AN ACT concerning income taxation; relating to Kansas adjusted gross income; providing an addition modification for losses from any investment in a technology-enabled fiduciary financial institution; amending K.S.A. 2022 Supp. 79-32,117 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2022 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the
deduction of the taxes being refunded resulted in a tax benefit for Kansas
income tax purposes during a prior taxable year. Such refunds shall be
included in income in the year actually received regardless of the method
of accounting used by the taxpayer. For purposes hereof, a tax benefit shall
be deemed to have resulted if the amount of the tax had been deducted in
determining income subject to a Kansas income tax for a prior year
regardless of the rate of taxation applied in such prior year to the Kansas
taxable income, but only that portion of the refund shall be included as
bears the same proportion to the total refund received as the federal taxes
deducted in the year to which such refund is attributable bears to the total
federal income taxes paid for such year. For purposes of the foregoing
sentence, federal taxes shall be considered to have been deducted only to
the extent such deduction does not reduce Kansas taxable income below
zero.

(v) The amount of any depreciation deduction or business expense
deduction claimed on the taxpayer's federal income tax return for any
capital expenditure in making any building or facility accessible to the
handicapped, for which expenditure the taxpayer claimed the credit
allowed by K.S.A. 79-32,177, and amendments thereto.

same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-
32,196, and amendments thereto.

facility, claimed for deduction in determining federal adjusted gross
income, to the extent the same is claimed as the basis for any credit
allowed pursuant to K.S.A. 79-32,204, and amendments thereto.

the amount of any costs incurred for habitat management or construction
and maintenance of improvements on real property, claimed for deduction
in determining federal adjusted gross income, to the extent the same is
claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203,
and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by
K.S.A. 75-643, and amendments thereto, if, at the time of contribution to a
family postsecondary education savings account, such amounts were
subtracted from the federal adjusted gross income pursuant to K.S.A. 79-
32,117(c)(xv), and amendments thereto, or if such amounts are not already
included in the federal adjusted gross income.
