### EXECUTIVE SUMMARY

The 2023 Legislature approved a budget of \$7.3 million, all from special revenue funds, in expenditures and 67.0 FTE positions for the Kansas State Board of Healing Arts in FY 2024.

The **agency** requests \$7.3 million, all from special revenue funds, in expenditures and 67.0 FTE positions in FY 2024. This is the same as the amount approved by the 2023 Legislature.

However, there are changes to the expenditure categories. The revised estimate includes an increase of \$37,894, or 0.7 percent, in salaries and wages, largely due to increased expenditures for employee pay and employer contributions to Social Security. The increase is partially offset by a decrease of \$32,269, or 1.8 percent, in contractual services for computer programming services and decreased expenditures for office supplies.

The **Governor** concurs with the agency's request in FY 2024.

The **agency** requests \$7.4 million, all from special revenue funds, in expenditures and 68.0 FTE positions for FY 2025. This is an increase of \$200,041, or 2.8 percent, above the agency's FY 2025 approved amount. The increase is entirely due to the agency's enhancement request to fund the state employee pay plan in FY 2025 that was approved by the 2023 Legislature. The agency's revised request includes 68.0 FTE positions, which is an increase of 1.0 FTE position above the 2025 approved number. This position will be an administrative specialist in the licensing program.

The **Governor** concurs with the agency's request for FY 2025.

## HEALING ARTS FEE FUND

The Healing Arts Fee Fund is mainly derived from licensing and registration fees, which are deposited in the fund pursuant to KSA 65-2885. Maximum fees are established in statute, and the actual rates are set by rule and regulation. The fees vary based on the type of license or registration sought.

The Board is able to process license and registration applications online; however, the licensee or registrant also has the option of submitting a paper renewal. Fees are slightly reduced for online renewals. The Board's regulations also establish fees for late renewals or reinstatement of a revoked license.

Included on the following page is a table of the Board's fees, which constitute the bulk of the fund revenue.

KSA 75-3170a(a) provides that 90.0 percent of incoming revenues are retained by the agency and 10.0 percent are deposited into the State General Fund (SGF), up to a maximum of \$100,000 per fiscal year per fund. The table below summarizes the estimated receipts and fund balances based on the agency's estimate and the Governor's recommendation.

**HEALING ARTS FEE FUND**

\* For FY 2024, the lowest month ending balance for the Healing Arts Fee Fund will occur in April, with a balance of \$5.1 million.

However, there are changes to the expenditure categories. The revised estimate includes an increase of \$37,894, or 0.7 percent, in salaries and wages, largely due to an increase in expenditures for employee pay and employer contributions to Social Security. This was partially offset by a decrease of \$32,269, or 1.8 percent, in contractual services for computer programming services.

### **GOVERNOR’S RECOMMENDATION**

The **Governor** concurs with the agency’s request in FY 2024.

## FY 2024 CHANGE FROM ACTUAL EXPENDITURES

The **agency** estimates revised expenditures of \$7.3 million, all from special revenue funds, in FY 2024. There is an increase of \$1.1 million, all from special revenue funds, from the FY 2023 actual amount. The revised estimate includes a \$1.2 million increase in salaries and wages. This is due to the agency spending approximately \$599,632 less than the approved amount in FY 2023 because of unfilled staff positions in FY 2023, along with an increase in expenditures in FY 2024 for employer contributions to health insurance and contractual expenditures for computer services. The increase was partially offset by a reduction of \$242,808 in capital outlay related to office furniture, computer equipment, and software.

### AGENCY ESTIMATE

The **agency** submits a revised estimate of \$7.4 million, all from special revenue funds, in expenditures and 68.0 FTE positions for FY 2025. This is an increase of \$200,041, or 2.8 percent, above the amount approved by the FY 2024 legislature.

The **agency’s** request includes the following adjustments:

1. **PAY PLAN SHORTFALL.** The request includes \$200,041 from the Board of Healing Arts Fee Fund for FY 2025 to account for an increase in expenditure limitations that was inadvertently left out of the Legislative Pay Plan in 2023 SB 25. This adjustment would achieve the intended effect of the pay plan and does not represent a substantive change from the salary adjustments approved by the 2023 Legislature.
  
2. **FTE POSITION INCREASE.** The agency requests 1.0 additional FTE position in FY 2025. This position will be an administrative specialist in the licensing program. The agency has added programs, many of which have more than one type of license, and additional staff time is needed to help maintain response times for licensing and renewals.

### GOVERNOR’S RECOMMENDATION

The **Governor** concurs with the agency’s request for FY 2025.

3. **NO CHANGES.** The Governor does not recommend any changes to the agency’s FY 2025 request.
