The Department of Revenue estimates that SB 22 would decrease state revenues by $7,500 in FY 2024. Of that total, the State General Fund is estimated to decrease by $6,200 in FY 2024, while the State Highway Fund is estimated to decrease by $1,300 in FY 2024. This bill also is estimated to decrease local sales tax revenues by approximately $3,000 in FY 2024. The Department of Revenue indicates that this bill would have a similar fiscal effect in future fiscal years. According to the Department of Revenue, reissuing sales tax publications and issuing tax entity exemption certificates would cost $1,200 from the State General Fund in FY 2024.
The Kansas Department of Transportation indicates that the bill would reduce state revenues to the State Highway Fund as noted above. The Kansas Association of Counties and the League of Kansas Municipalities indicate that the bill would provide a net reduction to local sales tax collections that are used in part to finance local governments. Any fiscal effect associated with SB 22 is not reflected in The FY 2024 Governor’s Budget Report.

Sincerely,
