KEN COLLINS
2ND DISTRICT

January 31, 2024

Mr. Chairman, Vice-Chairman and Committee Members:

Today I am speaking as a proponent of House Bill 2624. This is a very simple bill that requires federal disability determinations to be probative in Kansas. That would make a finding of disability by the service secretaries of the Army, Navy, Air Force for the respective services under their control, the Secretary of Homeland Security for the Coast Guard, Secretary of Health and Human Services for the US Public Health Service or the Secretary of Commerce for the National Oceanic and Atmospheric Administration final for purposes of the State Of Kansas. When proof is provided by the above mentioned federal entities

Thank you for your consideration of House Bill 2624. I will stand for questions when appropriate.
