver's license or other reliable identification and shall sign a log book or application form maintained by the officer stating the person's name and address and showing the date and time of inspection. All records made by the county election officer shall be subject to public inspection, except that the voter identification information required by subsections (b) and (c) and the identifying number on ballots and ballot envelopes and records of such numbers shall not be made public.

(j) If a person on the permanent advance voting list fails to vote in four consecutive general elections held on the Tuesday succeeding the first Monday in November of each even-numbered and odd-numbered year, the county election officer may mail a notice to such voter. The notice shall inform the voter that the voter's name will be removed from the permanent advance voting list unless the voter renews the application for permanent advance voting status within 30 days after the notice is mailed. If the voter fails to renew such application, the county election officer shall remove the voter's name from the permanent advance voting list. Failure to renew the application for permanent advance voting status shall not result in removal of the voter's name from the voter registration list.

(k) (1) Any person who solicits by mail a registered voter to file an application for an advance voting ballot and includes an application for an advance voting ballot in such mailing shall include on the exterior of such mailing, and on each page contained therein, except the application, a clear and conspicuous label in 14-point font or larger that includes:

For elections not held on a Tuesday, the canvass by the county board of canvassers shall be held on a day and hour designated by it, and not later than the 13th day following the day of such election.

Sec. 50. K.S.A. 25-3107 is hereby amended to read as follows: 25-3107. (a) At the time of commencement of any canvass by the county board of canvassers the county election officer shall present to the county board of canvassers the preliminary abstracts of election returns, together with the ballots and records returned by the election boards and, as provided by rules and regulations adopted by the secretary of state as authorized by K.S.A. 25-1132(b), and amendments thereto, advance voting ballots received after the closing of the polls pursuant to K.S.A. 25-1132(b), and amendments thereto. The county board of canvassers shall do what is necessary to obtain an accurate and just canvass of the election and shall finalize the preliminary abstract of election returns by making any needed changes, and certifying its authenticity and accuracy. The certification of the county board of canvassers shall be attested by the county election officer. Neither the county board of canvassers nor the county election officer shall open or unseal sacks or envelopes of ballots, except as is required by K.S.A. 25-409, 25-1136 and 25-1337, and amendments thereto, or other specific provision of law or as is authorized to carry out a recount under subsection (b), or as authorized under subsection (e).

(b) If a majority of the members of the county board of canvassers shall determine that there are manifest errors appearing on the face of the poll books of any election board, which might make a difference in the result of any election, or if any candidate shall request the recount of the ballots cast in all or in only specified voting areas for the office for which the person is a candidate, or if any registered elector who cast a ballot in a question submitted election requests a recount in all or only specified voting areas to determine the result of the election, the county board of canvassers shall cause a special election board appointed by the county election officer to meet under the supervision of the county election officer and recount the ballots with respect to any office or question submitted specified by the county board of canvassers or requested by the candidate or elector. If a recount is required in a county that uses optical scanning systems as defined in K.S.A. 25-4601 et seq., and amendments thereto, or electronic or electromechanical voting systems, as defined in K.S.A. 25-4401, and amendments thereto, the method of conducting the recount shall be at the discretion of the person requesting the recount. The county election officer shall not be a member of the special election board. Before the special election board meets to recount the ballots upon a
properly filed request, the party who makes the request shall file with the county election officer a bond, with security to be approved by the county or district attorney, conditioned to pay all costs incurred by the county in making the recount. In the event that the candidate requesting the recount is declared the winner of the election as a result of the recount, or if as a result of the recount a question submitted is overturned, no action shall be taken on the person's bond and the county shall bear the costs incurred for the recount. Any recount must be requested in writing and filed with the county election officer not later than 5 p.m. on the day following the last meeting of the county board of canvassers. Any recount shall be initiated not later than the following day and shall be completed not later than 5 p.m. on the fifth day following the filing of the request for a recount, including Saturdays, Sundays and holidays. Upon completion of any recount under this subsection, the election board shall package and reseal the ballots as provided by law and the county board of canvassers shall complete its canvass. The members of the special election board shall be paid as prescribed in K.S.A. 25-2811, and amendments thereto, for time actually spent making the recount.

Any such recount must be requested in writing and filed with the secretary of state not later than 5 p.m. on the second Friday following the election day following the last meeting of the county board of canvassers canvassing votes in the election for which the recount is requested. The request shall specify which counties or precincts are to be recounted. If a recount is required in a county that uses optical scanning systems equipment, as defined in K.S.A. 25-4601, and amendments thereto, or electronic or electromechanical voting systems, as defined in K.S.A. 25-4401, and amendments thereto, the method of conducting the recount shall be at the discretion of the person requesting the recount. The amount of the bond shall be determined by the secretary of state. A candidate described in subsection (c)(1)(D) and (E) may post a bond as provided by subsection (b) in lieu of the bond required by this subsection. In the event that the candidate requesting the recount is declared the winner of the election as a result of the recount, no action shall be taken on the candidate's bond and the counties shall bear the costs incurred for the
recount.

(3) The secretary of state immediately shall notify each county election officer affected by the recount and any candidate involved in the election for which the recount is requested. If the candidate cannot be reached, then the secretary of state shall notify the state chairperson of such candidate's party. Each county election officer involved in the recount shall appoint a special election board to recount the ballots. The members of the special election board shall be paid as prescribed in K.S.A. 25-2811, and amendments thereto, for time actually spent making the recount. Upon completion of any recount under this subsection, the special election board in each county shall package and reseal the ballots as provided by law and the county board of canvassers shall complete its canvass. (2) Whenever the election returns reflect that a candidate for office was defeated by \( \frac{1}{2} \) of 1% or less of the total number of votes cast and if the candidate requests a recount in one or more counties of the ballots, no bond shall be required and the state shall bear the cost of any recount performed using the method by which the ballots were counted originally.

(3) Not later than 60 days following a recount conducted pursuant to this subsection, the board of county commissioners of each county in which the recount occurred shall certify to the secretary of state the amount of all necessary direct expenses incurred by the county. Payment for such expenses shall be made to the county treasurer of the county upon warrants of the director of accounts and reports pursuant to vouchers approved by the secretary of state. Upon receipt of such payment and reimbursements, the county treasurer shall deposit the entire amount thereof in the county election fund, if there is one and if there is not then to the county general fund.

(4) The secretary of state, with the advice of the director of accounts and reports, shall determine the correctness of each amount certified under this section and adjust any discrepancies discovered before approving vouchers for payment to any county.

A judge at the precinct polling place, or the county election officer or such officer's designee, shall give such voter a primary ballot of the voter's party affiliation, and such person thereupon shall be entitled to vote. Such a statement of party affiliation shall constitute a declaration of party affiliation, and all such signed statements shall be returned to the county election officer, who shall cause them to be recorded on the party affiliation list.
