SENATE BILL No. 314

By Committee on Federal and State Affairs

AN ACT concerning public health; relating to immunizations; prohibiting the secretary of health and environment from requiring a COVID-19 vaccination to attend at a child care facility or school; amending K.S.A. 65-508 and 72-6262 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 65-508 is hereby amended to read as follows: 65-508. (a) Any maternity center or child care facility subject to the provisions of this act shall:

1. Be properly heated, plumbed, lighted and ventilated;
2. have plumbing, water and sewerage systems that conform to all applicable state and local laws; and
3. be operated with strict regard to the health, safety and welfare of any woman or child.

(b) Every maternity center or child care facility shall furnish or cause to be furnished for the use of each resident and employee individual towel, washcloth, comb and individual drinking cup or sanitary bubbling fountain, and toothbrushes for all other than infants, and shall keep or require such articles to be kept at all times in a clean and sanitary condition. Every maternity center or child care facility shall comply with all applicable fire codes and rules and regulations of the state fire marshal.

(c) (1) The secretary of health and environment with the cooperation of the secretary for children and families shall develop and adopt rules and regulations for the operation and maintenance of maternity centers and child care facilities. The rules and regulations for operating and maintaining maternity centers and child care facilities shall be designed to promote the health, safety and welfare of any woman or child served in such facilities by ensuring safe and adequate physical surroundings, healthful food, adequate handwashing, safe storage of toxic substances and hazardous chemicals, sanitary diapering and toileting, home sanitation, supervision and care of the residents by capable, qualified persons of sufficient number, after-hour care, an adequate program of activities and services, sudden infant death syndrome and safe sleep practices training, prohibition on corporal punishment, crib safety, protection from electrical hazards, protection from swimming pools and other water sources, fire drills, emergency plans, safety of outdoor playground surfaces, door locks,
safety gates and transportation and such appropriate parental participation
as may be feasible under the circumstances. Boarding schools are excluded
from requirements regarding the number of qualified persons who must
supervise and provide care to residents.

(2) Rules and regulations developed under this subsection shall
include provisions for the competent supervision and care of children in
day care facilities. For purposes of such rules and regulations, competent
supervision as this term relates to children less than five years of age
includes, but is not limited to, direction of activities, adequate oversight
including sight or sound monitoring, or both, physical proximity to
children, diapering and toileting practices; and for all children, competent
supervision includes, but is not limited to, planning and supervision of
daily activities, safe sleep practices, including, but not limited to, visual or
sound monitoring, periodic checking, emergency response procedures and
drills, illness and injury response procedures, food service preparation and
sanitation, playground supervision, pool and water safety practices.

(d) In addition to any rules and regulations adopted under this section
for safe sleep practices, child care facilities shall ensure that all of the
following requirements are met for children under 12 months of age:
(1) A child shall only be placed to sleep on a surface and in an area
that has been approved for use as such by the secretary of health and
environment;
(2) the sleep surface shall be free from soft or loose bedding,
including, but not limited to, blankets, bumpers and pillows; and
(3) the sleep surface shall be free from toys, including mobiles and
other types of play equipment or devices.
(e) Child care facilities shall ensure that children over 12 months of
age only be placed to sleep on a surface and in an area that has been
approved for use as such by the secretary of health and environment.
(f) The secretary of health and environment may exercise discretion
to make exceptions to requirements in subsections (d) and (e) where
special health needs exist.

(g) (1) Each child cared for in a child care facility, including children
of the person maintaining the facility, shall be required to have current
such immunizations as the secretary of health and environment considers
necessary. The person maintaining a child care facility shall maintain a
record of each child's immunizations and shall provide to the secretary of
health and environment such information relating thereto, in accordance
with rules and regulations of the secretary, but the person maintaining a
child care facility shall not have such person's license revoked solely for
the failure to have or to maintain the immunization records required by
this subsection.

(2) (A) The secretary of health and environment shall not require a
child cared for in a child care facility to receive a COVID-19 vaccine.

(B) As used in this paragraph, "COVID-19 vaccine" means an immunization, vaccination or injection against disease caused by the novel coronavirus identified as SARS-CoV-2 or disease caused by a variant of the virus.

(h) The immunization requirement of subsection (g) shall not apply if one of the following is obtained:

(1) Certification from a licensed physician stating that the physical condition of the child is such that immunization would endanger the child's life or health; or

(2) a written statement signed by a parent or guardian that the parent or guardian is an adherent of a religious denomination whose teachings are opposed to immunizations.

Sec. 2. K.S.A. 72-6262 is hereby amended to read as follows: 72-6262. (a) (1) In each school year, every pupil student enrolling or enrolled in any school for the first time in this state, and each child enrolling or enrolled for the first time in a preschool or day care program operated by a school, and such other pupils students as may be designated by the secretary, prior to admission to and attendance at school, shall present to the appropriate school board certification from a physician or local health department that the pupil student has received such tests and inoculations as are deemed necessary by the secretary by such means as are approved by the secretary. Pupils Students who have not completed the required inoculations may enroll or remain enrolled while completing the required inoculations if a physician or local health department certifies that the pupil student has received the most recent appropriate inoculations in all required series. Failure to timely complete all required series shall be deemed non-compliance.

(2) (A) The secretary of health and environment shall not require a student described in paragraph (1) to receive a COVID-19 vaccine.

(B) As used in this paragraph, "COVID-19 vaccine" means an immunization, vaccination or injection against disease caused by the novel coronavirus identified as SARS-CoV-2 or disease caused by a variant of the virus.

(b) As an alternative to the certification required under subsection (a), a pupil student shall present:

(1) An annual written statement signed by a licensed physician stating the physical condition of the child to be is such that the tests or inoculations would seriously endanger the life or health of the child; or

(2) a written statement signed by at least one parent or guardian stating that the child is an adherent of a religious denomination whose religious teachings are opposed to such tests or inoculations.

(c) On or before May 15 of each school year, the school board of
every school affected by this act shall notify the parents or guardians of all
known pupils students who are enrolled or who will be enrolling in the
school of the provisions this act and any policy regarding the
implementation of the provisions of this act adopted by the school board.
(d) If a pupil student transfers from one school to another, the school
from which the pupil student transfers shall forward with the pupil's
student's transcript the certification or statement showing evidence of
compliance with the requirements of this act to the school to which the
pupil student transfers.
Sec. 3. K.S.A. 65-508 and 72-6262 are hereby repealed.
Sec. 4. This act shall take effect and be in force from and after its
publication in the Kansas register.
